By BARBARA SOININEN

Although this question has been covered yearly, we still meet people who are confused or suspicious by what we call non-personal registration. For the benefit of these people and for the hundreds of new home owners or tenants, who have come to live in Hicksville, during the past year, we would like to explain it again.

Hicksville is an unincorporated village and therefore according to

law, non-personal registration is valid and bona-fide.

The Hicksville Republican Club, as a community service, provides a yearly house to house canvass. This means that an authorized Republican Committeeman and/or his assistant enrolls each and every occupant of your home who is of voting age and eligibility.

You must be a citizen and have lived here the required length of

## Dear Jean:

The Committee of the Hicksville School Board, SZENDY and CAWLEY, together with Dr. LAMB and Transportation man CHENEY will have a meeting in Albany this Friday afternoon at 8 o'clock on the matter of safety and hazard factors in student transportation . . . Charges of "political biasism" in Nassau County are "bunk" according to Assemblyman JOHN J. BURNS speaking at a dinner meeting of new Republican Committeemen at Rothman's last Friday night. "You as committeemen", BURNS stated "know that no one man says who will be the candidates, nor how they will vote when in office and I know it from personal experience". . . Nassau County Republican Recruits will hold their annual "First Voters' Ball" at Garden City Hotel on Oct. 30 . . .

Thousands of New York voters are reminded that as of Oct. 16, when the season opens they will need the \$2 duck stamp for 1954, available at local post offices . . . BILL (Skin-head) MOELLER still has not received delivery on that headwarmer and the cold weather is with us already . . . GEORGE KING points out that BILL just got a new shipment of Halloween candies . . . HAWKIE has not been in the news of late, a fact which causes some of his firehouse cronies to wonder if he has taken the pledge or given up the idea of forming Co. 6 . . . Chamber of Commerce plans for Christmas are fast taking shape in Hicksville. Santa Claus will arrive in town on Saturday, Nov. 27 this year in grand style. His exact method of arrival has not been announced but someone suggested that since he has come in on fire engines, sleigh, jeep, float and balloon, the only thing left is a submarine . . . In Plainview Chamber, JOSEPH E. DOCKOW has resigned as secretary and manager . . .

## Library Offers Film Services

**HICKSVILLE**—A new service to all community leaders, organizational program planners, and other film users is being offered by the Public Library here beginning Monday, Oct. 11.

This series is being co-sponsored by the library and the Executive Council of the Parent-Teacher Assoc. Arrangements have been made with the Film Council of America, a non-profit organization, to establish a free monthly film preview program to be shown the second Monday of each month at the High School auditorium.

"These films, which are documentary and educational, generally run for 15-20 minutes each and four or five will be shown at each preview so the program will be about 1½ hours long," according to Librarian Kenneth Barnes.

The library will have the information available at the time of the showing concerning the source of rental. The films will not be for rental at the time of showing, the purpose being to let the interested teachers, clergymen, or program chairmen see the films and perhaps use them later for their own programs if they so desire. Categories in which films will be scheduled throughout the year include political education, international relations, economic education, health and safety, child development, history and many others.

The first topic to be featured is international relations and the films are scheduled at 8 o'clock, Monday, Oct. 11. The titles are: "Progress Report on Pakistan", "Turkey: Key to the Middle East", "Two Worlds of France", "Waters of Life."

**HEAR DR. NASH**  
Dr. J. B. Nash, Professor Emeritus of New York University and world-wide lecturer, will address the Bethpage P.T.A. on Thursday, Oct. 7th, on the subject "Is Your Child Headed for Trouble?" He has just returned from India where he served for the past year as a Fulbright Professor. He is recognized as an expert lecturer not only in this country but in Europe and Asia.

## Teen Club Sets Record

HICKSVILLE—The Teen Club established a record attendance this past Monday when 130 teenagers turned out for the dance at Burns Ave. School. In the past two weeks 123 members have joined the club.

The newly elected officers of the club are: Gene Henriksen, President; Ronnie Esposito, Vice-President; and Joan Magee, Treasurer. Chosen for the Record Committee were: "Pop" Sucharski, Tony Laino, Bob Monette and Rose Pettit.

Starting Oct. 18, two professional dance instructors, formerly with the Arthur Murray Studios in Hollywood and New York, will demonstrate the latest dances, and will give a five week course. The lessons will be held in the Burns Ave. School Kindergarten room. They will consist of a one and a half hour period once a week. The fee for the dancing instructions will depend upon the size of the class.

For 20 in the class it will be \$1.25 per lesson, for a class of 30 it will be 90 cents per lesson; that's why all interested teenagers are urged to take advantage of this opportunity. The larger the class the less expensive it will be.

Also said the Oyster Bay Town Board is "looking into the matter of vehicles coming into the area and using loud-speakers; vendors constituting noise-making after late evening hours; weedgrown lots that have become or will become eyesores and other situations not wanted in the community. # Join Your Civic Assoc

By FRED J NOETH

THIS SEEMS like an appropriate time to say a word about our fine local civic associations and their membership. This is the time of year when civic groups resume their activities for the fall and winter after periods of general inactivity due to vacation time.

It probably will never happen, but an adult in every household should belong to a good, active civic association and as far as we are concerned every civic group accomplishes good for the area it serves.

Politicians don't like civic associations, although they treat them with politeness and respect. The reason for dislike quite naturally stems from the fact that such associations are formed for mutual benefit and all of them, sooner or later, make demands of one kind or another upon the authorities.

In civic associations, as in many clubs and societies, we frequently find several hardworking individuals who give freely of their evenings and days off to labor for the benefit of their neighborhood.

For example, last Saturday morning the leaders of six Hicksville civic groups had a meeting with Supervisor Lewis Waters at Oyster Bay Town Hall. The reason for the conference was quickly apparent—letters and telephone calls had not done the job.

We won't go into the details of the subject matter discussed—we'll leave that for the respective organization leaders to report directly to their members. We mention this session, however, to illustrate that being the president or a committee chairman of a civic association takes a lot of time and running around.

Newest residents are among the most likely members for civic associations because they find in such organizations the opportunity to get better acquainted with their neighbors and they are drawn together by common problems—usually a headache involving the builder or the utility companies or the elected officials. Sometimes the problems concern a combination of all three.

New residents also find that thru civic association membership they can more readily learn what makes the local wheels go around, who is in charge of what, who takes care of which.

Our congratulations to all civic association officials who are retiring from office—your neighbors thank you for a job well done although perhaps not fully appreciated.

To all newly installed and elected civic association leaders we extend the facilities of the Herald and its staff to assist in any way possible to make your administration successful.

And may we urge all residents of the communities served by this newspaper to get active in their civic association. Join up, pitch in and you'll be amazed at how much more successful your efforts can be if you work together jointly toward common goals.

# The Question Box

By JOSEPH EISNER, REFERENCE LIBRARIAN  
HICKSVILLE PUBLIC LIBRARY

The following are representative of the questions asked at the Public Library. If you need help in obtaining answers to your questions, or desire to do research in certain fields, call Mr. Eisner at the Library, HI 3-1417. However, the privilege of borrowing books is extended only to residents of School District 17; non-residents must pay a \$ dollar annual fee to borrow books, although the library will extend its reference services to non-residents without charge.

Q. When is United Nations Day? Is it a legal holiday?  
A. United Nations Day will be observed on October 24, 1954. It is not a legal holiday, although the President of the United States issued a proclamation on June 24, 1954, asking that all citizens and organizations cooperate in appropriate observance of the day throughout our country.

Q. Does the government issue a catalog of the publications produced by all of its branches?  
A. Yes. There are several catalogs available—one, the Monthly Documents Catalog, lists all publications and cumulates at the end of the calendar year. Another, Government Best Sellers, is a selected list of those publications most frequently purchased by the public, and is issued yearly. A third, Selected United States Government Publications, is issued biweekly and lists 10 to 20 publications of the hundreds issued during that two week period that the government thinks will be of most interest to purchasers. The three catalogs are available at the library for consultation.

# DeShaw Reviews Youth Week

By CHARLES H. DESHAW  
IT SEEMS TO ME, now that Youth Week is over and a success, the people of Hicksville have much to be proud about. This is the first time (to the knowledge of this writer) that a Youth Week such as this has ever occurred in this County. Its success should institute it becoming an annual event, and I am certain that future Youth Weeks will be far greater in scope and success.

There are many responsible for the success of this Youth Week and I would like to publicly thank all for their cooperation and assistance. I desire to especially thank Fred Noeth; Mrs. Ann Balfour; Joseph Eisner; Mrs. Pat Miller; Martin Walter; Mrs. Catherine Dehler; and Father David Duncombe, my Committee, and to assure them of my deep appreciation for their untiring efforts and support. They were chiefly responsible for the success of Youth Week.

To Miss Mabel Farley; Mrs. Doris Phillips and James Walters, I extend my thanks for judging the Essay Contest; also to Drs. Lamb and Le Barron for their cooperation and permission for use of the School Grounds, Auditorium, and Gymnasium.

I do not forget those organizations, business establishments; and Merchants, who sponsored the different events of Youth Week, without whom there could not have been a Youth Week. Thus I say, many, many thanks to the Bank of Hicksville; the Public Library; the Mid-Island Herald; the Center Island News; Mac Piersen Chevrolet; Kantor Bros Tire Co.; Kelly & Barr Soda Spar; Goldman's Department Store; Henningsen's Restaurant; Gem Electronics; Brooks Stationery; Rite Fuel Oil Co.; Furr's Pet Shop; Hicksville Music Co.; Veterans of Foreign Wars; American Legion; Linda Dress Shop; Lanner-Carney Photographic; Justice & Beauty's Stationery; Bole's Hat Shop; and Kamey Beverage Co.

IT SEEMS TO ME, in conclusion therefore, that now is the time for all Hicksville to get behind the Youth Coordinating Council in their endeavors to prevent any Youth or Juvenile delinquency problem from arising in Hicksville. Since the Essays; Youth Forum; and considerable discussion with youth during their Week have revealed their main desire for a Youth Center, it is this writer's opinion that all of us should aid in the fulfillment of this desire. One way is to become a member

of the Council and as active as your time permits. Dues are only one dollar annually (\$1.00), and can be sent to P. O. Box 95, Hicksville, N. Y., or to 118 Brittle Lane, Hicksville, N. Y. Let's not cheat ourselves, by cheating our Youth out of what is necessary. Let's help Hicksville grow in stature as it has in number.

(Continued from Page 1)  
time—one year in N.Y. State, four months in the County and 30 days in the election district. You are not enrolled under the Republican emblem. You, yourself, do that on Election Day at the polling place. When you are registered at your home, you do not therefore, have to go in person to the polls. Your name and address is recorded and this is transferred to the enrollment book. You do not need to be re-enrolled in subsequent years. Your enrollment carries on, unless of course you do not VOTE during a four year period. (This law was enacted last year). However, we continue to come back year after year, to remind you to vote, to inform you if your polling place has been changed.

to see if you desire any absentee ballots for any member of your household and to answer any question you may have.

Sometimes during the next three weeks, you will find cards in your mail box, containing the number of the line, you are on, in the voting book. This will expedite matters on Election Day. Should the canvasser miss you, and if you have never been registered, polling places will be open again, this Saturday Oct. 16 from 1 P.M. to 10 P.M. If you desire any further information, please call us at HI 4-3436.

**The New Tax Law—Installment 1**  
This is the first time in our nation's history that its tax laws have been completely overhauled. On July 29 the bill was passed by both houses of Congress and on August 16, 1954 President Eisenhower affixed his signature to it. Thus the 1954 Internal Revenue Code became part of the law.

**CLAIMING DEPENDENTS:**  
Under the new law if your child is under 19, or a full time student you may claim the \$600 dependency deduction as long as you provide more than half his support. This is true no matter what the dependent child earns, if he earns more than \$600 he must file his own tax return.

A great deal of credit for the clarity of the new code must go to the American Institute of Accountants, a national society of Certified Public Accountants. Countless hours of oral and written testimony were presented to the House, Senate, and final Conference meeting. The Treasury Department has complimented the Institute and the Accounting Profession for its objective assistance.

Added to the list of dependents are those who live with the taxpayer as members of his household irrespective of relationship. A dependent ~~claiming~~ institutional care may also qualify for the exemption provided he was a member of the taxpayer's household prior to being placed in the institution.

**QUALIFYING AS HEAD OF A HOUSEHOLD:** Under the new law a widow or widower who maintains a home for a dependent child receives the full benefits of income splitting for the first two years after the spouse death. To qualify as head of a household the taxpayer must be single and maintain a household for one who may be claimed as a dependent. In addition the taxpayer provides more than half the maintenance for his mother or father.

A new concept of group contributors to a dependent has been added to the law. Where more than one-half the support of a dependent is contributed by several taxpayers—they may annually designate one of their members to claim the dependency exemption provided:

- 1. Each would have been entitled to the exemption except for the support test.
- 2. The person selected contributed more than 10%.
- 3. All others who contributed more than 10% agree in a written statement not to claim the exemption that year.

**ALLIED AND GLENBROOK HOMES:**

**Croyden, Hastings Gets Lights**

By RUTH CONTI  
HI 3-7612

First off let me start my column by listing some of the birthdays in the neighborhood. The De John twins, Pam and Pat, were one year old on Sept. 23. Their grandmother Mrs. De John came down from the Bronx for the celebration as well as their aunt and uncle. Still another birthday was celebrated by Jean De John who was 12 years old on Sept. 30th. Congratulations to the three of you.

Catechism instructions has started at the Holy Family II. C. Church on Newbridge Road. There will be

quite a large class of graduates again this year. Classes are held every Monday and Thursday morning at 9 for the children who attend the afternoon session of school. Other classes are at 1:15 Monday and Thursday for the morning session.

The Allied Homes coffee klatch held their regular meeting on Wednesday at Terry Collins home at 25 Croyden Lane. Among those present were Millie Salvador, Helen Cieraki, Marge Hasbrouck, Rita De John and Clara Mazzochi.

The next meeting will be held

this Wednesday at Rita De John's home.

It seemed as though everyone had World Series fever over the weekend. Even the little trucks that go around with rides for the kids had their radios and loudspeakers tuned to the game.

My husband, Sal Conti, was honored with the presentation of a ring by the Colonel Francis Vigo Post of the American Legion at a dinner given in honor of Mayor Robert Wagner at the Waldorf-Astoria on Oct. 2nd. Ed Sullivan was toastmaster and Smiling Ed was really in his best form.

Among the honored guests were his eminence Francis Cardinal Spellman who gave the invocation. Also present were Judge Paul P. Rao, Harry Hershfield, Averill Harriman, James Farley, Dennis James, Phil Regan, Carmine de Sapio, Franklin D. Roosevelt Jr. and many others too numerous to mention.

Everyone on Croyden and Hastings Lane were happy to see the street lights finally go on last week.

**CEDAR CLIFF HAPPENINGS:**

**Our Naked Streets Need Trees**

By JIM PRIEST  
HI 4-4391

Evidence of our blooming community comes in many ways, this time the names of four new recruits for the kindergarten class of 1959: Garry Steven Kern, Marie Ann Brennan, Arthur Edward Holzman and Ronald Arthur Hagedorn.

Along some of our streets we notice something missing until suddenly we realize it's trees. It seems to me that something could be done in a collective way to bring the shade and rustle of trees to our somewhat naked byways.

A tip to people ambitious for civic betterment would be to join the only non-partisan organization dedicated to this purpose, The

Cedar Cliff Civic Association. Call John Reichel at HI 3-3011 for information. John is currently bent on enrolling ALL of you so try to beat him to it!

mirate on Juniper St. who is shooting for a hundred after a short sojourn at Meadowbrook Hospital.

In the wake of recent defense plant layoffs one of our neighbors found himself jobless until a compassionate neighbor voluntarily promoted a new position for him with his own employer. That's what we call a neighbor!

Let's welcome two new families to Cliff Drive, the William Deckers and the Stanley Holzmanns. God bless your mortgaged homes, your one of us now!

Look for the November date of the Cedar Cliff Civic Ass'n's Fall Dance if you really want to make new friends while letting your T.V. set rest for a night!

**Index Reflects Business Gain**

HEMPSTEAD—A new index of general business activity has been developed by the Hofstra College Bureau of business research. The index shows that the level of business activity for the Nassau-Suffolk economy was down per cent higher in July 1954, the last month for which complete figures are available, than it was in July 1953.

## You Can't Afford to Ignore This Plea

Do you know what the Needlework Guild of America is? It's not a sewing society or for the advancing cause of fine needlework or yet blind sewing.

It is an organization that carries self respect, encouragement and joy to those who are in need of substantial new clothing, and in providing it—it brings satisfaction and happiness to those who can help furnish the clothing for those less fortunate; the happiness that is most satisfactory because it comes from doing something for others.

If someone asked you to give two new articles of clothing (one to wear and one to wash) or articles of household linen, or bedding, (sheets, blankets, pillow cases, towels,) once a year for men, women, children or babies, and costing whatever your purse or your heart dictates, wouldn't

that seem a very small request to grant?

For 40 years that request has been made by the Needlework Guild, and now, with its branches throughout the United States, the need is more than about a million and a half unemployed, much needed, eagerly accepted articles, given to Orphanages, Homes, Hospitals, and Welfare agencies which need clothing for their work. Individual or family help is given in emergencies of fire or flood. The cry is "more, more, more, please" for the need is great and they need your help.

Two new articles or a gift of money to buy clothing to fit special needs, makes one a member. Please write to Hicksville Branch, Needlework Guild of America, 41 Field Ave., Hicksville, to know more about the Needlework Guild. Or call HI 3-6626.

**STUDY Music Together**

**HICKSVILLE**—Mrs. Selma Haber and her son, Richard, are one of the many parent-child groups staying at the Nassau School of Music at 33-W. Main St., here.

The Bethpage woman and her 7-year-old son tell that music is "much more fun when someone else in the family is also learning an instrument, plus the satisfaction they enjoy from playing together at home."

Mrs. Haber is in the Wednesday evening guitar class while Richard studies in a recorder class on Saturday mornings.

The Nassau School of Music, with activities and classes planned for children of 3 and all ages up to 18, is an ideal place for an entire family to study.

Mrs. Haber is one of those who always wanted to accompany herself and sing folk songs, but was afraid that she wasn't musical, and that it was too late to start. However, after a few months of study she is already enjoying singing with the guitar for herself and her friends.

For Richard an instrument was

needed that would not offer too many problems, and yet that had enough good music written for it, as well as lots of songs that Richard likes. The recorder proved a perfect choice, and Richard says he has gotten great enjoyment playing the recorder, and has appeared in several student recitals, playing solos as well as with groups.

**Object To No. 2**

**GARDEN CITY**—James W. Carpenter, President of The Long Island Association announced that the executive committee of the organization had taken a position opposing Proposition No. 2, which is to be voted on by referendum in the November elections. This proposition would permit the State to borrow an additional \$200,000,000, to finance tax exempt public housing and increase the State's total debt for housing to \$935,000,000.

Pointing out that tax payers are now supporting \$772,000,000 of tax exempt public housing in New York City, Carpenter declared that the public housing program has become unbearable oppressive to tax payers struggling under ever mounting real estate taxes.

## Who Says Adults Can't Learn?

Do you agree that adults can't learn? Well, many adults who attended the variety of groups sponsored by the Bethpage Adult Education program surely believe they have learned something, and found enjoyment in their own efforts and accomplishments. This year's program, to be described fully in booklets mailed to every home, highlights, as always, some new groups being formed. Some of these are: Bethpage Chorus, Parents and Adolescents, French (conversational) and Behind the Headlines.

The P.T.A. President, Mrs. Lorraine Carter, ushered all the parents and teachers into the Cafeteria for refreshments and a personal get-together with all the parents and teachers.

### ANNUAL FALL DANCE

The Hempstead Heath Civic Assoc., here, will hold its annual fall dance at Anselmi's Restaurant, here, on Friday night, Oct. 15. Price of tickets will include free refreshments and dancing to a six-piece orchestra, according to Fred Hartmann of 147 E. Zorranne Dr.

### MEETING OF MOTHERS

An orientation meeting of the Class Mothers of the Bethpage Elementary Schools, Pine and Powell Avenues, was held in the Cafeteria of the Broadway High School on Sept. 17.

Mrs. Irene Fitzmorris, Chairman of the Committee, called the meeting to order at 8:30 P.M. and Mrs. Shirley Fineman, Co-Chairman, checked the attendance. About 130 of the 150 members of the Committee were present.

The Chairman introduced Mrs. Anne Merin, President of Bethpage Elementary School P.T.A., and Mrs. Merin welcomed the Mothers and thanked them for volunteering to undertake a most important job in personnel relations between the parent and the school, and the pupil and teacher.

Mrs. Amelia Noce, Chairman of Teachers' Reception, which was on Sept. 30 in the Broadway School, was also introduced and Mrs. Noce asked that the Class Mothers act as hostesses to the parents the evening of the reception.

Mrs. Leo Mordhorst, Finance Chairman of P.T.A., presented her Halloween Plans for the Parade and a Carnival on Saturday, afternoon, Oct. 30 and asked for the Committee's reaction. Her plans were enthusiastically received and booths were assigned to the various grades, Kindergarten through Six.

Mrs. Fitzmorris asked the Committee to make an appointment to see their respective teachers as soon as possible, determine from the teachers their plans and projects for the term and proceed accordingly.

## Set Costume Parade Oct. 30

BETHPAGE — The P.T.A. plans a gala Halloween day of festivities on Saturday, Oct. 30 at the Broadway School. First on the program is the annual Halloween Costume Parade, to be held this year at 2:30 p.m. There will be prizes for costumes and a token gift for each child. Class Mothers will have booths in the South Parking Field with games and interesting articles for sale. A day of fun is promised for all.

## 32 Join to Set Record for Club

BETHPAGE — At the September meeting of the Theodore Roosevelt Republican Club, which was attended by 125 members, a record shattering 32 new members were proposed for membership. This figure tops the previous high of 24 new members taken in at a single meeting—set just this last spring. Executive Committeeman James "Happy" Norman's award of \$100 to the member bringing in the most new people is sure boosting club membership.

At this meeting President Ed Fehrenbach appointed a Nominating committee to recommend a slate of officers at the November meeting. Serving on the committee are Jack Strong, Joe Cinque, Al Van Horn, Anthony Ameko and Mike Kallnyak.

Fehrenbach announced that he would not be a candidate for office. This brings to a close a highly successful two years in office for Fehrenbach, whose leadership has enabled the Republican Club to carry forward an energetic program of events that has attracted many new members.

The advisability of installing parking meters in Bethpage was discussed, in light of the worsening parking problem. Many members felt that parking meters would make it easier for shoppers to find parking space, thus encouraging people to shop locally. Meters would provide revenue to the Park and Parking district. The membership voted to recommend the proposition for consideration by the Oyster Bay Town Board.

### MEET WEDNESDAY

The next meeting of the Plain-edge-Northedge P.T.A. will be held on Wednesday, Oct. 13, at 8:30 P.M. in the Southedge School auditorium.

The program scheduled for the meeting will be "Your Child - His Teacher and His Studies". Refreshments will be served.

Weekend Visitors in Our Section

By SHIRLEY HUEBLICH  
 Hicksville (Continued)  
 Mrs. Anderson, of 21 Albert St. and Mrs. Bergholtz of 20 Somerset Ave were busy this past Saturday, Oct. 2, out collecting for the Girl Scout Fund in this development. Haven't heard how they made out financially, but in the course of the door to door canvases they met more women in shorts and children in sunsuits than you would believe possible for this time of year.

Everyone seemed to be digging out their summer clothes due to the unseasonably hot weather. Can't call it Indian summer because, as I understand it, Indian summer is the warm spell that comes after the first frost. This heat that we are having now is just supposed to be a delayed reaction from summer. At any rate, it is hot!

Mr. and Mrs. Arthur H. Fuelling of 18 Broadway Pl. had as their dinner guests on Sunday, Sept. 19, Mr. and Mrs. A. J. Leyendecker and son, Jerome, from Farming-

dale and Mr. and Mrs. Frank Fuelling from Albertson. The occasion was in honor of their son, David John's Christening. His Godparents are his Grandparents, Mr. and Mrs. A. J. Leyendecker. The Christening took place at St. Ignatius R. C. Church at 2:30 p.m., Father Leo Gargin officiating. David John Fuelling was one of eleven christened that day.

A few weeks ago Mr. Woodley of 170 Cottage Blvd. was enjoying the nights at Bloomsburg, Penna. while on a job in connection with setting up the scenery for a Fair held there. On Wednesday, Sept. 15, his daughter, Yola Woodley, was all of seven years old and she celebrated the happy day with a party at her home. There were prizes and surprises galore and on hand to help eat the birthday cake and pin the tail on the donkey were: Michaelle O'Neil, Shelly Lauer, Paul Lauer, Ira Lauer, Holly Lauer and Martha and Christine Metzker.

Robin and Karen Godett of 2 Somerset Ave helped five year old Diane Claccio of 18 Somerset Ave celebrate her birthday on September 16th.

The home of Mrs. Mary Bart of 46 Last View Circle, Bethpage, was the place of the latest Tupperware Demonstration on Wednesday, September 22. Mrs. A. Mandala of 24 Albert St. and Mrs. J. Taylor of 27 Albert St. were but two of the 20 persons attending.

Some members of the Veterans of Foreign Wars Auxiliary of Albertson made a surprise visit to Mr. and Mrs. Arthur H. Fuelling of 18 Broadway Place on Wednesday, Sept. 22. They were: Mrs. Dorothy Larazus, President; Mrs. Anna Fuelling; Mrs. Olga Pollman; Mrs. Johanna Morgan and Mrs. Clara Clarke all of Albertson. Mrs. Fuelling is the Chaplain for the Auxiliary and has just recently returned home from the hospital with a new son.

Don't know if they were doing the Momo or not, but on Saturday, Sept. 25, Mr. and Mrs. George Bleck of 18 Mineola Ave, Mr. and Mrs. Walter Koebele of 23 Albert St. and Mr. and Mrs. William Krauss of 26 Power St were among those present at a dance held by the East Meadow Fire Dept in Levittown Hall.

Mr. and Mrs. Raymond Capelluto of 29 Albert Street and Mrs. Capelluto's parents, Mr. and Mrs. King of Mineola, journeyed out to Southampton on Sunday, Sept. 26, for the wedding of Mrs. Capelluto's cousin, William Donnelly to Miss Dorsey Meyers at the Sacred Heart Church in Southampton. The reception that followed was held at Tucker's Mill Inn.

Mr. and Mrs. Edmund Carman of 5 Somerset Ave enjoyed a night out on Thursday, Sept. 30, when they had dinner at Pat Murphy's Candlelight Room in Manhasset and then went on to New York City to see the Barefoot Contessa at the Capitol Theatre.

Birthday greetings to Lois Tedesco of 24 Power St who was all of three years old on Wednesday, Sept. 29.

# The Sportlight

By HOWARD FINNEGAN

While Hicksville and Ossining were having their very interesting 18-7 go at the Field Club's home gridiron, Sunday, Middletown and Yonkers were engaging in a bone-crushing 0-0 draw.

Dom Sabatella's eleven thus overcame partly the 13-0 defeat at the hands of West New York and is actually running in front for the New York half of the York-Jersey Football League championship.

This somewhat intangible position can be very seriously altered by a visiting Linden, New Jersey, team this Sunday. Hicksville must win this battle to hold its advantage in the standings and to increase in favor of the home fans which, on the basis of the excellent Ossining contest, is presently running high.

The exact cash-on-the-line customer count for the first contest was 496. Another two hundred found their way over the fence. Thirty-five were guests of the Black and White in the persons of Hicksville High players, and countless youngsters under twelve were admitted free.

There were people there and if the till did not ring with gusto the word of mouth advertising carried from the field by that group should help this Sunday for the Linden contest. All games in the York-Jersey league have close results and it just isn't possible to select which eleven will get a break and win.

Despite a morale factor resulting from the staggering cost of operating a semi-pro club in such a league, Hicksville is ready.

Because the Black and White has a very good club and it's got Joe Pepe to snap up the big boys—Hicksville 14, Linden 10.

(Field goals play an important part in this league.)

When our friend Charlie Noble was coaching at Farmingdale High, we learned never to trust him for he could steal more games from you than you could shake a stick at.

For that reason we urge the present band of Comets not to take lightly the invasion of Hicksville soil this Saturday by Massapequa.

It is the first Varsity year for the Chiefs and even if the odds cannot help but be in favor of the Orange and Black under the circumstances Mr. Noble will still be around.

He is a sound coach and a very good one. His record at Farmingdale very pointedly brings that to light.

But while he is teaching and encouraging his band of Chiefs, Bill McNamara is holding his own council of war in Hicksville.

There was no pipe of peace around the Comet stamping grounds after their defeat at South Side and as a result of the practice the Orange went on the warpath against Oyster Bay.

It appears this time that Mr. Noble won't take it from us this outing: Hicksville 26, Massapequa 7.

We had 10 out of 15 correct picks last week and thus are a bit reluctant to continue selecting but once in we must swim. For this week-end we call: Lawrence 14, Baldwin 12; Lethpage 27, East Rockaway 0; Freeport 14, Hempstead 7; Garden City 7, Oceanside 0; Glen Cove 19, Westbury 6; Great Neck 20, Mineola 14; Levittown 6, Wantagh 2; Lynbrook 13, Long Beach 12; South Side 24, Malverne 6; Manhasset 42, Woodmere 12; and Sewanhaka 19, Mepham 12.

## 3rd Division Elects Officers, Plan to Form Auxiliary Unit

HICKSVILLE—The third division of the community-wide Little League here—the International—has been organized and the three divisions are now making plans to obtain sponsors for 12 major, 12 minor and 60 farm teams for the 1955 season.

Vincent D'Angelo of 14 Wellsey Lane has been elected president of the International division for the area south of Woodbury Rd. and west of Jerusalem Ave. Sixty adults were present for the organization meeting held recently in the high school.

Tom Killeen of 26 Ferndale Dr. is vice president, Fred Niebuhr of 18 Wellsey Lane is secretary, and John Mulholland of 10 Birchwood Lane is treasurer.

Other divisions which have already organized and elected officers are the National and American.

The Hicksville Little League will be governed by a board consisting of the presidents of the three divisions. Plans are being made to form a women's auxiliary to serve as team mothers, provide refreshments at games and assist with trails. Women interested are invited to contact their respective league division presidents.

Frank Muller is chairman of the sponsorship committee.

A committee on playing sites is preparing to contact the school board for clearance on the use of fields during the season.

## Nobody Wants 2 Houses In Path of Progress

**OYSTER BAY**—A second call for bids (unfortunately not advertised in the Mid-Island Herald) on the purchase and removal of two frame Hicksville houses resulted in "no takers" this week on Tuesday. The buildings are at the corner of Heitz Place and Bay Ave. On this corner is a three-story Rushmore property which will soon become a public parking field.

The Town Board has another building removal problem in the case of more Griffin and Rushmore property at the corner of East Marie St. and Railroad Ave. which has also been bought by the town on behalf of the Hicksville Park and Parking District for parking fields.

On this corner is a three-story frame building which has long been a landmark. It was most recently occupied by a wholesale seed and bulb concern. Next to it is the former premises of County Neon Sign Co. This firm has

moved to Jerusalem Ave. A few weeks ago a 6-room frame building near the corner of E. Marie St. and Nicholas St. was smashed by bulldozers and the rubble burned, under the control of the Fire Dept., to make room for the parking field now nearing completion. This property was also formerly owned by Griffin and Rushmore.

## Fire Dept. Hears Of Incorporation

**HICKSVILLE**—The subject of incorporation was discussed in detail at the fire department meeting, on Sept. 13, by Robert Corcoran, attorney for the fire district. The relative merits and procedure of incorporating the five dept which was organized 61 years ago were outlined by the speaker. One company of the department, Hook and Ladder Co. 1, organized in 1868, is incorporated.
