Dear Jean:

One of the county dailies said that Congressman and Mrs. LEN HALL stopped at the Montana ranch of Mr. and Mrs. HENRY G. EISEMANN of Hicksville after the Chicago GOP convention. The paper went on to say that EISEMANN is mentioned as the possible successor to HALL as Oyster Town GOP leader when HALL becomes surrogate of Nassau . . . Something must be done before too much more time elapses about that clock on Marie St. It has been broken for over three years and a sheet of razor sharp glass dangles there awaiting a victim. The BMA has offered to pay for its repair, but nothing happens . . . We see by the mail that "Central Park Water District" is now officially "Bethpage Water District." It was one of the few remaining official designations left from the days before Central Park became Bethpage.

The story appearing in the HERALD last week about the plans to incorporate Levittown as a city, embracing homes in Hicksville and over the township line, caused quite a stir. Further details appear in this issue. Quite a few Levitt homeowners during the past week have begun to look more seriously at the houses in developments thru Plainview and Syosset . . . LARRY McCAFFREY sent a large contribution to the Hicksville PBC which has been deposited in the building fund . . . There are, we hear, some 500 potential members in the mid-island area for the Pan American Clipper Club which organized this week . . . If your friends are looking slightly haggard again this week, it's because the convention is on again—into the wee hours. It would be terrible if the sessions were held on the West Coast. The time difference would have us sitting up until 5 in the morning . . . The HERALD is conducting a census of local organization, preparatory to publishing a semi-annual directory . . . Sunday, Aug. 17, will be Nassau Day at the Firemen's Home in Hudson, N.Y. . . Next firemen's tournament in which the local vamps take part is set for this Saturday at Ocean Beach.

Capt. Vincent G. Savino of 187 Princess Ave., Hicksville, is home on leave from duty in Korea. He had been in Japan since September 1950 where he commanded the 8th Air Police Operation and Confinement facility.

He was awarded the soldier's medal for distinguishing himself by heroism on May 4, 1951, at the Provost Marshal's office in Fukuoka, Japan. Capt. Savino disarmed a demented hospital patient who was threatening to blow up the Fukuoka Military Police Station with two live hand grenades.

Capt. Savino holds the Korean Service Medal, the United Nations Service Medal, ROK Presidential Unit Citation, Philippines Liberation Medal, American Theatre Ribbon, USMC Good Conduct Medal, USA Good Conduct Medal, Pearl Harbor Ribbon and World War II Victory Medal.

He will be home on leave for 30 days and will then report to Mather, Calif. His wife and daughter, Karen, plan to go to the west coast with him.

CPL. BILL HAUTH of 88 East End Ave., Hicksville, is with the Seventh Infantry Division in Korea as a member of the 31st Infantry Regiment platoon situated in a no-man's land on the west-central front. It is directly opposite a strong enemy encampment.

Hauth and Cpl. Leland Jones of San Francisco, blast the enemy positions on a 24-hour schedule using a recoilless rifle and a mortar. Because of the closeness of their position to enemy lines, they are under almost constant fire by the Reds.

"We only go out at night and then only to repair our bunkers," Jones said. Construction of their bunkers makes it possible for them to fire at the enemy while they themselves are under fire.

"This real estate is open to all settlers," Hauth said, "but we don't advise the Chinese to move in unless they can pay the rent."

MAJOR WILLIAM MUENCH of 12 W. Cherry St., Hicksville, was home from his station in Alaska to attend the funeral of his brother, Al Muench. Major Muench will return to Alaska where his

CPL. JOHN RUFF formerly of Thorman Ave., Hicksville, is now stationed at Camp Lejeune, N.C., with an Anti Tank Co., 2nd Marine Div. FMF. He's been in the Marines for two years.

JOHN L. SCHIRK, aviation machinist's mate 1C, of 98 Twig Ln., Hicksville, has returned to the states after a 6-months tour of duty in the Mediterranean aboard the USS Tarawa. While in the Mediterranean, the carrier participated in joint training operations with other naval units of NATO. The crew visited such ports as Gibraltar, Athens, Istanbul, Palermo, Naples and Cannes. And overnight tours were held in Paris, Rome and Switzerland.

SGT FRANK HEILIG of West Marie St., Hicksville, has changed his address to: 126th Installation Sq., 126 Bomb Wing Light, APO 17, c/o PM New York. He's stationed in Germany.

NORTH WEST NOTES:

Civics Object Again To PW Plea

By James Cummings

Members of the North West Civic Assoc. appeared before the Zoning Board of Appeals last Thursday to continue objections to the permit for more poles asked by Press Wireless. Although not one member of the Executive Committee of the Civics was present, the members at the hearing again presented strong objections.

Herbert Johnson of 87 Myers Ave., John Finnegan of 62 Kuhl Ave., and Lester Baker of 93 Kuhl Ave. were principal speakers, voicing opinions on the matters of fencing, holes on property adjoining Kuhl Ave., and TV interference. Johnson said he could not understand why Press Wireless needed the additional antennas under present conditions.

Michael Sullivan, attorney for Press Wireless, stressed the need for the two additional antennas. He said these would be used for ground to aircraft communication. Maps of the property were introduced to show where the new antennas would be erected. A copy of the map was given to the Civics.

Rotarians Hear Bank President

HICKSVILLE—William E. Koutensky, president of the Long Island National Bank, discussed banking methods and operations for members of the Rotary Club at their regular weekly luncheon meeting at the Hicksville Inn, Thursday. He was introduced by Dr. Walter M. Stilliger.

Visiting Rotarians present included Dr. Elwood A. Curtis of the Farmingdale Club and Luke A. Mercadante, former mayor of the City of Glen Cove.

Koutensky, who is a Kiwanian, issued a challenge on behalf of the Kiwanis Bankers' Quartet to such a singing group as the Rotarians may organize.

CORRECTION

The Dollar Day Advertisement of TOWN AND COUNTRY APPAREL, 84 Broadway, Hicksville, in the HERALD last week incorrectly listed Rayon Gowns at \$4.50, reg. 2.98-3.98. This copy should have read TWO FOR \$4.50. This was an error on the part of the printer and the Herald regrets any inconvenience this may have caused TOWN AND COUNTRY APPAREL.

group by Sullivan at the request of Johnson so that they could follow the discussion.

Finnegan disputed several points as presented by Sullivan and introduced a copy of NW Notes to clarify the position of the group present.

Baker introduced a new petition signed by more than 20 residents adjoining the PW property, objecting to the variance. He said that adequate protection should be provided by PW as soon as possible, stating that he would be glad to show them the interferences on his own set together with poles at rear of his property that could be climbed.

The hearing was closed with the decision to be announced by the Board.

INSPECT PROPERTY

On Monday evening, July 21, Press Wireless officials and Civic members met on Kuhl Ave. to investigate holes and climable poles for a second time. A pole was found to be climable in rear of property of Lester Baker, and Press Wireless conceded this.

PW officials said work would begin on elimination of spikes and signs on poles to a height of 12 feet. Guards will be installed where necessary in the immediate future. Representing Press Wireless Monday evening were P.B.E. Wolbarst, Vice-President; G. Fallott, Asst. Chief Engineer; T. Reilly, Treasurer; A. Brast, Tariff Mgr.; and Michael J. Sullivan, Attorney for PWO. More than 38 residents turned out from Myers, Gardner, Kuhl and side streets and heard the facts as presented. Again no one from the Executive Committee was present. The question was still being asked today "where was the Executive Committee on the night of the hearing" and why were they absent? To this the writer respectfully suggests that Pres. McCarthy he contacted for only he knows the answer.

BETWEEN ISSUES: We were saddened to learn that Mrs. Agnes Amendola of Georgia St. passed away Sunday morning after a brief illness. A group of neighbors and friends went to Brooklyn, Tuesday evening, to the Greenpoint Ch. to pay their respects. Wreaths from the North West Civic Assoc. friends, together with mass cards were presented. All of us who know Lou Amendola wish to express our deepest sympathy at this time . . . Mrs. Nyall, a neighbor of the Amendola's, is in the hospital and we all wish her a speedy recovery and return home . . . All those interested in playing softball are invited to meet this Sunday morning at 11 A.M. on the field between Myers & Burns Ave. (near Indiana Ave.) to play ball and further the formation of a neighborhood softball team—let's play ball . . . Everyone enjoyed a lawn party held on John Finnegan's back lawn Saturday evening. Some say they heard the singing etc. over on Burns Ave. Certainly is nice to have neighbors who don't complain . . . On Sunday a family picnic took place at Bethpage State Park. Present included Mr. and Mrs. Pat Boland, Mr. and Mrs. H. Johnsen, Mr. and Mrs. Bruno Reganato, Mr. and Mrs. H. Lowry, Mr. and Mrs. J. McNamara, Mr. Mrs. G. Schulz, Mr. and Mrs. P. Cassidy . . . all enjoyed a wonderful day according to J. McNamara who displayed a sore finger from strumming his guitar during the community singing etc.—certainly a great way to spend the day.

Keep Your Eyes On City's Shape

By FRED J. NOETH

THE MOVEMENT to create a "City of Levittown" bears watching by those who live in areas surrounding Levittown. Considerable publicity has been given to the procedure for the establishment of an incorporated village, in connection with these efforts in Hicksville during the past two years. But not much is known of the process for creating a city.

This warning is being given not because of any antagonism for the community of Levittown. What the people in that community wish to do and the form of government they select is their concern. However, the unincorporated status of Hicksville leaves us wide open to a territorial "grab" in the process of creating Levittown City.

In organizing a village government, the law requires presentation of a petition bearing signatures representing one-third of the total assessed value of the area which wants to incorporate. It also requires a public hearing before the Town Board, which receives the petition, and a referendum vote.

But with a city form, no petition is necessary. All that is required is the preparation of a City Charter by the sponsors, stating the boundaries of the area to be included. Then a special act of legislature must be introduced at Albany and when enacted, the city is established. Such a special act may—but is not required—provide for a referendum vote.

The danger for homeowners and Hicksville as we see it lies in the rather light reference of the Levittown City creators to their proposed boundaries. Last week the *Herald* published the admission by an official of the sponsoring organization that boundaries might be "squared off" using highways such as Old Country Rd. for boundary lines rather than the irregular surveyor's descriptions of individual parcels. It would not take much effort to push their line right up to the LIRR tracks, in the process giving the future City of Levittown some very nice industrial valuation—something which the "planned community" lacks sorely when it tries to make its tax bills come out comfortably.

Township lines and special district lines are no handicap when it comes to mapping out a city area. The special districts now serving the proposed city territory would probably dissolve.

Even a referendum is written into the enabling legislature, the homeowner can find little refuge therein. A vote would be taken of all the people in the area it is proposed to incorporate as a city and the opposition by a property owner living along Old Country Rd., for example, would scarcely be noticed as the heart of the area gives majority approval. The people on the so-called "fringes" would just be voted into the City, regardless of their objections, if the creators want such "fringe" areas.

We cite these facts for the particular benefit of the people in and close by the area it is proposed to incorporate. We hope they will alert themselves to this issue and carefully watch all developments. Special legislation has a way of gliding thru at Albany even in the face of local opposition—as we learned all too sadly in the case of the special law regarding our park district.

Health Rating Of Local Beaches

Frequent inquiries from Herald readers regarding the rating of local beaches calls for the republication of the following schedule released by the Nassau County Health Department:

OYSTER BAY—Roosevelt Memorial Park, Beekman Beach on Oyster Bay Harbor. Fair (Satisfactory).

BAYVILLE—Centre Island Beach, Oak Neck, Stehl, Wall's Reinhard's Park. Good.

ATLANTIC OCEAN—Tobay Beach, approved (No rating stated; however, nearby Point Lookout is rated Good).

- BOB MANGELS

The evening opened with the meeting being called to order at 9:15 P. M., by presiding officer Jabeur. The opening prayer was rendered by Walter Schleitig, followed by the reading of the preamble. Immediately thereafter, a motion by Artie Bletsch to dispense with business for the purpose of installing the new officers was acted upon favorably, and Walter Schleitig assumed the role of temporary chairman. Walt's first act was the presentation of corsages of white glads and carnations to Chick Jabeur and Rose Becker. Chick's gift was a "thank you" for Jays' time during the past year. Was Rose's a bribe?

After the presentation Gil Chichester and the County Legion Staff were advanced and the meeting was given over to the new County Commander. New officers of the Charles Wagner Post were then sworn in before a standing membership and after Jay was given his past commander's badge Chichester charged Ed Becker with his duties as Post Commander and pinned on the Commander's Badge.

The ceremonies concluded with the introduction of the County Staff and the extension of the Posts

OFF SOUTH BROADWAY Observations On Early Bird Life

By Sammy Laser
Hicksville 3-2794 J

Ah, the peace and quiet around here is just unbelievable. There isn't a sound around, not even the honking of a horn. Yep, my early New England training, after all these years, has finally caught up with me. I'm writing this masterpiece, oh, ok, this jumble of words, at 6 A.M. They say the early bird gets the worm. But who needs a worm, I'm not a fishing fan. I've already had convinced myself to go back to bed with the normal people but not being quite normal, guess I'd better stay up. The little angels are tucked in their bed with visions of sugar plums, or happy land, or the ice cream man or something cause I see by their smiling, sleeping faces. There must be another early bird around, the aroma of fresh coffee is floating in through my window. Tis a great day to be alive.

Mrs. Doty Hawks of Lee Ave. had a wonderful surprise birthday party Friday given by the Lee Avenue Gals. Those who participated in this world shaking event, and by that I mean, when a girl even admits to having a birthday, it's a world shaking event, were: Clara Logstrand, Ginney Varca,

Dotty Rankin, Gladys Cockrell; Agnes Sacco, Henrietta Bolger and Florence Frame. Oh, that big birthday cake with all that whipped cream and chocolate ice cream! Girls, remember, tis summer and our attire is kinda scanty. Let's not give out with too many bulges.

The Quimbys of Cottage Blvd. had a house full of guests. (Summer, oh, wonderful summer) There were Sue's sister, Mrs. Kunar and daughter, Maryann, Mrs. Rene Gallagher and children, Thomas and Nancy, all from Astoria.

Jerry Merker of Lee Ave. is back at work after a nice two-week vacation. So now Hilda it's back to the old grind, instead of going here and there every day.

Miss Eleanor Kruamanacker of Hempstead was the guest of honor at a surprise bridal given by Mrs. Gimmy Varca at her home on Mercury Pl. Saturday night. The rooms

were decorated with white and silver streamers with wedding bells. A watering can was filled with gifts for the bride-elect. A cold turkey supper was served.

The guests were: Mrs. B. Youngheim, Mrs. C. Taylor and daughter, Pat, Mrs. Kruamanacker and daughter, Marge, Agnes Sacco, Dotty Rankin, Henrietta Bolger, Gert Kruamanacker, Mrs. F. Rosswiller, Josephine DiConza, Clara Kruamanacker, Josephine DiNardo, Mrs. V. DeNardo, Mrs. Margaret Ragnella, Adis Miller, Gladys Dick, Mrs. Harold Dick, Mrs. Elsie Rehm and Mrs. Lena Chiantella.

Judy Teubner of Lee Ave. is having the time of her life visiting with her grandma, aunts and uncle in Mineola. She did come home for one day though, to visit with mama and her company who were Mr. and Mrs. Verdarama and daughter, Johanna and son, Burt, from

MR. AND MRS. MORIN—the former Miss Dolores Ripak, daughter of Mr. and Mrs. Lawrence Ripak of 39 Meadow Ln., Hicksville, became the bride of Lucien Morin, son of Mr. and Mrs. A. M. Morin of Fifth Ave., Cedarhurst. The ceremony took place on June 21 at St. Stephen's Lutheran Church, Hicksville, with the Rev. Howard Rogers officiating. A reception was held at the Ripak home. (Boertzel Photo).

Maspeth.

Donald McVicker of Cottage Blvd. is spending two weeks at Camp Jay in Carmel, N. Y. You know, his mother received some correspondence from the County Trust Company in Tarrytown. I'll give you just one guess as to how it was addressed. Yes, Mr. and Mrs. Henry M. McVicker, 153 Cottage Blvd., Levittown, Hicksville. May be we should be happy that they added the "Hicksville." They could have just as well left it the Levittown. There might be some people in Levitt homes below Old Country Rd. who want to live in Levittown (let them move!) but all the people in the other homes want to live in Hicksville.

Clipper Wives In First Session

The first meeting of the Pan American Clipper Club wives was held Monday night at the Community Hall, Levittown Parkway, when Paul Fuller of 9 South Lane, Levittown, was named acting president. Plans were made to have a series of social events in the future.

Election of permanent officers will take place in the fall. The next meeting is set for Monday night, Aug. 18, at the Community Hall.

Alan Ried Thiel, son of Mr. and Mrs. Charles Thiel of 121 Land Ln., Westbury, was baptized at the Trinity Lutheran Church, Hicksville, on July 13. The Rev. Edward Stammel officiated. Catherine and Frank Fagone were god parents by proxy for Charles Thiel, Jr. and Barbara Thiel.

Donald Roger Zaderocki, son of Mr. and Mrs. Andrew Zaderocki of 22 Woodbury Ave., Bethpage, was baptized at the Trinity Lutheran Church, Hicksville, on July 16. The god parents were Edward Auer and Everett Kalin by proxy for Ann Perlunger. The child's mother is the former Miss Evelyn Auer.

Cake Sale On Saturday

A cake sale will be held Saturday, July 26, in the old St. Ignatius School on Broadway by the Rosary-Altar Society of St. Ignatius Church. Mrs. Florence Nenninger, Mrs. Joseph Ofenloch, Mrs. Sarah Allen and Mrs. Rita Schlesinger will be in charge.

The annual dinner for members of the Rosary-Altar Society was held on July 8 at the Alibi Restaurant. The Rev. George M. Bittermann, pastor of St. Ignatius, was present as a guest. About 62 members attended. Mrs. Catherine Ballenger was awarded bottle of perfume as the door prize.

Home Bureau Plans To Make Trays

Hicksville Home Bureau members will make etched metal trays for the first fall project in September, it was announced this week. Members are requested to place their orders for the materials needed by phoning Mrs. Marie Tursellino at Hicksville 3-1697 or Mrs. Charles Pickering at Hempstead 7-8676.

Any lady who wishes to join the local Home Bureau may do so by attending the first fall meeting on Sept. 2 in the basement of the Trinity Lutheran Church, W. Nicholai St., from 10 A.M. to 1 P.M.

A picnic for members will be held on Aug. 22 at Belmont Lake State Park. Cars will leave from the Trinity Lutheran Church at 10 A.M.

The Altar Guild of Holy Trinity Episcopal Church, Jerusalem Ave., Hicksville, has scheduled a rummage sale on Oct. 9 and 10 to be held in the parish hall.

A cake sale sponsored by the Rosary-Altar Society of St. Ignatius Church, Hicksville, will be held Saturday, July 26, at the old school on Broadway from 1 to 5 p.m. There will be home made cakes, breads and hand made articles on sale. Mrs. Florence Nenninger and Mrs. Joseph Ofenloch are co-chairmen.

A spaghetti supper is planned by the ladies of the Rosary Altar Society of St. Ignatius Church to be held on Sept. 16 in the St. Ignatius School cafeteria from 12 noon to 2 P.M. and 4:30 to 8 P.M. Proceeds will be for a convent gift.

BRIAR PARK, PLAINVIEW:

Dollar Days and Organ Grinder

By Ethel Rooney HI 3-5324
Hello Folks,

This has been another scorcher, and according to the weather man, there still is no relief in sight. All the mothers are going frantic. The heat has the youngsters so cranky and irritable and you can't blame them. We feel half roasted too, and I know my patience is getting awfully thin.

This week was Hicksville's Dollar Day Sale. Jimmy and I went in to see what we could find and saw something that I've read about since I was a youngster, but never saw before; an organ grinder and his monkey. All the youngsters were crowded around them on the street giving the monkey whatever coins they could get their hands on and laughing heartily every time he tipped his hat. It is a good thing I didn't have more change or Jimmy would have had me broke.

There has been no let-up on the water situation in Plainview. It is absolutely forbidden that you water your lawns or flower gardens, under penalty of a \$50.00 fine and shut-off of water till the fine is paid. No more warnings are being issued so don't take chances. If you have a vegetable garden you may water that after 9 P.M., but

a vegetable garden or farm is all that may be watered. I know some of our neighboring communities have restrictions much milder than Plainview's, but most of them have their own water supplies and we must buy ours from Jericho. Therefore, we have to conserve as much as possible.

Don't forget the Amvat Auxiliary Picnic on Sunday, Aug. 3rd. Those who are coming will meet at the Plainview Firehouse that morning and will leave at 9:30 A.M. Sharp for Hochscher State Park. This is a good chance for all of you to have an afternoon out with no work and very little money.

Tuttle Writes Special Report

PLAINVIEW—A series of articles by Robert E. Tuttle, principal of Manetto Hill Schools, here, will appear in the Herald starting with the next issue on July 31. The series is designed to acquaint newer residents of Union Free School District 19 with their responsibilities and duties as members of the community.

Register Pupils Next Month

PLAINVIEW—Registration of new pupils for the Manetto Hill School from kindergarten through the 12th grade will be held at the school on Aug. 22 from 10 A.M. to 1 P.M., it was announced this week by Robert Tuttle, principal.

Students of high school age in Plainview District must also register at the Manetto Hill grade school on Aug. 22 although they will attend classes at the Oyster Bay High School. Mr. Tuttle said.

NEIGHBOR DOWLING VIEWS NEWS:

Set Conference On New Fire Co.

By JOHN C. DOWLING

The following written communication was received by this column from attorney Leonard H. Benson, 33 Sunrise St., Plainview, who is representing the group of Plainview residents who are in favor of establishing another fire company in the district.

"Leonard H. Benson of 33 Sunrise St., Plainview, a temporary chairman and spokesman for the group of residents who are in favor of forming a new fire company, in Plainview states that the secretary Company has invited him to at-

DOWLING

the next regular meeting of its Board to be held at the firehouse on Monday, July 28, at 8 P.M. to further discuss the formation of the new fire company. Mr. Benson presumes that the subject of the requested consent and cooperation will be fully and fairly discussed" (The previous sentence probably refers to the petition which was presented to the Plainview Fire Company last week).

Mr. Benson in his communication also stated that he "will be able to give a complete public report of what transpired at this meeting and as a result of this meeting will be in a better position to state the arguments of his group."

This writer takes no stand one

way or the other regarding the institution of another fire company in Plainview, but will make this column available to all interested parties to air their views. Fire protection in a community the size of Plainview is a pretty important thing and the people residing in this community are entitled to know whether or not our present fire-fighting facilities are adequate both from a standpoint of equipment and manpower.

The people are also entitled to know if the establishment of another fire at this time is justified. If so, how will it affect the tax rate or the fire insurance rate? Will it go up or down? These are just a few of the facts the people should have access to before they decide one way or the other.

Mr. and Mrs. Herbert Renison and Joseph Heuer of Wantagh were the Sunday dinner guests of Mrs. Marie Raimondi of East St., Hicksville.

ALL DEPENDS ON LEGISLATURE:

**Levittown Could Create City
Embracing 'Fringe' Without Vote**

Creation of a City of Levittown, ers in "fringe areas" would not be assured special privilege of deciding whether they wish to be part Old Country Rd., for example, is under way. An authority on the Greater City or not.

Municipal affairs informed the South Hicksville Herald this week that a local referendum on incorporation as a city can be sidestepped, that no "petitions" are required such as in incorporation as a village, and that property own-

ers in "fringe areas" would not be assured special privilege of deciding whether they wish to be part Old Country Rd., for example, is under way. An authority on the Greater City or not.

Ray Brand, Levittown Democratic organization leader, was quoted several months ago regarding residents of "bordering communities." At that time he stated that creation of a City of Levittown, as the Democratic Club proposes, would

include homes built by Levitt and the small developments which are surrounded by Levitt-built homes.

The legal expert consulted by the Herald this week—an attorney, former City Mayor and Democratic leader—made it plain that "they don't even need a referendum" on the question of creating a city. However, he added, if there is strong controversy in the total area about the question, the State Legislators might insist that a referendum be written into legislative approval.

This would not help the "fringe" areas, observers feel, since it would be the majority vote of the 34,000 or more voters (calculating two in each of 17,000 Levitt-built houses) which would decide, sweeping along minority "fringe area" opposition.

A leaflet of the Levittown Democratic Club which made its appearance on Independence Day at the Levittown Festival states plainly "The incorporated City of Levittown will encompass the general area of homes built by Levitt and THOSE NEIGHBORING COMMUNITIES THAT DESIRE TO SHARE IN THE BENEFITS OF INCORPORATION." It also mentions Levittown services are now provided by "26 special districts," obviously counting into the total such as the Hicksville School, Water, Fire, Garbage, Street Lighting and Park Districts.

The Herald informant believes that the 100% Republican representation from this section in Albany would not necessarily prevent introduction of a charter into the Legislature. Any Legislator in Albany (in this case, probably a Democrat because of the nature of the sponsorship) could legally introduce such a measure. It has also been noted that Nassau County Democratic leadership is not adverse to the proposal to create a City of Levittown, shrugging off potential "fringe area" opposition.

The SENTINEL**SWIMMING POOL SOLUTION**

It seems probable that Oyster Bay Town Board decision on the Park and Parking District "split" will not be handed down until another season of swimming pools operation has demonstrated that they can be restricted to Levitt-house owners without splitting the District. Also, after this present season of operation has brought to public attention some of the "bugs" which the Town Board foresaw but found it inexpedient to emphasize.

"HOT POTATO"

The Town Board recognized the issue as a "hot potato" and the problems of governmental acceptance and operation of the pools and community hall as potential "headaches." As was repeatedly emphasized by Supervisor Charles Ransom at an NLHOA meeting, much depended upon the terms under which the pools were promised by the builder to the home buyers. Opponents of the "split" pointed out that these terms, as widely advertised by Levitt and Sons, were free use of the pools, and claimed that they had legal basis for demanding it. Also, reciprocal use of the pools in Levittown and Hicksville was seemingly intended by the builder, but such reciprocal use would be hard to arrange; no provisions therefore exist in the Town Law. The community hall, which was included in the proposed "gift package" to the new Park District, had all been given for the use of all the residents of some 17,000 Levitt-built homes, of which number only 2300 were included within the limits of the proposed new District; and that posed another major problem in division of use and cost of operation.

OBJECTIVE-RESTRICTED USE

At the public hearing on the proposed "split," it was repeatedly emphasized by proponents that their major concerns were to retain restricted use of the pools and exclude non-Levitt-home owners. Oyster Bay Town Board learned that there was no opposition whatsoever to restricted use; in fact, even the opponents of the "split" were in favor of it while firmly opposing the "split" as a means of achieving it. The objective having been pin-pointed as restricted use of the pools, the bearing closed on a note of intended compromise; a compromise which would assure restricted use of the pools without, it was implied, splitting the Hicksville Park and Parking District.

SOLUTION FOR POOLS

The probable solution has now been demonstrated by this year's operation of the pools by a Swimming Pool Committee. It would be only a simple further development of the same procedure to invest a formally organized and responsible citizen group with ownership and full operation of the pools. Such a group could be set up as a self-perpetuating, non-profit-making corporation. The members could either be elected by the Levitt-house owners, or appointed by Levitt and Sons, or appointed by some overall foundation or trust fund set up by the Levitt organization. It would have to be a corporation or similarly constituted, to limit the personal liability of the members. Membership would be non-salaried, and for the public service, and would carry with it some prestige, like membership on a school board.

Where would the money for operation come from? That can be

OUR INTERESTING NEIGHBORS:**Pan Am Atlantic Navigator**

By Florence Vry

Just as other commuters discuss Westbury, Carle Place, Mineola, Pat Reynolds speaks of Gander, Shannon and London. He is Chief Navigator for the Atlantic Division of Pan American Airlines.

In his career on sea and in the air he has visited places that read like a list of all the Cook's tours ever described. He went to sea in 1928 and remained in the Maritime Service until 1941. He made 87 trips across the Atlantic and travelled the oceans to China, India, Burma, Australia, the Philippines and Hawaii to name a few places. He was in Shanghai after the Japanese took the city and his boat was in Melbourne when the first United States ship lost in World War II—The City of Rayville—was sunk off the harbour.

During the war, he went with

Pan American Airlines and trained Army Air Force navigators. This later broadened to include the RAF and Chinese students. In Pat's class was the first Chinese air cadet, Fu Fn I, and it is indicative of his character that even now he worries over what may have happened to his pupil.

The men he taught have gone back to their homes but the friendship between them has remained. When the war ended Mr. Reynolds remained with Pan AM and is now in charge of the navigators on the Atlantic Division. This gives him a great deal more time to spend at home with his wife, Florence, and their daughter, Patricia.

The Reynolds have lived in places which are only geography book names to most of us. Little

LAWS AND ORDER:**Easements For Utilities**

(This article completes the series dealing with restrictions on the use of Levitt-homes properties. Previous articles dealt with the proposed new Zoning Ordinance of the Town of Oyster Bay and with Deed Restrictions set by Levitt and Sons.)

Each deed to a Levitt house states that the deed is given "Subject to easements for public utilities, provided the same shall effect only the land lying in the bed of the street, avenue or road (whether designated by such name or otherwise), in front of and adjoining said premises or the side or rear line of said premises." As a public service the HERALD is publishing detailed information regarding such easements to the Lighting Company and to the Telephone Co.

Place of Record. The easements for each property are recorded in the County Clerk's office in Mineola. Easements for the Lighting Co. are specifically located and defined. Easements for the Telephone Co. are more generally defined as permitting use of the property by the company for the purpose of providing telephone service.

Rear-Line Easements. The rear-line easement for the Lighting Co. on lots back to back is for a total width of 10 feet, 5 feet on each of the abutting properties; except that in some instances an easement width of 15 feet, to permit the head wires, and if construction

specified.

Side-Line Easements. Side-line easements for the Lighting Co. are of two types: for cross-over of overhead primary service wires, and for underground cables to street-lighting standards. The width of the former is generally the same as rear-line easements, 10 feet, extending 5 feet on each of the abutting properties, but in some cases the total width may be as much as 16 feet. The width for underground cables to street-lighting standards is 5 feet, extending 2½ feet on each of the abutting properties.

Overhead Service Cable. The service cable from the pole to the house is not covered by an easement; it is considered an installation made at the owner's request who, by such request, grants permission for the placing of the cable.

Owner's Use of Easement Property. In general, the owner may use the property covered by the easement subject to the prior right of the utility co. to utilize it for the purpose for which the easement was granted, and subject further to the requirement that no hazard be created by the owner's use. For instance, garages may be constructed where not prohibited by zoning or deed restrictions, if no part is closer than a specified distance, usually 8 feet, from overwidth of 15 feet, to permit the head wires, and if construction

GOING AROUND THE LANES:

Perfect TV Females and Weather

By Florence Vryna

Whew. This weather is broiling me. It's so hot that my sun tan oil is working like Crisco and I'm getting pretty brown around the edges. Have you noticed (with discouragement) how cool the girls at the convention in Chicago look on TV? Sometimes when I see these perfectly turned out females, I get the urge to stick a pin in one to see if it's real. You know, either there is too much Chlorophyll in my toothpaste or this green color means I'm jealous.

James Christopher Bromm was Baptized Sunday at St. Ignatius' Church. If you think that's fairly average procedure—right you are; but the young man is definitely unusual. He has the cutest crop of red hair you've ever seen and to top it all he was delivered on Fourth of July. Chickie, his mom, had a firecracker of her own to celebrate the holiday. I bet he doesn't get any milder as he grows up, but then Chickie has another red head in the family so she is an old hand at this. Terry, who is three, has red hair. Barbara is five and the senior member of the young Bromm's. Gloria and Peter Sagnelli, from the Bronx, were

James' godparents.

Hey gals did you take advantage of the dollar day sales we had advertised in last week's paper? If you didn't you missed some darn good buys, and if you did you are loaded with loot right now. Adelaide Cable got the nicest bathing suit in Town & Country and boy was it a bargain! I picked up a playsuit in the Starlight shop that I've been living in ever since. Thought you might like a few tips because with all of stretching the long green trying to make it like its rubber. every bargain helps.

We were going past Arcadia Lane the other day and I see the Watkeys are back from another trip to Boston. They went to visit Bob's dad who lives there. Hey, Bob, I've never really noticed but how do you say "Harvard" or "Boston"? I am going to be disappointed if you pronounce it like all the rest of us.

Now try and remember to pick up a copy of August "Woman's Day" when you go to the supermarket. Dolores Trant of 77 Scooter will have a letter and a picture published in the "Neighbors" column. Dolores wrote to the magazine and told them about the

"Scooter Lane Gang" as the group call themselves. It's a group of neighbors who all get along very well and try to help each other. The girls go out together and they have developed a nice spirit in the neighborhood. Peggy Emory, Miltent Fry, Doris Creschi, Ceil Maron, Peggy Christianson, Pat Rogers, and Dolores Trant are the members. It sounds like a group it would be fun to be in, doesn't it? By the way, if there are any new neighbors in your neighborhood will you let me know? We'd like to welcome them to the community.

In addition to the Good Humor man's bell driving me to justifiable homicide, a newinkle has been added. Have you little dears seen the miniature fire engine that drives the kids around the block and fits them out with fireman's hats for the tour? I must admit the kids get a bang out of it. Mine are confirmed fans, but that is it may any more of these little fads and every little charmer under the age of six will come equipped with built in ear plugs in defense of daddy's hard earned long green.

The SENTINEL

(Continued from Page 11)

answered only when Levitt and Sons indicate what they intend to do in continued support of the community structures which they built. It would be reasonable to assume that many house owners would willingly make some annual donation towards operation of the pools as they have done this year toward employment of guards.

COMMUNITY HALL

Disposition of the community hall must probably be made in a different though similar fashion. The terms of the gift of the Hall to Levittown are not explicit about its future support; at present it is owned and operated by Levitt and Sons. However, availability of the Hall is not the sole point that availability of the pools is, and the whole matter should be susceptible to easy solution and disposition.

PARKS AND BALLFIELD

So far as the parks are concerned, the SENTINEL believes that the majority would willingly see them transferred to the Town Highway Dept. or to the Hicksville Park and Parking District, if either will accept them. The same may or may not be true with Abraham Levitt Ballfield. After such transfer, the cost of maintenance would be borne by all the taxpayers of the Town or the District, as the case may be. Experience has shown that such areas rarely attract other than nearby residents.

In any case, all right-minded people will hope for an equitable solution one which will eliminate for all time a major cause of bitterness and acrimony in the community.

SAFETY AND TRAFFIC

Bust highways and children do not mix well, and when they do mix it is apt to be a tragedy for the child and his family. Education of drivers and children to be careful of each other is essential, but other precautions are necessary too. Traffic signal lights must be installed on these heavily traveled roads where they come close to recreational centers such as swimming pools and playgrounds, schools, and shopping centers. The presence of a police traffic officer would in some cases be highly desirable at certain times.

A particularly bad danger spot is the intersection of Newbridge Rd. and Levittown Parkway. Two shopping centers are located in the immediate vicinity, as well as a swimming pool and playground. It is a common sight to see people, including children and women, homeowner bound with large bags of groceries obstructing their view, fending with high speed traffic. A traffic light here at the earliest possible moment is of the greatest importance. A second traffic light would be highly desirable at the corner of Newbridge Road and Barter Lane, a few hundred yards north of the Levittown Parkway intersection. Children, and adults, may often be seen trying to cross Newbridge Road at this point.

It is not too early to plan for the special precautions which will be necessary when our new Dutch Lane and Old Country Road Schools open this fall. The conditions on Old Country Road constitute an invitation to tragedy unless a carefully planned program is put into effect. The road is so heavily travelled that it will be widened in the near future to handle the traffic load.

An effective safety program for school children requires the cooperation of a number of different groups including our School Board, County Police, and other authorities. It must also have the support of parents and the civic associations to which they belong. The South Hicksville Association of Levitt Home Owners is to be commended for its recognition of the safety problem and for efforts to date to protect the lives and limbs of our children.

NEW NEIGHBORS MOVING IN

The welcoming hand is out for the new families moving into the three new housing developments just to the north of the Levitt area. Already more than two dozen families have moved into the Allied Homes and Park Terrace homes on Jerusalem Ave., and the Newbridge Terrace homes on Cherry Lane. The builders say that they will continue to arrive until late in the fall or winter.

The Allied Homes are being built in groups of 80 houses each and already the sale of most of the first two groups are contracted for, with several families already living in their nice new houses. Many more will move in during the next few weeks. A total of approximately 300 houses will be built by this group.

Fifteen families have taken possession of their new homes in the Newbridge Terrace development. Thirty-five of the first group of 40 homes have already been sold. A total of about 200 homes will be built, here and will extend from eastward Cherry Lane to

As Szendy Sees It:

Opinion on Levitt-House Matters
By a Levitt-Home Owner

Teen-Age Problem

The flurry of window breaking figures are as follows:
 at the Dutch Lane and East Street school in the past two weeks and the recent sortie of 'teen age boys to East Meadow to wreak vengeance upon those who had beaten up one of their group, has emphasized the imminent incidence of a 'teen age problem in this locality. Some believe that the problem is already with us. All agree that action is necessary now, to prevent the existing situation from getting out of hand and to provide for the future.

The problem is of course not limited to the Levitt-house area. It is not even limited to Hicksville or Nassau County. However, at the present time, a large number of young children in Hicksville are concentrated in Levitt homes. Consequently this matter, which is of widespread importance and affect, is discussed under this locality by line.

While it takes only a few difficult adolescents to create a 'teenage "problem," its magnitude at any time is probably in direct relation to the number of teenagers. In the coming years that number in Hicksville will sharply increase. At the present time Hicksville is predominately a community of young parents who have young children who will become teenagers in almost no time at all. The March, 1962 report to the School Board by the Institute of Field Studies of Columbia University has this to say about it:

"The census of the Hicksville School District conducted in January 1962 revealed that approximately 80 percent of the family units contained children under eighteen years of age. According to this census, Hicksville is predominately a community of young people. In almost 75 percent of the family units, the parents were under forty years of age. About 16 percent were between forty and fifty and only 9 percent were over fifty."

The 'teen age problem usually extends over the age bracket accommodated in the Junior and Senior High Schools. The best available forecast on the numbers that will fall within that age bracket the years to come is contained in the same Columbia Report. The top, it was announced.

The summer playgrounds, recreation centers, play areas are going full force. In all probability even more can be done to cover more children of all ages. We have the Police Boys Club which does a grand job. There's a baseball group called the Little League and this group is designed for the local community. It is completely amateur and non-profit. Its objective is the good of the boys who play on regular teams or farm teams. While good ball players may and will come out of the ranks of the Little Leaguers, this is no part of the main objective which is to build good citizens and good Americans.

In the Little League or PBC each boy learns some of the lessons of fair play, of discipline, of team work. He finds that the other boy, regardless of race or creed is a pretty good guy and this kind of thinking spreads from the boys to their families and thus to the community as a whole. With the formation of teams, every boyish gang or clique is destroyed and un-American traits such as thinking that a fellow who attends another church is different are eliminated.

Little League Baseball is Big League Baseball adapted to the mental and physical capacities of boys, 12 years of age and under. It is regulation baseball with several exceptions made necessary in order that strength of the young players will not be overtaxed. These exceptions include the size of the field, distance of the pitcher's plate from home plate, number of innings, distance between plates and equipment.

Little League baseball was organized by Carl E. Stots in Williamsport, Pa., who realized that boys 12 years and under needed competition in their own age groups with field and other equipment

Hicksville Post No. 655 Jewish War Veterans

trimmed down to their size. In 1951 there were 60,000 boys playing regular League ball.

Do we the people of Hicksville want to expand recreation for these children?

This question I ask you. Our professional men, our business men, veterans organizations, political organizations and most of all the men who are needed to carry out such a vast program—remember these children are ours, yours and mine.

I understand that the Hicksville PBC is in dire need of more men to shape up more teams. They meet the 3rd Wednesday night at the Legion clubhouse on E. Nicholai St.—

The thing most of all needed, is more sponsors, more coaches and more managers.

I want to express my sincere appreciation to the sponsors who have shared equally in the expense of outfitting and equipping four teams and six farm teams. Roes Brothers Nursery, on Hempstead Ave. between Levittown Parkway and Carman Ave. sponsors a team managed by Bill Forman. Greater Nassau Realty of 2448 Hempstead Tpk., East Meadow, sponsors a team managed by Lt. Comdr. John Karunas. O'Donnell Movers of 131-02 Liberty Ave., Richmond Hill, sponsor the team managed by Gene O'Connell. The professional men (doctors, dentists and lawyers) in the West Village Green area sponsor a team with Leo Samberg as the manager.

You may ask, what has this to do with veterans work? The veterans' main function is children's groups for that is where the American is developed, the man is developed, and the leader is made. Now it's up to you. Pick up the ball and let's PLAY BALL.

Reveal Plans For Adult Classes

BETHPAGE — Registration for the Bethpage Adult Education Program will be held on Sept. 9 and 10, it was announced at a meeting of the Advisory Council held last week on Wednesday night. Registration will take place in the Broadway School from 7 to 9 P.M. A tentative list of courses was planned to include most of the courses offered last year. Some of the courses will include: home appliance repairs, astronomy, leathercraft, French, Spanish, Charm, Italian cooking, Dressmaking for advanced, auto tailoring of women's clothes, upholstering, social dancing, ceramics, business English, advanced physical fitness for men and for women, woodworking, Know Your American government, fall gardening, television, piano for advance and beginners, decorating, elementary English, rug making. Also effective speaking, self help and neighbor help (for use in event of an atomic attack), drawing is fun, slip covers, reading blueprints, photography.

The meeting was closed with refreshments of ice cream, cake and coffee. A general committee meeting will be held Tuesday night, July 29.

Nunley Variance Appeal Is Okay

OYSTER BAY—Nunley's Garage, on Hempstead Tpk., Bethpage, was granted a variance to erect a roof sign on the building during a meeting of the Zoning Board of Appeals Thursday night, July 17, in the Justice Courtroom of Town Hall.

The Long Island Lighting Co. was granted a variance to install three 8,000 gallon gasoline storage tanks at the southwest corner of Old Country Rd. and New South Rd., Hicksville.

Variances to attach garages with those steps than the ordinance allows were granted to: Ralph DiLena of 21 Adelphi Rd., Hicksville; William George of 33 Norcross Ave., Bethpage; Benjamin Zakrewski of 16 Mayfair La., Hicksville; William Janzen of 27 Lawrence St., Hicksville; Edward Wayne of 17 Cornwall La., Hicksville; Philip Kurlowicz of 83 Windhorst Ave., Bethpage; and Joseph Kriek of 85 Nichols St., Hicksville.

Building Changes Bway Scene

By Dorothy Guelpa Hicksville 3-1218W

Congratulations to the Robert Shackleton family of Grant Ave., who have a new daughter born on June 27. Her name is Betty Jane and her father is one of our most likeable postmen.

Leonard Mikusen still hasn't had any word on his missing red bicycle which was taken from the Powell Ave. School two weeks ago. It really is a shame that anyone would stoop so as to deprive a boy of his bike.

Boy Scouts of Troop 118 of Bethpage are at Camp Wauwepes for two weeks. They left on July 13 under the very able leadership of Bob Webb of Troop 15 Uniondale. Our Scouts at camp include: Frank, James and John Mancuso, Thomas Strachan, Fred Dodge, David Kessler, George Price, Edward and Robert Serasio, Richard Lukeman, Frank Melone, Frank Madden, William Horan, Carl Ehning, Thomas Thompson, John and Robert Jens, Edwin Daum, Edward Marrs, Earl Martin, Wayne Steele, John Roth, Sal Greco, William Roussell, Robert Olson, Sal Miranda and Jack Winslow.

Broadway is really undergoing a change these past few weeks. Stores now under construction at the corner of Powell Ave. are nearing completion and we have almost forgotten the great excitement of a big house being moved from that corner to the next block.

The sidewalk engineers are having a field day now that steam

Vandals Ruin Tires, Bikes

BETHPAGE—Local parents are being urged to keep a watchful eye upon their property, including parked cars and bicycles, which have been the particular target in recent weeks of a destruction-bent teen-group. Tires of several cars parked on West Court were ruthlessly slashed this week during daylight hours and there have been several cases reported to police of bicycles being smashed without apparent cause.

FALLS FROM BIKE
BETHPAGE—John LaFauci of 236 10th St. hurt his left arm when he fell from his bicycle at Central Ave. and Anderson St. on July 16. He was treated by Dr. Walter Goldschmidt at the scene.

Children Hurt At Food Store

BETHPAGE—Two children were hurt when they apparently jumped into a chute at the Associated Food Store on Hempstead Tpke. to avoid being hit by a vehicle backing up to the curb on Monday, July 21.

Robert Lacy, 9, of Cardinal Rd. broke his left leg and suffered lacerations of the left hand when he jumped into the chute. He was taken to Meadowbrook Hospital in an ambulance.

Ralph Casal, 11, of 2 Bryant St. was also taken to Meadowbrook Hospital suffering lacerations of the head.

Tells Rotary How TV Operates

EAST NORWICH—Henry Warwycle of Henry's Radio at 23 Broadway, Hicksville, was guest speaker at the Oyster Bay Rotary Club at Rothman's, here, on Friday, explaining in layman's language the operation of television sets and TV broadcasting. He was the guest of Dr. Ronald Giovannelli.

The speaker used a miniature 3-inch set to show the principles of TV operation. Explaining that TV works in vibrations, he demonstrated conversion of voice sounds electrically into images with the use of a cathode ray oscilloscope.

2 Hurt in Crash

BETHPAGE—Mrs. Ethel Amendola of 10 Railroad Ave. was taken to Meadowbrook Hospital with possible fractured ribs sustained in a two-car collision at Burkhardt Ave. and First St., this week.

Mrs. Amendola in a 1951 Buick and another 1951 Buick driven by Salvatore LoDolce of 60 Burkhardt Ave. collided on Burkhardt Ave. on July 18, police reported. Jasper LoDolce, a passenger, suffered bruises of the left shoulder but refused medical attention.

HURT ON MOTOR SCOOTER
HICKSVILLE—Edward McKenna, 16, of 67 Sackett St. on a motor scooter and a 1949 Mercury operated by Leroy Oakes of 67 Sackett St. collided on July 19 at Broadway and East John St. McKenna refused medical attention, police said.

(Continued from Page 11)
Pat was only three months old when her parents moved to Guatemala City. In the land where the Conquistadores of Spain are still remembered and life outside the main cities goes on as it did in the 16th century, the Reynolds made new friends and renewed acquaintances with fellow airline employees whom they meet all over the globe. They never really lose touch with each other because in London or Paris or Rome you will be bound to meet someone you lived with in Miami or Guatemala. The Reynolds say. There were many Guatamalans whom they met at that time who became their friends. Among them was a young army officer in the ministry of war. During their stay a revolution broke out, ending a fifteen year reign of a dictator. Florence even now smiles when she tells of the grey hair that revolution caused, but the smile is a little strained.

At its conclusion, their young friend in the war ministry became, and still is the President of Guatemala. The country left an impression on the Reynolds' who remember the breathtaking vastness of its volcanoes and mountains and the centuries old traditions of the natives.

They brought many demonstrations of native craftsmanship home with them. Florence has lovely lamps made from ancient apothecary jars emblazoned with the Guatamalan coat of arms.

Transferred back to the State, the Reynolds set up home in Miami where "they remained for two years and finally returned to New York. In 1950 they moved into their present home on Spindle Road in Hicksville.

Pat has not entirely forgotten his years at sea and his hobby is sailing ships. He is a member of the "Corinthians" a society of men who sail and spend as much leis-

ure time as he can manage around ships. Young Pat has a fascinating doll collection made up of dolls her daddy has brought home from all over the world. She has authentic copies of the Vatican's Swiss guards, French peasant girls, Scottish lads, dolls from Iceland and many others which she is only too glad to share with her school mates. Last year the youngsters in third grade at East St. School learned about native costumes by examining Pat's ever-growing collection.

Pan American Airlines is pioneering a series of tourist class "ships" to bring the price of a European vacation within the reach of middle class Americans with the traditional "two weeks with pay." In the future maybe there will be the possibility of jet air travel but whatever the future of aviation is, it will be brought closer by men like Pat Reynolds who know their job, and liking it, do it well.

The Home Handyman's Corner

By TOM CASHEL

Have you met the NU-WOOD family? No, well now, it's time you folks got acquainted. We here at CASHEL'S are mighty proud to be a dealer of these nationally known building products. NU-Wood interior finish decorates, insulates and hushes noise—all in one product, at one low cost, and with one installation. Three basic shapes, Tile, Plank and Panel, allow limitless possibilities in design for both modern and traditional interiors. The ease of cutting and fitting this material makes it ideal for rooms of unusual shape.

It comes pre-finished in a clean off-white and in warm fade-proof colors. For light-giving ceilings and crisp-looking rooms, choose Sta-Lite—the white that grows whiter with time. Use non-fading Kol-Fast for interiors that are sheering and easy to live with. If desired, Nu-Wood's gently textured matte surface can be painted to match any color scheme.

Now then—the other member of the family is, Balsam-Wool, a sealed insulating blanket that keeps your house warm in winter, cool in summer. It saves enough in heat loss, to pay for the fuel bills itself. Yeah man, a partnership of Balsam-Wool and Nu-Wood will earn its keep and give you redecoration free. Completely sealed insulation is the secret to give you cool clean comfort these hot sticky days and nights.

GARDEN CITY—Ruby Leavitt of 41 Atlas Ln., Hicksville, is participating in the Adelphi College intensive teaching program now in session. The program which was organized at the instigation of the NYS Department of Education which is seeking to fill the many empty teaching posts in elementary schools throughout the state, will continue until Aug. 8.

About 32 graduates of liberal arts colleges who expect to be teaching next fall are enrolled in the program. A school of 47 children is serving as a demonstration school for the student-teachers.

Letter-Day Saints

Members of the Church of Jesus Christ of Latter-day Saints in this area may attend services of their faith at 171 Arcadia Ave., Uniondale, on Sundays at 10 a.m. and 6 P.M. It was announced this week by Elder Fred C. Finlayson.

"America's Witness For Christ" will be presented for the 11th year on Aug. 7, 8 and 9 at the open air site on the Hill Cumorah, near Palmyra, N. Y. The pageant portrays scenes from the Book of Mormon. The acceptance of this book as a record of scripture has earned for the Church of Jesus Christ of Latter-day Saints, the commonly recognized nickname of Mormon.

BOTTO HOPES SMASHED ON THREE FRONTS

Botto Brothers of Hicksville are now sadly returning the results of the past week-end which saw their ambitious hopes for 1952 Nassau County softball supremacy roundly blasted on three fronts.

In Saturday night and Sunday afternoon games at Jones Beach, the Black and White lost 8-6 to Goldy's Gems and 8-7 to Merrick Rangers which definitely eliminates them from the second half race in the seashore loop now really just getting things underway.

Sunday night at Glen Cove, the chances for a fifth straight Nassau ASA title for Hicksville all but went up in smoke as rightfully unconsidered Rainbow Diner upset Botto 8-2 in ten innings.

Empire Diner of Hicksville, last year champion, bowed 5-4 to Fred Beers in the same tourney, Sunday.

Adding more trouble to the Botto camp was Carlos Jewlers of Rockville Centre which beat the locals 3-2 in the second half of the Night League in their home town.

That loss doesn't altogether put Botto out of the Rockville Centre League race, but it was a definite blow to the once iron-handed rulers of that league.

Botto still has a first half contest with the powerful Hempstead Sports Center left. A victory there would enable it to tie Boulevard AC for the flag.

However, there are some indications that the second half contest with Sports Center will be counted for both the second and first half standings. The Center, with many ex-Gramman stars, is making a stern bid for the second half flag, and if the game should be one of double jeopardy it would appear that it would be a quick way for Botto to go.

PLAYGROUND ACTIVITY:**Hawks and Midgets Lead HS Cagers**

HICKSVILLE—The Hawks and the Midgets jumped out in front as play in the High School Summer Playground Baseball League was launched last week.

The league is comprised of boys from 13 to 18 years of age and each team will play twice weekly for five weeks. When the ten-game schedule is completed the first two teams will play a two-out-of-three

series for the championship.

The league is conducted under the supervision of William Anderson of the high school Physical Education staff.

Carl Schulz pitched a one hit shut out and struck out 19 men as the Midgets opened with a 9-0 win over the Cobras. Fred Manown had a perfect day at the plate with three for three. Leo Kanawada struck out 13 men for the losers but was jolted for 8 hits.

A fourth inning single by George Lephardt broke up Schulz's bid for a no-hitter.

Peter Nygren pitched the Hawks to a 7-6 win over the Eagles as Charlie McGunnigle lead the winners attack with three hits. However, the next day Pat McGunnigle buried a no-hit, no-run game for the Hawks against the Cobras.

Pat also made three hits and Nygren and Charlie McGunnigle each had two hits to help in the 9-0 win.

In the final game of the week the Midgets edged the Eagles 4-3. Carl Schulz won his second game and aided his own cause with a home run in the final frame that won the ball game.

HICKSVILLE—Councilman Frank Chlumsky gave a report on the Kiwanis convention he attended in Seattle, Wash., to members of the Hicksville club Wednesday.

LEGAL NOTICE

PBC Softballers Upset Baymen

HICKSVILLE—The Post Office held on to first position, the Rockets rose fast and Hicksville S&L slipped badly but the features of the Community Softball League's third PBC tagged on Oyster Bay.

Two runs in the first inning got the PBC off flying against the Baymen. Doug Jones and Tom Hartman sparked a second inning drive that netted five runs with singles. They came between three free passes and a like number of errors and caused considerable damage.

Stan Kellner and Harold Maniske both doubled in the first frame for the strongest hits made by the winners.

Dick Kerbs made the margin standup for the PBC as he allowed seven scattered hits. His opponent, Mike Pilla, gave up only four hits but was wild and numerous walks led to his undoing.

SWAIN CONNECTS

A two-out last inning home run by Dick Swain carried the Rockets to a 9-8 win over Hicksville S&L which had a woeful week.

It was the second time in two nights that S&L was beaten by a last inning rally.

Before Swain got his chance to unload his home Pine Lodge came up with three runs in the seventh inning to beat S&L. The Lodge was behind 5-4 going into the last frame when hits by Zinzi, Rozzi and Knox pushed over three runs. A single by Olynk and a triple by Ingeman registered two runs for S&L but the rally was cut down before the tying run could get to the plate.

Charlie Rosengren smacked a big triple against the Rockets to chase of three runs in the fourth inning against the Rockets and on the strength of that S&L had an 8-6 advantage as the last frame came up.

Swain had already hit twice previously but with two runners on he was equal again and clouted a two strike pitch for the victory.

The win went to Barney Rodriguez and the loss to his brother, Leo. The winners had ten hits, three by Matt Tringali, and the losers seven.

POST OFFICE - UNBEATEN

The Post Office remained unbeaten by taking Sea Cliff 23-1 and tying Pine Lodge 4-4 on a sixth inning single by catcher Mel Voochies.

In other contests the Rockets won 15-4 over Sleepy Lane, Sea Cliff bowed 8-4 to the PBC and Oyster Bay won 19-8 over Sleepy Lane.

North Edges South In PBC All-Star

HICKSVILLE—With selected players from every Intermediate Police Boys' Club team of the Second Precinct in the lineup, the Northern All-Stars topped the Southern group 3-1 in a well played contest Friday on the high school field here.

Oyster Bay's Johnny Souiere led the North as he flipped a neat 1-hitter, a clean liner to right by Bethpage's Sal Cornfield, ably assisted behind the plate by the Cards' Charles Kollar.

The Royals' Marty Katz toed the slab for the South with Leo Yranian of Farmingdale as the receiver spun a fine 3-hitter to indicate this annual contest may become a real yearly classic.

LEGAL ADVERTISEMENT**NOTICE TO BIDDERS**

Sealed proposals will be received for the installation of water mains and appurtenances in Jade Homes, Linden Section 4, by the Board of Water Commissioners of the Hicksville Water District, Nassau County, New York, at the office of the Water Commissioners, 85 Bethpage Road, Hicksville, N.Y., until 8:00 P.M. prevailing time, July 31, 1952; and then at said office, opened publicly and read aloud.
