With this issue the HERALD begins its 3rd year of publication, thanks to the wonderful and continuous cooperation of its advertisers and readers. The HERALD is your hometown newspaper, written and produced by local people interested in the future and welfare of our community. As we stated in our first issue, "A community can exist without a newspaper, but stronger community spirit and understanding can be built if there is a well-read local medium for news, information and expression. Civics Seek Hearing: School Board Explains Request For \$441,659; Registration Saturday

HICKSVILLE—The Board of Education this week made a frank appeal for support of two special propositions on Jan. 23 with the distribution of a printed report entitled "Your School Needs . . . in view of increased enrollment and rising costs." Registration of voters who have not previously enrolled for regular and special meetings of the district since last April will take place this Saturday, Jan. 13, at Nichols School.

In the absence of an official announcement from the School Board, the Civic Association this week addressed a request to the School Board asking that a public hearing on the two questions be scheduled prior to the vote. The vote is set for Tuesday, Jan. 23, between 4 and 10 p. m. at the high school. The Civics, according to President Stanley Mruz, hope a hearing will be arranged for a prior evening.

One proposition calls for approval to raise \$207,000 more for the East St. School addition for which \$400,000 was approved on Aug. 16. The Korean hostilities and inflation has boosted the cost of construction 50 per cent, than the original estimate. If the Board can see no way of reducing the cost, except by elimination of urgently needed classroom units.

The second proposition asks for \$184,659.50 more needed to finish out the current school year. A deficiency budget prepared by the Board allows \$96,400 for instructional services (teacher salaries). An additional \$35,000 for transportation (in addition to previous ap-

Levitt Homeowners in Hicksville Protest Zone Change in Back Yards

HICKSVILLE—Residents of new Levitt homes are strongly protesting—with legal action contemplated—the decision of Oyster Bay Town Board in creating an enlarged business zone which will directly abut the rear yards of their homes.

Residents of the area, particularly on the east end of Walnut Lane and surrounding streets, claim that protests filed by them have been disregarded by the Town Board in legalizing, by resolution, a bond filed ten days late by the applicant for the change in zoning.

A “Thank You” to our Clients FOR YOUR PATIENCE

Every day since the big storm of Saturday, November 25th, 1950, we've become more and more appreciative of the helpful cooperation of all of you who suffered property damage.

You have read, perhaps, that this particular storm created a greater number of insurance claims, THAN ANY OTHER SINGLE CATASTROPHE IN INSURANCE HISTORY.

As of January 8th, 1951, our office had paid out over \$150,000 in settlements to policyholders. But even working full time and overtime, there are still hundreds of claims we just haven't yet been able to process.

To you who are still waiting go our warmest thanks for your patience and understanding in this difficult situation. To you also goes our assurance that everything humanly possible is being done and will continue to be done to keep delay to a minimum.

The companies represented by this office have given us for your benefit broad powers of adjustment and their full and loyal support and assistance, for which we are most grateful.

Are You Covered?

You will be glad to know that after the severe storms of 1938 and 1944 had struck this part of the country, we recommended that EXTENDED COVERAGE be added to all of our fire policies. Consequently, when this latest storm hit, over ninety nine per cent of our POLICYHOLDERS WERE PROTECTED AND WITHOUT ANY DEDUCTIBLE CLAUSE.

Our office staff has been doing a tremendous job and doing it well. With no thought of personal inconvenience, they have been working long and hard to pay losses as quickly and efficiently as possible. You can count on their unceasing efforts. But there is still much to do—so please continue to be as patient as you can.

Meanwhile, if you have any questions you'd like to ask about your own policy or coverage, please get in touch with us. If we can't process all claims at once . . . but we'll do whatever else we can to help you — IMMEDIATELY!

Collect More Paper Than In December

HICKSVILLE—Approximately eight tons of waste paper and rags were collected Sunday, during the second monthly collection by Hicksville-Plainview Civil Defense volunteers. Collections are held the first Sunday of each month, starting at 8 a.m.

Results Sunday were almost double the December drive, chairman Michael Sullivan said yesterday, thanking all who assisted and in particular the owners of trucks who loaned them for the collection.

Volunteers found, for the second time, that unauthorized private persons in some areas raced out to beat the official collectors. Proceeds of the drive are used to finance the local CD program.

Rigger Lane is an accountant and the mother of three children.

Joseph Gehling of 9 Bryant St., Bethpage, is a retired New York City policeman and the father of

LIU Opens Office on Jerusalem Ave.

HICKSVILLE—Registration in Long Island University's new branch here, which will be inaugurated on Jan. 22, will begin immediately, it has been announced by Harold E. Hammond, branch director. An office has been opened at 81 Jerusalem Ave., at corner of Nicholai St.

Featuring a comprehensive curriculum "designed to meet the needs of a mature community," this college unit, which will function tentatively as an evening school, will accept applications by mail at once for admission to the Schools of Arts and Sciences, Business Administration, and Graduate Studies.

Classes will be held in the Hicksville High School.

Long Island University's plan for the local unit is a novel one. The emphasis, according to Hammond, will be to "meet student needs as the student expresses them."

"If a sufficient number of students desire a course not on the curriculum," he said, "that course will be added."

The Long Island unit will offer three distinct evening programs. These are:

1) For the regularly matriculated student, a curriculum leading to the Bachelor of Science or Bachelor of Arts degree;

2) Courses of study on the graduate level;

3) Courses of study on a non-matriculated basis for all who are interested in self-improvement through formal education.

Entrance requirements for the matriculating student consist of 16 units of high school work with a satisfactory over-all average. Regular diplomas will be preferred, but general, technical, and commercial diplomas may be accepted. Equivalency diplomas will be acceptable if satisfactory scores have been made. The graduate student should have a Bachelor's degree from an approved college or university, with better than average record.

Speaker At Lions

There is no entrance requirement for the non-matriculating student, Hammond states. He will be a guest speaker tonight (Wednesday) at Hicksville Lions Club dinner meeting.

Any veteran desiring to use federal educational benefits at the Hicksville unit, may do so in accordance with the provisions of Public Laws Nos. 16 and 346 of the GI Bill of Rights. A certificate of eligibility must accompany the application form in lieu of payment from personal funds.

School Board

(Continued from page one) proportion this year), \$5,000 for textbooks, and other items. Copies of the budget and report are available at the high school office, Herald office, 162 Broadway. They have been sent home with all children attending school in the district.

Even if voters approve on Jan. 23, the report notes, East St. additions will not be completed before the second week in April of 1952 and weather conditions might extend this time somewhat.

Attendance in district schools today is double last year's enrollment.

Practical Uses For Old Christmas Tree

A dried-up Christmas tree — once the holidays are passed — has the air of a sorry old has-been. But you can still put your tree to good use if you cut off the branches and lay them over the flower beds. So says the housing and design department of the College of Home Economics at Cornell. The branches, so arranged, help to keep mulching in place until spring. Branches may also be used to shield broad-leaved evergreens and tender shrubs from the drying effects of winter winds and sun.

Refinish Wood At Home Bureau

Wood refinishing will be taught at Hicksville Home Bureau sessions Tuesday, Jan. 16 and 23 in the Trinity Lutheran Church basement on West Nicholai St. from 10 a. m. to 4 p. m. The first class was held yesterday (Tuesday). Materials needed are items to be refinished such as small end table, paint remover, two-inch brush, wonder paste, newspapers, wood alcohol, medium fine steel wool, putty knife, old rags, and members should wear old clothes.

A Penny Auction is planned for Jan. 30 at 1:30 p. m. in the church basement. The public is invited to attend. Articles will be donated by the members and auctioned for pennies.

Girl Scout Leaders To Train Here

A meeting of the Town Council of Hicksville Girl Scouts was held on Dec. 20 at St. Stephen's Lutheran Church, Broadway, Hicksville. Mrs. Gladys Carlson of Levittown was named program chairman and Mrs. Frank Day of 28 Spindle Rd., Hicksville, publicity chairman.

A leaders' training course to be given in Hicksville will start on Jan. 17, and upon each Wednesday thereafter for eight weeks. Place for the classes will be announced later. Mrs. Frank Smith at Hicksville 5-6988 M. is arranging the class and will take additional volunteer names. There are 14 now signed for the class which will be taught by Mrs. Roettiger. Any woman over 18 years of age who is interested in promoting Girl Scouting in Hicksville is invited to join the group.

It was announced that Girl Scout Troop 3 made plastic toys during the holidays for the small children at Farmingdale Sanatorium. Troop 3 held a holiday party on Dec. 18 at the Methodist Church.

Entertainment featured a holiday party for Troop 19 recently. Kathleen Gabriel performed a song and dance routine. Ruth Luhman sang "Rudolph the Red-Nosed Reindeer." Barbara Botto did a tap dance. Helen Penner played a piano selection. Carl Stein played the clarinet. Diana Eisemann and Barbara Botto played "Jingle Bells."

SERMON: From the King James version of the Bible: (Matthew 25:35-40). And when the King cometh, he will reward them that have done good, and blessed it, and brake it, and gave it to the disciples, and said, Take eat: this is my body. And he took bread, and gave thanks, and broke it, and gave it to them, saying, Drink ye all of it: For this is my blood of the new testament, which is shed for many. But I say unto you, I will not drink henceforth of this fruit of the vine, until that day when I drink it with you in my Father's kingdom."

Now You Know!

The answers to everyday insurance problems
By JOSEPH E. DOCKOW

QUESTION: If applying for a fire insurance policy on our home should we include the garage? We also have a small garden tool shed and would like to know whether it should be included.

ANSWER: If the garage is attached to the house, it should be included in the total amount of insurance on the main building. If the garage is separate from the home, it should be insured separately for its own value. This also applies to the tool shed.

Old Bethpage Notes

The "Friendly Community" expresses its wishes for a short convalescence to Bill Abrams who returned from the hospital shortly before Christmas.

For the past two years Old Bethpage has decorated its Community signs with huge Christmas wreaths. Christmas 1949 one of the wreaths was stolen before it had been up half a day—and then the sign of "Welcome" was knocked down and stolen too. The sign was replaced. This year, Christmas 1950, another wreath was stolen—however, the sign was left. The thief, whoever he may be, comes well equipped and seems to know just when the decorations are put up. The wreath had been up less than one day when it was discovered that someone had snipped the wires very neatly and had walked off with the wreath. The Old Bethpage Civic Association still had one wreath frame left and will try its luck again next year.

The Jan. 8 meeting of the Old Bethpage Civic Association at 8:30 at the Schoolhouse on Round Swamp Rd. was the annual meeting.

The Civic Association's Christmas party for all the children of the community was a great success. Over 35 children attended. Each child was given a comic book or toy and a bag of candy and cookies. The children played games, sang carols and entertained. Janet Genua did a very good tap dance, Frank Ehline sang Rudolph the Red Nosed Reindeer, and Tommy, Dick and Bobby Duffy entertained with a very lively puppet show.

Mr. and Mrs. A. Goldstein have just returned from a two-week vacation in Florida. Glad to see them back.

The annual Christmas party of the Old Bethpage Civic Association was attended this year by well over 40 residents. Mrs. S. Hepper played the piano for the carol singing. Mr. T. Duffy acted as master of ceremonies and introduced many hilarious games and stunts. Everyone had such a wonderful time that they are looking forward eagerly to another party, and hope they do not have to wait until Christmas 1951.

NEWS AND HIGHLIGHTS OF

William M. Gouse Jr. VFW Post 3211

GRAND AVENUE, HICKSVILLE

Meetings: 2nd and 4th Monday of each month.

Saturday, Jan. 20, is our dance, and I don't think one-quarter of our members know about it. I have spoken to a few guys who have missed the last couple of meetings, and they never even heard that we were going to hold one. How come, it is a VFW dance, isn't it? Each member should have received notification of the dance, to be held on the 20th—away back in December, when the suggestion was made at the meeting. You can't expect folks to sit idly by and then go to the 19th let them know that we are having a dance on the 20th, and expect each and every one of them to attend. People do have other things to do and other places to go.

The last dance was very poorly attended because it lacked proper publicity and the members as a whole were not notified. Just a chosen few. There were no posters, no articles in the papers, except what I included in my column.

I'm not blaming any one individual for this lack of interest and push, but certainly our Social Chairman should lead the way in order that it might be a huge success for all VFW members and not just a social evening for the chosen few.

I was very critical of the Post's activities in last week's column, and this, and I'll continue to do that way until things start shaping up. I've tried the soft-toned method for over a year, with negative results. Thus the change-over. If you don't like it—speak up.

How about some of you members who are all too willing and anxious to help our Post verbally, putting in an appearance at some of our meetings and give forth with your good advice? That's the spirit 3211 needs.

We have to shake from ourselves that attitude of "What's the use," and come down to earth. Then and only then will we be able to carry on in true VFW spirit.

NORTH WEST NOTES:

Wonderful Christmas In Own Homes

Now that the holidays are over, ship on the Bar which was built on the Christmas tree down, and the children happy with their gifts, we can start again with our column. All in all, it was a very bright and prosperous Christmas in our town — down Myers Avenue and throughout the Speigel Ranch Homes could be seen the spirit of this season in the gaily lit windows and doors of each home.

NEW YEAR'S DAY — serene and quiet, a day for visitors all throughout the development — there are many more incidents and happenings to note — but as I said in my last column that I would appreciate your dropping a note in my box at 68 Myers Ave. and let me have the info. Our Civic Association met last night at the Rainbow Room. Note: all you new residents — let us know if you are interested in joining — drop a note in Mr. Johnsen's box at 78 Myers Ave., corresponding secretary and he will put you on our mailing list from then on. Dues are \$1.50 per house — per year — all we ask is that you make monthly meetings. We organized for the benefit and betterment of our development and community and matters pertaining to it. Until next week — JIM

late Change, Importance Same

Hicksville High's important contest with Oyster Bay slated for the high school boards this Friday night instead three nights ago as we originally stated.

There has been one principal change in the approach to its contest since we last discussed it.

Reggie Giddens, Bayman star who was ailing in the earlier campaign, returned to action at Westbury Friday night and was a part of the convincing Oyster Bay win.

Giddens has been a fixture in coach Dick Crawley's attack in recent years and his height alone will pose a problem for the Comets.

His return couldn't come at a more vital time for the defending champions, who know that Hicksville is the one and only threat to their return to the charmed circle.

We will not change our observation that Hicksville will prove the victor by three points or more, but Giddens presence casts a dark shadow over it.

bats???

We have had many inquiries concerning seating accommodations for the Oyster Bay-Hicksville game and all we say is that you will be lucky to get in the gym and stand cramped standing room.

It is our understanding that the advance ticket sale to students will drain most of the admittance pastebands and at school authorities will be forced to close the doors, which usually open at 7:00 p.m., early.

Coach Chet Jaworski of Hicksville has already stated his intent on keeping an overflow crowd from spilling out on the floor. He intends to have the entire playing surface at all times throughout the game.

Community Accounting

We read with interest last week where one semi-pro football team supported by community effort gave a full accounting to its townfolk on why it dropped \$800 last season.

The detailed account listed all types of incoming revenue. Also detailed were all-expenses such as cost of officials for every game, balls, fees for ticket takers, medical expenses, tape, programs, telephone calls, field patrollers, etc.

The club completely took the townspeople into its confidence and gave them a full understanding of the problems of running a semi-pro football club in these times. It dispelled any wild rumors or unfair comments.

As yet the Hicksville Field Club has not given its final \$50 accounting to the individual Black and White players who performed last season.

Dangerous Opponent

Despite some creditable efforts, the Mineola PBC has been the biggest disappointment of the Nassau Amateur League season to date.

It has Joe Kelly of Valley Stream and Joe Moran of report leading the impressive roster, but it has yet to come up with its first victory.

At Hicksville, Thursday night, it has one last chance to stay in playoff contention when it faces the improving Comets.

The Royal Blue has now won three straight, and a win over the County Seafers would firmly place it in the final division.

Meetings between these two outfits have always been sharp and a nip and tuck battle is expected.

Tuesday night the Kiananis must travel to Great Neck to face the Firemen who have playoff intentions of their own.

hey Are Still Laughing

Just before a game last week one of the players on a Hicksville club was told that all the high scorers always smoke a cigar before a game.

Far from dense, but willing to go along on a lark, the player produced one and merrily puffed on it before the contest.

He got so dizzy and sick he couldn't see the basket.

lovers Come from Behind to Win 47-46

HICKSVILLE — After being winning goal, Brownell scored 17 points and for three quarters in their game with the Hackies, the Clovers took out a 47-46 win to keep their winning streak intact in the Basketball League.

Basketball League. Behind scoring of Fyson with 16 points and a basket by Katz in the last 15 seconds of the game, Clovers have now won 8

contested games in this year long this season as the Hackies started scoring early in the game and held their advantage well into the fourth quarter.

Katz, who had been held to two baskets for the evening, came through to score the

Kiwanis Cagers Hope to Move Up After Wins Over Fliers, Bethpage

HICKSVILLE — The Kiwanis of this village is looking fondly at third and fourth places in the Nassau County Amateur League standings after 90-63 and 54-42 wins over Mitchel Field and Bethpage Kiwanis respectively pulled it up from the depths of the second division this week.

The first four finishers will compete in the NCABL playoffs in March and the Blue hopes to repeat Mineola in a home encounter Thursday night in order to enhance its chances.

Byrnes and Jaworski

After the second minute there was never any question that the Kiwanis was going to best Mitchel Field on the home boards. Billy Byrnes netted 19 points in the triumph which saw Hicksville enjoy a lead of 20 points at halftime.

In the game against Bethpage at St. Dominic's, however, the Kiwanis had a much harder time than anticipated although the all-around court play of Chet Jaworski kept it continuously ahead.

With only six players in uniform coach Frank Ruggiero's crew resorted to a possession game and was wary of the personal fouls. Hicksville had much the better of the going off the backboards and quickly jumped into a ten point quarter lead.

Jaworski flipped in four set shots in the second period and Hicksville was ahead 25-13 at halftime. The lead would have been all the more greater had not the Blue lost the scoring touch in second quarter and missed numerous set shots.

Bethpage Rallies

With the start of the second half, Bethpage started a rally.

Guided by Don Lang and Will Eubank, the losers drew up to 36-33 before Jaworski retaliated with two baskets and a 7-point Kiwanis lead.

Hicksville protected the advantage during the last eight minutes and Bill Borduk shook loose for two layups to build the 12-point margin.

Hicksville Scores Record High In 81 - 39 Victory Over Sea Cliff

SEA CLIFF — Hicksville High's well oiled machine worked smoothly to an 81-39 victory over the Cliffmen, here Friday night, in the opening game of the North Shore Athletic League's Eastern Division race.

The 81 points constituted a new team scoring record for the Orange and Black.

The home team employed an all court press against the Comets and the visitors' easily ran through it.

Hicksville led 18-5 at the quarter, 39-19 at halftime and 57-28 as the last period started.

Even in this big rout the Comet scoring was soundly distributed.

Dick Alcock was high man with 17 points while Harry O'Mack threw in 14. Harold Manaski and Stan Kellner each totaled 13 points while Charlie Rosenzren had 11.

Ted Schwarting scored 9 points and Elias Stetz chipped in 4.

Foul Line Sharp

Sea Cliff was at a loss to cope with the great height advantage enjoyed by the Comets and its aggressiveness in attempting to over-

come it cost it plenty at the foul line.

Hicksville converted 21 of 33 tries from the black stripe while the Cliffmen were successful with just 9 of 21 chances.

Surprisingly enough only a small crowd was on hand to see the game. A bus load of Hicksville students turned out to root for the Comets but only a handful turned up to support the losers who have lost six straight.

Hicksville is unbeaten in four outings.

A small crowd is not expected at the Hicksville gym Friday night when the defending champions from Oyster Bay visit the big game of the year. The team that gets past this assignment will be the odds on favorite to take the league bunting-and-supporters from both schools will pack the gym.
