### LEVITT HOME OWNERS:

## Corrosion of Copper Pipes Topic Tuesday

HICKSVILLE—Brass fittings in the plumbing of Levitt houses are deteriorating and copper pipes in the domestic household water supply systems are fast corroding, it was learned today. The extent of such deterioration and corrosion, along with a possible potential health menace involved, will be the topic of interest when the South Hicksville Assoc. of Levitt Home Owners meets next Tuesday night, Election Day, at the Community Hall on Levittown Parkway.

### Thank Hicksville FD For Saving Man's Life

HICKSVILLE—Mr. and Mrs. Birdsell Smith of 13 Waters Ave. wish to publicly thank the Hicksville Volunteer Fire Dept. for prompt and efficient action in saving the life of Robert Moore last week on Thursday night.

Mr. Moore of Roosevelt was visiting the Smith home when he suffered a heart attack. An alarm to the Fire Department brought volunteer firemen to the scene who administered oxygen and first aid to the stricken man.

"They got here so quickly and worked so efficiently for about an hour that we realize it was their efforts that saved Mr. Moore," Mrs. Smith said.

Mr. Moore was taken to a hospital where he remained for one week. He is now resting at his home in Roosevelt.

HICKSVILLE KIWANIS club made the formal presentation of an audiometer to Mill Neck Manor, the Lutheran School for the Deaf, at Mill Neck this week on Wednesday. The machine, being operated by Melvin Luebke, superintendent of the school (seated), is testing the degree of hearing of a Hicksville boy, Herbert Lengenes. Standing, left to right, are Vice President Ted Westermann of Trinity Evangelical Lutheran Church, Hicksville; Rev. Howard Rogers, STM, pastor of St. Stephen's Lutheran Church, and Kiwanis member; George Rappaport, Kiwanis club president; and Al Heuer, Kiwanian who suggested the project. The club will present a television set this Saturday night at its Charter Night in Stewart Manor to St. Giles Home for Children. (Herald photo by Frank D. Mallett).

## Washington Sets Levittown PO Boundary at Town Line

RAY SHORE—A delegation of 25 from Hicksville called upon Congressman Ernest Greenwood at his home, here, Saturday morning and came home with the official decision from the Post Office Department on the boundary between Hicksville and Levittown. The group, making the trip in six autos, was led by Lawrence A. Roman. The official decision was contained in a letter revealed at the meeting by Hicksville Postmaster William G. Mollitor. The letter from First Assistant Postmaster General Joseph J. Lawler, dated Oct. 3, sets forth the boundaries and delivery limits of the area to be served by the new Levittown

Post Office "in lieu of the present branch." Mollitor dramatically asked the Congressman to read the letter, which he did, setting the Hempstead-Oyster Bay line for the north side of the Levittown Post Office District. Greenwood told the delegation that the Post Office Dept. does not make its decisions lightly and the group could accept the letter as "official".

Represented at the meeting were Civic Assoc., Democratic Club, Post Office, Fire Commissioners, BMA, Lions Club, South Hicksville Assoc. of Levitt Home Owners, North Levittown Home Owners Assoc., Incorporation Committee and other groups.

### LAST MINUTE CAMPAIGN ACTION:

## Parade Saturday, Rally on Monday

With voter registration in the mid-Island community at an all time peak, reflecting the population growth of the area, only six out of every 10 voters are expected to go to the polls next Tuesday, Nov. 6, between 6 AM and 7 PM and vote for township officials. Both major parties are planning wind-up pre-election rallies in Hicksville.

The Democrats will hold a torch-light motorcade starting in Hicksville Saturday night, Nov. 3, at 6:30 o'clock from the parking field and going down thru the township to Massapequa.

The Republicans will hold a traditional election-eve rally at the Masonic Temple, W. Nichols St., on Monday night, Nov. 5.

With the traditional two-to-one Republican pluralities, the GOP is conceded by observers the distinct edge and a return to office. However, the absence of Harry Tippin, the GOP supreme vote-getter for a decade or more, brings into the contest Charles E. Ransom of Sea Cliff seeking the township supervisor position on the Republican ticket. But Ransom as county clerk, a position he still holds, has long been a strong vote getter in his own right.

Final election statements made by the standard bearers of both major parties appear in this issue of the Herald on page 4.

## 300 Attend Knights Dinner for Sullivan

BAYVILLE—Over 300 people turned out Saturday night to do honor to Michael J. Sullivan, Past Grand Knight, Joseph Barry Council, K. of C., of Hicksville, at a testimonial dinner here.

Toastmaster for this auspicious occasion was Charles R. Carroll, who introduced the many speakers and guests present. Guest speaker of the evening was Paul J. Kelly, former Dept. of Housing Commissioner, State of New York, and Police Judge of Freeport. The Rev. George M. Bitterman, pastor of St. Ignatius R. C. Church, was on the dias together with Father John Wiesler, Father Leo P. Gogin, also of St. Ignatius; Father

Leo P. Altman of St. Philip Neri Church, Northport.

On the dias representing the 7th District, was Charles A. Mulligan, District Deputy; Thomas V. Douglas, Grand Knight, Joseph Barry Council.

Among the many who attended were: Judge Jos. P. Lebkescher, Henry G. Eisemann, vice-president, Bank of Hicksville; Ernest Francke, Republican Club president; Dr. Erie H. LeBaron, Supt. of Schools; Dr. Harold F. McNiece, Law Professor at St. John's University; Dr. Charles J. Masek, Dr. Wm. H. Walker.

Also J. Louis Jacobs, vice-president, Title Guaranty & Trust Co.; Stephen R. Meyer, director of County Farm Bureau; Henry C. Brangell, Harry Ernwein and Robert Corcoran, School Board members; Joseph A. Reinhart, cashier of L. I. National Bank, and delegations of the Hicksville Kiwanis and Lions Club.

## Dear Jean . . .

A very practical gift for any homeowner is the quart of flatwhite paint being given tomorrow thru Saturday (Nov. 1 to 3) with every purchase on those days by Argo-SCHLEICHENRECKT Lumber Corp. on Bethpage Rd. near Hicksville water works . . . As it was, it could not have been better. NUHOA President CHARLIE MILLER and JACK SURKIN insisted on going along with the Hicksville organization people to call upon Congressman GREENWOOD at Bay Shore, Saturday. As a result they got the story first hand that the boundary between the Hicksville and Levittown Postal Districts is and will remain at the TOWNSHIP LINE. LAERY ROMAN was not too happy to have MILLER show up where the party assembled

ALLEN S. CARPENTER of 11 Loretta Lane, Hicksville, is candidate for the 11th publicized position of School Director of the township next Tuesday on the Democratic ticket. Al majored in political science at college. He is very active as a cubmaster of Pack 206, steward and member of the official boards of Hicksville Methodist Church and the Charles Wagner Legion Post. He was in the China Theatre of Operations with the Army as a staff agt. in WW II . . . Several newspapermen from Lower Bucks Co. were interested spectators at the ABRAHAM LEVITT program at the Community Hall, Sunday afternoon. They are in the area where Levitts are to build about 46,000 houses. When one of them heard a post-meeting reference to "Levittown, Pa." he said, "That's the first time I heard that name used." We suspect he'll hear a great deal more before many months have passed . . .

Someone took OTTO HARTMIG's overcoat during the Democratic Club affair at Easy Noy in Huntington, Saturday night. HARTMIG, who lives on Charles St., is now freezing without a coat for the winter . . .

CARL OEFFENDERFER, Amvet who was injured in an update motor accident last week, is still in a coma, according to a report from Albany Veterans Hospital. He will go mall at Ward 5-D . . .

The Republican Club "Hicksville Directory & Guide" came out this week and frankly, recalling the first publication, it is a big disappointment. It has a lot of ads, but none of the vital information which made the first book so useful; i.e., list of organizations, public officials, etc. . . . Councilman FRANK CHIUMASKEY re-won himself a number of friends at the Civic meeting, Thursday night. His clear-cut stand was an inspiration . . . ARTHUR E. HUETTNER, formerly with Huettners Dept. Store, has started his own business in venetian blinds and window shades . . . Big doings in Bethpage on Nov. 17 when the Brook opens there. It will be a branch of Hempstead Bank . . . Many residents have received a letter from HOWARD ROGERS, STM, requesting contributions for the Save the Child Federation. ROLAND HEBERER at the Bank of Hicksville is acting as treasurer . . . A Hicksville man, PATRICK CUNNINGHAM, is manager of the Flower Show which takes place this weekend at Oldster Bay . . . As forecast here, the GOP came out with its own newspaper this week. Reference therein to a section of Hicksville as "Levittown" just about tries to undo all the good work of recent months. The reference to Hicksville's "spacious parking fields" is irritating to local shoppers and commuters. The picture of the field shows plainly that it has not been marked or lined out, despite pleas of business men and civic assoc. . . .

## Abraham Levitt Says His Sons Deserve All Credit for Building of Levittown

HICKSVILLE — About 700 persons assembled in the Community Hall on Levittown Pkwy, here, Sunday afternoon, to honor Abraham Levitt as the founder of "Levittown, N. Y." Congressman Ernest Greenwood and County Executive J. Russel Sprague were among those on the stage but did not have a vocal part in the program.

Near the conclusion of the two-hour program which included excellent musical arrangements by 581st Air Force Band, a bronze plaque created by Julio Kilenyi, bearing the sculptured likeness of Abraham Levitt in relief was unveiled.

Mr. Levitt responded to the tributes and honors of the day by saying the "real people responsible for Levittown more than I are my two sons. The children are wiser, brighter and more resourceful than their father. The success of a parent lies," he continued, "in your children knowing more than you do."

He saluted his youngest son, Alfred, who designed the homes and structures of the community and son, William, "who speaks worry 'Laugh.' With 1000 problems he laughs them away." He insisted that it was his two sons who should have been honored. Both were in the audience with their families.

Dr. Arthur V. Jayson was chairman of the program in which many local organizations took part. Speakers included Charles C. Miller, representative of the Levittown Civic Council; Fred Bell, Levittown Fire Chief; Dr. Coleman Parsons, member of East

## Pledges Local, Night Hearing on Cleverage

**HICKSVILLE**—A pledge that a public hearing upon the proposed split in the Hicksville Park and Parking District will be held in the high school of this community in the evening before the Town Board won the general approval of all at the Civic and Community Assoc. meeting, Thursday night. The promise was made before a large audience by Councilman Frank Chlumsky, present as a guest speaker on the topic.

The presence of Charles C. Miller, NLHOA president, and some of his fellow members, added to the discussion of the evening with some lively exchanges between those present. The NLHOA had filed the petition with the Town Board asking for the split.

In reply to a question from Lawrence A. Roman, through Chlumsky, Miller said that his association does not seek to split the Fire District, School District, Water District, etc. The reason for the attempt to split the parking district, it was brought out, is to retain the exclusive use of the swimming pools for the residents of homes in the community built by Levitt and Sons.

See President

Dr. E. H. LeBaron, school superintendent, taking part in the question period wondered if the Town Board by allowing a split in the district in answer to the NLHOA petition would not be setting a pattern for future secessions by other housing developments in Hicksville. He fears that approval of the cleverage would "set up a dangerous precedent."

George Blackley criticized what he considers a "dog in the manager attitude. They have something and they don't want anyone else to have it."

Chlumsky said he "hopes we will not get involved in a factional fight. We have much in common. We are not too bad here and they are not too bad there. They'll eventually let us use their pools," he predicted.

He explained that a legal ques-

## Request 2 Industrial Zone Changes Here

**OYSTER BAY** — The creation of two new industrial zones in Hicksville will be among the topics up for public hearing before the Town Board here next Thursday, Nov. 8, in the Town Hall starting at 10 o'clock.

George Spohrer, well-remembered for his long legal battle with certain interests concerning the operation of Hicksville Airpark which has since become the Farmer's Market, wants to change the zoning on a tract of residential property on South Broadway down near Grumman's to industrial. He will be represented at the hearing by Attorney Charles H. Stoll.

Elizabeth Parton and Joseph Lofono are asking for a change of zoning from residential to industrial for a tract on the west side of South Oyster Bay Rd.

A lowering of residential zoning from C district to C-1 and D district on property on South Oyster Bay Rd. near the Northern State Parkway, Hicksville, will also be considered by the Town Board at the hearings on Nov. 8. The change is requested by Harry Lebowitz, Max Holtz and Fanny Levin.

Herald readers unable to determine the exact locations may be able to decipher the typewritten notices tacked to poles and trees in the vicinity of these parcels or examine the applications as filed at the Town Clerk's office.

# Elect Democratic Candidates

By RICHARD T. MAYES

Democratic Candidate for Town Supervisor

The Republican Party leaders seek a continuation of their town administration in Oyster Bay on the claim that they require "NO TOWN TAX" to operate the local government. But they hide from the people the fact that for NO TOWN TAX they provide no municipal service except a huge tax Department.

The Town Government in Nassau County, under our special charter form of government are not responsible for municipal services such as other towns in the State perform. In brief, the Town Government in Oyster Bay is only an excuse and a pretext for what the Republicans call "Home Rule." All municipal services of direct utility to communities are operated by the County and Special Districts; everyone seemingly taxed so that Hicksville property owners must add a rate of almost \$6.00 per \$1000 of assessed valuation to the Town Hall's "NO TOWN TAX."

Even that exorbitant tax burden does not provide but a minimum of public service required by an expanding population. But the Town Hall receives and somehow manages to spend close to a million dollars a year from taxes collected by the State from Oyster Bay residents and from operating town-owned revenue producing enterprises such as beaches, parking fields, sand and gravel pits, incinerator, homesite leases, renting of oyster beds and docking facilities. What they spend it for is kept very quiet—budgets are

not published in detail and in every way the public is treated as though expenditures of public funds was none of their business.

And who spends that money? Not office holders nominated by direct voice of the people themselves, but by the hand picked servants of Boss Sprague's machine! Is there any wonder that taxpayers get poor value for their hard-earned dollars? How much longer will they stand for deceptive Republican propaganda paid for largely by taxpayers' money to perpetuate a paradise for the patronage boys? Only by voting for Democratic candidates next Tuesday, election day, can the people break the strangle hold of the political magicians who attempt to lull the electorate with their NO TOWN TAX deceit. What we need in Oyster Bay and in Nassau County is wholesome representation and alertness in the administrative offices. The people will not get that just so long as they allow themselves to be hoodwinked and taken for granted by self-seeking vote-catchers.

The Democrats in Oyster Bay can do much better for the people

RICHARD T. MAYES

as a whole—when elected they will loyally serve the people from every community in the Town with energy and understanding of their needs for public service. The day of serving only the interests of campaign contributors and the patronage boys is close at hand.

As Supervisor for Oyster Bay on the County Board of Supervisors I shall be no rubber stamp for the Sprague political dynasty. The interests of this Township will be fought for without fear or favor—in my book the people of the Township come first, last and always ahead of a clique of political machine favorites.

## Speaker's Stand

The HERALD invited spokesmen for the Republican and Democratic organizations to express their views on why their candidates should receive the support of voters. Nov. 6. Ernest F. Francke, Hicksville Republican leader, and William A. Cisler, Hicksville Democratic zone leader, were invited last week. Mr. Francke was out of town and did not receive our invitation until he returned. Since Mr. Cisler's views were presented last week, we have given Mr. Francke the privilege of a belated expression this week.

## Consider the Republican Record

By ERNEST F. FRANCKE

Republican Executive Committeeman, Hicksville-Plainview

The record of the Republican administrations in the Town of Oyster Bay, in Nassau County and the State of New York, is one which every voter should consider carefully when he casts his vote next Tuesday. The record should be compared with that of the present administration in Washington and the Tammany-type of Democratic administrations in other communities not too far from Hicksville.

On the one hand there is in Nassau County and the Town of Oyster Bay, a sound, able administration whose achievements will stand as monuments to its efficiency for many years to come; on the other hand, there is, under Democratic rule, a system of reckless spending, a mounting debt structure, police bribery, corruption, moral degradation and ever-increasing taxes, not only in Washington, but in cities and towns under Democratic rule the length and breadth of America.

We in Hicksville are fortunate that we are part of a Town Government which has proven its regard for the taxpayer by two undeniable facts: 1, Our town is free of debt; 2, There is not now, nor has there been a town tax since 1943.

Under a Republican administration, Nassau County has become a model for the entire State of New York. It is a shame that more people do not avail themselves of the opportunity to learn more about the functions and achievements of Nassau County's government. The Farmingdale Sanatorium, for instance, and the Meadowbrook Hospital, with its planned expansion, are only two of the important contributions made by a Republican administration in Nassau County. Nassau's new highways, some already built and more under construction, the new county sewer system and our fine Health Department are products of Republican planning and foresight. Were not these improvements planned years ago? Nassau's new roads have been able to handle the hundreds of thousands of new residents who come here to live in recent years without chaos and confusion. That Nassau's tremendous growth in population has been handled with efficiency and with

ERNEST FRANCKE

comfort for its residents is a tribute to sound, capable Republican administration.

This has been called an "off-year" election as far as the national scene goes. I maintain that there is never an "off-year" as far as government goes. The election next Tuesday is every bit as important as any election ever was, for if we do not take a profound interest in the affairs of government close to home, then we can not hope to control and curb reckless spending and bad government on a national scale. Good sound government established and continued here at home is a solid rock upon which the foundations of a good federal government can be built. We have a sound, able government in Town, County and State; we can extend that kind of government throughout. If every citizen will take an interest in good government by exercising his right to vote this Tuesday and on every Election Day.

Exercise your right to vote, and vote right. Vote Republican!

## Why Vote Republican

By CHARLES E. RANSOM

Republican Candidate for Town Supervisor

I sincerely believe that the re-election of a Republican administration in the Town of Oyster Bay on Nov. 6 will assure the residents of Hicksville and the rest of the Town that good, economical and efficient government will be kept in force.

Town government is good government; it serves everyone and it costs less. It has proven itself to be so over the years, and its efficient handling of the Town's unprecedented growth in recent years has proven that it is geared to the present and future needs of the people.

The Republican administration has shown beyond a doubt that it is possible to make major improvements, meet changing conditions and care for the needs of a population which has almost doubled itself in ten years, without adding to the taxpayers' burden.

Despite changing conditions there has not been a town tax since 1943, and there will be no town tax in 1952. However, our opponents may attempt to discredit this statement, the fact remaining that no taxpayer in Hicksville and the rest of the Town will find himself charged one cent on a town budget of nearly one million dollars. Incidentally, the Republican administration now in office here reduced its budget for 1952 by more than \$350,000. Highway taxes, in spite of the fact that road mileage has increased from 200 to nearly 400 miles in recent years, have not been raised correspondingly; the rate for next year has been set at 43 cents a raise of only 4 cents over 1951. Oyster Bay's highways, incidentally, are regarded as being among

CHARLES E. RANSOM

amendment to the Building Code. While other administrations in other places have been noted for a disregard for the taxpayer, spending recklessly and piling up record indebtedness for generations of taxpayers to pay, it is important to realize, I believe, that the Town of Oyster Bay, under a Republican administration, is one of the few towns anywhere that is completely free of debt; furthermore, there is on hand now for future improvements, some \$600,000, invested at good interest.

There is a clear contrast between the known, clean and efficient government which the Republican administration has given the taxpayers here and the debt-ridden "mink coat and deep freeze" Tammany Hall type of government for which our opponents are noted from Washington right on down. That's why I say "Vote Republican."

## EDITORIAL COMMENT:

## Be Sure to Vote

NEXT TUESDAY is Election Day. The hours are 6 a.m. to 7 p.m. and you will select the men and women who will direct the government of our township. In the process, you are also electing a closer government. Many of the special district functions, such as street lighting, garbage collection, parks and parking, besides beaches, zoning and refuse incineration are all directed and decided by the people you elect next week.

The HERALD has tried to bring you the views of those seeking your vote. We are devoting most of this page, as a public service, to present the opposing views.

But pre-election statements are not enough. You must judge the men in office on their past performance and consider the background of the men seeking to oust them.

Please don't give us that routine "what does my vote amount to?" Your vote with your neighbors' and the rest of the community and township and county adds up to a powerful factor. Your vote is important . . . sincerely, we urge you to use it. As the state chairman of the Republican State Committee, William L. Pfeiffer, said this week, "the people should remember that good government begins at home."

COMMUNITY TO COMBAT SMUT:

**26 Form Clean Literature Assoc.**

HICKSVILLE—A Clean Literature Assoc. has been organized here as a concerted effort to combat the presence of "smut literature" in the community. At a luncheon meeting held at the Hicksville Inn last Thursday, 26 representatives of the major church, PTA, business and civic groups in Hicksville voted for the establishment of the Association with the belief that "only a cooperative community action could do something about this danger to the morale of our youth."

Dr. Harold E. Hammond, Director of the LIU Annex, here, whose article in the HERALD of Sept. 19 was largely responsible for stimulating local reaction to the problem, opened the meeting with a discussion of the local "smut literature" situation. Hammond revealed, however, that other towns and cities in the nation were faced with a similar predicament and cited, as proof of the "fine exposé" on "The Smut Peddler Is After Your Child," appearing in this month's edition of the Woman's Home Companion.

Referring to the article, in which the methods used by Chicago groups in coping with their "literature" problem were outlined, Hammond insisted that the residents of Hicksville "could do the same on a cooperative basis. Copies of the reprint are being distributed by the HERALD as a non-profit public service.

Following an open discussion of the problem, during which the individual representatives offered their cooperation in any effort proposed by the group, the proposition that a committee be formed was approved. It was decided that the organization be known as the Hicksville Clean Literature Assoc. A temporary Organizational Committee was then proposed, and Dr. Hammond asked to serve as chairman. Other members of the Committee are Ernest Francke, representing the Republican Club; William Sheppow, representing St. Ignatius Church; Mrs. William Giannelli, East St. School PTA, and Everett Lehmann, representing Masonic Lodge.

Others who attended the meeting and are now members of the HCLA are Francis Donovan, Deputy Grand Knight of the Joseph Barry Council of the Knights of Columbus; Mrs. Lucia McIntosh, Hicksville Civic and Community Assoc.; Ted Westerman, Vicar of the Trinity Lutheran Church; Frank Von Bargen, of Soda Spa Luncheonne; Mrs. Mary Theiss, president of Nicholai St. School PTA; Mrs. Aileen Ferguson, WO DL; Harold Holden, Kiwanis Club; Fred Sutter, Hicksville V. F. W.; Lawrence McCaffrey, Lions Club; Dr. Eddie LeBarron, Superintendent of Schools; Mrs. Gertrude Wettner, High School PTA, and James Cummings, Herald; Lee Hollingsworth, Station WKBS, and Mrs. Rosetta Mulqueen.

## \$2,000,000 PLANT

## BETWEEN DUFFY AND OLD COUNTRY: Remember Hallowe'en In Years Gone?

Hi Folks:

This paper arrives on time it will be the day after Hallowe'en. Do hope you all survived the ordeal. I keep remembering the good times we had on Hallowe'en and somehow fall sorry for the children of today.

I hear Agnes Marie Minihan of Meade Ave. now goes to dancing school.

Mrs. LoDato of Meade Ave.

had a birthday last week. Best wishes from all of us, Mom.

Mr. and Mrs. George O'Brien of 26 Burkland Lane celebrated their 14th Wedding Anniversary Oct. 30th. I understand OPEN HOUSE is being held this weekend.

The girls (dare I say girls) of the Friendly Circle Club went bowling last Wednesday evening. They sure missed Dot Bonhoff who was home ill. They toured L. I. before they actually bowled. Ann Dieterich turned out to be the CHAMP.

Winson Stone of Meade Ave. will be one of one year old on November 4th. Happy Birthday, Win, you're just right for my daughter, Jill.

Mr. and Mrs. George Chapman of McAlester Ave. celebrated a Wedding Anniversary on Oct. 26.

Congratulations to a nice couple.

New meeting of the Nicholai

St. School P.T.A. will be held

on Nov. 8th. More detailed information on this meeting will be found elsewhere in the Herald.

Mrs. W. Stone had a Hallowe'en Party for some of the neighborhood children. Apples were doused for and each child made

his own mask to wear. Of course cake and soda were served, which was the biggest hit of the party. These present were Robert Sherry, Tommy and Maureen Scanlon, Agnes Marie Minihan, Scott Hemphill and Nancy and Peter Karp.

I hear there were some new faces present at the Civic Association meeting last week. Glad to know more people are taking an interest.

Mr. and Mrs. Frank Abramowicz of 245 Duffy Ave. were blessed with a baby girl last Friday. I haven't been able to find out her name yet. Guess what is too excited.

Speaking of parties, Holy Trinity Episcopal Church had a very nice Hallowe'en party for their Sunday School children.

Mr. and Mrs. K. Delong of 32 McAlester Ave. entertained at a masquerade party at their home Saturday night. Everyone came in costume and it was a sight to see. There were 22 guests including out-of-towners Mr. Hirsch, Thomas of Sheldene, N.Y. and Robert Keller of Hyde Park.

I'd love to hear from more of my readers.

Bye now,

**DEBIS WERNER,**

## PLAINVIEW COUNTRY HOMES: Seek Answer to Local Flood Problems

By Rae Cantilli, HI 3-0333-M

Have you noticed that our stores are in the process of completion? From rumors, I've heard that they will be ready for occupancy on Dec. 1. As I just said, this is strictly "rumor."

After that terrific rain storm we had last Wednesday, I was glad to see that there wasn't too much of a flood down at the end of Island St. although the pump was full to the brim. A couple of weeks ago we had a terrible storm, and I believe that it is quite few homes water came through the walls of the houses down at the far end and flooded floors. I know myself that the water was nearly up to my house and I'm at the top end of the street. I have been going on for a long time, and it is about time, something definite was done about it.

Mrs. Payne and myself met Highway Superintendent John R. Brandt out on the street when the bad storm a couple of weeks ago struck. He had pumps going, pumping out the water from the street. He told us that he isn't responsible for the sump overflowing, and all he could do was get the water off the street. For that we thank him... but just who is responsible? I feel sorry for those people who are flooded. I know if it happened to me I would be furious. What can you do? If anyone has a solution or a suggestion it would be appreciated. I don't know enough about it.

Don't forget the Fall Dance the Plainview Vamps are sponsoring Nov. 17. Plenty of fun and dancing and a chance to support our firemen. If you would like tickets you can get them from me at 17 Island Street or from any fireman. They are \$1 per person. A small price for a big time. A big welcome to Flo and Jim Sharkey and their son, Jimmy,

from the Bronx. The Sharkeys are now living on Reilda Blvd. They are wonderful people. A real addition to Plainview.

Little Billy Hamburger celebrated his third birthday at two parties. One for his little friends and one for his grandparents and relatives and friends. On Wednesday afternoon he had a wonderful party set to the theme of halloween. Among those present were his two brothers, Jimmie and Dave, Donald and Kay Grayson, Tommy and Janie Payne, Dickie Gessner, Alice Myrick and Dora and Laurie Candill. The children were seen to earn a little prize dancing, singing or reciting.

You should have seen their little faces as they bravely stood up straight and quietly earned their little gifts.

### PLAN LADIES NIGHT

HICKSVILLE—The Rotary Club will hold a Ladies Night on Nov. 24 with George Dalton as chairman assisted by Herbert Purcell, Martin McDonnell and Lou Smith. Leon Wofsey will be in charge of the Rotary meeting program on Nov. 8 at the Alibi.

A half-hour of dancing instruction will precede the dance at 7:30 p.m. Mr. and Mrs. Cunningham, Mrs. Ruth Daly, Miss Franke and Louis Milleville with Mrs. James Neumann at the piano will give the instructions.

A sock dance will be a feature of the evening. A program of entertainment is also planned. Music will be recordings and a student band.

And where were all you civic-minded people the other night at the Hicksville Civic Assoc. meeting? The night was wonderful. It's too bad more of you weren't there. Mrs. Andrea and son, Richard, of Cottage Blvd., Mom and Marty and myself represented this neighborhood and we all had a wonderful time. Hope to see you all at the next meeting. Also don't forget the Civic Assoc. card party Friday night, Nov. 30, at the high school.

What's new and startling around these parts? I get very few calls these days, looks like this column will be bidding goodbye to you all unless I get more news.

Mr. and Mrs. ED BOLGER, Mr. and Mrs. HARRY WOODS and Mr. and Mrs. HENNIE VALECA had a grand time Saturday night at the testimonial dinner given by the Joseph Barry Council Knights of Columbus in honor of past grand knight Michael Sullivan at Reinhardt's Restaurant, Bayville. **THERE IS ONLY ONE ISSUE IN THIS NOV. 6TH ELECTION**

# **Home Rule Or Tammany Rule?**

**Democrats aim to:**

**ABOLISH the Towns  
ABOLISH Improvement Districts**

**ABOLISH the Villages  
THROW all Schools Together**

## **WHAT WOULD DEMOCRATS SUBSTITUTE FOR LOCAL GOVERNMENT?**

**THE VERY SAME TAMMANY WARD SYSTEM WHICH THEIR PARTY TRIED TO SHACKLE ON NASSAU IN 1935 WHEN THEY CONSPIRED WITH NEW YORK CITY DEMOCRATS, A DEMOCRAT LEGISLATURE AND A DEMOCRAT GOVERNOR. BUT THE PEOPLE OVERWHELMINGLY KEPT THEIR TOWNS, VILLAGES, SPECIAL DISTRICTS.**

### **What Is Town Government?**

In Nassau County it is a highly modernized medium of real representation. It is no 'rural form' of government, as the Democrats say. It is a true American tradition kept up to date to give public services at the LATEST POSSIBLE cost. No 'archaic system' here could have met successfully the challenge of the greatest population increase in the history of local government anywhere. No 'broken down' system could have provided SO MANY services to SO MANY people in SO SHORT a time!

### **Why Don't Democrats Like Town Government?**

Because it's too close to the people. They can't get their hands on it. It's DE-centralized and Democrats stand for CENTRALIZATION of power. They can spend MORE money that way and with fewer restraints!

The people of Nassau County know well the Democrat brand of government. They see it in New York City. They smell it all the way from Washington. They know well the trademarks of the Democrats: High Taxes, Waste and Official Corruption!

## Levittown Parish Marks Anniversary

LEVITTOWN — To commemorate the third anniversary of the founding of St. Bernard's RC Church here, the Societies of the Church have completed plans for a Family Theatre night to be held at the Hempstead Drive-In Theatre, Bethpage, on Nov. 11, 12 and 13.

The goal of the affair is to raise funds to reduce the debt of the church. It is the aim of the Rev. Thomas J. O'Brien, pastor, to completely eradicate the debt in the fourth year of its history and make plans for the establishment of a parochial school.

John P. Kilbride, general chairman of the affair has arranged with the management of the theatre to show "Guilty of Treason," the story of the persecution and trial of Cardinal Mindszenty. A John Wayne western will be co-featured.

Assisting Kilbride with plans are: Mrs. Betty von Arx, president of Rosary Society; William J. Sarnillo, president of Holy Name Society; Robert J. Boyle, tickets; William F. ## Salvation Army Aided 5 Local Families

**HICKSVILLE** — Christmas assistance for five local families as well as aid to other needy residents throughout the winter were among the many unheralded day-in-and-out services performed by The Salvation Army in this area. Frank Chlumsky, local appeal chairman, pointed out today in urging wholehearted support of the current Appeal.

In addition to the amount always allotted to meet local needs, Chlumsky continued, funds that are raised here also help to support four major Salvation Army institutions.

"This is the opportunity for each one of us to do our part in this vital work," Chlumsky has pointed out.

"Although The Salvation Army conducts only one Annual Appeal a year in our area," he said, "human needs are no respectors of calendars or seasons. People in need can't wait."

**MARK UNITED NATIONS DAY:****Pupils of Foreign Lands on Stage**

By AUDREY BLYMAN.

**HICKSVILLE** — High School students presented a colorful assembly program Monday, Oct. 23, in observance of United Nations Week. The theme of the UN was carried out by contributions of students from the school from foreign countries. Edward Bierman of Ohio was m.c. and the program was directed by Miss Wessell, Miss Healy and James Wellon.

The five countries represented were Greece, Italy, Stella Repubblica Stelle wore the traditional costume of the Greek peasant while she spoke of her experience during WW II. Following Elsie Peterson amazed some Hicksville residents by telling them what school was like in Germany. How different school can be! Zeljko Jansons added to the talk by casting the spell of the pictorial beauty of the Bavarian Alps, upon the audience. The two girls then harmonized a German folk song which told a story of infinite love.

Robert Nolan changed the scene to the United States when he told of his harrowing experiences during the hurricane of 1949 down in Florida. Bob doesn't look forward to any more hurricanes. Also, from the U. S., Janet Wright gave an interesting account of the historical places in Massachusetts.

To bring the scene back to Europe, Tessa Sabadachny then danced to a lively Ukrainian number. Her costume consisted of a red and white dress with multi-colored head band and red boots.

Next, Mee Thang Lai enlightened the students about herself and China. After her, Eileen Zarquier spoke about Peru. To end the program, Teresita Vigil did a smooth Central American dance. She wore a colorful outfit and used maracas.

Thus, the curtain was brought down on a delightful tribute to the sixth anniversary of the U.N. from the Hicksville High School.

**Legion Makes Vargas Life Member**

**BETHPAGE** — A life membership in the American Legion was presented to Polygnote Vargas by the Archie McCord Post No. 80 at a recent meeting of the Post. The presentation was made in recognition for his work on the Veterans monument to the Veterans of World War II now being erected on the grounds of the new Bethpage School.

Vargas is recognized as one of the seven best modern sculptors and without the donation of his time and talent for the creation of this work, the cost of such a project would have been prohibitive to the Post.

The memorial monument carved from a native L. I. glacier boulder of black granite, consists of an Eagle protected by the heads of

a Soldier, Sailor, Wag and Wave. The global design of the piece as explained by the sculptor portrays the war while the head represents the symbol of democracy the forces of the United States.

While the project was created in memory to the boys of Bethpage who died in service during the last war, it will stand as a monument to honor all veterans of World War II, according to Vargas.

In April of 1960, Vargas was one of three prominent Long Island artists to have his work included in an exhibition of the Whitney Museum of American Art.

Cliff Daley, Commander of the Post, made the presentation in the presence of County Commander Harvey Kirk.

**Plainedge Votes Union Free By Big Margin**

**PLAINEDGE** — Voters approved a proposal to change from a Common School District to a Union Free School District and to increase the School Board to seven members at a vote Monday night, Oct. 29, at the school.

There were 454 votes in favor of changing to a Union Free School District, 30 no and 13 void.

A motion to have a seven-man board was passed with 220 votes yes, 207 no and 79 abstaining votes. The seven-man board will have three trustees for 3-year terms, two for 2-year terms and two for 1-year terms.

Donald J. Whitney, a member of the former Common School District, was re-elected to the seven-

man board as the first 3-year trustee. For Whitney, who was under fire by certain factions for approving the purchase of a school site once owned by a trustee, this was seen as a complete vindication of his record.

Eugene Rooney, a member of the council of civic groups who are sponsoring six candidates for the school board, was Whitney's opponent. Voting tabulated 227 for Whitney and 171 for Rooney.

Voting on a second trustee was declared no vote because of no clear majority.

Further voting on trustees will take place on Monday, Nov. 5.

**LUNCHEON AT CHURCH**

**P.T. MEETINGS NOV. 1**  
The Parent Teachers Assn. of the Bethpage School will hold its regular monthly meeting on Thursday, Nov. 1, in the new school. Subject for discussion will be "Adult Education" and Philip Baird of Levittown, director of the largest Adult Education Program in New York State, will talk on the organization of an A. E. program.

All residents of the Bethpage School District as well as the outlying sections of the district who are interested in Adult Education courses are invited to attend. Members are asked to bring their prizes for the card party to be held on Nov. 17 at the Powell Ave. School auditorium.

### SET POSTER CONTEST

Mrs. Magdalene Law, Librarian of the Bethpage Library, announced that a picture poster contest will be held in honor of book week Nov. 4 to 11.

The poster must illustrate a book read by the contestant, and is limited to children ages 7 to 10 who are members of the library. Contest will close on Nov. 17.

Posters will be on display in the library. Three prizes will be awarded. Judges for the contest have not yet been selected.

A hallowe'en party was held at the library for the children during their regular Saturday morning story hour. About 50 children attended, dressed in various costumes. Part of the festivities included the reading of Hallowe'en stories, a parade around the firehouse and the distribution of party favors.

### ANOTHER FUN NIGHT

Another Fun Nite was held by the Northpage Bethpage Civic Assn. on Oct. 27. The setting was centered about Hallowe'en and the evening's entertainment was off to a fast pace with the opening act put on by Mae Strong and Madelene Lee in an old timers routine. Dancing by Dolores Arcari was followed by a school days routine by members of the Tain-Mets.

The Broom Dance had the girls chasing the boys and when the smoke of battle in the balloon dance cleared, first prize went to Ann Stumpf and second prize to Terry Farnum.

Joe Espósito was the winner of "The Singing" contest and it is the committee's opinion that he no doubt woke up screaming on Sunday morning.

Mrs. Famano and Mr. Espósito were among six visitors from Brooklyn.

Another Fun Nite will be held in November.

## The Legionnaire

**LAST CALL!** This weekend the Charles Wagner Legion Post faces one of its busiest times of the year. There are five major events to occupy us this Friday, Saturday and Sunday, and for the sake of clarity we'll discuss them chronologically—and by Monday morning we should be worn out.

Friday, Nov. 2—the "Gifts for the Yanks" committee gets busy putting out the containers all around town to receive the generous contributions of the Hicksville townsfolk. Beside the Friday night gang, one pair will go out Saturday to visit establishments not open Friday night to insure complete coverage.

Friday, Nov. 2—the Legion Auxiliary meets. At this meeting an American flag will be presented to the Girl Scouts of Hicksville. We understand the ladies expect to welcome several newcomers at this meeting; further swelling the steadily growing membership of this wonderful arm of the Legion.

Saturday, Nov. 3—the big 1861 Hallowe'en Dance is scheduled for 8:30 p.m. Don't forget the costumes! Prizes will be awarded to the persons wearing the most unusual and original costumes. (In the opinion of the judges, of course.)

**KINGS PARK**—Need we say more? All able-bodied Legionnaires (and that means better than 175) are to report to the clubhouse at 12:30 p.m. Sunday, Nov. 4, to participate in the annual visit. This is our one big chance each year to prove that the Legion is interested in the welfare of our less fortunate buddies and their families. Come out Sunday prepared to do others service and re-kindle that spirit of a job "well done" within yourself.

### NORTH WEST NOTES:

## Legion Hallowe'en Dance Saturday

By JIMMY CUMMINGS

Charles Wagner Legion Post is sponsoring a Hallowe'en Costume Dance this Saturday evening Nov. 3, at its club house, 24 E. Nicholai St. Admission for this terrible affair will be \$1.50 for this person—or five \$3.00 for you and your wife. Dancing will start at 9 p.m. Prizes are to be given for the MOST ORIGINAL MAN'S or LADIES' COSTUME—let's all make it a date for this Saturday

at the Legion Hall for an evening of fun and dancing.

### DOGS STILL ROAM

Despite the many warnings of fires, etc., from this reporter and other articles appearing in the HERALD, stray dogs still roam the streets in our development. We again appeal to owners of dogs in our section to keep them on a leash or suffer the consequences. One of these days someone's child will be either knocked down or bitten by one of these dogs . . . only then will it strike home.

### SOCIAL NOTE

A Stanley Brush Party was

held at the home of Mrs. Margaret Boland, 68 Myers Ave., one night last week. Among those present were Mary Holtzman, Alberta Bemis, Gladys Mueller, Francis Diagnato, Helen Lowry, Ina Cutler, Mae McNamara and Dolores Cummings. The girls enjoyed the many displays and played several games where prizes were awarded. All in all everyone had a very enjoyable evening, thanks to their host.

### GAD-A-BOOTS

Quite a few of the lads about are in the process of finishing their basements. Some that I have seen are real workmanship. Foundations for new homes in our development in what next? That road at the end of Myers Ave., beginning of Nevada St., is (Continued on page 19)

Hicksville High School football has now reached its blackest hour since the sport hit its lowest ebb in the late thirties.

The visit of Farmingdale to the local gridiron this Saturday provides the Comets with a chance to pick up another victory before the season ends, but they will have to play much improved ball if they are going to do so.

A week from the annual spirited clash with the Dalers, Hicksville moves over to Oyster Bay for the season finale, where the charges of coach Dick Crowley are unbeaten and raring to avenge last year's 28-13 upset on the Comet's home grounds.

It is fearful to note that the Baymen won a second civil war with Eastern Military Academy's importations from below the Mason-Dixon Line, 28-28, last weekend.

When it comes to the Daler game, Hicksville has always had much more luck than their opponents, much the same as Westbury does when it engages the Comets.

We're going with the Comets once more, and look for Hicksville to win somewhere about 19-12.

Hicksville fans were much relieved, as were Westbury supporters, when it was announced, Monday, that the neck injury Green Wave tackle Bob Stafford received in the final period had improved over the weekend.

Stafford was injured in the scrimmage as Hicksville scored its extra point. The game was held up 15 minutes until the boy could be removed properly under the supervision of Dr. Louis Cannizzaro.

In its bulletin Monday, Nassau Hospital revealed that X-rays showed Stafford suffered torn ligaments and no fracture. His condition was described as fair.

A few people thought we brushed off the Glen Cove Field Club game of last week too lightly in our pre-game write-up, but we think we were right in not picking our choice.

The player personnel for both squads did change for the contest, thus making pre-game considerations a little

As for the 7-0 triumph of the Covers which ended Hicksville's unbeaten status, we cannot comment on more than the first 30 minutes. We have sat in heavy rains to see football contests before, but never have we seen it rain as hard as it did last Wednesday night. By half-time, we were soaked and departed, not the least bit interested in seeing 22 men slip and slide for another 30 minutes in a sea of mud.

Almost everyone concedes that it was not a true result, and we will have to wait until Nov. 18 for the return engagement at Hicksville, which is a Nassau-Suffolk League game, to get a sound one.

This Sunday the Black and White travels to Sayville to face the Bulldogs, whom they have already beaten, 38-0, in a league tussle.

Efforts are presently being made to have Riverhead come to Nassau to play their game with Hicksville, which was rained out Sunday.

Don't be surprised if it should wind up as a night contest somewhere in Nassau.

At least three concerns in Hicksville are willing to foot the bill for local club basketball teams this season, but cracking the barricade and getting the high school gym without special sponsorship is too tough a nut, although some are trying.

### Dalers Next For Comets:

## Westbury Returns Fumbles 86 and 101 Yards To Win

**WESTBURY**—Hicksville High fumbled on the Westbury 14 and one yard lines here, Saturday, and John Alala and Joe Seaman promptly returned them the distance for distance for touchdowns which enabled the Green Wave to triumph in the traditional tussle, 18-17.

Alala picked up the Comet fumble on his own 14 in the second period and dashed down the field to give Westbury a 12-0 halftime lead, but Seaman turned in the most dramatic run in the long series between the two schools just as Hicksville was on the verge of victory.

With the score 12-7 in all alone and romped for a TD. The placement attempt was wide. Hicksville fumbled the kickoff and Westbury recovered on the

favor of the Green Wave. Hicksville had driven, mainly on the rush of Harry O'Mack, to be Westbury one. It was first and goal to go when the Comets elected to send the tireless O'Mack over the same course too often.

As he did 26 other times in the contest, O'Mack took the ball in his fullback slot and crashed into the right center of the Westbury line. However, five tacklers had massed there and a jarring tackle shook the ball from O'Mack's grasp. If floated into Seaman's arms in the end zone and before Hicksville could recover, he was off on a 101-yard runback for a Westbury touchdown.

**Dalers Here Saturday**

The Comets took their fourth loss of the season and this Saturday play host to Farmingdale, which earlier this season won over Westbury 19-13. It was a bitter reversal for the luckless Comets, who knew they were playing the worst Green Wave edition in two decades.

In the first period the Comets made some use of a Westbury fumble and drove to the winners' two-yard stripe before a 15-yard holding penalty denied them. As the second period started the Green Wave made its only offensive show of the day and went on running plays from its own 25 to the 50.

With the Hicksville defense drawn in tight Seaman ran to the right side to Alala, who took it to Comet 20.

A third down pass was inter-

cepted by Richie Braschuck 43 yards to the Westbury 42. One block which could have been thrown but was not prevented him from reaching yard dirt. From there the Comets moved to the point where Alala took over the first costly bobble.

### Fourth Quarter Rally

It was in the fourth quarter that the Comets rallied. Cy Humans passed 21 yards to Doug Jones on the Westbury 22. O'Mack plunged three times and the ball was on three. The Green Wave braced, but O'Mack vaulted over for the score. He went the same route for the extra point.

Westbury fumbled soon after the kickoff and Hicksville moved to its unhappy ending.
