PENNER PLANS FIGHT:

Atomic Research Lab Gets Board Approval

OYSTER BAY—The Township Zoning Appeals Board this week granted the variance application of Press Wireless Mfg. on property along Cantiague Rd., off John St., Hicksville, thus clearing the way for the contemplated use of the 7-acre tract by Sylvania Electric Co. atomic energy research. The plan had been opposed at the public hearing two weeks ago by the North West Civic Assoc.

Isaac Penner of Cantiague Rd., Hicksville, who has been strongly opposed to what he calls "continual efforts to industrialize our neighborhood without a zone change," told the Herald last night he is taking steps to "challenge the legality of this decision which places a factory in a residential area."

Penner also appeared at the hearing on the application and opposed the request.

The appeals board granted the variance to "carry out research and development engineering, equipment design and construction and pilot plant operations—in the field of physical metallurgy and to generally manufacture electronic equipment."

TO BAR PUBLIC
A spokesman for Sylvania told the Herald yesterday the property will be closed to the public next week. Thereafter, only persons "cleared" with the Atomic Energy Commission will be allowed to enter the facility.

The Appeals Board had a busy night, last Thursday, with a number of contested applications on which decisions were made.

The Board denied the request of William Lorenzo of Follock Pl., Hicksville, for a variance to raise (Continued on Page 4)

Cancel Waste Paper Pick-Up

No waste paper collection drive will be made in March by Hicksville-Plainview Civil Defense volunteers, it was disclosed last night by Director Frank Sutter. There is "absolutely no market" for waste paper at this time and the collection made early this month has not been removed by the contractor as yet. Therefore the regular pickup on the first Sunday of the month (Mar. 2) will NOT TAKE PLACE, Sutter stated. He added that no drive for April appears likely at this time, either.

SHALHO Questions Motives:

See No Restriction On Pool Use If Park District Splits

Opposition to the proposed split of Hicksville Park and Parking District came today from the Levitt home owners in the District who question the "sincerity" of proposed legislation now in Albany. The South Hicksville Assoc. of Levitt Home Owners in its latest newsletter points out that if the District were split, the Oyster Bay Town Board would continue to control the "new" district and have the power to decide who may use the swimming pools and other facilities. The SHALHO wants alternate legislation establishing a special "swimming pool district" with locally elected commissioners to protect the exclusive use of the pools for their area.

The SHALHO newsletter announces the next meeting at the Community Hall on Levittown Pkwy., Tuesday night, Mar. 4, when the question will be thoroughly aired. The Herald is cooperating in the distribution of the newsletter by publishing it in full in this issue.

The SHALHO comment on the proposed park district split finds it a device whereby the "town board is providing itself with an out" and wonders at the "double talk" in the law as introduced, recalling the earlier local experience in the establishment of a garbage district when certain individuals, now fostering the split of the district, opposed municipal collection only to "rue the day."

The newsletter also quotes the correspondence of the Oyster Bay Town Board with Levitt & Sons regarding the "Levittown" signs and the Oyster Bay hope of retaining "cordial relations".

All residents of the area of Levitt built homes in Hicksville are urged and invited to attend the Mar. 4 meeting.

GOOD NEWS FOR GARDENERS

At the next meeting of the Assoc. on Tuesday, Mar. 4, 8:30 p.m. sharp, at Levittown Hall, to which both members and non-members living in Levitt homes in the Hicksville area are invited, experts on gardening will discuss your gardening problems. Two motion pictures in color will be shown: "Mysteries of Plant Life" and "How to Grow Beautiful Roses." From those in attendance, 12 lucky winners will receive as door prizes various gardening aids ranging from spray outfits to lawn seed. Questions on gardening will be answered by the experts. Levittown Hall holds some 600 people comfortably. Come early, a large attendance is expected. The Boos Bros. Nursery is sponsoring and assisting in this program.

POSTSCRIPT—LEVITTOWN SIGNS

Much misleading information has been circulated about the Town Board's action on the signs. "LEVITTOWN — A Garden Community," erected by Levitt in the area where the postoffice address is Hicksville. We have secured copies of the letters sent to Levitt. Here they are:

The First Letter

Levitt and Sons, Inc.

I have been requested by the town board to write you that there have been objections received relative to the erection and maintenance of signs reading LEVITTOWN — A Garden Community — Etc. located at the sites set forth on the enclosed sheet.

My instructions are that I request you to remove these signs, or in the alternative, to give authorization to the Town Highway Department to remove them.

May I ask your cooperation.

T. V. Summers (Town Attorney)

The Second Letter

Levitt and Sons, Inc.

As an aftermath of my letter to you relative to the erection and maintenance of signs reading LEVITTOWN — A Garden Community — etc., the town board directed the writer to study the matter with Brandt and Chlumsky. Our investigation discloses that the signs as presently erected are within the limits of the highway and solely within the jurisdiction of the Highway Department.

Careful consideration has been given the possibility of accidents resulting therefrom and the committee has come to the conclusion which has been concurred to by the town board that the signs may remain in their present location until such time which seems in the far distant future at the entire and full width of the right-of-way will be needed for street purposes.

The writer as well as the town board trust their previous letter has caused you no inconvenience and that the future relationship shall be as cordial as they have been in the past.

T. V. Summers (Town Attorney)

Seemingly, between the first and second letter, cordial relations were established between Levitt and the town board, and the town board hopes for more of the same.

State To Change Traffic Signal

ALBANY—The arrangement of the traffic signals at Broadway and the intersection of John St. and Jerusalem Ave., Hicksville, is going to be changed. The change has been ordered by the State Traffic Commission, here, as the direct result of a two-year campaign by the Hicksville Civic and Community Assoc.

R. C. Georger, director of the Traffic Commission, in a letter to Oyster Bay Township Board this week explained "our findings indicate that the present two-phase operation of signal 195 is not satisfactory because traffic on the three major arms of the intersection, ie, north and south on Broadway and Jerusalem Ave. moves during the same green interval with the resultant conflicting movements" which local motorists who have sweated thru this intersection agree is a polite way of admitting "utter confusion."

The State has ordered the Dept. of Public Works to place the signal on three phase operation and "that the location of the signal heads be adjusted. This will provide a separate green interval for traffic on B'way, John St. and Jerusalem Ave." A copy of the notice to the Town Board was forwarded to the Civic group because of its militant campaign to correct the traffic hazard.

NEW COUNCILMAN

OYSTER BAY—Dudley McCabe of Massapequa is the newest member of the township board. He was appointed Tuesday at the Board meeting to fill the vacancy caused by the recent death of Daniel Wall of Massapequa. McCabe will serve until the end of this year. The balance of the unexpired term will be filled by election in November.

Oil Truck Blazes At Peak Of Rush

HICKSVILLE—A fire in the cab of a Meenan Oil truck tied up traffic at the corner of Jerusalem Ave. and Old Country Rd. during the 5:30 rush hour Monday night. Firemen were called to the scene at 5:44 p.m. as the fire spread to the gas tanks. The seat and inside of the cab were damaged but spread of the blaze to the huge oil tank was checked by the volunteer firemen.

An auto owned by James Rutherdorf of 728 Monroe St., Brooklyn, caught fire Wednesday, Feb. 20, on Old Country Rd. near West Ave. at 8:23 a.m. The wheel brake was damaged by the fire.

NORTH WEST NOTES:

Important Topics For Civics Mar. 4

By James Cummings

The executive board will hold another special meeting this week to get the answers on several important questions about the proposed Incorporation discussed at their last meeting. In order to present the facts to you at the meeting on Mar. 4, they have invited

District split will mean to each of us as taxpayers.

BETWEEN ISSUES: we hear that one of our members, Jim Oliver of 140 Ohio St., helped with the identification of one Willy Sutton—nice work, Jim . . . Several Civic Associations plan to work together to form a solid front on important questions concerning our community. This Civic Council will comprise the officers of each local Assoc. This is a move in the right direction . . . So far George McCarthy, Pres., NW Civics, and Arthur Isachsen, Pres. of South Hicksville Assoc. of Levitt Home Owners, have started the ball rolling . . . The garbage situation still remains the same. The pick-ups are even earlier some mornings, not giving the resident an opportunity to put out his refuse. Actually the garbage is to be put out the night before pick-up—but with the wandering dogs throughout the development people are sick and tired of picking up scattered garbage. Action is being taken, this week by your Civic Assoc. . . . Last Saturday night at Frank's Alibi, George Schult of Indiana Ave. was installed as Treasurer of the Business Men's Assoc. of Hicksville. George is manager of Capital Finance Corp. at 113 Broadway . . . George and his charming wife, Sue, together with your reporter and his wife joined the many present to wish BMA continued success in its efforts . . . Also out for an evening's enjoyment at the Alibi were Mr. and Mrs. John Finnegan of 162 Kuhl Ave. and their weekend guest, Joe Geraty. . . . Sunday, Feb. 24, was the big day at the Robinson residence on Jersey St. Their new son, Christopher Jeffrey, was christened at St. Ignatius here in Hicksville. Godparents were Mr. and Mrs. William Baum of Levittown . . . Don't forget this Tuesday, Mar. 4, at the high school.

The executive board will hold another special meeting this week to get the answers on several important questions about the proposed Incorporation discussed at their last meeting. In order to present the facts to you at the meeting on Mar. 4, they have invited

Dear Jean:

Of more than passing interest, in regard to the proposed Park and Partition District Split is the fact that as the law is now being put thru in Albany it provides a split may be made only when there is "no outstanding bonded indebtedness chargeable to the existing district". Our information says the present debt of the district won't be paid off until June 1963 . . . The Hempstead Tpke Drive-In theatre reopens on Friday, Mar. 7. Can summer be far away? . . .

The end is not in the immediate future as far as new-home construction is concerned in the mid-Island area. WILLIAM STAEBLE, Hicksville Post Office Superintendent of Mails, has found that in the Hicksville-Plainview area right now there are 4,110 new homes to be built, presumably within coming months! The Home Property will be the site of about 400 dwellings, for example . . .

Of interest to the young men in town is the fact that GOLD-MAN'S at 122 Broadway, Hicksville, will have a new line of boy's suits and trench coats for Easter . . .

BOB SCHIEFERSTIN and family of 3 Hawthorne St., Hicksville, are home again after a couple of months in Norfolk where Bob was on duty. He drove home some \$70 miles, this past weekend, and had a flat tire when he got in his garage! . . . Street light in front of Hicksville Post Office does not burn out for five days . . . BILL SILL wonders about the NLHOA membership claim. When the membership report was read at a recent meeting of 650 enrolled, SILL says C. MILLER therupon declared "we have 1000" . . .

declaration set up between the Hicksville Post Office and proposed new Levittown Post Office, our post office address would remain Hicksville and we would continue to be served by the Hicksville Post Office. An aggressive program, implemented by the circulation of petitions, is under way to relocate us in Levittown Post Office district and make our address Levittown whether we like it or not, in spite of the fact that we are served by the Hicksville Fire Department, Garbage District, Park and Public Parking District, Water District, and Street Lighting District, and in spite of the fact that our children go to what has always been known locally as the Hicksville Schools. We know that there are many opposed to such a change. Unless the majority demand such change for good reason, no change seems warranted. What are the reasons and objectives back of this demand?

PARK AND PUBLIC PARKING DISTRICT

At the request of Levitt, and at the behest of the Oyster Bay Town Board, the following bill has been introduced in the State Assembly by Assemblyman John J. Burns.

The town board of the town of Oyster Bay, upon its own motion and without a petition, may divide any park or parking district within such town. Provided, however, that no such division shall be made unless the town board shall determine, after public notice published and posted and public hearing held in the manner provided for the establishment or extension of such districts:

1. That there is no outstanding bonded indebtedness chargeable to the existing district.
2. That the properties or facilities of the district located in the areas resulting from the proposed district are primarily beneficial to the respective areas in which the particular properties or facilities are located.

After the division of any such district, the resulting areas shall be deemed to be separate districts established pursuant to section 222.0. The properties and facilities of the former district shall become the properties and facilities of the respective new districts in which they are located at the time of the division. Contractual obligations and rights and all other assets and liabilities creditable to, or chargeable against, the former district shall be credited to and charged against the respective new district in which the property or facility to which such right, obligation, asset or liability is related. If any such right, obligation, asset or liability is related to properties or facilities in more than one district, the same shall be prorated and allocated to such new districts in the manner in which the town board deems most practicable and equitable. All such credits and allocations shall be effective as of the first day of January following the division.

Is this sincere legislation? Will it serve our primary purpose of retaining restricted use of the swimming pools? What does all this double-talk mean? Is it possible that we are again, as in the matter of the early vociferous opposition to the creation of a public garage district, being led to accept and abet a solution which we will live to rue and regret?

On the face of it, the town board is providing itself with an "out" to turn down the partition. The Hicksville Park and Public Parking District does have bonded indebtedness. The swimming pools could be deemed beneficial to any area the town board defines, even the whole of the Town of Oyster Bay.

As at present constituted, Hicksville Park and Public Parking District is administered by the town board. There are no Commissioners to administer the District. The town board acts under the town law, which provides:

"The town board may sell, convey and transfer any property acquired for park purposes at such an amount as it may determine but not less than the original cost thereof, and apply the proceeds of such sale, conveyance or transfer to the purchase of other property for park purposes and improve such property in the manner provided herein. The town board may employ such persons and expend such amount of money as may be necessary for the proper maintenance of such park for the use, convenience and enjoyment of the inhabitants of such park district, and may in its discretion, grant licenses and privileges for any use of such

park and park property which conduces thereto. The town board may fix a reasonable charge for the use of such park by all persons other than the inhabitants and taxpayers of such park district, and, in addition, the board may adopt general rules and regulations for the government and protection of the park and all property therein."

Once the swimming pools have been transferred to a Park and Parking District, their disposition is pretty much in the hands of the town board, no matter what the name of the district or its limits. Apparently, the town board would be acting within its authority if it sold the property, or if it permitted the use of the pools, for a nominal fee, by all the inhabitants of Oyster Bay Township, or, for that matter, by anyone. Many of us who have gone to the Town bathing beaches have found them overcrowded by people from other areas who have paid the one dollar parking fee. Definitely, the establishment of a separate South Hicksville Parking District will not guarantee to us the restricted use of the pools which we have been promised. Transfer of the pools to such a district, or to any other district similarly constituted and administered by the town board, will place our interests in jeopardy.

WHAT IS THE SOLUTION? A separate Swimming Pool District, administered by Commissioners locally elected, serving our interests only, and assuring us restricted use of the pools, properly policed and maintained. Our interests will not be served by any other plan which cannot be locally controlled, and especially not by any plan calculated primarily (as has been proposed by some), to eventually achieve the amalgamation of all governmental and service activities for Levitt-built houses in one LEVITTOWN.

SCHOOLS—AND THE 7-MILL LAW

Some of the proponents of bigger and better schools have argued that we might as well have them as the state will pay for them under the "7-Mill Law". We have tried to find out what the 7-Mill Law is. The following is a brief summary and explanation of the more important provisions:

At the present time our school tax is \$2.59 per \$100 of valuation. On a Levitt-house valuation of \$3800, the tax of \$98.42. Each house owner therefore pays \$10 each month of the school year for the so-called "free" public schools. Schooling is not expensive, but it is not free. The money collected in taxes is used partly to pay the cost of operation and maintenance, including teachers' salaries, heating, lighting, repairs, cleaning, and bus service, and partly to pay the cost of construction of new schools. The cost of construction of new schools is financed through bonds sold in the public market. The bonds are the obligation solely of the School District. They are interest-bearing and are for a 20-year period, normally. The schools are therefore paid for by the tax-paying public of the School District in the same manner as you pay for your house in amortizing your mortgage.

Of the \$2.59 tax rate, something less than 70 cents is at the present time chargeable to bonded indebtedness and the balance to operation and maintenance. As Hicksville schools existed before we came, and as some of the expansion program was initiated early, we have not yet felt in taxes the impact of bunched-up indebtedness for new schools.

The cost of the schools now under construction, including those just started, will be approximately \$3,000,000. The portion of our tax rate chargeable to bonded indebtedness will shortly exceed 70 cents per \$100 valuation; i.e. exceed 7 mills. Under a new state law, if the state authorities determine that an emergency exists and assistance is warranted, in spreading the burden of the bonded indebtedness, the state may shoulder part of the burden by financing part of the bond-installment payments and spreading the paying-off period over 30 years. In that case the bonded-indebtedness tax rate is frozen at 70 cents and the state contributes the amount needed above tax income at 70 cents to amortize the bonds. However, the bonded-indebtedness tax rate cannot be reduced below 70 cents until the state has been reimbursed (within a 30-year period) for any financial assistance it may have furnished. If full reimbursement cannot be made in 30 years from a tax rate of 70 cents, part of the debt may be forgiven, and no interest charges are made by the state. None of the assistance furnished under the 7-Mill Law can be applied to operation or maintenance.

Over-expansion of the school program, even if countenanced by the state, would add to our tax burden. The 7-Mill Law does not provide a free grant of assistance. We all want good schooling for our children, and good facilities, but we should be reasonable in our demands. We will personally have to bear part of the cost, and the burden may be heavy.

CORROSION IN OUR WATER SUPPLY PIPING AND FITTINGS

We have noted with interest that another community has officially recognized and taken action about corrosiveness of Long Island water. Carle Place has announced that it will add sodium fluoride to the drinking water to reduce tooth decay, and an anti-corrosive chemical to do the same thing for the plumbing that fluoridation does for the teeth.

We are still investigating our own local problem. It has been established that our water is "aggressive" and has caused de-zincification and failure of brass fittings. We are consulting various authorities including the National Bureau of Standards and the United States Public Health Service. A full report will appear in our next News Letter.

DISCUSSION AND COMMENT INVITED

The meetings of this Assoc. constitute a local "town meeting" at which you can meet with your neighbors, discuss local problems, and formulate plans for action. Matters on which we have reported in this NEWSLETTER and new matters of a civic nature will be discussed at our meeting on Mar. 4. If you cannot attend and have a comment to make or a suggestion to offer, write us at P.O.B. 448, Hicksville.

You are cordially invited to join the South Hicksville Assoc. of Levitt Home Owners if you own a Levitt house in the Hicksville area.

Plays On WNYC**

Morton Estrin, pianist and teacher, of 33 Picture La., Hicksville, was heard over radio station WNYC on Feb. 12. The program was a feature in the American Music Festival, an annual series over the New York City Municipal station featuring works of American composers.

Mr. Estrin performed the five-movement "Partita" by Meyer Kupferman which was composed especially for the pianist and first played at his Town Hall debut in 1949. Kupferman is the teacher of composition at Sara Lawrence College.

The local pianist appeared at Sara Lawrence College in a repeat performance of the "Partita" on Feb. 26 for the students and faculty. Highly controversial in nature, the "Partita" stands as a monumental modern work both for its brilliant pianism and its provocative idiom. A performance of the piece in this area by Mr. Estrin will be announced soon.

Pride And Education

By FRED J. NOETH

WE ATTENDED the meeting of the Education Assoc. of District 17, Town of Oyster Bay, held at Hicksville High School last Wednesday night. We were frankly curious to see what response the circulation of somewhat alarming notices throughout the district would produce. Milton Leavitt, president was disappointed with the response. He told the group that 5,000 circulars had been distributed and that in addition the Education Assoc. has 200 members. There were not more than 50 present in the classroom for the meeting.

Mrs. Antoinette J. Apicella, vice president, outlined a plan for the selection of a candidate for the school board. Election of a Hicksville School Board member for a three-year term takes place in May. Her proposal endorsed by the Assoc. is to have all the civic groups in the community, plus P-TAs, send "delegates" to a kind of "convention" and propose candidates.

The various candidates would be considered, possibly upon the basis of their "qualifications" and "reasons" for seeking office, and ultimately a candidate would be agreed upon. Mrs. Apicella produced a rather elaborate list of qualifications (beyond the nominal legal qualifications of residence in the district, etc.) and we were particularly struck by "must have community pride".

Now, pride in community is what we have been harping upon for many a moon and in the process have been accused of stirring dissension and arguments.

The Education Assoc. (not to be confused with the Advisory Citizens' Committee which got started last week under School Board auspices) does not display an over abundance of community pride. It is not known as "Hicksville Education Assoc." but rather as "Education Assoc. of District 17, Town of Oyster Bay". It certainly is a party to the thinking of certain south of the town line elements that Levittown consists of four school districts, nos. 5, 26, 3 and 17".

We are getting a little impatient with the insistence of the Education Assoc. that our school board proposes to start building a high school "this year". The Board has taken pains to clarify this notion—the architect has been directed to start drawing plans for a high school but such a project may take upwards of four years until occupancy.

In fact, two persons at the Assoc. meeting last week asked the chairman if there is any actual basis for controversy: school census figures quoted at the meeting show the urgent need for a high school about four years hence and the board says it will take that long to build it. Where's the argument?

But Mr. Leavitt, in a press release handed to us since the meeting, continues with the same cry: "If we have to watch expenditures", is his quote, "then we must ask ourselves if spending four million dollars on a high school at this time will be the best way of solving the crowding in our schools." There it is again.

The Education Assoc. "is pleased" that two of its members are named to the Advisory Committee but wonders at the reluctance of the Board of Education to extend to it the privilege, as it did other organizations in the area, of selecting its own representatives on the committee. Perhaps they protest too soon. Last week's announcement made it clear the committee is still not completely named.

HERALD READER OPINIONS: Who Is Trying To Create Issues?

Again I must ask — what is the real objective of Mr. Miller and the NLHOA? It seems they just want to keep stirring up dissension in our community.

Let's take the postal district boundaries. Miller and the NLHOA is now going around with petitions trying to get the boundaries changed to include our section in Levittown. Why?

Miller was present at the home of Congressman Ernest Greenwood in Bay Shore when Lawrence Roman and a group of local people, including myself, went to ask the Congressman to have the Post Office Dept. leave the Hicksville boundaries intact. At that time, Postmaster Mollitor produced a letter from the Postmaster General definitely setting the postal boundaries. Mr. Mollitor explained how the decision was reached after careful investigation and study for nearly two years. The Post Office Dept. made its decision and everyone was delighted.

Miller, and another NLHOA member, present at that meeting, heard the decision and accepted it. Now we find Miller and the NLHOA is attempting to upset the

sites marked upon them. But after we had moved into our homes we found Levitt had not built any schools nor contributed anything towards the school construction cost. Levitt sold the "school sites" on the maps to the Hicksville School District and the people in the school district had to pay.

We are paying along with the rest of the people in Hicksville for the property, sold by Levitt, and for the buildings. We are paying \$2000 a week for school buses until the schools are built nearby and our children are on half sessions because Levitt did nothing to provide schools.

Everybody is blaming the school board for "not planning ahead." They blame Hicksville but they don't know the true facts. I'll have more to say about this in a future letter.

Mr. Miller and the NLHOA doesn't care to inform the public about these facts — but they get headlines in Levittown papers including one owned by Mr. Levitt, on a subject like "roadside signs."

Watch for my next letter.

NEIGHBOR DOWLING VIEWS NEWS:

Need For United Civic Action

By John C. Dowling

Grown' pains! Sometimes they can make a young person a bit uncomfortable, but we've never heard of anyone dying from them. If you don't believe us, see your family physician. He'll probably tell you there's no such illness and prescribe something to relieve the charley horse in your leg.

In any event the good people of Plainview can now rest a little easier. The symptoms are unmistakably clear. Plainviewites have joined the ranks — reluctantly in some cases — of those communities that have contracted grown' pains.

Every resident has a different remedy. Some think new roads or repair of the present ones is the first step in setting up a healthy town. Another group is clamoring for improved drainage. Particularly, since their homes were inundated when a nearby swamp overflowed. Their pleas deserve much consideration. Still another group raises the question: "What about street lights?" This also is of vital concern to the people of Plainview because the matter of obtaining adequate lighting, according to lighting company officials, depends

on the rapidity with which the order is placed. Many small communities have already started the civic wheels turning toward accomplishment of this objective. Unfortunately, Plainview hasn't.

Much confusion is evident. There are still other residents' factions that believe the answer to a healthy community lies in the formation of sectional organizations, each dedicated to a policy of community improvements and possibly, self promotion. This, in our humble opinion, is by far the most dangerous of all.

Many of these people who are advocating and even forming these organizations have their own businesses, are management executives, union officials, employees of large companies or union members. They wouldn't dare entertain a thought of this kind where their own business or union is concerned. Simply because they are fully aware of the ultimate result. Failure! It all reverts back to that simple adage: "United we stand, divided we fall."

One good, solid, united and hard-hitting organization carrying the banner for every resident in the community and devoted toward furthering the best interests of the

town in all civic matters is worth more than twenty similar or sectional organizations within the community. This writer believes that one community association having the support of every resident in Plainview is the only sound and businesslike way to get results.

Things we've just learned: the Plainview Civic Assoc. has set in motion plans to conduct a membership drive and expects to take up the question of street lighting in the near future . . . that within the next three weeks we should have some idea of the school tax rate . . . that the group opposing adequate lighting is in the minority . . . that you will receive your water bill sometime in March and every three months thereafter.

The Legionnaire

Charles Wagner Post
No. 421, American Legion

We were all set to start this column with the St. Patrick's Day dance until we stopped in at the Clubhouse Sunday afternoon and wonder of wonders — news in the box! So to pay our respects to the contributor we've changed our plans to lead off with the following items. Bob Scheferstein, one of our returnees to service, is currently back in Hicksville on temporary duty. His new address — Headquarters of Commander, Eastern Sea Frontier. Good to have you back Bob. See you at the Hall. Second item concerns Don Versteeg who is currently on duty with the Air Force in Alaska. It's good news for Don because his wife will soon depart this warm (?) climate to join Don at his station. We understand the Mrs. will leave on the first of March. Bon voyage!

There was another suggestion in the box of considerable merit but we'd like to see contributor Al Barlow for more details prior to inclusion in the column.

We note from the latest release of the National Public Relations Division of the American Legion in Indiana that there is a considerable battle brewing in Washington over VA reorganization, cuts, etc. Suggest you check the bulletin board at the Post on your next visit. Same will be posted.

March 15 is the date of the next big affair at the Clubhouse. It's your chance to enjoy yourself in an evening of dancing and fun in celebration of St. Patrick's Day. Tickets are \$1.00 per person and music will be supplied by Legionnaire Jimmy Cummings. This is the night the drawing will be held — the conclusion of our Post's efforts to raise funds for the Industrial Home for the Blind. Let's push these books and turn in the results to Ernie Gundrich by March 1st. And speaking of St. Patrick's

Day dance Walter Schlichting tells us that any large party for the dance should contact him in advance and arrangements will be made to reserve an appropriate table. After that Valentine dance we assume an overflow crowd can be expected on March 15.

Very happy to announce that the operating hours of the Clubhouse have been increased to include Saturday night. You can now enjoy Legion fellowship four nights a week. Take advantage of your Clubhouse!

This Monday night's meeting should be of interest to all members and we trust there will be a big turnout. The reason? — After the meeting movies in color will be shown. The entire show should take about one hour and the film titles, "Beachhead to Berlin" and "Sunset in the Pacific" should excite the curiosity of all of you. Come out and join the crowd and let us know what you think. Programs of a similar nature will be conducted from time to time if the response warrants it.

A new 14 page directory of Legion members is in the mail this week and includes all Legionnaires as of January 1, 1952. Frank Biagi gets a huge vote of thanks from all of us for his work in compiling the directory. By the way Frank — how's Army-Nite coming along?

There is another cleanup program scheduled for March 8th. Jimmy Carter, who has taken charge, has a good number of volunteers. However anyone anxious to help should see Jim at the next meeting on March 3rd.

Remember — The Industrial Home for the Blind, St. Patrick's Day dance, March 3 and March 17 meeting nights and

OFF SOUTH BROADWAY:

Taking Advantage Of Leap Year?

By Betsy Lauer
HI 3-2784 J

How many of you gals are taking advantage of Leap Year? The real big day is Friday, Feb. 29, but if he isn't caught by then, don't despair you still have the rest of the year. Isn't it nice, it's considered in good taste to ask for a dance, a movie date, any little thing your heart desires? Of course, he can say no, but then he isn't a gentleman and I'm sure that all you gals know only gentlemen. Guess there will be a lot of wedding bells ringing soon.

HARRIETT WOODS of Lee Ave. received her driver's license last Saturday. It sure must be a wonderful feeling.

Congratulations to the JWV Ladies Auxiliary on their wise choice in electing MRS. ETHEL LAUER, SR., (my Mom) as their new president for the next term. She is a wonderful leader and will play fair and square with all the girls. She has plenty of executive leadership experience for she has always held office in the many organizations with she's been affiliated. During the war she received many honors from National Office of Civilian Defense and the American Red Cross.

BUTCH RANKIN and MARQUERITE IVORY both of Lee Ave. are well on the road to recovery I'm glad to report.

EDNA and BILL OLITSKY of Sleepy La. and their brood of five spent Washington's birthday in Tarrytown. Had a good time but it is always good to get back to Hicksville.

MRS. HELEN LYNCH of Brooklyn was the Sunday guest of MRS. ANDREAS and son, Richard, of 172 Cottage Blvd.

Mrs. MARY SCHOEMMELL of 7 Fairview Court was hostess at her home Wednesday night for a Stanley brush demonstration. Her guests were Kitty Hernerlein, Shirley Vereka, Harriett Woods, Evelyn Cornell, Regina Kachinski, Josephine Cava, Marge Cava, Agatha Chase, Jay Parker, Rene Francis. Mrs. Woods won the door

prize. Refreshments were served and everyone had a wonderful time.

Mr. and Mrs. EUGENE FELDER of 1 Balsam La. are the parents of a daughter, Evelyn, born on Feb. 22 at Nassau Hospital, Mineola. The baby weighed 8 pounds and 5 ounces.

I made an error in reporting about her stork shower—called her Mrs. Selder instead of Felder. My humble apologies.

The TEUBNERS of Lee Ave. entertained Mr. and Mrs. Joseph Matthews and daughter, Margaret, of Huntington Sunday.

HILDA MERKLER from next door had her family, Mr. and Mrs. Reichenbach and daughter, Loretta, of Flushing as guests for Washington's Birthday.

MRS. GLADYS STERMER of North Dr. was the guest of honor at a stork shower held recently at the home of Mrs. CECELIA SLOAN, 136 Cottage Blvd. The shower was given by members of the Wanderers Club and the decorations were in blue and yellow. A large cake inscribed with "Good Luck Gladys" was the centerpiece of the refreshment table. A stork stood over the many lovely gifts.

Guests included: Mrs. J. Hickman, Mrs. Kitty Bletch, Mrs. Bea Smith, Mrs. Anna Steiner, Mrs. Mabel Teubner, Mrs. Henrietta Bolger, Mrs. Helen Ohlenshager, Mrs. Bea Aranson, Mrs. Marie Seeger, Mrs. Peggy Roe, Mrs. Gladys Roe, Mrs. Johanna Crew, Mrs. Rose Manaske.

We all went to the Bronx Saturday to see my mother and sister, Iris. The kids love to go to the Bronx. Wouldn't you love it, if your aunt had a candy store?

Get in the swing for Girl Scout Cookies. The spring drive will soon start.

270 READY TO START MONDAY

Begin Holy Family Parish Census

Over 270 men and women volunteers have been organized into a group which will start out through the area covered by Holy Family Parish to take an accurate census of the parish, beginning next Monday, March 3rd. At a meeting held last Sunday evening, the group received instructions from Rev. Martin O'Dea, Pastor,

and Edward Collins of 30 Hope Lane, Hicksville.

A meeting of section leaders is scheduled for tonight (Thursday) and a final meeting on Sunday, March 2. All meetings are being held in the meeting room of Levittown Hall and are run from 7:30 to 9 p.m.

The Census Committee under the direction of Collins is composed of William O'Mara, Donald Phelan, Joseph Reichert and Robert Uzar. Their plans, now complete, call for the census to be finished by Sunday, March 16. During the two-week period every single one of the 4678 homes in the parish area

which is partially in Hicksville, Levittown and East Meadow, will be surveyed.

Chairman Collins stated that all enumerators will carry a personal letter from Rev. O'Dea to each parishioner. New homes which are now being constructed in the parish area will have their census taken upon completion and occupancy, it was stated.

9 From St. Stephen's Church Are Studying For Lutheran Ministry

A national record is being established by St. Stephen's Lutheran Church of Hicksville with nine young members of the church studying for the Lutheran ministry at the same time. One of the group, Charles Phillip Seltzer, is scheduled to be ordained as a Lutheran minister this Sunday, Mar. 2, at Silver Spring, Maryland. The group of nine began their studies during the ministry of Rev. Howard Rogers, pastor of St. Stephen's Church.

The ordination ceremony will take place at St. Luke's Evangelical Lutheran Church in Silver Spring, Md., by the New York Synod. The Rev. Robert E. Lee and the Rev. Rogers of St. Stephen's will officiate at the ceremony at 4 p.m.

Mr. Seltzer will be assigned to a church in Maryland by the Rev. Dr. J. Frank Fife, president of the Maryland Synod.

Mr. Seltzer is the first ministerial student from St. Stephen's Lutheran Church to be ordained to the holy ministry. A resident of Levittown, he was an active member of St. Stephen's for about three years. He received his BS degree from the University of Maryland and Bachelor of Divinity degree from Hamma Divinity School in Springfield, Ohio. He now resides with his wife and three children in Maryland.

THREE FROM ONE FAMILY

Under the spiritual guidance of the Rev. Rogers, pastor of St. Stephen's, the nine members of the parish have entered upon religious careers for the first time in the history of St. Stephen's. Three of the students are Juanita, Robert and Harold Harter, children of Mr. and Mrs. N. B. Harter of 140 West John St., Hicksville.

Miss Harter graduated from Wittenberg College, Springfield, Ohio, last year cum laude. She received a BA degree with a major in sociology and was awarded a scholarship to Hartford Seminary, Conn., where she is now doing graduate work. Miss Harter is training to be a parish worker.

Robert Harter attended St. Olaf's College in Northfield, Minn., for three years and was graduated from Wittenberg College in Springfield, Ohio. He is now a student at Hamma Divinity School in Springfield. A veteran of World War II with the U.S. Army, he is married and has a son, Brian.

A student at Hamma Divinity School in Springfield, Ohio, Harold Harter graduated from St. Olaf's College in Northfield, Minn., in June 1951 with a BA degree. While at St. Olaf's College he was a member of St. Olaf's Choir that toured the mid-western and northern states last year in a concert tour.

MINISTER'S SON

Eugene Kreider, son of the Rev. and Mrs. Eugene Kreider of 20 Park Pl., Hicksville, will graduate from Muhlenberg College in Allentown, Pa., in June of this year. He will enter the Chicago Lutheran Theological Seminary this fall.

While a student at Hicksville High School, Eugene was president of the Honor Society.

Upon his graduation from Wittenberg College in Springfield, Ohio, in June 1951, John E. Christ, Jr., is now doing graduate work in theology at the Hartford Theo-

"OUT OF THE FOXHOLE" . . . WELCOME TO RENEWALS: Jack Rhine, Dick Hattenbach, Bill Gates, Bob Sopher and George Strempel. WELFARE BELL NEWS: Rhine Fuel Co., first outfit to answer our request for ads. Don't forget it's "Vol. Number and his orchestra" that's playing the tunes that night. IT'S THE TRUTH . . . BELIEVE ME. AMVETS have been organizing new posts on the average of one per day since Oct. 1, 1951. New York State Dept. of AMVETS ranks tenth in the top 15 states. MAINLY ABOUT OUR MEMBERS: Auxiliary members, Trudy Ulmer and Helen Gray enjoying the sunshine on the sunny beaches of Florida. Vinnie Wakeman now a member of Post 11, Plainview. VETERANS HEAR THIS: The V.A. will pay the dividend to all policyholders who kept their insurance in force for at least three months between the 1951-52 anniversary dates of the policies. Those who have not filed for their New York State Bonus as yet . . . there is no deadline, from what I hear. OUR MONTHLY AFFAIR: Attendance was over the 60 marker. The Mignone brothers giving out a big helping hand. Rocco as usual the "life of the

party". Auxiliary member, Peggy Hattenbach doing one swell job on the Heart Beat. Mary and Blackie once again coming all the way from Jersey to be with us. The Chinese lanterns and colored spotlights making nice patterns on the walls. The corner table with those seven nice people want us to remind them of our next affair. Harry (the thrush) Zvonik now goes under the title of the "new cube man". Next regular meeting will be held Mar. 7. Mr. Hattenbach and Mr. Rigby of Mitchel Field will be present to JOIN. THANKS TO: Howard Patton for the desk he donated to the club. We have clinched a trophy for bringing back many renewals and that's something to be real proud of. AL Hanlon, VFW member is now the Sec. Treas. of the Hicksville Veterans Council . . . good luck fellow. It would be nice Commander Podolski, if you could visit the Council some meeting and see how it operates. Remember fellows . . . AMVETS do not judge a man by his disability but by his capabilities, urges industry, business and labor to do likewise in considering them for employment. We support the program of aid to the physically handicapped. So now until next week let me close by saying . . .

With courage flying by his side
He winged into the sky
To plead for peace and sanity
Ere young and old should die.

HICKSVILLE GABLES:

Gables Road, Drive Is Confusing

By Ruth Schulz
HI 3-2549 R

It has occurred to me from time to time to wonder how those of you who live on Gables Road and Gables Drive feel about this similarity of street names? I am told it is a comparatively simple matter to make a change and it seems to me it would be easier on all concerned. It isn't that it's such a terrible nuisance for general routine matters, but in an emergency, such as need for an ambulance or fire engine, it might cause undesirable delays.

I know because one day, not so long ago, a doctor actually came to my house thinking he was on the "Drive." This was no annoyance to me, but probably was to the doctor and the patient who was waiting for him. For the little bit of trouble involved to those who

would be on the street to make the name change, I feel it would be well worth it. How do you look at this situation? If you want something done about it, let me know and we can go on from there.

You know, I watched something the other day that still lingers in my much impressed mind. Arriving at the East St. School about 15 minutes too early to pick up our young son and a neighbor's boy, I decided to wait in the hall out of the cold. There was a window in the door to the room where children were and having a natural female curiosity, I did a bit of peeking. Well, I observed one kindergarten teacher with 35 pupils who was singlehandedly practically dressing each and everyone of those children. This is, no doubt, one of the numerous jobs confronting all teachers of the lower grades and I take my hat off to all of them. And you and I complain when we have to dress two or three for the great outdoors!

A few of the small fry hereabouts celebrated birthdays recently. On Feb. 21, CHRISTINE SEITH of 15 Gables Rd. was 3 years old and Feb. 23 was the fourth birthday of BARBARA FEYERSTEIN of 31 Gables Dr. Poor Barbara has been shut-in with measles, so of course, any party had to be postponed.

* CAROL JEAN FERNANDEZ of 9 So. Elm St. was 4 years old on ELIZABETH.

Feb. 20 and had a few of her little playmates in to help consume her birthday cake and ice cream. Her little guests were RONNIE REILLY, JOHN and RICHARD BRODERICK, BARBIE and JIMMY GRAHAM, BARBARA GEORGE, ALLEN and RITA GIANELLI and MARY MEYER. Completing the list were older sisters, BETTY andADELE.

There was a triple birthday celebration in the BELINSKI household at 37 Gables Dr. as FRANCINE was born on Feb. 12, Mrs. BELINSKI on Feb. 16 and little THERESE, who was three on Feb. 21. Joining them on this happy occasion were sisters, BETTY, JOAN and BARBARA and brother MICHAEL, also BARBARA and LINDA KLEISS, MICHAEL ELLEN and NANCY KEPLER, PATTY STEVENSON, Mrs. KEPLER and Mrs. J. SANTOS.

Young RONNIE REILLY of 7 So. Elm St. reached his fifth year on Feb. 22 and was host at a party given in his honor. Guests included CAROL JEAN FERNANDEZ, JOHN BRODERICK, BARBIE-GRAHAM, HARRY GEORGE, and brothers TUCKER and DONNIE and sister CAROL. A few little cousins from out of town were also present.

Mr. and Mrs. ROBERT ARMSTRONG who have been living at 21 Gables Rd. for the past year, have recently purchased their own home in Westbury. They left our community last Saturday along with daughters CAROL JEAN and ELIZABETH.

Bethpage People

By Dorothy Guelph
Hicksville 3-2118 W.

Two American flags will be presented to Explorer Post of Bethpage by the Boy Scout Mothers' Club, it was announced at a meeting held on Feb. 18.

Henry Rockhill and Sgt. Charles Price, explorer leaders, guests at the meeting, explained the need for Bethpage men to assist in taking hikes on week-ends this summer. Anyone interested should contact Mr. Rockhill.

Refreshments were served by Mrs. Anita Roth, Mrs. Mary Marrs. Mrs. Charles Gaiser was the dark horse winner.

Glad to hear George Lee is home from the hospital.

The Mothers Club of St. Martin of Tours Church will hold a cake sale on Mar. 2, from 9 a.m. to 12 noon in the parish hall. Mrs. Ann Slater is the chairman.

The Rosary Society will tour Fairchild's Funeral Home in Garden City on Mar. 25, according to Mrs. Ruth Armstrong, president. They will leave Bethpage at 7:30 p.m.

Mrs. Arthur Allen, Mrs. Emma Krulish, Thomas Hession, Patrick Foley, Milton Seigmann, Mr. and Mrs. Wesley Claes, Mr. and Mrs. DeGrove Muir, Mr. and Mrs. Robert Dateman, Mr. and Mrs. Carl Severson, Mr. and Mrs. Clayton Hart, and Mr. and Mrs. William Treherne were united with the Beth-

page Methodist Church on Feb. 17.

Miss Louise Kinney of Beverly Rd. spent the week-end with her grandparents in New York City.

Mrs. Elizabeth McNamee and Mrs. F. Victor Guelph represented Bethpage at a board meeting of Nassau County Council of Catholic Women held Monday, Feb. 18, at St. Anne's School in Stewart Manor.

A new drug store is now open at 12 Railroad Ave., Bethpage. Sam Levine who formerly operated a drug store in Brooklyn is the proprietor.

To Build 13 Homes
A group of 13 new homes are being constructed on Lee Ave. by Mrs. Claire Brodbeck of 530 Central Ave. They will be 4½ rooms, with basements, tiled bathrooms, expansion attics and attached garages.

CARD BENEFIT SET
Final plans for a card party to be held on Mar. 8 were made at a meeting of the Bethpage Fire Auxiliary.

Mrs. Louise DeWitt is chairman. Her committee includes: Mrs. Jeanette Curcio, Mrs. Lorraine Arance, Mrs. Mae Sisia, Mrs. Edna Looney, Mrs. Betsy Curcio, Mrs. Emma Deubel, Mrs. Dorothy Rabine, Mrs. Marian Ruggiero, Mrs. Mary Campagne and Mrs. Kay Maxie.

A donation of \$5 was approved.

Mrs. Valerius Heads Red Cross

BETHPAGE—Mrs. Peter Valerius of 5 Cambridge Ave. has been named chairman of the Bethpage Red Cross Fund drive which begins here on Mar. 1. A quota of \$700 for this community has been assigned by the County Red Cross. Mrs. Valerius replaces Paul F. Wilson who was originally named to the post.

for the Bethpage Polio fund.

Miss Lorraine Thorne was welcomed as a new member.

Mrs. Olga VanThaden of 76 Elgin St. was awarded a bedspread and drapes. Mrs. Jeanette Curcio was the dark horse winner.

CANCER WORK REPORT
Mrs. Rose Moulton, cancer chairman of the Archie McCord Legion Auxiliary, reported that a total of 68½ hours of work by members made 4,134 dressings, at a meeting of the Auxiliary Thursday, Feb. 21.

Mrs. Mae Strong, membership chairman, reported that the quota of 31 members was filled on Jan. 1. Mrs. Marcelle Enaley was elected corresponding secretary to replace Mrs. Marie Arceri.

Members are now sewing for the "Save the Children Federation"; it was announced. Mrs. Marian Warhane won the dark horse.

AWARD EAGLE SCOUT
A Father-Son dinner for Bethpage Boy Scouts of Troop 118 was held Wednesday, Feb. 20, at Corre's Restaurant with about 50 in attendance.

Edwin Hemm was awarded the Eagle Scout badge by David LeFeber, Scout executive of the Tri-Parkway District. Scout Dave Fleming showed movies of Filmont Scout Ranch.

Mr. and Mrs. Carl Elmig and Mr. and Mrs. Henry Rockhill attended Filmont Night at Harkness Training Center Saturday, Feb. 23. They were accompanied by their sons who will attend Filmont Scout Ranch this summer.

DISCUSS SCHOOL SITES
The proposed school sites were discussed at a meeting of the North Bethpage Civic Assoc. on Feb. 20, held at the clubhouse on Stewart Ave. It was voted to sponsor the Junior Deputy Sheriffs.

Joseph Novak, Sr., was introduced as a new member. Colored slides taken at the children's Christmas party were shown by Thomas Oliveri. Mrs. Oliveri and Mrs. Manalori were in charge of refreshments.

Mr. and Mrs. Anthony Schumacher of 42 Cambridge Ave., Bethpage, are the parents of a son, Thomas Joseph, born at Nassau Hospital on Feb. 25, weighing 7 pounds.

St. Ignatius Sets Detention Period

HICKSVILLE — The Mother's Auxiliary of St. Ignatius School met on Monday evening at the school, Mrs. Dorothy Willard, president presided.

Mother Adelaide, school principal, thanked the Auxiliary for Christmas presents to herself and the Sisters and also for the mimeo-

graph machine that the group donated to the school. Mother Adelaide also told the mothers that a detention period will be held on Thursdays after 3 p.m. for all children who in any way misbehave during the week. The principal also said that all children who are absent from school with any contagious diseases, must have a doctor's release before readmittance to classes.

Volunteers are asked to help in lunch hour supervision and with medical check-ups. Those who cannot help at the school are asked to instruct their children that those who are in charge are to be obeyed and respected.

The Auxiliary along with the Catholic Daughters and Rosary Society of St. Ignatius will host at the next monthly meeting of the Nassau County Council of Catholic Women. After benediction at St. Ignatius, the group will meet at the school hall. Refreshments will be served after the meeting.

Mrs. Doris Martens and Mrs. M. Gephart won the dark horse prize for the evening.

CESSPOOLS?

What a topic—but sooner than you think—you'll need a cesspool man to pump it out—and that's an expensive job, brother. In this area, with so many small homes, with not too much ground area separating one from the other, it happens when you're not lookin'.

After all, what is a cesspool but a tightly covered hole in the ground usually surrounded by cinder or cement blocks—or loosely laid brick or stone. The liquid sewage seeps into the soil and the solids remain in the pool. Capillary action decreases rapidly in a cesspool from the accumulation of grease on the sidewalls caused from the oils in sewage waste. Seepage soon is at a standstill. When this occurs, the liquid may overflow or seep to the surface of the ground, or may back up into the sink or toilet thru the plumbing. This is the beginning of trouble—a nuisance to you and a menace to your health. Ordinarily a cesspool should be cleaned once each year.

So—don't neglect this very necessary part of your house—or it's gonna cost you \$\$\$.

Why not write in or call your "Uncle Tom" for information regarding CAMP CESSPOOL CLEANER, the NEW modern way to clean sewage systems? For less than \$10.00 you can free yourself of a big expense. No Mess—No Fuss.

NORTH EAST REPORT:

Word Of Praise For Dog Catcher

by LEE CHANIN - HI 3-0638R

One of my readers has asked me to extend her thanks to Dog Warder BAILEY and his staff at our township Dog Pound in Locust Grove. She has had occasion to go down there and was pleased to find that it was very capably and efficiently managed. The attitude toward each animal was gentle and sympathetic. The staff has a tremendous job to do and it would simplify matters enormously for the dog pound if people took greater pains with their pets.

If we, as a whole, would not allow our dogs to run loose and unmuzzled, there would be fewer stray dogs, fewer complaints from irate citizens about property damage and injury to children, and as a general rule, a more harmonious attitude between pet-owner and "dog catcher."

Briar Park, Plainview:

Our First Water Bills Not Too Bad

By Ethel Rooney
HI 3-2432 J

Hello, Folks,

How did you like the winter weather we finally got? Isn't it a shame? Everything was turning green and then it had to snow and freeze. I looked at my tulip beds a few minutes ago and so far, everything is still alive. I can just keep on hoping.

Did you know that as residents of Nassau County, you can get free chest X-rays at the nearby Nassau County Sanitarium? All you need is a note from your doctor. The hours are from 1-3 p.m. on Mondays and Thursdays. Jimmy and I went last week and I was surprised at what a beautiful place it is.

PATRICIA McMAHON has been sick in bed with a bad cough all week. She is still coughing a good deal but at least she has no more fever and is on the road to recovery. She is not the only one. I hear a lot of the youngsters coughing on the streets or in the stores. I guess we can blame it on the weather in part.

I've had a few calls asking me about the new bus line which is to start in a couple of weeks. Well, for general information, I haven't heard more from the bus

company, but will let you know the details as soon as I get them.

About the biggest excitement in Briar Park this week was the receipt of our water bills. This is the first time since we are in that we received them, so the bills had to cover fifteen months for us. Here on Virginia Ave., we pay ours direct, not through a bank. Ours was not too bad for the amount of water we use, but I've heard of some that ran over \$50 per month, which is ridiculous. I would not be surprised if the subject comes up at the Civic Assoc. meeting this week.

By the way, don't forget, the Briar Park Home Owners Assoc.

will meet this Thursday, Feb. 28, at the Manetto Hill School at about

8:15 p.m. The plans call for nomination of officers though I've heard

that some men are planning a motion to have the officers elected at the same time, if enough people attend.

As things stand we still have no officers and cannot actually conduct any official business until we do and they would like to get

started acting on such things as piped gas and street lighting.

Is your subscription running out? Don't forget to let me know and I'll be glad to take care of your renewal.

Unknown Gentleman Gets Thanks

Hi Folks:

Another week rolls by — soon Spring will be here before you know it.

Residents of Hicksville and Levittown have had a few disagreements in the past, but let me say here and now there is one GENTLEMAN in Levittown, who did us a big favor. He helped six girls change a flat tire at 1 o'clock in the morning. Wish we knew his name so we could thank him.

I hear there's one girl in Hicksville Park who bowls better with every bear she has.

I think ERNEST DIETERICH of McAlester Ave. deserves a great big hand on the good job he did on Fire Company 4 ANNUAL DINNER Saturday evening.

MARTHA LAUER of 63 Underhill Ave. has a birthday on March 5th. Best Wishes to you Martha.

MR. and MRS. JAMES CON-

So, let's cooperate with the hard-working crew at the pound and show our admiration for a job well done by doing our share!

CAR POOL COMMENTS

ATTENTION, RICK SACCO! In regard to your phone call last December concerning a car pool going to Manhattan or Flushing Meadows' Parking Field, please contact GERRY SINGER, Hicksville 8-1978W for more particulars.

If anyone is interested in working out a car-pool arrangement, please contact me and I'll be glad to be of service.

HAPPY BIRTHDAYS

MAC and LEE NATHANSON, 5 Violet Ave., celebrated their birthdays a week apart, on Feb. 10 and Feb. 17, respectively.

BUTCHIE HAGGERTY, of 25 Violet Ave., reached his third birthday in grand style on Feb. 20.

Cold, Hard Facts

Cold, hard facts confront anyone considering a possible Hicksville upset over Oyster Bay Friday night.

Hicksville lost 56-41 on their January visit to the Baymen's court. That was when Harold Manskie, Harry O'Mack, Doug Jones, Joe Fasano and Harry Erenwein were still on the Comet roster.

At full strength the Comets gave the Baymen their closest league game of the season. And that was a 15 point win! Since then George Hawkhurst, regular on last year's County championship team, has rejoined the Oyster Bay club and their wins have been awesome as their victory string has run to 28 straight.

In recent outings Farmingdale and Westbury have seen Oyster Bay post 90 points against them and Roslyn and Sea Cliff have gone down by 25 points.

In the matter of front line strength and reserves, Oyster Bay has a wide edge over the Comets.

All things point up the tremendous edge Oyster Bay has for the clash.

Even the fact that Hicksville is very strong at home won't detract anything from the Baymen's favorite role.

Incidentally Hicksville has the longest home winning streak in the County at the present time. Oyster Bay has rang up 13 straight on the homeboards but Hicksville has now scored 14 straight wins in its own gym. Long Beach holds the County record of 20 straight wins on its home court.

It was Oyster Bay which closed the 1950 campaign with an eight point victory at Hicksville. That was the lone home defeat the Orange has suffered in three seasons. The Comets in that period have won 22 and lost 1. Friday's visitors have an impressive five year home mark of 37 wins and 3 losses.

Speaking of record Oyster Bay is really threatening Port Washington's mark of 35 straight victories chalked up during the 1945-'46, '47 seasons.

Undoubtedly coach Dick Crawley wants that mark bettered and that will be another reason the Baymen will try and stay in top speed against the Comets.

Although the entire county will be rooting for them the Comets haven't got many in their corner that believe they can stop a clear cut Oyster Bay title.

The cold hard facts are against them.

But they also have something no one thought they would have either—the chance to refute them.

Comets Keglers Lose At 4-1

MINEOLA — Third place Mineola took four points from Hicksville in the NSAL Bowling match here on the Community Alleys, Monday afternoon, as the Comets were continually harassed by splits.

The County Seaters took the first match 668-618 as Steve Bruchell rolled 134 for the losers. In the second match Richard Hille was high for the Comets but Mineola eked out a 669-665 victory.

A spare on the final roll was avoided when Bruchell stepped over

Westbury Beaten 55-53**Alcock's Glittering Career To End As HHS Meets Invincible Baymen**

HICKSVILLE — The most glittering chapter in the history of Hicksville High basketball is scheduled to come to an end this Friday night when Dick Alcock will lead his spunky Comet team mates against unstoppable Oyster Bay here in this court. Alcock has worn the Orange and Black for three campaigns and the Comets during that span took 42 victories in 49 starts with Oyster Bay's forces taking five of those decisions in their rush to two Nassau County championships.

This season the Baymen were undefeated in 12 starts and Hicksville lost only one—that to Oyster Bay—in 14 starts. If form holds up, this struggle could be for the Eastern Division championship or a share in it. Hicksville needed to hurdle Sea Cliff to move into this contest one game behind Oyster Bay.

Hicksville was pressed to the limit, last Friday night, by its ancient Westbury foe before gaining a 55-53 victory.

The shrewd substitutions of Coach Chet Jaworski, the brilliance of Alcock and the fine work under

the boards of Sean Kellner—the Oyster Bay contest also marks his scholastic farewell—that has held the Hicksville club in the front ranks, saw the Orange through again.

Burdened with first half fouls, Hicksville was forced to slow down in the second half and run the clock off as it protected a 32-23 half-time lead.

However, Westbury which hit with fifty per cent of its shots in the first half, did slightly better in the fourth quarter and cut the Hicksville advantage to 50-46 with three minutes remaining.

Unmindful of the roaring crowd, Alcock sank five straight foul shots in the closing minutes to save the rough and tumble scrap for the Comets.

He wound up with 18 points and Kellner was right behind him with 16. Alcock dropped in 10 foul shots in 14 attempts and Kellner netted six points at the free throw line. Hicksville with 21 foul conversions was outscored from the floor 21 to 17 but Westbury hit with only 11 free ones and that was the difference.

Oyster Bay Tickets On Sale

Hicksville High students are rallying around their basketball team in its attempt to upset powerful Oyster Bay here Friday night and the demand for tickets is running high.

Parents, alumni and friends of the Orange and Black are urged to get their tickets early for the contest. They are on sale at the office of Miss Mable R. Farley, Principal of the high school.

The supply is expected to be exhausted by Thursday. The capacity of the Hicksville gym is about 250 persons and the request for tickets could easily surpass the 1,000 mark.
