New Directory Going To Every Local Home

HICKSVILLE—The fourth edition of the Hicksville Directory, 1954-55 issue, published by the Republican Club, will go into circulation starting Saturday. Sidney Pelley, of 105 Bay Ave., committee man for the 40th Election District, is again the chairman of the committee in charge of the entire production—the biggest ever produced.

A handbook with facts on local government and special districts, organizations, churches and fire alarm signals, also includes a new, revised map of the entire community. The book consists of 84 pages. A total of 15,000 copies have been published. The club has also printed 17,000 copies of the new map.

The book will be distributed to every home, coincidental with the GOP committeemen's canvass of new homes in advance of voter registration which takes place on the first two Saturdays in October. It includes a "where to get it" classified directory.

Cedar-Cliff Elects New Slate

HICKSVILLE—Harry Sears is the newly elected president of the Cedar-Cliff Civic Assoc., succeeding James Glynn. Other officers chosen at a meeting at Amvets Hall on Tuesday night were John Reichel, vice president; Frances Harrell, secretary; Peter Gordon, treasurer; Lee Daniels, William Boumester and Gregory Fraser, trustees. Sears pledged himself and the new officers to double the membership. Glynn and the other retiring officers received a standing ovation for their efforts during the maiden years of the organization serving 850 home owners.

COUNCILMAN CHIUMSKY cuts the tape to officially open Savel Jewelers at 97 Broadway, Hicksville, on Friday night. Present for the ceremony were Mrs. E. Reichenber, owner; Louis Savel, manager; Frank Chiumsky and Mrs. Louis Savel. The store is open every evening this week to celebrate its grand opening. Winners of \$2,000 worth of free prizes will be chosen tomorrow (Friday) night at 6 o'clock at the store from among those who have left their names up to that time. (Herald photo by Frank Mallett)

CITING SPECIFIC HAZARDS:

Board To Carry Student Safety Appeal To Albany

HICKSVILLE—Difficulty experienced in attempting to apply the recent transportation ruling of Dr. Charles Brind, counsel for the State Dept. of Education, in three specific cases in the community, were made public this week as the Board of Education voted to send a delegation including two board members and its new attorney, Bertram Crane, to Albany.

"As soon as practicable" the delegation including two board members—one specifically Emil J. Szendy—with Crane and Max W. Cheney, assistant to superintendent in charge of transportation, will go to see Education Commissioner James Wilson to argue the case of hazards to pupils along pedestrian routes to school.

As outlined by Szendy, the specific hazards are:

Woodland Ave. School—"A goodly number of pupils (in Hillside Terrace) attending this school must cross Woodbury Rd., a major traffic artery. After a survey by the police, a guard has been placed at Pollock Rd. The direct car route to Woodland Ave. School from the west is shorter than the pedestrian route when Woodbury Rd. is crossed only where the guard is stationed. In granting or denying transportation, should not the distance to the school be measured by way of the guarded crossing and not along the 'nearest car route?'" Szendy wants to know.

East St. School—"Children who attend from north of the railroad must traverse Bethpage Rd. which provides the only rail-road crossing in the vicinity. The crossing has flashing lights, but no gates. There are sidewalks only on one side of the road, and no guarded crossings. Low areas of the road flood even when the rainfall is not heavy, the flood areas ice up in the winter time. Under Crandall (Continued on Page 14)

Giant Drainage District Next?

The creation of the giant drainage district, stretching across Long Island from the Atlantic Ocean to the Long Island Sound and covering nearly 100 square miles, is planned on motion of the Town Board and pursuant to law enacted in the 1954 session of the New York State legislature.

The hearing on Tuesday morning, Sept. 28, is scheduled to start at 10 o'clock in the morning in Oyster Bay Town Hall.

YOUTH RESPONSE DISAPPOINTING:

Teen Week Concludes on Saturday

HICKSVILLE—The first observance of Youth Week concludes this Saturday with a Hobby Exhibit, Fashion Show and final Ceremonies featuring the appearance of public and business leaders. Presentation of awards won by the teens during the week at various functions will be made at a dance in the high school gym tomorrow (Friday) night, according to Charles DeShaw, chairman of the Youth Week program.

The Nassau Ramblers will play for the dance this Friday night which starts at 8 o'clock. Marilyn and George of Shibley Studios will be present to demonstrate the Lindy, Tango and Mambo. There will be refreshments provided by the William M. Gouse Jr. Post, Veterans of Foreign Wars.

Events on Saturday include a hobby exhibit sponsored by the Public Library to be held at the Centre Shops, Newbridge and Old Country Roads, from 1 to 3 o'clock.

Prompts at four o'clock Saturday a fashion show will be staged in the high school auditorium in cooperation with Abraham & Straus which is providing hundreds of dollars worth of clothing for the show. A group of local teens will model the clothes.

At five o'clock the final ceremonies will take place in the high school auditorium.

Despite rain and inclement weather, the baton twirling demonstration was held as scheduled, Tuesday evening, in the parking field next to the Legion Hall. The participants, members of the high

school band, were Joyce Luther of 123 Brittle Lane, Rosemary Fee of 101 East St., Pat Saunders of 68 Elm St., Penny Masek of 416 South Broadway, Dennis Trembley of 107 Brittle Lane and Rosemarie Dyckman of 1 Mabel St.

Adult sponsors generally were disappointed in the general lack of interest shown by the teens not participating in events of the eight-day program.

About 20 attended the youth round table discussion held Wednesday night at Dutch Lane School. The program was tape recorded by the Herald for replaying at a future meeting of the Youth Coordinating Council.

Opinion of the four teens participating with DeShaw as moderator was that the community needs a Youth Centre and those present pledged themselves to assist in achieving that goal.

A girls ball game on Levitt Field earlier the same evening resulted in a tie at the end of three innings called on account of darkness. Mrs. Edward J. Miller was coach for the MacPherson Wildcats while Martin Walter was in charge of the Hicksville Devils. The score was 3-3 when it was called.

Betty Ann Dehler and Linda Piccerelli were the battery for the Wildcats while Phyllis DeMonaco and Dolly Zivica were catcher and pitcher for the Devils.

Richard Mirabella, mayor of Youth Week; Kathy Yoost, official hostess and the Teen Councilmen were the guests of Henning's Restaurant at a chicken dinner, Tuesday night.

Hey Kids, It's Your Day

HICKSVILLE — Thousands of boys and girls are expected to take part in the annual Kids Day events on the high school grounds Saturday, Sept. 26, between 9 AM and 1 PM. There will be 50 events, with prizes for first, second and third winners in each event, according to Joseph Oliver, chairman of the program.

Youngsters will be treated to light refreshments by the Kiwanis Club following the competition.

Saturday has been officially proclaimed as "Kids day" in Hicksville by Supervisor Lewis Lewin, in observance of Kids Day by the Kiwanis Club here, according to President James Walters.

N. Waters, calling upon "all citizens to support the objectives of this day and to cooperate to the best of their abilities in making the event a success."

This is the 8th annual observance of Kids Day by the Kiwanis Club here, according to President James Walters.

Protest Use of Levittown Hall For Private Wedding Parties

HICKSVILLE — The Executive Committee of the NLHOA has filed a formal protest with the Oyster Bay Commissioner of the Oyster Bay-Hempstead Joint District, Supervisor Lewis N. Waters. The protest was prepared as a result of a recent decision by Thomas V. Kelly as Superintendent of the Pool-Hall District, to permit the use of Levittown Hall for private purposes such as weddings, confirmation, etc.

Section Eight of the District code has been interpreted by Kelly as permitting such an arrangement although precedent has always reserved the facilities for organisational use only, according to the NLHOA.

The Assoc. feels that the number of requests for such private use will shortly outnumber group requests and result in scheduling conflicts. Any one of 20,000 taxpaying families may now request the Auditorium for such private parties," a spokesman said.

"Because such a decision reflects a change in policy, and as such, should originate at a meeting of the Commissioners, the NLHOA has appealed to Supervisor Waters to convene such a meeting and reconsider this ill-advised policy. The Assoc. has encouraged the Supervisor to convene a public hearing and solicit taxpayer opinion, if a doubt exists as to the proper policy to be pursued. The NLHOA has further reminded the Commissioners that the District is a municipal corporation that should reflect the interests of taxpaying residents."

General approval has been indicated.

Fire Prevention Poster Contest

The Plainview Fire Co. once a year conducts all the residents of its district of Fire Prevention Week. This year the dates are Oct. 3rd to Oct. 9th. This is a good time for all of us to take stock of our habits. We know that each and everyone of us is careless along these lines therefore lets inventory our homes for fire hazards.

If the following things are checked into a majority of fire hazards can be eliminated. The bundle of newspapers in the corner. The paint cans and oily rags in the basement. The matches accessible to children. The things accumulated around the oil burner. The oversize fuse in the electrical box in the cellar thus the fuse will not blow when the line is overloaded, and smoking in bed.

Now in conjunction with the reminder the Fire Co. is conducting a contest within our school district. The awards, will be presented to

the children for the best poster on fire prevention. The presentation will be made at a general assembly after the winner is determined by the Board of Directors of the Fire Company. This contest is open to the upper grades, 5th, 6th, 7th, and 8th.

The Fire Co. is putting on its annual fund drive starting Sept. 27th. There will be a letter sent to all the homes in the district, enclosed you will find a return envelope. It will be appreciated if you will mail your contribution as soon as possible to eliminate the firemen calling on you at a later date to pick it up.

This is a summary of the drill teams accomplishments for the year of 1954. The team won a total of twelve trophies in the following Major tournaments. Lynbrook (one) Hempstead (one) Special with Co. #5 of Hicksville (one)

9th Battalion (six) St. James (one) Hickville Labor Day (two). This has been one of the best years for the Plainviewmen in the history of the company.

We are proud to announce and congratulate the Ladies Auxiliary of the fire company for winning second place in the Labor Day Parade in Hicksville. It should also be known that the ladies are conducting a barn dance at the fire house on Sept. 25th at 8:30 P.M. Let's all get out to support them at this time. We are sure that an enjoyable evening can be had by all.

The Comfort Committee is still hard at work sending packages to the boys in the service. The last package was sent on Sept. 16th to a total of 14 men, serving our Country from Plainview. We wish to thank all in the organization that have contributed to the worthy cause. We will continue to do so, as at the last meeting plans have been formulated to ship a Christmas package on Nov. 18, 1954.

It's a good idea to figure out if the other fellow is right than follow in his footsteps.

PLAINVIEW — At a meeting of school, Public Library consultant of the Board of Directors of the University of the State of New York, Mrs. Elizabeth Thompson of the Hewlett-Woodmere Public Library and who is connected with the Nassau County Library Association and with many others for whose advice and help he is indebted.

From these interviews and based on the figures obtained in his

preliminary report relative to this project.

According to Dr. Edgar A. Treacy, president of the local Chamber group, Mr. Kahn, a graduate of the University of the state of New York with a BS degree in the school of Business Administration, and who studied law at the Brooklyn Law School, informed the Chamber that a Library is a necessity for Plainview. With a present population of nearly 18,000 and with an expected population of more than 25,000 in a few short months, the need for providing the local residents with the best in the way of educational and reference works, especially the youngsters of school age, is great.

CURRENT COMMENT:

A Leading Citizen Dies

By FRED J NOETH

THE PASSING this week of Andrew B. Heberer was the occasion for many expressions of regret and sympathy for his widow and family.

Andy Heberer during long, long years of service to the community as the clerk of the Hicksville School District won many friends and admirers through his courtesy and untiring devotion to the numerous details of this office.

Word of his death on Tuesday came as a distinct shock to those who were present at the Board of Education meeting the previous evening. On Monday night Mr. Heberer had been at his customary position, recording the official acts and decisions of the School Board.

It had been rumored that Mr. Heberer would not continue in the position he had held for over 30 years when the annual reorganization meeting of the School District took place early in July. He had, shortly before, been confined to his home due to illness but told the Board members at the July session that he was willing to continue if they wished him to do so.

As Clerk of the District, he conducted that reorganization meeting until the Trustees chose their new president. In a manner typical of Mr. Heberer and his beliefs, he opened the meeting with a short prayer.

Mr. Heberer's ability to say an appropriate prayer was constantly utilized. In the volunteer fire department, where he was the chaplain for a long time, he was traditionally called upon to close all meetings at which he was present with a brief prayer. In the Exempt Firemen's Association, which he had served as president, he was also the chaplain.

At the meeting Monday night, Mr. Heberer joshed with the writer about the comments made here a couple of issues ago referring to the fact that he "sat quietly at his desk at Board meetings as he had for 32 years". As clerk of the Board, he unquestionably attended more Board of Education meetings in Hicksville than any other man or woman.

He showed us a little list, one time, naming those who had been on the school board during the time that he was district clerk. He found it significant that there had been relatively few changes in board membership during that long period. This he felt was a tribute to the people elected and to the satisfaction of the voters with their choice.

He was clerk of the district when the present high school was built. Of all the board members and district officials at the time the building was erected, Frank Chlumsky is now the sole survivor. Dr. Elwood A. Curtis who passed away a few weeks ago had been a member of that Board.

As the community burst at the seams four or five years ago, there developed sharply conflicting viewpoints on many subjects—including our schools and the Board of Education. During this hectic period, there never was a comment from even the most critical to cast a shadow upon the manner in which Mr. Heberer conducted the affairs of his office.

He was a familiar figure at all regular and special meetings and elections of the school district. As clerk, he occupied a unique and almost aloof position even in the heated moments at an annual meeting. He recorded the decisions of the meeting, advised the chairman of the evening, announced the results of the voting.

The writer during 20 years of newspapering in the community had many occasions to call upon Mr. Heberer for information and always found him most helpful and cooperative.

Mr. Andrew B. Heberer—as his father before him, the late Judge Heberer—served his community faithfully and well. He was truly one of Hicksville's outstanding citizens.

HERALD READER OPINION

Sees Progress by Youth Council

By MARTIN WALTER
To the Editor:

May I repeat what I had written two months ago; that your readers should not rattle your chains so loudly! They only serve to cause undue emotional disturbance among us and they only help to confuse the pertinent issues. I am sure that when Billy, the Kid, went killing and rampaging through the West, he was only another notorious headline to the people in the East. When I read of Phoenix, the "Sin City", I experienced great emotions, for Phoenix is in Alabama, a thousand miles away.

Koslow & Co. is in Brooklyn and they cannot and should not be compared with the Youth of Hicksville. True, we have our problems, here, but we are coping with them. Let your readers examine what has been done for the teen-agers in Hicksville, and they will be proud that they belong to this community.

They will be proud to learn that we are in receipt official word from the County Police which states that Juvenile "undisciplined", in this area, have subsided so much, in the short time that the Youth Co-ordination Council has been in existence, that the Police Dept has deemed it advisable to reduce the force in this area.

I agree with Mrs. Chaner (letter in Sept. 2 issue) when she states that stricter and earlier parental guidance is a necessity. I agree with her when she says that the true meaning of a religious upbringing should be impressed upon the juvenile mind. I agree with her that an affirmative means is not the only means to use in dealing with the teen-ager. The Ten Commandments tell us that "Thou shall do" and also what "Thou shall not do." And children must be taught what they shall not do, without any fancy trimmings.

I believe that a wood whack at the right time, speaks more fluently than any amount of words. I also believe that children appreciate a parent who disciplines them at the right time. But I do differ from Mrs. Chaner, for I don't believe that we must resort to torture, or to public whipping posts ala Delaware. I believe that the death penalty, hanging over the heads of Koslow & Co. is the ultimate ultimate necessity, and it is not worthy of a civilized individual to give vent to his hidden sadistic feelings by inflicting pain. Torture, because Koslow & Co. reported to torture, themselves.

Here is one of those controversial axioms of the P.P.B. where an "Eye for an eye and a tooth for a tooth" should not apply. The proper authority will take care of them. We, as parents, must learn to look up to and obey proper au-

thority, and our children, must learn this lesson, too.

But let Mrs. Chaner look about her in Hicksville. What is being done for the teen-ager, here? In a short time, she will learn, that we are attempting to bring about a mutual respect and understanding between teenagers and adults thru such activity as the current Youth Week. And yet, there is a pressing need in this area for parents, like you Mrs. Chaner, who feel so strongly about the teenager problems, to work actively in a Co-ordinated effort so that their energies shall not be used in vain. This can only be done by an organization, be it any name, whose purpose is the same; but in Hicksville, the organization is called Youth Co-ordinating Council.

And so, Mrs. Chaner, I invite you to come down to an HYCC meeting so that your voice might not be lost in a void. Do not cry alone, a small voice in the wilderness. Let your voice be heard by joining with other voices, so that in a concerted movement something will be accomplished...

We all do not think alike. But this is not a catastrophe. Rather it is a challenge. We must learn to utilize our different opinions on how to adjust our Youth in our community. We must search for out of the combined thinking of all the people of Hicksville as a whole, the answer to the pressing problem that is ours, today.

Widower, crying out alone in the wilderness, has not been alien to Hicksville, as the editor of this paper very well knows. I cite the case of Mrs. William McIntosh to you. Here is a very worthy woman who has been working unstintingly for the children of Hicksville for 35 years. In 1919, Mrs. McIntosh started by working with the Chautauqua movement in a tent with reading classes and discussions of books with the youth of Hicksville. Needless to say that at the time Hicksville had a very small population. This good woman gave generously of her time and energy. On Saturdays she acted as a playground teacher at the old Nichols St. School. She was instrumental in forming the first Parents-Teachers organization here and has been active in P.T.A. until now. She had a vision, once. She wanted to use, the unoccupied St John's Orphanage grounds, now owned by Stackler & Frank, for a Memorial Park. She wanted to have a Community House built for the Youth of Hicksville, and she thought of building a Skating-rink there, that would eventually pay for itself.

But people, at that time, could not foresee the terrific influx of inhabitants, as we know today. And she was a voice crying out alone and she was not always heard. Fortunately, I have asked her to the HYCC and she has consented.

Q. Is there any agency which has control over the licensing of private detectives in New York State?

A. The Division of Licenses of the New York State Department has control over the licensing of private detectives in this state. This office is located at 270 Broadway, New York City, and may be contacted for further information.

Q. I am not a resident of Hicksville School District 17. Can I get information on means of starting a public library in my community?

A. The New York State Department of Education, Division of Library Extension, Albany 1, New York, publishes a pamphlet which may be obtained on request, entitled "How to Start a Public Library." This outlines in detail the necessary steps and gives the appropriate laws under which a public library may be started. In addition, arrangements may be made to have a representative of this office visit your community and talk with interested groups, by writing to Miss Marion L. Mosher at the above address. The Hicksville Public Library also has copies of the pamphlet available for loan.

Letters To Editor

And what of the other interested people? How can you reckon the invaluable service given our Youth by such as Father Duncombe and other religious Leaders; and the long, arduous hours of labor spent by Mr. Charles De Shaw and Mr. Siegel, Mr. Byrnes, and Mr. Malon, Mr. Ehrenfeld, Mr. Barnes, Mr. Eisner, Mrs. Kist, Mrs. Orton, Mrs. Salome, Mrs. Balfour and the representatives of the Army and Air Force, police and the veteran organizations? Theirs truly, has been a thankless but a productive job. But they need help, Mrs. Chaner, they need you.

The problem of our youth is a many-sided monster, Mrs. Chaner. It is insatiable. It gobbles up the energies of these good people and more. So won't you come down to the next HYCC meeting? — And bring a friend.

Well over 300 parents and teachers attended the evening affair. Mrs. Martin Polonski, president, opened the meeting and after a business meeting, introduced Principal Murray Duncan who welcomed the parents and introduced the faculty to the audience.

Mrs. Albert Schall, program chairman then presented Mrs. Otto, speech correction teacher of the School District, who spoke of her work with the children.

She told the audience: "Speech is a natural process and should be treated naturally without undue emphasis on the defect. Children learn best by imitation and they imitate their teachers and friends but most of all their parents. Parents can help best by encouraging them to have a good speech habits with love and praise and using the good speech habits they themselves have developed."

At the conclusion of Mrs. Otto's talk Open House was held where the parents talked with the teachers in their classrooms. Coffee and cake was served later in the auditorium.

Cost Of GOP Campaigning Rises

MINEOLA—Admitting the cost of campaigning is increasing, the quota for election districts in the current County Republican Finance Committee drive has been jacked from \$150 to \$200 per district this week.

John R. Brandt, township highway superintendent, will have a goal of \$5,800 to raise on the basis of 29 election districts in Hicksville-Plainview area. Mrs. Eleanor Auer is chairman of the drive in Bethpage while Leslie R. Cheshire and Everett C. Furman are co-chairmen for Syosset-Jericho-Woodbury.

CP Auxiliary Reports \$2,106

HICKSVILLE—The local auxiliary for Cerebral Palsy has turned over \$2,106.29 to the United Cerebral Palsy Centre at Roosevelt. This was the amount collected in the community during the fund drive in May. Mrs. Rose Leahy, president, wishes to thank Mr. Charles Montana, who was chairman, and all the other people who helped make this amount possible.

Reinhardt to Head Fund Drive for Girl Scouting

HICKSVILLE—The first meeting of the Town Committee of the Girl Scouts for the 1954-1955 season held Wednesday, Sept. 15 was highlighted by the announcement that for the second consecutive year, Joseph Reinhardt, Cashier of the Long Island National Bank, will serve as Honorary Chairman for the Girl Scout Annual Fund Drive here.

Letters of solicitation will be forwarded by Reinhardt to business firms the week of September 27th, and the door-to-door campaign will get under way Friday, Oct. 1, and Saturday, Oct. 2. Girl Scout leaders will act as captains of their own localities, and the parents of Scouts will be asked to help in the door-to-door solicita-

tion.

Merton J. Wilbur, Fund Drive Chairman here, and also for Midtown Council, stated that the budget has been increased this year, partially due to the purchase of an additional 170 acres at Camp Edey. This area was added to the already existing 75 acres with a view toward eventually developing this land so that more Scouts could be accommodated for summer and weekend camping.

Based on 530 girls registered in Hicksville Scouts, the budget for the coming year is as follows: Maintenance of Camp Edey, \$2.80 per girl, \$1484.00; maintenance of Mid-Island Council \$1.78 per girl, \$943.40; maintenance of Hicksville Girl Scouts, \$1780.41, making a total budget of \$4207.81.

Seeking Trees In Parc Section

HICKSVILLE — Edward Jorgenson has been named chairman of a committee of the Parc Community Civic Assoc to look into the matter of obtaining trees along streets in the area. Assisting with a canvass of the section to find out how many are interested in such a project are Mrs. Pauline Brandfon, Mrs. Herbert Gelstein, Mr. and Mrs. Jorgenson, Robert Paul and Mrs. Rose Kubenstein.

The barren section includes: Tobias, South Dean, Terry and Dean Streets.

At the first meeting of the season held at the home of Mrs. Irene Orden on Sept. 14, President Elmer Breschard announced plans for a membership drive to be led by Mrs. Pete Ferraro.

The civic dance this year will be "strictly for entertainment" rather than fund raising and Peter Ferraro was named chairman, assisted by Mrs. Pauline Brandfon who was in charge last year.

The following have volunteered their homes for meetings this year: October—Edward Jorgenson, Nov.—Mrs. Sidney Berkowitz, Dec.—Mrs. Herbert Gelstein, Jan.—Edward Polson, Feb.—Rudy Hauman, Mar.—Mrs. Sam Sherman, April, May and June—Mrs. Orden.

COMMUNITY CONCERTS leaders present for the dinner meeting Monday night were Mrs. Georgia MacDonald, Mrs. Carlton Bentley, Miss Hariett Spink, campaign chairwoman; and Mrs. LeRoy Wells, president of the Association. (Herald photo by Frank Mallett).

Concert Drive Ends Saturday

HICKSVILLE — Announcement that Eileen Farrell, Robert Cassades, William Primrose, Eleanor Steber and the Vienna Academy chorus were to be among the headline attractions on the Community Concert circuit in Nassau Co. this season, caused a stir of excitement at the Hicksville Association's dinner on Monday.

Officers and volunteer workers of the organization attending the campaign dinner at Henningsen's Restaurant were informed by Miss Hariett Spink, Campaign Chairman that in addition to these performers, others to be presented this winter by the eight neighboring Community Concert Associations would be the Philharmonic Piano Quartet, Todd Duncan, Simon Goldberg, violinist, Marconi, Malverne pupil of pianist Sascha Gorodnitski, and Men of Song, popular male quartet.

In addition, three dance attractions are already booked—Janet Collins, premier danseuse of the Metropolitan Opera, and her company; Mata and Hari, and Ruth Anna Boris and Franz Hobl. This represent only half of the list, Miss Spink emphasized, as only four of the eight associations have booked their concerts. "Long Island music-lovers are in a unique position," she said, "as nowhere else are associations in such close proximity that they can take advantage so frequently of the guest privileges accompanying Community Concert membership."

Presiding over the flower and silhouette-decked tables gracefully arranged by Mrs. Sidney Volk, was Mrs. Leroy Wells, president of the Assoc. who introduced Mrs. Georgia MacDonald of Community Concert headquarters in New York City. Mrs. MacDonald spoke interestingly of the beginnings of the "non-profit, no-loss" idea of Community Concerts, and of Ward French who conceived the wonderful idea and is now president of Community Concerts.

Membership fees in the Association are \$4 for adults, \$3 for students, entitling all members to attend any or all of the concerts presented in this area during the coming seasons. The Hicksville Association drive is on this week only closing Saturday, Sept. 25. Details will be available afternoons at Community Concert headquarters in the Susan-Joy Shon, Broadway and W. Main St., Hicksville, phone MI 3-6922, and all day Saturday.

East Street P-TA Hears Max Cheney

The first regular meeting of the East Street P.T.A. of Hicksville was held on Thursday, Sept. 16 in the school auditorium with Mrs. Lawrence Foran, president, presiding.

At the completion of the general business meeting, Mrs. Foran introduced Dr. E. H. LeBaron, Supt. of Schools; Dr. Wallace Lamb, Asst. Supt. of Schools; Arthur Erlich, member of the school board; Max Wilton Cheney, administrative assistant in charge of transportation, and Committee Chairmen for the coming year.

Dr. LeBaron gave a short welcoming speech and thanked the East Street P.T.A. for its thoughtful welcome to the administrators and faculty of East Street School by presenting each one with a flower on opening day of school.

Cheney, in a short talk, informed the membership of the correct mileage necessary to be eligible for transportation.

Miss Nina Plantz, school principal, introduced William McCarthy, assistant principal, and the teacher of the East Street School. Miss Plantz announced that the enrollment of the school at the present time is 1125 pupils. She also made a report on the farewell party for members of the sixth grade which was held in June.

The budget for the year was announced by Mrs. Clinton Foster, treasurer, and the tentative program for the year as outlined by Mrs. Vincent Hoosack, program chairman, was approved by the membership.

Mrs. Foran announced that the annual bazaar with Mrs. William Bean and Mrs. Merton Wilbur as chairmen, will be held on November 16 in the school auditorium from 3:30 P.M. until 10:00 P.M.

At the conclusion of the meeting, open house was held in each of the classrooms with parents and teachers holding a get-acquainted session.

Refreshments were served in the cafeteria.

Gridders In First Full Flight

BETHPAGE — The Quarter-back club of this community, which gained rather than lost enthusiasm over the summer months, will have a plucky Bethpage High Football eleven to support this season, even though it will be the Golden Eagles first full flight over a complete varsity schedule.

From head coach Howie Vogts on down the team, school spirit is high and even if great success is not anticipated, a general good feeling seems to be in evidence.

A heavy line protecting a light backfield is the combination that Vogts will send against Wantagh, East Rockaway, Oyster Bay, St. Agnes, Farmingdale, St. Dominic and Roslyn's JV outfit.

Hopes are pinned on Adam O'Kula to sustain the forward wall. The 175-pound guard will face Jim O'Shea (1650), Roger Florio (185), Jerry Post (180) as associates.

180-Pounder Jack Winslow and Larry Wilson are in the running for the center job.

Both Tom Viola and Stuart Op-

dahl tip the scales at 215, while Richard Pezold and Tom Barnello send the indicator over 180. With this group playing the tackles, the opposition might find another direction for an attack.

Six-five, 190 pound Tom Thompson will definitely be on hand to catch the passes and Ralph Ruggiero and Ray McGinnagle will also run out from the end positions.

Art Reed (180) and Bob Oiser (185) are the heavies in the backfield with Art Waters, Joe Cramer, John Duebel, Don Schiavetta, Tony Sabino, Vin Coyle and George Vazquez all about evenly matched in the fight for a ball-carrying berth.

SAILS FOR EUROPE
Miss Constance Anderson, daughter of Mr. and Mrs. G. Anderson of 119 Evergreen St., Bethpage, sailed on Saturday morning, Sept. 18 on the Mauretania, for a month's tour of Europe.

This is Miss Anderson's second trip, her first being with a USO troupe after the war.

Wants To See Women Active

FARMINGDALE — Howard T. Hogan, Republican leader of the Town of Oyster Bay, this week said that "women are entitled to greater recognition as co-committeemen in the Township of Oyster Bay. Their voting strength makes this mandatory" and my recommendation is being followed in the township area."

His recommendation to district captains "is to give every possible recognition to women as co-committeemen and co-captains in this (election) district realignment." Thirty five new election districts are being created in the township prior to Election Day this year.

Later this week it was rumored that Hogan would be the Repub- can nominee for Supreme Court Justice succeeding Philip Huntington this Saturday. If elected to judicial office he would be obliged to retire as Township GOP leader, a fact which has already started speculation as to his successor.

Hogan was named township leader in 1952, succeeding Leonard W. Hall when the later became County Surrogate. Hall later resigned the bench to become National Re-publican chairman.

Woods Appoints Eight Chairmen

HICKSVILLE — Grand Knight Harry Woods made the following appointments at the last regular meeting of Joseph Barry Council No. 2520, K of C Tuesday, Sept. 14 at the V. F. W. Club House, located on Grand Ave.; Walter Lee Jr., Chairman Membership Committee; John Zeluski, Chairman Council Activities; V. Mc Ginnagle, Chairman Fatrial Activities; Robert Corcoran, Chairman Catholic Action; W. E. Smith and J. Cummings, Publicity; K. Krumenacker, Admissions; and H. Varela, Jr., Orphans Christmas Party.

The next regular meeting of Joseph Barry Council will be held on Sept. 28, at the V. F. W. Hall. District Deputy Charles J. Williams will install the new members of the council, for the new paternal year 1954-55. Woods, Grand Knight; Robert S. McGregor, Deputy Grand Knight; Ernest F. Cooke, Warden; K. Krumenacker, Chancellor, and John Zeluski, Recorder. Joseph Barry Council has entered two bowling teams in the K. of C Bowling League, which is headed by William Wulffkin. Members of the council are asked to contact Wulffkin if they wish to bowl on one of the teams.

HARD TASK

Amvets Organize Here Nov. 19

BETHPAGE — Starting the wheels a rolling for the new American Veterans of World War II-Korea (AMVETS) Post here will begin on Friday evening, Nov. 19. Still keeping the place of meeting a secret, Jim Cooley will give out a call to those veterans and Bethpage members to gather in a circle and get moving.

Among the helping hands will be Fred Kastner, a former AMVET Adjutant; Johnny Swicki, past vice-commander; Harry Zvonek, past Provost Marshal; Gus Nouel, returned Korean Veteran who now attends Hofstra College, and Herman Mueller. In the women's division the prospects are even better and at the same time they too will begin their organizing.

"I have stated before and will again," said Cooley, "no organization, club or group can function properly without a Ladies Auxiliary. A post, club or group may continue along its way so far, but when the time comes, without an Auxiliary it slowly strangles itself. After all how many men can bake a cake, how many men will wash dishes and how many men will hang a curtain?"

With the forming of the Bethpage Post, the total count for AMVETS on Long Island will be number nine. In the short span of five years, AMVETS have become well known in Nassau-Suffolk areas. The baby veterans group has been and still is the "fastest growing vets group" in the world today. The veterans of WW 2 and Korea do not look for just a place to sit and pass a few hours away by looking at T.V., playing cards or shooting a game of pool, but look forward to being a group that will help solve one of America's greatest problems . . . The teenagers, which today in many states and areas are in pathetic, according to Cooley. "A man or woman veteran does not join a

club just for a long meeting, beer and pretzels, or dancing . . . but they join to gather together in a brotherhood where if one member or non member veteran is ill, they can give a helping hand without embarrassing the veteran who is in bad shape. You get what you give in to a group, so must an organization give to a member or veteran who has given to a club."

"Our country or our fellow citizens from the community owe us nothing, but a post that you may join owes you the help it can give.

"There is no better bargain," Cooley stated, "than for a few dollars per year, you, your family are entitled to all the help and welfare the group can give. You can be or may be a member of any of the other great veterans organizations, this does not mean you can not be a member of AMVETS."

For information contact Cooley at Hicksville 3-3127 or 86 W. Nichols St., Hicksville, or by post card at 32 Grand Ave., Bethpage.

Chettuck Aboard Attack Carrier

ATLANTIC FLEET (FHTNC)
— Among those who reported to the attack aircraft carrier USS Coral Sea before she left for duty with the U. S. Sixth Fleet in the Mediterranean was Anthony F. Chettuck, machinist's mate second class, USN, brother of Miss Vernon Chettuck of 140 Broadway, Hicksville.

An earlier motion to have Crane draft the letter to the Commissioner of Education since it "had legal implications" was withdrawn.

Board opinion was split on the question of ~~advisory~~ members of the Citizens Advisory Committee on Education for the year 1954-55. Richard School moved that the P-TA be asked to recommend people, subject to appointment by the board, who would not serve as P-TA representatives.

Szendy protested that such a policy would "ignore people who cannot be on the advisory committee because they are not active in P-TA's."

President Edna Kuhne Sutton suggested that local P-TA's, when they are approached, be reminded of members from their organizations already serving on the Advisory Committee.

Arthur L. Eirch and Szendy voted against the motion on the grounds "that all people should be considered, not just members of P-TA's." The motion was carried with School, Cawley and Mrs. Sutton in favor, to make the vote 3 to 2.

After the meeting School, whose home is at 25 Hope Lane, told the Herald that he would appreciate hearing from any interested citizens of the community interested in serving on the Advisory Committee. He is liaison member for the Board to the Advisory Committee.

The Board will hold its regular monthly meeting this Friday night, Sept. 24, in East St. School at 8 o'clock.

REGULAR EXERCISE!

Now that the Summer has officially ended, it brings to a close the outdoor activities of too many people. They confine their exercise to the hot months and rest for the remainder of the year. That's not good. There ought to find some means of keeping in condition throughout the entire year. One of the better ways of staying in shape is to take a walk each day. Walking has always been and is a fine conditioner.

The only way to keep your car in shape is to be sure it receives efficient attention regularly. Such service is what insures more mileage and better performance. Stop in tomorrow and let us completely check your car. Broadway Service Station, Broadway and James St., Hicksville. Phone HI 3-9702.

• 3 Little Leagues Need Adults

HICKSVILLE — With a Little League organized for community play next summer consisting of three leagues covering the entire school district, officials today said the greatest need is for "more adults to help." Officials hope to see more adults attend the next meeting.

The Hicksville Little League was formed, a spokesman said, to eliminate competition among the three sector leagues in raising funds and obtaining sponsors of teams. The efforts of the entire community will be shared equally.

The three leagues are:

National—Tom Murray, president, 37 Grape Lane. Boundaries are south of LIRR, west of Jerusalem Ave., to school district line (the area covered this year by the eastern division of the Central Nassau Little League).

International—Vincent D'Angelo, president, 14 Wellesley Lane.

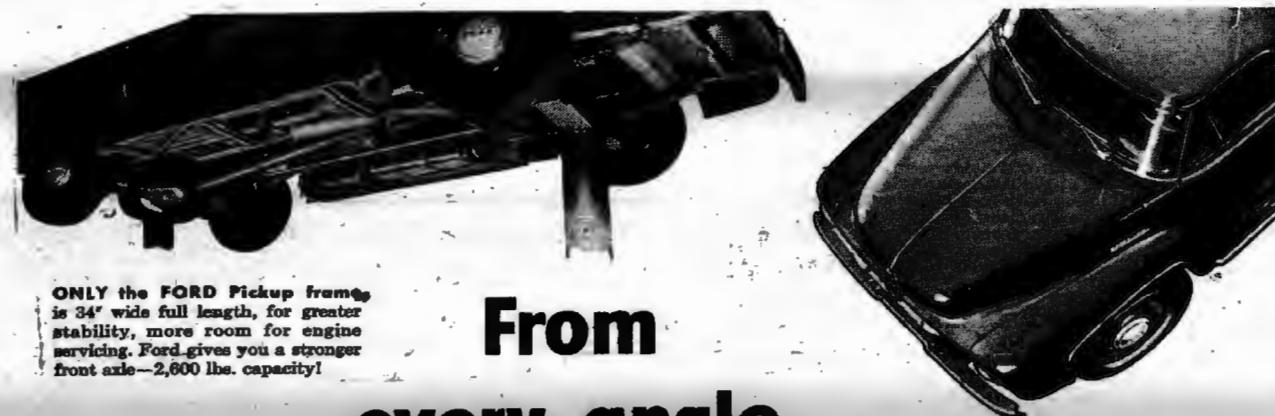

Boundaries are south of Woodbury Rd. to the School district line (new).

Teen Club Resumes on Monday

HICKSVILLE — The Hicksville Teen Club (formerly Burns Ave Teen Canteen) will open the 1954-55 season Monday, Sept. 27, at the Burns Ave School. Sessions will be held from 7:30-10 p.m. every Monday and are open to all Hicksville youth between 13-19 years of age.

Dues are .05 per session and dancing, ping pong, small games, soda will be available. Arrangements are being made for a professional instructor to teach the teenagers dancing; however, a small fee will have to be paid by each teenager should instructions be desired, according to Edward Kist, Chairman.

A brief business meeting will be held at the first session to nominate and elect officers and set up committees for Publicity, Posters, Records, Equipment and Special Events. These officers and committees will actually direct the Teen Club with the adults acting as a guidance and chaperoning group only.

On Wednesday, Nov. 3, the Teen Club will inaugurate additional sessions at the Lee Ave School

gymnasium thus providing two nights a week for teen recreation. This group will also have its own teenage directors who will work closely with the teenage directors from Burns Ave and provide the adults with a more accurate idea of what Hicksville youth desires and wants to work for, Kist said.

Parents of younger teenagers in the 13-15 age group are urged to escort their youngsters to and from the sessions. Anyone interested in helping either of these units either on a pinch-hitting, once-a-month or weekly basis are asked to call Edward Kist at HI-3-8077.
