\$800 Diamond Stolen From Kraft Jewelry

HICKSVILLE—An \$800 diamond ring was stolen from the Kraft Jewelry store at 81 Broadway on Friday, Aug. 22, according to police.

A colored man and woman had asked to see diamond engagement rings and then were undecided on a selection. While the clerk waited on another customer in the store, the man and woman left the store with the ring. Second Precinct Police have a description of the couple who will be charged with grand larceny.

School Days Again

Over five thousand Mid-Island boys and girls will return to classrooms next Wednesday morning, Sept. 3, as public schools reopen. In Hicksville the new 20-room Lee Ave., elementary school building will be ready for its first students. St. Ignatius Parochial School in Hicksville reopens on Monday morning, Sept. 8.

All schools in the mid-island area are anticipating new peak enrollments. Hicksville system will have four new 10-room buildings ready on succeeding dates before the end of the year. Entire groups of students and teachers are being assigned for the first day in such a manner that they can be transferred as a unit to the new structures as they become ready.

The first term of the Nassau Christian School, Hicksville Branch, will start with a religious service in the Trinity Lutheran Church next Wednesday Sept. 3, at 9 A.M. Parents are requested to attend with their children.

The Herald last week published complete listings of new teachers, Hicksville school bus stops and other back to school information.

Route For Parade Of Firemen

HICKSVILLE—The parade route for the annual Labor Day fire tournament here on Monday starting promptly at 9 A.M. is as follows:

Starting at the firehouse on East Marie St., the men and fire apparatus from 60 fire departments in Nassau and Suffolk Counties will move west to Jerusalem Ave., then south on Jerusalem Ave., to Old Country Road.

The parade will turn east on Old Country Rd. to Carl St. and then Broadway (avoiding the congestion at Broadway and Old Country Rd.) The line of march will continue north on Broadway across the RR to West John St., go west to Burns Ave., and north on Burns Ave. to the tournament course.

County Acts To Obtain Title On Parkway Route In Plainview

MINEOLA—The County of Nassau will make application in County Court, here, on Thursday morning, Sept. 4, for the appointment of Commissioners of Estimate in a Plainview condemnation action involving 84 parcels of land. The County seeks title to the land for the right of way of the proposed Bethpage State Parkway from Central Park Ave. to Northern State Pkwy.

County Attorney G. Burchard Smith will ask the court for an order appointing the Commissioners of Estimate "to ascertain the determine the compensation to be made to the owners or persons in-

terested in certain real estate as proposed to be affected and in which rights are sought to be acquired by the County of Nassau," according to the legal notice.

The Town of Oyster Bay is listed as the owner of four parcels involved, the County of Nassau has two and the Roman Catholic Diocese of Brooklyn has three. Other owners named include William T. Schwendler, Oscar F. Lange, Clara Gerke, Alan Frost, Oscar Gerke, Frank Fox, Anthony J. Langilotti, Norman C. Newman, Joseph Botto, Mary E. Botto, Joseph Podsiadlo, Alberto Giammarinaro, Harry Stern and Lionel Desilva.

Also Frank J. Niemczyk, Anna and William Gerhad, Anthony Niemczyk, Frank, Clara and Joseph Hartmann, John A. Hartmann, Bertha Kraus et al. Dominick Sassone, Samuel Horan and Joseph Rhodes, Harry Melish, Plainview Realty Corp., Norparwa Corp., Katsee Realty Corp., William D. Campbell and Henry Rogers Winthrop.

Map of the proposed highway route was dated Dec. 13, 1951, and adopted by resolution of Nassau County Board of Supervisors on April 28 of this year. It was filed in the County Clerk's office on May 1, 1952.

Block Party This Saturday; Parade, Contests Monday

HICKSVILLE—The big Labor Day weekend for residents and visiting firemen starts this Saturday evening with a free block dance at the public parking field on E. Marie St., opposite the Firehouse. The big parade is set for Monday morning, Sept. 1, rain or shine, with the contests on Burns Ave. in the afternoon starting at 1 P.M.

The six-division parade of vamps will assemble on side streets of Jerusalem Ave. Ex-Chiefs are marshals of the various divisions. They are: Henry Gebhardt, first; Harry Borley, second; George Engel, third; Charles Steinhauer, fourth; Henry Luhnman, fifth and Fred Masters Sr., sixth.

TO BLOW SIGNAL
Two blasts on the fire alarms will signal the start of the parade at 9:30 A.M., sharp Monday morning. Hicksville as the hosts for the day will lead the march, followed by over 60 fire departments and companies from all over Long Island.

A committee of local citizens will take up petitions along the route to judge the participants on appearance and numbers in line. Frank Sutter, Civil Defense director for Hicksville-Plainview area, is chairman of the judges.

The parade concludes on Burns Ave., (see route on page 1) where grandstands have been erected. The contests for more handsome trophies donated by local organizations and businesses will start at 1 o'clock on Burns Ave., in front of the stands. In event of any change in arrangements due to inclement weather conditions, the announcement will be broadcast over local radio stations, according to Chairman Sam Weiss.

TROPHIES ON DISPLAY
Trophies to be awarded were arranged this week in grand display in Bahrenburg's Bakery window at Broadway and Marie St., by Harold Manaskie Sr., chairman of the award committee.

Members of the local fire department and ladies auxiliary will

offer refreshments at outdoor stands at the racing course. Thousands of frankfurters have been stocked for the big crowds expected. Last year over 15,000 came to Hicksville for the parade and contests.

Seek Business Zone Change

OYSTER BAY—A public hearing to consider a change of zoning for property on Powell Ave., Bethpage, will be held on Thursday, Sept. 4, in the Courtroom of Town Hall at 10 A.M.

Ju-El Realty Corp. will ask the board to change the property on east side of Powell Ave., 125 feet east from Broadway, Bethpage, from a residential to a business district.

Jericho VFW Plans Annual Party

JERICHO—The 11th annual card party sponsored by the Jericho VFW Post has been set for Oct. 24 in the Jericho School. It was announced this week. The committee arranging the affair includes Robert Brumby, Harry Stewart, Warren Klein, Steve Zukowski, Arthur Stewart, James Hill, Stanley Gorney and Percy Remsen.

BITTEN BY STRAY

PLAINVIEW—Charles Pleickhardt, 7, of 36 Surrey La. was bitten on the shoulder and left side of the face by a stray dog as the child was playing in the rear yard on Aug. 21.

Bribery Charge Faces Speeder

JERICHO—Patrolman Jack West of the Second Precinct Police arrested John J. Amriati of Garden City, for attempting to bribe him with \$10 in lieu of a speeding summons on Saturday, Aug. 23.

Amriati, a Brooklyn contractor, was fined \$25.00 by District Court Judge Leslie J. Ekenberg for speeding on Jericho Tpke. near Old Jericho Rd. and held for action by the Grand Jury on the bribery charge.

Patrolman West is a resident of 44 East John St., Hicksville.

Million In Federal Aid

WASHINGTON—Congressman Ernest Greenwood in his July report to the press, released this week, disclosed that the Office of Education has reserved \$1,925,222.50 for Unifrog Free School No. 3 (East Meadow), Town of Hempstead, "to carry out the purposes of Title II of Public Law 815 of the 81st Congress". He was so advised on July 14. The law authorizes Federal assistance for construction of school facilities to local educational agencies over-crowded because of Federal activities.

LOCAL MAN RUNNING:

Candidate For Town Councilman

HICKSVILLE—Arthur Isaksen of 51 Arcadia Lane will be a candidate for election as a Councilman of the Town of Oyster Bay in the Nov. 4 election to fill the unexpired one-year term vacated by the death of Daniel Wall, the Herald learned today. The position is now being held by Dudley McCabe of Massapequa who was appointed by the Town Board and is expected to be a candidate on the Republican ticket.

Isaksen has been active in civic and community affairs since becoming a resident of the area. He was an organizer and first president of the South Hicksville Assoc. of Levitt Home Owners. SHALHO was one of the leading proponents of the campaign to prevent the "split" of the Hicksville Park and Parking District.

He is a member of Emergency Co. no. 5 of Hicksville Fire Dept. and the Hicksville Democratic Club. He is Democratic committee-man for the 45th Election District, Hicksville, Town of Oyster Bay. His nominating petition as the Democratic candidate for the

Town Board vacancy was filed this week by the Township Democratic organization.

Membership of the Oyster Bay Town Board consists of four Town Councilmen and the Town Supervisor, all elected from the township at large. The regular township elections take place in 1953.

JERICHO SCHOOL RATE

JERICHO—The school tax rate for 1952-53 will be 96 cents per \$100 of assessed valuation, it was announced this week. The rate is an increase of 22 cents over the 74 cent rate of last year.

ARTHUR ISAKSEN

HICKSVILLE—Alec Althausen, collided with a stopped car on 11, of 80 Jerusalem Ave. was hurt. He was riding John St. on Broadway on Aug. 21.

Big Doings Here On Labor Day

By LEE CHANIN
Hicksville 3-0853 R
There'll be big doings here in town on Labor Day. The firemen's parade and tournament promise to be bigger than ever this year which means a full day of noise, excitement and thrills.

Mrs. Marie Clark of 7 Violet Ave. will visit her mother in Maspeth while her husband is at the tournament on Labor Day.

Mr. and Mrs. Joseph Stines of 19 Willet Ave. will entertain Buddy McCabe, his wife and two children over the week end.

Mr. and Mrs. Collins of 5 Regina St. will visit relatives in Indiana for the Labor Day holiday.

Mr. and Mrs. George Rappaport of 9 Waters Ave. marked their fifth anniversary on Aug. 23.

Sharon Kuntai of 2 Susan St., was 7 years on Aug. 23. Robert Morabito of 4 Marion St. was 1 year old on Aug. 23.

Johnny Clark of 7 Violet Ave., celebrated his 7th birthday on Aug. 21 with a big party.

Mr. and Mrs. Stanley Zwirblis of 25 Bobbie Ln., celebrated their 11th anniversary on Aug. 31.

Mr. and Mrs. Paul Vento of 29 Roblee Ln. are the parents of a son, Paul, born on Aug. 2.

Women are wiser than men because they know less and understand more.

—James Stephens

Dear Jean:

Many are the stories that come back with the firemen as they return from a state tournament. Last week it took place in East Rochester. SAM WEISS sent us copies of the HERALD (of East Rochester). . . . HAROLD MANASKE said he drank malted milks (in the afternoons). . . . One of the racing team was hurt but not as seriously as the county dailies said. . . . Some of the boys dashed over to Buffalo to see the Falla. . . . And who was the member of Co. 2 who almost did not get home when the group nearly left without him? . . . Our own HENRY GEBHARDT was one of the contest judges. . . . Oyster Bay won most of the prizes and will be seen in action at Hicksville on Labor Day. . . .

IRWIN LEBOW who is advertising mgr. for the Levittown Tribune is moving to Hicksville with his family. He is taking up residence at 26 Bobwhite Lane. . . . Operator licenses expire this year for many of us. Better check your license and renew before the lines get long around the end of September. . . .

Take a look at the STARLIGHT SHOP window where five new manikins are showing the latest fall fashions. . . . HENRY'S RADIO shop at 23 Broadway, Hicksville, is an official service agency for the new authentic eye, the electronic light dimmer, for the new Oldsmobiles. . . . Arc lights were installed this week for midnight lunch period softball at Grumman's Plant 2. It is a six-team circuit. . . . Supreme Court recently upheld Huntington Zoning Board of Appeals which had denied a permit for a gas station. Maybe it's an idea for Oyster Bay Board? . . . Plainview School system is really growing. In Sept. 1950 there were 4 teachers and 137 pupils. For the opening of the term next week there will be 437 pupils (even 300 more) and 19 teachers. . . . JAMES CUMMINGS, advertising man of the Herald who also pens the NORTH WEST NOTES, is on vacation this week. . . .

WALTER BALDWIN, secy of the west coast desert with Grumman's. . . . Hicksville FD had 33 men in the parade at East Rochester with 18 men from co. 2 and 11 from co. 1. . . . GUS REINHARDT, well-known contractor and builder, entertained aboard the cabin cruiser Joann IV on Wednesday, Aug. 20, for a day's fishing off Montauk Point. Guests were BILL PAYOSKI, ED WILSON, LOU SMITH, MAL PEARCE and HERB PURICK. Dinner and cocktails were served the happy (what did they get?) fishermen by their gracious host "Gus". The editor got a note from a reader this week protesting because said reader was referred to in a recent issue as "publicity chairman". The note went on: "Nothing could be further from the truth. . . . enclosed you will find a press release" ! ! . . .

Let's All Meet At Block Party

Hi Folks

Real cool these mornings, isn't it?

Mrs. Charles Ruelois of Underhill Ave. wishes to welcome her daughter Mrs. Arthur Bertram and family into Hicksville. The Bertrams will be moving from Huntington into the Woodbury Manor Homes.

William Ganner and children of Lawrence, Mass. are spending a few days with Mrs. LoDato of Meade Ave.

Mr. and Mrs. S. Heidel entertained Mr. and Mrs. H. Niemann and their daughter Lorraine of New York City last week.

Mrs. Hilda Murphy of Nicholas St. celebrates her birthday on Aug. 25.

Carol Williams of Meade Ave. celebrates her birthday also, on Aug. 25.

Little Vincent Carpenter of Combes Ave. has a birthday on Aug. 29.

Patricia Alice Claus of Combes Ave. will be 2 years old on Sept. 1.

Our Editor had a nice outdoor party at his home last week. He's

quits an expert on the outdoor grill. (All you need is the outfit, Fred.) I enjoyed meeting all my Herald co-workers again. A round of applause should go to EVELYN NOETH who REALLY did all the work.

Hope to see all you folks at the gala block party being held by our Fire Dept. this Saturday evening, Aug. 30, in the parking field opposite the firehouse off W. Marie St. and DON'T MISS the big Labor Day Parade and Tournament to be held on Monday.

Everyone in Hicksville Park is hammering away these days trying to get the flu pipe connected so the natural gas can be turned on.

School Taxes: Advance Word

By FRED J. NOETH

IN ABOUT 30 DAYS property owners who receive their tax bills direct will get notified by the Tax Receiver's office of their township how much local education will cost them for 1953. The bills go in the mails Oct. 1. Meanwhile, we have made a survey of local school tax rates upon which the coming bills are based and of course the most astounding news is what has happened to the rate in Levittown (Jerusalem Dist. 5, Town of Hempstead). By comparison, Hicksville taxpayers fare very well. The Levittown rate has leaped from \$24 per \$1,000 of assessed property value to \$37.20 per \$1,000 while Hicksville rose slightly from \$25.90 to \$26.10.

Levittown, where certain elements are constantly boasting of having the "most of this" and "best of that", now claim the dubious distinction of the highest school tax rate in the County—even with various emergency grants from state and federal agencies figured into the picture.

Figures are said to be readily reading but a brief table will help compare various school tax rates in this area:

School Dist.	Year 1952		Year 1953	
	Per \$1,000	Avg. Bill*	Per \$1,000	Avg. Bill*
Bethpage	\$18.70	\$71.06	\$25.50	\$100.70
Jericho	7.40	28.12	9.60	36.48
Plainview	34.30	130.34	35.70	135.66
Hicksville	25.90	98.43	26.10	99.18
Levittown	24.00	67.20	37.20	141.36
Island Trees	22.00	83.60	27.50	104.50
Syosset	9.90	37.62	10.90	41.42

*Assessment of \$3,800 taken as average.

It should be noted that Jericho has still relatively few small dwellings and that the average assessment in that area is considerably more than \$3,800. Several developments are now scheduled in that area.

Whenever we publish tax bill information a number of readers seem to confuse assessments with selling or market price. If your home cost about \$8,000, it is probably assessed a shade under half that amount. By citing your property lot and block number, the county Dept. of Assessment can give you your correct property assessment figure.

DEADLINE JOTTINGS: It is refreshing to observe the adult approach of the South Hicksville Assoc. of Levittown Home Owners to the approaching teen-ager "problem" in this area with a public discussion meeting set for next Tuesday. It comes in sharp contrast to the sensational journalistic technique applied in some nearby areas. See story on page 11.

Jimmy Cooley offers his services to help organize a Drum and Bugle Corps for Hicksville and we think the offer should be furthered. The obvious need for a community musical group will become apparent to many who watch the firemen parade, Monday. More about this next week.

The foregoing tabulations apply to veterans of World War I, and World War II, as well as those who served since June 27, 1950. KOREAN G.I. BILL: EDUCATIONAL BENEFITS: A veteran of the Korean conflict will be eligible for 1 1/2 days of education in the school of his choice for every day of his military service on and after June 27, 1950. For single veterans, they will receive a monthly allowance to pay for tuition, books etc. at the rate of \$110 for full courses, \$135 for veterans with one dependent and \$150 for those with more than one dependent. On-the-job training benefits are available to the veteran, with subsistence being paid the veterans on the basis of the amount of time he spends in training. Korean vets will be eligible for unemployment benefits based on the unemployment payments made in their home states. Korean vets will receive mustering out payments of \$100, \$200 and \$300 according to their time in service and location of duty. Veterans with less than 60 days service will receive \$100, more than 60 days service will receive \$200; and those with more than 60 days service and service overseas will receive \$300. These payments will be made retroactive to service personnel discharged before the passage of the Korean GI Bill.

The bill took effect upon approval by the President, except that no education or training courses may be initiated prior to Aug. 1.

The benefits will be made available to veterans who served honorably on and after June 27, 1950 regardless of the theater of action. So until next week readers ... this is

Hypocrisy On Pool Question

By ARTHUR SCHWARTZ

I have followed with interest and a certain amount of relish the reactions of Charley Miller, NLHOA and the Levittown Civic Council to the Oyster Bay Town Board's refusal to split the Hicksville Park and Parking District. Through their anguished groans and moans, one can finally detect, even less thinly disguised than before, the arrogant hypocrisy which has distinguished the proponents of this split ever since its original inception.

Remember the about "Save our pools"? Remember when Mr. David Schwartz told the Board that the split would prevent overcrowding of the pools? Remember how the issue of the community hall was so peddled and ignored as much as possible? Now the tune has changed.

Instead of saving pools for Levittown home owners in Hicksville; these gentry—Miller, Schwartz, Dave Schwartz, et al, now threaten us with Levitt's abandonment of them. In other words, they are prepared to see these pools shut down completely rather than be exposed to the nasty people whose chief fault is that they never bought Levitt homes. Why has the NLHOA and the Levittown Civic Council not protested any thought of closing the pools? Apparently, As I insisted at the open hearing last May 9, the pools were simply the carrot dangled before the donkey's nose—but thank heaven, we were not the jackasses they may have thought we were.

I note that the pools would have been dangerously overcrowded with Hicksville people. But when the Hempstead Town Board killed any possibility of reciprocity, the NLHOA acquiesced in permitting Levittown residents south of the town line to use these same pools! When is overcrowding not overcrowding? Miller says "When the crowd comes from Levittown."

Levittown Civic Council tells us that the Town Board has sounded the death knell for every club and activity in Levittown. Sad, if true. But if these clubs are to be subsidized, why should the burden be placed on 2,200 home owners who do not even live in the township where these clubs have most of their membership? We are told that these clubs would not meet in the Hall were they to be required to pay for meeting rooms. Why were we not told this at the Board hearing? Why was the Hall completely ignored when the NLHOA

petition crews went out and traded lies and half-truths for signatures?

There is no shame in honest disagreement on issues. There is certainly no need for unanimity of every community issue. But there is a need for honesty and for fair play. This need has not been satisfied by the NLHOA, Levittown Civic Council, Miller, David Schwartz, Sigerson and their supporters in the press. They masquerade as workers for the welfare of individuals who live in Levitt homes and for their community as a whole. In truth, they had laid cold, calculating, conscienceless plans to throw an

intolerable tax burden on 2,200 home owners in order to further the commercial purposes of the builder-developer of the Levitt homes and to further their own plans for a unified Levittown which could avail no good except to these ambitions of these organizations and the gentlemen who lead them.

We who were to have been the sacrificial offerings before Levitt and Miller have reason to be grateful to the Oyster Bay Town Board that they destroyed any chance of the split's success.

OFF SOUTH BROADWAY Hectic Week At Three Outings

By Bunny Lauer Hicksville 3-27947

What a hectic week! Guess-I should be used to it by now though. Never a dull moment. Had a wonderful time Thursday afternoon at the bossman's house. Took the kids and myself across the farm to meet that gal about town, FLORENCE VRYN, and her two angels. Didn't want to dirty my white spike heels, so I walked across barefooted. I walked on tomatoes, rocks, broken glass and weeds. Anyhow, my shoes remained white. (That, my friends, is the reason I grabbed that beautiful chaise longue.) The food was wonderful, the company very nice and as usual I made a pig of myself.

Saturday another free meal. We all attended the open house that Dr. Raymond Havrilla of 115-117 Newbridge Rd., held for the family. His other guests were Mr. and Mrs. Joseph Havrilla of N.Y.C. Mr. and Mrs. Giesch of Jamaica. The doctor and his family are now making their home in Hicksville. He is a skin specialist and his office is right next to his house.

We joined the rest of the crowd at the JWV outing at Hecksher State Park. Sunday afternoon, and just gorged ourselves on refreshments. Just couldn't see all that good food go to waste.

No wonder I had such a small food bill last week. Any more 'invitations this way?

437 Register For New Term

PLAINVIEW—Registration was held at Mannetto Hill School on Friday, Aug. 22. A complete tally of the new registration plus pupils attending Mannetto Hill Schools last year shows a total of 437 to date. This is not complete, according to Principal Robert Tuttle. A breakdown of the total shows the following: Kindergarten 89; Grade 1—103; Grade 2—57; Grade 3—46; Grade 4—57; Grade 5—55 and Grade 6—30.

With the reopening of school Sept. 3 kindergarten session will

be from 9 A.M. to 11:30 A.M. and from 12:30-3:00 P.M. Grades 1 and 2 will be on double sessions, morning session from 8 A.M. to 12 Noon; the afternoon session from 12:30-4:30 P.M. Grades 3, 4, 5, 6 will be on all day sessions from 9 A.M. to 3 P.M. All children who attended Mannetto Hill School last year are being notified of the bus schedule and class schedule by mail. Anyone not receiving the information by Thurs. is requested to call the school so that information can be given.

Lovely Summer For Neighborhood

BY RAE CANTILLI

It's been a long time, but I'm back. It certainly has been a lovely summer with a lot always going on for the Cantilli family.

The Geismerters of Island St. have been vacationing in New England. That is my idea of heaven. Hope they had a wonderful time.

The Myrick's of Island St. have also been away in far off Alabama visiting Sonny's parents. Ah, to be able to hop in the car and go.

Congratulations to Ruth and Val Himberger who are the parents of a bouncing boy, Steven Dennis, who weighed in at 6 lbs. 8 ozs. at Mary Immaculate Hosp. in Jamaica on Aug. 9. The christening takes place Aug. 31. By the way, the Himbergers have three other boys, rounding out a pretty masculine family. Mommie is pretty outnumbered.

In the happy birthday department, little Cathy Gessner of Island St. celebrated her 5th birthday with a wonderful party Aug. 20th. Among those present were Terry Richards, Cheryl Davison, Dona Cantilli, Thomas Payne, Billy and Jimmy Himberger from Island St., Angela Delacoe from Vernon St., Susan Gessner and Larry Murray, Cathy's cousins from Flushing, and Cathy's besties, Dickie and Bobby. All the aunts and uncles and grandparents were also there, so Cathy's 5th birthday was sure celebrated in style.

The MacAllisters spent part of August at their bungalow at Rocky Point. Chris Rasmussen of Vernon St. was a guest of young Raymond, and from all reports a grand time was had by all. Lucky people.

Clare MacAllister's aunt and uncle, Marty and Rob Williams from Elmhurst, have been guests of the MacAllister clan on Island St. for the past week. Busy people these MacAllisters.

Mr. and Mrs. Henry Kowalsky from Vernon St. became the parents of a little baby girl, Linda last Friday. They have two other children. Congratulations.

My husband celebrated his birthday last week with a surprise party given by yours truly at our home on Island St. It certainly was a job to keep it from him. I had to put all the food and drink in my neighbor's icebox. We had a real "crazy" time. Among those present were Joan and Bill Bowden, and Gloria and Al Shkursky from Baldwin, Al Barbato from Freeport, Roy and Bell Lund from Massapequa Park, Ed and Eleanor Brophy from Richmond Hill, Val Himberger, Flo and Sonny Myrick, Ruth Gessner and Ed and myself from Plainview.

Happy birthday to little Jane Payne of Island St. who will be two years old this week, and to her daddy, Tom, whose birthday was last week.

NEIGHBOR DOWLING VIEWS NEWS

Use 71-Acre Tract For Research

By JOHN DOWLING

It will come as a surprise to many of Plainview's newer residents to learn that the Airborne Instrument Co., owns 71 acres of land in the Mannetto Hills section and is presently operating a research station at that location.

A phone call check to Airborne headquarters in Garden City and a subsequent talk with a company official to determine if any plans for industrial expansion on the 71-acre site were in the offing proved

disappointing, at least from a tax-wise standpoint. (Location of some light industry in Plainview would help to relieve the residents' tax burden).

This column learned that Airborne has no immediate plans regarding the industrial development of their acreage in Plainview, particularly since their current research efforts, according to a company spokesman, are "technologically incompatible" with the establishment of plant or factory in that area.

Broken down this means simply that the introduction of any machinery within a proximity of their research station, according to an Airborne engineering chief, would

interfere greatly with the function of the delicate instruments now in operation in the Mannetto Hills area. (We're wondering if the reluctance on the part of other light industry to locate in Plainview is due to the type of research being carried on by Airborne. Or is it possible that applying industries were rejected, because of Airborne's research?)

This column also learned that the firm has been approached by people interested in purchasing a portion of their huge acreage. The Airborne spokesman couldn't say who they were but due to the current real estate activity in Plainview was inclined to believe they were either land speculators or builders' agents.

May Control Registration

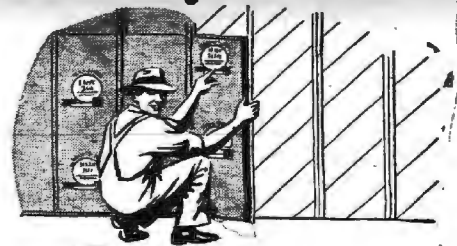

PLAINVIEW — The sharp rise in the number of children eligible to enter kindergarten in the Plainview School District increases the possibility of controlling the kindergarten registration, it was reported this week.

Teenagers SHALHO Theme At Open Meeting Next Tuesday

"What are the problems of our youth and how can they be solved?" This question, which has been widely publicized in the press of late, will be the subject of a talk at an open meeting of the South Hicksville Assoc. of Levitt Home Owners next Tuesday night, Sept. 2 at Levittown Hall, starting at 8 P.M. Rev. Michael Leavy, director of the Catholic Youth Organization, Nassau County, will deliver the address, SHALHO President Arthur Isaksen announced.

NLHOA To Push Effort For Municipal Operations

The Levitt Home owners' in the Town of Oyster Bay were "informed to learn of the decision of the Town Board denying the petition of 1,472 home owners in their requests for a separate Park and Parking District," according to Arthur N. Szerlip of 27 Bamboo Lane, NLHOA official.

The North Levittown Home Owners Assoc., sponsors of the original petition, were swamped with irate protests of this decision, he added.

NLHOA has been directed to "take definite and positive action to obtain municipal operation of the recreational facilities involved for the exclusive use of the Levitt Home owners in Oyster Bay Township with whatever means prove necessary," Szerlip

told the Herald.

"The Board's alternative recommendation of 'private ownership' which was instigated by the Committee for the Incorporation of Hicksville and SHALHO organization is the most costly means of operation," he added.

Schwartz Joins Holland Agency

HEMPSTEAD—Arthur Schwartz of 197 Spindle Rd., Hicksville, prominent young New York insurance man, has joined the Holland Agency, Inc. here as senior account executive for Long Island. It was announced this week by Pat S. Hamburger, president of the Holland organization.

Schwartz will be in charge of the Hempstead office of Holland Agency, located at 111 Jackson St. The Holland organization, Long Island's newest and fastest growing insurance office, represents the American Insurance Group of Newark, N. J. and the Pennsylvania Fire Insurance Co. of Philadelphia.

An active Hicksville resident, Schwartz is a member of the Hicksville Republican Club and a governor of the South Hicksville Assoc. of Levitt Home Owners. He was one of the leaders in the recent successful battle to prevent the split of the Hicksville Park and Parking District.

The Rev. Leavy, whose adult life has been devoted to the problems of youths of all races and creeds, has been director of the Nassau County CYO since 1947 and has been actively engaged in CYO activities for the past 13 years.

"It is the wish of SHALHO," President Isaksen said, "to bring this controversial question before the community in the light of sane reasoning and constructive criticisms. As parents we must ascertain to what degree this 'problem' exists and, with the aid of competent authorities, seek out preventive measures that will not hamper the normal development of our young people."

In the relative field of education, SHALHO will also have as a guest speaker, Allen Carpenter, a member of the Hicksville School Board (Dist. 17). He will give a comprehensive report on the rezoning for the elementary schools now under construction on Dutch Lane and Old Country Road. In answer to a recent letter from SHALHO to the School Board, he will also discuss what steps are being taken to erase the traffic hazards that exist at these two sites.

As SHALHO enters its second year of community service, it retains its original objectives to promote a truly democratic form of representation for the Levitt home owner in Hicksville; to provide protection against unnecessary tax burdens, and to keep its members abreast of current community problems, Isaksen added.

The SENTINEL

Fire Department Tournament

Many of us in this area are city folk who have never seen a country Fire Department tournament. In fact, many of us whom we came from large cities with paid fire department were unfamiliar with it not entirely unaware of the spirited, though unpaid, volunteer nature of the fire-fighting services rendered by some citizens of this community for the benefit of all within the community. Not only does our safety depend upon these services—but our fire insurance rates as well. (Parenthetically, it must have been that unawareness which led to the malodorous handling of the fire-on-Fork-Lane incident; anyone who knows vamps also knows that they will roll willingly to any fire to which they are called).

Competition in fire-fighting skill between localities is keen. Each year there are numerous tournaments in which "racing teams" from various departments compete against time in the performance of certain operations in fire fighting. The Labor Day Tournament in Hicksville, to be staged on Burns Ave., north of Old Country Road in the general area of the Spiegel houses, promises to be one of the biggest and most spectacular held on the Island this year.

The SENTINEL recommends the Hicksville Fire Tournament as an interesting and exciting way to spend the day. The parade is in the morning, contests start at 1 P.M.

Swim Festival

An alternate attraction on Labor Day will be the Swim Festival arranged by the NLHOA that much we know from our coverage of the NLHOA meeting two weeks ago. However, we have no details of the proposed events to publish. The NLHOA has been coy about sending the South Hicksville Herald news releases.

Teen-Age Problem

The local 'teen-age problem, first discussed this year in the columns of the South Hicksville Herald, has suddenly erupted over the pages of several neighboring weeklies. What's more, it promises to be a major item for immediate consideration by local and neighboring civic organizations. No newspaper or group has a proprietary interest in the "problem," but the SENTINEL is pleased to have been the first to emphasize its dangerous present-day aspects.

Tombstone Moved To Levittown

We wish to assure those who saw a connection between the tombstone marking the demise of "Split" that appeared last week in the masthead of the SENTINEL and the tombstone that was removed from Sutter's yard at Hicksville RR station to the rear of a bank off Division Ave., Levittown, that the latter occurrence, though curious, was purely coincidental.

Road Repairs

For some weeks the editors of the South Hicksville Herald have been endeavoring to gather material for an article of much-needed road repairs. Most of us know the spots in this area which are in bad shape; some of them will soon be travelled over daily by school busses. We simply haven't been able to get to John E. Brandt, Highway Supervisor of the Town of Oyster Bay, in spite of several appointments made to discuss the matter, one involving a futile trip to Oyster Bay.

School Taxes

As predicted by the SENTINEL a few weeks ago, the tax rate in Jerusalem School District No. 5, now frequently called the Levittown District, is high, \$3.72 per hundred. On the average Levittown house assessed at \$4,000 the annual tax will be \$148.80 as compared with the Hicksville tax bill on the same size house of \$104.40. The Levittown rate is reported to be the highest in County History. In announcing the rate, the trustees reported, "Further steps must be taken immediately to balance the economics of the district, which the Board recognizes is facing very serious problems." "These problems are due to the fact that it is a residential community unsupported by an industrial or any other non-residential assessments, with the excep-

Popularity Of Ballet Growing

BY FLORENCE VRYN

When you watch Frances Niemann walk and speak you can see the positive advantages of ballet training. She moves with apparently no effort and her hands express her meaning without flustering as so many women do.

As a little girl this talent for graceful motion was obvious and her parents felt that she should have some training in the dance and they entered her at Sharloff's at the age of eight. Under expert training it was apparent that she had great talent and she was encouraged to continue by her mother, who was a concert pianist. From there on her teachers names read like a who's who of ballet. She studied with Chailif, Mordkin Foukine, Yakovlev who was partner to the great Pavlova. She danced in all the traditional ballets with success and was a member of the company of the Ballet Russe de Monte Carlo. Yet she has a quick humor which is not usually associated with ballet, but which may be a heritage from her father, a comedian.

Frances had long felt that training some form of art was essential to the proper development of youth and with her background she had the experience to teach others. The hope of any form of art is that those who have demonstrated ability will foster talent in beginners so that the art form may continue to grow. Beyond that

the general public to accept the finest efforts in various fields, art, music, painting, and that can only be done through teaching.

Ballet has often been recommended as a treatment for shy children or those who find they can not work with a group. It is also a great help to those parents whose children are always looking for an energy outlet. The dance itself is a disciplined art form, since it requires great practice to control the muscles and make them perform the required actions.

In her work Mrs. Niemann says she can see the effect the dance has had on many of the children who have come to her. It does not necessarily mean the dance is the only art form that would achieve the desired results, any form of art is equally good, but each child should have the benefit of some of the great thought that has gone into our modern culture. Popular acceptance of ballet has grown in recent years to amazing proportions.

Two recent movies "The Red Shoes" and "The Tales of Hoffman" have brought ballet to the general audience, and the touring companies of the Sadler's Wells Ballet have played to packed houses. Many critics have said that anyone who applauds the ways a second baseman fields a ball is a potential ballet fan. Musical comedies are featuring more ballet

FRANCES NIEMANN

in the future there will be greater audience for ballet companies than before.

In her home on Lantern Road, Hicksville, Mrs. Niemann has helped many an awkward little girl out of the "all elbows and legs" stage and the results will be best appreciated perhaps by her sons Henry who is seven and Bob who is five, when they begin to squire the young ladies to proms, in the future. Mr. Niemann, an architect, selected the Levitt house because he felt it was the best basic house for the money. Which, as his charming wife adds with a smile, only proves what she has always

Last Chance For Weekend Trip

By FLORENCE VRYN
LE 9-4457

This is the last chance for a weekend trip before school starts and if there are any of you brave enough to travel, let me know how it was. Robert Woodruff took Tommy to Baltimore to visit some friends and they are stopping off at Washington. When Tommy goes back to Lee Ave., this fall I don't know whether or not his class will study governmental set up but if it does he'll have a head start.

Don Miller and his Boy Scouts are taking advantage of this last bit of free time too. On the Scouts, Ginny and the kids have all gone on a camping trip. That's the information I get anyway. I'll check with Ginny when she returns, but I'd love to know how she managed. I don't go to Jersey without an extra trunk, how on earth does she manage to camp with the kids?

Celia Larkin not only has her hands full with the new baby but she's busy preparing young Celia for her first day in school. The Larkins live on Scooter Lane. There are quite a few youngsters in the neighborhood who are going to school for the first time next week and it would be fun to hear their comments.

This Saturday night the vamps will hold a block party in the parking lot on E. Marie St., and we intend to be there. How about you? Why not get up a gang and join the fun? Meeting the people who live in the rest of Hicksville makes you realize we share the same problems, and enjoy the same things.

Speaking of the rest of the people in town, I met the other Herald neighborhood correspondents at a picnic at the Noetha last week and we all had a delightful time. We all had the kids with us and they tore around whooping it up and the mamas sat back and exchanged news. Little Jimmy Rooney, from Plainville, is just my son's age and they followed Artie Noeth like puppies. And the mamas followed the three of them for safety sake. The best part of the day as far as the kids were concerned was the time they spent watching the model trains in the basement. Once they started the trains the kids stayed put until it was time to go. Casey Jones kept a firm hand on the throttle except when Stanley, (equivalent

of greenlin) pulled the switches. All the gals compared notes on getting news and how much they enjoyed living here so before we broke up we were all old friends. Bunny Lauer and her kids and me and my brood descended on the party at the same time. Have you ever seen five wiggling kids and two mamas clutching at the nearest coat tall all try to get out of a cab at the same time? Remember when you went to the circus and all the clowns unloaded from a little bit of a car—well this was on the same scale. A less sturdy host and hostess would have taken to the hills. The party went along beautifully and when we got home my son was sagely comparing notes on how to get back to Twinlawn Ave. without the all seeing eye following him around and cramping his style. Better move, Evalyn, he's growing fast and he'll make it back yet.

Well, I'll see some of you at the bus stop Wednesday morning, and the rest of you had better get up some news. . . somebody has surely had a birthday party or something.

Puppet Show Fights Polio

HICKSVILLE—A donation of \$3.00 to the Polio Fund drive as the proceeds from a children's puppet show was reported this week by Mrs. Louis Millevolte, chairman of the fund drive.

Henry Hemling and Sharon Connaughton of Sleepy La., recently put on a puppet show for the children in their neighborhood and netted \$3.00 from the affair.

Mrs. Millevolte wishes to publicly thank the many children of the community who sponsored benefit affairs for the benefit of the fund drive this summer.

Seek To Rescind Setback Order

OYSTER BAY—Two firms that were granted zone changes on South Oyster Bay Road, Hicksville, with stipulations that they provide 50-foot setbacks are asking the Town Board to rescind the setback requirements. A public hearing will be held Thursday, Sept. 4, in the Courtroom, Town Hall, here, at 10 A.M.

Joseph Mascioli was granted a business zoning for property on the east side of South Oyster Bay Rd. near Woodbury Rd., Hicksville, on Mar. 18 of this year provided that he dedicate 50 feet frontage on each road to the Township of Oyster Bay.

Joseph Carillo, Samuel Levin and Joseph Wanes were also granted a change of zone for a business area for property on west South Oyster Bay Rd. near Woodbury Rd., Hicksville, on Dec. 20, 1951, provided a 50-foot setback on each road be dedicated to the Township of Oyster Bay.

The SENTINEL

tion of retail establishments." Nothing has been said recently about our joining up with Levittown "City".

Zoning Is Your Problem

Zoning regulations are tied to a Zoning Map which defines the areas for residence, business, industry, etc. In this area, the Town Board of Oyster Bay, which enacted the Zoning Ordinance based on the Map, can change the ordinance, or the map, practically at will. Certain formalities are required, legal notice must be given, and a hearing must be held, and then the Town Board can make its decision, subject only to review by the courts. It is conceivable that business, or even industry, might be permitted to abut residential use, by change in the zoning map, especially if the change is unopposed.

In most areas, attention to proposed zoning changes is one of the major activities of civic organizations. Perhaps when the roof sign, recently approved by the Town of Oyster Bay Board of Zoning Appeals, appears on the West Village Green Drug Store, our local civic organizations will be awakened to need of action.

The SENTINEL has inspected the gladiolas sent to the HERALD in connection with the "Death of a Hamlet-Island Trees", a SENTINEL column, and which now grace the HERALD front office. The SENTINEL again wishes to point out that the South Hicksville Herald, of which the SENTINEL is a part, has a separate editorial staff not housed at the HERALD office. Flowers sent to the SENTINEL should be clearly marked and addressed.

Meet RAY GARVİK, veteran deep-sea diver for Spearin, Preston & Burrows, Inc., New York City.

WE ASKED A DEEP-SEA DIVER

"Guess how much the price of lead is up?"

A deep-sea diver should know the answer. He's loaded down with 35 pounds of lead in his shoes, 83 pounds of lead slugs around his waist.

Diver Ray Garvik guessed that the price of lead is up 100%. Sorry, wrong answer. Lead prices have gone up 250% since 1939.

We know. To give you the kind of tele-

phone service you need and deserve, we have to get all kinds of expensive raw materials, and we buy lead by the ton.

The price of copper, for example, and telephone poles, too, has more than doubled. Even the pliers our linemen use cost about a third again as much.

We're not complaining. But we did want you to know that we're not vaccinated against inflation any more than you are.

Your cost of living is up 92% since 1939. Our costs of materials, wages and taxes are up as much or more. Yet the average price of telephone service has risen only 15%. We think these facts speak for themselves—especially since telephone service today is better than ever before.

As Szendy Sees It:

Opinion on Levitt-House Matters
By a Levitt-House Owner

Speak For Yourself, Bill

AN OPEN LETTER
TO BILL LEVITT

Now that the Town Board of Oyster Bay has refused to split the Hicksville Park and Parking District, there are people in this area who are saying that you intend to close down the swimming pools, ballfield, and community hall, and thus deny Levitt-home owners the use of these recreational facilities which you built for their use and which have now been operated by you, at no expense to the home owners, for about two years.

To me, such talk is utter nonsense. To quote from the very petition which requested that the Hicksville District be split: "The right to the exclusive use of these facilities by residents of houses built by Levitt and Sons was an inducement to the undersigned to purchase the said Levitt-built houses"—and from one of your advertisements: "Playgrounds, ball fields, soft ball areas, parks—dozens of them—are all yours to enjoy." It is inconceivable that you should now "close down" the facilities access to which was part of the sales inducement to buy the houses.

So far as the swimming pools are concerned, it has been contended by many that free use of the pools was included in the purchase price of the houses, and that "free" meant free of all costs of construction, maintenance, and operation.

It is a pity that the community hall was built on the very northerly edge of the Levitt development, in the community of Hicksville and Town of Oyster Bay, when the majority of the users live in Levitt-town in the Town of Hempstead. It seemed to me at the time that it was unfortunately located remote from many, and that it would have been better placed somewhere near the geographical center of the development on or near Hempstead Tpke., but I suppose you had some good reason for placing it where you did and, operated as it has been, it has been a useful facility for Levitt home owners. But now that it is implied that the costs of operation are about to be transferred to the users, the method of equitable distribution of such costs, and, for that matter, of the use of the hall, needs determining,

and the solutions cannot easily be evolved.

The issue of use and operation of the community hall is being clouded, as had previously been the issue of use and operation of the swimming pools, by the preposterous claim that the hall is in danger of "annexation by another community." Both the hall and the swimming pools are still under your control. Within the limits of the home-owners' vested interest, their disposition is still a matter for your determination. It is unfair to you and destructive of the trust placed in you by many home owners and of the peace of this community, that such irresponsible statements are made.

It seems to me that the time has come for a forthright statement from you detailing your plans for continued operation of the swimming pools and the hall.

It is time that Bill Levitt spoke for himself, and that other people stopped speaking for Bill Levitt. It is time that the whole question of use of the facilities you built was settled once and for all and ceased to be a springboard issue to promote individuals or organizations. The Town Board's decision has removed one major uncertainty about their future; you should now remove all others.

The people who bought your houses are tired of all this quarrelling—first about the pools—and now about the Hall. Let's know where we stand. It's up to you Bill.

Miss Marion Neil of Sixth St. Hicksville, will leave on Aug. 29 for her second year at MacDonald College, St. Anne DeBellevue, Quebec, Canada.

Dog Show Ends Summer Play

BETHPAGE—A dog show featured the closing of the Bethpage Summer Recreation Program, sponsored by the School Board this year at the Powell Ave. School Thursday night, Aug. 14. About 70 children were present for the show.

Mrs. Barreau of Lindenhurst gave short history of some of the dogs featured in the show. She said that the Weimaraner was originally bred in Weimar, Germany, as a companion of the nobles of the court of the Duke of Weimar. They were bred to hunt game, bears, fox, ducks and pheasants. They have also been used for tracking, as is the bloodhound. The Weimaraner has found lost persons many times when the bloodhound has failed.

She said that there are few Weimaraners in this country but they are becoming better known and more popular as they prove their abilities.

Mrs. Barreau continued her talk on the Dalmatian, another outstanding breed. The Dalmatian originally came from Dalmatia, Yugoslavia, and were bred to hunt game. In time the Dalmatian was brought to England where it became known as the "Coach Dog." The French poodles were originally bred and are still popular in France. They were used as water retrievers and as circus clowns. They are very intelligent and easily trained.

A demonstration of obedience by the dogs was presented by the handlers after Mrs. Barreau's talk.

James Pappas of Bethpage was among the owners and handlers in the show. He showed Rosanne of Berry Hill who acquired her C.D. degree in four consecutive shows.

MISS AUER IS ENGAGED

Mr. and Mrs. Arthur Auer of 71 Sycamore Ave., Bethpage, announce the engagement of their daughter, Gloria, to Patrick Duffy, son of Mrs. James Duffy of Mount Vernon, and the late Mr. Duffy. No date has been set for the wedding.

Miss Auer is a graduate of Farmingdale High School and is now employed by the New York Telephone Co.

Her fiancé attended the A. B. Davis High School in Mount Vernon and served with U. S. Navy for three years. He is now employed by Republic Aviation, Farmingdale.

The fountain pen was invented by Waterman.

Two Women Hurt In Crash

BETHPAGE—Mrs. Agnes Bilogan of 141 Harrison Ave. was taken to Meadowbrook Hospital suffering a possible head injury and contusion of the right knee sustained in a two-car collision on Sunday, Aug. 24, on Hicksville Rd. north of Harrison Ave.

Mrs. Bilogan was a passenger in a 1951 Hudson driven by Lucas Bilogan, which collided with a Cadillac operated by Telmo Ortiz of 107 Merritt Rd., Lindenhurst.

Concepcion Ortiz, a passenger in the Cadillac, was also taken to Meadowbrook Hospital in an ambulance suffering a possible fractured left knee.

DALERS REPORT SEPT. 3

Farmingdale High School classes will commence on Wednesday, Sept. 3 and students will report to the High School auditorium at 8:30 A.M.

The school cafeteria will not be ready for use for several weeks and parents are urged to prepare lunches for their children. Arrangements have been made to provide temporary eating space for children who normally use the school cafeteria.

Miss Beatrice Mae Guelpa of Center Court was hostess at a party in her home on Aug. 20 on her 8th birthday. Her guests were Joanie Kensler, Pamela Galvin, Judith and Barbara Becker. They were dressed as fairies with white crowns trimmed with stars and they carried fairy wands. Her brother, Frank, and sisters, Helen and Rosemary, were also present.

In the evening her guests were grandparents Mr. and Mrs. William Lawler, Mr. and Mrs. Leo Guelpa, and aunt and uncle, Mr. and Mrs. William Miles all of Garden City.

Henry Rockhill, Jr. of 44 Ellen St. was stricken with polio Saturday night and taken to Meadowbrook Hospital. The crisis had passed by Monday and he will be home in a week. His father is Scoutmaster of Troop 118 and his mother is assistant school principal at the Powell Ave. School.

THE E-Z WAY

E-Z way folding ladders are the answer to the persistent demand for more storage space in the modern home.

This ladder costs only slightly more than a large step ladder. The attic space or space over garage made readily accessible is worth many times the nominal cost.

The ladder is preassembled and can be installed in a few minutes. The opening does not need to be altered. Your old scuttle door or cover should be hinged so that it can be opened and closed with the operating dowl. Inexpensive strap or cabinet hinges will do nicely.

This ladder can be installed in any size opening 18 inches wide or wider. It is recommended that the opening be at least 24 inches long, but the ladder can be operated in smaller openings.

The space in your house costs about \$1.00 per cubic foot and at this price you cannot afford to waste it. By using a ladder which is convenient, easily operated, and space saving you can make use of several hundred dollars worth of space (over head) in your house.

See it today—and start using that wasted space setting up there—doing nothing.

By William Oltzky

The editor invited all his staff writers to meet with our cousins associated with other Nassau County papers Thursday at his home. 'Twas nice meeting my brother and sister writers for the first time. I guess you know we have a really nice family. As usual there were several subjects discussed. But as a writer covering veterans material, the subject sticking with me mostly was charity and juvenile delinquency. Are the people of Hicksville charitable? If you walked with me and visited our residents, if you sat at my desk taking phone calls or opening mail, you would say, yes—you people are swell!

On the other hand do we have juvenile delinquency? Probably no. But we are growing. Let's have the foresight and take steps to nip it in the bud. We may find one day that this condition exists. This brings me to Jimmy Cummings who is a brother writer and comrade veteran Legionnaire. A musician, Jimmy promised that he will

provide an orchestra at cost or free of charge anytime a club decides to run an affair for the benefit of a local charity. If we were to sponsor such an affair, our proceeds would go to children's activity to start at the age of six or eight. What are your sentiments on this subject?

A meeting was held at our home to discuss this year's activities at Northport Veterans' Hospital. The visits will take place on the last Sunday of the month in the same ward, #10. Now here's the big question! Can we also handle another ward? This other ward is made up of World War I men. The type of work in this ward will differ somewhat from singing and dancing in Ward 10, for here we need conversation, chess and checker players, card players and workers to distribute smokes, ice cream, candy, coffee, cake and other little gifts. Who's making this possible? You, the residents and business men of Hicksville. We want to

Hicksville Post No. 655 Jewish War Veterans

thank you for your calls last week. I visited all who called and solicited some of the local business men.

You folks gave me about \$200 so far. I also have the names of young ladies who volunteered to make the visits with us. I'm proud that most of the donations came from our Christian neighbors who know of our work. We make no distinction of race or creed. As last year, 12 visits are scheduled for Northport VA Hospital. Approximately \$600 will be needed. That is the least as there's about 100 men on Ward 10 and the same on Ward 4. Call me at LEVITOWN 9-8168 and I'll be happy to pick up your contribution.

Our schedule for Mitchell Field has not been worked out yet but I understand the Ladies' Auxiliary is to meet and plan the visits. God bless you girls. You've done so much already.

The Ladies' Auxiliary and Post were presented with beautiful citations for their service to the patients at Northport.

By HOWARD FINNEGAN

The Hicksville Field Club has fired back at the challenge the new Westbury semi-pro football club has presented to the local champions of the Nassau-Suffolk Gridiron Conference.

Coch Don Sabatella of the Black and White has already made the call for players for the 1952 team and has announced that Ray Halleran will come out of a two year retirement to be his assistant coach.

That news is underscored by the fact that Halleran will operate from the quarterback slot in Sabatella's T formation and that once again the Hicksville attack will highlight lightning passes, both long and short, as well as its usual powerful running game.

Halleran started out as an End with the Field Club in the late forties but switched to quarter for a season and a half and his quick hands and accurate arm drew raves before he gave up playing.

His specialty is the short jump pass but the long downfield arch is also in his bag of tricks and that is the picture play that Black and White fans found absent far too often last season.

There is little doubt in the minds of Hicksville fans and Sabatella that Halleran's playing and field generalship will offset the loss of Tom "Chip" Gannon who led the locals last year and is now the driving force behind the Westbury Organization.

Another strongpoint is that his presence will lure other former Hicksville stars into the fold as well as those who were hesitant about the coming campaign and thus restore persons known to local fans as the backbone of the team.

That will prove a boom at the boxoffice and the addition of Westbury and Baldwin in the league will mean at least 5,000 more paid admissions of the season and with that incentive perhaps the operation of the club can be made more successful than has been the case in the last few years.

The cost of a semi-pro team rises annually and the dismal business at the boxoffice in the past few campaigns has made making ends meet exceedingly difficult.

The perking up of old series like the Hicksville-Westbury meetings cannot help but inject renewed interest in the fans who clamor for action between Nassau County elevens and shy away from contests with distant, unknown opponents.

Hawks Wins Two Straight To Take Playground Crown

HICKSVILLE—The Hawks defeated the Midgits two straight games to win the play-offs of the Hicksville Summer Playground Baseball League, conducted at the High School Playground. The scores of the game were 3-2, 19-2.

Peter Nygren of the Hawks and Carl Schultz of the Midgits hooked up in a pitchers' duel with Nygren allowing just four (4) hits and striking out 13 batters. Schultz allowed seven (7) hits and

Going into the bottom of the 7th inning the score was tied 2-2. Bobby McGunnigle led off for the

Hawks with a walk. With one out, Pat McGunnigle singled advancing Bob McGunnigle to second. Sal DiLorenzo singled to drive in Bob McGunnigle with the winning run.

The second game was a rout, with the Hawks pounding out 18 hits for 19 runs. The Hawks' pitcher, Lefty Larry Eisenhauer, held the Midgits to three (3) scattered hits. The Midgits had no second pitcher and were thoroughly beaten 19-2.

Leading hitters in the two (2) games for the Hawks were Pat McGunnigle 4-3, Sal DiLorenzo 4-7, Peter Nygren 3-5 and Charlie McGunnigle 5-7.

Softball Playoffs Get Underway

HICKSVILLE—The playoffs for the championship of the Hicksville Community Softball League, sponsored by the Board of Education, are being held nightly at the high school field.

The exact pairings were unknown 24 hours before the tourney began since the regular season race was snarled badly at its expected finishing point.

However, the PBC, Pine Lodge and the Rockets were assured of playoff berths and depending on the automatic win over Sleepy Lane, the Post Office had a chance to tie the Oyster Bay for fourth place.

Still undecided as the final week got underway was the first place trophy winner. The PBC could win the flag outright with a victory over the Rockets but a win for the latter would force a tie between them and Pine Lodge for the pennant. In that instance a playoff to settle possession of the trophy would have to take place with the defeated dropping to second place.

In the playoffs, the first place team will meet the fourth and the second and third finishers will battle each other. The winners will meet for the title. Each series is for one do or die contest only.

The Rockets, acquiring a New Look with the addition of three players hitherto unused in the league, tossed the loop into its upheaval with a shutout of Oyster Bay and Pine Lodge came from five runs down to defeat the same club 6-5 in a bitter contest, Friday night.

Hawks Capture PBC Loop Title

Hicksville Hawks won the Junior PBC Second Precinct League title with a 6-1 record and will play in the semi-finals of the County playoffs next week. The team was given an assist by the Corsairs of Oyster Bay who defeated Bethpage 2-1 as Tony Momarale gave up but four hits.

The Hawks are coached by Charles McGunnigle and Sal DiLorenzo and sparked by Peter Nygren who pitched a near-perfect game on his last outing, catcher Pat McGunnigle, Dick Lambertson, Bob Sharkey and Tom Kordulak.

Oyster Bay Saints took the Intermediate PBC League title and will play in the semi-finals of the County playoffs on Saturday.

Botto Bros. Bows In RVC Playoffs

ROCKVILLE CENTRE — The team that would rather wait for a walk instead of hitting the fat pitch has nothing left to show for its allegory. The Boulevard AC defeated Botto Brothers, 7-5, here Monday night, in the playoff for the first half championship of the Senior division of the Night League.

It was the same old pattern for the losers. With the opposing pitcher a little wild they waited for walks time after time. In the pinches, however, Don Sontag got ahead of them with strikes straight down the middle and baited them with bad ones that they went after.

Hicksville left the bases loaded in the first frame and in all had runners stranded.

It was a night that the veteran Bill Borduk needed some runs and support to get through and he had some of the former and little of the latter.

FIVE ERRORS

Five errors contributed to the Botto downfall. Two of them started the ill-fated fifth inning and two walks followed. That run forced in tied the game and then a grand slam home run deep to left by catcher George Stevenson put five up on the board for Boulevard.

The winners scored single times in the sixth and seventh. Hicksville cut the lead to 6-3 with a pair of runs in the sixth.

Down to its final three outs a free swinging movement developed and Jerry Kiesel, Ray Halleran, Brian Masterson and Ed Coleman smashed four solid singles in a row.

That produced two runs and had men on second and third with none out. However, the reformation came too late and Sontag retired the side leaving the bases loaded.

LABOR DAY!

A holiday is Labor Day . . . a time to rest, or so they say. But, as for me, I'll paint the doors and patch the roof and scrape the floors. I'll fix the fence and cut the grass; repair that broken pane of glass. My conscience, then, will be so clear that it will rest until next year.

Insure a clear conscience by having your car serviced for safety. It is a regular preventive maintenance policy that will keep your car in A-1 condition. We want your business; we want you as a steady customer. Drive in this week and convince yourself of the superior service featured at the Broadway Service Station, Broadway and James Street, next to Post Office. Phone HI 3-2634 . . . YOUR FRIENDLY TEXACO DEALER!
