### NLHOA GETS SCHOOL REPORT:

## Miller Admits Park District 'Split' Will Increase Taxes For Levitt Area

**HICKSVILLE**—Charles C. Miller, president of the North Levitt Home Owners Assoc., told an audience at the Community Hall on Levittown Pkwy. Friday night, "we freely admit that (tax) rates will rise" if the Hicksville Park and Parking District is cut or diminished. The Herald last week forecast a tax bill of about \$12 per house on Levitt houses in Hicksville for the cost of maintaining the two swimming pools, now owned by Levitt, if the district is split. The rate was predicted without adding for the cost of maintaining the Community Hall.

**Cost Guesses Gettin' Up**  
Miller added that he still believes that the "majority of us

feel it is worth while to pay \$5 or more a year in order to have the benefits of our own park district."

More than 1,000 names were obtained on petitions to Oyster Bay Town Board by the NLHOA asking a cut in the park district to slice off about 25 per cent of Hicksville. Several persons who signed the petition have reported to the Herald that the petition circulators told them the split would only cost "two dollars" a year to operate the two pools and Community Hall.

Assemblyman John J. Burns told the Herald, Sunday, that proposed legislation in Albany—not introduced as yet—would, if it becomes law, permit reduction in the size of a special improvement district such as the Hicksville Park District. However, the law would provide for a Town Board public hearing before a decision is reached. Councilman Frank Chumsky, it is recalled, pledged

## New Water Tank For Bethpage Rd

**HICKSVILLE**—A new giant elevated water storage tank with a capacity of a million and a quarter gallons, more than the total capacity of three tanks now in use in the district, is planned for the Bethpage Rd. property, it was learned today. The district now has a storage capacity of 900,000 gallons with two tanks on Newbridge Rd. and one on Bethpage Rd.

While the added storage is urgently needed to meet peak summer demands, according to Superintendent F. R. Davidson, the Board of Water Commissioners fear that due to shortages it may take almost a half year to get the necessary steel and more than a year to finish the job.

The new tank and two additional pumping stations in the North West section of the district, previously announced, "will be financed as far as possible by the deposits made with the district by new developers," it was disclosed. District officials report that about 2000 new dwellings are scheduled for construction in Hicksville in the immediate future.

## LIRR Policeman To Address Civics

**HICKSVILLE**—A representative of the Long Island Rail Road Police Dept. will be guest speaker at the regular meeting of the Hicksville Civic and Community Assoc. tomorrow (Thursday) night at the firehouse auditorium on E. Marie St., according to President Stanley Mruz.

Patrolman John Campbell will show motion pictures and speak on the work of the R.R. police, including the problems of commuter parking, stone throwing by children and air rifle attacks upon passenger trains.

We believe these topics are all very timely, particularly that regarding commuter parking around the station," Mruz said, issuing a general invitation to all interested to attend. The meeting starts at 8:30.

## Events During Coming Week

- THURSDAY, Jan. 24—8:30 p.m.**—Meeting of Hicksville Civic and Community Assoc. at firehouse, E. Marie St. Speaker on commuter parking.
- THURSDAY, Jan. 24—2 to 10 p.m.**—Voting at Plainedge School on proposal to spend \$1,775,000 for new school.
- FRIDAY, Jan. 25—8:30 p.m.**—Card party at Legion Hall, E. Nicholas St., Hicksville, sponsored by Charles Wagner Legion Auxiliary.
- SATURDAY, Jan. 26—8 p.m.**—Hicksville Kiwanis installation dinner at Stockholm Restaurant, Syosset.
- SATURDAY, Jan. 26—8:30 p.m.**—Fun Nite at North Bethpage Civic Assoc. clubhouse, Stewart Ave., North Bethpage.
- MONDAY, Jan. 28—8:15 p.m.**—Meeting of Mothers Auxiliary of St. Ignatius School at auditorium on E. Nicholas St., Hicksville. (Detailed HERALD Community Calendar on Page 18)

**ALL OUT EFFORT** to stir community interest in Civil Defense for the Hicksville-Plainview area was highlighted by the CD Social and Get-together held Saturday night at the Community Hall on Levittown Pkwy. Active participants in the program arrangements are pictured with CD officials. Seated, front row, left to right are Anthony Apicella, chief sector warden and chairman of arrangements; Cyril Ryan, county

CD director; Frank Sutter, Hicksville-Plainview CD director. Standing, in same order, John Hunt, George Kunz, Arthur Isakson, president of South Hicksville Assoc. of Levitt Home Owners; Robert Wetley, Buddy Mazzera, deputy township CD director; Fred J. Nest, local deputy director; George Knuerr, master of ceremonies; and Charles Schwartz. (Herald photo by Mallett).

## 40 Volunteer to Serve:

# Recruits Shy at Entertaining Civil Defense Rally and Social

**HICKSVILLE**—Forty volunteers for the local Civil Defense organization were enrolled at the CD rally and social get-together held at the Community Hall on Levittown Pkwy. Saturday night. Sponsors of the program which was aimed particularly to attract the homeowners in the Levitt section, were frankly disappointed with the poor response to an all-out effort which included the use of newspapers, radio, sound trucks, handbills and such spectacular devices as a giant Army anti-aircraft searchlight and fire engines.

More than 400 attended the program, including many of the currently enrolled CD personnel of Hicksville-Plainview unit in all divisions. Refreshments were served by Refreshment members of the Hicksville Red Cross branch canteen corps, headed by Miss Mabel R. Fairley. Donations acknowledged for the refreshment table included Nescafe, King Donut Co., Meadowbrook Paper Co. and Fairway Farms of Hicksville.

Cyril Ryan, county CD director, complimented the local unit and committee headed by Anthony J. Apicella for its excellent program, including the displays and exhibits. Referring to motion pictures shown that evening on London's air raid experience, Ryan said England "did stand up to the bombings because it had four years of preparation and briefing." On the other hand, he said, Germany and Japan fell because they were not prepared for bombings upon their communities.

### England's Experience

Frank Sutter, director of Hicksville-Plainview unit, said that more than 1500 air raid wardens are urgently needed in the community to serve its 30,000

## 'Surprise' Alarm Finds Few Worried

**HICKSVILLE**—The first "surprise" air raid alarm here and in Plainview—as well as the rest of the County—last Wednesday at 12:30 P.M. proved that few knew what the alarm signal means. In Hicksville the alarm of "90" repeated four times is the air raid "red" signal.

The sounding of the signal name as a "surprise" because the County-ordered drill had not been widely publicized in advance. A large number of Hicksville Firemen answered the signal here. Pedestrians passing the firehouse merely paused to see the apparatus come out of the building and seemed puzzled when it did not appear. After a pause folks went about their normal business.

In Plainview Chief Guy Keute reported that with less than 100 numbers, 81 reported for the sounding of the alarm.

**HAPPY BIRTHDAY** to the Herald, celebrating its third birthday and the start of its fourth year of publication with this issue. This is the new Herald office on North Broadway, next to the Post Office, where an informal open house will take place this Saturday afternoon from two to five o'clock to celebrate the occasion. Staff members will be present to greet those who call. The day will also "officially" mark the opening of the new, larger office although the rapid growth of the Herald made it necessary to move just before the holidays to this address. ## Curtis Speaker at New Plainview School

**PLAINVIEW**—The new Plainview School was dedicated Sunday, Jan. 20, with a ceremony held at 3 p. m. with Anthony G. Ocker acting as master of ceremonies.

Dr. Elwood A. Curtis, former president of Hicksville School Board, gave the dedication address and Dr. John Chisholm, district superintendent of schools also addressed the gathering. James Carter presented the school with an American flag from the Charles Wagner Legion Post of Hicksville.

A Bible was presented by Richard Swanson on behalf of the Mannette Lodge 1026 F & A.M. of Hicksville. Mrs. Joseph Weber, president of the Mannette Hill School P.T.A. presented 50 folding chairs to the school. The invocation was given by

### DOOR TO DOOR SURVEY STARTS:

## SK Homes Responsive, Assoc Finds; Question New H. S. Building Now

HICKSVILLE — The local Education Assoc., headed by Milton Leavitt of 41 Atlas Lane has started door-to-door membership solicitation in other developments of the community. Last Saturday afternoon a 30-member canvassing committee "surveyed" the SK Homes area along East and West Aves., south of Old Country Rd., and reported "great interest."

### Question High School

This SK Homes area canvas was the first of a two-pronged course of action in the Education Association's campaign to increase community participation in solving the educational problems of the district, a spokesman said.

The second prong was a request put to the Board of Education for the reasons why the Board feels it necessary at this time to propose the construction of a four million dollar additional High School.

"Enthusiastic over the results of their first canvass, the Canvas Committee is planning to visit other parts of Hicksville in the near future," according to the Association's report to the Herald.

"We found more than two thirds of the men and women we spoke to concerned over the need for school facilities adequate to provide their children with full pay schooling, and aware of the importance of community participation in solving this problem," the report stated. "Moreover, a good proportion of

them joined the Association."

"It is our plan," stated President Leavitt, "to enlist support in every street in Hicksville. The people are aware of the problem with which they are faced. We will inform them of the necessity of their participation in solving this problem."

In a letter to the School Board, the Association said it expressed its appreciation of the appearance of a School Board member before last Friday's NLHOA meeting.

"The Education Association feels that the School Board provided a real service to the community through the appearance of Robert Corcoran and Michael Sullivan at the NLHOA meeting of Jan. 18 at which they provided the public with information. We welcome the news that the construction of two additional elementary schools of twenty rooms each, as described by Mr. Corcoran, is contemplated in 1952."

The Education Association is studying the need for the construction of a \$4,000,000 High School at this time, as projected by the Board of Education. Well Board of Education in connection with this study, the anticipated enrollment and other related data, upon which the School Board has determined the need for proposing this 40-room High School at this time."

### C. M. Johnson Seeks Zone Change

OYSTER BAY — C. M. Johnson Co. of Bethpage will ask the Town Board for a change of zone from residential to industrial on property in Hicksville at a public hearing Tuesday morning, Feb. 5, in the Courtroom of Town Hall here at 10 a. m.

The property is located on the west side of Broadway, 1,897 feet south of the intersection of Broadway and Bloomingdale Ave.

### NORTH EAST REPORT: First Grade Mothers Meet at East Street

By LEE CHANTIN — HI-3-0553B  
I was very happy to be one of the many who attended a meeting of the mothers of first-grade children in the East St. School.

We heard a very interesting talk by Miss Nina Plantz, school principal. She explained in wonderful detail how the children are gradually eased into the difficult business of learning to read; how they are helped to broaden the use of their vocabulary with the aid of descriptive pictures, rather than be put through the monotonous routine of learning the alphabet and of memorizing lists of words; (these things will come in later grades). She agreed that the children may not learn to read as early as they used to by the old method, but that they will have a better understanding of what they did read, and that the words they read will have a more definite meaning, which is certainly more important.

She also explained the workings of the six-year-old mind and the effort it is to concentrate in anything for more than 10 or 15 minutes at a time. Also there is the matter of a child needing active participation in learning, for example, to add. Rather than be told to

write numbers and figure out their totals, a child will find it more interesting to work with blocks, sticks or any small objects, and learning to add by counting and moving the article.

She stressed the importance of sitting down for just a few minutes with the child each day and giving him her undivided attention during the time she is working with him. A child is too easily distracted when he doesn't get the listener's full attention.

Miss Plantz hopes to be able to hold a similar meeting with the parents of each of the different grades, and she will also try to arrange these meetings in the evenings rather than the afternoon, since many if the mothers felt it was difficult to get away during the day. Also an evening meeting would give many fathers a chance to attend.

On the whole, the meeting was a great success. The mother turned out in greater numbers than was ever expected. As for myself, I left the meeting with a much better understanding of my child than I had before. It was informative, instructive, and interesting. More power to Miss Plantz and her teaching staff! Here's hoping they continue this wonderful project.

## STORY ENDS HAPPILY FOR ALL: Honest Lady Gets Purse Returned

A black purse containing \$8 in change bills but bearing no identification was returned to its owner, Miss Margaret Eruer of 49 East John St., Hicksville, as a result of a story in last week's HERALD. Arnold Fricke of 55 East John St. found the purse on East John St. and a few days later read of its loss in the HERALD. Miss Eruer had recently succeeded thru a HERALD wanted in returning a wad of \$36 in bills she found, to the newspaper boy who had lost it. Mr. Fricke's honesty in returning the purse to Miss Eruer adds a happy ending to our lost and found story.

Several phone calls from neighbors and readers expressing hopes for the return of her purse were received last week by Miss Eruer. She wishes to take this opportunity to thank her well wishes and Mr. Fricke for his honesty.

### HICKSVILLE GABLES:

## Welcome to Some New Local Neighbors

By RUTH SCHULZ—HI 2-5542

We have some newcomers to welcome into Hicksville and the Gables. When passing by the new Section II the other day, I noticed that three of the houses were occupied. I stopped in to see them and was welcomed most courteously. Now residing at 2 Prince St. are Mr. and Mrs. JOSEPH GIAMMARINO and son, George, formerly of Brooklyn. Next door at 4 Prince St. are Mrs. Giammarino's sister and brother-in-law, Mr. and Mrs. ANGELO DEVITO and infant daughter, Rosemarie, also of Brooklyn. Making her home with them is Mrs. PELOMINA BIANCO, mother of the two sisters.

Making my way across the street I met Mr. and Mrs. AL LA PLACO and sons, Joseph and Ralph, of 319 Old Country Rd. from N. Y. C.

MRS. EVELYN KEPFER of 24 Gables Rd. marked her birthday Friday, Jan. 18. Friend husband took her out to dinner and round the town for a bit of celebration. Mine is due in a few days, bet I just get a card! By the way, Mr. Kepler is a notary public in case any of you are in need of one. Those income tax returns will be coming up soon you know.

Sure you'll all be sorry as I was to learn that Mrs. DOROTHY JAKABEK of 28 Gables Rd. laid up with a fractured skull received last week when she had fallen down the cellar steps. Dorothy did not realize the extent of her injuries and walked around for a few days with a severe headache.

F finally consulting her doctor she learned of her injury and has been ordered to bed for a complete rest. How about some get-well cards to cheer her up?

Just another little reminder folks, that Saturday, Feb. 9, the Red Cross Blood Bank session will

## Celebrate Silver Anniversary

HICKSVILLE—More than 200 guests called on Saturday, Jan. 19, to wish District Court Judge Joseph F. Lebkuecher and Mrs. Lebkuecher congratulations upon their silver-wedding anniversary. Among those present were Mr. and Mrs. John A. Lebkuecher, parents of the Judge, who celebrated their 50th wedding anniversary here in 1947, and many local friends and relatives who attended the wedding ceremony 25 years ago at Sacred Heart Church in Bayside uniting a young attorney and Miss Loretta M. Clark of Bayside.

During the afternoon and evening, Saturday, on the exact date of the anniversary, friends called upon Judge and Mrs. Lebkuecher at their home on Woodbury Rd. The Judge has been a local resident since 1905. He is a graduate of Hicksville High School and Fordham Law School.

The Judge opened his law office in the former quarters of the late Judge Steinert when the latter retired from practice, in 1922. Lebkuecher entered the insurance business in 1926 and for more than 25 years has been the broker for Etina Insurance Co., United States Fire Insurance Co., and several other firms. He became Justice of the Peace in 1935 and held office until 1938, when under the District Court Act the JP "disappeared" from the Nassau scene. He has been re-elected three times as District Court Judge of the County.

Judge and Mrs. Lebkuecher have two children, a daughter, Joan Ann, who is associated with her father in his insurance office, and a son, Joseph, Jr., who is attending Eastern Military Academy at Cold Spring Harbor.

Robert E. Tuttle, supervising principal, accepted the keys from Girard E. Lichky, president of School Board.

The School Board wishes to thank the following for participation in the ceremony: Dr. E. H. LaBarre, superintendent of Hicksville Public Schools; Henry C. Brengel, president of Hicksville School Board; Dr. John M. Lehr, superintendent of Oyster Bay Schools; Donald J. Whitney, president of Plainedge School Board; William Hogen, president of Farmingdale School Board; Thomas Duffy, president of Old Bethpage School Board; and Lewis Weils, president of Syosset School Board.

Several piano selections were played by Mrs. Alice M. Weils, music director of the school.

population. He said the local unit is perhaps the best equipped in the state for heavy rescue work, since it is fortunate to have Karlson & Reed, Austin Construction Co. and other concerns locally who have freely offered the use of bulldozers and other gear in case of emergency. The real need, he said, is for more men and women to serve on their own blocks.

He also urged support of the Red Cross Blood Bank here on Feb. 9 and thanked all who cooperated to present the rally.

George Knuerr was master of ceremonies. Twenty men of Hicksville Fire Dept. led by Chief Stanford Weiss and CD Fire Coordinator Daniel Munch were present in uniform, in addition to Boy Scouts, wardens, auxiliary police and other services.

In Nassau County, all blood collected by the Red Cross is for use by the Armed Forces only. The blood is either flown directly to Korea where it is used to treat wounded fighting men or it is processed into plasma and turned over to the Armed Forces for use on the battlefields or stockpiling. ## Dear Jean . . .

A visitor to the HERALD office last week, renewing his subscription and friendships, was GEORGE EISEMANN of Big Fork, Montana, formerly of Hicksville.

Copies of a new pamphlet, "The Gift of Life," designed to help parents instruct their children in the physical aspects of birth and human growth, are being sent to all priests, ministers and rabbis in the state by the NY Dept. of Commerce, who are invited to get copies for distribution to parents . . . There is far more than a casual movement to have the Telephone Co. keep Hicksville 5 telephones in Oyster Bay Township in the Hicksville exchange rather than permit them to become designated as Levittown 9 in the spring . . .

According to Dec. 31 figures, Grumman Aircraft now has 9,287 employees compared with 6,993 at the end of 1950, a 40 per cent increase . . . United Medical Service will increase group subscription rates for surgical coverage beginning May 1 . . . A Republican points what a Billion Dollars looks like: "If you had a billion and opened a store in the year 1 AD and lost \$1000 daily, you would still be in business, but would have 788 years to go before bankruptcy. That's not counting taxes, however." . . . The sub-structure for the L. I. Lighting Company's four million dollar Electric Service Operating Center on Old Country Rd., Hicksville, is now 75 per cent completed and the superstructure is expected to start early in March . . . ELLERY BEAN, director, Hicksville Adult Education Program, has a number interested in conversational French and with a few more can form a class. Call him at Hicksville 3-6467 . . .

THOMAS POWELL, president of Hicksville Democratic Club, has been named chairman of the law committee of the Oyster Bay Township Democratic Committee by RICHARD T. MAYES, town leader. WILLIAM CISLER, Hicksville Democratic leader, has been designated as MAYES vice-chairman . . . The CD program at the Community Hall, Saturday night, was excellent. It is truly unfortunate that more people did not take advantage of the opportunity to get better acquainted with this effort as "neighbor-help" . . . The total cost of the Parking Meters in Hicksville was \$17,087, we learned this week; and at the current rate of receipts will be paid for by the end of this year . . .

AMPREX ELECTRONIC Corp. will probably start moving into its new Duffy Ave., Hicksville, plant the early part of April, according to present indications . . .

## Marjorie Donahue Feted at Breakfast

Miss Marjorie Donahue, daughter of Mr. and Mrs. Michael Donahue of 57 Harrison Ave., Hicksville, was the guest of honor at a "Communion Breakfast" held Sunday, Jan. 20, in the St. Ignatius School cafeteria, following the 8 a.m. Mass. The breakfast was given by the Sodality of Our Lady and catered by members of the Rosary-Altar Society.

The Rev. Leo Goggin addressed the more than 90 young ladies present for the breakfast about the religious life. Mother Adeline, principal of St. Ignatius, was also present as a guest.

Miss Donahue will enter the daughters of Wisdom novitiate in Connecticut on Jan. 30. The daughters of Wisdom Sisters care for the children at St. Charles Hospital in Port Jefferson. Miss Donahue graduated from Hicksville High School in June, 1951.

James Waters, principal, expressed his thanks to the Rev. for the gift of a microphone to the school.

It was voted to donate \$25 to the Jenkins Memorial fund.

Mr. Spelman remained the P.T.A. of the Hicksville Red Cross Bank to be held here on Feb. 9 and distributed pledge cards.

Mrs. Story's fourth grade was awarded the class book and banner for having the most parents in attendance.

Mrs. Thess, president, asked the members to donate household articles for the White Elephant Sale to be held on Mar. 20.

Refreshments were served by Mr. Thomas Skelly, Mrs. Cal. Eklund and Mrs. Bruce Kirdby.

SET SQUARE DANCE

A square dance will be held for members of the East St. School P.T.A. Thursday, Feb. 14, in the East St. School gym in Hicksville following a Founders' Day program.

Mrs. Alfred Craib, New York State P.T.A. chairman for Founders' Day, will be a guest speaker at the brief ceremony to honor the founders of P.T.A. Mrs. William Gianelli, president, and past presidents Mrs. John Acker and Mrs. Helen Schaeffer, will also take part in the program.

Stan Galowin, well known square dance caller, and his orchestra

will play for the dance and call the sets.

A meeting of the Boy Scout Mothers' Auxiliary of Troop 64 and Ship 18, Hicksville, will be held Tuesday night, Jan. 29, at St. Stephen's Lutheran Church parish house.

## BRIAR PARK, PLAINVIEW: Home Owners Assoc. Off to Good Start

By ETHEL BONNEY—HI 3-2452

The Briar Park Home Owners Assoc. held its first meeting on Jan. 10. There were 70 present at the meeting, working together to get the Association off to a good start. However, I hope next month there will be more present. We have approximately 200 homes in Briar Park and most of the families signed up as being interested in belonging to the Association.

Since this was the first meeting, the main business transacted was the selection of a committee to draw up a Constitution — FRANK FINK, JAMES ROONEY, EDDIE HAAG, MR. REINERT and NORMAN REILLY. Also committees were selected to go to the School Board meeting, and to other Civic Association meetings. The balance of the meeting was spent discussing general community affairs, such as the site for the new school, dogs on the loose and the condition of our roads, particularly Audrey Ave.

The membership also voted a meeting date of Feb. 14 for the next meeting. This date will have to be changed as the school is not available on this evening. As soon as arrangements have been made for another date, cards will be sent out and the announcement will appear in this column.

The Briar Park Block Rosary will meet next Tuesday, Jan. 29 at the home of KAY LEEDHAM, 105 Park View. Why not come? Everyone is welcome.

DOES ANYONE WANT A DOG? I've got two to offer free to anyone willing to give a young dog a good home. First, DOROTHY REIDY of 25 Audrey Ave. has a police-fox terrier, brown male, about four months old and completely housebroken. Also JOAN McMAHON of 23 Audrey Ave. has a three-month old female Dalmatian, partially housebroken and very friendly. Joan's working now and can't give the dog any attention at all, so she would rather put her where she will have a good home. You can call her at HI 3-4044 after 5:30 p. m. Both dogs are very friendly and accustomed to having children about.

The March of Dimes is doing very well in Briar Park. I covered most of Audrey Ave., with JOAN McMAHON covering those that were out by going in the evening. VERA LAUTERBACH is covering Virginia Ave. and reports very good luck. Next week, I should have Nassau Av. done and by the time the next column comes out, I should be able to report the total for Briar Park. If you haven't been visited yet and want to contribute, why not call and let me know, I'll come around or if you are out, stop by and leave your contribution. The amount does not matter (though naturally, the more the better) because every penny helps and it is our young-

## Mid-Island Girl Scout Council Greets New Officers At Farmingdale Dinner

The annual dinner of the Mid-Island Council of Girl Scouts was held Thursday, Jan. 17, in the Knapp Hall of the L. L. Agricultural Institute, Farmingdale. Mrs. Wendell Fairbanks in delivering her annual report stressed the council's tremendous growth ... this past year.

The new officers of the council introduced by Mrs. Fairbanks were: president, Mrs. Chester Stevenson of Westbury; vice-presidents, Mrs. Dorita Hood of Levittown and Mrs. Leah of Wantagh; secretary Mrs. Grimm of Levittown; treasurer Mrs. Harry Drolinger of Hicksville.

Committee chairmen appointed were as follows: Mrs. Marge Van Ness of Levittown, group and organization; Mrs. Elizabeth Banks of Seaford, Juliette Low Fund; Mrs. B. Mann of Farm-

**SPONSOR PENNY AUCTION**  
A penny auction sponsored by the Sr. Hicksville High School P-TA will be held in the high school cafeteria on Monday, Feb. 4, at 8 p. m. Prizes have been donated by the Hicksville merchants and P-TA members.

Patrick Naso and Carl Wellon are co-chairmen of the auction and Harry Ernenwein will be the auctioneer. The public is invited to attend. Refreshments will be served.

Does your subscription to the Herald run out soon? How about getting in touch with me about a renewal? Just call or come around and I'll be glad to help you.

By the way, if you want your Income Tax done by an experienced accountant, come around and see Jim. The tax season has started off with a bang and he's been quite busy already, so don't wait till March 15. It isn't as far off as it seems. You can check his ad on the Want-Ad page for details.

JOHN (Skipper) DURCAN has had his operation and is now learning to walk all over again. He is having a hard time of it and probably will be hospitalized for several more weeks. The more get-well cards he gets, the better it will be for him. I know that all of you who were his customers

ingdale, cookies; Miss Catherine Seitz of Bethpage, registrar; Mrs. Charles Voorhees of Plainview, camp; Mrs. George Monroe of Westbury, finance; Mrs. Ralph Boettger of Levittown, training; Miss Betty Dunlap of Wantagh, program; Mrs. W. Fairbanks of Farmingdale, by-laws; Mrs. Lillian Himmelfarb of Levittown, leaders association.

A training course for new Girl Scout leaders will be held in Hicksville on Feb. 4 at 8 p. m. at a place to be announced.

## CURRENT COMMENT:

# Find Harmony Grows Each Day

By FRED J. NOETH

**WE MAY BE** mellowing with "old age" but we continue to believe that eventually the anti-Hicksville, pro-Levitt & Sons forces in our community will drop out of the picture. We just about had gotten to believe that harmony was on its way toward becoming fact when the Levittown crowd and their empire-minded newspapers started reviving all the old, malicious and untrue stories about our community.

Things had looked promising. Election districts were sub-divided and all clearly and officially designated as Hicksville, right down to the township line. Good active Republicans from the Levitt-built area are joining the Hicksville Republican Club in goodly numbers. Thomas Powell, who lives in the Levitt built section, became president of the Hicksville Democratic Club.

A considerable number of men from that south west area have joined the Hicksville Fire Dept. and they race to answer the alarm, just as all the local vamps always do, no matter from what part of the district the call comes.

There were signs of progress in the field of Civil Defense with a bunch of hard working men devoting hours and hours to making the Hicksville-Plainview CD unit the best in the county.

The South Hicksville Assoc. of Levitt Home Owners came into being to answer an obvious desire by thoughtful people in that section to affiliate and get better acquainted with their problems as Hicksville taxpayers and residents.

So what happens? Things were too quiet for the NLHOA. They were out of the limelight. Somehow they got a letter addressed to the developer, Mr. Levitt, from the Town Board about some roadside signs. They went racing to Oyster Bay, burst into print all over the place, invented charges that Hicksville is trying to gobble up Levittown etc. etc. The parking district becomes a nine-day sensation and the Review-Star, once a fine newspaper before it change hands, cried editorially about "iniquity" as dictated by Charlie Miller.

One homeowner in that section summarized the question neatly this week for us. "I am in favor of Levittown becoming a city if they take over all obligations of their own and stop spongeing on established communities. Create special districts for the entire development and relieve Hicksville, Westbury, Wantagh and surrounding areas of the extra burden of schools, fire protection, water supply, garbage removal, etc. for this section. Then when that happens," the Levitt homeowner said, "I'm gonna move out."

Here's another thought. Most of us remember the old high school spirit cheering the home town team. Can you visualize a student from the Levitt section of Hicksville getting worked up about a cheer like this—"So we will cheer, cheer, cheer for Union Free School District no. 17, Town of Oyster Bay, High School"?

## Thousands of Cards Brought to Herald

HICKSVILLE—Old Christmas greeting cards have been pouring into the HERALD office at 98 No. Broadway, next to the post office, by the thousands in every day. About 8,000 cards have arrived this week. No more will be accepted after Jan. 31.

Old Christmas cards are used for rehabilitation work in veterans' hospitals and children's homes.

cards, estimating an average of 200 cards from each donor, and more cards are still coming in every day. About 8,000 cards have arrived this week. No more will be accepted after Jan. 31.

## Two Crossings to Get Lights, Gates

NEW YORK CITY—The Public Service Commission has given the Long Island Rail Road an extension of time until July 1 of this year to install and operate automatic flashing warning signals equipped with electrically operated short-arm highway gates at the New South Rd. and Charlotte Ave. grade crossings in Hicksville.

The Commission last July 9 adopted an order directing the LIRR to install the flashing warning signals at the two crossings following a public hearing. Theodore V. Summers, attorney for town of Oyster Bay, and Councilman Frank Chlumsky had appeared at the public hearing with Pat Boland, then president of the Mid-Island Civic Council and North West Civic Assoc., advocating protection at the two crossings.

LIRR Idea  
The LIRR in December told the

CHARLOTTE AVE grade crossing in the west section of Hicksville, next to Jones Institute on the road connecting John St. and Duffy Ave., has been the scene of several fatalities over the years

PSC that its studies suggested the advisability of going further than the order and adding the protection of automatic gates.

The Town Board through its attorney, Summers, gave consent to modification of the order and the PSC directed the LIRR to go ahead and get the job done by July 1, 1952. The PSC commented that "the installation proposed by the railroad is one of the best forms of grade crossing protection now in use."

There is also comment in the order regarding the "difficulty in getting allocations of critical materials involved in crossing protection devices. Applications made by the railroad for such material in connection with other installations ordered by the Commission, which so far, have not been granted by the Federal government." Sander Schwartz, associate grade separation engineer of the PSC, added "I believe that an extension of time of 6 months is reasonable."

The strong plea for protection was supported by the Hicksville Civic Assoc., Lions Club, business Men's Assoc., School Board, and other local organizations and individuals. The two crossings have no warning lights or bells and have been the scene of several fatalities.

### MOTHERS TO MEET

HICKSVILLE—The St. Ignatius School Mothers Auxiliary will meet next Monday night, Jan. 28, at the school hall on E. Nicholai St. at 8:15 P.M.

### NORTH WEST NOTES:

## Inadequate Street Lights Big Problem

By JAMES CUMMINGS

Early in 1950 the first residents of the Jerry Speigel Ranch Homes took title to their property and today more than 340 families reside in this area. The North West Civic Assoc., Inc. has strived in its programs to promote better conditions for the residents here in NW Hicksville, especially the improvement of road conditions, street lights, and elimination of railroad crossing hazards. One of the outstanding achievements in our first year was the Charlotte Ave. R.R. crossing. This hazard will be partially eliminated with the installation of flashing lights and gates before July of this year. Pat Boland, former President, spent many hours of his time over in New York at the Public Service Commission hearings to present our case—a job well done.

The road conditions will be improved throughout our development by Town of Oyster Bay, Highway Department, when warm weather sets in—as pledged by Jack Brandt, Highway Superintendent, at our last monthly meeting.

A very serious problem of dark streets without lighting, still exists in our area since the first home was occupied. Together with the recent reports of women being accosted and the alleged cases of assault upon our children force us to wake up to the facts. Mention was made of leaving your porch lights on until 10 P.M.—cooperation very poor so far with only a few lights visible. At least the porch lights for present will be a preventive measure—together with police patrols covering the area. Your Civic Assoc. will continue in its efforts to secure our street lights as soon as possible.

This week the Herald celebrates its 3rd anniversary of serving the community—continued success Boss . . . Wandering dogs still a menace—see Readers Say in this issue. Joe McNamara, former membership chairman, vacationing. Plenty of activity in the basement. What's up, Joe?

Don't forget the Blood Bank on Feb. 9th—give a little to a guy who needs it—our boys in Korea . . . quite a bit of activity on Tuesday around Jerry Speigel's stores—cars and observers looking at the stores . . . Wonder how Bill Albright enjoys his new TV? Until next week,

JEMMY

## Grumman To Get Highest Aero Award

BETHPAGE—Recognition for a career devoted to aviation was accorded to Leroy R. Grumman this week by the Institute of the Aeronautical Sciences, which selected him to receive its 1951 Honorary American Fellowship.

Presentation of the award will be made formally at the Institute of the Aeronautical Sciences Honors Night Dinner at the Hotel Astor on Jan. 28.

Considered the Institute's highest award, the Honorary Fellowship is given each year to one American and one resident of a foreign country whose pre-eminence in the field of aeronautics qualifies them for the distinction. Selections are made by ballot among previous Honorary Fellows and present Fellows of the Institute.

Previous awards received by Grumman, who is Chairman of the Board of Grumman Aircraft Engineering Corp. here, include the Medal of Merit in 1946 and the Daniel Guggenheim Memorial Medal for 1947. The Merit award was the first presidential citation of its kind presented to a member of the aircraft manufacturing industry. It was presented by the late Secretary of the Navy Forrestal in behalf of President Harry S. Truman and extolled Grumman's "exceptionally meritorious conduct in the performance of outstanding service to his country and its war effort, in the design and production of several of the most efficient types of aircraft supplied to the Navy." The Guggenheim Medal honored its recipient for "outstanding achievement in successfully advancing aircraft de-

sign for both naval and peace-time use."

Leroy R. Grumman was born in Huntington on June 4, 1896. He earned a degree in Mechanical Engineering at Cornell University in 1916 and completed his studies at Columbia and Massachusetts Institute of Technology. He began his aviation career as a U. S. Navy pilot at Miami and Pensacola, Fla., in 1918. He served as pilot-instructor at NAS Pensacola in 1918-19, and as test pilot and engineer at the Naval Aircraft Factory, Philadelphia, in 1919-20, emerging from service in the latter year as a Lieutenant (j.g.).

From 1920 to 1929 Grumman was with Loening Aeronautical Corp., becoming general manager of that company. In Dec. Grumman and his associates founded Grumman Aircraft Engineering Corp.

Development and production of the first successful fighter airplane with retractable landing gear was the first noteworthy accomplishment of this small group who formed the company.

### INSTALL FIRE BOXES

HICKSVILLE—New alarm boxes in various parts of the fire district will not be put into service until tests have been completed. It was learned today. Most of the new boxes are almost ready for tests.

A MOBILE BLOOD Bank unit will visit Hicksville on Saturday, Feb. 9, from 9:45 a.m. to 3:30 p.m. Sign up today. Call Hicksville 3-1400.

## Goodwill Appeals For Discards

NEW YORK—Goodwill Industries of New York, non-profit, non-sectarian welfare organization for handicapped persons, has selected Levittown and the mid-Island area as the initial focal point for extending its services into Nassau. President Chandler Cudlipp announced this week.

This agency that trains and employs 150 handicapped through the repair and sale of donated clothing and household goods, appeals to local housewives to aid in the establishment of its Nassau branch by contributing their discarded articles.

Pieces in good condition can be sold "as is." Even remnants of material can be utilized. At a later date collections of furniture will also be included. A card to Goodwill Industries P. O. Box 273, Greenvale, or a call to Glen Cove 4-6080 will bring a Goodwill bag to be filled and a pickup truck.

## The Legionnaire

Now that we've worked our way into 1952 the subject of membership becomes of prime importance to each and every Legionnaire. The last report by Al Carpenter revealed over 75 veterans already in the fold. How about those of you who have been putting it off, renewing before January ends? On the subject of membership we hear two sponsors of the Hicksville Police Boys Club will be joining the Legion shortly and although there is no reciprocal trade agreement, Legionnaire and PBC'er Bill Bosch tells us a prominent member of the Bar Committee is expressing interest in the PBC.

This Friday night the Hall will be occupied by the Ladies Auxiliary, who will be conducting their regular monthly card party. From time to time we have heard many of the ladies express the wish that more Legionnaires would patronize the affair. So, pass the word around and join in the party Friday night. For the party, this month the ladies expect to have several prizes donated by the PBC, who have chosen this way to express their thanks for the Auxiliary assistance in their own recent party.

To the best of our knowledge, World War I and II veterans who are married and have one or two children and who are currently living under unfavorable housing conditions, can still obtain two room plus kitchen apartments in the Long Beach Veteran Housing Project at Long Beach. A month ago there were 46 such units to be had. Any interested vet should visit the Veterans Service Agency at the Old Courthouse in Mineola. Discharge and children's birth certificates are necessary. The rent, including heat, light and gas—\$37 per month.

### Greenwood Seeks Steel for Schools

WASHINGTON—Congressman Ernest Greenwood, representative in Congress for the mid-Island area in the First Congressional District, reported this week that "the problem of steel and other crucial materials for schools is still uppermost in my mind."

He added: "I expect to continue to urge defense officials to grant adequate steel for school construction programs and thus prevent the deterioration of our school buildings and what I believe would lead to a general lowering of our educational standards."

Priorities for at least one of the four grade schools in Hicksville district for which contracts have been prepared and bids let came thru this week, it was reported at the NLIQOA meeting Friday night.

### Charles Wagner Post No. 421, American Legion

Have noted an announcement that the Veterans Council will elect officers at their next regular meeting. We also reported recently that such an election would be held in the near future and that each Vets organization would have one man on the staff. However, since then the Legion membership has gone on record against this election. It is felt that there are enough titles around town now and that the work of the Council can readily be carried on without any extra trimmings.

Those of you who have heard of Fred Bengal's youngster tangling with a vaporizer recently will be pleased to hear that young Doug has recovered very nicely according to pop. . . . Don't forget to see Jimmy Carter for your Christmas Party picture. If your child (or children) was included in any of the shots, you can't afford to pay them up. (The Mangels' twosome was apparently too little or too late). . . . This column would like to see greater use made of the "News and Views" box on the bar. Life gets tough sometimes. . . . Legion delegation at Plainview last Sunday to witness the dedication of the new school and to present and American flag to the school.

Al Carpenter, with John Nees, Frank Blasi and Jim Carter will soon start sending out cards of former members who failed to renew in '51 and who thus far have not indicated any intention of returning. Don't let your name be included. Renew now!

Your dues help support the strongest veterans' voice in America. That alone is sufficient reason to be a Legionnaire!

BOB MANGELS.

## St. Ignatius Mothers To Meet Monday

A lecture on the film "Human Growth" by the Rev. Michael Quinn will feature the Monday night, Jan. 28, meeting of the St. Ignatius Mothers Auxiliary at the school hall, E. Nicholai St., Hicksville at 8:15 p.m.

Father Quinn is well-known on Long Island for his lectures and will show a film on his subject.

The Auxiliary invites all mothers and fathers of the school and asks that they invite as many guests as they think will be interested.

A question and answer period will follow the lecture.

## Fashion Show Here on March 7

A fashion show featuring the new Spring styles, provided for the occasion by Stoncliff of Garden City, is to be held at 8 p.m. Friday, Mar. 7, in the Holy Trinity Episcopal church parish house, Jerusalem Ave., and Old Country Road, Hicksville. The show is being sponsored by the Women's Auxiliary of the church.

Co-chairmen in charge of arrangements are Mrs. David Fountain and Mrs. David Duncombe, assisted by Mrs. John Bartels, Mrs. John Dick, Mrs. Leslie Nash and Mrs. Joseph Wycoff.

The committee will meet tomorrow afternoon (Thursday), at 1 o'clock, at the home of Mrs. David Fountain, 24 Barrell Lane, Hicksville, to discuss arrangements for the show and plan the program to accompany it.

### 37TH ANNIVERSARY

Mr. and Mrs. Arthur Maxey, Sr. of 44 East Barclay St., Hicksville, celebrated their 37th wedding anniversary with a dinner party Sunday, Jan. 20, at their home.

Their guests were: Mr. and Mrs. Arthur Maxey and children, Mr. and Mrs. Fred DeWitt and children, Mr. and Mrs. Ernest Maxey, Alfred Maxey and fiancee, Mr. and Mrs. Walter Maxey and children and Mr. and Mrs. George DeWitt.

A Leap Year Dance for high school students will be held Feb. 2 in the Hicksville High School gym. In typical Leap Year tradition, the girls will bring their dates and pay the 40c admission fee.

No Lil' Abners in dungarees will be admitted since every Daisy Mae will wear her best bib and tuck.

## Some Openings Left In Adult Program

HICKSVILLE—The Adult Education Program which is beginning its Spring term at the high school on Monday, Tuesday and Wednesday nights still has openings in several subjects, according to Director Elery H. Bean.

The instrumental group needs a bass violinist and a cello player. Other instrumentalists are also welcomed. There are several applications for conversational French and a few more are needed to fill the class.

Persons interested in the open-

ings available may contact Bean at the High School evenings, Monday thru Wednesday, or call him at Hicksville 3-5487-J.

### CHANGE MEETING PLACE

HICKSVILLE—The Rotary Club will hold its regular weekly meeting tomorrow (Jan. 24) at the Legion Hall instead of the Hicksville Inn at 12 noon, according to Secty. William A. Mannilla, for this week only. Guest speaker at a recent meeting was Dr. Arthur O. Swick of Old Country Rd.

## SNOW BOUND TRAIN INVOLVED:

## Francke Takes Oath This Friday

MENDOLA—Ernest F. Francke of Field Ave., Hicksville, will be sworn in at 11 o'clock Friday morning in the county clerk's office, there, as the new County Clerk. Administration of the oath was delayed partially because a railroad train was snowbound last week in the California Sierras.

County Executive J. Russell Sprague is in San Francisco for the meeting of Republican National Committeemen after a harrowing experience. He was among the passengers of the train snowbound for three days which got national coverage. Sprague was scheduled to get a copy of a reso-

lution of the Nassau County Board of Supervisors appointing Francke, at San Francisco.

However, County Attorney G. Burchard Smith feared that the document might get lost and it was not sent to the West Coast for Sprague's signature. Under county law, the resolution will automatically become effective 10 days after adoption except if vetoed by the county executive.

The effective date is Jan 24 (tomorrow) and Francke will take his oath of office Friday.

## High School Assembly Enjoys Fastofsky Trio

By AUDREY BLYMAN

HICKSVILLE—Being able to hear and see the select Fastofsky Trio composed of a pianist, violinist and a cellist, was the special treat offered to the high school students on Jan. 16. The pianist, young Vera Fastofsky, and her father, the violinist, together with the cellist, all who have a very distinguished and reputable background, delighted the entire audience immensely.

To begin the program, the small group played the "Ava Maria," "Tschaikowsky Piano Concerto" which is known among popular music enthusiasts as "Tonight We Love" and "Two Guitars." The trio, which toured France last Summer, and which is planning to play in England and Switzerland this coming season, sounded very dynamic and faultless. Every mood which the music implied was clearly felt by the varied young audience as a result of the unsurpassed technique of the musicians. Typifying the unsurpassed beauty of a well played cello, the cellist executed "The Waltz" by Benjamin Godard. This man has a very enviable career having had the privilege of playing with Victor Herbert and Rudolph Friml.

Next, Vera Fastofsky, who is going to attend Queens College beginning with this Spring's term as a music major, displayed her finesse as a pianist by playing "Waltz in E Minor" by Chopin and "Serenade" by Shubert.

The recital was brought to a high-pitched climax by Mr. Fastofsky's violin selections such as Paul Nero's "The Hot Canary" of television fame, Roy Anderson's "Fiddle Faddle" which the Boston Symphony Orchestra made famous, "Jazz Pizzicato" and the all time violin piece "Mazurka." By these numbers everyone could easily believe that Mr. Fastofsky was a great violinist and must have had a great teacher.

Upon inquiring into his background, it was learned that he had the same teacher who taught Joshua Heifitz. It was also discovered that this man's son, Stuart Fastofsky, has already established himself among the elite young violinists who have great talent and he has given several concerts in Carnegie Hall. As a matter of fact he is presenting a program on February 17 at Carnegie Hall.

Talented musicians such as the above mentioned people are always welcome at HHS because the students and faculty alike realize the pleasure that is derived from well-presented music. Everyone looks forward to the next musical assembly which they hope will be presented soon.

## PLAINVIEW COUNTRY HOMES: GI in Korea Praises Comfort Committee

Hi Folks:

Well, I guess we are in the slow season. I haven't heard from any of you very nice people. I did, however, hear from some one outside our development. Mrs. Press from Model Farms, have in Plainview, called me and asked to put the following in the paper: Her son, Jimmy, is with the 45th Artillery, and has just been sent to active duty in Korea from Japan. He wrote his mom that he would like to publicly thank the Comfort Committee here in Plainview for the wonderful packages he has been receiving. He says that it is wonderful to know that you haven't been forgotten. Mrs. Press is also very grateful. I think we all can be proud of the work done by the Comfort Committee in sending packages to the boys that are in the service. The money used to supply the packages is raised by the committee through raffles and contributions. If we can contribute to this cause in any way we ought to be glad to do so. Also, if you know of any boy or girl serving in our armed forces, whether here or overseas, please give your name to Ruth Jilmerger, 14 Island St., or Ruth Geesner of 16 Island St., who are members of the Comfort Committee residing in our development.

## DOGS, VANDALS, COMPLIMENTS, BRICKBATS: Letters Reflect Readers' Viewpoint

### DOG MIRAGE

Dear Sir:

As a resident of the Jerry Spiegel Ranch Homes, I am interested in your campaign against the condition of the streets. Continue the good work.

We have another menace in our community and that is the number of large dogs roaming our streets. On two occasions my daughter, on her way to school, has become panic stricken and terrified by three unchained dogs. We know that the Police Department is checking on the owners of these dogs. Would you please express our thanks and appreciation to them through your paper?

Sincerely yours,  
**FRANK DMHOF**

### LITTER AVAILABLE

By John C. Dowling

Lady Dowling is back and all is well with the Dowlings again. That is temporarily, anyway, until the anticipated litter of little airedales and Lord knows what begin to grace our modest, cellarless domain.

It all began when we first moved to Bianchi St., Plainview from the big city, accompanied by our pet airedale, "Lady." After the usual moving disturbances ended, we all settled down to what we thought would be a serene, unglamorous life complete with patio and an occasional scotch and soda. Incidentally, the person we refer to as spouse, Kay, Jack Jr., Kathy, Gail and young truly.

It wasn't long before my wife and I and even the children made much to our present discomfort, a rather unpleasant discovery.

That country dogs are ill-mannered, uncouth and as completely devoid of morality as their city counterparts.

"As soon as word got around, and believe me, the adage that news travels fast certainly is true in this instance, that there was a new, unassuming and perfectly divine female in the neighborhood, our front lawn, such as it is, was virtually inundated by all the

young canine cavaliers in Plainview, led by a little black mutt whose only visible asset was and still is an extremely annoying yelp. Personally, I think this ugly little monster is the guy who spread the word. And that's not the worst of my fears about this unpedigreed how-how. However, only time will tell, and frankly, I hope I'm dead wrong.

Well, in any event this ostentatious display of male adoration was just too much for our gentle, unsuspecting "Lady." She became noticeably obsessed with the idea that she was Plainview's answer to "Lassie," and patiently waited her chance to assume her newly appointed office.

My six-year-old daughter, Gail, who was completely oblivious to Lady's regal ambitions, unknowingly became her accomplice. She opened the door and Lady bounded out. Plainview's dogdom had a new queen whose reign lasted every bit of three days, and caused much weeping and wailing among the Dowlings, particularly the younger members of the family.

Upon her return and over my objection, she was given a place of honor in our home and has been treated royally ever since. I still think her decision to return unheralded was based on the fact that after three days of examining the other fellow's yard she decided her own grass was much greener.

What took place and where she went during her escapade will remain a mystery until some time in February, according to the experts. Anyway, the family is re-united again and very happy over the whole affair.

Anyone interested in a litter of puppies, part Airedale and part ??

### SCHOOL PROGRAM

Dear Sir:

I have a 5½-year-old daughter who now attends kindergarten in the Nicholai St. school. I have been disturbed about the crowded conditions for some time, but had felt that surely something was being planned to relieve this situation in the near future. However, after reading the story in the paper 2 weeks ago concerning the future education of our children, I am inclined to think that perhaps we as individuals must take a bigger interest and that we must in some way enlighten more parents as to the seriousness of this situation.

We all want something better for our children than we had ourselves, but they most certainly aren't getting it by going to school three hours a day, and the teachers can't possibly do a superior job when they are running two or three sessions each day with too many children in each session to know and understand.

The worst part is that as it is now, the situation isn't going to be relieved, but will be continually worse due to the large numbers coming of school age in the next year or two.

Do we need more schools? Do we need more cooperation between schools and parent groups?

Might this be accomplished by more articles published by the school board on the progress being made to relieve this situation? My answer is yes! How do you feel?

**CORRECTION.** MR. CAHN  
To Levittown Eagle,  
Levittown, N. Y.  
Dear Mr. Cahn:

I am writing this in answer to your request since you were unwilling to take my statement over the phone regarding the story in the Jan. 17, 1952, issue of the Eagle on garbage district rates.

The rate for the collection of garbage in the area known as Extension No. 5 of Hicksville Garbage District (covering the section built by Levitt & Sons and other houses in the south and southwest corner of Hicksville) is 40 cents per \$100 as compared with 30 cents per \$100 for the rest of the district because we in this new added section are paying for a 16-month period rather than a 12-month year. Nothing has been paid in this area in the form of taxes, as yet, for the first four months (the end of 1951).

The contract for this extended area expires on Feb. 20, 1954, to coincide with the present contract for the original Hicksville Garbage District.

According to my calculations, this comes to a charge of 92 cents and a fraction per month per house for garbage district service—even lower than the collection rate by private service before the district was formed.

You may also be interested to know that our contract requires the collector to return the receptacles to the place at which found and that he must replace the covers on receptacles.

If the North Levittown Home Owners Assoc., so called, had not opposed extension of the district when first proposed by the Oyster Bay Town Board, we would not have had to go around and get more signatures the hard way. This is just another example of how the interference of the NLHOA manages to end in heavier costs and inconvenience for myself and my neighbors.

I am sending a copy of this letter to each local newspaper in the community and request them to inform the public of the facts.

(Signed) William Sill,  
2 Bank Lane, Hicksville.  
Jan. 19, 1952.

## ENTERPRISE LOST

To the editor:  
Kindly put in your paper the truth and facts. Your readers have been reading of the efforts to save the Enterprise which her courageous captain failed to hand over to British scavengers

of the deep. He stayed on his ship for what motive we know not. She was taken in tow by a British tug and was lost through the obstinacy of the British. The Enterprise epic made screaming headlines. But she could have been saved by running her to an Irish port. Cork Harbour was obviously safe, commodious and with good service stations and docks at passage and hawbowline.

But to bring such a famous

prize to an Irish Republic port would hurt British national pride.

Cork was bye-passed and the ship lost. Trying to take her to

Falmouth, England, the British brought her to the ocean graveyard. England's Lands End where there is a whirlpool of currents from three seas, the Scilly Islands—a suicidal decision. Cork was the obvious port of security. At the investigation in New York City one of the seamen had told his report that the ship's side had cracked at this time the waters were calmer. The Enterprise can replace none of those valuable violins and historical furniture its owners will never be able to ascertain. Facts and truth.

## Protest Dismissal of Levittown Teachers

GARDEN CITY — The Nassau County Classroom Teachers Association, Inc., this week "condemned and deplored" the policy of Levittown School Board in the dismissal of three regular teachers, several substitute teachers and a custodian, dated Aug. 22.

William Kasius, chairman of a special committee of the Classroom Teachers Assoc. which investigated the dismissal of the Levittown teachers, made public a report which has been adopted by the Teachers Assoc. Kasius said that he understood the Levittown School Board on Jan. 17 of this year unanimously rescinded its policy but that a motion to re-employ the dismissed teachers failed to receive a second.

Portions of the Committee report follow:

"The Board of Education of Union Free School District Five, Town of Hempstead, Levittown, New York, adopted the following policy on August 22, 1951: Any employee who has had a previous history of tuberculosis or any present symptoms of tuberculosis may not be confirmed in employment. Upon the adoption of this policy, three regular teachers, several substitute teachers and a custodian were dismissed.

### See Two Problems

"The President of the Nassau County Classroom Teachers Assoc. appointed a committee to investigate the dismissal of these teachers. The committee decided that the dismissals involved two separate problems: the short notice of termination of service and the policy expressed in the above ruling, the justice and the wisdom of which seemed questionable. On the first question the committee

proposed and the Board of Directors of the Nassau County Classroom Teachers Assoc. adopted a resolution that condemns and deplores, as unprofessional, unethical, and unfair, the dismissal of three teachers within less than one week of the opening of school.

"The question of the Board policy on which these dismissals were based required investigation. The committee has assumed throughout that the Board of Education of Levittown had adopted the above policy in what it thought was the best interests of the school children. It seemed to the committee, however, that broader issues of public health were involved. The committee sent letters of inquiry to a number of county, state, and national organizations interested in tuberculosis control. The letters stated as accurately as possible the policy of the Levittown Board of Education and asked for advice.

"On the basis of these answers the committee has reached the following conclusions outlined below:

### Medical Opinion

"It would appear that, for the following reasons, the ruling of the Levittown School Board is unjust from the standpoint of the rights of the individual teacher and unwise from the point of view of sound public health practice:

"1. Medical opinion does not

conclude a previous history of tuberculosis or any present symptoms to be conclusive evidence of the unfitness of the individual to continue with safety to himself

and to those with whom he comes into contact, his active role in society.

"2. The rehabilitation of an individual having an arrested case of tuberculosis is an important phase of treatment.

"3. A wide-spread adoption of such a policy as that of the Levittown Board of Education would inevitably serve to discourage individuals, especially those most needing periodic check-ups, from taking advantage of opportunities to participate voluntarily in mass X-ray screening programs and would therefore deter the development of an extremely valuable measure devised for the control of tuberculosis as a public health problem.

"The committee, however, believes that a board of education could and should adopt a policy in regard to tuberculosis that would protect the school children and staff and at the same time show concern for the rehabilitation of the individual teacher and a willingness to cooperate with the medical and public health authorities whose responsibility it is to formulate and execute policies for the prevention and control of disease and the promotion of community health standards."

GIVING BLOOD for the Armed Forces takes only a few minutes of your time but many more donations are needed if Hicksville Red Cross is to meet its quota on Feb. 9. At least 600 volunteers are needed for the session at the high school on that date. Make an appointment today — and keep it. Call Hicksville 3-1400 and give your name and address.

Miss McGunnigle is a graduate of Queen of the Holy Rosary, Amityville, and is now employed at the N. Y. Telephone Co. Her fiance is a student at Notre Dame University.

### Two Fire Companies Elect New Officers

HICKSVILLE—Two more companies of the fire dept. here have changed leadership in recent elections. Company No. 3 has elected Raymond Vethier as captain with Walter Baldwin and Walter Telender as lieutenants. William Dykeman is captain of Co. 2 with Edward Kessler and Peter Malek as lieutenants.

**VOTE ON THURSDAY**  
PLAINEDGE—A vote on a proposition to spend \$1,775,000 for a new elementary school will be held Thursday, Jan. 24, from 2 to 10 p. m., to be held in the present school on Stewart and Boundary Aves.

### Miller Admits

(continued from page 1)  
that such a hearing would be held in Hicksville in the evening. He made the public promise at a Hicksville Civic Assoc. meeting last October.

#### Discuss Education

Robert Corcoran spoke at the NLEHOA meeting, Friday night, on the problems of the school board. He forecast a school building program here costing upwards of \$25 million with a school tax rate anticipated over a 15-year period to 1986 of \$51.37 per \$1000 of assessed valuation (it is \$25.90 per \$1000 this year), reaching a peak of \$66 per \$1000 in 1981.

"We recognize an obligation to the people and must consider their ability to pay," Corcoran said. "We are doing the very

best we can to meet the problems . . . we are not infallible."

He asked for good will and help and received enthusiastic applause.

Milton S. Leavitt, president of the Education Assoc., spoke first outlining the purposes of his organization and the substance of recent Assoc. news reports in the Herald.

Michael J. Sullivan, attorney for the school board, spoke of the so-called "seven-mill law" and its implications for Hicksville taxpayers. He said the requirements

MID-ISLAND HERALD, JANUARY 23, 1952

for eligibility for this kind of state assistance are complicated but pledged "we are going to Albany swinging" to seek tax relief on the huge school construction program now underway.

#### FAMILY DOCTORS ELMOT

## VANDALISM

Dear Sir: Herin you will find a free offer to the residents of Plainview Ranch Homes and Brian Park area.

I herewith invite all knife wielders to a free course in the art. Why be content with cutting clotheslines, fences and pulling up tree stakes and hedges? If you will only take a few lessons from me.

Vandalism is something new that has come to our section. I see that reason why we have to put up with this.

I sincerely hope that the parents of the young vandals are proud of their offspring's accomplishments.

Let's not forget that we expect to live here a long time. Did we leave the city to get away from all this only to have it follow us out here?

How soon will the knifings start, the muggings and robbery, and Lord knows what next.

Thank you for listening I am

Ready-To-Install

**WELDWOOD PLYWOOD**

Here is a beautiful wood paneling you can install yourself. Even if you aren't handy, you can panel a whole room in a few hours. And do a fine job, too.

Plankweld is Weldwood Plywood paneling. Panels are already finished, no painting or staining is needed. Panel edges are grooved to fit into each other; fastening is done with clips so nails do not show.

You can put Plankweld right over old walls—no furring or framing is needed. That's why Plankweld is such a wonderful material for remodeling. It's fine for new houses, too. The panels are fastened directly to the studs.

By doing the job yourself you can panel any room you want to, and the whole cost will be the modest price of Plankweld alone.

And—here's something you'll be glad to know—Plankweld is guaranteed for the life of your house. No more repairs.

Come in to see Plankweld. We have it in fine hardwoods. See how easy it is—and how inexpensive—to wood panel any room in your house.

Plankweld is  $\frac{1}{4}$ " thick, in easy-to-handle panel 16 $\frac{1}{4}$ " wide by 8 feet long.

Hairbreath Harry

By HOWARD FINNEGAN

Until someone turned around and realized that the Green Wave only lost 72-67 to Roslyn last weekend it was the general impression that the farewell contest of Harry O'Mack and Harold Manaskie would see Hicksville winning easily over its ancient Westbury rival.

The fine showing Westbury made on the Hilltoppers' home boards, where the Comets had a difficult time in gaining a 58-52 decision two weeks ago, has now sobered the outlook of Comet supporters.

The trip to Westbury, which has always been an exceedingly painful task for Hicksville could turn out to be so again.

In the limited confines where Tom Fitzgerald molded so many champions, the Orange and Black has, as all others have found that the home team has a great advantage, and a lot of work has to be done to overcome it.

Hicksville High is now convinced, however, that defeating the Green Wave is not so ponderous as it once was.

Last year the Comets won by 35 points on the Westbury floor and, coupled with the victory at Hicksville earlier in the season, it marked the first time in 25 years of trying that the Orange and Black was the winner twice in one campaign over a Westbury team.

Chet Jaworski has done much to uproot the old Hicksville fears of failure on the basketball court and he will have his boys ready to preserve its 7 won and 1 lost mark.

There seems little doubt that all hands will be needed for this assignment and the departure of Manaskie and O'Mack will find them called on for full service.

We like Hicksville 53-47.

## Aces Drop PBC Lead In Recount Finish

**HICKSVILLE**—Battling tooth and nail all the way in a clash of the unbeaten, the Hicksville Aces and Oyster Bay Stags seemingly found themselves in 55-55 stalemate as the final whistle blew last Thursday, Jan. 17, with top rung of the PBC Intermediate League at stake.

With both clubs preparing for an overtime period, careful recheck of individual scoring figures by referee Milton Levitt disclosed the Baymen to be two points up on the Aces and must be entered in the records as the game's final score 56-54 in favor of the Stags.

While the two clubs are not regularly scheduled to meet again, Ptl. Robert Reynolds and Ptl. Vincent Baumer, co-directors of the Precinct, have in view of the unorthodox ending, scheduled the two squads to meet again Mar. 6 at Oyster Bay in what might very well be the biggest single game of the season.

Versatile Lou Millevole excelled for the Aces in every department netting 16 points for his cause while remaining a constant defensive thorn in the Stags' offense.

Also in the Intermediate League, the previously winless Cards played an inspired game to upset the Farmingdale Cubs 41-32 with Esposito (17) and Sherry (15) leading the way for Hicksville. The Hicksville Blues dropped a 2-point decision to Belpage while in the Senior League Farmingdale proved too strong for Hicksville's Spartans and Hicksville's Globetrotters, sparked by Joe Dwinell (18), forced Oyster Bay all out in dropping a 61-47 verdict.

## Comets Sweet Five, Second of Keglers

**MANHASSET**—The Hicksville High Comets knocked over 2,147 pins, here, on the Village Club Alleys, last week, and stormed into second place in the North Shore Athletic Bowling loop with a 5-0 verdict over Manhasset.

Great Neck held on to first place with ten points, Hicksville trailed with 16, Mineola had 14 and Garden City had 12 when the action was over.

The next matches will be rolled on Monday afternoon with the Orange Keglers slated to meet Glen Cove, which tallied 2,144 pins in its 5-0 victory over Port Washington last week.

Nichols High

Once again, Norman Nichols paced the Comets with a 460 series. He also had individual high game for the victors with 169.

That barely edged Ernest Rauch's 166 top in a 431 series. Steve Bischel improved 71 pins over his last outing and carded a 441 series.

Richard Hille had 412 and Joe Watson had 403.

Dalers Crushed 75-44:

## Manaskie and O'Mack in Scholastic Farewell at Westbury This Friday

**WESTBURY**—Harry Manaskie and Harry O'Mack, who have starred for Hicksville High in its finest hours on the basketball court, make their scholastic farewells here against the Orange and Black's ancient foe this Friday night.

It will be the fourth Eastern Division NSAL game for Hicksville, which last Friday night defeated another traditional foe, Farmingdale, 75-44, for the second victory as against one reverse.

### Alcock's Show

The victory over the Dalers was definitely a Dick Alcock show. The Hicksville sparkplug gave a tremendous exhibition of passing and wound up with 29 points—16 of them in the last five minutes.

It was the first meeting on the court of Hicksville mentor, Chet Jaworski, and his brother, Mitch, who just this year took over the boys.

Hicksville had much too much talent for the Dalers, but they did look considerably sharper than they did in recent seasons, and this outstanding Eastern series will get better and better as the years go on.

With Frank Blesi driving the visitors, Farmingdale took a quick 6-2 lead, but Alcock tallied 18 points as the PBC whacked Island Park 25-44 at Hicksville.

### 17 Field Goals

Rosengren hit 17 times from the floor and had two foul shots

**ROSCUST VALLEY**—Charlie Rosengren, aided by his responsive mates in the last period, cracked in 36 points as he led the still ambitious Hicksville PBC Alumni to an 86-55 victory over the Boys Club here Thursday.

It was the third victory for the Hicksville club, which, despite two early season reversals, still aims for a playoff berth and a springboard by which it can repeat its 1951 championship in the Alliance League.

Earlier in the week, Ted Schwarting and Dick Kerby each tallied 18 points as the PBC whacked Island Park 25-44 at Hicksville.

### Outdoors Today . . .

Want to start something? Ask your outdoor friends, "What is the most important game animal in the United States?" Chances are they'll shift their cuds once or twice and answer "Whitetail deer." That's the most important BIG game animal. But, according to John Bulger, a member of the State Conservation Department, now studying at Cornell, the rabbit annually gets more hunters afield, provides more thrills, and fills more frying pans.

A good beagle hound will increase your pleasure manifold. If you've never thrilled to the high, eager voice of a hound on a winter morning, then do it now, says Bulger. It is especially good fun when hunting the cotton tail's cousin, the snowshoe hare, because he seldom holes up ahead of a dog; he will often run all day and far into the night while you shiver in your car waiting for the hound to return.

Cottontails are prolific. Any orchard owner will swear to—and probably at—that fact. They av-

erage five young, four times a year. The young are born naked. Helpless. Not so with the snowshoe, whose fury kids come into the world all set for business.

Rabbits furnish New Yorkers with an estimated 2,000,000 meals a year, yet some people will not eat cottontails because they are afraid of contracting tularemia while cleaning and preparing the meat. However, Bulger states that the chance of getting the disease in this State is very small.

## Auto Club Seeking \$10 License Fee

NEW YORK—Adoption of a uniform \$10 registration fee for all passenger cars in New York State was urged this week by the Automobile Club of New York. A bill establishing a uniform fee has been introduced by Senator William S. Huhta Jr., R., Nassau County, and Assemblyman Leo P. Noonan, R., Cattaraugus County and is part of the legislative program sponsored by the New York State Automobile Assn.

"The present system of license-plate fees based on car weight originated 28 years ago on the theory that heavier automobiles cause greater road wear than lighter cars," Martin Colodny, auto club secretary, said. "Today, we know that there is no measurable difference in the road wear caused by passenger cars of varying weights."

### TEEN CLUB DANCES

Bethpage teen-agers are missing a good time if they are not attending the Teen Club dances held on the first and third Fridays of each month in the Broadway School gym from 8 to 10 p.m. Admission is free and the dancers control the recorded music. Miss DiMarco and Mr. Cantelmo, sports instructors of the school, are in charge of the dances.

of Center Court, Bethpage, are the parents of their first child, a son, Terence, born on Jan. 5 at Brumwick Hospital, Amityville.

Mrs. Armstrong Heads Society

Mrs. Ruth Armstrong was recently elected president of the Rosary Society of St. Martin of Tours Church, Bethpage. Her officers include: Mrs. Frank Lewis, vice-president; Mrs. Gene Columbo, secretary; and Mrs. Ellen Silmone, treasurer.

A meeting was held on Jan. 8 when plans were made for a buffet supper and dance to be held on May 17.

The society will sponsor a Blanket Club with Mrs. Ellen Silmone in charge. A display of merchandise to be offered through the Blanket Club will be held after the Feb. 5 business meeting.

### SCOUT WEEK PLANS

Boy Scout Week, Feb. 1 to 10, will be observed in Bethpage with a window display of handicrafts by Troop 118, Boy Scouts, Cub Scouts and Explorer Scouts in the window of the Nash dealer on Broadway.

J. W. Taverner is campaign chairman for a fund drive to raise \$1,400 in a house-to-house canvass of the community. A. R. Morace is vice-chairman. Ed Carter is the advance gift chairman and Charles Campagne and Jerry Sisa will solicit the businesses and industries for funds.

Captain of the drive will include: Elmer Horan, Charles Price, Ed Ibsenwer, Anthony Manconi, Mrs. F. Taylor, Doug Kent, Mike Kallinak, Bruce Laudig, Everett Baldwin, Mrs. Gladys Oliveri, Frank Fox, Gloria Bond, Henry Rockhill, Florence Burford and Mrs. H. Passaggio. Mrs. Grace Germania is the publicity chairman.

### CIVIC INSTALLATION

William Benintendi was installed as president of the North Bethpage Civic Assoc. Wednesday night, Jan. 16, at the clubhouse on Stewart Ave., Bethpage. James Norman, executive GOP committeeman of Bethpage, was the installing officer.

Mr. Norman recalled the history of the Civic Assoc. He said that since the beginning of the association over 30 years ago its members, irrespective of the various changes in economic and political times, have always been able to continue and function as a civic organization.

The members of today have inherited an organization which is standing staunchly on the pillars of sincerity and integrity, an organization that they may well be proud of," he said.

In his charge to the newly elected officers, Mr. Norman instructed them that the position they hold is not to be abused for selfish personal gain but to be held in the highest of trust, a trust given to them by their friends and neighbors for service to the community.

Other officers installed were: A. C. Ernest and Helen Kromion, men's vice-presidents; Sadie Benintendi, secretary; Mae Strom, treasurer; Gladys Oliveri, financial secretary; Arthur Burmester, 2-year trustee. The executive committee includes: Nellie Burmester and Bill Manalora.

Committees appointed were: membership, A. C. Ernest, Bill Manalora, T. Oliveri and Dan Marzano; Entertainment, Helen Koenigsmann, Sadie Benintendi, Arthur Burmester, Ace Ernest, Bill Manalora and Gladys Oliveri; Building, Art Burmester, Jack Strong and Ace Ernest; Safety, Bill Benintendi, Dan Marzano and Tom Oliveri.

New members welcomed were: William Alixa and Fred Wetlesen. After the business meeting refreshments were served by Gladys Oliveri and Madeline Ryan.

### FUN NITE

The North Bethpage Civic Association will hold its first Fun Nite of the season Saturday, Jan. 26, at the clubhouse at 8:30 p.m.

There will be dancing and entertainment and the audience will participate in providing fun. There will be a broom dance, balloon dance and many other group participation games and prizes will be awarded.

As usual "The Thing" will be waiting for someone to guess its identity. The only provision is that the winner must not open the package until he has left the clubhouse.

A card party originally planned for Jan. 26 by the Bethpage Boy Scouts Mothers Auxiliary has been cancelled.

### CORRECTION

Mrs. Catherine Lawrence who celebrated her 100th birthday on Jan. 1 was incorrectly reported as the wife of a former principal of Bethpage School. Her son-in-law was a principal of Bethpage School.

A meeting of the Bethpage Boy Scout Mothers Auxiliary was held Monday, Jan. 21, at the Legion Hall. Mrs. Peggy Kaufmann presided. Arrangements were made to serve the refreshments at the Charter Night for Bethpage Boy Scouts on Feb. 1 at the Powell Ave. School, Bethpage.

Hostesses at the meeting were Mrs. Sue Ehniq and Mrs. Florence Kuswicich. Mrs. Florence Hemm was the dark horse winner.

DOROTHY GUELPA

Mrs. Dorothy Guelpa of 4 Center Court, Bethpage, who will report the social and civic events of this community in the HERALD each week, has been a resident of Bethpage about four years.

She is a graduate of Garden City High School and was formerly employed at the Garden City Telephone Exchange. She is a member of the Bethpage P.T.A., the Bethpage Girl Scouting program and the Rosary Society of St. Martin of Tours Church.

News items for this page may be phoned to Mrs. Guelpa at the above number.

The Institute, a unit of State University, will present exhibits and demonstrations in a wide variety of agricultural and horticultural fields on the Main Campus, Melville Rd., here. The Institute's Industrial Technical Division, 520 Conklin St., will hold Open House, an occasion when its laboratories and shops, together with a large number of exhibits and demonstrations in many industrial and related areas, will be shown.

## IT GOT HEADLINES IN OHIO: Manhunt for 3 Convicts in Hicksville

Three convicts being returned to Raleigh, N. C., under armed guard after breaking out of their Southern prison, were the subject of a 5-hour manhunt and second capture in Hicksville on Jan. 11. The story made the headlines in the News-Tribune, published at Hicksville, Ohio, Jan. 16.

As a B&O passenger train slowed down at the Hicksville (Ohio) Station the three men, who had been chained together, were uncoupled for lunch. One of the men, serving 17-20 years on a morals charge, jumped from the train and made his getaway. The accompanying officers turned the other two prisoners over to Hicksville police, who locked them in the local jail.

By BUNNY LAKER, HI 3-2794.  
Well, here I am again—another week gone by. Time sure flies fast and furious; before you know it, Spring will be here with all the work that comes with it. You know—painting trim, taking down storm windows, putting up screens, re-seeding, oiling the lawn mower, Spring house cleaning. Gee, guess winter isn't so bad after all, is it? Let's have more of it.

Master BRIAN WHARTON of Lee Ave. had a birthday last week. He was all of 4 years old. His grandma, Mrs. Tucker, came all the way from Brooklyn to help him celebrate. He also had his two friends, LORENAINE and ANNA SIBERLING. Mrs. SIBERLING and Mrs. CHRIST completed the party. Mama made a beautiful birthday cake and every one had a wonderful time.

Remember the new subscriber from Cottage Blvd. I wrote about last week? Well, her name is Mrs. MEEMIAN, and she has six lovely children. Jackie was 9 on Jan. 10 and Feb. 5 will be a double celebration when Baby JOSEPH will be one year old and Michael will be 12. I will let you know the rest of the birthdays as they come up. Sunday they had company from the Bronx—Mr. and Mrs. WRIGHT and children, JAMES and GREGORY.

Mr. and Mrs. McLAUGHLIN of Massapequa were the weekend guests of Mr. and Mrs. BUCKHOLZ of Cottage Blvd.

Mrs. EVELYN CORNELL of Lee Ave. was hostess in her home for an afternoon Stanley demonstration. Mrs. ELSIE MAAS of Hicksville was the demonstrator. Her guests were Mrs. DOTTY RANKIN, Mrs. GINNY VARCA, Mrs. AGATHA CHASE and Mrs. MARY SCHIMMEL. Mrs. CHASE won the door prize.

Mr. and Mrs. JOHNSEN of New York City were Sunday guests of their daughter and son-in-law, Mr. and Mrs. HAWKS of Lee Ave.

Have you seen the way the Lee Ave. school is coming up? It is sure coming up in leaps and bounds. It will be real beautiful when it is finished. I am still trying to find out why it is called the Lee Ave. School. Does anyone know? Let me in on the secret.

Lila is still babbling around as the result of her accident. It only took a minute for the other car to bump into them, but it sure is taking a long time for all the wounds to heal.
