Princess Ave Floods Worry New Residents

HICKSVILLE—With cellars in danger of flooding and storm drains apparently inadequate to carry the flood of heavy rains, residents of Princess Ave. were appealing to Oyster Bay Township officials on Monday for relief. A petition from the neighborhood was presented to the Town Board last week on Tuesday. At that time emergency pumping equipment was brought to the scene by the high way dept. to carry off the surface water.

The North West Civic Assoc. has been seeking the installation of the proposed over-all township drainage plan for the area for more than a year.

The new petition has been presented to town officials by Frank Bilancia of Oxford Pl. and John White of 122 Princess Ave., both of them among the newest residents of the area.

Teen Job Program Moving

HICKSVILLE—Several teens have obtained employment under the new job service provided by the Youth Coordinating Council. It was announced today by Martin Walter who is in charge of the project. However, there is need for more job openings and the enrollment of more "older teens", particularly those 17 and older.

Among the job applicants is a 13-year-old who seeks work as a "gold fish watcher" or minder. This week posters were placed in local stores urging homeowners to "take it easy" and give a teen a job.

Job application registration forms are available at the Library on 2nd St. and the Herald office, 98 North Broadway, next to the Post Office. Persons with jobs are asked to contact Walter at L.E. 4116.

Emergency Polio Fund Drive

HICKSVILLE—An Emergency Drive for funds by the Nassau County Chapter of the National Foundation for Infantile Paralysis is being conducted here Aug. 16 to 31, it was announced today by Mrs. Leona Bergin, local March of Dimes chairman. Contributions may be sent to her at her home, 111 Park Ave.

Mrs. Bergin acknowledged contributions to the publicity appeal from Robert Hall Clothes, Old Country Delicatessen, George & Cliff Meat Market, Rogers 5 & 10, Long Island National Bank, Bank of Hicksville, Gillison Knitwear, as well as \$8.22 from the Mothers Auxiliary of Boy Scout Troop 64 and Sea Scout Ship 18.

Wins Award In Mirror Contest

HICKSVILLE—Howard Darling of 5 Bethpage Road, was the winner of \$25 in the New York Daily Mirror 4 Way Contest. His telephone number was listed in Saturday's paper. Mr. Darling was recently the winner of a Man's Bulova wristwatch given by Weather Girl Report television program.

Teen Program At Library

HICKSVILLE—The public library will hold a program for teen-age boys and girls tomorrow (Wednesday) night on the back lawn of the library. Representatives of the Army, Marines, Air Force and Navy will outline the various programs their branch offers, show some films and be available for questions. Chief Malecky of the Navy; Sgt. Davis of the Army; T/Sgt. Edwin L. Dey of the Air Force, and Sgt. Kander of the Marine Corps will be present. The program is expected to answer questions about service schools, veterans benefits, educational qualifications, etc.

Firemen Going To Buffalo

HICKSVILLE—About a dozen members of the fire dept. are leaving here next Tuesday evening, Aug. 17, for Eggertsville, a suburb of Buffalo, for the New York State Firemen's Convention and Tournament. Other members of the department are leaving during the week by private cars. The tournament contests will be held on Thursday, Aug. 19, at Centennial Park in Buffalo, starting at 9 o'clock in the morning. The vamps will travel more than 600 miles around trip to take part in the tournament and parade with most of them expected home by Saturday.

AFTER 25 YEARS:

Plainview Provides Own Water Supply

JOHN TRASK, Superintendent of Plainview Water District, keeps a careful eye on the progress of the water supply during the filling of the new million and a quarter gallon storage tank. (Herald photo by Frank Mallett).

New Tank In Service Finishes 18-Month Job

PLAINVIEW—After 25 years of buying water from another Water District, Plainview is now "on its own". This past Tuesday, Aug. 3, at 4 o'clock, the new million and one quarter gallon storage tank was put in operation and the valve between the Jericho Water District and the Plainview Water District was closed.

"We started filling the tank at 4 A. M. on August 2 and after 26 hours of continuous pumping the job was completed," District Superintendent John Trask said. "While this was going on we were also supplying the consumers with water. Since the flow of water through the mains was in different

directions from what it had been flowing for 28 years, there was some sediment stirred up, hence the color in the water. However, tests were and are being made daily and we feel proud that Plainview has never had a 'bad sample' of water.

NO WATER RESTRICTIONS
 "We would like to take this opportunity to thank all of the consumers for their splendid cooperation while we have been building this new system. Last year, there was a short period when we were forced to have water restrictions as we had one well in operation. Restrictions were removed. This year we have had plenty of water and there is no anticipation of water restrictions this year.

"In addition to building a new distribution system we have built a new office, three pump houses, three wells, a storage tank, installed new billing machinery, reorganized the entire office procedure, installed meter test branches,

CLOSING VALVE between Plainview and Jericho Water Districts is a historic moment for John G. Harbes, former commissioner. Plainview went "on its own" this week after getting its supply from Jericho for 25 years. (Mallett photo).

Szendy Deplores Press Release On Bus Vote

HICKSVILLE—Emil Szendy, member of the board of education, today took exception to a press release by Mrs. Edna Kuhne Sutton, board president, which Szendy claims "carries an obvious slant to discourage an affirmative vote" on the question of Junior High School transportation. A public vote is scheduled for Aug. 21.

The press release, Szendy declared, "does not express my viewpoint and was never submitted to me for concurrence. While claiming to take an 'objective' and 'neutral' attitude, the press release and for that matter

45th Election District Is Really 'Neutral' — 228 GOP, 228 Dems

HICKSVILLE—The 45th Election District, here, is the "most politically neutral" election district in the entire township of Oyster Bay, it was revealed today. There are exactly 228 Republican and 228 Democratic voters enrolled in the district which is bounded on the north by Old Country Rd., east by Levittown Parkway, south by Hempstead Ave. and west by the Township line.

The 45th District in the Levittown section includes the so-called "A" section streets.

It was one of the seven districts in Hicksville's 15 which gave the Democrats a majority vote in the township election last November.

Other districts which favored the Democrats at the polls but retained majority Republican registrations were the 19th, 39th, 45th, 46th, 48th, 57th, and 66th.

In the "neutral" 45th district, where enrollment totals 497 voters, there are in addition to the 228 deadlocked Democrats and Republicans, four enrolled Liberal party,

four American Labor Party and 33 enrolled "blank".

Republican Committeemen in the 45th are David Henderson of 16 Alpine Lane and Charles Parker of 191 Acro Lane.

Democratic committeemen are Penny Rigdon of 45 Arrow Lane and Richard O'Leary of 46 Arrow Lane.

Lanes and streets in the 45th include: Acro, Abbot, Arrow, Admiral, Alpine, Appollo, Arch, Arcadia, April, Angle, Ash, Atlas, August, Abode, and Apex.

Voter registration for the majority parties in the other 14 Hicksville election districts follow:

VALENTINE L. DENNINGER, son of V. L. Denninger, 21 Spruce St., Hicksville, who recently completed his junior year in advanced Air Force Reserve Officer Training at Stevens Institute of Technology, is attending four weeks of summer training at Strategic Air Command's Lockbourne Air Force Base, Ohio. While in summer training, Cadet Denninger not only observes but actually participates in Air Force operations. Following graduation from Stevens Institute of Technology, Cadet Denninger will be eligible for appointment as a second lieutenant in the U. S. Force Reserve and for entry into flight training to win the coveted silver wings of an Air Force Pilot.

Two Directors

HICKSVILLE—The Lions Club has appointed two new directors, it was learned this week. They are Vincent W. Braun Sr., past president, and Charles Himmelstoss.

Dear Jean:

CHARLES R. CARROLL, well-known Hicksville attorney and chairman of the board of the Long Island National Bank, sponsored Judge **WILLIS E. CARMAN**, Farmingdale lawyer, and his associate **ROBERT GALLAHAN** in Federal Court, Eastern District, yesterday (Monday). . . . Carroll has been and Carman is now the president of the South Shore Lawyer's Association. . . . Hicksville School Board committee on a new attorney for the district is still interviewing prospects for the position. . . .

For the first time in the many years that Hicksville has been entering state firemen's tournaments, the ramps racing car will be shipped the 400 miles to Buffalo in a trailer truck. The super-charged engine, it is feared, would be damaged in the long run to the most distant tournament in the state. Volunteer firemen from all over the Empire state will be in competition. . . . The boys of the horse and ladder company of Hicksville will hold ladder practice (what's a ladder, Harold?) this Thursday evening at 7:15 sharp. . . . We were asked this question: "What man in co. I tried to put his shorts over his head while rushing out to answer an alarm? . . . We hear talk that the town board may enact an ordinance prohibiting trucks of more than 5-ton weight from traveling Cantalogue Rd., Hicksville. The road is a favorite for those trucks dodging the state weight station on Jericho Tpke. . . . Two frame structures have been whisked away from the site of our newest parking field on the triangular grounds between Nicholai and Marie St. on the east side of the LIRR. The structures, formerly owned by Griffin and Rushmore, will be used in the future by the town highway dept at their property on Miller Rd next to the incinerator. . . . Story about township plans to build a new incinerator in Old Bethpage appeared here first about eight months ago. . . .

When the editor of the Smithtown News read in the Herald that Aug 3 was "Hicksville Night" at Ebbets Field, Brooklyn, which was the same identical night which had been ballyhooed (in Smithtown) as their night, he blew his stack—in print—Commenting the week of Aug 3, he reported "Those in attendance at least witnessed a victory by their heroes. Those who watched the telecast saw nothing of the Smithtown cheering section now did they even hear mention of the community whose 'night' it was to be." He reported 80 fans went to the game from Smithtown. . . . **WILLIAM ROGAN** of 4 Hawthorne St., Hicksville, who is a New York City fireman, had the fire out in minutes when the engine of a car in front of the Herald office burst into flames, Saturday morning. . . . **BILL** and **DOTIE GEYER** send us a card from Alexander's Bay, N.Y. where Bill says he is doing a little fishing around the islands. . . . We have had six votes of approval to name the new High School in honor of **ELWOOD A. CURTIS**. . . .

Village Green newdealers in the Levitt section feature posters regarding a story in the Saturday Evening Post about "Levittown"; however, the article is about the Pennsylvania edition and makes nary a mention of Long Island's Levittown. . . .

Movies Benefit

HICKSVILLE — Movies were presented this week in a three car garage at 66 Burns Ave., home of Mrs. Jahn and proceeds were turned over to Mrs. Leahy, President of the newly formed Hicksville Cerebral Palsy Auxiliary.

Many of the neighbor children helped. Richard Fearnis offered the use of his sound projector and films, other films were also donated by Clifford Place, Mr. Sorvillo, Bard and Mrs. Jahn.

Printing and advertising was the work of Donald Kerbs and refreshments served by Johanna Thomas, Arlean Gilbert and Johnny Maleszewitz. Hugo Jahn and Richard Fearnis were the originators of the idea for the show. This was the fourth year it was presented. Under the able direction of Mrs.

Jahn and Mrs. Reed who are active members in the Cerebral Palsy Auxiliary, the affair was a great success and \$45 was collected. Since the Auxiliary is newly formed, new members are urged to join please call Mrs. Leahy, Hicksville 4-3139.

bought new equipment, took on additional help, connected water services and set meters on 2,000 new homes and still carried on the daily operating schedule.

"We of the District feel proud of what we have done in the short span of 16 months and it required the cooperation of everyone," Trask recalled. "We all worked

long hours with us. Our satisfaction other than the satisfaction of seeing the Water District improve daily and knowing we were a close part of it. Last year the District borrowed \$750,000 to finance this improvement and yet the taxes were not raised; water rates were dropped 5 cents per thousand gallons last year and there is anticipated a further reduction in the

future.
"All of us have been working since a year ago last March to reduce the rates as much as possible. As soon as figures can be obtained, such as power consumption per million gallons, distribution costs, operation costs, maintenance, etc. of the new system we may be in a position to lower the water rates."

"In the near future a public dedication is planned and it is hoped as many as possible residents will come and inspect the plant. It is described as one of the most modern water systems on Long Island and all are welcome to inspect the facilities at any time the plant is open.

"Most of the consumers now have the new Ordinance books and it behooves each of you to read these Ordinances carefully in order to ascertain your responsibilities and our responsibilities. Any questions you have will be answered by calling the office on the telephone or coming in personally. Remember we are here to serve you and we shall do our best to give you the best cooperation possible," Trask concluded.

GOP Club Joins Ditch Protest

PLAINVIEW—The Republican Club here this week joined other community organizations in voicing "the strongest possible protest against the construction of the proposed open drainage ditch on Gerhard Rd" here.

Herman Williams, corresponding secretary of the GOP Club, sent the following letter to John C. Guibert, county commissioner of public works at Mineola. Previously registered as opposed to the "open drainage ditch" are the Board of Education, Civic Assoc., and other groups.

The letter follows in part: "We feel that such a ditch would present a most serious and intolerable hazard to the health and welfare of the residents of the area and especially to the children who attend the school which faces the proposed drainage ditch."

"We feel that there is no necessity for duplicating the reasons for our protest as they are adequately set forth in similar protests which you have received from the Plainview Civic Association, Inc. as well as the Plainview Board of Education, and no useful purpose would be served by repeating herein their grounds for statements."

"This letter is being written to you by unanimous direction of the membership of the Plainview Republican Club, Inc. as well as its Board of Directors. We trust that you will accord due consideration to it in reviewing your prior decision to construct the proposed drainage ditch," Williams wrote.

Deplores Press Release

(Continued from Page 1)

The explanatory letter being sent to the voters as well, carries an obvious intent to discourage an affirmative vote. That has been stressed and much other relevant information omitted.

An earlier release regarding the forthcoming vote follows:

HICKSVILLE—A warning to taxpayers that "any policy to liberalize student transportation" now will be reflected in "far costlier transportation expenditures in the future" was sounded this week by the Board of Education as a preliminary to a referendum on Saturday, Aug. 21. Propositions number 1 and 2, coming up for vote, if approved will reduce the area for transporting junior and senior high school students to one mile from the building. In the past, the distance has been two miles with exception made for special "hazard areas."

The Board of Education will mail out on Aug. 13, or sooner, 12,000 copies of a leaflet giving notice of the five questions up for vote and registration data.

"The Board of Education", a spokesman said last night, "is to be objective in its presentation of Propositions 1 and 2 (bus questions) and suggests only that the taxpayer weigh all factors carefully before casting a vote."

"It is to be noted that the sums called for in this referendum are to be taken from surplus and will not, therefore, be reflected in the 1954-55 tax rate. Any policy to liberalize transportation, however, is a forerunner of a far costlier transportation expenditure in the future when the enrollments of the Junior High and Senior High will be increasing annually, and when, in all probability, these expenditures will be budget items that will reflect themselves in the tax rates."

Maj. Fluckiger Goes To Reunion

WASHINGTON—Major Fred Fluckiger Jr. of 8 Laurel Street, Hicksville, will attend the Fifth Annual Reunion of the 165th Engineer Combat Battalion at the Ambassador Hotel in Washington, D. C. Aug. 14.

The battalion was activated in May 1942, at Camp Gordon, Ga. When organized, it was made up chiefly of members from Massachusetts, North Carolina and South Carolina, but by the end of the war, its ranks included men from every state in the union except Utah.

After receiving its basic training at Camp Van Dorn, Mississippi the unit had further training in the Tennessee Maneuver Area and at Camp Breckinridge, Ky., before being sent overseas.

Under the command of Lt. Col. Charles H. Schilling, it fought with the First, Third, and Seventh Armies after landing at Omaha Beach, France, shortly after D-Day.

Harvey C. Mitchell of Burlington, N. C. will serve as chairman of the reunion. Joe F. Robertson, also of Burlington, will serve as Secretary and Treasurer. Major Fluckiger is on active duty and is stationed at the U. S. Army Reserve Training Center located at 529 W. 42 St. N. Y. C. He is currently assigned as a unit advisor to Military Government Units of Hq. New York Military District. Major Fluckiger graduated from the Command and General Staff College, Ft. Leavenworth, Kansas, in May of this year and presently is supervising Reserve Training at Camp Drum, N. Y.

Big Week For Bethpage Couple

By CONSTANCE GIBSON
Hicksville 4-1482

The last weeks in July were particularly big ones for Mr. and Mrs. Donald Krieter of 19 Boone St., Bethpage. The Krieters were guests on the TV Show, "The Big Pay Off" on July 23. Mr. Krieter was on the ship the Bennington when it suffered a great explosion not so long ago. He was chief boilerman on the ship. Right now he travels to and from the Brooklyn Navy Yard where the Bennington is being repaired.

Mr. and Mrs. Krieter had often watched "The Big Pay Off" so that quite naturally they wrote in for tickets which were promptly sent to them. While Mrs. Krieter sat in the chair of honor, her husband answered two questions which presented her with a host of gifts. The song "Jilted" to be recognized and the name of the partner of the old time vaudeville act of Weber and Fields—Weber showered Mrs. Krieter with a coat, dress, suit, bathing suit, nylon, a negligee, jewelry by Monet, My Sin perfume and several accessories. The third question was the stumper that barred their progress to the mink coat and foreign vacation that is the high point of the show. This question concerned the character actor in the motion picture, "The Man Who Could Wreck Miracles"—Roland Young.

Only the day before their appearance on the "Big Pay Off" Kathy Krieter, one of their five children celebrated her second birthday. In the family there are three boys and two girls. August 4, the couple celebrate their 12th wedding anniversary. Everything

seems to be coming their way at once.

They would like to send best wishes for a speedy recovery to Mr. John Ketchum of 13 South Elm St. who has been ill from a bout with the virus.

Birthday greetings go to Mrs. Ann Evers of 24 South Elm St. whose day was July 27.

Mr. and Mrs. Benjamin Blenmano of 12 South Elm St. entertain Mr. and Mrs. William Baldini and children Angela and Roy of Utica on Wednesday, July 26.

A happy birthday goes to Mrs. Geraldine Parker of 11 Gables Rd. who celebrated her birthday on Saturday, July 31.

July 30 marked the birthday of Mrs. Helen O'Rourke of 12 Gables Rd. The O'Rourkes celebrated on Sunday, August 1 by having dinner at Cortes in Bethpage.

Lou Britt of 297 Plainview Rd. left for a six week training period with the marines in Quantico, Virginia. Mrs. Britt (Patricia Werner) will stay with her parents until she can rejoin her husband.

Mr. and Mrs. A. D'Amura of 15 South Elm St. celebrated the 9th birthday of their son Jerry by giving him a surprise party on Sunday, July 26. Jerry's birthday is on the 19th but Sunday made it possible for all his family to attend. Mr. and Mrs. Farinola, Mr. and Mrs. Tarulli, Mr. and Mrs. Torio, Mrs. Desco and Mr. and Mrs. Thomas Farinola all of Brooklyn attended. Mr. and Mrs. Farinola are the parents of the popular singer, Vic Damone.

Happy Birthday greetings go to Kathy Oates, daughter of Mr. and Mrs. William Oates of 29 South Elm St. who was 5 years old on July 27. The Oates celebrated with a family party complete with candy, ice cream and cake.

Little Darren James Cerone, son of Mr. and Mrs. James Cerone of 271 Plainview Rd. was one year old on July 25. On the evening of his birthday the Cerones entertained the babies cousins, Bobby Cerone, Bruce Cerone and Mr. James Whirt and his fiancé, Miss Joan O'Rourke in the traditional ice cream and cake party. Present also were Darren's sisters, Debra and Bronwyn and brother Mark.

Mrs. Jean Forte celebrated her July 28th birthday by entertaining friends, Mr. and Mrs. Glen Bruno and Mrs. LaMarea in her 6 Prince St. home.

Mr. and Mrs. Milton Johnson of 27 South Elm St. have just returned home after a vacation at their summer home on the outskirts of Danbury, Conn.

Mrs. James Cerone of 271 Plainview Rd. and her mother, Mrs. Elizabeth Monahan attended a shower in honor of the fiancé of Mrs. Cerone's nephew, Mrs. James Whirt of Hicksville, Miss Joan O'Rourke of Brooklyn, in Stenick Post, Brooklyn. Invitations to the shower bore the colors chosen by the bride-to-be, red and white for the kitchen, black and yellow for the bathroom. Gifts included linens, shower sets, towels, a toaster, 2 radios, a pressure cooker among many. The affair was set off by dancing and a huge buffet dinner. A huge cake was the center of

the refreshments. The couple will be married on Sept. 11.

Mrs. John Olson of 888 Plainview Rd. was guest of honor at a group luncheon at Cortes on Friday, July 30. Mrs. Olson was feted by the secretaries of the Hicksville School District with whom she works. Present were Mrs. Caesar, Mrs. Quinlan, Miss Maas, Miss Joan Eannacocone, Mrs. Truhan, Mrs. Wilbur Lowe, Mrs. Sebec, and Mrs. Mitchell.

We have heard that a Little League for Hicksville will at last be a reality next year. The Hicksville area has been divided into three divisions, South Section in charge of Tom Murray, Northeast section in charge of Vincent D'Angelo and the Northwestern section in charge of William Lomnick.

The League will take in children from 8 to 12 years of age. On August 18 there will be a meeting of the committeemen. In September there will again be a general meeting. At present there is a great need for managers, coaches and umpires. If anyone is interested in this movement, please call us at the above number and we will see that you are put in contact with League officials.

Mr. and Mrs. William Jakabec of 28 Gables Rd. who celebrated their ninth wedding anniversary on July 28 returned home just recently from a four day motor tour through the Adirondacks. They included in their travels, Lake George, the Indian Village, Santa Claus Village, Fort Ticonderoga and a trip up the 5,000 ft. White Face Mt. among others. Unhappily they had to shorten their trip when word reached them through the George Wilsons of 24 Gables Rd. who were minding their youngest child that Mrs. Jakabec's mother, Mrs. Anna Skakandi was ill in Nickabaker hospital. We hear that Mrs. Skakandi is steadily improving.

Mr. and Mrs. William Yungler of 4 Gables Rd. entertained Mr. Joseph Janacka, Jr. his brother Jerry and parents Mr. and Mrs. Joseph Janacka Sr. of Hillsborough, Texas for a day. Mr. Janacka Jr. has just graduated from Texas Aggie.

Men's Club Plans Fishing Trip

PLAINVIEW will be held by the Men's Club of Jewish Community Center here every 2nd and 4th Tuesday of the month at the Center, at 8:30 P. M.
Final plans for the fishing trip which will be on August 15, will be discussed. Next meeting will be Tuesday, August 10th at 8:30 P.M.

Card Of Thanks

Mrs. George Kuns of 17 Spruce St. Hicksville, wishes to thank her many friends for their kind remembrances during her recent illness while at the hospital. Mrs. Kuns is now at home recuperating.

Dewey Proclaims State Park Week

STATE OF NEW YORK
ALBANY
PROCLAMATION

Proud among the many achievements of the State government of which we are justly proud is the splendid park system of the Empire State. The system has been brought from virtually nothing to its present state of magnificence in thirty years.

The New York State park system is famous the world over as are the extraordinary talents of the man who heads the incomparable staff which has brought about this excellence. The people of New York are fortunate in having the services of a man who combines to a singular extent a rare administrative ability with creative genius, Commissioner Robert Moses.

The beauty of the park system which he and his associates have developed is matched by the steady, unflinching efficiency with which it is maintained. It is altogether fitting and proper that we express our pride in the most public fashion possible and commemorate the anniversary of the New York State park system.

NOW, THEREFORE, I, Thomas E. Dewey, Governor of the State of New York, do hereby proclaim the week of August 15th to 21st as NEW YORK STATE PARK WEEK, and I commend this to the attention of the millions who daily enjoy our parks and parkways.

GIVEN under my hand and the Prvy Seal of the State at the Capital in the City of Albany this sixth day of July in the year of Our Lord one thousand nine hundred and fifty-four.

(signed) THOMAS E. DEWEY

PHELAN GETS ASSURANCE:

One-Man Clean-Up Campaign

HICKSVILLE—Assurances that the Levittown Parkway Village Green shopping center will be given a "permanent clean-up" during the coming week were received this week by Donald Phelan of 14 Abbott Lane who has been bombarding officials with letters and pictures on the situation.

After three weeks of effort devoting to proving that the area is "unclean and poorly maintained", Phelan said the following progress has been made:

1. He has received assurances from the Town of Oyster Bay and from Webb and Knapp, owners of the Levitt-built shopping center, that a survey will be undertaken immediately to see how best to solve the problem, subject of controversy for many months now. Although many homeowners have lodged complaints regarding the unclean state of the shopping centers in the past, up to now, nothing has apparently been done.

2. Tenants of the shopping centers who under their contracts are obligated to keep the sidewalk area around their stores clean will receive letters from Webb and Knapp reminding them of their obligations.

3. A representative from the Town of Oyster Bay will meet with Benjamin F. Cappadora, of Webb and Knapp to determine responsibility for the street area surrounding the Parkway Village Green. For the past few years this area has received very little cleanup since both Webb and Knapp and the Town of Oyster Bay in addition to the merchants have disclaimed responsibility for its maintenance. Phelan told the Herald.

4. Up to now only two inspections a week have been performed by the four men under contract to Webb and Knapp of the former Levitt Shopping Center. Webb and Knapp will add an additional man to this staff and in addition will ascertain whether this is enough inspections. Phelan claims that daily inspections are necessary.

5. Cappadora who is in charge of leasing for Webb and Knapp has stated that he will be glad to

meet at any time with representatives of the various Levittown organizations in an effort to further alleviate the problem.

6. The Supervisor of the Town of Oyster Bay has given instructions to the Town Highway Superintendent to pay particular attention to Levittown Parkway in their regular cleanup duties.

Parc Community Civics Report On Dozen Successful Projects

HICKSVILLE—A dozen successful efforts of the Parc Community Civic Assoc. are cited by the organization in its current membership campaign in the neighborhood.

In a letter to residents, the Civics report:

Dear Neighbor,
Once again the time has arrived for the annual membership dues of the Parc Community Civic Association. We would like to take this opportunity to list some of the civic problems that our association has successfully solved:

1. Expedited street lamps for our area so that we had lights in a considerably shorter time than other communities in our vicinity.

2. Secured street signs for safety signs on South Deer Street, Tobias Street and Mercury Place.

3. Had annoying lights in the shopping center turned off at a reasonable hour.

4. Expedited the removal of the "eyesore" barn from Tobias Street.

5. Expedited cleaning up of the waste material on the lots on Jerusalem Avenue.

6. Lent our support in the forthcoming acquisition of an emergency ambulance for the Hicksville volunteer fire department.

7. Won a one year battle to prevent erection of a gas station in the "back yard" of our community. (This was the first time in 15 years that such an accomplishment was achieved in Hicksville.)

8. Were instrumental in chang-

ing the policy of the Town Board of Oyster Bay in denying variances for gas stations in Hicksville rather than permitting them.

9. Had the Town Board deny a permit for a proposed gas station on Jerusalem just north of us.

10. Are representing ourselves in the "Hicksville Civic Information Exchange" to exchange ideas for the purpose of helping all the peoples of Hicksville with the various civic projects.

11. Sponsored a Santa Claus to distribute toys, without cost, to all the children of the community at Christmas.

12. Have held several very successful social affairs.

Through these accomplishments the Parc Community Civic Association has become well known and respected group in Hicksville. We will continue to live up to the reputation we have earned in the first year but to do this we should have the cooperation of all the people on Tobias Street, South Dean Street, Dean Street, Terry Street, and Mercury Place.

As was mentioned, the annual dues are payable within the next few weeks. Someone will stop in to

see you and issue a new membership card in the near future.

As you know, the yearly dues are three dollars and we would appreciate your cooperation in this matter when the committee member contacts you.

Not Too Hot For Politics

It's hot, sure, but it's not too hot for politics to keep a weather eye on the Thermometer of gubernatorial candidates in both major parties. On the GOP front, Governor Dewey's decision to be, or not to be, a candidate, is of major interest, with deep prevailing interest in U. S. Senator Irving M. Ives, should "Manoe Tom" give a negative answer before or after this appears in print...

On the Democrat perimeter, the collective gaze of Democratic Leaders is concentrated on the results of a state-wide poll of possibilities. These include Mayor Wagner, of N.Y.C.; Rep. Franklin D. Roosevelt, Jr.; Federal Judges Harold Medina and Thomas Murphy; Court of Appeals Judge Charles Frossel; James A. Farley and, W. Averell Harriman, who indicated he would run—if?
