New Holy Family RC Parish Boundaries Include Most Of Hicksville-Levitt Area

Boundaries for the newly formed Holy Family Roman Catholic Church were officially set this week by the boundaries Commission of the Brooklyn Catholic Diocese and were made public by Rev. Martin O'Dea, pastor. Included within the new parish are all the Levitt-built homes in Hicksville (except the portion east of Jerusalem Ave.) as well as some SK homes and Levitt homes in Westbury, East Meadow and Levittown.

It is estimated that approximately 1800 Catholic families live in the area. Plans are being formulated for a parish census to accurately determine this figure.

Roughly, the boundaries for the 4-month-old parish are Old Country Rd. on the north, Jerusalem Ave. on the east, Old Motor Parkway on the south, and Carmen Ave. on the west.

Bay Church Site

This week it was announced that the Diocese had acquired six acres of land at the corner of Newbridge Rd. and Cherry Lane, Hicksville, adjacent to a new home development, for a new church and parochial school, obviously for the Holy Family Church. The site is about a mile south of Old Country Rd.

Included within the area of the new parish is the area bounded as follows: starting at Old Country Rd. and Wantagh State Parkway, east on Old Country Rd. to Glenside Drive, south on Glenside and into Blueberry Lane to Malone St., east on Malone St. with a short break thru Pine St. to Newbridge Rd., directly across Newbridge Rd. and farm land into Tenth St. at the end of Division Ave., south on Jerusalem Ave. to the Old Motor Pkwy right of way (several blocks below Spindle Rd.) west on Old Motor Pkwy to Newbridge Rd., south on Newbridge to LIRR right of way, west on Old Motor Parkway next to LIRR right of way to Old Westbury Rd., northwest on Old Westbury Rd. to Carmen Ave. and up the centre of Carmen Ave. to Wantagh State Parkway bridge and Old Country Rd.

Father O'Dea, who is at present residing at 2 Crocus Lane, stated that Parish Societies will be formed when the church has erected its own building. For the present, meetings of the men and women will be announced from the altar and by mail.

The Herald plans to publish a map showing the specific area embraced by the new parish.

Friends Arrange Francke Dinner

MINEOLA—Friends and neighbors of County Clerk Ernest F. Francke of Hicksville, will honor him on the evening of April 23 at a congratulatory dinner party in the Georgian Room in Garden City Hotel.

Henry G. Eisemann, chairman of the committee, announced today that April 10 is the deadline for reservations because so many people wish to congratulate the new county clerk. Tickets will be \$8 a plate and table arrangements may be made with any member of the committee.

On the committee with Eisemann are the following: William E. Koutensky, Michael Sullivan, Charles Montana, Malcolm Pierce, Francis Anderson and Herman F. Heesch.

Cong. Leonard W. Hall will be the principal speaker. Invited guests will be County Executive J. Russel Sprague, members of the Board of Supervisors and a number of heads of County Departments. Koutensky, treasurer of the committee, will be master of ceremonies.

Lions Set New Date for Dinner

HICKSVILLE—The Lions Club testimonial dinner in honor of Miss Mabel R. Farley, senior high school principal, will be held at Bethpage State Park on May 3 instead of the April date previously announced, it was disclosed today by Gerard Braun, general chairman of the affair.

A meeting was scheduled for tonight (Wednesday) of the committee with the Lions Club Board of Directors on arrangements for the dinner.

Sylvania Coming Here? Plan Atomic Energy Lab For Cantiague Rd Tract

HICKSVILLE — Sylvania Electric Products Co., Inc., which has plants and laboratories in 29 communities in seven states was revealed this week has interested in establishing a new atomic energy division of the 50-year-old concern on the east side of Cantiague Rd. here. The structures and about seven acres of property now occupied by Press Wireless Mfg. Corp. is under

Walter E. Kingston of Bayville, director of Sylvania's new Atomic Energy Division, told the Herald this week that the operations planned here—while top secret in nature—"are exceedingly safe." Research and development of things and devices in which the Atomic Energy Commission is interested was the rounded description given for the project proposed.

Hearing This Thursday

Press Wireless Mfg., which was at one time a subsidiary of Press Wireless communications and is now a separate organization, has asked the Oyster Bay Zoning Board of Appeals for an extension of its present use of the property. The present permission is limited to the manufacture of transmitters and radio equipment. A public hearing on the application takes place tomorrow (Thursday) night at Oyster Bay Town Hall before the Zoning Appeals Board.

Sylvania anticipates that if it locates here, operation will be limited with not more than 150 people — mostly scientists—employed.

Kingston pointed out that Sylvania is now in its fifth year of association with the Atomic Energy Commission. The operations planned here, he said, would emit "no smoke, dust or odors." It was indicated that Press Wireless Mfg. if it obtains the permission it seeks, would eventually convey the seven-acre tract to Sylvania.

TWO MILLION DOLLARS WORTH: Breaking Ground For 4 New Schools

HICKSVILLE — Ground was broken for two elementary grade schools here, Tuesday morning; sod will be broken for a third at Burns Ave. today (Wednesday) and a fourth on Fork Lane this Friday, Feb. 8. The ceremonies were brief but historic since

Dawn-to-Dusk BSA Drive on Sunday

HICKSVILLE — A dawn to dusk house-to-house canvass for funds for the annual Boy Scout drive will be held this Sunday, Feb. 10, by volunteer workers under the direction of Fred Benzin, chairman of the local drive. Leonard Wolfsey is the assistant chairman.

Donations collected in the drive will go to the county-wide plan of the Nassau County Council BSA which provides more facilities for scouting than are available to most communities. The county quota is \$167,000.

Camp Wauwapeck at Wading River, L. I., is being expanded to accommodate over 4,000 county Boy Scouts during next summer and the camp also provides week-end scouting facilities throughout the year.

never before in the history of the community—or the Township for that matter — had work been started on four new school buildings in a single week. The total estimated cost is \$5,000,000.

Mrs. Edna Kahn Sutton, vice president of the School Board, presided at the Old Country Rd. and Dutch Lane ground breakings on Tuesday (changed from Monday, due to weather conditions). She handled a spade at Old Country Rd. and the controls of a bull dozer at Dutch Lane.

Henry C. Brangel, Board president, is out of town. Also present for the ceremonies yesterday were Harry Ernewein, School Board member; E. B. Torsell, clerk of the works; Frank Reagan, representing the architects; Knapp & Johnson; and the Herald reporter.

Ceremonies today (Burns Ave.) and Friday at Fork Lane, where the contractor had already moved his shanties in by Sunday, are scheduled at 9:30 A.M. in each case.

Ten-room elementary schools are planned for each site. It is hoped that construction will be completed in time to permit occupancy in September when the Fall term starts.

BLOOD BANK HERE ON SATURDAY: Urgently Need 400 Blood Donors

HICKSVILLE — A mobile Red Cross Blood Bank Unit will be at the high school gym on Jerusalem Ave. this Saturday, Feb. 9, from 9:45 a. m. to 3:30 p. m. under the auspices of the local Red Cross Branch. All blood donated at the session will be used for the armed services.

"Over 200 have pledged a donation of blood to date, but 600 donors are needed to meet our quota," Mrs. J. Gordon Ulmer, Blood Bank chairman, stated yesterday.

Appointments for 9:45 to 10:15 a. m. are now all booked, but appointments for the afternoon can be made by calling Mrs. Ulmer at Hicksville 3-1451 or the Herald at Hicksville 3-1400.

A corps of Red Cross cars and drivers will be available for donors who do not wish to drive home after giving blood.

Anyone can give blood, from 18 to 55 years of age. Minors, 18 to 21, must have written consent of parents.

Any donor will be accepted after an 8-week period since the last donation has elapsed. Not more than 5 donations in a 12-month period will be accepted.

No donor will be accepted who has a cold or who has had a recent illness, infection or operation, or a history of jaundice, tuberculosis, or who has had malaria within two years.

Women donors must be at least 110 pounds. No woman will be accepted who has been pregnant within the last year or has a baby less than a year old.

No donor will be accepted who has had any immunizations, vaccinations or other series of injections within four weeks.

The Red Cross advises that donors do not eat fried foods, foods seasoned or cooked with fat, fatty meats, butter or mayonnaise, pie or cake containing fat, milk or shortening, milk or cream before giving blood. There should be a lapse of five hours since the last meal.

RED CROSS FUND DRIVE COMING: Hicksville Quota Is \$3600

Julius Schwartz will head the 1952 Red Cross Fund Drive in Hicksville where the quota this year has been set at \$3,600. In Levittown, the drive will be directed by Mrs. Thomas McBride and John Woolfe, with a goal of \$4,000. Paul F. Wilson has been named Bethpage chairman with a quota of \$700 and in Syosset the goal has been set at \$7,300. County Goal Higher

The announcement was made today by John T. Pratt, Jr., of Glen Cove, chairman of the

\$398,500 Red Cross campaign in Nassau County, which will be launched Mar. 1.

Emphasizing that the Red Cross, with its programs of services to the Armed Forces and veterans, the Armed Forces blood program, and its training program of first aid and home nursing for Civil Defense, is now operating at virtually a wartime level. Pratt said:

"Today, in a time of national peril, we need more than ever before the generous spirit and unity that can be fostered by people voluntarily helping one another with their problems and emergencies."

"Those who contribute to the Red Cross find in its services a

way of expressing the finest impulses of the human heart—concern for the needs of their fellow men."

Mr. Pratt pointed out that to fulfill its heavy responsibilities in Nassau County and the men in the Armed Forces, the Red Cross County goal has been increased \$35,000 over the amount raised in 1951.

Lou Smith Goes South As Guest of Dodgers

HICKSVILLE — Louis Smith, fuel oil dealer and ardent Dodger fan, is leaving on Thursday, Feb. 28, aboard the Dodger plane from LeGuardia Field for a four-day stay at the baseball club's huge spring training base at Vero Beach, Florida. Plans for the sponsorship of Hicksville Night at Ebbets Field next summer will be one of the main topics of discussion at Vero Beach.

Smith, who is an officer of the Rotary Club, was the leading sponsor of Hicksville Night at Ebbets Field last summer when thousands of local fans went to the ball park in Brooklyn.

Walter F. O'Malley of Amity-

ville, president of the Brooklyn National League Baseball Club, wrote Smith and invited him to be the guest of the Dodgers on the 4-day trip. Several other Long Island leaders will join the party.

"We want you to know that the Dodgers are grateful for your assistance in putting over last year's program," O'Malley wrote. "Thru your efforts, the Dodgers made many additional fans."

The program was under the joint sponsorship last summer of the Rotary, Kiwanis, Lions, PBC and Business Men's Assoc.

Smith said today he would like to hear from local Dodger fans on their ideas regarding holding another Hicksville Night at Ebbets Field this year. Address him at 53 Heitz Place or care of the Herald.

Want 2 Local Streets Closed to Trucking

HICKSVILLE — Residents of the Vidoni homes this week made a request thru the Civic and Community Assoc. to Councilman Frank Chumsky that thru truck traffic be prohibited on Mineola and Somerset Avenues between South Bway and New South Rd.

Ten residents of the area have signed a petition stating the reasons for their request: "The streets were only finished off with a thin coating of tar and pebbles and therefore are not strong enough to withstand the heavy trucking and traffic which constantly travel back and forth on these streets." The safety of small children is also a grave concern of the neighborhood.

Art Show Winners Now at Library

HICKSVILLE — The prize winning art work by members of the Independent Art Society at a recent exhibit in Westbury is now on display at the Public Library, 168 Jerusalem Ave.

Due to the limited wall space at the Hicksville Library, other entries from the exhibit are on display in store windows on Merrick Rd., Seaford.

The Independent Art Society is planning its third annual art exhibit in Hicksville.

WANT CLARIFICATION OF CLARIFICATION: Education Group Asks Questions

HICKSVILLE—"Further clarification" of the School Board's building program was asked by the Education Assoc. of District 17 in a letter addressed this week to Mrs. Edna Kuhne Sutton, vice president of the School Board. With reference to Mrs. Sutton's explanation that her clarification of the School Board's building program was necessary because of "apparent misrepresentations and misunderstandings of the building program," the Education Assoc. stated that "if Mrs. Sutton was referring to its recent news releases, that statements in these releases, differing from those in Mrs. Sutton's clarification, were based on statements made by Mr. Corcoran, a member of the School Board, and by Mr. Sullivan, the School Board's attorney, at a meeting of NLHOA on Jan. 18."

"Whether this inference is correct or not," stated the Education Assoc. letter, "we would like to point out that the misrepresentations and misunderstandings (continued on page 5).

NORTH EAST REPORT: Approach of Springtime, Spring Fever

By Lee Chanin, HI 3-0853R
After last week's heavy snows we certainly have had a change in the weather. It makes me feel that Spring isn't so far away after all. A little mild weather can turn thoughts of messy over-shoes tracking up the carpet to thoughts of spring planting. I must say that I have succumbed to that bit of mild weather we've had. I've already ordered my flower seeds, received a few nursery catalogues and am planning a diagram of my flower and vegetable gardens. I guess I've got a bad case of spring fever.

The godparents were Mr. and Mrs. Gordon Mitcher of Bethpage. The Blessees formerly resided at 83 W. Nicholas St., Hicksville. Mrs. Blessee is the former Miss Norma Harms of Jericho.

Unfortunately too many others have fever of quite another kind. There's been a terrific siege of measles and chicken pox making the rounds. LESLIE has even been exposed to scarlet fever in her class, as well as to the other two diseases just mentioned. She has been exposed so many times since she started schools that I've lost count, but thus far she's only come down with a minor cold or two. Now with little RICKIE to worry about, I hope she holds out long enough so that he will be at a safe age, should he contract any illness from her.

It seems that our friends, JULES and SYLVIA HOLLOWAY and their two children of 114 Bay Ave., have moved from our fair village to East Hempstead. Sorry to have them leave, but they're not so far away that they'll be out of touch. Here's wishing them lots of happiness and good fortune in their beautiful new home.

Mr. Holub was principal of Nichols St. School before he received his present position with Elmont School System. Congratulations to our dear friend, BEN LEVITT, who returned last Sunday from an operation at the Huntington Hospital. Many happy health returns. BEN, GERRARD SINGER of 17 Violet Ave., celebrated his birthday last Sunday with a family gathering. Many more happy birthdays, Gerry.

CURRENT COMMENT:

Talk Overheard While Freezing

By FRED J. NOETH

WE WILL NOT go into the reasons, but we found ourselves—like thousands of others—waiting and waiting in line last week. The line was creeping up to the front door of the Motor Vehicle office on Jerusalem Ave., Hicksville, on the last day of January.

May we chorus with a couple of thousand other folks—"next year will be different"?

The waiting gave us the opportunity to discover, from the conversation of those about us, what people think about a variety of local topics.

Two men in front of us provided most of the chatter. The rest in the immediate area were too busy jumping and stamping their feet to do much talking, apparently. The man in the Top Coat apparently was the newest resident and the fellow in the jacket and hat with Ear Flaps, while also a recent arrival, seemed to have picked up a great deal of information—not all accurate.

Ear Flaps was busy telling Top Coat how "Hicksville missed the boat." They agreed that a gravestone "salesroom" was not the most attractive sight upon getting off the train, that parking conditions were "pretty bad," and that it was pretty darn cold.

Ear Flaps, it developed, is a new homeowner in Plainview and he was upset about the recent vote on the purchase of property for \$60,000 out there. He seemed to be old enough to have grown children, if not grandchildren, and things like new schools did not interest him too much.

Top Coat wondered why something was not being done to provide parking space for both shoppers and commuters, and Ear Flaps gave the impression that "storekeepers" were some how to blame.

At this point Ear Flaps offered the comment that "yeah, it's too bad. The biggest store in town—carried everything—went broken. You can see the signs in the windows yet—'out of business'. Too bad." Obviously neither gentleman is among the family of Herald readers or they would know that store to which they refer discontinued business of its own will and the property has been sold. As for parking, everyone seems to be working on the subject but recent progress has not been apparent.

About this point the line crept forward a few inches and we got into the shelter of a doorway out of earshot.

THE NEWSLETTER of the South Hicksville Assoc. of Levitt Home Owners distributed in advance of its meeting this week, raised an important question: "will peace and harmony be denied to us?"

Since it does more than echo the views repeated here from time to time, we quote this segment: "In recent months the air has been rent by 'fussin and feudin' over a multitude of ISSUES presented as matters on which hinge the progress and welfare of our community. Some of these would be of trifling import, if they did not conform to a pattern of stimulated animosity and dissension. We believe that the majority of Levitt home owners wish to live in peace and harmony with their neighbors, including the old time residents of Hicksville." The Newsletter then cites the "issues" being raised to stir animosity: "Levittown signs, Post Office boundaries, Incorporation of Hicksville vs. Incorporation of Levittown, Park and Parking District, and Schools."

Must peace and harmony be sacrificed?

NEIGHBOR DOWLING VIEWS NEWS:

Desire For 'Better' Notice on Voting

By JOHN C. DOWLING

Although two weeks have past since the residents of Plainview approved the school board's recommendation (only 176 showed up to vote) to spend \$60,000 to purchase a 16-acre tract for another school site, the issue is by no means "dead."

At least, that's the impression this reporter got after talking with many of the people who reside in this area. From their conversations it becomes apparent that they have no quarrel with the \$60,000 expenditure itself as most of them realize another school is necessary, but rather with the manner in which they were notified to vote on the proposals.

Many expressed complete ignorance of the issue, while others declared they had heard something about it in a vague sort of way. All in all most of them said they thought a better method of notifying the residents should be devised.

Cres Delamain, 28 Relda St., one of the few who voted, said he thought the small turnout was due partially to the bad weather but chiefly to a lack of notification. "Too many people were unaware of the importance of this proposal and the comparatively light vote certainly indicates that the present method of notifying the taxpayers needs an overhauling," he declared.

Mrs. Dolores McLoughlin, 15 Sunrise St., inferred that it was a lack of interest on the part of the people living in the community. She also pointed up her remarks by saying that the people should be notified at least one week in advance by post card or some other economical method.

Frank Toppin, 11 Blanche St., expressed complete ignorance of the proposal despite the fact that he invariably reads a local newspaper to keep posted on community affairs.

"There is no two ways about it," he said. "The people of this community should take an active part in every issue that comes up and the only way to insure their taking part in community affairs is to keep them fully informed of the agenda."

Gerard Lichty, president of the Board of Education, declared that he thought the present method of notifying the public on important school matters was adequate; however, he did admit that the proposal to send post-cards well in advance to all the taxpayers was being studied by the school board.

"The members of the School Board are willing to accept suggestions for the good of the school district at all times. In this past election we did everything possible to notify the residents of the proposal to be voted

upon. Posters were placed on most of the poles in the area and mimeographed leaflets were delivered to the homes of the residents the day the proposals came up for public consideration," said Lichty.

There is no doubt that the present procedure used to inform the Plainview residents fully complies with the laws governing the School Board; however, this writer, like a great many people in this area believes that a better method can be worked out, thereby assuring everyone concerned an opportunity to voice an opinion in the matters that vitally affect them.

Now that we have the 16 acres of land, what is being done to activate the building plans of the new school? Have bids been let out? Is there an architectural draft of the proposed building available? And if there is, where can the residents view it? These and other questions should be in the minds of the people who are going to foot the bill for the new school.

In the ensuing weeks, yours truly expects to cover items such as street lighting, transportation, water question and other pertinent civic topics. This column welcomes comments from the residents of this area and environs. Please address your communications to the Editor of the Mid-Island Herald.

Specifically, the differences between the statements of Corcoran and Sullivan, and those of Mrs. Sutton, that the Assoc. refers to, were Corcoran's assertion that the proposed High School would contain 40 rooms, and his and Mr. Sullivan's allegations that it would cost either three and one half million, or more than four million dollars, whereas Mrs. Sutton wrote that neither the size nor the cost of the proposed High School were as yet determined.

The further clarification that the Education Association requested was for when and where the Board plans to build the additional 20 room elementary school mentioned by Corcoran at the meeting, and for any future plans.

Another Appeal for Return of Letters

By Ruth Scholz, HI 3-2549R

At the risk of being a bit repetitious, would like to make at least one more earnest appeal for you to send me those form letters recently delivered here in the neighborhood. Those who have returned them, I thank very sincerely; the letters are a great help. Wish I could promise some inducement, such as a new Cadillac for each and every one, but as yet, haven't received my Old Age Pension check for this month!!!

Really enjoyed myself at the lovely reception given by Mr. Noeth, our Editor, commemorating the third anniversary of the Mid-Island HERALD. It was very nice to meet everyone connected with the paper and also the many guests who stopped by. A most sincere apology is extended GUS COTSONAS for neglecting to note his birthday which arrived and departed on Jan. 19. How this reporter ever forgot one of her favorite gentlemen neighbors escapes me, but Happy Birthday anyway, Gus.

Also celebrating a birthday recently on Jan. 24 was Mrs. PATRICIA McGEHE of 27 Gables road. Understand Mr. McGEHE surprised her with a very handsome combination waffle iron and sandwich grill.

It was a Happy First Birthday on Jan. 31 for little ROSE MARIE DEVITO of 4 Prince St., daughter of Mr. and Mrs. A. DEVITO, who are among some of our newer arrivals here in The Gables.

The BUDDY CHERNOWS of 10 Gables Road observed their 11th wedding anniversary on Jan. 26. Helping them were guests Mr. and Mrs. WEINER and son, STEWART of Belle-rove, Queens.

There was cause for a double celebration at 9 South Elm St., home of Mr. and Mrs. LORRAINE FERNANDEZ. Mrs. FERNANDEZ's birthday was Jan. 26 and the FERNANDEZ's 14th wedding anniversary was on Jan. 29, so both occasions were celebrated with a group of friends at Gelde's Inn, where a

cake was presented, compliments of the management. Guests were Mr. and Mrs. AL GIANNELLI, Mr. and Mrs. EDWARD GIANNELLI and Mr. and Mrs. JOSEPH LYNCH, all of Hicksville.

Mr. and Mrs. JOHN TILS of 20 Gables Rd. entertained their daughter and her husband, Mr. and Mrs. WILLIAM ZIEHL of Whitestone at a dinner party celebrating Mrs. Ziehl's birthday. The Tils were in Poughkeepsie the weekend of Jan. 26, attending the Council of Administration for the Military Order of the Cooties of which Mr. Tils is Grand Commander of the State of New York accompanying them was RICHARD ALBERTSON of 1 Gables Drive who is Grand Adjutant of this organization.

Must say it's a small world indeed, for when I rejoined the photography class again this term sponsored by the Adult Education Program, was surprised to see our mailman, GENE DMOCH as one of the new pupils. I was carrying his camera with him on his daily rounds, so a word to the wise is sufficient.

Sweet dreams, lover-boy O. E.

BRIAR PARK, PLAINVIEW:
Dog Problem Grows With Nicer Weather

By Ethel Rooney, HI 3-0432J
Hello, Folks:
This week I've been on a shopping spree. It is so wonderful to finally have a store around that Jimmy and I have walked up

three consecutive days. It's a really nice store, too. You can find almost everything you want. Skipper Durcan is home from the hospital. He is walking around quite well and the only real inconvenience is the exercises he has to take several times a day. I know everyone is glad to hear the good news and that many of us will say a prayer of thanksgiving for him.

The Briar Park Home Owners Assoc. had its meeting last Thursday. I was wrong about the voting for officers. The entire meeting was taken up by voting on the constitution. The next meeting, Feb. 28, will be devoted to the nomination of officers. You might spend the next few weeks thinking about who you would like to have in the various official jobs. Of course, the actual voting probably won't take place till the following meeting.

I read so much about the lovely party the Herald had last week and I'm so sorry I missed the party and picture taking. To tell the truth, I hadn't even thought about it. My kid brother, Mat, got married that morning and I was in the Bronx having a good time dancing at his wedding. Would you believe it, it was the first time I got to dance with my own brother! He isn't much of a dancer, but at least I finally got one dance out of him. I hope there will be many more. Mat's Naval Reserve outfit has been

Arrange Dinner For Chumsky

HICKSVILLE — A testimonial dinner in honor of Frank Chumsky, retiring Kiwanis lieutenant governor, will be given by the Kiwanis Club on Mar. 10. It was announced at a meeting held Wednesday at the Hicksville Inn. Joseph Keller is in charge of tickets for the affair.

The boys in the Korean foxholes kept their appointments today. Don't break your appointment for the blood bank here Sat., Feb. 9.

called out, and he will be leaving in a few weeks. It isn't much of a start for them, but most of us had just about the same thing. It's hard to believe those younger than us are going through the same thing we did so soon after us. I really thought it was going to be over for a while. Now it looks like it never will be over.

I hope I'm not being pessimistic, but reading the daily newspapers makes it hard to be optimistic.

Spring will be here soon and with it will come an increase in one of the problems we've had here in Briar Park, and all the other developments as far as I can see. That problem, of course, is dogs. It is getting to be difficult to take a walk around the block without being tagged by half a dozen assorted dogs. If they only walked around the block they'd not be a problem but they're starting their digging and messing of lawns. The same lawns everyone worked so hard on last fall. It is a shame to put all that work to waste just because dog owners can't seem to manage to keep their dogs either locked up or tied up. Also, they have been jumping up on the children and there will soon be some youngsters who will take a long time to get over their fear of dogs. Some of them are big enough to scare the grownups, without even trying hard, so they are really terrifying the children. They can be kept confined if you want to. If you can't confine him, give him to someone who will. The March of Dimes for Briar Park has been extended a few days as a result of the bad weather etc., so if you haven't been visited yet, don't give up hope.

Tried to come down quick.
He tripped, he fell, he bumped his head,
And all he heard was "click"!

OFF SOUTH BROADWAY: Cheers For JMV Auxiliary For Big Assist

By BUNNY LAUER—HI 3-7760

Cheers to the Jewish War Veterans Ladies' Auxiliary! At a minute's notice they took over the March of Dimes collection in this area. It seems that the ladies who originally were supposed to canvass this neighborhood were tied up with sick children so the JMW Ladies Auxiliary came to their aid. The president of the Auxiliary, Mrs. EDNA OLITSKY, asked me to thank Mrs. HARBLETTE WOODS who so generously gave her time in helping the JMW.

The response was wonderful but like everything else, there are a few who will always spoil everything. A very poor reception was handed out from three houses. It is all right if you can't give or don't want to give but please, forget the vile language. Also, please don't only strike children, so not having children is a very poor excuse for not contributing. These

ladies would have been very grateful for a penny or two. You know when you give to the polo fund you are helping yourself. So, think it over, folks.

Am very happy to let you know that little Miss MARGUERITE IVORY of 187 Lee Ave. is well again and back in school. Stay well, Sweetiepie, you gave us all quite a scare.

Master PETER FRANK FRAME has finally arrived, Monday, Jan. 28 at Mercy Hospital. He weighs seven pounds, two ounces. His home address is 203 Lee Ave. He has a big brother, RONNIE, age four. His Mommy is Florence and his Daddy is Heigh. Altogether they make a very lovely family.

There are four generations at the Brown house on 12 Cottage Blvd, now Mr. and Mrs. MOLLY NEAUX, first generation, who make their home with their daughter and son-in-law, Mr. and Mrs. BROUN, second generation; Mrs. ISABEL BROUN MORRIS, third generation and daughter DIANA, fourth generation, who are visiting from Gloucester, Mass. A real family circle.

It pays to advertise in the Mid-Island HERALD. Mrs. BUCK HOLZ of Cottage Blvd. had an ad inserted to sell a child's crib and wardrobe chest and she sold it the very first day.

I felt very good last week — a lady from Plainview called me in reference to my complaints about roaming dogs. I guess more people read my column than I thought.

Ma and Dad went visiting the Wassermans in Queens, Sunday. SHELLY and STEVEN ALAN LAUER went to the Bronx, Sunday, to visit their Grandparents, the Hermans, on Grand Ave.

Hey, LILIA, hurry and get well. I have enough shopping to do for my own brood without adding yours to my list.

Mrs. GINNY VARCA was hostess in her home last Tuesday for a Stanley demonstration. Mrs. ELSIE MAAS of Hicksville was the demonstrator. Guests were: Mrs. KRUMHACKER and daughter, MARGE Mrs. RASWELER of

PLAINVIEW — A house-to-house canvass for funds for the March of Dimes drive will be completed in Plainview this week, according to Mrs. Alford Stauber, chairman. The quota for this community is \$1,000.

CANCEL CARD PARTY

A card party scheduled for Friday, Feb. 8, by the Hicksville Amvets Auxiliary has been cancelled. The Auxiliary has changed the place of the monthly card parties from East Barclay St. to the second floor of the Firehouse Inn on East Marie St. However, the Firehouse Inn location will not be available for the Feb. 8 card party.

Give a pint of blood here on Saturday, Feb. 9. Call Hicksville 3-1400.

Mrs. Newell won the door prize. Mrs. Varca entertained with her "potato sack game." Everyone always has a grand time at Ginny's home.

Belated birthday wishes to HARVEY and JEWEL OLITSKY and a happy birthday to SEYMOUR OLITSKY, who will be eight on February 4.

Mr. and Mrs. WARREN COCKRAN of Lee Ave., Miss JOAN CHASE and fiancé, JOE ANDREWS, had dinner last week at the "Glam Box" and saw the late floor show at the "San Su San" in honor of Mrs. Cockran's birthday.

Last Wednesday, the Cockrans attended a family dinner in honor of Warren's mother who celebrated her 60th birthday.

If you saw some of the gals a little woozy last Thursday, it was the after-effects of too much pizza at HELEN OEHLENSCHLAGER'S home on Lee Ave. Her guests were Mrs. HENRIETTA BOLGER, Mrs. FLORIN, Mrs. GINNY VARCA, Mrs. DOT RANKIN and Mrs. AGNES SACCO. A real hen party.

Am glad to say that more calls are coming in. Keep it up! Nite all, BUNNY

Y., ADOPTED JANUARY 21, 1952 AUTHORIZING THE ACQUISITION OF LAND WITHIN THE DISTRICT AS THE SITE OF A NEW SCHOOL BUILDING AND THE ISSUANCE OF \$50,000 SERIAL BONDS OF THE DISTRICT IN ANTICIPATION OF A TAX TO BE COLLECTED AND REPAYING THE BOND RESOLUTION OF THE BOARD OF EDUCATION ON JULY 13, 1950.

RESOLVED BY THE BOARD OF EDUCATION OF UNION FREE SCHOOL DISTRICT NO. 19 OF THE TOWN OF OYSTER BAY, IN THE COUNTY OF NASSAU, NEW YORK, as follows: (a) That the Board of Education is hereby authorized to acquire by purchase or condemnation as the site of a new school building, a certain piece or parcel of land situated entirely within the District, all as more fully described in the proposition referred to in the recital of this resolution, at an estimated maximum cost for said specific object or purpose of not exceeding \$50,000, including preliminary costs and costs incidental to such acquisition and for grading and improving of the site.

Section 2. It is further stated that the validity of the bonds authorized by this resolution, and of any notes issued in anticipation of said bonds, may be contested only if: (a) such obligations are authorized for an object or purpose for which the School District is not authorized to expend money; or (b) the provisions of law which should be complied with at the date of the publication of such resolution, are not substantially complied with.

NORTH WEST NOTES: Break Ground for Burns Ave School

By James Cummings
The groundbreaking ceremony for the Burns Ave elementary school scheduled for Thursday was advanced a day, to Wednesday, at 9:30 a. m. The school site is on an east side of Burns Ave. The clearing beyond the farm dwelling on Burns Ave. Mrs. Edna Sutton Board Vice-President, informed me that excavation of the Burns Ave. school as well as the others scheduled, will take place in September of this year. It is hoped that occupancy as planned will also take place in September. The school will be a modern, well-equipped structure; the classes will be from kindergarten thru 6th grade.

Conveniently at hand for residents of North West Hicksville, especially Jerry Spiegel and Roger Rome families, the school will help relieve crowded conditions elsewhere in our school district. A majority of the residents in the Spiegel homes have children under 6 years of age. When they reach school age there should be no acute problem—let's hope so, anyway. What with the tremendous growth of Hicksville and surrounding areas there will be need for still additional school facilities.

MARCH OF DIMES
Mrs. Herbert Johnson of 87 Myers Ave., captain of the Mothers' March of Dimes for this section, wishes to express her appreciation to all residents who contributed during the recent house to house canvass. With the able assistance of Mrs. Sloane, Nevada Street, Mrs. Tamarazzo and Mrs. Geiser, Myers Avenue, and Mrs. MacLeod and Mrs. Olliver of Kansas Street, a total of \$73.25 was collected.

BETWEEN ISSUES we learned of the birth of a daughter, Mary Ellen, to Mr. and Mrs. Elwen Rafuse, of 207 Princess St., January 19. All your neighbors and friends wish you well with your new arrival. Paper Sam Dimes due in this area last Sunday seemed to have missed the boat down here. Loads of papers still remain outside on our porches and streets—even the garbage men passed them up—what next? ... Garbage trucks were so early last Saturday, no one had a chance to get their cans out—these lids still throw empty cans around—do not replace where they find them. In last week's HERALD bold print told of the plans Press Wireless has for production of electronic equipment and research work directly behind the residences on Kuhl Ave.—to night (Thursday) they will present this plan to the Zoning Appeals Board for approval. This in substance is industrialization in our immediate area, and that could eventually mean reduction of your property, neighborhood, and her workers for their work done on collecting for the March of Dimes program.

RESOLVED BY THE BOARD OF EDUCATION OF UNION FREE SCHOOL DISTRICT NO. 19 OF THE TOWN OF OYSTER BAY, IN THE COUNTY OF NASSAU, NEW YORK, as follows: (a) That the Board of Education is hereby authorized to acquire by purchase or condemnation as the site of a new school building, a certain piece or parcel of land situated entirely within the District, all as more fully described in the proposition referred to in the recital of this resolution, at an estimated maximum cost for said specific object or purpose of not exceeding \$50,000, including preliminary costs and costs incidental to such acquisition and for grading and improving of the site.

and issuing the bonds and bond redemption notes, are hereby delegated to the President of the Board of Education; (b) hereby delegated to the President of the Board of Education as the chief fiscal officer of the School District; (c) It is further stated that the validity of the bonds authorized by this resolution, and of any notes issued in anticipation of said bonds, may be contested only if: (a) such obligations are authorized for an object or purpose for which the School District is not authorized to expend money; or (b) the provisions of law which should be complied with at the date of the publication of such resolution, are not substantially complied with.

Section 2. It is further stated that the validity of the bonds authorized by this resolution, and of any notes issued in anticipation of said bonds, may be contested only if: (a) such obligations are authorized for an object or purpose for which the School District is not authorized to expend money; or (b) the provisions of law which should be complied with at the date of the publication of such resolution, are not substantially complied with.

Signs of spring around the corner with some of the lads surveying work to be done on lawns, etc., after winter damage. Recent rains still create bad flood conditions, especially at low spot on Ohio St. Down there last Monday a. m. water overflowed streets. Other conditions I noted on my rounds is the stream that passes the H. Johnson residence on Myers and Kansas Sts. It will eventually mean that Herb will have no curbing at all. We hope that the pledge made by JACK BRANDT for elimination of these conditions will improve these streets. The weather is getting nice, the work should be started soon. James Frisano is in charge of the Meat Department at the Bethpage Food Fair. Continued success to you, Jim. Jerry Spiegel bought an estate in Woodbury at an alleged \$250,000. Rumor has it he plans to construct 500 homes there—Jerry says "no comment". Air-Raid Warden volunteers very slow in answering last week's request. A few hours training will be well worth your time, in the event of emergency. Let's face it. Don't forget that appointment at the Hicksville H. S. Gym this Saturday. The Blood Bank will be here—volunteer a pint of blood today by calling the HERALD—HI 3-1400.

JWV Corner

COMMANDER'S MESSAGE:

This is the time of the year when many organizations take inventory, when many individuals take a little time to check over their own personal achievements and those other things which didn't fare too well. This is the end of the JWV 1951-52 year. How have you done as a member? Attended a meeting or two? Worked on a post committee? YOU be the judge. How would you score yourself?

Possibly the Post has honored you by election to office. If so, you know much more is expected of you. Can you say you have pulled your full weight in the boat? Or have you just been enjoying the ride? Are you content to sit back and say "we oughter," but what you really mean is that "someone else oughter." How would you rate yourself as an officer? Just what have you done? Do you think you have fulfilled the obligation you assumed May 20, 1951?

You know membership is our basic problem. If you saw an empty or sparsely filled sack on the ground you might step on it or over it or maybe kick it aside. But a well filled sack—one bulging at the sides—straining at the seams—would attract more attention. You couldn't disregard it, step on it, or kick it around. It's the filling that

Jewish War Veterans Hicksville Post No. 453

makes the difference. JWV, as well as other veteran groups, is like that. Our organization of thousands commands respect, it is not disregarded or easily kicked aside.

And the "filling," the membership, depends upon you. When we say this Post has over 50 members we mean that everyone of those members are paid up. Now the new dues are in order, by paying the current dues it shows that he believes in our many programs and has paid a share to further our work. Nomination and election time is here. Dues must be paid in order to vote. We have men able and willing to become good officers; get behind them by showing 100 per cent paid up membership.

At this time, to give those officers who served with me a chance to go up and continue their good work at a higher plane, I am not a candidate for re-election, but wish to thank the great majority of my Post who wanted me to take that office again.

Now let's get behind our new officers:

1. By being fully paid up.
 2. By bringing to our next meeting a friend or neighbor to join up.
 3. By going and doing for our comrades up in the hospitals, regardless of race, color or creed.
- WM. G. OLITSKY, Commander.

The Legionnaire

According to last week's column, the Post is holding the most expensive party in the history of Hicksville. The price of \$25 per person per hour for the February 16 Valentine Dance was, of course intended to read 25c, etc. Hope the shock wasn't too great on our readers.

As promised last week, we have several items of proposed legislation opposed by the Legion and are summarizing briefly some of them for the information of all veterans.

HR 3151, HR 3668 and HR 3316 would reorganize what would be left of the V.A. after the Department of Medicine and Surgery, and Insurance as well as hospital construction had been taken away from it. There are 2,385,729 disabled veterans receiving compensation and pension; there are 691,370 widows and orphans receiving death compensation and pensions. These awards are payable because of legislation originated or supported by the Legion. The majority of the claims were paid because of Legion help in processing them. No one can guess what would happen to such awards when the proposed tearing down got started.

HR 3138, HR 3319 and HR 3677 would create a new GI Insurance Corporation. The insurance program for veterans has already been weakened by legislation in the 1st session of this Congress. If either of these bills should be enacted into law, the future of the insurance program would be unpredictable.

HR 3135, HR 2420, HR 2748, HR 3311 and HR 3687 would revamp Veterans' Preference and Civil Service procedure. A million veterans are em-

Charles Wagner Post No. 421, American Legion

played in Federal service. They secure and legally maintain their jobs because of the law the Legion provided for them . . . The Veterans Preference Act of 1944. If these bills were passed veterans preference laws might be entirely eliminated.

The above are for the most part, direct quotes from the Legislative Bulletin, American Legion.

Membership is still soaring with many renewals such as received recently from Bill Turwee and Joe Kayel. It appears that the '52 total can pass the 200 mark . . . This Saturday, Feb. 9, is the date for the Red Cross Blood Donation. Have you made your pledge? . . . Bar Committee, through Jack Rondeau, reported increasing success, with the month of December the best ever. The entire committee is to be congratulated . . . Post Commander still receiving letters of thanks from Christmas works . . . Christmas gift mailed to Don Versteeg acknowledged with thanks . . . "News and Views" box held a paper napkin this Sunday. Do we have to offer prizes? . . . Recent Auxiliary card party produced unexpected results and the ladies are well pleased . . . We didn't hear how many Legionnaires attended, however.

Hope to report next week on progress of raffie to add the Industrial Home for the Blind. If you haven't received a book, check with Ernie Gundlach or John Neas. And don't forget the gala Valentine Dance Sat., Feb. 16.

In 1951 the American Legion had 2,737,525 members and the Auxiliary membership was 974,379! Have you signed for '52?

BOB MANGELS.

Education Workers Canvass Miller Area

HICKSVILLE — "Great interest in the educational problems of our school district was found among Miller Homes residents by the Education Association's canvassing committee last Saturday," according to a news release sent out by the Association's Membership Committee.

"Of course I don't like the idea of my kids going to school on double session," said one parent according to the committee, "but what can I as an individual do about it?"

This same feeling was echoed in

PLAINVIEW COUNTRY HOMES: Dog Catcher Has Been Around Here

Hi Folks:
Gorry I didn't get my column in last week, but I didn't quite make the deadline.
My apologies to Mrs. Lickie, publicity chairman of the Plainview PTA. I didn't get this column into the Herald office in time; therefore the PTA announcement she asked me to put in didn't appear. Please accept my apology, and I promise never to let it happen again. This is the second time it has happened, and I feel bad about it.

Belated anniversary greetings to Ginny and Tom Payne of Island St. It was their fifth anniversary.

I'm glad and yet very unhappy about the stores opening up in Plainview. I'm glad because it certainly is wonderful to be able to shop and come home without taking the car out. I'm very unhappy because my house is right directly in back of these stores, and it is very painful to see my poor back yard dug up by people using it as a short cut. I don't like to complain, but it was a lot of hard work to put in the back and front yards, and then to have people walk back and forth; it sort of makes me mad. Please, people, be kind. You wouldn't like it.

I thought I would bring this to your attention: If anyone is missing their dog, I saw the dog catcher's truck around Island St. picking up quite a few dogs. I don't know how to get them back. Perhaps if the people missing the dogs were to call the Town Clerk in Oyster Bay (Oyster Bay 6-2800), he might be able to help you. If I am not mistaken, dogs picked up without licenses are kept for five days unless they are exceptionally good looking dogs, in which case homes are tried to be found for them. In the case of licensed dogs picked up, the owners are notified.

Greetings to Florence and Jeff Sharkey of Reids Blvd. on becoming a new subscriber.

Don't forget about the regular meeting of the Plainview Civic Assoc. Tuesday, Feb. 19, at 8 at the school. The attendance has not been too good, so try to get out. At least one member of every family should go down.

I had a grand time at Flo Myrick's cosmetic party last Friday. I'm glad there were no males around because at one particular moment we all looked a little odd. Those present were Ruth Himberger, Ruth Gesner, Florence Myrick and Rae Cantilli of Island St. and Mrs. Robert Donaldson of Levittown. I did such a good time that I decided to have one on Friday, Feb. 22, at 8:30 p. m. If anyone would like to come, you are very welcome. The address is 17 Island St. You would have a wonderful time.

I would like to thank the people who contributed to the March of Dimes. They were so nice to me when I came around to call.
Please phone me or come over to my house if you have any news. I would so appreciate it. Also, if you would like to subscribe to the Herald, I would be glad to take care of it for you.

BETWEEN DUFFY AND OLD COUNTRY:
Our District Leading Mothers' March

Hi Folks!
 Looking back to last week's column I wish to inform you that the funds collected on those card parties, given by the girls of Duffy Park for the Convent Fund of St. Ignatius Church will be used for the furnishings of the convent. Just thought you'd be interested.

MARIE MEMORIAL of Meade Ave. is over the moon, but now his two sisters, **KATHY** and **LARUEL** are blooming.

were you one of those unfortunate people, like me, who had to stand in line at the Hicksville motor Vehicle Bureau to get your 1952 license tag? . . . Believe it or not, I stood in line for 6 1/2 hours and almost froze to death. Seems to me more people could have been used to give out the tags during this rash season. Oh, well, next time I'll know better. Do hope **NELLIE** gets her voice back.

MR. and MRS. JOE NICOLINI of McAlester Ave. celebrated their 12th wedding anniversary on Feb. 2. **YOLANDA** received a beautiful gift from **FAIRWAY MFG. CO.**, her employer.

MRS. RALPH HAZER of 91 Underhill Ave. has a birthday on Feb. 25. Happy birthday to you, from all of us.

Mr. and Mrs. JOE ARBUCKLE of 57 Underhill Ave. celebrate their wedding anniversary on Feb. 23. Best wishes to you both.

MRS. ROSE MULQUEEN of Combes Ave. (captain of this district for **MOTHERS' MARCH ON POLIO**) reported to me that, so far, this district is leading other districts on their collections . . . BRAVO FOR US. Some of the other mothers responsible for this collection are: **IRIS SCHALL** of Suggs Lane, **JUDY deJONGh** of McAlester Avenue, **MARY SCHULTE** and **BERNICE KEFNARTH** of Benjamin Avenue. All these girls wish to give their thanks for your cooperation.

Speaking of the **MARCH ON POLIO** I heard on the radio the other day, that in Germany the boys in the Army are giving \$10 each for this **POLIO DRIVE**. In exchange for this \$10 they are allowed to throw a **PIE** at the face of their **SGT.** So far they collected \$8,000. Never being in the Army I wouldn't know, but it seems to be worth \$10 to these men.

VINCENT SORBO of McAlester Ave., Hicksville, will be three years old on Feb. 7. A family birthday party is scheduled for

TOWNSHIP ASSISTANT
MINEOLA — Buddy Mazzara of Bethpage was scheduled for appointment this week as assistant Civil Defense Director for the Township of Oyster Bay at a salary of \$6300 by action of the Board of Supervisors.

GARAGES
Needn't be GRAVEYARDS
 I, your garage is fast becoming a catch-all with hardly room enough left to get a broom in edgewise, it's time you made adjustments. Racks and shelves — that's the answer. Hung above or braced from below, a few pine boards can restore a surprising amount of order.
 In all shelves in that unused space above the door opening, or build a storage balcony in the space over the hood of your car. If out-of-season clothing is taking up a lot of needed space in your bedroom closets, let a cabinet in the garage do the job.
 We have the closets here already built — or you can make it yourself out of hardboard. Seal the door with masking tape, and you needn't worry about moisture or moth.
 Garden tools that are usually propped in one cluttered corner can be held in a rack along one wall. There's no end to the possibilities, if you will just stop in to see your "Uncle Tom", and let him furnish you with plans and technical advice.

Hairbreath Harry

By HOWARD FINNEGAN

We couldn't go along with the experts who last week picked Sea Cliff to defeat Hicksville High.

Our 11-point choice in favor of the Comets was off only by a basket—52-43.

It is acknowledged here that the eight-semester rule ripped the major core from Coach Chet Jaworski's club unmercifully, but the talent remaining was judged as having a better than good chance of knocking off an average team.

With a 2 and 2 league record, Sea Cliff was an average club. But if the willing Comets, whom we respect most highly for not cracking in the final period before the persistent Cliffmen, will forgive us, we must view Roslyn as a better than average team, within the scope of the Eastern Division. We therefore pick Hilltoppers to win this Friday night's tussle at Hicksville.

We do not like having to tab Hicksville for its first home court loss since 1950, but all around experience, the height and depth are with Roslyn, and we must go along with it.

Roslyn 66, Hicksville 50.

The figure \$600.00 has popped up in all Hicksville sporting circles as the sum which the Field Club is reported to have paid to its coaching staff for its services in last fall's championship campaign.

At any rate, the Black and White has held its annual winter meeting, and plans are under way to add some black figures to the treasury.

As things now stand a Saturday Evening Dance will be held in the Masonic Temple sometime in April.

The Hicksville PBC Alumni has set the Alliance Division of the NCABL on fire with those 95-62 and 90-60 wins over the Roslyn Boys Club and Port Washington.

Action at Hicksville High School is very fast and interesting every Tuesday evening and we encourage you to get out and watch the proceedings.

Ted Schwarting is scheduled for induction into the Coast Guard Lincoln's Birthday and the Alumni will have to nail down a play-off berth without him.

Charlie Rosengren keeps moving right along and could take up some of the slack resulting from Schwarting's departure.

Harold Manaskie impressed in his first game with the PBC and drove Port dizzy with his ball hawking in the final period.

Coach Lou Millevoite insisted that Ernie Rauch change from a straight ball to a hook in that bowling match against Sea Cliff, Monday, and it worked wonders.

Rauch had 117 and 118 for his first two games, but the hook knocked over 193 pins in his final outing.

Outdoors Today Bird Roosts

Sometimes birds, such as starlings, house sparrows or pigeons, roosting or nesting about our homes or buildings, become objectionable because of their noise or the nuisance caused by their droppings.

It is easily possible to construct buildings without convenient roosting places, but once the building is completed, remedial measures rather than architectural changes are usually desired, says Prof. Peter Paul Kellogg of Cornell's conservation department.

High voltage electrical systems have proven successful in preventing birds from roosting about buildings, but these are usually quite expensive.

"Inch Mesh" chicken wire tacked up so as to prevent access to the roosts, and so as to offer no other horizontal area for roosting.

is often the cheapest and most satisfactory solution to the problem. Since it is often sufficient to "protect" only the area over doorway or sidewalks, it is often possible to eliminate the nuisance of roosting birds quickly, effectively and economically.

Many stories of how birds may be driven from roosts by super-sonic sound energy have been investigated. It appears that this method is entirely ineffective, says Kellogg.

Edwin G. Boyes, of Station WWJ in Detroit, recently reported he was able to drive away large flocks of roosting starlings and martins by the use of audio frequencies between nine and eleven thousand cycles per second, beamed at the flocks with ordinary loud speakers. This method is now under investigation.

Roslyn Comes Next: Alcock and Kellner Lead Comets To Victory Over Sea Cliff, 52-43

HICKSVILLE—The replacements Chet Jaworski rushed up to fill the gaps in his graduation-riddled basketball court machine wavered but would not panic, here Friday night, and gave Dick Alcock and Stan Kellner the needed support to turn back Sea Cliff 52-43.

It was Hicksville's ninth victory against one defeat this season and if the Comets can get past Roslyn Friday night, at home, they will practically sew up second place in the Eastern Division race.

Uneasy But Spunky
As was expected, the Hicksville club was uneasy and errant against the Cliffmen, but the new Comets had plenty of scrap, and combined with the talents of Alcock and Kellner, they pulled the game out of the fire.

The first period was the winner's poorest. The Comets worked the ball well enough, but missed many easy shots and were caught five times for taking a pass out of bounds.

In these formative minutes, Alcock broke through to steady the club as he scored all eight Hicksville points in the first period. It was 8-7 as the second quarter started.

Hicksville pulled to a 20-15 lead at the half. A three point play by Joe Olsen helped create the bludge just before the whistle.

Comet Spurt
In the third quarter, Hicksville spurred to a nine point lead. John McCarthy pushed up two long baskets from beyond the keyhole. Alcock dropped a set and Kellner added a layup to make it 31-22.

However, the Comets could not manage center Fred Grois of the Cliffmen and he rapped in six goals in the period. That succeeded in cutting the Hicksville advantage to 36-33 as the final session opened.

Two quick baskets and a foul by Grois enabled Sea Cliff to take a 41-39 lead with five minutes left in the game, and the small but interested crowd roared.

Alcock came flying into the breach again. He flipped in a set to tie, then stole the downtown pass and tossed to Kellner whose neat layup put Hicksville in front to stay.

Raymond Delay punched his only basket at that critical time and Alcock and Kellner each cut the nets again.

Hicksville missed seven foul shots in a row before McCarthy made good on two. However, the Comets picked off every rebound to control the ball.

Grois was high scorer for the night with 20 points, while Alcock and Kellner had 19 apiece.

	Hicksville (52)	Sea Cliff (43)

Kellner	19	11

Nichols Effort Gets Keglers 3 Points

MANHASSET—Hicksville High was clipping badly in its North Shore Athletic League Bowling match with Sea Cliff, here, on the Community Alleys, Monday afternoon, but Norman Nichols rolled 217 and 202 games to reverse the Comet keggers and get the Orange three of five points.

Hicksville and Glen Cove moved into a tie for third place in the league standings with 13 and 7. Great Neck continued unbeaten and pushed away out in front with 20 and 0. Garden City retained second place.

Nichols, after a respectable 150 game in his first outing, was solid with his 217 and 202 games but he got sensational help in bringing Hicksville the final three points.

Ernie Rauch showed only 117 and 118 for his first two games but fired an unexpected 198 roll his final try. In that game which put the Comets over the top for high series, total pins and the point for the third game Rauch hit with six straight strikes.

Dick Hille, George Gracco and Steve Bruchell all were below par for the Comets.

Sea Cliff took the first game 632 to 599 and the second 689 to 644. With Nichols and Rauch going red hot in the last roll Hicksville won 636 to 597.

Hicksville's total pin victory was very close—1,918 to 1,929.

Let me not neglect any kind-ness, for I shall not pass this way again.
