Call Forum For Monday Night On Split Park District Question

Entered as Second Class Matter at Hicksville, N. Y., Post Office.
Vol. IV, No. 11—Hicksville, N. Y., Apr. 10, 1952—Copy 5c

HICKSVILLE—A forum meeting upon the proposal to split the Park and Parking District and its significance to the more than 6,000 property owners involved will be held next Monday night, April 14, in the high school auditorium. Mead C. Dobson, managing director of The Long Island Association, has consented to serve as moderator for this "town meeting". There will be three speakers and opportunity for questions from the audience. The meeting will start at 8:15 o'clock.

Gov. Signs Bill
Gov. Thomas E. Dewey late last week signed the bill which will allow Oyster Bay Town Board to hold a public hearing on the proposal that Hicksville Park and Parking District may be cut down in size, paving the way for creation of a new Park District embracing only the Levitt-built homes in Hicksville. The Town Board is not expected to set a public hearing date until after its next regular meeting on Tuesday, Apr. 15, according to Town Clerk Leslie C. Disbrow.

Since there must be at least 10 days advance notice of the hearing, the official Town Board consideration of the proposal is not expected to take place until the end of this month.

To crystallize opinion and bring the issues involved to the attention of all interested — local property owners who may be confronted with a change in their tax burden because of a split in the district — the "town meeting" or forum has been scheduled for next Monday night.

Expected to take part in the meeting are the South Hicksville Association of Levitt Home Owners, the North Levittown Home Owners Assoc. and the Hicksville Civic and Community Assoc.

This weekend circulars will be distributed throughout the Levitt-area in Hicksville urging the public to attend. Residents will be warned that "taxes are likely to increase" and that the meeting Monday night will provide the opportunity to find out the full facts. Widespread radio and press advertisement of the meeting is being sought by the sponsors.

Gov. Dewey in signing the bill attached a memorandum which notes that the Nassau County Attorney had written his approval of the measure and that enactment of the law was requested by Oyster Bay Town Board. He noted "the bill is permissive in form. It will enable resolution of a local problem by the Town Board".

The county attorney was quoted: "The enactment of this bill would permit the town to hold a public hearing and explore the question, with power to divide the district (Hicksville Park and Parking District, which is cited by name), if, after a full consideration such division should be deemed in the best interests of the people of the district as a whole".

The three panel speakers are expected to concentrate upon three phases: (1) division of the district as it concerns the district as a whole, (2) support for division of the district, and (3) opposition to the division.

Dear Jean:

The entire community is being invited to **EASTER DAWN SERVICES** at 6 o'clock this Sunday morning at the Plainview Chapel on Central Park Dr., 500 yards north of Old Country Rd. We recall the Easter Dawn Services of old which were arranged largely thru the efforts of DR. ELWOOD A. CURTIS at Bethpage State Park. . . . Radio hams were busy checking and testing the Civil Defense radio transmitter in Hicksville firehouse, Monday night. Your local CD has ordered an additional transmitter to be installed in Plainview Firehouse for emergency intercommunication. The equipment will be given a workout during the CD alert on Saturday morning, Apr. 26. . . . Neighbor DOWLING's popular column is not in this issue due to his illness. . . . It was a "double false" on Monday when box 312 sounded twice. The second time was due to a slip of the hand while the box was being "wound" after the first alarm. . . . Older than the Hicksville Fire Dept. is Hook and Ladder Co. 1 which celebrated its 83rd anniversary recently. It was organized in 1869. . . . County VFW will hold its military ball at Garden City Hotel on May 10. . . .

Lost keys are being turned in at the HERALD office next to Hicksville Post Office quite often here of late. The High school office on Jerusalem Ave. also reports a set of keys turned in there bearing the license number 2R 44-12. You're welcome to call us if you've lost some keys lately and we'll try and help you locate them. . . .

Long Island National Bank directors were scheduled to meet yesterday at the Golden Pheasant. . . . Two attempts to get a joint committee of Lions, Rotarians and Kiwanians working on joint signs at entrances to the community have failed thus far due to mixed signals. . . . There is going to be a Magic Show for children and adults this Saturday at the Community Hall, Levittown Pkway, at 2 o'clock. If you want tickets (50c donation) call chairman Mrs. ARTHUR HAMMEL at Hicksville 5-4031 R or at the door. . . . The Town of Huntington is celebrating its 300th birthday this year which recalls our Tercentennial of 1948. . . .

Home after 8 1/2 months in the hospital, HENRY R. STRAUBER attended his first meeting with the Bethpage Fire Commissioners last week. . . . LEON A. "JaRa" SWIRBUL, president of Grumman's is chairman of the LI Industry Fund which distributed \$150,000 this week to nine local hospitals. . . . DERMOT P. DUNNE, former Hicksville resident, is chairman of the 1952 Charity Ball of LI Chapter, Knights of Columbus, which will hold this event May 2 in Brooklyn. WILLIAM WEST of Hicksville is a vice-chairman for Nassau. . . . HELEN UNDERHILL of Hicksville Red Cross branch gives notice that volunteers are needed for the Gray Ladies at Northport Hospital. . . . There is talk about the county health dept setting up a health centre in Hicksville shortly. . . .

At the fire department election, Monday night, DICK BRAUN got four votes, a gain in write-ins over his mark in other years. . . .

SMITH SHOWS FILM
HICKSVILLE—Lou Smith showed movies of his recent trip to Florida as guest of the Brooklyn Baseball Club during a meeting of the Rotary Club, Thursday, at the

Hicksville Inn. Smith is chairman of Hicksville Night at Ebbets Field for 1952 on June 30, which was endorsed by the Rotary Club.

NORTH WEST NOTES:

Says Francke Stand Lacks Facts

By James Cummings
 At the monthly meeting of the North West Civic Assoc. a well-attended group heard a well-rounded discussion on why Hicksville should be incorporated by Lawrence A. Roman, Chairman of the Incorporation Committee. On the other hand, Ernest F. Francke, spokesman for the opposition was not factual in his presentation, according to President McCarthy. McCarthy said, "Mr. Francke's address to the membership was not factual, all he covered was generalities."

Reports on the meeting stressed that a number of the residents present at that meeting were definitely not satisfied with what Francke had to say against the proposed incorporation of Hicksville. Several of them spoke with Mr. Francke outside and it was during this conversation that Francke stated that he would get Mr. Ransom, Mr. Brandt and one other board member to sit with the NW Civics to iron out their difficulties. I am now reminded of a "pledge" made sometime ago by Town Highway Superintendent Brandt regarding our miserable road conditions. As a matter of fact I telephoned his office in Oyster Bay last week to get an answer on when his men were going to start down here on the roads, to date — No Answer! There is no doubt that Mr. Francke will arrange the above mentioned meeting, but will that be enough? We have had nice weather for the past two weeks and not one indication that the Highway Dept. is going to start on these roads — what happened?

OFF SOUTH BROADWAY: Beautiful Displays For Easter

By Bonny Lauer
Hicksville 3-2794 J

I feel just like a million dollars, for a change. All the kids are well, everything is nice and smooth. The weather has been wonderful except for Saturday but then "if you want those flowers, you must have showers." Guess I'm as happy as a lark you couldn't make me angry if you tried. So what if Paul just fell in a big puddle and Iva tore her pretty dress on the ladder. I'm just at peace with everyone and anyone.

Went to the Bronx with the kids after Sunday School and had a lovely time, especially the kids at the candy store.

All the local stores sure have beautiful candy bunnies on display. They look so real you'd expect them to jump right out and greet you. Speaking of bunnies, the SYBODA'S of Lee Ave. have two real live ones in their backyard. One is all white and the other is gray. The kids just love them.

GARY BURNS of Tiptop La. celebrated his fourth birthday with a party for his friends and relatives Saturday afternoon. The decorations were in a circus theme and his guests were: Mr. and Mrs. Allen Burns of Floral Park (grandparents), Mr. and Mrs. John Mullens, Miss Elaine Clark. The small fry included: Paul and Gerry Branzel, Barbara Gamson, Susan and Carol Rathner, Jackie Wells. Games were played and everyone received a prize. It was a wonderful party and no one wanted to go home.

Ethel and Elliott Lauer and two children from next door spent the weekend visiting relatives in New Jersey.

Mom entertained members of the executive committee of the JWV Auxiliary at a meeting in her home Tuesday night.

Mrs. MARGE GANGE and son, Joe, Jr., are visiting her mother in the city. She'll never recognize her backyard when she gets back because the building on the farm has been started. There are large piles of top soil all over and all sorts of machinery around.

Everyone's lawn is starting to turn green but we always want to be different, so ours is still yellow.

JUDY ROSENTHAL of 45 Autumn Ln. celebrated her 10th birthday with a supper for her friends on Tuesday, Apr. 1. Her guests were Carole Levine, Eileen Rudnik, Mark Rosenthal, her cousin Mark Rosenthal, Bruce Parker, Ann and Bruce Williams, Donald Wiley, Penny Rosenberg, Ellen Gorenstein, Sheila and Peter Dewitt and her friend, Tina. Everyone had a wonderful time though mama was kinda tired when she came to a meeting of the Ladies' Auxiliary of Congregation Shaarai Zedek later that night.

I'm collecting clothes for the "Save the Children Foundation" and when I have enough I plan to send them to the Navajo Indians. Any usable clothes you have will be appreciated. Please have them clean. Everything except high heel shoes are acceptable.

Mrs. Merton Wilbur, who presided, announced the final plans for the overnight leader training trip to Camp Edey on May 2 and 3. The purpose of the trip, according to Mrs. Wilbur, is to acquaint the leaders with camp routine so that they may later bring their troops on overnight trips to the camp.

Several uniforms are available through the Uniform Exchange Committee according to Mrs. Roy Deets. Interested parents can contact Mrs. Deets any evening at Hicksville 5-7845 W. It was decided to conclude the clothing drive for Korean war sufferers on Apr. 15. Already one truckload of used clothing has been collected and sent to the drive headquarters in New York.

BRIAR PARK, PLAINVIEW: Home Owners Meet Jack Brandt

By Ethel Rooney
Hicksville 3-2432 J

Hello Folks:

Isn't it wonderful to see blooms outdoors again? I've got a dozen hyacinths in full bloom and it is a pleasure to look at them. It's fun to watch the men too. They are using muscles that have been idle since last fall, working on their lawns. I finally got Jim out on ours and, be the neighborhood dogs willing, we will soon have grass in front of our house. If the neighborhood dogs aren't willing, I'm afraid I'll be tempted to sit out front with a shotgun to protect my investment, particularly the investment of callouses on Jim's hands.

The Executive Board and Block Captains of the Briar Park Home Owners Assoc. held a meeting at the home of Harry Martens on Apr. 2. Present also at the meeting was John R. Brandt, Highway Superintendent of Oyster Bay. Mr. Brandt was very cooperative and helpful, answering all the questions put to him by the members and a full report of this meeting will be given to the membership at the next meeting on Apr. 24. I have been asked to offer our sincere thanks to Mr. Brandt for coming inasmuch as his mother was critically ill at the time and I'm sure it could not have been too convenient for him. If you are interested in what information was obtained, attend the next meeting.

I attended the PTA meeting on

Apr. 3, and it is real pity all of you could not have been there. The speakers were Mrs. Hoffman, President of the Plainedge PTA, Mr. VanNostrand, Plainedge School attorney, and the principal of the Plainedge School. They gave us an interesting discussion on the changes in their school system and in my opinion, their progress boils down to one very simple item. They had complete cooperation between the members of the school board and the citizens of the community. That is, people attended the various meetings of the school board and joined committees to assist in the work of running the school, and the school board in turn, accepted the assistance of the various committees and cooperated with them. Maybe with a little of that type of cooperation, we'd get our school system running smoothly too.

Joan McMahon's cosmetic party was a huge success. I didn't have time to get all the names in this week, but we all had a grand time.

"THANK YOU FOR THE CHANCE to watch my daughter grow up"

I don't think I would have known how to say good-bye to my little girl. Thank you for the chance to watch her grow up . . .

I'm one of the lucky ones—one of the 70,000 saved each year.

There should be more of us. The dollars you give mean so much to those of us who face cancer.

When I was helping to raise funds last April for the Cancer Crusade I never thought I was really working for myself—never dreamed cancer would strike me—Now I know it can happen.

"OUT OF THE FOXHOLE"—AMVETS welcome Cleveland Dodge and Bob Serr into their ranks. NASSAU-SUFFOLK COUNTY CONVENTION will convene May 4 at the Tudor Hotel, Elmont. Registration will begin at 9:30 a.m. There will be a dinner and dance at 7:00 p.m. at the same place. AMVETS and Auxiliary members let's make the FIRST convention a BIG one. Lou Mignone, Harold Cooley and Jim Cooley will be candidates for County Officers.

WELFARE BALL NEWS: Chairman Cooley reports that the Journal has now gone to press. It's time that you fellow members get hot on those tickets. The big day is just a few weeks away. HEAR THIS: Sgt. Joe Fascioli, Korean vet and member of Post 44, has been transferred to Maxwell AFB, Station hospital. The JWW County Convention will be held on May 4 at the Levittown Hall.

DID-JA KNOW: There are 75,000 veterans in Nassau County and less than 7,000 BELONG? There are 75,874 graves in Arlington and 4,720 marked "unknown"? By 1970 Arlington Nat'l Cemetery will be filled completely? Judge Advocate, Eddie Shea is Vice Pres. of the Village Green Insurance Co.? On April 10 Post 44 will be 2 1/2 years old?

SORRY TO HEAR: That Dottie Wakeman, Auxiliary member recently lost her "mom". Harry Zvonik's Dad had a serious hand injury, hope at this

time he has well recovered. **APPOINTMENTS:** Ernest J. Massey has been appointed to Leader of the Rifle Squad for Memorial Day. Harvey Ulmer is the new Alternate for the County Council. **DATES TO REMEMBER:** April 18 regular meeting of the post. April 29 Auxiliary will hold their regular monthly Card party. May 30 ALL-VETERANS please come out and make Memorial Day a day to remember.

MAINLY ABOUT OUR MEMBERS: WHO was the AMVET that thought he threw away a piece of paper (it was) only it turned out to be a \$5 bill? Tak, tak. Art Massey, State Vice Commander surprised us at our last meeting. Harry Zvonik makes a fine provost marshal... you have my vote next year pal. Howard Patton is back with us again after being ill for a few weeks. AMVET Babey jokingly applied for a job recently, he was hired... now he wants to know should he cross the "picket line" where all his friends are?

M/Sgt. Pete Rezanika now has his wife and family with him at McMill Field, Florida. Charlie Tallman was home recently for a few days. Sgt. Larry Black has a few more months to serve and will then bid good-bye to Uncle Sam. **REMEMBER AMVETS** and those veterans who wish to JOIN the "Journey's End Club"... there will be a meeting to organize this group of WW 2 and Korean vets on Friday, April 11 at the Foxhole. TIME: 8:30 p.m. So until next week...

For when you can see that you're striving To open the old, hidden door To lovelier days for another You'll know what you're living for. **JIMMY COOLEY**

HICKSVILLE GABLES:
Merry Menders Organize Club

By Ruth Schuls
Hicksville 3-2549 R

We have a new addition to our family. He's a very good baby and has caused no trouble at all so far. The children got a big bang out of some of the antics he goes thru, especially when he zooms thru the house and lands on one of their heads. Wondering by now what kind of a baby, this is? Well, he's a very pretty, blue parakeet by the name of Happy and we all hope to have lots of fun with him.

Mrs. Betty Tabler of 80 Garden Blvd. tells me of a new club recently formed in her neighborhood. Seems a few of the gals decided to get together once a week to sew, crochek-knit and what have you. It worked out so well after five meetings that they decided at their sixth meeting to organize. They will be known as the "Merry Menders" and will meet every Wednesday night. The newly elected officers are Betty Tabler, president; Louise Thomas, secretary; and Ann Erhardt, treasurer. One of the chief topics of conversation seems to be the exchange of recipes. It's always nice to receive new ones and surely nice to pass your favorites on. The rest of the group includes: Jean Carroll, Shirley Wolf, Connie Casaro, Emily Goodman, Rita Youngman, Rose Youngman and Mollie Felder. Many future happy meetings to all of you and keep us informed of your progress.

There was another of those popular Stanley Products parties held recently at the home of Mrs. Muriel Feuerstein of 31 Gables Dr. The guests were Mrs. Frances Rehm of Levittown who was the demonstrator, Louise Larking, Pat McGee, Dorothy Jakabek, Mae McKee, Rita

Graham, Mrs. Milnes, Gerry Feuerstein, Jane Feuerstein, Edna Feuerstein, Gertrude Feuerstein, Stella Feuerstein, Clara Feuerstein, Vivian Acker, Marie Foster and Mrs. Rainson. This reporter was invited but couldn't make it and understand I missed some wonderful home made cakes. Next time I'll know better.

Joan Daniels of 26 Gables Dr. marked her fifth birthday Mar. 29 with a family gathering. Most of the mothers tell me it's almost impossible to have parties for the small fry because of the measles and the like. For those of you who would like a new idea for children's birthday celebrations, and one without mess and bother, I hear that the Lollipop Farm in Syosset arranges these completely right down to the last candle on the cake.

On the grown-up birthday list was Richard Evers of 24 S. Elm St. who was 21 plus on Mar. 30.

Also celebrating the date of birth on Mar. 31 was Mrs. Mae Cotsoanos of 14 Gables Rd. Mae's mother and dad, Mr. and Mrs. C. F. Fogel gave a little surprise party for her at their home in Bayside. Joining in the festivities were: Mrs. E. Irving Jesser and daughter, Barbara, Mr. and Mrs. G. C. Fogel and sons, George and Robbie, Mr. and Mrs. A. Connel and of course, Gus Cotsoanos and the boys, Phillip and Michael.

Our neighbors to the west on South Elm St. are having their street sprayed to rid their properties of the pesky Japanese beetles. Anyone interested in doing likewise over here on the Road and Drive can get further information by calling either me or Mrs. Frank Graam of 16 Elm St. whose number is Hicksville 3-2392 J. The cost of \$5.50 per house in groups of 25 houses.

Our sincere sympathy to Mr. and Mrs. J. Murray of 28 Gables Dr. on the passing away of Mr. Murray's mother, Mrs. Ann Murray on Friday, Mar. 28.

A card party sponsored by the Armvets Auxiliary will be held Tuesday, Apr. 29, at the home of Mrs. Ruth Maxey, 100 W. Cherry St., Hicksville, at 8 p.m. The regular card party scheduled Apr. 11 was cancelled due to Good Friday.

LEVITT HOMES IN HICKSVILLE: Estrin To Present Piano Recital

By Adele W. Monst
Hicksville 5-8492

With this pre-Easter issue of the Mid-Island Herald, we are inaugurating a new section devoted to news of the Levitt home section of Hicksville. We are pleased to welcome our new readers, and would like to publish as much local news as possible.

Just phone your items of interest — births, parties, celebrations, new jobs, club meetings — to Adele Monst at Hicksville 5-8492.

To celebrate his new position as metropolitan salesman with Diagram-Bradley Industries, Norman Selgenberg of 43 Bond Lane, acquired his wife Edith to New York City on Saturday evening to see the top-Broadway hit "Point of No Return" starring Henry Fonda. Following the show, they took in all the sights of a spring evening in the big city, then dined royally before returning home.

Moving to Allendale, N.J., the end of this month will be American Airlines pilot Stuart R. Leigh and his wife Lynn. They are now living at 33 Bond Lane. In Allendale, where they have bought a home, they will be neighbors of two other former residents of Hicksville — Raymond and Jane Fowler (he is with TWA Airlines, International Division) — who moved last week from 139 Ball Park Lane. Mrs. Harold H. Bernstein of 17

Arcadia Lane is chairman of the Levittown Committee for Bonds of Israel. An installment plan for the purchase of the bonds has been opened locally through the cooperation of Franklin National Bank on Hempstead Tpke.

Tickets are going fast for North Levittown's first professional piano recital, to be presented by Morton Estrin on Sunday evening, April 20 at 8:30 p.m. at the Community Hall.

Mr. Estrin's program will include Overture in D from the 26th Church Cantata by Bach - Press; Sonata in A Minor (K. 310) by Mozart; Etude Symphonique by Schumann; Partita by Meyer Kupferman; Ondine - Alborado del Gracioso by Ravel; Hungarian Rhapsody No. 6 by Liszt.

A concert pianist and piano teacher, Mr. Estrin is also a composer, having written the complete musical score for temple services for each of the Friday evenings of the month. He is director of the Levittown Reform Temple choir.

A recital at Town Hall, New York, marked Mr. Estrin's debut into the musical world. Kupferman's Partita, written for his debut, is among the selections on the program at the April 20 concert.

Now living at 33 Picture Lane, Hicksville, Mr. Estrin studied at NYU and was the recipient of several music scholarships.

Friends of Mrs. Edna McDowell of 4 West Court will be sorry to learn that her father died on Mar. 30. Her mother is now in the hospital and is very seriously ill.

The entire Jens family of Harrison Ave. has been sick during the past week. That's really epidemic proportion when you consider it involves 18 children and three adults.

The Bethpage P-TA heard Madam Sang Myung Pai of Korea at its recent meeting in the school. She showed the film on life in Korea prior to the war. Madam Sang Myung Pai whose husband is a prisoner of the Communists was in charge of a girls' school which had an enrollment of 1,600 before the war and now has only 200 students. There has been no communications from the missing 1,400 and she expressed fear for their safety.

Don't forget the P-TA dance on Apr. 25 at Anselmi's.
Happy Easter everybody!

SHERIFF TO SPEAK
The Hon. H. Alfred Vollmer, Sheriff of Nassau County, will speak at a meeting of the Theodore Roosevelt Republican Club of Bethpage Monday, Apr. 14, at the Legion clubhouse on Washington St. at 8 p.m. All residents are invited to attend.

Walter Stowe spoke to members of the Bethpage Kiwanis Club about the state's program in education, agriculture and prison rehabilitation at a meeting Tuesday, Apr. 1, at Anselmi's.

A very successful Girl Scout luncheon was held Tuesday, Apr. 1, at the Bethpage VFW clubhouse. A total of \$80 was netted from the luncheon and \$60 from a special award of an electric toaster. Mrs. Caroline Ellinger won the toaster.

Mrs. Muriel DeBeaumont, chairman of the affair, wishes to thank

Parents Must Aid Youth Groups Junior High P-T A Hear

Youth leaders of the community deplore that although there are many recreational facilities for juvenile leisure time activities in Hicksville, the parents must supplement such training by participation in the group activities, it was shown during a panel discussion of Hicksville youth leaders and parents at a meeting of the Jr. High School P-T-A Thursday night, April 3, at Hicksville High School.

The panel agreed that parents are too apt to turn over the complete training of their children to the Boy Scouts or Girl Scouts or other youth groups. The speakers urged parents to take an active interest in the youth groups by serving on executive adult committees or volunteering as leaders of the organizations.

Miss Winifred Barry, coordinator of education in the Oceanside Schools, was the moderator. Youth leaders who took part in the panel discussion were Rudy Bouse and Fred Birk for the Police Boys Club, Fred Hobbsfield for the Boy Scouts, Mrs. Russell Swift for the Girl Scouts and Mrs. Rebecca Dodge for the Children's Library.

The parents who participated were Mrs. Jay H. Saffron, George McIntosh and Mr. and Mrs. Keith Spotswood.

Elect New Officers
Harold Fuller was re-elected president during an election held at the meeting. Mrs. Nancy Roseberry was elected vice-president; Mrs. Mabel Teubner, corresponding secretary; James Curran, recording secretary; and Mrs. Marie Foster, treasurer.

Henry Hartman, County Director of Safety of Nassau County Red Cross, is expected to speak at the next meeting on May 1. Frank Sutter, chairman of Hicksville-Plainview Civil Defense will also be a guest speaker.

OUTDOOR FIREPLACE

An outdoor grill and fireplace is an exciting idea for informal parties as well as being useful the entire summer and fall. It's especially so with the men of the family who want to prove their culinary skills. Before determining the size of the grill it is wise to buy the iron fireplace first, (an iron box-like contraption with doors). Decide on the proper location and exposure to the wind. Then excavate 10 or 12 inches deep around the outside dimensions. Fill the bottom with cinders, tamp them to a solid level base for the bottom of the pit. Firmly set the brick or stone in a cement mortar mixture. Build the brick or masonry walls around the iron box and before you know it you're in business. A fireplace has a number of advantages over a grill. It gives a more even heat and it carries the smoke away. It will handle two or three cooking trays and a spit. Then too, with a few colored slates you can build a sort of terrace in front to complete the idea. It's a lot of fun, just doing it, as well as cookin' up a lot of franks. With a bottle of "Schlitz" on the side it's a great day for all. We here at Cashel's carry a complete line of masonry materials and the fireplace grills. Let us help you by giving you our ideas and years of experience in doping out your fireplace. Call or write your "Uncle Tom" for free plan and material list on "How to build an outdoor fireplace". Get All Facts Monday Night

By FRED J. NOETH

WE SINCERELY URGE all property owners of Hicksville School District to attend the forum meeting at the high school next Monday night, April 14, starting at 8:15. The boundary of the Park and Parking District is the same as the 6.5 square mile school district—thus if you live in the school district you are concerned with the proposed split in the Parking District.

This will be an opportunity to hear all sides of the question. This is not a question which concerns the Levitt homeowners alone. The district was created to do two jobs: (1) establish and maintain public parking fields for shoppers and commuters, and (2) establish and maintain public parks and park areas throughout the district.

We are opposed to splitting the district, as regular readers of this department are aware. However, we believe that you as a property owner should come out for this meeting and hear the arguments for yourself—for and against splitting the district.

The Town Board obviously favors the split. So does the County of Nassau. Both authorities asked the Governor to sign the bill permitting this to happen, eventually. The Town Board must still hold a public hearing before acting, but you can't express an opinion on this issue unless you know the facts—hence the "town meeting" or forum next Monday.

There will be **NO VOTING** on this question. About the end of this month or early in May the Town Board will hold its official hearing and, based upon what is said then, will reach a decision to divide, or not divide the district.

Our position is that if you don't want to see Hicksville cut down about one-third in size and valuation (increasing taxes in the process), and don't want to postpone the day when it will be economically possible to do something about commuter parking and park areas, then you must oppose the split. Furthermore, the swimming pools Levitt built are not a part of the issue because there has been no official offer, and Levitt promised the **FREE USE** of the pools to the people to whom he sold the houses. To transfer them to a taxing district is to make the homeowner pay for something he was promised without cost.

Come out Monday night and bring your questions.

NATIONAL NEWS
EDUCATION AID FOR KOREAN VETS: The House of Representatives Committee on Veterans Affairs has been holding extensive hearings on edu-

national aid and training benefits for Korean veterans. Veterans organizations strongly endorsed educational aid and training as generally outlined, with some amendments, in the Taegus bill. The committee was urged to adopt premise that any legislation approved should be Federal education aid for veterans rather than Federal aid for education. It was strongly suggested that educational aid not be considered as general benefit by reason of service but as special assistance to those veterans whose educational programs had been interrupted or deferred by reason of military service. Recommended that under such a limited program subsistence allowances be increased and that education and training be confined to courses and trades which would benefit the national economy rather than avocational training.

It was also recommended extending home and business loans to Korean veterans but did not press for extension of readjustment allowances, sometimes referred to as 52-20 unemployment payments. The Committee was also advised that consideration is being given by House Ways and Means Committee and U.S. Department of Labor to granting unemployment insurance coverage for military personnel to make them eligible, upon release from active duty, for payment of unemployment benefits if otherwise eligible. The Committee was warned that heavy cost of fringe veteran benefits tends to destroy fundamental benefits and as proof pointed to recent action of committee in rejecting a bill which would make age 65 a pensionable age, subject to income limitations, for World War I and II veterans. It is predicted the present Congress will grant some form of educational aid and training, as well as home and business loans, to Korean veterans.

Hicksville fans are still boiling over the selection of Dave Plunkett, Freeport, as the Nassau Alliance's Most Valuable Player of the year.

Had the Freeport scorer won in decided fashion, many a protest would have come from this section—but that he only edged Harold Manaskie, of the league champion Hicksville PBC Alumni, 16-15, has local adherents up in arms over the outcome of the voting.

In the ten-team league each manager was given a ballot and told to pick his four choices from among the other nine league clubs.

It was five points for first place, four for second, two for third and one for fourth.

Three managers chose Manaskie, first. He was the only player to receive three first place votes. However, the remaining six managers completely left him off their ballots.

That is the point that has gotten under the skin of Hicksville supporters. That he could not get one point out of the remaining 24 picks cost him the trophy.

Plunkett won on his secondary point pulling. He was chosen first, second, third and fourth.

We long ago learned that the outcome of such polls as this rarely have the majority convinced that the winner deserved the award and for that reason never put much stock in them.

We are still shaking our heads over the fact that Lou Portercarro, Bethpage boy who pitched Farmingdale to the County baseball championship last year, didn't rate selection as the outstanding scholastic star of 1951.

Botto Brothers will hold a showdown meeting this week intent on getting a straight "Yes" or "No" from those players who can't make up their minds where they are going to play this season.

It is an intelligent and much needed action in this community which all too often has allowed some athletes to give sponsors a run-around.

We understand that the price tags are already being displayed by some softballers with talent who—for a fee—will pitch, hit, run or pray to help get a club through the Jones Beach Elimination tourney and into the 1952 seashore loop.

We also understand there may be some takers. We wish them all the bad luck they can use!

Another generation of softball players is sprouting up in our midst. Most of the boys who played with the PBC Alumni basketball team and a group of recent Hicksville High grads want to form a team and play in the Oyster Bay two-light league.

They are looking for a sponsor and if anyone is interested they can get in touch with us and we will relay the word.

Hicksville athletic director Chet Jaworski has not applied for the coaching job at Rhode Island State. The vacancy at the high scoring one time eastern power was brought about when Bob Haire resigned recently.

When Jaworski was a player for the Rhodies, he was the most valuable player of the year 1939, winner of the Helm's Foundation award as the outstanding player of the country.

It has been reported that a number of Chet's friends will boom him for the job despite the fact that Jaworski has stated that he is well contented in his present job at Hicksville High School and is not a candidate for the job.

Trojans Trip HHS 4-3 In Opener

GARDEN CITY—Four unearned runs spoiled Hicksville High's diamond debut here, Monday afternoon, as the host Trojans edged the Comets of Coach Bill Anderson, 4-3.

Originally the Comets weren't to open until after the Easter recess, but a two game slate was arranged with Garden City to give some of the inexperienced lads action under fire.

Robert Kuefe took the loss after

he relieved Bob Hogan on the mound. Veteran backstop Cyril Rumens handled the catching chores for the Orange and Black and also poked a big double to give the Comets a 3-2 lead. Bob Hock's

single figured importantly in the Hicksville scoring also. Hicksville downfall was a pitch-out play designed to pick off the tying Trojan run but it backfired into a wild pitch and another wild pitch allowed the winning run to get over.
