ON BOOKS 11 YEARS:

# New Shopping Plaza Spurs Crossing Elimination Plea

HICKSVILLE—The annual campaign to interest the New York State Legislature in the elimination of grade crossings which are throttling the economic growth of the community is getting underway again with renewed vigor this week. Six Hicksville RR crossings have been approved for elimination by the State since 1941—12 years ago—but no funds have been appropriated to date.

With the State Legislature scheduled to assemble in Albany in January, the push for an appropriation for the project is revived each year in November. However, this year it is believed the interest is sharpened as never before with announcement of a 90-store shopping center on North Broadway and the continued pressure of north-south traffic along state highways through Hicksville.

**EXPENSIVE PROJECT**  
The local elimination, it is informally estimated, would cost about three million dollars since at least five crossings would be involved. Broadway and Jerusalem Ave crossings cannot be eliminated without also including in the program Marie St., Nicholas St., Bay Ave and possibly Old Country Rd. Another factor spurring interest in elimination, the Herald finds, is the urgent need for additional parking space in the area of the crossings for commuter and shopper parking.

Crossing elimination here has been a continuous effort of the Civic and Community Assoc. since its organization in 1946. Two years ago petition forms were circulated locally by the Civic Assoc. in an effort to stimulate action by the Legislature. This week new petition forms were available to supplement previous appeals and the support of other civic agencies is being enlisted in the campaign, according to William L. Geyer, Civic president.

The Business Men's Assoc. has repeatedly gone on record with State and Town authorities urging action on crossing elimination, according to Eugene Staller, president of the BMA.

Individuals and organizations assisting the effort to eliminate local crossings are being urged to write State Senator William Hulst Jr. at Port Washington, State Assemblyman John J. Burns at Sea Cliff, and the Public Service Commission, Albany.

KNEW LAND DONOR:

## King Came To Protectory As Boy Way Back When

HICKSVILLE — The development of the former St. John's Home and farm at a \$25,000,000 shopping centre spread over almost 140 acres off North Broadway is being watched with particular interest by George King, who has spent most of his childhood and all his adult life right on the scene.

Sixty-two years ago, in 1890, the property for St. John's Protectory was deeded by Bernard Earle, a realtor of his day, to the Catholic Diocese. Mr. King, as a boy of 12, came here in 1892 as one of the orphans. Four years later he started to work for St. John's home and was continuously on the job thereafter.

**KNEW LAND DONOR**

Mr. King made his home on this site even before the chapel and barns were erected. He knew Earle, the donor of the property.

Produce raised at the farm on both sides of Broadway was shipped, along with milk and dairy products, to the St. John's and St. Joseph's Homes in Brooklyn. For many years there were about 200 orphan boys at the protectory here. The older boys worked on the farm and tended the herd of 60 cows.

Mr. King still has his auto driver license which he obtained when he got an Oldsmobile runabout in 1906. It is a thin metal plate, larger than a silver dollar, bearing No. 56882.

In those days the law required that the metal tag be fastened to the vehicle. It was up to the car owner to provide his own improvised front and rear plates bearing the same number as the tag.

Mr. King over the years was progressively carpenter and painter and engineer at St. John's home. It often became his assignment to transport the late Father Lawrence

GEORGE KING

Fuchs, for many years pastor of St. Ignatius, and the other priests to the home property for masses and services at the chapel.

**INCIDENT OF LUNATIC**  
There are two men who have a vivid recollection of the day a madman got off the train here and almost murdered Charles A. (Gus) Hafner of Field Ave. It was Mr. Hafner's first day on the job, in the early 1920s, as constable. Today he is a court marshal of the county.

When the evening train arrived on that day, word quickly got around the small town that a powerful escaped maniac had "arrived" and was racing towards Jericho. Hafner took up the chase and cornered the madman in a classroom at St. John's home. The lunatic turned on the new Constable and

## 200 At Kiwanis Charter Night

SYOSSET — The Kiwanis Club of Hicksville held its 16th annual Charter Night dinner dance at the Stockholm, here, Saturday.

The affair honored Charles Montana, club president. Also in conjunction with the affair, Mrs. Walter F. Stillger and her son Dr. Walter M. Stillger were presented with a scroll in memory of the late Past Lt. Governor Walter F. Stillger, who was an ardent supporter and builder of the Club and the community.

Among those present were Mr. and Mrs. Lonnie Kittle of Amityville, present district Lt. Governor; Judge Joseph Lebkuucher, and Mr. and Mrs. Henry C. Brengel. Also present were members of the Lions and the Rotary Clubs.

Two hundred Kiwanians, wives and guests attended.

## For Scholarship

HICKSVILLE—The annual card party sponsored by the Civic and Community Assoc. will be held Friday, Nov. 28, in the High School gym at 8:30 P.M. It was announced by Lawrence A. Roman, Chairman of the Ways and Means committee.

Proceeds from the affair will be used to again provide a scholarship to a member of High School graduating class in June.

**FIRE ON WHEELS**—Hicksville volunteer firemen had to hunt for the cause of alarm, Friday, when the load in this rolling garbage truck caught fire. The burning rubbish load was first noted at about 9:45 AM and the alarm was given for Jerusalem Ave. and Old Country Rd. The vamps rushed to the scene, but there was no sign of a fire. They had just returned to the firehouse with their equipment when another call came from the box at Old Country Rd. and B'way, three blocks away. There the truck of Nassau Sanitation stood in Reidlinger's service station. It was rolled out in the highway and a line of hose was laid by the vamps to douse the flaming contents. William Sill is handling the hose line in this picture by Herald photographer Frank Mallett. White jacket identifies Ex-chief Vincent Braum at left.

**OFF SOUTH BROADWAY:  
 Visit To Classes At Our New School**

By **BUNNY LAUER**  
 Hicksville 3-2794 J  
 A few weeks ago I spent a morning with Iva's kindergarten class and had the time of my life. It was thrilling to watch these little tots salute the flag and say their prayer. They made baskets for Halloween. They had their rest time, play time and story time. The children love their teacher and it's no wonder. Miss Downing has such patience and understanding with our babies.  
 The next day I went to Holly's third grade class to help out at the Halloween party and again I had a wonderful time. This time the children wore costumes and were in a very gay mood. They played games and ate and ate. Every student wanted to make sure that their beloved Miss Harrison had some and I tasted some of what their mother had sent. She is such a warm person that the kids want to please her. Yup, you give me Miss Downing and Miss Harrison and I'll go back to school, gladly.  
 Cards were received from the McLaughlins of Lee Ave. from the nice warm sandy beaches of Florida. Bring back that warm sunshine with you and don't worry about the boys, grandmas and grandpas are having the time of their lives with them.  
 A hearty welcome to Mr. and Mrs. Murray who have recently moved into Hicksville. Although they have no children, they are both very interested in our school.  
 The Labert Brents of Linden Blvd. had company from the Bronx Sunday, Mr. and Mrs. William Brent and children, Susan, Rena and Dickey, and Mr. and Mrs. Lloyd Waldron of Queens Village.

**Dear Jean:**

**EDDIE** (The Barber) **TEVERINE** became a member of Hicksville Rotary Club last week. The club will hold ladies night at the Stockholm Restaurant on Nov. 22 with **TOM O'BRIEN** as chairman. . . . Petition forms are now available at the Plainview Water District office for potential candidates in the Dec. 2 election. The annual pay of the commissioners was recently raised to \$1000 each. When this word gets around, there probably will be several new candidates. . . . Hicksville firemen will be "nailing on the roof" Sunday, Nov. 23. They will repair a structure on Newbridge Rd. where they store the tournament grandstand until next Labor Day. **WILLIAM PIERCE** is chairman of the project. . . . Hicksville stores will be open every evening starting Friday, Dec. 5, until Christmas. . . . Old Country Rd. School will probably be the next to open for classes, and it may happen in a week or so. . . . School board will call for bids on Nov. 25 for the Woodland Ave. School. Incidentally, someone should try to change the name of Ketcham Rd to Woodland Ave., Hicksville, so it matches the school name. Woodland is the older name and there is also a Ketcham Ave. in the area. This may be a project for the new Woodbury Gardens Civic Assoc. . . . **SAM WEISS** was sporting a homemade sign on his lapel. Election night at Rothmann's. It read "IKE in 1956", getting a head start. . . . Since Levittown, PO has only an acting postmaster, the GOP may be able to make a change to one of their boys when the new Congress meets. . . .

**LAWRENCE A. ROMAN**, Hicksville incorporation committee chairman, will speak tonight at the Wantagh Civic meeting as a group on the south shore decides to start an incorporation movement. . . . The nation was stirred this week over the story of the pet collie that hiked from Bethpage and the home of Mr. and Mrs. **MICHAEL DUFF** of 3746 Martha Blvd in search of a puppy son in Calif. The pet will be flown back from Los Angeles via air freight next Tuesday. . . .

There was one lonely write-in vote for **ROBERT A. TAFT** recorded in the 45th Hicksville Election District, I heard this week. . . . We have had several complaints of Morse code causing TV, reception distortion in recent weeks. Could Press Wireless have something to do with this, readers ask. . . . Petty cash funds have been the objective of burglars in this section recently. Among the places which have been entered in recent weeks included Wave Crest Laundry on North Broadway, Einemann Motor Car Co. on W. Marie St. and Nassau Motors. . . .

The claim by **ST. CLAIR OSBORNE** of 28 Virginia Ave that he had been overcharged for water by Plainview Water District was withdrawn this week when the case was scheduled for trial in Hicksville District Court Thursday. . . .

## Letters Seek Opinions On Chamber Of Commerce

HICKSVILLE — Hundreds of letters were sent out this week by William M. Payoaki of 115 North Broadway on behalf of the Rotary Club, proposing the formation of a Chamber of Commerce. He said the sponsors will be guided by the degree of response to a survey card enclosed with each letter.

"The proposed Chamber of Commerce is to be patterned after Chamber of Commerce in other progressive communities and will be set up to provide and perform such services in our own growing community as have made such organizations a spur to civic enterprise and an asset to the business and professional men in the communities which they serve", the letter states in part.

The old Hicksville Chamber of Commerce with Dr. Elwood A. Curtis as president has not functioned for a number of years. The Business Men's Assoc. has carried on many of the functions of the form-

er Chamber, including business promotion and answering of correspondence and questions about local matters of a civic nature. The BMA was incorporated in 1934 with William E. Koutensky, today president of the LI National Bank, as its first president.

### GEORGE KING

# Plainview Needs School

By FRED J. NOETH

PLAINVIEW PEOPLE have an important date to keep next Wednesday night, Nov. 19. Between the hours of 8 and 10 PM they will go to the school house on Mannetto Hill Rd. and cast their ballots on the proposals to build a new and urgently needed building for the education of their children.

There is no real need to try and "sell" the community on the importance of another school. What is needed is the willingness of the Plainview parents to surrender a few minutes of their time to go out and vote. A resounding affirmative vote will be a demonstration to the entire state that the necessity here is recognized and that positive action is being taken to meet the overwhelming problems that the future holds.

Months of effort have gone into the planning of this project. The community committee of citizens, in addition to the members of the Board of Education, has followed the step-by-step development of the plans resulting in the question to be submitted next Wednesday.

At the present time Plainview has nine classrooms (7 in Plainview, and two rented from Old Bethpage District) and almost 500 children to educate. The size of the Morton Village development is well-known and its construction rate is astounding. There will be probably 1,500 to 2,000 more pupils for the district from these new homes within a few months. And in addition, other building activity of the area will bring the number of school-age youngsters up to around 3,000.

Just as it has been true in Hicksville and other mid-Island communities, so very many new homeowners were completely unaware of the lack of educational facilities for them. Agents for developers have been fast talkers in many cases when home buyers ask questions about schools. The home buyer is briskly assured that "schools will be provided". They neglect to mention that the school authorities cannot build schools in advance of anticipated enrollments (realty developments sometimes are not completed), and that the new home owners will be asked to vote and take a share of the tax burden.

Overcrowded classrooms make full-time education impossible. The future is so bleak that need for the new school is not even a question. The real question is: do the Plainview people recognize the problem and the responsibility to their children? Will they turn out next Wednesday night to register their approval and speed this project forward? We feel certain they will.

HICKSVILLE KIWANIS was host to about 250 youngsters at a Halloween party at the high school. Among the prize winners were these for the "prettiest girls costumes", left to right, Patrice Ziegler, Judith Saurer, Patty Keller, April Venokur, Annabel Kocoma and George Klewicki. George's identity was not revealed until the selections were

made. Standing in the rear are Kiwanians Frank Chlumsky, Chandler Henn, Dr. Charles Masek and Club President Charles Montana. Joan Morace of 12 Libby Ave. (not in picture) won a Motorola radio as the grand prize of the evening. (Herald photo by Frank Mallett).

## The Legionnaire

Charles Wagner Post No. 421, American Legion

We are mighty proud of the fact that nearly all the news, incidents and what have you, carried in this column are gathered personally by us which means we have to "get around." Occasionally however, we pick up news from a secondary source and judging that source, print it or not as the case may be. Now we're not trying to "skin out" of anything nor are we criticizing a source of information but it seems in our message of two weeks ago on the value of Legion membership we went a little overboard on the accomplishments of one young man. So to Richard Evers we'd like to say we are very sorry for any embarrassment our words may have caused you and trust that you will excuse us. Our source is close to you Dick and entitled to stretch a point a wee bit. But after all it wasn't stretched very far was it?

We've heard many a person, in and out of the American Legion, comment very favorably on the Lee Ave. School Flag presentation made by Jim Carter. Sorry we missed it because in the words of one man "It made you proud you belong to the Legion."

And while in the process of handing out bouquets, a kind word to Bert Nessel, Rudy Bouse and Bob Beard for their moral support on Election Day while we were on the "mike", and to Ed Becker, our pilot and Bob Schieferstein, co-pilot and "control man." Hope our efforts sent a few people hustling to the polls. A further credit of course goes to the Hicksville Police Boys Club for granting us the use of the "pie wagon" for the afternoon.

All of us were pleased to note the large turnout for the last meeting. Many rarely seen faces were there and new members were strongly in evidence.

### Delia Clancy

LYNBROOK — Mrs. Delia Clancy of 18 Stark Pl. died here at the age of 84 after an illness. She often visited in Hicksville with relatives. Her son, John Clancy, now of Syosset operated Clancy's Food Market in Hicksville.

A solemn requiem Mass will be said at Our Lady of Peace Church, today (Thursday) at 10 A.M. Interment will be at Holy Rood Cemetery, Westbury.

She is survived by her children, James E. of Freeport, John F. of Freeport, John F. of Syosset, Roger M. of Florida, Charles A., Thomas L., Joseph G. and Helen V. O'Neil all of Lynbrook.

### Card of Thanks

We wish to thank our friends, neighbors and relatives for their many kind expressions of sym-

Now for some odds "a" ends, coming events and things to look into:

Bar Committee completing plans for big social evening to be held the evening of Nov. 21. Full details here next week. . . . Jim Aramie still hollering "help" on bowling team. A fifth regular is needed and the boys are getting desperate. . . . Ed Becker surprised and pleased at Nov. 3 meeting to hear his proposal of a \$10 contribution to Legion Child Welfare Christmas program for Kings Park upped to \$25 and passed without dissent. . . . Are we going to have a Christmas Party this year for the Legion families (meaning mostly kids)? 'Twas brought up at the last meeting by Rudy Bouse who suggested we all come to the Nov. 17 meeting full of ideas on the subject. . . . New Years' Eve party also in the planning stage but it's still wide open. . . . That patrol wagon we rode around in Tuesday sure surprised Walt Coane when he invited the boys in for refreshment. When the rear doors opened it resembled one of the clown cars at the circus. . . . And he thought only two men were on the job! . . . Charlie Therman present at last meeting. . . . And wonder of wonders—John Nees, Halloween Party Chairman reported good profit—doesn't happen often.

Once again Al Barlow has supplied us with membership information and indicates eleven NEW members for 1953 in addition to a considerable number of renewals.

Among the renewals are Martin Schaaf, Pete Connors, Charlie Thorman (twice in one column?), Henry McIntosh, Red Shore, Jay Jabour and Jim (at long last) McLaughlin. NEW MEMBERS include Dan Lyon, Alan Eshelby (a recent arrival from California) and Wesley Wohl. Welcome aboard, fellas!

Next regular meeting Monday Nov. 17 and remember

Miss Carol Ann Bartell, daughter of Mr. and Mrs. A. Bartell of 10 Laurel St., Hicksville, became the bride of Pvt. Valentine Dexter, son of Mr. and Mrs. William Dexter of Bayside and formerly of Jericho, Saturday, Oct. 11, at the Fort Monmouth Chapel, N. J.

The bride wore a ballerina length gown of white satin bodice with a seed pearl trimmed neckline and a full nylon tulle skirt. Her shoulder length veil fell from a cap of satin and seed pearls. She carried white roses.

Mrs. Louis Bartell of Hicksville, sister-in-law of the bride, was the matron of honor. She wore a ballerina length gown of oscar tulle and a matching picture hat. She carried yellow roses.

Louis Bartell, brother of the bride, was the best man.

A reception for the immediate families was held at the Criterion Restaurant, Asbury Park. The newlyweds are now making their home at 405 4th Ave., Asbury Park, N. J.

Mrs. Lawrence Braun of Hicksville made a report on a recent card party at a meeting of the Hicksville-Glen Cove League for Mercy Hospital held at the home of Mrs. Michael Dunne in Glen Cove on Nov. 8. Mrs. Braun who was co-chairman with Mrs. William Burke for the luncheon-card party held at the Milleridge Inn in Jericho reported that the affair was a social and financial success.

## BRIAR PARK, PLAINVIEW:

### Be Sure To Vote On Wednesday

By ETHEL ROONEY  
The Mannetto Hill P-TA meeting last Thursday was a rousing success. The audience was quite large and the program excellent. Of course, the main subject of the evening was Adult Education. This subject is a little too important to be discussed briefly, so I'm going to leave it for next week. I've got a terrible cold and am only writing this week because of the voting on the new school.

Next Wednesday, Nov. 19, the citizens of Plainview are invited to vote on the building of a new school. To be a successful vote, most of you should be there because, after all, your children, taxes, etc., are involved and the School Board can't possibly know what to do if you don't take the trouble to cast your vote. They act for you so tell them what to do.

As most of you know, our school situation is desperate. We are now sending over 450 children to school in a space which should really only accommodate half that number or less. Therefore, we are sending them on very crowded double sessions. This means odd hours and expensive transportation. The new school should accommodate them all on single sessions for a while.

Our faculty is doing an amazing

job with their limited facilities and crowded classrooms. They are excellent teachers. However, if the school gets much more crowded (the first families of a 2,000 home development should start moving in December) I don't see how they are going to be able to continue. They can't vary well hang the children from the ceiling and there is no place else to put them.

If you have already made plans for the evening of Wednesday, Nov. 19, cancel them or postpone them so that you have time to get over to the school and vote in favor of the new school. Right now, there isn't much that can be more important. The situation is desperate and every vote is needed.

# Vote For New School Is Essential

By JOHN DOWLING

Next Wednesday, Nov. 19, between the hours of 8 and 10 P.M. the residents of Plainview will gather at Mannetto Hill School to cast their ballots for the new school — the second to be built in the district in approximately 60 years.

During the past few months the Board of Education has been meeting with organized civic groups, the Parent-Teacher's Association, residents committees and other interested parties in an effort to bring all the known facts to as many Plainviewites as possible.

In addition, the Herald has cooperated fully devoting considerable space to bring to the district's residents a clear-cut view of Plainview's immediate educational requirements.

As a result of these efforts, the people of Plainview have displayed a satisfactory understanding of the need for additional classroom facilities and have commented favorably on the Board of Education's current policy of "Bringing the full educational story to the people early and often."

This is an indication that the balloting for the new school on November 19 will be the heaviest in the history of the Plainview School District and is a further indication that the children of Plainview will get the new school and with it the type of educational environment which is so all-important in basic education.

## WOODBURY GARDENS:

# New Civic Group Meets Nov. 20

By GENE MALJEAN  
Hicksville 3-5515

There will be another meeting of the Woodbury Road Civic Assoc. on Nov. 20 at East St. School at 8 P.M. I believe nominations will be made for this year's elections. It seems for months now that everyone has had the election fever. Every conversation was a political speech, and Ike and Adlai became two very much used names. Now that it is all over we can settle down for four years until the next battle royal. I understand a great many television sets were sold for viewing the conventions and the actual election night proceedings.

Ed Mastrella dropped by this week and signed me up officially for the club. The rules committee that worked with him, have devoted much time and effort to their end of the club's formation. The committee comprised of Messrs. McDonald, Landau, Ruvie, and Miller. I had the pleasure of meeting Bunny Lauer last week. My wife and I always read her column in this paper; it is always very newsworthy. Two birds with one stone dept: Irene and Elaine Frank have had their tonsils out together. I can imagine the time Mrs. Frank had the week following that event.

After we had Dolores' tonsils removed it was hectic for a full week after. The attention we had to give her was much greater than I had anticipated. Multiply this by two—and I guess the Frank household must have been quite upset.

I hung up a note in the phone booth asking for news that could be used in this column and one lady responded but forgot to leave her name. She is expecting a blessed event but I have no idea who it could be. Would she let me know?

Some members of our Civic Assoc. have not formally filled out membership applications. Please make sure that you have your application on file to be certain that no question arises as to the validity of your vote on Dec. 18. Incidentally, your Executive Board has voted to accept absentee ballots from those of you who find it impossible to attend the December meeting. See your local committeeman for instructions, but please remember that this method of voting is established to see that all-qualified voters have an opportunity to cast a ballot. It is not meant to encourage those who can attend the meeting to stay at home. It is important that you attend the regular meetings.

Remember, you have a commit-

teeman on your street. Speak to him or her; ask your questions; state your opinions and ideas. Let's give the Assoc. a firm foundation of interested and cooperative members.

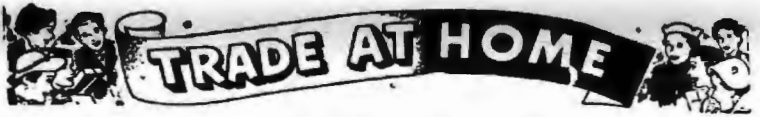

Santa has promised to visit us on Saturday, Nov. 29, sometime in the P.M. This visit is considered quite a feather-in-the-cap of the Woodbury Gardens community considering it is only two days after his arrival in New York in the Macy's Parade. So let's have the kids around to see him and talk with him. You will be notified as to the site of this event.

### CITY DUMP DEPT.

Didja notice the mess on Washington St.? That is at the end, next to the farm. Everybody and his brother's been dumping refuse and unwanted belongings there. Henry Frank was telling me he will either have to go out and get rid of all that junk or live next door to a most unsightly mess. Naturally Mr. Frank cannot prohibit such action, since the property is not his, but he has appealed to the better nature of his neighbors.

This reminds me of the woman I once knew who owned a house next to such a place. It seemed to attract all of the dog walkers and

## SHALHO Discusses Levitt Edict At New School Next Tuesday

William Levitt's threat to close down his pools and community hall if arrangements are not made before Dec. 31, 1952 to transfer them to municipal operation will be the chief topic for discussion at the meeting of the South Hicksville Assoc. of Levitt Home Owners to be held next Tuesday evening, Nov. 18, at 8:30 P.M. in the auditorium of the new Dutch Lane School. The meeting, originally scheduled for Nov. 4 was deferred to next Tuesday because of the election.

Arthur Schwartz, president of SHALHO, was a major voice heard in opposition to the Levitt proposals at the meeting in Levittown Hall when Levitt "laid it on the line" to the users of the Hall, demanding that they pressure the Hempstead Town Board into accepting the pools and the hall, currently being supported by Levitt. Schwartz is remembered for his amusing "donkey and carrot" simile in his talk at the "split" hearing before the Oyster Bay Town Board. It will be recalled

that the deluded taxpayer was described as a donkey drawn forward by carrots (the pools) held dangling before his nose while unknowingly pulling the Hall. At that time NLHOA vociferously denied that the issue of the Hall was in any way tied to disposition of the pools.

SHALHO was the major local force opposing the "split", and has actively opposed saddling the maintenance of the pools and hall upon the taxpayers, pointing out that free use of the pools was

promised by the developer, Levitt and Sons, as part of the sales inducement to purchase his houses. The meeting in the Dutch Lane School will be the first use of the auditorium by a local civic organization.

### Child Centre Meeting Set

A Children's Center is being organized and a meeting of parents of children from 6 to 12 years of age will be held Sunday, Nov. 16, at the Community Hall, Levittown Parkway at 11 A.M., it was announced by Mrs. Eleanor Franklin of 133 Blueberry La., Hicksville.

### Baird Attending Insurance School

Robert E. K. Baird, 18 Summer Lane, an associate in the Hoey & Ellison Life Agency of the Equitable Life Insurance Co. of Iowa, is attending a one-week school of instruction and review at the home office of the company in Des Moines. Baird qualified as one of 34 representatives throughout the United States by fulfilling certain volume premium and educational requirements during his first 12 months as a life underwriter with the Equitable of Iowa.

Newlyweds Mr. and Mrs. Donald Wallace of New York City are now residing in their new home at 19 Stanford Ave., Hicksville.

## The SENTINEL

### Swimming Pool Costs

There has been much conflicting and misleading information emanating principally from NLHOA published about the cost of operation of the Levitt-built swimming pools. The actual budgets for 1952 and 1953 of the Town of Hempstead District operating the pools in Levittown should be of interest.

	1952	1953
Six Swimming Pools		Seven Swimming Pools
Salaries and Wages	\$43,529.28	\$90,124.64
Maintenance and Equipment		
Insurance	\$5,000.00	\$5,000.00
Electricity and Water	4,880.00	5,850.00
Chemicals	6,532.30	8,308.05
Paint and Painting	5,214.00	5,297.50
Supplies	3,484.75	4,204.11
Equipment	8,278.50	9,474.10
	33,399.55	38,133.76
Miscellaneous		
Advertising (1950)	396.82	
Filing Fees	6.50	
School Tax (1950-1951)	7,241.76	
	7,648.08	
<b>TOTAL</b>	<b>\$84,573.81</b>	<b>\$128,258.40</b>
Less estimated income	5,000.00	5,000.00
<b>Net ASSESSED VALUATION</b>	<b>46,560,640.00</b>	<b>63,958,311.00</b>
<b>TAX RATE</b>	<b>17.1 cents \$100</b>	<b>19.6 cents \$100</b>
<b>TAX BILL for \$4,000 Assessment</b>	<b>\$6.81</b>	<b>\$7.84</b>

The Cost per House already approximates the \$9.00 top figure given by Wm. Levitt as the cost including the Hall.

The charges do not include any reserve for major repairs, or for improvements. We are yet to see how the pools will react to a severe winter.—It is only a matter of time before public clamor will cause the building of dressing and undressing facilities.—Judging from the shutdowns for repairs experienced last year, spares for equipment must be installed in the piping lines or maintained on hand.

It should be noted that the costs given above include maintenance of parks and ballfields within the Levittown Park District; the bulk of the charges do, however, apply to the pools. No figures are available on the cost of maintaining the parks and ballfields.

### School Taxes Backcharged

When Levitt "turned over" the pools to the Hempstead Town Board there were unpaid school taxes amounting to \$7,241.76 charged against them for which the Town Board then assessed the taxpayers.—When Levitt sold the school sites to the Hicksville School District, those sites, also, were transferred with unpaid taxes charged against them which the School Board included in the bond issue.

### NLHOA Figures

The NLHOA predictions of cost can now be compared with actual costs. In October, 1951 NLHOA announced: "Five Dollars per Home per Year is a small price to pay for these benefits; \$5.00 on 17,000 homes is \$85,000. per year to maintain our pools, parks and Levittown Hall".

In March, 1952, the NLHOA Bulletin announced: "The minority opposition has grossly exaggerated the cost to us of maintaining our parks, pools and Levittown Hall. Quoting again from a statement of Levitt and Sons, the only possible source of accurate data, the cost of maintaining all recreational facilities, 'should not amount to more than \$7.50 per year per family.'"

It already exceeds that figure in Levittown,—and the cost of (Continued on Page 12)

**HOMECOMING DANCE**  
Local Hofstra College alumni are getting ready for the annual Homecoming Dance at the Garden City Hotel on Nov. 15. The dance will follow the Hofstra vs. Upson football game.  
Andrew F. Frey of 69 East End

Ave., Hicksville, will represent the class of 1949, Edmund Ocker of Old Country Rd., Plainville, will represent the class of 1942 and Mrs. Alice Bennett of 9 Wilson Ln., Bethpage, will represent the class of 1945.

**By FLORENCE VRYN LE 9-6497**  
There's a snap in the air and no mistake about it. Frankly, I hate to pick up a paper (MIH excepted, of course so put the hatchet away, Fred). I'm afraid they will start counting the shopping days till Christmas. Everyone but me seems to be caught in the whirl of activity. Did you see Captain Video at the Holy Trinity bazaar last week end? If you didn't take your're small fry, better keep them in hiding or they will hear the great news from the other kids and you'll be miserable for weeks.

Margie Fountain of Barzel Lane worked on the Glamour Booth and that sounds like fun, plus lots of hard work. The ladies who worked with Margie on the booth were type cast, I can see, Barbara Ives of Bridle Lane, Mrs. Wyckoff, of Old

Country Rd., Mrs. Michael Nooth Miss Evelyn Storry (who makes education so pleasant at Lee Ave School) Mrs. William Bohn of Flow La, Mrs. Samanoy, Mrs. Parker and Mrs. Raica. The ladies were very successful, so was the whole bazaar. Mrs. John Bartell won the watch and displayed admirable strength of character. I thought when she requested the woman's model instead of the man's—so she could give it to her husband, I can just see my ever-loving seizing on that as making knowing remarks... well no sense in kidding my self, I wouldn't have done it. Always did feel a peculiar affinity for the gal who sings "Diamonds are a Girl's Best Friend."

If we give out local Oscar's I nominate Bill Raha for the award. He was Willy the clown the other day at the Bazaar and so great was his performance he frightened his daughter. Don't know if that was exactly the purpose of Willy, but everybody agreed he threw himself into the performance.

The Hamilton's of 7 Petal Lane have a new daughter, Victoria. The young lady is off to a flying start in life for she weighed in at nine pounds. Her brother Donald is an interested observer at this point and is accepting the arrival with typical masculine dignity, or at least as much of it as a two year old can muster.

When I started this epic, Betty (my seven year old) was still in school. So what does she bring home, Mabel? An announcement that Santa Claus will be at the Bazaar at St. Ignatius School this Friday, Nov. 14, from 2:30 to 5 P.M. My four year old heard the excitement and now I'll hear Santa Claus till it comes out my ears. Well, one good thing I can start the old routine about "Better get to sleep, Santa is watching". I guess its not according to Dr. Spock's baby book, but neither is my son a standard model. He needs unusual measures—this reasoning with the little dear gets me nowhere except to a padded cell.

The bazaar (which is a nice switch of subject) will have gifts for sale and an interesting guessing game where I hear a dime and the right answer might win you a steak. That's for me. The kids will have a chance to have their pictures taken with Santa so line up mommies I can hear Jingle bells already.

When I get stuck on this opus I can call Mrs. Karl Kinass of Twig Lane, for she's an old hand at writing columns. Probably all the advice in the world wouldn't help but she is lots of fun to talk to and one excuse is as good as another. Mrs. Kinass is Publicity Chairman for Holy Trinity Church. She worked hard on the bazaar and (Continued on Page 13)

## The SENTINEL

(Continued from Page 11)  
operating the Hall is yet to be added in—if it will be, which is doubtful.

### Hall Operating Costs

The annual cost of operating the Hall is said to be \$39,000. Taxes are said to be \$8,000 per year. The figures given are confused, as it is said that the Hall could be operated by the District for \$25,000.00 per year.

While elimination of taxes might seem to be a saving, somebody has to pay them. The approximately \$4,000 in school taxes which the Hall would not pay would have to be paid by the taxpayers of the Hicksville School District—another teacher's salary.

Salaries and wages at the Hall must be at least \$15,000 per year. Under governmental operation, that amount would be likely to increase. Compared with budgets for other public buildings, the figure of \$25,000 is low.

In any case, the deal proposed is to transfer the cost to the taxpayer. Just how use of space will be apportioned to organizations vying with each other for desirable dates would be, of course, somebody else's headache, and that somebody is not to be envied. Also, question—who would be entitled to the use of the facilities?—anybody and everybody?

In spite of all the build-up that Levittowners are joiners and "dynamic", the facts and figures show that the majority do not give a hoot about their "community organizations". The percentage of organizations using the Hall that can be considered motivated by any concept of civic betterment is small, and the total number of their paid-up members would surprise everybody—it is that infinitesimal in relation to the total population. Would other, non-civic, organizations have to pay for the use of the Hall?

As the Committee trying to steer the Hall into the laps of the taxpayers has probably already discovered, transfer to municipal operation, with all taxpayers supporting facilities used by only a small percentage of them, is illegal, impractical, and unfeasible, and the Town Board wants no part of it.

### Abraham Levitt Ballfield

Isn't it curious that even the ballfield is named after Levitt? There is a peculiar sign posted at the field. It reads: "THIS PARK AREA MUST NOT BE USED FOR ANY SPORTS OR HOBBY ACTIVITIES. ANYONE SO USING THIS AREA WILL BE SUBJECT TO TRESPASSING CHARGES." It is unsigned. The Little Leaguers that used the field this past summer must have been trespassing.

The ballfields were included in the facilities held out as sales-inducement. One of the Levitt ads read: "Playgrounds, baseball fields, soft ball areas, parks—dozens of them—are all yours to enjoy." (That is, if you're not pinched for trespassing.)

Seriously speaking, it seems an awful lot of nonsense to try to build up a case for transfer of recreational facilities to municipal operation by pointing to the one ballfield in the area. The field is ridiculously inadequate to serve all the youngsters in the area, maintenance has been nil, and there has been no attempt by anybody outside the area to use it.

What we really need are some decent playing fields for the teenagers. These the new high school grounds will provide. The present high school grounds aren't too bad, either.

### Epsteintown

Tenants in the rental houses on the south side of Levittown, which have been acquired and are being sold by one Henry David Epstein, are beginning to speak of the area as EPSTEINTOWN. O tempora! O mores!—that the name first implanted should be displaced!

## A Call To Action

The time has come, it seems to me, for citizens of this area to take individual and collective, direct and forthright, civic action in self defense, to put an end to the persistent and recurring dissension created to serve Levitt, "North-Levittown", and selfish interests.

We should, individually and collectively, especially oppose continued attempts to implant the names "Levittown" and "North-Levittown" on this part of Hicksville, attempts furthered by news releases and misinformation given the daily press.

In doing this it would be preferable if, so far as possible, we acted with tolerance and without rancor, striving to unite, not further separate. But tolerance and charity should not blind us to the methods pursued in promoting dissension, or to the concealed objectives.

Fifty, perhaps, the poor vassal editor of the Levitt-owned newspaper who has been publicly given his orders by Wm. Levitt—but do not be misled by his slanted "news" and "editorials", appearing in what seems to be a free newspaper. (There are no indications in

the pages of the Levittown Tribune that it is owned, lock, stock, and barrel, by William and Alfred Levitt.)

Tolerate, if you will, as a democratic right, the continued existence of N.H.O.A., chief propagandist for Levitt and "North Levittown" objectives, but recognize untruths when they are uttered, and remember the record and compare it with the facts as we now know them.

Prevent, if you can, by factual counter-evidence, the resurgence of hate propaganda, actively used in the past and still having its effect in the community.

Oppose, to the fullest extent practicable, attempts at disruption, joining for that purpose with Hicksvilleites in this and other areas. We must have friendly co-operation from all areas if we are to achieve some of our local objectives.

It is utter nonsense to identify our schools in this area, as some do, as Levittown schools in District 17, and certainly not the way to make friends and influence people in Hicksville,—but perhaps that is

what is intended,—not to make friends and influence people in Hicksville so that feeling will year toward Levittown. Some of these same people tried when they arrived, to enter their children in the Levittown Schools, and were roundly rebuffed.

It is preposterous to abet, as some do, creation of a "City of Levittown", to include this area with its new schools, with the result that needed expansion of over-all school facilities is diverted elsewhere by the threat of annexation by Levittown.

It is ridiculous to assist a "we-give-our-name-to-communities" developer in his attempts to enlarge the area named after him,—rendering in the process a disservice to the people of this-area-by increase of taxes and stimulation of dissension.

Insist upon your right to peace in this area.

Act individually and collectively to thwart aggression. Help build. Prevent disruption.

### GOING AROUND THE LANES:

(Continued from Page 12)

I forgot to say so, all the ladies wanted to express their appreciation to the merchants in town who helped so generously in making the affair a success. They were really nice.

There will be another P-T-A meeting at Lee Ave. soon I hear so prepare for a night out, girls. Bunny Lauer is refreshment chairman for the occasion and if you've attended any of the meetings at Nicholas when Bunny was in charge you know it will be unusual and good. That's all the inducement I need to come, just tell me when and where and I'll be there.

The new schools will give all of us an opportunity for service to our children and to the community, for there will be much to do. In the general flurry of starting I just wondered if it was clear in the minds of all the members of the organization what they feel an officer in P-TA should be. It seems to me that most important is finding a person who is interested in the prestige or possibly the use which could be made of an office. We should expect the officers of P-TA to be community-minded citizens who will work for the benefit of all children, and to have no other cause, in which they might find P-TA a useful tool. We need mature people who will bring something to P-TA not take what they can from it.

Mature in this sense, my pet, means adult—not ancient. I had thought of using the phrase well rounded but that sounds like an ad for RY-Krisp. Since none of the slates have been announced as far as I know, I can deliver this without some feather head calling to tell me I am for or against Mrs. Zilch. You know there are times when it's almost impossible to even comment on the weather without someone calling to berate you for being against the local chamber of commerce.

Hi ho, back to painting, walls not oils, that is. If I see you around, I'll be the one with the chartrouse head.

## Mutual Insurance 200th Anniversary—1952

Share with your careful neighbors in the savings Mutual Insurance offers you

Pioneered by Benjamin Franklin, the Mutual Insurance idea has been tried and proved for two centuries. When you have a Mutual Fire or Casualty Insurance policy you are a part owner of your company. You join with those of your neighbors who are willing to exercise care in avoiding losses. Lower losses mean savings on insurance costs. As a part owner you share in these savings. Check us for full facts.

## Between Duffy and Old Country: Cheers For Old Country Rd. Lite

By DORIS WERNER  
Hicksville 3-2457-W

Hurry for the signal light now operating at Old Country Road and Levittown Parkway. We really needed one there.

Happy Birthday to James and Linda Erwin of Jackson Place. They celebrate on Nov. 18.

Belated Birthday greetings to Joe Madsen of Meade Ave. Joe had a birthday on Nov. 3.

Don't forget the Nicholas St. School P.T.A. meeting on Thursday Nov. 20.

I see where the Hicksville Civic and Community Association is having its ANNUAL CARD PARTY on Friday, Nov. 28. The

proceeds are for the benefit of the High School Scholarship Fund. A very worthy cause, so please try to attend. They always have wonderful prizes and almost everyone goes home with one.

An auxiliary Fire Siren has been erected on the new Old Country Road School property, but as yet has not been connected.

Take a look upstairs—for it's in the attic that your family may get a bargain in Living Space. If your attic has sufficient headroom, a means of access, and provision for light and ventilation, it can be converted into comfortable living quarters at probably less than half the cost of the equivalent space in an addition or a new house. Do the work yourself, and your savings will be even greater.

The layout and use of the finished attic varies with the space available and the family's requirements. In the case of Mr. and Mrs. Joe Schlich the problem was the arrival of a second child in the 2 bedroom house. The solution? Give up their bedroom to the baby, and make the attic into a spacious, well equipped master bedroom and study. Results like these can be yours. The first step is to give your attic the once-over lightly, then come over here to Cashel's and see your Uncle Tom for a free attic plan and layout.

If it isn't already insulated, do this now—for winter is on the way and the difference in comfort and fuel savings will make you wish you'd done it long ago.

Get your bargain in extra living space now—time's a-wastin'.

what a sight that got to be after a while! The atmosphere became quite obnoxious, too. In this category there stands another unfortunate. The party whose front yard is the site of the school bus stop. The only protection would be a huge brick wall. An answer for this condition would be the changing of the bus stop every six months to greatly relieve the home owner. I've looked at two year old and three year old bus stops and it is after this long period of time that the place is a shambles.

Lias Sopko held a Stanley Party at her home last week. It was a last minute affair and therefore there were not too many guests. Those present were Mrs. Stine, Mrs. Klee, Mrs. Hogan, and my wife was asked but not feeling too well, she had to stay home. It was very successful and lasted until 1:30 A.M.

I've heard of Plastic parties, Brush parties and even Sheet parties, but now there has been a Toy party at Mrs. R. Branham's house, 54 Ketcham Ave. Those present were: Mrs. Janice Fisher, Mrs. Evelyn Massa, Mrs. Irene Galkowski, Mrs. T. Mety, Mrs. Mary Ragan, Mrs. Rosalie Leary, Mrs. Ann Nidositko, Mrs. S. Nidositko, Mrs. Betty Kamenius, Miss O. J. Green, Mrs. Helen Wellman, Mrs. R. Millett, Mrs. E. A. Blaser, Mrs. A. Becker, Mrs. Aline Charbonnet and Mrs. Eleanor Carter. This party was held on Monday Nov. 3 at 8:15 and lasted until midnight. Cake and coffee was served and the demonstrator was Richard N. Scott of Port Washington.

That is all for now, and I'll close with this bit of advice told to me by one of our residents. Be like a duck—Keep calm and serene on the surface but underneath — paddle like the very devil!

Deepest sympathy to Jack Lusan of Moeller St. on the death of his father on Monday.

## Hurt In Crash

BETHPAGE—Louis Tarantino, 24, of 22nd St., Jericho, was taken to Meadowbrook Hospital with a head injury and possible internal injuries after an auto accident here on Nov. 8, police reported.

Tarantino who was driving a 1951 Pontiac and a 1940 Mercury operated by Gerard Dally, 30, of 25 Hazel St., Central Islip, collided at Hicksville Rd. and Central Ave.

## Northwest Notes:

(Continued from Page 5)

honed? Why did the men from the Water District come through and rip up sections of street after roads were completed to find out where main water turn-offs were hidden?

Certainly things could have been better planned to save the taxpayers some money, each and everyone of us. These roads will definitely need additional work again next spring. Low spots and water pockets are already visible on certain corners, although they were supposedly filled in. We patiently wait until March for the drainage work to begin—with firm assurance of no special tax assessment from Supervisor Ransom, and the Town Board.

### BETWEEN ISSUES

Noted the new signs on North Broadway in preparation on the new Mid-Island Shopping Plaza— from all indications it will be the largest of its kind in Metropolitan New York—remember you read it here . . . Sorry to learn of the death of Frances Reganoto's father who passed away last week end quite a few of the neighbors sent a nice wreath to the funeral in Woodside . . . Mildred Sauer plays a very nice piano, as all ears listened Friday at our social . . . Thanks for your kind remarks about missing the column last week—it is certainly appreciated—I will continue to bring all the news to you each week—if you have any news items of interest drop them in my letter box at 68 Myers Ave. or at the Herald office—many renewals received—thank you readers.

### CLUB TO INSTALL
