Ugh In Water Is Temporary

HICKSVILLE—Residents who may have noticed an unusual odor and taste in the public water supply here the past few days were assured today by officials of the water district that the chlorine taste may disappear in "a week or so". The water supply is being chlorinated at the pumping stations as required by the Nassau County Dept. of Public Health during the period that some new water mains are being put in service. Some consumers were under the false impression this week that the water supply is being treated with fluorides, but officials denied such reports. Pumping for the district hit a peak demand for the year on Sunday, May 30, when six million gallons of water were delivered to meet local requirements. Several ten-million gallon days were recorded during the summer peak season last year. The district's new, huge storage tank off Bethpage Rd. has now been put into service, it was also announced.

Junior High Faculty As Hosts

HICKSVILLE—Junior High School faculty members were hosts at a supper in the High School cafeteria, Wednesday evening, May 26. Sixth grade teachers from various elementary schools and their principals were invited to partake of supper and to meet the Junior High homeroom teachers who will have their classes next year.

In welcoming his school's guests, Leon Galloway, principal of the Junior High, expressed the hope that through such annual get-togethers his school will become more quickly acquainted with the abilities, needs and problems of the youngsters entering Junior High.

By giving 7th grade teachers an opportunity to discuss their incoming sixth grade classes with the teachers who have become well acquainted with them in grade school, more continuity of subject matter and teaching methods may also be achieved.

School principals who were present were James Walters of Woodland Ave. school, Nina Plantz of East St. school, Harold Robbins of Nicholai St. school, John Chase of Dutch Lang school and Donald Abt of Lefferts school.

Mrs. Margaret Gleckler and a committee of Junior High teachers were in charge of supper arrangements.

Capt. Sausmer Home From Korea

HICKSVILLE—Capt. William A. Sausmer returned home last week after a 16 month tour of duty in Korea. While overseas, Capt. Sausmer was awarded the Bronze Star Medal for meritorious service. His unit received the Korean Presidential Unit Citation.

Capt. Sausmer resides with his wife Pearl and children Barbara and James at 135 Old Country Rd. here.

Previous to his entry into the Army he was engaged in the practice of medicine here. Following a 30-day furlough Capt. Sausmer will report to Fort Meade, Md.

INVITE PUBLIC TO ATTEND:

To Dedicate School Sunday Afternoon

HICKSVILLE—The community is invited to attend the formal dedication of the Woodland Ave. Elementary School set for this Sunday afternoon, June 6, at 3:30 o'clock. Inspection of the new 20-room building which fronts on Ketcham Rd., off Woodbury Rd., is invited before and after the ceremonies, according to Dr. E. H. LeBaron, superintendent of schools.

Doris Corwith, supervisor of Public Affairs programs for the National Broadcasting Co. radio and television networks, will be principal speaker.

Henry C. Brongel, president of the Board of Education in one of his last official public acts prior to his retirement from the Board the end of this month, will preside as master of ceremonies.

An American flag presentation on behalf of the Legion, VFW and Jewish War Veterans will be made by JWV Commander Seymour Lang. Student Larry Bier will accept the gift. A Bible will be presented by Henry C. Brongel, Jr., master of the Masonic Lodge, and accepted by student Patricia Triola.

Boy and Girl Scouts will assist in advancing the retiring of colors. James Walters is principal of the new building which opened its doors in April.

Strike At Deadlock

HICKSVILLE — Negotiations between 250 striking employees of Amperex Electronics Corp. on Duffy Ave. and the management were described as "deadlocked", yesterday. Men left their jobs on Friday, May 28, and all production work at the plant has ceased.

Representatives of the local of the International Association of Machinists who are on strike and are picketing the plant charged today that "management provoked the strike". They stated that negotiations on the new contract started the latter part of April and claim that management's first offer amounted to a 12.5 cent an hour decrease in pay. A later offer raised the workers 3 cents an hour but deleted the Christmas bonus, amounting, in effect, the workers say, to a "cut in pay".

Amperex manufactures electrical tubes some of it for defense industries and as sub-contractors.

A management spokesman was quoted as saying the hourly pay scale at the plant is \$1.87 compared with \$1.66 for the industry.

Picketing was orderly this week and engineering and clerical staff workers were permitted to enter the plant. Guards from Pinkerton Detective Agency were on the scene as well as County Police.

Pastor Made Monsignor

HICKSVILLE—The Very Rev. George M. Bittermann, pastor of St. Ignatius Loyola Roman Catholic Church, has been elevated to a Monsignor of the Church, it was learned as this edition of the Herald went to press.

FIRST DONOR among businessmen to the Hicksville Fire Dept. Welfare Fund was Frank Englert of Englert's Bakery at Broadway and Marie St. who turned over a check for \$100.00 to Chief Arnold Jeansson (center). Englert urged all merchants to give their financial support to the firemen. Left to right are Ernest Dieterich, chairman of the welfare fund drive; Mr. Englert, Chief Jeansson and Assistant Chief Medard Oefenloch. Volunteers are concluding their canvass of 10,000 homes in the district and are now starting on the business district. (Photo by Frank Mallett).

Veteran Summarizes All Memorial Days

William G. Olitsky of 73 Sleepy Lane, Hicksville, wrote the accompanying report of his impressions on Memorial Day which we feel is typical of feelings of all veterans on this sacred day.—Editor.

By WILLIAM G. OLITSKY
This fascinating early Sunday morning, May 30, (Memorial Day), I hope my pen can immortalize this day. It would be so much simpler if each scene and event that took place were either photographed or painted on canvas. Our shrubs are in full bloom, the scent of the roses and honeysuckle fill the air.

The day has come to pay homage to our fallen comrades. They cannot see or smell this beauty about us. But we who have survived will be ever vigilant that these, our fallen comrades, did not make the supreme sacrifice in vain. It would be rather easy to forget were it not for men like William A. Cone, Pres. of Mt. Ararat Cemetery, Farmingdale. It was hard to believe this Memorial Park is a cemetery. The lawns are cut, shrubs under full control and head stones uniform.

There isn't a veteran, who while visiting the final resting place of his buddies, who cannot recall the men he served with. It brings back the impressions so deeply imprinted in the mind. He seeks not too deeply to recollect through the war years past. Battles all over the world, buddies who fought the savage campaigns on land, sea and

air. To be reminded of the swamps jungles, forests, deserts, rain, ice and snow. Wherever our flag moved unfurled, always moving forward through these wilds, which ultimately would find the path back to civilization and peace. Yes, through these trackless miles, back home to our roses and honeysuckle, away from the battle and diseases.

We are but of bone, flesh and blood, as were our adversaries. The price was high, even with the spilling of one drop of blood, or less of one life.

Although we may forget the many details, let us remember Memorial Day.

Mr. Cone of Mt. Ararat invited representatives of Hicksville Post 655, Jewish War Veterans, with the possibility of holding a memorial service at this cemetery. After an inspection by the Committee led by Chairman Samuel Sherman, and noting many graves occupied by our boys, the wheel was started. AmVets of World War II and Korea, members of their crack rifle squad, Mal Gertzen, George Honoski, Fred Blackley and Jim Surles, as well as Bugler Stephen (Continued on Page 3)

PAYING TRIBUTE to veterans who have died, members of the Hicksville Post, Jewish War Veterans, march into Mount Ararat Cemetery, Farmingdale, accompanied by the honor guard of the Robert O. Ulmer Memorial Post, Amvets. William G. Olitsky, speaker at the ceremonies (in dark suit) is carrying a floral tribute. (Photo by Capt. Henry Frank).

Auxiliary Cops Raising Funds

BETHPAGE — The Auxiliary Police will hold a square dance on Saturday, June 26, at the fire house on Broadway as a climax to their fund drive to raise money for emergency equipment and uniforms. The highlight of the evening will be the drawing for either a finished room in your home or a stone front for your house. Either of these items are valued at over five hundred dollars.

The CD Police unit is still looking for energetic men who wish to become members. An extensive training program in police work will start in Sept. for those new men signing up now.

Enlistments for all CD services are taken every Tuesday evening at CD headquarters, 428 Stewart Ave. in the Police Boys Club building.

Dear Jean:

Months and months of effort by the Glenbrook Civic Assoc. and its public affairs committee led by ALLEN GOLDSTEIN has achieved success. Installation of a fence around the play area in that development began earlier this week . . . Among the Democrats being prominently mentioned as candidates for United States Representative from the First Congressional District of N. Y. which includes Suffolk and the Mid-Island area is ALLEN CARPENTER of Hicksville . . . Installation of new officers of the Hicksville Home Bureau takes place June 8, Achievement Day, at 2 o'clock at the Legion Hall . . . Wonder why two of the fire company captains are now being called "mustard balls"? . . . Comical Co. 3, it is reported, will run against the Ladies Auxiliary on June 20 when the four other companies compete in Efficiency on McAllester Ave. . . . HAROLD MINSKIE is upset because the story in Tuesday's paper about the victory of the Horses (opps, Hook) and Ladder Co. over the Emergency boys failed to mention his name. Also slighted was JOHN (Static) KUPFER who was a target judge. . . . Photo evidence has been produced to show that HAWXIE, life-time subscriber, did have the hose uncoupled until he crossed the starting line . . . Hicksville Lions Club will hold an installation dinner-dance at the South Shore Terrace, Merrick, on June 23. HENRY A. GEBHARDT is in charge . . .

The Hicksville Republican Club dinner-dance at Williston, last Friday night, was a social success. Such was the comment of those attending, including a group which was designated as "Democrats". Vice President MICHAEL J. SULLIVAN will preside at the Republican Club meeting set for Friday night, June 11, at the Masonic Temple. . . . ERNEST BELANGER of 48 James St., Hicksville, wants it understood that reports of his recent demise are "grossly exaggerated". Ernie was a patient at the Mayor Clinic in Rochester and is "very much alive and feeling fine now". . . . Oyster Bay Town Board set a record for recent years when the public session of the Board meeting on Tuesday lasted until almost five in the afternoon. Public meetings normally commence at 10 o'clock and conclude about 12 noon. The Board is getting ready for its summer schedule, which one member points out, means "we meet only once a week" for the summer months. . . . At a recent board session the Councilmen had more than 165 calendar items to consider. . . . Recent public hearing before Water Power and Control Commission in Jamaica on the matter of Hicksville Water District giving temporary water service to the O. E. McINTYRE plant on John St went off in a routine manner. Westbury District is extending its mains (having absorbed the Cedar Place district) to service the new industries in the vicinity of Cantague Woods. . . .

Meeting of retailers will be held Wednesday night, June 8, at the Hicksville Chamber office at 75 Broadway to complete plans for Dollar Days in July. . . . ROBERT F. BILOON has been named in charge of Bethpage CD communications. TEX SURPRISE has been appointed as deputy to CD Director FRED WILLARD. . . . Plainview School Board is asking a meeting with Bethpage Board as a preliminary to talk on "centralization or merger of both districts. Some years ago Plainview residents rejected a plan to merge with Hicksville. . . . While the firemen are making their house to house drive, there are reports of unauthorized persons capitalizing on this campaign. Only give your contribution to an authorized member who will be glad to identify himself and provide a signed receipt. . . .

Seen along Old Country Road, Hicksville, a sign in front of 147 Old Country Rd., saying "Welcome Home Uncle Bill". ARTHUR and BONNIE SAUSMER welcomed home their uncle, Capt. SAUSMER from Korea. In their window and door at 125 Old Country Rd., Capt. Sausmer's wife, Pearl, and children, Barbara and James, have a "Welcome Home sign" and are happy to have Capt. William Sausmer home again, after being away 18 months in Korea.

NEW ADMINISTRATION Building which the Long Island Lighting Co. will build at a cost of \$2,700,000 on its property on Old Country Rd., Hicksville, as part of the LILCO's central operating headquarters. The

proposed construction project was described exclusively in Tuesday's Herald. More efficient operation will be achieved by bringing together 800 employees in the new building from presently rented offices, officials state.

Memorial Day

(Continued from Page 1)
Zoffers and Raisers of the Flag, Frank Patricolo, were invited because of their past experience in these ceremonies.

The motorcade started to form at 9 A.M. with AmVets getting there first. By 9:30 there were 10 cars and twenty people. The post members included Senior Vice Commander Elliot Laner, Jr., Vice Commander Al Kriegel, Dave Richman, Irving Storch, Morris Stillman, Lenny Kriegl, Hy Pokard, Lou Finkelman, Al Goldblatt, Leo Ziegler, our color bearers, Dave Katz and Warren Bernstein, were led by Sam Sherman.

At the cemetery we formed at the main road and marched to the Flag Pole and Mall, where it was my privilege to speak as Past Commander, Dept. of New York Executive Committee and side to the National Commander, and place a wreath.

Taps were sounded and a 21 gun salute fired. Capt. Henry Frank, U. S. Army also a member of the Post, was on hand to photograph this impressive Memorial Day Service.

Exhibition To Conclude Season For Home Bureau

HICKSVILLE—The final wind-up of the present season of the Home Bureau takes place next Tuesday, June 8, at the American Legion Hall on E. Nicholai St. An exhibit of all the work members have completed this year will be on hand for the public to see.

Exhibit hours are from 11 A.M. until 3:30 P.M. A cordial welcome is extended to all ladies of the area to visit the exhibit, and bring their friends. If they are interested in joining the group, various officers will be on hand to instruct them how to go about this and to answer any questions they might like to ask about the work projects.

Installation of the new officers elected at the June business meeting will take place at 2 P.M. Mrs. Edward Korzman, a past chairman, will do the installing, in the absence of Mrs. Gerard Burchell, unit sponsor, who cannot be present on Tuesday.

Newly elected officers are Mrs. E. Irving Jasner, chairman; Mrs. Robert Gross, vice chairman; Mrs. George Waters, secretary, and Mrs. Freeman Parr will remain as treasurer. Punch and cookies will be served to visitors before and after the installation. In charge of refreshments and the exhibit are Mrs. Matilda Feitusch and Mrs. Theodore Schwarting.

PLAINVIEW GIRL SCOUTING:

Troop Provides Rubbish Baskets

The Girl Scouts of Plainview have had various activities throughout this spring. The leaders of Troop 231, Mrs. John Trask and Mrs. Dillon, took a group of about 45 girls to the Massapequa skating rink. They wish to thank Mr. and Mrs. Donald Ramsey for cooperating for the transportation of the girls. The girls, also of troop 231, have painted two rubbish barrels and put them in front of the stores, so that the people will discard their rubbish in the cans.

Troop 235, Mrs. Mildred Green and Mrs. Margaret Donahue leaders, took their group to the Lollipop Farm. Troop 221, Mrs. Thelma Seeburg

and Mrs. Jenny Kirchner leaders, took their troop to Port Jefferson for a cook-out and hike. The girls of that troop earning the cat and dog badge visited the Bide-A-Wee Home to receive their information.

Troop 146, Mrs. Esther Frank and Mrs. May Boggia leaders, had a cook-out on the grounds of Mr. and Mrs. Alfred Stauber whom they wish to thank.

Troop 213, Mrs. Lillian Gregory leader, presented a May festival with the girls of her troop. Mrs. Lenore Klein leader of troop 230 took her group on a visit to Bethpage State Park for a cook-out. Troop 253, Mrs. Carroll leader, is planning a trip to Lollipop Farm in June.

All the Scout troops of Plainview will visit Sagamore Hill at Oyster Bay on Saturday, June 5, to end their season of Scouting.

Two Days More For Carnival

HICKSVILLE — Hundreds attended the opening of the American Legion six-day carnival which opened on Monday, May 31, Memorial Day.

The carnival complete with booths games and fun for everyone opened a matinee and continued in till 11 P.M.

The old-fashioned attraction will continue until Saturday, June 5, at which time another matinee will open at 1 P.M. to be followed by the closing evening festivities. Refreshments are available and the proceeds will be used to help finance the many projects planned and conducted by the Plainview Post No. 1812 and Charles Wagner Post No. 421.

Obituary

Fred Unser Sr.

HICKSVILLE — The community's oldest resident, Fred Unser Sr., 90 Willoughby Ave., died Saturday, May 29, at the age of 101. Death was due to natural causes. He was found in the bathtub by his son, Fred Jr.

Services were held Tuesday from Jaroszna Funeral Chapel and burial followed in Melville Cemetery. Besides his son, he is survived by a daughter, Lillian, with whom he lived.

CURRENT COMMENT:

Give 2 Hours To Save Lives

By Fred J. Noeth

THERE IS AN IMPORTANT community effort scheduled for Saturday, June 12 in Hicksville and the cooperation of many public-spirited people is essential.

This is not an activity which requires digging into the family till. All that is asked at this point is a little of your time. We are referring to the campaign to round up clean, discarded articles of apparel to be gathered for American Relief for Korea. Besides suggesting that you now look thru the closets and attic and gather up such articles that you can spare or for which you have no further use, the committee led by Leonard F. Urschel asks that you give two hours of your time on June 12.

The drive will start at 10 o'clock in the morning and conclude at two in the afternoon. Volunteers will assemble at Second St. and Frevert Pl., at the rear entrance to the Hicksville High School.

If you can spare some time on June 12, please call Hicksville 3-3074 and volunteer now.

Residents will be asked to have their parcels of garments n doorsteps and private cars will make the rounds, covering re-assigned sections.

Last year Hicksville gave 10,000 pounds of clothing which was excellent—for a first time effort. This year plans have started earlier and with the proper cooperation, our generous community should be able to ship out tons of garments which will mean so much to men, women and babies who are cold and homeless, struggling for survival. By volunteering just 120 minutes of your time for June 12 you may be saving the life of a human being.

Already residents have brought in boxes of garments to the Herald office where they are being held until the round up. The Herald staff is crawling around the parcels at this point, so please hold what you have until Saturday, June 12 or the collection.

And while you are thinking about it, call Mr. Urschel at Hicksville 3-3074 and tell him he can count on your assistance in this once-a-year effort.

June Dance At Fork School

HICKSVILLE—Regular and square dancing will be enjoyed by those attending the June Dance of the Fork Lane Parent-Teacher Assoc. at the School Auditorium this Friday night, June 4, starting at 9 o'clock. Mrs. Arthur Eirich is chairman of the committee in charge of arrangements.

Continue Sunday Teen Dances

PLAINVIEW—In view of the fact that many teen-agers express the desire that the Legion-sponsored Sunday afternoon Hobby Sox hope to continue, the Board of Education has granted the Legion permission to continue.

The dances will be sponsored by members of the Legion and its Auxiliary will be held at the Manetto Hill School on June 6, 13 and 27. There will be no dance on Sunday, June 20, Father's Day. The dances will cease for the summer vacation and will be resumed again in the fall with the start of the new school term.

Doctor Jones Says

By PAUL B. BROOKS, M. D.

Coffee—we've been bearing and seeing questions a-plenty about coffee of late. Watching the commercials on television, it's interesting to see the "evidence" they present to show why each brand is better'n all the others. Flavor buds, tiny crystals and what all! It'd make it easier if they'd get together.

But here's a coffee question—this time a doctor sent it to the A.M.A. Journal's "queries" department. It's one that's been going around, in social circles, for years. This is the doctor's question: Does black coffee have any more stimulating effect on the nervous system?" he asks, "then coffee with cream?"

It's a funny thing: this business of coffee keeping people awake. It's the caffeine, of course, that's supposed to do it. (Beine, in tea—according to my medical dictionary it's the same thing!) Millions of people "can't sleep" if they take coffee in the evening. I was one of 'em. But an old aunt of mine couldn't sleep if she didn't have a cup of coffee to go to bed on.

A very level-headed lady I was closely associated with for many years—she and some of her women friends "discovered" that, if they took their coffee black, it didn't keep 'em awake. It didn't make sense, but I tried it and it worked—evidently more psychology than coffee.

Anyway, here's what the A.M.A. Authority said. Whether coffee stimulates people enough to keep 'em awake or not (if they're susceptible) it depends on the strength of the coffee and how much is taken—and how fast. Cream doesn't change the chemical composition of the coffee—or its chemical effect. So the Authority's opinion amounts to—No.

But, from something else I read, maybe before long we won't be getting enough coffee to keep us awake. Here's an item in Science News Letter. All the coffee growing world, outside of Latin America, says here, has been "devastated" by a rust disease of coffee trees. In many sections they've gone out of business. Yes, sir when it comes to worrying about coffee, those fellows really have something to worry about.

Better Local Government ...

town board, the people of our hamlet are forced to seek special consideration from town officials, to draw for favors from political "friends", to draw up petitions, to bring pressure to bear through civic groups and political parties.

Our town form of government encourages special pressure groups, discourages community solidarity. Our town form of government is almost entirely irresponsible to community problems, because it cannot be held accountable for its action or lack of action by any one hamlet in the township.

Our problems are the same as those of any rapidly growing community. These same problems have already been solved in many communities throughout our country. Good examples of all kinds are at hand—our problems can be solved by normally intelligent men and women. Our problems can be solved by ordinary men and women who are interested in seeking out a solution through community agreement.

There are only three possible reasons why our community problems are receiving no effective attention:

- 1—Our town officials do not have normal intelligence;
- 2—They do not have sufficient interest in the people's problems;
- 3—They are completely blind, and cannot see the problems.

THE SCHOOLS ARE YOURS:

School Teachers, Personnel

By ROBERT E. TUTTLE
Supervising Principal
Plainview Schools

My neighbor, John Q. Public and I were discussing education.

"How many different types of personnel are employed in the schools?" was John's first question.

"For the sake of clarity and convenience suppose we divide them into on-teaching, teaching and other employees. If we consider all administrators in the non-teaching category, all classroom teachers in the teaching classification, then all other employees would be concerned with such things as building maintenance, office, clerical and secretarial workers and so forth."

"How many types of administrators are there?"

"In general there are three types. Some school districts have a Superintendent of Schools. He is the chief administrative officer. Generally the Superintendent is charged by the Board of Education with the overall supervision of the school system. He may delegate responsibility in various areas to others but fundamentally he is responsible."

"The others?"

"Secondly, public school principals must be listed. Principals are of three types. The district principal is the executive head of the schools in a given district. His position is similar to that of a superintendent of Schools. Then there are building principals who are responsible for the educational programs in a certain building and directly responsible to the superintendent or district principal. These building principals are of two types. If the building and the number of classes is small the principal may teach a regular class in addition to his administrative duties. If the building houses 8 or more classes the principal usually devotes his full time to administration."

"We have talked about superintendents and principals. What is the third type?"

"Supervisors should be considered as a part of the administrative setup. Large school systems generally have a supervisor of music, art, remedial reading, physical education and other subjects or activities".

"What do these supervisors do?" John asked.

"It is their duty to formulate with the administrators and teachers a workable program for their specific fields. In large school systems, for example, there may be six or more physical education teachers. The supervisor is the

liaison person between the superintendent or principal and the individual physical education teachers."

"Most administrators have been teachers. Is teaching the accepted way to an administrative post?"

"It is not only the accepted way. John, for the most part it is the way. For example, in order to qualify for a principal's license one is required to teach a certain number of years."

"Is that the only requirement?"

"No, one must be qualified to teach in the field, either elementary or high school."

"What do you mean by that?"

"No elementary teacher can become a high school principal unless qualified to teach in high school. It is also true that no high school teacher can become an elementary principal unless qualified to teach in the elementary school. But aside from this certain course in educational administration must be taken with the approval of the State Education Department. A principal's certificate usually requires Master's Degree or its equivalent—representing five years of professional preparation."

"What about the teachers?"

"Teachers must be duly licensed in the field they are going to teach. At present regularly qualified beginning teachers in the elementary field possess at least Bachelor's Degree—representing four years of professional preparation. Beginning high school teachers, regularly qualified, must have at least five years of professional preparation."

"That wasn't always true," said John. "I remember my Aunt Sarah taught school years ago by attending a training class for one year."

"That's right. Education like many other types of professional work has been requiring more and more preparation on the part of those entering its service."

"How are teachers hired?"

"Since 1945 there has been a teacher tenure system in operation in New York State in all schools employing eight or more teachers. Under the tenure system a teacher is appointed for a three year probationary period upon the selection of the principal and the recommendation to the Board of Education by the District Superintendent of Schools. In school systems employing a Superintendent of Schools the superintendent selects with the advice of his professional assistants and also recommends candidates to the Board of Education. A teacher candidate must always be formally appointed by the Board of Education."

"What happens at the end of the three year probationary period?"

"For just reasons a teacher can be released during the probationary period upon the recommendation of the superintendent. However, at the end of the three year probationary period a teacher may then be dismissed by the Board of Education irrespective of any recommendation by the superintendent or appointed to tenure only if that recommendation is (Continued on Page 15)

HICKSVILLE GABLES:

Need Help On Clothing Round Up

By CONSTANCE GIBSON
Hicksville 4-1482

Saturday morning, June 12, is the day designated for the Hicksville collection of clothes for the needy people of Korea. We of the Gables should have a special interest in the work of the American Relief for Korea Committee as our own Leonard F. Urschel of 15 Gables Rd. is chairman.

We were taken back a bit by the news that the campaign had not received quite the amount of backing that was hoped for it. This by no means is a sign that the cause is worthless. Quite the contrary, people are in dire need in battle scarred Korea. The least we can do is donate good, clean useable clothing to these people. There is always the thought that it could happen here.

The Boy Scouts have donated their energy and time for the collection Saturday morning and will accompany the drivers. This is a job that needs volunteers. If you think you could possibly help out by giving of some of your time on the morning of the 12th of June, please call Mr. Urschel at Hick. 4-0385.

Mr. and Mrs. George P. Maguire of 21 Terrace Place held a party on the back lawn of their home for their eight year old son, George Jr.

who received his First Communion, on May 22. An honored guest at the party was George's ninety-three year old Great-Grandmother, Mrs. Bertha Christian of Woodside. Also attending were his Grandparents; Mr. and Mrs. George Maguire Sr., Mr. and Mrs. John Corcoran, Mr. and Mrs. John Corcoran Jr., Mr. and Mrs. John Kelsey, Mr. and Mrs. Albert Corcoran, Mr. and Mrs. Albert Carter and Mr. and Mrs. Frank Russo. Of the younger set, George's cousins Peggy Corcoran, Marianne and Patricia Kelsey, Janet Carter and Patricia Corcoran were present. Everyone had a wonderful time and was glad to see such a beautiful day for the Communion.

Birthday greetings are in store for Lynn Talbot, daughter of Mr. and Mrs. Edwin G. Talbot of 13 Gables Drive who was six years old on Saturday, May 22. The Talbots celebrated with a small family party.

In the line of birthdays special birthday wishes go to Roslyn Schwartz, daughter of Dr. and Mrs. Carl Schwartz of 1 Relia St. who celebrates her first birthday on June 1.

May 19 marked the fifth birthday of Jane DiBella, daughter of Mr. and Mrs. William DiBella of 28 South Elm St. Jane was hostess at a luncheon in her home for the occasion. Paulette Beniamino of South Elm St., Kathy Oates of 29 South Elm St. and Karen Hawkins of Howard St. attended.

We were very sorry to hear that Mr. and Mrs. B. V. Beniamino and their baby of 22 South Elm St. have been laid up with bronchitis. We send our best wishes for speedy recoveries.

Mr. and Mrs. Arthur Phalen of 39 Gables Rd. feted their son Eddie at a family party after his First Communion on May 22. Attending

the breakfast party were Mr. and Mrs. Walsh and Mr. and Mrs. Phalen also Mr. Herbert Phalen all of Brooklyn, Mrs. Tracy Forte of Hempstead and Margie Way of Old Country Rd. Eddie's cousin Tracy Forte also present made her First Communion last week at Sacred Heart Academy.

Patterson Backs RR Transit Plan

The plan of the Long Island Transit Authority announced in last week's papers has met with general editorial approval and brought the following comment from County Executive A. Holly Patterson:

"I have studied carefully the 23-page report of the Long Island Transit Authority which I received yesterday (May 24th) as confidential information prior to general release. I have told George Roosevelt and Tracy Voorhees that I believe that they have faced facts as we are all confronted by them."

"We cannot prosper, continue to thrive and grow with a broken-down, bankrupt railroad as our lifeline to the metropolis in which so many thousands of our residents earn their livelihood. We know the sad story of municipally-operated transportation systems everywhere."

"I am convinced that the agreements which the Transit Authority has been able to work out are much more to the enduring benefit of the Long Island Rail Road's riders than to the Pennsylvania Railroad's stockholders. I firmly believe that these agreements were made possible in large part by Nassau County's efforts to spike ICC control of rates and in particular, by Congressman Steven B. Derounian's bill which had become a real threat."

"Nassau County users of the Long Island Rail Road deserve a first class railroad by 1954 standards—not 1914. The Transit Authority's recommendations point out a sound way to get it. And one-third of the members of the Board of Directors to live here on Long Island will certainly help."

Lynde Noeth, Twinlawns Ave., Hicksville entertained at a social gathering of her classmates, Friday evening. Those attending were: Pat Koehler, Barbara Reichert of Levittown, Ann Emtine, Joyce McLaughlin, Kathy Smith, Julie Ann McGuire, John Cannazzaro and Allen Hendrickson, all of Hicksville.

Miss Koehler and Miss Reichert were the overnight guests of Miss Noeth.

Present Second Film Classic

The Film Classics Group of the American Association of University Women Cooperative Nursery School will give as its second presentation of this year's series, Greta Garbo's film masterpiece, "Camille," co-starring Robert Tay-

"Camille," directed by George Cukor in 1936, will be shown in Levittown Hall, on Wednesday, June 16, at 8:30 P.M.

The second attraction on the program, which benefits the nursery school, will be five memorable Charlie Chaplin comedy shorts, including "Making a Living" and "His New Profession," all produced in 1914.

As an added attraction, the Chaplin films will be presented the same afternoon at 3 at Levittown Hall for all children with tickets, free of extra charge. The same tickets may be used again by adults for the complete evening performance.

Subscriptions at 60 cents apiece may be obtained by calling Clare Stern, President, HI 3-6068 or William Wood, HI 4-8224.

Mr. and Mrs. A. Lizza of Woodbury Gardens celebrated their 10th Wedding Anniversary on Saturday, May 29, at the Palm Garden in Commack, with Mr. and Mrs. John Lizza. They had a very enjoyable evening.

2 More False Fire Alarms

HICKSVILLE—Volunteer firemen who have answered 186 fire and emergency calls as of June 1 this year, compared with 102 the first five months last year, had two more false alarms during the week. They were called out at about 2:30 Monday morning, May 31, for a false box signal at Broadway and E. Barclay St. There was also a false alarm from West Ave. and Melone St. at 1:16 PM on Thursday. There were six other legitimate fire calls during the week.

80,000 Visitors To Sagamore

More than 80,000 people have visited the home of the late President Theodore Roosevelt at Sagamore Hill, Oyster Bay, Long Island, N. Y., since it was dedicated by President Eisenhower last June 14, according to Mrs. Harold Kraft, curator. Visitors have come from all 48 states and many foreign countries, including France, Germany, Egypt, Japan, Sweden and South American lands.

Few Long Island meccas have attracted as many people of all age groups and interests. From "old-timers" who voted for "TR" to their grandchildren, people have come to Sagamore Hill to see and understand a way of life that is fast disappearing from the American scene.

The sprawling 28-room home, built in 1884, was the "Summer White House" from 1901 to 1909 and includes not only many documents and trophies of national and international interest, but also many of the personal belongings of a family of that period. From the large, homey kitchen, with its old-fashioned stove, sugar barrel and coffee mill to the quaint nursery there is an authentic quality that has caused more than one visitor to say that they "almost feel that 'TR' is still living here—there is so much vitality about this house."

There is too much to be seen at Sagamore Hill for a brief "cat-day. June 6, at 11 A.M.

along." The bull moose sculpture (symbolic of the insurgent Roosevelt party), elephant tusks, antlers, paintings, books, documents, guns and innumerable other possessions win the attention and interest of all visitors.

President Roosevelt died at Sagamore Hill in 1919.

Some 20,000 children have visited Sagamore Hill in groups, including 1,800 in May. Adult groups have also come to visit Sagamore Hill, including some by bus tour from Baltimore, Md. and other cities.

New road and parking facilities have just been completed at Sagamore Hill, which is open daily, except Tuesday, from 10 a.m. until 5 p.m. It is about an hour and a half from midtown Manhattan and may be reached by Northern Parkway to Route 106 to Oyster Bay from which there is a well-marked, direct route to the home of the late president.

LEGAL NOTICE

SUPREME COURT
NASSAU COUNTY

In the Matter of Acquiring title by the County of Nassau for easements in perpetuity for highway purposes for the layout and extension of CATHEDRAL AVENUE FROM HEMPSTEAD - FARMINGDALE TURNPIKE TO FRONT STREET, VILLAGE OF HEMPSTEAD, TOWN OF HEMPSTEAD, Nassau County, New York, duly selected by the Board of Supervisors of the County of Nassau for use of said County according to law.

PUBLIC NOTICE IS HEREBY GIVEN that it is the intention of the County Attorney of Nassau County, pursuant to the County Law, the County Government Law of Nassau County, the Nassau County Administrative Code and amendments to said laws, to make application to the Supreme Court of the State of New York, at Special Term, therefor, to be held at the Nassau County Court House, Mineola, Nassau County, New York, on the 10 day of June, 1954, at ten o'clock in the forenoon of that day or as soon thereafter as counsel can be heard, for an order to condemn certain real property as proposed to be affected and in which rights are sought to be acquired by the County of Nassau for easements in perpetuity for highway purposes for the layout and extension of Cathedral Avenue from Hempstead-Farmingdale Turnpike to Front Street, Village of Hempstead, Town of Hempstead, Nassau County, New York, as shown upon a certain map entitled "Map showing Real property to be Acquired for the Layout and Extension of Cathederal Avenue from Hempstead-Farmingdale Turnpike to Front Street, in the Village of Hempstead, Town of Hempstead, March, 1954", and the compensation to be made to the owners or persons interested therein shall be determined by said court without a jury.

Said map was prepared by order of the Board of Supervisors of the County of Nassau, approved by the Commissioner of Public Works of said County, and was adopted pursuant to resolution of the Board of Supervisors on May 10, 1954, and was duly filed in the office of the County Clerk of Nassau County on May 12, 1954.

The County of Nassau in this proceeding seeks to acquire title for easements in perpetuity for the layout and extension of Cathedral Avenue from Hempstead-Farmingdale Turnpike to Front Street, Village of Hempstead, Town of Hempstead, Nassau County, New York, and affects the parcels on said map designated as follows:

Parcel No. Name
1 Federated Department Stores, Incorporated
2 Paul S. Tenen
3 Price and Bessie Woodard
4 Now or formerly the Estate of John Hood
5 Frances Feely
6 Otto Soberg

Title in the above proceeding shall vest upon the entry of the order granting the application to defendant, Mineola, N.Y., May 18th, 1954.

Need Labor For Camp House

By DOROTHY GUELPA

The week-end of June 12 and 13, will be a work period for volunteers from Bethpage on a camp house for Girl Scouts at Camp Edney in Bayport.

To be called the "Mae K" Troop house — in honor of Mrs. Mae Kammshall of Farmingdale who has devoted her life to the work of the Girl Scouts and the spacious camp at Bayport — it has been designed by Jack Van Ness of Westbury and he also supervises work on week-ends.

Charles Campagne is building chairman for Bethpage and he has made about 7 trips to the camp with materials. The great need now is for labor. The idea of a family picnic is being suggested for June 12-13 week-end with the adults lending a hand with the construction and the children enjoying the privileges of an early summer outing.

Everyone is urged to bring his own hammer and pinch bar and by the male "his" L by no means want to omit the ladies. They will certainly be needed too if for no other job but the unglamorous one of

removing nails from used lumber.

TWINS SEE BEAGLE

The Armstrong twins Jack and Greg are still looking for their Beagle dog which has been missing since Wednesday May 26. She was seen in their yard at 8 Center Ct. when they left for school and has not been seen since. She was wearing a red harness. Anyone seeing her can call them at Hicksville 3-7753.

ATTENDS CONVENTION

Mrs. Lorraine Carter has returned from Atlantic City where she represented Bethpage at the 58th National Congress of Parents and Teachers Convention. About 2,500 delegates were present from places as far away as the Hawaiian Islands. The theme of the convention was "Better Homes Better Schools, Better Communities for a Responsible Society."

CP CAMPAIGN

The Cerebral Palsy drive continues through June it has been announced by Charles Campagne, chairman. He urges everyone's cooperation in this drive because a new wing is being built at the center in Roosevelt. This will house four additional regular classrooms and 2 pre-school classrooms which are desperately needed since there has been a 225% case load increase in the past eighteen months. Volunteers are needed in the Argo homes area and in North Bethpage.

INSTALL OFFICERS

A color motion picture of Korea, "The Hermit Kingdom," showing the main features of the country and the Columbian Fathers' missions there, was presented at the May meeting of the Mother's Club of St. Martin of Tours parish in Bethpage.

The show was preceded by installation of the new officers conducted by Mrs. F. Victor Guelpa. Members and guests were requested to bring queries for the Question Box to be answered by Father Conlon and Father Hanley at the June meeting.

The following new members were introduced: Mrs. Bertram Englehardt, Mrs. James Toillion, Mrs. Ralph McKeon, Mrs. Albert Ligori, Mrs. William Miller, Mrs. Bernard Dohmen, and Mrs. Edward J. Swanson.

ELECT OFFICERS

New officers were elected for next year, at the April 20 meeting of the Mother's Club of St. Martin of Tours, in Bethpage. Mrs. Nicholas Blondo declined renomination and replacing her as president will be Mrs. Martin Hayes. The other officers will be: Vice-President, Mrs. Thomas O'Shea; Treasurer, Mrs. John Auer; Recording Secretary, Mrs. Joseph Strong; Corresponding Secretary, Mrs. Walter Sielman.

The Annual Communion-Breakfast was held on Sunday, May 18, at Henning's Restaurant, in Hicksville.

New members introduced at the meeting were: Mrs. Michael Nunziata, Mrs. Stephen Wagner, Mrs. Stewart Holmes, Mrs. Robert Tyd, Mrs. James Murphy, Mrs. Eugene Kruckel, Mrs. Paul Munch, and Mrs. Lyle McCarthy.

Install Officers For New Year

BETHPAGE—The Annual Meeting of the P.T.A. will take place on Thursday, June 3, at 8:15 P.M. in the Broadway School Auditorium. The officers for the year 1954-55 will be installed by Prof. Ralph von Guerard, Associate Director of the Center for Community and Field Service in New York University's School of Education.

A member of the community for the past year, Prof. von Guerard will also speak briefly on the topic "Adult-Child Relations".

The following are the new officers: President, Mrs. Sam Merin; Recording Secretary, Mrs. Thomas Foy; Corresponding Secretary, Mrs. George Kranz; Treasurer, Mrs. Louis Sisia.

A Community Musical has been planned for the rest of the program. An Interfaith Choral Group will perform under the direction of Mr. Jeremiah Weaver of the Music Department of the Bethpage Schools. This choral group was organized under the Bethpage Adult Education Program with representatives from the various churches in Bethpage.

On Wednesday, May 19, the Western Long Island District of the New York State Congress of Parents and Teachers held its Spring Conference at the Stewart Avenue School in Garden City. The Bethpage P.T.A. received a ribbon award as an honor unit for its contribution to the National Headquarters Fund. Delegates from Bethpage to the conference were Mrs. Charles Melone, Mrs. Henry Rockhill, Mrs. John Lehr, Mrs. Wilfred Freirk, Mrs. Sam Merin, Mrs. Edward Carter, Mrs. Lee Mordhorst, Mrs. Irene Fitzmorris, Rev. Helen Radawski, and Mrs. Thomas Foy.

Plant Traffic Interests Civics

NORTH BETHPAGE — Guests of the Civic Assoc. here at their May meeting, were Mr. Tom Rossi, representing Grumman Aircraft and Ass't Chief Inspector L. Schneider attending on behalf of the Nassau County Police Department to take part in a discussion of local traffic problems.

Among conditions brought to the attention of the visitors were several problems in the area in connection with routes children must take in reaching their school across heavily travelled streets and difficulties experienced by drivers attempting to turn against heavy traffic from and to the Grumman plant.

Because of the nature of the problems and the fact that no laws are violated in the creation of the problems, no concrete action could be taken or suggested at the time. However, it was understood that Grumman workers would be reminded to exercise caution in their driving and surveys taken by the Police Department would be checked to determine the best approach to improving safety measures for children in the area.

Of great interest to the members of the association, were complexities of our traffic laws as pointed out by Inspector Schneider. Among little known facts was the lack of laws governing speed on many of the streets in the community. Any speed that may be attained is legal between intersections in some cases; the only control being the speed limit passing through intersections.

He further pointed out that while population of Nassau County has increased tremendously in the past few years, the accident rate has not increased.

NEW TRAFFIC LIGHT

It was announced by association president, Bob Feuss, that the traffic signal at Stewart Ave. and So. Oyster Bay Road had been put into operation. This was a measure urged by the NBCA and sought for some time.

Enville, in the meeting, William Benintendi, is giving the School Committee report. Thanked the members for their efforts in the recent school district elections. He assured the membership that as a member of the School Board he will do his utmost to contribute to and support such measures that would be in the best interest of the school district. He further stated that his first duty was now to the School District and in order to ensure the continuation to maintain an active and effective School Board Committee, he tendered his resignation as its chairman.

His resignation was regretfully accepted and Arthur Mittwoch was appointed as chairman of the committee.

Final Polio Injections Are Arranged For Next Week

With the third and final week of the poliomyelitis vaccine field trial scheduled to open Monday, June 7,

DOROTHY MCGUIRE in "Three Coins in the Fountain" with Clifton Webb in CinemaScope and color is now showing at the Cove Theatre, Glen Cove, until Saturday, June 5.

officials of the Nassau County Department of Health have had numerous questions from parents. Following are a number of the most common questions and answers by Commissioner Earle G. Brown and Deputy Commissioner Joseph H. Kinnaman:

Q. If my child got the first injection and missed the second, can he or she get the third?

A. Yes.

Q. When will I know if my child got the vaccine or the inert material?

A. Some time early in 1955. Children who participated in the field trial and got the inert material will have the first opportunity next year actually to get vaccinated—provided, of course—that the tests show that the vaccine is effective in preventing paralytic poliomyelitis.

Q. Can my child be given the third injection before the due date during the week of June 7?

A. The answer to this is no, but there is one exception. In schools which close before the due date the children will get the third dose immediately prior to the closing of the school term. However, this will be done only on a school basis and not on an individual basis.

Q. Can my child get the third injection if he or she moves out of Nassau County before the sessions, during the week of June 7, or can my child who just moved into Nassau County complete the series of injections here?

A. The answer is no in both instances. This is so because in both cases there would not be available the vaccination record of the child and it would be impossible to match up the material the child got in the first two injections.

Q. What, if anything, has been learned to date as a result of the poliomyelitis vaccine field trials?

A. It has been demonstrated that thousands of children can be vaccinated safely and expeditiously in a matter of hours.

The field trial opened May 3 and during that week 44,217 children were vaccinated. During the second week, starting May 10, the total was 42,764 and it is estimated that 41,500 children will complete the series of three injections.

The Rosary Altar Society will have a Covered Dish Supper on Tuesday June 8, from 4 to 9, in St. Ignatius Cafeteria. Chairladies Mrs. Mary Terry and Mrs. Mary Wojtyniak.

By HOWARD FINNEGAN

The County headquarters of the Police Boy's Club is appealing through the mails for funds to continue and expand its fine recreational activities for the youth of Nassau County.

A contribution in response to the appeal will be a direct aid to the program in our own community since Hicksville receives a proportion of the funds collected based upon the number of boys enrolled.

We cannot too strongly urge support of the PBC.

This is the program that provides activity for every boy in every corner of the community.

All age groups are provided for thus an overall program for boys in their teens is assured. This increasing scale of activity guarantees that the community has recreation available for a boy every step of his teenage life.

Classification of activities is done only by age and the need for such degrading terminology as major and minor has no place in the program.

Talent and skill have little place in the PBC but activity gets the big play. This factor places very slight emotional strain on the youngsters and although winning is desirable it is not paramount.

PBC is not just a one season job. It works the year round with baseball, track, basketball, outings, etc.

As for getting the best value for the dollar the PBC just can't be beat. There are no ties in sales nor does one phase of the program run four or five thousand dollars.

There is no overall slick high pressure sales job being done to push PBC. Supporting it might not be expeditious nor find its supporters able to bask in the sunlight of adoring parents.

But those interested in the welfare of the youth of the community on a completely sound basis will gain a measure of satisfaction from supporting it.

Amperex, Breen's All Stars, Hicksville Inn, Madden's Auto Body, Yarotzkey's and Fairway Farms comprise the fast stepping group that will compete in the Community Softball League this summer. That group will be in the Industrial Division while the Civic league has yet to be organized.

Hicksville's Herman Rigby blasted a long home run to the dunes to help the undefeated Oilers take a 3-2 win last week and on Sunday his fellow townsmen Bill Bordiuk edged George Cheslock in a tight pitching duel. Cheslock is another local pitcher and his losing effort was still his best to date in Jones Beach activity.

Despite the fact that it isn't represented this year at the seashore, Hicksville still has most of its fans attend the Oiler, Ford and Charles contests.

Biggest interest so far was the Saturday night battle between Charlies with Jim Barone hurling against Muscario's of Levittown. Joe Smith and his team are favorites for the title but Barone held them scoreless for four plus innings before a drenching thunderstorm ended it.

Charlies had a double to open the fourth but a sheepish break left what could have been converted into the winning run die in its tracks.

Roy Stephenson's promotion of night softball out in his stadium in Lindenhurst was off to an encouraging start. Memorial Day. That alone represents a major victory for Stephenson since most people regarded the endeavor as beset with many unsolvable problems.

However, 400 persons (paying) were in the stands when the lights went on. Metropolitan ASA defending champion De Jur club provided the opposition and won a 6-2 verdict.

The contest must be regarded as in the nature of a warmup or exhibition since the host club announced and held to the policy of its pitchers working three frames come what may.

When the expected visits of the powerful upstate Connecticut and Western States clubs start the Stephenson club will put its best foot forward and undoubtedly keep it there.

We suggest that you put Friday night, June 11, on your calendar if you are interested in an unusual sports presentation on Long Island.

That evening in the Freeport Stadium the College All Star League game between the North and South will be staged. It will provide a close look at the sport which most Long Island high schools will have on the agenda within a few years.

Our last report had Bob Hock hitting a fancy .394 with the Douglas club in the George State League.

Soon to join the passing parade of landmarks that recall another era: The light poles for the Field Club's football practice sessions?

Chlumsky Tosses Out 1st Ball

HICKSVILLE—Aided by excellent weather and a full program of events which drew hundreds of spectators, the Central Nassau Little League 1954 baseball season for the youngsters of the community moved into high gear over the weekend.

Over 600 Little Leaguers in uniform, led by the Nicholai St. and Old Country Road School Bands and a color-guard furnished by local Boy Scout and Girl Scout groups, paraded along Levittown Parkway to the Abraham Levitt field on Bell Park Lane, here. Over 300 farm team boys wearing multi-

colored "T" shirts and caps and the major and minor league groups in their sparkling white uniforms with contrasting-hued pipings and caps provided a colorful background for the flag-raising ceremony at the field.

Lending dignity to the proceedings were Rev. Douglas R. MacDonald of the Parkway Community Church and Rabbi Martin Silverman of the Levittown Reform Temple. The honor of tossing out the first ball in accordance with time-honored custom fell to Councilman Frank Chlumsky for the Eastern Division and Edward McCleary, superintendent of the East Meadow Schools for the Western Division.

In a close and exciting non-scheduled pre-season game between major leaguers, Shoe King Sam of the western division defeated the professionals of the eastern division by a 4 to 3 score, to wind up the day's activities.

Early Monday morning the Little Leaguers participated in the annual Memorial Day service sponsored by the committee of Hicksville Veterans and at 1 P.M. the season officially opened for the major leaguers in a series of games at the Carman Ave. and Levitt Little League Fields.

In the western division, one-sided scores were predominant with the O'Donnell Movers defeating Boos Brothers Nursery 10 to 2, and Greater Nassau Realty shutting out Shoe King Sam 14 to 0. The pattern continued in the eastern division as the Professionals won easily in their game with Pan Am Pilots 12 to 0 behind the no-hit pitching of Henry Ristow. In the day's most exciting contest, Kidgeway Service Center came from behind to nose out the Long Island

National Bankers in the final inning by a 4 to 3 score.

Detailed summary of the games played is as follows:

EASTERN DIVISION

L.I. National Bankers 000 003 — 3

Ridgeway Service 000 004 — 4

Pan Am Pilots 000 000 — 0

Professionals 004 000 — 12

WESTERN DIVISION

O'Donnell Movers 007 300 — 10

Nurserymen 000 200 — 2

Greater Nassau 329 000 — 14

Shoe King Sam 000 000 — 0

Minor league and farm team groups wind up practice sessions shortly and will commence regularly scheduled games.

The next general membership meeting of the Central Nassau Little League will be held in Levittown Hall Thursday, June 10, instead of the usual Wednesday.

HILLSIDE TERRACE HAPPENINGS:

Hectic Weekend Holiday Gone

By BETTY MUGAVERO
Hicksville 4-0771

Well the three-day hectic holiday has come and gone and things have now returned to their normal state, and certainly what did lend itself to the holiday spirit is the carnival that is with us adjoining our Hillside Terrace homes. The children are surely in for a treat. Many of Hicksville's veteran organizations marched during the Decoration Day Parade with the Jewish War Veteran's Post and Auxiliary bearing the honor of being grand marshals this year.

There are some very unselfish women who are devoting their time to making cancer dressings which are urgently needed by the Cancer Society. Folks are afflicted with this dread disease but yet are not ill enough to remain in a hospital. As a result, nurses representing the society visit these patients and distribute the dressings which must be applied and changed on the average of every hour. The reason I am relaying this information to you is the fact that these women require clean, white materials which would adequately serve as dressings. Old sheetings or pillow cases which have passed their period of usefulness as bed clothes

would be perfect. I'd be most glad there is anyone who can help her out by being so obliging, you need only to call HI 3-1966 to learn who your grateful Mildred will be. Mildred also tells me her father-in-law Chris Mullary is leaving for Ireland for a visit to his birthplace for 6 weeks. How thrilling it will be for him.

Happy birthday greetings on the way to: Melissa Smith of Cambridge Drive who was one year old on May 30th. Many of Melissa's relatives visited to help celebrate the day. Bruce Pellechia of Cambridge Drive who was 6 years old on May 20th, Michael Christopher of Hunter Lane who was 12 years old on May 28, Cindy Komives of Haferford Road who was 2 years old on May 27th and Joseph Salek of Wellesley Lane who observed his ninth day on June 9th.

Many of our Hillside youngsters received their first Holy Communion this past week. Those that received at St. Ignatius Loyola Church on Broadway were: John Archer aged 7 of Cambridge Drive, Larry Carlucci aged 8 of Cambridge Drive, Jerry Thompson aged 8 of Cambridge Drive, and Kathleen Murphy aged 8 of Adelphi Road.

Dennis aged 10 and Richard Periconi aged 8 of Vassar Lane received at Our Lady of Mercy Church on South Oyster Bay Road and their parents held a party to celebrate the occasion, as well as Jerry Dizinno aged 8 of Adelphi Road, and Susan Walsh aged 7 of Vassar Lane. Best wishes to all.

The Midway Jewish Community Sisterhood will have their donor dinner at the Milleridge Inn on June 9th at 7 p.m. Those members who have met their donor requirements will attend this gala affair.

Anniversary congratulations are sent out to: Mr. and Mrs. Myron Rawdin of Cambridge Drive on their 15th wedding anniversary which was May 28th. Mr. and Mrs. A. Kinkella of Vassar Lane for their 5th year of wedded matrimony which occurred on June 1st and Mrs. Margaret Broderick of Vassar Lane who observed her 40th Wedding anniversary June 3rd. A party was held in the Kinkella's home to celebrate the 2 latter occasions.

Our Hillside Terrace baseball team as of now holds the proud record and grand title of "undefeated". During the past two weeks our softball team had opposed the Woodbury Gardens team and won by a score of 11-2 and emerged from the game with the Franklin athletes with the scoring result of 9-7. The last contest was played at the Franklin High School. One boy of our team was one of their uniforms which consist of shirts and hats and to say they are snazzy would be saying the least.

There are two new additional members of the Hillside Terrace population with us now. Mr. and Mrs. Fred Newman of Vassar Lane welcomed a baby girl named Linda Anne on May 23rd. Linda weighed 6 lbs. 6 ounces. The blessed event in the Joseph Salek's of Wellesley Lane was a little girl bearing the name of Maureen Patricia born at the North Country Community Hospital and weighing 6 lbs. 6 ounces. Maureen Patricia will be christened at Our Lady of Mercy Church on June 6th with her aunt and uncle to be godmother and godfather.

Also to be christened on the same day is Linda Marie Neibaur of Wellesley Lane. Acting as Linda Marie's godfather is Vincent Di Angelo of Wellesley Lane with Vera DeLoe to be godmother. The Neibaur will then hold a party for their friends and relatives to help celebrate the occasion.

Mildred Mullary of Dartmouth Drive is in need of a ride to the Hicksville RR station week-day mornings at about 6:30 A.M. If

there is anyone who can help her out by being so obliging, you need only to call HI 3-1966 to learn who your grateful Mildred will be. Mildred also tells me her father-in-law Chris Mullary is leaving for Ireland for a visit to his birthplace for 6 weeks. How thrilling it will be for him.

A surprise baby shower was held for Pat Anglin of Wellesley Lane June 3rd at the home of Phyllis Rusicka of Shadwick Street. Those Hillside women attending were Helen Biroch, Jay D'Angelo, Frieda Turkel, Grace Maniscalco, Millie Ollins, Marie Butte and Rose Brecht all of Wellesley Lane.

Mrs. Linda Hartig of Hollins Road called me to say she is willing to part with her four cute kittens and give them to anyone who would like to make a home for a little pet. You may contact Linda at HI 3-3498.

Making Floats For Festival

LEVITTOWN—A little paint, elbow grease, and a good dash of originality are all that's needed to put together an outstanding float for the big parade Sunday, July 4 at 2 P.M., which forms the high point of this year's Third Annual Levittown Festival.

The holiday celebration, which includes the crowning of the Festival Queen, baby parade, pool shows, bike races, fireworks, open-air block party, bridge tournament, and three-day sale in local shops begins Thursday evening, July 1, and lasts through Monday, July 5.

Prizes for the most outstanding floats will be awarded by local dignitaries after the parade. Organizations wishing to enter floats should obtain applications immediately from the Levittown Festival Committee, Room 214, Professional Bldg. 64 Division Ave. here.
