Merchants Study Proposed Ordinance Making It Tough for Farmer Markets

OYSTER BAY—A public hearing will take place in the Town Hall, here, next Tuesday morning at 10 o'clock, upon a proposed ordinance which would "regulate and control" the operation of "Farmers' and Merchandise Markets or Markets" in the township. It requires the operator of such a market to deposit a \$5,000 cash bond, carry \$100,000 public liability insurance, pay an annual fee of \$500, get a license from the town, get approval of police, fire, health and building departments, etc. Behind the proposed law is said to be a controversy raging over the operation of such a market in Massapequa. Businessmen of Hicksville are studying the law to see if it might not threaten the operation of regular retail businesses. This week the Airpark Farmers' Market, the first established on Long Island over a year ago, announced that county residents had saved over \$520,000 thru purchases there.

Plainview Approves New School 267-59

Two months ago the district had rejected a \$160,000 project 118-85. The same basic type of school is planned as before. During the interval costs increased to reflect the new estimated price of the equipped building. Occupancy is anticipated by next September.

A representative of the company is expected in Hicksville this week to begin marking out the curb spaces.

It Went That Way: Freedom Bell Zips by Village

HICKSVILLE — The Freedom Bell was here; Saturday afternoon, but it breezed through so fast and so far from the assembled audience of school children and adults that few saw it. County arrangements to bring the 10-ton Bell here were made late Friday with a reception scheduled at the RR station for 1:30 p. m. Members of the William M. Gouze Jr. VFW Auxiliary, Charles Wagner Legion Post and Auxiliary, and others interested were

present and waiting for the symbol of freedom which will ring in Berlin on UN Day, Oct. 24. Several phone calls to the police, as the afternoon wore on, failed to locate the motorcade including the heavy trailer carrying the Bell. About 2:30 it was observed breezing around the corner from Broadway into E. Marie St., about four blocks from the assembled audience. A car was sent after the motorcade but it could not be overtaken.

An official of the Mineola County committee which arranged the tour told the *Times* yesterday that "it was the fault of the police" who were supposed to direct it to the local reception point. Meanwhile, Freedom Scrolls have been placed in local banks, stores, etc. for signatures of local residents. The Scrolls will be collected this Saturday and will eventually get to Berlin for enclosure in the base of the giant bell.

5,790 Register Here

Voters of the mid-Island area have their last opportunity to register for the general election of Nov. 7 this coming Saturday, Oct. 14, between 1 and 10 p. m. at their local polling places. A record-breaking 5,790 Hicksville voters registered the first day, last Saturday.

The total last Saturday for the eight Hicksville districts was 300 more than the two-day total last year and 1,000 ahead of 1946. In a non-partisan appeal, spokesmen for Republican and Democratic organizations today urged all voters to protect their right to vote by making sure their name is on the books. The HERALD has maps of all eight Hicksville election district boundaries and will be glad to assist voters in locating their polling places.

The registration last Saturday, by Hicksville districts, was: 5th—692, 10th—640, 19th—334, 20th—766, 39th—568, 40th—322, 41st—997, 42nd—546. Plainview's 27th had 566 to make a total for the executive district of 4,361. Residents of Levitt houses north of the Township line in Hicksville register and vote at the High School.

Dear Jean . . .

So many, many readers are reporting excellent results with our WANT ADS. For example, we were pleased to hear from a lady this week who placed a small WANT AD recently. "I just want you, to know the results were so good that I am now in business," she said. She placed another, larger advertisement . . . C. M. JOHNSON Co., Inc., of Bethpage, will hold its second annual Yearbook Clinic next Tuesday at Bethpage Country Club. Editorial staffs of 76 public and private high schools and colleges in Nassau and Suffolk have been invited . . . Ground was broken last week for the new \$2 1/2 million plant of Consolidated Lithographing Corp. at Carle Place. It will employ more than 800 when finished, a year hence . . . The Levittown Cooperative Nursery is now established in the North Bethpage Civic Assoc. building on Stewart Ave. Last Year Island Trees School District used the structure for a couple of classes . . .

BEA GOLDMAN, attorney for LEVITT & Sons, met with the Jericho school board recently and made an opening gesture, suggesting the acquisition of school sites in the area LEVITT will soon develop for \$14,000 houses in Jericho, I learned this week. It's all very preliminary, however . . . Since Hicksville school people have been pretty strict about the use of buildings in the past, I can't help but wonder how a group which calls itself "North Levittown Home Owners Committee" got permission to use the high school for meetings. It would seem that such approval admits the existence of a section of our community being known as "North Levittown." Wonder whatever happened to good old-fashioned community pride! . . . First Hicksville teacher to be called to duty by Selective Service is FRANK E. BURKE, Nicholas 5th grade. He was engaged by the district last spring . . . You will not be disappointed if you attend the Lions' "Amst Silly" show tomorrow or Friday night at the high school. It promises to be a riot and full evening of entertainment. You can get tickets at the HERALD office, 102 Bway.

More than 5,000 Boy Scouts will take part this Saturday, Oct. 16, in the 31st annual pilgrimage to the grave of "TEDDY" BOOSEVELT in Oyster Bay. Almost half this number will arrive Friday evening and camp out in tents . . . At a cost of \$800,000, Westinghouse Ave., from Hempstead Turnpike south to Southern State Parkway will be improved by the state. Island Trees Civic Assoc. had been very active in campaign for this project . . . A county daily this week announced Hicksville is planning to construct an addition to the Lee Ave. school, a building which has not even been started as yet . . . A Plainview farmer was fined \$10 in Mineola District Court this week when he was found guilty, after a trial, of driving his tractor thru a neighbor's fence . . . A woman at the RR Station on Saturday wanted to know "when will the Freedom Train arrive?" Another was heard to ask if the crack in the Freedom Bell can be seen. She confessed it with the Liberty Bell . . . LARRY McGAFFREY, man about town and tennis player, was the escort for AUNT MALLY when she arrived on the 11:04 train, Saturday morning. JOHN PETRONE did his job well, but he said the wig itched and the conductor refused to allow a free train ride because it was a publicity stunt . . . A good time was had at the Legion Hall, Saturday night, when RUDY AND JACQUE BOUSE celebrated the first anniversary of the Legion Club Bar. And that knockwurst, summer . . . Hicksville BEMA has adopted a \$2500 Christmas budget. Support of all merchants and professional men will be needed to put it across . . . County Planning Commission holds a hearing in Mineola, Monday, on new Hicksville subdivision to be known as HICKS HOMES Inc., west of Miller Rd and south of Sunset Ave.

A representative of the SUNBEAM products will be at BOTTO BROS. store, 231 Bway, Hicksville, all day this Saturday to demonstrate their products . . . There are now 22 teachers on the Hicksville faculty, an increase of 23 this term. Seventy-five are regular teachers, 3 are substitutes and 4 are administrative people . . . CHICK JURGENS, commenting on the Plainview vote, Monday night, said he wants to congratulate all who gave their approval to the project. He adds, "we couldn't wait for that \$400,000 building. Our needs are too urgent" . . . Two dogs from the DUN ROAMIN Kennels, Plainview, won at the recent Westbury Kennel Club show. Kiwanis Hears Special Service

By Sam Pace

There were 22 Kiwanians who attended the 40th anniversary service at St. Stephen's Lutheran Church, Sunday. The Rev. Charles W. Kegley Ph.D. of Wagner College, Staten Island delivered an inspiring sermon.

Robert Tromp, vice-president of Harder Extermination Service, Inc., was the guest speaker at the Hicksville Kiwanis Club meeting last week. His account of the termite menace held the interest of his audience and left a vivid impression of the destructiveness of the little "buggers."

Although termites resemble ants, they are closely related to the cockroach family and have been greatly responsible throughout the eons of time in the production of our top soil.

Similar to colony insects, termites have castes, royalty, winged reproducers, nobility, soldiers and the workers whose job it is to secure food for the colony (morsels from your house foundation or whatever is handy around your home just as long as it's cellulose, better known as wood fibre).

When it comes to laying eggs, the queen termite is most unreasonable. On an average day she'll lay from 4,000 to 5,000 eggs. The secret of her success lies in the fact that in termitehood, sleep is unknown.

HOLY TRINITY EPISCOPAL CHURCH: Plan Week with New Testament

HICKSVILLE — A week with the New Testament is the theme of a mission to be conducted nightly at Holy Trinity Episcopal Church, corner of Old Country Rd. and Jerusalem Ave., from Sunday, Oct. 15, through Friday, Oct. 20, at 8:15.

In addition to the Rev. David S. Duncombe, Vicar of Holy Trinity, there will be three out of town speakers. These include: The Rev. Robert Capon, Vicar of Christ's Church, Port Jefferson; The Rev.

James M. Dennison, Vicar of the Church of St. Philip and St. James, Lake Success; and the Rev. Robert Hampshire, Rector of St. Thomas Episcopal Church, Farmingdale.

This program is being planned in cooperation with the Episcopal Diocese of Long Island and is sponsored by the Rt. Rev. James P. DeWolfe and the Diocesan Department of Christian Education. Episcopal Churches throughout the

Long Island are cooperating in this endeavor.

The aim of the mission is to give a unified witness to the fact and teachings of the New Testament, knowledge of which is sorely lacking in a world of increasing materialism, according to Rev. Duncombe.

The program each night will begin with the singing of hymns and intercessory prayer. The public is invited.

OUR OPINION

Is Community Pride Out of Date?

By FRED J. NOETH

THERE WAS A DAY, not so long ago, when rivalry between communities on Long Island was traditional. Hicksville, for example, would claim the best semi-pro football team on the island (if not in the state), and this would be sharply challenged by Locust Valley, Glen Cove, and other sections. And the same condition applied in fields of commerce, civic progress, etc.

But it would appear that the day of home town pride is fading. We now have among us some so-called community leaders who want to destroy such community pride and would sweep aside all political boundary lines. Their numbers are small but their influence is great because of the positions they have achieved over the years. In many cases, we fear, they have grown old and tired in the job and take the attitude: "Don't give me any new headaches. What difference does it make?"

There are among our readers some who will recall the rallying cry of "Save Our Beaches" and the mighty battles which lasted over the years to protect the rights of our residents and home rule.

In recent weeks we were treated to the spectacle of Island Trees (Miller Homes section) being sucked into the Levittown Fire District despite the firm opposition of home owners concerned. Part of the Miller home section is in Bethpage Fire District and the balance of the area wanted protection from the same source. But the steam roller got moving, and men like Stanley Rodgers, who tried to defend a right and principle were blasted by the Levittown papers (carefully hand-fed with propaganda by certain ambitious men) and trampled into the dust.

The Island Trees Civic Assoc. went to court. But it was an uneven struggle with the wealth of the township on one side to hire legal talent and the few dollars the home owners could scrape together to hire their legal spokesman and defender on the

other side. There was an adverse Supreme Court decision and to carry the fight to the Appellate Division would have required more money than the average home owner could be expected to contribute.

We recite this story here to warn what might happen to Hicksville and other communities which border the Levitt development. We are not the aggressor. We want to see our communities grow and prosper. We don't want to see sections clipped off.

Can You Pull an Alarm?

MINUTES LOST through unfamiliarity with the operation of a fire alarm box or the proper way to telephone the fire department have given many small fires the headway to turn into big blazes, with loss of life. This is Fire Prevention Week and a good occasion to stress this simple but important procedure.

Hicksville and Bethpage Fire Departments are observing open house. Drop in at your local fire headquarters tonight (Wednesday) in Hicksville between 8 and 10, or at Bethpage between 7:30 and 9:30, any night until Saturday. There will be uniformed firemen on hand to answer your questions.

To place a fire alarm in Hicksville, Bethpage, Jericho, Plainview, just tell the phone operator it is an emergency and you want to report a fire. You must stay on the line and give the fire station the correct address. It is very important, also, that you state your community. In the Hicksville 3 exchange, for example, there are several fire districts. If you live in a Levitt house in Hicksville (north of the Township Line) your phone exchange may be "5." There are several other fire districts in that exchange also.

To save valuable time in reporting a fire, you are urged to state your address as "Hicksville" if you live north of the township line. Otherwise the call might be referred to East Meadow, Bethpage, or Wantagh fire companies which have jurisdiction in Levittown but NOT in Hicksville Fire District.

Hicksville also has a system of about 70 alarm boxes throughout the community. If you pull such a box, remain at the signal station until the firemen arrive and direct them to the scene. Bethpage has fewer boxes, but the same instructions hold: stay at the box until the firemen get there.

LI Potatoes Are 'Free'

SEVERAL MONTHS AGO the potato farmers of Long Island took a deliberate stand which should have received rousing cheers from all freedom-loving Americans. The decision they made has scarcely been noticed by the very people you might expect to applaud most loudly: the columnists of the national magazines and daily newspapers, and the radio commentators. Those are the boys who have been groaning about farm price support programs.

But here we have the case of farmers who have turned their backs on federal price support (and incidentally are taking a beating on the market because they must compete with price-supported potatoes from other regions).

Recently the Brentwood Republican Club went on record, adopting a resolution which urges Long Island consumers to "buy nutritious potatoes grown on Long Island free farms." It adds "we as Americans are fully in accord with the support the efforts of the farmers of Suffolk County (and Nassau—Ed.) who by united effort and at a great disadvantage acted to throw off the yoke of federal bondage."

We would like to see more organizations take a like stand in support of Long Island produce. Incidentally, it's helping to keep your taxes down.

Most of the potato farmers in Nassau today are centered about Hicksville-Plainview. They are willing to take their chances with free enterprise. Such courage deserves the support of every American. The best way you can show your approval is to insist upon Long Island Potatoes when you shop and dine.

Herald Reader Opinion

PREFERS HICKSVILLE

Dear Editor: May I begin by thanking you for the Mid-Island HERALD, which we have received. Secondly, I'd like to take advantage of your offer to answer any questions concerning Hicksville. We have learned through the medium of your paper that the NLPA has stopped the extension of the Hicksville Garbage disposal area. May I ask if this is a definite decision on the part of Hicksville? We live in South Hicksville and would prefer the Hicksville service—but we have had no chance to express our opinion.

This is perhaps a small matter. However, does it indicate that the officials of Hicksville consider the NLPA as the representatives of those of us in South Hicksville? They do not represent me—nor do they represent the majority of my neighbors. I, for one, am for joining the incorporation of Hicksville. I certainly deplore the name-calling and the disgraceful conduct that characterized the Levittown side of the debate sponsored by the NLPA.

Perhaps the enclosed dollar will be a step in the right direction. Please forward it to the Hicksville Civics, which I prefer to represent me. I cannot attend meetings, but I certainly can put my name down as a very decided member.

MRS. B. W. VRYN, 10 Rising Lane, Hicksville.

(Editor's Note—The public hearing upon extension of Hicksville garbage district south to the Township line has been adjourned until Oct. 31, which means it will be resumed on that date at 10 o'clock in the morning before the Town Board in Oyster Bay. It is not a closed matter. Your enclosure has been forwarded to John Jeanson, financial secretary of the Hicksville Civic Assoc.)

Grateful For Notice Given

Dear Sir: I am enclosing a check for a year's subscription to your paper. We enjoy the news, in fact, it was due to your notice that we residents in this section which we call North Levittown, knew about the registration regarding the voting on the purchase of the school sites. You know the returns and we feel grateful, hence the subscription.

CAN THIS HAPPEN HERE?

It surely can. You need not live in a hurricane belt to suffer grievous loss by reason of windstorm damage. But your losses can be fully covered through an inexpensive rider clause on your regular fire insurance policy.

Who Runs America?

the Congress?

the President?

OR YOU AND THE MAN NEXT DOOR?

RUNNING AMERICA is the joint job of 150,000,000 people. It's the biggest job in the world today—keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

IN MUCH OF THE WORLD today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organ-

izations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

General Federation of
Women's Clubs
American Farm Bureau
Federation
National Grange
Veterans of Foreign Wars
National Conference of
Catholic Charities
American Protestant
Hospital Association

American Legion
National Association of
Small Business Men
United States Chamber of
Commerce
National Association of
Retail Grocers
National Retail Dry Goods
Association
American Bar Association

• Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. • Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. • And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism; but the proudfest security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

• Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. • Today

in America—70 million people are protected by Voluntary Health Insurance! • Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. • For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

Island Trees P-TA Favors Free District

A square dance to be held on Nov. 25 was planned at a meeting of the Island Trees P-TA of School District 26 held Thursday night at the school on Farmedge Rd. There will be an orchestra and professional caller for the dance.

The Island Trees Civic Association has offered to assist the P-TA in conducting the annual Christmas party for the children to be held at the school. With an enrollment of 900 children, the help of any other organization in District 26 would be greatly appreciated. If interested, club presidents are asked to call Mrs. T. Ziml at Hicksville 3-2648W.

Dr. Harry Gross, superintendent of schools, as the guest speaker of the evening explained the advantages of Union Free School over a Common School District. Irving Kasorsky made a motion which was passed that the P-TA go on record favoring the change from a Common School District to a Union Free School District in the near future.

CLOTHING FOR YOUR HOME
That's the simple story of Insulation.

After all, when winter starts comin' 'round the head—your out with the overcoat... what's the truth?

Insulation is a cloak for your house. It saves your heat the way warm clothing saves you energy. Moreover, because of a peculiar property of heat, it actually adds to your comfort during all extremes of winter and summer weather.

When insulating your attic, be sure to insulate the wall nearest you, such as knee walls and false walls, and with full-thick batts too, as well as between your sloping roof rafters and flat ceiling areas. The gable ends are the only place left to use the semi-thick batts.

Don't try to save money on thin size insulation if you want adequate results in fuel savings—it won't work. Four inch rock wool batts, blankets or rolls is the real heat saver. There's too little difference in price in the overall picture—not to insist on the full thick batts.

We'll gladly help you figure out your requirements and offer any engineering facts on the various materials to be used.

Father Victors

Over Sons 3-3

BETHPAGE — The local FBC
celebrated its 1000th season with a Fa-
ther and Son baseball game played
on Oct. 1 at the Stewart Ave. field.
Encouraged by ideal weather con-
ditions with the temperature hit-
ting 80 degrees, many fathers
turned out to participate in the
game and to cheer from the side-
lines.

As the contest progressed, it be-
came apparent that the fathers
were not as "old and decrepit" as
suspected. After scoring 3 runs in
the first inning, they went on to
win by the score of 3-3. After the
game, refreshments of ice cream
cake and soda, were served at the
FBC clubhouse to the fathers,
sons and members of the FBC.

The fathers' team included Bob
Fountain, catcher; Frank Barone,
1st base; Vince Baumer, 2nd base;
Mr. DeFrancis, 3rd base; Mr. Al-
bertson, short stop; Bill Stuppel,
left field; Mr. Kinney, centerfield;
Al Surprise, right field; and Frank
Gehr, pitcher. The game was high-
lighted by a home run by Mr.
Fountain.

sville. Mrs. Minnie Kerba was the

taught at the Oct. 17 meeting in
the Trinity Lutheran Church

Comets Calibre Should Be Known Saturday

Oyster Bay supplies the opposition when the Hicksville High Comets launch their 1950 home football season Saturday and come evening we shall have a much better line on just how good this present edition of the Orange and Black is.

It will take a good football team to beat the Baymen.

Dick Crawley's lads aren't up to his usual standard, but they will have rigid conditioning as their greatest asset and will be a tough foe to overcome.

Hicksville has yet to prove conclusively that it is a good football team. The victory over Great Neck was creditable, but the Comets cannot hope for high ranking on the strength of it.

Mineola did much the same, and in a little better style, when they routed the Blazers Saturday. It was the first win for the County Seaters since the middle of the 1948 campaign.

The Comets will have to step all the way if they wish to keep up with the Baymen. In the second period of the Great Neck game the Comets tired and became listless. They picked up after the half and scored the clinching touchdowns early in the second half and coasted in during the last quarter.

It will be a major surprise if either team can afford to coast, Saturday.

Hicksville has had two weeks within which to improve or sharpen the attack. Chet Jaworski's offense is suited to his talent and could reap a good touchdown harvest if the execution in blocking picks up.

Oyster Bay must be aware that the Comets aren't the best group of players when it comes to pass defense. That was evident at Patchogue. It would have been evident at Great Neck had the Blazers a passer who could hit his targets.

Therein is the Comets greatest weakness. The line is big and formidable. It is capable of containing a moderate ground offense and consequently the Orange is likely to yield in the air.

We expect Elias Stetz, Dick Scott, Phil Millevolte and Ernie Evaschuck to combine for more than one Hicksville score.

It might be wild and woolly, but we think the Comets will prove they comprise a good football team.

Hicksville 20, Oyster Bay 13.

We have always believed that the high school football program should be well supported by the townspeople.

For those who can't get out to the game, they can hear the contest broadcast over Station WKBS, Oyster Bay, starting at 2 p. m.

As far as we know, this was the first on-the-spot broadcast of an athletic event from our Hicksville high Bay, starting at 2 p. m. (1520 kc).

Field Club Game For Tonight Cancelled

The proposed game between Hicksville Field Club and Long Island Falcons scheduled for tonight (Wednesday) under the Freeport Stadium arclights has been cancelled.

The Falcons have reportedly folded, thus further delaying the debut of the 1950 Black and White.

The Black and White hopes to schedule a game for somewhere next Sunday, but as we write this nothing has been decided definitely.

One can only hope the powers that be get a move on, for player interest is suffering badly, and another week of practices without a game will only result in depleted personnel.

The prospect of an autumn of practice sessions can hardly be expected to hold many persons.

PBC Registers Boys For Athletics Oct. 23

HICKSVILLE — The Police Boys Club will hold a membership meeting at 7 o'clock Monday night, Oct. 23, at East St. School for the purpose of signing up new members. All boys from 10 to 18 are eligible and urged to join.

The PBC basketball league will

start play on Monday, Nov. 6, with games four nights weekly until March. Leagues will be formed in age groups from 10 to 14 and at least two teams are planned for precinct-wide competition in the 14-16 group.

If enough boys show an interest, the PBC will sponsor a senior team with no age limit for county-wide play. Numbers who wish to play in the league will meet at East St. School on Thursday night, Oct. 26, at East St. School when teams will be formed, according to Robert Mangels, PBC secretary.

Jericho F D Quits Basketball

JERICHO—The star of Jericho will not shine on the basketball horizon this year, the Herald learned authoritatively this week. The Red and White, which has been a power in the Nassau County Amateur League for the past two seasons, has lost the sponsorship of the Jericho Fire Department.

This unexpected decision was reached at an executive meeting of the Department Sept. 26, according to an attending official of the Department Sept. 26, who wanted to be quoted directly on the matter.

Two Hour Session

The meeting took up the basketball question in what was expected to be the routine approval procedure, but a wrangle concerning the funds for operating the team set off a two-hour heated argument and ended with the final mixing of the basketball club.

The Department was willing to advance monies to organize the team out of restricted special funds, but felt the basketball club should replace the monies from gate revenue whenever possible.

Somewhere along the line two factions split over the question, and finally both sides agreed to give up the basketball team as the best way out.

Another Meek for the club would have been the reported charge to be made for the use of the Jericho Grade School for both nights of the games as well as practices.

A main reason for recent Red and White prominence on the court has been the fact that the team was allowed numerous practices on the home boards.

Fee for Gym Use?

The dropping of the team has thus avoided the hot fight Jericho supporters intended making against the proposed fee for the use of the gym.

In the few short years it has had a team, Jericho rose almost to the top of the heap in Nassau basketball, but it could not muster the final drive to put it up there.

The Red has had more than its share of talent. It secured the services of three outstanding members from the championship Hicksville Kiwanis team of 1947 and added well-known and able performers from the South Shore the last two seasons.

Almost at Top

Even with an outstanding roster, the team could not get to the top and when supreme success was not reached, mumblings of frayed player temperament were audible.

Since late summer, reports have been flying thick and fast that much of last year's personnel would not be around this year and in some cases were founded on truth.

Plans now call for a night of basketball for Department members so that they may enjoy a workout on the boards. Many Jericho people have held that the team was an "imported" one and should have been more for the benefit of interested local residents.

BETHPAGE ROYALS, Mid-Island Community League Champions of the 2nd Police Precinct PBC league, finished the season with 8 wins and 1 loss. Left to right top row are: Frank Gagliardo, Robert Albertson, Richard DeFrancis, John Schmeiser, Albert Blossi, and Francis Geyer. Bottom row, left to right are: Walter Kulch, Sal Greisofe, Ray George, Robert Tonachio and Robert Cramer.

PBC Baseball Squad Lions Guests Tonight

HICKSVILLE — Members of the Police Boys Club senior baseball team of Hicksville will be guests of honor tonight (Wednesday) at the Lions Club dinner meeting at the Rainbow Restaurant. Accompanying the boys will be Harold Manasick Sr., president of the PBC sponsors, and P. Robert Reynolds, precinct PBC director.

The dozen members of the squad have concluded their play with the

PBC since they will be out of the age bracket next season. Most of them played together on the squad for the last couple of years. Fred C. Birk is in charge of arrangements for the Lions Club.

St. Ignatius Teams Lead CYO Bowling

LEVITTOWN — St. Ignatius Questions of Hicksville lead the Nassau Eastern Section of the C. Y. O. Bowling League conducted here with the St. Ignatius Gold team close behind.

The Questions have a mark of 11 points won and 1 lost while the Gold team follows in second place with 10 won and 2 lost.

Matches are held every Thursday night on the South Village Green alleys.

Puccio leads the Questions with a 177 average followed by Dragon and Braun both of whom sport 164 marks. Kershaw and Wise round out the squad with marks of 161 and 143 respectively.

Field Club Opens Sunday at Home

HICKSVILLE — The first game of the season for the Hicksville Field Club will be held this Sunday, Oct. 15, at the Hicksville High School Field at 2 p. m. against the Rockaway Vets. The first game originally scheduled for tonight (Wednesday) at Freeport was cancelled.
