VOTE NEXT TUESDAY:

615 More Register For Big Bond Issue

HICKSVILLE—Another 615 voters added their names to the register this week to make a total of 1,827 eligible to vote next Tuesday at the high school, between 3 and 10 p. m., on a two million dollar bond issue covering four new elementary schools. A public discussion meeting on the propositions will be held tomorrow (Thursday) night at the high school auditorium starting at 8 o'clock.

1,400 Get Pool Tags; Plan Weekend Issue

HICKSVILLE—While 1,400 families registered last weekend, despite inclement weather, and received identification tags for the two Levitt & Sons swimming pools in Oyster Bay Township, a final opportunity for the remaining 1,000 families of the area to get the tags will be provided by the North Levittown Home Owners Assoc. this Saturday and Sunday afternoons.

C. C. Miller, NLIHOA president, said that 85.5 per cent of those issued tags made voluntary contributions to finance the cost of tags, hire of guards for the pools, etc. this Summer. Those reporting this Saturday and Sunday at the Levittown Parkway or West Village Green pools are again asked to bring identification tags with them to prove their residence.

Until the weekend, persons who want to get tags may see Miller at his home, 24 Summer Lane, evenings after 7 o'clock. One tag is issued for each household. They are brass disks about the size of a quarter, stamped Levittown Pools and bearing a number. Each has an elastic armband attached. Registered residents may use the tags to take guests to the two pools, Miller said. Plastic tags issued by Levittown Park District will also be recognized at the pools in Hicksville.

Levitt Home Area Petitions For Refuse District Extension

HICKSVILLE—A petition to Oyster Bay Town Board will be in circulation this week among the 2300 homes in the community built during the year by Levitt & Sons requesting extension of Hicksville Garbage District south to the Township Boundary line the Herald learned yesterday. Poor service by the private collector in the area, such as last week when rubbish piled up on the curbs for days, has brought the matter to a head, sponsors point out.

THE KEYS for the new, additional quarters of Long Island National Bank at Broadway and Herzog Pl., Hicksville, are turned over by George Henn (left) of Hicksville Improvement Co., general contractors, to William Duffy, president of the Bank. Former post office has been renovated and wall cut through to give the bank an additional 4500 square feet of space to handle its growing business. (Photo by Webber.) Other pictures on page 2 and 3.

300 Honor James 'Happy' Norman

(Picture on Page 18)

BELLMORE—More than 300 friends and neighbors attended dinner at the Sunrise Village, here, Sunday evening in tribute and appreciation to James 'Happy' Norman, Bethpage Republican leader and contractor. Congressman Leonard W. Hall headed the distinguished public officials at the event who joined in the testimonial.

J. J. Gilbert, chairman of ceremonies and introduced the guests who included: Congressman Hall, State Senator Wm. S. Hukla, Jr., Republican Club President Robert Glaser, Town Highway Superintendent John R. Bramet, District Court Judge Joseph P. Lehnheiser, Elections Commissioner Wm. Maesser, Town Tax Receiver Frank G. Schell, as well as fellow Republican Executive Committee members Ernest Frange of Hicksville, Edward Lynde of Massapequa and James Cardinale of Oyster Bay.

Presents Gold Watch

Miss Maude Robinson of Bethpage, former deputy county public welfare commissioner and first GOP committeewoman in the district, made the presentation of a gold watch as a token

of esteem from the community. Gifford presented a box containing a huge statue of an elephant, since Norman is an ardent Republican. Cliff Daley, Legion commander elect, presented a citation of merit from the Legion. Postmaster James Klingelhoefer presented a scroll signed by all present at the dinner.

Tributes to Norman were also expressed by Paul St. Gilbert, firm's personal manager, and Anthony A. Maleno of the State Workmen's Compensation Board.

A souvenir booklet given the dinner guests gave the background of the guest of honor who came to Bethpage from Iowa 19 years ago. He was a lieutenant in the First Flying Squadron in World War I, is a 30-year member of the Legion and past commander of Archie McCord Post. He is a member

Homeowners seeking inclusion in the garbage district want, they say, the type service possible only under municipal operation with a collector contract bound and bond-posted to provide regular collections.

The County Health Dept. sanitation division told complaining homeowners this week that county health regulations license private collectors in regard to type of equipment used and facilities for dumping or incineration. The county does not regulate pickups, and a Health Dept. spokesman urged those calling to get within a garbage district set-up without delay as the "most satisfactory solution" to their problem.

The Health official said Main Transfer, which has most of the private collecting job in the area of Hicksville outside the garbage district, complained they had three trucks broken down and were "behind schedule." Main Transfer also said they were "operating at a loss" with 2,000 delinquents on the books out of 7,000 stops. The company also covers Levittown.

William Gill of 2 Bank Lane is leading the petition circulation and has found many in his neighborhood anxious to get a garbage district set-up. William volunteers can reach him at Hicksville 3-4288.

Oyster Bay Town Board was prepared to establish an extension a year ago. When public hearings were held, officers of the North Levittown Home Owners Assoc., claiming they represented the people of the area, objected and said they found private collection satisfactory. In view of that opposition, the town board dropped the plan.

Grant Business On Old Country Rd

OYSTER BAY—A 2000 square foot residential to business lot on Old Country Rd., Hicksville, was granted by the Town Board last week upon the request of Frank Wells of Hicksville, according to Town Clerk Leslie Dwyer.

The change was granted with the stipulation that the present greenhouses on the land be removed, a 7-foot set back from Old Country Rd., adequate space for off street parking and a \$4,000 bond be posted guaranteeing completion of the work within nine months.

OHIO VILLAGE BEGAN 1876:

Hicksville's Mayor Urges Incorporation

The Village of Hicksville, Ohio, has been incorporated for 75 years and the present mayor believes it is the best kind of local government. The message of Mayor Robert S. Longworth, received this week, is of special interest today to residents of Hicksville, Long Island, N. Y., where a movement to incorporate as a village is underway.

Commenting on incorporated local government, the Mayor of Hicksville, Ohio (population 2200), states "It is the best kind of government we know today, providing you have complete men handling your local affairs."

"Being incorporated you have a feeling of local pride. You are able to administer your own funds to your own interest and to set up projects which you know will benefit your own citizens and gain the respect and admiration of those around you."

Hicksville, Ohio, which is the second largest community in the nation with the same name, incorporated in 1876. Hicksville, Long Island, has a population today estimated at 17,000.

Flames Ruin Auto On State Parkway

HICKSVILLE—An auto owned by Dan E. Cornan of 116-18 Nashville Rd., St. Albans, was damaged when the car gas tank exploded on Northern State Parkway near Cantigue Rd. on June 6. Volunteer firemen answered the alarm at 4:36 p.m. to extinguish the blaze.

Hicksville firemen were also called to Burns Ave. at Mead Ave. for a grass fire on June 6 at 7:47 P. M.

A faulty oil burner caused slight smoke damage at the home of Ed Delaney, 37 Abbot Ln., on Monday morning at 10:45 A. M., according to firemen.

BOARD OF DIRECTORS of LI National Bank of Hicksville (at left) held their first meeting in their new room last week. Seated, left to right, are William Duffly, president; Henry J. Weickman, vice president; and William E. Kaufman, cashier. Directors standing are Norman C. Godfrey of Godfrey Farm Supplies Co. Inc., Edward A. Braun of Braun Bros. Inc., and Charles R. Carroll, attorney. First use of the room, decorated under the direction of Mrs. Kaufman, was a pleasant and interesting surprise for the bank board. (Other picture on page 3)

Dear Jean...

I understand that GREEN ACRE NURSERIES plans a big display building on Hempstead Tpke. just east of Wantagh Ave.

County Health Dept. is making its annual survey of beaches and will have its first 1951 report on sanitary conditions of public swimming places ready for the Fourth of July rush. . . 660 new homes for South Oyster Bay Rd., starting at Plainview Rd. in Hicksville, are scheduled, according to a new sign posted there. Sign also says theatre, bank and supermarkets are there, but we have our doubts. . . Cerebral Palsy drive, directed here by WILL BOTTO of Alexander Ave., has been extended until the end of June, according to county headquarters. . . GEORGE LOUCKS, chiropractor, of 67 Bway, Hicksville, is publicity chairman for the 43rd annual convention of the New York State Chiropractic Society, Inc., which meets in New York, June 15, 16 and 17. . . Members of Hicksville Civic Assoc. and their friends are reminded that the annual installation dinner takes place June 30 at the Alibi. Get your tickets by the end of this week from Chairman WILLIAM L. GEYER of Grove St., or at the Herald office. . . County Planning Commission held a hearing at Mineola, Monday evening, upon application of Lincoln Builders, Inc., for Section 1 of map of Plainview Gardens, a new development for the south side of Plainview Rd., approximately 1000 feet west of Grohman's Lane, Plainview. About 20 people were present for the atomic film shown at Nicholas St. School, Friday night, by CLIFFORD PLACE for Hicksville CD.

GEORGE ALBERTI, manager of the meat dept. at the Sunrise Food Store in the West Village Green, Hicksville, paid a \$25 fine in district court recently upon charge that customers were short-weighted by several ounces. He claimed an inexperienced clerk was to blame, incorrectly marking weights on pre-packaged meat in the store.

The Levittown Community Hall, which is in Hicksville, on Levittown Parkway, will be open for use shortly. Members of the East Meadow-Levitt and NLEBOA Civic groups are tentatively prepared to hold a get-acquainted program there when it is completed. . . Everybody wants to know, but nobody seems to have the answer—“Why isn't the town's new dog ordinance enforced?” It prohibits dogs at large without a muzzle or leash, and yet every week sees many local children needlessly bitten and injured (not to mention mailmen, etc.). . . WALLACE COLLINS has won the scholarship at the State Conservation Camp, sponsored for the third year by the Hicksville Sportsman's Club. He was chosen thru the faculty of Hicksville High.

Such is the disgust of some Hicksville folks not in the garbage district with the service (?) given by Main Transfer that about 15 of them are scheduled to start doing business with JAMES ALLEN this week. . . Happy Father's Day to ELLERY H. BEAN of W. Marie St., last year chosen (?) “Father of the Year”. . . Civil Defense will register volunteers and take fingerprints at St. Stephen's Church on Thursday night, June 21. . . June has been designated Warden Volunteer month. Have you enrolled? . . . A bouquet is due for JERRY EPSTEIN, and associates for making available the grounds for the Legion threw last weekend. Incidentally, the arrival of the circus was thrilling and the show itself was wonderful. Many were at the depot before 4 o'clock in the morning, Thursday, awaiting the arrival of the circus train, which did not get unloading until about 7 a. m. The Herald had almost 200 phone calls the 3 days of the circus, many from the city asking about the prices, time the show started, etc. One man even called Sunday after the Big Show had departed for Bridgeport, Conn. . . Jericho firemen answered the alarm at 16th and 17th Sts., Jericho, about 1:30 Saturday morning when fire demolished a barn and damaged two adjoining garages, the property of NEIL BARNES and RUSSELL DAVIS.

COLLIDES WITH HYDRANT on June 10. His passenger, Roelid HICKSVILLE. — Arthur Moore Swenson of 15 Rust Ln., Levittown, 28 George Ave., hit a hydrant town, refused medical attention on the west side of Garden St. for his injured back.

OFF SOUTH BROADWAY: Circus Is Gone but Carnival's Here

By Barry Lauer, HR 3-2794J
Well, the Circus has come and gone, but the memory still lingers. Gosh, but everyone had fun. So what's a little tummy-ache among friends? Think of the good time you had acquiring it. All that popcorn, hot peanuts, lanks, candy cotton, jelly apples, (see, you'd think that the kids couldn't use able to eat again for a week. The next morning they were as hungry as ever. Soon the carnival will be here, yes; it's a great life if you don't weaken. Watch those diets, girls! Spend your pennies on the rides instead of the eats.

Speaking of eats, the OLIT-KYs and family of 73 Sleepy-Js had dinner at the home of the aunt in Flushing, Sunday. The awful weather Sunday put in end to the much-planned picnic we were supposed to have in Bethpage State Park. The kids were very disappointed until BETTY RATNER of Bethpage, Greena, invited the whole gang of us to her home for a patio party. When we got there it rained so hard we had a garage party instead. Those who were there included Mr. and Mrs. Oscar Lauer, Mr. and Mrs. Ben Rudnik and children, Ellen and Sheila, Mr. and Mrs. William Woodley and daughter, Yola, and Marty, Holly, Ivy, Ruth and myself. Betty, thanks for saving the day and we all had a wonderful time.

The JIM REILLYS of Tiptop La. had guests from Florida over the weekend. The WEEKERBACK children, Jerry and Pearl, of Division Ave., spent the weekend with their grandma in the Bronx.

Mr. and Mrs. RICHARD BART of Cottage Blvd. gave a family "snore party" in honor of their daughter, Faye, who celebrated her second birthday. Those who attended were Mr. and Mrs. Louis Robbins, Mr. and Mrs. Ben Fink and children Paul, Joan and Diana. Mr. and Mrs. William Winters, a Nick and his birthday cake was the masterpiece of the dinner.

All the children received prizes.

Mr. and Mrs. J. REILLY of Lee Ave. just returned to their home after spending a week with Mrs. Bell's parents, Mr. and Mrs. H. C. of New London, Conn.

To little ROY MERKLER of Lee Ave., thank you very much for always starting my day off so pleasantly. His mother puts him out in the play pen nice and early and I talk to him in the bedroom window. He is just like a doll, you want to pick him up and just squeeze him and kiss him. Hilda,

ing. I'm going to smother him for some day when you're not looking. Mary doesn't like that dreamy look I get when I talk about Roy.

The VARGAS of 2 Mercury Pl. had company from Queens Village over the weekend.

Now for some nagging. Don't forget tomorrow (Thursday), June 14, at 8 p. m., to be at the Hicksville High School auditorium to attend the discussion meeting of the school board for the proposed construction of four more elementary schools also for more money for the Lee Ave. school. You owe it to yourself to be there and don't forget June 19 is the day you vote, between 3 and 10 p. m., at the high school. Please keep these dates in mind and I'll see you all tomorrow.

ELECTRICAL TIPS FOR THE HOME

If Your Toaster and Coffee Maker Take Forever to Heat Up...

DON'T blame the appliance or your dealer. Chances are your wiring is overloaded. Overloading can cause as much as 10% voltage drop on a circuit. When this happens, a toaster will take 31.5% more time to heat up and a coffee maker will take 22.5% more time than when the wiring is adequate.

DO install at least two 20-ampere appliance circuits to serve cooking appliances in the kitchen and in the dining room. When there are enough circuits of large enough wire, your electrical equipment will operate efficiently and economically. You will also be assured of better cooking results.

NEW CUB PROGRAM

The P-T-A of the Plainville School recently sponsored a Cub Scout program for Pack No. 126, which is open to all boys in the school district between the ages of 8 and 11.

The Pack was granted its charter by the Boy Scouts of America on March 31 and boasts a roster of 21 boys. Committeemen for the Pack are Job R. Wright, chairman; Donald J. Whitner, George Phillips, Morton M. Stanton. The Cubmaster is Jerome Kurin, and the Den Mothers, Theresa Watts, Emily Starke, Louise Shillite and Marguerite Karlin.

The first meeting of the Pack was held May 4 at the School with railroading as its main theme. Judges chose the three best hand made trains now exhibited in the window of the Bethpage Sweet Shop. Their June meeting will feature a circus complete with side show, freaks, feats of skill and an exhibit of wild animals.

Figuring proportions on how
to mix concrete—puzzles you
won't bet!

Don't say Concrete —
Say "SAKRETE".

The small concrete or mason-
ry job around the house has
always been troublesome. First
there arises the question of
how much sand and cement; or
gravel to buy. Then there is
the dirt, waste and trouble en-
countered in mixing.

It was to solve this problem
that SAKRETE came to be
made. SAKRETE was made so
as to give inexperienced users
of concrete and mortar, pre-
mixed in dry form, packed in
multi-wall sacks, requiring only
the addition of water before
using. The convenient sacks
are dust proof, so that only as
much as is actually needed is used.

Now homeowners can patch
sidewalks, floors, fish ponds,
patios, or driveways, with the
least amount of trouble and
waste, and with good results
too.

No mess, no fuss. Here's what
you do—

Let Uncle Tom know what
you intend to do, so that he
can advise the proper type
SAKRETE to use.

We have it in
Gravel mix
Sand mix
Mortar mix, and
Water cure.

In small and large bags.

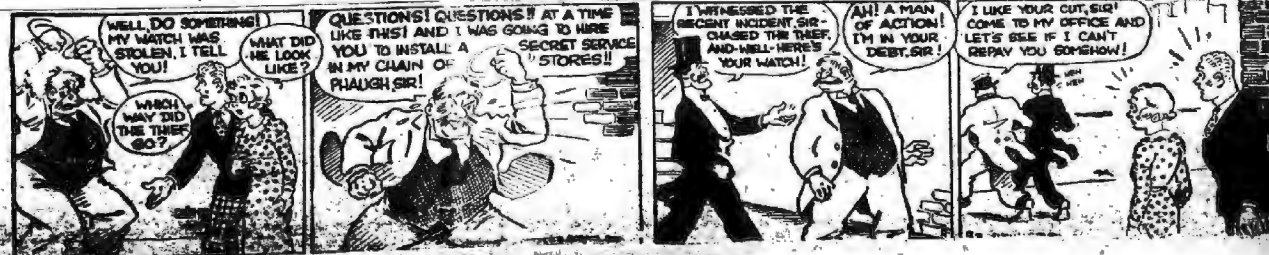

So if you get all bewildered
figuring your quantities of sand
and cement, TRY SAKRETE.
You'll enjoy working with it, as
much as we'll enjoy selling it.

Please order early in the
week for your week-end chore
—we'll be able to serve you
better.

(Now if you want to break
your back, we also rent cement
mixers.)

We have long heard considerable talk that Hicksville is a Dodger Town.

The big day for supporters of the Bums—when they can prove their number and allegiance—is set for August 21, which will be Hicksville Night at Ebbetts Field.

This writer is about as far out of the Brooklyn camp as can be, but we would not like to have fellow Hickavillians disappointed when they go to see their heroes. We hope that Cincinnati is not the Bums' scheduled opponent for Hicksville night.

Lou Smith, representing the Hicksville Rotary Club made separate contact with the Dodger management this week just about the time the Hicksville BMA was working on the project also. All forces are united now, and it is expected the Lions and Kiwanis will also get behind this Hicksville project. Tickets at \$1.75 including tax will go on sale shortly—watch the Herald for details.

If you have one of those baseball pools where you work you will understand why 15 members of one in the Hicksville business district almost pulled all their hair out.

The first week of the season someone already lost in history took the pot and then for SEVEN consecutive weeks John Econopoly of the Sweet Shop had the winning team!

Empire Diner was upset 3-2 last week in the Hempstead twilight league and must beat the Hub PBC this Thursday night to take the first round honors there. Jim Barone will get the assignment.

Manager Jim Valentino of Empire Diner announced this week that his club has joined the North Shore Athletic League and will seek the title in that loop while also defending its 1960 honors at the Hub.

If Farmingdale-High's Lou Portocarrero wasn't the outstanding scholastic baseball player in Nassau County this year, we are in the wrong business.

As we go to press the protest Hicksville filed with the North Shore Athletic League over its 9-4 loss to Oyster Bay on the diamond has not been acted on.

It is, however, no secret that a full scale battle over it is raging behind the scenes in the NSAL and just because the season is over will either side consider dropping the issue.

The efforts of Congressman Leonard W. Hall of Oyster Bay to support legislation which will remove Federal admissions taxes on school games and affairs was praised this week by the New York State Public High School Athletic Association of which John K. Archer of Malverne High School is secretary-treasurer.

HEMPSTEAD — Farmingdale High School is today the champion of Nassau County on the scholastic baseball diamond and right-handed Lou Portocarrero put the Dalers there.

The Bethpage lad blanked Sewanhaka here on the Hofstra College field, Friday, to end the iron rule of the South Shore with a two-hit effort in one of the finest scholastic title games ever seen.

Portocarrero, under-ated on the season, attack but four batters and did not issue a free pass on one of those rare occasions where the Eastern Division NSAL represents native takes all the blue chips.

Previous to the Sewanhaka outing Portocarrero had tharcked Manhasset 6-0 for the North Shore championship.

Farmingdale scored its first run in the sixth inning. Charlie Finzer opened with a single. A strike out followed and then Tony Tomachio sent a double play ball to the hill but an error allowed both runners to be safe. Johnny Sauer struck out but Ronnie Gale hit to third and the ball got away from the Sewanhaka keystone man and the first run was home.

The Dalers Red the decision in the seventh. Bob Zawaski walked. Ronnie Keller singled and both advanced on Jack Muratore's sacrifice and Finzer then delivered both with a scorching hit past third.

Hicksville Relays Ready For County

HICKSVILLE — While falling short of Oyster Bay's record 76½ points, Hicksville's PBC qualified at a 2nd Precinct track meet on Saturday at the high school with a number of first and second place posts, including all four relay teams for the Nassau County PBC meet to be held June 27 at Westbury High School.

Excellent performances were turned in by little Bobby O'Mack (a double winner), flash Bob Frazer and Eddie Scott who turned in a thrilling anchor leg to give Hicksville the 125 lb. relay title, one of the high points of the meet.

All contestants placing third, thereby qualified as alternates for the big county meet on June 27.

PBC Team Drops Second Game 8-1

By DIANE UFFMANN
HICKSVILLE—Hicksville PBC baseball team lost its second game 8-1 to East Meadow PBC. Saturday, June 9, here.

Starting pitcher for the locals was Stanley Keilner who was relieved by Keute followed by Hogan and Sauer. Catchers were Janicky and Keilner. Pitching for East Meadow was Harichs with Hatzehman catching. Hicksville took the lead in the third on a base hit, base on balls and two errors. In the 5th East Meadow scored 5 runs and 3 in the 7th.

JONES BEACH—The undefeated Levittown AA and Wright's of Manhasset both bowed to the powerful Botto Brothers troupe 9-5 and 4-2 respectively, in last week, as the Hicksville entrant struck two important blows in its quest for the 1951 championship.

The triumph over Manhasset, was accomplished by the medium of catcher Bryan Masterson's bat and a three-run rally in the seventh inning. Highly regarded Richie Bergnauser took the defeat for Wright's.

Levittown had won its first two encounters before the Saturday night meeting with Botto's and had fireballer Joe Smith on the mound to oppose his old teammates.

Bill Brodiuk handled both assignments for Manager Bernie McGunagle.

Early Surge
The Saturday night crowd, which usually goes over 3,000 was held under 500 by a chill and strong wind. The unfavorable elements produced some weird puz on the diamond, but an early surge gave Hicksville a comfortable win.

Botto had control trouble in the first inning and Levitt picked up a run without a hit in that frame.

In the bottom of the first Marv Yartovsky walked and Garry Nordwahl bunted for a base hit. Yartovsky was cut down at home plate, but Jerry Kiesel hit a 3-0 pitch to second which was error and allowed the first run to cross.

Ed Coleman singled sharply to center, George Karman walked and Smith let loose with two wild pitches before a double play stopped. Hicksville after four runs scored.

In the second inning Ralph Ferrara, Bordiuk, Yartovsky, Nordahl, Masterson and Kiesel all singled in succession and Hicksville picked up four more runs.

In the fourth, Levitt tallied three runs and got another marker in the seventh.

Kiesel Homers
The biggest blow of the night came in the sixth, when Kiesel socked one of his monster home runs into the left field dunes to round out the Botto attack. Bergnauser duled Bordiuk 1-1 for six innings. In the seventh Ferrara walked and moved to third on a single by Bordiuk. A fielder's choice failed to nail Ferrara at the plate and the tie was broken.

Masterson then singled over second to score the other two runs. Manhasset scored once in the ninth, but Bordiuk had the losers under control and Botto came off with a two run margin.

The victories gave Botto 2-0 won and 1 lost mark at the stadium since the Botto lost its first start 5-4 to Floral Park.
