## Red Cross Appeal in High Gear Now

The annual Red Cross fund drive in Hicksville has swung into high gear, J. Gordon Ulmer, village campaign chairman, reported today. The Hicksville quota this year is \$3,600.

In Levittown the drive is being directed by Joseph D. Stim with a quota of \$84,000. In Bethpage, the village chairman, Mrs. Edward Schaaf, reported a total of \$116 of a \$700 quota. Syosset has already raised \$5,815 of its \$7,300 goal, Mrs. Charlotte M. Ryan, chairman, reported.

The total for the entire county for the first two weeks of the campaign is \$106,198. This is one-

quarter of the \$421,500 goal for the drive that started Mar. 1, Mrs. Ford Bartlett, of Kings Point, and Mrs. Richard C. Jenkins of Rockville Centre, co-chairmen, pointed out.

The village of Lakeview was the first of the 65 communities to go over the top, Mrs. Jenkins reported.

Six communities have passed the half-way mark. They are East Norwich and Syosset, both 80 per cent; Locust Valley, 72 per cent; Port Washington, 64 per cent; Old Westbury, 53 per cent, and Five Towns, 52 per cent.

## Two Casts to Present HS Senior Play

HICKSVILLE—Two different casts of the senior class will present "Cheaper by the Dozen" at the high school tomorrow and Friday evenings. The three-act play is set in the living room of the Gilbreth home, Montclair, N. J., in the Twenties.

Members of tomorrow night's cast, according to Miss Mabel R. Farley, principal, are: Elias Stetz as Mr. Gilbreth; Pat Smith, Mrs. Gilbreth; Ethel Binner, Mrs. Fitzgerald; Ray Guckenberger, Dr. Burton; Phil Millerotte, Joe Scyles; Carol Gronback, Miss

Brill; James Kelly, Larry; Joan Sharratt, Ernestine; Annette Hoffman, Anne; Mary Clinco, Martha; Arthur Baumack, Frank; Louis Brigandi, Bill; Barbara Savage, Lillian; John Zix, Fred; Janice Smith and Mary Cabrol, sisters; Herbert Small, Dan; and Gerald Taylor, Jackie.

Friday's cast is: Val Denninger as Mr. Gilbreth; Janet Johnson, Mrs. Gilbreth; Dolores Imeidopf, Mrs. Fitzgerald; Charles Rusch, Dr. Burton; Barney Ruggiero, Joe Scyles; Janet Weller, Miss Brill; (Continued on page 6)

# Protest 'Forfeit': PBC Sponsors May Quit County Set-Up

HICKSVILLE—The Board of Trustees, adult sponsors of the Hicksville Police Boys' Club which in the past couple of years has developed an elaborate program of athletic competition for almost 200 local boys, will meet tonight (Wednesday) to consider possible separation from the County Police Boys Club organization. The award of a basketball contest between the Hicksville Aces and Westbury in Inter-Precinct play this week has the local PBC organization in a whirl. If the Trustees resign in a body they may immediately organize a Hicksville Boys Club, it was learned exclusively by the Herald.

75-45 Score

Hicksville Aces were winners of first place for the intermediate basketball league in the Second Precinct. Last Wednesday, the Aces overwhelmed the Westbury team, winners of the Third Precinct (there are 6 in the county) at Westbury, 75-45.

Elated, the Aces prepared to meet Great Neck tonight (Wednesday) as the contenders from the 6th Precinct. However, the day following the Westbury game, Harold Manasick Sr., President of the Hicksville PBC Trustees, was advised by Police Lt. Wm. McCullough, county director, via Ptl. Robert Reynolds that Hicksville had forfeited the game.

Ptl. Reynolds, who is PBC director for Second Precinct, met with the Sponsors in an emergency meeting, Friday night. The forfeit, Reynolds explained, was declared because Robert Hogan, former player on the Hicksville Cards in the same league, appeared on the Aces' roster. The transfer of Hogan to the Aces was made in accordance with the printed PBC League rules (No. 6) permitting roster changes Jan. 3.

However—and here is where Hicksville Sponsors see red—Lt. McCullough had issued a verbal order to his police directors which in effect countermanded the printed rules. Manasick and the Sponsors said they had no knowledge of the "verbal order."

List Was Accepted  
The transfer of Hogan was made in accordance with the rules, the Sponsors point out, and the required player lists were (Continued on Page 21)

## Civics Urge Yes Vote On Plainview School

PLAINVIEW—In an open letter to voters of the community, the Plainview Civic Association today urged passage of the school proposition at the special district meeting tomorrow (Thursday) night. Voting hours are 7 to 10 PM at the Manetto Hills school.

The letter, which bore no signature except the organization name, states: "After careful investigation and thorough consideration the Plainview Civic Assoc. has come to the conclusion that the proposed new school is the best effort that this school district can possibly make to house its students."

"Furthermore, it has concluded that any other proposals that have come to their attention are beyond the means of Plainview taxpayers. Therefore, the Plainview Civic Assoc. urges all residents of Plainview to vote in favor of the proposed school at Manetto Hill."

## Civil Defense Signs Up Recruits Friday

HICKSVILLE—Another session for fingerprinting, registration and photographing of Civil Defense volunteers takes place this Friday night, Mar. 16, in Nicholas St. School between 7:30 and 9:30 PM, according to Director Frank Sutter. All volunteers are urged to report. Last Friday night, 17 registered.

George Rappaport, chief warden of Hicksville-Plainview, has selected 10 of 26 post wardens for the community and recruiting of wardens is underway in all neighborhoods.

## Freight Delays Fire Apparatus

HICKSVILLE—Fire fighting equipment was delayed precious minutes, Monday at noon, when a long freight blocked several grade crossings. The vamps were responding to a grass fire alarm on the east side of the track on Cherry St. between Kramer and Charles Sts.

One fire truck waited for the gates to rise on Marie St. while another truck raced the length of Broadway and went around by way of Old Country Rd. crossing at the tail of the freight train. Both vehicles arrived at the scene at the same time.

Fire Chief Stanford Weiss today cautioned residents to use extreme care with outdoor fires. During the past 30 days the local vamps answered 36 alarms, most of them for grass, and brush fires.

## HUETTNER HOME SOLD

HICKSVILLE—Sale of the H. F. Huettner homestead at the corner of Marie St. and Jerusalem Ave. to a local man was acknowledged this week.

## Plainview Votes Tomorrow Night

PLAINVIEW—Voters of the school district will vote here tomorrow (Thursday) night at Manetto Hills School between 7 and 10 PM upon an appropriation of \$125,000 for a new seven-room grade school. A vote on this question failed to receive a sufficient majority on Feb. 13.

Voters of the district on Oct. 9 approved expenditure of \$175,000 for the new school. When plans were opened on Jan. 5 it was found that due to the Korean situation the total cost would be \$300,000, thus an additional \$125,000 was required.

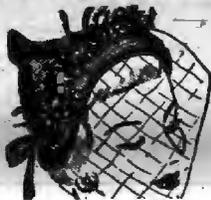

The Board of Education yesterday issued the following statement: "There will be a special meeting of the voters of Union Free School District No. 13, Plainview, on Thursday, Mar. 15, from 7 PM to 10 PM to approve the expenditure of an additional \$125,000 for the erection of a new elementary school. The Board of Education requests all qualified voters to cast their ballots in favor of this appropriation. This new school building is urgently needed as is your vote."

## Washington Ponders Levittown Request

MINEOLA—Rene A. Carreau, Democratic county chairman, announced today that in a telephone conversation with Assistant Postmaster General Joseph W. Lawler, he was assured that his request and that of the Levittown Democratic Club, for a Levittown post office, was receiving "very favorable consideration" in Washington.

Levittown residents have for several months been urging that the post office be located in Levittown. At present the post office in Hicksville is a branch of Hicksville post office. The substitution was set up by the Postmaster General nearly two years ago at the request of County Chairman Carreau, it was stated.

## OFF SOUTH BROADWAY: An Appeal for Local Air Raid Wardens

By BUNNY LAUER  
HI 3-2766-J

Greetings Gals and Guts — For once I have something real important and of a serious nature to start this column with. The Air Warden Service of the Civil Defense program needs YOU. MARGIE and WESLEY GIESE of Rave St. were over at our house the other night and we heard all the facts. Wes is the Post Warden of the area which takes in all of the Frank and Helen's homes. A mighty big job for one man, because, I am ashamed to say, that to date there hasn't been one volunteer for air warden service from either development.

Let's not be fooled, it can happen here. We are situated near a big defense plant — Grumman's is practically in our back yards. An ounce of prevention is worth a pound of cure. Just how many of us will be ready in case? If there are any of you who are able to, won't you please volunteer?

You may contact me or Wesley Giese at 24 Rave St., Hicksville 3-0714 or at the Giese Greenhouses on Lee Ave., Hicksville 3-0241. We sure will be glad to hear from you.

Well, we see where Mr. Stork made a recent trip with a bouncing pink bundle from heaven, weighing 7 lbs. 3 oz. He was the guest of Mr. and Mrs. RAYMOND RIGGER of 157 Lee Ave. They named her Shirley Jean.

Mary and I were very sorry that we couldn't make the Knights of Columbus corned beef and cabbage dinner, Saturday night, but one of the children wasn't feeling well, so we also missed out on the confirmation of Gerald Lawrence Schroeder at the Temple Shaarei Zedek.

Mr. and Mrs. ED BOLGER, Mr. and Mrs. HARRY WOODS and Mr. and Mrs. HENRY VARCA attended the dinner and had a wonderful time. Sunday the men folks went to clean up the hall. (Bolger

is an old hand when it comes to cleaning.)

Everyone will be glad to know that little Miss JUDY ANN HANSEN of 210 Lee Ave. is home from the hospital. She was operated on for an abscess in her gums. Mrs. Hansen wants the world to know what swell neighbors she has. Everyone was just wonderful to her during the time her baby was hospitalized. She also wants to thank them all for the lovely music box that Judy Ann found waiting upon her arrival home.

Miss MARY WOODS and her brother, HARRY, of 199 Lee had a perfect weekend at their grandma's house, Mrs. Dorr of Wantagh.

Little JOHNNY BELDEN, age 2, of 188 Cottage Blvd saw a nice electric grill on the kitchen table. It struck his fancy. He climbed up for it, grabbed the grill, fell down, result — one leg in a cast. Guess my Butch has met his match. Speedy recovery, Johnny.

Mr. and Mrs. LAMBERT of 1 Fairview Court and children, Nancy and Peter, spent the weekend visiting with Mrs. Lambert's mother, Mrs. Sterling of N. E. G.

Mr. and Mrs. TERBEISI of 2 Jordan Lane and Mr. and Mrs. FARELL and Mr. DUFFY of N. Y. C. over the weekend at their guests.

Mrs. Baumen of Middle Village was the Sunday guest of her daughter and son-in-law, the KACHINSKI'S of 3 Fairview Court.

Looks like everyone but us had company or went somewhere over the weekend.

Mrs. BILL BENNET of 11 Fairview Court was hostess in her home for a plastic demonstration, last Thursday. Mrs. Ruth Grimmer of East Meadow was the demonstrator. Those who attended were Mrs. Dottie Terbeisi, Mrs. Regina Kachinski, Mrs. Mary Schimmel, Mrs. Dotty Gorden, Mrs. Kitty Carlson, Mrs. Jay Parker, Mrs. Helen Keller, Mrs. B. Collier and Mrs. D. Weiss. Prizes were awarded to Mrs. Keller and Mrs. Terbeisi.

Well, it has finally happened. News for this column has come by mail. I received a very interesting letter the other day from a Mr. FRANKLEN BECKER of Lawnside Drive who has a wonderful idea. He owns some lots on Lawnside Dr. and would be willing to rent out small parcels of about 30 by 50 or 50 by 50 for a small fee. These lots have real rich garden topsoil about a foot deep — think of all the vegetables you could grow and can. Boy, that jar of pickled beets would sure taste good next winter. The small rental fee would be necessary because as Mr. Becker wrote, "Experience has proven what people get for nothing — they think it is worth nothing and they would fail to take care of it." Nothing is more unsightly than a garden going to waste. Anyone that is interested in Mr. Becker's kind offer contact him at 6 Lawnside Drive.

Ah, ha, finally all three of the kids fell asleep, so I guess I'll turn in also. Don't forget to call or write.

**Civic Assoc. Protests Refuse Contract**  
HICKSVILLE—The Civic and Community Assoc. Inc. Board of Directors went on record this week opposed to the awarding of a three-year contract for refuse collection in Hicksville Garbage District to Main Transfer Co. of Bay Shore.  
At the same time the Business Men's Association, Inc., was preparing to recommend that the Town Board reinstate nighttime collection of refuse in the business section which had been started by James Allen, the previous contract holder.  
The Civics executive board in session last Thursday night felt that Allen had provided "faithful and efficient service" to the community, including the manpower-short war years when no one else would even bid, according to President Stanley Mruz. The Civics found it difficult to understand why the Town Board had granted a new contract to Main Transfer, effective Mar. 1, when the difference in bids between Main and Allen on the first year was only \$100.  
The HCCA directors believe that the Town could have issued the contract for one more year to Allen and then called for new bids if it wished to recognize the service of a local man who has won the commendation of Town officials.

**HONOR SCHOOL PRINCIPAL:**

**Miss Plantz Receives P.T.A Honors; Good School Topic of Discussion**

HICKSVILLE—Miss Nina Plantz, principal of the East St. School, was honored at the regular meeting of the Parent-Teachers Association of the school, held Thursday evening, March 8. She was presented with a life membership in the New York State P.T.A. Dr. E. H. LeBarron, superintendent of Hicksville schools presented Miss Plantz with a pin and card to the life membership and commented upon her "outstanding services and leadership in education and in the community."

Miss Plantz thanked Dr. LeBarron, the P.T.A. and guests present for the honor paid her and for the lovely corsage she received. She expressed the desire to continue with her work as "East Street has long been a love of mine."

"What Makes a Good Elementary School" was the topic of an interesting panel discussion held at the P.T.A. meeting with Miss Winifred A. Barry, coordinator of elementary education in Ocean-side school, as moderator.

Miss Barry opened by stating five general aspects of education: 1, children; 2, teachers, leaders and general personnel; 3, physical plant; 4, curriculum, and 5, philosophy of school.

Mrs. Max Skou, a parent, followed, stating school personnel should have the four outstanding qualities: good health, good mind, good personality, good looks, and the art of "readily living".

Miss Thelma Griffin, 6th grade teacher:

- 1—Good atmosphere—free from strain (both teacher and pupils);
- 2—Flexible program;
- 3—Cooperation of parents;
- 4—Efficient office help for clerical work so teacher can spend time in preparation;
- 5—Excellent library;
- 6—Attractive classroom with attractive colored walls, plants, draperies, plenty of space for reading corner and cupboard space for storage. Children like to keep things.

- 7—Number of children: 25. Ideal; 30, possible; over 30 class must be more or less regimented.

Mrs. Alwyn Rand substituted for Dr. Rand who was unable to be present. Her points were: Health—sufficient doctors and nurses; yearly check ups on ears, eyes, nose, throat, lungs, feet, posture; 2—Proper inoculations; 3—Parents check children carefully to avoid spread of illness.

Mrs. Mary Brown substituted for Mrs. Dorothy Fuller teacher of 3rd grade who was ill. Her topics: 1—Theme of Classroom, "Happiness"; 2—Each day a new chance; 3—Teacher well prepared; 4—Salary adequate; 5—Good physical set up; 6—Frothing—working with friends (personnel of the school); 7—A pleasant word spoken to each child; 8—Progress—praise is gratifying and source of energy; 9—Child happy—parent happy.

Mrs. Lawrence Foran, Parent: 1—Flexibility in teaching program in respect to sociability; 2—Parent participation; 3—There must be listeners as well as doers.

Francis Nulty, Parent: 1—A Good School pleases and displeases; 2—Physical symbol of home; 3—Keep trying. Keep Growing; 4—Always a challenge that a child can meet; 5—Do not be afraid of change. Change means progress; 6—School organized according to kind of children; 7—Everyone must recognize "There's always something better."

Dr. E. H. LeBarron, Supt. of Schools: 1—School—friendly atmosphere; 2—Parent participation, child participation; 3—No discrimination—race, creed or color; 4—Something for everybody; 5—Principal—understanding patience and tolerance; 6—Attention to each individual. Thus society will benefit and the whole world benefits.

Lawrence McCaffrey, member Board of Education: 1—Teach children to be good citizens; 2—Teach children tools with which

**ATTENTION, LOCAL WOMEN:**

**AWWS Needs Many Volunteer Drivers**

Women of Hicksville and Levittown are being urged to register with the American Women's Volunteer Services for emergency duty as drivers in the county and for Civil Defense. Also needed are volunteers for immediate duty connected with local CD, help in hospitals, clerical work and motor corps service.

Local women are asked to sign up now for the job they can do best. For information they are invited to call Hicksville 5-5247-W, Dorothy B. Dombert, or Hicksville 3-3819, Ruth L. Schroeder. They can register at 141 Kingfisher Rd., 20 Branch Lane or the LI National Bank of Hicksville. Registration will also be accepted at Nicholas St School this Friday night between 7:30 and 9:30 PM.

**Start Special Train Tomorrow Morning**

JAMAICA—For the benefit of passengers using the Hicksville station the LI Rail Road will operate a new train, effective tomorrow (Thursday), leaving Hicksville at 7:10 AM for Jamaica, New York and Brooklyn, it was announced today by General Manager Frank H. Simon.

The new train, No. 219, will be operated Monday through Friday, arriving at Jamaica at 7:30 AM, with connections there for New York and Brooklyn. The present stop of Train No. 31 at Hicksville at 7:10 AM will be discontinued, Monday through Friday. The pre-

sent schedule of Train No. 31 will be advanced to leave Patchogue one minute earlier, at 6:10 AM, arriving at Jamaica five minutes earlier, at 7:25 AM. On Saturday, Train No. 31 will continue to stop at Hicksville at 7:05 A.M.

The schedules of two other trains will also be advanced, effective March 15, to make way for the new train. Train No. 609, now leaving Port Jefferson at 5:46 AM, will leave Port Jefferson and stations west to Jamaica three minutes earlier.

**Incorporators Get Their Report Ready**

HICKSVILLE—The Committee for Incorporation of Hicksville as a village is putting the finishing touches upon a report to the community designed to answer the most frequent questions about the operation of a local government, Chairman Lawrence A. Wesche said last night.

The report will be made available to all taxpayers and represents months of work by a large committee. Several conferences were held with the officials of incorporated villages in the county to arrive at some of the conclusions and data, Roman added.

The committee was expected to meet this week with William Wesche, Farmingdale village clerk.

- to think; 3—Vocabulary—thought process; 4—Close unity between teachers and parents—understand each other; 5—Teacher—center of classroom; 6—Reward for talent; 7—Freedom for children to work together; 8—Develop habits and skills; 9—Revise system of marking to show what child really does; 10—Change and more change for growth.

**HERALD READER OPINION:**

**Cites Village Revenues Now Lost**

**An Open Letter  
To Hicksville Taxpayers:**

We have read the single opponent's purported "disadvantages" of our incorporating Hicksville as a first class village. Herein we quote and reply to items mentioned:

1—"Will the people of Hicksville receive much more in service for the same amount of taxation or that any increased taxation will be made worthwhile by vast increases in services?"

The answer is that Home Rule will install village officials interested and responsible to only the residents of Hicksville. As such they will be in the proper position to cope with our many problems and current lack of attention to—shopper and commuter parking, parks and playgrounds, traffic hazards and control, taxicab control, youth program, community centre, grade crossing elimination, encouragement of light industry which brings in tax reductions and local employment, and proper planning to control the shape and form of our community so as to preserve all that is good and yet provide for its healthy and orderly growth for the good of all its residents.

These local village officials will see to it, for example, that our streets are not neglected AS NOW but are properly and promptly repaired and maintained. Every dollar of taxation will be spent for Hicksville residents' enjoyment and benefit and not appropriation an expense to our taxpayers for services not rendered.

2—"The Town of Oyster Bay has been able to spare its residents the payment of any tax for the expenses of administration of the town."

Ans—With revenues received, is any such town tax necessary? We cite a few revenues received by the Town:

State Aid	\$195,118.75
Mortgage Tax	150,000.00
Zoning and Building	
Fees	75,900.00
Tax penalties	8,000.00
Dog licenses	10,000.00

A portion of all these revenues are obtained through and belong to the residents of Hicksville FOR THEIR GOVERNMENTAL NEEDS.

The sponsors of Incorporation can demonstrate that the cost of Village Government can be paid out of revenue it will receive. Shortly a tentative budget will be available which will show the tax rate under incorporation.

3—"The establishment of a Department of Public Works would require a heavy initial expenditure for equipment to provide the proper care for our roads alone."

Ans—We have sought expert opinion which has indicated that

**Roman Chairman  
Of Committee**

Lawrence A. Roman of Notre Dame Ave., Hicksville, is general chairman of the Committee for the Incorporation of Hicksville as a village. He is a charter member of the Hicksville Civic and Community Assoc., Inc., and a past president of the organization.

The initial highway equipment we require will not exceed \$35,000 in cost for a first class local road repair and maintenance program. The cost of such equipment can be spread over a five-year period and as will be shown at a later date, this cost will come out of revenues and not increased taxation. This figure is a far cry from the \$250,000 cost of equipment figures thrown out previously by our opposition.

4—Much of the argument for Incorporation is NOT based on the claim that bringing the government closer to the people will mean that the people will take a greater interest in civic affairs, as erroneously stated by the opponent. The fact of the matter is that HOME RULE IS LOCAL RULE which gives a citizen a voice in his community's affairs without the necessity of losing a day's pay to attend a hearing at the Town Seat. It permits him to voice his complaints, recommendations or compliments in the evening and in his own community which is when and where his village officials meet.

5—It is amazing to hear our single opponent state that "the constant repetition of the phrase 'hold that line' has sounded like a demand to keep new people out of Hicksville, we want you to remain a part and parcel of this community. If this was not so, we would have asked for a "separation" rather than a "hold."

6—"The rub in this comparing tax rates with incorporated villages is the assessed valuation." Ans—It is a well-known fact that by and large incorporated villages throughout Nassau use the County Board of Assessors valuations just like the Oyster Bay Town Board.

The Incorporated Village of Farmingdale property owner pays a tax of \$1.58 per \$100 and for comparable assessments (for less the property owner of Hicksville pays \$1.80. Yet, if your home, as is, were located in Farmingdale, the assessed valuation would be the same with taxes, of course, less.

7—"There is a rumor that the village officials of Incorporated

Hicksville would work without pay."

Ans—It has never been the intention of this Committee to have the village officials serve without compensation for such services. We continue to propose the maximum salaries authorized by law which are: Mayor \$1200, 4 trustees at \$600 each, village attorney \$600 and police justice \$1200.

And it is proposed that these salaries come from presently lost revenues, not additional taxes.

8—"The Town now gets \$8 per head in State Aid and the incorporated villages get \$3 a head in State Aid."

Ans—Is this an intentional error by the opponent? The fact is that the town collects \$3.55 per capita as yearly state aid and it collects such funds even on the population of incorporated villages. As a result of the \$155,000 in state aid received by the town, some \$81,000 is as a result of the population of the 15 incorporated villages in the Township of Oyster Bay today.

But, in addition to such state aid received by the town, incorporated villages ALSO receive state aid of \$3 yearly for each man, woman and child within its boundaries. Thus, Hicksville is currently losing some \$45,000 yearly in state aid which would go a long way toward meeting the cost of government services here.

The bombshell which explodes the argument of the single anti-village spokesman is a letter written by Eugene M. Travis while Comptroller of the State of New York on Sept. 13, 1916 to the Glen Cove Committee on Incorporation:

"Concerning the advantages to be attained by incorporating, I need but say that you will then have power to exercise many functions of government and to render services to the citizens of the community which is not now possible to secure for them, or which, if it is possible, can be secured only by unsatisfactory and clumsy methods under the Town Law. I view that law as being to a very great extent antiquated and obsolete. However that may be, it was never designed for the government of densely populated sections of the state. The attempt to make it fit other conditions by the addition of articles concerning water, fire, light and sewer districts, resembles very much indeed the building of numerous additions in connection with an already completed structure."

Communities are not created for government, but government must be designed to fit the communities.

(Signed)  
LAWRENCE A. ROMAN

**THIS CROSSING** which is marked only with signs and is totally lacking in warning devices such as gates, bells or flashing lights, is not adequately protected, according to Hicksville civic groups and the Oyster Bay Town Board will bring the complaint before the Public Service Commission at a public hearing in New York City on Tuesday morning, Mar. 27. **Sneak Attack - No Warning Given**

**DO THIS FAST**

**AT HOME**—Get under bed, or table close to wall. Stay away from windows, cover exposed parts of body.

**AT WORK**—Get under desk, table or bench, close to wall, away from windows or glass doors. Cover exposed parts of body.

**IN VEHICLE**—Pull to curb. Turn off ignition. Cover face and fall to floor.

**CHILDREN AT SCHOOL**—Parents stay home. Don't phone. Teachers will care for children.

**When you hear the "Red" Signal**

The Red Signal is a sustained warbling wail on fire sirens, or intermittent blasts by fire horns or whistles, lasting about two or three minutes. This means an air raid within eight minutes. If this is the normal fire alarm in YOUR community, regard it as an air raid only if you hear similar signals from neighboring areas.

**DO THIS**

**AT HOME**—Go to basement or best shelter in the house. Keep on local radio, WHLI, 1100; WKBS, 1520.

**AT WORK**—Go to inside corridor or designated shelter. Obey orders.

**ON STREET**—Go to nearest shelter, building or basement. Avoid windows and glass doors. Obey warden.

**IN VEHICLE**—STOP! Enter public building or shelter. Avoid windows and glass doors. Obey warden.

**CHILDREN AT SCHOOL**—Parents stay home. Don't phone. Teachers will care for children.

**After an attack**

The White Signal is a series of three one-minute steady blasts by fire siren, horn or whistle separated by periods of two minutes of silence. This means all clear, no longer any danger of immediate attack. Both the Red Signal and the White Signal will be broadcast over all local radio stations. Remain calm. Follow instructions of Civil Defense forces. Keep local radio on to get information and instructions. Do not use auto or phone except in emergency. Roads and phone lines are needed for Civil Defense operations.

**If You Are Within Blast Area**

Remain in shelter until advised it is safe to leave. At first opportunity wash body with strong soap. (Do not use tap water until told it is safe). Do not consume food or water or use any objects which may have been exposed to radioactive contamination.

**IN OUR OPINION:**

**Junkman Won't Help Your Family**

CIVIL DEFENSE volunteers of Hicksville-Plainview area go out the first Sunday of each month to collect the bundles of papers, magazines and rags you leave on the front porch. They go out in all kinds of weather (such as the last collection on March 4) and therefore got rightly aggravated when they see a local resident selling waste paper and such to a junkie for the few cents the collection brings.

One CD volunteer wants to know if the homeowner who puts a buck before community safety and welfare can count on the junkie to come out and serve in time of emergency?

The Hicksville-Plainview CD stands a fair chance of financing its entire program, including radio equipment, etc., without a fund drive because many folks are saving their paper for the regular volunteer collections.

Don't stop saving paper. That old newspaper (yes, even the last week issue of the

**Welcome New Teachers**

A READER has submitted the following editorial which appeared in another community newspaper. It fits our views so well, that we submit it with slight revisions to make it local:

We want to take this opportunity to welcome the teachers who are joining the teaching staff of the Hicksville and surrounding school districts. After fooling around with a few phrases and some eulogisms on teachers, we have settled on the simple statement that we think all teachers are mighty important people and we hope that you who are coming here for the first time will have the opportunity to become well acquainted in this community and that you will find time to take part in some of its activities. Mindful that good publicity is that extra dab that makes a job easier and a task more pleasant, the Herald has always made a point of printing school news. The Herald joins with the townspeople in wishing you a good year.

Many of the teachers, new and old, again have demonstrated their awareness of community problems by enrolling for civil defense and Red Cross emergency service.

HAVE YOU HEARD.

ADDITION TO EAST ST. ELEMENTARY SCHOOL IN HICKSVILLE.

## Columbia Report: Long Range Plan

Editor's Note—Hicksville Board of Education employed the services of the Institute of Field Studies, Teachers College, Columbia University, early last year to prepare a long-range program to meet future educational needs of the district. The document, which has come to be known as the "Columbia Report," was made public last June, and the Herald at that time published a series of articles discussing the findings of this Report.

However, since publication of the series, many thousands of new residents have moved into the District—the very people for whom this advance planning was developed. To inform these newer residents of the plans now being developed by the Board of Education to meet educational needs for the next 10 years and beyond, the Herald will republish occasional excerpts from the Columbia Report. This is the first installment.

EAST ST. Elementary School, Hicksville, as it will look when the additions to the building are completed about a year from now. Construction of two wings on the structure is now well underway. The project is expected to almost double the present capacity of the structure and will cost \$600,000.

## Expect 5,600 Pupils Here by 1958

Hicksville taxpayers will be called upon to spend seven million dollars or more during the next ten years for the purchase of land and construction of new school buildings needed to accommodate the growing student population of the district, according to the Columbia Report.

The 63-page data-packed Report which includes 18 charts, seven tables and eight maps was officially turned over to the Board of Education by Dr. Felix J. McCormick, associate director of the study. The Report is divided into six chapters, the titles of which give a clue to its scope:

I—The community of Hicksville; II—School enrollments; III—The School plant; IV—Educational objectives and school plants facilities; V—Conclusions and recommendations; and VI—Financing the school building program.

**Start Made Already**  
Based upon Interim Reports made to the Board of Education by Dr. McCormick and Dr. Henry H. Linn, director of the survey, initial progress has been made.

The voters were asked within months of the Report's appearance to decide upon (a) bond issue to cover enlargement of East St. School, (b) purchase of three tracts of land from Levitt and Sons for school sites in the southwest corner of the district where 2300 homes were rapidly built; and (c) approve a bond issue for the Lee Ave. school construction.

Copies of the Report are on file at the Hicksville Free Public Library, with members of the school board, school principals and other authorities.

The Report emphasizes that Hicksville is confronted with tremendous growth and expansion in the months immediately ahead. The population (as of June, 1950) was estimated at 11,700 persons which was expected to leap to 22,200 persons by 1951.

The community may develop ultimately into an area with a population of 35,000 to 40,000 persons by 1960.

With population gaining 100 per cent in 12 months or less, the Report estimated student enrollment

would also spurt. Therefore, the experts forecast, there will be as many as 5,600 pupils in local schools by 1958 and a peak of 8,500 by 1960.

**Outline Five Steps**  
Five steps are recommended for action: The first includes enlargement of East St. School (at least 12 more classrooms), purchase of Lee Ave. site and construction of school there with 20 classrooms.

The second step calls for construction of two more elementary schools, one on Old Country Rd. (next to Northbrook) and the other on Dutch Lane (Hempstead Ave.), to be ready for use by Sept. 1952.

The third step provides for two more elementary schools, one down the township line on Fork Lane (behind Dante City) and the second on the Albrecht property (already owned by district) on Burnas Ave.

The fourth step (by 1955) suggests a new senior high school on the Bergold property (for which more acreage is necessary).

The fifth step (by 1958) is an addition to present high school for junior high use or construction of a second junior high in the north part of the district.

The recommended and suggested projects described in this chapter of the Report constitute the major part of the program for Hicksville, as viewed by the survey staff on the basis of evidence and data now available. The Report stated: "The need for the acquisition of a number of sites and the construction of elementary schools listed in Steps 1 and 2 seem quite clear at this time, but subsequent steps may have to be modified if community developments do not follow the (possible) pattern assumed in this report. It is suggested that a continual study of local residential construction, school census and local birth figures, be maintained so that estimates presented in this Report can be revised whenever new data becomes available."

Among the facts which add to the problems for the school district, the Report notes, are its present legal limitation upon bonding and the present pattern of assessments. The district is now assessed at about \$20,000,000 which would allow it to issue bonds up to \$2,000,000. Thus the progress of the program will depend upon the rate of increased local total assessment. To issue bonds covering \$7,000,000, which is the ultimate

project, the school district will have to have a valuation of \$70,000,000 or about three and a half times its present 1950-51 value. It is now estimated the total valuation of Hicksville School District in 1951-52 will be about \$36,000,000.

## Scouts Collect Paper Salvage

ISLAND TREES — The Boy Scouts of Troop 68 have started a drive to collect newspapers and magazines. The funds received from the sale of the paper salvage will be used to purchase equipment for the Troop. The boys will cover the homes in School District 26.

The Troop requests that residents save paper and magazines for them. They will call to pick it up.

## PLAINVIEW COUNTRY HOMES: Home Owners Organize, Elect Officers

By RAE CANTILLI  
Phone Hicksville 3-9213-M

Hello, Folks:

I am devoting the columns this week to explain to you people who did not know, about or could not attend the first meeting of the newly organized Home Owners Association of Plainview. We tried to inform as many people as we could about this meeting. If anyone of you missed out, we are terribly sorry, and you are most cordially welcomed to come to the next meeting. This is your organization.

The meeting was opened by the election of temporary officers and a temporary executive board. Val Hinhenger of 14 Island St., was named temporary chairman; Rae Cantilli of 17 Island St., temporary secretary and Kay Hartnett of 18 Island St., temporary treasurer. The members of the Executive Board include Louise Fesselmeyer of 534 Plainview Rd., Raymond MacAllister 6 Island St.; Martin Ward, 28 Island St.; Harold Korde, 6 Vernon St.; Fred Baum, 30 Vernon St.; Harold Sudbrink, 25 Eldorado Blvd. and Ruth Jackson, 17 Eldorado Blvd.

It was agreed upon that this organization would be open to all home owners who were interested in trying to solve any problems which arise such as schools, street conditions, street lights, garbage removal, etc.

Joseph Arena, president of the Plainview School Board explained to the group present about the school situation. He discussed the permanent school which would be constructed on the Mannetto Hill site. (The vote on which will be tomorrow, Mar. 15, from 7 to 10 p. m.) Mr. Arena stated "This school is not temporary as many people assume, but a permanent structure which would be used for the next 25 years or more."

The meeting closed with everyone present agreeing that it was really worthwhile to be in an organization of this sort which could

do so much to help solve mutual problems and situations that are arising now, and will in the future.

Don't forget to support your Red Cross. I will be around soon to see you about it.

By the way, the Am-Vet Ball is almost here. It is Mar. 30 at the Paraglide Club in Hempstead. For a donation of \$5.00 a couple — which is really very little for a wonderful evening of dancing and entertainment that will be in store for you — you can also help a really worthy cause.

## New Super Market To Open on Mar. 27

HICKSVILLE — The new Stop 'N' Shop market at 256 South Bway, between 1st and 4th Sts., is expected to open officially on Wednesday, Mar. 28, it was learned this week.

Alfred Dearth of 95 Underhill Ave., a local resident for the past four years, is manager of the new super market which will employ from 60 to 80 local people. The store features the latest developments in the field of food retailing. There is a large rear parking field with a direct entrance from the store.

The Soda Spa in the same building opened for business this week. An open house party will be held at the Soda Spa this Friday evening, Mar. 16, between 6:30 and 10 p. m. when Miss Dolly Madison will be present in person to pass out free samples of ice cream to all present.

## Kiwanis Club Hears Dr. LePener Today

HICKSVILLE — Dr. Joseph LePener of Essex Lane is scheduled to speak today at the Kiwanis Club meeting in the Legion Hall on "Pre-War Conditions in Austria." The Kiwanis meets at 12:10 P.M.

Wives of members of the club are volunteering to assist in the Pontiac car award project of the club, according to President George Rappaport. The new Pontiac, donated by Mat Pierce of Hempstead Tpke., Bethpage, will be awarded on July 4.

Guests at the Kiwanis meeting last week included Francis J. Anderson and Mal Sturtevant.

## Chair Caning Taught Here

A course in chair caning was started at a meeting of the Hicksville Home Bureau yesterday (Tuesday) in the basement of the Trinity Lutheran Church on West Nicholas St. The course will be continued at the Mar. 20 and 27 meetings from 10 a. m. to 4 p. m. Mrs. Edward Korbman is the instructor.

A class in carpentry will also be taught at the Mar. 20 and 27 meetings under the direction of Mrs. Clinton Wilbur.

The local Home Bureau will be represented at a Woman's Forum to be held on April 3 at the Calderone Theatre, Hempstead, by Mrs. Theodore Schwarting, Mrs. Edward Korbman, Mrs. Emily Williams, Mrs. Mae Seamon, Mrs. Minnie Kerbs and Mrs. M. Hanson.

### Franklin Square Girl Bride of Fred Herzog

Miss Diores Westburgh, daughter of Mr. and Mrs. Jess Westburgh of 14 Esther St., Franklin Square, became the bride of Fred Herzog, son of Mr. and Mrs. Fred Herzog of 468 Broadway, Hicksville, on Feb. 18 at the Ascension Lutheran Church, Franklin Square.

The bride wore a gown of white satin trimmed with seed pearls. A crown of seed pearls held in place a fingertip veil. She carried white orchids.

Miss Geraldine Westbury, sister of the bride, was the maid of honor. The bridesmaids were Miss Barbara Mayhew of Elmont, and Mrs. Theodore Spdale of Oyster Bay, sister of the groom.

Theodore Spdale, brother-in-law of the groom, was the best man.

The couple is now residing in Franklin Square, following a "Florida" honeymoon. (Hickstead Photo).

Mrs. Walter Maxey and Mrs. Kenneth Welchman are co-chairmen in charge of the luncheon of the Women's Auxiliary of Holy Trinity Episcopal Church, Hicksville to be held at the parish house tomorrow (Thursday) afternoon.

### OUR GROWING COMMUNITY: Pupils, Parents, Teachers Discuss Issue

Students, parents and teachers participated in a discussion on "School Problems in a Growing Community" at a meeting of the Jr.-Sr. High School P.T.A. held Monday night, Mar. 5, at Hicksville High School. Each speaker presented the problems he faced in a growing community.

Students who spoke were David Andrews and Evelyn Rensen; the parent was Mrs. Dorothy Evanschuk; and members of the faculty were Miss Mildred Clark, Mrs. Ruth Daly, Chester Jaworski, Miss Gloria Franke, Miss Ruth Holder, Miss Mabel Farley, Leon Galloway and Dr. E. H. LeBaron.

A proposal was approved to send a letter to the Nassau County Dept. requesting a traffic light at the intersection of Jerusalem Ave. and Fourth St.

Entertainment was provided by the Glee Club and pianist Harold Rothstein.

The P-TA will sponsor another

teen-age dance on Apr. 7 at the high school gym.  
A film on cerebral palsy will be shown at the next meeting, on Apr. 2.

**Name Committees**  
A meeting of the Ladies' Aid Society of St. Stephen's Lutheran Church, Hicksville, was held Wednesday night, Mar. 7, at the church. A cake and apson sale will be held on Apr. 7 at the church at 1 p. m. and a novelty supper will follow at 5:30 p. m.

A rummage sale was planned for May 16, 17 and 18 at a place to be announced.

The following committees were named: Program Mrs. Ida Asendorf, Mrs. Mae Asendorf, Mrs. Henry Brenzel, Mrs. Howard Rogers and Mrs. William Christiansen. Talent fund committee: Mrs. George Ahrens and Mrs. Jacob Walthera. Sick committee: Mrs. Christiansen and Mrs. Henry Bach. Dime cards, Mrs. John Borley.

Luncheon for Girl Scouts and of the Mid-Island Council Scouts will be held on Saturday at the Hicksville Methodist Church on Old Country Rd. at 1:15 p. m.

Each troop in the Council will be represented by a Girl Scout who will present her troop's contribution to the Juliette Low Fund.

The menu will include: ham, cold slaw, chili con carne, hot baked macaroni and cheese, hot baked beans, biscuits, pie, cake, tea and coffee. The luncheon is sponsored by the Women's Auxiliary of the church.

**Plans Covered Dish Supper**  
A covered dish supper will be held at the First Reformed Church, Jerusalem Ave., Hicksville, on Apr. 11 at 6:30 p. m. Plans for the supper were made at a meeting of the Guild of the church Wednesday night, Mar. 7, at the church. Mrs. A. Huettner will be chairman of the supper.  
Mrs. Edward King was hostess at the meeting. The next meeting will be held on March 21 at the home of Mrs. Henry Lumm.

### Mothers Meet Monday Evening

**HICKSVILLE** — St. Ignatius School Mother's Auxiliary will meet next Monday evening, Mar. 19 at 8:15 at the school hall. Members are urged to bring guests to the showing of the film, "You Can Change the World." The film was produced by Father James Keller and will be of interest to all.

### Homemaker's Dispatch

**FOR IRONING EASE**  
Here is a trip to share with all your women friends: One of the secrets of good ironing, say specialists at the New York State College of Home Economics at Cornell, is to handle the article to be ironed as little as possible. So, use a wide ironing board for table-cloths, napkins, runners, pillow-cases, sheets, handkerchiefs, shirts, or any flat pieces. You will find that a wide ironing space cuts down many of the shifts and turns otherwise necessary.  
You can make a wide ironing board from an old table. Be sure to pad it well. Or purchase the man of the house to fashion a wide board from 7/8-inch plywood that can be padded and fastened on to the top of your regular ironing board. A good size is 54 inches long and 20 inches wide. Use cleats and fasteners on the underside that will allow the wide board to slip onto your standard ironing board and to be removed when not in use. Such a board not only saves ironing effort but time as well.

**MR. AND MRS. ARTHUR SEGRETO**  
Miss Irene Kunz of 147 First St., Hicksville, daughter of Mr. and Mrs. Fred Kunz of Huntington, became the bride of Arthur Segreto, son of Mrs. Josephine Segreto of James St., Hicksville, and the late Mr. Segreto on Feb. 3. The ceremony took place at St. John's Church, Huntington. The couple is now residing at 132 First St., Hicksville. (Verizo Photo).

### NORTH WEST NOTES: Saturday—Great Day for the Irish

By Jimmy Cummings

This Saturday, Mar. 17, will see the gathering of the many clans to celebrate the feast of St. Patrick, the patron saint of Ireland. To the tunes of Irish jigs and reels, both young and old of Irish descent will turn out to have a gala time throughout the land. In our community there are many from the "ould sod" who will entertain at home or gather together for a party. TO ALL YE—I BID YOU THE TOP OF THE MORNIN'.

### BIRTHDAY GREETINGS

CHRISTY and NANCY ALBRIGHT will celebrate their birthday Mar. 16. These two very cute twins are the children of Mr. and Mrs. William Albright of 23 Montana St. The twins will be two years old . . . St. Patrick salute to Mrs. Fitzpatrick, John Tevlin and Pat Boland, who all celebrate their birthday on Mar. 17 . . . Pat is very energetic president of the North West Civics.

### NEW ARRIVALS

Mr. and Mrs. Joseph Hemerlein are the proud parents of a son born on March 5th—the little lad is named Daniel John. Congratulations to you both! . . . The Hemerleins reside at 186 Nevada

St. . . . Dropped in at the Higginses' home on Friday eve. Tom buttoning his buttons with the arrival of a daughter, Elizabeth Cecelia, weighing in at 9 lbs. 12 oz. Best of luck to all.

### LEGION TO DANCE:

Members of the Charles Wagner Legion Post in our section plan to make a night of it by attending the St. Patrick's Day Dance this Saturday. Corned beef and cabbage will be served. Irish and American music will also be supplied. For an enjoyable evening of dancing and entertainment head for the Legion Hall on East Nicholas St.

### ACROSS THE CHANNELS:

CBS-TV may soon gain the services of 'Uncle Miltie' on their network if the rumored change is true . . . Prospective TV owners might do well to read those contracts before accepting—with reference to "war clause"—on parts and tubes . . . Broadway Open House Glamor Dept., namely, Dagmar, said to have been signed by NBC-TV for \$1,000 per week. The continuing question of the plugging TV necklines which has brought about a poll of viewers, etc.—consensus is that most viewers favor modest glamor, not the type now being presented—but who are we to judge, eh! . . . Morton Downey, genial Irish tenor will render many famous Irish airs on his TV stint this Friday eve. at 10 p. m. on Channel 2 . . . Afternoon favorite show among women residents seems to be the Kate Smith show on Channel 4, daily. WEDNESDAY SPORT SPOTLIGHT—Charley Fusari vs. Johnny Bratton, on Channel 2, 10 p. m. The "Late Show" on Channel 2 now provides movie entertainment 7 nights a week.

### GADABOUTS:

Well, Bill and Dot Robinson finally arrived home. The Robinsons were called to take care of Bill's aunt, who suddenly took ill with a stroke. Bill informed me everything is OK. Nice to have you both back—your neighbors missed you . . . Kay MacDonald of 152 Ohio St. informed me that she is interested in securing a ride to ~~the~~ shift — if there is anyone about who might help Mrs. McDonald, contact her at home . . . Mrs. Morrissey, also of 152 Ohio St., is a competent baby sitter—anyone interested, please drop in and see Mrs. Morrissey at above address or phone your reporter . . . Mr.

## Hicksville Park and Duffy Park Fire School Gives Boys Another Night

Hi, Folks:  
Still looking for GD workers from these developments. I know you people are busy, but some of you must have a little time to spare.

Who on Mead Ave. is sporting rhinestones now?

I see where the new vamps have to start fire school. Another good excuse for them to get out for an evening.

Have you noticed we have new garbage collectors now? They make their pickups later than usual, so at least I can get the garbage out if friend husband forgets.

Good way to get rid of the children for that second cup of coffee in the morning is to let them listen to Station WLLI at 9:30 . . . This is a 15 minute program with children's music and stories.

Mr. and Mrs. O. Butler of 2 Mead Ave. entertained a few friends last Saturday evening in celebration of "Chick's" birthday, which falls on Mar. 13. Happy birthday, Chick, glad you happily reached voting age.

George Chapman of 39 McAlester Ave. celebrates his birthday on St. Patrick's Day. Wonder if his missus will make a green cake.

Vote of thanks goes to Mr. Chlumsky, our Town Councilman, for keeping the big trucks from using Mead and McAlester Ave., instead of going through to Old Country Road. They are carting dirt from the new homes being built right in back of us.

Quite a few fellows planning to get together, as soon as warm weather sets in, to cement driveways. By the looks of the brick stoops, everyone will have to put those back together again, too.

I'm sure you'll all be glad to

hear that Peter Nicolini of 38 McAlester Ave. is over the flu and is back in school this week. Peter was a very sick boy and been out of school for two weeks.

We are all glad that Medard Ofenloch of 80 Benjamin Ave. is out of the hospital and back on the mend. Of course it will be several weeks before he will be ready to go back to work, but I'm sure his wife is glad to have him home. Mr. Ofenloch was severely burned when he came in contact with a high voltage cable.

That's all, folks. Why not call me at Hicksville 3-2437W with your news. Bye, now.

DOMIS WERNER.

A corned beef and cabbage dinner in honor of St. Patrick's Day will be held Saturday, Mar. 17 by the Charles Wagner Legion Post at the clubhouse, Haggard, Haggerty's Highlanders will supply the music for dancing.

Most husbands, as most wives discover to their horror sooner or later, have absolutely no sense of timing. If you're frantically cleaning for company your One and Only is apt to decide to polish his golf clubs in the living room. If you have a delicate cake in the oven he'll find something to hammer. Or if, as happened to me, it's a day when everything's gone wrong he might come up with something as cozy as "Do you think, living in the city, we'll ever have a horse?"

"Jeff," I warned, "I'm in no mood for nonsense!"  
"It isn't nonsense," he declared. "I've got in mind a present for you that will carry a horse, a dog, blow up dozens of party balloons in no time, defrost the refrigerator in five minutes."

"Since we have no horse, dog, milking machine or organ that'll be just dandy," I stammered.  
"In that case," he smirked, "you can use the same attachments to dry your hair, clean your fur coat, wash the drapes, and . . . I don't look at me that way. I have in mind the 1951 Lewyt vacuum cleaner!"

"He went on to describe the versatility of the new cleaner that by now I can't wait to get in the house. It will do all the amazing things Jeff mentioned. But the way it goes after ordinary cleaning jobs is just as remarkable. One advantage that interests me is that there is no dust bag to empty! After several months of use you simply remove and throw away a treated paper filter. A new carpet nozzle is another feature which helped win for the manufacturer the American Society of Industrial Engineers' Merit Award. The Number 80 carpet nozzle combines super suction and combing action to pick up surface litter and imbedded dirt with less carpet wear. The brush is automatically adjustable to high, medium and low pile rugs.

Then there's the moth "snuffocator," power sprayer, handy storage kit and . . . well, you'll just have to see the new model to appreciate all its advantages. Why I've decided Jeff's timing isn't too bad after all!

**GARDENING**  
 Ideas from Cornell

Seed catalogs have already begun to brighten up mail boxes these days as reminders that it is time to start planning the 1951 garden.

Along with the catalogs comes a word of advice from the department of vegetable crops at Cornell University. Place your orders with the companies from your own section of the country. The seeds they offer will be better adapted to conditions in your area.

Prof. C. B. Raymond also advises gardeners to look for varieties marked with a star or in some similar way in the catalog. The mark usually indicates that the variety is recommended by the company.

It's a good idea to compare several catalogs. If you are interested in one particular variety, see what each company has to say about it. You will get a better idea of its value.

New varieties that will be offered in this year's catalogs include:

Peas: *Wanda* is a new variety which withstands heat very well. *Freemans* is early and has a tall sturdy plant. It is a huskier version of *Thomas Lupton*.

Cucumbers: *Surecrop* is a new hybrid which resists both mosaic and downy mildew. Cornell-developed *Niagara* is also mosaic resistant.

Tomatoes: Three varieties, *Gen. Red Jacket* and *Longred*, have been introduced by the State Experiment Station at Geneva. One of the most dependable early types is *Vallant*.

Summer Squash: Several varieties of the new green type will be in this season's catalogs.

## State Gives Warning On Japanese Beetles

The N. Y. State College of Agriculture at Cornell has been making an intensive investigation of the possibility of infestation of the Japanese beetle in the coming summer.

Dr. Adams reports, "One of the few areas in Nassau County where severe adult beetle injury and where turf injury may be expected is in the Levitt development. Most of this area was agricultural land only two or three years ago but now is in turf and as would be expected the Japanese beetle has bred there in large numbers and last year caused considerable adult damage."

This prediction has been given consideration in the plans for the protection of the turf on the golf courses and the new landscaping in the (Nassau County) Park. The Red and White golf courses have already been treated with DDT which will be effective for several years in preventing damage to the turf by the grubs. As soon as weather permits, the new Blue golf course will be similarly treated. Horticulturists are making plans for a strenuous program of tree spraying to protect the 12,000 trees that have already been planted.

## Invite Residents To Assist Cubbing

**HICKSVILLE**—The residents of this area have an opportunity to serve scouting by volunteering their services with Cub Pack, Troop 291.

The troop is in urgent need of Den Mothers, so that their program might be carried on successfully. Men are also needed as committeemen and counsellors to guide the important work.

If you have the interest and welfare of our local youths at heart why not avail yourselves of this opportunity to help?

Cub Pack Troop 291 is sponsored by Trinity Ev. Lutheran Church, Nicholai St., but youths of Cub Pack age regardless of race, color or creed are eligible to join.

Meetings are held on the third Friday of each month in the basement of the church at 7:30 p. m. Why not come out to the next meeting on March 16 and volunteer your services!

**VETERAN MEMBERS** of Nassau County Farm Bureau honored recently for up to 35 years continuous membership included many from the mid-island section. Thirty-year members included, left to right, John John Mohorst and Carl Hohost, both of Hicksville; Eugene Williams, Syosset; John Kurzenhauser, Valley Stream; and Charles Joseph, Rosedale.

## Tools Necessary Depend On Garden Size

The tools required for successful garden operations depend largely on the size of the garden. Size along with type of soil and the age of the help, determine the methods of cultivation and weed control.

Some form of power cultivation is a great timesaver in a garden of an eighth of an acre (50 x 100 feet) or more. In general though, it takes more space than if the work were done by hand tools. Stones may make it difficult to do all the work with small tools.

It is surprising how few tools are needed to care for the small garden. The quality of the tools is more important than the quantity, since they need to be sharp and in good working order.

Spades or a spading fork, a hoe,

and a steel rake are the essentials. The hoe should be lightweight and of good material. Lightness, sharpness and freedom from rust make it much easier to use. Other tools and accessories that simplify the job are a good strong trowel, two 24-inch stakes with markings every three inches, and a strong cord to attach to the stakes to help mark straight rows.

In a garden of more than 200 square feet (40 x 50 feet) the wheel cultivator is a great timesaver. If the soil is loose, it is adequate to do the cultivation in large gardens. A hand wheeler will speed up weeding and thinning of the tiny vegetables.

The so-called double purpose tools are likely to be inferior to single-purpose ones for either op-

The answers to everyday Insurance problems  
 By **JOSEPH E. DOCKOW**

**QUESTION:** In trying to get my car a little closer to the wall of my garage, I split the door frame. I can't find anything in my property damage insurance policy which covers this situation. Can you tell me if the insurance company should pay for the damage?

**ANSWER:** No, the property damage policy pays only for damage to the property of others never the property of the insured person.

## Saturday—Great Day for the Irish

(Continued from page 10)  
and Mrs. William Sauer of 83 Myers Ave. report that her parents, Mr. and Mrs. Gustave Hansen, plan to occupy one of the homes in our section at 30 Indiana Ave. Mrs. Sauer's folks were spending the weekend at her residence on Myers Ave. . . . Pfc. Daniel T. Voightlander now serving with the Air Force in Korea, Mr. Voightlander's mother resides at 162 Nevada St. with Dan's wife and child . . . Mr. and Mrs. George Schoessler of 23 Kansas St. have a beautiful spinet standing in their living room. Mrs. Schoessler plays when not fussing about with house chores.

On my rounds I had occasion to visit Mr. and Mrs. Meserole at 22 Georgia St. Ed has an aquarium set-up in his basement and in other parts of the house, wherein he keeps a wonderful assortment of fish. The equipment he has is sufficient to say that this is a very unusual but interesting hobby. His wife devotes her spare time to making "teddy bears" and animals of that nature. Ed's mother is a composer of songs and owner of the newly formed Blue Star Recording Company—some of her recent works are in waxing—including a recording I heard of "Hidden Heaven," which is a perfect ballad for the swoon set—especially if recorded by Combs, Sinatra or Crosby. Maybe we'll be hearing same on local juke boxes or disc shows. Best of luck to Mrs. Helen Meserole on this new venture . . . Up early Saturday a. m., downtown went Mrs. McNamara with Joe driving, and upon her return she was still her charming self, looking very lovely with a new hair-do . . . Hope little Mary will be up and around by the time

you read this, folks. . . Spiegel's new section of 119 homes, priced at \$10,250, will be ready for occupancy around July 15, per reports . . . Hank Hahlbohn has finished his boat and Barbara and Richard decided it would be called "Hopalong"—must be TV influence, eh folks! . . . Many of the older residents in our North West section attended our last monthly meeting to hear the discussion on Incorporation — residents from Roger, Homes and folks down California Avenue, etc., were among the many who attended this important meeting . . . Red Cross volunteers still wanted for drive in our community — please contact me . . . Thanks to LeRoy Wells of California Ave. for his favorable comment on this column.

Until next week.  
Jimmy,  
HI-68317-J.

GOLDEN TEXT: "The glory of the  
Lord endure for ever: the Lord shall re-  
joice in his works" (Psalms 144:3).  
SERMON: From the King James ver-  
sion of the Bible: (1 Cor. 13:12-14):  
"For ye know the grace of our Lord  
Jesus Christ, that ye though his pov-  
erty might be rich: for he became he  
first a willing mind, he is accepted  
according to that a man hath not, and  
not according to that he hath not. For  
means not that other men be eased, and  
ye burdened: But by an equality, that  
now at this time, our abundance may be  
a supply for their want, that their  
abundance also may be a supply for  
your want: that they may be equal-  
ity."

**Permanent Citation For Naval Officer**

GREAT LAKES, ILL. — The Chief of Naval Personnel has forwarded with his congratulations to Lt. Kenneth George Hippe, USN, of 41 Saddle Lane, Hicksville, the permanent citation for the Distinguished Flying Cross which was previously awarded to him on a temporary citation. The permanent citation reads: "For heroism and extraordinary achievement in aerial flight as pilot of a fighter plane in Composite Squadron 3, attached to the USS Kalinin Bay, during operations against enemy Japanese forces in the Philippine Islands area from Oct. 18 to 21, 1944. Completing his 20th mission during this period, Lieut. Hippe pressed home strafing attacks against enemy planes, anti-aircraft guns and installations on Tacloban Airstrip, starting large oil fires and damaging gun emplacements, despite hostile anti-aircraft fire. By his courage, daring airmanship and outstanding skill, Lieut. Hippe provided effective support for our landing forces, thereby upholding the highest traditions of the United States Naval service."

**Something There Is Called Mother Love**

By Joseph A. Le Penser

Something there is called mother love,  
Greatest of Nature's miracles,  
Mysterious symbol of the Creator's power  
Somehow implanted in the human heart  
And linking us to God.

Something there is called mother love  
(Long before birth, before conception even)  
The first sweet dream of maidenhood,  
Strangely beginning,  
The first romantic longing,  
The longing for eternal re-creation  
Far in the future, Time without end,  
The mortal chain  
Of immortality.

Something there is called mother love,  
Given, with strength and endurance,  
That a mother may watch by the bed of her child,  
Fear in her heart, and suffering spirit,  
Watching and waiting,  
Through days and long nights,  
Waiting for the first wan smile,  
The first sign of recovery.

And you, dear doctor, all your best advice  
To me: "Stay firm," say No  
To this and that" may well be wise,  
But how can you resist these curling locks,  
This cherub's eyes and begging hand?  
Perhaps you can . . . I can't.

**Drive-In Theatre Opens Friday Night**

**BETHPAGE**—Bearing greatly enlarged playground facilities, including new kiddie games, and major landscaping changes, the Hempstead Turnpike Drive-In Theatre on Hempstead Tpke., between Levittown and Farmingdale, is scheduled to reopen this Friday evening, Mar. 16. Reopening ceremonies, to which officials of nearby communities will be invited, are now being planned, according to Jack Flax, who will again manage the 1,000-car outdoor theatre. Flax said that, in addition to the pony rides, swings, slides, seesaw, dance facilities, shuffleboard and horseshoes which the theatre had in operation last year, they are awaiting the arrival of a miniature train which can accommodate 18 children. He said he is now working with local officials to have them take over the operation of the play facilities during day-time summer hours, without charge, as a public playground area. The theatre will offer double feature shows, especially selected for suitability for family audiences. Mgr. Flax said, with show-changing every Sunday, Wednesday and Friday. Friday evening Cartoon Carnivals will be resumed as a regular feature starting Mar. 16, he declared. Admission prices will be unchanged. The theatre will be available for benefits and fund-raising organizations, churches and Civil Defense authorities, he added.

(Continued from page 1)  
filed as prescribed and apparently accepted by Mineola headquarters.

The PBC sponsors also recall a previous incident wherein Hicksville boys were deprived of the privilege of competing in a PBC track meet because of some verbal instructions which reached Hicksville after it was too late.

A special meeting was held by the Sponsors with Lt. McCullough and his aides, here, Sunday morning, without success. The PBC County league set-up provides for no board of protest.

The decision of the sponsors tonight may be placed before the Board of Trustees of the county organization at Mineola later this week.

Meanwhile, Westbury will meet Great Neck tonight.

With nice days coming, I'm sure you're planning some fixin around the place—such as painting and the like. Of course everyone wants beautiful effects and color schemes. We have recently installed many **PERMA-STONE** treatments throughout the Island on all types of houses, particularly on small ranch houses and cap cods. The stone like effect of Perma-Stone blends beautifully with the low lines of these homes and at less than half the price of real stone. The average front can be stoned for approximately \$290.00 up, depending on the areas involved. With a color range of 13 different granulated stone facings, it can be easily blended into your existing color schemes.

Our time payment plan over a 30 month period is at your disposal.

Stop in for a descriptive booklet on Perma-Stone.

There is sure to be a job in your neighborhood that we can show you. After 27 years of Perma-Stone service in the field, you can be sure of lasting beauty and permanence at low cost.

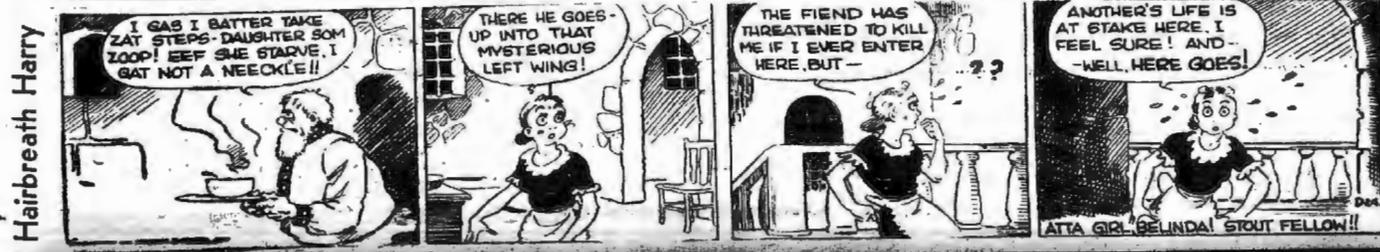

Perma-Stone is the aristocrat of all exterior facings for the home—why not have yours done this spring?

Just call your "Uncle Tom," he's got all the dope on this stuff.

# The Sportlight

By HOWARD FINNEGAN

The public be damned!  
That is not an uncommon attitude of persons in authority towards the will of the people in this age we live in. Therefore, it is to be supposed that Hicksville High fans will have the dubious pleasure of seeing Al Reinhalter work Comets games in the future.

Coach Dick Crawley of Oyster Bay went to the official locker room before the playoff game and emphatically denied the story credited to him in one of the county newspapers the day of the game. The story quoted Crawley as saying he expected to lose to Hicksville since he couldn't beat the officials assigned to the game.

There has been much said about those Crawley remarks to the press, but he certainly couldn't be wrong if he tried to give his team the psychological edge. We thought that was part of the game, if one could manage to do it. If, however, Hicksville authorities were truly incensed by them and found a basis of truth, they should not have gone through with the contest.

Many persons had to be turned away from the game even though they possessed tickets. It seems that all the tickets on sale at the competing schools were sold out, and, coupled with the sale of tickets at the door, the capacity of the Mephram gym was overtaxed. Had only the tickets sold at Oyster Bay and Hicksville been honored, there would have been no trouble.

A reporter and photographer from a South Shore daily had a very difficult time gaining admittance to the playoff game and has made quite an issue over it since. We get quite a laugh out of this since that sheet has always been more than pro-South in its columns and in the past has had little regard for athletics on the North Shore. However, it has slipped in recent years since a newcomer has whizzed by it in circulation and the South Shore paper is now trying to bend over backwards to get reader interest above Nassau's Mason-Dixon Line.

One of the top teams in the NCABL has been competing almost intact in a league at Jamaica all year. And it got pushed out of the playoffs in Queens County right fast.

The reason why Dick Alcock did not play in the first part of the Hicksville-Oyster Bay championship game was not a calculated insult to the Star but was an outgrowth of a trivial incident in the tense Hicksville locker room before the contest.

Since it was announced in pre-game practices that Coach Chet Jaworski planned to use Harold Manaskie and Alcock alternately in the game there wasn't too much of a deviation from the original plan.

So it is best no emphasis be put on something which will be forgotten two months from now.

## CYO Bowling League Remains Close Contest

With but six more weeks of match play remaining in the CYO Eastern Nassau Bowling League, the pack continues as hot as it has been at any time during the season, there being but a seven point spread over the first five teams.

The Hustlers hung onto their lead by shutting out the Golds. Although the St. Bernard Dodgers were on the short end of a 3 to 1 count with the Hicks, Bill Curtin of the losers rolled a trophy game of 225 which was also high game for the evening. This game also put him in third place for high average honors for the season with 174. He is led by Phil Dorr of the Dans at 175, and Walt Bickmann of the Bills, who has 176 for first place—Walt also filled out a 577 series with a 220 game in sparking the Bills to a 4-3 sweep over the Questions.

Ed Adams, with a 216 game, was the big gun in the Cure of the Ars White 3 to 2 victory over the Dans. Bob Lahey, with a 214 and Wm. Hartman, with a 203 for St. Ignatius Whites, and Ed Bergin with a 210 for the Scots, could not meet a 2-2

split for these teams. Ed Mansel accounted for a 201 pinfall for the St. Ignatius Golds as did Howie Hanson for Cure of Ars Blues. In next week's matches, the Rustlers will defend their lead against the Cure of Ars Whites. The second place Eds will tackle the Questions. Third place, Cure of Ars Blues, meet the Purple team of the same Parish.

## Lions Clout Engineers to Enter County Playoffs with Rockville

The Hicksville Lions basketball team took first place in the North Division of the Nassau Alliance, Monday night, when they thoroughly trounced the County Engineers. The win gave the Lions the right to meet Rockville Centre, winners of the Southern Division tonight (Wednesday) at South Side High in Rockville Centre.

## Oyster Bay Champs for 4th Time As Hicksville High Falter 48 - 39

NORTH BELLMORE — Oyster Bay High School won its fourth straight Eastern Division NSAL Championship here Wednesday, by defeating Hicksville 48-39 in a special playoff before 1,000 persons in the Mephram gym.

It was Hicksville's second defeat in 16 starts on the season and left the Comets with the best record in the County but without a championship.

Oyster Bay also inflicted the other loss on the Orange and Black to force a tie during the regular season and bring about this special post-season playoff for the title.

In going for the title it has won only once in 25 years, Hicksville discarded its blistering offensive tactics which in large measure underlined the success of the campaign, and resorted to a deliberate game featuring passing and dribbling... departments it was far from proficient at.

On the defensive side the Comets used a zone defense which pinned everything on stopping big Reg Giddens, Baymen center, in the hope that that was the avenue to victory.

It was not. Trial Without Alcock

Surprised humming rebounded to all corners of the gym when Hicksville started the contest with its star scorer and playmaker, Dick Alcock, on the bench. It wasn't until four minutes had passed in the second period that the Court sparkplug got into the game and by then Dick Crawley's club had the game won.

Betraying their tension and unrest as in sharp contrast to their cooler more poised opponents the Comets started the game with pathetic blundering. They wasted many shooting chances and passed very poorly. Five times in the first 12 min-

utes, Oyster Bay stole the ball and went down for eventual baskets.

Harry O'Mack had extreme hard luck on his shots in the first quarter. He hit the rim with four tosses and all bounded away.

Oyster Bay was content to play the deliberate game with Hicksville. While the Comets were panging up on Giddens, he only scored five points before he fouled out with six minutes to go. They left George Hawxhurst and Whitely Szelc unmolested.

Those two had an easy time set-shooting, not from a very difficult range, and contributed damaging baskets whenever the Baymen were in need of them.

Hicksville was outscored from the floor, 19 goals to 11, but had a 17-10 edge from the foul line.

The victors led 11-4 at the quarter and 19-11 at halftime.

Slight Chance

Hicksville picked up in the last two periods but did not drive half enough against the foul-saddled Baymen. Ted Schwarting played brilliantly for the Comets and for a time the goal was in sight.

With two of the Baymen varsity out on fouls and two more with four apiece, it appeared that Hicksville could crash through in the final minute. However, a foul call on Ted Schwarting by official Al Reinhalter killed all Comet chances of victory.

Two minutes and forty seconds were left on the clock when Schwarting dribbled into the keyhole and let fly with the ball. The ball sailed through the nets and on his descent Schwarting collided with Hawxhurst, who was getting into position for a possible rebound.

To the amazement of all, Reinhalter called Schwarting, refused to allow the goal and Oyster Bay had two foul shots. The very good

The Engineers, winless this year, sank before the leaders of the Lion attack, Big Bill Cheslock and Milt Levitt, who scored 44 and 35 respectively. Ray Fichter, ranny forward, along with John Econopouly, also chipped in 29 and 24 respectively. High scorers were Fichter 29, Levitt 35 and Cheslock 44.

The playoff for the County Alliance crown will be a best two of three series with the second game to be held at Hicksville High School next Monday night, Mar. 19, at 8:15 p. m.

## Fusco Victor In 128-Lb Class

NEW YORK CITY — Frank Fusco of 5 Silber Ave., Bethpage, won first place in the 128-lb. class at the Metropolitan A.A.U. tournament here Saturday, Mar. 10, at the West Side WMCA here. This week-end he will enter the senior A.A.U.s to be held in Brooklyn, Friday and Saturday, Mar. 16 and 17.

## Rustlers Leading In Women's Loop
