HICKSVILLE LIONS present a fine machine for the projection of enlarged book pages on the ceiling for bed-ridden local adults and children at the Public Library at a regular meeting held last Wednesday. Here are Lions Club officers and Library Trustees who were present at the dinner meeting to accept the gift together with a supply of books on film suitable for all age groups. The machine, which stands in the foreground, is now at the Library where it may be borrowed just like a book. Left to right are Lions Club President Vincent Braun, Miss Louise Augustin, library trustee; Robert Botto, chairman of the Lions committee which raised funds for the machine; Leon J. Galloway, library trustee who accepted the gift; Roland Hehner, past Lions Club president and library trustee; and Myron Sausmar, past club president during whose term the project was launched. WANTS PARENTS TO ACT: Educator Blames Distributors, Publishers for Newsstand Filth

By DR. HAROLD E. HAMMOND

Parents are no longer allowed to walk into their neighborhood stationery store or ice cream parlor and find themselves surrounded by a gallery of low-quality, trashy, and obscene pictures or scenes depicting violence, rape, or murder. These glaring displays of almost every known vice are to be found, of course, on the covers of magazines, pocket books and cheap pulp literature.

This most crude method of salesmanship is generally regarded with indifference by a public accustomed to a diet of obnoxious advertising. If there is any protest registered at all, it is with the merchant who sells such "literature." Here the responsibility is misplaced, for the publishers and distributors are the real culprits. The retailers are as much the victims as the general public, and frequently show more indignation about the situation than their customers. Unless they accept and display all of the crude pulp given to them by distributors, the retailers cannot receive delivery on good magazines, pocket book editions and short story collections.

An examination of one example of this printed tripe will serve to illustrate the harm that can come of it. Obviously the market for such waste is among the socially maladjusted, the socially immature and the psychologically warped. Those whom psychiatrists define as emotionally mature can only regard such printed matter with contempt.

Selected at random was "The Amazing Story of Carrie—Daughter of Sin." The theme is depicted with the cover illustration of a handsome young man looking longingly out of his automobile window at the curvaceous figure of a platinum blonde languishing on a bus stop sign. The stance of the over-ripe girl is that of a professional harlot, and her eyes are made to glance invitingly at the accosting male. This is the come-on for the consumer. The inside front cover and the outside book cover confirm the fondest hopes of the sexually frustrated.

Kiwanis Plays Host To Kids Saturday

HICKSVILLE—National Kids' Day observance here will be sponsored by the Kiwanis Club with a free show at the Hicksville Playhouse this Saturday, Sept. 22, at 9 a. m. Special entertainment between films will be presented by the Swoboda Dance Studio.

MLHOA to Review Year on Friday Night

HICKSVILLE—Presentation of a 18-page report reviewing activities of the past year will highlight the regular meeting of North Levittown Home Owners Assoc. this Friday night, Sept. 21, at the Community Hall on Levittown Pkwy., according to President Charles C. Miller.

The Assoc. will also discuss projects for next year. Nominations for officers are due at the October meeting with elections in November. Miller is filling out the unexpired term of Robert Baird, who resigned last Spring.

Car on Fire Next To Alarm Signal

HICKSVILLE—A fire in the wiring in a 1941 Ford on Broadway, called out firemen Sunday afternoon at 3:44 p. m. right next to the alarm box. There was about \$25 damage to the car owned by James Slav of 2022 New York Ave., Huntington. Firemen extinguished a brush fire of Old Country Rd. near East Ave. Sunday at 7:34 p. m.

Miller also expects to present figures on the cost of operating the Levitt-built and owned swimming pools and hotels of the MLHOA proposal now before the Cooper Bay Town Board for a split in Hicksville Park and Parkington District. (Editor's Note—See Miller's letter on subject in this issue on page 4).

Plainville Rejects Purchase of Buses

PLAINVILLE—A proposal to spend \$250,000 to purchase four school buses was defeated 20-20 at a special meeting of the school district held at the Plainville High School Friday night, Sept. 14. A total of 150 ballots were cast.

Party At Bethpage To Help Police Victim

OPEN FRIDAYS TIL 9 P. M.

Dear Jean

The new Radio station at Stewart Ave. and Hempstead Tpk., Bethpage, is being operated by HERBERT C. BOWLING of Richmond, Va. . . . EMPIRE BROADCASTING System operates the station daily from 6 p. m. . . . I see MESTARON on Dirty Ave. is adding a \$50,000 storage and shop to its building . . .

When Hicksville firemen led by CHIEF WEISS went to Haddon, NY, for Nassau Day at the Firemen's Home, they stopped off enroute to visit RICHARD McMANUS and family at Claverack, a couple of miles out of Hudson. DECK, former Hicksville Junior High Principal and first president of the local Lions Club, is with the school system in that upstate city . . . FURY AND BELL has a new fall line of Fada Television and Radio sets now on display at their store on Bway, near the corner of Carl St., Hicksville . . . When little GLENN OCKER started in kindergarten at Mannetto Hills School, Plainview, this term with his cousin, SUSAN BERRY, he was going to the same "one-room" building that his copy, Fishview Fire Chief ED OCKER, and grand-daddy, ANTHONY C. OCKER, also attended. Grandfather went to that building from 1888 to 1907. SUSAN is also a grandchild, the daughter of Mr. and Mrs. ROBERT BERRY, son-in-law and daughter of ANTHONY OCKER . . .

Help wanted listings in the Herald last week set an all-time record for us, proof of the drawing power of those little Want Ads . . . And speaking of records, the double spread repeated this week by SPERO's on RCA Victor TV (using the Herald exclusively to tell the story in the mid-Island area) is a record for total advertising income taken in a single month by a local advertiser . . . ERMIE FRANCHIE told Republicans at the club meeting, Friday night, that five Hicksville election districts are now too large and may be split before November elections . . . The switch last week designating RANSOM for supervisor was a big disappointment to many local GOPers . . .

The Twinlawn Civic Assoc. resumed its monthly meetings last night with a session at the home of DAN DUNLAP of 60 Twinlawn Ave. . . . Among the first Long Island industries to reach its 100 per cent membership quota in the LI Industry Hospital Fund was Aircraft Specialties of Hicksville . . . GERALD T. BOBSON of 11 Quiet Lane has been named CD director for Levittown, replacing ROBERT E. LACKEY, who resigned to accept a new post in the county organization . . . Money is provided in the Hicksville Fire Budget, recently approved, for the purchase of auxiliary fire sirens in the district to help spread notice of an air raid alert in sections of the district which now fail to hear the fire signal.

FULLER'S CLEANERS now operates his own dry cleaning plant on the premises at 144 Broadway, opposite Hicksville Catholic Church . . .

Illness has hit the ranks of the HERALD staff. Our Brian Fisk correspondent, ETHEL ROONEY, and her neighbor, RAE CANTILLI of Plainview Country Homes, are both unable to present their reports due to illness . . . Don't forget the registration, photographing and fingerprinting if CD volunteers takes place next Friday night, Sept. 28, at Nicholas St. School. If you are registered but never got your card, please report for it . . . CD directors of the Township met last night at Rothman's with County Director EYAN . . . Town Tax Receiver Schell and his staff expect to move into their new and enlarged quarters at Oyster Bay Town Hall this week . . . We still think they should have put up a new Town Hall at Hicksville rather than enlarge that building in Oyster Bay where no one can get without a car . . . Tomorrow Host FRANK POGGIALLI has charge of the program for Hicksville Rotary at his Alibi . . . Popular PAT BUFFALINO, president of Hicksville Business Men's Assoc. and mgr. of the Fire and Ten, underwent an abdominal operation at Mercy Hospital during the week . . .

GELSON'S factory on W. John St., Hicksville, now has its own fire alarm box and call number "134" installed by the company at its own expense . . . State Motor Vehicle Bureau says it may have to move testing area for drivers licenses from Hicksville to Farmingdale or Levittown because of complaints registered by someone on W. Nicholas St. . . . The Landis development of Jericho will be built, according to current issue of LIFE magazine (1,760 houses) after LEVITTS finish 16,000 houses near the US Steel Plant in Morrisville, Pa. . . . And that picture appearing in daily papers of "Levittown at Night" includes mostly Levitt houses in Hicksville. Picture was taken from top of new Hicksville Water Tank on Newbridge Rd. . . .

HENRY G. EISEMANN, well-known realtor and insurance broker, is due home this week from his ranch in Montana . . . Highway Superintendent JOHN BRANDT was in Buffalo last week for a meeting of the State Assoc. of Highway Superintendents . . . EDNA SUTTON answered questions on school district problems at the Junior High P-TA meeting last week on Thursday night . . . Two hundred homes are underway on a 40-acre tract on Old Country Rd., Plainview, about a half mile east of South Oyster Bay Rd. Models were opened last weekend . . . Four new members of Hicksville Lions Club this week are ED KESSLER, JIM WEISS, JOHN BARTA and ALEXANDER NEWCOORN . . .

Vamps Help Steamer Win Race

HICKSVILLE — Six members of Hicksville Fire Dept. with Chief Stanford Wells, en route to the Firemen's Home here on Sunday for the annual Nassau Day, got into the publicity concerning the

Chicago to New York race of two ancient automobiles. They were asked to give a 1918 Stanley Steamer, some water before it blew up. The Steamer, driven by Jack Brause, was leading after 1,011 miles of the race

with Babe Delaunty, driving a 1910 Stoddard-Dayton gasoline powered auto close behind. The Hicksville vamps were glad to assist and pictures of the assistance rendered were taken. The Steamer won the race. Members of Jericho and Levittown fire units were also here for Nassau Day, Sunday.

Educator Denounces Newsstand Fifth

(Continued from Page One) man in Carrie Collier's young and thrill-packed life—but he was the first who mattered. His knees made the insoucious-redhead his slave, and before Carrie knew what had happened she was completely under his spell. . . . But the only thing of importance to Mike was fun and a few — snappy blonde, Mona Talmadge. . . . Carrie was merely a pretty convenience — or so Mike thought, until Carrie decided that life along the Primrose Path could be beautiful, thrilling and mighty profitable!

AGING ROMANCE . . .

PACKED WITH PASSION
 The entire tale is a shoddily-told mess about abnormal, unreal people. The plot is common, the style cheap, the moral dangerous, and the characters unconvincing. All that can be said for it is that it undoubtedly has a large sale and that it permits sexual perverts to amuse themselves. That it is sold to an unsuspecting public is criminal. There can be no apology for the existence of such rot. It is neither artistic, nor well written, nor intelligently handled. It is but a fruitless effort to stimulate obscenity in people of low intelligence. Theodore Dreiser can deal with the subject of prostitution and make it art. James Joyce can deal with stark, naked sex and make it realism. Sinclair Lewis can deal with marital infidelity and have it ring true. Literature — good literature — can deal with any or all of the themes treated by the pulp writers and exist as something worthwhile reading. The kind of nonsense typified by *She Tried To Be Good* simply has no reason for existing. Incidentally, "she" certainly did not try very hard to be good.

Perhaps the most dangerous thing about *She Tried To Be Good* is that sympathy was created for a degenerate heroine and that the story ended with a "she lived happily ever after" conclusion. The moral lesson for young people seems here to be this: act as a prostitute, be a prostitute, and you'll eventually find true love and live happily ever after. Incest, abnormal lust, fornication, adultery, all become normal things. No morality exists in the story, yet all turns out well.

What effect must this kind of writing have upon our youth? Adolescents have an extremely difficult job of passing through perhaps the most disturbing emotional period of their lives without having their paths blocked by these obstacles. This trash can only disturb them, distress them and injure them. There are better and safer ways of learning the "facts of life," and these are not the facts of life anyway. Distributors consciously seek out places where young people of high school age get together to place their wares, and the proprietors of such establishments do not deny that the bulk of their customers for sex pulp are adolescents. Parents must not simply shrug their shoulders and pass the burden on

to the educators in a case like this. They are the public, and with them the responsibility justly rests. Threats and warnings to young people to avoid reading these things has failed for as long as man has been able to read and write. Adolescents cannot be expected to resist the temptation, so the next best thing is to remove the temptation from them.

The general public alone is capable of forcing the publishers to curtail such matter and to prevent the distributors from bringing it into their communities. Publishers are in the business to make money. They will cater to any public as long as that public continues to tolerate their product and patronize it. But the public does not have to tolerate what it knows to be unhealthy, and this sort of thing is just that for the young people of any community. It is the civic duty of citizens concerned about the youth of their community to express their protest in writing to the publishers of sex pulp of the calibre of *She Tried To Be Good*.

Where to Park

COMMUTERS WHO live in the Hicksville Park and Parking District have been waiting patiently, they remained us, for more than a year now for some form of action upon their problem.

A commuter friend tells us that a year ago he could park within two blocks of the station. Each month, so it seems, he gets forced further and further away and today is walking eight blocks to his auto after a tough day at the office and a long, tiresome train ride.

He is not one of the early bird riders and thus by the time he gets to the vicinity of the depot mornings, most of the "close" spots are taken. A few other locations which were available a year or so ago are now restricted with time limits.

This particular commuter is not just a talker. When he got busy, as best he could, on the problem last year—foreseeing what has now happened to himself—he and two friends checked on available sites. He paced off a field that he was told was under consideration for his use, drew to scale a plot plan to show how the greatest number of cars could be accommodated. He turned over his work, representing evening hours which could have been spent in front of the TV set, and he felt the authorities would carry it through. He was patted on the back, thanked and assured.

Today he's still waiting but, understandably, getting a little mad. You can multiply him by hundreds.

He understands that property costs money and improving a tract of land for parking purposes costs more money. He knows it will add to his annual tax bill if the parking district provides him with the facilities he wants. But he's willing to pay—all he wants is some action.

Incidentally, the Long Island Rail Road has had two more changes in management since there was a lot of fuss and talk about acquiring and improving the station plaza property. We wonder what ever happened to THAT deal?

Must Someone Die?

LEE AVE. runs into South Broadway in Hicksville at about a thirty degree angle. Hundreds of residents daily play a game of tag with death or injury as they attempt to enter Broadway with their automobiles. There is no need to particularize. An obviously dangerous condition exists . . . A traffic signal is the only solution.

It seems no one has died there. There have not been enough accidents. As with the Long Island Railroad and the Pelican off Montauk, we also must have our tragedy. Oh not on such a grand scale, only possibly one family, one person or one child; pray it is not yours. Then we shall have a traffic signal. Then we may thank the dead.

This is murder but to get a traffic light before something happens is difficult. Is it impossible? We would rather thank the responsible people now than urge their indictment for murder and negligence later.

Comforting News

ALBANY reports that the State of New York is sending Hicksville School District, thru the county treasurer, the sum of \$75,900 as aid in financing teachers salary increases. The local system had about 60 on its faculty at the end of the war, now number over 125.

HERALD READER OPINIONS:

Exclusive Use Behind Park Split

Sir: The NLECHA petition for the creation of a Park District composed of Levitt homes in the Town of Oyster Bay is the first step in a program sponsored by the Levittown Civic Council and its member groups: the Levittown Property Owners Association, the East Meadow Levitt Home Owners Association, and the NLECHA. We hope that Levitt and Sons will offer the two swimming pools, Levittown Hall, and the other recreational facilities of our area to the Town of Oyster Bay as was done with the facilities in the Town of Hempstead. We believe that the chance to acquire a quarter-million dollar community hall and two fine swimming pools, not to mention the other parks, without having had to pay for them or for their construction should be seized without delay.

Of course, these community recreation facilities must be maintained and we believe that the most equitable way of doing this is under Town ownership and by means of taxation levied by the Town on all residents of the district. Our proposal is that only residents of Levitt-built homes share in the burden, and that accordingly only they shall have exclusive rights to the use of the recreational facilities.

We further believe that ALL residents of Levitt-built homes in the ENTIRE community should have free access to ALL the recreational facilities, whether these facilities be in the Town of Hempstead or Oyster Bay. To this end, we further propose that the residents of the Levittown Park District in the Town of Hempstead be extended the right to the use of the pools and the Hall in the Town of Oyster Bay, in return for which the residents of the Levittown Park District would share in the cost of maintaining Levittown Hall.

In other words, those living in the Levittown Park District in the Town of Hempstead would continue to carry the full burden of their seven swimming pools and their parks, but would be asked also to pay a pro-rata share of the cost of maintaining Levittown Hall. We in the proposed North Levittown Park District would pay taxes to the Town of Oyster Bay for the maintenance of our two swimming pools and our park areas, and would pay a pro-rata share of the maintenance of Levittown Hall.

Based on operating costs which have been ascertained by two years' swimming pool operation by Levitt and Sons, and one year's operation of some facilities in the Town of Hempstead by the Town, we believe that the FULL cost to a Levitt home owner should not exceed five dollars per year—this is not a tax rate, this is the full cost.

Thus far, more organizations and groups from Levittown in Hempstead township have used Levittown Hall than groups from North Levittown. We believe that all bona-fide Levittown groups which meet the requirements now in effect should continue to have free use of Levittown Hall. We are asking only that we residents of

Levitt-built homes have on a permanent basis the exclusive rights to all Levittown pools, parks, and Levittown Hall, the costs being distributed uniformly over the 17,546 Levitt-built homes. We can do this if and only if in Oyster Bay we establish the same exclusive Park District that Hempstead set up last year for Levittowners south of the Line.

Very truly yours,
 CHARLES C. MILLER

UNETHICAL JOURNALISM

Dear Sir: Just as I had decided to subscribe, I read a rather unethical type of item about an auto accident involving a competitor of yours. As journalism, or as competition, or as local rivalry, it seemed low level stuff. Until I read that item, I had thought your approach to local antagonism sensible. Frankly, it shocked me, and I shall have to think the entire matter over before I subscribe to your newspaper or to your type of approach.

GRIFE ABOUT MOVIE

Dear Editor: This letter is a gripe about our hometown movies, Hicksville Playhouse. Recently on a Sunday evening, my husband and I went to this movie for the first time since the birth of our son, three months ago. We left him in good hands with the assurance that he would be all right.

But he developed a case of cramps and could not be quieted. Thus, he had the house in an uproar. They tried to have us gaged in the movies but the manager said that he didn't want to pay for a movie. This was the first time I had ever heard to this. (In the meantime our baby could not be quieted.)

At the time no one was around with transportation to go down to the movies and get us. Finally after about an hour someone came to the rescue.

This incident was quite upsetting to all concerned. I imagine there have been others with this same situation. Whenever there is an emergency, I think people should be paid—not only doctors. If anything serious would have happened to my baby, you can be sure there would have been a lot of trouble between me and the movies.

I hope that through this letter that something can be done about paying people in the movies.
 (Signed) MRS. NORMA DRAGNY

Election Time

By FRED J. NOWATY
 IN LESS THAN 50 days you will be called upon to perform an important civic duty. You will be asked to vote for the men (and women) who will govern you for a period of years to come. This is an "off-year" election since only township candidates are up for selection . . . there are no candidates for state or national election on the ballot.

But it becomes more important because it is an "off-year." In a township election you have an opportunity to study the men who seek election. You can get acquainted with the work expected of them and their past performance.

We find an alarming indifference on the part of our newest residents to the forthcoming election. It could be because they are unaware of the importance of this kind of an election to their future happiness and welfare. We hope in the weeks until Nov. 6 to focus attention upon the offices to be filled and the men who seek them in an attempt to stir the interest of these newer homeowners.

We cannot share the joy of certain North Shore interests in the absence of Ernest F. Francke from the Republican ticket as candidate for supervisor. Hicksville and the mid-Island area is the largest population center in the township and for many, many years now should have received a more respectable share of representation upon the Town Board and County Board of Supervisor. We have no quarrel with Charles Ransom of Sea Cliff but we would have preferred to see a local man seeking this high office to succeed Harry Tappen.

The report that Hicksville might have lost its long-held privilege of a Councilman (on the Republican ticket) had Mr. Francke accepted the nomination for Supervisor comes as a distinct shock. We can't conceive a situation where Hicksville would not be represented on the Town Board by a Councilman from this community. There are too many daily problems and decisions involving Hicksville-Bethpage area to even consider replacing a local man with a candidate from Sea Cliff or any of the other north shore areas which have experienced none of our building and growth.

Our main objective at the moment is to rouse interest in the coming election of candidates for township office. And let it be stressed that if Hicksville were to incorporate, we would still vote for township officials. Mr. Ransom is a resident of the Incorporated Village of Sea Cliff and his neighbors can vote for him along with the rest of the township. Frank G. Scholl, former mayor of Farmingdale, is GOP candidate for reelection as Tax Receiver and his neighbors in Farmingdale are entitled to vote for him.

You can get to know the candidates—speak to them personally if you like—in the forthcoming Township Election.

It will mean not only service for more telephons users, but more value to all users. Today, users in the average community can reach twice as many phones without toll charges as they could ten years ago.

TELEPHONE COMPANY PLANS \$180,000,000 EXPANSION-IMPROVEMENT PROGRAM IN 1952

NEW CABLE is being placed every day to help supply additional telephone service. Today six out of ten people applying for telephone service get it right away. Where shortages have caused a waiting list, telephone people are working as hard as they can to clear up the situation just as soon as possible.

HAVE YOU HEARD?

MORE THAN 1600,000 MILES OF WIRE IN CABLE WILL BE ADDED TO NY'S TELEPHONE SYSTEM NEXT YEAR.

\$1,122,000,000—TOTAL FOR NY TELEPHONE EXPANSION AND IMPROVEMENT FROM 1945 THROUGH 1952

NEW YORK TELEPHONE COMPANY

One of the biggest construction programs in New York Telephone Company history has just been announced for next year. It will total \$180,000,000. Twenty million dollars larger than the 1951 program, it should provide facilities to add 315,000 more telephones in the state.

It took nearly 40 years after the invention of the telephone to build up this company's total investment to \$180,000,000—the amount planned for next year alone!

Next year's program will enable the company to show real progress in bringing service to those now waiting, and in satisfying customers who want individual or two-party lines. Getting the materials for it will be a big problem but—subject to the needs of national defense—the company intends to push ahead as hard and as fast as possible. In the overall, this work will put the telephone system in better shape than ever to serve the expanding needs of the armed forces and vital defense industries.

While some of the money needed to finance this big job will come from

sources such as sums earmarked for depreciation, most of it—nearly 100 million dollars—must be obtained in new capital. This money must come from people who have savings to invest. Getting it will hinge upon the company's success in maintaining earnings good enough to make investors want to put their savings in the telephone business rather than in some other enterprise.

\$18,000,000 earmarked for NASSAU COUNTY

Three new telephone buildings in Massapequa, Hicksville and Westagh
Enlargements to telephone buildings in Roslyn, Glen Cove, and Oyster Bay
Eight new central offices to be added
Facilities to be increased in 10 other central offices
285,000 miles of wire in cable to be added
Substantial amount of older plants to be retired as new equipment goes into use
More air circuits to be provided throughout the county
33,800 telephones expected to be added in 1952 to bring total number in service to 336,000

OFF SOUTH BROADWAY: Now Is Time to Get Subscriptions

By BUNNY LAUER — HI 3-8704J

Howdy folks, remember a few issues back I wrote about the Hicksville High School annual magazine campaign? Well, it has started Monday and there are beautiful prizes for the students selling the most subscriptions. This drive ends Sept. 28. How about renewing your subscription through one of the students? This also gives you all a wonderful opportunity to subscribe to a popular magazine and do a good deed at the same time. (My Girl Scout training).

Still with our local orange and black, the first issue of "The Comet" has been published and it is a school paper worthy of everyone's

support. It is on sale at Brown's Meat Market.

I sure am getting school minded. Went to an executive committee meeting of the Nicholas St. School P-TA last week and we certainly are planning a wonderful P-TA year for all you lucky parents whose children go to Nicholas. The first meeting will be held Thursday, Sept. 27 at 7:45 p. m. Hope to see you all there.

JOHN and GLADYS McLOUGHLIN of 169 Lee Ave. are back from their second honeymoon. They went through Canada and saw the Falls. GLADYS sure is a lucky gal having such a wonderful Mom and Dad. They came out from Brooklyn and took care of the two youngsters so that GLADYS and JOHN really "tripped the light fantastic."

That sure was a bang-up affair in honor of WARREN COCHRAN who was home on leave from the Navy. The party was held at the SACCO garage at 211 Lee Ave. Square dancing was enjoyed. Entertainment was rendered by the "Lee Ave. Orchestra," consisting of JIM NEWELL and SCOTT LOGSTEAD, accordion; CHUCK CAULDWELL and RALPH RANKIN, saxophone; HENRIE VARKA, harmonica; RUS HANSSSEN, ukulele; RICKKEY SACCO, violin; and JOE ANDERSON, drums. Other guests included, Gladys Cochran, Cotty Hansen, Clara Logstead, Ginny Varca, Marie Cauldwell, Joan Chase Dot Rankin, Agnes Sacco, Dot and Bob Hewkes, Marge Newell, Florence and Hughie Franks, Henrietta and Ed Bolger and Harriet and Harry Woods. The refreshments were wonderful and all of Lee Ave. had enough to eat for a week.

MR. and MRS. STEBBINS of NYC were the dinner guests of Mr. and Mrs. Oscar Lauer of 185 Lee Ave., Sunday.

My niece, YOLA RONA WOODLEY, of Cottage Blvd. celebrated her fourth birthday with a party Sunday for the family. Her small fry guests were: Marguerite and Skippy Ivory of Brooklyn, Shelly Lauer, Holly, Iva and Paul Lauer.

Went to another plastic demonstration Friday night at LABEL TEUBNER'S home at 179 Lee Ave. Mrs. Arnon of Bethpage was the demonstrator. Guests were Mrs. Charles Teubner and Mrs. Emily Wheeler of Mineola, Mrs. A. Davis and Mrs. M. Deegen of Bethpage, Mrs. Lila Woodley, Mrs. Ethel Lauer, Sr., Mrs. Hilda Merkle, Mrs. Anna Laza, Mrs. Lillian Silberling, Mrs. Evelyn Buchaltz, Mrs. Cecil Sloan, Mrs. Helen Sandkowitz, Mrs. Gladys Stamer and Mrs. Anna Stamer. Mabel sure knows how to brew a good cup of coffee.

P. S. to Mr. B. Smith — Mrs. B. Smith was at that demonstration.

New Arrivals

A son, Thomas Michael, was born to Mr. and Mrs. Bernard Fagan of 24 9th St., Hicksville, on Sept. 2.

Mr. and Mrs. George Laber of 122 Twig La., Hicksville, are the parents of a daughter, Candyce, born on Sept. 7.

Mr. and Mrs. Harry Cowgill of 21 Silver Ave., Bethpage, are the parents of a daughter, Natalie Ellen, born on Sept. 8.

Mr. and Mrs. Vincent Hockmick of 69 Twilaways Ave., Hicksville, are the parents of a son, Richard Kevin, born on Sept. 9.

A son, Stephen George, was born to Mr. and Mrs. Robert Wilson of 34 Ash La., Hicksville, on Sept. 8.

Mr. and Mrs. Robert MacVerty of 54 Hardy La., Hicksville, are the parents of a daughter, Beth, born on Sept. 8.

Mr. and Mrs. James Vespoli of 132 Duffy Ave., Hicksville, are the parents of a son, Michael James, born on Sept. 8.

I accidentally left out her name. Mr. and Mrs. HENRY HILDENBRAND, newlyweds, were the Sunday guests of the Bulger's of 201 Lee Ave. Henry is Henrietta's brother.

Mrs. DOT HAWKS of Lee Ave. entertained her parents, Mr. and Mrs. Johnson of NYC Tuesday.

The VACAS of 2 Mercury Pl. spent a weekend with Mr. H. Varca, Sr. of Queens Village.

Mr. and Mrs. BUD KIMMERLY and daughter, Joan, of Milwaukee, were the recent guests of the Hanssens of 210 Lee Ave. Bud is Dottie's brother and they haven't seen each other for two years.

Mr. and Mrs. BOB JENKINS of Division Ave. are leaving Friday for a two-week auto trip through New England. They will spend a few days in Boston with Mrs. Jenkin's mother, Mrs. Edith Goodman.

Oh, yes, motorists, don't forget the law: when the school bus is loading and unloading, you must stop. These school buses carry the most precious cargo in the world.

The JAMES HENNESSYS of Division Ave. had a back yard barbeque. Music was donated by a field of crickets and the mosquitoes were really friendly, didn't care who they bit. In spite of all, every one had a good time. Guests were Mr. and Mrs. Jerry Fernh, Mr. and Mrs. Leon Berg, Mr. and Mrs. Jack Robinson, Mr. and Mrs. Melvin Berman.

I'd love to hear from more of you. BUNNY

BETWEEN DUFFY AND OLD COUNTRY: Neighborhood Is Proud of Pete Karp

Mr. Karp:
We have another new neighbor in "Country Club House"—Mr. and Mrs. G. K. Hales of 22 Meade Ave. and their three children, Gordon, Jo Linda and Eileen. Hope you like Hicksville.

Did you know we had a human sacrifice in the town of MARY'S CHURCH in Hicksville Park? Mary jumps over fences rather than walk around to her friend's house.

ADVICE KARP-BIRTH of Benjamin Ave. brought his daughter SHARON to like the other day; but when do I see flying it all the time—why Arnie, of course.

MR. and MRS. PHILIP McCORMACK of 35 Meade Ave. celebrated their 40th wedding anniversary on the 19th with a family dinner. The McCormacks are former residents of Wilkes-Barre, Pennsylvania, where they were married in St. Mary's Church by the late REV. MICHAEL McANDREW. The McCormacks have three children, Frank of Wilkes-Barre, Philip Jr. of Princeton, N. J. and Mrs. Watkins with whom they reside since Mr. McCabe retired.

I guess by now you all know we have a hero in our midst in the person of PETE KARP of Meade Ave. While fishing one night Pete saved two people from drowning.

ERNEST DIETRICH of 45 McAlester Ave. celebrates his birthday this week. Best wishes, Ernie.

ROSE GATTERDAIM of McAlester Ave. had a meeting of the Friendly Circle Club last week. Refreshments were excellent. I'm beginning to think that's the only reason the girls go to meetings.

The Executive Board of the Hicksville Civic Association met last week to plan bigger and better things for the coming year. Let's all see if we can't make the FIRST meeting on Sept. 27 a real success.

MRS. J. MADSEN of Meade Ave. celebrated her birthday last week. Happy birthday from all of us.

I see **MR. MARKS** of Meade Ave. is spending his vacation painting his house. Looks real nice too.

MR. and MRS. R. WYMAN and family of McAlester Ave. spent a week in Florida recently.

SHERWOOD HELDEL of Meade Ave. celebrates his birthday on the 23rd. What, no blow-out Sherry?

What's the matter Bill (Meade Ave.) won't your wife serve you breakfast anymore?

American Legionnaire

CHARLES WAGNER POST 421
24 East Nicholas St., Hicksville.
Meeting 1st and 3rd Mondays

TWO ITEMS of interest to all were brought to the floor at the regular meeting of Charles Wagner Legion Post, Hicksville, held on Sept. 4. The first proposal concerned the "Gifts for the Yanks" containers. It was quickly agreed to purchase 50 containers for distribution in the near future.

We don't have as much information on the second item as we would like, but we do know that steps are being taken to form a Veterans' Council in Hicksville. At present it appears each local vet organization will be represented by two members. It is reported the primary purpose of the Council will be to arrange for dissemination of information on veterans affairs and to coordinate mutual programs. Legionnaires volunteering to serve on the Council are Andy Bouse and Jim McLoughlin.

Although it is now old news that Pete Karp dove from a Jones Beach Causeway bridge into Swift Creek to save a two-year-old child from drowning last week, we would like all to know that Pete is a member of the Charles Wagner Post.

Jack Rondeau has made his first report on the financial standing of our new method of clubhouse operation. Everything was satisfactory, but continued member activity and patronage will be necessary to keep it that way. Anyone anxious to help is requested to see Art Blotach at the next meeting.

Once again Walt Schlicting has come through. This time with a sorely needed refrigerator for the kitchen.

Latest Legionnaire from Hicksville to return to the service is Don Versteeg. Sgt. Don, the fourth member of the Post to be called to active duty, is in Alaska with the Air Force.

The Autumn program is rapidly taking shape. This Friday you have a date with the Navy. And it's all free! If you're an Army man you're welcome, but why not justify your presence by bringing a prospective member?

The first Fall Dance is scheduled for Sept. 29.

Two important dates to keep in mind—Sunday, Nov. 4, is the date of our Kings Park visit, and Monday, Nov. 5, at the regular meeting, we will be privileged to hear a representative from the School for the Blind! It should be of interest to all.

Jesse Randall, L. Wollenhaupt, Steve Scholhar, Fred Brengel, Walt Coane and Al Carpenter have all signed for '52.

Have you mailed your coupon from page 26 of the Legion magazine?

One last note to all veterans who have not joined the Legion: Our meetings are held on the first and third Monday of each month at the clubhouse, 24 E. Nicholas St. Prospective members are always welcome to attend. Remember, the American Legion first offered the "Korean Vets' Bill of Rights" to Congress on Sept. 13, 1950!

WEEKEND CAMP TRIP
Eighty girls of the Brownie, Intermediate and Senior Girl Scout troops enjoyed the weekend at Camp Eby through the combined efforts of the Kiwanis and the Troop Town Committee.

Transportation for the scouts and adults was provided by Charlie Campaigne at no charge. The only cost to the girls was 25 cents per night for use of the camp facilities and 50 cents for insurance.

A check contributed by the local Kiwanis covered the cost of the entire food bill for the three days. This is the third time the Kiwanis have made a weekend at camp possible for the girl scouts.

Troop leaders accompanying the girls were Winnie Bellini, Neva McQueen, Ethel Suppries, Ruth Christie, Tetla Shaw, Helen Grossman, Norma Cramer, Ann Maggio and Catherine Seitz.

NORTH EAST REPORT: Continuing Our Car Pool Campaign

By LEE CHANIN—HI 3-0682

Friends of ours, who comprise a three-man car pool group, came up with an excellent idea which they have asked me to mention. If they can add two more men to their pool, they would rotate their cars daily rather than weekly, which would enable each man to leave his car home for his wife's use four days out of five. Sounds like a very ideal arrangement for the ladies concerned.

Here are the facts for any who are interested. These men work in Manhattan from 9 a. m. to 6 p. m. and leave Hickville between 7:15 and 7:30 a. m. They leave the car at the parking field in Flushing Meadow and continue from there by subway. So anyone who can conveniently travel from Flushing Meadows to any other part of the city, whose hours will coincide might be interested. For more facts, call Mr. and Mrs. GERHARD SINGER at Hicksville 3-1878W.

All our kiddies have (either happily or unhappily) returned to school by now, and much of the first day's excitement has slumped down. There are a number of new little kindergarten enrollees. Among them are: SANDRA EMAGERTY of 25 Violet Ave., RON-

ALD HARNETT of 2 Dorothy St., ARTHUR BAKER of 20 Violet Ave., FRANK QUINN of 1 Dorothy St.

CELEBRATING BIRTHDAY

I was very happy to see that our neighbor, JOEN BADE, has returned after being away for almost a year. I am sure ABEN and the four boys are delighted to have him home again. He's had no time in getting the house, shipshape with a fresh coat of paint for the outside, plus a number of little repairs. Here's wishing you all lots of good luck.

PARTY PATTIE

My family did a bit of celebrating here last Saturday night with a party honoring my parents 32nd wedding anniversary. My sister, my brother and his charming bride came from the city bearing gifts. My father had come earlier to visit with us and the rest of the family arrived in the evening.

The occasion was a complete surprise to Mom and Pop and we all had a lot of fun.

The climax of the evening came after mid-night when we consulted a time table for a train back to the city and learned that the 1:15 train has not been running since September 9. The only solution to our dilemma was that my husband had to drive them all home, but it was well worth it. I can't remember when we had more fun. May my folks have many more happy anniversaries.

Drive-In Theatre Open Th Nov.

BETHPAGE — The Hempstead Tpke. Drive-In Theatre on Hempstead Tpke. between Farmingdale and Levittown announces it will be open through November. The Drive-In offers a kiddie cartoon festival every Friday night with five color cartoons. Children are admitted free of charge and bottle warming facilities are offered to mothers with babies at the milk bar. Shows are continuous nightly rain or shine, starting at dusk, gates open every evening at 6 and every Saturday there is a late show.

CALLING FOR BIDS

PLAINVIEW — Bids for the transportation of pupils of School District 19 will be received by the Board of Education until Thursday, Sept. 27, at the school on Plainview Rd. at 8 p. m.

Miss Jane Stahley of 15 Elm St., Hicksville, left Sunday for her senior year at Fredonia State Teachers' College. She spent the summer as a counselor at Camp De Wolfe, an Episcopalian Youth Centre at Wading River, L. I. Her father is Superintendent of Mills at Hicksville Post Office.

A tea and cake sale will be held tomorrow (Thursday) at the home of Mrs. Arthur Huettner, 91 Jerusalem Ave., Hicksville, by the Women's Guild of the First Reformed Church, from 2 to 5 p. m.

Miss Doris Krummenacker of Newbridge Rd., Hicksville, has returned to Wittenberg College, Ohio, for her senior year of studies.

IT'S FUN TO FINISH YOUR OWN FURNITURE

It's fun as well as thrifty to apply finishes of your own choosing to these "Ready to Paint" pieces for every room and purpose—it's easy too, because all the outer surfaces of Bandy ready-to-paint furniture are so smoothly sanded that further preparation is unnecessary. All you need is a brush and a little imagination. You may use stains, enamels, lacquers or flat paints. You may cover pieces with decorative wall-papers or fabrics, highlight them with decorative borders and designs. You'll discover its loads of fun to be your own decorator—to mix and match colors—to give your color ideas, free reign.

Each piece of Bandy's Ready-to-Paint furniture is carefully designed to harmonize beautifully with other Bandy pieces and with most of today's functionally simple designs. The fundamental simplicity of these units—and the wide variety of sizes and styles—make it possible to arrange and re-arrange groupings to serve your needs and to use room space to full advantage.

Just think how "Sis" would enjoy having 5 drawer plus wardrobe cabinet, for her own use. Or "Harry" a five spacious drawer chest for his stuff, at only \$18.14. Then too, there's lots of other pieces for the home in general, such as 844 tables, book cases, chairs, corner cabinets, knock-down desks and tables of all sorts. Comes in handy for that extra room too. Our beautiful Pondersa Knotty Pine furniture takes only minutes to finish. Call or come in, your "Uncle Tom" will be glad to give you or mail you a catalogue on all these "Ready-to-Paint" items.

The Sportlight

By HOWARD FINNEGAN

The Hicksville Field Club did not owe a favor by scheduling its game with the Jones Boys the same night the high school is slated to go at Long Beach.

Football fans like the early season night games and it does not come as an enjoyable occurrence for Hicksville supporters that the only two carded for the season will be played on the same evening.

In their defense, Field Club officials express surprise that the Comets are playing the same night.

We have reported the fact at least three times since June, and the daily press has also mentioned it a number of times.

Perhaps the indifference to the progress of our high school team is responsible for the cutting off of the Black and White's lifeblood.

A steady flow of ex-high school talent is the backbone of community stability in the semi-pro game.

Last year the supply of graduate Comets with varsity experience was reduced to a mere trickle and this season not one member of 1950's five won and two lost club turned out for the Black and White.

Such a condition thus forces the Field Club to seek considerable assistance elsewhere, and however successful such a plan may be in its early stages, we can not help but conclude that time will prove it to be undependable.

Our picks for the season openers in Nassau: Hicksville High 7, Long Beach 6; Field Club 12, Jones Boys 7.

Bethpage PBC Sets Sports Night Sept. 29

BETHPAGE — A PBC Sports show has been scheduled for Sept. 29 at 8:45 p. m. at the firehouse. This will be the second annual sports show given by the local PBC unit under the direction of Tex Surprice.

Scheduled program permits 10 boxing bouts; 5 wrestling bouts

and 8 acts of entertainment by PBC members of Inwood, Freeport and Bethpage.

Featured in the wrestling bouts will be one of the local boys matched against a masked professional using professional rules. All other bouts will be strictly amateur.

Gold plated trophies will be awarded to the winners while the losers will be given bronze trophies.

Tickets may be secured at all local stores displaying the PBC Sports Nite placards.

High School at Long Beach, Field Club at Bartons, Friday

HICKSVILLE — An unwanted choice of allegiance confronts the football fans of this village. Friday night for the ever-popular Field Club makes its 1951 Nassau County gridiron debut at Barton's Stadium against the Jones Boys and Chet Jaworski's high school Comets invade Long Beach to launch the scholastic campaign the same night.

It will be the second start for the Field Club which defeated Southampton almost three weeks ago, 14-7.

The Jones Boys have played twice under the Barton archlight and have a tie and a win to their credit.

COMETS HOPEFUL
Despite the fact that Cyril Rumens is the only returning veteran to the team the Comets are hopeful as they launch their season.

In the matter of experience, Long Beach is in much the same boat as the Orange and Black and it is considered that the Comets are not going over their heads in their first outing.

The last time Hicksville engaged Long Beach, and that was more than a decade ago, the Orange triumphed 77-0.

Rumens is recovering from an early scrimmage injury and will be the peeper pot leader of the center o'f the line which has been his trademark in the past.

Saturday's scrimmage with Glen Cove High left Richard Evaschuck with a turned ankle and that is being nursed along in the hopes that it will be alright for the game. Evaschuck figures largely in Jaworski's plans since he can be used in the backfield or the line. At present the backfield has Harold Manasse, Bob Hoek, Harry O'Mack and Eugene Hattenback ready to run things.

All arshort of action under fire but have enough well rounded talent to give promise. Howard Speeding and Joe Desautel stand in back of that quartet. Dick Patswell and Frank Jeslek will be the tackles and George Zulkofski and Tony Celantano are the guards.

Three of the boys average about 175 pounds but Zulkofski's weight will be listed in the program at 225.

Stan Kellner will work the snap back post with Rumens. At end Jaworski has Brad Schaeffer and Doug Jones and they have proved more than satisfactory in pre-game workouts.

The main problem of the team is that it is short of reserves which could tell importantly on the overall operations of the club. This is a persistent problem for the Comets and even the big increase in the population of the student body has failed to dispell it.

East Meadow Defeats Locals in Playoffs

By DIANE UFFMANN
FREEPORT — East Meadow defeated the Hicksville PEC 6-4, in the second of a three-game series, won the Nassau County Championship in the Marine Corps League last Thursday.

Pitching three innings was Tom Sauters for Hicksville and then being relieved by Bob Keute. Hurling for East Meadow was Don Henrichs in his second start against the locals.

Locals taking the lead in the first by 1-0 were tied up when Mawcovi scored one run also in the first with their center fielder stealing home from third. PEC tallied up two runs in third and one in fifth. Three of these scoring runs were scored by Bob Hoek who hit four out of four.

PBC Needs More Adults to Sponsor Program As Basketball Time Arrives

HICKSVILLE — There are more than 275 boys enrolled in the Police Boys Club and many are preparing for the basketball season with about 10 teams expected to participate in three age groups from 10 to 18. During the week many signed for basketball at the Howard office, 98 North Bway, and all others interested are urged to enroll here without delay.

With the defeat of the Hicksville PBC at Freeport last Thursday, the baseball season closed. It was a successful season for the local PBC with two League championships coming here in spite of the fact that local strength was spread over several teams competing in the same League. A total of nine teams in all classes were active.

Regular meetings of the PBC Sponsors' Committee of adults are held the third Wednesday of each month (ie, tonight, Sept. 19) at the Legion Hall. Any men with the interest of boys at heart are in-

vised to attend one of these meetings. Being a sponsor, according to Secretary Bob Mangala, does not entail any personal financial expenditure but it does require time and effort. It is not necessary to have an athletic background or coaching ability.
