Hicksville Man Leaves for Key Post With Civil Defense in Washington

HICKSVILLE—Architect Robert Lee Corbie of 110 Underhill Ave. is scheduled to leave today (Wednesday) to assume his duties as Chief of the Civil Defense Liaison Branch of the Atomic Energy Commission headquartered in Washington, D. C.

His background on the subject acquired as executive officer and editor of a U. S. Strategic Bomb Survey that operated in Hiroshima after the 1945 atom bomb blast, prompted the government to request his services. During World War II he was a Lieutenant Commander in the Civil Engineer Corps of the U. S. Navy. The team he headed made a field survey and report for the War Department on the physical damage to buildings, bridges, underground lines, utilities, etc., in Hiroshima. The group worked in the atom-bombed area for two months and then spent six months in Washington compiling the data.

ROBERT LEE CORBIE

A function of the Civil Defense Liaison Branch of the Atomic Energy Commission will be to answer questions from other government agencies pertaining to protection of civilian life, operational procedures for industries and construction requisites in relation to atomic attacks.

Corbie has been retained as an architect by the New York Central Railroad since 1946. He was the architect for the \$5 million ultra modern and much-publicized Central Union Terminal for the New York Central System at Toledo, Ohio, which

was opened last September. His wife, the former Miss Evelyn Anne Sumner, daughter of Mr. and Mrs. George Sumner of Hicksville, expects to leave shortly for Washington with their children, Nancy Ann and Robert Lee, Jr.

Penner Gets Right To Confine Fight

HICKSVILLE — Isaac Penner of Canisius Rd. felt he won the first round in his legal battle with the Town Board and Press Wireless this week when Supreme Court Justice Hallinan found his petition sufficient and denied a motion to dismiss his action. Penner is bringing suit, through Igan Corp., to cause the ouster of the radio communications installations, poles and buildings on hundreds of acres adjacent to his home.

The ruling of Justice Hallinan was published in the Law Journal on June 14. Penner argues that the towering poles and structures on the Press Wireless property in a residential zone are there "illegally" and he wants them all removed.

Flaming Dumps Call Out Vamps

HICKSVILLE—A fire in the dumps on Duff Ave. near Preferred Sand called out local firemen on a silent alarm on Monday at 8:44 P.M. An alarm sounded at 8:02 P.M. for more assistance and firemen spent several hours controlling the fire.

The dumps again broke into flames yesterday (Tuesday) morning at 7:41 engaging the firemen for two more hours.

Flames damaged a large area of railroad ties when fire broke out in a rubbish pile near the rear of Kroemer Seed on West John St. Saturday.

BULLETIN 2 Men Die as Train Drags Auto 500 Feet

HICKSVILLE — Two unidentified out of town men were killed at the Old Country Rd. RR crossing here this morning (Wednesday) when their car was struck by a city-bound train at about 8:40 A.M. and dragged down the tracks for nearly 500 feet. At 11 o'clock this morning, police had not completed identification of the victims. Unconfirmed reports indicated the car had speed eastward, passing several autos which were waiting at the crossing for the passenger train to pass. The crossing is protected by flashing lights.

The late model Chevrolet sedan was dragged down the rails to a point opposite Carl St. The wreckage halted close to the spot where the late Bing Lee was killed a score of years ago in a somewhat similar accident.

Train movement in both directions was delayed for several hours.

By JIMMY CUMMINGS
HI 3-3317-J

Our combined social and meeting, Friday evening, will be remembered by all in attendance as

Members will be notified by post card on picnic data — additional information will appear in this column in weeks to come. The turnout for this function was terrific—over 80 members and their wives attended. Refreshments, food, and entertainment highlighted the evenings fun.

The basket of cheer was won by Mr. Mac Cloud of Kansas St. and the door prize by our good friend down on Nevada St., Joe McMillen. Herb Johnson, our corresponding secy., was in there pitching again. He provided us with microphone, phonograph etc. and again the platform for dancing. Our thanks to you, "Martin Block. Joe McNamara of Meyer Ave. supplied the records for the evening. Cliff Place provided us with entertainment—(Spike Jones himself)—. There were a number of good voices heard during the community singing of the old songs. All in all, everyone had a good time.

The Shipping Industry

Fulton's "Clarendon" On The Hudson, 1897.

In 1800 it was cheaper to ship goods from Pittsburgh to New Orleans than to Harrisburg! It took frightened men—plus adequate bank credit to provide capital—to build the railways, steamer lines, highways and airways that have enabled Americans to buy and ship anywhere. Bank credit can help you keep up with changing times.

HICKSVILLE PARK AND DUFFY PARK: Carnival Music Not Exactly Lullaby

By Dora Warner HI 3-3457W.

Hi Folks:

I imagine quite a few people are glad to see the Marks Show leave town. It was a very nice carnival but we could hear the music in our homes until it closed. And I must say, it wasn't the kind of music to lull one to sleep.

Mr. and Mrs. JACK LODATO of 7 Mead Ave. were presented with a baby girl on June 11 whom they named Janice Marguerite. Grandma Krause is so proud she has already taken pictures of the new arrival.

The volunteer firemen will be around to take their annual collection, folks, so please try and help them out. After all, these men work for free all year round.

Did you lose a puppy? Mrs. BAGGOTT of Old Country Rd. found a male puppy about two months old last week. He is white with one brown ear and a few small brown spots. Mrs. Baggott will gladly return him if you'll call Hicksville 3-3464W.

Mr. and Mrs. JOHN McMAHON of 10 Mead Ave. entertained about ten guests Sunday. Seems they all dropped out unexpectedly for Father's Day. It seemed like they all had a good time.

We got our free Town of Oyster Bay sticker last weekend and tried out Center Island Beach. The water was cold and the only one who braved it was my 4-year-old daughter.

Hope all you Daddy's had a nice Father's Day. I'm waiting for your calls on any news.

MEADOWBROOK TRIANGLE NOTES: Patriotic Night Marks Flag Day

Our June program includes a Patriotic Night in commemoration of Flag Day at our last meeting held on Thursday. A Girl Friend Night will be held on June 26 at which each member of Meadowbrook Triangle will invite at least one guest, plus all the prospective members we can call in, and the members of Sequoia Triangle will also be our guests.

By this time school will have closed so we are free to accept the invitation of Sequoia Triangle to re-enact "The Bachelor-Girl's Dream" for their parents' night program, June 29.

A joint picnic is being planned with Sequoia Triangle for a day in July.

Meetings of Meadowbrook Triangle are held at the Masonic Temple, Westbury, on the second and fourth Thursday of each month. Eastern Star members and Master Masons are always welcome. Come out and get acquainted with our work, ritualistic, charitable and fraternal. We promise you a cordial welcome.

Annual Triangle Convention
More than 250 Triangle girls accompanied by 75 or more Jr. Deputies, Supervisors and Daddies, journeyed to the Masonic Temple at Islip, May 28, for the annual convention of Triangles, Daughters of the Eastern Star, of Nassau and Suffolk District.

All girls and Jr. Deputies dressed formally for the occasion. Mrs. Dorothy Fitzpatrick, Jr., Advisory Council member for this district, was in charge of the arrangements assisted by the Beloved Queens and Jr. Deputies of the ten triangles in Nassau and Suffolk.

Buffalino Reminds Businesses of OPS

HICKSVILLE—All businesses offering retail services to the public, including auto repairs, barbering, cleaning and down the list to parking lots, must post their ceiling prices where customers can see them, BMA President Patrick Buffalino warned today, based upon notice from the Office of Price Stabilization. Such lists must be posted by Friday, June 15. Included are beauticians, laundries, tailors, retail repair of shoes, radios and household appliances, photographers and golf courses. They come under CP Regulation 34.

DRIPPINGS FROM A POET'S PEN

By **Jenny C. Cooley**
"WHEN ALL THE WORLD IS STILL"
I long to walk among God's things
To climb up yonder hill
To feel the warmth of the sun
When all the world is still.
Oh give me just the open fields
Of corn and summer wheat,
Where sudden showers kiss the earth
And cools the torrid heat.
Across the valleys high and wide
Where Nature's at her best,
The birds sing gaily as they wing
Towards home and peaceful rest.
I wish to feel the cooling breeze
That in the air will fill,
The fragrance of a flower rare
When all the world is still.

(All officers were seated in groups at or near their particular stations.)

The morning program included a procession of American flags, carried by the Standard Bearer of each Triangle, followed by the Jr. Deputies; and the Ten Triangle Banners, carried by the Banner Bearers, and followed by the Beloved Queen; entering from opposite sides of the room. The flags and banners were massed in orderly fashion on the right and left of the platform.

Truth Triangle No. 31 of Huntington conducted the regular opening ceremony and received Mrs. Dorothy Fitzpatrick, Jr., Advisory Council member of Nassau and Suffolk District; Mrs. Ruth Scott, Convention Secretary and Miss Helen Yedenick, Jr., Advisory Council member of the Queens District. All present Beloved Queens and Jr. Deputies were introduced.

Mrs. Fitzpatrick gave the welcoming address.

After each section of the work the officers of the Triangle officiating vacated their stations in favor of those taking up the next number on the program.

The Initiatory Degree was done by Catherine Schwarz Triangle No. 102 of Mineola. Presentation of a gift to the State Director was made by members of White Star Triangle No. 113 of Amityville. The A. M. Closing Ceremony was done by Freeport Triangle No. 37.

After a recess for lunch, the afternoon opening was done by Morning Star Triangle No. 118 of Baldwin, followed by entertainment by Meadowbrook Triangle No. 84 of Westbury and Grace Coolidge Triangle No. 70 of Floral Park. The Majority Degree was then conferred on candidates by Meridian Triangle No. 71 of Islip.

An inspiring address was delivered by Mrs. Scherer, honor guest, followed by a question and answer period.

All united in singing the Triangle song; after which the final closing was done by Sequoia Triangle No. 64 of Oyster Bay.

It is from meetings like this that we get a glimpse of the vastness of this youth organization of which we are proud to be a part. The degree of perfection in this exemplary work is an inspiration for each Triangle to strive for greater accomplishment.

Bethpage Graduation On Friday Night

Graduation exercises for the Bethpage School will be held this Friday evening, June 22, in the new school auditorium at 8 P.M. Forty-three graduates will receive diplomas.

Beverly Marrs, daughter of Mr. and Mrs. H. B. Marrs of Sheridan Ave., will be the Valedictorian. Sheila Mackay, daughter of Mr. and Mrs. William J. Mackay of 2nd St., will be Sahitutorian.

Both girls were selected because of their high averages in Social Studies, Mathematics, English 1 and 2 and Science, following the

mid-year examinations in January. Beverly Marrs received 96 per cent and Sheila Mackay 95.2 per cent.

They will continue their studies in Farmingdale High School. Both will take Academic Courses majoring in Science in preparation for College entrance. However, their ultimate vocations will take them into different fields of endeavor. Beverly hopes to become a nurse while Sheila finds teaching more to her liking.

Sheila is Asst. Editor of the School Paper "The Chatter" while Beverly is the Sports Editor.

Mrs. Agatha Schwarz, Coupon Chairman, and Mrs. Caroline Ellinger were on hand to see that there was plenty of ice cream for everyone.

sented Brownie Wings and Girl Scout Pins to May Ellen Badstuber, Karen Maie, Susan Price, Ariene Kemp, Carol Sisia, Patricia Bellini, Claudette DeAngelis, Betty Ross, Kathleen Rockhill, Patricia Schiavetta, Patricia Curcio, Mary Ann Greisafe, Janice Finamore, Catherine Travelina, Dianne Mulqueen, Annette Daum, Marie Glantasio and Ann Mackay.

Mrs. Fairbanks, assisted by Mrs. Michaels VFW Auxiliary president, sponsors of the Girl Scouts, presented to each member of the troops, the badges which represent required work in various phases of girl scouting and by which the girls advance themselves.

Troop 44, under the direction of Troop Leader Mrs. Ethel Surprise, gave a demonstration of bandaging, transportation and artificial respiration. Mr. C. Maury De Ghuee, Asst. Director

of Safety Services of the American Red Cross, Nassau Division, an unexpected spectator, was very pleased by the demonstration by the girls. Each girl was presented with a First Aid card from the Mineola office.

Troop 45, Tecla Shaw leader, presented "The Big Baby Contest," a skit in three parts. Troop 51, Antoinette Maggio leader, presented "Girl Scout Hope Chest," a one act play. Between acts, Brownie Pack 22 sang "Do Your Ears Hang Low"; Pack 33 sang the "Cannibal King" and the "Eskimo Song"; Pack 49 sang the "Brownie Song" and "Smiles." BUILDING with LONG ISLAND

Since 1911

Incorporated in 1910 the Long Island Lighting Company actually began operations in June 1911. Then the Company had 35 employees, 1,089 electric customers and no gas consumers. Its total assets were less than \$800,000.

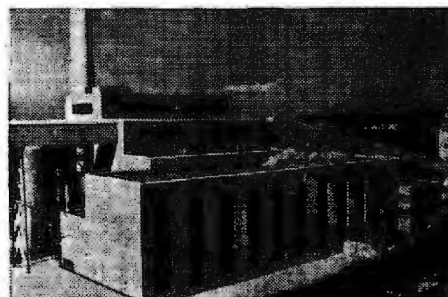

Through the years the Company has kept pace with the ever expanding demands for gas and electric service. As a result, in 1951 the Long Island Lighting Company is a vast public utility organization with nearly 5,000 employees. It supplies more than 245,000 electric and approximately 285,000 gas customers residing on Long Island from the Rockaway Peninsula to Montauk Point. Its assets are approximately \$200,000,000.

BACK IN 1911, construction on Long Island proceeded at a slower pace. Line extensions were built by manpower alone, without the aid of modern mechanical equipment.

TODAY line trucks are equipped with mechanical winches to raise poles. They carry complete stocks of line-building materials to speed our construction program.

MODERN PLANTS like our new 100,000 kw electric generating station located at Port Jefferson serve our rapidly growing territory. . . In step with Long Island's future needs, additional 100,000 kw generators are under way at our Glenwood and Far Rockaway power stations.

The job still goes on—new and enlarged power plants; gas mains and transmission lines extended and increased; more substations, meters, services; new business offices. In 1951—as in every year—our Company continues to grow by serving.

Firemen Expecting Record Tournament

HICKSVILLE—A large committee of volunteer firemen, led by Edward Kessler as chairman, is making arrangements for the annual volunteer firemen's Labor Day Parade and Tournament at Hicksville on Sept. 8. The parade will hold a free, community block dance on the previous Saturday evening in the public parking field on W. Marie St., opposite the firehouse.

Raymond Viethier is vice-chairman of the tournament committee and is in charge of the house to house canvass now being made by the firemen here.

Edward Lauritzen is chairman of the block party and John Jansson, corresponding secretary, is preparing to send out invitations to all the fire departments of Long Island for the annual event.

Walter Baldwin is recording secretary, with Medard Offenloch and Deren Healy as financial secretaries. Fred Bruen has charge of the grandstand, with Peter Malk directing the erection of the racing course arch.

James Morace is in charge of the special award of an electric ironer and electric toaster, to be presented at the block party. "This will mark the 23rd running of the Labor Day firemen's competitions at Hicksville and we hope to make it the biggest ever," Chairman Kessler said at the weekly committee meeting, Friday. "Our tournament has long been recognized as the biggest in the state with more than 100 companies and departments entered and over 15,000 spectators on hand for the big day."

Gulf Finds Requests For Tour-Guides High

HICKSVILLE—Steadily-mounting map and routing requests are being received by Gulf Oil Corp. from motorists planning trips through New York State this Summer and Autumn, according to August Jensen, Broadway and Boethie St.

"Forty-seven per cent more map and routing requests in this area were made to Gulf Oil in the first four months of this year than in the same period of 1950, Jensen continued.

Gulf this year will give away more than 12,000,000 road maps of many regions of the United States through tour-guides operating in 37 states. In this district of Oceanside, Gulf through an intensive marketing campaign, is introducing its two newest products, summer-grade No-Nox, and Gulfpride high detergency oil. Dealers in the district who maintain the best service stations—the most attractive and cleanest rest rooms, show-salesrooms, lubrication departments, drive-ways, and neatest uniforms, will be awarded prizes.

Mrs. Fred Owen of 6 Second St., Hicksville, is spending the summer in England. She sailed on the Media with her sister, Mrs. Amelia Saunders of upstate New York. They will visit relatives in England.

OFF SOUTH BROADWAY: School Board Deserves Your Interest

By Bunny Lauer, HI 3-3794J
Our local school board should feel very proud of the trust and faith the voters of School District 17 have in them. That must be the reason why so few people were at the open school meeting, Thursday, as really must be very discouraging to give so much time and energy in preparing reports and having a guest speaker (Mr. Johnson from Knapp and Johnson) and then only to have about 14 people present. Hope we had a better turnout at the voting.

Note—I said School District 17 instead of Hicksville. I don't want to antagonize some of my Levitt home-owners-in-Hicksville neighbors. (But is really is Hicksville and not North Levittown!)

Well, congratulations to myself. I now have a private taxi service. My friend MIMI RUDNIK of 437 Division Ave. received her driver's license last week. My sister, LILIA WOODLEY, of 170 Cottage Blvd. had her southern in-laws up during the week. We all got along wonderfully. I didn't understand them and they didn't understand me.

Mr. and Mrs. OSCAR LAUER of 185 Lee Ave. went to the city Monday night to attend the season's closing meeting of the Old Timers Assoc. of the Bronx Y.M.C.A.

Little BARBARA LEE RIFKIN of Division Ave. celebrated her third birthday with a party for her friends. The decorations were in a circus theme. All the little guests receive balloons and baskets. The guests included: Gerald and Larry Brooks, Joseph Smithson, Mary Kune, Lynn and Bobby Parker, Paul Roth and Helen Adams.

Mr. and Mrs. W. IVORY of 187 Lee Ave. had Charles Rubenstark of Brooklyn as their weekend guests.

The BOLGERS of 201 Lee Ave. spent Sunday at Northport. Mrs. AGNES SACCO of Lee

Ave. was the guest of honor at a birthday party given by her friends at the home of Mrs. Ginny Varca of 2 Mercury Pl. The guests included Mrs. Doty Hansen, Mrs. Florence Frame and Mrs. Henrietta Bolger. A big pink and blue birthday cake was the centerpiece on a buffet table.

Everyone and his brother went to see their father on Father's Day, in my house every Sunday as Father's Day, the day for father to take care of all the kids and mother to rest. Break them a right, girls.

The MANIACS of Sutter Ls. have a brand new baby girl, Doris Ellen, born last Thursday.

socials when we start our meetings again in September. Herb Johnson thanked all of our local dealers who were very generous with their donations, namely, the North End Tavern, Hicksville Inn, Fairway Farms, James Reeves, a local grocer and his next door neighbor Smiths Drug Store, the Jett-Rite Stationery Store, Cliff Place, local gas station on West John Street, Smith's Service Station, Jerusalem, Shell Service Station at NHR, Jerry Spiegel, and each and every member who contributed to making this social such a success.

GAD-A-BOOTS:

A Magic Show for the young fellas in our development was held at the home of Richard Hahlbohm of 62 Myers Ave. on Saturday afternoon. We hope that we continue to increase activities for these youngsters as time goes on.

Henry Hahlbohm laid the foundation for his garage this past week. Pat and Margaret Boland and children are staying in the city for a few weeks. We are glad to hear that Pat's mother is feeling much better. Through the efforts of Pat Boland, our President and his executive board of our civic association—much hard work on their part—our membership is well over 200 members. Joe McNamara, Chairman of the Membership Committee, and his hard-working committee-men have done a fine job to increase the membership to the present figure. Five more members joined Friday evening at our meeting.

SOFTBALL TEAM

The men of our development are anxious to form a softball team. Practice game this Friday evening, June 22. Meet at Myers and Indiana Ave. at 8 P.M.

Elias Stotz, vice-president of the class, will present the class gift. Miss Mabel Farley, principal, will present the Class of 1951 and Dr. E. H. Lobarron, superintendent, will present the awards.

Henry C. Brengel, president of the Board of Education, will present the diplomas. The high school band will close the program with Land of Hope and Glory.

In case of rain the program will be held in the auditorium.

Parochial Exercises
St. Ignatius School, Hicksville, will hold graduation exercises this Sunday evening, June 24, in the church on Broadway starting at 8 o'clock. The class will receive Holy Communion at the 10 A.M. Mass, Sunday, to be followed by a Communion Breakfast at the Altar on Old Country Rd. Mothers of the graduates are in charge of the breakfast arrangements.

Kindergarten "graduation" will be held Monday Night, June 25, in the St. Ignatius School on East Nicholas St. at 8 P.M.

Jericho School will graduate a class of 17 boys and girls tomorrow (Thursday) night in the school auditorium at 8 P.M. It was announced by Dr. Kenneth ant, principal.

Scout Council Plans Training

The Mid-Island Council of Girl Scouts met on Monday afternoon, June 18, at the home of the president, Mrs. Wendell Fairbanks of Farmingdale.

A report was made that due to the long waiting list of Brownies and intermediate troops, a training course for leaders will be held this summer in each town of the council.

It was also reported that the registration capacity at Camp Edey was reached on May 30 with 450 accepted; 177 scouts were refused. The Hicksville Council has contributed \$254 toward the building fund at Camp Edey.

Brownies Fly-up To Girl Scouts

Girl Scout Brownie Troop 23 of St. Ignatius School, Hicksville, under the leadership of Mrs. William Benson has resumed meetings each Thursday, from 3 to 4:30 p.m.

Fly-up ceremonies for four Brownies who became Girl Scouts was held Thursday, June 14. A party with ice cream and soda was held for the following fly-ups: Jean Crofta, Patricia Ryan, Janet Weeks and Frances Wojniak.

Brownies in the troop include: Joan Bianchi, Kathleen Corcoran, Jo Anne Boglioli, Jo Anne Cronin, Marilyn Cocco, Gloria Foote, Kathy Gray, Susan Jackson, Nancy Jud, Sheila Kennedy, Patricia Krutzel, Marilyn Lorman, Holly Schmitz and Veronica Willett.

Co-leaders of the troop are Mrs. Frank Corcoran and Mrs. James Kennedy.

Four residents of Hicksville and Bethpage were graduated from Hofstra College, Hempstead, in outdoor ceremonies, on June 10 at the college.

The local graduates in the class of 334 were: George Lehmann of 189 West Nicholas St., Gas Economy of 8 Herman Ave., both of Hicksville; Joshua Henry Bennett of 9 Wilson St., and Warren Amenda of 12 First St., both of Bethpage.

Miss Sally Homire of Field Ave., Hicksville, is home for the Summer from Allegheny College, Meadville, Pa.

Lewis Homire is also home for the Summer vacation from Roseland, Troy, N. Y., where he has completed his sophomore year of study.

MID-ISLAND HERALD, JUNE 20, 1951—PAGE 17

By HOWARD FINNEGAN

If you read elsewhere of Botto's trying time at the Beach, Sunday, with a team that wasn't supposed to give much trouble, you can appreciate just how Manager Jim Valentine of Empire felt when his club opened the Oyster Bay league last Sunday afternoon.

Empire drew the Rockets, another Hicksville team, with Joe Knifing at the helm, to start the loop there and was generally regarded to have gotten a real soft touch.

It turned out to be a fair hairpulling match with Empire rallying in the late innings for a 10-7 win.

Midway through the contest, Valentine was pretty well harassed and really exploded when Jack McCrossen missed touching second base and was declared out after tallying a run.

There was quite an oration on the essential of touching all the bases, delivered by the Empire manager.

And to make the day complete, who do you think scored a run two innings later and was declared out for missing third base?

You're right.

Bobby Bean, son of Mr. and Mrs. Elery H. Bean of West Marie St., Hicksville, was named last week by the New York World-Telegram and Sun as one of the outstanding scholastic schoolboy baseball players in the Greater New York Area, which embraces Westchester and Nassau Counties.

Out of the 17 chosen, the Telegram was to select the most valuable played in the area and that fortunate lad will make a Western swing with the New York Yankees.

Bean graduated this year from Trinity Prep in New York. He was the pitcher on the diamond team and turned in a fine record for the school. Also named by the Tele-Sun was Lou Portocarrero of Farmingdale High School.

Speaking of Portocarrero, it is almost impossible to understand just why the coaches of Nassau County did not vote the Farmingdale star this county's outstanding player for 1951.

Only point in their favor was that the balloting was done before he shutout Manhasset for the North Shore title and Sewanhaka for the Nassau championship. Along with this, he was a good hitter with the wood and played a steady outfield for the Dalers when he wasn't on the mound.

Hicksville Defeats Oyster Bay PBC

By DIANE UFFMAN

OYSTER BAY—The Hicksville PBC won over Oyster Bay PBC Saturday, June 16, here.

Oyster Bay took the lead in the 2nd by 1 run but the game was tied in the 4th by an unusual home run made by Stan Kellner of Hicksville. The ball was hit to right field high in the air. The right fielder followed it until it went out of sight, then misjudged the ball. When the ball hit the ground, Kellner was on second and by the time it was recovered the run was scored. Fitchers Haworth and Hogan held both teams down to 1 run until Hicksville brought in 2 more runs in the last inning to win 3-1.

The battery for Hicksville was Hogan and Janicky and for Oyster Bay Haworth and Clarizio. Hog-

an was credited with 10 strikeouts and allowed 5 hits with Haworth also credited with 10 strikeouts and allowing 4 hits.

Arrange Field Trips As Summer Project

HICKSVILLE—The final business meeting until the fall of the Independent Art Society was held Wednesday, June 18, at the high school. The group will hold studio meetings and field trips during the summer.

The first field trip will be held July 11 at Seaford Town Dock, starting at 11 a. m. from the Chama Shop, 280 Broadway.

Mrs. Evelyn Jonasson of Carle Place was proposed as a new member.

boys will get under way on July 2 and anyone desiring to enter a softball team in the high school age group is asked to turn in the list of players. The games will be played at 6:15 P.M.

Also, anyone wishing to enter a team in the basketball league is requested to enter a roster with Coach Jaworski before June 28. Boys who cannot get on any team may leave their names with Jaworski before June 28. This league is also for the high school group and shall be played at 8:15 on the high school field.

Tennis will also get a play this year in the evening program. Any boy or girl who wishes to enter the tennis elimination tournament may do so by signing up with Jaworski. A tennis clinic is planned to create more enthusiasm among the younger set. Any age group may sign up for the tournament.

Botto Holds 1st With Zany 8-7 Win

JONES BEACH—Botto Brothers held its first place position in the Seashore loop, here, before a jeering Sunday afternoon crowd that saw it rally in the last two innings for an 8-7 win over Goldy's Gems.

In cold hard facts, the verdict gave the Black a 3 and 1 league record and kept it half a game up on the rest of the pack.

In view of the startling manner in which it achieved the Goldy triumph, the even colder and harder facts are that Botto must meet Nassau Bikes this Thursday night and Lindenhurst on Saturday night in attempts to improve its position.

Get 3-0 Lead

Without striking a blow in its own behalf, Botto tallied three runs in the first inning. A walk, an error, a hit batter and three consecutive walks by Gem chucker Joe Lehmann sent three runs across the plate.

However, Lehmann settled down after that and when the sixth inning started Hicksville still had only three runs and did not have a hit!

Jim Barone was working along smoothly, but in the sixth the Hicksville defense slumbered unbelievably and the Gems got seven big runs home without driving the ball into the outfield.

Bill Bordiuk was rushed in to relieve Barone, but the defense faltered even the ace of the staff and along side the seven Goldy runs five big errors were put up on the scorebook against Hicksville.

Rally—Just About

Mgr. Bernie McGinnigle had even more trouble in the frantic crisis when Jerry McGinnigle fractured the tip of his right pinky and had to leave the contest. This brought about a mass re-shuffling of the Botto lineup and Bernie had to call Mel Voorhies and Steve Lawrow from the bench.

In the last of the sixth, Voorhies got Hicksville's first hit to drive in the fourth run, but he was caught in an odd run down a few moments later.

Bordiuk followed. Voorhies safely with a walk and the latter stole third. The next batter hit

Tickets On Sale For Our Big Night

HICKSVILLE—Tickets are on sale today for Hicksville Night at Ebbets Field in Brooklyn, where the Dodgers will meet St. Louis on Tuesday night, Aug. 21. Hicksville fans will have a section of the grandstands between home plate and first base and there will be a special tribute to the community on that evening.

Tickets are available at \$1.75 for the reserved seats from any member of the Business Men's Assoc., Kiwanis, Lions or Rotary Club. They are also being sold at Boslet's Stationery Store, 13 Herzog Pl., and the Herald office, 161 B'way.

Lou Smith of the Rotary presided at a meeting of the sponsoring club representatives, Monday night, when plans for the ticket sale were made. Tickets will also be sold at \$1.75 for a round-trip bus ride to Ebbets Field on that night. All ticket sales here will close on August 14. Present at the meeting were Smith, Jim Goris, Herb Furick and Wes Glass, Rotary; Louis Millevolte, Lions; Michael Sullivan, Kiwanis, and Fred J. Noeth, BMA.

to the shortstop, who booted the ball with such gusto that Bordiuk was able to race around to third.

But when he got there Voorhies was still glued to the bag. Bordiuk then attempted to return to second and was tagged out. When that out was achieved, Voorhies broke for home and was nailed for the windup of a double play and a promising inning.

Voorhies Saves Day
Voorhies had a chance to save the day in the last of the seventh and did so to force the game into an extra frame.

Singles by Lawrow and George

Karman and two walks got one run in and with two out the count went to 3 and 2 on Mel before he laced a game-tying double into left field.

In the seventh, Gary Norwalk, who played the last two innings with a black eye gained from a foul tip off his own bat, walked. Brian Masterson singled and Lawrow won the game with a wallop to dead center. It would have gone for a home run had not it been the last of the inning and Hicksville needing but a single run to win the contest.

It was duly recorded as a single.
