## Entertaining Program Set for Big CD Anniversary Rally on Saturday Night

HICKSVILLE—A giant anti-aircraft searchlight will pierce the sky over the Community Hall on Levittown Parkway this Saturday night, directing all residents to the first anniversary rally and social evening of the Hicksville-Plainview Civil Defense. There will be movies, refreshments and interesting displays starting at 8:30 o'clock.

Progress of the local CD in the past year will be very briefly reported by Local Director Frank Sutter and County Director Cyril Ryan. After that will come dancing to the music of Joe Witton and Ella Levittown Melodians who are donating their services. The entire program is free and everyone is invited and urged to attend.

**Cities Purpose**  
Anthony Apicella is director of arrangements. Purpose of the program is to demonstrate, entertainingly, how each resident is responsible for the protection of his home and community. Aiding him are George Knauer and John

Hunt who have been assisted by many local community groups.

An airplane will fly over the community, Saturday, to announce this gathering. Sound trucks will tour the streets to advertise the event. Hicksville Fire Dept. will have two fire trucks at the Hall, with uniformed men on duty, to illustrate a phase of the CD organization.

Special displays have been created to graphically present the picture of CD resources here. The Red Cross canteen will serve refreshments.

In a message to all residents of Hicksville-Plainview, Apicella said this week "For an evening of fun and really worthwhile entertainment, follow the light on Saturday night. Let's go all out for Civil Defense."

## Television Blazes, Calls out Firemen

HICKSVILLE—A fire in a television set at the Robert Book home, 63 Brittle Ln., called out local firemen Monday at 7:38 p.m. Damage was confined to the TV set.

Firemen were called to 21 Broadway for an alarm, but the fire in the rear of a beauty parlor was extinguished by the occupants at 1:13 p.m. Friday before the vamps arrived.

A grass fire on Elmira St. and Newbridge Rd. summoned firemen on Sunday at 5:13 p.m.

## Your Date on Feb. 9

A SOLDIER who might otherwise die will get a new lease on life if you will give a pint of blood. Make an appointment with your Red Cross for the Hicksville Blood Donor session on Feb. 9 — and keep it. You can't refuse a promise to donate. Phone Hicksville 3-1400.

## Lions Club Arranges Dinner for Principal

HICKSVILLE—The Lions Club will give a testimonial dinner in honor of Miss Mabel R. Farley, principal of Hicksville High School, on Saturday night, Apr. 26. It was announced today by Lions President Vincent W. Braun.

Gerard Braun is general chairman of arrangements. The dinner will be given, he said, in recognition of Miss Farley's long service to the community as an educator.

**SILVER ANNIVERSARY**  
HICKSVILLE—Judge and Mrs. Joseph P. Lebkuecher of Woodbury Rd. will celebrate their 25th wedding anniversary this Saturday.

# Besides 5 in Process: Board Orders Plans for New High School, 20-Room Grade

HICKSVILLE — The Hicksville School Board has directed the school district architects, Knappe and Johnson, to develop plans for another 20-room elementary school building in the northeast section of the district and plans for a new high school building, it was learned today. The school district has already obtained title to property for both structures by favorable vote of the district.

In addition, the 20-room Lee Ave. elementary school may be ready for use by the start of the new term in Sept., and bids have been taken on four 10-room buildings. The Board at a special meeting Monday, authorized President Henry C. Brangel to sign contracts on the four buildings, contingent upon final word from Washington regarding the supply of strategic materials.

**Materials Uncertain**  
The information the Board received Monday night, regarding materials was depressing. The Division of Civilian Education Requirements says it is "unable to authorize commencement of construction or allotments if materials in the first quarter of this year." Further, it was indicated, no promises had been made for the second or third quarters. However, Knappe & Johnson has been in personal and direct contact with Washington and there are hopes the situation may not be as gloomy as official notification indicates, a Board spokesman said.

The meeting Monday night was held for the purpose of consulting with the architects upon their efforts over a period of weeks, to get a favorable ruling from federal authorities and to authorize the development of the two new additional buildings.

The Board has been advised that if materials were available to start the four schools on Fork Lane, Dutch Lane, Burns Ave. and Old Country Rd. they could be ready for occupancy in September. It was also disclosed that the Board, by rebuilding upon Fork Lane and Old Country Rd. schools, has realized savings of about \$34,000 compared with initial bids. All bids, it was stated, are within the \$2,000,000 (\$500,000) (continued on page 5)

**ERNEST FRANCKE** who took office, Monday, as Nassau County Clerk was installed for his 19th year as president of the Hicksville Republican Club at the Masonic Temple, Friday night, by Congressman Leonard W. Hall. Left to right are Charles E. Ransom, Oyster Bay township supervisor and former county clerk; Congressman Hall, township GOP leader who discussed his recent around-the-world trip; Francke, and George R. Brennan, chairman of the Nassau County Republican Committee. During the evening presentations of bouquets were made to Mrs. Jerry Trotter, Mrs. Francke, Mrs. Hall and Mrs. Arnold Jeanson. The latter asked that her bouquet be sent to Mrs. Janet McGill, past vice president of the club, who is ill. A record-breaking audience was present for the gala affair. ## Education Assoc. Invites Community Jan. 22

HICKSVILLE—"Citizens Fight For Better Schools," the short March Of Time film dealing with the efforts of the people of Arlington, Va., to obtain better schools, will be shown at the forthcoming membership meeting of the Education Assoc. of District 17, next Tuesday, Jan. 22.

in the Community Hall, Levittown Parkway.

The meeting, which will begin at 8:30 P. M., will be devoted mostly to a discussion of the Education Assoc. report, outlined in the HERALD last week.

The movie will be followed, according to the program, by a social hour. (Continued on page 8)

## VOTE ON SITE NEXT TUESDAY:

# Dedicate New School This Sunday; See 4000 Plainview Pupils by 1954

PLAINVIEW—This community will dedicate a new school building this Sunday afternoon, at 3 o'clock, and hold a vote next Tuesday night upon the purchase of additional property for another building. The Board of Education this week disclosed the facts about planned new home construction in the district, based upon information from the Nassau County Planning Commission. The public is invited to attend the dedication when Dr. Elwood A. Curtis of Hicksville will be speaker Sunday. Voters are urged to cast their ballots Tuesday night between 8 and 10 o'clock in the site vote.

**ABOUT 1900** Plainview's student enrollment numbered 20 pupils, pictured here with Miss Hope L. Haines, lower grade teacher. This was the first schoolhouse of a single room. In the picture are Anna (Schreiber) Gray, Dora (Bergman) Thorman, Martha Zallbracht, Martha (Patton) Ruff, Charlotte May, Catherine and Anna Robrecht, Evelyn Van'Sise, Mamie (Luhning) Fricks, Anna Schlicht, Louis Kremp, Richard Bergman, Arthur Patton, William Schmiedel, Andrew Zallbracht, Lawrence Harbes, Jacob Schreiber, Elwood Corsa. Many in the picture still reside today in Plainview or Hicksville.

The School Board reports that a total of 347 homes are scheduled for completion by June of this year and another 746 are to be completed and occupied by June of next year. The 746 includes Plainview Gardens 134, Eileen Gardens 45, Knickerbocker 203, Tru Value 160 and Forest Park Gardens 204.

**Farms Being Sold**  
In addition the board reports 299 acres of farmland sold for development including Panciroli 126, Abramowski 72, Stiehler 59, Ocker and Bergman 23 and Myers 19 acres.

"Most recent census figures assures us of an enrollment of 350 for Sept. 1952. Taking a conservative figure of 3 children of school age for every 2 homes, adds 520 children to this September enrollment of a total of 870 children," the Board states.

The census and new housing shows an enrollment of 950 by Sept. 1953 and with children from new homes to be built and completed by 1953, the enrollment is expected to reach 2069 children by Sept. of next year. The total, the board says, will climb to over 4000 elementary school children by 1954.

## LEVITT HOME OWNERS TO MEET FRIDAY: Education Takes Over Top Billing

HICKSVILLE — Demonstrating once again a keen sense of "news value," the North Levittown Home Owners Assoc. switched from road signs and parking district bureaucracy this week to announce "school overcrowding in District 17" will be the subject of its meeting this Friday night, Jan. 18, at the Community Hall on Levittown Pkwy.

The NLHOA in an announcement made jointly with the Edu-

cation Assoc. of (Hicksville School) District 17 said representatives of the School Board and of the Education Assoc. have been invited to address the meeting.

Jack Drutman, chairman of the Education sub-committee of the Home Owners, will make a report. Charles C. Miller of 24 Summer Lane, NLHOA president, said "We've been alarmed over the school situation here for a long time and we're even more alarmed after reading what the local newspapers had to say last week concerning the threat to our children's education. As far as we know, no constructive plan for providing full educational programs for our youngsters exists. We have 1200 members who want to find out why this is so, and what can be done to solve it quickly."

"Our Assoc. is, and has been, concerned with many of the difficulties that beset North Levittown but no problem is, or will be, more important to our welfare, or that of our nation as a whole, than that of seeing that our children get the kind of education to which they are entitled. We owe it to ourselves to thoroughly investigate this problem of inadequate schooling, and to seeing that no means of solving it is overlooked."

## ACER TELLS DEMOCRATIC CLUB: GOP Supervisors Are Mechanical Robots

HICKSVILLE — "The kindest thing that can be said of the Republican Supervisors is that they are mechanical robots in the hands of the County political boss," stated Richard Acer in the course of an address delivered to the Hicksville Democratic Club Thursday night, Jan. 11, in the Legion Hall here.

The main speaking guest of the evening was Mario Pittoni of Lynbrook, the 1951 Democratic Candidate for Nassau County Judge. He spoke on "Interesting Cases - 1 Handled As Federal District Attorney." Pittoni, at present professor of law at Brooklyn Law School, described a number of treason and narcotics cases that he handled during his ten years as a federal district attorney in Brooklyn.

Acer, ex-president of the Garden City Democratic Club, described the "high-minded manner" in which County Executive J. Russell Sprague runs Board of Supervisors hearings. "Mr. Sprague," Acer said, "has a peculiar definition of a hearing. To Mr. Sprague, a hearing is an opportunity for a person to be allowed to utter sounds in front of the Board of Supervisors. It doesn't matter

what the persons has to say, when he is finished, the next person is called upon. Nothing this person says makes any difference to the Board, nothing ever happens as a result of what is said. It's getting to a point now, where Republicans are getting fed up with this procedure. Many of those who asked Sprague and his henchmen why they were raising the county tax rate limit by a third at the Dec. 31 hearing, were Republicans. When they asked Boss Sprague why he was raising the limit the Boss' only answer was, "This is a hearing."

"Any objective observer who has been present at the hearings," Acer went on to say, "is fully aware on the basis of the evidence presented by the voting records of the Republican representatives that they are a part of an entrenched system of bossism that tolerates no deviations from the rulings of its chief. As individuals, the Republican office holders in the County are not free to state their own views. In the period of 16 years, on only one occasion has any Republican representative on the Board seen fit to vote, according to the dictates of his conscience. It is not surprising to discover that in the following year when the gentleman ran for reelection, he was decisively defeated. At that time, it was common knowledge throughout Nassau County that a Supervisor Harold Mason of Glen Cove was beaten by his own Republican organization's failure to work for his reelection."

Delicious coffee and cakes were served after the meeting.

RAYMOND C. RYSANEK, seaman recruit, son of Mrs. Josephine M. Rysanek of 20 Maple Pl., Hicksville, and JAMES E. WATSON, son of Mr. and Mrs. James E. Watson of 8 Pilgrim La., Levittown, are undergoing recruit training at the U. S. Naval Training Center, Bainbridge, Md. Upon completion of their 11-week training period they will be assigned to duty stations with the Fleet or at Navy shore stations or are sent to service schools for advanced technical training.

## Orders 3 Air Raid Alarm Signal Tests

**MEKEOLA**—The coming of the colorful Alert America convoy to Nassau and staging of its famous exhibits in the Hempstead Armory will be marked by audibility tests of the entire air raid alerting and alarm signal system in Nassau County on three different days, it was disclosed by Cyril C. Ryan, county civil defense director and Frank Sutter, local director, today.

Director Ryan said that the alerting system would spring into action as follows:

Today (Wednesday) Alert America Convoy Ahoy Day at the time the red-white-blue convoy of ten 32-foot trailer trucks arrive at the Nassau County line at Hempstead Tpke., Elmont.

Friday, Jan. 18, Grand Opening Ceremony at the Hempstead Armory at 8 p. m., all signals to be sounded at 7 p. m.

Tuesday, Jan. 22, Convoy Awake Day. All signals to be sounded at 12:30 noon.

Director Ryan said that for each of the air raid alerts there will also be sounded soon afterwards, the White, all-clear signal. He emphasized that no action will be required on the part of the public beyond listening to the signals so that they can recognize the red signal, a continuous wailing sound for three minutes (in Hicksville the fire siren signals 99) and the white all-clear signal, three one minute periods of sound separated by two minutes of silence.

## LIU Registers Here Til Jan. 25

**HICKSVILLE**—Registration for the February semester at Long Island University's Brookville and Hicksville evening divisions is being conducted until Friday, Jan. 25, it was announced by Dr. Harold E. Hammond, director. The two divisions offer a combined total of 42 undergraduates and four graduate courses for the spring semester, which begins Feb. 4.

The Brookville evening division schedule will be limited almost entirely to a program of basic freshman courses in English, German, French, philosophy, government, history, psychology, speech, economics, sociology, chemistry and physics. Advanced courses will be offered only in English, psychology and economics.

The Hicksville division will offer advanced courses in all fields including an expanded program in retail distribution. New retailing courses added for the February semester will be International Trade; Export and Import Practice; How to Organize and Operate a Small Retail Store, and Fundamentals of Wholesaling.

Registration for both evening divisions are being held at the Hicksville offices, 81 Jerusalem Ave., from 3 to 10 p. m. daily.

## NEED AT LEAST 600 PLEDGES:

# Only 52 Volunteer As Blood Donors for Feb 9

**HICKSVILLE**—At least 600 pledges for the Red Cross Blood Bank coming to this community on Saturday, Feb. 9, are needed to meet the quota assigned, but to date only 52 pledges have been received, according to Mrs. J. Gordon Ulmer, Blood Donor chairman.

## Plaque To Honor Kiwanis Founder

**HICKSVILLE**—A memorial plaque honoring the late Dr. Walter F. Stillger will be placed in the meeting room of the Kiwanis Club, it was announced at a meeting Wednesday. The plaque to honor Dr. Stillger as one of the founders of the club will also bear the names of other departed Kiwanis members. A scroll will be presented to his wife and son.

## Honest Lady In Need Of Same Treatment

The HERALD published a small want ad recently inserted by Miss Margaret Rueger of 49 East John St., Hicksville, who had found a small wad of folded bills lying in the street.

She was more than amply rewarded for her honesty, she said, when the owner proved to be a young, most grateful, newspaper delivery boy. The boy, Bobby DaCosta, had lost the \$26 after making his week's collections and had been quite despondent over his loss.

Miss Rueger now finds herself in the same predicament as Bobby as she reports the loss of her black purse on Saturday, Jan. 12, containing \$8 in single bills. The purse contains no identification but she's hoping another honest person has found the purse and will attempt to find its owner.

Miss Rueger's phone is Hicksville 3-0796.

Bobby's manager for his newspaper route wrote to Miss Rueger: "Needless to say we never expected to see it again and you can well understand the feeling of joy we had thru your kindly efforts."

"It is encouraging and gives one a very warm feeling to know that in this world of ours today such good people as you still exist."

"We need at least 600 pledges in order to make use of the Blood Bank's capacity to handle 18 donors every 15 minutes except for the noon lunch hour," Mrs. Ulmer explained.

"Donors are reminded not to eat a heavy meal before giving blood," she said. Mrs. Ulmer said that most people believe that if they eat a heavy meal they will not become weak, but a meal of light food without fats and oils will be the most sustaining.

Pledges may be made by calling Mrs. Ulmer at Hicksville 3-6368R or the HERALD at Hicksville 3-1400.

new building of five classrooms, can accommodate 315 children on single sessions and 630 on double sessions.

The Board concludes with the report that almost two years are needed to finish a new school, from site selection to occupancy. As a result a new building can't be completed before Sept. 1953 when the enrollment is expected to be 2069.

The proposed site is at the end of Central and Jamaica Aves., lying mid-way between the nearest home developments and the end of the Model Homes development, the Board discloses.

**Look Into the Past**  
Marie Fungfeld, publicity spokesman for the School Board, checked the old district records in connection with the new building dedication. The first annual meeting was held Nov. 12, 1874 when Benjamin Page was clerk. Oct. 9, 1881 the district became known as "District 19 (Manetto Hill)".

A one-room building was maintained until July 18, 1898 when a special meeting was called when the present (old) two-room school was voted and passed on. Taxes of \$1500 were levied for construction of this building.

## Between Duffy And Old Country

Hi Folks:

Hope you missed last week's column. What about giving a gal a call with some news?

Belated birthday greetings to JACK LODATO of Meade Ave. I hear the Lo Dato went to Brooklyn to celebrate with the family.

Dr. and Mrs. W. WALKER of McAlester Ave. were blessed with a baby boy on Dec. 28. Lots of happiness to the three of you.

AGNES MARIE MINIHAN of Meade Ave. will be four years old on Jan. 27.

ELSIE STONE, also of Meade Ave., will be four years old on Jan. 31.

Another birthday on Meade Ave. is that of PATRICIA McMAHON, who will be all of two years old. HAPPY BIRTHDAY to these three little ladies.

HOWIE McCOWAN of Nicholas St. had a birthday last week. I believe he was three years old.

Saw quite a few girls at the High School the other evening registering for the Driver Training Course. Better pull in the side-walks, fellows.

The DIETRICHs of McAlester Ave. had a fling at the REPUBLICAN CLUB's annual installation meeting last week. I hear it was a very nice affair.

Don't forget Hicksville 3-2437W is my phone number. Let's hear it ring once in awhile.

Bye Now,  
DORIS WERNER

## Mr. and Mrs. Emile Bintener To Mark 50th Anniversary at Mass

Mr. and Mrs. Emile N. Bintener of 34 Jerusalem Ave., Hicksville, will celebrate their Golden Wedding anniversary on Wednesday, Jan. 23, with a solemn high Mass at St. Ignatius Church, Hicksville.

A dinner will be held at their home after the Mass and a reception will be held later in the day.

The couple was married in 1902 at St. Barbara's Church, Brooklyn, by the late Rev. Frederick J. Wunsch, a brother of the bride.

Alphonse Bintener, a brother of the groom, was the best man and Teresa Frits was the maid of honor.

Mr. and Mrs. Bintener have been residing in Hicksville for more than 26 years. They are the parents of the Rev. Francis X. Bintener, assistant pastor of St. Margaret's parish, Middle Village, N. Y., and Mrs. Frances M. Maher, a teacher in the Public Schools of New York. There is also a grandson, John F. Maher, a student at Trinity High School, Brooklyn.

Mr. Bintener is president of Emile N. Bintener, Inc., of New York, which is engaged in metal finishing. Work done by him is represented in various churches of the Diocese, as well as in various

sections of the world. Some of the work finished by him is in the Vatican in Rome.

At the World's Fair in Flushing 1939-40, one of the exhibits was finished by Mr. Bintener. He was one of the founders of the American Electro Platers Society. He is a member of the St. Ignatius Holy Name Society. He was formerly an usher at St. Ignatius Church as well as at Holy Innocents Church in Manhattan.

Mrs. Bintener in addition to being the mother of a priest, has had three brothers in the priesthood, two sisters as nuns in the Dominican Sisters of Newburgh and two other sisters who were engaged in taking care of rectories in the Brooklyn Diocese for over 50 years.

One brother, Rev. Isidor Wunsch, was founder pastor of St. Barbara's parish in Brooklyn. Another brother, Rev. Frederick Wunsch, was founder of St. Pancras Parish in Glendale, while her third brother, the Right Reverend Francis Wunsch, is pastor of St. Mathias Parish in Ridgewood. She is a member of the Rosary-Altar Society of St. Ignatius Church.

## Father's Relation To Child, School Topic of East St. P-TA Meeting

Irving Robbins, philosophy teacher at Queens College, and Jack Drutman of Hicksville, a teacher and father, were guest speakers at a Fathers' Night program held at a meeting of the East St. School, Hicksville. Francis Nulty, civic chairman for the PTA, acted as chairman of the panel discussion on the topic, "The Relationship of the Father to the Child and School."

"Today, the home and the school are so closely related that it is hard to tell at what point the job of one ends and the other begins," Mr. Robbins said. He said that both are striving for a healthy child, ability of the child to get along with other children as well as adults, a happy child, to give him knowledge of the world we live in, and faith in a democratic way of living.

"From findings in child development in the past 50 years, it has been discovered that we do not know how far a child can really learn," he continued. He explained that there are individual growth patterns and no child should be used for comparison with another.

"A child's emotions affect his ability to hear, see, speak and learn and parents and teachers must be aware of the emotional and physical factors affecting their child," Mr. Robbins concluded.

Mr. Drutman, speaking as a father, said that the parent must find a middle ground to work on rather than the accepted pattern of 50 years ago, which was strict obedience, good morals and industriousness.

"We must recognize the basic needs of the child, show him un-

derstanding, how to respect his parents, give him love, and help him enjoy his school and family life," he said.

A question and answer period followed, giving the fathers present an opportunity to discuss various problems facing them with their own children.

The East St. PTA plans a square dance at the next meeting on Feb. 14. A brief ceremony for Founders' Day will precede the dance. Stan Glowin and his orchestra will provide dance music.

Mrs. Olive Foran, membership chairman, announced that the East St. P-TA has a total of 406 members.

## BIRTHDAY SURPRISE

A surprise birthday party for Ronnie Cronin of Hicksville was held Saturday night, Jan. 12, at the home of Mr. and Mrs. John Costic in Westbury. Mr. and Mrs. John Smith were co-hosts.

The rooms were decorated in pink and white and a large birthday cake was the centerpiece of the table. Many gifts were received and all had a lovely time.

The guests were: Bill and Helen Smith of Huntington, Angie Simonetti, Dot Andrusenka, Ray and Helen Wolf, all of Westbury, Peffy VanStyke, Arlene Fox, Mr. and Mrs. John Shionsky, Mary and Al Nickels, all of Hicksville, Mrs. Mary Lech of Port Washington, Mrs. Rita Smith of Levittown, George Puente, Marion and Patrick O'Shea of Brooklyn, Anne Gregg, Millicent Manner, Kay and Paul Wask, all of Jericho, Edward Miller of Central Islip.

Mrs. Ruth Carl was high scorer in pinocle at the card party sponsored by the Hicksville Amvets Auxiliary Friday night, Jan. 11, at the clubhouse on E. Barclay St.

Mrs. R. Niemer was high scorer in bridge, Annie Doran in buncos and Elaine Grachowski in canasta.

Mrs. John Wertheisen, St., won a bottle of wine as the door prize and a pair of pillow cases as a special prize.

## CURRENT COMMENT:

# See Higher Taxes If District Splits

By FRED J. NOETH

Most everyone seems to have forgotten the poor taxpayer in all the fancy talk and discussion about the proposal by a small group to cut down the size of the Hicksville Park and Parking District.

Our Township officials are portrayed in the headlines as rushing to Albany, legislation in hand, to push thru a bill which will allow the Levitt home area of Hicksville to pull out of the Park and Parking District.

The Nassau Review-Star spoke editorially and grandly this week about "the inequity" of the present district set-up and claimed credit for showing up "injustice," deliberately neglecting to mention its one-sided source of information.

A grave injustice to the taxpayers and property owners of Hicksville will take place in the Park and Parking District is reduced in size. The town board's own figures illustrate this most clearly.

The issue is this: Shall the Hicksville Park and Parking District be reduced in total area? It is not a question of what happens to two swimming pools owned and operated by Levitt & Sons. It is not a question of who is going to use the Community Hall on Levittown Pkwy, owned and operated by Levitt & Sons.

First, it must be known why the Hicksville Park and Parking District was created. Councilman Frank Chlumsky frequently boasts that this was the first district of its type created in the Township of Oyster Bay. It has been organized since 1948. It was created, as provided by the Laws of the State of New York, as a special improvement district. Its purpose is to create and maintain parking fields and park areas. It was established co-terminus (same identical boundaries) with the Hicksville School District, Hicksville Fire District and Hicksville Lighting District. It is also co-terminus today with the Hicksville Garbage District.

Since 1949 there has been a tax on every parcel of real estate in the Hicksville Park and Parking District—farm land as well as developed property. The rate was 55 cents per \$1000 of assessment in 1949 and again in 1950. It was 65 cents per \$1000 for 1951 and is the same this year.

The Oyster Bay Town Board found it necessary this year to raise \$21,795.29 to meet the obligations of the Hicksville Park and Parking District and established the rate of 65 cents per \$1000.

With more public parking fields urgently needed for shoppers as well as commuters, it is reasonable to assume that even larger sums of money will be needed in the coming years to operate the Hicksville Park and Parking District.

The rate of 65 cents is based upon a total assessment in the district of 33 million dollars. The assessment for the area of homes built by Levitt & Sons is about 10 million dollars. If that area were not within the taxing area of the Hicksville Park and Parking District, the township would only have a valuation of 23 million dollars upon which to levy its tax for the district. To raise the sum of \$21,795.29 on the reduced size tax area would then require a rate of 94 cents per \$1000 as compared with the actual, current rate of 65 cents.

This is what a reduction in the size of the Hicksville Park and Parking District would mean to you if your home is valued at \$3500. At the current rate, your tax for this purpose is \$2.27. If the district were split or diminished right now, your tax bill for this purpose would be \$3.29. In other words, slicing off a piece of the Hicksville Park and Parking District—as urged by certain individuals—would increase your tax for this purpose alone by one-third or more.

As was pointed out a ways back, the question is not the future management or disposition of the swimming pools. They were built by Levitt & Sons and provided as an inducement for home purchasers. This past (1951) season the two pools in Hicksville district and one in Westbury area were operated by Levitt as a private, non-profit proposition. Rules for their use, including the issuance of pool tags at \$1 per, were established by the NLHOA and Civic Council. Crowding of the

Biggest news of the week is the resignation of Bob Beard from the Bar Committee. During the past several years Bob has devoted innumerable hours to the improvement of the Post and after retiring as Post Commander last year, felt he was entitled to a little rest. However, when the call came for workers to inaugurate the new method of operation he was right there. We hate to see you step out, Bob, but our thoughts are virtually the same as we heard in post meeting discussions on the floor last week, "He did a swell job!"

Naturally, Bob will still be available for advice. . . . Good luck to Al Carpenter in filling Bob's shoes!

At the meeting of Jan. 7 reports were heard on the Christmas and New Year's parties, which everyone agreed were successes, as previously noted here. It's good we don't measure success by financial returns because the Christmas party cost a penny, but the enjoyment of the children and their parents was return enough. Pictures of the Christmas party can be had by contacting J. Carter.

Johnny Nees, who made leave us shortly to explore new horizons, still has his heart in the Post, as proved recently when he volunteered to act as chairman of a committee consisting of Guy Smith, Mel Paden and Jimmy Carter for the 1952 Valentine Dance to be held at the Hall on Feb. 16. We'll stay in touch with John and furnish further particulars in succeeding columns.

As a result of the recent Legion sponsored oratorical contest at Hicksville High, the Post received letters from James Sawyer, Harold Rothstein and June Redding thanking us for the opportunity to compete. And while on the subject of correspondence, letters of thanks for various services and contributions were also received from

pools in our district this past summer, if any, was not the result of use by persons from other sections of Hicksville but more likely because a reciprocal arrangement sought by the NLHOA with the Levittown Park District (entirely in the Township of Hempstead) failed to materialize. Tags issued by Levittown District were honored at the Levitt pools in Hicksville but NLHOA tags were not honored south of the township line.

The NLHOA appeared unable to carry out the expressed wishes of the residents. Considerable time was spent at one NLHOA meeting debating the closing hour for children, accompanied by parents. The group present at that meeting voted for a closing time later than that set by Levitt-paid lifeguards. No change in the closing hour was ever made, despite the "vote."

The Community Hall greatly befalls the issue. As far as the Herald has been able to determine, based upon statements at a public meeting by Councilman Chlumsky, the jurisdiction and control of the hall was never offered to either the Township of Oyster Bay nor the Hicksville Park and Parking District. A spokesman for Levitt & Sons did suggest, last Spring, that the township take over the two pools (Levittown Parkway and Newbridge Rd.) obviously thru the Park and Parking District, but the town board did not act upon the offer.

Important in the issue, also, is the matter of costs to the Levitt-built home owners in Hicksville if the district is split. Hempstead Township discloses that it will cost \$84,573.91 to operate the Levittown Park District in 1952, including salaries and wages of lifeguards and laborers, insurance, electricity, water, chemicals, paint, supplies, equipment, etc. The tax rate comes to \$1.71 per \$1000 of assessment value in that district.

This is the cost on five swimming pools and adjacent grounds, we believe. Simple division produces an estimated cost of \$16,914.78 per pool, or \$33,829.56 for two pools. If the valuation of the Levitt-area in Hicksville is 10 million dollars, as mentioned previously, the tax rate for the area would be \$3.38 per \$1000. If the average assessment is again \$3500, the annual bill on a house built by Levitt in Hicksville (Oyster Bay Township) would be \$11.83. This is a far cry from the estimates of \$5 a year quoted by well-meaning but ill-advised folks who circulated petitions last fall asking Oyster Bay Town Board to "split" the district. These figures do not make any provision for the cost of maintaining and operating the Community Hall, even on a proportionate basis with the rest of the Levitt homes.

There appears to be an unnatural desire on the part of certain individuals to worry about problems (such as the future operational headaches of the pools) which rightly belong to Mr. Levitt. Levitt & Sons built the pools and advertised them widely to help sell houses. Must the township (or the park and parking district of Hicksville) devote its energies to relieving Levitt of this obligation?

The real issue, to repeat, is: should the Hicksville Park and Parking District be made smaller in area?

Here is the opinion of Theodore V. Summers, Oyster Bay Township attorney, in a report to the Town Board (a portion not mentioned in the Levittown papers): "It is my opinion," he wrote, "that the Hicksville Park and Parking District should NOT BE DISSOLVED for a number of reasons: chiefly, several fields have been constructed and are in operation under the Town Board. Parking meters have been installed as a parking district project and contracts have been entered into in connection therewith."

## Charles Wagner Post No. 421, American Legion

Kings Park and Farmingdale Sanitarium for Christmas "Gifts to the Yanks" and from the Hicksville Police Boys Club for use of the Hall for the recent card party.

Commander Jambour will head a small Legion representation at the dedication of the new Plainview School this coming Sunday afternoon, at which time the Post will present an American Flag to the school.

Progress is at last being made toward contributing something to the Industrial Home for the Blind. A committee of three led by Ernie Gundlach and including "Jay" Jambour and Frank Muller was formed to conduct a raffle for the express purpose of assisting the home. Details will be ironed out by the committee and the program will be announced shortly.

Rudy Bouse had very little to report on the last meeting of the Veterans Council, since the boys seem to have difficulty getting all the representatives together. However, when it gets out of the "growing pains" stage we should see some results beneficial to all "vets."

The desire of Ernie Gundlach to have additional working space in the kitchen has apparently borne fruit because we understand Jimmy Carter has come up with a plan for a removable flat table top for the steam table, enabling the kitchen crew to have its cake and eat it too! Jim will make the top and hopes to have it installed soon.

For those members who'd like to display the American Legion emblem on their cars we suggest you see Nick Harter. At last reports he still had a few left to give away. . . . Thanks to Mel Paden, the water tap on the bar now functions perfectly. Next meeting this Monday. See you there!

## Education

(continued from page 1)

According to the Association's announcement of the meeting, by some comments on the Arlington school situation "and its similarities to that in District 17." This portion of the program will be conducted by Maurice C. Postley of 19 Hope Lane, a member of the Executive Board of the Education Assoc., who has some first hand knowledge on the Arlington story.

"The Education Association of District 17," states the announcement, "urges that all persons residing in District 17, interested in their school system, attend this meeting. Whether they are members of the Association or not. We plan on a lengthy free discussion period, during which we shall be happy to answer any questions on anybody's mind, and to provide for all as much information as we have so far been able to gather on the school situation in our district."

"Anyone interested in joining the Education Assoc. may telephone membership chairman Kay Kaufman at HI 3-594M."

## Plan Another Gas Station, Car Lot

OYSTER BAY — A gas station and a used car lot in Hicksville are among the requests for variances to be considered by the Zoning Board of Appeals at a meeting tomorrow (Thursday) night in the Justice Courtroom here starting at 7:30 p. m.

A gas station at the northwest corner of Woodbury Rd. and Pollok Pl., Hicksville, is planned by the Jonas Realty Corp. of 82 Broadway, Hicksville. The concern will ask for a variance to maintain the gas station and to install three 3,000 gallon underground gasoline storage tanks.

Nick Mavis of 150 Broadway, Hicksville, will ask for a variance to use the property on the east side of Broadway, 100 feet south of Cherry St., Hicksville, for the sale of new and used cars.

Frank M. Wells of 29 Newbridge Rd., Hicksville, will ask for a variance to store new plumbing and heating materials on the north side of Old Country Rd., 517 feet west of Newbridge Rd., Hicksville.

A used car lot in Bethpage on the north side of Hempstead Tpke., 322 feet east of Stewart Ave., Bethpage, is planned by Albert Cerny of 134-39 233rd St., Laurelton, who will ask the Board for a variance.

## Mrs. Entstrasser Heads Aid Society

Mrs. John Entstrasser of 13 Spruce St., Hicksville, was elected president of the Ladies' Aid Society of St. Stephen's Lutheran Church at a recent meeting to succeed Mrs. William Christiansen. Mrs. George Ahrens of 4 Clinton St., Hicksville, was elected vice-president. Other officers were elected at a previous meeting.

A cake sale, featuring home made cakes, pies and breads will be held this Saturday, Jan. 19, by the Ladies' Aid at the Stop 'n' Shop Supermarket on South Broadway at 10 a. m. The committee for the sale includes Mrs. Entstrasser, Mrs. Ahrens, Miss Ada Asendorf and Miss Mae Aseny Dorf.

A meeting of the Rosary-Altar Society of St. Ignatius Church, Hicksville, will be held Friday night, Jan. 18, at the St. Ignatius School.

## Student Scientists Exhibit Talents

By AUDREY BLYMAN  
HECKSVILLE — The year 1952 was begun in an exemplary fashion by Hicksville High Jan. 7. HHS was the recipient of a well-planned scientific program sponsored by the Nassau League of Student Scientists.

Five teenager scientific geniuses demonstrated the highlights of their fields of interest. The boys who came from various schools on the Island convinced the audience that science is a subject that is very awe-inspiring. Doretta Binner, secretary of the NLSS, acted as the hostess for Hicksville High.

**Gun and Animals**  
The program was begun by George Linder, president of the NLSS and a junior in Roslyn High, who gave a demonstration talk on ballistics. He showed the

group the effects of a 22 calibre bullet on a bar of soap and told them it produced the same effect as the bullet would produce on living tissue. George then, disproved the widely accepted belief that all gun powders are explosive when they are tampered with.

The next exhibit was a porcupine which belongs to Bruce Colletta, senior in South Side High. While the cute little creature ate pieces of vegetables from Bruce's hand while standing on his hind legs, Bruce told the group all the interesting points about a pet porcupine. This porcupine is very tame and is a strict vegetarian. Disregarding the printed facts about porcupines which state that they are very dumb animals, Bruce said he plans to teach him some tricks and says that he has

had moderate success, so far.

To see a man with many years of experience to his credit extract venom from a poisonous snake is breath-taking and to see a high school boy do the same is quite unusual. So, when Tom Frazzetta who is a senior in Glen Cove presented a few of his collection of 25 snakes and then milked a water moccasin, the high school students reached the epitome of fascination. The frenzy of the audience was brought to a pitch when Tom dropped the highly dangerous snake but with the calmness of a true scientist, he recovered it immediately and soon induced the reptile to release its venom in a small jar. After mastering this feat, Tom had the respect and acclamation of every one present.

Astronomy was the next topic which was briefly elaborated upon by Tom Garth, a Roslyn sophomore. He showed a five foot telescope which he made as a project for the Science Congress at Adelphi College and which he uses frequently to gaze at the various constellations and planets. It is interesting to note here that this telescope was made with a revolving base which enables a star-gazer to follow the course of a traveling object. This type of instrument requires expert knowledge to construct and the fact that Tom made this when he was a high school freshman, really proves what an intelligent boy he is.

### Electrical Wizard

Climaxing the colossal assembly with a dazzling display of high voltage electricity was Tom Harrison who is a junior in Garden City. Tom Edison sure has some excellent namesakes following in his scientific footsteps! Harrison displayed an Oden Coil which he constructed and which generates thousands of volts of electricity. In the darkened auditorium, he showed the brilliantly violet colored forms of electricity which came from the condenser to light various fluorescent bulbs. The crackling static sounds which were heard, testified to the Oden Coil's ability to produce great amounts of electricity.

A question and answer period was held at the end of the program to satisfy the many curiosities which the students developed. As would be expected that old haunt — time — entered in to prohibit too extensive a questioning session, however, and the boys promised to answer any more questions at a NLSS meeting held on Jan. 11 at Glen Cove. When students can produce shows as magnificent as this one under the able guidance of science teachers like Mr. Burdick of HHS and Mr. Brooks of Sewanakea HS, they can be extremely proud of themselves as HHS was proud to witness their endeavors.

## TELEPHONE STRIDES AHEAD IN 1951

*Defense and civilian needs call for even greater expansion in 1952!*

In 1951—in a period of rising costs and increasing material shortages—the telephone completed its greatest year of service.

Here in New York State, 355,000 more phones were added to the system, increasing the number in use to nearly five and a half million. The 1951 expansion program—for new buildings, for new dial central offices, for thousands of miles of wire

in cable, for improved rural service—totaled \$168,000,000. And still the demand for telephones grows!

To meet this demand from defense, industry and homes, an expansion program totaling \$180,000,000 has been planned for 1952—assuming always that money from investors and that scarce materials such as copper are available.

The job is a big one. It grows more difficult as costs continue to rise! These costs today are double what they were ten years ago. Yet the job must be done if New York State's telephone system is to continue to meet day-to-day needs. And meeting these needs is the best insurance against any emergency.

Only a company that is financially strong can keep pace with this huge and growing responsibility.

NEW YORK TELEPHONE COMPANY

**MORE THAN A MILLION AND A HALF MILES OF WIRE** were built into this State's telephone system in 1951. This calls for copper, which not only is in short supply, but has increased in price from about 11¢ a pound in 1940 to about 24¢ a pound today. The red metal is essential to the telephone business, for New York State's 25,000,000 calls a day must travel on paths of copper.

**FIRST CALL GIVEN DEFENSE NEEDS.** Telephones play a major role in tracing the route of airplanes at the White Plains Filter Center, one of many Civil Defense projects completed in 1951. The Telephone Company's own defense program includes expanding facilities for rerouting telephone traffic around disaster points, provision for stand-by power, and for mobile radio and portable telephone units.

**THIS IS THE 1951 PAY CHECK** for New York Telephone Company employees. About half of all the money taken in by the Company goes for wages. Good people working in good jobs are an important reason why you get service that is fast, clear, courteous and friendly. Telephone folks are good citizens and good customers in the towns where they live.

**355,000 PHONES ADDED IN 1951** make the telephone more valuable than ever. In most N. Y. communities, users can now reach twice as many phones without toll charge as they could ten years ago. That's one reason why the telephone is one of today's biggest bargains.

## OFF SOUTH BROADWAY: June In January Weekend Weather

By BUNNY LAUER—HI 3-1794J

It's "June in January." At least it was over the weekend. Wouldn't it be lovely if the weather would keep up for a while? Wouldn't surprise me, though, if the time this paper comes out we are in the midst of a blizzarding snow storm. You know, hall, strong winds — Brrr — (Hey, Marty, how about turning up the thermostat and get me a cup of coffee?). Just thinking of it makes me cold. Let's hope I'm wrong though.

We were smart Sunday. We didn't wait for the herds of company that usually comes out from the city to visit us country bumpkins without warning. We went waiting to the city to my Mother's and had a wonderful time. Guess we'll do it more often.

I'd like to welcome a new subscriber from Cottage Blvd., but Butch has been through my notes again and for the life of me, I can't remember your name. You sounded very pleasant, and I'd love to get to know you better, so how about calling me again. I believe your address was 10 Cottage Blvd., am I right?

Don't forget Nicholas P-TA this Thursday night at 8:15. We aren't going to have the usual cake and coffee — something else, Inquisitive? Come out and see for yourself, we will have a wonderful program.

Mrs. FLORENCE FRAME, Lee Ave., was the guest of honor at a surprise stork shower given for her after a Stanley demonstration at the home of Mrs. HENRIETTA BOLGER of Lee Ave. Mrs. ELSIE MASE was the demonstrator. All the guests received prizes. As soon as the demonstration was over a fuse was removed — and during the confusion that followed, a gift-laden, beautiful decorated bassinet was wheeled in. A gorgeous cake with "Lots of Luck, Flo" on it was placed on the table. The lights went on and then everyone had a wonderful time. Guests were the Mrs. MARGE NEWELL, MABEL TEUBNER, DOT RANLIN, FRANCES ZARBO, HELEN OLSENCHLIGER, GLADYS COCHRAN, CLARA LOGSTEAD, GINNEY VARCA, AGATHA CHASE, HARRIETTE WOODS, DOTTY HAWKS and KAY CUNNINGHAM. Expect to let you know in the next column if it is twins or maybe triplets. (This is Hicksville not Brooklyn!)

Cards were received from the DANIELS' of Spindle Rd., who are spending two weeks in Florida. Mr. and Mrs. GERALD KRUMP of Spindle Rd., spent the weekend visiting Ruth's mother, Mrs. Elsie Gold of New London, Conn.

Oh yes, a gentle reminder to you mothers whose children got the bus in front of my house — will you please tell them to keep out of the garbage cans, off everyone's lawn and to stop running wild in the road? I'm afraid some day some of them will get hurt. I have been receiving numerous complaints about their behaviour from different neighbors. So, it's up to you mothers. The group that takes the bus at 11:40 a. m. is by far the worse.

Mom, Dad and Ethel went visiting the Newmans of Wantagh, Sunday. They also took SHELLIE and YOLA WOODLEY with them. Although the kids like Florence and Lew Newman, they enjoyed their stop-over at Happyland best of all.

My niece, ELAINE ROBBINS and two great nieces, (boy, old age is creeping up), LYNDIA and JANET from Wantagh, were my guests during the week. Am now out of news, so will bid you all "adieu."

## STILL PLAYS PIANO: Local Woman, 100 Recalls Civil War

**BETHPAGE**—Mrs. Catherine Lawrence of 418 Stewart Ave., celebrated her 100th birthday on Jan. 1. A resident here for the past 25 years, she resides with her daughter, Mrs. Inda Goublemann.

Born on Jan. 1, 1852, the seventh child in a family of 11, she was a correspondent for several leading newspapers in Sullivan County. She's lived through the Civil War and remembers once seeing Abraham Lincoln; World War I and World War II. One of her brothers, a Civil War veteran, died of the effects of exposure while serving in the Yankee Army.

She and another brother, R. E. Reynolds, 90, of Utica, are the only living members of the family. Her late husband was principal of the Bethpage School.

There are five generations of the family alive today. She received many messages of congratulations on her birthday from relatives and friends.

Despite failing eyesight, Mrs. Lawrence enjoys playing the old hymns on her piano. Members of the Bethpage Methodist Church choir visited her home to sing Christmas carols at Christmas time.

## NORTH WEST NOTES: Jack Brandt Pledges Better Streets

By JAMES CUMMINGS

Members of the North West Civic Assoc. who attended the January meeting heard a first hand report by John R. Brandt, Township Superintendent, upon proposed road improvements in our immediate area. President McCarthy introduced Mr. Brandt to the membership. He spoke on the road conditions in general covering proper grading, fill and flood areas in our development.

He mentioned controversy between builder and his own engineers on grading—how they graded and covered all roads earlier last year and their recent engineer's survey of bad flood conditions at Nevada St. and Myers Ave. section (pictured on Page 1 of Herald last issue). A question was presented by one of the members regarding injury to personal property during the proposed improvements. Brandt stated that the Highway Department will assume repairs of that nature. Other points recognized by the Highway Dept. were the need for additional catch basins and proper leveling of certain spots on Gardner, Myers, Nevada, Princess and Ohio plus newer section on Kuhl Ave.

Brandt mentioned that these conditions have been a source of annoyance and that he and his men are doing everything in their power to correct these road hazards and make all roads passable, year-round. He further stated that before his men leave the area, the job will be complete and roads passable. Weather permitting they will start on the roads very shortly.

President McCarthy thanked Mr. Brandt on behalf of the membership for his interest in these road conditions, however, we will keep a look-see on when proper action will start.

**BETWEEN ISSUES**—We have learned that the NW Civic Assoc. has gone on record as be-

ing against any rezoning—industrial that is, of the area from West John St. and Kuhl Ave. north to Jericho Turnpike—This is of great concern to residents in Spiegel Ranch Homes. . . Did you know that there are better than 340 families now residing in our development? . . . An entertainment committee was appointed at the last monthly meeting to secure a hall for the first annual barn dance scheduled later this year. . . Better than 70 homes here were recently insulated by an insulation firm—certainly an improvement for any home. . . Veterans will be glad to know that another NSLI dividend will be paid some time in March to those who still hold their policies in force—according to reports you can figure around \$60, depending upon your policy.

Don't forget the March of Dimes—and above all if you have not already given your blood, do so at the Red Cross bank here Feb. 9. The little you give will certainly go a long way to help our wounded. . . Remember if you have any news just pick up the phone and call 3-3317-J. . . Still the "speed demons" ride thru the area. Please drive carefully while in the development. Those signs put up by your Civic League mean what they say—**SLOW DOWN—CHILDREN PLAY**. . . Is it asking too much for all of us to leave our porch lights on till 10 P. M. in the event your wife or yourself decide to visit a neighbor nearby. These streets are too dark. This will be a preventive measure due to some of the recent occurrences brought to my attention—keep posted—read the Herald each week.

"OUT OF THE FOXHOLE" . . . GREETINGS TO: Renewal Mike Ellish, 2nd Vice-Commander, and our sincerest apologies to NEW MEMBER, Asato J. Pradente, 215 Ohio Street, Hicksville. WELFARE BALL COMMITTEE: The committee has decided that April will be the month for our 2nd annual affair. Harry Ewenik and Howie Patton has joined the roster as committee-men. Ex - WACS, WAVES, SPARS, WW2 Vets and Korean Vets—this is AMVETS CALLING. JOIN NOW . . . the fastest growing veterans organization of World War II. SOMETHING TO REMEMBER: Jan. 16, Hicksville Veterans Council will meet to elect permanent officers. Jan. 18, regular post meetings. On Jan. 19 the fellows will hold the monthly affair . . . be sure and attend. TELEVISION will make its debut at the clubhouse this week. You fellows that have been taking off to watch the fights can stay and see them at our own place. From what I hear, the Ladies Auxiliary Card Party went over with a bang as usual. The Saturday nite open house for AMVETS has been coming along great . . . why don't you fellows and gals from the Auxiliary drop in and meet those that you haven't met before? SORRY TO HEAR: That Joe Pakaluk, Finance officer, met with a little accident last week. Bob Stupphen's "ill" one down with the Mumps. NICE TO KNOW: AMVET. Oerfendering has

Let's dig in now, and walk off with a nice trophy for most renewals. Haven't shown you the Gold Certificate awarded me as one of the eight-man membership committeemen of New York State by National Commander Johnny Smith . . . it's in a class all by itself. Will the veterans who dropped me a line about membership, contact me at my home address and all info will be given them. Harry Shackleton will be soon notified on the subject we discussed. Ladies Auxiliary members who wish to become a part of the Welfare Ball can contact Mike Ellish, Joe Pakaluk or Johnny Swickicki at the Club.

Mrs. Emma Maxey, president of the Auxiliary, will soon have her girls taking a trip to Northport Vets hospital to bring the boys some nice things to eat. Let's hear just when that will be, Madam President. Still waiting for the photo's that Hank Walker took of the Michel Airman at the dinner a month ago. Saw Gordon Blair's picture in the Daily News last week, where he led a group of 200 wounded vets to the boxing matches at the Garden. Well, fellows, that's all for this week, but before I close let me offer this little poem:

God, keep him safe tonight and every night  
Help his clear eyes to tell the wrong from right  
Leave something of his childhood, if you can,  
Within his heart, when he becomes a man.  
But for this son . . . and for all sons, oh Lord  
Shape not his tender hands to hold a sword.

## HICKSVILLE GABLES:

### Former Reporter Wins Valuable Prize

By RUTH SCHULZ — HI 3-2540E  
A happy occasion hereabouts happened over at 8 South Elm St. and was a real surprise. MRS. BARBARA SCHINDLER found herself as the winner of a \$150 merchandise certificate earned when she wrote a letter describing "What the American Way of Life Means to Me" sponsored by the Crosey American Way contest. Now we all know what our former area reporter has been doing lately and very worthwhile surely.

Looking on the darker side of life in these parts, I'm sad to state there's been a bit of chicken pox about. BARBARA GRAHAM of 16 South Elm St. managed to come down with them just in time for Christmas and then very nicely passed them on, not only to little brother, Jimmy, but to her mother as well. Also, understand that both the YOUNGER boys, Richard and Kenneth, of 4 Gables Rd. were sick over the holidays with chicken pox too. Hope everyone is feeling better now and ready to start the new year right.

Requests have been received for classes in Preparation for Citizenship (no fee) on Tuesday, and for rafting. Anyone else interested in either of these courses may apply and if 12 persons register in each course a class can be started.

Director Bean would like to stress the Golden Age Group which is offered to folks over 60. The instructor will teach wood, metal, plastic working and ceramics and also offer them an opportunity of companionship of folks in their age group. This subject has been offered previously but was never given because of insufficient registration. Surely there must be a number of folks in our community over 60 whom this course would benefit in many ways, Bean said.

The Auto Mechanics class will be held at the Nassau Service Station (Socony) on the southeast corner of Old Country and Newbridge Roads.

There are several new members to the faculty this semester: Harold Fuller, instructor in Group Piano, has conducted similar courses in Adult Education Programs in Hempstead and Baldwin and is teacher of music in the Roslyn schools; John Donnellon, Associate Professor of Psychology at St. John's University who will teach the subject, "Know your Child"; Phillip F. Robinson, a practicing attorney in Hicksville, who will conduct a group in Law for the layman as well as Preparation for Notary and Real Estate License; Mrs. Lucille Johanson, typing instructor, who has had considerable experience in teaching typing to adults; and Edward Wallace, who studied at the Corcoran School of Art, Hans Hoffmann School of Art and Brooklyn Museum of Art, who will teach sketching.

Mr. and Mrs. CHARLES PICKERING of 34 Terrace Pl. spent the holiday season in Florida. St. Petersburg was their first stop to visit Mrs. Pickering's mother, Mrs. KUNHA and from there over to Miami for a few days.

Jan. 4th marked the birthday of MRS. J. TRUMBOLD of 32 Terrace Pl. who was pleased with birthday messages from her children.

The New Year was welcomed in with a pleasant gathering at the

Jericho Fire Chief

Installs Auxiliary

Mrs. Catherine Waskevics was installed as president of the Jericho Fire Auxiliary Thursday, Jan. 10, at the Jericho Inn. Rene Maufroy, chief of the Jericho Fire Department, and James Sheridan, first assistant chief, were the installing officers.

Other officers installed were: Mrs. Mary Davis, vice-president; Mrs. Virginia Proffe, secretary; Miss Olga Koji, treasurer. Members of the sick committee are Mrs. A. Mayz and Mrs. Everett Halleran. Mrs. Emily Moss is chairman of the birthday committee.

A roast beef dinner was served. Miss Olga Koji was in charge of arrangements.

Miss Ann Griggo, retiring secretary, was presented with a gift from the auxiliary.

Mrs. Margie Zukofsky was voted as a new member.

## The Home HANDYMAN'S CORNER

By TOM CASHEL  
**INSULATE FOR COMFORT**  
**SARE**

Just how — to get into the  
comfort zone, that's the ques-  
tion. For those who are yet to  
insulate their attic, here's the  
drop from the man upstairs.  
There's no question that con-  
tinuous blanket type insulation  
in the exterior walls, and ceil-  
ing areas of your living quar-  
ters, give the best results.

Many times customers ask if  
they should remove the insula-  
tion now existing under the  
floor. We think it a better idea  
to leave it there, it makes for  
good sound insulation.

We have it in the loose wool  
type which is easy to install be-  
tween the beams and behind the  
knee walls. For the rest of the  
job, the batt type handles easi-  
er in the slopes, knee walls and  
ceilings. Be sure to face the  
vapor-barrier side to the room,  
it prevents condensation this  
way too.

So — you see, after installing  
the batts between the collar  
beams of the ceiling, down the  
slopes, then in the knee walls,  
and loose wool spread between  
the floor beams, from the knee  
walls to the outside wall of the  
house, you now have complete  
and continuous insulation —  
most important for good results,  
we've found.

Don't forget loaves — they're  
important in gable ends above  
the insulation, that is. Corrects  
condensation — and allows for  
a continuous flow of air the  
year round. Get the screened  
type — keeps flies, bugs, and  
things on the outside.

We have all kinds of book-  
lets on this stuff. Why not call  
or write your "Uncle Tom" for  
a copy, he's an ole soul at this  
kind of business, and his years  
of experience are years for the  
askin'.

He's the friendly type — like  
our products, they've been giv-  
ing friendly service for years  
and years.

MONACO HOMES ASSOC.

**SEATS OFFICERS**  
 Raymond Andrews was installed as president of the Monaco Homes Civic Assoc. of Bethpage on Tuesday night, Jan. 15. Walter Spielmann is the retiring president. John McConnell, councilman from Town of Hempstead, was the installing officer.

Other officers include: Thomas Pensabene, and Gus Swanson, vice-presidents; Mr. Forgiione, Sgt. at arms; Mr. Gilrain, assistant Sgt. at arms. The Board of Governors includes Walter Spielmann, William Warnke, M. McMaekon, Mrs. B. Swanson and R. Knopf. The activities of the association were outlined at the December meeting by retiring president, Walter Spielmann. He announced that arrangements have been completed for installation of street lights and establishment of bus service to Hicksville.

Two very successful dances were held during the year and two Kiddie Parties for the children of the development were sponsored by the association. A Community Christmas Tree was decorated during the holidays and a cup was awarded to Mr. Forgiione for the best outside Christmas decorations.

**OPEN NEW LUNCHEONETTE**  
 A new luncheonette is now open for business at 115 Wantagh Ave., Bethpage, under the management of Mrs. Mae Hansen of Farmingdale. Mrs. Hansen and family have been in the stationery and luncheonette business for over 20 years.

Assisted by her daughter, Joan.

**CHRISTMAS ENGAGEMENT**  
 Mr. and Mrs. William Wiggins of Delano Court, New Hyde Park, announced the engagement of their daughter, Joan Marie, to Ronald Lutige, son of Dr. and Mrs. Louis Lutige of 361 Broadway, Bethpage, at Christmas.

Miss Wiggins is a graduate of Sewanhaka High School and is employed in N.Y.C. Her fiancé is a graduate of Farmingdale High School and is a senior at University of Maine.

No date has been set for the wedding. Mr. Lutige returned to his studies on Jan. 5 after the Christmas vacation. He had as his guest Peter Soule of East Corinth, Maine.

**OFFER MUSIC SCHOLARSHIP**  
 The Farmingdale Music Foundation announces that the Second Annual Auditions for Music Students will be held in the Farmingdale High School auditorium Feb. 8 and 9. This competition for scholarships up to \$150 is open to any instrumental or vocal student residing in Nassau or Suffolk County who has not attained the age of 19 years.

The Foundation is a non-profit membership organization devoted to furthering the cause of music projects which endeavors to aid and encourage talented young students.

Last year over 40 young musicians from 26 Long Island communities were auditioned by the Music Committee of the Foundation. The finalists were heard in public concert and judged by still another group of outstanding musicians. First place of \$150 was won by Milton Bergey, a young flutist of Huntington. Four other finalists received awards of \$25 each.

A meeting of the Bethpage Kiwanis Club was held Tuesday at Anselmi's Restaurant. Visitors from the Hicksville Club were Rev. Howard Rogers, Gottlieb Arthoffer, Arthur Ragozzino, J. Schwartz and Michael Sullivan. Visitors from the Levittown Club were Bert Strockbine and Ira Cohn.

A Fun Night for all of the community will be held Saturday night, Jan. 26, at the North Bethpage Civic Assoc. clubhouse on Stewart Ave., sponsored by the association at 8:30 p. m. There will be dancing, entertainment, The Thing contest, and refreshments.

**Salvation Army Receipts Gaining**

**HICKSVILLE** — A successful Salvation Army Appeal here was announced today by Frank Chumsky, chairman. Chumsky listed three favorable factors in this year's Appeal to support his statement.

"First," he said, "returns this year are running ahead of last year's. Last year, local residents contributed \$1,077 for the Salvation Army's fight against human misery. This year with the Appeal not yet completed we have already received \$1,324.

"Second, the number of individual contributions is greater this year than in previous years.

"Third, more members of our community are showing an interest in taking an active part in the work being done by the Salvation Army in Nassau County."

## Plainedge Sets Vote On 26-Room School

**PLAINEDGE** — Voters of Plainedge School District No. 16 will be asked to approve an appropriation of \$1,775,000 for an elementary school at a vote on Thursday, Jan. 24, at the present school on Stewart and Boundary Ave. between 2 and 10 p. m.

A public information meeting to discuss the proposed school will be held on Thursday, Jan. 17, in the present school at 8 p. m.

The need for an additional school was established on the basis of a report presented to the School Board by a planning committee which was appointed last October to make a study of the future school needs of the district.

The proposed building will be built on a 10-acre tract of land south of the Southern State Parkway which was purchased by the district in 1950.

The new school will contain 26 classrooms and a separate gymnasium, auditorium and cafeteria. Construction would be scheduled for completion in June 1953.

"The district has been advised by the State Education Department that under existing legislation, the district qualifies for building advances because of its rapid growth," the School Board announced this week.

"Under such legislation the cost of indebtedness exceeding 70 cents per \$100 of assessed valuation will be advanced by the State. Because the cost of the debt service of the district is now in excess of this figure, the additional cost of financing a new school will be advanced by the state with no additional burden on the district," it was explained.

Mr. and Mrs. G. C. Rankin of 4 Pine St., Hicksville, have moved to Huntington.

### North East Report:

By Lee Chanin, HI 3-0853R  
If my good readers were puzzled at not finding my column in last week's HERALD, they'll not be surprised to find that it failed to appear due to illness. I was a mighty sick gal for a few days, and to add grief to my illness, BABY RICKIE was stricken with intestinal grippe, too. So the two of us suffered through a few very bad days.

Fortunately, we are both fine now, but the memory of it is still strong.

It seems very few homes have escaped some sort of disease thus far this winter. Measles and chicken-pox seem to be making the rounds now, too, which is a bit unusual, since they are generally prevalent in spring.
