Plainview School Board Limits Kindergarten

PLAINVIEW — At its last regular meeting the Board of Education of Union Free School District 19, Plainview, adopted the following resolution limiting the kindergarten registration, according to a board spokesman:
"Resolved: In view of the present emergency now existing in Union Free School District No. 19, Town of Oyster Bay, N. Y., the Board of Education has deemed it necessary to limit the kindergarten registration to 120 students, and be it further Resolved, that 10 illegal absences will constitute grounds for suspension from kindergarten."

A Board spokesman explained further that institution of these measures came only after a series of conferences with the school principal and thorough analysis of the latest census statistic.

New Peak Pupil Enrollments

Opening day registration was expected to set new peak enrollments in all mid-Island schools, yesterday (Wednesday). Hicksville district was expected to easily exceed four thousand pupils for the public schools. There were 1,288 registered in 1948, 2,722 in 1950 and 3,732 last term.

Wives Delays Talk On Youths

HICKSVILLE — The illness of Father Michael Leavy, Nassau CYO director, made it impossible for him to attend and speak at the meeting of the South Hicksville Assoc. of Levitt Home Owners at the Community Hall, Levittown Pkway, Tuesday night. He is expected to be present at the October meeting to present the program on "youth problems and how they can be solved." Allen Carpenter, school board member, was guest speaker.

Nomination and election of a new president and secretary will also take place at the next meeting. Arthur Isakson, president, who is a candidate for election to the town board on Nov. 4, and Edward Arundell, secretary, resigned their offices, the latter, because of the pressure of private business.

Greet New Teachers At Luncheon

HICKSVILLE — A faculty luncheon with new teachers in the school district as special guests was held Tuesday, Sept. 2, in the Masonic Temple, W. Nicholas St. The affair was sponsored by the Classroom Teachers' Assoc. with Harold J. Robbins as the chairman. Dr. E. H. LeBarron, superintendent of schools, the principals and teachers from all the Hicksville Public Schools were present.

Republicans Nominate McCabe

OYSTER BAY — Republican committeemen of Oyster Bay Township met last Wednesday to nominate Dudley McCabe of Massapequa for election Nov. 4. He is incumbent by appointment, having succeeded the late Daniel Wall. Congressman Leonard W. Hall returned from his duties in National GOP headquarters in Washington to preside as leader. He will remain chairman of the Town GOP Committee until after election, informed sources said this week. Last week the Democrats nominated Arthur Isakson of Hicksville as their candidate for town councilman.

More Business On North B'way

OYSTER BAY — Property on north Broadway near the Hicksville Post Office will be considered for a change of zone from residential to a business district by the Town Board at a meeting on Tuesday, Sept. 16, in the Courtroom at 10 A.M. Parcel one is located on east side of Broadway about 100 feet north of the Lenox Ave., corner of Lenox Ave., and bounded by Bethpage Rd., and Bay Ave. The second parcel is on west side of Broadway about 191 feet north of James St.

Events During Coming Week

ANOTHER APICELLA ATTEMPT: Last Minute Write-In Fails In Water Commissioner Vote

HICKSVILLE — A surprise last minute write-in vote for Anthony Apicella of 340 Acre Lane failed by a narrow margin in what was not expected to be a contested election for a water commissioner, Tuesday night. There were 131 ballots cast with incumbent Charles E. Colthurst of Field Ave. receiving 68 votes and Apicella, 56. There was also one write-in for Charles Miller and six ballots were declared void by Councilman Frank Chlumsky and officials in charge of the election for the Town Board.
Apicella is the husband of Mrs. Tony Apicella who was twice earlier this year an

unsuccessful candidate for the School Board. He recently resigned as a chief sector warden of the local civil defense.
Colthurst who is cashier and vice president of the Bank of Hicksville had been the only official candidate. He had filed his nominating petition with the Oyster Bay Town Clerk as the law provides and his was the only name printed on the ballot. The vote for Apicella apparently developed in the final hour of the balloting since less than half the votes were cast before eight o'clock. The polls at the courthouse on Heitz Pl. were open from 7 to 9 p.m.

6-Vote Margin Defeats Bethpage Hook and Ladder Truck 2nd Time

All five propositions and the budget of Hicksville Fire District for 1952-53 was approved on Tuesday night when 102 votes were cast but in Bethpage more than 200 turned out to approve the budget and defeat a \$32,000 hook and ladder truck purchase for a second time.

The vote in Bethpage on the budget of \$24,860 plus a bond payment of \$17,000 was 199 yes votes and 31 no. On the question of spending \$32,000 for a hook and ladder truck and equipment the vote was 118 yes and 118 no. The proposition was lost by the narrow margin of 6 votes.

The Hicksville Fire budget of \$40,000 was carried with 92 yes, 2 no, 8 blank. Votes on the propositions were: No. 1—parade and tournament \$500, 95 yes, 5 no, 2 blank; No. 2—inspection \$1000, 88 yes, 9 no, 5 blank; no. 3—new equipment for alarm system at \$12,000, 29 yes, 8 no, 2 blank; no. 4—two-way radio for \$4000, 90 yes, 8 no, 4 blank; and no. 5—\$10,000 storage building, 63 yes, 14 no, 5 blank.

Polls in both districts were open from 7 to 10 P.M. Voting on the fire budget for Jericho takes place next Monday night, Sept. 8, at firehouse.

AUTO ON FIRE

HICKSVILLE — Firemen were called out on Tuesday afternoon, Aug. 26, at 5:18 when an auto owned by Joseph E. Simhovec of 13 Cherry Tree Lane, Levittown, caught fire at Broadway and W. John St. Slight damage was caused to the 1940 Chevrolet.

The vamps also answered a silent call for aid when power lines were knocked down during the high wind and rain storm, Labor Day evening.

Bean Names 9 Additions To Adult Course Faculty

HICKSVILLE — Several new courses are included in the schedule of the Adult Education Program which starts on Sept. 22, it was announced this week by Elery H. Bean, director. Registration takes place at the high school on Jerusalem Ave. on Monday and Wednesday evenings, Sept. 15 and 17, between 7:30 and 9:30 P.M. Bean also announced the following additions to the faculty:
Mrs. Bertha Dwyer, who has successfully conducted courses in

Handbag Making in Home Bureau. John Ringwald is an Obedience Trial Judge for the American Kennel Club and has conducted Obedience classes in several South Shore schools.

Robert Treichler who will conduct an Oil Painting Group for beginners. He is a member of the local Art League and studied art in Milan, Verona and Venice, Italy.

Arthur Paerzy, Shorthand instructor, comes from Ellenville High School where he taught business subjects. He was for several years Associate Professor in this subject at Long Island University.

Hearing Sept. 16 On Industrial

OYSTER BAY — A request for two industrial zones in Hicksville will be considered by the Town Board at a meeting Tuesday, Sept. 16, in the Courtroom at 10 A.M.

Charles Schildknecht will ask for two separate zone changes for land on east side of South Broadway about 351 feet north of the Broadway and Mineola Ave., intersection and for parcel located on the west side of New South Rd., near the intersection of the L. I. R.R. land.

Heinz P. Baumgartner, who will conduct the Television Repair course is an Electrical Engineer presently affiliated with the RCA Laboratories as a technician. He has taught courses in this subject in other schools.

Mrs. Louise Wilbur is well known in this area as an instructor of various crafts in the Home Bureau. Textile Stencilling is one of her most popular courses.

Frank Kanopacek, who will conduct the program on Square and Folk Dancing, has been a professional Caller for many years. He is at (Continued on Page 8)

YES, FIREMEN WERE ALL WET: Downpour Shifts Races To Sept. 13

HICKSVILLE — Heavy rains and squalls on Labor Day forced postponement of the volunteer fire department contests on the Burns Ave. racing course until Saturday afternoon, Sept. 13, starting at 1 p.m. Despite the inclement weather, the parade for the 24th Annual Labor Day event took place as scheduled with an audience estimated by police at about 10,000.

Fourteen years ago was the last time it had rained so hard on Labor Day that the tournament had to be postponed, although the parade was held.

The fact that other tournaments were previously scheduled for the current weekend made it necessary to set the running of the events for a week from Saturday. The decision to call off the contests was made in a rain-lashed huddle between Tourney Chairman Sam Weiss and racing team captains under the arch on Burns Ave.

2419 MEN IN LINE
Water-soaked parade judges, led by Frank Sutter, revealed there were 2,410 men in the line of march, 28 bands, 19 ladies auxiliary units, 290 ladies marching. There were 171 pieces of fire apparatus in the three-hour parade led by the hosts, Hicksville FD.

Parade winners were: most men in line, Levittown, first; Freeport,

second; best appearance over 25 men, Freeport; best appearance under 25 men, South Hempstead; best appearing ladies auxiliary over 25 women, Uniondale; best appearing auxiliary under 25, North Bellmore, Bethpage; best appearing apparatus, Oceanside; honorable mention, Freeport.

Best senior band, Locust Valley, and best junior band, Farmingdale. Tournaments this weekend include the Mardi Gras of the Rockaways on Saturday, Sept. 6, and the polo fund benefit tourney at Allen Field, Rockville Centre, on Sunday, Sept. 7.

The Rockaway contests take place on Beach Channel Drive, between 97th and 106th Sts., starting at 10 A.M. Hicksville firemen and apparatus will leave for Rockaway at 8:30 A.M. The parade there takes place at 7 P.M. starting from Beach 116th St.

On Sunday the Hicksville vamps will leave the local firehouse for Rockville Centre at 11:30 A.M. The contests take place at 12:30 P.M. There will be no parade, according to Racing Capt. Edward Kessler.

Couple Found Dead In Auto

JERICHO — Max and Josephine Schmits, both 51, were found dead in their auto parked in the rear of the Parkway Inn on the Jericho Rd., Tuesday morning. The Westchester couple bought the Inn a couple of weeks ago and police said they had apparently been overcome by fumes from the engine of the auto. The incident was described as a "death pact". Eugene Schneider of 10 Regent St., Hicksville, who sold them the Inn identified the bodies.

NEIGHBOR DOWLING VIEWS NEWS:
2-Year Critical Period Ahead

By JOHN DOWLING

In the months to come the Plainview School District will be caught in a squeeze between the number of families moving into the district and a terrific classroom shortage that won't be alleviated for at least a year or possibly two.

The district is entering a critical period, which, as the old adage goes may get worse before it gets better. Hundreds of families, many of them consisting of one or two children of school age, are

DOWLING

scheduled to move into Plainview during the next two years. And to make matters worse, they are moving in completely misinformed about the school facilities. This misinformation comes from fast-talking builders' salesmen, who, bent upon selling only houses, appear to deliberately lie in reply to prospective buyers' questions concerning Plainview's schools or use every adjective in the book to describe imaginary new schools or land grants which have been donated by their benevolent employers for schools.

The fact is that in Plainview not one builder has made any kind of a grant or offer for educational purposes. Instead, their employees are telling all kind of fantastic stories, even going so far as to tell likely buyers that they can use the school bus for transportation to the nearest railroad station.

My wife, posing as a prospective home buyer, was very convincingly told not to worry about transportation to the Hicksville Railroad Station as the school bus would take her right to this point.

Another friend of mine was assured by a salesman that his builder had set aside land for a new school in the development and that it would be up within a year. A long-time resident of Plainview, my associate was as-

tonished at this bare-faced lie and strongly reprimanded the salesman, who laughed and said: "Well, I have to sell the houses, don't I?"

Another large builder even had the audacity to advertise his development as a community "complete with schools." And in one news release in a New York paper said that land had been set aside for schools. Fortunately, the Plainview Board of Education was successful in its attempt to prevent this type of advertising and the builder has discreetly dropped the word schools in his current advertising campaign.

Plainview's School Board is fully aware of this situation and is doing everything within its power to keep it under control.

Thanks to the hard work and long hours of School Board's Building and Grounds committee, plans for a new 20-room school complete with gymnasium, cafeteria and all-purpose auditorium have gotten far beyond the talking stage.

It is hoped that blueprint revisions, the area supervising officer's approval and finally Albany approval of the plans will come in the near future.

However, even with public approval of the plans plus completion of the previously mentioned procedures, actual use of the school is still a year or a year and half away.

Dear Jean:

Happy Birthday to twins STEPHEN and PATRICIA WLADYKA of 6 Winding Rd., Hicksville, who are one year old on Sept. 12... I WHILE (1100 on dial) will broadcast "no school today" announcements for local public and parochial schools when conditions so require between 7 and 9 A.M. . . . We hear STEVE of Co. 2 may open a school for convalescents. He had so many requests at the firemen's block party. . . . JONES BEACH has had a record-breaking season and if you did not get a chance to swim this year yet, the West Bathhouse and pool will be open daily thru Sept. 21. . . . MARY HAUGHEY, Herald associate editor, is on vacation this week and next. ELEANOR SHARRATT, also of our staff, sends a post card from Kennebunk Port, Maine, where she writes "lobsters are very good". . . . According to postal inspectors, a resident of Princess Ave., Hicksville, has admitted taking money from letters addressed to charitable organizations. The man in question has been working on mail trains between New York and Syracuse. . . . Island Trees School District may use St. Stephen's Lutheran Church for a temporary kindergarten. By the way, Island Trees got the same answer as Hicksville authorities received when they applied for use of the Levitt Community Hall for such activities—no. . . . The only prize winner we heard about on that award of the firemen at their block party, Saturday night, was Wantagh Fire Dept which took the third prize. . . .

WALTER SCHAAHL of 22 Wilbur St., Hicksville, left by plane for California on Monday, Aug. 25. They will be gone three weeks, visiting their son GEORGE whom they have not seen in 4 1/2 years. . . . I hear Community Concerts is getting ready for another membership campaign here. . . . Some kind of petitions were being circulated last week in behalf of an independent candidacy of ERNEST GREENWOOD for Congressman. This, of course, in addition to his running on the Democratic ticket. . . . A new home development of 130 one-family homes is planned on the former BRAND homestead on Bloomingdale Ave., Hicksville, as the result of the sale of the 28-acre tract to the Twelfth Construction Corp., builder. Price range will be \$10,999 to \$12,999 with two, three and four bedroom models. . . . In the recent primary voting ERNEST FRANCKE of Hicksville, running for elected office for the first time, received 8,355 GOP ballots, said to represent about 6 per cent of the enrolled party members. . . . County Clerk FRANCKE was guest speaker last week at the Hicksville Rotary meeting. . . .

Construction of a supermarket and 14 stores on the west side of Jerusalem Ave., 87 feet north of Walnut Lane, Hicksville, is planned and the Allied Hicksville Corp., is taking bids on the job. Business zoning at this point had been vigorously protested by Walnut Lane residents—although the public hearing had been held before they took up residence there. . . . Aside from an annoying swarm of bees, the Lions and families had a swell time at their picnic in Plainview.

Contribute \$10 Show Proceeds

HICKSVILLE — Arnold Ave. children contributed \$10.00 to the Polio Fund as the proceeds from an amateur show held at the Doyle home at 7 Arnold Ave. on Monday, Aug. 25. The cast of the show put on for neighborhood children were Pat and Cathleen Kasten, James Hickey and Joan Kasten. The \$10.00 was presented to Mrs. Louis Millevolte, local polio fund chairman.

Song and Dance Show Nets \$8.00

HICKSVILLE—Noreen Tierenger of 18 Arnold Ave. and Sharon Levy of 1 Linden Blvd., sponsored an amateur song and dance show at the Tierenger home Saturday afternoon, Aug. 23, for the benefit of the Hicksville Police Fund. A total of \$8.00 was netted from the show which they will present to Mrs. Louis Millevolte, chairman of the local drive.

The cast included Noreen Tierenger, Sharon Levy, James Hickey, Ed Vanderhyde, Kathleen and Patricia Doyle, Ronald and Frank Tierenger.

Among audience guests were: Jerry and Carol Gorlitz, Allen and Ken Ferrara, Stanley Sosowitz, Alicia Reilly, Karen Boylan, James Mohl, Robert Nestor, Karen Blymaire, Maureen and Raymond Lang, Maureen O'Dell, Susan and Wendy Taylor.

NORTH WEST NOTES:

First Meeting Set By NW Civics

By James Cummings
The first fall meeting of the North West Civic Assoc. will be Tuesday, Sept. 9 at the High School study hall. President McCarthy earlier this week informed me that one of the problems—the flood conditions and bad roads—must be brought to a head once and for all. As the days go by the roads have not been completed by the Highway Department, in some cases residents have not seen town trucks for two weeks.

Sections of Kuhl and Nevada have been started but not finished, other areas have not even been touched. On Myers and Gardner Avenues were many new homes have been built and cars must go extremely slow or lose a rear end. I wonder how long we will have to

wait to see who accepts responsibility of repairing these roads. This is your community, this problem is a serious one, make it your business to be on hand for the opening meeting of the Civic Assoc. on September 9th at 8:30 P.M.

BETWEEN ISSUES: We were pleased to note that Hicksville residents will have an opportunity to have another representative in Oyster Bay as Arthur Isackson was announced as the Democratic candidate. Several people in this area have informed me they will endorse Isackson including John Finnegan, George McCarthy, Arthur Woods, and your reporter. It has been reported that the Assoc. will be asked to endorse him at the next meeting. Don't forget the Police Auxiliary Dance next Saturday, Sept. 13 at the Masonic Temple, on Nicholia St. . . .

THE SCHOOLS ARE YOURS!

What Is The Board Of Education

BY ROBERT R. TUTTLE
Principal, Manetto Hill

School, Plainview

My neighbor, John Q. Public and I were discussing education.

"Just what is the Board of Education?" asked John.

"The Board of Education occupies a place similar to the Board of Directors of a company," I answered. "The Board of Education in a union free school district may have from three to nine members. Fifteen qualified district voters can petition to increase or decrease the number of Board members at the annual meeting in May. According to section 1703 of the Education Law a majority vote taken by recording the aye and nays is sufficient to change the number on the Board providing the petition has been circulated beforehand."

"How are they added then?"
"Following the election new Board members are added at a special meeting called not less than 30 or more than 60 days after the annual meeting. At this time the new members are divided into three classes; first class, one year term; second class, two year term; third class, three year term. If there is voted a decrease in the number on the Board no election is held until the number is reduced through the expiration of a term thus creating a vacancy."

"How are they selected?" CHANGE IN LAW

"The voters at the annual meeting of the school district elect the board members. All candidates, beginning with a law passed last year, must be nominated by a petition signed by 25 qualified district voters. Board members are elected in such a way that the terms of each overlap. Thus there is never, except in cases of mass resignation, a complete change of the Board of Education in any one year."

"When do the newly elected Board members take office?"

"When elected at the annual school meeting in May the new Board members assume office July 1st. When appointed or elected to fill a vacancy, a Board member serves until the next annual meeting. By State law the first Tuesday in July is designated as the time for the reorganization of the Board for the school year from July 1st, to the following June 30th."

"What do you mean by reorganization?"

"Officers of the Board are chosen from its membership for one year and the appointment of the District Clerk and Treasurer is made for one year. The Clerk and Treasurer can be chosen from the qualified voters of the district. In addition to a President a Vice President is also chosen. Often individual board members are designated as a committee on building and grounds, transportation, publicity and finances. However, the best practice is for the Board of Education to act as a committee of the whole

on these important matters in reaching decisions."

"Is there any other business done at this meeting?"

"Yes," I answered, "the District Clerk, Treasurer, Census Enumerator, Attendance officer and school physician are appointed. The date and time of the regular monthly board meetings are set. In the judgement of the Board an attorney and auditor may also be appointed. It is necessary for the Board to designate a bank as the depository of school funds."

"What are the President's duties?" asked John. "Are they not similar to those of a President of any organization?"

"Yes, he presides at the meetings of the board. He is a member of all committees. The President as well as any Board member may call special meetings of the Board. Of course, the Vice-President acts in the absence of the President."

"What is the main function of the Board?"

"A Board of Education has delegated or enumerated powers given to it by the state. Under these powers a Board determines the general educational program to be followed in the district. Boards in Nassau County are subject to the following provisions: (Continued on Page 16)

NEVER A PARKING PROBLEM

False Alarms Must Cease

By FRED J. NOETH

A VOLUNTEER FIREMAN is in Nassau Hospital, Mineola, this week with a broken leg. He was injured responding to a call for the firemen and their apparatus, Sunday afternoon. What makes particularly grim reading is the fact that the Hicksville firemen were responding to a false alarm . . . the 15th such call this year and the fifth one for the month of August.

The fireman is John Acker of 2 East St., Hicksville, member of Hook and Ladder Co. No. 1. When we spoke to Mrs. Acker on Tuesday morning she said doctors were waiting the study of x-rays and reduction in swelling of his leg to determine the extent of his injury. He was in considerable pain.

The suffering of Jack Acker and the concern and distress of his family and friends began when an unthinking child pulled the signal at Box 124, corner of West Nicholas St. and Cornwall Lane, at 3:16 Sunday afternoon.

Hicksville Fire District is fortunate to have an elaborate fire alarm signal system. It is one of the most complete systems on the island. It is designed for the protection of lives and property. It can only be effective when limited rigidly to emergency notification.

The false fire alarm situation appears to be getting out of control in our community. Fifteen false alarms in a span of eight months is a matter of grave concern. Parents must impress upon their children the consequences of tampering with those red alarm boxes.

Jack Acker is a typical volunteer fireman of our community. When the alarm sounds he and every other available vamp proceeds without delay to the firehouse and thence, with the apparatus, to the scene of the emergency. The firemen have no way of knowing that a false alarm is being given when that horn sounds.

The Hicksville Board of Fire Commissioners are gravely concerned, as are the officers and men of the fire department, with the alarming increase in false signals. The painful injury of one of the members has sharpened their concern. The Fire Commissioners want it clearly understood that they are prepared to press for action in all future cases. The culprits and their parents or guardians will be dealt with severely in an effort to halt further false alarms.

And while we are discussing firemen and signal alarms, it might be well to remind our readers that the flashing blue light on the private autos of firemen must be respected. Every volunteer fireman is entitled by State Law to install such a blue light with the approval and certification of his fire chief. It may only be used when answering a fire call and other motorists, realizing that the auto with a flashing blue light carries firemen answering a call for help, should give way.

It could be a fire at your home or place of business that the vamp is racing to save when you see that blue light flickering on the front of a fireman's auto.

Set Candlelight Holy Hour

MINEOLA—Very Rev. George M. Bittermann, VF, pastor of St. Ignatius R. C. Church in Hicksville, will be celebrant at Benediction during the annual Candlelight Holy Hour at the Chaminate Stadium, here on Sunday evening, Sept. 14. The program is sponsored by Holy Name Societies of Nassau County. The Rev. Martin O'Dea, pastor of Holy Family Church, Hicksville, will lead the assemblage in reciting the Holy Name Pledge of Loyalty to God and country. About 15,000 persons are expected to attend. The procession will begin at 7 o'clock with all Holy Name Society members carrying lighted candles.

The Legionnaire

Charles Wagner Post No. 421, American Legion

We're going to take you on a visit to the American Legion Mountain Camp at Tupper Lake, N. Y., and the hope you'll stay with us if only to learn what your Legion has provided for you and your family in the way of summer rest, relaxation and entertainment.

The Mountain Camp is actually two camps: Paradise Point on Tupper Lake and Horseshoe Camp on Horseshoe Lake. We stayed at the 244 acre Horseshoe where rates including meals are \$8.50 per day with children 12 and under, free.

It's a long drive, nearly 350 miles, but the roads are good until the last 5 mile haul over the "Burma Road" into the Camp and the surrounding country is beautiful in every sense of the word. The Camp itself contains a total of 13 buildings and in the order in which you see them as you arrive they are the clubhouse, lumber office, railroad station, Bronx House, employees quarters and recreation hall, canteen, dining hall, 6 cabins on Lacikawanna Trail and 5 cabins on Brooklyn Trail.

Without indicating any preference we'll skip around and give you our impression of several of the buildings.

We checked in at the Canteen (where ice cream cones are still 5c) at about 3:30 P.M. and were assigned to the Bronx House. This contains four very neat and warm apartments of two rooms and bath each, which made an ideal set up for a family such as ours. After unpacking and cleaning up we waited for 5:30 and chow call.

In the dining hall, which is a pine paneled, low light affair, we were greeted by a very pleasant waitress who after introducing herself, inquired how we'd like our steaks! We needed no more convincing—our vacation had started!

Because it rained on Sunday there was little activity so we learned a little about the camp. It was originally established in 1922 as a lumber camp whose office still stands. When it was established, the gentleman doing so had a railroad station built, not by the railroad but by himself, which is similar to but larger than our own Hicksville Station. This station, in the middle of the forests, is a source of amazement to all who see

it. The Legion acquired considerable property around the camp and finally in 1945 obtained the station and the lake frontage.

Opposite the station is the Clubhouse. This pine paneled, two-room building is fitted with leather and chrome furniture stuffed bears, otters and deer, and has a fine dance floor as you'll find anywhere.

While all cabins are not the same the one we visited was similar to our little apartment, completely paneled and furnished with reading lamps and modern living room furniture.

The accommodations are excellent, the food superb the club would be the envy of any Post and the service is the most courteous we've ever encountered.

On a vacation some folks want rest, some want fun and other aim as much as possible for both. The choice is yours. Entertainment is planned from week to week and the guests run the show.

On Monday evening the Bronx House and Skid Row (Brooklyn Trail) played the Hillsliders (Lackawanna Trail) in Softball with both men and women participating. Skid Row with yours truly pitching and hitting three for three, won 14-5. On Tuesday night there was a Crazy Hat Dance with a four piece orchestra provided by the Camp. On Wednesday there were movies, Thursday—Charades, and Friday—Bingo.

All during the week shuffleboard and horseshoe pitching tournaments were conducted. In addition the Club was open for other than planned activities and at any time you can walk through woods alive with deer and bears or go swimming, fishing and boating in the lake.

For the children there is a fine playground and a counselor who carries on organized games, hikes, craft instruction and the like.

And this is not for "upstaters." Of the 15 families there, 6 were from Long Island. In fact the first person we met was Gil Chichester, Nassau County Commander, who was quartered right in the Bronx House.

If you want more story or information we'd be glad to talk to you. The Bengals hope to return. We liked it!

Until next week then, let's remember that 353 memberships are now in order.

"OUT OF THE FOXHOLE" . . . The POST'S 2ND. ANNUAL PICNIC held on Sunday Aug. 24 went over in great style. Seems Harry (I'm getting old) Zvoenk couldn't bend far enough to pick up that ball, and the sun kept getting in his eyes. Mike (The Egg and I) Eliah thought they were hard boiled. GH (Hop-Along) Bruno did one swell job at the cooking detail.

He always could be counted on for that help. Saw many good friends from the JWV while enjoying the fun at Hecksher State Park. Joe (Tootsie) Migdon won the shoe race.

he was the only one wearingoccasins. Joe's charming Marian, walked off with that large box of canned goods with the lucky number. The fellow who enjoyed himself more than anyone . . . Fred Blackley.

Remember these dates: Sept. 5 nominations for new officers. Sept. 19 final nominations and elections. Sept. 20 starting monthly affairs once again. Oct. 10 third birthday and Installation of Post Officers . . . DID-JA-KNOW: The Military Order of the Purple Heart will change their name to WOUNDED COMBAT VETERANS? Seems that Congress will not grant a charter to any organization named after a Military Decoration. . . . AMVETS will travel shortly out to Farmingdale's

Sanitorium where there are many veterans who are patients there. Got a date with Jinx Falkenberg in about a week. Elmont AMVETS have already bought their own property and will build the first AMVET clubhouse in Nassau County. . . . There are 19,376,000 living veterans of all wars, and more than 478,000 since last year. . . . During the Civil War at Front Royal, in 1862, two Guard Regiments faced each other in battle. They were the First Infantry (Confederate) and the First Infantry (Federal) both from Maryland. . . . George Washington, Roger Williams and Daniel Boone were among the first National Guardsmen.

THINGS I'D LIKE TO KNOW: Why the fellows like French Fries . . . but don't ask them to peel 'em. There are ten ash trays within reach. . . . butts all over the floor. Why we pick on officers and when election time comes . . . we don't run for an office. THANKS TO THESE SWELL PEOPLE: Johnny Hill of Hicksville-Levittown Beer and Soda. Mrs. Nina Cooley for doing a swell job on the basket. All those wonderful people who made the picnic a success and I mean SUCCESS. SORRY TO HEAR: Ray Cantwell of the Gold Star Post #8 killed in an auto accident soon after the State Convention. Post #20 Clubroom damaged by fire. Of all the local laddies on vacation . . . no one went to Grand Rapids.

LADIES AUXILIARY PLEASE NOTE: I have two more women that will join your group. . . . contact me as soon as you are able. Well, it's a short week gang so until next time this is

At last the Sunday morning of our first picnic arrived. As we moved into our assigned area we were greeted by the committee, Morris Stillman, Dave Katz and Dave Richman. The tables were arranged and the grounds cleared. You should have seen this committee get to work before you could say Jack Robbin everything was unloaded and in its proper place. Hy Pokard came with the prizes for the kids games, which were won by Stan Pokard, Richard Stillman, Seymour Olitsky and Dennis Stillman.

There was a procession led by the Junior vice-commander Sam Mozell with commander Sidney Kaplan bringing up the rear guard so that no one would get lost. About 200 were present. Due to a

misunderstanding, the hospitalized vets were not able to make it, but we made up for it and made a special visit the next day to the Mitchell Field Hospital. Everything from soup to nuts was brought along to the wards. As the Auxiliary pulled up to the hospital, they were met by Red Cross representative Miss Palmer who assigned the five wards to be serviced. The hostesses in charge of the visitation were: Blanche Grabow, Violet Wolfson, Ethel Lauer, Jr. and Jean Barshai. They organized games and distributed the goodies on hand. Ladies, we are proud of you for a job well done.

Getting back to our picnic, a ball game was started which had to be called on darkness. Boy were we lucky because with the score tied and the ladies having bases

loaded, with one of their fingers to bat, we would have been murdered and I mean it. Could that girl hit! Don't ask me her name because she came and left as mysteriously as whisp, but the girl sure could play ball. She played short stop. A ball was hit at her, it was impossible to make a play, all the lady did was boot it into a double play, boot it to third, back to second. You should have seen it. (Mysterious lady, please let us know who you are. I think the first name was Agnes.)

Sam Mozell wishes to personally thank the committee that made the visit to Mitchell Field Hospital possible.

Another pleasantry of the day, was the sharing of area 1 with our neighboring AMVETS, Robert O. Ulmer Post 44 from Hicksville.

ler, Diane Wharton, Jayne Ziegler; and the Prince by Robert Huebsch.

Boys and girls are requested to bring sandwiches for a picnic supper. A beverage will be provided by the Library and served by members of Friends of the Library.

Reading Diplomas will be pre-

sented to those who have completed reading five books about animals and five books of their own choice.

Postcards now being mailed to the boys and girls will serve as admission tickets. In case of rain, the program will be held on the following Saturday.

OFF SOUTH BROADWAY School Vacation Is Over, At Last

By Benny Lauer Hicksville 3-2794J
Oh, Boy, that wonderful day is here. School has started! After a long-drawn, hot summer that I never thought I'd survive, it has finally arrived.

Didn't all the kids look wonderful, though, their shiny, eager faces above their "Sunday Best" clothing for opening day?

No, Mrs. Vryn, that was not a tear in the corner of my eye as I kissed Holly, Iva and Yola goodbye. I have a cold or hay fever or something. I'll admit I was kinda lonesome just having Paul, Shellie and Steve around. (Special note to new readers—I'm only blessed with Holly, Iva and Paul; the rest are neices and a nephew.)

Looks like there will be quite a few blessed events around here in the very near future. Will let you all know in the order of arrival.

The Sheppards of Cottage Blvd., arrived home after spending two weeks in Maine with Dick's parents. They stopped off to visit with friends for a day in Boston on the way home.

Marge Gangie of Lee-Ave., had her mother and dad out from the city for the weekend.

Andy Laza of Lee Ave., is a mighty busy man these days; he's building a garage. Keep your chin up, Andy, hard work never killed anyone.

Say, how in the devil do you get rid of a real land cricket? When we first moved here three years ago, there was one here to welcome us in our basement. It drove us crazy and it got to the point where I was ready to pack up and

run back to the city when suddenly it disappeared. It seems that he (or maybe a cousin of his) is now residing in our basement. Of course, he is at his best nightly. During the day he is just a soft alto but his nocturne is rendered in loud soprano. Me and my problems—I never seem to be without any of them.

The Stanley Svobodas of Lee Ave., have moved to Mass. Lots of luck in your new home; we'll all miss you.

The Woodleys of Cottage Blvd., had dinner guests Saturday—Mr. and Mrs. Derna from New Jersey. Things have been slow round these parts; everyone has been getting the youngsters ready for school. I've starched and ironed and sewed for two full weeks. Oh, Iva, you just spilled your milk on

NORTH EAST REPORT:

Back To School

By Lee Chanis Hicksville 3-6853R

Yesterday marked a very exciting day for most of our younger set as the public schools opened for the new term. Everyone seemed sager and excited about getting back into the old routine again. Of course, we parents with our concern for the overcrowded conditions last year, sincerely hope that the opening of the new schools will ease the situation.

Mrs. Dorothy Ryan of Libby Ave. entertained her family from Pennsylvania recently.

Linda Keller of 15 Willet Ave. was 3 years old on Aug. 29.

The George Lutz family of 2 Mabel St. entertained relatives from Mount Vernon, N.Y., for a 5-day holiday.

AWARDED CONTRACT

that clean dress. There is no rest for the weary.—Someone said the "wicked."

If you haven't seen the Lee Ave. School, you really missed something. Plan to visit it soon; I'm sure you'll get the same thrill I did.

Hey, how about some news?

Miss Bruckner, Shower Guest, To Enter Home Missions Order

Miss Leona Bruckner, daughter of Mrs. Mildred Bruckner of 120 Broadway, Hicksville, and the late Francis Bruckner, was the guest of honor at a Communion Breakfast held Sunday, Aug. 31, at the Alibi Restaurant following the 8 A.M. Mass at St. Ignatius R C Church. The breakfast was sponsored by the Blessed Virgin Sodality and the Legion of Mary.

Miss Bruckner will enter the convent on Sept. 8. She will enter the order of Our Lady of Victory Missionary Sisters at Victory Noll, Huntington, Indiana. Our Lady of Victory Sisters, founded in 1922 by Bishop Noll of Huntington, Ind., is a social service order. They teach religious subjects to Indians, Mexicans and neglected children of rural areas. There are about 300 sisters in the order serving in 55 home missions.

Miss Bruckner is a graduate of St. Ignatius School, Hicksville, and Bishop McDonnell Memorial High School, Brooklyn. She has been employed as a secretary to a social service worker in the Children's Court in Brooklyn for Catholic Charities.

A shower in honor of Miss Bruckner was held Friday night, Aug. 29, by Miss Geraldine McGunagle at her home, 66 Park Ave., Hicksville.

The guests were: Margie Looney, Betty Gattings of St. Albans, Ce-

Nick Economouly Takes Bride

Miss Riva Isaacowitz, daughter of Mr. and Mrs. Murray Isaacowitz of Lawrence, became the bride of Nick Economouly, son of Mr. and Mrs. George Economouly of 8 Herman Ave., Hicksville, during a ceremony in New York City, on Friday, Aug. 28.

Samuel Levitt and Mrs. Geraldine Levitt, both of Hicksville, were best man and matron of honor for the couple.

The bride is a student at Adelphi College and a nurse's aide at Meadowbrook Hospital. The groom is a teacher, of history and English subjects at Levittown High School.

A meeting of the J.W.V. Auxiliary of Hicksville will hold a meeting Tuesday, Sept. 16, at the Temple on E. Barclay St., Hicksville, at 8:30 P.M. The following new members will be welcomed: Ruth Alper, Lorraine Spector, Fanny Skojnick, Bernice Weiss, Miriam Schneck and Stella Markowitz.

Joan Dooley Becomes Bride Of Martin Gibbons At Mass

Miss Joan Dooley, daughter of Mr. and Mrs. John A. Dooley of 206 West Marie St., Hicksville, became the bride of Martin D. Gibbons, son of Mrs. Martin Gibbons of Westbury and the late Mr. Gibbons, Saturday, Aug. 30, at St. Ignatius R. C. Church Hicksville. The Nuptial Mass was said at 10 A.M. with the Rev. Thomas M. O'Brien of St. Michael's Church, Bayridge, a cousin of the groom, officiating.

The bride wore a gown of white lace over satin fashioned with an off-the-shoulder effect neckline and long sleeves. The full skirt ended with a train of tulle paneling. Her fingertip veil fell from a scoop bonnet of lace and seed pearls. She carried white orchids on a prayer book.

Mrs. John Donegan of Oyster Bay, sister of the bride, was the matron of honor. She wore a maize gown with a lace bodice and a net skirt. She wore a large picture hat in maize and carried an old-fashioned bouquet of maize and orchid gladioli.

The bridesmaids were Miss Cecile Ostermann of Westbury and Miss Catherine Gibbons, sister of the groom. They wore orchid gowns styled with lace bodices and net skirts. They wore large picture hats in orchid and carried old fashioned bouquets of orchid and maize gladioli.

Miss Sheila Dooley, sister of the bride, was the junior bridesmaid. She wore a gown of orchid net and lace and a picture hat in orchid. Her old fashioned bouquet was of orchid and maize gladioli.

The best man was John Wagner of Flushing. The ushers were John Donegan of Oyster Bay and Patrick H. O'Brien of Elmhurst, a cousin of the groom.

A reception for about 110 guests was held at Reinhardt's Restaurant, Bayville.

The couple is now honeymooning in the Poconos.

The bride is a graduate of St. Dominic's High School, Oyster Bay, and Berkley's School, N.Y.C. She is employed at the Carroll and Sullivan law offices, Hicksville.

The groom is a graduate of Brooklyn Prep and Fordham University.

BRIAR PARK, PLAINVIEW:

Our Youngsters Do Fine Thing

By Ethel Rooney HI 3-5324
The parents of about 25 children from Plainview should be very proud. These youngsters gave a show for the benefit of Cerebral Palsy victims and collected a total of \$40. One hundred and thirty-six people paid admissions of 5¢ each to see the show. The balance of the money came from dimes and quarters collected by these hard working troupers. Unfortunately, I couldn't get to see the show myself, but I've had so many wonderful reports on it, I had to pass them on. The show consisted of acrobatics, dancing, group and solo singing, and as I said, the reports from the audience was enthusiastic. Thanks are also to be given to Dan's Super Market for the generous donation of drinks and cookies. Most of the refreshments served were donated by them. In these times when all parents worry about Juvenile Delinquency, it is a good feeling to know that with just a little adult guidance, youngsters can be as useful and productive as these children were last Friday.
Can you spare half hour next Tuesday evening to join some of your neighbors in a Rotary for Peace? This coming Tuesday the

meeting will be held at the home of Mrs. Jean Dennis, 22 Nassau Ave.
Pat Duran celebrated his third birthday last Wednesday, Aug. 27. It was a very quiet celebration and little Patty is one year older now. They grow too fast for my comfort.
The first meeting of the Plainview Civic Assoc. this season will be held at 8 P.M. at the Manetto Hill School on Tuesday, Sept. 9. This should be an interesting meeting as a number of guests have been invited to speak—namely, representatives from Water Commission, School Board, Fire Department, Town Council and Highway Superintendent. Several have already accepted the invitations and most of them are expected to join us at our meeting.
The ladies of the Plainview Amvets Auxiliary are holding their monthly meeting just before you get this paper. They will be voting for their permanent officers and probably doing something about getting their charter as they now have sufficient membership to do this. How about you ladies? Wouldn't you like to join us? You'll read of the announcement of the next meeting in this column in about two weeks.

Plainview Civics Meet Sept. 9

PLAINVIEW — The first full meeting of the Plainview Civic and Community Assoc. will be held Tuesday, Sept. 9, at the Manetto Hill School at 8 P.M. It was announced by President Norman Riley of 62 Virginia Ave.
All residents of the community are invited to attend the introductory session of the new association which is an incorporation of small neighborhood civic groups. Guest speakers invited for the meeting include members of the Oyster Bay Town Board, Plainview Fire Commissioners, Plainview School Board members and the Plainview Water District Commissioners.
The Civic Assoc. will seek the

establishment of a Plainview water well to replace the present system of buying water from the Jericho Water District. A Plainview Park and Parking district, improvement of the roads and adequate street lighting are among the projects planned for the year.

PLAINVIEW COUNTRY HOMES:

Plenty Happening In Our Area

By Rae Cantilli
There certainly has been a lot doing here in Plainview this past week.
Across the street at 14 Island St., the walls were fairly bursting at the seams. It was the big day of Baby Steven's christening and the open house afterwards. Over 100 people attended the celebration. The actual christening ceremony took place in St. Ignatius R. C. Church, Hicksville, with Ruth's cousin Father Frank Concannon of St. Mary's R. C. Church, Manhasset, officiating. A big celebration for a real cutie pie.
Congratulations to Tom and Ginny Payne, of Island St., on the birth of their third child, Carol, who was born Labor Day at Mercy Hospital, Rockville Centre, and weighed in at 7 lbs. 8 ozs. Mother and daughter doing fine. Tom and Ginny have two other children. Tommy who is 4 and Janie who is 2. Congratulations and all the luck in the world.
Happy birthday to Alece Myrick of Island St. who will be six years old this week. I hope you have a very wonderful birthday.
I went over to the MacIntoshes house, Sunday night, apartying, and had a really wonderful time.

Lee and Laura Baker of Eldorado, Jack and Kay Dowling of Blanche, and Warren and Margo Pursley of Blanche were there from the Plainview Country Homes, as well as Norman and Barbara Riley of Virginia Ave. and Alfred Barbatto of Freeport. Of course, those lovely people, Vera and Pete MacIntosh were the very best of hosts and hostesses.
Your Parent-Teachers Assn. assembles again on Thursday, Sept. 11, at 8 o'clock at the Manetto Hill School for the beginning of another School year. Anyone can join the P.T.A. I would like to impress that fact. YOU DO NOT HAVE TO HAVE CHILDREN IN SCHOOL. IN FACT YOU DO NOT HAVE TO HAVE CHILDREN AT ALL. Anyone who is interested in the children of Plainview is welcome to attend. At every meeting, there is always an interesting program of some kind presented. So come down on Sept. 11.
If I don't have a column in for the next few weeks, it will be because of double pneumonia or something as desperate. I was one of those lucky people who marched in the Fire Dept. Parade on Labor Day. I never was so wet before in my life. This was my first parade since joining the Fire Auxiliary Plainview Fire Dept. It was a real initiation. One which I will not forget quickly.
Don't forget our Civic Assn. Meeting on Sept. 9 at the Manetto Hill School at 8 P.M. Information

will be found elsewhere in the Herald.
The Celebral Palsy Show put on by the youngsters here in the development is also appearing in another column. Something like that deserves to be set aside by itself.
Keep that news coming in. I appreciate it very much.
See you again!

AMVET MEETING
The Plainview AMVETS, Post No. 11 will hold their regular monthly meeting at the Manetto Hill School on Wednesday evening, September 10th, at 8:00 P.M. Points of interest to all veterans will be discussed. All veterans are invited.

Business Zoning For Plainview

OYSTER BAY—A public hearing upon a proposal to change residential property in Plainview to a business zone will be held Tuesday, Sept. 16, in the Town Hall here at 10 A.M.
Nicholas A. Piccione and Sal J. Piazza will request the Town Board to rezone property on the north side of Old Country Rd. about 132 feet west of the intersection of Old Country Rd. and Central Park Rd.

VISITORS FROM N. J.
Mrs. F. Ziegler of Garfield, N. J., spent two weeks with her brother and sister-in-law, Mr. and Mrs. Frank Pavlicek of Belmont Ave., Plainview. Anna and Mary Pavlicek returned with their aunt to visit Mr. and Mrs. Robert Ross of Fairlawn, N. J. The girls' spent part of July visiting their grandparents, Mr. and Mrs. John Karlecke of East Patterson, N. J.

Local Kids Put On Terrific Show

By RAE CANTILLI
One of the most heart-warming and wonderful things that has happened in Plainview since I moved here, took place last Thursday afternoon in the backyard of Mrs. Fenecke of 34 Island St. At that time a group of youngsters ranging from about 4 to 16 put on a terrific show with the entire proceeds going to the Cerebral Palsy Fund. The kids not only put

on the show, but delivered mimeographed announcements of the show, and sold tickets at a nickle a piece from house to house.
The idea was started by young Marilyn Imerdolph, and put together under the direction of very capable Mrs. Ethel Geigetter of Island St. Refreshments were by Mrs. Gleason of Island St., and the use of the yard was donated by Mrs. Fenecke. The attendance was about 136 with over \$40 collected for the Cerebral Palsy Fund. Young Harry Woodworth was responsible for \$11 all by himself, and if you figure out that the proceeds were only a nickle, you can imagine the work this young fellow did.

The show itself included: Trapeze Act, Marilyn Imerdolph and Gale Dowling; Plainview Six, Cathy Dowling, Jackie Dowling, Geraldine McMann, Jimmy Sharkey, Eileen Gleason, Arlene Gleason; Song by Jimmy Sharkey, "Liberty Bell," Accordion Solo, Rosanne Atchue; Song, Carime Dellacroe, "Home on the Range"; Acrobatics, three man pyramid—Mark Gallagher, Jimmy Sharkey, Geraldine McMann; Acrobatic, Jackie Dowling, Mark Gallagher, Jimmy Sharkey, Cathy Dowling, Geraldine McMann, Glen Geigetter.
Dust, Jack Dowling and Arlene Gleason "Walking My Baby Back Home"; Trapeze Act, Gale Bleil.
The Master of Ceremonies was Richard Shellhemmer. Ticket sellers at the entrance were Harry Mayors and Harry Woodworth.
The efforts of these children can certainly make quite a few adults stop and think. I hope that the kids will have another show

real soon and a lot more people will open their hearts and pocket-books for a wonderful cause that can mean so much to so many little children who suffer from this terrible affliction. No Commercials On His Radio

By CRAIG WALSH

Once upon a time a man went to a symphony concert and reported that he didn't like it. He said, "The music was too high pitched, the violins were too tiny, and the horns were too brassy. And there were some low notes that I never heard before". He said these things because he was used to ordinary commercial radios which reproduce music only partially to give it a new and poorer interpretation.

Many of us are dissatisfied with the way our radios sound, and Sanford C. Hanscom (his friends call him Sandy) of Spindle Road has done something about it. He has collected some of the finest radio and audio equipment available and has built some himself as well. His wife, Marge, was very patient with him during the collection and assembly period and now she is very happy that she was.

SANFORD C. HANSCOM

Results are an almost unbelievably true reproduction of music, and all the equipment is housed in a very attractive cabinet. All the instruments sound as they really should. The violin is reproduced with a purity of tone that is beautiful to listen to. The piano,

one of the most difficult of all instruments to reproduce well, is practically indistinguishable from the original, even to a trained ear. It is easy to agree with Sandy when he says it was worth all the time, money, and effort he put into it.

In addition to all this, there are a number of interesting features about Sandy's apparatus. First of all he replaced the television receiver that came with the house, with a high quality receiver with a 21-inch picture tube. But that wasn't enough. He installed a remote control so that he could relax on the sofa and pick out his program without leaving his comfortable position. He also has a pair of wire recorders, rebuilt to suit his ideas of high quality music, so that he can see his favorite television program and on at the same time, he records it and listens to it later.

NO COMMERCIALS

One of the nicest things he has, and many of the rest of us would like it too, is an automatic commercial "turner off". When the music stops, the loudspeaker is silenced before the commercial starts. When it ends the loud speaker is turned on again. So the Hanscoms can have continuous music without the annoyance of frequent commercials.

Sandy's interest in radio and musical reproduction go back to his junior high school days out in Minnesota. And when he was in his senior year at the University of Minnesota he was the first undergraduate permitted to take the graduate course in radio engineering along with the regular senior course which was a snap for him. He finished his schooling during the late and unlamented depression, and like many of us it was sometime before he found himself working in the field of greatest interest. When his present job was offered to him he jumped at it. He is now audio engineer at the Signal Corps Photographic Center in Long Island City and he devised many of the unusual methods for the reproduction of sound in films. He is mainly concerned with the production of training films for the armed forces, not only of our country, but also for many countries allied with us in the Atlantic Pact.

In addition to the high quality reproduction of music, Sandy also spends considerable of his time on making photographs. He owns several fine cameras and his pic-

Weather Fails To Daunt Swimming Contestants

Undaunted by overcast skies and cold winds, nearly 150 future swimming and diving champions competed in the First Annual Levittown Swim Festival under the auspices of the North Levittown Homeowners' Assn. on Sunday.

Competitors representing each of the nine Levittown pools swam and dove for a bicycle, trophies and medals provided through the generosity of local merchants and businessmen. Although the competition was keen, all the entrants selected by the lifeguards at the pools did not show up, apparently scared off by the threat of rain. A throng of over 700 spectators braved the threatening weather to cheer on their favorites.

Azalea Road Pool, with 26 points, won the unofficial team title. Carman Ave., Pool was second with 23 points, with Levittown Parkway Pool third with 20. Arthur Zimmitt of Parkway pool won the bicycle in the featured 75 yard individual Medley in the good time of :56.8. Sandra Smith of Azalea Road was individual high point scorer with two firsts and a second.

tures attest to his skill. He also raises flowers and is especially proud of his roses. He also enjoys model railroad-ing and at one time built a system that was placed on display in the window of a hobby store.

Whenever there is a neighborhood picnic Sandy is usually found presiding over the charcoal fire and Marge says he is an accomplished cook and can bake a cake that would make most housewives turn green with envy.

WORTH EFFORT

It was during this time that Sandy's equipment and tools were to be found all over the house and he would spend all of his spare time getting things to work the way he wanted them to. The re-

The SENTINEL

'Teen-Age Problem and Juvenile Delinquency

There has been a general tendency to confuse the "teen-age problem" and juvenile delinquency. The "problem" is growing youngsters at loose ends in the community. Juvenile delinquents are those youngsters at odds with society. Certainly, it should not be assumed that our youth programs are planned for boys and girls who are all potential delinquents!

There, But for the Grace of God, Go!

Adults plagued by noisy, rough-housing youngsters should try to remember their own youth. Drastic police action is seldom justified. A prominent civic leader recently admitted to the following: "punching" apples from fruit stands; breaking windows for the sheer hell of it; letting air out of tires because the car-owner habitually parked on third base.

Solving the 'Problem'

It is fervently to be hoped that out of all the present discussion some tangible, acceptable programs will be evolved, and that those who evolve the programs will then take the time and make the effort to implement them.

The Summer Doldrums

Dearth of activity has a bad effect upon growing youngsters; dearth of news a bad effect upon newspapers. Last week, one of the neighboring weekly newspapers printed news articles twice; the other had been filling its pages with the 'teen-age problem'.

Fate of the Hall

Levittown Hall seems to have replaced the swimming pools as the property we must protect from appropriation by another community. Except that the protection is being extended by the LCC instead of the NLHOA, it's the old familiar routine—the LCC president is an NLHOA member.

Tax-Exempt Property?

There are rumors that the Hall is tax-exempt property. If that is the case, there must be on record a complete statement of ownership and intended use, to provide a basis for exemption. Usually only the properties of non-profit organizations are exempted. It is an interesting angle.

Swimming Pool Committee Report

The Swimming Pool Committee reports "Before registration and subsequent arrangements could be completed, the pool was the scene of overcrowding, blanket parties and rowdiness. Such conditions, if continued, would have created a general amusement park atmosphere with the usual litter and property damage. The attendants, employed by the committee, stationed at the gates have kept the pools healthful safe and enjoyable for those rightfully entitled to use them."

The Committee also reports that it had on hand as a balance from 1951 the sum of \$793.81. It does not explain why it did not utilize this money to employ guards immediately, when the pools opened.

As reported in the HERALD, conditions at the pools were very bad during those early weeks of Committee administration. They continued to improve, however, as the season progressed. Towards the end, strict safety and health regulations were being enforced, when they were questioned by one swimmer, the SENTINEL was blamed.

If the SENTINEL was actually responsible, directly or indirectly, for improvement of conditions, his critical comments served their purpose.

The Schools Open

As far back as 1950, schools were a "hot" subject in this area. The SENTINEL recalls with distaste an August meeting on the Baird

Wishing Lane Costume Party

BY FLORENCE VRYN
LE 9-6497

Back in the old routine? After a day of school, it doesn't seem as if there ever was a vacation. Hope you all had a nice Labor Day. As one of my more cynical neighbors observed, she enjoyed the nasty weather because it kept so much company home, where they belonged. We went to see the parade and were the firemen wet! We had a nice dry spot in front of the Peter and Wendy Shop. They were nice enough to leave the awning down. The kids demanded the usual quota of nicknaks and watching the hands kept them amused between peddlers. One of the women asked why the silver trumpets filled with flowers were carried by some companies. The explanation I was given was that the trumpets were used years ago to shout orders to the men, and they are carried only by those departments which were started years and years ago.

We went to the block dance Saturday night and the music was fine. Hope you were able to make it. There were quite a few Latin American numbers played and surprisingly enough the teen-agers have the dances down pat. Some of the kids were wonderful to watch and if you missed it remember next year.

Fran Giuliano of Story Lane called me and told me she has new neighbors, the Hoffmans—Betty, Deag, and the children are Joan and Wallace. Nice to have you here and we hope you enjoy our town. If there is anything we can do for you let us know.

Hey, Irving Friedman of Wishing Lane, is it true? The whole gang had a party Saturday night and they came in costume . . . and Irv was eating a pickle and he kept saying to his spouse "Honey, I'd like some strawberries." He was dressed to fit the part, and I use the word fit loosely (it was a loose fit) and I will make no more puns about the whole thing but continue with my story. Cella Larkin was dressed as a flapper, complete with knee length dress long pearls, and cloche. Fran Larking came as her girl friend, in one of the very chicest black gowns we've seen. Ann and Don Wilson were dressed as two tots ready for bed, Ann in King size Dr. Denton's and Don in a ruffled flannel. Ann's pj's were only king size for Dr. Denton's not for grown-ups . . . for Ann is a slim twelve. Rose Friedman came as Daisy Mae. You should have seen Tommy Hennessy as a boy scout complete with his flag from Troup 8. Tommy's outfit was really king size for Tommy is a big man and to get a uniform to fit him was some achievement. Phy. was a geisha girl and her costume was lovely, and the whole gang howled all night at her permanently startled look. She had the longest eyelashes ever seen in these parts, painted on so that even when she closed her eyes the eyelashes were there. Helen Tompkins was a cave woman with her topknot festooned with the latest thing the stone set were wearing to the cave warnings, bone clasps and pecklace to match. Charlie Tompkins came as "Time to Retire" night cap, pajamas candle and all. He even carried the tire around his neck. (But Charlie, you weren't giving your all for art, you should have yawned to make it authentic.)

With all the laughing no one could keep a straight face long enough to do any thing much less yawn so I guess you're forgiven. Ruth Lloyd was a refugee from Skid Row and Bill Lloyd was a bearded Arab. The refreshments were in Tompkins garage and to clear the picture, the Friedman's, Tompkin's, and Brown's live on Wishing Lane and the Larkin's, Wilson's, Lloyd's and Hennessy's live on Scooter Lane. Their houses are back to back and they have some sort of a party at the beginning and end of summer. Before I forget, Chicky Brown was dressed as a gypsy and George was the pun of the night as a Russian general

in complete uniform with a sign proclaiming his name "General Big-Itaky." It was a wonderful party and maybe it will give one of the organizations in town an idea. It could be fun for a much larger group as well.

I was very sorry to hear of Harry Woodruff's accident and I know his many friends will be too. Harry fell from the roof of a house he was working on and broke his hip. Send some get well cards to him at 156 Spindle Road.

Don and Ginny Miller just got back from that camping trip I told you about last week but Ginny said Don's parents kept the children. Don and his scouts went to Twin Island Lake in Pine Plains, N.Y., for their outdoor camping activities. The boys did some canoeing, fishing, hiking and of course swimming. They stayed eight days. The boys who went were Tilden Riley, Victor Neisak, Alex Andejevsky, Michael Andejevsky, Michael Fuchs, Louis Lombardi, and Billy Evans.

Labor day weekend was the time for block parties! I guess because they had one over on Sleepy Lane too. It was the first time they tried it and it worked out so well maybe they'll do it again next year. The kids had a feast early in the evening and then after they were packed off to bed the grown ups had a wonderful time. The Comaughtons, Henning's DePaoles, Whites, McCormicks, Lewis, DeMers, both Norrises, Scofield's, DeRoses, Bruntens, Moores, and Oltakys all had a wonderful time. There was music and refreshments and the kids are getting an extra party Tuesday with the frankfurters and stuff that was left over.

Hope the kids enjoyed their first day back in school and you had a nice free day, after doing the dishes, making the beds, starching all the clothes they have to get back into, doing the floors, answering the phone, the door, and pulling the little ones who are still home off each others necks. Tell me, what do you do with both free minutes. Back to ironing for me and see you next week.

As Szendy Sees It:

Opinion on Levitt-House Matters
By a Levitt-House Owner

A 'Protest' Meeting Of 1950

How large a percentage of those who live in this area previously lived in New York or other cities could only be ascertained by extensive research. It is probably true that a good many escaped to Levitt houses from the crowded conditions and high rents of city living.

City life, especially life in New York City, is almost entirely devoid of citizen participation in governmental services. The apartment dweller has little direct contact with them, even from the receiving end. The "superintendent" is his buffer and intermediary; or the landlord, who pays the taxes and the water bills.

It is not surprising, therefore, to find in the newer communities springing up around New York City, unfamiliarity with governmental processes and services among newly-arrived residents. This unfamiliarity, added to the natural preoccupation of the new owner with his own problems, makes him an easy target for the organizer of petition-circulator.

It may seem at the time a little strange that anyone should have the time to marshal community backing, to organize meetings and circulate petitions, but if the objective appears reasonable and in the general interest of the newcomer, he attends, or signs. From there on he may find himself unintentionally committed to the leadership he inadvertently endorsed by his presence, or signature. It was a "protest meeting of 300 citizens," or, "a petition signed by 1400 residents in this area," which demanded this or that, the newspaper reports (as per news release conveniently furnished), and the organizer has a following—at least so it seems. During that early period most petitions presented by a person who bought a house from the same builder are

signed unread, in a spirit of gregarious friendliness.

In retrospect, much of our early community action seems to have gotten organized in that fashion. As we look back there were, however, some curious aspects to it; it was unreasonably anti-Hicksville at a time when none of us had experience to justify animosity; the "issues" pressed seemed to many built-up out of all proportion; and a major leader and organizer was Charles C. Miller.

Many will recall the fire-on-Fork-Lane incident and the subsequent "protest" meeting to which all were invited. The Hicksville Fire Department had been accused of receiving a call to a fire on Fork Lane, and of neglecting to answer the call. Those who attended heard the Department denounced. With some difficulty the fire chief got the floor in his own defense and was subjected to rigorous cross-examination calculated obviously to trip him up, not to elicit information. Some who rose to protest were ruled "out of order"; others were prevented from speaking because they were not paid-up members.

This was the early meeting of the NLROA.

Shortly after the meeting Mr. Miller was a candidate for Fire Commissioner. He was defeated.

BICYCLIST INJURED
LEVITTOWN—Robert Bernardi, 9, of 56 Pelican Rd. hurt his left foot but refused medical attention when the bicycle he was riding and a 1947 Dodge driven by Thomas Leap of 19 Kingston Ave., Hicksville, collided at Orchid Rd. and Skimmer La. on Aug. 22. The front end of the bicycle was damaged.

The SENTINEL

(Continued From Page 11)

Jawn on Summer Lane, when he and others were told that, unless forthright action were taken, there would be no schooling that fall for Levitt-home children in the Hicksville area. Direct inquiry quickly proved that would not be the case, and that strenuous efforts were being made to accommodate all.

This year a new school has opened on Lee Avenue, the first of five under construction. The SENTINEL deems it an excellent building, one of the finest elementary schools on Long Island. Visit it, and judge for yourself.

New Community Facilities

The new Lee Ave., school in Hicksville has an excellent combination cafeteria-gymnasium-auditorium, with a good stage equipped with footlights and borders. It is inevitable that it will be extensively used for community activities in Hicksville.

Adult Education—Square Dancing

The Hicksville adult education program recently announced included one subject which should be of special interest to the young couples in this area, square dancing. Frank Kanopeck, a professional square dance caller, will be the instructor in charge. The group will meet on Wednesday evenings, probably at the Lee Ave., school. The fee is \$3 per person.

Girl Scouts Make Appeal Sept. 28

By Dorothy Guelpa
Hicksville 3-1218-W
Midnight lunch hour at Grumman hit us with a bang last week as lights were installed so the men can play baseball on their free time. We woke up in the wee hours to "We Want a Hit." Such ambition in the middle of the night yet.

The card party sponsored by the Rosary Society of St. Martin of Tours Church will be conducted this

Thursday, Sept. 11. There will be no progressive playing and prizes at each table will be of equal value, according to Mrs. Ruth Armstrong president.

The Theodore Roosevelt Republican Club will hold a dance on Oct. 11 at the clubhouse on Washington St.

Mrs. Dorothy Guelpa was hostess at a Stanley Hostess party last week. Mrs. Ruth Gaipman of Elmhurst was the demonstrator. The guests were Frances Gest, Kay Burkholder, Mary Galvin, Ruth Armstrong, Helen Schumacher, Helen Buccheri and Joan Dick.

The Rosary Society of St. Martin of Tours Church will hold a Communion Breakfast on Oct. 5 at 10 A.M. at Anselmi's Restaurant.

Registration for the Bethpage Adult Education program will be held Sept. 9 and 10 and a large turnout is expected. Most fees for the course are \$1 but a few are slightly higher because of extra materials needed.

PLAN SCOUT DRIVE
A meeting of the Girl Scout Town Committee was held at the home of Mrs. Charles Campagne Stewart Ave., on Aug. 25 when plans were completed for a financial drive.

A door-to-door canvass will be made of the community on Sept. 28. Letters explaining the need for the funds and what the funds will accomplish will be distributed prior to the drive.

No special drive for funds has been held here for the past several years, according to Mrs. Elizabeth Jens, Town Chairman. "The need

To Give Course On Insurance

BETHPAGE—Lawrence McCaffrey, Clarence Rauter, Bill Benetendi of Hicksville and John Nees of Plainville will conduct a ten-week course in the Adult Education Program here on "Insurance for the Layman."

The non-technical class promises the student a keen insight into the field of insurance and begins on Monday, Sept. 15 at 7 P.M. Registration dates are Tuesday and Wednesday, Sept. 9 and 10, at the Broadway School.

START FIRST AID

BETHPAGE—An elementary first aid course will start Monday night, Sept. 15, at the new school building on roadway, here according to Arthur Bunce, director of the Adult Education classes.

is great and we hope the collection will be large."

The Girl Scouts and Brownies will leave Friday afternoon for their annual weekend at Camp Edey in Bayport, from Sept. 12 to 14. They will make the trip in one of Mr. Campagne's trucks and about 20 adults will accompany the girls.

Loretta Buccheri of 7 Center Court is recovering from a severe case of the virus. Her mother is trying to sell an 18 cubic foot upright freezer. It looks big enough to store 4 or 5 bodies. Call her if you're interested.

Harry Armstrong of 3 Center Court flew in from Calgary, Canada, for Labor Day week-end and left behind him 12 inches of snow.

San County are, presently, greatly concerned with school building problems in addition to other administrative or routine matters. Greatly increased enrollments bring a resulting multitude of problems ranging from the selection of trained personnel to matters of finance.

"What other powers or duties does the Board have?"

"The Board of Education sets policies regarding the school system. The Board hires principals, teachers and other personnel; approves the school calendar; decides salaries of all employees in accordance with the mandated provisions included in the law. Special district meetings are called by the Board. Usually the . . ."

"What are special district meetings for?" interrupted John.

"They may be held to elect a Board member to fill a vacancy due to death or resignation. A special district meeting may be called to vote on moneys to purchase school sites or for building construction or transportation. This type of meeting may be called to change a district from a common school to a union free. Usually the Board delegates authority of an administrative nature to the Superintendent or the Principal."

"How often does the Board meet?"

"The regular meetings are usually held as often as once each month. Other special Board meetings may be held once each week or when necessary."

"Certainly, interested citizens are always entitled to attend Board meetings. If the Board wishes to discuss confidential matters it can go into executive session and request that visitors leave the meeting. However, a Board of Education is required to take formal and final action at an open meeting."

Seek Data On 6 Reservists Here

MINEOLA—The Nassau-Suffolk Air Force Reserve Survey currently underway at 300 Old Country Rd. here, needs immediate information on the present addresses of a few of its 3,000 Air Reservists in the two counties who can't be located.

The "missing" Reservists must be contacted before the Survey ends Sept. 13 in order to bring their records up-to-date and give the Air Force an accurate look at its reserve manpower.

It has nothing to do with a recall program but is designed to let the reservist know exactly where he would stand in the event of total mobilization. It's to his advantage to report any change in his physical, educational, job or dependency status.

Any information as to the whereabouts of the following reservists should be phoned or mailed to the Survey headquarters here, Attention: Locator Section. Telephone: Garden City 7-0481: George E. Between Duffy And Old Country: Christmas Just Around Corner

Hi Folks: Hope you all had a wonderful Labor Day Weekend. Winter must be just around the corner, for I hear my daughters and their playmates discussing what they want for Christmas already. Remember WAY BACK when Christmas never seemed to come—now it seems to come too quickly.

Mr. and Mrs. W. Kowalski of McAlester Ave. were blessed with a girl on Aug. 23. Congratulations to the happy family. Tommy Sherry of Meade Ave. will be 10 years old on Sept. 4. Diane Levix of McAlester Ave. will be 2 years old on Sept. 8. Mr. and Mrs. R. Wood of 16 Cornwall Lane had a Dinner Party last Saturday evening, Aug. 30, for their neighbors. Those ladies and

gentlemen invited were Mr. and Mrs. Hugh Morrison, Mr. and Mrs. Z. Delrossa, Mr. and Mrs. E. Wayne and Mr. and Mrs. A. Bellacera. Mr. and Mrs. Wemofsky of 82 East Marie St., formerly of 124 Duffy Ave., gave their daughter, Helen, a surprise Sweet Sixteen Party on Aug. 23. Belated Birthday greetings to you, Helen. (Oh-to-be 16 again!)

Belated Birthday greetings to Sterling Harder and to his mother, Ann, of Meade Ave.

Those people interested in the ADULT EDUCATION PROGRAM should be sure to register either on Sept. 15 or September 17. I notice there are some interesting courses offered.

By HOWARD FINNEGAN

This being the time of this particular year that it is one would expect the local Republican Committeemen to be out beating the precincts for their candidates.

For the present, however, the GOP workers are out for softball talent for their big contest with the Oyster Bay Republicans which will be held at the outing at Ship's Yard, Oyster Bay, this coming Saturday.

It seems that the Oyster Bay interests have called the bluff on Hicksville's supposed softball powers and the locals are all fired up to answer that challenge.

Even Nassau County Clerk Ernest Francke, Hicksville GOP leader, has been urging that the better softball players of the area get out and uphold the honor of the Hicksville district.

Lou Kappstatter will be the manager of the Hicksville team. He has lined up a very fine crew whom we can vouch for as softball players.

As for their Republican status we leave that to our political writer.

The lines are drawn for the coming semi-pro grid wars.

While other clubs are scurrying around recruiting ex-college stars to form the backbone of its operations, Hicksville is quietly closing its ranks with old Field Club Alumni who have starred in successful campaigns of the past.

Already 17 players well-known to the Black and White's following have responded to the call of Coach Dom Sabatella. That is the most outstanding start the Field Club has made in the past four years.

The team got its big push this season at a meeting held in the office of the Mid-Island Herald last week and Coach Sabatella, in the absence of vacationing manager, E. Irving Jesser, conducted the brisk and productive meeting.

The return of Ray Halleran has started a parade of ex-players to the team. George Thomas, Ralph Straub, Gus Pconopouly, John Hogan and Lou and Emil Koj are just some of the outstanding performers ready to suit up.

The fine start should not indicate that Dom Sabatella isn't interested in candidates for he needs to fill out his club and can use linemen in particular.

The club practices Tuesday and Thursday nights and Sunday afternoons at the high school field.

Empire Diner won the regular season championship of the Hempstead Softball League for the third time in a row but that league, although its entry fee is a reported \$75.00, does not award a trophy for that honor.

The only way Empire might get something in recognition of its triumph would be if the proposed playoffs are not held because it is so late in the year.

In the light of things such as these, the softball program run by the Board of Education, under the supervision of Chet Jaworski, here in Hicksville was truly exceptional. It did not cost the contending teams one cent to enter and they had a fine summer of action.

Players still may retain their Rockville Centre championship, thanks to Teddy Smith.

After a five week layoff due to an operation, Smith took over from Ray Halleran after four outs were recorded against and proceeded to go the rest of the way without allowing a hit.

It was a combined no-hitter. A 2-0 victory. And what is most important produced a tie for the second half flag with Carlos Jewelers who dropped a 9-0 decision to the same Long Island Neon team the night before.

Hicksville has one contest left with the Hempstead Sports Center. A win there would force a playoff with Carlos for the right to meet Boulevard, first half winner, for the title.

A few weeks back we did a bit of straight reporting in stating that if Bernie McGunnigle retired as MGR of Botto, the influential votes of certain players would go to Jerry Kiesel.

That has caused quite a stir and we have been accused of trying to name the next manager thus putting those whose right it is to do so on the spot. If it is left to the players, which it may not be, those votes will still go to Kiesel, who in the final consideration may not even want the job and the duties that come with it.

To set the record straight we personally and editorially support no one at present. And it should be of little interest to the sponsors or the players.

After all the sponsor pays the freight and it is up to him to choose who should drive the engine.

SOFTBALL LEAGUE FINALE:

Hock, Kerbs Central Figures As PBC Captures Two Titles

HICKSVILLE—The PBC pulled down both the regular season pennant and the championship of the Hicksville Community Softball League over the weekend on the sturdy work of Bob Hock, Dick Kerbs and Ed Scott. In the rapid conclusion to the splendid program sponsored by the Board of Education, the PBC officially edged the Rockets 5-1 for the pennant trophy, won a 4-0 decision over the Post Office in the first playoff game and defeated Pine Lodge 4-3 for the title.

It was the climax on Sunday that proved the most exciting. Pine Lodge had held off the Rockets 11-8 to earn the final berth and quickly scored a run in the first inning off Kerbs.

Black singled and scored on a sharp belt by Zinzl. The PBC responded with four singles in the first inning. But the hits by Manaske; Kellner, Hock and Hartman could only get one run in.

In the second O'Mack and Gillies singled and the former scored on an infield out.

A REAL HOMER

Hock stepped up in the third inning and smashed a tremendous drive, against a strong wind; over the track in right field. He was two steps from homeplate when the ball was pitched up.

Kerbs worked nicely and the PBC went into the last inning to wrap it up but two big errors and hits by Ruggiero and O'Donnell tied the score.

In the last of the frame Hock singled sharply. With one out he dashed for second. The throw went into centerfield and Hock came all the way as the ball was bobbed there.

Scott was a standout in the series for the winners. He went three for three in the Rocket Clash and was excellent afield throughout.

PLAYOFF SEPT. 14

The first half of the season was won by the Cougars.

There will be a playoff between the Albatross and Panther teams for the right to meet the Cougars for the Little League title of 1962 at Thomas Ave. Field on Sunday, Sept. 14.

On Sunday, Aug. 31 members of all Central Park and Bethpage teams of years goneby met at the Bethpage State Park for an All-Star game before an exhibition game of all 4 teams of the Little League. The All-Time, All Star led by the dean of Central Park-Bethpage old timers Fred Berg (the slick southpaw of the early 1920s), and included such stars as Paul Miller, Fred Kramer, Larney McGunnigle, J. Agiesta, Dr. Melone, Pipp Miranda, Leo Nimzik, T. Rozzi and C. Rozzi, T. J. Donolli, J. Schiavetta, J. Cramer, T. Cramer, R. Cereoli, W. Cereoli, P. Curcio, D. Agiesta and C. J. Winslow.

Don't ask who won but the old boys had their batting eyes... even though they developed sea-legs circling the bases.

A. Mancuso, the Red Devil Manager, was there too and he coached at 3d base.

Umpires were V. DeFanis, C. Romacho, P. Ciccio and G. Bogel. The combination ball game between the Cougars and the Guardians was a full length game and nobody counted the runs because the big interest was the gate receipts. The Little League personnel thanks all those whose contributions helped to make the game a financial success and that all spectators will look forward to next year's game and will be a more colorful affair.
