Walters, Councilman Frank Chlumsky and two other board members next Tuesday evening, June 22 at 8 P.M. at the Town Hall here regarding the proposal to build garden apartments on Princess St. off North Broadway, Hicksville. President Barney Gill said, "After contacting Mr. Chlumsky for a confirmation of this date, we were advised that the meeting will be held in the evening, June 22, at Town Hall, Oyster Bay." He said Chlumsky commented "We are definitely not passing this application until such time as the North West Civic Assoc. has an opportunity to present its case."

A flyer will be distributed by the Assoc. this coming week-end advising all of the proposed action. Warren Doolittle, attorney for the Assoc., and Officers of the Assoc. will be present next Tuesday evening to present objections on this application.

Working on a confidential tip, authorities set up a pre-dawn ambush near a mailbox at Woodbury and Bethpage Roads, here. Police said Romby produced another 100,000 books of tickets worth \$285,000 at his home.

## Junior High Assists CP Appeal

HICKSVILLE—A group of 8th grade students of Room 112 in the Jr. High volunteered their services to collect for Cerebral Palsy.

They enjoyed the work knowing it was going to help children less fortunate than themselves. The people were most kind and generous and as a result \$450 was collected.

In October, Room 112 held an auction and presented \$10 to the Cerebral Palsy fund. Some of the class had an opportunity to visit the school at Roosevelt and reported back on the amazing progress of the children there.

Patricia Weickman, president of room 153, presented \$6 which her class made in an auction this month.

Students who participated in the drive were: Grace Anselmo, Mario Amosio, Carol Armstrong, Frank Baker, Lillian Crowell, Eileen Fernin, Patricia Jones, Carole Loughlin, Thomas McCarthy, Owen Magee, Dorothy Reid, Judith Robinson, Sandra Rogosa, Janice Smith and Nancy Walsh.

## Zelmour Homes Protest Dust

HICKSVILLE—Residents of Seymour Lane and vicinity in the Zelmour homes were aroused this week as their neighborhood was "blanketed with thick clouds of dust," they informed the Herald. An industrial development is under construction on the former Shrimpe farm off Bethpage Rd., next to the Water District office and property. A spokesman for Seymour Lane said that efforts to obtain information as to just what is being built there or to obtain relief from the overpowering dust were fruitless.

A private roadway is being built into the section, about 10 feet south of the property line of residences on Seymour Lane. The area had been reserved for industrial development about three years ago, prior to the construction of the Zelmour Homes.

Carpenter, commander of the Post and former member of the School Board. Also honored were N. C. Harter (at left), for 20 years of continuous service as treasurer of the Legion Post, and James Carter, extreme right, for outstanding work in promoting Americanism in the community among local youths. # Teen Club Plans Summer Dance

**HICKSVILLE**—The newly organized Hicksville Teen Club will stage a summer dance at the VFW Clubhouse on Grand Ave., off Fourth St., here, on Saturday evening, July 17. The Burns Ave. Teen Canteen has disbanded, following a highly successful season, and many of the adult chaperones are now associated with the Teen Club, according to Edward Kist who is in charge.

Depending upon the success of the first dance on July 17, another may be held in the VFW Clubhouse in August. The Teen Club also plans to provide a fall program in the school such as was carried out at Burns Ave this past winter and spring.

Teen Canteen held its last meeting at the Burns Ave School on

Monday, June 21. To date a total attendance of 1600 teenagers had been served by the Canteen since its inception on Jan. 8. On that date, the total attendance was 18 teenagers but since then attendance has stayed between 65 and 110 teenagers per meeting, with a total of 285 teenagers holding membership cards. The Canteen's chaperones have had a very harmonious relationship with the teenagers and it is with regret that the group, has had to close for the summer.

Mr. and Mrs. Edward Kist wish to publicly thank the following people who gave so freely of their time and energy. Without their help and genuine enjoyment of the Canteen, Teen Canteen would not have existed. Mrs. Betty Miller, Mrs. Betty Neal, Mrs. Emma Skler, Mrs. Ella Klebecka, Mrs. Dorothy Salem, Lawrence Roby Joseph Bruck, Stansly Jastemsky, Mrs. Smith, Mrs. Cassidy and Mrs. Berg.

Sincere thanks are given to Allen B. Davis, Burns Ave School Principal, whose all-out enthusiasm and support made a successful Canteen possible, and to "Skipper", genial custodian whose ever-smiling face and helpful ways endeared him to all the chaperones and teenagers at Burns Ave Teen Canteen. Thanks also due to the Editor of the Herald for his zeal in getting very "last minute" news items into print.

**FLOWER PROM HELD**  
The Burns Ave Teen Canteen held a Flower Prom on June 14, which, from all reports, was a highly successful event. Beneath cascading silver stars and baskets of pastel flowers 70 teenagers dressed in formal and party clothes danced to wonderful "live" music donated by the Hicksville

Music Co.

The scene was colorful and romantic due to the efforts of Mrs. Peggy Smith, her daughter, Pat, and the teenagers who made the decorations and flowers. Hundreds of tissue flowers were made to fill the baskets and spill down the walls. A beautiful American flag was made entirely of artificial flowers by Mrs. Smith and her daughter, and hung above the silver and flower thrones of the King and Queen. Miss Judy Gregory and her escort, James Olivari, resigned for the evening. All the chaperones baked cupcakes for the affair which were served on trays to the teenagers. Chaperones at the Prom were: Mrs. Betty Neal, Mrs. Betty Miller, Mrs. Emma Skler, Mrs. Ella Klebecka, Mrs. Dorothy Salem, Mrs. Peggy Smith, Mrs. Helen Lowry, Mrs. Helen Gregory, Mrs. Sue Schult, Mr. and Mrs. John Ehrenfeld, and Mr. and Mrs. Edward Kist.

## Playgrounds

(Continued from Page 1)  
and Lee Ave School, William Anderson.

A program is also planned for the teen-age girls at the high school with Mrs. Barbara Cunningham in charge. This program will give the teen-age girls an opportunity to participate in softball, tennis, arts and crafts and archery. The evening program at the high school will be in charge of William McNamara, consisting of baseball, community softball league and basketball league.

Registration for the playgrounds will take place on July 7 and every day until the termination, on Aug. 20. Children of school age are allowed to register and take part in the program, Jaworski said.

The Summer Playground has a few vacancies for Kindergarten Counselors. If any teachers are interested, they can get further information by contacting Jaworski at the High School, HI 3-1044, or at his home, LE 3-7883.

A subscription for THE HERALD makes a wonderful birthday or anniversary gift. Special gift donor cards available at the HERALD office.

## Dear Jean:

Chamber of Commerce, retailers committee, planning a novel gimmick in connection with July sale which may make it impossible for anyone to forget that Dollar Days are set for July 15 to 17. Merchants will get details at a special meeting at 6:15 next Wednesday evening at the Chamber office, 75 Broadway. . . . St. Ignatius School graduates had a tough time with the weather when they tried to have their formal class picture taken, Wednesday. Three times they thought they were ready, and then it poured again. When the picture was finally taken indoors, the sun came out. . . . Some folks are saying that the closing of school for the summer is "solving" the Conlin bus case—for this session at least. . . . Ask Capt MINSKY about the novel fresh-air arrangement they have for air-cooling the driver of the horse and ladder truck. . . . Inter-company contest in efficiency set for this Sunday afternoon on McAllester Ave., Hicksville, at 2 o'clock rated space in the Daily News. If you are coming over to watch, bring along a camp chair. There are no grandstands for this event. . . . GOP club presidency is a stepping stone to political success. We note that ELMER LANE, recently named a deputy town attorney, is president of the John W. Anderson Republican Club of Massapequa. . . .

Merger of Syoset, Woodbury and Locust Grove School districts has been approved with an amazing vote: 1044 yes to 50 no. Election of a new central board of education takes place July 8. . . . BUDDY MAZZARA is temporary president of the new Bethpage Chamber of Commerce. . . . White dogs on Hicksville firehouse look good, better than that dull reddish-brown. Painters Yound, in removing old paint, that original color of the doors was a golden bronze. . . . No restrictions on lawn sprinkling have been imposed as yet in Bethpage, Plainview or Jericho water districts. For Hicksville, those living south of Old Country Rd are limited to add days of the month and those north, to even days. . . . Levittown and East Meadow have tough rules, being restricted to 7 to 9 in the morning and promises fines up to \$100 to violators. . . . WILLIAM McCAFFREY of Plainview has been nominated by the Democrats as candidate for State Assembly this fall. He probably will run against incumbent JOHN BURNS of Sea Cliff. . . . For the record, Plainview Firemen WILL NOT have a public fireworks display on July 4th this year. . . . Entries for the Hicksville Labor Day tournament are beginning to arrive. Among the first are those from St. James and Eastport, both out in Suffolk.

The Manno Hill Men's Club of Plainview, of which we have heard little in recent months, is going all out for the 9th Fire Battalion tourney in Plainview. The Club is providing a trophy for the contest and is taking an adv in the Journal. Only problem is in LEFTY's lap—raising the money. . . .

Many from our community are expected to attend the LILCO night at Ebbets Field in Brooklyn tonight (Friday) when the Dodgers meet the Cardinals. By the way, don't forget Hicksville Night at Ebbets field on Aug. 3. Tickets are moving rapidly. . . .

## Did You See Whitey?

This is Whitey, the small white and tan dog which has been the object of an intensive local search by police and other authorities since the dog bit two-year-old Maureen Lane of 6 Elwood Ave., Hicksville, in the ankle two weeks ago. Little Maureen, daughter of Mr. and Mrs. Dennis Lane, is now undergoing a series of anti-rabies shots since the dog has not been found. When the dog is located, the child may be saved from the balance of the injections. If you have information as to the whereabouts of Whitey, call Mrs. Lane at Hicksville 4-3613.

### Parking Hearing July 6

**OYSTER BAY**—A public hearing is tentatively scheduled for Tuesday morning, July 6, upon the acquisition of the property of Joseph P. Lebkuecher at the southeast corner of Jerusalem Ave. and W. Marie St. for development as

another parking field of the Hicksville Park and Parking District. Councilman Frank Chlumsky said the town board also hopes to call for bids shortly upon the construction of a parking field (no. 4) on the triangular property east of

the LIRR and bounded by E. Marie St. and E. Nicholas St.

The Lebkuecher property has been the subject of considerable negotiation for nearly a year. Development of it for a parking field has been strongly recommended by the Chamber of Commerce.

# We Won Trophy At Lynbrook

The Plainview Volunteer Fire Company answered three alarms this week. The first a washing machine fire on Bentley Rd. at 10:30 A.M. The second an overheated television set in Morton Village at 2:45 A.M. The third was a grass fire on Farmingdale Rd. at 4:30 P.M. on Sat.

most was won by a first trophy of the year. It was won in the event called efficiency. This contest is a true test of the groups ability because it is not motorized. It could be stated here, that the equipment used by other teams is much faster than ours. We are sure that many people are not familiar with the type of truck

used by other departments. There are many speed wagons especially constructed for these events. Therefore, when we compete on equal terms we seem to be able to hold our own. There were 36 departments in competition at the Lynbrook Tournament.

The tournament team received a challenge from Emergency Company #5 of Hicksville Dept to race our team as a community activity on Sunday afternoon, July 18th. The time and place to be announced next week. There will be a trophy for the winner.

# Week Full Of Social Activity

By MAY MALJEAN  
Hicksville 3-5515

This last week has been a very busy one. So many activities have been going on in the area. One of which was the Donor Dinner of the Sisterhood of Shaarei Zedek of Hicksville. Each one of the members who raised \$20 for the Sisterhood was entitled to attend the affair. Forty five members had dinner at the Roslyn Country Club. Rose Garth was the chairman, and Helen Helfand was the co-chairman. The affair was officiated by Rabbi Irving Grossman who said a prayer. A cake was presented to Lillian Rosen, celebrating her 25th anniversary; Ada Beir, president of the Sisterhood; Selma Lewandor, for her 16th Anniversary; Pearl Kanhan, for her 13th Anniversary; and Dottie Braum, for her ninth. Rose Garth lit the candle for the first anniversary of the Sisterhood and Helen Helfand lit one for the following year. Sasha Leonoff, accordionist and comedienne, entertained the group. Rose Garth, vice president, received a gift for doing a wonderful job. All members attending received a remembrance.

Rose Doret, of Haddassah, is chairman of distribution of tickets for Arabian Nights which will be shown at the Jones Beach Amphitheater. This promises to be quite an extravaganza. The sound system and the view will be better this year due to alterations. Last years Night In Venice was inadequate in these respects. The affair will be held Tuesday, July 27th. Tickets are \$1.50, \$2.20, \$3.30 \$4.40. Call for reservations at LE9-5733-Rose Doret. (Or Ruth Bahn LE91552.)

A wonderful time was enjoyed by all of the folks who got out to the big dance for the Plainview Civic Association. Steve Thomas, and his lovely wife, Coriane presented a skit—which gave people a sample of their acting, and Steve's writing process. Now everyone is looking forward to seeing the play tonight at St. Stephen's Lutheran Church on South Broadway which features the Plainview Theater Guild, and is sponsored by the Men's Club, of the church.

Terri Sexton did a magnificent job of vocalizing that evening—the audience tried to keep her on stage—but she hadn't enough songs prepared to fill the encores. Bernard McCaffrey was the chairman for the dance and held forth as the M.C. My husband, Gene found to his surprise that he had forgotten to bring a gift for Mr. McCaffrey, and found this for the first time—that evening, although he had spoken to him several times on the phone lately.

Mrs. Henry Frank of Washington St. dropped by to tell us that she has to thank Charles Anaira, her writing instructor (from Wilfred Blvd.) for the training which prepared her for passing her test last week... congratulations...

Did you lose a tricycle? In Woodbury Gardens there sits one which you are the owner give us a ring and we'll connect you... The first doesn't seem to belong there. If (Continued on Page 9)

# Looking Back At Graduation

By Fred J. Noeth

TWENTY YEARS AGO this month we became the editor of a community newspaper in Hicksville and have been on the job ever since. Maybe we're getting in a rut.

Graduation-time always reminds us of our earliest days at the editor's desk because a parttime vacation job became, for us, a permanent round of deadlines.

What was some of the big news 20 years ago in our community? Dr. Walter F. Stillger, township health officer, had just been appointed surgeon of the fire department. Harry Gackler was chief. Dr. Walter M. Stillger, a boy then in school, today holds the position his late father filled with distinction.

Justice of the Peace Andrew B. Heberer was very much a source of news and many newsworthy cases came before him in the old Hicksville courthouse. Leonard W. Hall, who is today national leader of the Republican party, was a member of the State Assembly, 20 years ago.

Elwood A. Curtis, president of the Chamber of Commerce, at that time, was then fighting the Long Island State Park Commission and Bob Moses with all his might over the imposition of a toll charge for the people of Oyster Bay going to town beachlands at Tobay on the Atlantic Ocean.

One of the first stories we covered as a community editor was a pleasant news conference-luncheon at the Curtis' summer place then at High Hill Beach. (It has since been moved with many of other beach homes down along the shore to West Gilgo).

William E. Koutensky, together with Attorney Morris Roehman and David Murphy, were working very hard as the leaders of the Hicksville Business Men's Assoc. and had just achieved the enactment of a peddler's ordinance.

In 1934 we were feeling the real pinch of the depression and local retail activity was slowed by unemployment and the lack of money. The peddler's ordinance became very important to local retailers because they felt the competition by a variety of "travelling stores" when rolling the streets. The ordinance is still on the books.

Mention of the BMA of 20 years ago, or even more recently, would not be appropriate without special comment upon the untiring efforts on behalf of local retail trade by Curt Unverhau who was secretary for so many faithful years. In our school system, E. A. Van Slyke was superintendent. Frank Chlumsky was president of the School Board, Henry C. Bregel had just been elected as a member.

John R. Brandt became a public official and was elected a councilman. David Dows was a big wheel in town politics, then serving as county sheriff.

Shortly after we began to peck away at a typewriter about local happenings, Judge Heberer passed away. Joseph P. Lebkuecher, then a young lawyer who had served as president of the local Republican club for a couple of years, was appointed Justice of the Peace. Very soon thereafter, District Court Judges replaced the JPs and Judge Lebkuecher was elected to the position he holds today.

A little less than 20 years ago, the Chamber of Commerce could get a goodly number to attend a meeting when the topic was local rail road grade crossing elimination. Chlumsky was secretary at that time and one of his ideas was to submit the audience to a little quiz about their town, with a basket of vegetables as the prize for the most nearly correct answers.

We promise never to write a book, but one of these bright days when our beard is down to our ankles we will try to put some of those recollections of events and deeds in our community down on paper, such as the FHA housing show, the WPA street sign program, the fuss about the incinerator plant, the annual newspapermen's tour by Supervisor Tappen, the fighting over the crematory which later became a drive-in theatre, the Unemployed Club, the big hassle over the water district when it had two lawyers at the same moment and Hicksville's first centennial celebration.

# American Legion - News and Views

By ALLEN S. CARPENTER

IT'S A FACT—That the American Legion was formed by fighting men in a meeting in Paris, France in 1919!

IT'S A FACT—That The American Legion has changed the eligibility for membership to include honorably discharged veterans of World War II and the present conflict, and those who remain in the service after cessation of hostilities.

The American Legion was chartered by Congress on September 16, 1919. The Act was amended October 29, 1942, in order to make eligible for membership veterans of World War II. It was amended again December 28, 1950, to make eligible for Legion membership those having served in the Armed Forces of the U. S. at any time between June 25, 1950 and the cessation of hostilities as fixed by the U. S. Government and who are honorably discharged or who continue to serve honorably after cessation.

IT'S A FACT—There is a Post of The American Legion in every town or neighborhood city or town of every man-to woman neighborhood community in World War I and II or the Korean conflict.

IT'S A FACT—The Legion is non-political and non-sectarian.

IT'S A FACT—That the dues of The American Legion are very small, and with this small investment (dues) a serviceman becomes a stockholder in a 300 million dollar organization.

IT'S A FACT—That the Americanism program of the Legion is a positive fighting one. The Americanism Commission has since its inception carried on through Legion posts, an increasing comprehensive three point program of Education, Youth Activities, and Community Service designed to foster and perpetuate a 100% Americanism in the community.

IT'S A FACT—The Legion has for more than thirty years taken the lead in battling Communism and all types of foreign-inspired propaganda which seeks to undermine America.

IT'S A FACT—The first duty of The American Legion is the proper care of the disabled veterans and the dependents of deceased veterans of World War I and II and the present conflict.

IT'S A FACT—That The American Legion since 1921 has been interested and active in securing gainful employment for all veterans.

Our next meeting will be Monday night, July 5, 1954.

# Cooperate On Lawn Sprinkling

By SHIBLEY HUENLICH  
HI 4-2327

The proud winner of the recent contest selecting "the greatest lad", John Christ, 172 Lee Ave., Hicksville, spent a busy day this past Saturday collecting all his presents from the various stores. Not too long ago, on June 10th, to be exact, John Christ's second oldest daughter, Jeannie, was among the girls that took part in the "fly-up" ceremonies of Troop 2 at the Lee Ave. School. Leaders of Troop 2 are Mrs. John Christ and Mrs. Howard Silberling.

The other "fly-ups" were Camille Gully, Ruth Ann Harding, Holly Lauer and Eileen Moller. At the same time, Troop 200, Leaders, Mrs. Frances Cottone and Mrs. John Wharton, awarded Proficiency Badges. There were about 200 people at the "Court of Awards" and included on the program were the Flag Ceremony, Greeting song by all scouts, Welcoming Address, Group singing, a play, "Hall of Fame", songs by the scouts and an address by Mr.

Abb, the principal. Following the awarding of the proficiency badges and fly-ups ceremonies was the Hymn of Scouting followed by refreshments. Mrs. M. Wander and Mrs. E. Schwartz were in charge of refreshments and all concerned wish to thank the mothers who supplied the cake, helped serve and clean up. Thanks also go to Cramer's Beverages for the soda they donated. Also present at this event were Mrs. M. Goodrich, Vice Chairman of Hickville Girl Scouts and Mrs. William Binzer who organized Troop #2 twelve years ago this month.

On June 6th, Mrs. Margaret Anderson and son, Richard, of 172 Cottage Blvd, had as their guests, Brother Alopatas Raphael from Manhattan College. Mrs. Mary Huleid of Ridgewood, Brooklyn, paid them a visit on Sunday, June 13th.

Mr. and Mrs. Daniel Moscato of 5 Mineola Ave were busy people on that same day for they attended the wedding of Mr. Moscato's sister, Josephine, to Archie Annunzio at St. Anthony's Church in the Bronx. Later they also attended the dinner in honor of the Bride and Groom at Alex and Henry's Restaurant.

That same Sunday found Mr. and Mrs. Aiello of 9 Mineola Ave celebrating their twelfth wedding anniversary.

Mrs. A. Mandala of 24 Albert St attended a baby shower held in honor of Mrs. Jo. Bosch at the home of Mrs. K. Baumann of 344 Nichols St on Friday, June 11. The shower, with decorations in green and yellow came as a complete surprise to the mother-to-be. Members of the club of which Mrs. Bosch is a member, including Mrs. E. Francis, Mrs. H. McGowan, Mrs. N. Henneburger were present as well as other friends and relatives. Many beautiful gifts were received by the guest of honor.

Glad to see that Barbara Tedesco and her sister, Lois, of 24 Power St have said goodbye to the chickenpox. Little five months old Carol Carman of 11 Somerset Ave has finally gotten over her seizure of the measles. Also hope that by now George Black's injured hand is on the mend.

It wasn't a plastic, cosmetic or jewelry demonstration that Jean Mandala had, but, instead a wrought iron and copper party. Those attending this party put on

by the Mayflower Mart Company, demonstrators. Mrs. Ann Cook, on Friday, June 18th, wore: Mrs. R. Baumann, Mrs. J. Bosch, Mrs. F. Saccio, Mrs. W. Mandala, Mrs. J. Taylor, Mrs. R. Cappeluto, Mrs. G. Bleck, Mrs. W. Kratus, Mrs. Aiello, Mrs. Rohan, Mrs. D. Moscato, Mrs. Mauritsen, Mrs. Ritzgibbons, Mrs. A. Fuelling and myself. Mrs. Mandala served delicious punch during the demonstration and afterward the refreshments included coffee, tea and a variety of cakes. A fine time was had by all.

Mrs. J. Casamita of 22 Ferney St celebrated her birthday on June 18th. Many happy returns. All of the friends and neighbors of Mr. Freddie Teupner of 179 Lee Ave who is in the hospital want him to know that they are all rooting for him and hope that he is well on the road to recovery.

Say, don't forget that your cooperation is vitally needed concerning the use of hose and lawn sprinklers during this time of the year when it is so difficult to maintain enough water storage to provide adequate fire protection. You must realize that it might very well be our house... or yours... that could catch on fire then burn to the ground because of lack of water. All of us on the south side of Old Country Road are restricted to the ODD NUMBERED days for watering while everyone on the north side of Old Country Road has access etc. on even numbered days. If we all abide by this we will have our full share of water. Another way to help is when you hear the fire alarm sound in town shut off the hose or sprinkler to keep all possible water available for fire fighting.

Happy fourth anniversary on June 25 to Mr. and Mrs. Arthur Fuelling of 18 Broadway Place. Hope it is a nice day on Saturday, June 26, when Holy Trinity Episcopal Church has its Sunday School picnic at Belmont Lake State Park.

### GOP Women Play Cards At Meeting

The Central Island Women's Republican Club met Monday night, June 21 in the Veterans of Foreign Wars Hall on Grand Ave., Hicksville.

Even though it was the first day of summer and the hottest, the meeting was very well attended. Mrs. Elizabeth Miller, chairman of the by-laws committee, reported that tentative by-law will be mailed to each member to be voted on at the next meeting of the club.

After a short business session, the ladies and their friends turned their attention to social games of bridge, canasta, pinochle and bunnco with prizes for each player as well as a door prize. The refreshment tables were very attractive with sweet pea decorations which the ladies were privileged to take home.

All who attended expressed pleasure at being there and the expectation of attending again. An invitation was extended to all to attend the forthcoming Federation of Republican Women's meeting at the Strathmore-Vanderbilt Country Club in Manhasset of which Genesta Strong is president.

### Honor Teacher At Burns Ave

For the first time in many years—a teacher was at a loss for words. At 2 p.m. Wednesday, June 16, Burns Ave first-grade teacher Mrs. Nicky Ravashiere found that her supposed "conference" with Principal Allen Davis actually was a surprise baby shower, with herself as guest of honor.

The shower was given by the mothers of Mrs. Ravashiere's class in appreciation of her work with their children. The affair was held in the auditorium and many of the mothers baked and decorated cakes and cupcakes for the occasion. Every mother participated in the shower, although only 18 could attend the actual affair.

At the height of the festivities, Mrs. Fraiser, Class Mother, presented a stroller-carriage to Mrs. Ravashiere on behalf of the mothers. Everyone wishes to thank Principal Davis, and Mrs. Quinn, school secretary, whose advice and cooperation made the shower possible.

Mr. and Mrs. Ravashiere are new arrivals in Hicksville, residing on Peachtree Lane in the new Frank and Stackler development.

### Along Woodbury Rd.

(Continued from Page 5)

FTA meeting of the Woodland Ave. School was held last Monday. We couldn't make it because of sickness but as soon as we have a report we'll let you in on it . . .

On Vincent Road, and Wilfred Blvd. which has now been opened through to Mill Road turnoff—straight to Woodbury Rd. there has been a terrific amount of traffic lately. Farmer's Market shoppers find this an excellent shortcut and race right through. What they don't know is that in racing past Fulton Ave., Washington Ave., or Ketcham Ave., they are taking their (or other's) lives into their hands—no these are busy streets which are used to trisect the development. How many accidents—and near accidents have we had in this short while! Thank goodness we have Ed Mastrella, locally, who is doing his utmost to set stop signs up on all dangerous intersections, at the last association meeting, which was in the form of a social, Ed was appointed to work on this project.

Speaking of streets—I was so disappointed to see the same type road being laid in Woodbury Gardens. We were to receive a so called "Better" road in 1954. In a few months this one will be full of holes again just like the previous ones. There is a possibility that they have held off on the superior road until the drainage is in. Let's hope

**McCaffrey Leads In Minors**

With excellent baseball weather last week, all 30 Central Nassau Little League teams kept local diamonds buzzing with activity. In the streets of the community are apparently quiet these days it is probably because of the fact that most of the 8 to 12 year old boys spend a considerable part of their time on the baseball fields, even when they are not playing regularly scheduled games.

HELENA SCOTT, featured singer in Guy Lombardo's Jones Beach musical "Arabian Nights," who will appear at the Bohack supermarket, Old Country and Newbridge Rds., Hicksville, at 2 p.m., this Saturday, June 26, to help celebrate Bohack's 67th anniversary. Miss Scott will make awards of a big Bohack birthday cake, tickets to "Arabian Nights," record albums of the show's music and other prizes.

In the Eastern Division Majors, the Professionals maintained a decided 5-1 edge. After dropping a 6 to 2 decision on Tuesday, the Pros whitewashed the Long Island National Bankers by a 3 to 0 score as Henry Ristow chalked up his third consecutive no-hit, no-run 18 strikeout game of the season.

Of the four games played in the Western Division Majors, two resulted in ties, and as the week ended, only one game separated the first place and fourth place teams. After a 1-1 tie game Tuesday, Boos Brothers Nursery overwhelmed Greater Nassau Realty on Friday evening by a 14 to 6 score, aided by the excellent pitching job turned in by Bradley Boos.

In the CNLL Minor League group, McCaffrey Agency took over undisputed possession of first place by winning both games last week. MacPherson's Powerglides upset a strong T. V. Miltie team on Saturday to break into the winning column.

In the Farm team Eastern Division the Indians, Orioles and Senators all won their Saturday games and continue in a three-way tie for first place. By shutting out the Dodgers Saturday afternoon, the Phillies maintained their 3-0 lead in the Western Farm group.

Summary of all games played last week in the Central Nassau Little League is as follows:

Steve Ruggiero tried to flag down a hot eighth inning drive off the bat of Ray Halleran with his bare hand here in the top Community Softball League game of the week, Monday, but the rapid flight of the ball could not be deterred. It roared into centerfield and Jerry McGunnigle raced home from second with the winning run for Breen's All Stars. The final was 10-9.

It was the first loss for the Hicksville Inn and came after one of the most interesting struggles in years.

Steve did not actually silence the bats of the Breen's powerhouse but he could have won had not his infield contributed seven errors as the All Stars amassed a 9-1 lead in five innings.

Billy Cheslock, Jack McCrosson and Roy Schaff played the outfield flawlessly but it looked hopeless until the sixth.

A steady drilling of basehits off Ed Coleman, the biggest blow was a three run homer by Frank Zinzi, finally tied the count 9-9.

Manager Frank Ruggiero then called in Halleran with a runner on second and two down. Two straight walks filled the bases and had the stands jumping in expectation of a huge upset.

A called third strike forced it into extra innings. With one out McGunnigle lifted, without power or direction, a high fly to right and it fell aimlessly for the winning double.

Actually the well attended contest was the high point to date, the following night: THE WAY WASN'T FAIR WITH TEN AT DARKNESS.

Excitement was rampant as darkness closed in at 8:30 p.m. Fairway Farms went confidently into the sixth frame with a 16-9 lead over the very serious Art & George Service Center team.

However, the fans from down the Frank Homes way had plenty to rejoice about as ten runs poured over the plate before the umpires had to rule it was too dark to continue. The uncompleted half inning took over a half hour to play.

Some contended the inning should have reverted back to the fifth frame but A&G had the last turn at bat so the runs were allowed to stand even though three outs had not been accomplished.

## WHO, WHAT, WHY, WHEN, WHERE

Jim Barone, supported by the heavy hitting of Sid Rigby, upended the Franklin Square Royals, 11-7, in a Jones Beach League game, Saturday night.

The former Botto crew isn't finding a change to the Oiler's uniform a great boon. Took a second loss Sunday to front running Pin Up of Wantagh, 4-2.

Good fielding and sound pitching are outstanding points for the Charles Wagner American Legion Junior baseball nine but lack of hits which ruined the high school this spring isn't getting any runs over the plate.

Hicksville Inn really wanted that one with Breen's: Ed Scott crashed into the fence trying to snare foul ball to end seventh frame and Jack McCrosson ran long and hard only to miss by a hair a backhand stab of Dick Matesha's fourth inning homerun.

The Inn also defeated Fred's Inn 7-5 Sunday morning. We understand there was quite a bit riding on it.

Roy Stephenson and partner may recoup some of the reported \$22,000 investment on their Lindenhurst softball stadium if the ASA awards the 1954 Long Island and Metropolitan tourney to that site. Practical idea since Suffolk County fans are partial to the event and don't mind paying to view it.

There is nothing timid about Jake Donnelly's Farmingdale High School softball team. The Dalers open their 1954 season with always toughie Lawrence.

Bethpage High lists Wantagh, East Rockaway, Oyster Bay, St. Agnes of Rockville Centre, Farmingdale, St. Dominics and Roslyn as its first full varsity football slate. Season starts Oct. 2nd.

The Long Beach Summer Basketball League opens this coming Monday evening and Hicksville is involved in the Junior division which allows only players whom have eligibility left for future scholastic campaigns.

A preview of the Comet's 1954-'55 court team will be possible as the league goes its course and interest will run high in a bright new respect for the Orange and Black.

Recently moved to Hicksville is sophomore John Maghee who stands six foot three inches.

There is little doubt that the boy has shown promise at putting the ball in the basket during gym, intra-mural and outdoor play on the cement slab.

Hicksville is carded to face Lawrence and six foot eight Al Carratta of the Golden Tornado in its opening game on court one.

Lining up for the Orange and Black will be Mike Contant, Frank Estrada, Bob Paton, Ed Scott, Martin Katz, Maghee, Frank Barton, Bob Stillwagon, Al Roseberry, Bill McKeown and Al Rife.

All those boys will return to school in the fall and be out for the Varsity team in November.

# Successful Drive For Clothing

By **CONSTANCE GIBSON**  
Hicksville 4-1482

We are very happy to learn of the huge success of the campaign for clothes for the needy in Korea. So great an influx of clothing was offered that two Saturdays had to be set aside for the collections. On June 12, Boy Scouts along with other volunteers went from house to house gathering the item. On June 19 a truck sent by the New York City office of American Relief for Korea was stationed near the High School for further collection. We would like to congratulate L. P. Urschel of 15 Gables Drive, chairman of the committee here in Hicksville, and Mrs. Urschel, who took over in her husband's absence

while he attended a Lutheran Convention upstate, for their unselfish and untiring work for a cause as important as this.

Congratulations also go to Miss Marion Weller, daughter of Mr. and Mrs. Ernest G. Weller of 13 South Elm St., who graduated Cum Laude with a Bachelor of Arts Degree in English and French from Hofstra College on Sunday, June 13. Miss Weller also received departmental honors in French. The graduation at which 600 received degrees was held on the lawn of the College. The graduation address was given by John Mason Brown, New York Drama critic. After a summer vacation, Miss Weller will teach. A small family gathering was held in her honor that night.

Attending were her parents, her brothers and their wives, Mr. and Mrs. Sam Weller of 301 Plainview Rd. and Mr. and Mrs. Walter Weller of 4 Liberty Ave., another brother Eric and a sister Janet.

Best wishes go to Mr. and Mrs. Thornton A. McGill of 21 Gables Rd. who celebrated their 24th wedding anniversary on Saturday, June 14. The McGills passed the day with a small gathering of relatives and close friends.

Mr. and Mrs. John J. Ketchum of 18 South Elm St. had their little daughter, Dawn, christened on Sunday, June 13 in St. Ignatius Loyola. R. C. Church. The baby's Godparents were Mr. and Mrs. Richard Evers of 24 South Elm St. The Ketchums held a barbecue afterwards in honor of the affair. Attending were: the baby's brother, Sean, her grandparents, Mrs. Frances Ketchum of Walter St., and Mr. and Mrs. Villett of Beachurst, her Godparents, the Evers and son Kevin, Holly and Jimmy Beniamino of 22 South Elm St., and Mary and Benny Beniamino of 12 South Elm St.

Mrs. Thornton A. McGill of 21 Gables Rd. took her Fifth grade class of the Old Country Rd. School for an outing to end the year of school. The group was to visit Belmont State Park on June 23.

Birthday greetings go to Diane Hodgkinson, daughter of Mr. and Mrs. Edwin A. Hodgkinson of 18 Gables Drive, who was two years old recently. The Hodgkinsons gave a barbecue in Diane's honor. Mr. and Mrs. Richard Evers of 24 South Elm St., the celebrants Aunt and uncle attended the affair along with other members of the family.

Delated birthday wishes go to M. Fernandez of 9 South Elm St., who celebrated his day, Sunday, June 13 with a family party.

Also in line for birthday greetings were Mrs. Louis R. H. Carraci of 3 South Elm St. whose day was Saturday, June 19; Mrs. Rose Donais of 26 Gables Drive whose day was Sunday, June 13.
