Temporary Committee On Education Forms

HICKSVILLE — Formation of the Temporary Committee on Education for School District 17, for the purpose of "auditing the Board of Education in its goal of a full school day for every school child" was announced today.

Milton Leavitt of 41 Atlas Lane, is chairman of the Temporary Committee. Mrs. Ruth Parton of 10 Schiller St., has been elected assistant chairman and Mrs. Carol of Cass, 7 Friendly Rd., secretary-treasurer. Election took place at a meeting in the home of Mrs. Anthony J. Apicella, 340 Acra Ln.

The first step of the Temporary Committee will be to obtain facts

and study the local school problems, Leavitt explained.

"It was the consensus of the meeting that those who want to improve the schools should first have all the facts," Leavitt said.

"We are therefore, have initiated a study of the school system of District 17. We feel that in this way we can best help the school board to obtain prompt and immediate action to obtain more school buildings — enough to give a full day of schooling for every child."

"In addition, we have agreed to do everything possible to aid in raising the educational level for our children. A permanent educational association will be formed if there is sufficient response from the community," he said.

Highway Tax Climbs: Town Budget Total Down; Salaries, Revenues Increase

OYSTER BAY — The gross township budget for 1952, filed yesterday, calls for a total expenditure of \$940,599 as compared with \$1,279,074.56 during the current year. The anticipated cost of constructing permanent improvements is down from \$750,000 to \$353,000 to bring down the total, while salaries have been adjusted upward. Anticipated revenues from other than local real estate taxation are up for next year to \$853,793 compared with \$626,148.76 this year. A public hearing on the proposed budget takes place at the Town Hall on Tuesday morning, Oct. 23, at 10 o'clock.

A study of the budget on file at the Town Clerk's office have disclosed that Zoning Board of Appeals members will get paid \$1400 a year for their services compared with \$1250 this year and the chairman \$1600, a raise of \$150 also. Town Councilmen will get \$2700 each, plus cost of living allowances, compared with the current year of \$2500.

The pay for the Supervisor, Town Engineer, Town Clerk, and Tax Receiver will be \$2200 a year, a gain of \$200 each, while the building inspector will be paid \$5054 instead of \$4856. The Town Attorney allowance is \$13,362, including \$5000 for salary, due to increased litigation. His salary this year is \$5000.

The township next year expects to get \$302,451 in shared revenue from the State (\$195,118.76 expected this year) and \$100,000 more or \$250,000 in mortgage tax-exempt. Town lands and beaches are expected to earn \$103,000 (against \$90,000 figured this year), town clerk's fees are upped \$8000 to \$14,226 while building and zoning fees are down from \$76,800 this year to \$66,500. The incinerator is expected to produce \$92,000 compared with \$84,000 participated in 1951.

To bring the budget out to a zero tax for general town administration purposes, the Town Board is applying \$85,750 from reserves. Last year it took \$88,326.79 from reserves to get zero.

The Town Highway budget is up from \$468,236.51 this year to \$506,026.51 for 1952 with an increase in rate from 39 cents per \$100 to 45 cents per \$100. There is \$20,000 more in the machinery fund or \$56,000.

The budget also includes the amounts to be raised by taxes for operation of special districts. While Hicksville Street Lighting tax will stay at 14 cents the total cost will increase from \$26,013.23 to \$46,076.19, reflecting the increase in the number of fixtures and streets to be illuminated.

The amount of \$21,735.29 is allowed for Hicksville Park and (continued on page 2)

Plainview Vamps Sponsor Contest

Plainview Fire Dept. is sponsoring poster and essay contests for district pupils and offering cash prizes to mark Fire Prevention Week, Chief Edmund Ocker disclosed on Monday. In Bethpage, where open house is held at the fire headquarters each evening and the community is invited, Scouts of Troop 18 are distributing posters on Fire Prevention.

Plainview vamps are delivering a card to each home in the district explaining how to place a call for the fire department in time of emergency.

The essay and poster contests are being held in various classes and a speaker will appear tomorrow (Thursday) morning in the Manetto Hill and Old Bethpage buildings to discuss fire safety.

Fire Prevention was the highlight of the Hicksville Dept. meeting Monday night, with Chief Sam Weiss presiding. He announced that firemen's training classes will be held Oct. 14, Nov. 1 and 8, Dec. 6 and 30, Jan. 17 and 31 and Feb. 14. The vamps will be on parade and undergo inspection by the Commissioners on Saturday night, Oct. 20, starting at 7 p.m.

WHAT NEW RATES MEAN: See \$13.69 Boost on \$185 Tax Bill

The Hicksville District tax bill for 1952 will probably be 25.37 per \$100 of assessed valuation as compared with \$5.00 per \$100 for the current year, it was forecast today, if there is no change in the \$1.20 county rate and 3¢ police tax. The increase of 3¢ per \$100 is interesting since the \$5.37 rate includes the school tax of \$2.50 which is 40¢ higher than last year.

The answer is found in locally directed special districts. The five rate is down 7½ cents, the garbage rate 3 cents, water rate 3½ cents or a total decrease of 14 cents. On the other hand the township highway rate is set by the Town at 45 cents per \$100, compared with 39 cents last year or a gain of 4 cents. The park and parking district remains at 6½ cents and the lighting district at 14 cents.

A Hicksville resident with property assessed at \$2700 will pay on the basis of the \$5.37 rate a total tax bill of \$196.69 of which \$96.69 is for schools. This year he paid on the same assessment, he paid on the same assessment, a total bill of \$185.00 of which \$78.51 was for schools.

Comparative local special district rates per \$100 of assessment are:

Hicksville Postal District Slice Due

WASHINGTON — Establishment of a Levittown Post Office, now a branch of Hicksville Post Office, may take place shortly, Congressman Ernest Greenwood revealed yesterday. He disclosed that Asst. Postmaster General Lawler had written him: "We are now in position to proceed with the securing of the needed additional space, and as soon as it is obtained it is our plan to put the establishment of the independent office into effect."

Such a move is expected to result in the taking off of about 20 per cent of Hicksville, along the boundary along Old Country Rd. instead of the Township line, according to independent sources. The plan has been strongly protested by Hicksville residents and organizations without visible effect upon either Greenwood or Lawler.

Grunman Thanks Boy, Recognizes Honesty

HICKSVILLE — Jacob Michaelson, a pupil in the fifth grade at Junior High School, was presented with a plastic model of the Grumman Panther plane from Grumman Aircraft in recognition of his honesty.

Young Jacob found a missing key book from Grumman's plant. George B. Beebe, assistant to the superintendent of Plant 2, wrote a thank you letter to the boy and sent the model airplane to him. The letter and plane was delivered by Mr. Cross to the school.

**Wires Down In Storm
Call Our Volunteers**

HICKSVILLE—A fire in a television set at the home of Mrs. F. Anuszkowski, 181 Old Country Rd., brought local volunteer firemen to the scene last Wednesday at 3 p. m. Damage was confined to the TV set. Vamps answered four alarms as Fire Prevention Week began.

A flashing wire on a pole at Jerusalem Ave. and Third St. set the pole on fire and firemen were called in a silent alarm Sunday night at 7:30 during the storm. Fallen wires on Old Country Rd. at Monroe Ave. again summoned firemen at 9:45.

A faulty oil burner caused slight smoke damage at the home of William Ward, 36 Blueberry Ln., and firemen were called to the scene at 4:45 Monday morning.

A fire in a car owned by Frank Prendergast at 16 Cornwall Rd. called out firemen again Monday at 7:35 a. m. The car was slightly damaged.

Dear Jean . . .

I understand that collection of tin cans as a salvage measure will start again throughout the country in the near future . . .

FRANK ENGLEBRT, new owner of Salzberg's Hobbies Shop, has purchased a house at 2 South Elm St., where he and his family will reside . . . Custom Shop remodeling their store . . . GOLDMAN'S new store at 102 Broadway another example of the growth of Hicksville and its merchants.

BOB REUBELMAN of 147 Lee Ave., Hicksville, found two black-widow spiders in the basement of his home over the weekend and brought one in a jar to the HERALD office, where it may be examined until it expires. The other was promptly put to death . . .

The new electron tube manufacturing plant on Duffy Ave. is going up rapidly. The plant, owned by Amperex Electronics Corp., of Brooklyn, is on seven acres and will be air conditioned . . .

The performance this Friday and Saturday evenings at the Parochial Hall by the Lyric Players recalls for older residents the defunct Lawrence Dramatic Society of St. Ignatius Church, which provided many an entertaining evening for the community. You recall BILL STAEHLER as the chief make-up artist and comic (was it Three of a Kind?) and the many others . . . You may be interested to know that the glass doors of Nunley's Happyland, which has its grand opening Columbus Day on Hempstead Tpke., originally formed the entrance to the French Pavilion of the New York World's Fair . . . Pictures of HELEN MROZKOWSKA, well-known former Hicksville resident when she was HELEN PREAS, HELENNA attended Hicksville schools. She is now rated with MARIA CECILIA THIELEMAN, nation's top female better than the Three Musketeers. They both have held US Title . . . Lighting at the Hicksville RR station is very poor, commuters tell us. Somebody is gonna walk into a sidewalk or step into a pothole some night and get hurt . . . Klwanis Club of Hicksville became incorporated on Aug. 29 . . . Telephone Company has started construction on its new building on Jerusalem Ave. at W. Cherry St., Hicksville. The site was unsuccessfully proposed for a community library couple of years back before DUREK house was purchased. A building report service, each time it reports on the progress of the Phone Co. building insists upon saying it's in Suffolk County! . . . Last week, when contractor handling Hicksville refuse collections, told Town Board that the unions are trying to force him into paying a higher rate, he was reminded that Township has a contract with two years more to run . . .

Ninth Fire Battalion District of County, which includes most of the mid-Island Fire Departments, will meet at Hicksville Firehouse on Nov. 12. Rev. HOWARD ROGERS of St. Stephen's Church has been named by Board of Fire Commissioners as an honorary member of the fire dept. About a dozen new firemen were welcomed at the meeting, Monday night . . . Did you hear about the man who suffered a broken back in a local office when he stooped to pick up someone who had fainted? He screamed with pain and when the doctor examined him found his back was fractured. JOE JUNG is now in a plaster cast . . . A Strauss Store will open in that new group of stores next to Food Fair at Hempstead Tpke. and Hicksville Rd., Bethpage . . . Hicksville Civic executive committee is asking Highway Superintendent BRANDT to obtain removal of signs on town streets, off Old Country Rd., Newbridge Rd. and Jerusalem Ave. which refer to this part of Hicksville as "Levittown" . . . County Planning Commission at its hearing this past Monday considered development plan of "Center Island Manor, Section 2" on west side of South Oyster Bay Rd. about 1000 feet south east of Woodbury Rd., Hicksville . . . State Tax Commission wants to remind you that October installment of 1960 state income tax is due Monday, Oct. 15.

I hear a local priest is ready to take title to a rather substantial Plainview residence to establish a chapel and mission there . . . Dr. HAROLD HAMMOND, director of the Hicksville Annex of LIU, will speak at the Klwanis Club today (Wednesday) to get their support of his campaign to remove indecent books from local newsstands. HAMMOND is busy this week getting support for LIU's plea before the Town Board for permission to establish a campus at the DAVIES' estate in Brookville. The fight has been going on for four years . . . Dissemination can't be as bad as the opposition paints it. Still another area has asked to be included in the Village of Farmingdale and Brookville has a request by an unincorporated section to be added to that village . . . Large sections of Hicksville were without house lights from 8 o'clock Sunday afternoon as a result of the Big Storm. Street lights here were still out Monday night.

Parking District against \$18,015 this year; however, the rate remains at 6½ cents per \$100. A town official said the Park and Parking District budget does not include an anticipated allotment to operate the two swimming pools in the district now owned by Levitt and Sons, nor the Community Hall.

A new tax for Bethpage is a 6-cent rate for Park and Parking District with an expenditure of \$11,776.36.

Garbage service for Hicksville will cost \$65,418.46 in 1962 and the rate 30 cents. It cost \$58,781 of 40 cents.

MOTHER FINDS SHE HAVE A HEART:

JWV, Amvets Bring Aid To Widow, Youngsters

By JIMMY C. COOLEY
AMVET Service Officer

HICKSVILLE—Monday evening I visited with Mrs. Irvin Miller of Woodbury Rd., wife of the World War II combat veteran who died in August. I played with the four little kiddies who couldn't understand why things were so different since Daddy went away.

I sat and talked with the school-marm and her youngsters in a house that was torn from the pages of one of Shirley Caldwell's famous best sellers — "Tobacco Road." Beneath our hushed voices came the sound of scampering rats and bats, and there the steady sloshing of water, the remains of Sunday's rain storm making noise on the ceiling and floor. Still, through all this trouble Mrs. Miller can smile, for she found that there are those who have a heart.

JWV Gives Aid

Kindly neighbors took her and her children into their home Sunday evening to avoid the severe storm that struck so suddenly. I visited her home in hopes to bring her some encouragement and with sincerest thanks to Commander William Oltzky, of the Jewish War Veterans, Post 655 of Hicksville, my hopes came true. Coming to my aid last week, Commander Oltzky, with his Service Officer sponsored up aid for her at Mineola Veterans Bureau.

So far many people have offered her aid in many forms and though some homes have been shown Mrs. Miller most of them are a little small for her and her kiddies. At this time, as spokesman for the family, I have been asked to thank the Mid-Island Herald, which has given generously to this case and the staff's untiring efforts in answering phone calls for this unfortunate case. Many thanks to Commander Oltzky for his check and to the post members and Auxiliary for aid yet to come. Thanks also to the Lutheran Church for their check and aid.

**FIGHTING JAP BEETLE:
NLHOA Proposes Mass Grubproofing**

HICKSVILLE — The North Levittown Homeowners Association, Inc. has opened a campaign to rid the area of the Japanese Beetle. David E. Sigreen, acting president of the NLHOA, in the absence of Charles C. Miller announced that circulars were being distributed to all Levitt homes in the Oyster Bay Township urging homeowners to join in a mass grubproofing of their lawns. A coupon attached to the circular will enable the homeowners to inform the Association whether

they wish to have their lawns grubproofed.

Cecil Abelman, chairman of the Association's Public Utilities Committee, announced that arrangements had been made with a local exterminating concern for a group price of \$3.50 for grubproofing by the Chlordane process.

All homeowners are urged to cooperate with the Association by filling out and returning the coupon attached to the circular. "Grubproofing is only effective if done on a mass basis," stated Sigreen. "We know that some blocks in our area have already had their lawns grubproofed on their own initiative. We urge them to fill in the coupon anyway, so that we may know they have had the work done. Only by one hundred per cent response to the circular can we evaluate the effectiveness of our beetle control program."

The circulars are being distributed by the block representatives of the newly established Grass Roots Committee under the leadership of David Schwartz.

**OFF SOUTH BROADWAY:
Answer to Why It Rained Last Sunday**

By BUNNY LAUER—HI 2-3745

Greetings and salutations Folks, I don't have a thing to start this column with. I am speechless (if that is possible) quote Marty! The weather is too old a subject. The kids have the school bus. We aren't voting for any new schools. The school budget doesn't come up until May, so guess I'll relax for a while.

Speaking of relaxing, boy oh boy, Wesley and Margie Glass and children, Patty and Wesley, Jr. of 24 Rave St. are doing just that—on the beautiful beaches of Florida. They left by car last Thursday for a 10-day stay.

The Hanssens of Lee Ave. spent the weekend in New Jersey visiting with Russ's folks.

Glinney Varca of Mercury Place had a house full over the weekend. There were Mr. and Mrs. Arthur Lee and daughters, Mary Ann and Frances of Levittown and Miss Marze Krumenacker of Hempstead.

Mr. and Mrs. Ed Bolger and children Helen and Eddie of Lee Ave. spent Sunday in Northport visiting Mr. and Mrs. Gross.

Mr. and Mrs. Raymond Doucetti of Greenwich Village were the Sunday guests of the Rankin's of Lee Ave.

Mr. and Mrs. Ben Rudnik of 437 Division Ave. gave a dinner party

in honor of their nephew, Mr. Lester Potter, who leaves for Germany next week. Guests were Mr. and Mrs. Potter of the Bronx, Miss Gladis Cohen of Brooklyn and Mrs. Ernie Schaefer of Westbury.

Holly had Joanna Ratner of Bethpage as her luncheon guest Sunday.

You could blame Marty for this pouring rain we are enjoying (Sunday) — it never fails. He finally got around to washing the car Saturday. Dad washed all the windows and put up the storm windows also.

The A. O. Pension Club of Lee Ave. gave a party last week in honor of two members' 50th wedding anniversary. Members honored were Dotty Hansen and Clara Logstead. Records were played on the gramophone and every one had a wonderful time knitting in their rockers until Dotty Rankin broke her spec. However, thanks to Scotch tape it was quickly mended. Other members present were Glinney Varca, Henriette Bolger, Dotty Hawks, Agnes Sacco, Helen Oleneschlinger, Gladys Cockran. Tea and crumpets were served.

Well, I told you all I didn't have anything to write about so that is why this column is so short. Good night all.

BRIAR PARK, PLAINVIEW: Car Pool Calls And Sniffles in Area

ETHEL MCONEY—HI 3-2453

Hello Folks!
The LAUTERBACHES of 26 Virginia Ave. had their front and back yard Roto-tilled last week and I'm sure half the neighborhood youngsters were here to watch. In fact, there were quite a few not-so-young onlookers. I will admit the operation fascinated me and I stayed outside to watch, too. Paul spent the whole weekend raking the old grass out and putting in Peat Moss and Lime. I hope he has a nice lawn to show for it because he has been working very hard.

JIM ROONEY (my favorite husband)—has started canvassing the neighborhood for signatures to find out exactly how many will join a Briar Park Civic Association. After the list is complete, we can plan a meeting and get a constitution written up and voted on. We can also elect officers and settle finances. Then we can have regular meetings and plan the future of the organization. He already has quite a few names and

by Columbus Day the list should be complete. By the way, if you are interested and unavailable evenings, this list is at my home, 26 Virginia Ave. and you can come there to sign up any time during the day. Only one member of a family is requested to sign.

Quite a few calls have come in the past few weeks on Car Pools. Anyone who is interested in joining one or starting a new one, please call me. I'll get the destination, times, etc. tabulated and put you in touch with one another. By the way, I know of an opening in a good that leaves at 8 a.m. for Flushing Meadow, working in the City from 9-5 and arriving back home about 6:30 p.m. If interested, please call me.

I guess everyone has had the sniffles this past week. Jimmy was in bed three days. Leslie and Ricky Brandt were in bed a couple of days and Charlie and Kevin Ready were in bed too. All the children seem to have the same ailment but are now back on their feet.

KATHLEEN LAUTERBACH

had us hopping Friday, Oct. 6.

She started screaming with a pain in her ear and nothing would quiet her down. Vera called the doctor, and he came and went.

He drops were prescribed and used

but Kathleen still screamed. Finally things solved themselves. A bug crawled out of her ear and Kathleen was happy again.

She may be as cute as a bug's ear but she sure can yell when she's got a bug in her ear.

Serve Clam Chowder Tomorrow

A clam chowder supper will be held tomorrow night (Thursday) at St. Stephen's Lutheran Church, South Broadway, Hicksville, from 5 to 7:30 p.m. by the Ladies Aid Society. Mrs. William Christianen is chairman of the affair.

Plans for the supper were made at a meeting last Wednesday night. It was decided to hold an apple pie day on Nov. 16 at the church. Members of the Ladies Aid will take orders for the pies and then bake them all in one day in the church kitchen.

A card party will be held this Friday, Oct. 12, by the Amvets Auxiliary at the Amvets clubhouse on East Barclay St., Hicksville, at 8:30 p.m.

PLANS TRUCK STORAGE

JERICHO — A building for truck storage at the corner of Maple Pt. and Oak Dr. is planned by Fred C. Kroeker, Jr. of 10 Dorcas Ave., Syosset. It will be a one story building of cinder blocks with no basement.

**BETWEEN DUFFY AND OLD COUNTRY:
Don't Forget to Register on Saturday**

Hi Folks:

MR. and MRS. PHIL LAMRE are our new neighbors at 352 Nichols St. Welcome to Hicksville, folks.

MRS. M. KRAUSE of Meads Ave. is home after her trek across the country.

We have a holiday this week — good old Columbus.

Did you register? If not, you still have a chance on Oct. 13. Don't forget this important deed.

This is Fire Prevention Week. Let's see what we can do to prevent fires! I'll have to get after my own stinkin' self.

Nicholas St. School P.T.A. is having their next meeting on Oct. 18. Further information on this meeting can be found elsewhere in this paper.

The Butlers of Meads Ave. gave New York a treat last Saturday night.

The Bonhards of McAlester Ave. celebrated Dot's birthday by stepping out last Saturday evening also.

That baseball Doc Stilliger received from Leo Durocher is worth plenty now. Better put it in

a glass case, Doc. Haven't been able to get out this past week because my two children have been ill, consequently the short column. Let's hear from more of the Herald readers.

PLAINVIEW COUNTRY HOMES: Few Seem to Exercise Civic Duty

By RAE GANTILLI

Hi Folks:

Well, here I am back after a slight illness, and due to the fact my ever-loving husband deposited one of my columns down at the former Herald address. Hence, no column.

I would like to get very serious for a moment. Undoubtedly, you have read the column by my fellow reporter in Briar Park about few people turning out to vote when important issues are to be settled. Many of the people around here would be shocked to find out how many of the people from OUR development have come out. I could name the individuals on my hand. Usually it is the same six or seven people every time.

Just what is the matter? Is it a true fact that you people (and I'm speaking about those people that have lived here a year or two, and have never done gone down to vote for anything)? You don't care how much money is spent or you don't care about how it is being spent? I have two children who won't be starting school for at least three

years. If I assumed the stand that "Oh, what do I care if the present children have to walk to school, or I don't care if the children are going all over Nassau for their education. My oldest child won't be going for a couple of years. I'll worry about it then," I couldn't live with myself.

The present paves the way for the future. You still have to pay taxes whether you have children in school, or not in school or you have none at all. I feel it is my duty to find out what details are behind a vote for something and get out and vote for it or against it as I see it. The same applies for any issue brought up. We vote in December, I believe, for a water commissioner. Let's get out and vote. Information concerning this vote is in the paper, not only in this column, but throughout the Herald. It is also put on posters, and nailed on various telephone poles in our development.

If I can give you any information I'd be only too glad to do so to the best of my knowledge. Just give me a call and please get out and vote when the occasion arises.

We had a wonderful time at the Barn Dance held by the Women's Auxiliary of the Plainview Fire Department, Inc. There weren't too many familiar faces from our development. The only one's I saw were Sonny and Flo Myrick, Ruth and Val Hinberger and my husband and yours truly. Those that didn't come missed a grand evening with good music and plenty of fun. By the way al Hinberger and his orchestra provided the music. Sonny Myrick won a 50-lb. bag of potatoes. Plenty of french fries at your house now, Sonny. I'll be over.

Happy birthday to Dede MacAllister, who celebrated her 10th birthday last week, and congratulations to Claire and Ray MacAllister on their wedding anniversary. Hope you have many more.

Belated congratulations to Staff and Thomas Marcinek on the arrival of a brand new offspring.

Plans To Convert To 2-Family Unit

ONSTED BAY — Ragnar Berg of 80 West Ave., Hicksville, will ask the Zoning Board of Appeals for a variance to convert his house to a two-family home at a meeting of the Board Thursday, Oct. 18, in the Courtroom at 7:30 p.m.

Robert. Lots of luck to your new son.

The Gessner family spent four days up in Connecticut attending the Danbury Fair. Bob, who is a stock car driver, raced up there a couple of nights while Ruth and the family had the time of their lives looking at all the goings-on. Lucky people.

Belated birthday greetings to Alice Myrick, who celebrated her fifth birthday not so long ago.

My mother and father return from Europe this week. I'm all excited to find out all the details of their trip.

From some reports going on, there is an AMVET Post being organized here in Plainview. Anyone who has been in World War II and is interested, contact Thomas Payne who has been elected temporary commander. His address is 19 Island St., Hicksville 3-0265.

Well that's all for now. Please give me a call if you have a birthday, anniversary or any bit of news. I would appreciate it.

TWO NEW MEMBERS

Mrs. Robert Hammond and Mrs. Gray were welcomed as new members of the Hicksville Fire Auxiliary at a meeting held Oct. 2 in the firehouse. Mrs. Dorothy Wertheisen presided at the meeting in the absence of president Mrs. Walter Baldwin. A card party to be held in November was discussed.

A cake sale will be held on Thursday, Oct. 18, by the Jewish War Veterans Auxiliary of Hicksville at the West Village Green, Newbridge Rd., Hicksville, from 8 to 9 p.m. The sale was originally scheduled for Oct. 19 on Herzog Place.

ROSARY SOCIETY HOLDS COMMUNION BREAKFAST

Mrs. James Corcoran of the Council of Catholic Women was the guest speaker at the fourth annual Communion Breakfast of the Rosary Society of St. Martin of Tours, Oct. 7, at Anselm's Restaurant. Mrs. Corcoran spoke on "The Christian Home and Woman's Part in it."

Also present was Father Peterini, newly appointed curate of St. Martin's, who endeared himself to his audience with a short but amusing and certainly appropriate talk on smiling and cheerfulness or rather the lack of it in the home today.

Mrs. Mae Sisia, president, welcomed the members and guests and then turned the chair over to Mrs. Dorothy Guelph who as toastmaster introduced the guests. Mrs. Estelle Taylor was chairman of the affair assisted by Mrs. Joan Stadnick and Mrs. Mary Keebler.

DANCE BIG SUCCESS

The dance sponsored by the Holy Name Society, Oct. 6, proved to be an overwhelming success according to Frank Lewis, president. More than 100 persons attended, making it the largest affair held to date in the Parish Hall.

The waltz contest was won by Mr. and Mrs. Andrew Shaw. Mr. and Mrs. Henry Rockhill proved the most proficient jitterbugs winning first place in that contest. Door prizes went to John Achick and Duncan Ferguson, Air Force pilot of Hempstead. Proceeds from these monthly dances go to the local CYO Fund.

Mr. and Mrs. Buddy Macari of Dorothy St. announces the birth of a baby girl, Nancy, Sept. 25 at Mercy Hospital.

A motorcade will precede the Rally at the Legion Hall planned by the Bethpage Republican Club for Oct. 26. Candidates for county and township offices will speak. Free dancing will follow.

The VFW Butchorn Post will hold an Armistice Day Dance Nov. 10 at the clubhouse on Lexington Ave. and Nibbe Lane. Music will be supplied by Johnnie Kramer. Peter Pernicaro is chairman of the affair.

PTA MEETS
Two hundred and eighty persons were present at the P-TA meeting on Tuesday, Oct. 4 at which time members of the faculty and Board members were introduced by Victor Miller, principal. He also spoke of the 4-H gardens of the school children of which there were 82 under inspection during the summer.

Mrs. Elvira Melon, president, spoke on the clothing drive for Korea which will be held Oct. 22 to 30 and will be sponsored by the P-TA in the Bethpage schools. Clean, useable clothing is desired.

Budget of \$506.25 was adopted.

and the money to be raised by means of a card party. Next meeting will feature "Adult Education."

DAUGHTER ENGAGED

Miss Barbara Ludwig, daughter of Fred Ludwig of Hicksville Rd., Bethpage and the late Mrs. Ludwig has announced her engagement to Fred Rathgeber, son of Mr. and Mrs. Fred Rathgeber of Barberry Court, Farmingdale.

The bride-elect is a graduate of Farmingdale High School and is at present attending Hofstra College.

Her fiance is also a graduate of Farmingdale High School and is a senior at Clarkson College, Potsdam, N.Y.

PRESENT LUNCHEON

A luncheon sponsored by the Dorcas Aid of St. Paul's Lutheran Church will be given by the United Fruit Company on Nov. 1 at 1 p.m. in the church basement.

A discussion on nutrition will be given by a company expert and hints on the serving of attractive meals. There is nothing to buy and various gifts and prizes will be given by the Company. An invitation is extended to everyone to attend. Tickets are seventy-five cents.

Mrs. H. Munch, Mrs. L. Steele, Mrs. G. Kern, Mrs. W. Mitchell, Mrs. J. Schaeff, Mrs. J. Whittaker, Mrs. G. Anderson, Mrs. W. Ross, Mrs. E. Schaeff, Mrs. F. Lackert and Mrs. W. Munday will serve on the committee.

The Christmas sale mentioned in last week's paper was erroneously listed as being held on Nov. 26. The correct date is Nov. 27.

STORY HOUR POPULAR

Mrs. Magdalene Law of the Bethpage Library has expressed her pleasure at the response to the story hour which she has started on Saturday mornings at 11 for children between the ages 7 and 10 years. Attendance has more than doubled and two new features have been added.

Education and unique film strips are shown in addition to the story telling. A hobby session every two weeks enables the children to select a hobby, prepare it and bring it in for general discussion. Because library space is limited the age limit must remain at 7 to 10 years.

The Mothers Club of St. Martin of Tours Church will hold a meeting on Thursday, Oct. 15 for the purpose of electing officers. Meeting will be at 8 p.m. in the Parish Hall.

James (Happy) Norman will address the members on the "Duty to Vote as a Private Citizen" and the "Mechanism of Voting" at the next regular meeting of the North Bethpage Civic Association on Oct. 17 at the clubhouse on Cherry and Stewart Aves.

NORTH EAST REPORT:

Annoyance of Roaming Dogs Here Again

By LEE CHANIN—HI 3-4088-2
I have noticed of late that many dogs are permitted to run loose as in the days before an ordinance was passed condemning this deplorable situation. These dogs may belong to new pet owners who might not be aware of the change that went into effect many months ago.

Dog owners please take note: Dogs are prohibited from running loose without muzzles, or they must be on a leash. Be considerate of our highly prized lawns and flower beds and most of all our precious children. Keep your dog within an enclosure or tied to a long rope for freedom of activity and when you wear him keep him leashed. It's dismaying to see fine pets roaming in packs like strays. We will appreciate your courteous cooperation.

MISS HANZOG of South Bway works in Farmingdale and would like transportation to her job in the morning. She leaves around 8 or 8:30 a. m. If you leave Hicksville for that destination, call Hicksville 3-1644 and work out a convenient arrangement.

Read an interesting chapter on the subject of "Your Child's IQ." I will reprint this and other informative items in a series and would appreciate your comment on it.

The letters IQ are initials which stand for the words "intelligence quotient." The word intelligence is quite common in our daily speech and although we mix up its meanings we are fairly certain that a child needs intelligence in order to do the many things asked of him in the grades, high school and college. The word quotient is taken from arithmetic and means a figure that is obtained when you divide one number by another. When we divide 12 by 3 and get 3, the 3 is the quotient.

To find a child's IQ we first count up the number of years and months of his actual age (called chronological age or calendar age). Then we give him a test in which the questions have been carefully arranged. At the beginning even a youngster of three years usually knows the answers; the difficulty of the questions gradually increases so that it takes a child of around 10 or 12 years of age to get the right answers and so on.

In other words, an average 10-year-old child should be able to do all the 3, 4, 5, 6 and 10-year-old questions but he will have difficulty with the 12 and 14 years questions. Instead of counting up the per cent he makes on the whole examination we find how far up he can go in this scale in terms of the difficulty of the questions. This test score is then called the child's mental age although it probably should be called his test age.

With the child's chronological age and mental age now known, we can very easily figure out

what his IQ will be. By dividing the child's actual age (chronological age) he made on the test we get his IQ. If a 10-year-old makes a 10-year score on the test we divide 10 by 10 or 120 months divided by 120 months and the quotient is 1.00. The decimal point is ignored so we say the child has an IQ of 100 which is average.

WHAT'S TO DO ABOUT STICKY WINDOWS

No matter how sore you get at a sticking window, don't shove up against the check rail too hard—and don't try prying with a bar under the lifts to raise the sash—or brother you're in trouble.

The most common cause of sticking is a tightly sealed sash in the frame due to a film of dried paint or varnish. Cutting the paint film at the joint all around the sash with a sharp knife usually frees it unless paint has adhered to the parting strips, or between the check rails.

If there's paint or varnish left on the sliding surfaces, remove it with a scraper or sandpaper on a small block. Also sand down high spots in channels that are not weatherstripped. Then wax the channels or rub oil on them. This comes in stickies too, for its purpose.

If sash must be removed for painting, or if it is stuck tight and requires refitting, the first pay off the stop strip—but don't pull it fully now, and don't bust it all up. Using a wide chisel on a piece of cardboard or wad of folded paper to avoid marring the woodwork. After you have the sash out of the frame, plane off a little at a time and try it for a good fit. Avoid planing off too much wood, especially if the sash is swollen.

That's all there to it, after a little touch up here and there with a little of our Pittsburgh Paint you're all set.

We have all kinds of window sash parts and glass in stock.

"A SALUTE TO A VET"

Each week I will dedicate a portion of my column to a veteran who I believe deserves a salute. This week:

William Olitsky, Commander, Jewish War Vets.

Commander Olitsky, first commander of the newly organized JWV, post organizer and a most capable and hardworking member who upholds the ideals and laws that make his organization great. I salute him for his courage in forming a new post for the Jewish Veterans of Hicksville. I say Courage because to contact a group of men, form them and hold them together takes work, very little pleasure and hardly any thanks . . . it takes courage.

I salute him for having his members all present at the last big Memorial Day service. I thank him and his men who helped me at that service for a number of things. For the wonderful job he has done with his post, and his Ladies Auxiliary in holding numerous affairs to raise funds, etc., for needy veterans in hospitals. Not only we of the other veterans organizations, but those watching were proud of you fellows in your first showing. To you, the Commander of the JWV. "I Salute."

The Legionnaire

That long awaited check for our share of the Circus proceeds has finally been received. Bob Beard made the announcement at the last meeting. It certainly was welcome news, particularly with the Klaga Park visit rapidly approaching.

We can't push the Kings Park visit too much. Comrade Mac Loughlin reports all details have been ironed out and all that remains is the volunteers to insure success. Jimmy Carter will take pictures of this year's trip. Please don't forget the need for playing cards. The more decks we can take with us the better.

Last week we stated that "Gifts for the Yanks" containers would be placed around town last weekend. Although this information was premature, they won't be distributed until Nov. 1—they have arrived at the Post and are quite attractive indeed.

Walter Schlichting would like more help on the snack stand at the Sunday Football games. How about it. Legionnaires—Walt does a terrific job, but it's not a one man show. Success depends upon cooperation.

The Sept. 29 dance, with Jimmy Cummings and his Orchestra, was not very well attended; however, those persons who did make it reported a wonderful time. The treasury did all right, too!

Members voted at the last meeting to forward a paid up 1952 membership to Russell Vaughn, who is presently on active duty in Puerto. We hope to get his address for publication here next week.

ANOTHER FINE GESTURE: Mike Ellash, John Swicki and Lou Mignone again doing a fine job with that new table and shelf in the kitchen.

revised clubhouse operation, reported a profit in reading his latest monthly report. While the receipts are well short of sensational, they are very promising. If we intend to continue, however, everyone is going to have to pitch in. Artie Bletsch will be glad to hear from you.

Fred Brelengel has closed out a piece of business that was started a long while back. The last two flags the Post had for sale have been disposed of and receipts turned over to Nick Harter.

Last week we congratulated the Ernie Gundlachs on their twentieth anniversary, but we had no idea at the time that all the members attending the last meeting would be included in the celebration. The refreshments were on Ernie, and what a treat it was. Everything was on the table but bicarb! Thanks a million, Ernie, from all of us.

Don't miss this Monday night's meeting. It's a "first." It's a pleasure! A Seagrams "tasting contest" with no entry fee.

1952 membership cards now in the files include Eddie Becker, Dr. W. M. Stillger, George Metz and Harry Lambert.

The American Legion created a Boys State Program through 18,000 selected High School students, who learned by doing how the government operates. Your Legion works for the betterment of all!

Bianco Duels Molloy in Cross-Country

Hicksville High's cross-country harriers run up against Port Washington and powerful Roslyn in a triangular meet on the Bethpage State Park course this afternoon (Wednesday) with a duel between the Comets' Mario Bianco and the Hilltopper's Gerald Molloy expected to be one of the features of the season.

Molloy is the defending sectional champion, but Coach Lou Millevolti has hopes that Bianco is really ready to press the fine runner from Roslyn. His hopes would seem well founded on Bianco's first showing of the year at Bethpage, last Saturday.

The Hicksville lad, who had a very good campaign last year, took first place in a duel meet with Farmingdale in the excellent time of 13 minutes, 28 seconds. The Dagers won the meet 23-32, but that did not tarnish Bianco's effort.

Chisom Raeburn finished fourth in the Daler meet and John McCarthy, Rowell Silva and Walter Sellers were eighth, ninth and tenth.

Tennis Team Forming for High School

This corner has long plugged for a Tennis Team at Hicksville High, and when we were told one was planned for this Fall at the school we very frankly stated here that we would have to see it before we would believe it.

Well, within a few weeks it will be an actuality, for these days prospective players are practicing hard on the high school courts.

Harold Rothstein, Ernest Bundachuk, Edward Brandis and Richard Thurber were among the first candidates and they have been joined by others seeking berths.

Concerning an Honest Appraisal

Those persons who have known us a long time recall we rarely pick Hicksville High to lose football games.

More often than not we have gone along with sentiment and picked the Comets purely for reasons of hometown pride. However, this year we have reversed our pattern and a good many people do not care for the new policy.

We choose the Comets to dump Long Beach 12-6, but picked Great Neck 14-7, and last week went all the way for Oceanside 19-7.

Our only desire on the Oceanside game was to give our readers an honest appraisal.

From the start Coach Chet Jaworski has had a big job on his hands to turn out a football club for the Orange and Black.

Hicksville this year is one of those cycles of scholastic football where a school has run out of material and has to mark time until fortunes get better.

It has happened before. It will happen again.

Considering that Jaworski suffered a major blow when Harold Manaskie injured his elbow, and a whole string of injuries have cropped up this year, we would consider it totally unfair to even call a game close when we honestly think it will not be.

We do not envy Mr. Jaworski's task this season and certainly see little reason to indicate his team has a good chance to win a game when all outward appearances reveal that it does not.

Field Club Has Southampton, Sunday

Sunday's heavy storm forced a postponement of the Field Club's opening Nassau-Suffolk Conference game with the Jones Boys, so Southampton's visit to the high school field will serve that purpose this coming Sunday afternoon. Hicksville has already defeated the Lions 14-7 in a non-league clash this season, but Dom Sabatella's Black and White had only one scrimmage before that game.

It is hoped that the Black and White will make an impressive start towards launching its bid for league honors and it appears that it will.

We like Hicksville 21-0.

Incidentally almost everyone has tabbed the Hicksville team as the favorite for the league bunting and we see no reason to dispute such thinking.

Sailors Sweep Comets 20-0

OCEANSIDE—A strong Oceanside High eleven stormed around the Hicksville ends three times here, Saturday afternoon, to score a 20-0 triumph over the Orange and Black. The Sailors displayed a hipper-dipper attack which completely floored the Comets, and it took full advantage of the alarming inability of the Hicksville team to protect outside its flanks which was demonstrated by the losers in their 6-0 defeat at the hands of Great Neck.

With a one won and two lost record, the Comets have this Saturday off before facing good South Side the following weekend.

The respite is more than welcomed by Hicksville High, for Coach Chet Jaworski desperately needs the time to revamp his injury-plagued reserves-short team.

Three Dallies

Exploiting the Hicksville weakness at outside defense, Oceanside clubbed the Comets with three fairly long dashes for scores. Norm Small tallied the first one with a 20-yard sweep and later struck over the same route from 35 yards out. Tony Russi also duplicated Small's feat from the 35-yard line for the third touchdown.

After the first score, Hicksville showed plenty of pep as it charged 60-yards downfield, mainly on the running of Bob Hock, but the attack was stalled when it reached the Oceanside 20-yard line.

Hicksville did not show to advantage after that, despite the reluctance of Cyril Runnels to give up the battle. Runnels was forced from the contest with a cut over his eye and that deprived Hicksville of the player with just about the only major experience on the roster.

Happyland Opening Set for This Friday

BETHPAGE—Nunley's Happyland, Long Island's newest and largest "all weather" family amusement center, will open Friday, Columbus Day, at one o'clock. After a brief tape-cutting ceremony, the first rides will begin.

The new family amusement center is located just two miles east of Levittown Center, corner of Hempstead Tpk and Route 107 (Hicksville-Massapequa Rd.).

The central building, with a main floor area of 20,000 square feet, houses a large carousel and a number of kiddie rides. These include boat rides, fire engine rides and a unique Skyfighter ride. Skeeball machines and other Arcade attractions are provided for both children and adults.

Ample parking spaces are provided in an area adjacent to the main buildings. Since all attractions are under one roof and have central heating, the amusement center is set up for all-year-round operation.

Happyland was originally conceived by William Nunley, famous Rockaway carousel owner. Nunley represented the third generation in the carousel business, which started back in South Beach.

For the second successive week individual honors were garnered by one man in the Hicksville-Levittown Post Office Bowling League. Bill Ortuary rolled high game of 204 and high series of 668 to develop high league average of 156. Team standings are as shown below:
