# SULLIVAN 'UNAVAILABLE': SCHOOL BOARD LOOKING FOR ANOTHER ATTORNEY

**HICKSVILLE**—The employment of an attorney for the school district appeared likely to become an immediate problem for the reorganized Board of Education this week as Michael J. Sullivan advised the board that he is "no longer available". As the Board met Tuesday night to reorganize, several changes and innovations in future Board activities were noted.

Edna Kuhne Sutton, re-elected last May for her third three-year term, was elected president of the Board; Joseph F. Cawley, starting his first three-year term became vice president and Richard School was elected board-secretary.

## 3 School Boards Elect New Presidents Here

Three mid-Island School Boards elected new presidents, Tuesday night, when the annual reorganization meetings were held. Hicksville district, for the first time in its history, has a woman as president. Mrs. Edna Kuhne Sutton was elected, filling the vacancy caused by the expiration of the term of Henry C. Brengel. Bethpage district elected Charles Campaigne to fill the position formerly held for many years by Frederick Kramer. In Plainview, John Dowling was elected as president of the Board. (See details of organization meetings on pages 1, 4 and 13 in this issue).

## Amperex Strike Ends

**HICKSVILLE**—After a six-weeks' strike, 200 employees of Amperex Electronic Corp. are expected to return to work at the Duffy Ave plant, here, on Monday, July 19. The announcement was made by a spokesman for the management who said a two-year contract has been signed. The Amperex spokesman said that employees lost about \$172.50 per man, in pay and Christmas bonus percentage, during the strike.

## Playgrounds Setting Records

**HICKSVILLE**—Summer playground started here Wednesday with the usual large response by the youngsters. It appears that new attendance records will continue to be broken. Wednesday's registration was the largest first day registration in the playground six-year history.

Registration will continue and youngsters can find opportunities to indulge in arts, crafts, and sports.

All youngsters interested in baseball report to the playground so that a team can be picked. A baseball league in each playground is anticipated, according to Chester Jaworski, playground director.

## Principal Goes To Puerto Rico

**NEW YORK CITY**—Mother M. Adelaide, O. P., principal of St. Ignatius Parochial School, Hicksville left by plane Sunday for Puerto Rico. Well wishers to see her off at Idlewild Airport were Sister Mary Bona, Sister Una Marie, Sister Priscilla, Sister Maurice, Sister Carola, Sister Goncalvo, Sister Kevin, Sister Edwardine and Mrs. Fred J. Noeth, all of Hicksville. Also Mr. and Mrs. Walter Beggin of Levittown.

## Buy More Land, Award Contract For Car Park

**OYSTER BAY**—Purchase of the property of Joseph P. Lehnbecher next to the Trinity Lutheran School and starting at the corner of Jerusalem Ave and Nicholai St for a new 60-car parking lot for Hicksville was authorized at the Town Board meeting, following a public hearing, Tuesday. Albert Schachner, president of Hicksville Chamber of Commerce, appeared at the hearing to urge purchase of the tract.

The Town Board also received bids for the development of the triangular property on the east side of the L.I.R.R., between Marie and Nicholai Sts for Parking Field No. 4, Tuesday. John E. Peterson was low bidder of four at \$24,375 and work is expected to start shortly, according to Councilman Frank Chlumsky.

Two applications for special permits and some changes in Hicksville ran into opposition on Tuesday morning, here. The first application for a zone change on Old Country Rd starting at Raymond St., Hicksville, as the site of a professional building was strongly opposed by residents of the area. The location is across the street from the L. I. Lighting Co. electric operating center.

The request for a permit to operate a "public garage" on South Broadway, near Fourth St in the rear of the V.F.W. Hall, was protested by residents of Grand Ave, which parallels South Broadway, one block away. John Eihmann and Clifford Freitag of Hicksville Firestone are the applicants.

The Town Board reserved decision on the two applications. A delegation of Hillside Terrace, Hicksville, residents also appeared at the meeting and presented the Board with about a dozen baseballs retrieved on their property in the vicinity of the play area in that development. They asked the board to do something to hold ball playing near their homes.

The Board held a short session, Tuesday, and planned to continue its business at an executive meeting today (Thursday).

**ERICHS ABSENT**

Mrs. Sutton fills the position formerly held by Henry C. Brengel, who was not a candidate for reelection. She had been vice president. School replaces, as secretary, Arthur Eirich who was his running mate last year. Eirich is in Kentucky and could not be present for the meeting.

Emil Szendy, the fifth member of the board, attempted unsuccessfully to get School elected first as president and then vice president. School nominated Mrs. Sutton for president, and Cawley for vice president. He in turn was nominated for secretary by Mrs. Sutton.

**RECORD FOR CLERK**

The meeting was opened by Andrew B. Heberer, district clerk, with a brief prayer. He was appointed for his third consecutive year as clerk of the district, commenting that this was probably a record for any district in Nassau or Suffolk Counties.

The appointment was made, upon his written application, after questioning by School regarding Heberer's health. It was indicated a typist may be assigned to him to aid in mechanical work of preparing the minutes.

Also appointed were Sidney M. Volk as district treasurer at \$2,000 and Herbert Purick as auditor at \$650.

For the first time in more than a decade, the regular meeting night of the Board has been changed from the traditional last Wednesday of the month to the last Friday starting at 8:15 P.M.

Mrs. Sutton announced "with regret" that Sullivan is not available for appointment as attorney for the district. He will continue to serve, however, on contracts already made. Mrs. Sutton added. These include the high school construction and additions to the four small schools. His annual retainer was \$1,200.

Szendy pointed out, after the meeting, that Sullivan has received \$74,200 in fees while attorney for the district and during the coming year will receive an additional \$30,700 for the high school and extensions. (Continued on Page 2)

## New Utility Office To Cost Millions

**HICKSVILLE**—Ground was formally broken here, Wednesday, for the Long Island Lighting Co.'s new administration building, here, which will cost nearly three million dollars and take 13 months to complete.

L.I.L. Co. President Errol W. Doebler turned over the first spadeful of earth on the tract along Old Country Rd. He commented that the event was "further assertion of the importance of Hicksville in the continuing growth of Long Island" as well as another milestone in the growth of the utility company.

County Executive A. Holly Patterson and Henry G. Eisenmann, Hicksville banker and realtor who is a director of the company, helped turn the brightly polished shovel.

Also present were Town Supervisors Lewis N. Waters, Councilmen Frank Chlumsky and James Norman, Town Clerk Henry Curran, a Town Tax Receiver David Welsh and Building Inspector William Tilford.

Others attending were Dr. Arthur LeRoy Francisco, architect, and Emond C. O'Driscoll, builder, as well as L.I.L. Co. executives.

The new Administration building will face Old Country Rd., the latest unit in the Central Operating Headquarters

being developed at a 77-acre tract east of the L.I.R.R.

The "T" shaped building will be 282 feet across the front and extend 200 feet in depth. It will be two stories high in the front and three stories above grade in the rear.

Doebler explained that there are now 1400 people reporting for work at the Operating Headquarters and the new building will bring an additional 800 to the premises.

He thanked the county for its cooperation on traffic problems in the area and the township for originally changing the zoning on the site.

First exclusive announcement of the newest project appeared in the Herald on June 1st.

### Dear Jean:

Hicksville Fire Commissioners have taken title of the three parcels of property which may soon become the sites for sub-stations. The appropriation of funds for buildings on each tract will be the subject of a vote along with the annual fire district budget in the fall. I am advised that the reason why the clock at Hwy and Marie St. is not operating on schedule is because CAPITAL FINANCE is installing air conditioning for the benefit of its customers. . . . New about that "clock" on Marie St near the entrance to the Theatre? . . . Dollar days will be here next week, starting on Thursday. More than 40 merchants are participating in this bigger-and-better-than-ever sales event in Hicksville. Watch for the motorcade on Wednesday evening, July 15. . . . DR. GEORGE RUBIN has been welcomed into the Hicksville Rotary Club, membership in which now numbers 47. At a recent meeting the club awarded a perfect attendance pin to Dr. SAM ELKIND. . . .

WARREN H. PURSLEY of Hicksville is among 24 L. I. residents who recently completed training and has been awarded a journeyman's certificate by the New York Apprenticeship Council as an electrician. . . . High tribute to HENRY G. EISEMANN, president of the Bank of Hicksville, was paid by L. I. Lighting Co officials at the groundbreaking for the new L. I. L. Co. building here, Wednesday. He was credited with being the "real architect" of the project and bringing the high valuation proposition to the community. . . . The new building, incidentally, will have more floor space than the main company office in Mineola. . . .

Volunteer fireman ARTHUR ISAKSEN answered a call last week. While he was out with the vamps, his own car, parked near the firehouse, caught fire. It was put out with little damage by fellow firemen. . . .

#### FIREMEN GO FISHING

HICKSVILLE — Members of two fire companies will go fishing this Sunday, Co. no. 5 is sailing out of Babylon and Co. no. 2 is taking a boat from Baldwin.

The Ladies Auxiliary of the Hicksville Fire Dept. will hold their beach party on Tuesday, July 20. Cars will leave from the firehouse at 6:30 p.m.

#### Auto, Bike Collide

HICKSVILLE — Richard Maguire, age 5, of 46 Meeting Lane suffered a bruised right knee when his bicycle collided with a car driven by Guy Montgomery of 52 Cobbit Lane, Westbury, on Newbridge Rd 500 feet south of Elmira St, here, on Thursday morning. The child was treated at the scene by Dr. Carotenuto and permitted to go home.

**Gerhard Road Drainage Plans**

MINEOLA—Public Works Commissioner John C. Guibert said today that plans for storm water drainage in Gerhard road, Morton Village, Plainview, are being reviewed pending early construction of necessary facilities.  
 Plans call for a grassed center division of Gerhard Road which will gently slope to an average depth of about four feet. It will contain water only after a substantial rain, Guibert said. Areas where water may stand for any length of time will be fenced with woven wire steel. He said the drain facility is necessary because it is the low valley in the general area. The final result will not be detrimental to the neighborhood environment, he advised.

## Carnival Night For GOP

MINEOLA—J. Russel Sprague, Republican County Leader of Nassau County, and William D. Meiser, Chairman of the County Committee, announced in a joint statement last night that the official County convention and meeting of the County Committee, to be held in Casa Seville, Franklin Square, on Monday evening July 12, to designate candidates for legislative and other organizational offices.

More than 5,000 Nassau Republicans are expected to attend the official meeting and the ensuing "Nassau Republican Carnival." It was added by Sprague and Meiser.

The "Republican Carnival" entertainment program will follow formal adjournment of the official convention at 10:30 p.m., the joint statement of the two GOP officials said. The evening will be called to order promptly at 8:30 p.m., and will last exactly two hours in order to make way for the entertainment program and dancing to Guy Lombardo's music.

"This Republican campaign, and I say this with every emphasis, will be the most intensive in the contemporary political history of Nassau County," Sprague stated.

"Republican interest in the impending campaign has been demonstrated ever since the first of the year when heavily-attended club meetings and other functions have been held at frequent intervals all over the county, and new clubs have been constantly organized.

"In addition, we have made a strong appeal to the youth of the

county to ally itself with Republicanism, and increased strength has been had by old and new chapters of the Nassau County GOP recruits.

"As to the activities of Republican women's groups," Sprague concluded, "the County Federation of Republican Women has been consistently active, and will continue to further step-up its activities immediately after Labor Day. This is equally true of Women's Republican Clubs on the district levels and in the villages and cities. Nassau Republicanism will say it with votes—in November."

# Dollar Days Are Coming

By FRED J. NOETH

THREE MONTHS OF PLANNING will reach a climax, next week, when the retailers of Hicksville will offer the public Dollar Days on Thursday, Friday and Saturday, July 15 thru 17.

Dollar Days have become the traditional mid-year sales event for the mid-Island shopping public. The event this year, as the result of careful planning and hard work over a period of months, promises to top anything which has been offered by Hicksville in the past.

Retailers have gone all out in their determination to prove to the public that it pays to shop and save in Hicksville. We have had the opportunity during the past couple of weeks to review some of the offerings as advertising material of local stores for the special, official Chamber of Commerce Dollar Day edition of the Herald has been processed and made ready for extra distribution early next week.

There are about 40 business concerns in Hicksville co-operating in this year's Dollar Days and such widespread co-operation is a tribute to the leadership of Patrick J. Buffalino, chairman of the program. It also serves to demonstrate that this is going to be an all-out effort in which the shoppers can truly profit.

If we may be permitted to offer an advance tip to the wise buyer—some of the values are so outstanding that they are bound to be grabbed up on the opening day. Therefore, for best selections out of abundant stocks at almost unbelievable prices, we suggest you get to the stores early.

The many new homeowners in this area will find Dollar Days a wonderful opportunity to get acquainted with the men and women who conduct local retail businesses. For the older residents, this is a fine opportunity to make the acquaintance of some of the newer business people in our community.

Hicksville Dollar Days this year are, for the first time, under the auspices of the retailers of the Chamber of Commerce which has achieved notable success in its efforts to date on several major as well as minor problems resulting from and accompanying our tremendous area growth—in population as well as in the fields of commerce and industry.

Something a little different is scheduled for next Wednesday evening, July 14, to "kick-off" Dollar Days. Watch for the gala Dollar Day Motocade in your neighborhood. We hope it will remind you that the big sale starts in Hicksville stores the following morning.

Shopping at home is good business for many, many reasons. Local shops freely and generously support the many worthwhile organizational activities with donations of prize awards and financial backing. All they can expect in return is the reasonable opportunity to prove to you that it is good business to do business with your home town merchants.

## Charter Night For Boy Scouts

HICKSVILLE—Troop 91 Boy Scouts and Cub Scouts held their annual charter night Friday night, June 25. The new charters were presented by Tri-Parkway District Executive Dave Le Feber. Also present was the institutional representative, Russell Gengler and all of the new committeemen.

Link Parry acted as Master of Ceremonies. Foremost among those introduced was Rt. Rev. Msgr. George Bittermann, Pastor of St. Ignace R. C. Church. Scoutmaster Ken Waltz was then presented with his new card and Assistant Scoutmaster Henry Steinmann and Jun-

ior Scoutmaster John Sholl received their cards.

The program continued with the presentation of cards to the committeemen, the Boy Scouts, and Scoutmaster Larry Baroletti, Den Mothers and to each Cub Scout. The entire assemblage of over 200 then joined together in singing "God Bless America". Msgr. Bittermann then gave a short talk on his own experiences on Boy Scouting based on his having served on Boards of Review.

A graduation ceremony was held and several cubs were inducted into the Boy Scouts.

# In People's Corner

By ALLEN S. CRISPIN, Editor

The purpose of this column has always been to bring to the attention of its readers the "unpublished" features in the local political picture.

Some of these things said here may not have always been of vital importance, but each column, each separate subject, tried to express in plain unmistakable words those things that we, Republican and Democrat alike, recognize as being, unfortunately, all too true.

If this column has succeeded in proving to even one more citizen the demanding need for the revival of the American two party system in our town and county, it's efforts have been well spent.

To indicate this writer's belief and faith in our American two party system he ran for the position of Town Councilman last November. When it became apparent that the writer was expected to become politically active on a state and federal scale, he was forced to review his purpose and goals. The writer's primary aim is, and always

was, to encourage our people, through word and deed, to take a natural interest in civic activity, and to help bring our people to the realization that individual thought and action is absolutely necessary to the improvement of local community conditions.

This writer has no political expectation, beyond the hope for local civic improvement. To remove any doubt from the minds of his party leaders, and the opposition party leaders, and you, the public, the writer has decided that it is necessary to discontinue his authorship of this column.

The writer does not believe that the work required to provide better local government for our community is much more than started. Only the continued participation of our citizens, Republican and Democrat alike, thinking and acting as individuals, can bring this about.

The writer hopes and prays that his poor efforts may have helped in some small measure towards this good purpose.

Written in the Interest of Better Local Government

## HERALD READER OPINION

# Schools Can't Handle Everything

By CHARLES DE SHAW

IT SEEMS TO ME, that too many people in the District expect the School Board to cure all the ills in the Community, and are continuing to pressure the Board concerning their pet projects. They seem to forget that handling the educational matters of the community is a full time job; and that the Board must not be expected to delve into matters that are the responsibility of the Township or the County.

A community wide Recreational Program is not the business of the School Board, other than assisting in the coordination of such and the making available of school facilities and buildings. The instituting of such a program; the building of

facilities; and the hiring of instructors is the business of the Town Board, not the School Board. Their responsibility exists only so far as to present to the Town Board the needs for such; and to request immediate action.

Though the School Board has already instituted a survey of the District's Recreational needs and authorized payment for such, this Survey report should be turned over to the Town Board for their information and action. Especially in view of a report given to the Board on June 30th, wherein was stated that the Town Board was already prepared to construct recreational facilities here in Hicksville.

It would appear then that both the Town Board and the School Board had duplicate surveys, and that the money spent by the School Board for their Survey was "wasted". Actually, this may not be so, since it is possible that a compilation of both reports may give a clearer picture to the Recreational Program and facilities needed. In the future, however, it would be wise for the School Board to consult the proper authorities before undertaking any action on Civic problems to prevent the possibility of duplication again.

IT SEEMS TO ME, in conclusion, therefore, that since the Town

Board is going to handle this matter, there is no need for us to vote on the hiring of a Recreational Director, or the expenditure of funds for a recreational program.

## Bible School For Vacation

HICKSVILLE—A Daily Vacation Bible School will be conducted Monday through Friday at 9:30 to 11:30 each morning from July 12 to 23 at the Church of Christ 105 Broadway in Hicksville. All children of any Faith who are between the ages of 4 and 14 are invited to attend.

Classes for each age group will be conducted in Bible lessons, recreation and handicraft.

One feature of the school will be a balloon contest in which children will be permitted to lose balloons with cards attached to them. These cards will contain information about the school and about the child losing the balloon and will request the finder to send back the card to the child. The child whose balloon travels the farthest will receive a reward. Last year one of the balloons traveled over 400 miles.

The School will be directed by Mr. and Mrs. C. E. Faust.

## SUMMARY OF PROPOSED AMENDMENTS TO SOCIAL SECURITY ACT

The 1954 Social Security Bill contains various amendments to conform the taxes on self-employment with taxes on employees and employers under the Federal Insurance Contributions Act. It also proposes to extend old-age survivors benefits, and increase wages subject to F. I. C. A. taxes from \$3,900 to \$4,200.

Under the House Bill rates on self-employment income would be 5 1/2% beginning after 1969 and before 1975, and 6% for taxable years beginning after 1974. For years ending after 1954 the self-employment income subject to tax would be raised from \$3,900 to \$4,200.

The rates on employers and employees would be raised to 3 1/4% for calendar years 1970-1974 and 4% thereafter. After 1954 the maximum amount subject to tax would be raised from \$3,900 to \$4,200.

The following people would be brought under the program:

1. Farm employees earning at

least \$200 from one employer in a calendar year.

2. Domestic workers whose cash pay is at least \$50 from a single employer in a calendar year.

3. Casual workers earning \$50 or above.

4. Employed ministers, etc if the tax-exempt employer waives exemption and the clergyman concurs.

5. American citizens working abroad for a foreign subsidiary of an American Corporation provided such corporation enters into an agreement with the Secretary of the Treasury for coverage.

6. American citizens employed by American employers on foreign ships or planes.

7. Certain federal employees not covered by a retirement system such as temporary Post Office employees, temporary Census-takers, federal employees paid by contract or fee, federal employees receiving \$12 year or less, certain regular agents, federal unemployment relief program employees, members of state, county, or community committees under the Production and Marketing Administration (unless composed of full-time federal employees), and patients or inmates of federal institutions (except penal) who receive wages for employment.

# Timely Facts For Dog Owners

By DOROTHY R. BROWN  
Hicksville 4-0128

**DOG OWNERS ATTENTION:**

As a dog owner, you have a very important responsibility, first to the dog and then to your neighbor. The dog you should keep well fed, watered, and exercise regularly. The neighbor should never have any cause to be annoyed because you keep a dog.

It is the latter point which we want to emphasize here. The size of the dog determines how much exercise he needs and how much space is needed for the dog to this needed exercise. It stands to reason that on the average small plot of 6,000 sq feet that a large dog can not be allowed the type of freedom that he should have. Then there is the law here in Oyster Bay Township which says that no dog should run free without a leash unless it has a muzzle on.

Why is there such a law? Didn't we come out to the country for freedom where we could have our pets? Yes, but we are still living very close to other people and should consider their rights too. A loose dog without a muzzle is dangerous as a potential biter. Even a muzzled dog can harm people by jumping on them especially little children. A third way in which any dog is a nuisance, is the dog's daily routine, unless properly cared for by the owner.

Regardless of when a dog is let loose he can, and most dogs do, use other yards for their daily routine. Your neighbors close by and also farther away are affected by your loose dog. You say, "How?" Everyone has some shrubbery around their house. Dogs love to use these for their daily routine. After a while the shrub dies and all the neighbor's work and effort has been in vain as well as the expense. Many of these shrubs are expensive, and we all like to have the yards around us look nice.

In consideration of these points I am sure we will be more careful about letting our dogs loose. It may mean extra work to walk the dog daily but a clear conscious that our dog is not one of those loose dogs that have been destroying shrubs or endangering people is well worth the extra effort. Also we should be careful that a loose dog in the house does not slip out when the door is opened especially by the children or by the unexpected caller.

The Block Party held on Green-briar Lane by the Millwood Gate P. O. Aism, on July 4 was a great success. In spite of the weather being cool and damp, the spirits of everyone were gay, and a grand time was had by everyone. Many thanks to the directors and their helpers for setting the affair up and doing a good job of cleaning up afterwards. Also Mrs. Laure McVay, who was responsible for the lovely sandwiches wishes to thank all those women who helped make them.

Mr. and Mrs. Ben Baranski of 60 Fordham Rd. enjoyed a safe and sane fourth by entertaining several of their neighbors. Using their outside grill, they had a party with all the fixings on Monday. The guests included Mr. and Mrs. Theon Montour, Mr. and Mrs. Anthony Masciello, Mr. and Mrs. John Bahret, and Mr. and Mrs. George Farquharson, all of Fordham Rd. Mr. and Mrs. Al Vitali of 4 Oxford St. had their two month old daughter, Hanna Margaret, christened Sunday July 4 at the Holy Family Church on New Bridge Road.

Mr. and Mrs. Robert Phelar of 46 Fordham Rd. are the proud parents of a girl born July 1 in the Nassau Hospital at 6:30 A.M. Joanne as she soon became known weighed in at 8 pounds two ounces. She has a big brother Bobby who is 3 1/2 years old.

Don't grandmothers and grandfathers ever suspect something, when they get frequent invitations to visit their children's homes? This past week several of our neighbors and friends had guests for the holiday weekend. Reason partly because they would like their company of course and partly because they would like baby sitters while they went to the Block Party. Sunday Evening. One group had the right idea and entertained their families royally with a special "nation" party for them, the guests, on Saturday evening. This was the Jolly Seven Club who entertained on the Patio of Mr. and Mrs. Walter Hopper's at 20 Woodbine Dr. S. Their husbands and any guests of the family were invited.

Welcome Greetings to our new residents, Mr. and Mrs. Raymond Arnold of 22 Ferndale Rd. They have one boy named Richard, age seven. Mr. Arnold is the brother of Mrs. Bowdridge of 25 Ferndale Rd. Wonderful reports have been flowing around of the excellent work that Mrs. Keiffer of 37 Fordham Rd. has been doing at Mrs. Cody's in helping with the housework and tending the two active boys while Mrs. Cody was recuperating and tending her new baby. Mrs. Keiffer is Mrs. Klein's mother and has free time to help other people out in time of need.

Mrs. Heilman and Mrs. Durgan, who collected through part of our development, wish to thank all those who gave so generously to the Cerebral Palsy fund in the interest of Mrs. Mary Jaine of Michigan Dr. She has a son who is a victim of this disease and he attends the Roosevelt School (Continued on Page 14)

**Recollections Of Independence**

CONSTANCE GIBSON  
 Hicksville 4-1488  
 Another glorious Fourth of July and with it quite a few gatherings in its honor. Most of all, however, another weekend of time spent in recalling the real meaning of American life. No matter how often this is done or how often the same thoughts are repeated they still ring true and cause to thank God for the wonderful gifts He has given us.

In our own Gables development there are many reminders as to

what our Declaration of Independence means. It would be possible, if it were possible, to call one of the signers of that document back to see his dream in actual use. If he did come to see us he would find us attending the churches of our choice: Catholic, Methodist, Lutheran and Temple. Our children being taught in Public and Parochial schools, our homes open without fear of having them searched. Then too, many of us belong to clubs, fraternities or alumni associations and attend their meetings. Still others freely discuss their political beliefs.

We are at liberty to hold parties, having guests in our homes and knowing that we are free to talk about anything we wish to without fear of policing. Perhaps these things have been called to mind before but what if they have, they should be repeated again and most of all they should continue to be truths.

Mr. and Mrs. Richard Evers of 24 South Elm St. entertained some of Mr. Evers' fellow Junior High teachers at their summer home in East Northport. Mr. and Mrs. James Curran, Mr. and Mrs. John Kearns, Ed McLaughlin, Mr. and Mrs. William Fasig and Mr. and Mrs. Gerald Jacobs were present. No matter what the younger generation believe teachers look forward to the summer vacation months as much as they do.

A happy birthday goes to Barbara Jean Graham of South Elm St. who was 8 years old on June 27.

Barbara Morris, daughter of Mr. and Mrs. Joseph A. Morris also celebrated a birthday, her seventh

on July 2. Barbara marked the day with a family party.

Mr. and Mrs. William Horn, Mrs. John Olson and daughter June of 303 Plainview Rd. motored into the Bronx on Tuesday, June 29 for the celebration of Mrs. Horn's sisters 50th wedding anniversary. The couple, Rose and Jim Bulger began their day with a family Communion at St. Francis Xavier Church in the Bronx and a breakfast party afterwards in the Bulger's home. Mrs. T. Busche and family, Miss Kleber and friend, Mr. and Mrs. William Kleber, Mr. and Mrs. Kennedy and family, Mr. and Mrs. Swanson and family, Mr. and Mrs. Sampson and family and Mr. and Mrs. Howard Newel and family attended the service and breakfast. That evening Mr. and Mrs. Newel paid host to all at a turkey dinner in their home.

Mr. and Mrs. Richard Evers of 24 South Elm St. entertained friends and relations at their summer home in East Northport over the holiday weekend. Mr. and Mrs. Gerald Evers of Lindenhurst, Mr. and Mrs. Edwin Hodgkinson and children Eddie, Diane and Janet of 18 Gables Drive, Mr. and Mrs. John Ketchum and children Sean and Dawn of 18 South Elm St., Mr. and Mrs. Walter Weller of 4 Liberty Ave., Mrs. Ellen G. Evers and sons, David and Jerry of 295 Old Country Rd., Mr. and Mrs. William Garvey and Mrs. Gonnivieve Kelly of Astoria were among those present for the days fun. All enjoyed picnic snacks, games and a trip to the near at hand beach.

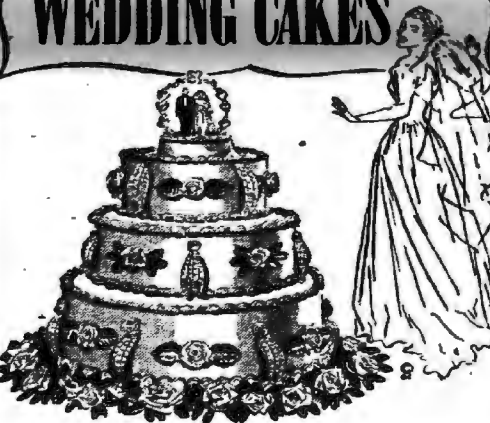

Mr. and Mrs. John Kean of 290 Plainview Rd. entertaining the wedding party of Mrs. Kean's sister, Doris Gramling and her husband, Mr. Ralph Malgagise who were married in St. Ignatius Loyola Church Sunday afternoon, June 27. The couple who are honeymooning in Canada at present will reside in Connecticut.

Saturday, June 26 Mr. and Mrs. Clifford Goff of 289 Plainview Rd. attended the wedding of Miss Carmella Gezzie to Thomas Della in Holy Rosary Church, East 119 St. in the Bronx. They also were present for the reception afterwards.

# Campagne Succeeds Kramer As School Board President

By DOROTHY GUELFA

BETHPAGE—Charles Campagne was unanimously elected President of the Board of Education here at its annual organizational meeting on Tuesday, July 7. Mr. Campagne took over the position formerly held by Frederick Kramer. William Benentendi, newly elected member of the Board, was seated as vice-president. Mrs. Charles Melone was also installed as a new member of the Board.

Mrs. Evelyn Auer was re-named District Clerk and Peter Penicaro was also retained as District Treasurer, both at their same salaries. A bond of \$150,000 for the Treasurer was approved by the Board.

Principal Victor Miller reported that the clerks in the district had asked that they be relieved of the task of taking the annual census for which they had been given additional pay. In view of this, Miller suggested that six people who reside in the district should be appointed to do this job. They would also be paid with the \$600 allocated for this in the school budget. The board agreed and the supervising principal will notify those people who are chosen for the job.

Starting at the next meeting of the Board, copies of minutes of the previous meeting will be given to all members for their reference.

The Community Relations Committee submitted a formal request that the Board appoint one of their members to be a public Relations man and to release information to the taxpayers which is of interest to them. They feel

that many times the work and time given by the individual people on the Board of Education is lost to the average citizen who only hears of the Board when there arises a vote or a difference of opinion. They feel too, that if the taxpayers knew the reasoning behind the action taken by the Board, they, the public would be far more lenient in their judgement. Mr. Benentendi was appointed by the chairman to serve in this capacity.

Miller announced that \$480 was collected from the school children at the end of the year for their damaged books. This is to be placed in the general fund from which new books will be purchased.

Justice Joseph Ellinger moved that all teachers be told at the beginning of the year that they are required to start the school session each day with the Pledge of Allegiance to the Flag and the Prayer that has been suggested by the State Board of Education. He also stated that if the teacher did not comply with this order, it was his opinion that they be removed from their position. The Board agreed and along these same lines Mr. Benentendi moved that the members of the Board sign loyalty pledges since they

are the only ones in the school system who have not already done this.

Thank you notes for awards made to them at the Graduation exercises were read from Mary Ann Calderone and John Roth.

Starting in September, members of the Board will conduct periodical examinations of the Broadway school which was reported in a poor condition by Dr. Louis Lutjge in his year-end report. They will also inform the teachers that they are responsible for the condition of their rooms and the furniture and supplies therein. Malicious damage caused by the students will have to be paid for by them or their parents. Therefore perhaps a short lecture on care of school property could well be included in Mamma's plans for the new school term along with new clothes and shoes.

At the next meeting of the Board on Tuesday, July 14th, action on the fuel oil bids and the bus transportation bids will be taken. Also there will be discussion on the remaining teachers to be hired and the post of the principal of the third school.

### REPUBLICAN PICNIC

The Community Picnic to be sponsored by the Republican Club is tentatively scheduled for the middle of August at \$2 per head. This I understand will include all you can eat—hot dogs, corn, beer, etc. plus games. It is going to be strictly non-political and it's hoped that it will start a custom of having one each year.

### DEMOCRATS ALSO

The Democratic Club is also dreaming up a picnic for about the same time. This is to be county-wide under the direction of Tom Granito, president of the Plainview Democratic Club. This could possibly be very political with some V. I. P. expected to be present.

Many bits of pink and blue were being put here and there at Mrs. Joseph Brown's, Wednesday, June 30. The Jolly Seven at one of their regular meetings held a surprise baby shower for Mrs. Emily Henloviski of 26 Woodbine Dr. S. The gifts were piled next to a very prettily decorated bassinet with a doll in it. A light buffet supper was served at 11 P.M. A cake with booties and a stork in pink and blue made a very nice decoration on the buffet table.

The stork, visiting Mr. and Mrs. Eugene Magee of 67 Woodbine Dr. N. Sunday, July 4, at 5:02 P.M. at the Mercy Hospital, left a baby boy later named Eugene, weighing six pounds seven ounces. Mr. Magee, the proud father of his first child is the Vice-Pres. of the Millwood Gate P. O. Assn. and is in the plumbing business.

# Slight Change In LL Standings

Team standings in the Central Nassau Little League showed little change as the result of last week's games although some tightening of the pennant race in the respective team groups was evident.

In the Western Major League Division, Greater Nassau Realty maintained their slim first place lead by winning the first of their two games with O'Donnell Movers 18-5 and tying the second 5-5. After losing their Tuesday evening game to Shoe King Sam 7-0 Boos Brothers Nursery battled back on Friday to even things up on the week with a 5-4 seven inning victory.

By dividing their two games with Ridgeway Service Center, The Pros lead in the CNLL Eastern Major League Division was reduced to one game. The Pan American Pilots moved closed to first place by winning both their games with the Long Island National Bank of Hicksville team by 8-6 and 7-6 scores. On Wednesday, Ridgeway edged the Pilots 5-3 in a playoff of an earlier tie game.

The Central Nassau Little League Minors had an active and exciting baseball week, which resulted in a three-way tie for first place honors. Mid Island Herald, McCaffrey Agency and A. C. English all share top-spot honors with the remaining teams in hot pursuit.

In the Central Nassau Little League...

## NORMAN STREETS

### Area Getting Street Signs

By JAMES CUMMINGS

Consistent efforts of the North West Civic Assoc. to obtain improvements for residents in North West Hicksville and the community in general paid off again as street sign installations near completion on main arteries here. Unity of purpose by the civic group has seen many of the programs completed including improved roads, street lighting, Charlotte St. grade crossing protection, Burns Ave. School, Street Signs.

Cooperation of the Town Highway Department in prompt installation of the new street signs is acknowledged by the Civic group. The one big project our Drainage Program seems to be at a standstill, Jerry Zettler, Vice-President of the Association and his committee have been in constant touch with the Town Board in this matter and will continue until this long-awaited Drainage Program is completed in

North West Hicksville. Although there are no meetings during the summer months, the Executive Board of the Association is ever alert to local happenings for the best interests of its large membership.

### BETWEEN ISSUES

We were pleased to learn Miss Carol Johnson, daughter of Mr. and Mrs. Herbert Johnson, 87 Myer Ave., was recently inducted into the National Honor Society along with 13 other members of the Senior Class. Miss Johnson recently graduated from Hicksville High School and was guest of honor at a buffet supper served to 20 relatives and friends at this residence.

The July 4th weekend with its inclement weather found many house parties in progress including a Birthday celebrated on July 4th by my father-in-law, James J. Twoblie. Weekend guests and party guests included: Mr. and Mrs. James Twoblie, Sr. of Astoria, Mr. and Mrs. Russell Nibastro of Stony Brook, Mr. and Mrs. James Twoblie, Jr. of Astoria, Mr. and Mrs. James Cleary of Plainview, Mr. and Mrs. Thomas Long of New York, John Murphy and John Twoblie of Astoria, Mr. and Mrs. Charles Ruppert, of Massapequa Park. A buffet supper was served in "Dads" honor and refreshments and entertainment followed to round out a nice weekend at home... Civiv Assoc. awaiting word from Town Board on recent opposition to Garden Apartment application...
