**FEW ATTEND DISCUSSION:**

## New Residents Want 2 Parkway Schools Next

HICKSVILLE — New residents from the southwest corner of the school district present at the discussion meeting, Monday night, were more interested in how soon they will get a new school in their locality than in the details of the proposed Lee Ave. building. Less than 100 persons attended the session called by the Board of Education.

A highlight of the evening was the presentation by Frederick B. Tilney of the Governmental Statistical Corp. who has been engaged by the Board as a financial consultant.

Tilney's report appeared to be based largely upon the study and statistics compiled last spring by Teachers College, Columbia University. It was offered on a broad scale with giant-sized charts and graphs. He said there are today 7,500 homes in the community with a potential saturation of 12,000. There are 3012 students enrolled today.

**Tax Story Involved**

Discussing assessments and tax rates, the story became rather involved and confusing with Tilney expounding a theory that the school budget must be divided into "operating" and "capital" budgets. After some lengthy report by Tilney on a 70 cent debt service (continued on page 4)

# Open Campaign to Get 6 Crossings Eliminated

HICKSVILLE—Convinced that the economic life of the community is being "strangled" by continuous daily blockades of automobile traffic by Long Island Rail Road crossings here, at grade, the Civic and Community Assoc., Inc., today prepared to launch an all-out campaign to get local crossings eliminated. The campaign will be set into gear tomorrow (Thursday) night when the Assoc. meets in the firehouse auditorium, E. Marie St., at 8:30 p. m.

Stanley Mruz, president of the Civic Association, last night disclosed the appointment of Vice-President James Condon as chairman of the grade crossing elimination program.

"We are convinced that nothing will be done toward the elimination of RR grade crossings here unless the community makes known its demands to the county and state authorities," Mruz asserted. Condon said that it is planned to circulate petitions locally and to get all interested to write to State Senate and State Assembly as well as County and Township leaders in an effort to get state funds appropriated for crossing elimination here.

Six local crossings here have been approved by the Legislature for elimination but are not included in the appropriation of Chapter 195, Laws of 1941, for which funds were appropriated.

Murray G. Tanner, secretary of the State Public Service Commission, has advised the Civics that the "state pays all of the cost (of preparing plans and eliminating crossings) and not more than 15 per cent can be charged against the railroad for RR benefits."

## Approve Lee Ave School, Few Vote

HICKSVILLE — Propositions appropriating \$865,000 by bond issue for a new elementary school off Lee Ave. and permitting expenditure of \$28,000 from surplus funds for student transportation were approved by voters of the school district late yesterday. There were 665 ballots cast out of 2,000 registered and eligible voters. The results were:

New school: 371 yes; 24 no.

School bus: 333 yes, 58 no.

The School Board today set Dec. 11 for opening of bids on construction of additions to East St. School at a total estimated cost of \$400,000.

## Firemen Give Full Support to Chief

HICKSVILLE — Members of the Fire Dept. went on record Monday night with a rising vote giving 100 per cent backing to their Chief, Stanford Weiss, who has been under fire by the NL Homeowners Committee in connection with a fire on Oct. 16. Action was taken at a regular meeting with motion made by Charles Hafner.

The Homeowners Committee recommendations, adopted by a vote of 32-10, were still not in the hands of the Board of Fire Commissioners this week. The County Fire Marshal's office had not received a copy of the recommendations either, the Herald learned.

## Meet on Bethpage Street Names Tonight

BETHPAGE — A public meeting will take place tonight (Wednesday) at the call of the fire commissioner in the firehouse, here, to consider several proposed changes on street names. All residents interested are invited to attend.

## Claim Herzog Place Project Lags

HICKSVILLE—A growing demand was being voiced this week for the speedy completion of the Herzog Pl. widening project where approximately three feet are being removed from the south sidewalk. No construction work was done on the job for a full week, commencing Election Day, leaving the street in a "hazardous condition and danger to pedestrians and motorists," it is claimed. The entire sidewalk on the south side has been demolished and broken cement removed, leaving holes, projecting pipes and other hazards, residents complained to town officials. Herzog Pl. is one of the principal avenues travelled by commuters as they leave the trains at night.

Commuters were steamed up, Monday morning, when they found the public parking field opposite the firehouse posted to give notice of a three hour parking limit. The Town Board enacted the limit at a public hearing last Thursday, effective Nov. 27. The signs, which had been erected Saturday, were quietly removed before noon time, Monday.

## 3 Hurt in Accidents on Local Streets

HICKSVILLE—Three persons were hurt in highway mishaps in this community during the week, according to second precinct police. Marty Ahern, 57, of Astoria, was struck down by an auto at Broadway and Marie St., Friday night at about 10:30 p. m. He was taken to Meadowbrook Hospital with a cut scalp and concussion. Albert Manselkie of 48 E. John St. was the driver of the car. The same night, Marie Leitch, 25, of 329 W. John St., was taken to Meadowbrook following a collision on W. John St. at Holman Blvd. She was the passenger in a car driven by Fred Bigham, while Harry Pollock of 12 Grape Lane was the operator of the other auto. Late Sunday afternoon, after dusk, Thomas Hyland Jr., 44, of Levittown, crashed his car into a Lighting Co. pole at Jerusalem Ave. and Second St. near the public library. He was taken to Meadowbrook suffering possible fractures of both legs. His car was demolished.

## Start New Bus Route, Other Late Reports

Hempstead Bus is scheduled to start service from Hicksville RR station to Hempstead Ave. (Dutch Lane) and Stewart Ave., East Meadow, tomorrow. Notices of the service refer to it as a "Hicksville West Levittown" route... GEORGE CLARKSON, 32, of Sycamore Ave., Bethpage, crushed his left hand in an open door of his car while backing out of the garage, Saturday. He was treated at Meadowbrook where a finger was amputated... HARRY DAWSON, 24, of 4 Frederick Pl., Hicksville, was overcome by illuminating gas from a stove in his home on Nov. 7. He was treated at Meadowbrook and then released.

CHRISTMAS CLUB checks are in the mail this week for 4,046 club members in the mid-Island section representing \$831,000 for holiday spending. Last year the total for the Hicksville banks was \$298,000 with 3,003 club members. Above William E. Koutsensky, cashier of the Long Island National Bank, and Gertrude Proctor, assistant cashier; display some of the 2,840 checks being mailed to members of the National Bank's club, representing \$201,000. They are standing in front of a bank lobby display advertising the 1951 club now in formation. The Bank of Hicksville has mailed \$120,000 to 1,400 Christmas Club members, Cashier Charles Colthurst announced. (Herald photo by HENRY.)

## Westbury Girl Becomes Bride of Victor DiMattia

Miss Agnes Long, daughter of Mr. and Mrs. Harry Long of 7 Fifth St., Westbury, became the bride of Victor DiMattia, son of Mr. and Mrs. Joseph DiMattia of Lottie Ave., Hicksville, on Oct. 29 at St. Bridget's R. C. Church, Westbury.

The bride wore a gown of white satin fashioned with a seed pearl trimmed sweetheart neckline, long sleeves, fitted bodice and a full skirt with a sweeping train. Her fingertip veil fell from a crown of orange blossoms. She carried white roses.

Miss Margaret Long, sister of the bride, was the maid of honor. She wore a gown of claret red velvet in a draped effect trimmed with a pale shade of feathers. She carried chrysanthemums in a similar shade to the feathers.

The bridesmaids were Miss Dorothy Long, sister of the bride, and Miss Rita Dwyer of Westbury. They wore green velvet gowns and deep green velvet hats in a draped effect trimmed with a pale shade of feathers. They carried bronze chrysanthemums.

Harry J. Long, Jr., brother of the bride, was the best man. Neafie Buck of Hicksville and Fred Sterbens of Bellare were the ushers.

A reception for 120 guests was held at Wheatley Hills, Westbury. After a honeymoon to Washington, D. C., and Virginia, the newlyweds will temporarily reside on Lottie Ave., Hicksville.

MR. AND MRS. JACOB SCHEINER are residing on Jerusalem Ave., Hicksville, following their marriage on Oct. 29 at St. Ignatius Church. The bride is the former Miss Marilyn Hoffmann, daughter of Mr. and Mrs. A. Hoffmann of 230 Broadway, Hicksville. The groom is the son of Mr. and Mrs. Jacob Scheiner, Sr. of Locust Ave., Bethpage. (Trimborn Photo)

Also Mr. and Mrs. Fred Cliff of Franklin Square, Capt. and Mrs. William Munch and children, Marie, Ann and Billy, of North Merrick; Lieut. and Mrs. Frank Munch and children, Paul and John, of Levittown.

## Dear Jean...

Bethpage Commissioners at a special meeting this week placed an order for a 500 gpm Ward La France pumper with high pressure fog equipment. Voters had appropriated \$15,000 for the vehicle. Delivery is expected in 3 or 4 months. Nassau's county tax rate will increase to \$1.20 next year after holding at \$1.05 for 7 years.

The proposed incorporation of a section of Melville as the village of Sweet Hollow will be submitted to a referendum on Saturday, Nov. 25 in Melville Public School. At a recent meeting of tavern owners in Hicksville, Jericho, Bethpage, Syosset, held at PETSKI's, it was voted to go along with the county tavern keepers on whether the price of a glass of beer shall be increased. County Hotel and Restaurant Owners Association has since voted to lift the charge to 15 cents the result of another in a series of price hikes on the barrel price. St. Ignatius School as of Oct. 1949 had the 7th largest parochial enrollment in Nassau, a total of 899 with 356 boys and 343 girls. Today it is over 900. A 21-year lease of the Huntington Hotel at \$1000 a month, has been approved by stockholders. Oppenheim Collins will open a brunch store there. Sixty-room hotel was erected in 1928. Mr. and Mrs. ROBERT ULMER of 15 Railroad Ave., Hicksville, were guests of honor at the first past commander's dinner of the Amvets in Hempstead recently. Post is named in honor of their son, who was killed in action in World War II. Day after Town Board enacted ordinance to "control" farmer markets, three markets in township published bigger advertisements in daily papers that ever before. Permit given by Town Board to LEVITT & SONS for some change to permit shopping centre and recreation centre on Levittown Parkway near Beach Lane (south of Old Country Rd.), describes the property as "premises situate at Hicksville, N. Y." and makes no reference to Levittown. Incidentally, permit for shopping centre zone changes stipulates that parking areas there are to be dedicated to the Township; further, that job must be finished within nine months of permission granted July 6th, which gives them until next April. HENRY G. EISEMANN of Hicksville, now out of a cast with his fractured shoulder mended, has been named a member of the county Civil Defense transportation division.

A program of supervised activities for the teen-agers of Jericho is underway this week and a staff of officers to direct the group is scheduled to be elected tonight. The question of where does Hicksville start and Levittown end came into the discussion meeting at the high school, Monday night, as might be expected. Board President BRENGEL, at the beginning side-tracked such a question by stating "we are not interested in Levittown. This is a Hicksville matter in Hicksville District. Levittown is another district." But a little later, FREDERICK TILNEY, the financial advisor engaged by the board, meased it up. Asked by a woman, "where is Levittown," he proceeded to explain the various school districts in the area. He continued that Hicksville "village" is Union Free School Dist. No. 17, Town of Oyster Bay. Asked a further question by a Mr. Levitt (no relation), "then the Levitt homes in School Dist. 17 are not really in Hicksville?" TILNEY covered himself with glory by replying "Yes, that's right." A little later he asked "What organizations do you have in Levittown?" when he obviously meant Hicksville.

EDWARD LATES of Lee Ave., Hicksville, went to Baltimore, Saturday, to open a branch there of the Delay Collection Service. The builders of Levittown Centre on Hempstead Tpke are starting work on a 50-family garden type apartment on Division Ave., north of the Tpke. Nassau, according to the 1950 census, had a growth of 63.7 per cent in the past decade compared with an Island-wide growth of 35.1 per cent and state wide gain of 9.4 per cent. Ask JIMMIE LEBKEUCHER to show you his match trick at the next social function. The old school blackboard is a thing of the past, we learned Monday night. Modern schools have boards for chalk work in green glass or green plastic. At least six people came in Monday morning to report a mess of blood on the sidewalk in front of BEATTY'S. I told you recently about the two Lee Aves. off South Broadway. The one opposite Meta's, where some 60 houses are to be built by the developer of Duffy Park, was changed to SOMERSET AVE. by resolution of the Town Board dated Aug. 2, 1949. I am reminded by ELERY BEAN, who did much work on eliminating "duplicated street names hereabouts" as a Civic Assoc. project.

# DeFanis Seeks Re-election at Bethpage

BETHPAGE — William DeFanis, 10-year member of the Board of Fire Commissioners here, today announced his candidacy for re-election. He announced himself on Dec. 5, and asked the support of the community. He said he is a candidate based upon his record.

He has been a resident of Bethpage for 27 years, a fireman 16 years, fire warden 16 years, member of the Board of Fire Commissioners for 10 years, including five years as its chairman.

For many years he has been a member of Kiwanis and is former president of the Hicksville Kiwanis before a club was organized here.

"I am very interested in the

work of the fire department and would like to continue as a commissioner. The entire incumbent board has signed my petition for candidacy. I believe the record justifies my being re-elected to this office. # Few Can Take Off Day for Hearings

By FRED J. NOETH

THERE WAS A TIME, not more than a couple of years ago, when the Town of Oyster Bay had less than six or eight applications for change of zoning within the township in a period of 12 months. Today, we find as many as six or eight applications before the board in a single month and most of the applications concern property and problems in the fast growing section in and around Hicksville.

FRED J. NOETH

The laws of our state have been written to protect the interests of the public and for that reason, in connection with zoning change applications, provision is made that public hearings be held upon such requests. Further provision is made for the notification of the public, by legal advertisement, of scheduled hearings.

The same provisions — public hearing and legal notice—are provided in the case of enactment of special local laws and ordinances.

For as long as we have been a newspaper editor in this community—a span of over 16 years — such hearings have taken place on weekday mornings and the vast majority of them take place at the seat of town government in the village of Oyster Bay on the north shore.

Some months ago we advocated that the Town Hall be moved to Hicksville, a point more nearly in the centre of the township. At that time we commented that the growth of the Township would soon require an enlargement of the Town Hall. Today the town hall at Oyster Bay is being enlarged to provide space for township departments which have grown to take care of multiplying problems, most of them around Hicksville. It is safe to assume that the Town Hall is not going to be moved to Hicksville at this time.

However, it does seem appropriate that public hearings before the Town Board be held in the evenings and wherever possible in the community directly affected by the proposals under consideration.

For example, six public hearings upon changes of zones and ordinances are scheduled to take place at 10 o'clock Tuesday morning, Nov. 21, at Oyster Bay Town Hall. Five of the proposals concern property in Hicksville and one is in Bethpage. Any interested property owner who wants to attend the hearings scheduled must be able to take a morning off from work and somehow manage to get over to Oyster Bay, a good 20-minute auto trip or a longer jaunt if you try to get there by public conveyance such as a train (via Mineola).

In addition, the hearing upon the proposed extension of Hicksville Garbage to the township line on the south, already twice adjourned, is scheduled for the same morning. This question is of vital interest to

than 7,000 persons who have recently become residents of this community.

The notices of proposed changes are given in legal form, but you need a background in surveying to determine just what is involved. For example, Gil Construction Corp. (no business address given) wants to have some property on the west side of Kuhl Ave., rezoned from Residential C to Residential D. There follows a long rigmarole about distance in feet (carried out to decimal points) and angles in degrees, minutes and seconds with reference to a map made Nov. 30, 1891. Of course, no well-equipped home is without its copy of an 1891 map of a particular development.

In addition to the detailed surveying description of property involved it would seem more than appropriate that a small scale map of the section be published in the public notice. Many incorporated villages do this in their legal advertisements of zone changes, and since we understand the cost of publishing the notice is borne by the applicant there would be no additional cost to the taxpayers if the applicant was required to have a cut made and included with the notice.

Further, we are greatly disturbed because many notices of widespread general interest in this section are published in newspapers with little or no general circulation in this community. The seven hearings next Tuesday are, for example, advertised in a paper with less than 25 per cent of the local circulation of the Herald. Occasionally, notices of local interest have appeared in such remote areas as Oyster Bay and Seaford.

The Herald has attempted to keep track of all proposals of local interest, whether they are published in this newspaper as legal advertisements or not. But we must confess that the legal descriptions of properties, as stated from time to time, are baffling. In addition, our write-ups on such proposed hearings appear after they have been "made public" in some other periodical and as a result many people get their first notification of a proposition within a matter of hours of the hearing scheduled.

Of late the town board has found it convenient to make up extra typewritten copies of proposed hearing notices and tack them to telephone poles. However, we believe the public would rather sit back in the comfort of a living room and study a proposed notice at leisure than stand knee-deep in snow or weeds and ponder six or eight page closely typed notice fluttering from an isolated telephone pole.

The Zoning Appeals Board for many years has held its hearings on the first and third Thursday nights of each month. Why not the town board, which has before it matters of even greater weight, generally speaking?? And why not hold Town Board hearings in Hicksville, which is more readily accessible to the people of other sections of the township such as Massapequa, since Hicksville is at the near-geographic centre of the township?

# Newest Residents Ask Next School

(continued from page 1)

tax rate, Harry Ernenwein, member of the school board, interrupted to request that the speaker "clear up this 70 cent tax rate" else those present get the impression that the rate for all educational services would be only 70 cents per \$100 of assessment.

Tilney said he had projected the present total district assessment of \$20 million to \$36 million by May 1951.

He exhibited a map of the school district marked into 16 segments with school sites indicated with letters from "A" to "F." A chart showed that the district has 106 1/2 acres, now acquired, for present and future school sites.

The discussion about the next school to be offered the voters, after the Lee Ave. building, was prolonged. An unnamed gentleman from the vicinity of Levittown parkway, south of Old Country Rd. said he had gotten a letter from William Levitt that day apparently regarding the school situation but did not disclose the

substance of the letter. He asked if a petition to the Board would speed the project for his neighborhood.

Lawrence C. McCaffrey, board member, replied "I don't care if 2,000 people sign a petition. We must consider what is best for the entire district." Mrs. Edna Kuhne Sutton, another board member, stressed "as a board we have a duty to the entire district" and can't just focus attention upon one little section.

Henry C. Brengel, board president, opened the meeting. He introduced George Johnson, of the architectural firm of Knappe and Johnson, who explained in detail the features of the Lee Ave. building.

It developed during the meeting that the building will not front on Lee Ave but will be located on the far west end of the 10-acre tract with its main entrance probably from Jerusalem Ave. off Sixth St.

# Collect Paper for Salvage Dec. 3; Proceeds to Finance CD Program

HICKSVILLE—All residents of Hicksville and Plainview fire districts were urged today to save their old newspapers, cardboard and coarse ragging materials such as carpeting and bags, for a salvage collection on Sunday morning, Dec. 3. Proceeds from the salvage drive will finance the Civil Defense program in the community, according to Director Frank Sutter.

Michael J. Sullivan of 29 W. Marie St. is salvage chairman of the CD unit, and he is appealing to residents to save paper and ragging for the collections, which are scheduled for the first Sunday morning of each month, starting in December.

There is also a need for volunteer assistants with trucks, drivers and collectors. All interested in assisting are invited to contact Sullivan or may call Hicksville 3-1400.

"Salvage during World War II financed the CD program in our community without the need for local fund drives," Sutter said today, "and we hope to repeat that plan at this time. We need funds for equipment of the CD corps."

The collection will start at 8 o'clock on Sunday morning, Dec. 3. It is suggested that tied bundles of paper and rags be placed on the curb in advance of that time.

### Need Volunteers

There is a need for volunteers for all branches of the CD organization, Sutter added. The local corps has set up its own fingerprinting unit and the system was first utilized Thursday night at a meeting of Fire Co. No. 1 at the firehouse. Monday night, members of Wm. M. Gouse Jr. VFW Post were scheduled to get fingerprinted and enrolled in the CD and Fire Co. No. 2 members were fingerprinted last night (Tuesday).

Members of the Plainview Fire Co. were enrolled and fingerprinted, with the assistance of the County Sheriff's office, earlier this month. Members of Hicksville Co. Nos. 4 and 5 have enrolled and been photographed, and will be fingerprinted later.

Volunteers may enroll at the Herald office, 162 Broadway, any day during business hours or at the high school adult education office on Monday, Tuesday or Wednesday evenings. Men and women are needed for air raid wardens and auxiliary police in particular.

A Thanksgiving basket will be awarded at the annual card party sponsored by the Hicksville Fire Auxiliary to be held this Friday night, Nov. 17, at the firehouse at 8:30 p. m.

## China Missionary Is Society Speaker

The annual Thanks Offering Service of the Women's Missionary Society of St. Stephen's Lutheran Church, Hicksville, will be held Sunday at the church, 270 Broadway, at 10:45 a. m. Mrs. Charles Reinbrecht who recently returned from China will be the guest speaker.

Mrs. Reinbrecht and her husband, with their three children have spent over 20 years in China. Rev. Reinbrecht remained in China when his wife and children returned to America several months ago.

Soon after Pearl Harbor, the Rev. and Mrs. Reinbrecht and two teen-age daughters were taken by the Japanese to an internment camp. Their son was then attending college in America. After three years they returned to their former home and later to America for furlough. After a year in the States they returned to China. Not long after their arrival there, Communists were creeping close to their home and church and so American families were evacuated.

Each year a Sunday in November is set aside for a special Thanks Offering service. The Missionary Society members keep an offering box and as each offering is placed into the box, a prayer is said in keeping with the motto of the Thanks Offering — "A daily gift, with a daily prayer, that all the world, our Christ may share."

Mr. and Mrs. W. H. Woodley and daughter, Yola, of 168 Cottage Blvd., Hicksville, have returned home after a few days with Mrs. Woodley's mother, Mrs. Sandra Robbins of the Bronx.

MR. AND MRS. LESTER HOPKINS leave the Church of the Advent, Westbury, following their marriage on Oct. 7. The bride is the former Miss Jean Mary Daughy, daughter of Mr. and Mrs. John Daughy of Jericho. The groom is the son of Mr. and Mrs. Lester Hopkins of Coram, L. I. They are now living in Coram, L. I. (Weiser Photo).

## Now you Know!

The answers to everyday insurance problems

By JOSEPH E. DOCKOW

**QUESTION:** I sometimes lend my car to my sister who is an adult and licensed to drive. A friend tells me that if she should have an accident I would be responsible as the owner of the car and that my liability had property damage insurance would not protect me. It seems to me I am protected but I'm not sure and I would appreciate it if you would clear this up for me.

**ANSWER:** Your liability and property damage policy covers you and any other legally responsible person who has your permission to drive the car. So long as you personally lend the car to your sister you are fully protected in any possible resulting accident.

NEWS AND HIGHLIGHTS OF  
 William M. Gouse Jr. VFW Post 3211  
 GRAND AVENUE, HICKSVILLE  
 Meetings: 2nd and 4th Monday of each month.

I hesitate to write what I personally think should be done with these American Communists, but I can say that the Veterans of Foreign Wars is seeking to have the Communist Party outlawed in the United States. Certainly we need to take bold, drastic action to free our country of this menacing threat.

This problem is one of deep concern to the one million two hundred thousand members of the VFW. These men were our "ambassadors" abroad in time of war. They have an important stake in our foreign policy. They prefer to be "architects" of peace—at home—rather than face another war here or on foreign battlegrounds.

All of us recognize Communism as the greatest menace of modern times. Its godless philosophies and despotic political theories are far more dangerous than the totalitarian forces which the free peoples of the world met and conquered during the first half of the century. The sacrifices we made in lives, money and human misery during the past fifty years, will become a mere mockery unless we meet this more dreadful challenge which has been forced upon us by a small group of ruthless tyrants.

The members of the VFW cannot believe that our government has adopted as our official foreign policy the impractical, hopeful theory recently expressed by Secretary of State Dean Acheson regarding the future—China under Communist domination. The Secretary said in effect: "The United States hopes that Mao Tse-tun (Mao O-Say-Tung), Communist leader in China, will prove to be another Tito who will act independently of the Kremlin in Moscow. In the event, he proves to be a puppet of the Politburo, then the United States will adopt a policy of hoping that the Chinese people will eventually overthrow this foreign-controlled leader and his Communist forces."

This policy of wishful thinking is completely inconsistent with the clearly defined relations program expressed by the Marshall Plan and the North Atlantic Pact. In fact, such an unfeasible, visionary approach to a very real problem has the effect of nullifying the unselfish sacrifices which our citizens have made in sustaining our anti-Communist policies in Europe.

The Veterans of Foreign Wars recognizes the fact that our foreign policy is formulated by the President and administered by the Department of State. It is a fundamentally accepted fact, of course, that the Armed Forces of the United States do not formulate foreign policy. They merely carry out the policies adopted by the civilian leaders of our government. None the less, we believe that full recognition and careful consideration should be given to the recommendations of our Armed Forces.

The members of the VFW are determined that the sacrifices of hundreds of thousands of their comrades in World War II shall not be voided by our failure to resist the godless tyranny of Communism. Above all, we are resolved to bequeath to our children the blessed heritage of freedom and opportunity which we have enjoyed because of the unselfish sacrifices of every generation of Americans.

We know that "God grants liberty only to those who love it, and we are always ready to guard and defend it" We pray that with His help in the history of the United States as the greatest democracy the world has ever known, which began with the American Revolution of 1776, will not end with the Communist revolution of the Twentieth Century.

By the looks of all the stores, Christmas is just around the corner. Last year quite a few people decorated the outside of their houses. It really made Hicksville Park look real festive, and I do hope more people will enter into the spirit of the thing this year.

I notice quite a few people have moved into Duffy Park since I've been gone. Seems like just awhile ago that was a farm.

The Friendly Circle Club had their meeting at Ann Dieterich's home at 45 McAlester Ave. last Wednesday evening. The refreshments were delicious and if the girls keep eating like they did, everyone will have to go on a diet. I hear this club is planning to go to the Christmas show in Radio City on December 16 so all the Daddys will be Baby Sitting on that day.

Guess that's all for this week. Let's have some news. Just call Hicksville 3-2437W. Bye now.

## 14th Mercy Ball Takes Place Friday

A novelty will be introduced at the 14th Mercy Ball, to be held at the Garden City Hotel this Friday, Nov. 17, when George Joseph Maresco, a 15-year-old Junior of Chaminade High School of Mineola, renders the "Star Spangled Banner" at the conclusion of the Grand March, signaling the commencement of this annual charitable social event of Nassau County. The proceeds are for the benefit of Mercy Hospital at Rockville Centre.

At a meeting at the home of Supreme Court Justice Thomas J. Cuff, here, Walter J. Black, publisher of this year's Ball, said of this innovation: "When that boy starts before the orchestra of Vincent Lopez to sing our National Anthem, shades of Anna Case, George M. Cohan, Morton Downey, Eddie Dowling, Joan Roberts (Mrs. John Donlon), the late Governor Alfred E. and the late Mrs. Smith, Alice E. Gillen, Sue Camp-

bell, Kathryn Rauch, Guy Lombardo — entertainers at the Mercy Balls of other years — will cast their shadows on the brilliant array of formally attired guests — about 1,000 in number — who will attend this old-fashioned formal Ball, which has earned a place in the past 13 years as one of Nassau County's leading social events."

Justice Cuff, who is President of the Friends of Mercy Hospital, pointed out that the receipts of each successive Mercy Ball have exceeded the receipts of the one immediately preceding, resulting in a pyramid which started at \$5,000 in 1936 and reached \$30,000 in 1949, as annual contributions to Mercy Hospital, making a total of \$144,000 to date raised by these affairs.

Timothy Heenan, of Hempstead, chairman of the floor committee, said that the Grand March, which will take place in the Georgian Room, will start at 10:30.

## Cake Sale Proceeds To Buy Literature

Proceeds from a cake sale to be held this Tuesday, Nov. 21, by the Hicksville Catholic Daughters will be used to help distribute literature on the message of Fatima. The sale will be held in the old Parochial School on Broadway from 8:30 a. m. to 4:30 p. m. Mrs.

Charles Montana and Mrs. Otto Rettberg are co-chairmen. There will be home made cakes and Thanksgiving pies of mince meat and pumpkin.

The Catholic Daughters plan to purchase copies of the pamphlet, "Our Lady of Fatima's Peace Plan from Heaven" and to distribute them to parishioners. Mrs. Montana explained that the peace plan from Heaven was given by the Mother of God in 1917 in which she said men must turn away from sin, cease offending her Divine Son, already too grievously offended; consecrate themselves to her Immaculate Heart; recite her Rosary daily and make a Communion of reparation of the first Saturday of five consecutive months.

### HICKSVILLE GABLES:

## Our Section Observes 2nd Anniversary

This marks the birth of a new column, and as with all births, there are some pains. In order for this column to be a success, we hope all will cooperate and phone us all about your "doings" - big and small. Gables have just passed their second birthday and, believe me, much progress has been made. All residents had to surmount many obstacles and battle many odds. There were cracks in outside walls, mud, cracks in attics, mud, cracks in cellars, mud, sunken back yards, mud, lakes that stayed long enough to inspire some owners to contemplate growing their own rice paddys, mud, no street lights, mud, no walks, mud, streets with holes you could lose a car in and the inevitable mud - in some places six feet high mounds - I know. Out of it all has come a delightful community through hard work, neighborliness, a well filled paint brush, shovels, rakes and lawn mowers and cement mixers.

Speaking of cement, congratulations to Bill Allen of Terrace Pl. on the fine job you've done building a garage and strips leading to it. Want to take on a side line, Bill?

The Frank Grammas of South Elm St. had as their week-end guests the Pinkertons of New York City and Hicksville. We're sorry to hear the "Pinkys" have decided to stay in Manhattan for a year and rent their home. Hurry back.

South Elm St. is finally catching up with Gable Drive and Road in face lifting.

the Victory Celebration gathering. President Ernest Francke was most effective and sparked everyone present with his good spirits. And - we don't mean the kind dispensed in package stores. Plans were discussed to enliven future meetings with short talks on what makes Hicksville tick, in its various branches and governments alternately with a home grown entertainment.

Thoughts while ironing - Wonder when they'll put a light on South Elm St. and Old Country Rd. . . . Wonder if Gables would go for contributions to decorate street lights for Christmas . . . Wonder if I'll ever get my nice red garbage pail cover back from Halloween pranksters?

All suggestions, personal notices, announcements of parties, engagements, weddings, births, or just plain get-togethers, welcome at Hicksville 3-2328J.

**BUILD DECORATE and INSULATE** (that attic room) **ALL AT ONE TIME.**

Why worry and wait for hard to get materials - so that you can finish off your attic rooms. We have beautiful wallboard and plank in a variety of colors and sizes, with high insulating values, too. Just think - these fibre board planks and panels nail them up. They come in beautiful blends of soft tones, and solid colors, and are put up with no nails showing. In a jiffy you are ready to move in. It saves loads of time - because there's no painting or wallpapering to do - see?

There's no use waiting, come on over to-day and look around. You'll see many items of usefulness in building that extra room - like unpainted furniture - cornices and gadgets of all kinds to make your home life a happy one. Then too, if you can't get the time to do all this, see your Uncle Tom, and arrange for a 30 month F.I.A. modernization loan. It's only a few bucks a month. You don't even feel the pain this way. ### 3 Hicksville Boys Go to State Meet

BETHPAGE — Lou Millevolt's cross country team finished tenth

### PBC Court Loops Underway Tonight

The Senior and Intermediate Basketball Leagues of the Police Boys Club got underway in the Second Precinct this week. Bethpage comes to Hicksville to open the senior league tonight (Wednesday) with Syosset going to Oyster Bay tomorrow night.

Games next week include Hicksville at Syosset on Monday and Farmingdale at Oyster Bay, Nov. 23.

In the intermediate loop, Bethpage comes to Hicksville Cards tonight (Wednesday) and Syosset goes to Oyster Bay tomorrow night. Hicksville Aces went to Farmingdale to open the 13-week series last night.

in a field of 24 teams, here, in the Sectional championships, Saturday, with three Hicksville runners, Mario Bianco, Billy Patton and Harry O'Mack, earning berths on the Nassau-Suffolk Class A all-star team that will compete in the New York State Meet at Schenectady, Saturday.

Hicksville's placing of three on the seven-man all-star squad was a major surprise of the meet as was Bianco's second place finish in the individual title test.

The 15-year-old, six foot, one inch Comet covered the two and a half miles in 12:34. He trailed the winning Gerry Malloy of Roslyn High who won by just five seconds.

Neither Malloy or Bianco were figured to cop the top honor in pre-meet calculations. The experts had tabbed members of Riverhead,

Mepham, Southampton or Sewanhaka for that role.

Patton wound up 12th and O'Mack came in 14th.

The other Hicksville harriers, Chisholm Reeburn and Raul Silva, were 63rd and 123rd in the 198-man race.

Hicksville was the only school to place more than one representative on the Class A team for the Schenectady run. Roslyn, Bay Shore, Hempstead and Mepham boys rounded out the other berths on the team.

Sewanhaka won the Class A Sectional title and sends all its members upstate in a bid for the State team title while the all-star squad will strive to bring the Sectional State championship back to Long Island.

# HHS Beats Mineola In Last 34 Seconds

By HOWARD FINNEGAN

## Out of Their Class?

If you are a stickler for perfection of any sort you would have to be amoyed with the outcome of the Field Club-Glen Cove game, but if you saw it you have to admit that you sat in on something.

It was a game fully worth the price of admission. There is little doubt that both clubs do not measure up to past editions of their respective outfits, but the game was savagely fought and provided plenty of action. The return game is scheduled at Hicksville, Dec. 10.

Presently, however, the Black and White is concerning itself with the game carded for Valley Stream this Sunday with the reportedly awesome Long Island Bears.

The Bears are the club that received considerable publicity in the county press early in the season, and particular care was made to put over the fact that the Bears did not consider themselves a semi-pro club and did not wish to be classified with Glen Cove and Hicksville.

They did not want to play the two outstanding Sunday football clubs of Nassau, but after knocking off some rather questionable talent from the Metropolitan area, they decided that they would lower their standards and engage Hicksville and Glen Cove.

The local drawing power of the two is advanced by many as the reason for this move.

The Bears are regarded as really tough and that much must be admitted. That Hicksville or the Covers are stepping way out of their class remains to be seen.

Contests of this sort have always brought out the sharpest of local pride and its transmission to the gridiron has always been worth watching.

We expect to see an exciting game and if it is half as interesting as last Sunday's we will have nothing too complain about.

## Rate Kiwanis Stronger Than Last Season

The early season line has the Hicksville Kiwanis basketball team rated stronger than it was last season, when it was a medium power in the Nassau Amateur League.

Coach Frank Ruggiero has already held one practice at the high school and has an impressive roster to start off with. Billy Byrnes, Bill Bordiuk, Ray Halletan, Ray Ficher, Ed Coleman, Don Lang and Will Erb are slated to wear the Royal Blue this mampaign, as well as Chet Jaworski.

Arrangements are now being made for pro-league exhibition games and the season will be launched in early December.

**HICKSVILLE**—Right end Ted Schwarting cut diagonally across the gridiron, here, late Saturday afternoon, to gather in a 86-yard pass from quarterback Ernie Evaschuck and sprinted on the same angle the last 18 yards to the end zone for the touchdown that enabled the Comets to defeat Mineola, 7-6, in the season finale.

On a wide end sweep halfback Dick Scott just made it to the corner of the end zone for the winning point.

There were only 34 seconds left in the game as the overjoyed Comets, rated the underdogs in most books, ran downfield for the kick-off. It was over three plays later with Hicksville in possession on the Mineola 30, thanks to a pass interception by Elias Stetz, who was defensively brilliant all day.

### Fumbles

For the less than 500 fans who saw the Comets wind up the season with a fine record of 5 wins and 2 losses it was a thrilling and justified finish.

The winners had much the better offense during the game but continually put themselves in a hole by fumbling. It was a fourth quarter bobble picked up by Mineola tackle Jim Miller that led to the visitors score.

Mineola took over on the Hicksville 30 after a 15-yard run by Miller. A pass gained ten yards and Billy Going ran 11 yards off tackle to the two. Those were the only two first downs Mineola recorded during the game.

On second down Going crashed over for the touchdown that put Mineola ahead 6-0 but the center of the Hicksville line smeared Bob McDonald's attempted placement for the extra point.

### Strike Through Air

With four minutes left in the game Hicksville took consistently to the air. Elias Stetz passed 13 yards to Schwarting and then came back to hit with a 15-yard completion to Ray Guckenberger. He was then smacked for an 18-yard loss when he couldn't get the pass off.

Chet Jaworski's lads then sent three men on a wide flanker to the left. Stetz took the ball from under center and fired a lateral to Evaschuck on the flanker while

## Glen Cove AA Edges Hicksville Club 8-6

**GLEN COVE**—Two bad passes from center deprived the Hicksville Field Club of its long sought desire to win here in City Stadium Sunday. Ziggy Nedwick's AA cashed both breaks in for an 8-6 victory in a wild and rough battle that was a throwback to the happier days of semi-pro football.

A most amazing catch by end Herman Rigby scored Hicksville's touchdown early in the third period and all but sparked the Black and White to victory. Rigby took a 30-yard pass from Ed Stetz out from under the noses of two Glen Cove defenders that were sprawled all over him.

### 8-0 Lead

At that time Hicksville was trailing the Covers, 8-0. In the second period a low pass from center buried Hicksville on its own 20 and another one enabled Fred Fowler to block a fourth down kick.

Schwarting was steaming across from the opposite end.

The play opened beautifully and completely fooled the Mineola secondary. Schwarting reached high for the ball and romped to victory.

Phil Rocca squirmed the last seven yards for the score and George Fowler missed the extra point.

While displaying a superiority in the line Hicksville couldn't unsmear itself in the first half. A completed pass to Billy Gartinio put Hicksville on the Cover ten but Sid Rigby was detected pushing on the play, a point that was bitterly protested, and the Black lost a golden chance.

Just before the half, after Hicksville was penalized 15-yards for running with what apparently was a blocked fourth down kick, another bad pass from center rolled into the Hicksville end zone where Tom Schaller was tackled for a safety.

### Rash Play

After the Hicksville score the visitors passing attack started to jell but rash choice of plays didn't allow the Black to put much pressure on the Covers.

Twice in the third period Hicksville elected not to kick with fourth down and yardage at the mid-field stripe and found itself at a disadvantage when Glen Cove answered with two punts that pushed the losers deep inside their ten.

With two minutes left Al Petry caught a 25-yard Stetz pass on the Glen Cove 15 but Fowler intercepted a third down pass in the end zone and raced 60-yards up field to save the day for the Covers.
