Town GOP To Meet On Sept 6

EAST NORWICH—The hottest township political question in more than a decade will be answered here next Thursday night, Sept. 6, when the Oyster Bay Township Republican Committee holds its organizational meeting and names the Republican slate for the November election. The question to be answered is: "Who will be the GOP candidate for township supervisor?"

Lewis Waters, prominent Syosset resident and currently a member of the Town Board as a Commitman, is said to have strong North Shore support. However, the mid-Island and south section of the Township has had the greatest voter turnout in the past few years, and the question of who will be the GOP candidate for township supervisor?

The term of Harry Taggart expires the end of this year and he announced two years ago that he would not seek re-election as a Commitman.

REGISTRATION DATES SET:

Adult Classes to Resume Sept. 24

By **HEAVY H. BRAN**, Director of Adult Education

Registration for Adult Education classes sponsored by the Hicksville Board of Education will be held on Sept. 17 and 18 in the high school from 7:30 to 9:30 p. m. for the 1951-52 semester. Classes will start on Monday, Sept. 24, and will continue for a 10-week period.

Several new subjects will be presented this semester including physical fitness for women, chair caning, furniture refinishing, metal working, blue print reading and possibly a class in psychology in industrial supervision.

33 Subjects Last Year

The highly successful 1950-51 program presented 33 subjects to 1,464 adults in 1,019 classes. In the

1949-50 program, 28 subjects were presented to 860 persons in 507 classes.

The popular Driver Training course which was attended by 272 students last year will again be presented this fall.

Americanization classes, one of the most worthy courses we offer from a civic view point, maintain the highest average attendance

each year. The classes consist almost entirely of displaced persons from Europe who wish to become U. S. citizens.

Our Artistic Finishing class proved most popular with the men as 108 enrolled for the two semesters last year and the ceramics, sewing and woodworking courses seem to be the foundation of our program.

Schools Preparing For New Records In Enrollment

The vastly increased enrollment in mid-Island schools which began to add up to all-time records last term will go even higher this term, the Herald learned this week.

The Hicksville School system, which last year had its enrollment double to a total of 2,408 in the opening weeks, is preparing for a total of more than 4,000 pupils this term, according to Dr. E. H. LeBarron, superintendent of schools.

With one school expansion project, East St., nearing completion and five other school building projects underway, the district is preparing to purchase a site for another building.

Bethpage School district opened anew \$1,440,000 school in April of this year. The old building, known now as the Powell Ave. School, is being pressed back into service starting with the opening day, Sept. 5, for 900 pupils.

Plainview School District has a new building under construction.

Plainedge district has a \$471,000 addition to its new school, opened last September, now under construction, and increased enrollments there may call for another addition.

In the Hicksville District, according to the long-range program of Columbia prepared for the community more than a year ago, can expect a peak of 8,570 pupils enrolled in 1960.

Opening day for public schools in the mid-Island area, except the kindergarten thru 6th grade in Hicksville, is next Wednesday morning, Sept. 5. Kindergarten thru 6th grade opens on Monday, Sept. 10. Parochial school starts the same day.

WORK ON CONSTRUCTION of two additions to East St. elementary school in Hicksville has proceeded rapidly during the summer months. This is the architect's version of the completed, landscaped structure which last term had an enrollment of over 700 pupils. The new additions will almost double the capacity of the building. Open-

ing of the term in Hicksville for kindergarten to the 6th grades at East St. and Nicholas St. has been delayed from Sept. 6 to 10 to allow workmen to make internal utility connections. The new additions will not be completed in time for use as the term starts. The Hicksville School District also has an elementary school of 20 rooms under

construction off Lee Ave and is proceeding with the erection of four more 10-room elementary school buildings to be located on Fork Lane, Dutch Lane, Burns Ave. and Old Country Rd. School Superintendent E. H. LeBarron anticipates an enrollment of 4,000 this term.

Going to Glen Cove

JERICHO — A new bus route to transport students to Glen Cove High School will be added to the Jericho School bus schedule this fall, according to Dr. Kenneth Lent, principal.

As Hicksville High School can not accept any additional students from Jericho, the new freshmen will attend Glen Cove High School starting Wednesday, Sept. 5. Freshmen will report for classes at 1 p. m. on the first day and at 8:40 a. m. each day thereafter. John Zaluski will drive the Glen Cove bus.

Other Jericho students who are sophomores, juniors and seniors will continue their studies at Hicksville High School.

Classes at the Jericho grade school start Wednesday, Sept. 5. John Lord of Fort Washington has been added to the Jericho School faculty as physical education instructor and eighth grade teacher.

Register Pupils

PLAENVILLE — Registration at the Manetto Hill School for all school age children who have moved into this school district since June 30 will be held at the school on Manetto Hill Rd. this Friday, Aug. 30, from 9 a. m. to 12 noon, according to Robert Tuttle, principal.

Subscribe Through High School Class.

By HUNNY LAURE—HI 3-2784

Attention all you good people who are loyal and staunch rooters of the Orange and Black (our own Hicksville High) and have purchased magazine subscriptions from the local students last year... your subscription is almost up. So take heed for this is very important — DON'T RENEW them over the phone or through anyone you don't know. You will soon be visited by a Hicksville High student with the proper identification who will be happy to renew your subscription.

The commissions from the sale of these magazines go into a fund which helps send the seniors on their annual trip to Washington, D. C. Without this subscription drive it would be impossible for some of the students to go. Now attention all who are not subscribers — if you intend to subscribe to any of the popular magazines, do it now, through a local student. If you don't know any of the kids give me a ring and I'll make sure one of them contact you.

The B. GORDONS of Division Ave. are back after spending two weeks in Maine. Mrs. Gordon's niece, Edith Weston, of Bangor, Me., came back with them for the rest of the summer.

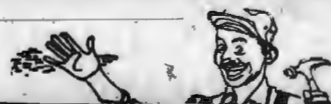

A stork shower was given in honor of MRS. RAY MUELLER of 4 Farm Ln. Saturday night at the home of Mrs. Jack Ginnocchio of 16 Linden Blvd.

Ah, ha! Now it comes out why EDNA OLETSKY of 73 Sleepy Ln., can manage to keep that neat, slick look after taking care of four kids all day and devoting so much time and energy to the different organizations! She exercises, you know broad jumps and stuff. Through a very reliable source, she was seen playing leapfrog in the middle of the night during the weekend she and Willy spent at Hurleyville, N. Y. (Willy you are getting a little bit on the chubby side, you need the exercise more than Edna).

Holly is home after spending ten days in the Bronx with her grandma and aunt Iris. Iris has a candy store so Holly really had a wonderful time.

If your boy or girl is going back to high school this fall, it's time to think of the year AFTER graduation. Will your child face a skilled, competitive world equipped only for routine tasks? NORTH WEST NOTES:

Kuhl Ave. Will Complete Development

By Jimmy Connings.

Over a year ago only a few homes on Myers Avenue, the first of the Jerry Spiegel Ranch homes were occupied. During this period we watched the growth of our community, the many new friends we were to make, the fine Civic Assoc. which has done much to benefit the home owners in our section under the leadership of our president, Pat Boland, assisted by James McLaughlin, vice-president, Herb Johnson, corr. secy.; Tom Gallagher, treas.; Tony Flomski, Joe McNamara, Jack Lance and many others who pitched in to help the newcomers with their problems.

Our Civic Assoc. at present comprises 286 members with more joining as the weeks roll by. All the main sections of our homes are occupied, including our new neighbors on Kuhl Ave., the final group or homes to be occupied during this week. When the last home owner takes over on Kuhl Ave., we will have better than 350 homes occupied.

Our Civic Assoc. will start its fall meetings shortly and we ask each and every home in our development as well as our many friends in North West Hicksville to make as many meetings as possible. In our first year we found there were many who worked nights and to keep them abreast of our programs and activities we met with them during their time off. We again stress the fact that the women are members and are cordially invited to attend any of our meetings in the coming months. You will be notified by card monthly on these meetings in addition to a bulletin prepared by our corr. secy., Herb Johnson, which will inform you from time to time on our future programs.

Construction is under way on West John and Kuhl Aves. for a shopping centre consisting of five stores with parking facilities for about fifty cars. Our builder,

Jerry Spiegel, had this in mind some time ago, but with various restrictions could not start to build. These plans are for the convenience of residents in the Spiegel Ranch Homes and the surrounding area. I hear two of the stores may be occupied by a Delicatessen and Pharmacy. Plans for additional building in this area are in the air, but doubtful until next year. Be sure to follow this column each week and every week for further developments in our section and if you do not get the Herald each week, make it a point to call my home or drop in at our new office at 98 North Broadway, right next door to the Post Office.

GADABOUTS

Joseph McNamara of 70 Myers Avenue celebrated his birthday on Saturday, Aug. 25. Joe has been very active in furthering the membership in our association, acting as chairman at present, many happy returns of the day, Joe. Mr. and Mrs. McFarland of Massapequa Park were on hand to join in the birthday festivities at the McNamaras—Joe was in fine voice, accompanying himself on his uke (Anyone here seen Kelly?) being installed Monday a. m. at McNamara residence. Mrs. Elsie Flomski and family returned this week after a motor car trip through Mass. and Conn.—Tony is our apt. star. Paul Peterson of 22 Indiana, putting the finishing touches on his driveway—nice job. Mr. and Mrs. Peter Cassidy of 99 Gardner Ave. have plans to start a dancing studio in September, to be known as Ethel's Dancing Studio—drop in and make an appointment now for your children.

JIMMY—HI. 3-8317J.

A few birthdays on Sleepy Lane last week. . . . Little Miss Joan Connaughton of 69 Sleepy Lane celebrated her third birthday on Aug. 21 with a party. Her guests were Jewel Oltzky, Susan Miller, Miss Morris, Cynthia Brinson, Barbara Jean Laurent, Marjorie McCortick, Marie and Regina Norris, Sharon Connaughton and of course Grandma. A big pink and white cake was the centerpiece of the sweet table. Games were played and everyone received prizes.

Say would anyone like to buy a piano? Mrs. DELORENZO of Lee Ave. has a very nice one for sale. Give me a ring and I'll have her contact you.

So very happy (?) to read that the lower grade pupils go back to school Sept. 10 instead of the much awaited date of Sept. 5. Mr. and Mrs. WILLIAM DAVIS of Cottage Blvd. held a dinner party Friday on their fifth wedding anniversary. Guests were Mr. and Mrs. Robert Davis, Jr. of Brooklyn, Mr. and Mrs. Leonard Cooper and Mrs. Malvin Robinson. Anyone know what a diplomat is? A guy who remembers his wife's birthday but forgets her age.

Have you any old radios, phonographs, records or instruments? Even if it isn't in perfect working condition. The vets at Northport and Michael Field will make good use of it. Contact the co-chairmen, Clair Goldberg, Hicksville 5-5443R or Emily Elmer, Hicksville 5-7472W of the Jewish War Veterans Auxiliary.

TRYING AT CONEY ISLAND

Our tournament team didn't win any trophies at the New York State Volunteer Firemen's Tournament at Coney Island on Thursday, Aug. 23, but no one can say they weren't in there trying. I acquired the best tan of the season watching Wes Arrance, Charlie Romscho, Vito DeFanis, Gene Bogel and Dick Winters go through their paces.

Unfortunately the team was competing two men short and most certainly tired, for they worked on the truck till 2 a. m. to have it ready for the morning.

One of our cameramen there tried to get some real action shots by riding the trucks with the team. He soon found out that it was safer from the sidelines. On questioning him, I found out that he was an NBC television cameraman and that the shots he was taking could be seen on the NBC TV Sports Program at 9:30 p. m., Friday, Aug. 31.

An interesting sidelight was the sight of the volunteer firemen keeping the course free of water while the NYC Dept. of Sanitation men sat on the sidelines watching the tournament — they worked fast enough to keep the water from damming up on the course.

The tournament was finally over at 7:50 p. m. and while the weary teams headed homeward, my family and I toured Coney Island.

Jim Sturtevant, Ed Thorne, Fire Commissioner, and Charlie Romscho kept Bethpage before the public eye as they drove one of our fire trucks down 5th Ave. in the Convention Parade on Friday, Aug. 24.

Wonder why the speed zone on Stewart Ave. ends at the Central Ave. intersection? After watching some of the cars zoom by, it seems to me it should be extended right thru.

A meeting of the Women's Guild of the First Reformed Church, Hicksville, will be held at the home of Mrs. Charles Miller on Old Country Rd. at 2 p. m.

BRIAR PARK, PLAINVIEW:
Mystery of Horrible Stench This Week

BY HERMAN MOONEY—ST 3-24957

Do any of you know where that
horrible stench smell has been
coming from this past week? Some-
times our snout has been so
full that we were all choking.
I've had to close the windows be-
cause the stench was making me
ill, but I couldn't find any trace
of a time when I looked for it.

Last Sunday, after lunch, we
had to pack some bags and take
our back home to the Bronx. The
doctor said she should be away for
two to three months but after only
two weeks she was too home-
sick for L.A. and we could not
keep her any longer. I wonder if
I will feel like that after 26 years
of marriage.

JEANNE BRANDT has started
overhauling the house, shopping
and packing for her trip to St.
Louis. Her mother and Dad live
there and she is taking Leanne and
Lucy home to see them. It has
been over two years since she
saw them last and they have never
seen Ricky at all so I guess it will
be a real family reunion. She is
planning on staying at least three
weeks and may be gone all of two
months, depending on how things
work out.

ELaine MORRISSEY of Elmwood
St. called the other evening to
correct the information on the
birth of her son on Aug. 11. I got
the date from an announcement or
neighborhood and it wasn't all cor-
rect. The young bounce weighed 11

SCHOOL TIMES

Remember?

Gettin all the fixins for Jumi-
or and Sis is one thing—Now
that school time is just around
the corner.

For some of you, it means an
extra room in the attic to make
space for the never sprouts.

Then comes the idea of fur-
nishings, such as the like of un-
painted furniture. You know
it's fun to finish your own fur-
niture—and thrifty too. Don't
you think? It's easy too, be-
cause all you need is a can of
Bandy ready-to-paint furniture

are so smoothly sanded that
further preparation is unneces-
sary. All you need is a brush
and a little imagination. You
may use stains, enamels, in-
stainers or flat paints. You may
cover pieces with decorative
wall-papers or fabrics, highlight
them with decorative borders
and designs. You'll discover
it's loads of fun to be your
own decorator—to mix and
match colors—to give your col-
or ideas free rein.

Each piece of Bandy's ready
to paint furniture is carefully
designed to harmonize beau-
tifully with other Bandy pieces
and with most of today's func-
tionally simple designs. The
fundamental simplicity of these
units—and the wide variety of
sizes and styles—make it pos-

groupings to serve your needs
and to use room space to the
fullest advantage.

MRS. HELEN A. BROWN of 385 Nicholas St. had a birthday on August 25. Best wishes to you Helen. Saw quite a few neighbors in the Hampton Drive-In Theatre last week. Sure is a handy place when a baby-sitter can't be had.

All you parents with children should see that they are registered for school this week. Registration days are listed in the "Hicksville Community Calendar."

Hope to see all my readers at the FREE BLOCK DANCE of the Hicksville Fire Dept. this Saturday night. It's to be in the Parking Field on East Marie St. opposite the Firehouse.

MRS. EUGENIE M. BRADY of 15 Underhill Ave. is going to New York for a week to attend the 2nd National Convention of the VFW.

LITTLE PATRICIA ALICE CHASE of 63 Combes Ave. will be one year old on September 1.

TOMMY SEEMER of 28 Mead Ave. is going to his nine on Sept. 4. Congratulations to both you kiddies.

Congratulations to **JACK L. DART** of Mead Ave. for bringing home the fish this time. The only trouble was; this time I didn't have my crying pan ready.

I see "Lover Boy" is painting the trim on his home. His glad someone gave my husband the inspiration.

A nice Labor Day weekend to you all and let's hear from some of you once in a while.

Botto and Belmore Title Game Tomorrow

A torrential rain beat down on the Jones Beach Softball Stadium for three-quarters of an hour, Saturday night, and when it was decided that revamping of the field was impossible, the Botto-Belmore game for the second half championship was postponed.

It was announced Monday by the Long Island State Park Commission that the contest will be played this Thursday night.

Between four and five thousand persons were expected to see the game last Saturday and indications are that at least 2,500 will be on hand tomorrow night.

Fans in the Mid-Island area are reminded that admission is free for the games at the Beach and that this will be the outstanding presentation of the year.

The many Belmore fans are convinced that their club will wrap up the second half title just as it did the first when Chick Talgo defeated Botto's 2-1.

Talgo is the Westchester sensation who has taken the County by storm this season. He has yet to lose in Nassau and in a twilight contest last Saturday defeated Roy Stephenson and the Grumman Yankees 1-0 for the Manhasset All Stars.

Bill Bordiuk carries the Hicksville hopes on his shoulders, but will have to get a good deal more support in a hitting manner from his teammates than he has had if Hicksville is to raise its first seashore flag.

It's A Long Way - - - So Be Sure

Southampton is a long way, so we encourage you to be sure that the Field Club is playing there Sunday if you plan to make the trip to see the debut of the Black and White.

It might be worth your while if you go by the new office of the Herald, located next to the post office, and see what the latest word is.

We will have the details posted on the Herald bulletin board Friday and Saturday.

Empire Diner's stay in the Met ASA playoffs was a brief one but the Maroon itself was welcome for that.

Grumman defeated Empire 5-0 in the first match as Sid Rigby's bunt single was the sole hit off Gilie Johnston.

In the second contest Jim Barons held New Rochelle to one hit but lost 1-0 as his mates made three very costly mental miscues.

Wes Moseman and Herman Rigby both struck solid singles for Empire but some zany play prevented any Hicksville score.

Grumman retained its title with 6-3, 6-3 wins over New Rochelle.

Matschal Does Well With Sandia Bombers

Mr. Dick Matschal of 11 Nelson Ave., Hicksville has won the job of regular second baseman with the Sandia Bombers service team of the 6th AFDS in New Mexico. Matschal is currently hitting at a .388 pace with the Bombers having struck 26 safe blows in his 84 times at bat.

He punched out two singles in three at bats last week while the Bombers were running their season's record to 31 and 9 with a 14-1 outright win over Morrow.

Electric of the Albuquerque Industrial League.

In September the Bombers will compete in the 4th Army Tournament at El Paso.

Dick is a well-known baseball star on Long Island. He played with Hicksville High School, East Meadow and Bethpage before he played with Clarksville, Tenn., in the Class D League in 1949.

It was while he was at Clarksville that he was part of the first consecutive triple plays ever turned in by organized baseball.

Field Club Schedules Opener At Southampton Next Sunday

SOUTHAMPTON—Barring a last minute breakdown in contract arrangements, the Hicksville Field Club will open its 1951 gridiron campaign here Sunday afternoon, at 2:30 p. m.

In opening at such an early date, the Black and White has chosen a tough foe, since Southampton has taken its semi-pro football seriously and is a ranking power in Suffolk.

Nor is it the usual over the County line split tooth local fans have been accustomed to. Last season Southampton defeated Riverhead and the Falcons have commanded much respect in the past few years on their showings against Hicksville and Glen Cove.

Hicksville is hardly ready for the contest since it has had only eight full practice sessions for it and rarely has there been one hundred per cent attendance at those.

VERY PROMISING

Despite the fact that the team has been slow in forming, Coach Dom Sabatello and his assistant, Chip Gannon, are encouraged by the turnout in the past week.

Of course much depends on the versatile Gannon, who gained national fame at Harvard. He will quarterback the club and will handle the ball under the T formation. Sabatello needs another quarterback to spell Gannon and is intensely looking for one.

The Black and White has a solid foundation to start with whereas the Lind positions are concerned. Already Lou Koff, Herman Rigby, Tom Hennessey and Emil Koff are on the club and their ability is a known factor in these parts.

Lois Zink, John McGinn and Jim Scoulding are familiar names on the Field Club program at the Tackles and they will be joined by valuable additions.

Newcomer to the team is Ken Reardon of Levittown who is a sizeable fellow. He played college ball at Cortland State Teachers and is presently assistant coach at Valley Stream Central.

He is expected to induce other Cortland grads in the area to come out for the team also.

When you consider that Al Hesse of Westbury will join the team Sunday, the Tackle worries of Sabatello are very few indeed. The picture at the Guard posts is equally as bright.

See Charles of Glen Cove will be on the club as will Ray Merrill who played last season with the now-faded Long Island Bears. Neil Casaliaro will be a Puntingdale Aggie on the team.

At present Ralph Straub is the only center but Straub can take over when needed.

Gannon is the standout back and plenty of support can be counted on from Tom Hennessey, Hicksville Junior High coach, and ex-Adelphi ball carrier; Ed Stetz, Merrill Varnslev, Al Koff, Jerry Calandrello, Sid Rigby, Jack Koff, Bob Quintan and Pete Haughey.

BIG SCHEDULE

Once upon the opening test the Field Club should roll in high gear and it will have to.

For a season that was supposed to have a dearth of opponents the '51 campaign shapes up as quite an interesting one.

A home and home series with Southaven, Riverhead and Glen Cove, which has come again thrown in the hat in the football ring at a late date, will provide plenty of action.

The Jones Boys, highly rated in Queens, also may be met twice and Lindenhurst and the Bears will be visited once.
