Two More False Fire Calls At Schools

HICKSVILLE—Three more false alarms of fire, two of them at local school areas, were received by the volunteer fire dept. during the week to make the staggering and alarming total 38 for the year.

Vamps answered a false alarm from the call box at the Lee Ave. School at 11:40 AM on Wednesday, July 28, and another on Monday, Aug. 2 at 3:55 PM from the call box at the Woodland Ave. School in the opposite end of the district.

There also was a false alarm from the automatic alarm device at the Metabab plant on Duffy Ave. at 8:20 AM on Friday, July 30.

Rubbish fires called out firemen to 502 Old Country Rd. on July 29 at 5:02 PM and at W. John St. and Burns Ave. on Sunday afternoon at 1:52.

The volunteers also went to Wm. Carlucci home at 49 Grape Lane on Saturday morning, July 31, at 10:34 for an oil burner and to the Bauchsbaum residence at 35 Basket Lane on Friday morning, July 30 at 10:13 for a washing machine alarm.

School Tax Rate Climbs

HICKSVILLE—The new school district tax rate will be 42 cents higher, an increase of \$16.80 for a home owner with property valued at \$4,000, it was learned today. The Board of Education set the rate at \$3.56 per \$100, Wednesday night, for 1954-55, compared with the current rate of \$3.14. Earlier estimates had predicted a rate of \$3.65. Total valuation of the school district area is now \$59,603,818.

Mailmen Set County Record

Mailmen of the Hicksville Post Office and cooperative community residents set a record for the entire county in the muscular dystrophy collection a few months ago, it was learned this week. Bethpage, for its size, was high in Nassau also.

Hicksville carriers collected \$4,862.08 which was the best for Nassau. By comparison, the City of Albany only reported \$10,708.

Amounts for some Nassau communities in the drive were: Hempstead \$2,404.68, Garden City \$2,038.23, Rockville Centre \$1,790, Bethpage \$1,540.11, Westbury \$2,564, West Hempstead \$1,031, Port Washington \$30.77, Wantagh \$9.26, Bellmore \$5.13, Floral Park \$6.15.

Kids' Play Aids Polio Fund

HICKSVILLE—Nine children from Hillside Terrace section presented a play titled "Alice at the Circus" on Friday, July 30. Admission was six cents and proceeds will go to the polio fund. Money they raised a few weeks ago at a Bazaar they sponsored went to the same cause. The children ranged in age from seven to eleven years. The members of the cast were: Virginia Strickroth, Joan Rodecker, John Archer, Jeanne Archer, Margaret Giles, Clifford Giles, Penny Sinasi, Pam Sinasi, Larry Calucci and Patricia Mirabella. All costumes used in the play were made by the children. Proceeds from both projects were \$4.39.

Use Over 8 Million Gals. Water Daily

HICKSVILLE—The water district, pumping eight to nine million gallons of water daily, is barely managing to keep sufficient supply in the mains for the daily demands plus a "fire flow"; i. e., a supply for fire fighting emergencies.

Residents are again reminded to restrict their watering and lawn sprinkling to odd-numbered days south of Old Country Rd. and to even-numbered days north of Old Country Rd.

HEARING ON BEAN BAG LAW:

Ball Playing In Park Area Divides Hillside Terrace

OYSTER BAY—The public hearing on proposed "anti bean-bag and Sunday ball playing" regulations for park and parking district properties in the Township, here, Tuesday featured an exchange of viewpoints between two factions in Hillside Terrace section of Hicksville.

While there were objections voiced by residents of Locust Valley and Syonset to the general terms of the ordinance, particularly the portion which forbids any type of ball games in park or recreation areas on Sundays, major comments centered about the general use of the playground in Hillside Terrace.

Supervisor Lewis Waters at the opening of the hearing in the packed courtroom of the Town Hall pointed out that the proposed ordinance "has nothing to do with school district properties, or with private or public fields outside of play or park areas in park districts."

A petition of protest against all ball playing at the Hillside playground signed by 28 residents "who live on the perimeter of the field" was presented by Mrs. Yasen of 77 Haverford Rd. She said residents lost the enjoyment of their back yards, have been

Two More Gas Stations Okayed

OYSTER BAY—Approval for two more gasoline service stations in Hicksville was granted by the Town Board this week. Both had been strongly opposed by area residents. Both approvals are subject to the creation of "site-wide zoning" on rear property lines before construction starts, an official said.

The subject of strenuous opposition from the residents of Dove St and vicinity when the public hearing was held, May 18, the Board has approved a new station for the south east corner of Old Country Rd and South Oyster Bay Rd., next to the Jeri-O Diner. The fence is to be erected along the line of Dove St and next to the Diner.

Also granted was the request for the opening of a station on W. John St at the corner of Burns Ave., which had been opposed by the North West Civic Assoc. at a hearing on June 15.

DUKE KISSES QUEEN—Duke Snider of the Brooklyn Dodgers gives Valeria Bechtler, Hicksville baseball queen, a kiss at home plate on Ebbets Field, Brooklyn, Tuesday night while tens of thousands in the stands cheered. Helen Dehler and Bern Picone, ladies in waiting to the queen, seem to be enjoying the big moment. Valeria, who received a big bouquet of roses from the Hicksville Rotary Club, was excited throughout the game and clinched her fists in excitement everytime Duke got up to bat. 9 Bid On Duffy Ave. Drainage

HICKSVILLE—Work on the installation of drainage on Duffy Ave., here, preparatory to a general improvement of the street, is scheduled to start by mid-August and be completed in 175 calendar days.

Bids on the project were opened by the Town Board, Tuesday morning, and referred to the engineer for study and recommendation. Zara Contracting Co. of Hicksville was the lowest bidder at \$109,840, Lizza and Sons, Inc. of Oyster Bay was second with \$122,734, and Switzer Construction Co. of Glen Cove third at \$123,804. There were a total of nine bids. The engineer's estimate was \$166,580.

The street will be passable to a limited degree during construction.

DUKE CAME THROUGH and caught a couple of long flies out to the centerfield as the Dodgers won over the St. Louis Cardinals, 2-1, Tuesday night. It was Hicksville night at Ebbets Field and no one enjoyed the exciting evening more than these three lovely girls from Hicksville. Left to right, Bernadette Picone, Valeria Bechtler, baseball queen; and Helen Dehler. In the background

are Fred J. Noeth, Herald publisher; William Mannilla, chairman of the Rotary Club committee in charge of Hicksville Night, and John Dobson, attorney and member of the committee. The girls had reserved box seats, were presented with corsages by Wesley Giese, president of the Rotary Club. (Herald photo by Frank "Behind the Pole" Mallett).

11,524 At Playground In Week

HICKSVILLE — The Summer Playgrounds, under the supervision of the Board of Education had 11,524 youngsters attend the playgrounds last week. The attendance by days was Monday 2,314, Tuesday 2,188, Wednesday 2,314, Thursday 2,572 and Friday 2,296. Registration continued to go up with a total registration of 4,760. Thursday's attendance of 2,572 was the

highest single day's attendance since the start of the playground six years ago.

This year's attendance exceeded all expectations as the average attendance the year is running about 2,278 while last year the average attendance was 1,275, according to Director Chester Jaworski. The popularity of the playground can be very well indicated by the at-

tendance figures. Woodliss Avenue broke all records for a single playground when 520 youngsters showed up to see the movies last Thursday.

PLAYGROUND NOTES

Burns Avenue—Due to the huge success of last week's Costume Contest the Burns Ave. Summer Playground conducted a Pet Show last Friday. Over 70 entrants proudly paraded their pet dogs and cats of many sizes and varieties. The kindergarten class, under the direction of Mrs. Sara Albertson, entered stuffed pets. An excellent turnout is expected for this Friday's show. An evening program may be conducted some time during the year.

East St. School—The Playground continues to attract large numbers of children. Arts and Crafts are proving very popular. In baseball, the major leagues are having very interesting games while the minor league is proving so popular that a new team is being added to the league.

Fork Lane School—The Junior group 5-7 years old, worked very hard and produced a half hour variety show. There were four shows which were thoroughly enjoyed by the hundreds of children who saw them. Following the movies on Friday of every week, an amateur show is held. The youngsters are looking forward to these shows and much creditable talents have been uncovered.

Hicksville 3-0355

Dear Jean:

A Jericho resident has obtained a Supreme Court injunction against "allegedly widespread and unsafe building practice" in the town of Oyster Bay. A temporary order, pending a trial in the Fall, has been signed by Justice HUNTINGTON after ALBERT MECHTOLD of Bulwer Ave., Jericho, brought a taxpayers' action against builders of Roanne Gardens development. Injunction seeks to keep the town building inspector from issuing certificates of occupancy to the builders on claim: they are using "bank run" material in foundations of first home completed, resulting in foundations footings which are claimed to be "unsafe" . . .

While no official decision has been made as yet, there are strong indications the Town Board may approve that Garden Apartment zone change for the north side of Hicksville, adjacent to Princess Ave. . . . Reports of a proposed parking field of some kind on Notre Dame Ave., said to be planned by a private resident, appear unconfirmed. Town officials say there is nothing before them on this. . . . Bank of Hicksville provides its business firm patrons with a unique service. Weekly a copy of "Trends", a business newsletter, is mailed to such depositors.

When the American Legion had their parade up 5th Ave in New York city, the following men from the Plainville Post participated: Commander JACK O'KEEFE, AL SCHUPP, GUS MAGGIO, BOB REYNOLDS, BILL HARTNETT and JOHN MARRAFODI. . . . Apologies to ANN DIETERICH for calling her "Rose". ROSE MAN-ELSKI was formerly president of the Fire Dept Ladies Auxiliary and ANN is now the president. We were half right. . . . Today they are talking about another Hicksville school site for the north side of the community, probably around Bethpage Rd near Zelds Park. Looking over some old records this week we recalled that 22 years ago (in 1932) taxpayers turned down a proposal to buy five acres from the Catholic Orphan Society for \$20,000 by a vote of 191 no, 36 yes. The site is now in private ownership and may some day (but when?) become that giant Mid-Island Shopping Centre. . . .

Youth Council Serves As 'Clearing House'

HICKSVILLE—The Youth Coordinating Council wishes to correct an erroneous impression in the minds of many people that it is sponsoring the Hicksville Social and Athletic Club, by emphasizing that it is not sponsoring any Youth Organization, a spokesman said last night.

The function of the Council is to coordinate youth activities here; to be a "Clearing House" for the activities and a liaison between all Youth Organizations, Chairman Isidore Siegell said last night.

The Council has secured the sponsorship of the Joint Hall District for five Friday evenings of swimming and dancing; and one Sunday evening. The District is allowing the Levittown Parkway Pool to be used by Teen-Agers from 8 to 9 P.M. on these evenings, followed by dancing until midnight in the Levittown Hall.

Since the Hall has dressing rooms, youths can change from Swim suits into regular clothing without any difficulty. The first affair was held Friday, July 30,

and the subsequent ones will be held on Aug. 6, 16, 22, 27 and Sept. 3.

The Hicksville Music Co which has been supplying the necessary equipment and records for the Tuesday evening Dances in the East Marie Street Parking Field (8-11 P.M.) has ordered \$2,500 worth of new equipment to be used for future dances and affairs of the Teen-Agers.

Transportation will be available to all who desire same at the conclusion of each Tuesday and Friday evening affair.

The Hicksville Fire Dept announces the formation of a Class of Teens on the subject of "Fire Prevention and the Dangers of False Alarms".

Hicksville Teen Club, under the direction of Mr. and Mrs. Edwin Kist has announced through the Council that they are sponsoring Dances in the High School Gym, on Aug. 7 and 21.

The Hicksville Public Library Teen Program includes a Service Career Night on Wednesday, Aug. 11, when representatives from the branches of the Armed Forces will be present to give short talks on the "Service Careers for Teen-Agers", followed by films and a question and answer period.

The Council is preparing plans for a Greater Hicksville Youth Week, tentatively set for the third week in Sept. Charles H. De Shaw has been appointed General Chairman of the Committee, with Joseph F. Cawley, School Board Trustee; Council Vice-Chairman Joseph Byrnes and John Ehrenfeld; T/Sgt. Melvin Kander, Marine Corps Recruiting; and Dr. E. H. Le Barron, School Superintendent, and Fred J. Noeth, Herald publisher, as Committee Members at present.

threatened with bodily injury and property damage, and that only "a select few" get to play baseball while other children are forced to play in the streets.

Objections to the ban on ball playing were also registered by Charles DeShaw of the Hicksville Youth Coordinating Council.

As the hearing closed on motion by Councilman Chlumsky, Waters commented "this is the second time we had a hearing on this. This ordinance gives us authority to regulate these areas and games... gives us the power to carry thru. We will do whatever we feel is best for the town here."

It was learned following the hearing that the Board will probably adopt the ordinance but is considering deletion of the reference to Sunday play.

When the proposed regulation was read, the specific mention of "bean bags" was greeted with a loud gawk from the audience while several board members frowned.

HILLSIDE TERRACE HAPPENINGS:

Youth Program Needs Adults

By BETTY MUGAZERO
Hicksville 4-5791

The Hicksville Youth Coordinating Council which is doing such a tremendous task in creating activity and entertainment for local teens would greatly appreciate further aid from any parents whether they have teen-age children or not, in the matter of chaperoning the Tuesday and Friday evening dances.

The council has organized a summer program thus far which consists of dancing on Tuesday nights at the parking field next to the Legion Hall and swimming Friday evenings at the Levitt Parkway pool, which is followed by dancing in the Levittown Hall. A chaperone is required for every ten girls permitted inside the hall and it is indeed a sorry task to turn away any girl for the lack of chaperones. So if there are any of you that can donate a few hours of their spare time, Mrs. Salom, who has put out this call for help would be most happy to hear from you at HI 3-9887.

And so Hillside Terrace is still growing. There were six new additions in our community this month. They are Robert Joseph born to Mr. and Mrs. John Marchetti of Cambridge Drive weighing 7 lbs. 7 ounces Aug. 1 at Methecordia Hospital in Manhattan; Susan Lynne made her parents Mr. and Mrs. Bernard Beresnick of Haverford Road very happy when she put in her appearance, July 27 at the North Country Community Hosp. Glen Cove weighing 4 lbs. 10 oz., Mr. and Mrs. Manuel Ruiz of Dartmouth Drive welcomed a baby girl named Mary at the New York Hosp. in Manhattan on Aug. 4. Mary weighed 7 lbs.

A blessed event occurred in the home of Mr. and Mrs. John Coffey of Haverford Road, the event being Alice Margaret who weighed 7 lbs. 8 oz. was born at Mercy Hospital on July 11th. Alice Margaret was christened at Our Lady of Mercy Church, R. C. Sunday. Mr. and Mrs. Murray Altman of Hollins

were thrilled with arrival of Judith on July 25th at the North Country Community Hospital and she weighed 8 lbs. 5 oz. and last but certainly not least is little Joel born to Mr. and Mrs. Steinberg of Hunter Lane on July 30, at the North Country Comm. Hosp. Joel weighed 7 lbs. 4 ounces. Best wishes to all of you new parents.

Little Debbie Sue Warren of Dartmouth Drive is off on a visit with her newly married aunt and uncle, Mr. and Mrs. Herbert Shrage in Bainbridge, Md. Mr. Shrage is presently stationed at the U.S. Naval Hospital there.

Mr. and Mrs. Brooks of Dartmouth Drive have their sailor son home with them on a 30-day leave. Add further vacationers, the Pecks of Dartmouth Drive to Connecticut, Mr. and Mrs. Henry Goldman of Froehlich Farm Road on the way to Kingston, N. Y. Mrs. Trudy Arnold of Wellesley Lane is visiting her folks in Westchester, N. Y. with her two sons, Mrs. Shirley K-alstein of Hollins Rd. headed for Florida.

Belated congratulations to Mr. and Mrs. Robert Martin, Jr. of Cambridge Drive on their 7th wedding anniversary, June 27.

Birthday greetings are being sent to: Barbara Bettinger of Vassar Lane who was 3 years old on July 21st and celebrated with a party for her little friends and neighbors. Tomi Warren of Dartmouth Drive was 2 years old on July 19, Barbara Altman (the brand new mother) had a birthday on July 21st.

A double surprise birthday celebration was held in the home of Mr. and Mrs. Edward Truhan of Haverford Road July 31 for their two sons Walter and Eugene. Walter is presently with the army stationed at Fort Mommouth. Eugene is employed by the Bell Laboratory in Manhattan. Some of their chums at the party were Anne Baird, Dolores and Barbara Schneider, Marie and Angela Tedesco, James Hummedorf of Kentucky, Pvt. J. Kandler of Milwaukee Pvt.

William Frugott of Florida, Mildred and Jonny Truhan, Mr. and Mrs. Joe Grivos, Anthony Vita and son plus their great aunt and uncle from New Jersey.

Another birthday party was held for Richard Laino of Hunter Lane who was 9 years old July 30. Some of the children at his affair were Sandy Berkowitz of Cambridge Drive, Peter Fagen, Judy Niemy, Jane, Diane and Anthony Vinci all of Hunter Lane and Joe Persallico of Vassar Lane.

I had the opportunity of witnessing the Theatre Guild at a rehearsal last evening and it certainly was interesting. To myself at any rate for it was the closest I had ever come to observe the "behind the scenes" of a play in production. The guild is currently planning to perform, "The Heiress."

There is a family residing in Hillside desirous of a housekeeper who would keep house for them while they are away at work during the day. A matronly woman that lives in Hillside Terrace is preferred. If by chance, there is someone interested, you may contact me

CURRENT COMMENT:

Name New HS For Dr. Curtis?

By FRED J. NOETH

OUR NEW High School on Division Ave., Hicksville, is scheduled to have its cornerstone laying ceremonies next May or June.

We would appreciate the reaction of readers to the following suggestion voiced by Robert D. Eaton of 225 Lee Ave., president of Lee Ave. Parent-Teacher Assoc.:

"Regretfully, the people of Hicksville have lost their first citizen, Dr. Elwood A. Curtis. His many contributions have indeed made our community a better place in which to live. His wonderful work in our schools will always be appreciated by those closely associated with our educational system.

"I therefore feel it is only fitting that our new high school be named the 'Elwood A. Curtis Memorial High School' as a lasting tribute to a great man."

Dr. Curtis' story and service to the community was related in Tuesday's Herald when his obituary was published.

American Legion

- News and Views

By ALLEN S. CARPENTER

This Sunday, Aug. 8, is one of our big days. Our annual picnic for Hicksville Legion Post members and their families, will start Sunday at 1 P.M.

Artie Bliesch will bring the clams and the clam knives. You will have to open them yourself.

John Nees and Jack Ehrmann will bring the fresh corn. John Spinalla will cook it. Will you be there to spread the butter and sprinkle the salt, and pepper?

Rudy Bouse will bring those tasty hot dogs. We'll find a volunteer to toast the rolls, and a hundred volunteers will sample them.

The publicity and tickets were the work of Ed Hodgkinson, the park arrangements were made by

Picnic Chairman John Spinalla.

John Ehrmann and Jim Carter have prizes for the children, games galore, and free first engine rides for all the little ones. They play soft ball games for the more athletic of the adults and teen agers, a corn husking bee for the ladies.

Don't eat Sunday dinner. Food will be ready when you arrive. If you've been before, we know you'll be here on Sunday. If you've never been before—now's your chance.

The Date: Sunday, August 8th at 1 P.M. (committee 10 A.M., club house).

The Place: "The Chateau in Wyandanch" (same as last year).

Why: Fun and fellowship for the whole family—old and young—big and little.

Grim Outlook If Dior Is Right

By GENE MALJEAN
Hicksville 3-5515

So far, I have paid little attention to whether the skirt is high or low—or whether the hips are so or the neckline is so. But now we have before us this serious situation created by Dior. . . . The figure, otherwise known as "Nothing." We hear cries that "I wouldn't wear that" and "not for me." But the ladies will break down and conform when it gets to the point where the costume is universal. It's a grim outlook for us men—for a time. It's good to see that the girls aren't going to give up without resistance, though.

I happened by the Amvets Hall on an off nite last week and found them in the process of planning their picnic. They were ordering watermelon, clams, hamburgers, frankfurters, beer, soda, etc. From what they were telling me—it sounds like a fine clam bake—games and prizes, also, a ball game. It seems that the Amvets are now organizing a ball team. Believe me, it's cheaper to go on this picnic than to stay at home—only \$1.50 for a ducat. For information about this picnic at Heckscher State Park on Aug. 29. (SUNDAY) phone HI 4-4027.

I used wetttable DDT powder mixed it up and sprayed a rosebush that I had given up for lost because it was infested with borers of those Japanese Beetles. One tenth of the beetles now remain. Just passing this on to you—you might

find some success with it. Out recipe for the week: Shrimp, Salad, New Orleans. 1/2 C raw white rice, washed. 1 C canned, glassed or cooked shrimp 3-4 lb., 1/2 t salt. 1 TBL lemon juice, 1 TBL chopped scallions or minced onion, 2 TBL French dressing, 1 TBL chopped stuffed olives, 1/2 C silvered green pepper, 1/3 C diced, raw cauliflower, speck pepper, 1/3 C mayonnaise or salad dressing, 1/2 small head lettuce or escarole, finely shredded. Cook rice. Chill. Meanwhile: clean shrimp; cut in pieces. Combine with next 9 ingredients and rice. Serve on beds of shredded lettuce. Makes 4 servings.

Notice the new Farmer's Market by Grumman's nearing completion. Also notice Hicksville Farmers Market improving their building considerably. . . . Glad to see that Mae Casarano of Jamaica Ave. is feeling better, also—of the same street—Anita Paterno is over her illness. . . . Get well soon to Thelma Poitras, of Hollins Rd. . . . Folks in Woodbury Gardens are wondering when their stop signs are to arrive. . . . Regular meeting of Amvets tonight at their hall on Marie St. . . .

I don't know a darn thing about New Jersey, but I always seem to be able to find any place in little time because every few miles they have a bunch of signs to guide me, Hampton, Setauket, Bay Shore, Babylon or Speonk, Long Island etc. and I always get lost. It would be so pleasurable to drive in L.I. if the name of a locality were placed on a sign and the distance under it—long before one approaches the place. And it has been determined long ago that asking directions of a passer by is most ridiculous.

Emily Eisner, of Sleepy Lane, is repeating one of her oil paintings for a buyer who had asked for the original. She couldn't part with it. . . . Dodgers beat Cardinals 2-1 on Hicksville night at Ebbets Field. . . . It's a small world—Mr. and Mrs. John Doyle, of Hicks Circle, were vacationing in Acapocolo, with Mr. and Mrs. Robert Rigley. They signed a register and were surprised to find the names of the Dalton's of Hicksville.

LEGAL NOTICE

PROPOSED ORDINANCE NO. 128, 1954
BOND ORDINANCE, DATED AUGUST 9, 1954 AUTHORIZING \$9,575,000 SERIAL BONDS OF THE COUNTY OF NASSAU TO FINANCE THE CONSTRUCTION OF SEWER FACILITIES IN SEWAGE COLLECTION DISTRICT NO. 2-NHP OF NASSAU COUNTY, VIRGINIA TO THE LOCAL FINANCE LAW AND THE COUNTY GOVERNMENT LAW OF NASSAU COUNTY.

WHEREAS, the Board of Supervisors of the County of Nassau, acting pursuant to and in accordance with Section 1222 of the County Government Law of Nassau County, as amended, has, by ordinance duly adopted on June 2, 1954, established the sewage collection district known as "Sewage Collection District No. 2-NHP of Nassau County" and has, by said ordinance, directed that the sewer facilities described in the general plan referred to in said ordinance shall be constructed in said District, and such sewer facilities are those which are described in Section 2 of this ordinance; and

WHEREAS, the Board of Supervisors desires to provide for the financing of the cost of constructing such sewer facilities; and

WHEREAS, the entire cost of constructing such sewer facilities is to be paid by assessments upon benefited real property in such District and such District has an area less than the area of the County; NOW, THEREFORE,

BE IT OBTAINED by the Board of Supervisors of the County of Nassau, as follows:

Section 1. The County of Nassau shall issue its Serial Bonds of the aggregate principal amount of \$9,575,000, pursuant to the Local Finance Law of New York, in order to finance the specific object or purpose hereinafter described.

Section 2. The specific object or purpose (hereinafter referred to as "purpose") to be financed by the issuance of said bonds shall be the construction of a sanitary sewer system in said Sewage Collection District No. 2-NHP of Nassau County, in accordance with said general plan described in said ordinance adopted on June 2, 1954, including the acquisition of such land or rights in land and the acquisition and installation of such original furnishings, machinery and apparatus as may be required for such sanitary sewer system.

Section 3. It is hereby determined that the maximum cost of such purpose as estimated by the Board of Supervisors, is \$9,575,000, and that the Board of Supervisors plans to finance the cost of such purpose entirely from funds rais-

ed by the issuance of the Serial Bonds authorized by this ordinance, and that no moneys have been previously authorized to be applied to the payment of the cost of such purpose.

Section 4. It is hereby determined that the purpose is one of the objects or purposes described in Subdivision 4 of Paragraph (a) of Section 11.04 of said Local Finance Law and that the period of probable usefulness of such purpose is thirty years.

Section 5. The power to prescribe the terms, form and contents of said Serial Bonds, subject to the provisions of this ordinance and of any other ordinance or resolution hereafter adopted, and all powers and duties pertaining or incidental to the sale and issuance of said Serial Bonds, are hereby delegated to the County Treasurer. The County Executive and the County Treasurer are hereby directed to sign any Serial Bonds issued pursuant to this ordinance and the County Clerk is hereby directed to affix to such bonds the corporate seal of the County of Nassau and to attest such seal. Each interest coupon representing interest payable on such Serial Bonds shall be authenticated by the facsimile signature of the County Treasurer.

Section 6. The Clerk of the Board of Supervisors is hereby directed to publish this ordinance in full together with a notice in substantially the form prescribed by Section 81.00 of the Local Finance Law. The validity of said Serial Bonds or of any bond anticipation notes issued in anticipation of the sale of said Serial Bonds may be contested only if such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or the provisions of law which should be complied with at the date of the publication of this ordinance are not substantially complied with, and an action, suit or proceeding contesting such validity, is commenced within twenty days after the date of such publication; or if said obligations are authorized in violation of the provisions of the Constitution of New York.

Section 7. The County Treasurer is hereby authorized to cause such bonds to be printed and to do such things as may be necessary to advertise the sale of the bonds and to employ Messrs. Reed, Hoyt, Taylor & Washburn, Attorneys of New York City, to furnish to the purchaser or purchasers of such bonds an opinion as to their legality.

Section 8. This ordinance shall take effect immediately upon its adoption.

Various Views On Vacations

By DOROTHY R. BROWN
HICKSVILLE 4-6126

VACATIONS: Webster definition is, "a period of rest from labor or work." Ways of spending the bread winners' vacation seems to fall into three different categories, 1. motor trips—In this case the vacationist drives or tours various scenic areas of this beautiful country. Fights traffic every day and comes home ready for another vacation to rest up from this trip. 2. Resorts—Vacationists go to some spot and stay put. Here one usually partakes of all the activities that present themselves and is worn out at the end of the stay. 3. Home—Vacationists rests at home and may take a few day trips and do a little around the house. Sometimes the work involved will tire the vacationist out and sometimes this is the best kind of vacation a person may take. There is no traffic to fight each day unless one wants too. A person may get up as late (if the children will let you) or retire as early as he wants too.

It is the later type of vacation which we find most of the people in our neighborhood are taking. They may go away for a couple of days during the period but most of the vacation is spent at home where the owner has a chance to appreciate the new house he has bought.

Mr. and Mrs. Thomas Killen of Ferndale Dr. spent a few days in the Catskill Mts. On returning home they entertained their niece and nephew Tom and Cathy Cuite from Brooklyn.

James Lane has returned to work this week following his vacation at home. One trip which high-lighted his rest was with his children spending a few days visiting the "North Pole" in northern New York.

Joe Gervaisio of Greenbriar Lane has returned to work. His vacation was spent at home watching the erection of his new garage.

During this heat of last week, the stork was rather busy in our midst. Mr. and Mrs. James Cooney of 10 Greenbriar Lane are the proud parents of a baby girl born Thursday July 29 at the Midwood Hospital in Brooklyn. Maryann as she was soon called weighed in at 8 pounds. She has one brother Gregory almost two years old who thinks she is a very lovable baby.

Also Mr. and Mrs. Benjamin Chonies of 78 Woodbine Dr. N. had their third child born at St. Mary's in Brooklyn. The baby boy weighed in at 10 pounds and arrived on July 31, the hottest day on record this year so far. All are doing fine and will be home by the time this item is read.

Mr. and Mrs. Al Anstey of Mayflower Dr. were feted at a party on Sat. July 31 on the patio of Mr. and Mrs. Carmen Dimas also of Mayflower Dr. to celebrate their 30th wedding anniversary. The other guests included, their son

Lloyd and his fiancée, Marianne Harbeck. A very delicious buffet supper was served. Due to a wish expressed by Mrs. Anstey some time ago a very lovely gift of several nice linen dish towels were presented to her.

Since the last column we have learned that John Schmidt Jr. of Woodbine Dr. N. had Cpl. Anthony Torre of Dallas, Texas visit him while on his furlough. The Murray's of Mayflower Dr. have had a visit from a friend whose home is in Guam. Have you had any guests from other states or perhaps countries? Please let us know.

Birthday greetings to Michael Woodchek who was three years old on July 27; to Anita Foster of Birchwood lane who reached the ripe old age of eleven years on July 29. Also Ellen Hengstenberg of Woodbine Dr. who was two years old on July 29.

Mrs. Margaret Klein of 37 Fordham Rd. celebrated her birthday on July 28 and her daughter who was almost a birthday gift 13 years

ago celebrated her natal day Friday July 30.

One telephone call... and look what happens!

The dishes were in the sink. Junior's trains were on the floor. The vacuum cleaner was in the closet.

Then the phone rang.

Now the dishes are in the cupboard. The trains are in their box. The vacuum cleaner is buzzing. And in another five minutes the house will be transformed.

What happened? Aunt Bessie just got to town. And she'll be out in half an hour. Thank goodness she always telephones first.

No matter how busy your day, the telephone helps you get things done. It does the shopping. Finds out when the next movie starts. And it's always ready for an emergency, big or little.

Yet with all the satisfaction and convenience your telephone gives you, it's one of the big bargains in the family budget. It actually takes a smaller part of that budget than it did ten years ago.

Good News For Coffee Drinkers

A Bethpage resident who drives for Krug Baking Co. miraculously survived the crash of a Thunderjet airplane at Wantagh, Tuesday, and was able to give one of the best eye-witness accounts of the crash.

He is Frank Curley, 26, of 216 Second St. Bethpage, and was standing on the lawn of a home on Denver Rd. within feet of where the plane crashed to earth and burst into flames. He participated in the first rescue efforts.

He told the Herald-Tribune: "I was standing on the lawn at 1861 Denver Road, with a delivery basket on my arm, talking to Mr. Harry Loester. Three of his children were there. I heard the plane high in the air and looked up. I couldn't see it at first but I could see its track. It seemed about 10,000 feet up.

"We went on talking for perhaps two seconds when I heard it make a noise as if it were crashing through the sound barrier. At the same time I looked up. It was coming straight down and I estimate it was going 800 miles an hour. Before I could move, it was right on top of us.

"I sprinted for the rear of the house. Mr. Loester and his children threw themselves on the ground. While I was trying to get away it hit the road and exploded, and a ball of fire rose in the air

and the next thing I knew the flames were scorching my neck and scalp.

"Then I saw that the Loesters were burned and I came back and began helping them and other people who were coming out of the houses after getting knocked around. The doctors treated my burns at the scene. Mr. Joseph, belonging to the Krug Baking Co., was parked eight feet from the crater that stretched across the street. All that happened to the truck was that it had a hole in the roof."

Spent 7 Days On Rest Leave

CAMP HAKATA, JAPAN—Cpl. Anthony Muller, son of Mr. and Mrs. Albert Muller, Belmont Ave., Bethpage, recently spent seven days in Japan on a rest and recuperation leave from the 25th Infantry Division in Korea.

Available to Muller at Camp Hakata were recreational and sightseeing facilities giving him a fascinating glimpse of Oriental culture.

Corporal Muller, a fire direction specialist in the 64th Field Artillery Battalion's Headquarters Battery, entered the Army in December 1952 and arrived overseas last January.

HICKSVILLE KIWANIS Club was host to two Central Nassau Little League teams at Ebbets Field, Brooklyn, Saturday. Here are members of the Kiwanis and Empire Storage teams, who were scheduled to play that day, getting some refreshment at Old Country School before boarding buses for the trip to the ball game. In the background are John Staryk of Fairway Farms who supplied the milk, Charles Egginton and James Walters (tallest), president of Hicksville Kiwanis Club. (Herald photo by Frank Mallett).

Ristow's Second Undefeated Year

In winning both their games last week from Ridgeway Service Center, by scores of 3-0 and 5-1, the Pan Am Pilots made a strong bid for the Central Nassau Little League Eastern Division pennant but could not quite make the tie for playoff since the Professionals split with the L. I. National Bank of Hicksville. The Pros clinched the flag Tuesday 3-2 with Tommy Murray doubling in the tying and winning runs in the fifth inning, as Ristow chalked up his second consecutive undefeated season of CNLL Little League play. Friday's game was won by the Bankers 5-1. Greater Nassau Realty could not clinch the CNLL Western Majors flag last week but assured themselves of at least a first place tie with two games still to play against Boos Brothers-Nursery. On

Monday the Realtors lost to the Boos nine 3-1 as Davey DeChester tossed the first no-hitter of the year in the CNLL Western Division, however on Friday the Realtors returned the compliment by defeating Boos 7-2. After Tuesday's rain-out, Shoe King Sam edged the O'Donnell Mover's 8-5 on Friday.

Teen Canteen Wants Vote On Paid Recreation Director

HICKSVILLE—The action of the Board of Education in delaying the school recreation program met with severe criticism from the Teen Canteen executives this week.

Pointing out that the Hutchinson survey on recreation (now being published serially in the Herald) emphasized the need for a school program now, the Canteen board listed six reasons for its stand:

"1. It is necessary to start a recreation program now while our teen population is comparatively small.

"2. Although volunteer groups are to be commended, the lack of a full time professional director is a fatal handicap. The history of

the eight previous groups in Hicksville proves that volunteers cannot operate successfully for any important length of time.

"3. Most volunteers are not adequately trained to work with large groups of teenagers. Because of personality differences there is no consistent pattern of approach.

"4. Very few adults will risk taking part in a program where they can be held financially responsible in case of accident.

"5. A properly run program demands many hours of work and planning, even by professionals. Most volunteers with prior personal obligations cannot devote as much time as the job requires.

"6. Teen Canteen feels that youth centers may be desirable but they are not economically practical. The available neighborhood schools furnish the best facilities for a youth program. Furthermore, the schools are already covered by insurance and a school run program aided by volunteers would not leave any individual open to personal lawsuit in case of mishap.

"For these reasons, Teen Canteen finds itself unable to continue an active program of recreation for the youth of Hicksville.

"However, adult Canteen members have all indicated their complete willingness to cooperate with a school program as soon as it is established."

The Canteen group further urged the School Board to give the citizens an opportunity to vote for a school recreation program.

Canteen And Club Split

The Hicksville Teen Canteen and the Hicksville Teen Club have been two separate organizations since last May. Mrs. William Orton of 24 Acre Lane is head of the Teen Canteen, which has held most of its affairs at Dutch Lane School and Levittown Hall, and Mrs. Edward Kist of 6 Milton St. is head of the Teen Club sponsoring group which holds affairs at Burns Ave. School and the high school, including a dance at the latter place this Saturday night.

The split came regarding the employment of a recreation director. At the time of the separation, Mr. and Mrs. Kist wrote Mrs. Orton: "The majority (of the executive board of the Teen Canteen) publicly favors the appointment of a professional recreation director while we are publicly opposed to such action. The public expression of two opposite ideas from one organization does make for a confusing situation. The only way to clarify the matter is for us to withdraw from the organization of Teen Canteen."

A third youth organization sponsoring events for teens is the Hicksville Social and Athletic Club which includes Irving Mallon and Joseph Byrne as principal adult sponsors. The HSAC has been holding Tuesday night dances at the parking field in cooperation with the Legion Post and splash dances at Levittown Pkway Pool and Hall last Friday night and again this Friday evening.
