Firemen Start Canvass

HICKSVILLE—The local volunteer firemen will start their house-to-house canvass of the community next Monday, June 16, led by Bob Courtieri, Don Jones, publicity chairman of the Firemen's Labor Day Tournament Committee says this is one of the two sure signs of summer. The other, he explains, is "a good sunburn". Money contributed in the canvass, he added, "is used for social and athletic events. This is the only compensation the firemen receive for their tireless time and service". The drive will continue until every one of the 7,000 dwellings in the district are reached.

Sell Big School Bond Issue

HICKSVILLE—A two-million-dollar bond issue, covering the construction and equipment cost on four new elementary schools, was sold by the School District this week with four bidders at the same interest rate of 2.70 per cent. Offering the highest premium, the issue was sold to the Long Island National Bank, Bank of Hicksville and Stewart-Halsey who made a joint bid. The bids were opened on June 4.

Closed Pools And Levitt Reply

HICKSVILLE—Residents of the Levitt house section who telephoned Levitt & Sons this week and wanted to know why Levitt-owned swimming pools on Newbridge Rd. and Carmen Ave. were not open were advised to call "Hicksville 5-5445-M." Somebody must have forgotten to tell the girl at the Levitt office that Hickville 5 has been changed to "LE". Homeowners outside the Levittown Park District, especially those in Hicksville District, also wondered why the East Meadow pool (Carmen Ave.) has a sign posted asking for only a 50-cent donation while the NLHOA plans to solicit \$1 donations in the Hicksville District.

Storm Postpones Benefit Polo

WESTBURY—The polo game at Meadowbrook Field, scheduled for this Sunday, June 15, for the benefit of the Boy Scouts of Nassau County, has been cancelled. All seating was destroyed by the storm last Monday afternoon. No definite date has been rescheduled but it will probably take place in September, sponsors told the Herald.

Appoint New Librarian Here

HICKSVILLE—Miss Helen Wheeler of Freeport has been named librarian of the Hicksville Free Public Library, it was learned this week. She was formerly librarian at the Riverdale, N. Y., Library.

HICKSVILLE—An infant and two adults were injured when the car in which they were riding struck a L. I. Lighting Co. pole on 16th St., west of North Broadway, Saturday, June 7.
John McGranahan, operator of the 1940 Buick, of 182 Nevada St., was taken to Meadowbrook Hospital in an ambulance suffering laceration of the chin and left arm. Philip Hake of 141 Bethpage Rd., a passenger, was also taken to the hospital with possible fracture of the jaw and lacerations of the left knee.
Maureen McGranahan, 2 1/2, of 182 Nevada St. was treated by Dr. Arthur Swick for a fractured right leg and possible internal injuries and taken home.

4 FIRE CALLS AT SAME TIME

Damage Tops 1950 Blow

More than half a million dollars damage was suffered by property owners of the mid-island area, largely private home owners, as the result of a short-lived but high velocity wind and severe local thunder storm, Monday afternoon. The blast, with wind speed of more than 75 mph recorded by the Grumman Airport control tower at Bethpage, appears to have swept thru from Westbury, easterly thru Hicksville, part of Levittown, Bethpage and on out to Pinelawn. Many old, stately trees were broken off and uprooted and a series of fires were caused by bolts of lightning.

Local insurance firms, swamped with property damage claims, said it was "worse than the last time", referring to the storm of Nov. 25, 1950, which was previously described as creating "a greater number of insurance claims than any other single catastrophe in insurance history."

CATASTROPHE STAFF

Henry G. Eisemann of Seaman and Eisemann, Hicksville, said his organization was setting up a special "catastrophe staff" of nine people to handle the heavy volume of damage claims. Four trunk phone lines at the office were swamped with calls Monday after the storm and most of Tuesday.

Another local broker estimated that average claims would be \$30 to \$40 but some were much higher. Many thermopane picture windows, at \$18 a pane, were smashed in the Levitt houses along Carmen Ave., Westbury.

The powerful wind ripped an awning with eight pipe supports from the premises of Alvin Garblik at 18 Grape La. and "spear"ed

the supports into a neighbor's home.
Hicksville, Bethpage and Jericho firemen were kept stepping as alarms sounded before the rain stopped. The Hicksville vamps had three calls at almost the same precise moment. A bolt of lightning hit the home of Dominick Angrino at 42 Thorman Ave. and set fire to the roof at 2:48 p.m. Four minutes later there was a call to Nassau Motors at 24 E. Barclay St. as lightning hit a ceiling fixture. Four minutes later and lightning had ripped thru the roof of 32

Gables Dr. and set fire to a daybed in the Ernest Jensen attic.

In the midst of all this, police notified the vamps of a fallen high power line on Old Country Rd. near Carmen Ave. with danger of fire.

BLOCKED BY FREIGHT

In racing back and forth across town to answer the series of calls, Hicksville vamps were blocked by a freight train across the Woodbury Rd. crossing and severely hampered by fallen branches and trees.

Bethpage vamps were on duty (Continued on Page 23)

TWO-A-DAY act for Hicksville School officials was the placement of cornerstones last week for the brand new Dutch Lane and Old Country Rd. elementary schools in Hicksville. Allen S. Carpenter, board member who was elected with an overwhelming majority on that same evening, places a sealed copper box into the Old Country Rd. School cornerstone as Board President Henry C. Brengel and School Superintendent E. H. LeBarron (left to right) stand by. Box was crammed with items about the community, its schools, history and organizations. Public is urged to attend two more cornerstone ceremonies next Tuesday morning, June 17, at Fork Lane at 10 AM. and at Burns Ave. at 11 AM. (Herald photo by Frank Mallett).

Auxiliary Police Seek Uniforms

HICKSVILLE—The Auxiliary Police of Unit 312, Hicksville-Plainview, is sponsoring a prize award and barn dances to raise funds for uniforms. Thomas Culen, chief of the unit, disclosed this week. Swearing-in exercises for a large number of new recruits, bringing the unit up to 80 men, was held last night (Wednesday) at the high school. County CD Director Cyril Ryan and Local Director Frank Sutter were expected to officiate.

A 17-inch television with record changer will be awarded at the Sept. 13 barn dance at the Masonic Temple, W. Nicholas St. The winner will be determined by the holder of a receipt for a specific hour when a sealed clock has stopped. The clock will be wound, sealed and placed in a bank vault within the next few days.

At a CD Council meeting Friday, Bob McDonald was tentatively appointed as sector warden for the Plainview area.

Carpenter Sees Victory As Vote For School Board

HICKSVILLE—Allen S. Carpenter of 11 Loretta Lane immediately reaccepted his seat on the Board of Education, to serve until June 30, 1953, following the special election held on June 4. Sixty-two percent of the 2,000 voters registered cast their ballots to give Carpenter 871, Mrs. A. J. Apicella 273 and Edward Ripple 74 votes.
"I am very pleased with the great interest the people of the district showed last week," Carpenter told the Herald. "The large vote in this special election, following so closely upon the heels of the regular school election, proves that the people are interested in their school system. The heavy majority vote for me

is without a doubt, a confidence vote for the School Board. My slogan was 'I am running for the school board, not against them.'"

He calculated that 76 per cent of the additional registrations of May 24 turned out to vote on June 4. Further that 50 per cent of those registered from the Levitt-section cast their ballots and 74 per cent of those registered from the rest of the district, voted. On a "minimum statistical basis" he believes that 31 per cent of those voting from the Levitt section cast their ballots for him.

GOP Recruits Elect Ferenbach

BETHPAGE—Edwin Ferenbach was elected president of the Republican Recruits at a meeting on June 2. His officers are: Val Mehic, vice-president; Mrs. Evelyn Auer, recording secretary; Curt Fels, corresponding secretary; Mike Kalinyak, treasurer.

A vote of thanks was given to Tom Drzymalsky who helped organize the Recruits and acted as temporary chairman.

A lawn party will be held at the home of Miss Rose Maggio Saturday, June 14, to celebrate receipt of the charter from Nassau Republican Recruits.

SENIOR GIRL SCOUTS of Hicksville Troop No. 3 are pictured around a camp fire during a week-end stay at Girl Scout Camp Edey in May. Left to right are: Marion Arthofer, Elizabeth Chaplin, Betty Way, Gwen McCue and Shari Walther. (Hicksville Girl Scout Council of Awards story on page 4, Bethpage Scout news on page 16.)

CARNIVAL DOG BITES CHILD

HICKSVILLE—Francis Arach, 4, of 146 Newbridge Rd. was bitten on the finger of his left hand by a cocker spaniel owned by James Woods of Frel's Broadway Show, Saturday. The child was playing in the rear yard of his home.

Feted At Shower

Miss Dorothy Schultz was the guest of honor at a surprise bridal shower held at the home of Mrs. Elizabeth McCaffrey, 187 First St., Hicksville, Saturday, June 7. The shower was given by Mrs. Robert Corcoran and Mrs. Robert Houlihan.

The room was decorated with white bells and many lovely gifts were received from: Mrs. Elizabeth McCaffrey, Mrs. Walter Schultz, Mrs. Edward Phalen, Mrs. George Coffin, Sr., Mrs. Gerald Dwyer, Mrs. Aurilio Gelardi, Mrs. Alfred Siemers, Mrs. Charles Scheuer, Mrs. John Wass, Mrs. James Montrato, Mrs. Peter Mayer, Mrs. Fred J. Noeth, Mrs. Walter Blatz, Mrs. Walter McCaffrey, Miss Mary Haughey, Mrs. Marcus Dodge, Mrs. George Coffin, Jr.

Miss Schultz will wed Lawrence McCaffrey of Hicksville on June 28 in Brooklyn.

Dear Jean:

Everyone had some sort of an experience story to tell Tuesday morning after the BIG BLOW. Hardware stores had a big rush for candles, Sterno stoves and kerosene lamps. Ice at Gentile's was almost as scarce as hen's teeth for a time. Big neon sign at DRIVE-IN THEATRE was knocked down. Tar paper roofing was lifted off new Summit Lane school, Levittown, and lightning socked the Division Ave. School chimney for about the third time, which disposes some kind of a theory. ARTHUR ISAKSEN, president of SHALHO and member of Co. 6, got some practical experience in ladder work in a roof fire on Thorman Ave. BILL SILL claims the engineer on a freight train which blocked the fire trucks at the Woodbury Rd. crossing put his thumb to his nose when the vamps tried to get by. JACK BRANDT, highway superintendent, had his phone line (which has been working, 10 20 years) knocked down at his home on 4th St. He confesses he sat out in the car (with no power in the house) to hear the end of the Dodger game on his car radio. Heavy rains made many folks apprehensive about the "bridge of sand" and RR trains. Hicksville Fire Dept. floodlight truck was put into emergency service Monday night by Lighting Co. . . .

Proud Grandma, MRS. ROSE PATERSON of Hicksville Gift Shop, likes to tell about her three-week-old grandson who already has three teeth. . . . MYRON SAUSER is pleased as punch to report he has TINY and his Orchestra for the Lions Club installation at ANSELM'S on July 9. . . .

Radio and television actor, HAL STUDER of 6 Petal La., Hicksville, is currently appearing on the "Just Plain Bill" radio program heard daily over NBC at 5 p.m. He plays the part of Ralph, a young man in difficulty, but Plain Bill is helping him out. . . . The next issue of the HERALD will feature our local college graduates. We would appreciate notification by parents of the young men and women of our community who are receiving their degrees this month by calling Hicksville 8-1400. . . . Deadline for Hicksville High School seniors to file with CHARLES MONTANA, c/o Hicksville Kiwanis Club, for the Kiwanis College Assistance Award is next Monday, June 16. Assistance amounts to \$260. . . .

A county daily paper this week said it had interviewed ALLEN CARPENTER, successful Hicksville School Board candidate, in "his Levittown home". AL pointed out to the paper, next day, he lives in "Vidontown, Hicksville" and he was interviewed, actually, at the Legion Hall—not at home. The reporter told him it is Newsday's policy to consider all Levitt-built homes as "Levittown". Ain't that nice? . . . It is all rather quiet now, but when Congressman LEN HALL gets elected county surrogate in the fall and takes the judicial role the first day of 1953, he will have to surrender his chairmanship of the Oyster Bay Township Republican Committee. Who will get this key political position is wide open, but among those being mentioned are ERNIE FRANCKE, THEODORE SUMMERS and CHARLES RANSOM, for starters. LEN had expected to give up the GOP leadership when he first went to Congress but a hassle developed between friends of the late ED McQUEEN and ERNIE and, probably to keep peace and harmony, LEN kept the position. . . . An advance publicity release regarding the dinner held Tuesday night at Lombardo's East Point House in Freeport in honor of LAWRENCE EISENHAUER of Hicksville, named as "Long Island Father of the Year" stated that HENRY C. BRENGEL, Hicksville school board president, would represent Supervisor CHARLES E. RANSOM of Oyster Bay Township. . . .

With Father's Day this Sunday we are reminded that Dr. ERLY BEAN, Hicksville adult education program director, holds the title of "Father of the Year" conferred a couple of years back. Since no new "Father of the Year" has been named in Hicksville, we guess ERLY still has the title. . . . County Boy Scout Camp Wauwepeck at Wading River is being put in shape for the 30th summer season which opens on June 29 and closes on Aug. 23. . . . The corner of Woodbury Rd. and South Oyster Bay Rd., Hicksville, promises to someday be another "beautiful intersection". There is a gas station now operating at the northwest corner. Next Thursday the Evening Appeals Board will consider separate pleas for two more stations, individually made, on the southwest and northeast corners. What's the matter with the southeast corner, boys? . . . The summer season at Jones Beach Marine Stadium opens Thursday night, June 26, with the "A Night in Venice." . . . A lady called from Yonkers this week with a novel request. She had given her dog to the Bide-A-Wee Home in Wantagh and then decided she wanted it back. The Home only could tell her the dog was adopted by a family in Bethpage. The Yonkers lady in a long-distance call to the HERALD asked that the Bethpage family write to her at Box 44. She is so anxious to get her dog back. . . .

HOLY FAMILY FUND PROJECT: \$25,000 Land Debt

Paying off a \$25,000 debt incurred through the recent purchase of five acres of land by Holy Family R.C. Parish will be the goal of a prize award which officially gets underway today (Thursday, June 12). The property which is located at Newbridge Rd. and Cherry St., Hicksville, will be the site for the erection of a new church this year. Plans are already being completed and an announcement is expected shortly by Rev. Martin O'Dea, Pastor, as to just when construction will begin.

William O'Mara, Committee Chairman, said yesterday that men and women of the parish will start out Thursday distributing donation books to each Catholic family in the parish. The same distributors will return to pick up the sold book stubs and receipts. He also said that Father O'Dea has mailed a letter to each family explaining the objectives of the drive which will terminate Saturday July 19 at a "Sports Dance" to be held in the Community Hall on Levittown Pkway. At that time, the winners of the many prizes will be announced.

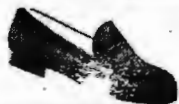

The committee has provided a

new Buick 1962 car as first prize. The car which was purchased at cost was made available through Eisemann Motors in Hicksville. Other top prizes will include an electric clothes dryer, power lawn mower, and electric floor polisher. The committee plans to exhibit the new car each Thursday and Friday evening at the two main shopping centers on Hempstead Tpke., in Levittown. It will also be shown before and after Holy Family Church Services, alternating each Sunday between the Community Hall and Meadowbrook Theatre.

Assisting on the committee are William Cook, Robert Uzar, Edward Collins, Howard Kolbenheyer and Donald Phelan. Mrs. Arthur Fleming will represent the women.

BRIAR PARK, PLAINVIEW: Discussion About Park District

By Ethel Rooney
HI3-5324

Hello Folks:

Finally, after weeks of waiting, we've had a nice week-end. I didn't think the weatherman could spare us one, but this was one worth waiting for. Jim and I went to New Hyde Park. My aunt and uncle, Mr. and Mrs. John Hauprich, celebrated their twenty-fifth wedding anniversary at a dinner, followed by dancing and feasting. I got to drink my first champagne. It tasted kind of funny in the beginning, but I got to like it. Unfortunately this is an expensive taste to develop.

Regarding the streets Norman Riley called me to let me know what has been done. He spoke to representatives of the L. I. Lighting Co. and at a most congenial meeting was told that work should be completed by the end of this week and at that time they will immediately get to work putting the roads back in the same condition that they found them.

He has also spoken to John R. Brandt, highway superintendent, who told him that our roads are definitely on the list to be repaired in the very near future, but due to weather conditions, etc., he wasn't sure just when. This of course is the same song and dance routine we've been getting right along. I'll bet the next time we ask him, we can recite his answer, practically verbatim, before he

gives it. However, your Civic Association is working on it and maybe when Jack gets tired of being hounded, they will be fixed.

Mr. Riley and Leland Baker also met with Councilman Frank Chlumsky in Oyster Bay regarding the establishing of a Plainview Park and Parking District. If you have seen the youngsters playing baseball in the streets, you will know why. We have too many children who are forced to play in the roads because they have no place else to play. In order to get this District set-up, we must first hand in a petition at the Town Board at Oyster Bay. They will then hold a hearing to determine if the majority of Plainview residents desire this and if they do, the Town will establish such a district and we will be put on the tax rolls accordingly. However, we will not pay any taxes on this before land has been purchased and work has been started.

Another announcement from Mr. Riley, as the result of correspondence with the Postal Authorities, all of AUDREY AVE. now gets mail delivery. Up to this time, people residing in the last few blocks of Audrey Ave. had to go to Hicksville Post Office to pick up their mail. Now they can be Plutocrats like the rest of us.

The Reidy boys on Audrey Ave. have a new baby sister. A 7 1/2 pound daughter, Mary Margaret, arrived May 28 at Kew Gardens General Hospital. The boys are so delighted at the new addition.

The A. M. E. T. Auxiliary meets Tuesday evening at 8:30 at the home of Mrs. Geigetter on Island St. If you are interested in joining, call me and I'll be glad to give you the details.

Strawberry Party Sunday At Chapel

A strawberry festival will be held Sunday, June 15, on the lawn of the Plainview Lutheran Chapel on Central Park Dr., Plainview, from 3 to 5 p. m. A free will offering will be taken.

Strawberries, ice cream, cakes, soda and coffee will be served. Mrs. Ann Ocker is chairman of the committee.

Plan Nursery Members of the Guild will conduct a nursery during the 9:30 a. m. Sunday services of the Chapel in the second story of the building. Plans for the nursery were discussed at a meeting of the Guild Friday, June 6. Mrs. Dora Thorman and Mrs. Emma Schrimpe were welcomed as new members.

Mr. and Mrs. Edwin R. Whalen of 523 Plainview Rd., Plainview, entertained at dinner in their home on Saturday, May 31. Their guests were: Mr. and Mrs. Kenneth Mackenzie of Plainview, Mr. and Mrs. Skiney Ryan of High Bridge, N. Y., and Mr. and Mrs. Philip Leonard of the Bronx.

The newly organized Plainview (Girl) Scouts and Brownies will hold a picnic Saturday, June 14, at the Manetto Hill School at 12 noon to end their activities for the summer. Meetings will be resumed in September and application for a charter will be made.

Marie Funfgeld Head P-T A

Marie Funfgeld was installed as president of the Manetto Hill P.T.A. Thursday, June 6, at the school. Mrs. Ruth Cheshire who was originally elected president, resigned from the office but accepted the vice-presidency.

Mrs. Elizabeth Baum was installed as treasurer; Mrs. Catherine Hill, corresponding secretary; and Mrs. Vera McIntosh, recording secretary.

A program of entertainment was presented by Roy and Linda Lambertson who danced a soft shoe tap dance. Otilie and Marie Kremp played accordion selections, "On Top of Ole Smoky" and "Oh, Suzanna." Elsa Bergman sang "Big Brown Bear," "Sunshine and your Smile," and "Man on the Flying Trapeze." Anna Pavlicek played a piano solo, "Just Like a Breath of Spring." Frank Pavlicek entertained with his wooden dancing doll.

Mrs. Lizette Weber, past president, was presented with a pin and the past officers were presented with corsages.

Move To Unify Three Civic Assoc.

by Ethel Rooney

PLAINVIEW — A meeting was held at the home of Norman Riley last week to discuss the unification of Plainview's three organized civic groups, namely, The Briar Park Home Owners Assoc., Plainview Country Home Owners Assoc., and Plainview Civic Assoc.

Present at the meeting were Val Himbinger, and Leland Baker from Plainview Country Home Owners, Norman Riley, James

Rooney, Paul Lauterbach and Edward Callahan from the Briar Park Home Owners and Fred Baum, President of the Plainview Civic Assoc.

They discussed the desirability of unifying, although no final actions can be taken before the Plainview Civic Assoc. members notify Mr. Baum of their intentions in this matter.

Both Briar Park and Plainview Country Homes have held prior

meetings to this one and officers have heard from their members as being generally in favor of unification. However, Mr. Baum has not yet had any word from his group and would greatly appreciate hearing from them, so that they may also set up a committee to join the others.

When this has been done, further meetings can be held to complete the unification to everyone's satisfaction.

NEIGHBOR DOWLING VIEWS NEWS: Politics, Roads And Planning

By John C. Dowling

I never intended to do a piece that would approach any semblance of things political. But after reading a story that appeared in a Nassau daily this past week, I just couldn't resist the caustic urge that welled up in me and comment on the remarks of the County Democratic mogul who fathered this exhortation of Nassau's Republican planners.

A Mr. Carreau, who apparently is "Mr. Democrat" to the party faithful of the North and South shores, vehemently castigated the Republican powers for their alleged lack of county-wide planning.

Since elections and attend- DOWLING ant campaigns top the agendas of most political encampments from here on out, these utterings do have somewhat of a tambour-like ring although there are a few facts interspersed among the usual political generalities and crazy-quilt pattern that makes up a statement of this kind.

Outstanding among these, it seems to me, is that portion of Mr. Carreau's remarks that have to do with roads and drainage. If you do much travelling on some of the new development roads east of Mineola you know what I mean.

Many community-minded organizations have sprung up in areas near and around Hicksville with a noble intent in mind. Unfortunately, in many cases, they are literally bucking up against the proverbial stone wall when they endeavor to accomplish something such as a decent road or improved drainage.

of pebbles and tar and presto — a road. Macadam or similar roads are out of the question in these instances where the majestic filed map prevails. Of course, the roads — actually they're trails — will eventually be macadamized but then it will be Mr. Taxpayer and not the builder who will be afforded the privilege of flashing his greenbacks around. It must be pointed out, however, that a goodly number of builders have put in decent roads.

The "file map" isn't a particularly plausible answer to supply to these road-harassed homeowners and the naivete of the politicians on this score surprises me. These citizens — and there are many more with more to follow — aren't interested in "filed maps" or any other kind of chart. They look to the local officeholders and public officials to change this legal loophole so that even if it's too late for them to reap any benefit, at least, the future residents of Nassau will be able to move in on good roads. Other things can be changed so why not this "Filed Map" regulation?

With regard to drainage, planning, all you have to do is check back a few days and scan the headlines of Nassau's newspapers. I'm told that it's being bantered about in other circles that if you're planning to move to Nassau it's a good idea to have an automobile but it's an equally good idea to purchase a raft, canoe, outboard or whatever you can scare up in the way of sea-going equipment. Doesn't the prospect of visiting a float-in movie excite you? Just the thought of holding hands with your best gal while the sofa glides down Main Street into the aqua-theatre is enough for me. Of course, if the picture is of the obtuse variety you

can always float over to Emil's for an inundated hotdog.

Well, thank you, "Mr. Democrat," for providing me with something to say that I probably shouldn't've said in the first place. In any event someone either Democrat or Republicans should come up with and make public some plan to eliminate such public nuisances and "Filed Maps" and bad drained-age. That's one way to get votes!

Patton To Play
At Parkway Church

An informal music program by Lowell Patton will be presented under the auspices of the Women's Guild of the Parkway Community Church, Hicksville, Wednesday, June 18, in the church on Hempstead Ave., at 8:15 p.m.

Lowell Patton has devoted his life to music and after study in London, he became a music consultant for National Broadcasting Co., according to sponsors of the program. He has composed and directed many religious programs. During the summer he goes to "Quiet Hours", an idyllic woodland camp in the Oregon forest which he founded as a retreat for music lovers of all ages. There he follows further his simple creed of service in the belief that the mind can grow outward and upward more readily through music than through any other of the arts.

The public is cordially invited to attend.

HICKSVILLE GABLES: Looking For Summer Replacement

By Ruth Schaub
Hicksville 3-2549 R

Afraid the column will be short and sweet this week as there has been little news coming my way. Guess everybody is busy these days with all the outside chores to be done as well as keeping up with the inside. Would like to remind you that I will not be able to write this column during July and August and if anyone of you are interested in taking over, please get in touch with me for the particulars.

Hope you were all as glad as we were to have Allen Carpenter win the election to the school board last week. It was a great victory and feel sure we will all profit from this event.

The male population was increased by one on June 2 when Edward Steven Cassaro, Jr. arrived at the Bay Ridge Hospital in Brooklyn. He weighed in at 7 pounds and 14 ounces and is the new son of Mr. and Mrs. Edward Cassaro of 39 Garden Blvd. The Cassaros also have another child, David.

June 2 must be a popular day to be born on as Laurel Benjamin, daughter of Mr. and Mrs. E. Benjamin of 12 S. Elm St. was one year old on this date.

Mrs. Margaret Tibb of 20 Gables Rd. another one to celebrate on this day. A family party was held in the evening with the Tibb daughter and son-in-law, Mr. and Mrs. William Ziehl of Whitestone arriving for the festivities.

Our last birthday on June 2 was that of Al La Place of 319 Old Country Rd. The LaPlaces are newcomers to Hicksville and live over in Section 2 of the Gables. I understand section 2 is now completed and the builder of these homes is now working out in Islip.

Little Jimmy Graham, son of Mr. and Mrs. Joseph Graham of 19 Gables Rd. was four years old on June 5 I always get a big laugh from Jimmy as his favorite expression whenever he arrives on the scene is "well, here we all are!"

We had another youngster here in the Gables who made his First Holy Communion on Memorial Day. He was William Yunger, Jr., son of Mr. and Mrs. William Yunger of 2 Gables Rd. Mrs. Yunger tells me that unexpected guests arrived on that nice rainy Sunday we had and as they were in the process of painting their living room, the visitors just sat on the couch and watched. They are fortunate they weren't my company as they would have found themselves with brushes in their hands!

Mr. and Mrs. Schneckenberg of 23 Gables Rd. celebrated their

wedding anniversary on June 5. They were treated to an evening out by their young sons who took them over to the VFW festival for an evening of fun.

We had a wonderful time ourselves on Memorial Day as we were invited over to the home of my sister-in-law and her husband, Mr. and Mrs. V. Foscolo of Beacon Hill. The guests of honor were Mr. and Mrs. William C. Poertner, Jr. of Calif. and children, Holly and Billy. It was really a reunion as we haven't seen each other in quite a few years. Also present were Mr. and Mrs. Herbert Scholze and two daughters, Mrs. William Poertner, Sr. and Mrs. Olga Radeck. What with three more Foscolo offspring and our two children, there was quite a household but a good time was had by all.

Red Cross Aids To 114 Here

MINEOLA — A total of 114 families of servicemen and veterans in the Hicksville area were aided by the Hittlo-publicized activity of the Red Cross Home Service Dept. during 1951, it was revealed this week. The Red Cross furnishes financial assistance in some cases, counseling service in others.

The Hicksville Red Cross branch is still seeking funds to reach its 1952 fund quota. Contributions may be made to Jay Schwarz, chairman, at 152 B'way, or at the HERALD office, 98 North Broadway. Home service is one of the many services made possible by Red Cross contributions.

County headquarters disclosed this week that emergency aid for "disaster victims", such as the flooded out East Meadow homeowners of a week ago, should be reported without delay by calling Garden City 3-5888 just as the police or fire depts. are called.

Riding The Microwaves

with **MARGARET SAVIN**

LAST WEDNESDAY one of the contenders for the presidency of the United States faced the television cameras and made his first campaign pitch. I purposely use the term "presidency" instead of "Republican nomination" because I can think of many a Democrat who will cast his vote for General Eisenhower this coming presidential election.

Plenty of pro and con has been printed and broadcast since the event took place; therefore, I shall keep my comments in the framework of a TV column without trespassing into the domain of news reporting and editorials. The blankets of rainwater that shrouded all of Abilene, including the speaker's platform and the microphone, didn't prevent the general from facing the TV cameras and thru them the millions of Americans who were waiting. . . .

It was our first chance to observe "Ike" at close range and to listen to what one of the greatest military figures of our time has to say about the future of our country.

If Academy Awards were in order for speech making the general would certainly have been the recipient of a "Michael" in this field. Watching his face during the speech and even during the pauses set aside for applause brought a very simple but very definite thought to our mind: He seems to be a regular guy. . . .

He didn't smile much and he didn't try to keep his audience's attention by entertaining them with homespun jokes. Ike Eisenhower doesn't have to compete with Milton Berle, as one well known political figure does, in order to gather an extra vote here and there.

His serious speech made for excellent listening; it was perfectly balanced and had plenty of punchline. We do hope those beautiful words will materialize into decisions to be carried out by President Eisenhower should the man who led the American armies to victory be elected to lead the American people to prosperity and peace.

I FOR ONE enjoyed his whipping at overbureaucracy, super red tape and wasteful spending by all government agencies. It had such a familiar ring. It was pleasant to listen to promises that have so readily been forgotten by those who made them in the past. Let's hope that this type of political smut won't beset the general once the campaign is over and the business of being president is on. . . .

From a TV point of view I hope Mr. Eisenhower will learn to look "into" the camera occasionally so the viewer will get the impression that the speech is made especially for him. And I also hope that a man with a dark suit and a loud voice will be eliminated from General Eisenhower's future TV appearances. This man's loud yipes were completely uncalled for. Same goes for the unnecessary blowing of automobile horns every time the general stopped to catch his breath. I like to bring to that man's attention that he was attending a serious political lecture, not a sideshow.

A PERSONALITY of General Eisenhower's standing does not need a professional claque to highlight the important points in his speech. TV viewers are known to have eyes and ears; give them credit of having a brain, too, and let them decide for themselves whether they do or do not like what the candidate says.

WILLIAM ZEKENDORF, second from left, president of Webb and Knapp, Inc., developers of Roosevelt Field, shows the spot where the Ringling Brothers Circus will pitch its tents on the field on Friday and Saturday, June 20 and 21. With him, l. to r., are Carl Gibbs, president of Manhasset Legion Memorial Fund, circus sponsors; Zekendorf; George W. Anderson, Legion Fund secretary, and Herbert I. Silverson, Webb and Knapp vice president and president of Roosevelt Field, Inc. Webb and Knapp granted the Legion permission to use the field free of charge.

GOING AROUND THE LANES:

We're Going To Have Picnic, Folks

By Florence Verra
LE 9 6407

Now here is where your oft repeated words come back to haunt you, my dear readers. In calling many of you for items to commit to deathless prose I have listened to you bemoan the fact that the whole community never gets together. You have quoted chapter and verse to prove that if we all could do something together that was fun, we could forget all the silliness that has caused bad feeling.

How right you are, so here is a project that you all should welcome: Harry Woodruff and Don Miller thought of a community picnic. They called some of the people and the idea works out this way. Everyone interested in a good time with no strings attached, no causes except fun and neighborliness, and willing to pack his own picnic lunch, call the numbers I'll list later to tell us you are willing to go to either Sunken Meadow State Park

or Bethpage Park. All those who call before Sunday will be counted. The place which gets the majority of the votes will be announced in the Herald next week, and the picnic is for June 22, a Sunday. We plan to meet and start together early about eight or thereabouts. There will be a meeting place in each section of town and the whole crowd will make a regular parade to the picnic grounds. We are going to have games for the kids, and for the grown ups too. If you went to the picnic last year you don't have to be told how much fun it was. Everyone is welcome. We don't give a hoot where you live or what you live in or how you part your hair, if any. The men running this picnic are not representing any section or group, be assured of that. Now, you can call Harry Woodruff at LE 9-7215, Don Miller at LE 9-2843, Dick Cable at LE 9-4788 and of course you can always call me at the number listed at the beginning of this article. Those of you who live in the other sections of Hicksville will be contacted by someone in your area, but in case you are not call me or any of the other members. I hope to see a whole crowd of you turn out.

This weekend was enough to make you regret all the nasty things you have said about the weatherman all month. We went in to Jersey in all that mess last week, and maybe it's just as well, cause my spouse counts any sunny day wasted that he doesn't spend mowing the lawn.

We weren't the only travelers around this section, though. Mr. and Mrs. Ed Schmidt went to Syracuse to see Christine's mother and dad. Christine, Jr., and Jo Ann were a sensation with their grandparents and mom and dad had a fine time. Sad sequel to story, Christine is down with virus and her sister-in-law, Mrs. Woodruff, is lending a hand with the youngsters until mommy feels herself again. The Schmidts live at 27 Bond Lane. We hope you are feeling better, Chris. As I have been building you up for my daughter's debut, I will follow through with the story. The music festival at East St. School was just about the nicest thing it has been my good fortune to watch in many a long day. Surely, some of the artists missed a note here, and there but they all did remarkably well. The point I would like to make is that the whole thing was performed with no pressure, no tense attitude, but the children and the teachers made you feel that they had fun with the music and wanted to show you how much fun it could

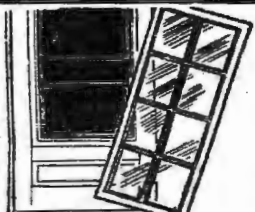

be. The children were assigned to special rooms after they performed and the teachers had games and puzzles waiting for them until their parents called for them. Just one problem. If my daughter is typical, we parents don't stand a chance next to the kind of act up they provided. She preferred to stay with the class till we were ready to go home. I think that indicates better than anything else the kind of school atmosphere our children are enjoying.

The third grade from Nichols School enjoyed a trip into New York to see the Planetarium and the Museum of Natural History, Saturday. Mrs. Lenow and Miss Sheehan, their teachers, gave up their Saturday to conduct the tour. The children went by school bus and some of the mothers went along to assist where it was needed. Mrs. Emil Gowdy and Mrs. Charles Walker were two of the mothers from this area. They were delighted with the trip and they said the children were wonderful.

If you were at the music festival you heard young Alvin Goldberg play his accordion. He played very well and we were all very proud of him. He lives at 33 Palermo St. This is a cute story his mother, Cairo, told me. She had some of the girls over for Mah Jongg the night of the last bad storm, and things were parking along nicely until the lights started to flicker. You should have seen the gals run for home. Ruth Kushner of 33 Coachman Lane was on the phone to see how things were and the line went dead. That was all, brother. Home they scooted. But the point I would like to know is how many were afraid of getting wet and how many are honest enough to own up that it's nice to be home with a good strong arm to grab on to when that old thunder starts. Mentioning no names understand but I have a neighbor who practically goes to bed and hides when it thunders. . . are you listening, Adelaide?

Arlene and Charles Wolmer of Tip Top Lane had Arlene's mother, Mrs. Loring Stevenson visiting them last week from Fitchburg, Mass. She was delighted with our town and the thing she found nicest of all was the friendliness of the neighbors. That's the kind of thing we love to hear. The Wolmers live in Madison, NEW JERSEY, at one time. We had a grand session discussing the merits of my former home. Truth compels me to admit, however, that the last trip back there left me with a wretched cold so I will stick to the Island and admire Jersey from afar. It's safer. "OUT OF THE FOXHOLE" . . . Welcome new member, Johnny Kwiatkowski. NOW HEAR THIS: Due to the recent loss of a major portion of records, all former members of the 94th (Pilgrim) Division are asked to send their names and addresses to Mr. Wm. J. Callahan, Sec., 5466 S. Kenwood Ave., Chicago 15, Ill. . . . Hal Cooley, here is your outfit. For those who forgot the 94th they were called "Roosevelt's Butchers" by Axis Sally because they took what Herr Hitler gave and then in turn kicked his boys' teeth in.

RIFLE SQUAD: Within the very near future Post 44 will display a 10 man Rifle and Honor Guard composed of Louis Mignone, Joseph Mignone, Jimmy Cooley, Harry Zvanik, Harold Cooley and Cleveland Dodge. The other four men will be picked at a later date. To the post members and auxiliary unit, the boys will hold a raffle to raise funds, for their uniforms. **DATES TO REMEMBER:** June 20 the post will hold their regular meeting. June 21 will be the monthly affair. **CONGRATULATIONS ARE IN ORDER:** To the Wm. M. Gouse, Jr., VFW Post 8211 on bringing Hicksville some fine entertainment in the form of "Prell's Broadway Shows." **MAINLY ABOUT THE AMVETS:** Art Maxey, State Vice Commander, will transfer shortly to the Plainview Post. Commander Johnny Podolski will attend the State convention this year. Jimmy Cooley was elected to

the Office of Membership. (All former members prepare yourself for a visit.)

NEWS AND VIEWS ABOUT VETERANS ORGANIZATION: If the Jewish War Veterans will send Buddy Lang to the club, he will be able to pick up the post colors that you all were so kind to allow AMVETS to carry on Memorial Day. The AVC (American Veterans Committee) will soon reorganize their organization, according to newspaper reports. The Marine Corps League is going full steam ahead and from what I understand, AMVETS will soon contribute a former Gyrene to your ranks. At the last meeting after being taken again AMVETS have resolved to, Quote . . . "Show our fangs . . . instead of our milk teeth." Unquote.

LADIES AUXILIARY NOTES: Meetings on the fourth Wednesday of each month at the post clubhouse. Miss Trudy Ulmer will be Liaison Officer between the post and auxiliary. Friday evening, June 13, the Ladies will hold a Card Party at Mrs. Arthur Maxey's home on 100 Cherry St. The reason—so many women have to climb the big stairs at the club. Installation of Ladies Auxiliary will be held on the fourth Friday of this month. All post members and their wives are cordially invited to attend. The newly elected officers will be for the term of 1952-53. **THIS IS IMPORTANT:** Al Lehman, one of Long Island's most popular Callers will be at the Club for the Ladies Auxiliary Square Dance on Saturday evening, June 14. It starts at 9 p.m. so bring along a friend and have a good time. If it works out, the Ladies will hold one every month starting in the Fall. So, until next week . . .

GOING AROUND THE LANES:

We're Going To Have Picnic, Folks

By Florence Vvay
LE 9-6467

Now here is where your oft repeated words come back to haunt you, my dear readers. In calling many of you for items to commit to deathless prose I have listened to you bemoan the fact that the whole community never gets together. You have quoted chapter and verse to prove that if we all could do something together that was fun, we could forget all the silliness that has caused bad feeling.

How right you are, so here is a project that you all should welcome: Harry Woodruff and Don Miller thought of a community picnic. They called some of the people and the idea works out this way. Everyone interested in a good time with no strings attached, no cause except fun and neighborliness, and willing to pack his own picnic lunch, call the numbers I'll list later to tell us you are willing to go to either Sunken Meadow State Park

or Bethpage Park. All those who call before Sunday will be counted. The place which gets the majority of the votes will be announced in the Herald next week, and the picnic is for June 22, a Sunday. We plan to meet and start together early about eight or thereabouts. There will be a meeting place in each section of town and the whole crowd will make a regular parade to the picnic grounds. We are going to have games for the kids, and for the grown ups too. If you went to the picnic last year you don't have to be told how much fun it was. Everyone is welcome. We don't give a boot where you live or what you live in or how you part your hair, if any. The men running this picnic are not representing any section or group, be assured of that. Now, you can call Harry Woodruff at LE 9-7215, Don Miller at LE 9-2848, Dick Cable at LE 9-4788 and of course you can always call me at the number listed at the beginning of this article. Those of you who live in the other sections of Hicksville will be contacted by someone in your area, but in case you are not call me or any of the other members. I hope to see a whole crowd of you turn out.

This weekend was enough to make you regret all the nasty things you have said about the weatherman all month. We went into Jersey in all that mess last week, and maybe it's just as well, cause my spouse counts any sunny day wasted that he doesn't spend mowing the lawn.

We weren't the only travelers around this section, though. Mr. and Mrs. Ed Schmidt went to Syracuse to see Christine's mother and dad, Christine, Jr., and Jo Ann were a sensation with their grandparents and mom and dad had a fine time. Sad sequel to story, Christine is down with virus and her sister-in-law, Mrs. Woodruff, is lending a hand with the youngsters until mommy feels herself again. The Schmidts live at 27 Bond Lane. We hope you are feeling better, Chris. As I have been building you up for my daughter's debut, I will follow through with the story. The music festival at East St. School was just about the nicest thing it has been my good fortune to watch in many a long day. Surely, some of the artists missed a note here, and there but they all did remarkably well. The point I would like to make is that the whole thing was performed with no pressure, no tense attitude, but the children and the teachers made you feel that they had fun with the music and wanted to show you how much fun it could

be. The children were assigned to special rooms after they performed and the teachers had games and puzzles waiting for them until their parents sailed for them. Just one problem. If my daughter is typical, we parents don't stand a chance next to the kind of set up they provided. She preferred to stay with the class till we were ready to go home. I think that indicates better than anything else the kind of school atmosphere our children are enjoying.

The third grade from Nicholas School enjoyed a trip into New York to see the Planetarium and the Museum of Natural History, Saturday. Mrs. Leow and Miss Sheehan, their teachers, gave up their Saturday to conduct the tour. The children went by school bus and some of the mothers went along to assist where it was needed. Mrs. Emil Seaman and Mrs. Charles Wallmer were two of the mothers from this area. They were delighted with the trip and they said the children were wonderful.

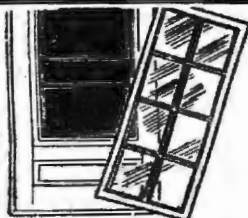

If you were at the music festival you heard young Alvin Goldberg play his accordion. He played very well and we were all very proud of him. He lives at 33 Palermo St. This is a cute story his mother, Claire, told me. She had some of the girls over for Mah Jongg the night of the last bad storm, and things were perking along nicely until the lights started to flicker. You should have seen the gals run for home. Ruth Cushman of 33 Coachman Lane was on the phone to see how things were and the line went dead. That was all, brother. Home they scooted. But the point I would like to know is how many were afraid of getting wet and how many are honest enough to own up to that it's nice to be home with a good strong arm to grab on to when that old thunder starts. Mentioning no names understand but I have a neighbor who practically goes to bed and hides when it thunders. . . are you listening, Adelaide? — Arlene and Charles Wallmer of Tip Top Lane had Arlene's mother, Mrs. Loring Stevenson visiting them last week from Fitzburg, Mass. She was delighted with our town and the thing she found nicest of all was the friendliness of the neighbors. That's the kind of thing we love to hear. What's Hold Up On Home Rule?

By FRED J. NOETH

THIS IS INTENDED to answer a frequently heard question about the progress of efforts to incorporate our community of Hicksville with its own local village government. The question is "what's taking so long?" or a variation, "how is it progressing?"

You would be delighted to know from whom this question comes. It comes from many prominent citizens. It comes from old timers and new comers alike, who all want local home rule. It demonstrates the urging to "do something" about solving our local problems.

It is taking so long, as best we can determine, because of the tremendous growth of the community.

Before an application (or petition) for a local referendum vote on the question of incorporation can be made to the Oyster Bay Township Board, there are several state law requirements which must be met. In the first place, there must be a petition signed by at least 50 resident property owners. That is simple. The Committee has more than 200 names, including majorities of local water board, school board and fire board members.

But this petition must be accompanied by a "consent" to bring the question to a vote, signed by persons who represent at least one-third of the total valuation of the area which proposes to incorporate as a village. And that's where the rapid growth enters the picture.

Our community today has a total assessed valuation of \$88 million. Last year it was \$20 million and the year before \$16 million. After August 1st, when the new valuation is announced, it will probably be above the current total. New homes, new factories, new stores are all adding to the total, week by week.

To get the one-third (approximately \$11 million dollars, plus) signatures must be obtained on consent forms from property owners who must state, next to their signature (two signatures, if property is owned jointly by husband and wife) the valuation on their holdings. This is slow work with homes assessed on the average of about \$4,000. At this rate, it would require at least 2,750 signatures of individual property owners or double that for dual ownerships. According to the most recent tally, the Home Rule Committee has about \$4 million represented in signatures.

Of late, the tally has been running better with a couple of signatures representing as much as \$50,000 valuation apiece. These are from owners of extensive business property, etc. But it's an up-hill pull with the valuation gaining all the time.

With \$4 million signed today and about \$11 million needed, the Committee has better than one-third of the job completed. But when August 1st rolls around, and it's coming mighty fast, that \$4 million may only represent a quarter of what is needed. And so it has been going.

The petition, consents and a check for \$100 (which has been contributed by homeowners and is waiting in the bank) must then be offered to the Town Board who will call a public hearing regarding the legality of the application (form of petition, etc.) but not upon the issue of Home Rule vs. Remote Control Govt. Thereafter, the Town Board has a specified period in which to call the local referendum vote.

The Committee has been pleased to find that a number of people have signed who are not necessarily in favor of incorporation. They have signed, they told the volunteer workers, because they want to see the issue brought to a decisive vote, one way or the other.

A little extra effort right now will clean up the consent forms. If you are willing to devote a little time in your own neighborhood right now to finish up this one-third of the valuation, send us a card or call William L. Geyer, chairman of the home canvass, at Hicksville 3-1677 and he will give you the necessary materials. Let's bring it to an early vote and settle the issue.

The Legionnaire

Charles Wagner Post
No. 421, American Legion

By far the most important event coming up for you Legionnaires is the election of officers for 1950-51 which will take place at the next regular meeting this Monday, June 15. In contrast to past elections, this year sees a contest for at least two positions including that of Post Commander which means that every member who can possibly do so should put in an appearance to register his choice. Don't let 15 or 20 members decide who will be responsible for the operation of your Post for the coming year. Have your say Monday night!

Ticket sales for the Legion sponsored Ringling Bros. and Barnum and Bailey Combined Circus are picking up strongly so we urge you to get your order in quickly before the choice of seats becomes limited. You can make your purchase at the Legion Hall, 24 E. Nicholas St. or at Steve Scholard's Floor Covering on N. B'way.

Time: June 20 and 21 - afternoon and evening - Place: Roosevelt Field. Proceeds from the sale of tickets by the Post are used for veterans' rehabilitation projects, one of which is the annual visit by members of the Post to Kings Park Hospital.

The visit this year, scheduled for Sunday afternoon, July 13, will be made in conjunction with the Ernie Pyle and Bethpage Posts and will mean clothing, ice cream, candy, cigarettes and entertainment for the vets. The general public can help with part of the visit by bringing old but usable clothing to the Clubhouse where it will be held until the day of the visit. In addition to wearable clothing, old stockings and neckties are welcome as they are used for rug-making, etc.

One example of the size of the program at Kings Park is illustrated by the fact that for this one week the cigarette quota the Charles Wagner Post will meet (the other Posts bring smokes, too) is 25,000!

Congratulations to Al Carpenter. We know he'll do a bang-up job for the people of Hicksville. Belated acknowledgement of the potato salad contribution for Memorial Day. Thanks to Rudy Bouse. And thanks to Commander Jaboser who is working hard to get us a telephone so we can try to do a little better job for the Legion. Boys State selection is Marie Bianco. Jim McLaughlin asks that you keep Sunday, July 13, open so you can make the visit to Kings Park. It's a real experience and we hope to devote an entire column to the trip as we did last year. There is talk of a Sunday supper for the whole family after this year's King Park visit—nothing definite yet.

AUXILIARY NOTES: Delegates to the July convention at Saratoga Springs are Joan Brengel and Sylvia Gundlach with Lil Doran and Sarah Finger designated as alternates. Ladies have 12 new bridge tables (you can use 'em for pinocle, too!) thanks to efforts of Heary Breggel. Membership has reached the 98 mark which means the ladies have exceeded their quota for 1952. Auxiliary will celebrate its 30th Anniversary in September possibly with a dinner although final plans have not been made. Next regular meeting falls on July 4 so the ladies moved it back to July 11.

If you have been holding back on your own membership don't wait any longer. Post has now passed 170 with a few needed to exceed last year's figure and about 15 required to reach the 1952 quota.

JWV Corner

By WILLIAM OLITSKY

Let us skip all the things we've read about and all the things we've heard. Forget the unofficial things and look at the big thing! Yes, a veterans' organization—one of a group of four here in Hicksville—join one, two or as many as you wish. Membership in any one of these is a necessity that the veterans' vote may be heard.

We wish to thank the American Legion, Amvets and VFW Posts for the grand climax on Memorial Day in Hicksville—our meeting an obligation to the heroes gone but not forgotten. When the terrible war came, had it not been for these men maybe our country would have been torn apart. These men did what most people would have done, said what most people wanted said—"Our American faith, that greatness comes out of everywhere when it's free to come."

Now we have an obligation to the wounded, sick, maimed and hospitalized men and women. An obligation to the men on the line. As a veteran you could help.

To the small percentage of our members who have not paid their 1952 dues, extra notices will have to be sent out, calls will have to be made when this work could be directed to another function. Let's be reasonable, why all this extra unnecessary work for the post officers?

Commander Sid Kaplan, Sam Moezel and yours

Hicksville Post No. 655 Jewish War Veterans

truly were up at Swan Lake, N. Y., to attend the State JWV convention held June 5 to 8. Commander-elect Ben Chasin, Brooklyn attorney, one of the nicest guys a fellow could meet. We're behind you, Ben. Jesse Moss, outgoing commander who is noted for his fight against Communism, will be a candidate for National Commander. Jesse visited with us here in Nassau. Good luck, Jesse, we know you'll do a grand job.

Our own Alex Newcorn, Hicksville attorney, elected to the Post of County Judge Advocate. Al must walk around with hidden law books because when you ask him for an opinion he knows, thanks, Al. Comdr. Kaplan is looking for men to round out the Post programs such as Americanism, Membership, etc. My heart felt good when Sid Jungman, our past service officer and hospital chairman, said he would take the job again.

The call is out once again for Civil Defense. Frank Setter, community CD chief, needs men and women to round out this program. Police auxiliary CD chief Tom Cullen and Sgt. Leemans of the Nassau County Police must feel great due to graduating a class of Auxiliary police on June 11. The nicest six months of class I have ever attended. Call Tom for information as to when the new class starts, Hicksville 3-1241. Don't miss this opportunity. I know law enforcement men who have paid plenty to learn what Sgt. taught us. Join Up.

NORTH-EAST REPORT: Our Area Escapes Flood Waters

By Lee Chanin
Hicksville 3-6853 R
As far as I could ascertain, we have been mighty fortunate in our section to have escaped any flood damage due to the torrential rains. We do have a few trouble spots that cause a good deal of concern during wet weather. A deep, depressed portion of Bethpage Rd., between the Half-Way Tavern and Willet Ave., is barely passable, with water accumulating to a depth of several inches. Another nuisance area is the large "pond" covering several backyards of homes on Violet and Willet Aves. This low-level area is entirely on private property, making it difficult to get any action from the Township. The curb on the corner (Violet and Mabel) also collects a good amount of water during a rain which takes days to evaporate. The Highway Dept. has promised to look into the situation, but to date, nothing appears to have been done.

inundated, sections of sidewalk washed away and basements flooded, we in the Northeast can consider ourselves pretty lucky.
John Schactaiek of 29 Libby Ave. is home on summer vacation from Davis and Elkins College in Elkins, W. Va., with one year of pre-med to go.
Eight-month old Jeffrey Wilson, of 2 Gladys Place, cut his first tooth, making Mama and Papa very happy.
Judy Hammond of 3 Regina St. is looking forward to summer vacation. She'll be going to Atlantic City with her aunt. In the meantime, her mother took advantage of the fine weather we had one day last week and invited several neighbors to a tea party on her back porch.
My husband, the children and I surprised my parents by joining them for the weekend at the hotel where they are vacationing. Even a brief rest like that was a welcomed one.

**OFF SOUTH BROADWAY:
 Now About Picnic On June 22?**

By **Bunny Lauer**
 Hicksville 3-2794J

Well, as I live and breathe, a nice **SUNNY** weekend without a drop of rain. Gee, if this keeps up, I might have to even water my weeds and that will never do. Hey, who threw that brick? I was only fooling, honest. I love nice weather like everyone else — in fact, let's hope that it keeps up forever.

Whatcha doing June 22, huh? Nothing? That's swell because you are cordially invited to a nice picnic. Plans are being made to have a nice, big, friendly family affair for all of us swell Hicksville folks. It will give us all a great chance to get acquainted with one another. We'll leave early in the morning and bring a picnic lunch. There will be some planned activities for the kids. How about giving me a ring to let me know if you would prefer going to Bethpage State Park or Sunken Meadow Park? I understand that the latter is just a beach and very sandy; any how, the choice is up to you. If you don't have a car and would like to go, be sure to call and we'll arrange transportation for your whole family. Just to put your mind at ease, there is NO charge. Everyone brings his own eats. As we'd like an idea how many are going and also want to arrange for a few meeting places, it would be greatly appreciated if everyone who wants to go from this neighborhood

gives me a ring. Am expecting to hear from you all.

Boy oh, boy, big things at the Merkle's from next door these days. Friday, May 30, Hilda and Jerry celebrated their 7th wedding anniversary. They had dinner out and went to a Broadway show. Sunday they had company from Flushing, Mr. and Mrs. Schneider, Mr. and Mrs. Reichrath and daughter, Loretta. Monday, Roddy Merkler celebrated his 6th birthday and received among his many gifts a beautiful tent which was immediately put up in the backyard. Be careful, Jerry, the tent makes a beautiful dog house. The Merkle's have another son, Roy, who will be two years old soon and is the sweetest and most mischievous darling you ever laid eyes on. He'll stand in his fenced-in yard and do everything to get your attention. When you walk over to the fence, he'll shower you with kisses and the minute you free him from his closed in surroundings, he doesn't know you any more a typical man — only knows you when he needs you.

Looks like everyone had company over the weekend. The Tony Raffas of Hudson Pl. had Mr. and Mrs. Raymond De Feitas and children spend Sunday with them. Milly and Ray were former neighbors and it was very nice to see them. Their new baby is beautiful and Russel is sure springing up.

The Ivory family of Lee Ave. had Grandma from Brooklyn out for the weekend.

Marge Gagil of Lee Ave. had her mother and dad spend the weekend with her.

Little Miss Betty Bradley of Lee Ave. celebrated her 7th birthday on Thursday, June 5, with a party for her friends. The party was held on her lawn. Her guests were Holly, Iva and Paul Lauer, Marguarite and Lynn Ivory; Betty's brother, Pat, helped Mother serve and all the kids had a wonderful time, especially me. I was home by myself, relaxing.

Mom and Dad went to the Bronx on Sunday nite for the annual get-together of the OAT Assoc. of the Fulton St. Y.

Ethel and Elliot Lauer and their small fry, Shellie and Steven, spent Sunday at Lake Ronkonkoma visiting with Mr. and Mrs. Pete Trakos.

Miss Eileen Rudnick of 437 Division Ave. is back in school after a week on the sick list.

Miss Rozanne Traidman of W. Nicholas had Miss Holly Lauer of Lee Ave. as her over-nite guest, Friday.

Say, aren't you all sick of hearing about my family? Well, if you are, it's your fault for not giving me enough news to fill the column. So, come on with the rings on the phone — I'll be waiting to hear from you.

HOCK HAS 18-GAME HITTING STREAK

Centerfielder Bob Hock finished up the diamond season with the Hicksville High Comets last week and got hits in both games against St. Dominics to complete the year with an 18-game hitting streak.

This unusual feat which brought wide attention and acclaim from other sectors of Nassau County was almost cut down in the first game against the Saints.

While Hicksville was winning 3-0 behind Tommy Valentine, Hock went to the plate the first three times and didn't come away with a hit.

In his last swing in the seventh he cracked a single over second base to move the streak to all 17 Hicksville contests and the next day he polished it up with four safeties as the Comets defeated the team from Oyster Bay 20-5.

The Hicksville record for the very successful season was 10 wins, 7 losses and one tie.

Everyone is more than happy for Freshman coach Bill Anderson who turned in a patient and expert job with a club that didn't look like very much at the outset.

Although many friends are advising Bob Hock to pursue his baseball as much and often as he can it now appears that he will heed the call of Botto manager, Bernie McGunnigle, and join that softball club for the summer.

McGunnigle's club certainly could use anyone who can hit, for the Botto men have been less impressive with the stick in their first three major outings of the year.

However, it is to be hoped that Hock does not lose sight of his natural talent and that he exploits every avenue available to him in that line before he turns his attention elsewhere.

FREE BUS RIDE WITH TICKET PURCHASE

Any boy who is a member of the Hicksville PBC may purchase a ticket for Hicksville Night at Ebbets Field and he will get a free, supervised bus ride to the game on June 30, according to Harold Manaskie Sr., PBC President.

Admission to the game is \$1.75 and tickets may be purchased from any of the PBC coaches or sponsors at the high school field when activity is being conducted there.

The young purchaser should then state that he wants a free bus ride to the game and his name will go on the list. All those interested are advised to apply early since only full busloads will go and late comers may be stranded.

Frosh Ball Went At Fast Clip Also

HICKSVILLE—The huge gains in the high school baseball program made in the past two seasons will not suffer any setbacks for lack of resources to back it up.

While the varsity crew has been responding so successfully to the fine tutelage of first year coach Bill Anderson, Chet Jaworski has been working to create that backlog.

Followers of the Orange and Black are encouraged by the fact that Jaworski's Freshmen team won five of six contests this spring. The young Comets lost only to Westbury 10-1 and avenged that loss 5-2 in a return match. Other victories were scored over Sea Cliff 5-2 and 4-1 and Roslyn 13-6, 3-1.

From this group Jaworski sees good material advancing to future varsity clubs. Martin Katz (8-0) and Richard Hogan (2-1) impressed in their pitching chores while Ed Scott, Richard Barton and Robert Paton also held down their jobs effectively.

Softball Loop Starts On June 30

HICKSVILLE—The Community softball league sponsored by the Board of Education in conjunction with its summer playground program will get underway at the high school field Monday, June 30, with eight or more teams in the fold.

The operation of the league is expected to provide activity for at least 130 men and boys during the season.

The Post Office and the Sleepy Lane Sluggers are the latest entries in the loop.

The Sluggers consist of residents along Sleepy Lane in the Levitt area and like that of the Post

Office group their decision to enter the league came about when it was announced that the loop would not be a high pressure organization.

PITCHING RULE
With the consent of league members, Director Chet Jaworski wrote into the governing rules that "Any pitcher who pitches either at Jones Beach, Rockville Centre, Hempstead, etc. is not eligible to pitch in the Hicksville league."

This rule was incorporated to keep a balance of power between the contesting clubs and has appealed to those in the community who are merely interested in a season of enjoyable exercise and action with a lesser degree of em-

phasis on the perfection of the game.

Each team was allowed a player roster of 20 persons thus allowing liberal consideration to the fact that many in the league are commuters who will have difficulty making some games. A big player list will make replacements or subs easier for all concerned.

Starting time for all games in July is 6:45 p.m. with a fifteen minute grace period and in August the starting time will be 6:30 p.m.

The official schedule with complete player rosters will be published in the next issue of the Mid-Island Herald.

Little League, PBC In Conflict ?

HICKSVILLE—Promotion of a "Northwest Little League of Levittown Little League Baseball" was branded this week as a brazen attempt to swing part of the community into Levittown by "working thru the kids."

Circulars were sent home to parents in the area via Hicksville school children late last week which states as a requirement "eligible candidates" from 8 to 12 years of age "must live in a Levitt-built house or a house surrounded by Levitt-built houses in Oyster Bay Town or west of Newbridge Rd. in Hempstead Town."

TRYOUTS START
Try-outs for boys are announced for Friday, June 13, at 5:50 for boys 8 and 9 years old; Saturday, June 14, at 9 a.m. for boys 10, 11 and 12, and Sunday, June 15, at 1 p.m. final try-outs. All are scheduled at "Abraham Levitt Little League Park" which is property owned by Levitt & Sons on Hempstead Ave. next to the Dutch Lane School, between Levittown Parkway and Newbridge Rd., Hicksville.

Baseball, track and basketball league play for all Hicksville boys from 10 thru 17 years of age has been established under the Police Boys Club and has been operating for five years, it was noted. There are more than 300 boys now enrolled in PBC with 15 adult sponsors. The program began here in

1948 with 13 boys and one sponsor.

This Saturday morning at 10 o'clock at the high school field on Jerusalem Ave. all boys 10 to 12 years of age will enroll for play in the Junior PBC league for weekday morning competition. In contrast to Little League which selects team members on a competitive basis, judged on catching, throwing, batting, etc., PBC play is "for all boys, regardless of skill. Those who don't know how to play are taught the fundamentals of the game. There are no competitive try-outs for PBC baseball", an official told the Herald. The total number of boys reporting this Saturday morning at the high school will be divided into the largest possible number of teams.

Local PBC teams are entered in inter-precinct play and work towards county-wide playoffs. Intermediate league play is already underway for boys 13, 14 and 15, at the high school field. There are four Hicksville teams. Senior PBC plays Saturday afternoons and is for boys 16 an 17.

ROYALS IN FRONT
Biggest development this week in the intermediate PBC league held nightly at Hicksville High School field has been the poise and class displayed by the Hicksville Royals in pounding out a pair of victories to move into first place with the Oyster Bay Saints.

Able mentored by Coach Chet Jaworski and sparked by the remarkable hurling of Martin Katy (1 hit in 2 games), the Royals tabbed themselves as serious contenders for Second Precinct honors. In other contests the Saints leveled Farmingdale Tigers, 7-3; game Hicksville Aces had one bad

inning to Oyster Bay Stags and dropped a 12-4 decision; Hicksville Cards with Coach Steve Ruggiero at the helm blasted Bethpage Jets, 12-0, as Gary Fuccio socked a triple to lead the attack.

Royals' Katy no-hit the Lions, 8-1, coming back Friday to one-hit the Tigers, 8-0, with hustling Eddie Scott and First Sacker Frankie Barton doing most of the stick work for the Royals.

FATHER'S DAY

Each one of us is rightly proud that, by God's grace, he is allowed to spend his life, to show his worth in this, the greatest

land on earth. For a nation's growth as a household thrives. And parents keep the homes alive. So let's give praise where praise is due. We've said, "Thanks Mom." Let's thank Dad too. Every one is rightly proud of his car and doubly so if it performs to his satisfaction. While we advocate preventive maintenance, we wish to remind you that any time between 8 a.m. and 5 p.m. a call to HI 3-2634 will bring you prompt FREE road service if you are within a mile of the Broadway Service Station. Your Friendly Texaco Dealer, Broadway and James St., next to Post Office.

hitting prospect is Jerome Siegler who highlighted his work with the wood with a homerun that broke the second contest with Roslyn up.

Very high praise also goes to Robert Frazer whom the coach regards as one of the very best fielders he has seen at a comparative age in center.

STORM DAMAGE

(Continued from Page 1)
at the firehouse to receive assistance calls as severed power lines put the alarm system out of operation after the storm. The volunteers were kept busy clearing tree branches from wires. L.L. Lighting Co. said it was the most devastating storm to hit the area with the exception of hurricanes in recent years.

The Plainview firemen were called to the old Mannetto Hill

School where the chimney was hit by lightning.

BETHPAGE DARKENED
Most Bethpage homes were without electricity on Tuesday and homeowners were forced to buy birthday candles as the local supply of candles and kerosene lamps was exhausted. Housewives were faced with costly food losses due to spillage as refrigerators were silent. The Sabana home development with electric stoves had real problems in heating food, especially for babies.

The lack of power in the Levitt section, especially east of Jerusalem Ave., put the population on sandwich diets until noon Tuesday. Hicksville and Plainview schools were ready for pupils on Tuesday but the lack of power in Bethpage prevented classes in the Broadway and Powell Ave. Schools.
