Bank Blames Taxes For New Rate; SHALHO Gets Answers, Monday

Hundreds of Levitt home owners in Hicksville this week received notification from the Bowers Savings Bank of New York, their mortgage holders, of sharply increased monthly payments due starting today (May 1st) to cover "increased taxes". Increases ranged upwards as much as \$25 more per month, the Herald learned. In addition, a number of homeowners in the area were given until today to make up deficits in their escrow accounts of as high as \$150.

Since the form letter from Paul L. Knecht, servicing division, insuring mortgage loan dept. of the Bowers, stressed that "tax rates are determined in direct proportion to the amount of expenditures which are required by the County, School and other Districts in which you live", many in the Levitt-area became painfully aware of the implications of further tax burdens. The notification of payment increases sharply focused attention and substantiated opposition to the proposal to split the Hicksville Parking District, with a public hearing set for Friday night, May 9, at East St. School by the Town Board.

SWAMP TAX OFFICE

Tax Receiver Frank Scholl at Oyster Bay Town Hall was deluged with telephone calls as the letters went out. The bank's form letter states "If you have any questions pertaining to the amount of taxes, tax rates, tax exemptions and assessed valuations, address them directly to your tax office. As our computations are based on current tax rates and assessments, further increases will necessitate a lump sum deficit adjustment when the taxes become due."

The South Hicksville Assoc. of Levitt Home Owners at its meeting next Monday night, May 5, in the Community Hall on Levittown Pkway, promises to have the answers for questions of homeowners about the mortgage payment increases. SHALHO is on record warning of increased tax costs if a separate "North Levittown Park District" is split off from Hicksville. Costs estimates have ranged as high as \$14 to \$20 per house if a new district is created.

RATE HERE IS DOWN

While reference is made in the Bowers notification that "there are some indications that your new School Tax due Oct. 1 of this year and your new Town Tax due Jan. 1 of next year may again increase."

1415 MAY VOTE WEDNESDAY:

Szendy Denounces Pressure Group

HICKSVILLE—There are 1,415 persons registered to vote at the high school next Wednesday, May 7, between 4 and 9 P.M. for a School Board member for a three-year term. Only 293 had been registered on the first date designated and the majority enrolled in the late hours, Saturday.

Emil J. Szendy and Mrs. Anthony Apicella are candidates to succeed Lawrence C. McCaffrey who is not a candidate for re-election. Szendy and Mrs. Apicella have been invited to speak Monday night, May 5, at the Senior High School P-TA meeting regarding their candidacies, and both have said they will be present.

Szendy, the first candidate to file, is being supported by a large community-wide committee which includes incumbent McCaffrey. Mrs. Apicella is endorsed by the North Levittown Home Owners, The Education Assoc., whose executive committee selected her, was scheduled to endorse her on Apr. 23 but failed to get a quorum of members present at the high school. She was endorsed at a special meeting.

Dear Jean:

EMIL J. SZENDY, candidate for the school board in Hickville next Wednesday, has as his platform the representation of the entire district, parting all people and children. Curiously, a year ago he was approached by the NLHOA who wanted him as their candidate for the Board then because of his personal qualifications. At that time he said he was not available for several reasons: (1) he could not see sectional representation on the school board, (2) he felt that the board was doing a good job — the incumbents were seeking re-election at that time last year, (3) his business position at that time did not give him the time to spare then for service as a board member. Today the NLHOA which favors and works hard to dismember Hickville while at the same time sharing all the tax advantages, although its leadership thought SZENDY was pretty well qualified a year ago, they don't like him so much today... The latest airport map of New York State, from the State Dept. of Commerce, no longer lists Hickville Airport. However the Grumman Airport is marked down for Hickville.

Firemen **ED LAURITSEN**, **GEORGE ENGEL** and **PAUL MILLER** went to Hudson, N. Y., on Sunday to attend the dedication of a new wing on the State Firemen's Home there. We hear a couple on Division Ave. in the Levitt section won \$300 on "Break the Bank" last week. Postman **BOB HAMMOND** of Chestnut St., Hickville, is on vacation. He is going to take a trip and — yes, you guessed it — walk around Washington. Hickville Citizens' Committee on Education met again Monday night for the second time this month. Plans are underway for preparation of the Committee's first report to be issued probably in June. It may note the fact that quite a few of our students will be back on single sessions, come the fall term. LARRY McCAFREY, whose term on Hickville School Board expires to cause a vacancy next week, made it plain at the Hickville Civic meeting this week that he strongly opposes the election of **MRS. A. J. APICELLA** to the Board as his successor.

Board Hires 5 School Principals

HICKVILLE—Five elementary school principals have been engaged by the Board of Education, it was learned this week, in preparation for the opening of the five new elementary schools in the district this fall. Engaged by the Board at the Mar. 31 meeting, the five men have not been assigned to any specific school building as yet, according to Dr. E. H. LeBarron, superintendent of schools.

The new principals and their backgrounds follow:

DONALD F. ABT of Baldwin has taught in Puerto Rico, Southold, and was assistant principal of the Prospect St. School in Baldwin. He is married and served in the army from 1942 to 1944. He has an MA from NYU.

HERBERT F. CAVANAUGH of Brookville has been in the Jericho system for six years. He is married and has three children. He was in the Navy from 1944 to '46. He has a BS from Oswego Teachers College and MA from Teachers College, Columbia.

JOHN J. CHASE of Roslyn was at Jericho 5 years, a year in Roslyn and has been assistant football coach at Hickville for two years. He is married, has a BS from State Teachers College, Fitchburg, Mass., and MA from Teachers College, Columbia.

ALLEN E. DAVIS, Jr., of Freeport with one year at Sea Cliff and three in Freeport is married and has three children. He has an AB from Washington and Lee University, Va.; and MS from New Paltz Teachers College, NYU.

ial meeting on Apr. 29, according to her backers.

"Single sessions and state aid are not real issues in this election," Szendy told members of the Hickville Civic and Community Assoc. at a forum in the Firehouse, Thursday night. "You might be led to believe by the emphasis on these two that the School Board or I am opposed to single sessions or the acceptance of state aid."

"On the contrary, thanks to the work and planning of the School Board there is a definite probability of single sessions in many of the elementary grades during the coming year, and the Board has carefully laid the groundwork for acceptance of state aid when it becomes necessary and is available."

"What is an issue in this election," he asked, "is the reporting of non-existing issues. To a degree that is a kind of deception. Deception is not new from the officers of the Education Assoc. I have a whole file of their news releases. Rarely do they tell the whole truth, they frequently mislead, and sometimes they contain outright untruths."

"The Education Assoc. has long been suspect as a small pressure group with doubtful objectives masquerading under a generally respected name."

He charged the Education Assoc. has at various times thru news releases informed the public that they are threatened with "educational larceny" and "triple sessions", has questioned the desirability of a new high school which it now advocates and wants to plan; denounced the Columbia report, which it now backs.

Szendy cited the proposed school budget to prove that the Hickville School Board, because it has aggressively sought increased state aid under the Rapid Growth Bill and largely "because of good management on its part" has come up with a lower tax rate.

St. Ignatius School Enrolls Students During May

HICKSVILLE—Registration of pupils for St. Ignatius School is being held all during the month of May on any school day during school hours, it was announced at a meeting of St. Ignatius Mothers' Auxiliary held Monday night at the school.

Although non-parishioner pupils now enrolled may continue their studies at St. Ignatius, only children from the parish will be accepted for registration for the new fall term.

Kindergarten applicants must be 4 years and 9 months old by Sept. 1 and 5-year-olds will be given preference if registration is heavy. Pupils for the first grade must be 5 years and 9 months old in Sept. in order to be accepted.

TO CONFIRM \$50

In anticipation of the usual large number of requests for applications to the school, the length of residence in the parish and the child's age will be the determining factors in accepting registrants, it was announced.

A class of 350 children from St. Ignatius School and the public schools will receive Confirmation at the church on Thursday, May 15, at 4 p.m.

First Holy Communion will be received on May 30 at the church. Due to the large class, pupils from St. Ignatius School will receive at the 8 a.m. Mass and pupils from the public schools will receive at the 9 a.m. Mass.

Budget Provides For New Position

HICKSVILLE—The 1952-53 school budget to be voted upon next Tuesday night, May 6, at the annual school meeting contains provisions for salary increases for teachers, a \$1500 raise—to \$10,000 a year—for the superintendent, and provision for an assistant superintendent at \$7,000 a year.

The budget as proposed this year, copies of which are now available at the office of Superintendent E. H. LeBarron, contains a division showing anticipated costs with the present structures and the costs with the opening of new buildings now under construction.

For example, the gross budget for 1952-53 last year was \$1,172,798 compared with \$1,151,166 for present schools and an additional \$510,477 for the new schools.

Also noteworthy is a reduction in the amount to be spent for transportation. The budget this year allowed \$84,700 with \$50,000 projected for next term. This is believed the result of opening schools closer to the students, thus reducing the amount needed for bus service.

The library budget will be voted upon the same night as well as a

NORTH WEST NOTES: Parking Split Concerns Everyone

By James Cummings

The Town Board will hold a public hearing in the East St. School on Friday evening, May 9, at 8 p.m. All taxpayers should make every effort to attend on this night and oppose this proposed split. The proposition calls for the reduction in size of the park and parking district—in other words—chops Hicksville down in size by about one-third. This would take away from Hicksville her rightful boundary on the Town Line and bring the dividing line up to Old Country Rd. It will mean additional taxes from that area which comprises in all the Hicksville Fire, Water and Garbage Districts. If this section can secede from the park and parking district, could not other developments in Hicksville do the same? How ridiculous can things get?

Let us show the Town Board by our attendance at this hearing that we as taxpayers strenuously object to this proposed split—by

voicing our opinions on that night.
CIVICS MEET—MAY 9TH

Our monthly meeting plans to be one of interest to all residents with Mr. Francke, County Clerk, and several other high town officials to be present to answer questions pertaining to our town government and their responsibilities of road conditions, speeding limits in residential zones and many other problems confronting residents of Spiegel Ranch Homes in NW-Hicksville.

BETWEEN ISSUES books for our social tomorrow night (Friday, May 2), at Legion Hall are in your hands—we hope by this writing that a good deal have been returned to the committee. If not we would appreciate your doing so today. We have a grand night in store for all who attend. For those who have not turned in their books as yet we hope that you will feel your admission will be the stub of your book. Win the basket of cheer consisting of 12 bottles of the finest liquors, etc. . . . Many other prizes will be awarded for mom-

Jad and the children. See you at the Legion Hall around 9 p.m.—bring your neighbor!

Friends and neighbors of Joe McNamara wish to express their sympathy upon the loss of his sister who recently passed away. Joe has always been in there pitching for the Civic Assoc. and we want him to know we are ever grateful for all his past efforts. . . . Still only two rabbits at the Lowry residence on Myers Ave. They were an Easter gift to the Lowry's youngsters. . . . We hear that the taxi driver involved in the incident on Myers Ave. last week resides in the development, all the more reason for a slow-down campaign! . . . All residents are urged to slow down when they come into any of the main sections of our development. Several license numbers have been taken down. Are you an offender?

Don't forget tomorrow night at the Legion and next Tuesday at the H. S. for our meeting.

Hope you all registered for voting Friday or Saturday. Now for goodness sakes don't forget to go to the budget meeting May 6 and vote for the school board vacancy on May 7. And Friday, May 9, is another very important day to remember. It's the day that the Town Board will hold a public hearing in the East St. School at 8 p.m. upon the proposal to "chop Hicksville by one third through the reduction of the Park and Parking District" and to create a "North Levittown Park District." If you ask me it's about time people would take pride in where they live and cut some of this foolishness out. I live in a Frank home in Hicksville not in Franktown.

EMIL J. SZENDY (school board candidate) lives in a Levitt house and he is very happy and proud to say he lives in Hicksville. Remember the garbage situation? We will all accomplish more if we pull

together instead of apart regardless of who happened to build the house in which we live.

Speaking of building, the Allied Homes are sure going up in a hurry.

Parties, parties and more parties. (Continued on Page 20)

NEIGHBOR DOWLING VIEWS NEWS:

Important Date For You Tuesday

By John C. Dowling

Many of Plainview's new residents will for the first time be called upon to elect two school board members and vote on the 1952-53 school budget next Tuesday night, May 6, in the Mannetto Hill School at 7:30 p.m.

For many who have come to Plainview from the city, it will be a novel experience and a pleasant one. An experience that is the forerunner of the years of civic duty and responsibility to come.

For unlike the city or other cosmopolitan places where civic duty and community responsibility are shadowy things with few caring and the less the better, here in Plainview and the rest of Nassau County's towns and villages, it is demanded of the residents that they play an active part in civic affairs.

Those who fail to share the community burdens and their accompanying problems of adequate and well-rounded education for our children, improved and efficient water supply, good roads, lighting and others are looked upon by their neighbors as shirkers and slackers.

They shout and scream for improvements but when asked to turn out for a meeting or serve on a civic committee it's the old story of "I have a previous engagement" or "let George do it, he's so capable." Then when, poor overworked George, makes a mistake he's called everything from a nincompoop to a dictator.

Well, I for one, am for giving "George" a little help. And the

more help he gets the better able he will be to do a good job with its resulting advantages to the community.

You're one of Plainview's newcomers and you like to know how you can help? That's easy. Join the P-T-A and serve on their many hard-working committees. Assist with the Boy Scouts and Girl Scouts activities. Volunteer for civic jobs such as cancer and polio fund raising tasks. Become an active member of the homeowners' association. Attend all civic meetings and learn what's going on and what's needed. And if you have some advice, give it, don't be bashful. No one person can think of everything. Incidentally, you can start becoming a civic asset instead of a liability this coming Tuesday night, May 6, by attending the meeting at Mannetto Hill School and voting on the school budget.

Three Candidates Seeking Election To School Board

PLAINVIEW—There are three candidates for the school board here with two vacancies to be filled at the election next Tuesday night, May 6, at the new school on Mannetto Hill Rd. at 7:30 p.m. A vote will be taken first on a proposition to hold a separate meeting on the following night, May 7, for election of board members.

The annual meeting on the budget will also take place on May 6. Leland T. Baker of 18 Eldorado St. and John C. Dowling of 26 Blance St. are candidates endorsed by the Plainview Country Homes and Briar Park Home Owners Associations at a joint meeting on Apr. 24.

Also a candidate is Charles J. Loeffler of 26 Nassau Ave. who has also filed a petition with the District Clerk.

Dowling is a candidate to succeed Ed Pruess who is not seeking re-election. Dowling is a public relations counsel directing the public relations program for a large New York City transit company. He is a staff writer for the Mid-Island Herald.

Baker is a certified public accountant, presently with a large New York auditing firm. He knows the financial aspects of education and has been on the committee studying Plainview's financial

problems for some time, it is said. He is a candidate to succeed Mrs. Marie Funfgeld whose term expires and is not a candidate.

Loeffler is also a candidate to succeed Mrs. Funfgeld. He is a salesman and was released by the Air Force in November. He is the parent of four children, two of whom attend the district school.

Plainview Country Homes: Large Group Discusses 2 Topics

By Rae Cantilli
Hicksville 3-0233 M

As you know there was a joint meeting of the Plainview Country Home Owners Assn. and the Briar Park Civic Assn. held April 24 at the Mannetto Hill School. It sure was encouraging to see so many people in attendance. There wasn't too much standing room left. Of course, there were many people who didn't attend. There are excuses for those who had illness in the family, or worked etc., but there are no excuses for people who just didn't bother to come. It is those people who, when a situation arises which affects them directly, are the first to complain and ask "Why?" Well, I guess you can lead a horse to water but you can't make him drink as the saying goes.

The purposes of this joint meeting were explained by Norman Reilly, President of the Briar Park Civic Assn. He said the meeting was to be divided into two parts. One was the discussion of the school district, and two, was the discussion on the water district.

Discussion of the proposed School Budget was presented led by members of an investigating committee made up of residents of the Plainview Country Homes including Mr. Dowling, Mr. Baker, Mr. Cooper, Mr. Delamaine among others. They presented the findings of this committee, and some revisions that they would suggest at the Annual Meeting, May 6, on the proposed budget. This committee worked with the School Board on a couple of occasions on this proposed budget.

Two men were presented by the Executive Boards of the two Associations as capable candidates for the School to fill the unexpired terms of Mr. Pruess and Mrs. Funfgeld. The two men are John Dowling of Blance St. and Leland Baker of Eldorado Blvd.

Mr. Baker seems to be a very capable man. He is in the financial world, and a qualified CPA. It seems to me that he would be an ideal addition to any school board.

Mr. Dowling is perhaps a little better known to you because of his excellent columns in the Mid-Island Herald. Dowling is a Public Relations man with a large NYC Transportation Co. in the city. As it is evident in his column every week, Mr. Dowling is extremely interested in affairs here in Plainview and understands just what the situation here is as does Mr. Baker.

The policy of these two candidates are (1.) to help contribute to

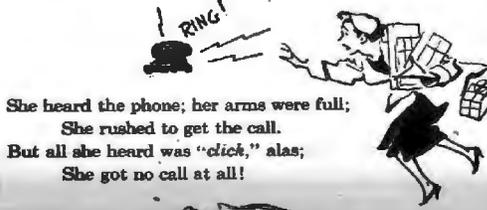

a well-rounded education for our children. (2.) To secure some type of information service to acquaint the residents or taxpayer about the affairs of the community. There should also be some kind of Advisory Board to the School Board to aid the members of the board in the various phases of their work such as transportation, finance etc. The candidates also pledge to explore every phase of state aid as Albany has to offer and also make use of legal counsel.

After this, Peter G. McIntosh of 64 Virginia Avenue (Briar Pk.) then held the floor. He told those present that it is more than a possibility that there will be a vacancy on the Water Board due to the possible resignation of a present water commissioner. The Executive Boards of the two associations feel that he would be an excellent commissioner. Since the vacancy would be filled by appointment of the Water Board only, a petition is being circulated around asking for the appointment of Mr. McIntosh. His qualifications are as follows: he is a Civil Engineer with training in water supply, water treatment and hydraulics including piping, pumping and storage. To me, he seems like an excellent prospect.

Questions directed to the Investigating Committee followed. To me the meeting proved to be very successful. Just to make sure every person that can walk, ride or crawl comes out to the Annual Meeting of the Plainview School District next Tuesday, May 6, 7:30 sharp at the Mannetto Hill School.

On the lighter side of life, the P-T-A of the Mannetto Hill School is holding a Hi-Neighbor Party, Saturday evening, May 3 at the Mannetto Hill School. It presents an opportunity to really come out and meet your neighbors on a social basis. There are to be games, dancing and I'm sure you will have a lot of fun. What more could you ask? A night out and a chance to accumulate a lot of new friends among your neighbors. The price is a mere 50 cents a person. So you had better start grabbing up the baby sitters and plan to come out. Tickets can be purchased at the door. See you there.

Sorry to hear that so many of our neighbors have been ill. That virus is sure getting around. On the get-well-soon-list are Tommy and Janie Payne, Big Bob and Little Bob Gessner, Bonnie Myrick and my own little bundle, Laurie. Hope everyone is on that road to recovery.

BRIAR PARK, PLAINVIEW: Two Local Men Seeking Election

By Ethel Rooney
Hicksville 3-2432 J

Hello Folks:
Were you at the big meeting last Thursday night? If you weren't, I hope you are thoroughly ashamed of yourselves. The meeting was of the utmost importance to all of us, including you, and your absence was felt. We had an attendance of over a hundred people and although that may sound fairly good, please remember it was a joint meeting of the Briar Park Home Owners Assoc and the Plainview Country Homes Civic Assoc.

These two organizations cover approximately four hundred homes, so there are a good number of you who didn't take the trouble to appear. I hope when the school budget, etc. is finally settled and new tax bills come around to your doors, I don't hear any complaints from the absentees, because I've got words for you that don't belong here in this column. You have no right to complain since you have done exactly nothing at all to try to remedy the situation. Naturally, I know that some could not possibly have attended and these words are not meant for them.

The main part of the meeting was a report from the Committee from the Plainview Country Homes Civic Assoc, consisting mainly of John Dowling, Leland Baker and Mr. Delamaine. They went over the budget with several members of the school board at long sessions. To give you all the details here would take too much time and space but summing it up, if this budget goes through we can expect increases in our monthly payments of from four to six dollars monthly for school taxes only. That, of course takes no other increases into consideration. This will probably give us the highest school tax rate in the State of New York. One of our main actions in the matter will be to have as large an attendance as possible at the Annual Meeting of the School Board next Tuesday, May 6th. This meeting starts at 7:30 P.M. and you should please try your best to be there at that time. Also, please stay until the entire proceedings are over. Don't run home at the first sign of a yawn. Your presence there is of great importance.

Also as a result of this meeting John C. Dowling and Leland Baker, both residents of the Plainview Country Homes are candidates for the vacancies coming up on the school board this year. They are both men who have been selected by the Executive Boards of our individual Civic Associations to serve in this capacity because of their education and experience. It is up to all of us small home owners to back them up when the elections are held. This will probably be at the Annual Meeting on May 6th.

Tonight, (Thursday), there is a meeting of the Mannetto Hill PTA at 8:15 P.M. This is always a good time for the parents of Plainview to get together and work for the welfare of their children. They always have a very interesting program so why not try to come?

Don't forget the Hi-Neighbor on Saturday, May 3rd at the Mannetto Hill School. This is going to be a real gala evening for all who attend with dancing and games for all to enjoy. Tickets are 50 cents

each and can be purchased at the door or from any of your PTA friends. I have a few at my house, too. If you are in need of baby sitters, I've got a few phone numbers from women and girls who left them with me. I don't know any of them personally, but you can call them yourself. I hope I'll see all of you there.

Don't forget the Herald has all your school news and also all the latest happenings of your Civic Associations. If your subscription is running out, how about calling me? I'll be glad to take care of it for you.

Celebrates 2nd Birthday At Fete

William Henry Quinn, 3rd, of Belmont Ave., Plainview, celebrated his second birthday with a party on Saturday afternoon, Apr. 26. The room was decorated in pink and blue and a cluster of balloons. Each young guest received a hat ensigned with the numeral two. A large birthday cake with a pale blue frosting held two candles.

The children played games, rode hobby horses and enjoyed home movies and cartoons.

The invited guests were: Leslie, Paty, Stephen, Linda and Susan Dixon, Mrs. Thelma Dixon, all of Plainview, Mrs. Molly Dixon of Kentucky, Richard Murch, Jr., Mr. and Mrs. R. Murch of Williston Park, Joyce and Elaine Kessler of Jackson Heights, Betty Keien of Astoria, Joanne Pulliam of Plainview, Joyce and Jenny Lucenti of Bethpage, Craig Stephen Einhorn of N.Y.C., brother Clyde Alvin Quinn, aunt Evelyn Quinn, Sharon, Darlene, Reggie and Monica Wohl of Levittown, Bonnie and Carol Van Emom of Hempstead and Jonathan Boiz of Penn. Movies in color were taken of the party.

PUBLIC HEARING NEXT TUESDAY:

Skyrocket School Tax Rate Faces Plainview In Proposed Budget

By BLANCHE A. DEJMAL

PLAINVIEW—A joint meeting of the Briar Park and Plainview Home Owners' Associations took place last Thursday evening, April 24 at the Mannetto Hill school. Well over one hundred residents were present to hear and discuss proposals for the new School Budget as presented by a Committee headed by Leland Baker and John C. Dowling. This Committee has taken time out to attend School Board meetings and investigate various phases of the proposed budget.

HIGHEST RATE IN STATE
According to Baker under the present proposed Budget of \$220,000 will be confronted with the highest tax rate this District has ever seen and probably the highest rate in the State of New York. For the 1951-52 school year our tax rate was \$3.42 per \$100 on a \$3,500,000 total valuation. Working on the proposed figure of \$225,000 the tax rate would be \$5.04 per \$100, based on a \$4,000,000, property evaluation; or \$4.48 per \$100 on a \$4,500,000, property evaluation.

To give you an idea of how that will affect your own personal budget, assuming that your house is assessed at \$4,000, your tax at the rate of \$4.48 would be \$42.00 more than last year — based on the \$5.04 figure, it would be \$64.40 more than last year.

Of several items on the School Budget under discussion, the Com-

mittee of Plainview men eliminated three entirely; namely, the Music, Art and Physical Education teachers. This move was taken only because it was felt that under the dual sessions which will begin this Fall, there will be no time for extra-curricular activities, therefore the proposed \$8,000, (teachers' salaries) could be stricken from the Budget.

The question was raised as to why we have not received Emergency State Aid. Nassau County has been granted \$6,500,000, this

year, none of which was allotted to Plainview. It appears that in order to receive State Aid you have to show a bond indebtedness. As of this date, no bonds have been sold and the Committee was unable to receive any satisfactory explanation from the School Board as to why this important matter has been neglected.

These and other issues will be brought up for consideration and approval on Tuesday, May 6th at 7:30 p.m. at the Mannetto Hill School.

OYSTER BAY — A poem by Ann Marie Morschner, daughter of Mr. and Mrs. Anton Morschner of Howard St., Hicksville, and student at St. Dominic's High School has appeared in the current issue of the student publication. The poem also has been accepted for publication in the annual Anthology of High School Poetry by the National HS Poetry Association.

The poem follows:
STATUE OF LIBERTY
On an isle, out in the harbor
There is a lady fair
Who holds the torch of liberty
Her everlasting care.
She keeps a constant vigilance
Over all beneath her care.
She guards the freedoms of our land

For all free men to share.
She holds the torch above her head
For everyone to see
She's the symbol of our great country,
America, the free.

The Legionnaire

The VA is placing into effect a new table of organization today (May 1, 1952) providing for reduction in force of 2,700 administrative employees. This cutback was made necessary by the \$378,921,432 slash made by the Bureau of the Budget in the VA request for operating funds in the fiscal year beginning July 1, 1952. This reduction precedes any further manpower cuts that may result from final action by Congress on H.R. 7072, the legislation which will carry VA appropriations for the next year.

Many of us feel there is need for greater economy in the Federal Government but cuts such as those anticipated in H.R. 7072 will mean the closing of 35 existing hospitals, non-opening of 15 new hospitals and the dismissal of nearly 15,000 trained personnel! In addition of course there will be a back log of claims piling up unprocessed but we feel this is secondary to the medical problem.

Do you feel this is economy in the right direction? We leave it to you!

Last Friday night saw another first in the Clubhouse. A new and very competent bartender was behind the stick on that night in the person of John Marbes. Although we couldn't be present that night we have the word of one of our busier Legionnaires that John did a fine job and will be welcomed back in the near future.

Charles Wagner Post No. 421, American Legion

Al Barlow reports the return to our midst of Bob Schaeferstein after 20 months of active duty with Uncle Sam's Navy. A hearty welcome from all of us Bob!

Al wants to know if Bob should be nicknamed "Retread?"

And speaking of Al Barlow we wonder how he enjoyed his fishing trip last Saturday. Guaranteed he got more than his line wet in the weather we had. . . . Another busy Legionnaire last Saturday was Jimmy Carter. Seems he had a dozen or so Boy Scouts at his house building tent platforms. Did you really feed them Jim? . . . We hear from Rudy Bouse that "Skip" Evers' wedding was a grand affair.

A nomination committee was appointed by Commander Jabour at the last meeting for the purpose of drawing up a slate of officers for the coming term. Headed by Jay the committee consists of Walter Schlichting, Rudy Bouse, Fred Bengel, Bob Beard and Joe Kahel, all Past Commanders.

Jim Carter and Rudy Bouse are the Legion members of the Memorial Day Committee. . . . A good number of World War I members were present at the last meeting. . . . Membership now at the 145 mark and rising rapidly. . . . Jack Rondeau's Bar Report reads better each month. . . . News and Views Box back on the bar. . . . Al Barlow still our number one contributor.

We trust you'll be at the meeting Monday night!

Dial Service for all 15,500 Hicksville 5 Phones

On May 11th, the 15,500 telephones which now have Hicksville 5 numbers will be changed to dial operation. Subscribers having individual or two-party service will be able to dial calls direct to all telephones in the Metropolitan Telephone Service Area—over three million phones. Four-party subscribers will be able to dial any telephone in their large calling area. Service will be faster and more valuable for everyone.

All New Numbers... At the time of the change to dial service, all telephones having the Hicksville 5 designation will be changed to LEvittown 3 or 9.

Special personal numbers booklets to list numbers which you will have occasion to call frequently are now being distributed.

Providing Dial Service for so many telephones has been a big and costly job requiring many months of work by hundreds of people. A new telephone building has been put up to house the complex dial equipment—custom-built for Levittown.

This project should enable us to give telephone service by the end of the year to most of those now waiting in the area served by the LEvittown 3 and 9 offices.

The change to dial service here is part of an expansion and improvement program for the Long Island area which will total about \$60,000,000 this year alone, provided scarce materials are available. Our purpose, as always, is to keep on working to furnish a service that grows steadily in value and usefulness.

IN MEMORIAM

HERBERT AUER

Charter Member, AMVETS of World War II

It is with the deepest sympathy that we of AMVETS Post 44 bid farewell to our first member to journey into the world beyond. "Herb" has been one of the main pillars of strength supporting AMVETS during our darkest hours in Nassau County. A member who has supported every affair that we have held. Herb had joined his buddies of World War II from the very first day we organized. Serving with the United States Navy, he was one of those veterans who wanted the younger fighters of our great nation to never be forgotten. His untimely death has shocked us, and will remain with us for many years to come. Our Charter has been draped in memory of one swell Joe. To his family and friends we can only say we are sorry. To Herb, you will be enshrined in the hearts of those who loved you forever. The greatest tribute that we can pay you AMVET is may you have fair weather and smooth sailing.

TO EACH OF US

The flag is lowered, the drums are still,
Taps sound from over yonder hill.
Your day is done, now rest in peace,
Thy breath of life within has ceased.

Tread now you must that lonely trail,
We do not fear that you will fail.
The Lord that waits to guide your hand,
To welcome you unto His land.

A land of love and eternal life,
No trace of sorry nor of strife
Shall mark your soul where you will stay
Until this world shall fade away.

Easter Trip To Museum

Over 1000 Troop 21 of Bethpage visited the Planetarium and Museum of History during Easter Week in N.Y.C. They traveled to New York in Benker's bus and were accompanied by Mrs. Anne Smith, Mrs. Florence Gagne and Mrs. Murray Boushback. The 21 Girl Scouts saw "Stars of the Zodiac" at the Planetarium and at the museum they were interested in the American Indian and the animal sections. The troop leaders are Mrs. Zinzi and Mrs. Claire Skellington.

GO OVER TOP
A victory dance for workers of the St. Martin of Tours School fund campaign was held Sunday night at Anselmi's. A buffet supper was served and dancing followed.

The Rev. Michael Hartigan, pastor, announced that the plans for the school have been submitted to the Building Commission of the Brooklyn Diocese. Contributions in pledges for the new school went over the top of \$200,000 to \$208,000.

The Bethpage P-TA spring dance held Friday night at Anselmi's was a terrific social success and a financial success. Proceeds will be used to purchase library

books for the Powell Ave. School. Mrs. Germain won a lazy Susan as a door prize. Mrs. Dominic Nocco and Mrs. Paul Wilson both won baskets of food as door prizes.

Karen Desno and Kevin McAllees. Names are also ill with the measles.

The Bethpage Red Cross fund drive has gone over the top of a \$700 quota as donations total over \$1,000 this week. It was announced by Mrs. Peter Valerius, chairman.

Two new captains, Mrs. Thomas Ramsay of the Hilton Terrace Homes and Mrs. Miles Roth of the Miller Homes on Hempstead Tpke., will canvass those areas to complete the drive.

We extend our sympathies to Albert Auer of Linden Ave. on the death of his brother, Herbert Auer of Hicksville, and to George Gillen of Linden Ave., whose brother, John, of Ridgewood died this week.

LONG DOG-BLAMED
PLAINVIEW. — A Dachshund owned by Malcolm Johnson of Dogwood Lane, Locust Valley, bit two persons at the Simonson home on Cherry Dr., on Apr. 19. Mrs. Benny Simonson was bitten on the left hand and Emil Simonson was also bitten on the left hand by the dog.

PAINTING AND PAINT STAINS
It's a good idea to brighten your house, inside and out with fresh paint this spring. Fresh, clear colors can give the feeling that all is new again.

If you paint or help with the painting, though, do wear washable clothing. Then if you get paint stains on your clothes, take care of the stains at once. Apply turpentine, lard, or kerosene, and wash the stains in heavy suds. If the stains get dry, soak the spots in equal parts of ammonia and turpentine and wash in suds.

Dinner to Honor County Employee

FREEPORT—One of Nassau's best known but least publicized officials is to be honored upon the occasion of his 30th year in county employ. Deputy County Clerk Edward F. Meaney is to be given a testimonial dinner on Saturday night, May 3, in the Elks Club here.

Meaney joined the county service on June 1, 1922. Less than 10 years later he ascended to his present post. In his duties as head of the calendar division of Nassau Supreme Court he has made frequent contact with many lawyers from all parts of the metropolitan area who visit Mineola to file thousands of actions each year. In his other duties as head of the court's naturalization division he has given the oath of citizenship to thousands.

Film Bethpage Vamps For TV News

By Dorothy Gualpa
Hicksville 2-1218 W

The Civil Defense drill, Saturday, brought Bethpage Fire Dept. into action at Uniondale. They answered a call and were assigned to help relay water from one pumper to another. About 1,000 feet of hose was laid in the four hours they were out. Six men were on the trucks and they were filmed for television by the NBC News. Glad none of our men were injured. I hear one man suffered a broken back when a hose connection broke and threw him against a truck.

Bethpage will soon put into operation its new 1952 Pontiac ambulance. At the moment it is having brackets installed for the oxygen tanks.

JUDY BECKEL of 5 Center Ct. has scarlet fever. **PAMELA GALVIN** of 3 West Court has the measles. Oh, spring is here.

The Boy Scout Mothers Auxiliary held a meeting at the Legion hall on Apr. 21. Mrs. Peggy Kaufman presided. Refreshments were served by Mrs. Winifred Gaiser and Mrs. Pauline Wilson. The dark horse winner was Mrs. Anne Stumpel. Plans for the annual June party will be discussed at the May 19 meeting.

Girl Scout Troop No. 94 attended the Johnny Alsen TV show Apr. 14. They made the trip by train and

had lunch at the Automat. They were accompanied by four mothers and the troop leader, Mrs. Mulqueen.

A theology course sponsored by the Nassau County Council of Catholic Women will be given on five Thursdays in May at St. Ann's Parochial School Hall, Stewart Manor. The first lecture is on Incarnation and the lecturer will be Father Watson, an instructor at Brooklyn Prep. These courses are at 8 p.m. and no advance registration is necessary.

Father Vincent A. Kennedy of St. Joseph's Church, Garden City, was made Lieutenant of the Chemical Co. of Garden City Fire Dept. during the annual installation dinner at the Hotel on Apr. 22. Father Kennedy has quite a few friends in this area who will be happy to hear of this honor.

My husband is also sporting a gold pin in the form of a badge signifying that he has served for one year as president of the Ex-empt Association of the Garden City Fire Department.

LEO SHOTLAND, owner of the Bethpage Hardware Store, has announced his candidacy for the position of Library Board member. The election is May 6 after the adoption of the budget for the maintenance of the Library.

School Site Vote Wednesday; Federal Aid Covers 60% Of Cost

BETHPAGE—Facts about the consolidation plan was given by the Board several years ago. While no consideration has been given to new schools now under construction or bonds to be issued by these districts, Kramer offered a composite tax rate of \$2.24 per \$100 under consolidation of the area mentioned compared with current rates for each district: Island Trees, \$2.20; Plainedge, \$2.35; Plainview, \$3.43; Old Bethpage, \$1.14, and Bethpage, \$1.87.

The Board is proposing purchase of a 16-acre tract on the north side for about \$3,000 an acre and a 10 to 11 acre parcel on the south side for about \$4500 an acre as the sites for two new elementary schools. Kramer told the Civics that within the next five years the system anticipates 1100 more pupils from the north side and 800 on the south side of the district.

The total expenditures being voted upon is \$101,659.76 of which \$40,000 will be raised by local taxation and \$61,659.76 is Federal Aid earned for local tax relief because this is a defense area.

STUDY CENTRALIZATION
Kramer also spoke about the high school problem facing Bethpage and the suggestion made recently that Island Trees, Plainedge, Bethpage, Old Bethpage and Plainview merge as a joint district. He said that consideration of a

consolidation plan was given by the Board several years ago.

While no consideration has been given to new schools now under construction or bonds to be issued by these districts, Kramer offered a composite tax rate of \$2.24 per \$100 under consolidation of the area mentioned compared with current rates for each district: Island Trees, \$2.20; Plainedge, \$2.35; Plainview, \$3.43; Old Bethpage, \$1.14, and Bethpage, \$1.87.

NEED HIGH SCHOOL
A new school on the North Bethpage site would be used for an elementary school for kindergarten to sixth grades. The Broadway School will be used for a Junior-Senior High School and must have classes available for 908 junior high school students this September, 1952, as Farmingdale High School and Hicksville High School can no longer accept students from the Bethpage School District.

The new Junior High School class of 908 will be composed of 95 seventh graders, 78 eighth graders, 65 ninth graders from the Broadway School, 60 pupils from Island Trees

and 30 pupils from Plainedge Schools.

The faculty of the Bethpage School system will be increased from 98 to 55 teachers to take care of the increased enrollment this fall.

Kramer stated this week that the School Board is applying for Federal Aid for the new building and expects to receive a quarter of the amount needed.

He concluded that regardless of cost, the children must be provided with a good education and that the Bethpage district today has one of the finest schools in the county if not the entire state.

Principal Victor L. Miller spoke of the summer playground program which will cost each homeowner about 82 cents in taxes. It is planned for children 5 to 18 during July and August.

The Civic Assoc. meets the 4th Wednesday of the month at the Powell Ave. School.

Last Saturday Brownie Troop 17 was the latest group to visit the Fall Estate in Old Westbury where the youngsters enjoyed the many beautiful dolls and doll houses that have been collected for the past 100 years. Mrs. Marston Wilbur and Mrs. Roy Deets were in charge of the group.

Mrs. R. Woods, and Mrs. F. Tenaber took the girls of Troop 7 to Bethpage State Park for a cook-out on Wednesday, April 16. The girls hiked to the park and back to their starting point at St. Stephen's Lutheran Church.

Carpenter Sees Single Sessions

HICKSVILLE—Based upon his study of available data, Allen Carpenter told an audience at the Legion Hall recently that "single sessions in local schools are possible by Sept., 1952." He explained at the meeting sponsored by the Democratic Club that the conclusion was his own.

Carpenter and Fred J. Noeth were speakers in a panel discussion on the new schools in the community and future plans. Thomas Powell, club president, was moderator.

It was also predicted by Carpenter, member of the Citizens Advisory Commission on Education, that double sessions may become necessary again from 1958 to 1968 when enrollment in the schools will be 51 per cent above capacity. Noeth used a map of the district to illustrate where schools are now under construction or proposed by the latest Columbia Report.

PUPPY, pet of the Kerahow family of 35 Old Country Rd., Hicksville, marked his 17th birthday on Apr. 13 with a birthday party.

Open house for friends of the family was held and a birthday cake held 17 candles. The tiny puppy received gifts including four booties.

Born on Good Friday, 17 Years ago, the dog is well-known to neighbors and around town. His young master, Leonard Kerahow, Jr., is also 17 years old.

MARGARET SAVIN

I had missed Bob Hope's premiere appearance on TV earlier in the season. So, this Saturday, heeding the warning of four alarm clocks, I tuned into the All Star Revue ready and willing to enjoy an hour of fun.

It was pathetic — that is all I can say both for the format and for the performers. I had enjoyed the manner in which Hope delivers comedy routines both on the radio and on the movie screen. But the way joke after joke kept falling flat on its TV face and the comedian's awareness of what was happening brought back that funny feeling in the pit of my stomach that used to torment me as a child when I didn't know whether I wanted to laugh or cry. I felt sorry for Bob Hope, I felt sorry for Fred MacMurray who made his TV debut this ill-fated night. Just as I was gloomily pondering about the tragedy of bad comedy, the coaxial cable couldn't take it any longer either and went on a blackout strike. After which we were to witness the worst calamity ever to befall a program: The mechanical difficulty persisted all thru the sponsor's commercial.

As an afterthought concerning Fred MacMurray's TV debut: An actor who has won unanimous recognition and respect during his career as a movie performer should be more careful in the selection of his first TV vehicle. Not everybody can fool around with a slapstick routine without making a fool of himself.

Pounding my TV beat I chanced into the offices on Madison Ave. where only the anointed of the acting profession tread: The Music Corp. of America. While I discreetly studied the genuine antique furnishings, imparted it seems to make the outsider feel that in this place you speak only in whippers and in your best college English, someone said to me "I have a little surprise for you". Before I had a chance to even act surprised the office was practically filled with six foot three of California sunshine, the golden boy of Tarzan fame in person: Lex Barker. The dictionary I own is a carry over from my school days. It sometimes fails me when I turn to it for information on terms I hear from teen-agers, such as the word "swoon" in connection with Eddie Fisher's serenading. Since the above described moment I don't have to worry about my dictionary any longer: "Swoon" is the feeling of sinking thru the floor antique chair and all.

Contrary to the impression some of us might have gathered from his Tarzan pictures Lex Barker is a charming conversationalist, as much at home with the French readin' and ritin' as in his native New-York-ese. Some time ago a movie columnist referred to him as the New York socialite who made good in Hollywood. I have a feeling that in the not too far away future TV columnists will see in Lex the Hollywood movie star who took television by storm in a show I would describe as the year's most welcome addition to daytime television.

Before returning to the coast for his new picture Mr. Barker will guest star in Tales of Tomorrow, Friday, May 22nd, Channel 7. Music lovers will enjoy NBC Opera Theatre's last offering for this season on May 1. Puccini's "Gianni Schicchi" will be presented in an English version with Ralph Herbert and Virginia Haskins singing the leads. The Kate Smith Show was the recipient of another TV award as a result of Radio-TV Mirror's poll of readers. All you have to do to get studio tickets for this show is write us, at the Herald, what YOU would do should the "fluff" we describe happen on YOUR show.

The three answers closest to what a professional in the TV field would do will determine which of our readers will receive the six tickets (two per winning letter) for next Wednesday's Kate Smith Evening Hour.

The FLUFF of the week: At the close of his program Robert Montgomery thanked Martha Scott for being a guest on his show. Everything would have been fine except that the lady he was addressing happened to be Teresa Wright, not Martha Scott.

HICKSVILLE GABLES: Favors Szendy For School Board

By Ruth Schulz
Hicksville 3-2549 R

Things have sure been quiet hereabouts. How about some of you people on South Elm St., Terrace Pl. and Park Ave. giving me some news now and then? Also would like to hear from Plainview Rd. neighbors. Don't be bashful, we'd like to get to know you better.

Surely hope you all registered so you will be eligible to vote for the school board vacancy coming up on May 7. Of the two candidates eligible, my personal choice is EMIL SZENDY. Speaking from my own observations, I feel he is the kind of a person we would like to have represent us on the school board.

Mr. and Mrs. JOHN PARKER of 11 Gables Rd. had John's parents, Mr. and Mrs. C. D. Parker of Newcastle, Penn., as their guests for the past week. Mr. Parker reached home the same day as his parents arrived, having been delayed in Lisbon awaiting transportation. Mrs. Parker was the pleased recipient of a lovely wardrobe case given to her by her husband in honor of their anniversary on Apr. 16.

Not only does Mrs. BARBARA SOININEN of 8 South Elm St. find time to keep house and all that goes with it, she's holding down a job and is also in the cast of a play to be given by the Wedding Ring Club of St. Stephen's Lutheran Church on May 23 and 24. Tickets seem reasonable enough for any of our pocketbooks, costing \$1 for adults and 35 cents for children. It would be fun to see somebody you know on stage just for a change.

There was cause for a double celebration at the COTSONA's household this past week. Apr. 27 marked Michael's ninth birthday and also his grandparents, Mr. and Mrs. G. Fogel, 41st wedding anniversary. A party for the family was held at Mr. and Mrs. E. Irving Jessor's home at 11 Charles St. Mae and Gus Cotsonas and other son, Philip, were of course present along with Barbara Jessor; Mr. and Mrs. George C. Fogel and sons, Robbie and Frederick.

I don't know if some of you realize the seriousness of the proposed split up which will cut down the size of Hicksville by approximately one-third. This issue has come about through the efforts of a handful of residents living in Levitt-built homes but still within the Hicksville boundary line. They object to being a part of Hicksville and wish to become known as North Levittown. Of course this group intends to go right on using our facilities, such as the fire equipment, garbage removal service, water supply and other privileges. I don't know how this strikes you but it sure sounds mighty unfair to me. This proposed split would mean higher taxes for all of us and I think all of us are interested in keeping taxes down. The

Mr. and Mrs. William Brumbaugh of Brooklyn have moved to 11 Westbury Ave. Plainview, with their two daughters, Barbara and Carol.

Town Board is holding a public hearing in the East St. School on Friday, May 9, at 8 p.m. Make it a point to be there and find out what's going on in your own home town. Remember, this concerns you, each and every one of you. I will be glad to help out with what information I have available at this time. Give me a ring and I'll try

to answer your question. Read Herald editorial in the Apr. 24 issue. It explains this situation in plain, everyday English. Hope it makes you mad enough to get out, attend the May 9 meeting and protest.

School District Needs Szendy

By FRED J. NOETH

THE ELECTION of Emil J. Szendy as a trustee of Hicksville School District next Wednesday, May 7, is of prime concern to us all and essential to the future harmonious development of our school system. This is an important election. Mr. Szendy is definitely and pointedly a candidate to represent ALL the people of Hicksville. He is NOT a sectional candidate. As he said publicly last Thursday night "I have not been selected or sponsored by any factional or area-conscious organization, especially not by any advocating or attempting the dismemberment of Hicksville or stimulating enmity toward the residents of Hicksville, or non-constructively, carping and untruthfully criticizing the school board. I have not been selected or sponsored by any organization or individual who owns first allegiance to Levittown."

His candidacy is supported by Lawrence C. McCaffrey, present member of the Hicksville School Board whose term of office is expiring and is not seeking re-election because of the pressure of private affairs.

Mrs. Anthony J. Apicella, his opponent, is frankly the candidate of the North Levitt Home Owners and the Education Assoc. of District 17. We have discussed both organizations here before. Mrs. Apicella was chairman of the "candidate selection" committee of the Education Assoc. She was the author of the "qualifications" list for school board candidates. She admits the closed meeting at which the candidate was chosen was held at her home. And of course she was the candidate chosen.

Her platform has suffered drastic revision and curtailment as the day of voting arrives. She wants "a full school day for every child." But so does the Hicksville School Board and Mr. Szendy and everyone else in the district. Indications are strong that many of our children will be back on a "full school day" with the fall term.

She wants "an informed community" and "community participation in education". As Mr. Szendy has pointed out, the School Board has set up an Education Advisory Committee of 24 women and men with representatives from each interested organization. Some have only one representative but HER OWN ASSOCIATION HAS TWO in this Committee.

Taxes and costs are a grave concern to every property owner. The important role of taxes was stressed this week for many mortgagees with the Bowery Savings Bank as they got notices of May 1st payment increases and escrow deficits. Mr. Szendy has strongly urged caution on spending. He has had broad experience in administering other people's money. He was warned there are no "peaches and cream" state aid handouts. The Hicksville Board has and is going after every dollar of special aid it can obtain. This has been reflected in the fact that the Hicksville School Tax rate for 1952-53 will actually GO DOWN, due to prudent management.

In contrast the Education Assoc. makes it all sound so simple—which it is not. They would let you believe that the state is ready to carry the freight on most anything they want to do in the way of building and costs.

A study of the enrollment indicates that upwards of 60 per cent of the 1,415 registered to vote next Wednesday come from the Levitt section of Hicksville School District. The entire district has a vital stake in this election and every person must vote.

We strongly urge you to cast your ballot next Wednesday, May 7 at Hicksville High School, between 4 and 9 P.M., for Emil J. Szendy for the Hicksville School Board.

Mr. and Mrs. Edwin R. Whalen Schuessler of 29 Island St. Mr. of 523 Plainview Rd., Plainview, and Mrs. John Byrne of Queens Village and Mr. and Mrs. Kenneth entertained at canasta Friday evening, Apr. 18, at their home. Refreshments were served and guests were Mr. and Mrs. Joseph prizes awarded.

Inside Our Public Library:

Musical Gave Library Its Start

This is the third of a series of articles written for and about the Hicksville Free Public Library which is located on Jerusalem Ave. at Second St., near the high school. It is presented by the Friends of the Library.

Until 1926 Hicksville had no public library. By that year sentiment for one had become so strong that a public meeting was called at the high school for the purpose of voting to establish such a library, and for electing a Board of Trustees.

The first Board of Trustees, composed of Dr. Bernard Webster, Chairman; Mrs. Charles Voight, Secretary and Treasurer; Mrs. E. A. Van Slyke, Miss Louise Augustin and Miss Emily Fippinger held its first meeting on Aug. 12, 1926. At this and subsequent meetings all steps necessary for the establishment and administration of a public library were carried out.

GOT ITS CHARTER IN 1927
Hicksville Free Public Library came into being on December 31, 1926, when the provisional charter was granted by the State of New York. However, it was not until March 16, 1927, when the charter was received and accepted by the

Board of Trustees, and the sum of \$1,219.97 was presented to the library by the Hicksville Musical Club (now the Choral Society) for the purchase of new books, that the actual work of setting up the library got under way. The official opening of the library, housed in a second floor classroom of the Nicholas Street School, was held on Feb. 6, 1928.

From this date until 1942, the public library functioned in these same quarters, open to the public, for the loan of books and for reference work, thirty hours a week.

By this date, however, the book collection and the number of borrowers had so increased that new quarters had to be sought. It was then that the Board of Education granted the library the use of two classrooms on the first floor of the Nicholas St. School, thus allowing for an adult reading room, and a separate children's room, to serve also as the school library. After complete renovation and the addition of new equipment, the library opened for service in its new quarters on September 15, 1942. At this time library hours were increased from 30 to 40 hours a week.

Recognizing its improved standards, its enlarged program, and its

wider usefulness, the New York State Board of Regents granted the library an absolute charter on Sept. 20, 1946. A year later, the library further increased its usefulness by lengthening its hours of service from 40 to 50 hours a week.

By 1950 it was recognized that the library had once again outgrown its quarters, which were designed for classrooms, not for a public library. In January of that year, the community voted to purchase the Duerk residence at 169 Jerusalem Ave. as the new location for the library.

The library on Nicholas St. closed at the end of July 1950; the adult department of the library opened at its new location on Sept. 11, 1950. The Children's Room, converted from the four-car garage on the new library property, did not open until Feb. 1951. On March 14, 1951 the library held "Open House" which served as the official opening of the new and present library.

SILVER ANNIVERSARY
On March 23, 1952 the library again held "Open House" as a related celebration of its Silver Anniversary as of Dec. 31, 1951.

At this time the members of the original Board of Trustees were honored, particularly Miss Augustin who had served as a Board member continuously since 1926. Both Mrs. Van Slyke and Mrs. Voight served 21 years. Members of the present Board of Trustees are Mrs. Joseph J. Ulmer, President; Roland Hehrer, Vice-President; Leon Gallosay, Secretary and Treasurer; Miss Augustin and Joseph Heim.

Five librarians have served the library and the community since 1926: Mrs. Marjorie Archibald, 1927-28; Miss Leora Clineh, 1928-30; Miss Kathryn Anne Webster, 1930-37; Miss Marion Snedcor, 1937-1941; and Mrs. Marian Cecil, 1941-51.

The library now serves the community of 24,000 persons 51 hours a week, from 10 A.M. to 9 P.M., daily except Wednesdays and Sundays, and from 10 A.M. to 5 P.M. Saturdays. The annual report for 1951 has been completed recently, and the following comparative figures indicate the progress of the library during its 25 years of service to a rapidly growing community. In December 1928 the book collection numbered 1,264 volumes; in December 1951 there were 17,142 volumes. The total circulation of reading material for home use in 1928 was 12,333; in 1951, it was 77,610. By December 1929 there were 1,072 registered borrowers; in December 1951, there were 4,311 active members of the library.

ties. Weren't the prizes at the JWV Auxiliary card party wonderful, though? The refreshments were also grand.

JEANNE VARCA of Mercury Pl. celebrated her second birthday Saturday with a party for all her friends. Her guests were Paneli Cochran, Gary Logstead, Gwer Lynn Hawkes, Richard Newall, Lenore Sacco and Peter Frame. The room was decorated in blue and yellow streamers with big balloons. There was a beautiful birthday cake on a musical platter. The Dixie cups disappeared as if by magic and the small fry were looked cute with whipped cream from the cake smeared all over their faces. All the guests received numerous prizes and are looking forward to Jeanne's third birthday party.

Another birthday party was held Friday afternoon in honor of VALERIE HAVRILLA of Elten Ave. on her eighth birthday. Her guests were her brother, Johnny, Linda Lysitt, Frances and Billy Goralwski, Nora and Pat McKenna, Pat Farley, Jackie Reed, Patty Lynch, Ellen and Patty and Johnny Stapleton and George Lynch. The decorations carried out the western theme. The refreshments were hamburgers, cake, pop corn, peanuts, candy, cake and ice cream. Linda Lysitt won a Gene Autry puzzle in the donkey game and Jackie Farley won a rifle in the musical chairs game. All the guests received cowboy games for favors.

The MILLARD COLES of Lee Ave. celebrated their 10th wedding anniversary Friday. Many happy returns and here's looking forward to your silver anniversary.

SHELLY LAUZI and her brother, Stephen Allen, spent Sunday afternoon visiting their grandparents in the Bronx.

Watch for the date of the corner stone laying ceremony at the Lee Ave. School. Will give you more details at a later date.

A. The Hicksville School Board meets the last Wednesday night of each month at the Board Room in East Street School.

Q. To what extent does the School Board control the amount of money the community allots to education?

Q. What is the population of Hicksville?

A. 24,170. That is the official count according to a census made for the Hicksville Board of Education and dated Feb. 27, 1952.

crease, investigation by the Herald discloses that the Hicksville School Tax rate is going to decrease.

However, a Bowery Bank spokesman confessed that the school tax forecast was based on what is expected in "Levittown School District" where a gain is anticipated, and not the Hicksville District.

Township officials scored the wording of the Bowery Bank letter. Said Supervisor Charles E. Ransom: "there will be no increase in township taxes next year. In fact, there hasn't been a 'town tax' since 1943. I fail to see where such a statement as the one contained in the Bowery Savings Bank letter is borne out by the facts. Combined school and special district taxes for Hicksville may actually be less next year than for 1952."

Strenuous opposition to the proposed Parking District split was organized this week as all leading civic group officials met, Tuesday night. Since the proposal concerns all residents of the entire district, efforts are being directed toward getting as many as possible out for the hearing at East St. School on May 9.

Best proof rain gutters and leaders at about half the price of the only rust proof material used in the past.

There's no need for damp, wet floors and foundations... Here's what every home owner has been wanting... and every one else with a rain drip problem.

Here are gutters so light a man can walk up a ladder with a whole house length... 30 feet weigh less than 10 pounds. Gutters that require no soldering... using simple slip-joint "S" connectors. Gutters that need no painting... though you can easily paint them if you prefer.

This rain-carrying equipment is as good looking as it is efficient. Unpainted, the aluminum weathers to a soft grey-white... forming a thin film of oxide, that is the metal's own protection. And that oxide is insoluble, non-toxic. It cannot add impurities to water.

Light on the eaves as well as light to handle, there's less risk of sag with aluminum. So, with no painting, you look forward to practically no maintenance. Just imagine the work these aluminum leaders and gutters will do — and for years and years at approximately \$10.00 per house complete.

That's everything you could want of any gutter, so why delay, come in and see this boon to houses.

LEVITT HOMES IN HICKSVILLE: Don't Forget School Vote Next Week

By Adele W. Monst
Hicksville 5-8492

Goose, all you conscientious citizens who have already registered to vote at the school board elections don't have to be reminded to actually go out and cast your ballot when the time comes for voting next Wednesday at Hicksville High School between 4 and 9 p.m.

But Mrs. Walter Miller of 2 August Lane (she's Voters' Service Chairman of the Levittown League of Women Voters) asked me to remind everyone in District 26 that the Annual Meeting of the School Board will be held at 8 p.m. on Tuesday evening, May 6 at the Island Trees School. Elections will also be held at that time, UNLESS a resolution is passed at that time which would postpone the elections until the following day, May 7.

All very complicated, but simple enough for you to get out on the 6th to show your voice in the school budget issue.

Too bad that young Louis Honig was parted from his tonsils so near his seventh birthday. But since he was still convalescing on the big day, he had to forego a party with

all the trimmings on April 28. Instead, he was the guest of honor at a family celebration, which included as guests his grandparents, Mr. and Mrs. S. Honig of Brooklyn. Louis lives at 74 Albatross Road with his parents, Pearl and Bernard, and his little sister Pearl, who's three-and-a-half.

One of the most wonderful examples of interfaith cooperation right here in our own community is that shown by two of our religious congregations. When the Rev. Donner Atwood of the Levittown Community Church discovered that the Levittown Reform Temple was without a place of worship, he and his congregation immediately offered the church as a meeting place for the temple's Friday evening services.

And so, until the temple building is erected on its plot at Carman Avenue and Choir Lane, Rabbi Solomon Zahl will continue to hold services at the Levittown Community Church, Periwinkle and Azalea Roads.

Anna Perkins of 107 Cornflower Road will be hostess on Tuesday evening to members of the Education Study Group of the American Association of University Women. At that time the women will discuss "Planning Guidance Programs for High School Girls."

Now that the spring dance season is in full swing, you'll have many chances to keep up with the latest steps, and to get away from the TV set for a while. Coming up on Saturday evening, May 3rd is a Square Dance at Community Hall, Levittown Pkwy. It will be sponsored by the Central Nassau Chapter of B'nai B'rith, and there'll be a gala evening of fun, frolic and music. Caller will be Stan Gallo-way, and his band will furnish the

CONCORDIA CHOIR of Bronxville will present a concert of sacred music at the Trinity Lutheran Church, W. Nicholas St., Hicksville, this Sunday, May 4, at 4 p.m. The choir appeared on the "Frontiers of Faith" WNET program last Sunday. The program here will feature compositions by Bach, Mendelssohn, Mozart and other great composers. The

youth, vigor and disciplined response of the choir leaves a remarkable impression.

Directed by Eugene Mott, the choir is composed of 36 mixed voices, especially selected from the larger chorus. It has had extensive experience in public performance and has acquired an outstanding reputation in the churches in which it has presented its programs of sacred music.

The Sportlight

By HOWARD FINNEGAN

There are going to be decidedly few bright spots in the 1952 Track and Field campaign of Hicksville High.

The long suffering cinder sport has yet to experience a concerted reconstruction program and a lack of even inferior manpower still exists for the Orange and Black. For the past decade individual brilliance has taken the spotlight from the ineffectiveness of the Comets as a team.

During the next few weeks there will be no Ed Coleman. Bill Byrnes, Milton Levitt, Bob Thomas or Harry O'Mack to inject interest in the season with outstanding victories that tend to color a drab picture.

We would not want to sell Coach Millevoite short for his record of developing performers is long and outstanding. Consistently he has had better than creditable lads in the Shot Put, Broad Jump, High Jump and Discus. Even with the slightest material at the start he has molded and guided many a star.

However, in the running events Hicksville and Millevoite are left high and dry with but a few exceptions. The sprinter and the distance must first have a natural tendency for the course and in this local runners are just not to be had.

Of course, we are not setting aside Hicksville's County Relay Championships recorded just a few years back and the winning of the Sug Arlington Memorial Trophy with three consecutive victories in the Junior 100-yard dash.

As we said there has been cases of individual stars and the Comets have had them, but they lack the second string strength to pick up points in the places and that is the reason for the mounting track defeats for the school.

Last Wednesday for instance the Comets opened the season with a dual meet against visiting Garden City. In the events they did contest, the Comets did fairly well but the final result indicates that they did not contest many: Garden City 80%, Hicksville 23%.

Hicksville won four of eleven first place positions. Garden City won five of six running events and the Comets took three of five field events.

The lone victory on the cinders was recorded by distance man Mario Bianco. He is the Comet's ace cross country man and Millevoite has brought him down to the Mile event hoping he will go well over the shorter haul. Bianco's first win was scored in 4:58. Garden City boys took the second and third places in the event.

Stan Kellner won the Shot with a put of 39 feet, 6 inches and here again the visitors won both place positions.

Richard Evaschuk, despite the fact that he is just recovering from a broken ankle, glided the Discus 117 feet, 7 inches for another field victory. The story in the runnerup spots was the same.

John McCarthy vaulted 9 feet, 9 inches over the crossbar for a Pole Vault triumph for the Orange, but again there was no secondary points scored.

Hicksville was shutout in the broad jump and the 100-yard dash but Howie Speedling, Walt Sellers and Ed Brandis worked hard to prevent a Trojan sweep in the 220, 440 and 880 and each placed in those events respectively.

The other half point came when McCarthy tied Bob Williams of Garden City for third place in the High Jump.

Garden City has always been one of the County's best track schools and the sound defeat was expected. The meet effects have served to point up the difficult task Millevoite has and to increase the gratefulness that the schedule is mercifully short.
