Warn Commuters

HICKSVILLE—Commuters who have been leaving their cars in public parking fields were being warned today that the fields are designed for the use of shoppers and that each area has a two-hour parking limit. Police are expected to strictly enforce the regulations in response to complaints from shoppers who claim they find fields near the station filled to capacity from before 8 AM til 6 PM.

Vote On Bank Merger Dec 15

HICKSVILLE—Stockholders of the Bank of Hicksville this week received notice of a special meeting at 10 o'clock Wednesday morning, Dec. 15, when a vote of the proposed merger of the Bank of Hicksville and Meadowbrook National Bank of Freeport will be held at 65 Broadway. The notice was given by Henry G. Eismann, president.

Court Dismisses Libel Suit

HICKSVILLE—The libel suit, seeking \$50,000 in damages, brought against the Twin Lawns Civic Assoc. in July by a local contractor, has been dismissed in Nassau County Supreme Court it was announced at a meeting of the Civic group Tuesday night at East St. School. Alexander Vitale, attorney for the association, was guest speaker.

The suit claimed alleged damages resulting from the Civic Assoc. opposition to a zoning variance. The complaint was dismissed on the grounds that it was "jurisdictionally defective and that the facts contained in the complaint were insufficient to constitute a case", it was reported.

The Civic Assoc. at its meeting voted to request a policeman or school crossing guard at Woodbury Rd. and Bethpage Rd. which is currently protected by a stop sign. It was noted that a small child was slightly injured the same day as the meeting at this crossing.

Full Text Of Budget Message

MINEOLA—The county tax rate for 1955 is scheduled to drop nearly seven cents from \$1.395 to \$1.326 per \$100 of assessed valuation. The complete text of County Executive A. Holly Patterson's budget message to the Board of Supervisors is published in this issue of the Herald as a legal notice. A public hearing on the proposed budget will be held 11 a.m. Wednesday, Nov. 24.

LIRR Boss Coming Here Dec 6

HICKSVILLE—The boss of the LIRR, General Manager Thomas R. Goodfellow, will be speaker at the high school auditorium on Monday night, Dec. 6, at 8:30 at a meeting sponsored by the Glenbrook Civic Assoc. A question and answer period is planned during the evening.

Fire Auxiliary On Parade

LADIES AUXILIARY of Hicksville Fire Dept. will hold a card party this Friday night, Nov. 12 at the firehouse on East Marie St. starting at 8:15 PM. Here are the members of the auxiliary as they appeared on Labor Day during the annual firemen's parade on Levittown Parkway, Hicksville, in their new uniforms. (Herald photo by Frank Mallett).

RANSOM TO SUCCEED HOGAN?

Francke Making Bid For GOP Leadership

OYSTER BAY—The Republican leadership in the township will probably be decided just prior to the end of the current year. Howard T. Hogan, Farmingdale attorney, and former Mayor who was a successful candidate for Supreme Court Justice last week, is the current township chairman and as a member of the judiciary is expected to resign and behind-the-scenes jockeying for the leadership began almost as soon as Hogan got the nomination. Charles E. Ransom of Sea Cliff, former town clerk, ex-county clerk and former township supervisor, is prominently mentioned as Hogan's successor.

Ernest Francke of Hicksville, who got his position of successor to Ransom as County Clerk when he wanted to be township supervisor in one of the most curious last minute switches in township political history, has the backing of GOP committeemen from Hicksville-Plainview for the leadership.

Feeling is beginning to run strong ever since Election Day when the prospect of a vacancy became definite and there are reports that some local committeemen seek to force the issue into open debate and vote at a meeting of the township general committee—something which has not happened in over two decades.

Leonard W. Hall of Oyster Bay, National GOP chairman, has always maintained a close contact with affairs in his home township where he was leader for many years. Hogan, a member of the law firm of Hall, Robinson and Hogan, was obviously the favorite choice of Hall when the latter resigned the political leadership to become County Surrogate.

Hogan, however, did not get the full reign as leader and patronage dispenser which Hall had enjoyed. In addition to the township GOP executive committee, he was required to consult with a "top brass" advisory committee—a sort of super executive committee—which included such long-time political stalwarts as Ransom and Francke.

Francke has long sought the town GOP leadership, observers recall. When Hall first went to Washington as a congressman there was talk of his resigning as GOP chairman in Oyster Bay. When a hassle quickly developed among successors seeking the office—including Francke and the late Edwin McQueen, town clerk—Hall held on to the position and only surrendered it when he was elected as Nassau County Surrogate and gave it to Hogan.

Dancing Friday

HICKSVILLE—Music for dancing is promised by club President Ernest Francke for this month's meeting of the Hicksville Republican Club members. Meeting will be this Friday, Nov. 12, at 8:30 P.M. in the Masonic Temple on W. Nicholas St. Refreshments will be served.

TRIBUTE TO EISEMANN:

Lighting Co. Pays \$194,206 School, Town Taxes Here

HICKSVILLE—The Long Island Lighting Co. was today revealed as one of the biggest taxpayers in the community, paying \$194,206 in taxes on its Central Operating Headquarters on Old Country Rd., here. Three years ago when the site was vacant land, the Lighting Co. paid only \$3,928.30. A spokesman for the utility company, in disclosing the amount, paid tribute to Henry G. Eismann, prominent realtor and banker, who encouraged the firm to develop its operating headquarters here.

Hicksville School District in the 1953-54 tax year received \$114,120 from the Lighting Co. while \$80,086 was paid the township of Oyster Bay. In 1951, the LILCO tax bill here was \$2,229.63 to the school district and \$798.67 to the township.

The LILCO's bill for 1954-55 school taxes, one half of which was paid this year, amounted to \$143,-

THREE PRESIDENTS of Kiwanis Clubs were present for the Charter Night of the Hicksville Club held at the Milleridge Inn, Jericho, on Saturday night. Left to right are Edmund Ocker, president of Plainview Club; James Walters, president of Hicksville Club who was guest of honor for the evening; Jay Schwartz, past president, who is now Lieutenant Governor of Kiwanis for this district; and Bob Canter, president of Levittown Club. The affair was a sellout. (Herald photo by Frank Mallett).

URGE PARENTS TO ATTEND:

Youth Centre Need Topic Monday Night

HICKSVILLE—The Youth Coordinating Council is sponsoring a community meeting in the High School Auditorium next Monday night, November 15, at 8:30 P. M.

The principal speaker will be Judge James N. Gelrig of the Children's Court, Mineola.

Purpose of the meeting will be to discuss the problem of adequate recreational facilities for local youth. After Judge Gehrig's talk, questions will be answered from the audience by a panel composed of Joseph Byrne, Youth Council president; N. W. Glaser, School District psychologist; and Judge Gehrig. A representative of the Town Board has also been invited to appear to answer questions.

Joseph Eisner, secretary of the HYCC, will be moderator. Fred J. Noeth, Herald editor, will introduce the speakers.

All parents are invited to attend this important meeting, which will also feature a short talk by local teen agers on what the youth of Hicksville would like to see the community do.

Hillside Meets Again Dec. 13

HICKSVILLE—The Hillside Terrace Civic Assoc. Inc. met Monday night, Nov. 8, at the Woodland Ave. School with "Get Acquainted" as the theme of the evening.

Refreshments in the form of coffee and cake were served and enjoyed by all. The few who missed the refreshments can take advantage of a continuance of this practice at the next meeting on Dec. 13, a spokesman said.

A final form of recommendation regarding the park or play area was determined and a copy as it will be sent to the Town Board will be read at the next meeting. Vice President Ernest Gossey asks that those who plan to attend the Dec. 13 meeting so advise their section executive board member.

187 and, the company spokesman pointed out, "with the completion of the company's administration building, now under construction, the total taxes on our Hicksville property and buildings will be much greater.

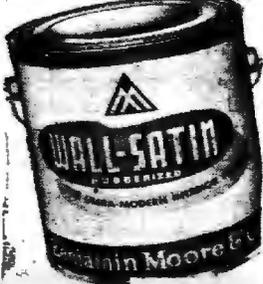

"It was largely through the efforts of Henry G. Eismann, that LI Lighting chose Hicksville as the site for its Central Operating

Headquarters. Eismann felt that we would be a welcome neighbor, beneficial to the community and these very substantial tax figures justify his foresight. Our Central Operating Headquarters has become a real part of the community, assuring a sizeable share of the cost of good government and well-educated children," the statement concluded.

Albany Session
 ALBANY — The Wallace E. Lamb, Assistant Superintendent of Schools at Hicksville, attended a meeting of the Regents' College-High School Articulation Committee at the New York State College for Teachers here, Tuesday and Wednesday of this week.

This committee is composed partly of members of the state education department, partly of representatives of the colleges of the state, and partly of selected public school administrators. The main purpose of this committee is to promote better understanding and more harmonious relationships between the high schools and colleges of New York State.

At this session particular attention was devoted to the acceleration of gifted pupils so that they will not be required to spend eight years to go through high school and college. Other subjects discussed at length included a proposed readjustment of the high school curriculum, a uniform transcript for submitting a pupil's high school marks to colleges, means of stimulating high school graduates to go to college, more intervisitation between high schools and colleges, and state curricular development.

The Regents College-High School Articulation Committee is the outgrowth of a School and College Relation Committee which was first named in 1949 by the State Assoc. of Academic Principals. Dr. Lamb has been a member from the time the committee was formed.

Later the committee began to hold joint meetings with a similar committee appointed by the college administration of New York State. Much has been done in the five year period to readjust the curricula of both high schools and colleges to meet the needs of the boys and girls of the state.

Dear Jean:

Hicksville Chamber, retailers committee, has worked out many of the details of the Christmas program this year. Participating stores will start issuing tickets for a fine array of Christmas prizes, including a 1955 Pontiac about next week. The winners will be chosen on Dec. 29 on the stage of the Hicksville Theatre. All tickets must be turned in by Dec. 27. Many of the participating stores will award \$10 gift certificates besides their share of the Pontiac award. . . . The Grumman building off South Broadway, Hicksville, is known as "Plant 11" housing the plastic and plaster department, employs 54 men and uses 40,000 square feet of floor space. . . . Hicksville Theatre is considering a plant to broadcast its Thursday night Jazz Shows over WGBB, Freeport, right from our local stage. . . . HAROLD MANASKIE was not too happy about the Halloween trick of putting an old privy on his front lawn. He suspects Republicans, fellow firemen and most everyone in sight, including Casey the Crime Photographer. . . . FRANK MALLETT, by the way, says he did get a shot at a fox on his bow and arrow hunting trip, so he came home with ONE LESS arrow than he went away with. A dispatch from Aguburg, Germany, in the daily papers this week credited a Hicksville soldier with killing a rampaging four-ton elephant with two bursts from a .50 calibre machine gun after the beast had raised a ruckus in a circus there. He was identified as Sgt. MICHAEL IWANTSHULL with no home address given. . . . This Saturday night the North End Tavern is holding a beef steak party to celebrate the new management by VERA McNAB. . . . Contract has been awarded for the new parking field on the north side of Heitz Place, south of LIRR and west of Bay Ave. and work should start as soon as those two small houses on the tract are removed, Chamber Directors heard at their meeting last Friday. . . . An executive meeting of the Plus X Society will be held Monday night, Nov. 15 at 8:30 P.M. in the Confraternity Building on Broadway, next to St. Ignatius Church. . . .

Charter members of the Holy Name Society of St. Ignatius R. C. Church who were honored with a dinner at the Wheatley Hills Tavern recently were, each presented with an engraved plaque. . . . CEDAR CLIFF HAPPENINGS:
Last Reminder Of Our Dance

By JIM PRIEST
 Hicksville 4-4291

First, a gentle reminder to head for Levittown this Friday, Nov. 12, with you and your best dancing partner determined to have a good time. Of course you know the Civics are holding their Second Annual Dance at the Lun-on-the-Green and that the admission is but \$1.25 for four hours of pleasant dancing to the music of the Minutemen.

Remember girls:

Upon entering the East St. School's Poling place on Election Day, many residents thought they had happened upon a Cedar-Cliff Civic meeting. Among those present at one table were: Marge Mashburn, Joan Dowd, Martha Reichel, Anthony Corrieri, Ed Resch, Watchers; Frank Menzies, Roy Bluder, Greg Fraser, Inspectors; Elaine Groh, Chairlady. More proof that people who join Civic groups are public spirited and unselfish.

Frank Menzies asks that anyone interested in either playing or working for the Little League, now organizing, call him at HI 4-2572 any evening.

An interesting idea came up at the last Civic meeting in East St. School. Since many skills and trades are possessed by any group, Ernie LaFortune began a one man clearing house for all kinds of Occupations in the community. It will work like this: Your plumber gets leaky, you call Ernie at HI 4-4311 and he gives you the name of someone in the community who can help you. There's no limit to what problems Ernie may help you solve.

Johnny Reichel and company are still at it, and have these seven names added to the Civic roster: On Sussex St., Eich, Schaal, Quinn, and Schisch families. On Cedar St., the Schroeders, and on Cliff Dr., the heads of the Decker and Zulkowski households. Welcome!

Most of us appreciate Woodbury Road's stately trees and quaint old homes. Unfortunately some people drive through too fast to notice anything. You will recall that a pedestrian was killed several weeks ago on it, while more recently three cars narrowly escaped a worse tragedy on a rainy evening.

Except for school crossing stop signs at two points there are no obstacles to fast driving between South Oyster Bay Rd., and the five-way suicide railroad crossing where Woodbury Rd. begins. Somewhere along this stretch of road there must be justification for a traffic light or two. A survey would reveal how heavily this road is travelled during certain hours of the day.

TAKING TITLE to the former home and buildings on the Remi Wesnofske farm at 330 South Oyster Bay Road was a big moment for the officers of the Midway Jewish Centre at the Bank of Hicksville, Tuesday, as Rabbi Morris Appleman (seated at left) received the keys from Wesnofske (second from right). Seated in the center is Abe Gerchick, president of MJCC, which has 200 families. A general congregational meeting

will be held at the new house of worship this Sunday night, Nov. 14 at 8:30. The barns on the property have been remodeled by members with materials supplied by Hicksville business firms. Standing, left to right, are Joe Snow, treasurer; Stan Baden, chairman of house committee; Wesnofske and Paul Werman, attorney for the congregation. (Lanner-Carney Photo).

Civics Talk Fluoridation

PLAINVIEW—The Civic Assoc. will meet on Tuesday, Nov. 16, at 8:30 P.M. to present a panel discussion of the pros and cons of Fluoridation, a measure recommended by the American Dental Assoc. to help "prevent cavities" in children's teeth.

The local representatives of the American Dental Assoc. plus all the other dentists and doctors of the community, who can attend

the Water Board in discussing this vital issue: "Shall we Fluoridate Plainview's Water Supply?"

The Civic Association is not taking a stand on the question yet, merely providing a public platform for the issue to be discussed.

At the same meeting there will be a report on the plan of establishing a local Park District. Councilman Frank Chlumsky will speak.

Atchue, Cites His Record, Seeks Re-Election Dec. 7

PLAINVIEW—Ralph P. Atchue, chairman of board of commissioners of Water District here, last month formally announced his intention of running for re-election as water commissioner. Election takes place Tuesday, Dec. 7, between 8 and 10 p.m. at office of the District, corner of old Country Rd. and Mannetto Hill Rd.

When interviewed, Atchue stated it was his desire to carry on the job he under took three years ago in helping to bring to the community a modern water system. For past two years he has been chairman of the board of commissioners and under his leadership several important changes have been made.

Among these are: water rates lowered substantially, water tax on real property reduced 10 cents per \$100 of assessed valuation and fire hydrant rental drastically reduced.

Also new modern pumping and distribution system is in operation. He also stated "I feel it is the duty of every taxpayer of the water district to vote in this forthcoming election. Naturally I welcome the support of all of you but whether or not you vote for me, the main thing is to vote for the man you feel can best serve in this capacity. If the people feel I have done a good job for them during the past three years they can be assured I will do as much as possible for them in the future, if re-elected."

Chamber Meets Next Thursday

PLAINVIEW—The next regular meeting of the Chamber of Commerce will be held Thursday night, Nov. 18, at the Jamaica Ave. School, here, at 8 o'clock according to Dr. Edgar A. Treacy, president. All interested residents and members are invited to attend.

Teens Arrange Turkey Dance

PLAINVIEW—Teens held a sock hop at Jamaica Ave. school on Saturday, Oct. 30, and the teenagers would like to thank chaperons and those who donated money to make it possible.

A regular meeting was held Oct. 29 with 76 members present. The Teenage Club has obtained a new phonograph, three new ping-pong tables, two knock hockey sets and chess and checker sets. Plans are being made for a Thanksgiving Dance on Nov. 26.

County To Buy Headquarters

MINEOLA—Purchase of the present headquarters building of the Second Police Precinct on Hicksville-Jericho Rd., Jericho, is contemplated by the county. The Board of Supervisors at a meeting next Monday morning, Nov. 16, here, will consider a resolution authorizing County Executive A. Holly Patterson to sign a purchase agreement with owner Ingoborg A. Hillard for the frame structure.

TEA NEXT WEDNESDAY
Mrs. Rose Thurer, local chairman of the Cerebral Palsy Auxiliary announces that the Auxiliary will hold a tea on Wednesday afternoon, Nov. 17, at 1:30 p.m. at the American Legion Hall, E. Nicholas street, Hicksville. All those interested in the movement are cordially invited to attend.

Our Lady Of Mercy Dance Friday

HICKSVILLE—Eddie Milecheck's ten piece "SILVER CROWN ORCHESTRA" will again provide the music for this year's Annual Fall Dance of Our Lady of Mercy Church to be held Friday, Nov. 12 at St. Ignatius Auditorium, Broadway, here. In addition, the Harmonicats, popular local group will entertain to the delight of the patrons.

The dance is all the talk of Plainview as the folks look forward to a great evening of fun and entertainment. Ten delicious turkeys will be garded with delivery promised in time for Thanksgiving. Father Schwebius and the committee promise a wonderful evening for all.

Old Favorites On Santa's List

By FRED J. NOETH

WE HAVE BEEN READING somebody else's mail and parents will be interested to know that their youngsters have more or less given up dreams of spacemen's gear in their early letters to Santa Claus this year.

Letters to Santa have been arriving at the Post Office, enroute to "North Pole, Alaska", "North Pole, USA", "Santa Claus, Hicksville", "North Pole, NY" and just plain "North Pole" for the past three weeks.

Mother and dad may have a little difficulty getting prepared for the holiday season with the daily temperature up around 60 or more degrees, but the boys and girls know exactly how many more days, hours and seconds remain until Santa arrives in their home.

A study of a couple dozen letters from Hicksville, Plainview and Bethpage children indicates pretty strongly how the small fry feels about the items they expect to find under their tree on Christmas morning.

Francis Shanley and brothers of 3 Franklin St., Hicksville, expect an army set, two model airplane kits, model boat kits, and a rail road car. John Parzyck of 32 Virginia Ave., Plainview, is awaiting a model car and Lincoln log cabin set. Raymond Nathan (no address) has an order in for a tractor and ferris wheel. Diane and Suzanne Santorillo of 71 East St., Hicksville, request doll accessories and a tea set.

There is not a single mention, in this batch, of spacemen's gear, rocket ships and other supersonic gadgets which were the "big thing" last year. The old favorites on the other hand, are strongly sought after: trains and accessories, dolls, bicycles, wagons and soldiers.

In case mother or dad have not been reminded of this important coming event by their letter writing children, there are only 36 shopping days left and we can't think of a better place to get just what you want than right in our local home town stores.

The Hicksville business people, for example, will bring Santa Claus here in regal style befitting his importance on Saturday morning, Nov. 27. He will have candy to hand out to all the boys and girls who await his arrival and he will talk to the youngsters in person.

The arrival of Santa in Hicksville has become traditional. Last year he arrived by helicopter. In previous years he has come by jeep, open convertible, fire department hook and ladder and even on a sleigh (mounted on a float, of course). We are not at liberty to give the details for this year but we do know that he will come up the full length of Broadway starting at First St. and taking up his position of honor at the front of the Long Island National Bank.

Christmas Club checks from our community banks will be in the mails toward the end of next week, amounting to almost three quarters of a million dollars. Statistics reaching us this week show that this is more than the total amount of Christmas Club checks to be issued this year by the states of Oregon, Montana, New Mexico, South Dakota, North Dakota, Idaho, Utah, and Wyoming, not to mention Alaska and Puerto Rico.

Further research shows that so many of our checks will go into Christmas shopping and what better place to get your money's worth than right at home? Besides, this year your purchases in Hicksville stores will give you the opportunity to win thousands of dollars worth of prizes including a brand new 1955 Pontiac.

Better dust off the snow shovel, pop.

The Question Box

Q. What was the design of the Confederate flag?

A. There were four flags used by the Confederacy. The first, known as the Stars and Bars, was adopted by the provisional Confederate Congress on March 5, 1861, and consisted of 7 stars circularly arranged on a blue field, with two broad red stripes interspersed by a white one, and was similar in appearance to the U. S. flag. The second Confederate flag was never officially adopted, but was usually a red square crossed by two diagonal blue lines on which were a total of thirteen stars. This flag was usually flown in battle.

The third flag was officially adopted on May 1, 1863, and used for the battle flag as a square in the upper left corner on a white field, which was twice as long as the total breadth of the flag. On March 4, 1865, this flag was modified by the addition of a broad red stripe running from top to bottom on the right side of the white field. This fourth flag was probably never flown anywhere else but on the Confederate capitol at Richmond, Va. The battle flag was the most popular, and is probably the best known of the Confederate flags.

Q. What is the present population of New York State?

A. The 1953 estimated population, based on the 1950 census, is 15,512,768. The 1950 census showed a total of 14,830,192, of which 12,682,446 were urban, and 1,570,092 were rural.

Protest Flood Of 'Junk Mail'

By MARGARET CAMPANELLO
To the Editor:

In connection with your editorials on "junk" mailing, I sincerely request that the following letter be published as an open letter to the "Town Topics". I am most grateful for your editorial which may have started the wheels towards correcting what I believe to be an evil in the postal regulations. 83 Woodbine Dr. N. Hicksville, N. Y. Nov. 9, 1954

TO MID ISLAND
TOWN TOPICS:
Sir,

Reference is made to your editorial of Nov. 3 captioned "New Paper Boon to Buyer, Seller and Post Office" in which you depict "patron" or "occupant" mailing as profitable to the post office dept., taxpayer and postman.

As the wife of a letter carrier, I take exception to this distortion of facts. I shall do my utmost to vindicate not only the truth, but thousands of postmen throughout the country, good honest men by whose flesh and blood your kind is profiting.

To begin with, I publicly chal-

lenge you Mr. "Town Topics" to produce one post office official in the upper echelon who will publicly announce that the post office dept. is profiting by the "patron" mailings. This I can guarantee you will never do.

To return to the issue, however, let me inform you that prior to the amendment of Sec. 34.63 P.L.R. a letter carrier route was designed for approximately 80 per cent coverage at most. This was considered a good day's work and is. The number of stops a letter carrier has on his route depends on the volume of mail in his locale and the type of establishment to be serviced. Ultimately the route, office time and route time was completed in 7 hours, 45 minutes on the busiest day.

However, since the "junk mailing" started routes HAVE NOT been cut as you intimate in your editorial, relay systems have always been in existence and the postage carried by a postman was cut long before "junk" mailing as carriers were dying too fast.

The volume of mail has increased 400% to 500% but very rarely and very few letter carriers have received overtime. Coincidentally, the week your editorial was published was the only real overtime granted to the letter carriers of this postal district. This was due only to the fact that three other "junk" dealers deluged our office to the extent that there was no alternative.

In your editorial you state that the letter carriers are thrilled and take home extra money. In plain English you were greatly misinformed. I defy you to produce ONE, just ONE postman to substantiate your statement.

Now let's go into the postage part of the story. Your particular circular pays a big 1 1/4 cents per copy. The average route in Hicksville has approximately 380 stops. The net gross per route is \$5.75. To hang you with your own editorial in which you claim overtime is paid, let me elucidate further. The average letter carrier earns \$1.97 per hour (2.01 top grade, \$1.61 base). The average overtime given the first week of this month was two hours per man. This means each postman received \$5.61 for delivering your junk. Could the remaining 14 cents plus the other "junk" of which there were three types at 14 cents per pound be the profit of which you speak? Perhaps you are not mindful of the fact that the delivery expense is the last expenditure made by the PO in the handling of mails.

And how about the delay of first class mails? Can a patron today expect a postman at any specific time? Does a carrier have a schedule today? At one time a letter carrier was dismissed for not maintaining schedule.

(To the patron who may be reading this, I wish to say that my similarity to vindictiveness is NOT down right burned-upness is NOT coincidental but intentional.)

It has only been on my husband's account that I have not

given air to this "junking" issue again. But living with a man who leaves his occupation as he does, seeing his occupation raped of the dignity it once possessed, cut down from letter carrier to LITTER carrier, government man to garbage man, is hard to take. My only regret is that other postal wives have not spoken up.

It is a shame that people who do not wish your type of mail do not know that a post card to their local postmaster to that effect will not only put an end to a deficit making affair, but will help re-dignify their letter carrier.

To the Editor:

Enclosed is a letter, a copy of which was sent to the Town Topics. You have my permission to use it.

24 Crescent St.,
Hicksville, N. Y.
Nov. 4, 1954

TOWN TOPICS:

You asked to hear from all 14,000 readers? Well, I doubt that you will, but I for one would like to voice my protest of your "junk mail" (It can't, in my opinion, be called a newspaper).

I have read my first and last copy of the "Town Topics". We have now installed a large can outside of our house, under the mail box marked "junk mail". As soon as the poor, overloaded mailman leaves the mail, we throw all of it that is not directly addressed to us into the can without glancing at it. This can is then periodically emptied into the garbage truck.

The only reason that I read your offering once is to note the advertisers so that I may be sure NOT to patronize them. This is one of the few ways in which to voice my protest of this latest form of invasion of my privacy. I also refuse to buy anything which is solicited over the telephone.

I subscribe to the "invaluable local newspaper" to which you refer. I am happy to pay the subscription price and I still believe that in a free America, I have an inalienable right to select my own reading material as well as my own merchants.

Yes, as you suggest, I will write to Postmaster General Summerfield-BUT—to protest the annoyance which "junk mail" causes me. Not only do I have more garbage to carry, but my regular mail is now delivered late in the afternoon instead of early in the morning as it was previously.

You may well think you're pretty shrewd, capitalizing on a new post office regulation, taking the name of a former Hicksville news paper, and infringing upon our rights as a private citizen, but if no legal action can be taken against you, we the people can still protest, publicize—and boycott such media, and I believe that reputable "invaluable newspapers" will be in business long after you fold your tent and "steal" away.

(Signed)

Fall Festival To Benefit Cubs

BETHPAGE — Final preparations were completed for the first "Fall Festival" to be held by Cub Scout Pack 159 of St. Martin's Church. More than a dozen games and prizes, and refreshments, food, entertainment and other events are scheduled for the benefit affair, which is to start at 8 p.m. Saturday, Nov. 13, in the parish hall, according to Cubmaster Walter Baxter, of 56 Brenner Ave.

Heading the committee for the Festival are George Dittrich, 201 Sixth St., and C. J. Giummo, 64 Broadway.

Purpose of the affair, Baxter says, is to raise funds to help support the season program for the pack, which has doubled in size this fall. New den mothers are Mrs. Fred Marker, 48 Concord Ave.; Mrs. Louis Colombo, 317 Martin Pl.; Mrs. LeRoy Tire, 3557 Condon Rd.; Mrs. Joseph Clune, 31 Irving St.; and Mrs. John Donlon, 23 Beverly Rd.

A new assistant cubmaster is Salvatore Nigro, 21 Collector Lane, Levittown. Albert Liguori, 164 Morton Boulevard, Plainview, has joined the pack committee.

New boys who have received Bobcat pins include Thomas Haley, Michael Ahlers, James McGovern, Joseph Ahtzinger, Michael Ahtzinger, Kenneth Bombria, Henry Butcher, Kevin Colombo, Michael Thompson, John Glone, Thomas Cooney, Brian Guss, Richard Grossweiler and Francis Slater.

ALONG WOODBURY ROAD: Jason Johnson In Our Home

By MAY MALJEAN
Hicksville 3-5515

Tho it is a familiar thing to see Jason Johnson, in our living room on the TV set, it was interesting to have him here in reality this week. We asked him all sorts of questions about his local theatre activities for which he is well-known hereabouts.

His daring as a director is shown by the fact that he has been putting on theatre-in-the-round. This, for those who do not know, is the staging of a play without a stage. The action takes place in the center of the hall with the audience seated on all four sides much in the manner of a wrestling arena. And from what I hear, the play he is directing now will have about as much action. It is the suspense-packed "Blind Alley" which is being produced by the Threshold Theatre Inc. on Nov. 19, 20, and 21 at the American Legion Hall—3rd Ave. and 3rd St. in Mineola.

Most folks know this group under its former name the Arena Players, which presented Second, Threshold, Claudia, Jason, Male Animal and Country Girl. Under its present title Bell Book and Candle was produced. A large portion of the group is connected professionally with TV. Comments are often made about theatre-in-the-round by those who at first feel they are eavesdropping on a quarrel or discussion by a group of neighbors, but later feel as if they themselves were a part of this very intimate form of drama.

When a character makes his first entrance—his movements are so made as to show him from every angle so that his face will be familiar to the audience even tho later the back of his head is to them. At such times, the play is directed so that another actor will be in full view. The scene changes are made in a blackout, and stage hands must rehearse changing sets in the dark so that they will be able to do so without any difficulty the night of the show.

The director, Jason Johnson will also act in the performance as Prof. Shelby, Frances Bonney as the professor's wife, David Mann as

Hal Wilson the gangster, Florence Kelly as Agnes, Rudy Volpe as Nick the gangster, and Jean Sheraton as Maizie the gun moll. The story, by James Warwick, is a battle of wits between a mad dog killer disturbed, emotionally, on one side, and a professor making a clinical psychology application for society, on the other. This killer has taken refuge in the professors home after a jailbreak, and is stalled and studied by the prof. to see what makes a paranoid killer tick? I won't tell you how it ends, however—you'll have to go to Mineola to discover that.

FASHION SHOW

The Sisterhood of the Midway Jewish Community Center held a fashion show at the San Su San on Jericho Turnpike on Wednesday, Nov. 3rd. Models were: Cynthia Adler, Trudy Rosenfeld, Roslyn Brill, Betty Mogavero, Bernice Kraus, Thelma Zisner, Ruth Raber, Ruth Brenner, Janice Zager, Adele Caine, Myrna Cines, Netty Berlynn, Muriel Warren, Gussie Hurwitz, Blanche Gerchick, Claire Kline, Helen Brown, and Barbie Brucker. Fashions were by Lady Sarins, of London and Merrick. Hostesses were: Anne Golden, Sylvia Kamen, Iris Feldman and Beatrice Peck. Wardrobe mistresses: Helen Brown, Selma Goodman, and Anette Corchnior. Columnist for this newspaper Betty Mogavero looked lovely in a bridal gown. Due to Betty's constant efforts, the show was a tremendous success.

MELODRAMA

Another hard working lady is Dorothy Ryan, of Zelda Park, who put together a show for the Hicksville Junior High PTA. It was a Gay Nineties Review, with all the trimmings, and it brought down the house. It climaxed several weeks of preparation by Dot. I never saw her that she wasn't designing costumes, cutting out modstaches, or manufacturing props.

She says she could never have done it without the help of Martha DeTrano and Gertrude Paul, who helped her all along the way, especially in the choreography, and lyricizing of the parodies. Taking part in the show were: Murray Margolis, Anthony Pollero, Katherine Mahoney, Barbara Lenaky, Charlotte Yarinsky, Francis Margolis, Charles Krumenacker, William Feigin, Benjamin Gitlin, John Kearns, Joseph Ryan, Joseph Giambalvo, Richard Kulp, and Mrs. John Kearns.

Halloween Was Real Humdinger

By **CONSTANCE GIBSON**
Hicksville 4-1482

The youngsters had a real humdinger of a time this year with Halloween falling on the weekend. Trick or Treaters called on people both Saturday and Sunday. Many of the Gable homes were nicely decorated by the younger generation for the holiday. Skeletons, witches and cats hung from windows while pumpkins lit them up.

There has been a bevy of parties in the past two weeks which are more than worthy of print. Special congratulations go to Elaine Montalto, daughter of Mr. and Mrs. James Montalto of Rim Lane, Hicksville who celebrated her 16th birthday on Monday, Nov. 1. A festively decorated living room in Halloween trim was the scene of her party on Sunday, Oct. 31st. Present for the fun were Madeline McCormick of 63 Park Ave., Maureen McNally of 124 Acre Lane, Barbara Lonnicki of Burns Ave., Denise Patchel and Loretta Ardovino of Farmingdale. Also present were the celebrant's parents and her young brother Jimmy.

Belated birthday greetings go to Debbie Nicrosini, daughter of Mr. and Mrs. Robert Nicrosini of 35 Park Ave. who celebrated her 3rd birthday on Oct. 22nd. A party in her honor was given at her grandmother, Mrs. Frank Nicrosini's Bayside home at which Mrs. Arlene Murtha, Mrs. Joseph Sarno, and Mrs. Joseph Sarno Jr. were present. On Sept. 28 the Nicrosinis became the parents of a daughter Marcia Alice born in Huntington Hospital. Mrs. Nicrosini's parents, Mr. and Mrs. W. H. Harrison of South Bend, Indiana and Mr. and Mrs. L. D. Runyan of Terre Haute, Indiana came here to spend a few weeks with the couple and their children.

Donald James Parker, son of Mr. and Mrs. J. Parker of 11 Gables Rd. celebrated his 3rd birthday on Mon. Oct. 18 with a party for his friends. Present were Debby and Mark Carone of 271 Plainview Rd., Tim Baldwin of 13 Gables Rd., Jacky Cramer, and Mrs. Lukens and son Peter of Levittown. A good time was had by all.

Mr. and Mrs. Robert C. Caldwell of 295 Plainview Rd. attended a dinner-dance at the Stewart Manor Country Club on Fri., Oct. 22 given by the Jamaica Masonic Lodge to which Mr. Caldwell belongs.

Monday, Oct. 18 was Mrs. Caldwell's birthday. To celebrate, the couple and their daughters, Janice and Sue had dinner in the Candle Light Restaurant in Manhattan.

Stephen Wofsey, son of Mr. and Mrs. Leonard Wofsey of 1st St. celebrated his first 6th birthday on Monday, Oct. 25. A party in his honor was held on the preceding Sat. The 23rd. Present were Mrs. Angelina Garafolo, and Mrs. Nicholas Garafolo and children, Nick and Edith, and Mr. Richard Garafolo all of Port Chester. Mrs. Edith Kotlar and daughter Valarie of Carl Place, Mrs. Connie Civetella and son Anthony of Port Chester, Billy and Lynn Wyman, Sandy, Lorraine and Bobby Musik and Judy and Shirley Lack all fellow classmates of Stephen's in the Leo Avenue School. Bunny and Diane Wofsey, the celebrant's sisters were also there.

Belated birthday greetings go to Janca Byron Jr. whose day was Fri. Oct. 22nd.

Thursday evening, Nov. 4 Holy Trinity Episcopal Church on Jerusalem Ave. had a Smorgasbord dinner for its parishioners. Attending from the Gables were Mr. and Mrs. John Olson of 303 Plainview Rd.

Mrs. Joseph Evers of 294 Old Country Rd. received a DALLI glass from the Dachshund Association of Long Island for bringing them a new member. Speaking of DALLI, Mrs. Grace Hill of West John St., President of the Association has announced that there will be a sanctioned show (a pointless match show) held on Nov. 14th at "Cork N' Bib's," 146 Post Ave., Westbury. Judging will start promptly at 2:15. This will be the club's last match of 1954. If anyone is interested in joining the Association, please get in touch with us at the above telephone number.

Judith Talbot, daughter of Mr. and Mrs. Edwin G. Talbot of 13 Gables Drive celebrated her 10th birthday with a Costume party on Friday, Oct. 29th. Festively attired were her guests, Jean Donalds of 26 Gables Drive as a gypsy, Ginny and Nancy Urschel of 15 Gables Drive as Dutch twins and a girl and boy respectively, Alberta Murray of 28 Gables Drive as a Bunny and Hobo respectively, Hinda Chernow of 10 Gables Rd. as Donald Duck, Theresa McAleer of 17

Gables Drive as Martha Washington, Josephine DeRosa of Gables Drive as Cinderella and her brother, Nicholas as a dragon, Karen Leskowski of 19 Gables Drive as a cowboy, Kenny Perfall of Franklin Square as a clown and his sister Caroline also as a clown, Ferrance Moakley as a cowboy and William Volpe as a hobo. The guest of honor, Judith was dressed as a gypsy while her brother Michael came as a fat lady. Judy was treated to two cakes one orange Halloween cake, the other a chocolate cake. Foremost among the gifts she received was a girl scout uniform. Josephine DeRosa took first place in the party's singing contest with Alberta Murray following up. Theresa McAleer won the bubblegum contest while Nicky DeRosa took 2nd. Nancy Urschel got 1st prize in the Apple contest. Mr. and Mrs. John Olson of 303 Plainview Rd. attended the Wednesday, Oct. 27 Amvet Entertainment Night in Nassau Sanatorium. The women distributed cigarettes, fruit, rocks and cookies to the veterans there. Janice Caldwell, daughter of Mr. and Mrs. Robert C. Caldwell of 295 Plainview Rd. played the accordion during the entertainment period while Wahhitta Ericson of Farmingdale did a ballet sequence.

Clifford Goff, son of Mr. and Mrs. Clifford Goff of 289 Plainview Rd. visited Betty and Don Parks of Matinecock Farms, Plainview recently. Clifffe had a lot of fun feeding the cows, Holsteins and Guernseys.

Hicksville Gables And Halloween

(Continued from Page 9)
Monday, Nov. 1st the Jakabeks treated Doreen to a family dinner. Mr. and Mrs. John Jakabek, Mr. and Mrs. Andrew Tomaskovic and sons Larry and Tommy, Mr. and Mrs. Michael Skakandi and daughter, Justine, Mr. and Mrs. Otto Bremer and son Bobby and Mr. and Mrs. Stanley Zemelk and daughter Holly came to make the evening a memorable one for her. That day Doreen took do-nuts to her 2nd Grade class of which Miss Dinhofner is teacher for a school party. The school is East Street.

June Olson, daughter of Mr. and Mrs. John Olson of 303 Plainview Rd. celebrated her 6th birthday on Saturday, Oct. 30th with a gathering of her friends in the balloon and streamer decorated living room of her parents home. Center-piece of her table was an orange. Halloween cake the gift of her Grandfather, Mr. Bill Horn. Mrs. Ann Ryan and children, Delores and Michael, Mrs. Phyllis Duzugas and children, Jackie, Joey, Buddy and Donna Jean, Mrs. Grace Mackenzie and son Niles, Miss Jean Duzugas, Susie Caldwell, Jean and Coleen Quinn, Beverly Harrigan, June's Grandparents, Mr. and Mrs. W. Horn and your reporter were there to wish her the best of everything. Each of the younger guests received a bubble set along with a trick or treat bag of candy. That evening Mr. and Mrs. Olson attended the Halloween Ball held by the Amvets in Levittown Hall.

Beverly and Eunice Harrigan of 293 Plainview Rd., Clifford Goff of 289 Plainview Rd., Janice and

Susan Caldwell of 295 Plainview Rd. and Harry Smith a fellow classmate of theirs from East St. School attended the children's Halloween party held in the Methodist Church of Hicksville on Old Country Rd. on Oct. 29th. The children were treated to a "Horror House" full of scary things, games where they could "fish for prizes", "duck for apples", "throw darts", "fish for jellybeans in flour" etc. Some old silent, comical movies were shown, each child had his or her voice recorded on a tape recorder and played back. Cider and do-nuts were served to the youngsters.

The Caldwell girls had a Halloween party of their own on Saturday evening, Oct. 30th for their friends from East St. School. The young guests all came in costume. Charles Egan came as a dinosaur, Dennis Cowley as a devil, Fruma Kessel as a Chinese lady, Beverly Harrigan as Porky Pig, Jay Fink as a hobo, Patky Appelman, a gypsy, Ruth Ellen Cranmer, a Princess, Harry Smith attired as a lady, Frances Breausous, a witch, Linda Stols an indian, Clifford Goff a hobo, Anthony Chayka, as a boxer, Sharon Levy a sweet Daisy May, Jerome Lynch as a clown and the hostesses, Janice and Susan Caldwell as gypsy and ballet dancer respectively. The group played Musical Chairs, Memory games, Find the Button, and many other holiday games.

New Voting Machine Gets Tryout

MINEOLA—Election results of the future may have been determined by the success of a few voting machines—or five of them—tried out in the Bowling Green School of East Meadow. Not only does the machine automatically count the votes, but at the closing of the polls, the turn-of a crank, brings them forth all printed. This is said to eliminate delay and errors in copying the numbers on the dials. Properly perforated returns, say the experts can be run through automatic counting machines and the element of error and delay is gone forever.

Civics to Nominate Officer Slate

By RUTH CONTI
 Hicksville 2-7612

The next meeting of the Allied Homes Civic Assoc. will be held next Monday, Nov. 15, at 8 p.m. sharp at Fork Lane School auditorium. A nominating committee will be appointed in order to recommend a new slate for 1955. Election of officers will be held at the Dec. 20 meeting.

Don't forget that Township Supervisor Lewis N. Waters will speak

on Town Government at the Nov. 15 meeting.

Another item of interest is the fact that Anthony Gorszycki of 19 Derby Lane who is 1st Vice President of the above organization has been appointed by the Board of Education to the Citizens' Advisory Committee on Education.

Holy Family R. C. Church at Fordham Ave. and Newbridge Road had its largest confirmation class of approximately 400 children

and 95 adults, confirmed on Tuesday, Nov. 9. Confirmation rites were administered by the Most Rev. Bishop John J. Boardman. The Church was really crowded for this important event.

Vincent Farina of 31 Fordham Ave., one of our neighbors in the Allied Homes, has opened a barber shop at 64 Jerusalem Ave. Good luck to you Mr. Farina.

Don't forget if there are any items of interest such as birthdays, anniversaries etc. in the above homes, please let me know.

The world's greatest builder of V-8's presents

THE TOTALLY NEW '55 FORD!

with styling inspired by the Ford THUNDERBIRD

ON DISPLAY TODAY!

New FAIRLANE Series... The new Club Sedan, like all six models in Ford's new Fairlane Series, features the new wrap-around windshield, new luxurious interiors and wide choice of stunningly new, single and two-tone exterior colors.

Longest, Lowest, Roomiest...most Powerful ever built!

New CUSTOMLINE Series... The Tudor Sedan (above) and Fordor offer a wide selection of new color and upholstery combinations. Like all '55 Fords, they have a new wider grille, new visored headlights and sturdier, extra-narrow pillar-posts for better visibility.

New STATION WAGON Series... The new 6-passenger, 4-door Country Sedan (above) is one of five new designs. There's also an 8-passenger Country Sedan, an 8-passenger Country Squire and a 2-door, 6-passenger Ranch Wagon and Custom Ranch Wag.

We invite you to see for yourself. And we tell you in advance you'll be amazed. For this new Ford is *totally* new—outside, inside, and in thrillingly different performance.

The long, low lines of the Thunderbird were its styling inspiration. Inside, you'll be greeted by rich, roomy luxury... by fabrics never before offered in a motorcar.

Mighty engines, mightier than in any Ford before—supply its exciting power. And each of Ford's three new engines offers the safe, split-second response of Trigger-Torque Power.

Your ride will be up to 15% smoother. Best of all, you'll find your kind of car, for there are 16 body styles in four fresh new lines.

When you come in, don't be surprised if you tell yourself: *why look farther—why delay—you just can't buy better than Ford.*

New MAINLINE Series... Each of the three Mainline beauties offers the same engineering advancements, the same graceful contours and clean lines that distinguish all '55 Fords. Fordor Sedan is illustrated above.

EXCLUSIVE TRIGGER-TORQUE POWER IN 3 MIGHTY ENGINES

1. 162-h.p. Y-block V-8
2. 182-h.p. Y-block Special V-8
3. 120-h.p. I-block Six

(1) The new 162-h.p. Y-block V-8 has a higher (7.5 to 1) compression ratio, greater displacement. And, like all '55 Ford engines, it has Ford's famous deep-block build... short-stroke design.

(2) The new 182-h.p. Y-block Special V-8 (offered in combination with Speed-Trigger Fordomatic on Fairlane and Station Wagon models) features 4-barrel carburetion, dual exhausts and extra-high (8.5 to 1) compression ratio.

(3) The new 120-h.p. I-block Six has a new higher (7.5 to 1) compression ratio. It's the most advanced six-cylinder power plant in the industry.

ALL WITH TRADITIONAL FORD ECONOMY

PLUS ALL THESE OTHER BRAND-NEW WORTH-MORE FEATURES

- ★ New Speed-Trigger Fordomatic Drive
- ★ New Turbo-Action Spark Plugs
- ★ New 16" Larger Brakes
- ★ New Tubeless Tires

Rehearsal For Pageant Begins

HICKSVILLE—The Pius X Society Of Confraternity Parents met on Nov. 8 at 8:30 P.M. in the school hall of St. Ignatius E. C. Church, Mrs. John Barta, Jr., Presiding. Mrs. Stanley Williams, Chairman for the Christmas Pageant, reported that rehearsals will start on Wednesday, Nov. 10 at 7 P.M. in the Confraternity Building. There will be two showings of the Pageant this year, Dec. 17 and 18 at 8 P.M. Admission will be 50 cents to all and the children will receive a gift and candy from Santa.

Confraternity Choir rehearsals take place Friday nights at 9 P.M. in the Confraternity Building. The Athletic Chairman, Walter Gaylor, reported that tryouts for basketball teams are being held on Saturdays at 9 A.M. in the Gymnasium of Lee Ave. School. Rev. Lawrence Ballweg, Moderator of the Society, presented the CYO Baseball Award to Gaylor for his endeavor during the past season. The boys on the team received smaller awards, many of which were accepted by the parents present at the meeting.

Miss Connie Gibson, Editorial Chairman, expressed her thanks to the merchants of the community who bought advertising space in the November issue of the Pius News. Father Ballweg extended a warm welcome to all. Despite the bad weather, about 200 parents attended the meeting. The Back To The Classroom Program was very instructive. Visual Aids on the Sacrament of Confirmation were shown and were most inspiring. Annual dues are payable now to the Treasurer, Mrs. William Doughy and may be mailed to her at 17 Wishing Lane, here.

Refreshments were served by the Chairman, Mrs. James Duffy and her committee, including Mrs. C. DeCabis, Mrs. H. Wilson, Mrs. M. Keller, Mrs. J. Jamison, Mrs. M. Dixon, and Mrs. G. Kayser.

Form Committee For Salvation Army Drive

MINEOLA—A committee of 10 residents of Bethpage and 11 residents of the Hicksville-Jericho Area has been formed for the Salvation Army's Annual Appeal in this area. Mrs. Peter Curcio of Bethpage, and Frank Chumsky of Hicksville, Appeal Chairmen of the local drives, announced today.

Treasurers for the Appeal now underway are, Miss Sadie Reeve, of the Hempstead Bank, Bethpage, and Charles E. Colthurst of the Bank of Hicksville.

Members of the committee include: Charles Campagne, Mrs. Henry Strober, Anthony Amato, Everett Baldwin, Dr. Sidney Freed, Rev. Donald S. Law, Mrs. John Mazzei, and Dexter C. Reed of Bethpage; Samuel L. Pace, Mrs. Charlotte E. Nichols, Mrs. Roseanna Emmel, John E. Brandt, Dr. E. H. LeBaron, George M'Intosh, Jr., Miss Marion Jackson, Dr. Kenneth A. Kent, and Arthur Ragosino of the Hicksville-Jericho Area.

"We welcome these residents into the ever-growing ranks of laymen interested in insuring that the Salvation Army will continue to be able to give help wherever and whenever needed to anyone in distress," said Ellis O. Heglund, of Mineola Headquarters. In instructing the committee members, Heglund stated, "We are proud of and grateful to the number of residents who regularly support the work of the Salvation Army. We hope this year to add considerably to this number of contributors. The need for the services of the Salvation Army has risen in ratio to the rapid rise in population in the Nassau-Suffolk area. Each of us, doing his share, will guarantee that these needs will be fulfilled."

NEW TAX LAW—

INSTALLMENT 5—
EXPENSES FOR PRODUCTION OF INCOME: Expenses connected with the production of income or the managing and maintaining of income-producing property are still deductible. A new provision has been added which allows deduction of expenses incurred in contesting any tax liability, including gift taxes.

MEDICAL AND DENTAL EXPENSES: The deduction for this category has been increased. The excess of three per cent of adjusted gross income is now deductible. The maximum deduction is raised to \$2,500 per exception, but net in excess of \$5,000 for a single individual or married person filing a separate return. The maximum is \$10,000 on a joint return, head of a household, or surviving spouse return.

Expenditures for drugs and medicines are taken into account only to the extent that they exceed 1 per cent of adjusted gross income. Incidentally, this limitation of 1 per cent applies also to taxpayers 65 years of age or over. Medical expense deductions are now limited to items specifically mentioned in the statute. The deduction of travel for medical care is limited to actual transportation expenses therefore excluding cost of meals and lodging on such a

trip. In the carry-back of a net operating loss the adjusted gross income will be reduced in computing the 1 per cent and 3 per cent limitations. Thus the taxpayer has an advantage as far as contributions and medical expenses are concerned in such a case.

The final return of a decedent taxpayer may contain the medical expense deduction of his last illness if paid at least within one year after his death and if not deducted for estate tax purposes.

CHILD CARE EXPENSES: A working woman or working widower may deduct up to \$600 for expenses paid for the care of dependent children under 12 years of age or any other dependent person physically incapable of caring for himself. This is in addition to the \$500 dependency deduction. A working wife may claim the deduction provided she files a joint return. The deduction is then reduced by the amount by which the combined adjusted gross income exceeds \$4,500. No deduction is allowed where such adjusted gross exceeds \$5,100.

A divorced or separated mother may claim the deduction even though the father supports the child and claims the dependency deduction. Payments to a relative for child care qualify provided the taxpayer does not take the relative as a dependency deduction.

To My Wife

MRS. J. PELLEA, ON HER 81st BIRTHDAY NOV. 16
 You ask when does old age begin?
 When the heart's sympathy wears thin,
 And in the contours of the face,
 Malice and hatred take their place,
 When the perceptions of the mind
 To hopes of younger hearts grow blind;
 When the grim passion to possess
 Becomes the source of happiness
 When the once generous warmth is cold,
 Then, then indeed, the heart is cold.
 But fear not—I tell you true
 That fate will never come to you
 The love that in your heart has sung
 Will still sing on, and keep you young.
 Your loving husband sloppy Joe.

LEGAL NOTICE

(Continued from Page 17).
 Administrative Code and amendments to said laws, and a recommendation of the Commissioner of Public Works to the County of Nassau dated September 15, 1954, NOTICE IS HEREBY GIVEN that said recommendation and a map showing sidewalks to be installed at the expense of abutting property owners on the west side of Bedford Avenue, between Oak Street on the north and Linden Street on the south, Bellmore, Town of Hempstead, dated September 14, 1954, has been filed in the Office of the Clerk of the Board of Supervisors of Nassau County.
 Said map shows the location of the sidewalks to be installed and indicates the several parcels of real property abutting said sidewalks and the frontage of each of said parcels.

PLEASE TAKE FURTHER NOTICE that a hearing will be held in respect to such map in the Meeting Room of the Board of Supervisors in the Old County Court House, Mineola, Nassau County, New York, at 11 o'clock in the forenoon on November 22, 1954, at which hearing said board will afford a reasonable opportunity to all persons interested to be heard in respect to such map.

TION 227 OF THE COUNTY LAW, THE COUNTY GOVERNMENT LAW OF NASSAU COUNTY, THE NASSAU COUNTY ADMINISTRATIVE CODE AND AMENDMENTS TO SAID LAWS.
 WHEREAS, the Incorporated Village of Baxter Estates on the 11th day of August, 1954 filed a petition verified the 15th day of July, 1954, with the Board of Supervisors of Nassau County to legalize and validate the Building Zone Ordinance, accompanying Building Zone Map and amendments thereto, of the Incorporated Village of Baxter Estates by curing the mistake, error or omission of the village in failing to publish and post the Building Zone Map after the adoption of the Building Zone Ordinance and Building Zone Map by the Board of Trustees in accordance with Section 178 of the Village Law of the State of New York, and

WHEREAS, upon the filing of said petition with the Board of Supervisors of Nassau County, a resolution No. 583, 1954 was adopted by the Board of Supervisors of the County of Nassau on the 23rd day of August, 1954 authorizing and directing the Clerk of the Board of Supervisors to publish notice of hearing on said petition in the form set forth in said resolution to be held by the Board of Supervisors of Nassau County on the 13th day of September, 1954 in the Village of Baxter Estates, and the Port Washington Reporter, newspaper having general circulation in the Village of Baxter Estates and to post said notice in at least three conspicuous places in the Village of Baxter Estates, one of which said notices to be posted on the bulletin board in the office of the Village Clerk of the Village of Baxter Estates, which said notice thereafter was published in the Port Washington News on August 27, 1954, in the Port Washington Reporter on August 27, 1954, in the Newsday on the 27th day of August, 1954 and in the Mid Island Herald on the 26th day of August, 1954 and was posted on the 25th day of August, 1954 on the bulletin board in the office of the Village Clerk of the Village of Baxter Estates, No. 207 Main Street, Port Washington, New York, and

WHEREAS, the Board of Supervisors of Nassau County on the 13th day of September, 1954 adjourned said hearing to the 30th day of September, 1954 to be held before a special committee of the Board of Supervisors, to wit: Supervisors Henry A. Sahn and Harold P. Herman, and

WHEREAS, said adjourned public hearing was held by said special committee of the Board of Supervisors on September 30, 1954 and closed on the same date, at which hearing the petitioner, Incorporated Village of Baxter Estates, appeared by its counsel, Edwards, Froehlich & McDonough, Esqs., by Henderson Morrison, Esq., of coun-

sel, no one appearing in opposition, a transcript of the hearing held at said hearing and the recommendations of the special committee of the Board of Supervisors dated the 1st day of November, 1954 has been filed with the Clerk of the Board of Supervisors; that the text of the act sought to be legalized, to wit: the Building Zone Map of the Village of Baxter Estates dated April 25, 1931 adopted by the Board of Trustees of the Village of Baxter Estates on June 6, 1932 is annexed hereto, made a part hereof and marked Exhibit "A", and

WHEREAS, the mistake, error or omission sought to be cured is the failure to publish and post the Building Zone Map after the adoption of said map by the Board of Trustees of the Village of Baxter Estates on June 6, 1932 in accordance with Section 178 of the Village Law;

THEREFORE, BE IT OBTAINED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF NASSAU, AS FOLLOWS:

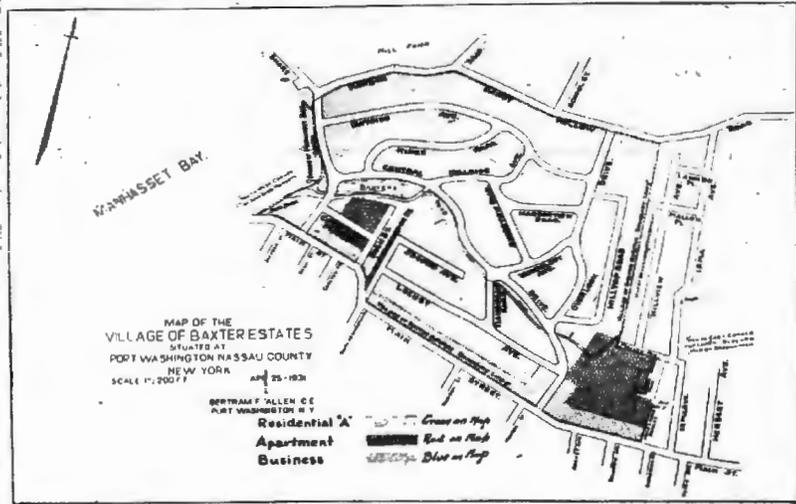

Section 1. That the mistake, error or omission in the publication and posting of the Building Zone Map dated April 25, 1931 after the adoption of said map by the Board of Trustees of the Village of Baxter Estates on June 6, 1932 in accordance with Section 178 of the Village Law of the State of New York, be and the same is hereby cured and the Building Zone Ordinance and said Building Zone Map accompanying said ordinance adopted by the Board of Trustees of the Village of Baxter Estates on June 6, 1932 and the amendments thereto, be and the same are hereby legalized and validated.

Section 2. That the mistake, error or omission to so publish and post the Building-Zone Map dated April 25, 1931 after its adoption by the Board of Trustees of the Village of Baxter Estates in accordance with Section 178 of the Village Law of the State of New York was performed in good faith and was not the result of fraud and that no substantial hardship will result from this determination of the Board of Supervisors legalizing and validating the Building Zone Ordinance and said Building Zone Map accompanying the Building Zone Ordinance adopted by the Board of Trustees of the Village of Baxter Estates on June 6, 1932 and the amendments thereto.

Section 3. The legality and validity of the Building Zone Ordinance and the said Building Zone Map accompanying said ordinance of the Village of Baxter Estates adopted on June 6, 1932 by the Board of Trustees of the Village of Baxter Estates shall be effective on the said date of its adoption.

Section 4. The invalidity of any section or provision of this ordinance shall not invalidate any other section or provision thereof.

Now that the elections are over for another year there are a lot of people catching up at long last with television shows, sleep, household chores and old friends. BASKETBALL!

For the past few years, college basketball has been, in a sense, on probation.

After the scandal of the 1950-51 season, the colleges have been extremely careful to avoid anything that might cause suspicion. As a result, the full confidence of the public has been regained. And, that's the way it ought to be. Basketball is too fine a sport to suffer permanently because of the stupidity of a few foolish players.

It would be extremely foolish to neglect the exhaust system of your car. For safety's sake, have it checked now. And, for complete satisfaction, be sure to have that job done at Broadway Service Station, Broadway and James Street, Hicksville. Phone HI 3-9702.

Select Name For Amvets Post

By JAMES C. COOLEY
Friday evening, Nov. 5, at the home of Helen and Jim Cooley, a list of names were chosen for the new Bethpage AMVETS post and the name picked was "The Long Islanders". This means of selecting a name would not in any way cause ill feelings among townspeople if the organization was not named after their son or relative.

Fred Kastner, veteran of World War II, and who served as an Officer under the Late General George Patton was appointed as temporary Commander until an election is held. To serve with Kastner will be Johnny Swickicki as 1st Vice Commander, this columnist as Adjutant and Publicity Officer and Harry Zvonik as Provost Marshal.

With the above four mentioned names to be added to the Charter application will be these former members and new members: Herman Mueller, Eddie (Ace) Quimby, Gus Nouel, William Corcoran, Larry Huff, William Perdue, Gene

Glendon and Jimmy Miles. In the Ladies Auxiliary division will be Helen Cooley, Ellen Swickicki, Gwen Miles, Rosemary Glendon and others. The main meeting will

be held on Nov. 29 at the Pine Lodge, Broadway, and the time will be 8:30 p.m. All veterans of WW 2—Korea who may be interested are asked to attend.

LEGAL NOTICE

PUBLIC NOTICE IS HEREBY GIVEN, that pursuant to the provisions of the County Government Law of Nassau County and a resolution duly adopted by the Board of Supervisors of Nassau County on November 8th, 1954 the Board of Supervisors of Nassau County will meet in the Chambers of the said Board in the Old County Court House, Mincola, Nassau County, New York, at 11 o'clock in the forenoon, November 24th, 1954, and hold a public hearing on the County budget for the year 1955; at which hearing any person may be heard for or against the estimates and recommendations as presented by the County Executive, or any item or items thereof.

The proposed County budget is now on file in the office of the Clerk of the Board of Supervisors and shows the estimated revenues and expenditures for the County of Nassau for the ensuing fiscal year, and is open to inspection by any person during business hours, Monday to Friday, inclusive, from 9:00 A.M. to 4:45 P.M.

EDWARD J. ROCK
Clerk, Board of Supervisors
Dated: Mincola, New York
November 8th, 1954

**BUDGET MESSAGE
FISCAL YEAR 1955**

November 8, 1954
**BOARD OF SUPERVISORS
NASSAU COUNTY
OLD COUNTY COURT HOUSE
MINCOLA, NEW YORK**

In accordance with the requirements of the County Government Law of Nassau County, I submit, for your consideration, a proposed budget of revenues and expenditures for the ensuing fiscal year of 1955.

I make the following recommendations for the budget year of 1955:

I. REDUCED COUNTY TAX RATE

The Nassau County tax rate for 1955 will be cut from \$1.395 per \$100 assessed valuation to \$1.325—a savings to the taxpayer of \$0.069, or nearly seven cents on each \$100 valuation.

A combination of factors has accomplished this:

1. Careful management.
2. Planned increase of fees to boost revenues from many departments.
3. Increased assessed valuation.

Departmental revenues in this proposed budget show an estimated increase of \$1,087,000. This increase, coupled with the County's 1955 increased assessed valuation of \$189,359,496, makes the overall tax picture better for next year. Nassau County's tax rate, up until this year, had increased 32.96% in 11 years. The reduction which I propose for 1955 brings the 12-year tax rate increase in Nassau County down to 26.29%, a figure which I am confident can be matched by very few—if any—municipalities.

II. A MODIFIED LEVY INCREASE

The actual tax levy which I propose for 1955 is \$27,363,569, which is \$816,288.84 above the tax levy for the current year.

III. EXPENDITURES GREATER
It has been necessary in this tentative budget to provide for the expansion of services to more people so, therefore, expenditures will total \$46,225,431.31. This is \$2,454,902.41 above 1954.

- Reasons:
- a. Continued need for increased personnel.
 - b. No appreciable decrease in the cost of equipment and a slight increase in the cost of many materials and supplies.
 - c. Debt service charges. (Amortization and interest on County bonds and notes.)

IV. REVENUES

A developed increase, \$1,087,000, in estimated income for 1955, reflects the County government's success in collecting fees from those who can afford to pay for hospitalization at Meadowbrook Hospital. Legislation introduced by Nassau County in Albany increased fees for the office of the County Clerk starting last July 1st. Other revised de-

LEGAL NOTICE

partmental fees permit us to increase our estimated revenues.

As of December 31, 1954, it is estimated that there will be cash on hand of \$6,408,160, to be applied to the 1955 budget. Included in this sum is \$1,457,000, in past and current taxes collected from the Long Island Rail Road. It also represents unexpended appropriations. It also represents unexpended salaries for trained personnel which departments needed but were not able to obtain. There is reflected, too, the administration's policy to effect savings and conserve wherever possible.

In the past 10 years, since Nassau County was largely instrumental in obtaining from the legislature a pari-mutual tax at Belmont Park, the County has received \$30,182,176, from this revenue. The original concession by the State for a locality to share in State taxing prerogatives was for three years. Nassau County secured two annual extensions. A determination was made by the State to cut off this local pari-mutual revenue at the end of 1950. Nassau County succeeded in obtaining a five-year extension of this 5% tax on a basis of 1% less per year. Since that time, Nassau County has repeatedly sought the full restoration of this tax without success. The State flatly refuses any further extensions. 1955 will be the last year that any municipality will participate directly in State revenues from pari-mutuals. Nassau County estimates \$1,550,000, from race track revenues in 1955. This is made up of an estimated \$975,000, from pari-mutuals at Belmont Park, \$275,000, from an admission tax at Belmont Park and \$300,000, from an admission tax at Roosevelt Raceway. Unable to impose a local pari-mutual tax on harness racing because of constitutional blocks, Nassau County did get a general admissions tax on all racing. The tax will be forthcoming annually.

V. RESERVE FOR TAX DELINQUENCIES

Under the law, Nassau County must assume responsibility for uncollected taxes to schools, towns and special districts. The County must pay the full amounts of these budgets and then try to collect the tax arrears. Since towns and special district budgets parallel the County's fiscal year, no reserve in the County budget for these arrears is presently necessary. But a reserve of \$1,625,000, for possible school district delinquencies must be included in the proposed 1955 budget, since the County must pay the schools their full budget amounts before July 1st.

VI. BONDED DEBT INCREASED

This was proposed in 1954 that \$22,983,260, in new general bonds be sold to progress County projects during the year. Actually, \$14,129,000, was sold. The 1954 budget proposed the sale of \$35,492,000, in new bonds for Sewer Disposal District No. 2—including collection districts. The amount of bonds sold was actually only \$2,958,000, because the County had proceeds of previous bond sales available in investments earning interest. General bonds maturing in 1954 amounted to \$4,350,000. They were paid along with \$1,670,000, in maturing sewer district and collection district bonds.

VII. SEWER DISPOSAL AND COLLECTION DISTRICT NO. 2

This budget includes provisions for the payment of costs of on-ruction operation and maintenance of this necessary function for the County's health and sanitation.

SALARIES
My 1955 proposed budget provides for scheduled increments. It does not include any general over-all wage raise. I will recommend to the Civil Service Commission that the cost-of-living adjustments be treated realistically and made permanent in the basic salary of each employee.

BOND PROGRAM

It is necessary to provide for 441 new employees required by

LEGAL NOTICE

departmental heads to render the public services demanded by the increasing population. The budget contains some equitable salary adjustments. The County, particularly the Department of Public Works and the hospitals, is still finding it difficult to retain its best trained personnel enticed by higher salaries offered by private business.

For all salaries and services for 1955, the grand total I recommend is \$30,824,955.36. The total for salaries of additional personnel needed by the County and included in this budget is \$1,155,287. Annual Civil Service increments amount to \$308,562. The amount of salary adjustments beyond Civil Service increments is only \$56,700,000.

POLICE DEPARTMENT

Protection of persons and property becomes a greater problem as both the populace and property increase.

On the recommendation of the Commissioner of Police, Jan M. Beckmann, I am recommending in the proposed 1955 budget an increase of 291 in personnel which brings the department to its record strength of 1,754 employees. Thirty-eight will be added to the headquarters force, 18 to the motor equipment operators as ambulance drivers and 1 laborer. In the Police District will be added 30 members to the "Force" and provision for 200 school crossing guards. These well-trained young women, proving most efficient in protecting their and our school children at street crossings, and are saving the County thousands of dollars in man hours of uniformed police. Provisions are made in the budget for uniforms for new recruits, for the ambulances drivers and school crossing guards plus scheduled Civil Service salary increments. Six automobiles are to be added to Police Headquarters and 7 in the Police District, or a total of 13.

In compliance with the Federal Communications Commission directive, the police radio system must be changed to "Very High Frequency". There is expanded service for the Marine Bureau and increased cost of the operation of the 6 police boats which patrol the waters of the North and South shores. The cost of doctors' services has increased due to the great number of aided cases handled by the Nassau County Police Department's Emergency Ambulance Service, not performing so efficiently in every one of the Police Department's 6 precincts. The 7th Precinct goes into operation next year.

FINANCIAL PROGRESS

Nassau County operates on a strictly BALANCED BUDGET. The estimated 1955 budget for 1955 is balanced in every sense of the word.

The first part of the budget deals with the operation of the County government and all its component parts. The second section of the budget is concerned with "Capital Improvements". The tax rate is based on the operational costs alone, the exact amount which it costs to provide the County government with services to an estimated 1,200,000 residents.

"Capital Improvements"

is a term applying to new buildings, highways, drains, bridges, parks, etc. These improvements the County finances by the issuance of "long-term" bonds. Their costs are therefore spread over periods ranging from 5 to 30 years, depending on the "life" and nature of the improvements.

For general County purposes our bonded debt on December 31st of this year will be \$22,166,000. In addition, there are outstanding Sewer Disposal District bonds for plants and trunks of Sewer District No. 2 of \$25,696,000. The sewage collection system of "several districts" bonds amount to \$2,214,000.

The credit of the County of Nassau, whose bonds are highly desirable in municipal bond markets, is pledged to these sewer bonds. They are not paid off by all of the people of the County. Only those residing in the districts now receiving, or soon to receive the benefits of sanitary sewage disposal, pay them.

Provision is provided for the retirement of \$4,834,000, in County bonds for general purposes and \$885,000, in sewer disposal district bonds, and \$880,000, in sewer collection district bonds during 1955.

BOND PROGRAM

For general County purposes the new bond issue program of \$25,

LEGAL NOTICE

\$52,000, is put forth in the 1955 budget. The expansion of Sanitary Sewer Disposal District No. 2 makes necessary a new bond program in 1955 of \$35,126,000. None of these bonds is sold until the County is committed to proceed with the project. Thereafter, until such time as the appropriated money is paid out, it is invested in United States securities, income from which is applied to reduce interest costs on the bonds.

Voting Machines—To a fast growing County such as Nassau which had to create 45 new election districts in 1954 and faces the creation of approximately 50 new election districts in 1955, the matter of purchasing sufficient voting machines so that citizens may cast their ballots is a serious government obligation. During the coming year, Nassau County is going to need a large number of new voting machines. To assure their availability and delivery, I have recommended a bond issue of \$350,000, in my proposed budget for 1955.

Aerial-Topographical Survey—A comprehensive aerial and topographical survey to be made in connection with storm water drainage and sanitary sewers is provided in my proposed budget. The purpose of this is to prepare for the establishment of new sewer disposal districts, for comprehensive development of the storm water drainage system and development and widening of present future highways. I have included a obligation in my proposed important work at \$450,000.

New County Home for Aged—Facilities for the County's aged and indigent at the home in Uniondale must be expanded. A bond issue of \$1,500,000, is put forth in my recommended program for next year to negotiate the purchase of the present home, hospital and property which are owned by the Town of Hempstead. We intend to proceed with the construction of another modern, up-to-date building which would bring the County's capacity in caring for its aged up to approximately 1,000 beds.

New Office Building—Another County office building to fit into the general plan of the County Center at the old Mincola Air Grounds must be undertaken as soon as possible. The County is presently renting so much office space in and around Mincola that it becomes necessary as a matter of economy, efficiency and convenience to the taxpayer to add a new office building to the new court house group. I have included a proposed bond issue of \$2,375,000, for this new structure.

Nassau County Park—Capital funds of \$4,880,000, are recommended for the further development of Nassau County Park and to include such improvements as new buildings, installation of road lighting, landscaping, tennis courts, huge parking areas and recreation areas.

Drainage—A problem which still remains of great concern to the County, one demanding a great deal of time, effort and money, is the furtherance of storm water drains. In Nassau, we must not

LEGAL NOTICE

only prevent flood conditions but try to save as much water as possible from the waste water in Long Island Sound by the Atlantic Ocean. We retain this run-off water in storage areas so that it may seep back into our deep wells to replenish and maintain our sole supply of potable water. I have proposed a storm water drain bond issue program of \$3,224,000.

County Roads—Traffic has become one of Nassau County's major headaches. The development of huge shopping centers, light industrial areas, and whole new communities of homes jam the roads by themselves. In addition, there are the hundreds of thousands of visitors from outside Nassau County who throng to our famous parks and beaches. All make it inevitable that Nassau must accelerate its program of road widenings and new highway and expressway construction and integrate them with existing State parkways and highways. The proposed budget for 1955 includes \$7,000,000, for land acquisition to provide newer and safer roads.

Grade Crossings—Nassau County's share of grade crossing eliminations and railroad bridge widenings? Cutter Mill Road, East Shore Road in Great Neck and Prospect and Baldwin have necessitated participation of the County to an estimated cost of \$567,000, which must be raised by the sale of bonds.

Nassau County Sanitorium—An important program at Nassau County Tuberculosis Sanitorium in Farmingdale which needs two additional units, more water supply, sewers, parking areas, construction of a warehouse and dormitories for male help and landscaping, will necessitate a \$610,000, bond outlay.

Maintenance Building—Bay Park Sewage Disposal Plant—\$525,000.

Among Other Bond Provisions:
Enlarging Police Headquarters at Mincola—\$95,000.

An addition to the existing Police Precinct Building at Williston Park—\$100,000.

A jail farm building in East Meadow on the site of the new County Jail—\$150,000.

SEWER COLLECTION DISTRICTS

The New Hyde Park area has always been in Sewer Disposal District No. 2. It has recently been created as a lateral district joining the other lateral districts: Valley Stream, Franklin Square, Woodmere-Hewlett, Floral Park and Baldwin.

There will be a very slight increase—4/10ths of a cent—in the tax rate in Sewer Disposal District No. 2 in 1955. The rate will be .167 as against .168 for the current year. This is for amortization and interest on bonds sold for the construction of the Bay Park disposal plant and trunk lines. This slight increase will be more than offset by a reduction of 5/10ths of a cent in the maintenance and operation costs of the Bay Park plant. That tax rate will drop from .058 to .052. Mincola, Garden City, Hempstead and Rockville Centre have their own

Laterals—Six lateral districts under County management will find reduced tax rates...

CONCLUSION This is my second budget message to your Honorable Board...

Not only will the County tax rate be cut, but also that of the Nassau County Police District...

During the past year, we lived well within our budget. In fact, we have saved much from it which is being applied to our credit in 1955.

We have been prudent, economical and always aware that the money we were spending was not ours but the taxpayers'.

Shorty Warren and His Western Rangers are being featured again this week at the Nassau Farmers Market. Shorty (The Eastern King of Western Swing) made such a hit with the folks at the Market that their return this week is practically a command performance. The Rangers have their own TV show over WATV every Sunday, plus a busy schedule of radio and record dates (they record for MGM records) and nite club appearances. Don't miss this great entertainment special this Friday and Saturday at the Nassau Farmers Market. Of course, the 400 "Miracle" Merchants will be on hand with their many specials in food and merchandise to give you low, low prices to jive with Shorty's "low down" Western swing.

OPEN FRIDAY AND SATURDAY 11 A.M. to 11 P.M.

HICKSVILLE ROAD (ROUTE 107) Opposite Grumman Aircraft's Plant No. 2 BETHPAGE, L. I.

the Sportlight

By HOWARD FINNEGAN

Farmingdale High will raise the feverish support for its grid heroes in the Bethpage State Park Bowl Saturday which is customary when arch rival, Hicksville High, is the foe.

It will be more dedicated than ever since the Dalers, by winning, will annex the 1954 North Shore Double A football championship. A tie will award the honors to undefeated but tied Garden City which has already completed its campaign.

After an opening loss to Triple A Lawrence, 37-0, Don Snyder's green clad lads have swept over six opponents of their own rank and just have to pass Hicksville to enter the throneroom.

Bill McNamara will send his team into the fray with a respectable 5-2 mark. The losses were to South Side and Garden City both of whom are undefeated.

Hicksville is capable of defeating the Dalers and was considerably under wraps against Roslyn Saturday because Farmingdale scouts were everywhere.

The Orange and Black has never lost in the Bethpage Bowl.

We like Hicksville 27-6.

The Newark Times in getting its report of the Jersey City-Hicksville Field Club game was impressed with the local eleven, even though it came up short 13-12.

If Dom Sabatella's club can scramble into the playoff picture the Times has been informed that the Black and White should rate an edge in the big money game.

Despite the fact that it has lost four games, (18-0, 13-6, 25-19, 13-12) in the well-balanced New York-New Jersey Football loop, the Field Club can still force a complicated playoff for the title.

A victory at Middletown Sunday over the Blue Devils would leave Hicksville two points down in the standings which could be made up with wins over Ossining and Yonkers.

That would force a playoff with Middletown and the winner would meet the Jersey City-Plainfield tie breaker.

It would mean a late December finale, but the game would warm the cold athletes.

As the Jersey City game proved, Hicksville cannot be counted on to do anything in a pattern but even if it should again run from the overly cautious to the overly reckless we think victory will be obtained.

Hicksville 18, Middletown 17.

The Farmers have a bit of an edge in the Bethpage Business Men's Bowling League but the lead will undoubtedly shift back and forth in the 30 week quest for \$5,000 worth of prizes.

The matches are rolled on the Maywood alleys in Farmingdale every Friday night and thanks to the courtesy of Secretary-Treasurer Jack Krupnick the Mid-Island Herald will carry the weekly standings.

Pete De Laio Sr. is the president of the 16-team league and Gus Bernhardt serves as the Vice-President.

Among the teams are the Bethpage V. F. W., White's Funeral Parlor, Bethpage Litho Press, Schaa's Lumber, Sugar Bowlers, Weber's Grocery, Jensen's Beverage, Frog Hollow Garage, Hanger's, Doyle's Insurance, Greco Fuel, Post Office, Conklin's Contractor's, Mid-Island Farms and W & I. Luncheonette.

We at the Herald who have pressed for some sort of acknowledgement for the fine constructive efforts of our high school athletes as is the case in most other forward looking Nassau communities are very pleased with the action taken by fathers of the football squad.

Under the organization of Frank Muller and Henry Yost, Dec. 9 has already been decided upon as the night for a dinner in honor of the football and cross-country teams.

This action was taken with the support of the revitalized Hicksville Dad's Booster Club.

The organization hopes to branch out and include cheerleaders, band members and all activities of the high school students including concerts, plays, sales, etc.

Membership, for those interested, is one dollar and information on both enrollment and the dinner can be obtained from Muller at LE 9-6068 and Yost at HI 3-6143.

The Charter Members of the Booster's club are Acey Arthofer, Paul Benyei, Allen Blum, Henry Boos, Gail Engle, David Frost, Alexander Goldman, Ernest Goldsmith, Thomas Horne, Chet Jaworski, Irving Jesser, Art Knerr, Charles Nygren, E. A. Osborne, Calvin Petree, Michael Phillips, Nicholas Quartrone, Carl Schmidt, Al Siegler, Emel Simonsen, Howard Silberling, George Sladish, Phillip Totter, Frank Tuchan, Mr. Yost and Mr. Muller.

1600 May Play In Little League

HICKSVILLE—With an estimated 1,600 boys expected to turn out for Little League baseball next Spring, officials of the new three division League announced the names of business firms and organizations which have agreed to sponsor teams.

Others interested are invited to contact Edward Arundell at HI 4-0377 or William Kummer at HI 4-2365 to arrange sponsorship.

Major League teams will include: Pan American Pilots, Long Island National Bank, O'Donnell Movers, Kiwanis Club, Fencal Drugs, Fairway Farms, Bruce Oldsmobile, Ridgeway Service Station.

Minor League teams include: Cosmith Service Station, Jordan Cleaners and McCaffrey Insurance Agency.

Two divisions of the League will meet next week and new members are cordially invited and welcome. The International Division meets at the high school on Monday night, Nov. 15, at 8:30 with Arundell as guest speaker.

The American Division meets Tuesday night, Nov. 16, at Burns Ave. School auditorium at 8:30. Arundell spoke at a meeting of
