Adjourn Garbage Area Extension Hearing Upon Plea of So. Hicksville Spokesman

OYSTER BAY—The public hearing upon the proposed extension of Hicksville Garbage District south to the Township line to embrace all the Levitt-built houses in Hicksville has been adjourned until Tuesday morning, Oct. 31. The request for adjournment was made at the hearing held here yesterday by Charles Miller of Summer Lane, speaking as a representative of the North Levittown Homeowners Committee. Miller told the Town Board that residents of the area approached by his committee have expressed satisfaction with the present private collection, to date, and that they fear that under municipal operation "it will not be as good and cost more money."

New Procedure: Discussion on Lee Ave School Set Prior to Vote

HICKSVILLE — A new and improved system for discussing and voting on school district proposals will be tried when the appropriation of funds for the new Lee Ave. elementary school building is presented to the voters, next month. A discussion meeting on the question is tentatively set for Tuesday night, Oct. 31, at 8 p. m. Voting on the question is tentatively set for Wednesday, Nov. 1, between 4 and 10 p. m.

The new procedure was adopted by the School Board at a special meeting last Thursday. It is calculated to eliminate a complaint from the voters that they are subjected to a meeting and discussion of a question upon the same evening that they vote, a School Board spokesman said. Under the old system, voting could not start until the discussion of the question ended.

Under the new plan, voters will be able to cast their ballots at any time during the late afternoon and evening, thus eliminating the problem when small children must be

cared for while mother and dad wait on line for a couple of hours before casting a vote in the late evening.

Pending the official setting of the date of the vote, the Board of Registration and Canvass will tentatively sit at Nicholas St. School Building on Oct. 21, from 4 to 10 p. m. to register voters. Those who registered for the annual meeting last May or for subsequent special meetings and referendums will not be required to register again.

At the same session last week, the Board engaged Mrs. James Redfern for home teaching where required within the district. The trustees also arranged to outfit an new classroom in Junior High School.

New teachers added to the faculty during the week included: Mrs. Elizabeth Pearce and Mrs. Ellen Butler in Nicholas; Clayton Francke and May Leach Braun in East St. School.

New Polling Places for Most Voters With Districts Split

MINEOLA — Seventy-five per cent of the voter in Hicksville will have new polling places on general Election Day, Nov. 7, the Board of Elections disclosed this week. As forecast in the Herald last week, four new districts have been established for Hicksville, effective Oct. 1, giving the community twice as many as before.

Four out of five new districts created in Oyster Bay Township are in Hicksville. The fifth is the new 38th, created from the 15th in Massapequa.

Three of the Hicksville districts will be voting in the same building. The Board of Elections has approved the use of the high school gymnasium for registration of voters there on Oct. 7 and 14 and for election day. These three new districts embrace the area generally south of Old Country Rd. and west of the Long Island Railroad tracks. They have been created from the old 19th and more than half of the old 3rd districts.

3 Using High School
The polling place in the high school will be for the new 19th, 39th and 41st districts.

The 20th district will continue to vote at the courthouse, Heitz (Continued on Page 2)

Students Sell Subscriptions

HICKSVILLE — Students of Hicksville High School are conducting the annual magazine drive this week, according to Miss Mabel R. Farley, principal. Subscriptions to most well-known magazines will be solicited by the students and the publications will be sold at regular subscription rates. Through an agreement with the Curtis Publishing Co., a substantial percentage of the sale price is retained by the school for student activities. Mid-Island Housewife Wins \$500 Grid Prize

NEW YORK—The New York Daily News announced Monday morning that Mrs. Stella Krich, who gave her home address as Farmingdale Rd., Hicksville, N. Y., had won its first 1950 Grid Guessing Contest and had collected \$500 for doing so.

With the aid of her husband, who is employed on the farm of John A. Hartmann, Mrs. Krich called three scores correctly and 628 persons in the contest. She called three games correctly and on that basis she was awarded first prize of \$500.

The mid-Island housewife called Duke's 14-0 win over South Carolina correctly and also hit the TCU-Kansas and Iowa State-Colo. scores on the nose. They were both 14-7 scores.

Among the other 628 persons was her own son Hobby and his 15 correct selections gained him a prize of \$10.

New Districts
(Continued from page 50)

Place and Bay Ave., with the new 42nd district (comprised out of half of the 39th south of Plainview Rd.) will vote in East St. School building.

The old 16th district has been sliced down the middle along North Broadway. It formerly voted at MacPherson Motor Sales on Jerusalem Ave., corner of Barclay St. The new 16th is the section west of Broadway with its polling place at Gilson Knitwear Co., 665 W. John St. The rest of the district is now the 40th with polling place at Nassau Motors, Inc., 24 E. Barclay St.

The old 3rd has been reduced in size and part of its area has become the new 39th (polling place, high school. The new 3rd has as its polling place at the Motor Vehicle Bureau on Jerusalem Ave. The district has been cut down Old Country Rd.

The redrawing of election districts is aimed to keep the total vote in an area to an average total of 1200.

No change has been made in the two Bethpage Districts (Nos. 2 and 2B). The division line between the two areas is the Long Island Rail Road. North of the RR in Bethpage is the 28th, which votes at the Bethpage schoolhouse. The 2nd, south of the RR, votes at Bethpage Firehouse.

There has been no change in Plainview, 27th district, which votes at the Plainview Firehouse on Old Country Road.

Jericho district is No. 4, which votes at the firehouse.

Party committeemen are starting a canvass of all the new home sections in their respective districts for the purpose of registering new voters. Communities in the mid-Island section have non-personal registration, which means that another person may register you and further that you need not register for each general election.

Registration dates and hours for the mid-Island communities are: Saturday, Oct. 7, from 7 a. m. to 10 p. m., and Saturday, October 14, from 1 to 10 p. m.

Nine districts have been created in Levittown entirely in the Township of Hempstead and the 2nd Assembly District. They are 123rd from 110th, 124th from 110th, 125th from 111th, 126th from 111th, 127th from 116th, 128th from 112th, 129th from 112th, 130th from 112th and 131st from 112th.

The boundary between Jericho's 4th and Gyroset's 17th has been relocated in a minor change. There are a total of 69 districts in the County, 43 in Township of Oyster Bay.

Dear Jean...

After 25 years' service as a Hicksville Fire Commissioner, WILLIAM BRAUN will not be a candidate for re-election when his present five-year term expires in December. DAN MUNCHE, ex-chief, has already tossed his helmet in the ring for the forthcoming vacancy and there are reports (not official) that BILL CISLER may also run.

When BILL BRAUN leaves the board it will end one of the very few father-son combinations of its kind in the state. His son, VINCENT W. BRAUN, is also on the Board of Fire Commissioners. Last year, VINCE, as chairman, was in a position of telling his father what-is-what. This year, dad is chairman.

Moving the post office a couple of blocks north is still confusing to many. A woman tells me she stopped one of the mailmen on the street to ask about the new location. He had an empty mail sack on his back and wore about three days' growth of beard. He said, "Lady I've been looking for it myself for two days now." His dog, CHARLIE, wasn't any help either, she said.

Bethpage has contributed \$405 to the Sister Kenny Foundation. It was announced this week. The campaign closes Oct. 16. A new 80-house section of the 500-unit SPIEGEL Ranch Homes off John St. opened last week after a sellout of 170 houses in the first two sections. Hicksville PBC has acquired an old patrol wagon for transportation, a result of the successful boxing show held recently under Legion auspices. The PBC is looking for a place to store the vehicle, without cost, to protect it from the winter. If you know a place, call the Herald. A Charles St. resident phoned yesterday to complain about a plane which flew so low it almost hit her TV antennae. She thought it was going into Grumman's Field. Hicksville can expect more annoyance in this direction when Grumman's enlarged runway is finished. It is aimed right at the heart of the village. HENRY C. BRENGEL is chairman of the Board of directors of the LI Moving and Storage Assoc. which will hold an open public forum on Oct. 10 at Hempstead Elks. We received a copy of the special issue of TOLEDO BLADE celebrating the opening of a new RR depot. It includes a picture of VICTOR BAKER of 34 Fox Lane, Levittown, buying the last ticket at the old station. JAMES McCULLAGH of Hicksville won the plumbing and heating contracts for the new annex to Oyster Bay Town Hall with bids of \$4,700 and \$10,588. The general contract went for \$134,448. Requests for business zoning on Newbridge Rd. are springing up now. Latest is plea by BLANCHE and MICHAEL KELLER for the business at corner of Newbridge and Cherry St. (generally known as Keller's Lane, opposite Elmira Ave.) which comes before Oyster Bay Town Board next Tuesday morning, Oct. 3.

Hicksville Fire Co. 5 has four new members. They are ANDREW J. CLAU, ANTHONY CANNIZZARO, PETER HAUGHEY and HARRY GLECKLER Jr. Phoeby on Nassau Public Works Dept. public relations staff. They report central snails on "JERUSALEM AVE. LEVITTOWN" are now being graded preparatory to seeding. More than a third of this highway is in HICKSVILLE.

JOHN R. BRANDT is home from Syracuse where he completed his second year as president of the New York State Association of Town Highway Superintendents. He is now chairman of the Board of Directors. At the meeting he was honored and feted and presented with a gift. Next year's convention is in Buffalo. Jericho Fire officials have had a look-see at maps of Levitt plans for hundreds of acres in Jericho, south of the turnpike. Included is a proposed recreation field. We hear that Mr. HOFFMAN, the man who fought so hard to close down the Airpark, has his property listed for sale. Most of his neighbors have sold out in recent months.

Register Tonight For Adult Study

HICKSVILLE—The final registration for 35 adult courses being offered in Hicksville High School next Monday, will be held tonight (Wednesday) at the high school gym, between 7 and 9 p. m.

However, persons who fail to register tonight are advised that they may inquire on the opening night of sessions to see if there is room in the classes for them, Elery H. Bean, director said.

There has been some interest shown in proposed classes in blue print reading and chair caning, neither listed in the catalogue.

Civics Accomplish a Great Deal

By FRED J. NOETH

IN QUEENS they are observing Civic Week with public attention directed toward encouraging people to affiliate actively with their local civic organizations.

We don't have such a special "Civic Week" in this section, but this is an appropriate time to focus interest on the civic association in your locality and to urge your active interest and support.

Tomorrow (Thursday) night the Hicksville Civic and Community Assoc., Inc., resumes its regular monthly meetings at the firehouse on the 4th Thursday night of the month. This group serves the entire community of Hicksville School District.

Tonight (Wednesday) the Bethpage Civic group resumes meetings and next Monday is a regular meeting of the Island Trees Civic organization at the Melody Lounge, Millshire shopping centre. They meet every two weeks. Last week, the Plainview Civic and Community Assoc. resumed meetings, sending out 300 invitations but getting only about a 10 per cent response, which is unfortunate.

Friday night, the North Levittown Home Owners Committee (frankly, we believe that name is inaccurate) is holding a meeting in Division Ave. School, Levittown (below the town line in Hempstead Township). This temporary committee is serving the section of houses in South Hicksville, above the township line.

The residents of Twinlawn Ave., Hicksville, have a fine civic organization and are already busy with plans for a neighborhood Christmas program. The people in Zelda Park are planning to form

a civic group in the northeast part of Hicksville.

Civic associations fill a vital need in any community and their abundance and growth in the Mid-Island area is proof of the fact that local residents are interested in doing something about the problems that confront them. Problems may range from the need for a local fire alarm box or road repairs to incorporation of a community.

Some uninformed public officials take a dim view of such goings-on because civic groups have a way of getting at the root of a problem, through collective action. Individuals could accomplish the same results but few of us have the time or energy to carry out programs which warrant neighborhood or community-wide effort.

Make it a point to join your civic association and be active. Go to the meetings, help select competent officers, share the work. We give prominence in our columns to the efforts of civic groups because we believe what they are doing is important and deserves encouragement. Why not attend the next meeting in your community?

Grade Crossings Must Go

THE URGENT NEED for positive action by our elected officials toward the elimination of Hicksville's RR grade crossing is pointed up by the report that Newbridge Rd., a state highway, is soon to be widened to 110 feet, and that Old Country Rd., a county road, is also being widened.

Jerusalem Ave., since it has been improved, is a major highway into the community. We have not less than five major highways converging at the centre of Hicksville—which is good; but we also have long delays and bottlenecks at the grade crossings—which is tragic.

Kiwanis Speaker Talks About Fire

By SAM L. PACE

I hope you won't miss your opportunity to win the beautiful television set which will be given to some lucky person on Oct. 28 at the Hicksville Kiwanis Charter Night dinner.

We are happy to see Ernest Francke back and looking better than ever. Suzanne Gutter has recovered from her virus infection and is back from the hospital helping daddy again.

Fire Inspector Rierdan was the guest speaker at a recent meeting. He showed a film on fire prevention. He said that most fires result from carelessness such as smoking in bed, combustion of oily rags and trash, use of pennies for

fuses, electric wires under rugs and cleaning with inflammable fluids.

Inspector Rierdan said that gasoline fumes can settle to the burner in the cellar even from an attic cleaning operation. He cautioned about use of celluloid toys for children.

He suggested that each family plan what to do in case of a fire because the first five minutes of a fire are more important than the next hour.

—St. Stephen's

(continued from page 1)

Theme of the party will be Friendship and Fellowship. Guests will take their places at the respective birthday tables and refreshments will be served.

A congregation dinner will be held Friday, Oct. 6, at 7 p. m. and will be served by a caterer.

A concluding worship service will be held Sunday, Oct. 8, at 10:45 a. m. The Rev. Charles Kogley, Ph.D., professor of Religion and Philosophy of Wagner College, Staten Island, will deliver the sermon.

Girl Scout Cookie Sale Starts Oct. 5

HICKSVILLE — The annual Girl Scout Cookie drive will start on Thursday, Oct. 5, in a house-to-house canvass by local Girl Scouts. It was announced by Town Chairman Mrs. Arthur Arecl. Plans for the drive were discussed at a Town Committee meeting held last Wednesday at St. Stephen's Lutheran Church.

Business As Usual

By A. WARREN RAYMER

One of the occupants of the new building at Broadway and West Carl Street will be the JACK DOW Appliance Store, also at Huntington . . . It is rumored that a drug store will locate on the corner . . . PURCELL'S FLOWER SHOP will also establish there.

One cannot help but see the need of more traffic lights on Broadway . . . to cross Broadway these days, either walking or driving, is to kiss one's life in one's hands . . . If past experience is any example of the length of time it takes to get these lights installed, we had better start asking for them NOW . . .

SAUGHER-HARDWARE got the jump on many other stores when they installed the large flush neon sign on the front of their store . . . perhaps before long, over-hanging signs in Hicksville will be a thing of the past . . . perhaps someday the telephone and light wires will be put underground, beautifying our village even more . . .

In the baby contest at Mincola Fair recently, Dawn Stilen, infant daughter of Mr. and Mrs. Joe Stilen of Spozest, took five ribbons; two thirds and three seconds . . . Joe works at JEMMY ARMSTRONG'S SERVICE STATION.

RAYMOND BONAZZI, general manager of BOTTO BBOS, was on vacation last week . . . It is reported that a party from Merick is looking for a spot in Hicksville to open a shoe store . . . The moving of the POST OFFICE to North Broadway is causing more people to do their shopping near there . . . we understand there will be a public parking field in the rear of the Post Office.

HOLD THAT LINE: Official Election Board Maps Say 'Hicksville'

MINEOLA — There is no question regarding the location of the new Levitt-built houses in Hicksville north of the Oyster Bay township line. Official maps of election districts in the community are all plainly marked "Hicksville" in the title space for location. All eight Hicksville election districts are in the 4th State Assembly District, while Levittown election districts, in the Township of Hempstead, are in the 2nd State Assembly District. The line runs clearly along the township boundary.

Hicksville Park and Daffy Park: Normans Back from Southern Vacation

Hi Folks:
 Hope you all turned your clocks back last weekend. I wonder just how many people were early for church, Sunday?
 Mr. and Mrs. B. Norman of 18 Mead Ave. spent their vacation in Sumner, S. C. It's a good thing they went South, as we sure had terrible vacation weather up here. The Normans came back via the Smoky Mountains and the Ski-Line Drive in Virginia.
 Ernest Dieterich of 45 McAlester Ave. celebrated his birthday on Sept. 22. I hear he's taking two weeks vacation to rest up.
 Mrs. Helen of 49 McAlister Ave. celebrated her birthday on Sept. 25.
 Happy birthday to you both and may you have many more.
 Guess I had better say that my husband, Bud Werner, will celebrate his birthday Sept. 28. I'm putting this in early as this will be my last column for several weeks, as I am going to my mother's to await the arrival of a new addition to the Werner family.
 If any of you people have news please contact the Herald Office—Hicksville 3-1400, direct.
 I'll be back on the job in a few weeks and will be glad to receive any of your news.
 Bye now

Now you know!

The answers to everyday insurance problems
By JOSEPH E. DOCKOW

QUESTION: What items should be considered in arriving at the total amount of theft insurance which should be carried? We hear in the papers about burglars who back a moving van up to a house when the owners are away and simply take everything but it seems foolish to pay the premium on a big insurance policy when the chances of something like that happening are so very slight.

ANSWER: You should make a careful inventory of all items to be insured against theft and should include all things which are valuable and which could be easily carried away. Watches, jewelry, clothing, cameras, sports equipment, typewriters and radios are good examples.

PLAINVIEW COUNTRY HOMES: Civic Assoc Needs Full Support to Do Job

By ANNE R. ARENA
The Plainview Civic Association met last Tuesday at the Manetto Hill School. Several committees were formed, among them a membership committee, Mr. Hoffman, chairman; a card party committee, Mr. Sells, chairman; and a publicity department of which Betty Baum is the head. Elsewhere in this issue a resume of the meeting is given. There is just a few words I would like to say in addition, and that is that over 300 cards were sent to residents of this community notifying them of the meeting and less than 30 people attended.

Inasmuch as the interests of this group are the interests of all the residents one hopes that more interest will be shown and that there will be better attendance in the future. At the next meeting Russell Ireland, well-known landscaper will speak, his subject will be "Small Home Landscaping." The Civic Association meets on the 3rd Tuesday of every month.

The P-T-A Program Committee met at the school Thursday, Sept. 21. Mrs. Stauber, head of the committee, outlined plans for the coming year. One of the items under discussion is the Square Dance to be given on Dec. 9 at the firehouse. Tickets will be sold through the members at \$1 each. Paul Hunt and His Rock Candy Mountaineers will supply the music and refreshments will be served. Keep that date open on your social calendar.

Several of the residents of this community have been laid low by colds and virus and even the flu. Among those are the Gessner family, inclusive, except for the baby. Also, Rae Cantilli and little Helen Joan Marx and Harry Mayer. Perhaps by the time this is

published they will all be feeling better, we sincerely hope so. The Marx family are new to Eldorado Blvd., but not new to this group, having lived on Plainview Rd. until their house was ready. Besides Mr. and Mrs. Harry Marx, there is Billy 7 years old and Helen Joan 2 years. Mrs. Marx has been having a very busy time taking care of Helen Joan and helping her mother to recuperate from an operation she recently underwent at Nassau Hospital.

Alice Myrick of 20 Island St. was given a birthday party on Sept. 10. She was all of four years old and many of her neighbors attended, among them the Gessner, Cantilli and Payne families. Alice's grandparents, Mr. and Mrs. Singer of the Bronx were there too.

Your reporter also had a birthday, twenty-one of course, on Sept. 8. I was given a birthday luncheon and among the guests were my mother, Mrs. Ford and sisters, Mrs. Becker, Mrs. Dasha, and Mrs. Oberfell and several friends.

Glady's and Jack Otto were hosts at a party for Mrs. Otto's sister, Mrs. Grace Gerder of Mount Vernon on Saturday the 23rd. Rae and Eddie Cantilli spent several days motoring through New England. They visited Plymouth Rock, The Desert of Maine, the Polar Caves in New Hampshire and altogether had a very pleasant trip.

Mr. and Mrs. J. Farragut of Quincy, Mass., were house guests of the Geishpetter's of Island St.

Mr. and Mrs. H. Langer of Beechurst, parents of Betty Baum of Vernon St. celebrated their 35th anniversary on Saturday. They were the guests of honor at a dinner given by Mr. and Mrs. Taylor, also of Beechurst.

Mr. and Mrs. Sam Armstrong and daughter, Faye, of the Bronx, and Mr. and Mrs. Sidney Ansbach of Kew Gardens were the Sunday guests of Mr. and Mrs. W. Hansen Woodley of 170 Cottage Blvd., Hicksville.

Girl Scout Council Meets At East St.
 Chairmen of the Mid-Island Council of Girl Scouts will receive training at the Great Neck Scout House on Nov. 10 from 10 a. m. to 4 p. m. It was announced at a Council meeting held on Sept. 18 at the Hicksville East Street School. Those expected to take the training will be notified, Mrs. Robert Keating, commissioner, said. Every village in the mid-Island Council will start its financial drive this month. Mrs. Keating said that everyone who believes that Girl Scouting is good for our girls should contribute to the drive. Camp Edey accommodated 199 Brownies, 130 Intermediate Scouts and 41 Senior campers this summer, it was reported. About 300 Girl Scouts took advantage of over night camping since last fall. Grumman Aircraft of Bethpage presented two canoes to the camp this year. Farmingdale led in sending fathers to paint and repair the camp. More paint, green and white, for inside and outside, is needed. Slides on the activities at Camp Edey may be borrowed by contacting Mrs. Eleanor M. Hester at the Camp. Mrs. Ralph Boettger told about the instructive course she received at Camp Edith Macey this summer. She will start a training course for leaders on Oct. 4 at 8 p. m. in the Division Ave. School, Levittown.

Sound Off News and Views of VFW Post 3211

The first order of business this week is to correct a mistake I made last week. I mentioned the fact that Al Hanlon was to be our new Quartermaster, whereas it should have been Louis Klein. Sorry, fellas.

This is unkind, but funny:
One mirning a doctor called up a certain local business man and said, "Your wife is completely out of her mind."
"I don't wonder," came the reply. "She's been giving me a piece of it every day for the last ten years."

Much credit is due Frank Mallett and his son for the excellent job they did on laying the new floor in the foyer of our new clubhouse. I understand that they worked until 4 o'clock the morning before our housewarming in order that it might be completed. It's a good job done, men, and it looks like a million bucks.

Did you fellows know that the telephone number of our clubhouse is Hicksville 3-8211? You will recognize the fact that 8211 is also our Post's number. One of our members mentioned this idea as one of the recent meetings and presto—we have it.

What do you men think of installing Coca Cola and cigarette machines in the basement of our new home? I believe that both would be put to good use at meetings as well as special occasions, and would at the same time give us a little return in the form of cash for our treasury.

I mentioned awhile back that every so often I would give this column over to the fine ladies of our Auxiliary. However, whether they misunderstood me or not, I do not know—but I haven't heard a peep out of them insofar as news items are concerned since the last write-up. How about it, ladies—would you like a little publicity? All you have to do is to send me what you want printed (care of the Herald), and believe me I'll do the rest.

That goes for you guys as well. Surely you must have some items of interest that you would like me to print. You know, I keep on writing this column week after week and never hear from any of you. Sometimes I wonder whether or not you read our column, and if so, do you enjoy it. It takes a job of time, thinking and preparation to have this ready each week, and even though I like doing it, it is certainly nice to hear from readers once in awhile. Just a penny postal card to me in care of this paper will do the trick.

Here's a little thought to make life less complicated. If you like to eat celery in bed, a dimple in your knee is a handy place to keep the salt in.

Stay With the Comets

There were a good many things wrong with the Hicksville High Comets at Patchogue, Friday night, but it wouldn't be wise to give up on them on the strength of one poor performance.

Of course, if they don't show improvement in this Saturday's outing at Great Neck, that would be a different story.

With one game under their belts, the Comets should edge the Blazers, since things haven't been going so well over in that North Shore village of late.

It was a long ride home from the Suffolk town the other night, but for all the muttering done by Comet fans, Dick Scott and Phil Millevolte came in for some well deserved praise and therein lies the hope for the future.

Elias Stetz bucked the line with some degree of success and once the Orange and Black coordinates its attack the lacking touchdown punch should be achieved.

Defensively, the Hicksville line stood up well in the opener and the pass defense took the goat's role. Even for a club which is as much inexperienced as it is experienced, the absence of alertness on enemy aerials was appalling.

We said three weeks ago that this club would have to prove itself before we could go along with the pre-season publicity that it received.

And it should do just exactly that against Great Neck. We like the Comets 12-7.

CYO Bowling League Underway

We have the first round returns from the CYO Bowling League, Nassau Eastern Section, and the St. Ignatius Hustlers, one of seven teams from Hicksville in the 16 team division, came off with high total series with 2424 pins.

Mike Greggo also had the second high individual game with a roll of 214.

The Mid-Island Herald will run the results of the league weekly through the season so that our readers can follow the progress of the over 60 players from this area.

Results of the first rolls saw these player averages.

- St. Ignatius Red: Ed. Braun 134, Wm. Braun 130, Koehler 122, Jung 124 and Meyer 126.
- St. Ignatius White: Father Ballweg 192, Costello 168, Labey 170, Eisenhauer 144, Hartman 139 Meyer 161.
- St. Ignatius Scouts: Cramer 123, Terry 126, Bargin 135, McCarthy 143, Noonan 121, Rettberg 139 and Fusello 126.

Post Office Keglers Start

Handed Hicksville Post Office Bowling League will get underway at the North Levittown alleys, Friday night, and as last season, the Herald sports page will keep everyone informed on just who is and who isn't in that league.

Field Club Down to Scrimmage

The Hicksville Field Club has advanced to the point where Coach George Buschbaum has ordered scrimmages for the team.

It was intended to hold the first body contact session last Sunday but arrangements for the uniforms and the high school showers weren't completed in time.

The fund raising drive of the team is proceeding nicely, according to reports, and the new uniforms are expected within two weeks.

For the first time, the Black and White will discard the traditional white pants and will wear all black pants with white jerseys.

Empire Diner Wins All Three

Empire Diner won a doubleheader Sunday at Hempstead and ended the season there, since the two wins gave them the third round championship of the league as well as the first two. Since the Hicksville team won all three rounds there was no possibility of a post-season playoff.

Manager Bill Garbarino consequently brought home three trophies to the Diner on Broadway this year as well as the \$100 prize money that goes with taking the Hub crown.

3rd Period Pass Beats Comets

PATCHOGUE — A plodding, cumbersome, errant Hicksville High eleven opened its 1950 grid season here, Friday night, and succumbed to a 20-yard third period touchdown pass which produced an unexpected 6-0 victory for Patchogue.

The winning strike was pitched by quarterback Charlie Russo to end Art Rate who carried the clinging Ernie Evaschuck with him over the goal line for the score.

The Raiders set up their touchdown by covering a Hicksville fumble on the losers' 45 yard line. Russo passed ten yards to Rate for a first down on the 35. Two more passes fell incomplete and then John Magandini caught the Hicksville defense napping as he delayed slightly before charging up the middle for 15 yards to the twenty.

It was the longest ground gain of the night for the winners who were held to a net advance of 25 yards in 19 rushes by the heavier Hicksville line.

The next play went the distance and although the placement attempt was wide that didn't dampen the joy of the partisan crowd of 1,800 which had been led to believe that Hicksville was coming to town with a next to unbeatable squad.

First Half Chances

At that Hicksville had more than one chance to win the game. The running of Dick Scott and Phil Millevolte was outstanding but faulty blocking prevented any long scoring jaunts.

The Comets first got the ball on their own 46 and in six plays reached the Patchogue two yard line. Six minutes had not yet passed on the clock. Scott and Elias Stetz alternated on the drive but the play that put the Comets six feet from paydirt was a sweep of the right end by Evaschuck followed by a short lateral to Scott.

There a running play was smothered for a three year loss and the hosts took heart when Hicksville was set back five yards for being offside. Stetz made the big bid to put the ball over as he smacked the center of the line three straight times but finished a yard short of the goal.

Later in the period the Evaschuck-to-Scott combination succeeded for a 23 yard passing gain to the Patchogue 23. A 15-yard holding penalty ruined a scoring chance then even though Scott ran for nine yards out of a fake punt formation just after the turn of the quarter.

Mid-way in the second stanza another 15-yard holding penalty pushed the Comets back into their own territory but Millevolte ate that much yardage up on a sharp reverse and the Evaschuck to Scott lateral play gained 14 more.

When the drive reached the 20-yard line the Raiders mustered enough strength to repulse it. A fourth down pass caught by Scott gained only 7 yards and the winners took the spirit out of the Comets and they were a beaten ball club.

Air Attack

With five minutes left in the half, the Raiders were forced to their own two yard line by a hold-
