Adult Classes Start First Week In October

HICKSVILLE—Registration dates were fixed today for the fall term of the Adult Education Program of Hicksville School District, which starts the first week in October and runs for 10 weeks. Registration will take place in the high school gymnasium on Jerusalem Ave. at 4th St., Sept. 26 and 27, from 7 to 9 p. m., according to Ebery H. Bean, director.

Explaining the program and registration, Bean told the Herald:

To attend classes in Adult Education, a person need only register for a particular course of study of his own choosing. There are no educational requirements necessary, a person with little or no formal education is as welcome as a high school or college graduate. There is also a place in the program for persons of foreign birth who would like to improve their knowledge of English and the history of our country. This course is called Americanization, and no fee is charged for this course.

Local Priority

Courses are open to persons not attending grade school or high school. Priority is given residents of Hicksville School District No. 17, where the demand is greatest and the facilities limited.

A variety of courses is being offered in addition to the Americanization course above mentioned. (continued on page 17)

Board Puts Elementary Grades on Half-Time; 556 New Pupils Report

HICKSVILLE—Elementary public schools in Hicksville went on double-time schedules this week as hundreds of new pupils reported, exceeding the normal capacity of the school system. There were 1,917 pupils present for the first day of school, Wednesday, compared with 1,361 on hand the first day a year ago, an increase of 556, with more expected.

During the hectic first week of the new term, school administrators, teachers, parents and school trustees were confronted with probably the biggest headaches in the history of the community, as initial estimates of enrollment multiplied and multiplied again.

Overnight changes in plans and schedules had to be made during the week in a valiant effort to solve the complex problems of finding room in East St. and Nicholas St. school buildings to accommodate all new and old pupils. The Board of Education held three special meetings during the week, including one on Sunday, in attempts to handle the burden with a minimum of confusion and delay.

All classes in Nicholas and East St. Schools are now on double sessions, except one in each building, which mean some pupils attend school from 8:30 a. m. to 12:15 p. m. and the balance from 12:30 to 4:15 p. m. This applies to the kindergarten through 6th grades. Opening day registrations illustrate what happened:

	1949	1950
East St. School	296	447
Nicholas St.	543	515
Junior High	173	247
Senior High	548	768
Totals	1,560	1,917

With registration concluded the same day to provide data on the size of the problem, the School Board met last week on Tuesday night with Superintendent E. H. LeBaron and the four principals, Miss Nina Plants, James Walters, Leon Galloway and Miss Mabel E. Farley.

At this meeting it was decided to place the system on double session "as soon as arrangements could be made for the necessary teaching staff." It was also decided. (continued on page 4)

BULLETIN — Plainview School Board has set Oct. 9 as the date for a vote upon a new elementary school to be built and equipped at a cost of \$175,000.

The start of the new fall term found enrollments of all mid-Island schools higher than ever before in history. Bethpage and Island Trees are continuing on double sessions, which began last term, while Hicksville and Plainview have started double time this term.

723 More Pupils

Opening day registration figures for mid-Island public schools, compared with a year ago, follow:

	1949	1950
Hicksville	1361	1917
Bethpage	569	624
Plainview	65	145

School Board Takes Plans To State Dept.

ALBANY — Members of the Hicksville Board of Education, accompanied by School Superintendent E. H. LeBaron and Attorney Michael J. Sullivan, met with officials of the State Education Dept. here, yesterday.

The delegation was seeking approval on the final plans for the wings on East St. School, for which Hicksville school district voters recently gave endorsement on a \$400,000 appropriation, and the preliminary plans for the proposed Lee Ave. elementary school building.

TO FORM NEW CIVIC GROUP: Zelda Park Blocks Industrial Zone

HICKSVILLE — Residents of Zelda Park in the north east section of the community are planning to form a civic association in their area. It was learned this week. Problems common to the locality have already resulted in two activities sponsored by an informal committee in the neighborhood.

Through the efforts of a four member committee, strong opposition was registered at a hearing before Oyster Bay Town Board last Thursday morning to a proposed local zone change from residential to industrial.

Robert Mangels has been elected secretary of the sponsoring committee which will soon be enlarged in size. The PBC today expressed its thanks and appreciation for cooperation given on the recent boxing exhibition to Frederick Kramer for cooperation in providing soft drinks, to John Miller, Walter Zabel and George MacOue for their assistance in setting up the boxing arena. Other participants were thanked publicly in a previous report.

Park who signed our petition, we have come through.

"The request to rezone was withdrawn by a representative of the Grant Park Construction Co.," the committee stated. Named on the committee were Carl Grunewald, John Bartels, James Falkney and Vincent Morobito.

Grant Park sought a zone change on a 15-acre tract adjacent to the LI Rail Road, near the Zelda Park homes. A delegation of the neighborhood appeared at the hearing and presented a petition of opposition signed by 108 property owners.

Last night (Tuesday) the committee planned to be present at a meeting of the Board of Fire Commissioners and offer a petition asking for installation of fire alarm boxes in the Zelda Park home section. The nearest box is on Bethpage Rd.

Mannetto Hills School in Plainview has a new principal this term, Robert E. Tuttle of East Quogue. Mrs. Virginia Gagnon of Plainview has been added to the faculty in addition to the last term's teachers, Mrs. William Staley and Mrs. Sadie Waters.

In Plainview all grades, kindergarten thru sixth, are on double sessions. The kindergarten has sessions from 12:45 to 2:45 p. m., 1st and 2nd grades, 8 a. m. to 11:15 a. m.; 3rd and 4th grades, 12:45 to 4:15 p. m., and 5th and 6th grades, 6 a. m. to 12:30 p. m.

Bethpage School is continuing double sessions. There are 624 pupils this term, with 4 non-residents. Last term there were 569 pupils of which 53 were non-residents, according to Principal Victor L. Miller.

Briar Park Resident Joins School Board

PLAINVIEW — Herman Williams of Nassau Ave. has been appointed to fill the unexpired term of ~~Robert~~ Stapleton, who has resigned as a member of the School Board for District No. 26. It was announced this week. Mrs. Edwin Punfield, who took office Sept. 1, has been appointed publicity chairman for the Board.

Name Director Of Town CD

MINEOLA — Brig. Gen. F. Truhee Davison of Locust Valley has accepted an appointment as assistant director of Civilian Defense for the Town of Oyster Bay, according to Lt. Gen. C. W. Wickham, county director. The assignment carries with it an annual salary of \$6,000, but Davison told Wickham that he would serve without compensation.

275 At First Island Trees P-TA Meeting

ISLAND TREES—Mrs. Thomas Zinn opened the first meeting of the 1930-31 fiscal year of the Island Trees Parent-Teacher Association, School District 26, Thursday, Sept. 7, with a record attendance of 275 parents and a 100 per cent representation of the faculty in the beautiful auditorium of the new Island Trees School, Farmedge Road.

Committee Reports were read and the association's budget for 1930-31 was accepted as read.

Mrs. Frank P. Muto of 2 Jupiter Lane made a donation of \$50 to be used for the purchase of subscriptions of the "National Parent Teacher" magazine. These magazines are to be given away at the regular PTA meetings to anyone desiring to read what is being done in the National Org-

anization and other Associations.

Speakers of the evening were Mrs. C. Meredith Springer, Director of the Central Council of P-TA, and Dr. Harry Gross, superintendent of schools. Mrs. Springer's opening words were, "My, how you've grown!" She gave credit and high praise to the old P-TA for the program and advancement of the new school.

Dr. Gross spoke of the merits of an active P-TA and praised the P-TA and School Board for its fine work. Dr. Gross said the P-TA meetings are not the place for the petty gripes of parents to teachers. The main purpose of the meetings is to further a better understanding and closer relationship between the parents and teachers and to aid and support the school.

Principal L. A. Blodgett introduced the members of the faculty. Soft drinks and cookies were served after the meeting.

The next meeting of the P-TA will be in the auditorium of the Island Trees School on October 5. The speaker of the evening will be Dr. Harry Gross. Subject: "Common School District vs. Union Free School District." There will also be a film shown entitled "Pop Rings the Bell."

Miss Lenore Burke of 133 Broadway, Hicksville, will leave for Marymount College, Tarrytown-on-the-Hudson, N. Y., on Sept. 20. Her brother, William G. Burke, Jr., leaves tomorrow for Canterbury Prep School, New Milford, Conn.

Dear Jean...

Three-year-old JACKIE HANFMAN of 47 Flower St., Hicksville, reports that his toy pedal push car is lost. The name, "The Comet," is painted on the side of his car. He'd appreciate any information on the matter.

DAN MUNCH, ex-chief of Hicksville Fire Dept., has tossed his helmet into the ring for the fire commissioner election in December. The team of WELLSHORN HERRUN against HELL CHASELLE made a post-card saying he arrived safely in Arizona. "We're getting a regular collection of "Hold that Line" stories. Listen to this one: A Hicksville woman had to make an urgent phone call when she was near the West Villages Green on Newbridge Rd. one morning this week, so she stopped to use a public phone. As she started to speak, with the door ajar, she explained to the person at the other end, "I'm calling from South Hicksville." A stranger, near the booth, walked over boldly and informed our friend, "This is West Levittown." Our friend ignored him and repeated "I'm calling from South Hicksville." And then there was the business at a local school, Monday, where an official word by the school buses dressing the children: "This bus for North Levittown and that bus for South Levittown," she was heard to say, How much more accurate it would have been to announce the buses as bound for "South Hicksville" and "Levittown."

The Sunday News reported that HOWARD C. EADS, 41, who had been AWOL from the Army since Feb. 21, 1926, was granted this week as he tried to flee his home at 26 Libby Ave., Hicksville, when Provost Marshall's aids closed in. . . . Address of the Immigration Committee spokesman at the Fire Commissioner meeting last week was well received by the Fire Board, according to reports. . . . Dr. HENRY J. ARNOLD, president of Hartwick College, Oneonta, will be speaker on Oct. 1 at the opening program for the 40th anniversary of St. Stephen's Lutheran Church in Hicksville. More about this next week. . . . The Ninth Fire Battalion will hold its meeting at Hicksville firehouse on Sept. 18. . . . We hear the battalion, which includes delegates from Hicksville, Plainview, Jericho, Bethpage and vicinity departments, has gone on record opposed to the plan for a county-wide radio system for vamps. . . . The community is very fortunate, in these crucial days when educational facilities are taxed to capacity, to be able to get Mrs. HARRY GLECKLER as a full-time teacher in Junior High. Mrs. GLECKLER had been a substitute in the system for 14 years and now at last finds herself in a position where she can give full time to this work.

HOME FROM INDIANA

Mr. and Mrs. Lester Iehle and daughter, Carol, of Elm St., Hicksville, this week returned from a 3-week motor trip to Hammond, Indiana, where they visited Mrs. Iehle's parents. They also visited Arthur Foster of 46 Elm St., who is stationed at the Great Lakes Naval Training Station. Mr. Iehle is Assistant Hicksville Postmaster.

The Wedding Ring Club of St. Stephen's Lutheran Church, Hicksville, celebrated its first anniversary with a party held at the home of Mrs. Mabel Tumbner, 179 Lee Ave., Hicksville, on Sept. 8.

Mrs. Gladys Steiner and Mrs. Hilda Munkler were welcomed as new members. Others present were Mrs. Alma Rogers, Mrs. Vivienne Koch, Mrs. Virginia Ruhlman, Mrs. Gloria Hassel, Mrs. Ann Meier, Mrs. Irma Maurer, Mrs. Dorothy Snackenburg, Mrs. Lois Habasham, Mrs. Barbara Behnke, Mrs. Blanch McVicker, Mrs. Sylvia Svoboda, Mrs. B. Eisenman, Mrs. Hazel Mangels, Mrs. Marie Sweitzer and Mrs. Marge Dunbar. Plans were discussed for the club's participation in the 40th anniversary of St. Stephen's.

Mr. and Mrs. Ferdinand Teubner and daughter, Juliet, of 179 Lee Ave., Hicksville, were the guests of Mrs. Teubner's sister, Mrs. Charles Teubner of Mineola Thursday night at a birthday party in honor of their mother, Mrs. Emily Wheeler.

Mr. and Mrs. Rickert of 171 Cottage Blvd., Hicksville, spent Labor Day weekend at Lake Ronkonkoma where they entertained Mr. and Mrs. Cigraine of Brooklyn and Mr. and Mrs. J. Nappi of Levittown.

The Lois Alfar Guild of the Trinity Lutheran Church, Hicksville, will meet this Tuesday night, Sept. 19, at 9:15 p.m. at the church.

Levittown Democrats To Invade Hicksville

HICKSVILLE—This community will be invaded by Democrats of Levittown, Sunday. The Levittown Democratic Club is holding an outing at Study Maple Park on South Broadway.

James Nelson Baldwin, 3-year-old son of Mr. and Mrs. Howard Baldwin of 138 Fifth St., Hicksville, celebrated his birthday at a party on Sept. 4. The guests were Mr. and Mrs. F. Burton and children, Frank and Peggy of Boston, Mass.; Mrs. Edith Simpson, Mr. and Mrs. George Simpson and children, Carol and Gary, of Farmingdale.

Arthur Layton Funfgeld, infant son of Mr. and Mrs. Harold Funfgeld of West Ave., Hicksville, was baptized Sunday, Sept. 10, at the Funfgeld home. The Rev. Edward Stammel of the Trinity Lutheran Church officiated. The godparents were Arthur Funfgeld and Elsie Jones.

Civics Collect Food And Clothing For Wife Of Recalled Vet, 5 Kids

ISLAND TREES—The Civic Assoc. here is sponsoring a drive for contributions of food, clothing, canned goods and other necessities for the family of Helen Stark of Millard Rd. It was announced this week. The Assoc. will meet next Monday night,

Sept. 18, at the meeting room of the Melody Bar in Hicksville Park Shopping Center. Mrs. Stark is the mother of five children, John, 9 months; Helen, 2 years; Janet, 8 years; Phyllis 5 years and Peggy 3 1/2 years. Last month her husband,

on the inactive reserve list, was recalled to active duty with the Navy. Since he left, bills have been piling up. So that her children may eat, Mrs. Stark has been working against her doctor's orders.

When she applied to the Navy Relief Agency she was told "she had no business having five children in her circumstances." It is reported. The Red Cross is trying to obtain a discharge for her husband "but the process is so slow and maybe they won't let him go and what's to become of my baby," Mrs. Stark asked.

A box for donation of canned goods has been set up in the Associated Food Store in the Melshire shopping center, Hempstead Tpke. and Wantagh Ave. It is requested that the residents of this area show that they can take care of their own by placing a can or two in the box. Donations of cash or clothing may be left at the home of the chairman of the drive, J. H. Ruter, 101 Oriole Rd. or at the home of the president of the Civic Assoc., Stanley Rodgers, 83 Wantagh Rd.

When Mrs. Stark was contacted Saturday she told the Civic Assoc. that her husband, who is a signalman 3/c, has been assigned to a ship and expects to leave port at any time.

Fire Department Told 'Absentee Govt.' Unable To Handle Hicksville Problems

HICKSVILLE—Town government was described as "absentee government" by Joseph J. Byrne, member of the Incorporation Committee speakers bureau, in addressing the Fire Dept. at a regular meeting, Monday.

"Incorporation would provide the community with self government and its benefits as compared with our present absentee form of government," he declared. "It would also eliminate our non-existence in the eyes of the law. We are now merely a hamlet. Further, it would prevent encroachment upon our community boundary lines."

Byrne was accompanied at the meeting of the firemen by Lawrence A. Roman, chairman of the Incorporation Committee; Mrs. Lucia McIntosh, chairman of the speakers bureau, and Walter V. McCoy and Dr. Joseph LePaner, members of the speakers division.

Roman answered questions from the audience after Byrne's remarks. He assured the firemen that incorporation would in no way change the set-up of the local volunteer fire department.

The Speakers Bureau has dates to speak before the Charles Wagner Legion Post on Sept. 18, the Hicksville Business Men's Assoc., Inc., on Oct. 5, and the Hicksville Lions Club on Oct. 25.

The speakers division is anxious to obtain dates from other local groups. Organization officers may arrange for a speaker by contacting Mrs. McIntosh of Howard St.

THIS MAP shows the boundary between Hicksville and Levittown on the south. It is reprinted since each passing week finds many new residents in this section of the community. The line marks the boundary not only between the Townships of Oyster Bay and Hempstead, but also between Hicksville and Levittown School Districts and other special districts. Children living north (above) this line attend the Hicks-

ville schools. They and their parents will enjoy the free use of the Public Library in Hicksville. The residents of this section obtain their fire protection from Hicksville Fire Dept. This line also marks the division of State Senatorial and Assembly Districts. Residents north of this line have as their State Senator William Hulst of Port Washington and State Assemblyman David S. Hill Jr. of Glen Cove.

Sound Off News and Views of VFW Post 3211

A great number of men and women now actively engaged in VFW activities do not know the strength of our national organization, its officers, meaning of our emblem, "Cross of Malta," and many other incidentals pertaining to its aims, purpose, community services rendered etc. Therefore, I am going to confine my writings for the next couple of weeks to these interesting, educational and beneficial facts of our great organization.

The Veterans of Foreign Wars of the United States is a national, nonpartisan, non-sectarian overseas organization founded in 1899.

Its current membership totals nearly 1,000,000 members, affiliated with 10,000 Posts of local units. Membership is restricted to veterans who have had campaign medal service with American armed forces outside of the continental limits of the United States.

The national VFW organization is represented by Commander-in-Chief Clyde A. Lewis, and the Ladies Auxiliary to the VFW by Mrs. Donat F. Monaco, Santa Fe, N. M., president.

The Charter and Constitution of the VFW describes clearly what the members of the organization believe, want and use as the incentive for all their accomplishments. They provide, in effect, that the purposes of this corporation shall be fraternal, patriotic, historical and educational to: Preserve and strengthen comradeship and help worthy comrades; Perpetuate the memory of our dead and assist their widows and orphans; Maintain true allegiance to the U. S. Government, foster true patriotism and extend the institutions of American freedom—and to preserve and defend the United States from all her enemies whomsoever.

The ideals of the VFW and the manner of fulfilling them are symbolized by the VFW Emblem, the CROSS OF MALTA.

The colorful VFW insignia worn by overseas veterans, or displayed elsewhere, is more than just a badge of membership. It is a legend, a symbol of modern man's most venerable pledge of courage and service.

The Cross of Malta is nearly 1,000 years old. It was the emblem of the Knights of St. John, the world's first great brotherhood of men who fought to free the oppressed and minister to the sick and needy.

The founders of the VFW adopted the Cross of Malta as their emblem because they, like the original crusaders, were pledged to defend God-given human rights in time of peace and war.

The VFW insignia tells that story concisely. The points of the cross represent the eight beatitudes in the Sermon on the Mount. Superimposed is the American eagle encircled by the name, Veterans of Foreign Wars of the United States. "Light Rays," emanating from between the arms of the cross, emphasize the vigor and warmth with which the present day brotherhood strives to fulfil its pledge.

These are the high principles stimulating and guiding all VFW actions.

Next week I will name some of our most distinguished members as well as other pertinent data.

Parking Irks Bethpage Taxpayer

To Whom it May Concern,
 We have heard rumors lately that choice business lots on Stewart Ave., Bethpage, are to be purchased for a parking field.

Bethpage, with its ever-increasing population, is badly in need of some modern stores, namely: a good shoe store, and dress shops and other up-to-date shops. The particular lots in question are just about the only available spot for such stores to be built.

I am sure that any resident who has sauntered down our Broadway any day of the week and observed its almost "ghost town" appearance will agree that unless we get more stores to attract business, we won't ever need a parking field.

Bethpage residents, I am sure, won't want to vote themselves higher taxes for the convenience of commuters who can park their cars all day.

Bethpage has contributed no little bit to the ne-

cessity for larger parking fields in adjacent towns.

Let us put "first things first" and get something here that will attract and keep businesses in this village.

Remember, that the towns that have parking problems are only those whose shopping districts have grown along with the increasing population.
A HOPPING MAD TAXPAYER

WANTS PUBLIC EXPRESSION

To the Editor: At this time when there is more than a passing threat to the identity of Hicksville by the expansion of Levittown, it would be appropriate for some public official of the town or county—since Hicksville has no such officials—to state clearly just where the line is drawn. Keep up the fight to hold on to Hicksville's rights in this matter.

—Double Sessions

(continued from page one)

decided that no immediate need existed for part-time classes in junior or senior high school. It was found that an additional teacher was needed in junior high and another in senior high.

Kindergartens Double

Teacher Candidates were interviewed at a second special meeting Friday night. Bus stops were revised at this session (see story elsewhere in this issue) and Superintendent LeBaron provided opening day enrollment figures. It was found there are 176 registered for kindergartens compared with 90 in September last year.

The same evening, Miss Barbara Tobias was engaged for kindergarten and Mrs. Margaret

Glecker was engaged to teach math and spelling in junior high.

Sunday found the Board in session again to review the elementary enrollment which had exceeded the building capacity on normal full-day sessions. It was decided that double sessions should go into effect at once and that substitute teachers would have to be engaged until the School Board could employ permanent teachers to handle the added pupil-load.

Board Statement

The transition from full-day to part-time classes today was almost completely adjusted as far as pupils were concerned, though the School Board felt the problem was not yet solved. Each week they can expect to find more pupils reporting as Levitt-built

houses in Hicksville are occupied.

The double session plan, a Board spokesman said, has been adopted as an emergency measure and was undertaken with reluctance. "The Board is fully aware of the hardships imposed on pupils, parents and teachers under this arrangement, but it is the best that can be done for the present. We are all looking forward to the day in the immediate future when our building program will have advanced sufficiently to meet our needs."

Meanwhile, a single session plan for kindergarten classes was under consideration. Under such a plan, three daily two-hour sessions would be scheduled, two in the morning and one in the afternoon.

New Home Purchaser Gets An Answer

HICKSVILLE—A friend of a Herald reader last week took title to a new Levitt home. At the time of signing, the new home owner asked if his dwelling is in "Hicksville." He was advised by the seller that the house is in Levittown in the Town of Oyster Bay.

Meanwhile, Oyster Bay officials have assured all concerned that in their opinion Levitt has no ambition to "take over Hicksville."

And he stood and cried unto the armies of Israel, and said unto them, Why are ye come out to set your battle in array? am not I a Philistine, and ye servants to Saul? choose you a man for you, and let him come down to me, if he be able to fight with me, and to kill me, then will we be your servants; but if I prevail against him, and kill him, then shall ye be our servants, and serve us. . . . And David said to Saul, Let no man's heart fail because of him; thy servant will go and fight with the Philistine. . . . And he took his staff in his hand, and chose him five smooth stones out of the brook, and put them in a shepherd's bag which he had, even in a scrip; and his sling was in his hand; and he drew near to the Philistine. . . . So David prevailed over the Philistine, and slew him; but there was no sword in the hand of David.

HICKSVILLE—Dr. Charles W. Kegley, professor of philosophy at Wagner College, Staten Island, will be the guest speaker at St. Stephen's Lutheran Church on Oct. 8, to mark the 40th anniversary of St. Stephen's, according to the Rev. Howard Rogers, pastor.

From 1934-40, he was counselor for Lutheran students in Chicago; from 1940-45 pastor of St. Paul's Lutheran Church, Evanston, Ill.; and from 1945-49 professor of religion and ethics at the Chicago Seminary, Dean of its Graduate School, and resident lecturer in philosophy at Northwestern. He came to Wagner College in the summer of 1949.

With Dra. Viljo Naander and George S. Hackman of the Wagner faculty, he is co-author of "Religion in Life, a course syllabus used in Wagner Religion

courses. He is also editor of "The Library of Living Theology," a series of volumes on the philosophy of religion to be published by the Macmillan Company. Hicksville Park and Duffy Park: Men-Folk In League With Rain-Makers

Hi. Neighbors:
Another rainy Sunday and no parking room for the Warners. I think the men-folk have a deal with the rain-maker to have it rain so they can loaf on week-ends.
Mrs. Lorraine Levix of 44 McAlester Ave. gave birth to a 5 lb. 13 oz. baby girl on Sept. 9th. They were so surprised and so pleased to have a girl, after two boys, that they haven't decided on a name yet.

I'm sure all of you saw the wonderful Labor Day Parade. The only complaint I had was that the people kept getting off the sidewalk and standing in front of the little children.

Mr. and Mrs. George Chapman of 39 McAlester Ave. entertained a household of company from the city last weekend.

Mr. and Mrs. James Woodford of 35 McAlester Ave. had their baby, Stephen, christened Sunday. They had a big party and I understand that everyone had a wonderful time. Too bad Stephen

couldn't appreciate it.
Sorry I couldn't get around to get more news, but my daughter, Merrilee, had whooping-cough and we have been isolated for the past few weeks. However, she is now recovered and I'm hoping to have more news items for you folks next week.

PLAINVIEW COUNTRY HOMES: Two Vernon St. Celebrations Were Held On Sunday

By Anne E. Arena

The west end of Vernon Street looked like a traffic jam last Sunday due to two celebrations. One was for Roseanne Atchue and the other for baby Anastacia Zervakos. Roseanne, was 10 years old and had a party that was attended by quite a group, including her maternal grandfather, her paternal grandmother and Mr. and Mrs. E. Carlin of Glendale. Among her many gifts, was that lovely big bicycle she has been riding around on ever since. Mr. and Mrs. G. Zervakos entertained after the christening.

Among the guests were the godparents, Mr. and Mrs. Louis Birbas, Mr. and Mrs. John Zervakos, Mr. and Mrs. G. Mangano and Mr. Zervakos' employees, Mr. and Mrs. Bob Spiderman of Malverne and Mr. and Mrs. Sid Berman of Lynbrook. Mrs. Zervakos has asked this column to express her sincere thanks to her neighbors, Jack and Lynette Hudson, Betty and Fred Baum, Judy and Harold Feeny, Harry and Vicki Ramoundos and Frances and Walter O'Donnell for their kindness to her and her fam-

ily. As she says, "they were really wonderful."

Rae Cantilli and daughter, Donna-Rae, spent last Wednesday at Candlewood Lake, Conn. And like everyone else, fell in love with the Connecticut countryside.

Glady's Otto is nursing a sprained back. It is quite annoying and she has been walking around at an angle for almost a week. She did it, of all things, picking up the baby. We all hope she feels better very soon.

The Allied Products show at the Belmont Plaza was attended by Ralph Atchue, who represents the Union Bay State Chemical Co. and the Bay State Shoe Supply Co. of Mass.

Mrs. Fuyne, mother of Mrs. Miller of Vernon St., will be sailing for Indo-China the latter part of this month. She has been visiting with her daughter and family the past few months and is now leaving to rejoin the other members of her family.

Mr. and Mrs. C. Miller, who have spent many years in China, visited with a group of their old friends from there, who now live in Stuyvesant Town, N. Y.

Among our new neighbors on Eldorado Blvd. are the Elwood Farrells of No. 4, and their children, Edward, Robert and Thomas. They are former residents of Astoria.

The Cleveland Indians have two local rooters, the Jack Hudsons, who formerly lived in that city, and when the Indians come to N. Y. the Hudsons are there to see them. However, the last game they played was rained out and the one before that was lost to the Yankees. Very depressing to their loyal fans, the Hudsons. Better luck next year, Lynette and Jack, or does one only say that to Dodger fans?

Congratulations to Bob Gerner, who won the class "B" flag at the Freeport Stock Car race! L. Comm. (Res.) E. Hanoquet, uncle of Mrs. W. Walsh of Vernon, and an official of the Civil Aeronautics Authority, has been invited to speak on television. The date a station will be announced.

NEW 100,000 KILOWATT ADDITION NOW UNDER CONSTRUCTION

LONG ISLAND LIGHTING COMPANY'S PRESENT GLENWOOD ELECTRIC PLANT

BIG NEWS ON THE HORIZON!

Long Island's tremendous growth is making the headlines all over the nation. It's a great story and like all Long Islanders we're proud of it... but this growth presents us with the problem of a continuously increasing demand for electricity.

A new 50,000 kilowatt electric generating unit is scheduled to be placed in operation at our new Port Jefferson electric plant this fall.

But still Long Island grows and to meet the continuing need for more electric power the Long Island Lighting Company is starting the construction of a new 100,000 kilowatt electric generating unit at Glenwood Landing, at a total cost of about \$15,000,000.

This is another step in our policy and program to "build today for tomorrow's needs." In the future, as in the past, we will keep pace with Long Island's needs by looking ahead, planning ahead and building ahead.

How you Know

The answers to everyday insurance problems
By JOSEPH E. DOCKOW

QUESTION: My sister-in-law had a valuable watch stolen while she was asleep on a recent trip. She had put the watch under her pillow and when she awoke, it was gone. My husband carries a Residence Theft insurance policy and the insurance man told us we were covered for thefts of personal property when away from home. If I had my watch stolen under the circumstances I have described would the insurance company pay the loss?

ANSWER: Yes, under the terms of a theft policy which covers loss of personal property while away from home, the insurance company would pay for loss of the watch as you have described it.

A few of the items of business already put before the committee and placed in the planning stage are: baseball, basketball, boxing, wrestling, roller hockey, bowling, swimming, water polo, horseback riding, golf, teenage dances, square dancing, sports shows and a boys band. Some of these activities will be self-supporting. Surprise stated.

The following directors were appointed at the last meeting: Basketball, William Stumpel; baseball, Robert Fomstein; wrestling, Happy Norman; ping pong tournament, Frank Barone; entertainment, Jack Strong; track event, Henry Schaaaf; music, Nick Arceri.

NEWS FROM WASHINGTON, D. C.—Congratulations are in order to the nation's second largest vet organization when a routine \$60 investment exploded into a million dollars worth of publicity for Veterans of Foreign Wars. The envy of other vet groups was roused when the VFW, in hopes of getting run of the mill message of greeting from Gen. MacArthur, splurged to the tune of \$60 for a cable to Japan. They were stunned but delighted to receive in return a 1,600-word cable detailing MacArthur's personal opinion on Formosa. More episodes like the MacArthur one would wake up Capitol Hill, especially Acheson and Johnson.

War service credits towards promotions and pay increases for nearly 100,000 vets who entered postal service after military discharge slipped into deep freeze last week when senate upheld President's veto of HR 97. By shortage of four votes, 48 ayes and 29 nays. Senate, after heated debate failed to produce two-thirds majority to concur in House action, overriding Presidential veto. . . . Temper of Senate — over-all economy mindedness of Congress — makes extremely unlikely any attempt to push through similar measures before end of Korean crisis, at least. I am also sure that the Senators who voted nays realized there were only 100,000 votes involved in this proposition.

GI Bill for veterans of Korean War, dead for this session of Congress . . . certain to be revived and voted at next Congress, convening in Jan. House Veterans' Affairs Committee has ordered its staff to make a study of proposals . . . get opinions of "veterans" groups and government agencies . . . makes recommendations on what ought to be done.

Veterans or World War II should not be concerned immediately about reports that Congress may amend Selective Service law to void present exemptions. Unless world situations take sharp turn for worse, Congress will not act before Nov. elections . . . will take it slow and easy after that . . . and resist efforts of Selective Service and military to pave way for drafting veterans. Selective Service Director Henshey advised Congress that draft of veterans under 26 would be necessary "to raise and maintain an armed force of 8 million." Need to draft War II veterans (except those in reserve outfits who have special skills) is hardly conceivable in view of the fact country has pool of about 4,000,000 young men who reached draft age in non-draft years between 1946 and 1950 plus approximately 1,200,000 who reach draft age every year.

NEWS FROM CHARLES WAGNER POST 421 . . . The scheduled softball game between the Legion and sponsors of the Hicksville FBC was almost rained out; at least, it should have been, because only six Legionnaires showed up. Those of us who did show had a swell time. Another game is scheduled for next Sunday, Sept. 17, at 2 p. m. on the high school grounds. . . . **IMPORTANT DATES** to remember: our visit to Kings Park, when we bring cigarettes, candy, cakes, ice cream for all the veterans at this hospital. . . . We are collecting magazines that are in good order and old ties which are used in rehabilitation work. Howard Parton is chairman of the committee for the visit. A good word must be given to the Ladies Auxiliary because their splendid cooperation is always needed for this big job. . . . On Columbus Day, Oct. 12, we are going to run our second White Elephant Sale. Chairman and Auctioneer **WALT SCHLICHTING** is asking for all kinds of usable articles. Just call Hicksville 3-2086 and we will pick up, or you can drop off all articles at the Legion Hall on E. Nicholas St. . . . Well, it finally happened! The first two men to be called to active duty from our Post are **AL BARNOW** and **BOB SCHIEFERSTIN**. Both men are in the active Naval Reserve.

Legionally yours,

RUDY BOUSE.

Since the Adult Education Program is given monetary aid by New York State, there are some rules and regulations that must be followed, Ben said. For example, the State Department of Education requires that the average attendance per class must equal eight. Thus, in order for a class to form, there should be from ten to twelve registrants in order to maintain such an average before a class may begin in any of the subjects listed.

As the sun broke through a cloudy Sunday afternoon, 20 good men and true left their wheel-chairs and met face to face on the field of battle. For this was the day which was to decide. What was to be decided? Well, they all knew.

Each clan had called out its cream of the crop. Some were short, some were tall, some square, some round; but it can be said, all were fearless. The rules and regulations were minutely scrutinized, for each trusted the other; then the umpires were placed at strategic positions behind the contestants, and the battle was on.

Fought furiously
 So furiously was battle waged that the heavens opened to spray the contestants and cool them off. Undaunted and soaked with perspiration, they fought furiously. First one side had the advantage and then the other. Slowly the tide swung one way and things became flooded.

It was then that the crucial moment came that decided the contest. There was a resounding "thwack" and one of the warriors, summoning all the strength his stomach could muster, leaped high in the air. (Well, his feet did leave the ground.) It was then the call came "throw to third, throw to third." The chant was taken up by his comrades, "throw to third, throw to third." Our mighty man on his way up, looked to third, confused. Undaunted, he reached up, whirled and threw. It was then he realized he did not possess the sphere which came hurtling his way. Picking himself up from mother earth which he had so recently left, he looked toward third.

Emotion, such as portrayed by our greatest actors, began to show in our hero's face. His upper lip curled itself into a snarl, depicting hatred, homicide—for there in the far reaches of the field of battle, there was no one on third. That was it. Weary, perspiring, but still full of fight, the contestants picked up their crutches and went their way.

The battle will be resumed, perhaps next Sunday, and it can be said that weary and exhausted as the forces were, they still had the strength to raise their hands and say "Down the hatch."

The Sportlight

By HOWARD FINNEGAN

Coach Chet Jaworski's first statements to the press concerning the chances of his 1950 Hicksville High football team leave the impression that his club will acquit itself very well during the coming campaign.

It could be that the good mentor wants to instill fear in Comet opponents or perhaps the crying towel isn't fashionable this season, but whatever the reason for the show of confidence, it cannot be understood in this corner.

To be sure Jaworski did not indicate that he thinks his club will be the rage of the County pigskin world, but the tone of current reports has expectations of moderate success.

That Hicksville High has ten lettermen returning this season has been played up and gives the impression that the squad will be loaded. That, however, is not the case.

Not all of the returning lettermen were first stringers last fall. And it must be remembered that the '49 team proved a disappointment.

Quarterback Elias Stetz heads the list of returning vets, and much will depend on how he can carry a big load. Richard Scott will be another strong point in the backfield, while Ernie Evaschuck, Harry O'Mack and Phil Millevalle will also figure largely in the Comets running and passing attack.

Ends Ray Guckenberger and Ted Schwarting, each standing over six feet, will anchor the line. At the tackle positions Jaworski will have Gordon Thompson and Arthur Baumack. Thompson tips the scales in the vicinity of 210 pounds, while Baumack weighs in at 180.

Guard positions will have Richard Patwell, Barney Ruggiero and Richard Botto as consistent operators and Cyril Rumens, a converted backfield man, has plugged a big gap at center.

There is a good chance that all these players, with various degrees of varsity service, may mold into a commendable unit, but they will have little to fall back upon. The lack of reserves will be Jaworski's most pressing problem and present indications are that the bench will offer him little comfort when the going gets rough.

Some solace can be taken in that the schedule doesn't appear packed with titans. Almost all Comet opponents of year have suffered through graduation. What they have in the line of replacements is a secret that isn't divulged by rival coaches.

Hicksville will open the season a week from Friday night at Patchogue, under the lights. Past history has found that a journey across the County line has most always been profitable for Nassau schools, but the Orange and Black may find itself against a tartar.

Patchogue was the third ranking power in Western Suffolk last season, losing out to Huntington and Bay Shore for the championship of that sector.

Westbury, Farmingdale and Great Neck should be much the same as they were last year. South Side's 40-game winning streak should be snapped by the time the Sliders face the Comets, since they have been riddled by graduation.

Oyster Bay is not geared to repeat its banner campaign of last year, but Coach Dick Crowley's rigid conditioning will make opponents wary of discounting his outfit.

By the time Mineola reaches Hicksville, November 11, it will be either so battered and bruised that it will provide little trouble, or so hardened to the task that it will be a formidable foe.

The County Seaters will encounter Glen Cove, Valley Stream, Baldwin, Freeport, Mepham and Lawrence before meeting the Orange and Black. That schedule is not to be envied, although local fans would be happier were the Maroon to face Hempstead previous to the clash.

This resumption of relations with Mineola is not to be taken lightly. This column considered the severance of gridiron and basketball relations with the Maroon wise, and still believes the Orange will rue the day that it resumed them.

Ken Hafner is back at the coaching helm in Mineola and he can harness the potential power there better than any man going.

In going through this schedule Hicksville will use a winged T offense. The straight T couldn't generate an acceptable offense last year, so Jaworski has switched this season.

We watched the Comets scrimmage with Glen Cove, Saturday morning. As long as we have watched scrimmages we haven't been able to tell which team, of those fairly matched, "won" a scrimmage. But if the two meet in an actual contest, we would lean to the Comets on the man-power point alone.

Perhaps we have painted a gloomy picture. It certainly would be wonderful to see a winning season. And spirit, which counts so much in this game, might make up for the apparent lack of manpower.

We hope so. There isn't anything in the Hicksville sports sphere that gives us more enjoyment than an Orange and Black football win.

Botto Wins Cup in 3 Straight

ROCKVILLE CENTRE — Botto Brothers won the championship of the Lister Field 1950 night softball league here, Saturday night, with an 8-1 victory over Park Hotel of Merrick after eliminating Corey's of Flushing 4-1 and 5-3 in the senior division play-off.

Ted Smith starred for Bottos in the series with stellar mound performances. He set Corey's down with four hits in the opening

game and successfully relieved Bill Bordiuk in the second contest. In the park contest he breezed to an easy win.

Win 45 Straight

The three playoff triumphs marked 15 straight wins for Bottos which lost the opening game of the season here and then took all comers from then on in.

Richie Berghauer pitched the first game for Corey's. He gave up a run in the initial inning and three in the third when Merrill Yarotzky and Ed Coleman were walked and George Karman followed two Corey errors with a bases-clearing single.

The lone run off Smith came in the third when Jos Pike hit a home run into deep center field.

Relieves Bordiuk

With Orville Carman pitching for Corey's in the second game Hicksville took a 2-0 lead when

Yarotzky doubled, Karman singled and Joe Lastowski and Stan Smith did the same.

Bordiuk was pitching along smoothly and apparently had a shoutout in his glove—until the seventh when four straight Corey hits including a big four-bagger by Bill Colby chased in three runs.

Smith took over at that point and after walking the first man struck out two and got the other on a pop up to end the game.

The cushion by which Hicksville won the game came in the sixth. With the bases loaded Mel Voorhes smacked a double down the rightfield line and the three runs proved to be the winning ones.

Jerry Kiesel batted 3 for 3 and Ray Halleran socked a second-inning homer as Park Hotel was defeated.

Cards Defeat Fifth Precinct Champs 2-1

ELMONT — Having annexed the Second Police Precinct Jr. FBC title, the Hicksville Cards proved their mettle by topping the Elmont Rockets 2-1 in a special inter-precinct match arranged by Director Ptl. Bob Reynolds on Saturday, Sept. 9, at Memorial Field, here.

The Rockets, 5th Precinct Jr. champs, proved to be rugged opposition although with the exception of some fielding miscues in the 5th inning, the baffling antics of Tommy Valentine held the home batters completely in check.

Young Pete Nygren made the key play of the game in the 5th, tossing a perfect strike from his right field post to nip the potential tying run at the plate by an eye lash.

Tappen, Scott, Peyton, Frayer and Petry played their usual alert game in the field to make possible Valentine's brilliant pitching accomplishment.

At least one more inter-precinct match will be made before stacking the bats till next year.

Cheslock Holds Mixers As Empire Takes Title

HICKSVILLE — Pitcher Gerge Cheslock and his Empire Diner teammates saved the season's biggest upset for the last day of the campaign and by so doing defeated the Cement Mixers, 6-0, here on the high school grounds, on Sunday afternoon.

Prize for the feat was the Playoff Championship of the Hicksville Softball League and the Diner team romped off with it by coming through with a thoroughly unexpected performance.

Cheslock Excellent

It was Cheslock's show and he held the spotlight from start to finish. His task was even more impressive in that a heavy rainstorm before the game forced the switching of diamonds. The game was transferred to the northeast field, which has the football stands running from left to deep centerfield.

Even with the short wall a welcome target for the heavy Mixer batting order, Cheslock was in supreme command. He scattered nine hits, all singles, gave up just two walks and struck out four.

He was in difficulty twice. In the first inning Joe Lastowski and George Karman singled for the Mixers, but Bill Garbarino took Ed Coleman's short fly at the base of the left field wall to close out the frame.

Empire chased five runs over in the second inning at the expense of Steve Ruggiero, Mixer starting hurler, and Cheslock was consistently agile to protect the lead.

The second threat to him came in the fifth inning, when Bill York and Ted Smith opened with singles. A walk to Lastowski loaded the bases. Delivering almost all slow balls, Cheslock induced Halleran to roll to second base and York was forced at home. Stan Smith popped to Frank La Marca at second and George Karman bounced into a forceout at third.

Only three men got on after

that, but none represented a real threat to the shutout.

Five Big Runs

Empire's second inning offensive thrust won the game. La Marca started off with a single and Mike Graggio cleared the stands for a double. Sid Bigly bunted safely with La Marca's fine slide, beating the tag at home plate.

Cheslock was intentionally walked. Jerry McGunnigle and Jim Valentine singled and with four runs over Stan Smith believed Ruggiero. He wild-pitched another run in and then closed down the inning.

Smith, in 7 2/3 worked very well. He allowed just four hits and walked none. Three of the hits came in the ninth, when the winners pushed over their final run.
