CONTEST IN BETHPAGE:

Schwarz Enters Race, Asks Some Questions

BETHPAGE — Charles W. B. Schwarz today announced his candidacy for election to the Board of Education at the annual voting in the new school next Wednesday. Schwarz has been a resident of the community for 42 years and for a number of years, including this, has been 34-year-old chairman. During World War 2 he was the local war bond chairman. He addressed the following open letter to the voters of the district: **Do You Know All the Answers?** "Before I go shooting off, let

me make it clear, I am a candidate for the Bethpage School Board. Before you go to the polls on Wednesday, May 2, 1951, find out the answers to these questions:

"Will the candidates now seeking election attend all board meetings?"

"Are they known to make good sound decisions in the best interests of the children attending school?"

"Can they be depended on to make good sound decisions in the expenditures of school funds?"

"Now that we have a fine new school, is the school tax rate \$1.35, as we were told on December 7, 1948?"

"With an estimated enrollment of nine hundred (900) students in September of this year, will all of them attend the new school?"

"With the present building boom on in Bethpage, will our school (continued on page 4)

1,000 More Register: 1,112 May Vote For Two Trustees

Mid Island School Election Schedule on Page 4
An even 1,000 voters of Hicksville School District added their names to the register, Saturday, to make the total eligible to vote on the budget and for school trustees next week 1,112. The registration, although heavy for a single 5-hour period, was not considered exceptional, since 879 enrolled for voting last year and the local population has almost doubled since the annual meeting last May.

Interested in the election of two school board members on Wednesday, May 2, at the High School between 4 and 10 P.M. Edna Kuhne Sutton and Henry C. Brenzel are candidates for re-election with two vacancies to be filled. A third candidate in the race is Robert Baird of 18 Summer Lane in the Levitt-built section of the district.

Seek Re-Election

Friends have persuaded Mrs. Sutton and Brenzel to permit their designation for re-election because the school district during the past couple of years has embarked upon a building and expansion program which will grow in the years immediately ahead. The incumbents are the best qualified to carry the program to completion.

Baird, in disclosing his candidacy, made it plain that he is not seeking to ouster either incumbent and has no fault to find with the present board in its efforts to meet the problems resulting from greatly swollen enrollments. However, he believes his election should have representation on the Board of Education.

Opponents counter that the "over-all problems of the district must be solved and that sectionalism cannot be permitted to favor one quarter to the disadvantage of the children in another section." The Board has been following, as near as practical, the broad recommendations of the Columbia Report which sets a pattern for long-range development of the educational system of (Continued on page 20)

OPS EXTENDS DEADLINE:

Stores Get 30 Days More to File

HICKSVILLE—All local retailers were warned this week that Wednesday, May 30, is the deadline for filing their List Date Pricing Charts and Initial Markup on Gross Margin Reports with the Office of Price Stabilization. The remainder was given by Patrick J. Buffalino, president of Business Mens Assoc. Inc.

Reports must be filed with the New York District OPS at 401 Fifth Ave., New York City, and officials there confirmed yesterday that the deadline was extended James G. Lyons, Regional OPS Director, says that under the Ceiling Price Regulations retailers who fail to file these documents by May 30 may be prohibited from selling the merchandise covered by the regulations.

The BMA has cooperated fully with local mid-island retailers in the distribution of forms and copies of the regulations. With two supplies of forms and data exhausted, a third stock has been received from OPS and is now available at the BMA office, 161 Bway., Buffalo reported.

Two handy official booklets, "OPS Guide," giving shortcuts to Ceiling Price Regulation 7 and Ceiling Price Regulation 16, the latter on retail food stores, are available at the BMA office.

Retailers were struggling this week with the tremendous job of listing all the goods for sale on the list date, Feb. 24, in their shops. The OPS regulation 7 covers 167 groups of commodities normally carried in apparel, furniture, general merchandising and department retail stores.

Amendments in recent weeks have now embraced appliance, jewelry and other types stores as well. In addition to listing all merchandise, retailers must state the net cost, offering price per unit, percentage mark-up and provide the data on the supporting invoices including the numbers and dates.

Better Informed Here—A spot check in neighboring communities this week by the Herald disclosed that few retailers outside of Hicksville were aware of the OPS regulations and requirements. Here the BMA has obtained data and kept its members informed. Levittown, Westbury, Baldwin and other villages checked were for the most part ignorant of the Federal ceiling price order and its implications.

Retailers who fail to receive an acknowledgement of the List Date Pricing Charts on and after June 30 of this year are prohibited selling articles covered by the regulations. OPS authorities state.

Spohrer retained the row of hangers in the rear and the frontage on Robbins Lane where the Farmers' Market is located. The hangers are being converted into a building for manufacturing. The Market will continue bigger than ever Tuesday and Friday nights on the 17 acres Spohrer retains and will be enlarged and improved, he said.

IN OUR OPINION:

Very Real Threat to Our Identity

By FRED J. NOETH

STRONG PRESSURE is being brought to bear in Washington, where the Truman administration holds sway, to establish the boundary between Hicksville and the proposed Levittown Postal District along Old Country Rd. instead of the Township line.

The Township line is the logical boundary line. Not only is it the present line to mark the areas served by the Hicksville and Levittown branch post office, but, as we have pointed out before, it is also the Hicksville Fire District, Hicksville School District, Hicksville Street Lighting District and Hicksville Park and Parking District boundary lines. All these lines are co-terminus.

NOETH

A township line can not be moved or altered

Herald Reader Opinion . .

To the Editor: In your Apr. 18 issue of the Mid-Island Herald you were shocked at the lack of interest shown by the public. In which you were so right. Also, the small number that came out to register.

I think it woke up quite a few people who read your informative article to go and register. I know it did me. But it's too bad, when you get down to register, you have to take insult, from the man behind the desk.

Four of us came down in a car. The driver of the car said, "I'd better let you off and go hunt for a parking space. I'll take my place at the end of the line when I get there." About 75 people were on line. Time, 7:40 p. m. The wife of the driver got up to the desk exactly at 8 o'clock. This good Civic worker found the desk was very annoyed with the crowd he still had to register and calls out—"Did you back the duns? We don't get paid after eight o'clock."

So I see what you mean when you say self government is expensive in the sense that it demands the contributions of time and interest from the public.

There's a man making easy money from 4 o'clock until 8 o'clock. BUT when he has to give twenty minutes of his time for the good of his community without pay, that's a host of a different color. There's an example of "let George do it" for free.

Then when this woman's husband got up to him and gave his name, this man looks up and hawks him out for not sticking with his wife.

It's men like that, that keep the public home

A SUBSCRIBER.

without action of the State Legislature. But people with the right political connections in Washington can apparently have a great deal to say without knowing the local facts. (It would be unkind to mention here the recent Korean demonstration).

If you want to see the present line preserved, we urge you to write at once to our U. S. Representative, Hon. Ernest Greenwood, House Office Building, Washington, D. C.; Hon. Joseph J. Lawler; Assistant Postmaster General, Post Office Dept., Washington 25, D. C.; U. S. Senator Hon. Irving S. Ives, Senate Office Building, Washington, D. C.

We also suggest that you stress your views on this to our town officials and county leaders and urge them to protect Hicksville's identity also.

The boundary along Old Country Rd. would leave in the same responsibilities, the need for providing fire and other services in the district. However, it would change the identity of almost half of Hicksville to "Levittown," just as the homes were built by Levitt & Sons.

It becomes possible that our high school and new public library, to be located in Levittown" rather than Hicksville. The situation made almost an impossible delay.

Elect Drenzel and Sutton

THE HERALD election of Henry C. Drenzel and Robert Baird Wednesday, May 2, at the high school auditorium. Be sure to vote at the high school auditorium between 4 and 10 p. m.

The Board of Education has embarked on a course which requires the active participation of the voters in the problems and policies of the district. It would be poor policy to have two officials who, at the moment, have with them the confidence of the voters and are willing to accept the responsibility of thorough knowledge of the problems now in motion to the community. The office is open on Monday, Tuesday and Friday. The telephone number is 3-1400.

What's Your Problem?

Is there a problem which my son can get help on? A. A. Veterans' Office is located in the Community Center, 120 Jericho Tpk., Hicksville. Joseph McCarty is in charge. The office is open on Monday, Tuesday and Friday. The telephone number is 3-1400.

facilities be adequate to meet future needs? "Who is going to provide High School facilities for the unparalleled expansion in the Mid Island school area?"

"Are any studies by competent professional specialists underway to give advice and directions to school planning?"

"How much more industrial expansion can be expected to create employment and meet rising tax needs?"

"Are you going to listen to 'stories' about candidates and allow them to influence your decision when you cast your ballot?"

"Do you know how much school tax you will pay on an expenditure of \$350,000 required this year for school administration?"

"How much will your contribution be next year and the years after that?"

"Suppose you think it over before you vote."

"Sincerely yours, Charles W. B. Schwarz."

A square dance is being planned for June 1, by the Holy Trinity Episcopal Church PTA at the parish hall, Jerusalem Ave., Hicksville. Bill Groeping will be the caller, using recordings.

Husband and Wife Jointly Elected To Head Nicholai St. School P-TA

Mr. and Mrs. Ernest Theiss of 47 Hensy Lane were elected to head the Nicholai Street School P-TA at an election held Thursday night, April 19, in the school. It is the first time a husband and wife team has held the office. They succeed Mrs. Robert Corbie of 110 Underhill Ave. as president. Installation will be held on May 17.

Other officers are: Mrs. Everett Lehmann of 51 Flower St., vice-president; Mrs. Lincoln Parry of 39 Linden Blvd., corresponding secretary; Mrs. John Murphy of 51 Winter La., recording secretary; Mrs. Harry Kremp of 20 Flower St., treasurer.

A program of problems in "Family Life" was presented under the direction of Mrs. Oscar Magnuson, parent education coordinator for the L. I. District P-TA. Five skits, recorded by family units from the Nicholai P-TA were played and discussed. "What Price Tidiness" was recorded by Mrs. Lloyd Butler and children, Cynthia and William. After playing the recording, Mrs. Magnuson divided the audience into small groups and gave them several questions to answer, such as "How did we feel about picking up when we were children?" The groups were given ten minutes to discuss the questions and then each sent a delegate to a panel discussion on the stage.

Other recordings that were played but were not discussed due to lack of time were: "Must Music Practice Be Painful?" by Mrs. Morris Kantor and daughter, Linda. "Must We Have Red-lime Blues?" by Mr. and Mrs. Walter Dunbar and son, Forrest. "Let's Eat Supper," by Mr. and Mrs.

Henry Luhmann and children, Ruth and Bobby. "Homework With Accompaniment," by Mr. and Mrs. Ingils and daughter, Jane, and Mrs. Arthur Talbot.

Mrs. Henry Joachim was appointed chairman of the children's party to be held in June. Mrs. Joachim and Mrs. Kubaba, with second grade member mothers, served refreshments.

Hicksville Park and Duffy Park: Protect School Bus, Vote on Tuesday

Hi folks, Don't know whom to blame for the fact that many of you people did not receive the paper until late last week. The Post Office blames the paper and maybe they are right. (How about it, Editor.) The "Vamps" spent Sunday morning giving out stickers advising what number to call in case of fire. Of course you people in Hicksville Park and Duffy Park know you are to call Hicksville 3-0026. Let's hope we never have to use this number.

If you did not register last Saturday, it is too late now. It is surprising how many people who can register and vote, do not! After all, folks, it is you who are going to pay out the money and it is your children who benefit from the School Bus, which is listed in the School Budget. Vote for School Trustees on Wednesday at High School, 4 to 10 P.M. Little Dolene and Margaret Carpenter of 65 Combes Ave., celebrated their birthdays together last week. Their mother had a party for the neighborhood children.

Carol Ann Dieterich also had a birthday April 24. She, too, had a party attended by all her playmates.

Mr. and Mrs. Ed Scanlon of 22 Mead Ave. were blessed with a baby boy on April 22. Lots of happiness to mommie, daddy and the new baby.

Mr. and Mrs. Brown, their 3 daughters and son are our new neighbors on 73 Combes Ave. Welcome to Hicksville, folks. Do hope you like us and our town!

Mr. and Mrs. C Heim of 49 McAlester Ave. celebrated their 44th Wedding Anniversary on April 20. Gee, 44 years seems like a long time. Wonder if I will ever make it?

—Bye now.

AND NOW TO CLOSE: The other day I watched three servicemen walk arm in arm down Barclay Street. One was a soldier, one a sailor, and the other a Marine. None of the three was more than twenty years old. The soldier wore a steel brace, the Marine had his leg in a plaster cast, and, thank God, the sailor looked whole. Perhaps I didn't look deep enough, perhaps his wound was inside. I paused as they went by and thought to myself, "There's a war on, we watch them go, but today here in town there is no little club to let them walk into." I remember back in '41, how much I looked like them, except I was perfect. A couple passing by remarked, they've been drinking. Yes, they may have been drinking, but they conducted themselves as gentlemen.

Many from town will be leaving gradually, they will come home for a visit at times. I wonder if maybe there might be an empty store or building once again to be opened as a Service Club? I remember when I came home I had the Servicemen's Center. If they had a club to drop into perhaps they wouldn't care to take a nip. As for me, regardless of what others may say, the soldier wears the brace for me, the Marine wears the cast for me, and the sailor wears my worries. There, but for the grace of God, go I. **SAM SACK.**

Father Buelow Shows Films of European Trip

HICKSVILLE — The Rev. Father Harold Buelow presented a movie-lecture at a meeting of the Kiwanis last Wednesday in the Legion clubhouse. He showed a film on his trip from "The Land to Rome" including many European countries as they are in the present time. Members marked it as one of the most enjoyable programs presented.

Wives of Kiwanians held a luncheon recently to help boost sales in shares for a 1951 Pontiac award. Mrs. E. H. LeParrou, Mrs. Walter Stilliger and Mrs. Charles Masek conducted the meeting held at the Alibi.

Arrangements were made to display the new Pontiac in front of Bank of Hicksville and L.I. National Bank on alternate Fridays and Saturdays. Captains who will arrange groups of workers for each display day include: Mrs. John R. Brandt, Mrs. Chandler Horn, Mrs. Vincent McGinnis, Mrs. Walter Dunbar, Mrs. Charles Montana, Mrs. Joseph Wycoff, Mrs. Joseph Oliver and Mrs. Joseph Keller.

Proceeds from this award will be used to finance Kiwanis community projects.

The answers to everyday
insurance problems
By JOSEPH E. DOCKOW

QUESTION: Every once in a while we read in the paper about a car being stolen and later being found wrecked or scrapped or everything blown up. After the insurance company refuses the car, who pays for the damage or toll out of the money taken from it?
ANSWER: The insurance company pays for all the damage. Its responsibility is to return the car to the owner in approximately the same condition as before it was stolen or to pay the owner for any loss of value.

HERALD GARDEN DEPT.: Growing Early Vegetable Plants

With a packet of seed and a box of your best-garden soil you are ready to start a garden. Boxes in sunny windows are good places to start tomato, pepper, asparagus, and other tender plants. These will be ready to set out at the proper time.

For best results in starting seed, suggests E. F. Schaufler, Cornell specialist, try a mixture of two parts garden soil, one part peat-moss or leafmold, and one part sand. A convenient size for a flat is 10 to 15 inches on a side and 3 inches deep. It can easily be covered with a pane of glass.

Ordinary clay pots are also good for starting seedlings. Use only those that are four or more inches across as smaller ones dry out too rapidly. Cigar boxes and baking tins have started thousands of plants. If the container has no drainage, be careful not to over-water. Standing water around a small plant's roots kills it as readily as submersion.

Plant only as many seedlings as you can keep in the sunlight after transplanting them. A four or five-inch pot will grow 100 seedlings to transplanting size.

Oven sterilization is recommended to prevent "damping-off," the rotting of seedlings at the soil surface. Before planting the seed fill the pots or small flats, soak the soil, let excess water drain off and then bake in a moderate oven for half an hour. The odor may be unpleasant when you open the oven door but the damping-off fungus will be killed.

You can also prevent damping-off by keeping the seeds from touching the soil. Put the mixture to within an inch of the top of the pot.

A tea with a food and apron sale will be held on May 24 by the Sewing Circle of the First Reformed Church, Jerusalem Ave. and Herzog Place, Hicksville, in the church from 2 to 5 p. m.

seed flat. Rub sphagnum moss through window screen until you have enough for a half inch layer over the soil surface. Sow the seed thinly on the moss and then cover the seeds about a quarter of an inch with moss. Water lightly several times making sure the moss and soil are thoroughly wet.

If you get damping off, you can check the spread of the fungus by spraying the remaining seedlings with a fermete solution using a small household sprayer.

School Election

(Continued from page 1)
Hicksville looking a decade into the future.
The past year has seen the commencement of construction of additions to East St. School and the start of a new Lee Ave elementary school. Sites for 4 more grade schools have been acquired and preliminary plans for buildings on these four additional sites are now in Albany awaiting state approval.

The Board of Registration and Canvass sitting at Nicholai St. School, Saturday, consisted of John J. Fitting, Frederick Schaeffer, John Jonata and Harold Zeltmann. The Board found little to do on Apr. 14 when only 112 reported but was rushed last Saturday. School doors were closed at 8 o'clock sharp, as legally announced, and about two dozen late arrivals were turned away.

Big Circus Selects W. John St.

HICKSVILLE—Long Island will enjoy at least one price reduction this year.

The cost of tickets for the three day performances of Ringling Bros., Barnum and Bailey circus

when it comes here, have been reduced one dollar from last year's prices.

Top price will be \$5—compared with \$6 charged last year—second

ing down to \$2 general admission charges. Reserved seats start at \$3. The circus tents will be pitched on a 60-acre tract on both sides of West John St., near Jones Institute.

The three-day show, scheduled June 7, 8 and 9, is being sponsored by 60 American Legion Posts in Nassau and Suffolk counties, to raise money for hospitalized and wounded veterans.

Tickets will be available by May 1, according to circus ticket chairman Jack Fitzgerald of the Manhasset Post. Tickets can be obtained from any Legion post or through any Legionnaire in Nassau and Suffolk counties.

"The location was secured," Mr. Fitzgerald said, "is readily available by rail, bus and automobile from all parts of Long Island. It is a half-mile from the Hicksville railroad station; it is directly on the Mineola-Hicksville bus route; and it is just a stone's throw from the Wantagh State Parkway and within a mile or two of other major Long Island highways."

23-Hit Barrage Wins Pair

By HOWARD FINNEGAN

Our pick in the Eastern Division NSAL race must be Oyster Bay, Hicksville, Farmingdale, Westbury, Roslyn and Sea Cliff will follow in that order.

It's more than a rumor that extended tours for the Grumman Yankees are a thing of the past.

Those at the Bethpage Plant who contend that the club is not the employee morale builder it is reported to be, seemingly have won their point and limited competition is in the offing for the Yankees.

In past seasons, Grumman has traveled to Canada and numerous other places, but this year will confine its operations to a league in New Jersey. The loop season isn't expected to run ten weeks.

Of course ASA play will be entered in late August and should the opportunity arise, another bid for the World's Softball Championship will be made.

But until then the show won't be half as lusty as in the past and even now some of the brighter lights are looking for additional endeavor or greener pastures.

Bethpage Boys Proficient on Diamond

When the Hicksville High School baseball team meets its traditional rival, Farmingdale, at 17-year-old lad named Louis Portocarrero of Bethpage will likely be the Dalers' batting star.

In his first game at Glen Cove he smacked two doubles and a single and hit safely twice in the Dalers' next game.

He evidently comes from a baseball family, since his brother, Arnie, has been tabbed by Philadelphia Athletic manager, Jimmy Dykes, as a safe bet to be in the major leagues within two seasons.

Arnie was the youngest pitcher at the Spring training camp of Dyke's crew and his work on the mound was one of the better sides of the Athletics on the grapefruit circuit.

He was outstanding on the George Washington High School team in Manhattan and immediately signed an A's contract after his 1949 graduation.

He has been assigned to Lincoln, Nebraska, of the Class A Western League for this season. It is the top farm club of the A's.

San Juan, Porto Rico and West Palm Beach were the previous working places before Lincoln.

It appears that the Portocarrero boys know quite a bit about this game of baseball, and the Comets will have to be on guard against the Dalers.

GEORGE LEHMANN of West Nicholas Street, Hicksville, has pitched the very successful Hofstra College baseball team to four victories already this season.

The ex-Hicksville High south-paw has recorded victories over Hampden-Sydney, L. I. Aggies, Army and Wagner and has allowed just one earned run in 25 innings while doing so.

The Hempstead college is unbeaten in Metropolitan Conference competition and in one stretch defeated Army, Fordham and Dartmouth.

HICKSVILLE—A 23-hit barrage along with effective hurling by Harold Manaskie, Jack Pickering and John Zix, enabled the Comets to run their season's diamond record to 3 and 2, here last week, as St. Dominics and Port Washington were routed 7-1 and 7-2 respectively.

Manaskie held the Saints to a lone run on four hits as he struck out eight and walked four.

A double by Ronnie Multer and a single by Jim Quinn registered the visitors' marker in the second inning. That lead lasted until the Hicksville fourth, when Joe Pepe, Pickering, Cyril Rumens, Bob McDonald and Manaskie singled.

A walk and an error sandwiched in between those five singles produced four Hicksville runs.

In the next frame Elias Stetz belted a big home run with Charlie Rosengren aboard to widen the margin, and the winners added their final tally in the sixth frame.

Pickering, who is the Comet's first baseman when he isn't pitching, struck a double and Bob Hock added a triple for the other extra base blows in the 12-hit attack.

Pickering Excels
Against Port, Pickering went the first five innings and excelled. Overall, however he allowed just two scratch hits and the losers' runs were unearned.

He sent four batters down swinging and issued three bases on balls.

Zix took over for the last two innings and walked one and was not touched by a hit.

The Comets went right to work on Port starter Bill Jankowski and racked up four runs in their first time at bat.

Pepe smacked a double and Ernie Evaschuck walked. A passed ball advanced both runners and a play at home on Pickering's infield bouncer backfired. Two runs scored on the wild throw and Pickering raced into second. Hock then blasted another triple and scored on McDonald's single.

Port score in the third, when Chet Antaskiwow was given a single on Catcher Rumen's inter-

ference. A stolen base and an error got the run across.

In the fourth Hicksville unloaded again.

Singles by Pepe, Evaschuck, Pickering and Rosengren put the final three, runs on the scoreboard.

Tie In CYO Bowling League Not Likely

The last week of the Eastern Nassau CYO Bowling League season comes up and the possibility of a tie for leadership, but to have this happen the Hustlers would have to drop four points while the Eds were taking four.

The battle for high average honors seems to be pretty well locked with Walt Beckmann of the Bills leading the pack with 178, followed by Bill Curtin of the Dodgers with 176. Ben Adams of the Bills and Phil Dorr of the Dans will be rolling to eliminate one another as they both have 174 coming into the last night.

For the second successive week Phil Dorr comes up with a pair of 200 games, rolling the high game of the evening in the first

224, followed by a 200. Bill Knoll, the Scaford Beer Baron, checked in with a trophy game, rolling an even 225. Joe Froehlich of St. Ignatius Golds missed the mark by one pin, rolling a 224. Ed Emmel saved the day for the Hustlers with a 207. Tony Gallo of the Eds had a 208 game to his credit. Bob Maufroy accounted for 215 pins, aiding the Hicks in their 4 point sweep.

Other 200 games were rolled by Bill Curtin of the Dodgers 205, Joe Letzbuecher of St. Ignatius Whites 203, and Chas. Kowanetz of the Abbots 202.

Taking a final look at the standings, it looks like there will be some hot rolling in the last week of the season, with the fourth place club trying for third place and the third place team shooting at second, with the second place team shooting for the works, and the Hustlers needing but one point for the championship.
