

PROPOSED LEE AVE. elementary school building as designed by Knappe and Johnson, architects, New York City. Voters of the Hicksville School District will be able to discuss the

project at the high school, Monday night, and cast their ballots next Tuesday upon a \$865,000 bond issue. It is planned as a permanent structure.

Vol. II.—No. 44 Hicksville, N. Y., Nov. 8, 1950 Copy 5c

Plan to Change 9 Bethpage St. Names; Fire Board Ready to Finish Sign Project

BETHPAGE—Changes in names of nine local streets will be considered at a public meeting called by the Board of Fire Commissioners for next Wednesday night, Nov. 15, at the firehouse at 8 p. m. The changes are proposed to eliminate some confusing duplications and in some cases to rename streets which continue as established streets.

Purpose of the meeting, accord-

ing to Secretary Henry Strauber, is to give all interested an opportunity to be heard before formal changes are made with the cooperation of the town board.

The streets involved are listed in a legal advertisement in this issue (see page 15). Sherman Pl., Hemlock St. and Spruce St. are at present duplicated. Hicksville Ave., Mineola Ave., and Short St. are continuations of existing streets.

The fire board is anxious to clear up the changes before orders are placed for permanent street signs. About 240 new cast aluminum signs already have been erected, and about 240 more are to be installed throughout the fire district.

Scheduled to get the attractive signs, also, are the Miller Homes section in the district, Cedar Drive section off Hempstead Tpke., and Millpage. Developers have been encouraged by the fire commissioners to install the same type of sign in new areas they establish.

Teachers to Meet

HICKSVILLE—A meeting of the Classroom Teachers Association will be held Monday night, Nov. 13, at the high school at 8:15. Committees will meet at 7:45 p.m.

Discuss Bus Money, School; 2,000 Able To Vote Tuesday

HICKSVILLE—There are exactly 2,000 voters registered and qualified to vote at Hicksville High School next Tuesday, Nov. 14, between 3 and 10 p. m. upon two propositions offered by the Board of Education. One proposal calls for a bond issue of \$865,000 to construct a new elementary school (picture above) and the other proposal is to spend up to \$20,000 from surplus funds of the district to pay for pupil transportation within the district.

An additional 153 persons registered Saturday for the voting to make the total 2,000. Most of the newest voters were from the Spiegel development in the northwest section and from the southwest section where Levitt and Sons have built many new homes.

Urgently Recommended

Construction of the 20-room school is urgently recommended in the Columbia Report on building requirements of the district. "It is clear," the report states, "that Hicksville must take immediate steps to construct additional school building facilities at the earliest date possible to care for the im-

There will be no speakers and the emphasis will be upon a sociable evening. Members and non-members of the BMA are encouraged to attend.

Mid-Island Votes GOP By Almost 3 to 1 Margin

BULLETIN—Mid-Island Election Districts gave the Republican ticket a plurality of more than two and a half to one yesterday, on the basis of incomplete returns available at the time the Herald went to press last night.

All eight Hicksville districts voted heavily and went along with Gov. Thomas E. Dewey for another term, including the big new home sections of the 19th and 39th districts, south of Old Country Rd. Congressman W. Kingsland Macy in the final tally was expected to carry the election districts of the First Congressional district in Oyster Bay Township by a narrow margin of 500 votes or less.

His score in Suffolk told the story.

In Nassau County, Dewey on the basis of incomplete returns was expected to receive a 100,000 plurality with an all-time record vote.

The City of Glen Cove, which had been in the Democratic columns since the last local election, joined the Dewey parade and gave the Governor a majority of 1,100.

In Levittown the Dewey majority was about 60 per cent.

Voting was heavy throughout the day with lines steady in Hicksville's big registration districts.

Armistice Rites This Saturday

HICKSVILLE—Armistice Day service will be conducted at the Memorial Mall on the high school grounds this Saturday, Nov. 11, at 10:45 a.m. by members of the Charles Wagner Legion Post, William M. Gouse, Jr., VFW, Robert Ulmer Memorial Post and their respective Ladies' Auxiliaries.

Plainview Firemen Battle Dairy Fire

PLAINVIEW—Members of the Plainview Fire Company fought the flames here, Monday, for five hours as fire of undetermined origin gutted and destroyed a cow barn of the Matinecock Dairy. The vamps led by Chief Edmund Ocker got the call at 3 o'clock in the afternoon and were still on the scene hours later.

Police reported the damage as "considerable." The barn on Washington Ave. is owned by Harry Mellish.

Halloween Fire Alarms

HICKSVILLE—A lighted pumpkin was believed responsible for considerable fire damage in a living room at 225 Lee Ave., Halloween night. It is believed the pumpkin candle set fire to the curtains. The fire department led by Chief Weiss, got the alarm at 5:44 P.M.

Two false alarms called the firemen out the same evening, Oct. 31, at 8:30 and 10:03 P.M. They also answered a grass fire at Jerusalem Ave. and Marie St. at noontime and a fire in an auto at 6:10 P.M. the same day.

High Temperatures Falls Elderly Man

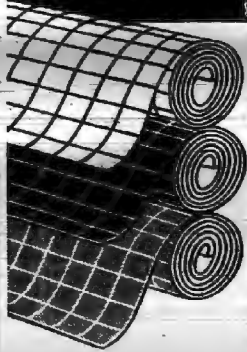

HICKSVILLE—Henrik Meyer, 80, of 357 Broadway collapsed on Broadway, east of Cherry St. on Nov. 1, when temperature neared 80 degrees. He was treated at the scene by Dr. William Sauser of 185 Old Country Rd. and removed to Meadowbrook Hospital.

The Town of Oyster Bay has provided one half of the funds for the new field, which will be known as "F. N. Taliaferro Field" and "the town stands ready to provide one-half of the cost of any more fields which may be constructed," Chlumsky said. The first, "Robert Williams Field," on Marie St., opposite the firehouse, was opened about a year ago. It has a capacity of about 100 cars and the Taliaferro field can accommodate about 50 autos.

Plan 3-Hour Limit

The town plans to impose three-hour parking limits on both fields to make them fully available for shoppers.

A field for commuters is now under construction off Newbridge Rd. and Duffy Ave., which will hold 450 cars. Privately owned, a nominal fee will be charged for its use, Chlumsky said. He also hopes to get the use of a field next to the new post office on North Broadway to "help during the Christmas rush."

Chlumsky expressed his thanks to Michael J. Sullivan, attorney for the town in property negotiations; H. G. Holzmacher, engineer on the project; and Mrs. Johanna Taliaferro, who sold the property to the township. Her granddaughter, Lynn Taliaferro, cut the ribbon to open the field.

Rev. Howard Rogers, chairman of the Citizens Advisory Parking Committee; Patrick J. Buffalo, president of the BMA; Fred J. Noth, secretary of the parking committee; District Court Judge Joseph P. Lebkuecher and Town Clerk Leslie C. Disbrow also were present for the ceremony.

Widening of Herzog Pl., which is now underway, is also expected to relieve local traffic congestion, Chlumsky said.

Mr. and Mrs. Thomas O'Mara of Northport were the Sunday guests of Mr. and Mrs. E. Bolger of 201 Lee Ave., Hicksville. A family dinner was held in honor of Mr. Bolger's birthday.

Dear Jean...

The Girl Scout Auxiliary of Hicksville is conducting a house-to-house canvass for funds this week. It's the first drive for local Girl Scout funds in three years... Please give generously...

As a service to the voting public, the Hicksville Republican Club Inc. set up an information desk at the high school gym Tuesday, where three election districts voted. A special temporary phone was installed, manned by RITA SCHLOESSER... The Hicksville Classroom Teachers will sponsor a square dance at the high school on Saturday night, Nov. 18. STAN GALLOWIN will be caller... MICHAEL SULLIVAN has been engaged by the fire commissioners for legal affairs of the fire district... FRANK C. MOORE, state comptroller and GOP candidate for lieutenant-governor, is an outstanding authority on local government. Therefore his remark at the Republican Rally, Friday, that he was surprised to find a place as large as Hicksville unincorporated was perhaps a minor and unwitting revelation of the evening. For about four seconds a hush fell over the room as some of the boys grinned at each other weakly... A film on mosquito control in Nassau will be seen by Hicksville Lions tonight when they meet at the Rainbow... THOMAS A. CARPENTER of 65 Combes Ave., Hicksville, comes before the county judge this Friday, Nov. 10, for sentencing. Charged with a \$140 holdup of a Westbury tavern without a gun, he has been permitted to plead guilty to petit larceny... A couple of weeks ago a study showed by 88 per cent of Nicholas pupils now ride on school buses. The percentage is believed to be higher today... A new Levittown Choral Group under the direction of ALVIN BERGER is making plans to Carol on Christmas Eve. The next meeting takes place Nov. 8, room 102, Division Ave. School. The Civics will again have a Christmas tree on Bway (next to Bank of Hicksville) and BEN SMITH plans to decorate it with colorful ornaments this year... SANTA is coming to town on Saturday morning, Nov. 25, according to CHARLES SCHWARTZ, BMA Christmas chairman. He will take up his seat of honor on the front steps of the LI National Bank this year... And the Lions Club again plans to have Santa visit all children unable to get out and see the Ole Gentleman. More about this later... Post Office is already getting letters addressed to Santa, written by local youngsters... We had to ratchet the New Hyde Park PUBLICITY NEWS to learn about this racket being worked in Hicksville: "A smart-buck-boy specialized in selling homeowners TWO sets of storm windows. He sold the first set getting the buyer to sign the orders and applications for loans to pay for them. Then a couple of days later he returned to explain there was something wrong with the first order. Would the buyer please sign again — on the 'correct order.' This smart lad then turned in both orders and collected on both. His present address is c/o County Jail. However, a number of homeowners have about \$800 worth of extra storm windows to keep them warm — or hot."

Our Bethpage correspondent, JEAN TURNER, is recuperating at home from an auto accident. Meanwhile we'll be glad to get your news at Hicksville 3-1400... Please be careful while burning leaves. The vamps are on the move daily answering grass fires. One called them down to Alexander Ave. Sunday afternoon. They had two yesterday, on Genesee St. about 12 noon and Chestnut St. at 2 p. m... When HENRY FINNEGAN went to vote, yesterday, he was made to prove himself of literacy despite the fact that he has written tens of thousands of words under his own by-line in the Herald. What next... We hear the school district now has four doctors to handle the increased enrollment... The Bar None Civic Association had 46 out to its first meeting. Voted to change the name to the NORTH WEST CIVIC group... First paper salvage drive for Hicksville-Plainview Civil Defense takes place Sunday, Dec. 3 and every first Sunday of month thereafter, according to Salvage Chairman MICHAEL SULLIVAN. Save your paper and tie it in bundles. Committee also wants coarse rag material, rugs, carpets, etc. and cardboard... This is Civil Defense Week. Did you enroll?

CONTEST BREWING DEC. 5:

New Resident, Retired City Fireman, Enters Race for Fire Commissioner

EDWARD C. QUIMBY

HICKSVILLE — Edward C. Quimby, retired New York City fireman, this week announced candidacy for election as a commissioner of the Hicksville Fire District on Dec. 5. Previously announced candidates for the vacancy for a five-year term are Daniel Munch and John Leckie, ex-chiefs of the local fire department. William Braun, whose term expires, is not a candidate for re-election after serving the district for a quarter of a century.

Quimby, a resident of 168 Cottage Blvd., served the New York City fire department for 11 years until he was retired in 1948 due to a physical disability sustained during the last war. He was a first grade fireman with Hook and Ladder 26 before the war and with Hook and Ladder 43 after the war. Both units serve the East Harlem section.

Other Candidates

Munch and Leckie have long been active in the local volunteer fire department. Munch is the immediate past chief, retiring last April. Leckie is a former chief and held a position on the fire commission by appointment to fill out an unexpired term a couple of years ago.

Fred Schaeffer, secretary of the fire district, said Saturday that Leckie has filed his nominating petition with the Board. The election will be held in the fire-

house on E. Marie St. on Tuesday, Dec. 5, between 7 and 10 p. m. with all legal resident voters of Hicksville Fire District qualified. There is no advance voter registration requirement in this election.

Quimby served with the Marine Corps in the Pacific area for two and a half years during the last war. He was wounded at Saipan and again on an aircraft carrier off Leyte. He received the Bronze Star in the latter battle for manning his anti-aircraft battle station while wounded until the situation was secured from Kamakazec attacks.

A former top flight racing skater, Quimby and his family moved to Hicksville about 1 1/2 years ago from Astoria.

Homeowners Claim Membership Gains

HICKSVILLE — The NL Home Owners Committee now has a membership of 310, an increase of 50 during the past week, it was reported yesterday by Roy L. Deets, secretary of the temporary group.

Plans to adopt the constitution of the organization as soon as possible and arrangements to elect permanent officers are well underway, Deets said. The committee is organized among the residents of Levitt-built homes in Hicksville.

Leaders of the Committee admit that some residents have been concerned about "the manner in which the last five minutes" of a meeting held at the high school on Oct. 27 was conducted. However, a number of caucuses and conferences between groups of residents and the temporary officials is said to have ironed out the misunderstandings, the Herald was advised.

"The good work of the organization has been recognized and for this reason we are speeding the creation of a permanent organization," a spokesman said.

Children Urgently Need New School

By FRED J. NOETH

THE NEED FOR APPROVAL on the bond issue question, next Tuesday, for a new elementary school on Lee Ave., Hicksville, is so urgent that hardly seems necessary to make special mention of it.

The parent of every child of elementary school age in our school district knows that the need for additional facilities is desperate. It is going to get much worse before an improvement can be detected because there are many pre-school age children who will be reporting next year and the year after, faster than any school can be built.

The approval of the Lee Ave. School will go a long way toward helping ease the situation although it will take almost two years before these facilities will be available — providing the war situation does not hamper supplies

Herald Reader Opinion

East Meadow Fireman Comment

Dear Sir: Referring to the article entitled "Accuracy in Address is Important" in the Oct. 18 issue of your paper, I am directed by Chief Joseph Kosbanisky to call certain inaccuracies in the article to your attention. In discussing the recent fire at Fork Lane and Lantern Road in Levittown, you stated: "East Meadow refused to have anything to do with the fire because they were certain that it was not within their jurisdiction." The same general statement insofar as it affects our Department also appears in an article on the front page. But in a preceding paragraph of your article on "Accuracy," you stated that the East Meadow and Wantagh Fire Departments responded to the call.

Our Department took an active part in extinguishing the blaze and, as is customary, remained for approximately two hours on the premises in case of a flare-up.

While every fire call is important, the importance of this particular call was magnified by the fact that the owner of the house where the fire occurred is confined to a wheelchair and was unable to aid his children, who were in the upstairs bedroom where the blaze started. The owner advised the writer that he had asked the telephone company to call the Hicksville Fire Department.

Our Fire District maintains not alone a well-equipped but also a most efficient fire department and responded to the call as it responds to all calls, because it feels that it is more essential to get there and perhaps save a life than to waste valuable time quibbling as to which department has jurisdiction. From the above you will gather that, contrary to what you stated, we did have something to do with this fire.

Inasmuch as your article has been the subject of much discussion, we think it only fair that you publish this letter in its entirety.

NICHOLAS J. EDWARDS, Secretary,
East Meadow Fire Dept., Nov. 1.

Charges Hysterical Adolescence

Sir: I do not intend to take your paper (or any other) until the editors stop acting like hysterical adolescents and obtain a more adult attitude. I moved out here, among other reasons, for some freedom, peace and quiet, and in the hope of making new friends. Instead I find myself an unwilling pawn in a frantic battle of name calling, accusations, charges of plots and such ad infinitum. Also I find an unmistakable animosity, as the we were "inter-lepers" of some sort. I cannot fathom it. Let us have an end to it so we can all live together in decent fashion.

Either you alone or including us incorporate or you don't. Let us settle it and then forget about and stop this everlasting haping and yapping about it!

C. P. STEPHAN, 12 Lantern Rd., Levittown
(or Hicksville, if you prefer).

of crucial materials.

The proposed building is well located to serve the fastest growing section of our district and may well be expected to ease off some of the burden of the multiplying cost of school buses.

This new building will have a capacity of 600 or more students and is intended as a permanent structure. It may eventually be considered the building to replace Nikolai St. School which was built in 1868 and enlarged in 1897 and again in 1909. In normal times, it would be appropriate to plan for the day when Nikolai St. School could be closed and replaced by a modern structure. But these are difficult times for educators everywhere and the need for this ancient structure will be with us for ten years or more into the future.

The proposed Lee Ave. building has been designed with an absence of frills. The board has calculated the cost as best it was able based upon the most reliable estimates of costs.

This proposed school project is among the fundamental recommendations of the Columbia Survey. It will serve largely the section of the district, south of Old Country Rd. we imagine. It has access from Broadway on one side and from Jerusalem Ave. on the other.

But if you agree with us that this proposition deserves approval, please support your views with a vote on Tuesday, Nov. 14. A new arrangement by the School Board will permit you to go to the High School at any time between 3 and 10 p. m. and vote on that date. There have been equally important issues lost here and elsewhere because voters failed to support their beliefs with their ballots.

Come to the high school next Monday night if you want to discuss this project, asking questions, hear more about it and then be sure you vote on Tuesday.

Parents Are Delinquent

J. HENRY RUTER, chairman of the Boy Scout Committee and a member of the Island Trees P-TA and Island Trees Civic Association, in an open letter to the parents of Levittown-Island Trees area puts his finger on a point that can't be ignored.

Parents of this area are at fault for any delinquency among the children of the section, he asserts, apparently referring to a topic which received the typical Newsday sex-and-crime scandal headline treatment this week. He cites repeated instances of local youth programs where parents have been unwilling to give a little of their time to their children.

"It has been found by the committees of these groups" he states, "that we are the official baby-sitters in the area so Mom and Dad can go to the movies or to the neighbors to play canasta. But when it's Moms or Dads turn to help out at one of the meetings, it's 'We just can't make it this week.'"

He asks a question that deserves an answer: "What are you going to do about it?" The answer should take the form of action—get in touch with him or the local Cub, Girl or Boy Scout leader and offer to help out. Be alert to local youth programs and be on hand to assist.

Youth group leaders can repeat Mr. Ruter's bitter story in almost every local community. Parents are falling down on their job.

Civics Denounce 'False Reports'

HICKSVILLE — The Civic and Community Association Inc. this week adopted a resolution condemning "certain misinformed individuals who are trying to discredit the Hicksville Fire Dept., its chief and officers in connection with an alarm in Hicksville on Oct. 16." Last week the Hicksville Lions Club adopted a resolution reaffirming their support of

the fire department and its officers.

Meanwhile, the Board of Fire Commissioners was reported to be concluding an independent investigation of the fire incident at 2 Fork Lane, South Hicksville on Oct. 16 and is expected to state its findings shortly. The Commissioners at a special meeting last week engaged the services of a local attorney to help in the probe.

The Civic Association resolution follows:

RESOLUTION

WHEREAS there are certain misinformed individuals who are attempting to discredit the Hicksville Fire Department, its chief and officers in connection with an alarm in Hicksville on October 16;

WHEREAS these efforts are apparently directed toward the end that people who live in Hicksville, in houses built by Levitt and Sons are confused and bewildered, thus possibly preventing them from obtaining the service to which they are entitled at all times as Hicksville residents;

WHEREAS the New York Telephone Company official in a position to know has clearly stated that Hicksville Fire Dept. did not receive the call on the night in question;

WHEREAS the Chief of the Hicksville Fire Dept. has plainly stated that Hicksville did not receive the call;

AND WHEREAS the members of the Hicksville Fire Dept. have demonstrated time and time again for more than half a century that they are always willing, ready and able to respond to any call for assistance;

THEREFORE BE IT RESOLVED that the executive committee of the Hicksville Civic and Community Association Inc. does publicly denounce the tactics employed by certain individuals in misleading the public and attempting to discredit our community and its community institutions;

AND BE IT FURTHER RESOLVED that copies of this resolution be sent to the fire department, the fire commissioners, the fire chief and Nassau County Fire Marshal's office.

pending heavy increase in school enrollment."

Enrollment in the district, since the start of this term, has increased 100 per cent over the total of last term with most of the new pupils in the elementary grades.

A new procedure will be followed in voting upon the two propositions next week, Andrew B. Hebrer, District Clerk explained. A public discussion meeting will be held at the high school on Monday night, Nov. 13, at 8 p. m. Voting takes place on Tuesday, Nov. 14, during a 7-hour period starting at 3 o'clock in the afternoon in the high school.

On previous questions, the discussion and voting took place the same evening.

The district has two elementary schools: Nikolai with a capacity of 500 (over 1,00 now enrolled on double sessions) and East Street with capacity of 340 (over 750 now enrolled on double sessions).

The new building will consist of 18 classrooms, two kindergartens, combination gym and auditorium and other accessory rooms.

Miss Mary Ann Blyman of 90 Harrison Ave., Hicksville, was hostess at a Halloween party at her home on Oct. 31. Her guests were her mother, Mrs. Clarence Blyman, Phyllis Jablonsky, Muriel Maas, Lynda and Arthur Noeth and Mrs. Fred Noeth.

Business As Usual

By A. WARREN RAYMER

A spokesman for the Karham Realty Company said this week that the new group of stores at Broadway and Carl Street, Hicksville, for which Karham is agent, will be ready for occupancy in "about three weeks."

It was reported in this column three weeks ago that 19 more TWINLAWN HOMES would be erected. JOSEPH E. DCKOW, agent for the homes, reported this week that all of the homes have been sold.

HICKSVILLE INN RESTAURANT is all decked out with a newly decorated dining room, and will specialize in family dinners, French Cuisine, banquets and weddings.

BETHPAGE NASH moved into their new building at 309 Broadway, Bethpage, last week. The finishing touches on the new structure are yet to come, but—biz as usual.

BEATY Stationery and Gift Shop has been enlarged somewhat by taking out a partition here and adding shelves there.

JOHN CLANCY of CLANCY'S FOOD MARKET has also removed a rear partition in his store and provided a rear entrance to his store for people using the new parking lot off West Marie Street.

Most merchants are displaying toys and other Christmas merchandise for early shoppers, and those who would like to have merchandise put away until Christmas.

PO Expects New Interior Fixtures

HICKSVILLE—The new post office building on North Broadway near James St. will have new fixtures and improved stamp and parcel window service facilities, but not until after the first of the year, it was disclosed yesterday by Postmaster William G. Mollitor. Delivery of \$6,000 worth of new interior fixtures for the office is expected later this month or early in December but the Christmas rush will be underway and installation will have to be delayed until after the holidays, he said.

Postmaster Mollitor told the Herald that the new fixtures will include two large parcel post windows at the south side of the building and two stamp windows at the north side. When the office moved from Herzog Pl. the old fixtures were taken along for temporary use.

Civics' Request

He made the statement in answer to a letter from the Hicksville Civic and Community Association, Inc. which asked that additional windows be provided and that window service be maintained weekdays until 7 o'clock in the evening.

Mollitor said that under the curtailed Post Office Department budget there is no possibility of keeping the windows open after six in the evening. The Civics pointed out in letters to Mollitor and Postmaster General Jesse M. Donaldson at Washington that many commuters now find it impossible to get to the office before the present 6 o'clock window service closing.

The Post Office will be open as usual until 12 noon this Saturday, Armistice Day.

Mollitor also issued an urgent appeal for early mailing of Christmas parcels and letters, particularly of the state. Nov. 15 is the deadline for mailing of material intended for Christmas delivery overseas.

Postmaster General Donaldson will present a series of dramatizations on a national network on alternating Sunday afternoons from 2:45 to 3 p. m., entitled "Washington Report." The theme on Nov. 19 will be "American Rail Roads Carry the Mails," Dec. 3 "US Airlines Carry the Mails" and Dec. 17 "Uncle Sam Delivers the Mail."

Sell Hot Dogs At Bazaar

The Men's Club of the First Reformed Church, Hicksville, will sell frankfurters and coffee in the evenings of the annual two-day bazaar to be held Nov. 29 and 30 at the church. All other booths at the bazaar will be open from 2 to 10 p. m.

The Sunday School members will sponsor a Grab Bag at the bazaar.

AN URGENT APPEAL: Loss of Pet Endangers Woman's Health

HICKSVILLE — Convalescing from a recent serious operation, improvement in the woman's condition was noted. Skippy was lost on Oct. 7 in the vicinity of the couple's home on Arbor Lane. In her search for her pet, the young woman has found and returned to their owners two other dogs. Skippy is a blond cocker spaniel, 18-months-old and wearing a collar bearing the owner's address of 17 Arbor Lane. The collar also bore an old telephone number which has since been disconnected.

"I know it's foolish to grieve so over a dog," she said, "but I've become very attached to Skippy since we can't have any children of our own."

Since financial and physical conditions made it impossible for the young woman and her husband, an Air Force Sergeant, to adopt a child, doctors advised the next best thing — a pet. Shortly after Skippy's arrival, a definite

improvement in the woman's condition was noted.

A reward is being offered. Information will be taken at the Herald office, telephone Hicksville 3-1400.

THE FAMILY BANK FOR 47 YEARS

For nearly three generations we have welcomed the accounts of women and children here—as well as those of their men-folks. A good many of our present large depositors had their first dollar invested with us in the form of a savings account opened when they were one or two years old.

Since 1903 we have been part of the warp and woof of Hicksville family life—for many men we have entered that crucial first dollar in the pass book, sold them traveler's checks for a honeymoon trip, helped finance their businesses and their homes, and finally acted as trustee or corporate executor under their wills.

The answers to everyday insurance problems
By **JOSEPH E. DOCKOW**

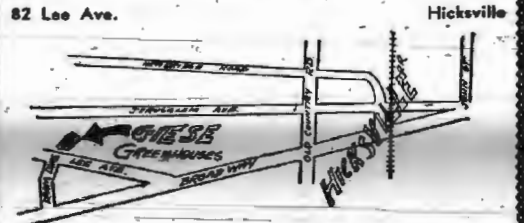

QUESTION: If we carry a public liability and property damage insurance policy on our car and are sued as the result of an accident, who defends the suit? I mean does the insurance company defend the suit or is their liability limited to the payment of any damages awarded if the case is decided against us?

ANSWER: Under terms of a public liability policy, the insurance company assumes full responsibility for defending any suits brought against the insured as well as for payment within the limits of the policy of any damages awarded against the insured person. Also within the policy limits, the company will pay any other costs legally assessed against the insured as a result of the suit.

NEWS AND HIGHLIGHTS OF

William M. George Jr., VFW Post 3211

GRAND AVENUE, HICKSVILLE

Meetings: 2nd and 4th Monday of each month.

On November 11, 1918, the late General George Patton wrote these words in tribute to a very dear friend who had fallen in battle. I would like to repeat them here as a tribute to all our fallen dead whose loyalty to God and Country caused them to sacrifice the most cherished prize of all—life itself.

For faithful unto God and man,
And to his duty true;
He died to live forever
In the hearts of those he knew.

Death found in him no faltering
But faithful to the last,
He smiled in the face of fate
And mocked him as he passed.

No, death to him was not defeat.
But victory sublime,
The grave prompted him to be
A hero for all time.

As we assemble ourselves together on Armistice Day, November 11, 1950, let us never forget the men and women of our town who sacrificed all pleasures and even life itself, in order that they might do their share to help keep the Red, White and Blue flying as the symbol of freedom for all mankind.

To those who served and came back without harm or injury—your family, friends and country are mighty proud of you. To those who served but returned wounded or disabled—your family, friends and country are even more proud of you, and organizations like the Veterans of Foreign Wars are doing all in their power to aid you and your family in any or all problems that might arise because of your affliction or handicap. To those who served but never came back—the nation pays its highest tribute always, but especially on Armistice Day.

To the families that sent men into battle and even death, this day really and truly means something, because all of them know what the word means. You, as well as they, suffered the torments of Hell without a grumble or groan. You well appreciated the fact that the liberties so cherished by all Americans were in danger and like your forefathers, arose to meet the challenge successfully.

Today, many fellows are again receiving the Presidential Greeting (call to duty) and again thousands are leaving homes and loved ones to answer this call only too willingly.

However, there are today some single, non-veteran fellows between 19 and 25, the present draft age requirements, and perfect specimens of health, who immediately upon receipt of their physical notice, run to their supervisors or foremen in business and cry, "Oh, I can't go into the service, I'm essential." "I just bought a new car." "I'm getting married soon" and so on. Days elapse, and lo and behold, they get their deferments. To these, men I address the question, "What does Armistice Day mean to you?"

We can thank God that your group is in the minority, because our country wouldn't be able to defend itself against an attack of the seven-year itch if we had to rely upon your courage, faith and trust in the United States of America.

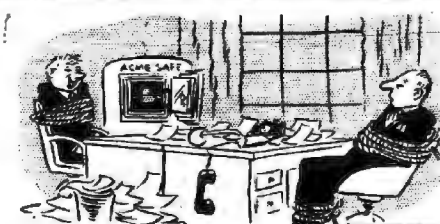

How can you fellows read about the horrible atrocities being committed to our boys, your buddies, over in Korea; read about the ruthless spread of Communism throughout the world; how can you say the Allegiance to the Flag of our Country; sing the Star Spangled Banner, and then when the call comes to you to help defend our dear land and all its right, you turn your back and cry, "I'm essential."

All of you want to be called Americans and enjoy the blessings in our country, but want no part in defending her or making sacrifices so that her cherished rights might be preserved. Is that true Americanism?

THE OLD SARGE.

(EDITOR'S NOTE for Old Sarge: Photographer Frank Mallet says, in answer to your recent request, that he will be glad to take the pictures of the officers of the Post if they will come to his home at 183 Plainview Rd., Hicksville, this Saturday, Nov. 11.

VETERANS HEAR THIS: Pres. Harry Truman rec'd from Congress legislation to renew the care-for-amputees program until June 30, in order to take care of eligible vets who have not rec'd this benefit.

Parents of deceased former POWs will no longer have to prove dependency to be eligible for payment of deceased veterans subsistence allowance. Congress cleared and sent to the President S-8000, which removes the dependency requirement for parents receiving \$1.00 per day.

WATCH THESE MEN . . . The "GRIEF-RACKETEER" who goes around telling mothers whose sons are listed as Missing-in-Action that they are alive and that they themselves have just come from Korea. In this approach they hope to borrow money. They are the type that stand with their leg through a hole in the fence, selling pencils and crying "Veteran."

WELCOME NEW MEMBERS: Herb Gutheff, Henry Von Kroge Jr., Herman Mynick, Johnny Lagosky, Charles E. Tallman and Vincent E. Wakeman.

The Past-Commander's dinner went over big, Saturday night, and there were at least 100 who attended. Among the most DISTINGUISHED GUESTS WERE: COL. MARTIN FOREY, COMMAND-OFFICER OF THE 40th REGIMENT; MR. and MRS. ROBERT ULMER, SR., NATIONAL SERVICE OFFICER LESTER SPEAR, MR. and MRS. FRED J. NOETH, EDITOR and PUBLISHER OF THE MID-ISLAND HERALD; STATE COMMANDER JAMES F. REILLY AND SGT. and MRS. HARVEY ULMER.

BEFORE I CLOSE: Remember that a successful civil defense program will require the cooperation of every man, woman and child. As veterans of World War II, it is all too easy to take a superior attitude toward the "Tin Hats" and Sand Buckets of the "home front warriors," any such attitude could well be disastrous for millions . . . as well as for your own loved ones. If you . . . you . . . and you wish to be helpful and play a part in making Hicksville's civil defense great, then contact Defense Leader Frank Sutter or his aides today. The many miles of water does not any longer form a barrier from our enemies. One or two planes can destroy a city of 250,000. Don't let a few victories make you drop your guard. Help to-day . . . it may be your own life that you save tomorrow.

Chlumsky Names Appeal Workers

HICKSVILLE — A strong committee, swinging behind the Annual Appeal of the Salvation Army, was announced this week by Frank Chlumsky, chairman of the appeal here, who stated that organization is nearing completion and that the drive would be under way very shortly.

Joseph P. Ulmer, president of the Bank of Hicksville, is treasurer while the members of the committee now include Dr. Elwood A. Curtis, Fred Eberhardt, Miss Mabel R. Farley, Mrs. John Herzog, Miss Marion Jackson, Dr. E. H. Le Barron, Dr. William J. Malcolm, Mrs. Hazelle MacPherson, George McIntosh, Miss Nina Plantz, Percy L. Roberts, the Rev. Howard Rogers and Mrs. E. S. Spink.

Chlumsky asked that any one who is not contacted send contributions directly to treasurer Ulmer, at the Bank of Hicksville.

Withdraws Funeral Home Variance Plea

OYSTER BAY — A request for a variance to conduct a funeral home at the corner of Jerusalem Ave. and 6th St., Hicksville, was withdrawn by the appellant Harry Ernswein prior to a meeting of the Zoning Board of Appeals held here Thursday night.

The Board denied the request of Diego Venza of 57 Sherman Ave., Bethpage, a variance to build a gas station on the west side of Stewart Ave., 180 feet north of Burkhardt Ave., Bethpage.

Approve 3 Gas Stations
 Two gas stations in Bethpage were approved by the Board as requested by Ira L. Miller of 90-10 195th St., Hollis Ct. Gardens, for the northeast corner of Hempstead Tpke. and Stewart Ave., and Helen Kapstatter of Broadway, Hicksville, for an addition to the station located on the north side of Hempstead Tpke., west of Stewart Ave.

Two gas stations in Hicksville were approved as requested by William Duffy of 205 Duffy Ave., Hicksville, for the northwest corner of Newbridge Rd. and Duffy Ave.; and Michael Berger of 99 Stratford Rd., Rockville Centre, for the east side of Newbridge Rd. at the corner formed by the intersection of the east side of Newbridge Rd. and west side of Cherry St. (near West Village Green).

A gas station on the west side of Hicksville-Massapequa Rd., north of the intersection at Hicksville-Massapequa Rd. and Broadway, Plainfield, was approved by the Board upon the request of Fred Ludwig of Hicksville Rd., Bethpage.

The case of Robert Laitem of 20 Central Blvd., Bethpage, who plans to install two 20,000 gallon fuel oil storage tanks and pumps at the southwest corner of Hazel St. and Washington Parkway, Hicksville, was held over for a second time.

DeMonaco Asks Change of Zone

HEMPSTEAD — A public hearing will be held at the Town Hall here on Tuesday, Nov. 21, at 10:30 a. m. upon the application of Frank DeMonaco for a zone change on Newbridge Rd., Hicksville. The property is on the west side of Newbridge Rd., about 150 by 180 feet and adjoining the Motor Parkway on the north. It lies in the township of Hempstead.

DeMonaco wants to change the zoning from residence B to a business district.

American Legionnaires

ODDS AND ENDS AT THE LEGION

Big plans are in the making for a New Year's Eve party at the Legion clubhouse. For a small \$5.00 you and your escort get plenty of food, noisemakers, hats and dancing until the wee hours. Make your reservations for you and your friends at the Legion Bar. An extra big welcome to new members ERNEST WEBBER of Hicksville Gables, BERNIE HAGGERTY of Zelda Park and FLOYD J. YOUNGS, a WW:1 vet. ED BECKER reports membership is up to 43. . . . How about some of you old timers showing up at the meetings? . . . No secret by this time is the engagement of Legionnaire GERARD QFENLOCH and Ladies Auxiliary member EDNA HOLDEN . . . couldn't happen to two nicer people. The big date will be in January . . . The clubhouse cellar playroom is coming along beautifully, but the working committee has thinned down to two hard-working members, STEVE SLADYKA and ERNIE GUNDLACH. Working night is every Tuesday. . . . Visited JOE CHANCE and PAUL HUCKSTEIN at Nassau Hospital. Both men are coming along fine. JOE has taken charge of the north end and PAUL has the south end. . . . Orchids to VICKIE DAINES, who is always most cooperative on all our affairs, but yet she never steps in to the limelight. (She'll probably say "scallions to him" for mentioning this). . . . Just before press time I received word JOE CHANCE is back home.

NEWS AND VIEWS FROM WASHINGTON, D. C. . . . American Legion has joined with the VFW, Aavets and DAV in asking the Civilian Components Policy Board to establish a firm policy on recall of reserves, set up a point system for recall or induction of War II vets. They complained that War II vets throughout the country are unable to obtain employment, establish themselves in business, buy homes, etc. The Big Four placed problems before Rear Admiral I. M. McQuiston, military director of Policy Board. . . . pointed out necessity of giving vets in active or inactive reserves—or in civilian life—some idea of future status. . . . how long they will be required to serve if recalled or drafted—whether "equality or service" will result in rotation system.

Former war prisoners whose POW claim applications are numbered 30,000 or under can expect to receive subsistence allowance checks from War Claims commission by end of year.

WENNAGEL RESIGNED SEPT. 1: School District Seeks Business Manager

HICKSVILLE-The Board of Education today advertised in the Herald Want Ads for a "Business Manager." At the same time it was disclosed that Gustave F. Wennagel of 31 McKinley Ave., who had received the first appointment to this position, created at the annual district meeting last April, resigned effective Sept. 1.

Male applicants for the position for which \$3,000 a year salary is provided in the budget are invited to write Andrew B. Heberer Clerk of the School Board.

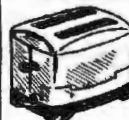

Wennagel was named to the position effective July 15 and served thru the summer. His resignation was accepted with extreme reluctance by the Board of Education.

After getting well into the work of this new position in the district, Wennagel said he found it took a great deal more time than he planned or wanted to give it. Since he has recently retired after long service as a civilian employee of the Navy Yard in Brooklyn, he found the new post would have prevented

KNOTTY PINE PANELING

The selection of a wood for knotty paneling is a matter which should not be slighted. Of course you want your Knotty Pine walls to be made of REAL Pine. Photographic reproductions lack intrinsic character and should not have a place in the home of an owner who wants the real article. Besides, however good these imitations may be, it takes REAL Pine to give depth of color, richness and beauty which never fades. And, though the essential properties required of a wood for knotty paneling eliminate many woods for one reason or another, there are a few Pines, in good supply, that serve this purpose exceptionally well. Ponderosa Pine is one of them and have proved especially suitable for such use.

A very apparent practical consideration about Ponderosa Pine Knotty Finish is that its first cost is its last cost. It is practically maintenance-free and with the passing of time its beauty increases. Those who cherish it will, perhaps, apply paste wax on its smooth surface now and then or clean it with mild soapsuds and water, if any parts are soiled, but that is all. And, even the first cost need not necessarily be expensive. In fact, you will more than likely be surprised at its reasonableness—and with it all—such everlasting beauty and enjoyment.

Use it as wainscoting in your dining room—the stairwell to the attic, or for your (heart's desire) or for finishing off the upper rooms, either for bedrooms, or a den, or a library for the "old man" to rest in, or to work, out his skullduggery, or hobby.

We will gladly furnish booklets on this paneling and also advice on finishing with stains or waxes.

Don't wait for prices to go sky high, buy now while we still have stock at low prices.

HFC Socks VFW With 4 Tallies

HUNTINGTON—The VFW eleven of this village extended the unbeaten Hicksville Field Club for three periods, Sunday, but could not restrain the Black and White's powerful ground attack, in the fourth quarter, and the visitors smashed over four touchdowns for a 40-7 victory.

Despite the fact that Hicksville exhibited an overpowering ground game, that realized over 350 yards from scrimmage and 23 first

downs, Huntington only trailed 13-7 with 11 minutes left in the contest.

A stout defense which five times checked Hicksville inside the ten-yard line was largely responsible for this but, the passing attack of the visitors was not up to par and kept the White from cracking it wide open sooner.

55-Yard Return
 Bill Garbarino returned a Huntington punt 55-yards in the first

period for the first Hicksville score. It was the lone Hicksville tally of the half as the Josefs braced against the ground thrusts in dangerous territory.

Hicksville's passing attack all but got on a single track and the many excellent receivers the White had at its disposal weren't used to advantage.

Shortly after the intermission Jim Thomas bucked over from the one yard line to cap a 55-yard ground advance, in which he featured, and Hicksville took a 13-0 advantage.

A pass, Billy Garbarino to Herman Rigby, added the extra point. Huntington shocked the Hicksville legions early in the fourth quarter when Bill Hartman passed 15-yards to Pete Comerford in the end zone. A clever bootleg play run by Hartman set up the touchdown. Bill Hunter converted from placement.

End Lou Koji ran the ensuing kickoff 22-yards and Hicksville drove up field 58-yards to cement the issue. It was a 13-yard pass from Ed Stetz to Garbarino which leveled the score but the running game of Tom Schaller and Sid Rigby did the heavy part of the work.

Huntington got completely apart after that and touchdowns by Rigby, Thomas and Stetz only served to rub it in.

Member of Columbia Rose Bowl Squad, Jochum Appears on TV During Reunion

NEW YORK CITY—Henry L. (Hank) Jochum of 79 Underhill Ave., Hicksville, member of the only eastern college football squad to go West for a New Year's Day Rose Bowl game was honored with other members of the 1934 Columbia team here, Saturday.

Between halves of the Columbia-Cornell game at Baker Field, here, 25 out of the original 40-man squad were introduced and honored. The 1934 Columbia squad had a reunion here that day, the first in 16 years.

200 Honor Sheprow At Knights Dinner

SYOSSET—About 200 members and friends of Joseph Barry Council, Knights of Columbus, attended the testimonial dinner given in honor of Maximilian N. Sheprow at the Stockholm Restaurant, here, Monday night. Council officials called it one of the most successful and best-attended affairs held in recent years.

Tribute to Sheprow for his efforts in behalf of Catholic action and his work for the Knights of Columbus and Holy Name Society of St. Ignatius RC Church was paid by Rev. Father George M. Bittermann, pastor; Michael Sullivan, grand knight, and Dermott Dunne of Locust Valley, district deputy.

The event also provided the opportunity for the first formal introduction of Rev. Leo J. Goggin to many of the congregation and the community. He was recently named an assistant in the parish.

William J. Botto, general chairman, was toastmaster. The Rev. John Wissler gave the prayer and Rev. Lawrence Ballweg the blessing.

Dancing and entertainment followed the dinner.

Hank, who played end, was seen on television screens as he was introduced with other members of the team. Mrs. Jochum was in the stands, attending the game with her husband. Their two small children saw Daddy on TV at grandmother's house and wondered why he did not wave back to them.

A group of friends at the Hicksville Legion Hall, watching the game, also cheered loudly when Hank appeared on the screen. He is an active member of the Charles Wagner Post.

The weather was miserable on Saturday but cleared briefly for the ceremonies on the gridiron. At halftime the score was 13-13 but Columbia went on to win, 20-19.
