High School Faculty Honors Teacher

Mrs. Robert Peterson of 235 Jerusalem Ave., Hicksville, was the guest of honor at a luncheon held in the AMBA Restaurant on Monday afternoon given by members of the high school faculty. An English and Latin teacher, she will not return to Hicksville High School in the fall.

Alumni of the school sent floral tributes, cards and telegrams to Mrs. Peterson at the luncheon. Many former students attended the affair.

Mrs. Peterson is the mother of Dr. Robert Peterson, formerly of Hicksville, who is now doing the medical research work at Merck, Mountknaide, N. J., where he resides with his wife and 6-year-old daughter.

3-Hour CD Workout: Sound Raid Alarm For Drill Saturday

Mid-Island Civil Defense directors today called upon all CD volunteers to report this Saturday, June 30, during a three-hour test of the county's civil defense services. Public alarms will be sounded at 1:40 p. m. (test red alert) and 2 p. m. (test all clear).

Control centres in Hicksville, Bethpage, Plainview, Jericho and vicinity will be manned until five o'clock in the afternoon, exchanging test messages and communications with the county control centre at Mineola.

Frank Sutter, Hicksville-Plainview CD director, today requested all CD volunteers to assume their assigned positions upon the sounding of the test red alert and to remain on duty until dismissed. This second CPX has been ordered by Lt. Gen. C. W. Wickersham, Nassau CD director. The first CPX was held May 5 without sounding of alarms.

Wardens who have completed basic training and auxiliary police are expected to patrol their beats, although the public will not be required to seek shelters during the 20-minute "alert" as they would in a regular emergency.

Sutter also reminded residents and CD volunteers that the monthly waste paper salvage drive takes place Sunday, July 1, starting at 8:30 a. m. Michael Sullivan is salvage chairman.

NORTH WEST NOTES: Work On Burns Ave. School To Start

By Jimmy Cummings, III 2-2111-5
As noted in last week's issue of the HERALD, all 5 propositions voted upon were approved unanimously by the school voters registered. We wish to thank all those who turned out, although of the 1,827 voters registered only 781 cast their ballots on this important question. According to the architects' estimate actual construction will take in about eight months and occupancy is scheduled for May, 1962. The North West Civic Assoc. has from its start advocated the building of such a school for the residents of North West Hicksville.

On last Tuesday, and the previous Saturday, a car equipped with a loud speaker system toured our development right up to the last minute reminding all to register and vote on these five propositions.

BUSINESS NOTES

Owners of the additional houses under construction by Jerry Spiegel will be able to occupy the premises within three weeks from the time their mortgages expire.

Dr. Masek, Leon Galloway and Dr. Robert Ferdinand, past presidents, also spoke of the principles and progress of Kiwanis.

Miss Holder, Mrs. Shirley Matichak and Miss Helen Madden were presented with cottages for their invaluable assistance to many of the club's community projects.

There are still thirty-eight homes in the 285 house development under construction. They will be completed on a speed-up construction schedule, per Spiegel.

Kindergarten Graduation

On Monday evening June 26th at 8 P.M. youngsters attending kindergarten graduated at the exercises held at St. Ignace School. Distribution of diplomas was made by the Rev. John Winder, Curate of the Parish. The graduates were dressed in caps and gowns, which was very cute and colorful. The Sabatary was given by James McNamee (Jimmy) of 70 Myers Ave., son of Mr. and Mrs. Joseph McNamee. This was a long speech for a little guy to remember—but he did a fine job.

Embedded dirt and grit are first removed by "deep suction." Many cleaning methods leave enough dirt-laden soap in your rugs and upholstery to cause "matting" or "rapid resoiling." Duracleaning avoids this.

NORTH EAST NOTES:

Debut Of New Column For Our Section

By LEE ORMANIN, HI 3-0228-2

Greetings, friends and neighbors! This is to introduce us to all the residents of Northeast Hicksville and all the readers and subscribers of the Herald. We hope this will mark the beginning of a happy association for all of us.

By way of furthering the interests of the column and its readers we will be glad to print any notes, social, newsworthy, etc., that you may wish to have included. One of the prime purposes of having our section represented is that you may add your voice to the others. May we share your good tidings and rejoice in your good fortune?

A vote of thanks to the North Hicksville Civic Assoc. for the fine work it has done in our area. It has done a commendable job in obtaining vital services for us and in alerting the Town of Oyster Bay to hazards and needs many of which have already been attended to.

Its officers, to whom we are all indebted are: Pres. Carl A. Grunwald; Vice Pres., Vincent Morillo; Secy., Jean Faichney; and Treas., Don Collins.

Let's all support this organization that has done so much for us in the few short months since its inception. Its meetings are the 1st Thursday of every month and will begin again in September. I'll keep you posted on the meetings regularly.

PARTY PATTER
 My family was honored by a visit from my cousin, Senor Morris Ramon. He arrived by plane

from Buenos Aires, Argentina, to spend several weeks on a combined business and pleasure trip. This was his first trip out of South America, and his enthusiasm on the scientific progress and the ultra-modern living in this country were exciting. In his opinion, Argentina is 50 years behind the times in comparison with our good old U.S.A.

Mr. and Mrs. GERHARD SINGER, of 17 Violet Ave., entertained Miss JOAN SILVERMAN from the city for the week-end. Miss SILVERMAN is Mrs. SINGER's sister.

SUMMER SUNDRIES
 I wonder how many of us know that the beach at Hicksville is free to residents of the Town of Oyster Bay. The parking facilities are so close to the beach as to simplify bringing infants and small children with all their necessary equipment there. Just ask for a TOS Sticker for your windshield next time you go.

CHERRISHING SEASONS
 Our bet's off to Mrs. GEO. A. THOMPSON, of 31 Willet Ave., who has been confined to her bed for months. Some neighbors and I stop in occasionally to help her pass the time, and I've never met a pleasanter or more charming individual, despite her long confinement. Keep it up, Mrs. Thompson, you're doing swell!

CONGRATS
 We hear that CAROL TOM ELLINGTON of 8 Marion St. has been in the hospital. Hope everything turns out okay.

To Mr. and Mrs. LEE EASER of JACK & LEE'S Stationery Store at 11 N. B'way, celebrating their 5th wedding anniversary. Remember folks, help me get acquainted with the different developments in our area by calling me and keeping me informed of your activities.

Mrs. Andrew Deal won a plastic table cloth as a door prize at the Charles Wagner Legion Auxiliary card party held Friday night, June 22, at the clubhouse. HICKSVILLE PARK AND DUFFY PARK: Wonderful Days For Wearing Shorts

By Bette W. Wynn, HI 3-6457-W

Ah, this is the life I love! Always said I should have been born and raised in Florida. It's so wonderful to be able to put the children out in just shorts or a diaper . . . and to be able to go around in shorts myself all day. Don't know what the salesmen think when they come to the door and see shorts, but who cares?

Mr. and Mrs. ALFRED HANSEN of 49 McAlester Ave. celebrated their first anniversary June 10. HENRY HEIM of the same address celebrates his birthday on June 27.

PETER NICOLINI of 35 McAlester Ave. celebrated his 10th birthday June 22. Peter's parents gave him a party at which he received many lovely gifts. One of the presents was a new bicycle. However, the most cherished gift was two box seats to a Yankee

ball game.

RICHIE HEIDEL of 12 Mead Ave. had his tonsils out last week. By this time I imagine he's well on the road to recovery.

The Hicksville Civic Assoc. had its annual installation dinner last week at the Alibi. We all had a wonderful time. Even had our own private band. It was a shame, however, to see such a small turnout as compared to the number of people who do belong and who should belong. Believe it or not, folks, with a powerful Civil club you can do wonders.

The following children graduated from St. Ignace kindergarten Monday night: Mary Alice Condon, 47 McAlester Ave.; Bobbie Wecht 8 Mead Ave.; Susan Walker, 29 McAlester Ave.; Christine Noone, 34 McAlester Ave. and Linda Glumboski, Combs Ave.

Problems Of Our Mail Carrier Eddie

By BUNNY LAUREN

Hicksville 3-0764-7

Honest Eddie, it wasn't the mail man's or my fault that the HICKSVILLE came so late last week. My phone just kept ringing and ringing. I was hoping it was news for the column, but no, it was the same question: "Where is my Here?" Poor Eddie had to keep saying, "No, I haven't got the Herald for you today. When I left the post office they had not come in yet." You know, Eddie is an awfully nice guy. Always has a smile on his face. How in the devil can any mailman smile is beyond me. They work so hard and their take-home pay is so little. What ever happened to their cost of living raise that they didn't get? You know what, folks, maybe we should all write to the Postmaster General in Washington, telling him we like our mailmen but how about compensating them a little more.

Still on the mail subject, it was December in June last week for Mrs. Sacco of Lee Ave. Her Christmas mail finally caught up with her. She received a Christmas card from the NEWALLS of Lee Ave. It was postmarked December and delivered just a few months late.

Mrs. Rankin of Florida arrived by plane last week to visit with her son and daughter-in-law, the RALPH RANKINS, of 217 LEE Ave.

Boy, that was some lawn party at the home of BARBARA GOLD-BERG of Palermo St., on Friday night. Everyone had a wonderful time. Those attending were Harvey Demaskey, Bobby Henning, Francis Morokowsky, Harriet Moleser, Charlotte Brooks, Irene Labash, Frank Labash, Ivan Goldberg, George Golden, Dickie Miller and with due apologies to Marty, Freddie, Mickey and Earl Sorry, boys, I just could not get your last names. Seems to me my hearing is falling me. Guess one must expect all these things with the approach of old age.

I would like to send my belated birthday wish to my good friend and neighbor, Mrs. ANTHEAS of 172 Cottage Blvd. who celebrated her birthday Monday. May the happiness you had on that day last throughout your whole life.

Little MICHAEL CAVA of 209 Lee Ave. celebrated his third birthday Saturday night with a party. Boy, what ice cream cake looked like something out of a dream. Guests were Mr. and Mrs. Frank Barenzo and son, Frank Jr., Mr. and Mrs. Alfocca, all of Brooklyn; Mrs. Louise Hanney and children, Jimmy and Eddie. Mr. and Mrs. Thomas Cava, Patky, Rita and Jimmy Conmittio, Mr. and Mrs. Tessa of

Brooklyn. Everyone had a wonderful time.

Mr. and Mrs. E. QUERRY of 168 Cottage Blvd. had Mr. and Mrs. Michael Yuro of Perth Amboy, N. J., as their week-end guests.

Special to Mrs. Sterling of N.Y.C.—We are very glad that you are out of the hospital and are feeling better. Come to see us all in Hicksville soon.

Miss BARBARA COONS of 191 Cottage Blvd. received her sheepskin from the kindergarten class of St. Ignace School Monday night. Congratulations.

(Among those who went to the beach Sunday were Mrs. LINDA of 200 Cottage Blvd. and children, Tommy and Francis, with Clay Lambert of Fairview Court and son, Peter, also her week end guest Miss Statia Veger of N.Y. The Keneficks of 180 Cottage Blvd. went to Long Beach and the KACHINSKYs of 3 Fairview Court went to Sound Beach.

The PARKER family of 15 Fairview Court spent Sunday at Wildwood State Park.

MR. and MRS. SCHREIBER of 169 Cottage Blvd. went to Glendale Sunday to visit Mr. and Mrs. McKay.

Mr. and Mrs. BOB HELOON of 166 Cottage Blvd. spent Sunday in Huntington visiting Mrs. Heloon's mother, Mrs. Sperry. By the way, have you all seen Bob in shorts. Wow! Women, take note, should we or shouldn't we wear them?

My Holly has that bluish look in her eye. His name is Philip Rathner of Bethpage Greens. Ah, young love! Ha! How do you all like having the kids home from school? My boss won't print my ideas on the subject so you can imagine.

—BUNNY

KNOTTY PINE PANELING

The selection of a wood for
knotty paneling is a matter
which should not be neglected.
Of course you want your Knotty
Pine walls to be made of
REAL Pine. Photographic re-
productions lack intrinsic char-
acter and should not have a
place in the home of an owner
who wants the real article. The
side, however good these imita-
tions may be, it takes REAL
Pine to give depth of grain,
tone, richness and beauty which
never fades. And, though the
essential properties required of
a wood for knotty paneling
eliminate many woods for one
reason or another, there are a
few Pines to good supply, that
serve this purpose exceptionally
well. Ponderosa Pine is one
of them and have proved es-
pecially suitable for much use.

A very apparent practical
consideration about Ponderosa
Pine Knotty Finish is that its
first cost is its last cost. It is
practically maintenance-free
and with the passing of time its
beauty increases. Those who
cherish it will, perhaps, apply
paste wax on its smooth sur-
face now and then or clean it
with mild soap and water.
If any parts are soiled, but that
is all. And, even the first cost
need not necessarily be expen-
sive. In fact, you will more
than likely be surprised at its
reasonableness — and with it
all such everlasting beauty
and enjoyment.

Use it as trimmings in your
dining room — the stairwell
to the attic, or for your (heart's
desire) a Knotty Pine Kitchen,
for finishing off the upper
rooms, either for bedrooms, or
a den, or a library for the "old
man" to rest in, or to work
out his skullduggery, or hobby.

We will gladly furnish book-
lets on this paneling and also
advise on finishing with stains
or waxes.

Don't wait for prices to go
sky high. Buy now, while we
still have some beautiful stock
on hand at 15 cents per square
foot.

PLAINVIEW COUNTRY HOMES: A Wonderful Time At Civic Meeting

By EAE CANTILLI

Some of us went down to the Civic Assoc. last Tuesday, and we had a wonderful time. It was the final meeting of the year until the fall. Our own Fred Benda was elected president, with good old Val Himberger, vice-president. Congratulations to our "boys," as well as the other officers, Hazel Larpe, secretary and Arlene Denner, treasurer. Also thanks and appreciation to Mrs. Weber, who was our capable and dependable president for the past year. After the meeting we had a grand time playing games, etc. and to top it off we had wonderful strawberry shortcake with whipped cream and coffee. It's too bad more people didn't show up. I hope in the fall, we will have more of our group out to the Plainview Civic Assoc. It is the backbone of the Community of Plainview.

Our own group, the Plainview

Country Home Owners Assoc. had a big meeting June 13. We had a grand turnout and accomplished quite a bit. We adopted our constitution and by-laws, as well as our officers who were elected to serve until September. Val Himberger is our president; Fred Holson, vice-president; Rae Cantilli, secretary, and Leland Baker, treasurer. James Kelly, Jr., Wamtag attorney, gave a talk on incorporation of our association. All together, we had a terrific meeting with quite a few families represented.

It was a big day in the life of little Jimmy Himberger, Monday night. He graduated from kindergarten to 1st grade in St. Ignatius School, My. he was an excited little boy. Congratulations, Jimmy!

The Arenas are in California from all reports, but don't know whether it is permanent or temporary. Anyhow, I'd like to be there myself.

My sister-in-law, Anne Cantilli graduated from Freeport High, June 24 and we all went to the ceremony. The only trouble was my two and a half year old daughter, Dena, thought the whole thing was boring and caused a minor upheaval right in the middle of it.

Belated birthday greetings to Ginny Payne, June 6.

I'm having a Plastic Party, July 2, Monday night. I would love to have as many people as possible come. You can have a good time and see some lovely things. My address is 17 Island St. and the party starts at 8.

Vacation time is here and everyone is planning to do something or go somewhere. I have one thing to say - you lucky people.

So long for now.

STEPHEN J. SMATLAK

Stephen J. Smatlak, son of Mr. and Mrs. Stephen Smatlak of 12 Harrison Ave., Hicksville, was graduated this month from St. Bernardine of Siena College, Lombard, N. Y. He received a B.S. degree in pre-medical studies. The Most Rev. Edmund F. Gibbons, Bishop of Albany, presented the diploma.

Stephen is affiliated with the Albany Hospital as an E.N. He is a graduate of St. Ignatius (Parochial) School of Hicksville and Hicksville High School and served in the Navy during World War II.

A business meeting of the W.H. Men. M. Gouse VFW Auxiliary was held Monday night, June 18, at the clubhouse on Grand Ave. Mrs. Alfred Wangerman, president, presided.

Plans were discussed for a white elephant sale to be held sometime in the fall and a card party to be held on Nov. 2. There will be no special meetings during the summer. The next business meeting will be on July 16.

the Spotlight

By HOWARD FINNEGAN

If there is going to be a Hicksville Field Club on the gridiron next fall, the organization of it will have to be accomplished early, since no one will be interested in providing a late August reprieve for the Black and White as was the case last season.

Officials of the club are presently concerned with player personnel, should they decide to field a team.

We have been asked to make a request for all players interested to send us a post card in care of the Herald if they intend playing.

We will pass the results along to Dr. Walter F. Stillger, who was the man who made it possible for the team to operate last year.

It is very important that players respond now since lining up opponents, detailing a sound advertising program and obtaining new equipment will not be undertaken until the players of the community take a determined stand.

Attesting to the fact that the popularity of golf is soaring in our town, an informal tournament involving 36 local linksmen is scheduled for the Brentwood links a week from Sunday.

If this initial endeavor is successful, don't be surprised to see a Hicksville Open carded for early June.

Whatever happened to the protest Hicksville filed over its 3-4 loss to Oyster Bay during the Eastern Division NSAL diamond campaign?

We know of no better sporting recreation for the entire family during the hottest evenings than a trip to Jones Beach Stadium for the nightly doubleheaders held there.

Older members of the community are well aware of its advantages, but we suspect many of our new residents are not.

This evening Botto Brothers have another league contest on tap as well as one carded for this Sunday afternoon. Right now Bernie McGinnigle's club is really hot in Bob Moses' ball park and we are sure you can't go wrong with the fifty cent toll and parking fee which is the only charge made for the nightly event.

with the score tied 3-3, Friday, between Empire Diner of Hicksville and the PBC Alumni of this village.

For eight innings the clubs went at each other and after Empire tied the score in the fifth neither side would budge.

Don Barone pitched 7 hit ball for Hicksville, while his teammates got only four. However, Empire got good mileage out of their bows.

In the second inning Barone singled and Wes Moseman tripled. A single by Frank La Marca pushed the second run over.

La Marca also scored the tying marker in the fifth without the aid of a hit. He walked, advanced on an error and scored on two infield outs.

The playoff of the contest is slated for Friday evening, but the Empire management seeks to have the game shifted to Sunday afternoon.

Bottos Takes 5th Straight at Beach

JONES BEACH—Bill Bordiuk turned in a brilliant two-hit pitching chore, here in the seashore stadium, Thursday, as Botto Brothers defeated Nassau Biko, 4-1, and Jim Barone hung on for a 7-5 victory over Lindenhurst, Saturday.

The triumphs were the fourth and fifth in a row for the Black and White and left them in a triple tie for first place in the league with the Royal A. C. and Floral Park Bombers. Each club had a 5 win and 1 lost record.

Really a Major Fee
In defeating Nassau Biko, Bottos had to overcome a major foe in Rusch Reilly, who is one of the better hurlers in the Metropolitan area.

Bordiuk was at his sharpest this season as he had Nassau to just two hits and the opponent's lone run came in the last inning at a time when the issue had already been decided.

The losers had their biggest chance in the fourth inning, when the game was yet a scoreless tie. A walk, an error and a held ball on an undecided play in the in-

field loaded the bases with none out.

Bordiuk then struck out the next batter, forced the second to bounce a simple grounder to the mound which resulted in a force at the plate, and the third batter went out second to first.

The crowd of 300 odd fans gave Bordiuk a warm ovation as he walked to the dugout.

Karmen Homers
In the bottom of the frame, Steve Lawrow dropped a single into right, stole second and came home on two wild pitches.

Bordiuk then singled, and George Karmen came up. He nailed the ball into deep left field and scored standing up with a fourmaster to make the score 3-0. Shortstop Garry Norwalk singled the final run in the sixth inning for Hicksville.

Lawrow, Laskowski, Montano, Mitzner, Bernie McGinnigle went a long way with Jim Barone Saturday night, but the work of Lawrow, Joe Laskowski and Brian Masterson backed up the play as high.

Merrill Yartowkey doubled in the first inning against Lindenhurst and scored on a long fly ball off Masterson's bat following an infield out.

In the third inning, Ed Coleman was hit by a pitch and Karmen then hit a long home run into left field for three big runs.

Hicksville added a single run in the second and two in the sixth, but Lindenhurst was pecking away at Barone and was hitting the ball extremely hard.

Twice Laskowski made fine stabs at first base to break up big innings, and cut off extra base blows and catcher Masterson whipped his arm twice also to nab runners trying to take an extra base.

Most Successful Year for HHS

HICKSVILLE—The high school rang down the curtain to the most successful athletic year in the history of the school. For the first time in many years, the Hicksville teams all had winning records.

Football team had a 5 win and 2 loss record. Highlight of the season was a 26-13 defeat over Oyster Bay with other victories being scored over Farmingdale, Mineola, Great Neck and South Side. Two losses, by narrow margins, were suffered to Westbury 7-6 and Patchogue 6-0.

In basketball the Comets had the best record in the 26 years' school history with a 15 and 2 record. They were tied with Oyster Bay in the Eastern Division but lost to the Baymen in a play-off tie. Both losses were suffered at the hands of Oyster Bay, the county champions.

Baseball finally went over the 500 mark with a 9 win and 7 loss record. Two wins over Westbury were the highlights of the season. This was the first time in ten years the Comets played 500 ball.

Cross country team was the second best in the history of the school with 4 wins and 1 loss. Out of 7 representatives to go to the West Point meet, Hicksville qualified three. In this meet, Hicksville placed one, two, from the county.

In track the Comets ended with a 9 win and 2 loss record. The highlight of the season was the victory in the County Relays, where the Comets won the two mile Class A title.

The Hicksville athletic teams ended with winning 36 contests and losing 14 for 720 percentage.
