New Firehouses, Budget Get Taxpayer Approval

HICKSVILLE—Eighty-three taxpayers voted at the firehouse, Tuesday night, to give overwhelming approval to seven propositions and the budget of the fire district for 1954. Major proposal was question no. 4 on the construction of two firehouses to be located off John St. and off Woodbury Rd. in the northside of the district at a cost of \$100,000. There were 70 yes votes, 11 no.

The budget of the district amounting to \$62,950 was carried with 69 yes, 1 no. Thirteen ballots were blank.

Votes on other propositions were: No. 1—parade, drill and tournament \$500, 77 yes, 4 no; No. 2—inspection \$1,200, 73 yes, 8 no; No. 3—purchase and installation of new equipment for fire alarm system \$12,000, 70 yes, 11 no; No. 5—street signs \$2,000, 73 yes, 8 no; No. 6—purchase of fire fighting equipment \$20,000, 71 yes, 11 no; and No. 7—withdrawal of \$20,000 from capital reserve fund, amount to be expended for fire fighting equipment, 72 yes, 8 no.

Hicksville Man Aboard Yacht Falsely Reported Lost At Sea

HICKSVILLE—Fred C. Stanley of 16 Maple Pl. is home today after a 23-day cruise aboard the 87-foot twin-screw diesel yacht Brigadier of which he is steward. He was aboard the Brigadier at Haven Vineyard, Mass., while Hurricane Carol blasted Long Island and the New England area. The Brigadier was erroneously reported "lost at sea" in New York and Boston newspapers following the hurricane.

The Brigadier had come into Haven Vineyard just before Carol reached Massachusetts. The yacht tied up at 3:30 in the afternoon and rode out the storm, suffering some small damage from drifting debris in the sea.

Stanley returned home Wednesday night after the yacht came back across the sound and docked at Northport at six o'clock the same evening.

He was in the 1938 hurricane aboard another ship.

Hults To Speak At GOP Meeting

HICKSVILLE—State Senator William Hults of Port Washington will be guest speaker at the September 10th meeting of the Hicksville Republican Club this Friday night, Sept. 10, at the Masonic Temple, W. Nicholas St., at 8:30 P.M. Following the meeting, refreshments will be served by the committee under the chairmanship of Mrs. Arnold Jeanson.

Teens Assist Kenny Fund Drive

HICKSVILLE—Mrs. Catherine Dehler, chairman of the Sister Kenny Polio Drive, wishes to thank the boys and girls attending the dance of the Hicksville Social and Athletic Club, at Levittown Hall for their generous contributions.

Members of the club passed the canisters around at the dance and collected \$27.35. "The efforts and co-operation of this club have been most helpful to this drive," said Mrs. Dehler.

Hebrew Classes Register Here

HICKSVILLE—Fall registration for the Hebrew School of Congregation Shaarei Zedek, here, will be held Sunday, Sept. 12, from 10 A.M. until 12 noon in the vestry room of the Synagogue on E. Barclay St. A committee will be present to assist parents in the registration of their children.

Hillside To Hear Bus Expert

HICKSVILLE—Max Wilton Cheney, administrative assistant to the School Superintendent in charge of student transportation in the district, will be guest speaker when the Hillside Terrace Civic Assoc. meets next Monday night, Sept. 13, at East St. School at 8 P.M., according to Vincent Hilly, civic president.

School Enrollment Exceeds Forecast

HICKSVILLE—Opening day enrollment of the public schools here, Wednesday, was 7,913 students including 1,150 in kindergarten, it was announced by Dr. E. H. LeBaron, superintendent of schools this morning. The forecast was for 7,500 on the first day. For the opening day last year, there were 6,625 students with 992 in kindergarten. This term's total includes 4,912 in grades 1 to 6 and 1,851 in grades 7 to 12.

HEARING MINUTES STRESS:

Conferences on RR Crossing Plans Vital

NEW YORK CITY—The importance of complete understanding and agreement among Hicksville organizations and residents on the type of railroad crossing elimination proposed was stressed this week as printed copies of the August Public Service Commission hearing on the proceedings became available. The hearing, started here on Aug. 18, has been adjourned until Feb. 14 to allow time for the preparation of study plans.

Louis Winer, deputy Nassau County attorney, commented, the record shows, "I would like to call the attention of the Commission to the fact that based on the experience in the Freeport-Baldwin situation a great deal of delay was experienced by reason of the objections made by some of the local representatives or residents in communities who probably meant well but accomplished nothing by delay."

SUGGEST CONFERENCES

"I think that we can save a great deal of time here," he continued, "if during the next six months, a series of conferences be held by the various parties in involved."

Claim Support For Shea Grows

Local leaders of the Shea for Congress primary campaign have gained additional support from new groups in Bethpage and Syosset, it was announced this week by Mrs. James Cummings, area Chairman. One of Hicksville's long time residents, Ray Herzog, acting on the Shea committee said, "It's time for a change in Republican tactics and I intend to do all in my power to get a big vote out for Bill Shea."

James Hall, one of the heads of the Shea group this week produced a campaign letter sent out by Shea's opponent, Stu Wainwright, to a man they said is a GOP committeeman, under his franking privilege as a member of congress. "This," said Hall, "is using our tax money to publicize his campaign for nomination in the primary next Tuesday." The franking privilege is supposedly for use for government business only, Hall added. The campaign by William P. Shea for the Republican nomination for Representative will highlight the primary elections throughout Nassau and Suffolk next Tuesday. Shea returned earlier this week from a trip to Washington where he visited Senator Joseph McCarthy while on business there. Rep. Primary Committee of Oyster Bay is urging all registered Republicans to go to the polls on next Tuesday, Primary Day and vote for Shea.

Need 30 Girls As Models

HICKSVILLE—Thirty teen age girls are needed to serve as models for the fashion show which will be presented by Abraham & Straus in cooperation with Youth Week Program, Sept. 18 to 25. Girls interested in being models must contact Ann Balfour at Hicksville 3-9254 not later than Sunday, Sept. 12.

The committee also announced that a Jitterbug Contest, sponsored by the Charles Wagner American Legion Post, will take place next Tuesday night, Sept. 14, at the parking field next to the Clubhouse on E. Nicholas St. as a feature of the Youth Week Program.

NOMINATIONS CLOSING:

Youths to Elect Mayor, Hostess for Their Week

HICKSVILLE—Last call for nominees for Mayor of the town and Official Hostess, it was announced by Charles DeShaw, chairman of Youth Week, Sept. 18 to 25. Nominations must be postmarked or received not later than Saturday, Sept. 11, by DeShaw at his home, 118 Brittle Lane, or care of Post Office Box 95.

Boys 14 to 19 years of age are being nominated for Mayor and girls of the same age for official hostess. Election of both officers will take place just before the start of Youth Week. Inauguration of officials is the highlight of the opening day, Sept. 18. Supervisor Lewis N. Waters will officiate.

Already nominated for office are Frances O'Brien of 22 Kuhl Ave and Irene Voharas of 34 Boulevard Dr, both for official hostess of the week.

An essay contest on the theme "Hicksville and Youth" limited to 150 words for boys and girls 14 to 19 years of age will close on Sept. 16. There will be a prize for the best essay, DeShaw said.

Inspection Date

HICKSVILLE—The annual inspection of the fire dept members in full uniform by the Board of Fire Commissioners will take place on Oct. 16 at 7:45 P.M. sharp in front of the firehouse. Board Chairman Vincent Braun announced today. The public is invited to see the ceremony.

Staff Changes In CD Set-Up

HICKSVILLE—Col. William Godfrey director of Civil Defense here, today announced that Col. Howard W. Decker, deputy director, has resigned because he is moving out of the community. Clifford W. Goff, chief of the auxiliary police, has submitted his resignation which has been accepted, it was also announced.

In preparation for the township CD drill on Oct. 16 which will have its focal point in this community with arrangements for mass feeding, housing and care of evacuees, the local unit officials will take part in a practice exercise on Sept. 18 at 8:30 P.M. For the purpose of the exercise Col. Godfrey has been designated as deputy township commander.

CD Volunteers may enroll any Tuesday evening at the Control Centre in the firehouse basement between 8 and 9:30 P.M., Col. Godfrey added.

Father Knick Makes Big Hit Here

HICKSVILLE—Father Knickerbocker, who made a grand entrance at the Labor Day Firemen's Tournament on Levittown Parkway here, Monday afternoon, endeared himself to the thousands of firemen and their friends present for the biggest event of its kind ever held here.

Father Knickerbocker arrived in an open cream-colored Cadillac driven by William Danda, member of Co. No. 2.

After introductions, "Pop" spoke briefly to the audience over the public address system, lauding the work of volunteer firemen and asking for the co-operation and understanding of the public when firemen are answering a call for an emergency.

Among the many pictures taken of the old gent in full costume was this one (at right) snapped by Clifford Place. In the picture with Father Knickerbocker are Ex-Chiefs Stanford Weiss (at left) and Harry Borley, both of whom had served as marshals of parade divisions during the morning.

Jazz Kings On Stage

HICKSVILLE—The Theatre here, in conjunction with the Hicksville Music Co. will present Jazz Symphony on its stage every Thursday evening at 8 o'clock starting Oct. 7. Featuring the jazz kings of screen, radio, TV and recordings, those appearing will include Elmo Gaylard, Coleman Hawkins, Billy Butterfield, John LaForte and Kai Winding.

...including the Town of Oyster Bay, the Chamber of Commerce and all other parties, particularly concentrating on Mr. Cohen (A. J. Cohen, consulting engineer of One Madison Ave., New York, for County of Nassau). In that way I think we can iron out all these problems in advance because there is nothing novel about the situation so far as the County is concerned, and I think we can solve and prevent a great many of unreasonable delays."

Sanders Schwartz, hearing examiner, at the end of the hearing noted that there were three possible types of elimination. The minutes show that he said: "Before we get through with the hearing, as you undoubtedly realize, the Commission will have to make a determination as to the manner and method of elimination of the grade crossings."

"Perhaps the information presented today of a statistical nature are, I might say, the smaller half of our job. The big job ahead of us, to determine the manner and method of elimination. By that I mean whether it should be by raising the railroad over these high-ways or perhaps depressing the railroad and carrying the high-ways over the depressed railroad, or a combination of the two methods."

"In order to place all facts before the Commission plans will have to be prepared and studies made for the information of the Commission."

"I would like to know whether the county or the town or the railroad, or perhaps all of them—including the Dept of Public Works (of the state) by all means—are prepared to proceed with these studies?"

Thereupon, Deputy County Attorney Winler, Deputy Town Attorney Robert Glasser, E. J. Ramer, Associate Civil Engineer of the State Dept. of Public Works; and William A. Colton, Assistant to the General Attorney of the Long Island Rail Road Co., for the record all assured Schwartz they were prepared to give their fullest cooperation to preparing the studies.

Schwartz asked the LIRR to make the survey "in the first place, inasmuch as you are in a position to do that better than anybody else, and prepare the topographical plan and study with respect to the eliminations."

Spreading rumors is a bad habit—it's surprising what a person hears, once he or she starts listening.

Dear Jean:

Glad to hear that POP KIMBLE is settling at his home in Plainview after a mighty narrow escape and severe airplane injuries on the Turnpike recently. His small pickup was rammed by a big truck, injuring three men including Pop. . . . HERB STONE, Glen Cove publisher, has joined the county Republican hq staff of publicity men. Somebody's getting prepared for a fight. . . . While E.MIL. SZENDY has given not the slightest hint as to whether or not he will seek reelection to the school board next spring when his term expires, there are certain people running about trying to dig up a candidate to oppose or replace him. The laughable part of it all is the comment heard that "we must get some representation from the north side of town" being mouthed by the very people who pushed so hard for southside candidates last May. . . . Bethpage voters go to polls at the Broadway School this Saturday, Sept. 11, between 1 and 9 P.M. to vote on purchase of more land next to the Pine Ave School for not more than \$20,000. . . . Like always, highway workers were out painting pedestrian crosswalks and school crossings in Hicksville THE DAY SCHOOL OPENED. . . . Hundreds of tons of garbage had to be "stockpiled" at the town incinerator as the result of Hurricane Carol. Power failed at the plant, halting operations, and the heavy rain thoroughly soaked loads, slowing disposal. Working around the clock, the backlog has been finally consumed, according to Supervisor WATERS. . . . Plainview farmers kindly loaned their big tubs to keep beverages cool at the Labor Day tournament. This annual loan has become a tradition for the holiday weekend. . . . Chamber of Commerce directors meet for lunch this Friday at Henningsen's. . . . You can hear the grunts and complaints about school bus arrangements this year in many quarters. . . . Town officials are pleased to find so few complaint over their plans for a new town incinerator plant at the old brickyards in Old Bethpage.

Many Hicksville folks were at Jericho Firehouse after the Labor Day tournament. As one Jericho vamp said it, "you have to come up to Jericho to have a real good time". . . . The fellows from Sea Breeze covered a lot of ground during their stay in our town for the weekend. Mr. and Mrs. GEORGE McCUE were hosts to the KARL SMITHS and children while Mr. and Mrs. HAROLD MANASKIE were hosts to CHIEF SCHROEPFEL and wife and children. Daily activities included clamming, bathing, night clubbing (for the visiting firemen and their wives only) and a round of visits the last night, including Massapequa and Jericho firehouses. The chief had a full load of booty to take back up to the shores of Lake Ontario with him. . . . Some of the boys stayed at DANDA's Hotel. . . . Is it true that somebody announced when Levittown vamps came under the arch that "this might be called a real hometown fire dept"? . . . Newday of course put the tournament in Levittown instead of Hicksville and the L. I. Daily Press said there were 3,000 present. The official police estimate was 12,000 and it seemed like more than 20,000 attended. . . . We notice the outline of the new high school on Division Ave is up to the third floor. . . . The Rotary Club bulletin reports that Dr. WALTER M. STILLGER spent a vacation in France, Switzerland and Italy. . . . A talk by Dr. JOSEPH H. KINNAMAN of the county health dept on the Salk Vaccine Program will be the topic at the Rotary Club meeting today at the Millidge. . . . Rt. Rev. Magr. GEORGE M. BITTERMANN of St. Ignatius Loyola Church will give the benediction at the Holy Name Society Candlelight Holy Hour this Sunday evening at Chaminade High School, Mineola. . . . Oyster Bay Town Board approved a re-zoning application for a 50-bed general hospital on a five-acre tract in Plainview this week. . . .

Prohibit Sale Of Beverages

NEW YORK CITY—Prohibited hours for the sale of liquor, wine and beer throughout the state on Primary Day, next Tuesday, Sept. 14, are the period while the polls are open—from 12 noon to 9 P.M. Liquor stores must be closed on Tuesday and bars and restaurants may not sell alcoholic beverages during those hours. Grocery stores and drug stores which sell beer need not close their sales during the same hours in Nassau, the State Liquor Authority announces.

progress of the Hicksville branch was a healthy indication of the community growth, and that the bank would continue to offer even more services as it grows. . . . As previously reported, in their 35th annual statement, Central Federal Savings and Loan Association resources have reached over the 12-1/2 million mark.

The main fault with the man who knows it all is that everyone else shall know it, too.

Two Young Men Give Big Helping Hand As Flames Threaten Area

HICKSVILLE — Two Sleepy Lane young men were the first to see the flames shooting out of the roof of the Schwartz home at 17 Walnut Lane, Wednesday evening, and warned the occupants. Considerable damage was caused to the second floor of the house and the fifty men of the fire dept were on the scene under Asst Chief Larry Huttie for almost two hours.

The alarm was sounded at 6:23 P.M. Richard and Michael Zimmer-

man of 33 Sleepy Lane were visiting at the Byrne home at 34 Sleepy Lane when Michael noticed the flames. He hopped the rear yard fence, warned the occupants of the house of the second story blaze.

When sparks began to land on the roof of the Connor's home next door and a window box caught fire, he alerted that household also. Both Zimmerman boys, using garden hoses commandeered from the various yards, watered the Connor's roof. Meanwhile another friend

Five pieces of apparatus of the fire dept responded to the alarm.

After the fire was out, a fire official was heard to say "it would have been much worse if it had not been for those two young men." The Zimmerman boys, both over 6 feet, were blackened with soot and smoke.

Junior High PTA Meets Tuesday

The Hicksville Jr. High will hold its first P.T.A. meeting Tuesday, Sept. 14, at 8:15 P.M., in the High School.

The theme for this year's programs is "Understanding Through Knowledge". To follow through, the first meeting will be "An Understanding of To-day's Teen Ager". The knowledge will be supplied by the guest speaker, Mr. Joseph Barbara.

Barbero is connected with the New York City Youth Board at 500 Park Ave. N. Y. City. The board is sponsored by The State of New York and New York City for the purpose of "combating delinquency in specified high delinquency areas." The board offers vocational, educational and psychological counseling, play therapy and psychiatric treatment and counselling.

Land Is Sold For Industry

HICKSVILLE — As announced by the Vincent D'Angelo-Real Estate, Fred J. Niebuhr, sales director, negotiations have been completed for the sale of ½ acres of land for industrial development on West John St. here.

Plans include buildings, of various sizes, according to needs of the tenants, as stated by Mr. J. Palermo of the ALPA Corp.

The property is ideally located in "The Industrial Hub of Nassau", affording railroad siding facilities and all utilities. Leasing arrangements are underway and construction should be started in the very near future, D'Angelo, said.

First Service For Methodists

PLAINVIEW — The Methodist Church here held its first service under the leadership of its new minister, Rev. Kohn, Sunday morning. With summer over, all the regularly scheduled activities are now resuming. Sunday School, under the leadership of its superintendent Gale Scott, reopened Sunday.

The Woman's Society of Christian Service held its first fall meeting Thursday at 8 at the church

which is located on Old Country Rd. east of So. Oyster Bay Rd. It will meet regularly hereafter on the 2nd Thursday of every month. The president, Mrs. H. Harrell, announces that a tea is planned for Sunday, Sept. 12 from 2-4 to be held at the church, honoring the former ministers, Dr. Bobelin and Rev. Jackson and welcoming Rev. Kohn. All members and friends are invited to be present.

Legion To Safety Tape Bikes

PLAINVIEW — The Post #1812, American Legion, will again this year put luminous tape on two-wheel bicycles here. The strips of red tape will be placed on the rear fender, two strips of silver on the handle bars and a silver strip on each side of the front fork. It was proven last year's tests that with this arrangement a bicycle may be seen in the headlight of a car from any angle of approach.

Joseph Arena and Mrs. Elsa Bergman, heading the Post's Child Welfare Committee, announced a "Safety Tape Mobile Unit" will tour Plainview and place the luminous tape on bicycles right on the street.

The Post has been stressing

safety for the children of the community with the erection last month of signs urging motorists to drive carefully and this month the "Bicycle Safety Drive".

Approve New Fern Pl School

PLAINVIEW — The people of the School District here overwhelmingly supported the Board of Education when they went to the polls, Tuesday, Sept. 7, to vote for another neighborhood school. Over 600 voted in favor of the proposition while only 200 opposed. Plans are being set in motion to provide for the construction of this building as soon as possible. The site of the new school will be at Fern Pl., north of Old Country Rd.

School Bus Schedule

PLAINVIEW — The bus transportation schedule for children in Union Free School District No. 19, Plainview, follows. Bus stop and time can be found below. Parents of first, second and third grade children should add the bus stop to the information requested on the colored bus tags recently mailed to parents.

"Please have your child at the proper bus stop five (5) minutes before departure time. Parents are urged to caution children about proper bus behavior. We have the most courteous drivers, but misbehavior by children can be dangerous. It is suggested that between now and the opening day of school, the children be familiarized with the location of their bus stops," an official said today.

"During the first days of school, there are apt to be some delays. Parents are requested to refrain from calling the school about children who are late on arriving home until at least one hour after dismissal. Your cooperation in this matter will expedite assistance to the return of delayed children."

USED-CAR SECRET OUT!

No matter what you buy it's smart to buy from someone you can trust. And that's the secret to getting a good used car. Remember these points: Ford Dealers are interested in treating you right—they'd like your service business and they hope you'll be a new-car buyer some day! And, unlike some plain used-car lots, they have skilled mechanics who

can put the cars they're selling in A-1 shape.

Finally, you'll find their prices are generally lower, for Ford Dealers don't depend on used-car profits alone—and they have to sell quickly to make room for all the trade-ins on new cars that they're getting. See Bryan V. Johnson's Column, Page 11

CURRENT COMMENT

Primary Day Next Tuesday

By FRED J. NOETH

THIS EDITORIAL is more or less restricted to enrolled Republican voters. Next Tuesday is Primary Day with balloting at your regular polling place between 12 noon and 9 P.M. Only voters who enrolled in a political party at the last general election will be able to use a cherry colored ballot, if GOP; green, if Democrat; sky blue, if Liberal, and granite, if American Laborite.

There is particular interest in Primary Day this year for Republicans because there is one—and there may possibly be two—contested bids for party nomination. The positive contest is the one between Stuyvesant Wainwright of Wainscott (out toward the end of Suffolk), and William P. Shea of Ronkonkoma for the right to run for Congress on the Republican ticket in November.

Wainwright is the incumbent. He has been endorsed by the GOP organization in Suffolk.

The mid-Island area is concerned because a sliver of Nassau County (the township of Oyster Bay, south of Northern Blvd.) together with all of Suffolk County comprises the 1st New York Congressional District.

There is an active pre-primary movement in this area in behalf of Shea, while the local GOP organization in Nassau and the Township appears to be doing little to support Wainwright. Because most of the First District is in Suffolk, it has become traditional for both Republican and Democratic committees in Nassau to "go along" with the choice of majority party leaders in Suffolk for this position.

Ernest Greenwood of Bay Shore is the unopposed Democratic candidate for United States Representative in this First Congressional District. He will contest the winner of Tuesday's primary.

The second possible contest for next Tuesday, of interest to mid-Islanders, is one shaping up between William S. Hults, Jr. of Port Washington and Harold L. Glasser of Saddle Rock. Hults, the incumbent, has the county GOP organization endorsement for nomination as State Senator on the Republican ticket. Glasser has been fighting up thru the courts for his right to appear on the same cherry-colored ballot next Tuesday. The case is going to the Court of Appeals this Friday at Albany.

A last-minute verdict, favorable to Glasser, might put him on the ballot to give local Republicans their second important Primary contest.

The mid-Island area is not concerned with Glasser's co-insurgent, Horace M. Byrnes (not to be confused with Assemblyman John J. Burns of Sea Cliff who is unopposed for the GOP candidacy). Byrnes is seeking the right to run against the incumbent Congressman in the Second Congressional District which covers largely the northern half of Nassau.

Primary elections have a further importance. Delegates and alternates to the respective party's state conventions will also be elected, Tuesday. In theory, the people so elected as delegates will express your wishes, as enrolled party member, as to party candidates for Governor, Lieutenant-Governor, etc.

More fundamental to local voters will be the primaries of next year when the committeemen of the Republican and Democratic parties are elected. These committeemen (two in each election district for each party) in their township conventions nominate and designate the party's candidates for township office.

We saw six such committeeman contests in the Republican ranks in Hicksville last year. It appears certain there will be even more such competitions when committeemen come up for election or re-election in the primaries of 1955.

Meanwhile, as a good party member you should participate in the Primary Elections next Tuesday. Don't forget to vote.

The Question Box

By JOSEPH EISNER, REFERENCE LIBRARIAN
HICKSVILLE PUBLIC LIBRARY

The following are representative of the questions asked at the Public Library. If you need help in obtaining answers to your questions, or desire to do research in certain fields, call Mr. Eisner at the Library, HI 3-1417. However, the privilege of borrowing books is extended only to residents of School District 17; non-residents must pay a \$5 dollar annual fee to borrow books, although the library will extend its reference services to non-residents without charge.

Q. If I tutor my child at home, must he attend school?

A. The New York State Education Law states that every child must attend school unless physically and mentally handicapped. However, in a recent case (People vs. Turner, 277 Appellate Division 317 1950), the court ruled that if the purpose of non-attendance is not to evade the law, and instruction offered at home is equivalent to that offered in school, and that if such instruction is offered by a competent person (a teacher), then a child may remain at home and not attend school. Since each case is decided on its own individual facts, you should consult a lawyer if you contemplate tutoring your child at home.

Q. My pet turtle laid some eggs. Can they be hatched?

A. It is possible the eggs can be hatched by the following method: punch a tin can with holes. Fill the can with sand and peat moss, and in the middle of this place the eggs. Cover the can with burlap, and immerse it in water until the sand is wet. Place the can in a warm, sunny, sheltered spot. When the peat moss becomes dry, immerse the can in water again. Keep this up until the eggs hatch. This may take as long as 3 months.

HICKSVILLE GABLES:

Still Getting Reports On Storm

By CONSTANCE GIBSON
Hicksville 4-1482

Reports of damage suffered during the past gale force storm are still coming. Hear from Mr. and Mrs. Benjamin Beniamino of South Elm St. that their summer home in Southhold was one of the only ones left unharmed by the storm. The waters seemed to make a vee around their property. However, while passing them the waters of the sea flowed into a fresh water lake near-by and killed all the fish living there. Right here at home many a clock sent people to work late and in many cases electric stores sent them without morning coffee.

We would like to offer our sincerest sympathy to Mr. and Mrs. Sternhell of 3 Gables Rd. who learned of the death of Mr. Sternhell's brother, Alex, early last Sunday. A call came after 1 A.M. reporting the death. Mr. and Mrs. Sternhell called on their neighbors Mr. and Mrs. Yung of 4 Gables Rd. to care for their daughter. Immediately the Yungers took Bernice Sternhell in and cared for her while her parents had to remain away. Both Mr. and Mrs. Sternhell and Bernice would like to take this occasion to thank their neighbors for their unselfish help. This week the Sternhells will care for the late Mr. Sternhell's six and a half year old daughter Vivian while their sister-in-law, Mrs. Sternhell rests.

Best wishes for a happy birthday go to Mrs. Gertrude Wilson of 24 Gables Rd. whose day was Sunday, August 29. A family dinner party at the home of Mr. Wilson's mother, Mrs. Katherine Wilson in Brooklyn made the day a memorable one. Another guest at the dinner was Mr. Edwin Wilson, brother-in-law of the celebrant. Miss Barbara Wilson is at home on vacation from her studies in the South Hampton Hospital. At the end of this week she will enter Columbia Presbyterian Hospital in Manhattan on the last leg of her training. Miss "Cissy" Wilson starts her Freshman year at Adelphi this fall. She plans to study for a degree in physical education. During this summer she was employed at the High School Gym.

Congratulations go to Mr. and Mrs. Benjamin Beniamino of South Elm St. who celebrated their 10th wedding anniversary on Saturday, Sept. 4. Mr. and Mrs. Steve Chreaskie of Utica and their children Michael and Patricia are visiting them for the occasion.

Mr. and Mrs. William Horn and grand-daughter June of 303 Plainview Rd. motored into the Bronx on Wednesday, August 1st to visit Mrs. Horn's sister Mrs. Bulger.

Best wishes for a happy birthday go to Mrs. Rd. LaFlam of 419 Old Country Rd. whose day was Wednesday, Sept. 1st and to Mrs. Philomina Bianco, mother of

Mrs. A. DeVito of 4 Princes St. whose day was Sunday, Sept. 5th. Tommy DiBella, son of Mr. and Mrs. William DiBella of 28 South Elm Street celebrated his 7th birthday with a party on Monday, August 30. Gathered on the patio of the family's home were Michael Oates of 29 South Elm St., Kenneth and William Yung of 4 Gables Rd., Bernard Johnson, Sean Ketchum of 18 South Elm St., Henry Cerato of Howard St., Bernice Sternhell of 3 Gables Rd. and celebrant's sisters, Barbara and Jane for the festivities. Mr. and Mrs. DiBella who only recently celebrated their wedding anniversary took his occasion to see the picture version of "Dragnet" at the Victoria Theatre in the city. After viewing the film they stopped at the Hotel Taft where they saw Charley Drew in the Village Room. To top everything off the DiBellas only recently returned from a vacation motor trip to the Adirondacks where they visited the famed North Pole, Frontier Village, Story Town and Indian Village where the Comanche Indians right from the heart of the west stay.

Mr. and Mrs. Clifford Goff of 289 Plainview Rd. gave their son Clifford the cutest little green parakeet as a gift. The parakeet in turn has been gifted with a variety of toys.

Mr. and Mrs. Arthur Phalen of 33 Gables Rd. have been entertaining many of their friends and relations for the summer months. During the last of July Mrs. Phalen's cousins, Mrs. Moloney and her children Margie, Lennie and Alice of Brooklyn spent some time with them. From August 14 to the 22nd they played host to Mr. Phalen's sister, and brother in law, Mr. and Mrs. Cogley of Richmond Hill.

Mr. and Mrs. William DiBella of 28 South Elm St. celebrated their 12th wedding anniversary on August 15. We were very glad to learn that Mr. DiBella has recovered from his recent serious eye injury.

Mr. and Mrs. A. D'Amura of 15 South Elm St. celebrated their 20th wedding anniversary on Thursday, August 26. On Thursday, August 26th Mrs. D'Amura's neighbors, Mrs. Thomas C. Reilly of 7 South Elm St. and Mrs. Allen D. Van Nostrand of 17 South Elm St. treated her to a Chicken Chow Mein dinner at the Hicksville Chinese restaurant. That evening Mr. and Mrs. D'Amura attended the movie "Gone With The Wind" at the Westbury Drive In.

Previous to that they had dinner at the Luna Restaurant in Elmont. On Wednesday, August 25 friends, Mrs. Foglia and daughters, Geraldine and Virginia of Westbury, Mrs. Botto of Hicksville and Mrs. Catania of Westbury took

Mrs. D'Amura to a luncheon-bridge at the Crescent Club in Huntington. Their guest won a few pairs of stockings in the Canasta games.

Saturday, Aug. 28 marked the wedding of Miss Audrey Weller, daughter of Mr. and Mrs. Ernest G. Weller of 18 South Elm St. to Mr. Loukides of Connecticut. The couple were wed in the Methodist Church of Hicksville. Miss Marian Weller, sister of the bride was Maid of Honor dressed in a yellow gown while the bridegroom's brother, also of Stamford, Connecticut was Best Man. Miss Janet (Continued on Page 14)

Congratulations To Utility Crews

By DOROTHY BROWN
HI 4-9122

With hurricane Carol over and on for this area not expected for a few years we hope, we can be very thankful that we were not inconvenienced more by the devastating storm. While the path of the storm was not as wide as the 1938 one, it did do as much damage in areas where the center actually did hit. The light and phone companies should be congratulated on the fine job on restoring service to everyone.

We hear nice reports of the surprise stork shower held on Mrs. Dorothy DiMarzio's patio at 29 Mayflower Dr. by her and Mrs. Fanny Anstey in honor of Mrs. Marge Coleman of 27 Mayflower Dr. The guests included Mesdames Eileen Coleman of Levittown, Jerry Cody, Clara Golka, Mary Kilteen, Vicky Cantone, Pat Magee, Mary Coyle, Nancy Marcantonio, and Evelyn Caruso, all neighbors in our development. Mrs. Rose Simone, who was away, sent a gift with her best wishes. The decorations were centered around storks. Then it came to the refreshments of Sandwiches cake and coffee, the aroma brought several of the husbands over to join the party.

Just a reminder to anyone who might be of the Conservative Jewish Faith that the sisterhood of the newly formed Hicksville Jew-

ish Center will hold an open meeting Wednesday, Sept. 8, at the home of Mrs. Sylvia La Vigne of 42 Bloomingdale Rd. Anyone interested in joining this group will be welcome. The Center has plans for holding Sunday school in Sept. and have a tent rented for services during the Jewish Holidays.

Everyone welcomes Michael William Hmelovsky who was born Aug. 14 at the Mercy Hospital, as the son of Mr. and Mrs. Benard Hmelovsky of 28 Woodbine Dr. S. William weighed in at 7 lb., 1 oz. and has one brother Stephen who is almost three years old. Michael was christened at St. Ignatius Loyola Church on Sunday, Aug. 29. His Godmother is Miss Barbara Hamann of Forest Hills West and the Godfather is Mr. Francis Hmelovsky of Ashley Penna. After the ceremony a delicious roast beef dinner was held at the parents' home for the christening party.

Also congratulations to Mr. and Mrs. David Remett of 4 Fernside Dr. on the birth of their third daughter, Maryjane. Maryjane was christened at St. Ignatius Loyola Church Sunday, Sept. 5, with Mrs. Bennett's brother, Stanley Yander of Brooklyn as the Godfather and Mrs. Grace Bennett of Albertson as the Godmother. A family gathering was held at the Bennett's following the ceremony and includ-

ed a buffet supper of Ham and Roast Beef. Maryjane two sisters are Katherine who is nine years old and Geraldine who is two and a half years old.

Welcome home! Mr. and Mrs. Joseph Simone and family of 71 Woodbine Dr. N. have returned from a surprise visit to Mrs. Simone's sister's in Sheridan, Iowa. They had a very nice trip going via the Pennsylvania Turnpike.

We hear Mrs. Alson at HI 3-3988 is looking for a baby sitter with Wednesday evenings free and available transportation. Also that Mrs. Bruno at 19 Birchwood Lane is taking care of children for working mothers. Along the same line Mrs. Emlaw of 67 Fordham Rd. will baby sit in the evening, where there is transportation provided.

Little Jimmy Farrell of Brooklyn has been visiting his cousins Dorothy and Dennis Travers of Green Briar Lane this past week. There have been several birthdays this past month. Ronald Kuczyanski of Woodbine Dr., who was eighteen on Aug. 19 expects to go in the service soon. Brian O'Reilly was four years old on Aug. 19 and his brother Edward was three on August 28. On Aug. 20 we find that Thomas Kellner celebrated his second birthday and that Thomas Youngman celebrated his third on the next day Aug. 21. Another brother combination for August were the Palmate boys on Birchwood Lane. Daniel was three on the 22 and Gary reached his first year on the 26. Also on August 26 we find that John D'Antonio at Fordham Rd reached the ripe old age of eight years.

A party was held for John Marcantonio of Woodbine Dr. on Aug. 26 in the garage of Mrs. Josephine Kuczyanski also of Woodbine Dr. Johnny was one year old and all the children in his neighborhood helped him eat the ice cream, cake, candy, and enjoy the other favors. Another party held that week at 10 Greenbriar Lane was in honor of Gregory Cooney who was two years old on August 28. One of the gifts Greg seem to enjoy most was his little red wagon.

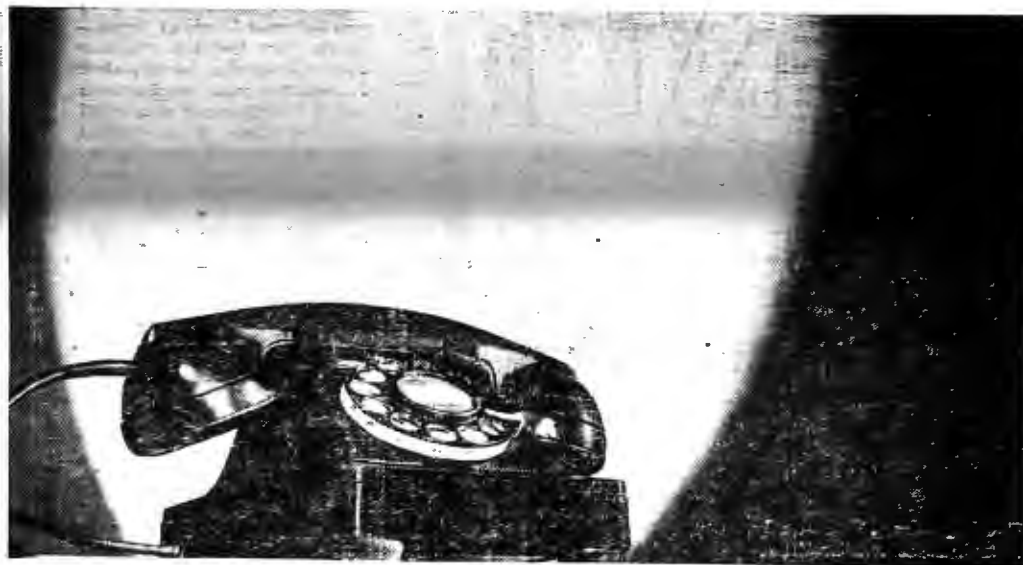

Labor Day was the big event in the life of Richard Boerwerman of Woodbine Dr. S. Richard became two years old on that day.

Adults Register At High School Next Week For Many Courses

HICKSVILLE—Among the ten new courses in the Fall Term of Adult Education offered by Hicksville School District are Home Movies, Insurance for the Home Owner and High School Equivalency, according to Director Elery Bean.

"Pierre Charbonnet, who conducts our classes in Photography and is a professional in this field, will offer an opportunity to understand more fully the movie camera and its care. Also methods of making better home movies will be offered," Bean said.

"A course in Pattern Making to be conducted by Mrs. Margaret Cornell; Methods of making patterns will be taught, original and

copies of photographs. An opportunity to make your wardrobe different and more personal.

"Insurance for Home Owners," is a worthwhile addition to our program. Frank Governale, with a background of many years in this field, is anxious to help the people of our community to understand insurance. Specimen copies of actual policies will be used and explained and may be kept by the students for future reference."

An opportunity to earn a High School Equivalency Diploma will be offered this term. The various subjects required to pass the test given by the New York State Department of Education will be reviewed. The State requirements

are that the student must be 21 years or older, a resident of New York State, obtain and fill out an application, and return with a Bank or Postal Money Order for \$5.00. Edmund Parlow, member of the Hicksville Senior High School faculty, will conduct this group on Tuesday and Thursday evening from 7:30 to 9:30 P.M. for a ten week period.

Registration will be held at the High School, Jerusalem Avenue, on Monday and Wednesday evening, Sept. 13 and 15 from 7:30 to 9:30 P.M. Programs are available at most of the local shops and at the Herald office.

Urge Caution As Schools Open

MINEOLA—The Nassau County Police Department today issued warnings to parents and to motorists that the opening of schools after Labor Day should focus attention on the need for alertness on the part of motorists and training of youngsters in traffic safety.

Parents were urged to teach their children to:

1. Never play in streets.
2. Never cross streets in the middle of a block.
3. Never play around parked cars.
4. Never run into a street from between parked cars.
5. Always cross streets at intersections, and then only after looking in all directions.
6. Always obey traffic signals and cross streets on green light only.
7. Always walk facing traffic if there are no sidewalks.

Parents were also cautioned to:

1. Set a good example for children by obeying regulations.
2. Never force a child into an act contrary to above safety rules.
3. Open car doors on the sidewalk side of car when children alight.

4. Exercise extreme caution in school areas at all times, but especially on rainy days. Don't drop children off in the middle of the road; don't illegally; don't speed, and DO obey signs and the commands of crossing guards.

The warning to motorists included:

1. Don't pass stopped school buses, with flashing lights, in either direction.
2. Obey traffic control signs in school zones.
3. Be alert for youngsters darting into streets, especially when passing parked cars.
4. Use common sense. Drive slowly, safely and courteously.

Now Is Time

MINEOLA — September is the best time of the year to start a new lawn according to the Nassau County Farm and Bureau and 4-H Club Assoc., here. Don't put it off if you plan to have a good lawn. Start now the Farm Bureau says. The basic steps are:

1. Determine drainage situation.
2. Establish desired grade.
3. Have soil tested for lime requirement.
4. Add organic material.
5. Add superphosphate and lime.
6. Spade or till.
7. Remove trash and stones.
8. Rake to finished grade.
9. Allow to stand for 2 weeks, rake and kill weed seedlings.
10. Add fertilizer.
11. Grub proof.
12. Rake lightly.
13. Sow seed.
14. Roll.
15. Keep watered.

Health Checkup Important For Child Starting School

MINEOLA — The importance of a physical check-up for children entering school for the first time is stressed by County Health Commissioner Earle G. Brown.

"This is an exciting time for those youngsters who will enter kindergarten or first grade within a relatively short time. Older children will be eager to start the new school year. School is no longer the grind it was years ago. School is stimulating and interesting - and no child likes to miss classes. Some have to - every year - and a high proportion of those absences could be avoided by a thorough physical check-up, and medical care if defects are found. An important part of the health protection service is that each child should be immunized against certain preventable diseases.

"Parents wish their child to get along well in school - and to be healthy and happy. It's a big step for the child when he enters school for the first time - for he goes into 'disciplined group living.' In the years from 6 on, it's important for a child to be successful for he has 'worked' at riding a bicycle or playing games - striving to do these things well. This is characteristic of children of this age - and the self confidence they attain is an important part of their personality development. Parents should share this feeling of success.

"School is a wonderful place to earn a feeling of doing things. Think of the thrill of learning to read, to spell words, to print and then to write. A child's joy and success in school will be attained easily if his preschool years have been filled with understanding and guidance. If the child has difficulty in keeping up with his class - he needs encouragement and understanding - not scolding, at home and at school. Not passing into the next grade robs him of a feeling of accomplishment - at a time when it means so much to him. If a child has trouble at the start of school give him every encouragement and work with him, and that will bring results.

"Consider other difficulties when the child enters school for the first time; here is where the importance of the physical check-up comes in. The child who has difficulty in seeing or who has a hearing defect - has a real handicap. If loss of hearing is discovered, medical care may clear it, or the child may be moved to the front of the class room. A defect in vision may often be corrected by a fitting of glasses. Don't let your child run the risk of being burdened by such handicaps. The annual physical examination and visit to the family dentist are important in getting the child ready for school - for his first year - and every year."

Conquest of Carol

IT HAS been said, "never underestimate the power of a woman" However, the damage to property and disruption of power lines wrecked by hurricane "Carol" last Tuesday showed that both the strength and the direction of this "young lady," born less than a week earlier, had been greatly underestimated in early reports.

When the "big blow" was over 275,000 of our electric customers were without service. This was a considerably greater number than after the destructive storms of 1938, 1944 and 1950. Nevertheless, service was restored to practically normal last week in less than half the time required after those storms.

Weather reports indicating the change in hurricane "Carol's" direction were received but a few hours in advance of her arrival. However, by putting our co-ordinated emergency plans into immediate effect; alerting our line crews, safeguarding our power plants against wind and high water; and dispatching men to critical points we were ready when the storm hit in its full fury.

The trail of devastation left as the "eye" of the hurricane passed over Long Island was even greater than had been expected. Reports from the field, including those from special "spotters" inspecting our electric power lines from helicopters showed approximately 400 poles down, wires down at nearly 4,000 locations, and thousands of trees and branches over wires. It was a tremendous repair job, but one well done.

Our Appreciation For This Splendid Accomplishment Is Four-Fold:

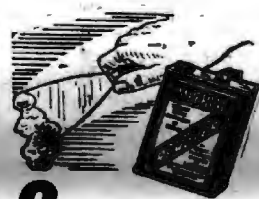

- To the public officials, the police, fire and highway departments who aided us so generously.
- To the line crews from Central Hudson Gas and Electric Company, of Poughkeepsie, Consolidated Edison Company, Public Service Electric and Gas Company of New Jersey, Rockland Light and Power Company and the several contracting companies whose services we employ.
- To our thousands of customers whose patience and understanding were so helpful during the period required to repair the vast damage.
- To the upwards of 2,500 men and women of LILCO who worked hour upon hour in a spirit of service representative of the finest traditions of our industry.

Yes, to conquer the damage wrought by "Carol" was a stupendous job . . . but, it will stand as another example of what can be accomplished under our American "free enterprise system" where everyone is ready and willing to help his neighbor when catastrophe strikes.

Thanks again!

2 QUICK STEPS

to Remove Any Finish

With these two simple steps, you can remove any paint, enamel or varnish:

1. Apply No-Wash Remover over the old finish.
2. With a regular putty knife, peel off the soft mass that forms. You have a perfectly smooth, clean surface. No film or waxy residue remains. No oil-solvent is needed! Safe for wood, metal, fabric or your hands. Call soon, and ask for NO-WASH.

Advance Questions Welcome

By GENE MALJEAN

I had occasion to talk to Peter McIntosh this week. He's president of Plainview Civic Association. Pete was describing the new service that the association offers.

Instead of discovering all about the technical end of being a homeowner in matters of taxes and assessments, etc. after becoming a homeowner, the association has placed signs in the new developments welcoming questions by prospective buyers. This takes a great deal of guesswork out of the business of purchasing a home. How many of us would like to have had some inkling of what is going on before we signed on the dotted line. In this manner prospective buyers sit down with the committee and discuss whatever questions may come up. I believe that the new question most folks have on their mind is what increase they may pay when future schools are built. Since we have lived here, our amortization has gone up six dollars, and I believe there's more to come.

Just happened to meet Arthur Rath, of Moeller St., while typing this column. I spotted him passing by the door and I had to ask him how the little puppy was doing. One of his police dogs (the mother) died in puppy-birth and the one living pup required great care to keep it alive, but according to Art—the vet says it will be perfectly healthy. His other dog (from a litter 8 years ago) is just about getting over the blues from the demise of her mother, and is taking an interest in the offspring. I learned something from Mr. Rath tonight, and that is, doggies were made so they could live seven years longer than they now do, but one defective organ prevents this long life—the kidneys. The larger the dog—the worse off the kidneys are—the smaller, the better. Hence, a corresponding life duration: (I'm glad I've got a cocker.)

I had occasion to speak to Lawrence Bory of Squirrel lane yesterday. He's director for Village Green. Players of Levittown, and their group will be staging "Ray Me Blue Ribbons" in the middle of

November... Everyone always admires Joe Calagni's (of Ketchikan, Alaska) trellises, but keefash they vent the day of the hurricane... Joe plays a mean guitar for my money, altho he's modest about it. He would like to meet some other non-professional guitarist for practice and mutual help... Long Island could use some signs directing the motorist to where he desires to go. I drove to the Amvets picnic last week but became hopelessly lost looking for Heckacher State Park. There were signs directing the driver to Bayard Cutting Arboretum, however... Whatever that is... Noticed a picture of May and I in Spotlight Magazine this month... taken at Asbury Park, N. J....

That reminds me—I promised you a Lebanese recipe but the column has been too full lately to include it. Won't wait any longer—here it is: YAKHNNET BATIN-JAN (Egg plant stew) 1 lb. lamb, 5 medium size egg plants, 1 big onion, 1 no. 2 can tomatoes, 2 qts. hot water, 3 tablespoons butter, salt and pepper. Boil meat for half hour in hot water. Peel egg plants and cut them into square pieces. Fry onion in butter, then add to meat. Add egg plant and tomato, seasoning, and cook all together on medium heat for half hour. Serve with rice. I was tempted to print the above in Arabic, but later thought better of it.

"Modes for Madame" was presented by Casual Corner of Merrick and sponsored by Levittown Chapter of Haddassah on Tuesday evening, Sept. 7th Musical Prelude was by Soloist Rita Newborn; Accompanist Bea Gussow. Commentator: Mr. Ober. Make up: Max Factor, J. J. Smith & Son Pharmacy. Cosmetician: Mrs. Vi Schombs. Hair Styling by Dante Capri. Jewelry by Casual Corner. Models of the fashion show were: Betty Mogarvero, Mimi Amster, Trudy Rosenfeld, Barbara Green, Nancy Burner, Roslyn Ladner, Ruth Feivelson, Isabelle Goldschmidt, Marilyn Gussow, Shirley Fogel, Faye Passen, Eleanor Ettinger, Lee Rutter, Eleanor Margolin, Mae Abrams, Ruth Alper, Jeanette Cohen, Lee Seldon, and May Maljean.

Saturday, Sept. 11, the Trinity Lutheran Church will sponsor a boat ride to Bear Mountain... Woodland Ave. PTA will meet on Sept. 27th... Nominations will

be read and new nominations will be considered... Last Sunday William Howard Kaufman was christened by Pastor Rogers of St. Stephen's Lutheran Church. Godfather and Godmother were Pastor and Mrs. Rogers.

Band Concert Get Support

HICKSVILLE — An enthusiastic audience of families and friends came out to applaud and support the recent Summer Band concert of 45 youngsters from the 3rd thru the 12th grade, representing the entire Public School system. The smallest were unable to reach the floor; the tallest—well over six-feet. Together, they performed 13 numbers and an encore which they prepared under the baton of Norman Seip, Director of Instrumental Music in the Public Schools, here.

This is the second year of the Summer Band, and it is gratifying to note the growth in the size of the Band this year, and also the musical growth of the children, some of whom had their first band experience last year. Great credit for the development of individual students belongs to the music teachers of the schools from which they come. Credit also belongs to Seip for welding together so many children of such varying ages and abilities.

To Honor Bishop

EAST MEADOW—The Sisterhood of the Holy Trinity Russian Orthodox Church here announces the completion of plans for a dinner on Sept. 12. The dinner is in honor of his eminence Leonty Archbishop of New York and Metropolitan of the Russian Orthodox Church of North America.

Buying a Used Car

BY BRYAN V. JOHNSON

NEW YORK

Used-car buying is a lot like an uranium hunt. If you know how to look and where to look you've the best chance of success.

Few Are Car "Experts"

Unfortunately, few of us know all about cars. We know that it's foolish to judge a used car by its year and price alone—the shape it's in is much more important! But, when it comes to lifting the hood and listening for engine knocks... and checking the transmission... most of us are way out of our depth. So, if you're not an expert on how to buy a used car, you'll be well advised to know where to look. This is much easier as you will see.

So Know Your Dealer

When you can trust a dealer, you can trust the used cars he sells. And there are special reasons why you can trust Ford Dealers. See how they stack up against the average used-car lot. First, Ford Dealers are established businessmen with a big, long-term investment.

They depend on your good will, for they want your service business and they also hope you'll be a new client some day. They aim to please you. They have expert mechanics who can put their A-1 used cars in top shape! And they look out for trouble spots to fix them, before you buy, so that you don't get stuck!

A Tip About Prices

It's also well worth knowing that Ford Dealers (unlike most used car lots) don't depend on selling used cars alone for their profits. They handle used cars as a service to their new-car customers, who are trading in every kind of make and model on new Fords. And, as you've probably read recently, Ford cars are selling like hot cakes these days. So, to keep their used-car stocks moving, your Ford Dealer's prices are now even lower than usual, and are way below average.

For a good reliable used car, at rock-bottom price, and on the easiest of credit terms, you can't do better than go see your Ford Dealer. You can bet you won't be disappointed!

Doctor Jones Says

By PAUL R. BROOKS, M. D.

My first year in medical college, 50 years ago, an older medical
student told me a story. Two former classmates met in a New York
Club. One of 'em was evidently, very prosperous. He'd been operating
as an advertising "quack." His explanation: he had a "good business
head." The other, a better student, was just an ordinary, ethical doc.
He still had to "count his pennies."

"If you want to know," the Quack said, "why I've done better'n
you have, sit by that front window: count the first hundred people
that go by: see what proportion of 'em look intelligent." The ethical
doctor, when he came back: "Oh, maybe," he said, "a third of 'em."

"Sure!", Dr. Quack said; "You get them; I get the other two-thirds."
That's kind of a corny story—probably never happened. But it
does bring out some points. There're some dishonest, unethical men
in medicine (I never heard of a woman quack) and other professions.
They make money—if they keep out of jail. Usually—but not in-
variably—it's less intelligent people that patronize 'em. They aren't
respected in their professions. They're outlaws.

"Of all criminals," a president of the American Medical Assoc.
wrote, not long ago, "the worst are those who prey on sick and suf-
fering persons." The association has a bureau that investigates 'em.
They can't prosecute 'em but they often provide the evidence that
leads to their conviction. Physicians are in a position to appreciate
the viciousness of what these shysters are doing. So, the president
urged, they should consider it their responsibility to do what they can,
"through proper law enforcement channels," to put them out of
business.

The American Medical Journal, over the years, has shown up a
lot of these people including, of course, the "cancer quacks." The as-
sociation, a report said recently, has had damage suits brought a-
gainst 'em totaling 40-million dollars. The only time they ever had to
pay damages, the judgement against 'em was one penny. The quack
doctors, apparently, don't stand much better in the courts than they
do in their own profession.

PROPOSED ORDINANCE NO. 147, 1954
BOND ANTICIPATION NOTE ORDINANCE, DATED SEPTEMBER 13, 1954, AUTHORIZING THE ISSUANCE OF \$267,000 BOND ANTICIPATION NOTES OF THE COUNTY OF NASSAU IN ANTICIPATION OF THE SALE OF SERIAL BONDS AUTHORIZED TO FINANCE THE CONSTRUCTION OF SEWER FACILITIES IN SEWAGE DISPOSAL DISTRICT NO. 2 OF NASSAU COUNTY, PURSUANT TO THE LOCAL FINANCE LAW AND THE COUNTY GOVERNMENT LAW OF NASSAU COUNTY.

BE IT ORDAINED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF NASSAU, AS FOLLOWS:

Section 1. The County of Nassau shall issue its Bond Anticipation Notes of the aggregate principal amount of \$267,000, pursuant to the Local Finance Law of New York, in anticipation of the sale of \$267,000 Serial Bonds authorized by the Bond Ordinance entitled "Bond Ordinance, dated September 13, 1954, authorizing an additional \$267,000 Serial Bonds of the County of Nassau to finance the construction of sewer facilities in Sewage Disposal District No. 2 of Nassau County, pursuant to the Local Finance Law and the County Government Law of Nassau County" adopted by the Board of Supervisors on September 13, 1954.

Section 2. The purpose to be financed by the issuance of such Bond Anticipation Notes is the construction of trunk line sewers in said Sewage Disposal District No. 2 of Nassau County, in accordance with the general plan described in the ordinance adopted by the Board of Supervisors of said County on October 1, 1945, for the purpose of establishing the sewage disposal district known as "Sewage Disposal District No. 2 of Nassau County", and the acquisition of such lands or rights in land and the acquisition and in-

stallation of such original furnishings, machinery and apparatus as may be required for such trunk line sewers.

Section 3. As required by said Local Finance Law, it is hereby stated that (a) there are no outstanding Bond Anticipation Notes issued in anticipation of the sale of said Serial Bonds and (b) the notes authorized by this ordinance are not renewal notes and (c) the notes authorized by this ordinance shall mature within one year from the date of their issue and (d) such notes are issued in anticipation of bonds for an assessable improvement.

Section 4. The power to prescribe the terms, form and contents of said Bond Anticipation Notes, subject to the provisions of this ordinance, and all powers and duties pertaining or incidental to the sale and issuance of said Bond Anticipation Notes, are hereby delegated to the County Treasurer. The County Executive and the County Treasurer are hereby directed to sign any Bond Anticipation Notes issued pursuant to this ordinance and the County Clerk is hereby directed to affix to such notes the corporate seal of the County of Nassau and to attest such seal.

Section 5. The validity of said Bond Anticipation Notes may be contested only if such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or the provisions of law which should be complied with at the date of the publication of this ordinance, are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication; or if said obligations are authorized in violation of the provisions of the Constitution of New York.

Section 6. This ordinance shall take effect immediately upon its adoption.

PROPOSED ORDINANCE NO. 146, 1954

BOND ORDINANCE, DATED SEPTEMBER 13, 1954, AUTHORIZING AN ADDITIONAL \$267,000 SERIAL BONDS OF THE COUNTY OF NASSAU TO FINANCE THE CONSTRUCTION OF SEWER FACILITIES IN SEWAGE DISPOSAL DISTRICT NO. 2 OF NASSAU COUNTY, PURSUANT TO THE LOCAL FINANCE LAW AND THE COUNTY GOVERNMENT LAW OF NASSAU COUNTY.

WHEREAS, the Board of Supervisors of the County of Nassau, acting pursuant to and in accordance with Section 1222 of the County Government Law of Nassau County, as amended, has, by ordinance duly adopted on October 1, 1945, established the sewage disposal district known as "Sewage Disposal District No. 2 of Nassau County" and has, by said ordinance, directed that the sewer facilities described in the general plan referred to in said ordinance be constructed in said District, and such sewer facilities include those which are described in Section 2 of this ordinance; and

WHEREAS, the Board of Supervisors of said County finds that it is necessary to authorize the issuance of \$267,000 of bonds in addition to the \$16,598,000 of bonds authorized by bond ordinances heretofore adopted, in order to finance the cost of constructing such sewer facilities described in Section 2 of this ordinance; and

WHEREAS, the entire cost of constructing such sewer facilities is to be paid by assessments upon benefited real property in such District;

BE IT NOW, THEREFORE, BE IT ORDAINED by the Board of Supervisors of the County of Nassau, as follows:

Section 1. The County of Nassau shall issue its Serial Bonds of the aggregate principal amount of \$267,000, pursuant to the Local Finance Law of New York, in order to finance the specific purpose hereinafter described.

Section 2. The specific purpose (hereinafter referred to as "purpose") to be financed by the issuance of said bonds shall be the construction of trunk line sewers in said Sewage Disposal District No. 2 of Nassau County, in accordance with said general plan described in said ordinance adopted on October 1, 1945, and the acquisition of such land or rights in land and the acquisition and installation of such original furnishings, machinery, and apparatus as may be required for such trunk line sewers.

Section 3. It is hereby determined that the maximum cost of such purpose as estimated by the Board of Supervisors, is \$16,855,000, and that the Board of Supervisors plans to finance the cost of such purpose entirely from funds raised by the issuance of the Serial Bonds authorized by this ordinance, and by the issuance of the \$16,598,000 of Serial Bonds authorized by bond ordinances heretofore adopted, and that no money has been previously authorized to be applied to the payment of the cost of such purpose other than the \$16,598,000 provided by said bond ordinance.

Section 4. It is hereby determined that the purpose is one of the objects or purposes described in Subdivision 4 of paragraph (a) of Section 11.00 of said Local Finance Law and that the period of probable usefulness of such purpose is thirty years.

Section 5. The power to prescribe the terms, form and contents of said Serial Bonds, subject to the provisions of this ordinance and of any other ordinance or resolution hereafter adopted, and all powers and duties pertaining or incidental to the sale and issuance of said Serial Bonds, are hereby delegated to the County Treasurer of the County of Nassau, and the County Treasurer is hereby directed to sign any Serial Bonds issued pursuant to this ordinance and the County Clerk is hereby directed to affix to such bonds the corporate seal of the County of Nassau, and to attest the same.

Section 6. The validity of said Serial Bonds of any bond anticipation notes issued in anticipation of the sale of said Serial Bonds, shall be conclusively established by such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or the provisions of law which should be complied with at the date of the publication of this ordinance are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication; or if said obligations are authorized in violation of the provisions of the Constitution of New York.

Section 7. The County Treasurer is hereby authorized to cause such bonds to be printed and to such things as may be necessary to advertise the sale of the bonds and to employ Messrs. Reed, Hoyt, Taylor & Washburn, Attorneys of New York City, or furnish to the purchaser or purchasers of such bonds an opinion as to their legality.

Section 8. This ordinance shall take effect immediately upon its adoption.

FORMERLY OF ESSEX, England, Miss Audrey Ellen Jaye Weller of 13 So. Elm St., Hicksville, became the bride of Michael Loukides of New Haven, Conn., on Aug. 28. (Photo by Lappner-Carney Studios of Hicksville).

Miss Weller Becomes Bride

Miss Audrey Ellen Jaye Weller, daughter of Mr. and Mrs. Ernest George Weller formerly of West Mersea, Essex, England now residing at 13 South Elm St., Hicksville, became the bride of Michael Loukides, son of Mrs. Kosta Loukides and the late Mr. Loukides, of 1360 Chapel St., New Haven, Conn. The ceremony was performed Aug. 28 by the Rev. Nicholas Nappi, the bride's pastor, assisted by Rev. Arnold T. Malmberg of the Evangelical Free Church, New Haven. Special music for the occasion was furnished by Mrs. Leroy Tatem, of Westbury, organist, and Miss Mary Dukeshire, graduate student of Yale University, vocalist.

The bride, who was given in marriage by her father, wore a white gown of appliqued lace and nylon tulle. Her fingertip veil fell from her beaded tiara. She carried a cascade of a white orchid, stephanotis and gladioli. Serving as Maid of Honor was the bride's sister, Marian Weller. Bridesmaids were Janet Weller, also sister of the bride, and Lillian Ellingsen of Richmond Hill.

The Rev. Gerald W. Gillaspie of West Haven, Conn., served as best man. Ushers were Robert Anderson of Woodside, and Lawrence Larn of New Haven.

Following the ceremony, a reception was held at the Vinesse Coach Restaurant, Syosset. Upon their return from a wedding trip, the couple will reside in 133-02 Lefferts Boulevard, Ozone Park, New York.

The bride was educated in England is now an officer of a New York shoe design company. The groom received his Bachelor's degree Magna cum laude from Pace College in 1952, and is now on the staff of Loukides & Lambrides, Certified Public Accountants of New York City.

The first regular meeting of the season of The Sisterhood of Shalom Zedek will be held Tuesday evening, Sept. 14, at 8:30 P.M. in the Temple on East Barclay St.

Miss Anne Rottkamp of Carmen Ave., Hicksville entertained a group of her classmates and friends at a barn dance on last Wednesday evening.

Series Of 6 Teas Climax of Drive

Climaxing its August drive for members, the Sisterhood of the North Shore Synagogue sponsored six teas during the last week of the month. Held at members' homes, new residents in the area were feted to enable them to meet their neighbors and to become acquainted with the ideals of Sisterhood: to foster the highest ideals of Judaism, to promote closer fellowship with all religions, and to cooperate with the North Shore Synagogue in maintaining highest religious, social and educational activities.

Serving as hostesses for the teas were: Mrs. Fred Gorman, entertaining new residents from Greenway in Syosset, East Norwich, and Jericho; Mrs. Harold Weintraub, entertaining women from Miller Homes, Hillside Terrace, Southwood and Syosset Gardens; Mrs. David Chernow, hostessing Birchwood residents; Mrs. Shep Levine, Clearview Village and Suburban Greens in Hicksville; Mrs. Jerry Jacobs, Parkfield and Plainview; and Mrs. Murray Gewirtz, Eileen Gardens and Hathaway Downs, Syosset.

Cards for the registration of the students of the North Shore Synagogue Religious School and Hebrew School are being sent out now to all members of the Congregation, it was announced today by Ira Friedman, Chairman of the Religious School Committee.

The expansion of the school program this year makes available several more positions for Sabbath School teachers. All available adults who have had teaching experience or think they would be interested in teaching Religious School are urged to get in touch with Ira Friedman at Hicksville 3-7354. Courses in religious instruction are available to all teachers at no cost to them, if desired.

Beef Is Outdoor Favorite

The thick juicy steaks, the savory stew, and the hamburger's we've been enjoying this year will continue to be plentiful in the months ahead, according to Cornell specialists. Beef lends itself especially well to outdoor cooking, so enjoy your summer meals. Ground beef is a particular favorite.

If you're looking for new ways to dress up the humble hamburger, here are some suggestions you might try:

Cheese-topped patties—Make a cheese spread with either sharp cheese mixed with Worcestershire sauce or blue cheese blended with softened butter or margarine. When the hamburgers are almost done, spread the cheese on them and finish broiling.

Creamed burgers—Brown hamburger in a little fat in a frying pan. Season to taste, add a small amount of minced onion, and cook a few minutes longer. Sprinkle a little flour over the meat, stir, and brown. Add milk, a little at a time, until the desired consistency is reached, continue to stir and cook slowly. Serve over hot fluffy rice, hot biscuit or toast, or boiled or baked potatoes.

Hamburgers are also extra-special when served with a mountain of fried onion rings, or a topping of cole slaw; or with grilled slices of pineapple.

Iced Tea in a Hurry
When the dog days strike, you'll probably be drinking up quantities of iced tea to help keep cool. You can make two quarts at a time and store it in the refrigerator to use as needed.

Here's how: Bring one quart of water to a full rolling boil. Remove it from the heat and immediately

add 6 tablespoons of tea—or ten bags equal to that amount. Let the tea mixture steep 3 to 5 minutes, depending on how strong you like it. Stir it well, then strain it into a pitcher or container that already holds one quart of cold water. Store in the refrigerator, and add ice cubes when you're ready to serve.

How Is Your Lemon Pie?
Can you bake a lemon pie? No doubt you can, and it probably tastes very good too. But if you're like the many homemakers who have written to Cornell's College of Home Economics, you're never quite sure how it will look. Why is the filling firm one time and runny the next, and what makes it runny?

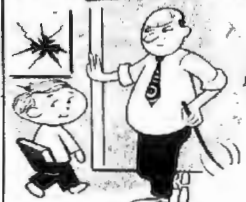

Prof. Alice Briant of the food and nutrition department at the College has come up with a couple of solutions. She advises following recipe measurements meticulously, and adding the lemon juice to the pie mixture after it has cooked—then stirring it very gently. If the pie is then meringued and allowed to cool 4 or 5 hours before serving, it probably will be all right.

If you still get runny pies after following this suggestion, the next thing to do is to reduce the amount of lemon juice your recipe calls for. Professor Briant has also found that thicker pie fillings can be made over direct heat, then by cooking in a double boiler.

YOUNG FOLKS DON'T THINK ABOUT PROTECTION UNTIL AFTER THE ACCIDENT... BUT THE EXPERIENCED MERCHANT GUARDS HIS BUSINESS THROUGH REGULAR ADVERTISING IN THIS NEWSPAPER

the Sportlight

By HOWARD FINNEGAN

An abundance of beef on the hoof is a rare commodity on Long Island, but the Hicksville Field Club football practice range is an exception.

A thundering herd has responded to the call of the Black and White and over 80 candidates have made an appearance at this last outpost of semi-pro football on the island.

Enriched as never before, Coach Dom Sabatella goes about carefully watching the talents of the outpouring with an eye towards the eventual decisions that must be made to reduce the squad to a legal New York-New Jersey Football Conference limit of thirty-five.

While he is very pleased by the fact he can field a team with a forward wall averaging 235 pounds, Dom is unbounded in praise of his lighter but none-the-less capable backfield.

Most important in the deliberations of the Field Club management is the point that the club is founded on the Hicksville flavor and support and every effort to encourage and retain ex-Hicksville High lads is being made.

This Sunday the team will have its only actual scrimmage before the season opener at Middletown, N. Y., Sept. 18.

The prospect of facing the defending league champions with such limited work concerns the B & W but a fast moving offense sparked by the passing of Art Silk, last year's quarterback with the Westbury Vamps, is the Hicksville hope to overcome that factor.

Scheduled for backfield assignments under the Middletown lights are Tom White, Mineola's Bill Going, Westbury's New York State sprint record holder, Vince Alexander, Howard Speedling and Joe Pepe. The latter two are recent favorites of Hicksville High fans.

Line spots seem already won by John Wyslovski, Dan Desmond, Bob Loftus, Bill Springsteen, Tom Knifing, Charles Kramer, Dick Stinson and Stan Sucharski.

That group includes 1953 Comets and veterans of previous field club campaigns. Bill Kessler and Tom Walsh, a tackle and accomplished end, are new additions assured berths.

Plans are not completed as yet but the Field Club plans to hire three or four buses for the curtain raiser at Middletown. The team will be transported to the site in this manner and a special bus-game admission ticket will be offered Hicksville fans who wish to take this Saturday night excursion.

The Herald will have full details of this bus trip in our next issue.

Roy Stephenson's quest for the championship of the World's Softball Tourney takes another big and perhaps successful step at Minneapolis, Minn., later this month.

His Long Island team lost in the local playoffs but he was picked up by the champion De Ju nine. He then took the New York entry safely through the Regional championships at Jersey City and will carry the big load for them at the World's Tourney.

In the Jones Beach Little-World Series the Meenen entry was ousted quickly 8-2 and 16-0 by Pin Up. This match between the first and second winners was completely disappointing because the Meenen pitching staff had a vacation, a badly bruised index finger and an overtired right arm.

Those conditions were spread over the three man staff.

Stretch Dollars Is Added Course

HICKSVILLE — Although not included in the program of subjects for this fall adult education term, Harold J. Robbins will conduct a course in Consumer Education this fall on Wednesday from 7:30 to 9:30 P.M. Director Elery Bean said Robbins will lead an informative discussion showing the consumer how to stretch his buying dollar by means of comparative shopping, food, and cosmetic testing and recognition of hidden costs. A suggestion has also been made that a course be offered in fencing. Anyone interested may contact Bean at the high school any evening, Monday thru Thursday.

Helpful Hints For Closing Cottages

All good things must come to an end and summer is fast drawing to a close. If you have a summer cottage, you'll soon be shutting it up until next year.

Be sure you close it in such a way that the mice and squirrels don't take over in your absence. Store bedding and linen in metal trunks, tin-lined boxes or boxes covered with metal screening. Fill cracks in cupboards and walls with steel wool to block off any entrances for little animals. Keep squirrels from coming down the chimney by placing a screen over the top of the chimney and a fireboard or metal strip in the chimney opening. Close the damper of any stove or fireplace.

Clean out all food and crumbs before you go. Spray all around with a good insecticide. Store canned and packaged supplies in covered metal containers.

Disconnect your refrigerator, remove all food, empty ice tray, and defrost. Wash it with a baking-soda-and-water solution, wipe dry, and leave the door open.

Don't forget to disconnect all other electrical appliances. Matchboxes are a fire hazard, so put them in tightly covered tin cans.

Cost the Same

Contentment is better than riches, but it takes about the same amount of money for one as the other.

Conservation Law Changes Of Interest To Hunters

ALBANY, Aug. 28 — Conservation Dept spokesmen today called attention to several amendments to the Conservation Law which will affect hunters in the field this fall. Foremost of these is the requirement for the wearing—by big game hunters—of a back patch license. Another amendment to the Law, they said, requires that a non-resident of the State or an alien hunting big game (deer or bear) shall have the usual non-resident or alien big game license—fee \$10.—and, in addition, the non-resident or alien regular hunting license—fee \$10.

Bow and arrow hunters, too, they said, are affected by recent amendments to the Law. One change in the law prohibits possession, while in the field, of firearms by archers while hunting big game under the special archery license, while a second amendment increases the

non-resident fee and the alien fee for the special archery license to \$10.00. The resident archery license fee remains at \$5.25, they said, and there is no change in the requirement for a bow having a pull of not less than 45 pounds in hunting big game. Nor is there any change this year, they added, in the special archery season which permits bow and arrow hunters to take one deer of either sex and a bear during the 14-day period preceding the regular open gunning season for deer.

It was also pointed out that re-enrollment this year of the North-South Hunting Zone Five will alter the hunting season-pattern in two counties of the Adirondack group. These are Oswego and Saratoga counties, both of which were wholly within the Northern Hunting Zone last season. This year, sections of these two counties lying North of the zone line will follow the North Zone seasons on big and small game while southern Saratoga County seasons will coincide with those of the Catskill and Eastern counties. Southern Oswego, on the other hand, falls into the Central and Western counties group where, in the case of deer and bear hunting, only shotguns using slugs is permitted.

Pat on Back for Our Music Co

By BETTY MOGAYNO
H-4-5772

The Hicksville Music Co which maintains its location on Broadway and caters to music lovers of all ranges certainly deserves a tremendous pat on the back for a deed well done. The store is operated by Danny Tarkoff and his partner, Bernard Haggerty. Each and every Friday evening a teen-age dance occurred at the Levittown Hall and these two benevolent men faithfully donated their time and albums of records for the teen-agers to help assure along with others, that the youngsters would have an evening of fun.

Our hats are off to you Danny and Bernard it's people such as you that will aid in making our community a better place to live in.

Here is a wonderful event that will take place on September 11th at the St. Ignatius Loyola Church on Broadway. Patricia Trenck who

is 14 and lives on Hicksville Lane will become the bride of Peter Redmond, 19 the son of Mr. and Mrs. Harry Redmond of St. Petersburg, Florida, at 5 o'clock. A reception will follow at 6 at the American Legion Hall of Hicksville. They will go to St. Petersburg, Fla. for a honeymoon. Patricia's gown will be of chantilly and lace and created by Pat's own mother Mrs. Marion Trenck. Her gown will certainly be of double sentimental value to Pat for all ways. Much happiness to you both always.

Pinn Hoff's mother has returned to Norway after a lengthy and most happy visit. She loves it here but like that old but true adage there's no place like home. Tim Hoff's residence on Cambridge Drive.

If you recall that article I mentioned in my last column about Mr. and Mrs. Parson's pet cat being lost, well then I think you might be interested to learn that Mrs. Dillinger of South Oyster Bay Road phoned me immediately to inform me the cat was found dead on her lawn. This in itself is dead enough but it seems that a number of pet cats have been found in similar positions and it is thought poison might be the cause.

Belated congratulations on the sixth wedding anniversary of Mr. and Mrs. Joseph Cistaro of Cambridge Drive, which occurred on August 20th. We wish you have many, many more.

The Sharei Zedek sisterhood will have membership tea on Sept. 7th at the temple located on East Barclay street.

Two families in Hillside welcomed blessed events this month. They are Mr. and Mrs. I. Rosoff of Hunter Lane who now have a girl since Aug. 24th named Robyn Dawn. Robyn weighed 6 lbs. 7 ounces and was born at Brunswick General Hospital. And Mr. and Mrs. Carmine Garguilo of Hunter are now the proud parents of identical girl twins named Lynn Anne and Laurie Anne, born on July 28. Lynn weighed 5 lbs. 4 ounces and Laurie tipped the scales at 5 ounces even. They made their debut at the Forest Hills General Hospital. Congratulation The Holy Name Society of Lady Of Mercy Church, R. C. located on South Oyster Bay Road are planning a "Harvest Dance" on September 17th. That should be fun.

Happy birthday time is here again and greetings are going out to: Millie Ollins of Wellesley who observed her birthday August 6th. Evelyn Beach of Cambridge Dr. had her natal day—Sept. 13th. Robert Ulrich of Cambridge Dr. will celebrate her birthday on September 27th, and here's a family of birthdays—Susan Berman was 1 year old on August 29th, brother Joel Berman was 4 years old on September 4th and Mom Selma will have her birthday on September 23rd. The Bermans have their home on Lehigh Lane, Susan Weber of Berkshire Road will be 3 years old on September 10th and will celebrate with a party for her little friends. Robert Ulrich of Cambridge Dr. will be 5 years old on September 18th, Genevieve Neff of Wellesley Lane was 6 years old on August 26th and brother Michael was 9 years old on August 31st. Jeffrey Turkel had a birthday August 26th of Wellesley Lane.

It seems there is a fellow living in Hillside Terrace who handles glass knobs for sliding glass doors that are hard to grasp without this partic-

ular type of knob. There are a group of women here and in another development that are anxious to obtain them but have been unsuccessful in locating the man and have appealed to me for help. If you read this, Mr. Hillside, will you please call me?

The JWV Ladies Auxiliary of Hicksville will hold a membership barbecue on Sept. 7th at President Myrtle Lang's home, on Sleepy Lane.

A group of children put on a show for the entertainment of their neighbors with the admission proceeds to go to the polio foundation. This was awfully sweet of them and they deserve mentioning. They were: Judy Kasindorf of Vassar Lane, Beth Glasen of Haverford Road, Richard Perricone of Vassar Lane who acted as m.c., Barbara Hartnig of Vassar Lane and Elyse Aronoff of Vassar Lane.

Alan Rasenfeld of Haverford Road received 1st prize for arts and crafts at the Woodland School and received a badge of merit. He created a ring and several pet-holders.

Well it's back to school again for all school-age children and didn't all of them make a fine sight in their nice, new clean clothes and freshly scrubbed faces.

Child Collides With Fire Truck

HICKSVILLE — A five-year-old Bethpage child was hurt over the Labor Day weekend in an accident involving a fire truck which has not moved a fraction of an inch in years. Police reported that Camille Calabria of 124 Brenner Ave suffered a cut on the bridge of her nose when she collided with an old fire truck standing on the property of Fred Habenicht on South Broadway, near Roosevelt Ave. on Sept. 4. The child was treated by Dr. Alwyn Rand.

PROPOSED ORDINANCE NO. 156, 1954

AN ORDINANCE AUTHORIZING THE COUNTY EXECUTIVE TO EXECUTE AN AGREEMENT OF SETTLEMENT IN CONNECTION WITH MAP OF PROPERTY TO BE ACQUIRED FOR THE IMPROVEMENT OF SOUTHERN STATE PARKWAY, SECTION ONE, IN THE TOWN OF HEMPSTEAD; PURSUANT TO THE PROVISIONS OF THE COUNTY GOVERNMENT LAW OF NASSAU COUNTY, THE NASSAU COUNTY ADMINISTRATIVE CODE AND AMENDMENTS TO SAID LAWS.

WHEREAS, the County of Nassau has heretofore acquired title to certain premises located at Valley Stream and at Lakeview in the Town of Hempstead, County of Nassau, through tax foreclosure proceedings; and

WHEREAS, subsequent to such acquisition the Jones Beach State Parkway Authority condemned the said premises for the improvement known as Southern State Parkway, Section One, and caused to be filed in the office of the County Clerk of Nassau County a map entitled: "Map of property to be acquired for the improvement of Southern State Parkway, Section One. Prepared by Lockwood, Keeler & Bartlett, Inc., Great Neck, New York, Map No. A-1R-1" dated April 1953, upon which map the premises owned by the County of Nassau are designated as Parcels 55, 133 and 135; and

WHEREAS, the Jones Beach State Parkway Authority has requested that the County of Nassau execute and deliver to it an agreement in settlement of all claims for damages created by the acquisition by said Authority for good and valuable considerations, as set forth in an agreement in writing dated September 13, 1954, a copy of which is on file in the office of the Clerk of the Board of Supervisors;

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF NASSAU AS FOLLOWS:

Section 1. That the County Executive be and he hereby is authorized to execute for and on behalf of the County of Nassau said agreement dated September 13, 1954 between the County of Nassau and Jones Beach State Parkway Authority and to execute any and all other instruments necessary to effectually carry out the terms of said agreement.
