## SHALHO VS NLHOA

# Home Owners Take Sides On Pools, Split

HICKSVILLE—To the surprise of no one, the South Hicksville Assoc. of Levitt Home Owners and the North Levittown Home Owners Assoc. at separate meetings this week stated their opposing positions clearly on the recent ultimatum of builder William Levitt. There was an outside hope that the leaders of the two civic associations may publicly debate the question as proposed by SHALHO and reluctantly given encouragement by the NLHOA. Both meetings were held Tuesday night and both gave promise of all-out letter writing and publicity campaigns directed at town, county and state officials.

## Advisory Committee

HICKSVILLE — Allen S. Carpenter, member of the school board, will preside at the reorganization meeting of the Citizens Advisory Committee on Education next Monday night. Eighteen men and women have been invited to participate, including 12 from the last group.

## NORTH DRIVE TRAGEDY:

# Vamps Work For Hours To Revive Mother, 2 Children Felled By Gas

HICKSVILLE—A young mother died of coal gas poisoning and her two children were felled by the gas in their home at 27 North Dr., Saturday morning.

Arthur Bretsch left his home at 7 A.M. while his wife Margaret, and two children were still sleeping. When he returned at 1:30 P.M., his wife was unconscious in the bedroom and the children had fallen in the living room.

Dr. Arthur O. Swick was summoned and the Hicksville Fire Department under the direction of

SHALHO met in the new Dutch Lane School auditorium while at the same moment the NLHOA was holding an "emergency" meeting in the Community Hall on Levittown Parkway, a few hundred feet away.

There were parallels in both meetings. Retiring NLHOA President Charles C. Miller reviewed the history of the question for his membership and interested residents, while SHALHO President Arthur Schwartz did the same thing for his group.

Attendance was heavier at the NLHOA session, but SHALHO officials pointed out that a number of their members and supporters went to the NLHOA meeting "to keep an eye" on what that group proposed.

The vote for election of president of NLHOA showed less than 100 members present. Marvin Sultan was elected president to succeed Miller. He got 73 votes and Arthur Særliip received 23 ballots.

## THE BACKGROUND

Levitt on Oct. 27 served notice that he no longer intends to maintain two swimming pools and the quarter-million dollar Community Hall on Levittown Pkwy. These

facilities are located in Hicksville. He gave Levittown community leaders until Dec. 31 of this year to persuade town authorities to take over the two pools and Hall, maintaining them thereafter as a tax charge. If a commitment can be obtained from the Township before the deadline, Levitt said he will take care of operating costs thru 1953 since the various budgets for the coming year have already been adopted anyway without provision to handle these extra charges.

On that same date, Levitt selected a seven-man "steering committee" from among Levittown organizations and gave them the task of convincing the Town of Hempstead that Levittown Park District should take on the new obligations.

## DECISIONS TUESDAY

The SHALHO decision adopted Tuesday night was: Every effort be made to retain the free use of the pools in question as promised by Levitt in his advertising as an inducement to buy his houses. Further, to resist all efforts to merge the Levitt section in Hicksville with any other parking district. Those present were vigorous in their opposition to being taken (Continued on Page 22)

## 45,000 CALLS DAILY:

# New Hicksville 4 Phone Exchange In Operation

HICKSVILLE — A new member has been added to the local telephone family.

It's Hicksville 4 — a brand new manual central office at 22 Nicholas St., — according to John F. Simonds, New York Telephone Company manager here.

This past Monday 600 applicants waiting for service received it, because most of the telephones were pre-installed in their homes.

Simonds indicated that this initial group of customers is only the first to be accommodated by the new facilities and that more will be taken care of as soon as more equipment is brought into operation. In line with this, he said, "Better than 500 more applicants will receive their telephones next month."

## WORK ROUND - CLOCK

Simonds pointed out that nine craftsmen from the Western Electric Co., the supply and manufacturing unit of the Bell System, have been working around-the-

clock shifts for about a month making thousands of hand-soldered connections, installing and testing the intricate equipment for the earliest possible use.

The manager described Hicksville's postwar telephone growth as "phenomenal." He noted that in the past six years upwards of 7,000 telephones have been added. "Today's telephone census gives the community 11,000. More telephones chalk up a big plus value on the service side, because customers can call and be called by many more friends and associates than ever before."

Simonds said that Hicksville 3 operators are now handling an average of 45,000 calls a day compared to the 13,000 calls that passed through the central office switchboards in 1948.

"Seven operator positions have been installed to handle the new Hicksville 4 subscribers and more operators mean faster, more efficient service."

## Dear Jean:

I see that MRS LILLIAN DORAN is asking the folks in town to save their magazines for the veterans at Northport Hospital. If you have ever gone on one of the visits to Northport you'll remember how the magazines were simply gobbled up. Magazines will be collected at the Legion Hall clubhouse and at the HERALD office next to the Hicksville post office. But if you really want to make a hit with the hospitalized vets, give them some current magazines, some November issues. . . .

County Executive J. RUSSEL SPRAGUE will resume the private practice of law in Mineola after the first of the year when he retires from office. He was not a candidate for re-election, after serving 15 years, in November. The law firm will be SPRAGUE AND STERN. . . . Grumman now has nearly 9,000 employees, according to recent issue of plant newspaper. . . . Come Jan 20th, it will be the first time since Nassau County was founded in 1898 that all levels of government: towns, county state and nation will be under GOP administration. . . . HERMAN SCHULZ of Broadway Delicatessen, Hicksville, came home Friday after three weeks stay in a hospital following an ulcer operation. . . . JOHN ONGANIA of Hicksville paid a \$500 fine when he pleaded guilty to a bookmaking charge in District Court, Mineola. . . . EDWARD A. MONTMARQUET of 16 High St., Hicksville, was the winner of \$100 door prize at the Queens Elk Charity Bazaar in Elmhurst this week. . . . CHARLES SCHMIDT has resigned as cubmaster of Cub Pack 91 due to the pressure of business. . . . East St. P-T A in its recent news letter made a plea for cash trays but we always thought they did not like smoking in school buildings. . . . Island Trees P-T A has changed its regular meeting night from the usual Thursday to Friday, Nov. 21, at 8 P. M.

A pair of child's pink shelled eye glasses were found near Lee Ave. and Hudson Place, Hicksville, by the BREWER youngster of 154 Lee Ave. The owner may claim the glasses at Brewer house. . . .

Two wells of Bethpage water district on Jackson St. may be shut down by health inspectors if the county finds they are being contaminated with chronic acid. Location of these wells close to plants where chronic acid is used industrially and returned to soil in infiltration tanks may be a strong factor. In fact, seems like there was a report of this kind current a couple of years ago. . . . FRED SUTTER SR feels he is owed an apology and he is right. Our recent story about the theft of a tombstone was correct, only we made it appear that a second stone had been taken. How the first theft was confused as a second incident is a long business. We're sorry, MR. SUTTER. . . . Big doings at the Stockholm this Saturday night when Hicksville Rotary had ladies night. . . . ARTHUR ISAKSEN of Arcadia Lane was installed this week as the new president of Hicksville Democratic Club. He succeeds THOMAS POWELL of Bobwhite. . . . New Fitzey-Bowes metered mail machine at Hicksville Post Office, parcel post window went into operation, effective Monday. It is expected to cut down the public's waiting-in-line and speed packages on their way. Hicksville Civics requested such installation from Washington more than two years ago. . . . County Supervisors will adopt an ordinance next Monday which will add \$3 to pay of all election inspectors and clerks in added compensation for additional hours put in by extended closing hours on Nov. 4. . . . Since School Boards in the area have been requested to attend a meeting on Tuesday night, Nov. 25 by State Education Dept., the regular monthly open meeting of Island Trees School Board has been postponed to Dec. 2 according to LEWIS A. BLODGETT, principal. . . .

## Contest For Fire Commissioner

HICKSVILLE—A contest for the department, is a candidate for election of a fire commissioner re-election when his term expires. . . .

Also filed is B. Medard Offenloch of 80 Benjamin Ave., former captain of the fire dept racing team. . . . Harry Gleckler of 19 Sterling Pl., chairman of the board of fire commissioners and an ex-chief of. . . .

# If Must Split, Go Whole Hog

By FRED J. NOETH

THERE IS GENUINE concern expressed by many of the Levitt homeowners in Hicksville that efforts are being made, once again to draw them into the Levittown Park District, under the guise of a move to protect certain recreational facilities for the area. This was very apparent at the NLHOA and SHALHO meetings, Tuesday night, which are reviewed on our front page.

And there appears to be more than fleeting basis for such concern, despite protestations of NLHOA officers. If a piece of Hicksville were added to Levittown Park District—an action which will require special legislation, incidentally—there is little reason to doubt that other taxing districts could and would be split likewise.

Figures quoted in an attempt to show "how little" such a park district splintering would cost Hicksville homeowners can be safely ignored. The figures are developed by Mr. Levitt and he is trying to "sell" something. He is trying to unload a burden which has served its purpose. The recreational facilities involved were promised free in advertisements which sold his houses. All the houses are now sold and the inducement is no longer necessary, from his standpoint.

Some people bought his houses fully believing they could get "all this" for \$65 a month. After they took title they found that there was not and could not be any guarantee about the monthly cost charge. It has increased and will continue to increase. And the same for Mr. Levitt's new estimate of "\$8 a year" to maintain his pools and ballfields.

The following comparison of tax rates explains why Levittown monthly bank-mortgage payments are skyrocketing. It also makes it plain what the Levitt homeowners in Hicksville are getting into if they merge with Levittown districts:

	HICKSVILLE		LEVITTOWN	
	1952	1953	1952	1953
School District	\$25.90	\$26.10	\$24.00	\$37.20
Water District	1.15	.90	.60	.68
Fire District	1.40	1.80	2.53	2.59
Garbage District	4.00	3.00	9.12	6.61
Park District	.65	.30	1.71	1.96
Street Lighting	1.40	1.40	1.96	2.46
Town Highway	4.50	4.30	3.66	3.60
*County Police	4.90	4.00	4.00	4.00
*County	12.90	12.90	12.90	12.90
*Supreme Court	.10	.08	.10	.08
TOTAL TAX RATE	\$55.80	\$54.78	\$60.82	\$72.08

Rates are expressed per \$1,000 of assessment, average assessment is about \$4,000.  
\*Same rate for both areas, county-wide.

Hicksville people (speaking of the area outside the Levitt-built section) do not want to take over or use the Levitt pools. They do not want to take over or use the Community Hall. They do, in fact, make it plain that if the people in the Levitt section want to join up with Levittown the whole way, there is not the slightest opposition. Hicksville agencies will be relieved of a great many headaches and problems, while enjoying the increasing industrial and commercial assessment which continues to bring down the tax bill for the average Hicksville homeowner. This is the advantage Levittown sorely lacks.

The people in the Levitt section, for example, can merge with Levittown school district. Hicksville will be freed of the million-dollar bond obligation on new schools provided in that section. The NLHOA advocates can then join Levittown in boasting of the highest school tax rate in Nassau County, a dubious distinction.

During the new tax year, the average Levittown homeowner will pay about \$75 more in real estate taxes than his neighbor in a Levitt home in Hicksville.

If there is a sincere desire on the part of the people in Levitt homes to make a split with Hicksville, then all we ask is that it be clean-cut and honest—go the whole hog. We ask our town board and legislators to be no party to splintering off a section or piece at a time.

The foregoing is not to be taken as a "surrender". It is written to show the people of the area how the true picture shapes from the tax standpoint. It is written to answer the lying assertion by certain minority elements that "Hicksville is trying to swipe the pools or hall." We know all too well there are many, many people in the Levitt section who want no part of more taxes and further controversy. They recognize the issue and its real significance. They know you can't eat your cake and have it too.

## SANTA'S FIRST VISIT

The Altar Society of St. Ignatius Church, Hicksville held a very successful Christmas sale at the school Friday. Santa Claus was present in the afternoon to talk to the children.

Mrs. Emma Bettsch of Notre Dame Ave., won the hand made patch work quilt; Mrs. Martha

Fippinger of Roma Ave., a 20-pound turkey; Mrs. Margaret Miller, of E. Cherry St., a \$5 cash prize; Mrs. Biani, woolen blanket; and Mrs. John Nivot of Old Country Rd., a crocheted dresser scarf set.

A Christmas party for members of the Altar Society will be held on Dec. 11 at the school cafeteria.

# The Legionnaire

Occasionally, for better or worse as the case may be, we find ourselves virtually without local news and at such times we take advantage of the lull by passing on to our readers news of the American Legion on a national basis. This being one of the "occasions" and because many of you are vitally interested in the workings of the parent organization we present highlights from the meeting of the National Executive Committee held last month in Indianapolis.

1. Approval of National Commander Lewis K. Gough's trip to Far East including the Korean scene.

2. Award of the 1954 national convention to Washington, D.C.

3. Approval of an operating budget for 1953 of \$5,290,875.

4. Setting the 1953 national rehabilitation conference for Mar. 3 to 6 in Washington, D. C.

5. Providing funds for the nationwide expansion of "Homestown, U.S.A."

6. Reversing policy on federal aid to education by declaration of opposition to further federal funds or control over public schools.

7. Striking a blow at Communist infiltration, particularly in the entertainment field.

8. Supporting a Constitutional amendment to limit the power of Congress to levy and collect taxes on income, inheritance and gifts.

9. Calling on Congress to create a Federal Board of Hospitalization to coordinate and assure an efficient utilization of federal hospitals under the V.A., the Dept. of Defense and the U. S. Public Health Service.

Charles Wagner Post  
No. 421; American Legion

10. Calling on the President to make funds available immediately to restore the temporary loss of services in the operation of the VA Department of Medicine and Surgery until the Congress can get a realistic picture of existing shortages and take corrective action.

11. Urging all American Legion Posts and members to cooperate in The American Red Cross blood program.

12. Calling on the Department of Army for an adequate expansion of the High School R.O.T.C. Program.

13. Approval of the continuance of the American Legion's Back to God Movement through 1953.

The above is a brief summary, in part only, and is presented without comment.

Last week we carried a short reference to a social night to take place on Nov. 21 at the Hall with a promise of further information this week. Since a promise must always be kept we are now reporting that Friday (tomorrow) evening is one event we don't intend to miss. It's a Stag Night being conducted by the Bar Committee as a "thank you" to the members who have contributed their efforts to the betterment of the Post. Food (shrimp cocktail, etc.), refreshments and entertainment will be provided free and no one is expected to work. "OUT OF THE FOXHOLE" . . . Comes this important message from the Auxiliary of AMVETS. On Friday evening, Nov. 23, new officers of the Ladies group will be installed by the State President. Incoming President, Mrs. Virginia Ulmer, 38

Thanksgiving day. A BOOTH has been set up at the club every evening where post members are bridging in NEW MEMBERS TO JOIN.

NATIONAL AMVETS NEWS: North Carolina again hits a beautiful stride by organizing (38) I SAID THIRTY EIGHT NEW POSTS. Veterans now organized the OSAKA Post #1 in Japan. Chalk up another for Massachusetts, New York and sunny Florida. One of AMVETS organizations kindest friends . . . Susan Peters left a mark on many of us when she passed away. DID-JA-KNOW: That there is a waiting list of 22,001 veterans who are in need of medical care and of these, 10,866 are psychotics, 2,223 have other neuropsychiatric conditions, 547 have neurological conditions, 2,000 have tuberculosis, and 6,145 have general medical and surgical disabilities. That as long as Congress cut into the heart of the VA medical service by closing 2800 beds, cases like the veterans McNally will occur again and again. "Non-service connected" is the cry . . . then what is the family of a veteran who goes mad suppose to do, stand around and get killed? It's time that Veteran organizations stand up and demand those beds. The case of the Long Islander could happen to you. Who are we to say that McNally's case was not service connected? At a time like this with the Korean veterans coming home ill in mind and body, what stupidity caused the closing of 2800 hospital beds. Let's write or call our Congressmen and Senators and see that cases like McNally or Urush of New Jersey can't happen again. AMVETS will be heard when Congress reconvenes and may we Stand-Together but most certainly we will be heard even if we stand alone. Until next week then . . . this is

# JWV Corner

By WILLIAM OLITSKY

Edna Olitsky, my wife, is Nassau-Suffolk County vice-commander, who handles visits to the hospitals has done a grand job with the help of various ladies auxiliaries. Edna's been a little uneasy due to the coming of Christmas. What is the matter, honey? I guessed right, it wasn't for herself or our kids but for the boys hospitalized at Mitchell Field Base Hospital. These men, some are amputees suffering gunshot and shrapnel wounds, keep talking about Christmas at home. Lack of funds keep these men from making the trip.

We can be the answer to these boys now as a member of the JWV but as a resident of Hicksville. We all can be Santa Claus and those who can't leave the hospital will have their families brought right to the hospital and be guests at the Base House at no extra cost. So all we need is the traveling expenses. You folks can send the money direct to the Military of the Purple Heart, PO Box 58 Fordham Station, N. Y. 58, N. Y. For those who bleed, let us honor them with a visit to their home.

The day of recording for the

boys overseas and away from home has passed. Commander Sid Kaplan, vice - commander Seymour Lang, Sam Mozel who had charge of the record project, Teddy Alfeer and George Friedman was the first team to take over the operation, Sunday. The second team included

Mrs. Oscar Lauer, Stanley Miller and Hy Pokard.

A vote of thanks to Herald photographer Frank Mallett of the VFW Post who participated with his camera. He was with us most of the day and joined us for a trip at the Mitchell Field Air Base.

## PLAINVIEW COUNTRY HOMES Week Of Unpleasant Mishaps

By RAE CANTILLI

This has been a week of very unpleasant mishaps.

On Friday morning, little Bobby Geesner of Island St. met with an unusual accident. He and his sister Cathy, sat on the oven door while Ruth was dressing the oldest boy. The weight of the youngsters toppled the stove over and a pan of boiling water fell on the child giving him very bad burns on his left side, bad enough to hospitalize him for a couple of weeks in Meadowbrook Hospital. Cathy escaped injury. We sincerely hope that Bobby will be home and running about in a very short while. We

kind of miss his little smiling face. Also in the hospital is little Billy Himberger of Island St. He is under observation for a possible kidney ailment in Nassau Hospital. We kind of miss him too; especially my oldest girl. Come home quick Billy.

We are kind of heartbroken in our household. Our little cat was killed by a car on Universal Blvd. Tuesday morning, Nov. 11. We feel lonesome for our "Baby" and a crawling sensation for the person who hit her and left her in the middle of the road. My little girl can't understand where her kitty is and wants to know if "Daddy can bring her back."

The Town Committee of the Girl Scouts of Plainview met Thursday night at the home of Mrs. Gerry Lichte. From all reports the cookie drive was a great success. However, everyone agrees that leaders and women to help out in any capacity are urgently needed. If you are interested, please get in touch with me. This is a very important activity to the youth of our community.

Well, that's all for now. If you have any news please give me a call.

## NEIGHBOR DOWLING VIEWS NEWS:

# Support For Edwards On Dec. 2

By JOHN DOWLING

Plainview people will be called upon to elect a man to an expired term on the three-man Board of Water Commissioners on Dec. 2.

At the present time, the Board of Commissioners consists of August Keute, John Froehlich and Ralph Atchue. The latter was elected last year. It is the vacancy caused by the expiration of Commissioner Froehlich's term that must be filled. Commissioner Keute's term has another year to run.

DOWLING

The Water Commission job normally is one of considerable importance since the commissioners are charged with the responsibility of administering the district's water affairs.

In Plainview, however, the position of Water Commissioner takes on an even more important outlook in view of the fact that the Commission's current plans call for the establishment of a district-owned water supply system.

Supervision of construction, initiating a positive policies, knowledge of materials used in construction and eventual supervision of the Water System and required personnel after it has been placed in operation all point to the need

for persons who have excellent qualifications and similar or actual working experience in water supply systems.

One of the candidates for the post of Water Commissioner of the Plainview district is a man who, from a standpoint of education, business background and actual working experience, seems to have the qualifications the people of Plainview desire in those who aspire to public offices.

This man is John Edwards, who resides with his family at 27 Audrey St., Plainview.

Mr. Edwards is a graduate electrical engineer having completed his education at Pratt Institute of

Science and Engineering. At the present time, Mr. Edwards is associated with a large engineering firm in New York and has worked on some of the major engineering projects in the state including water supply systems.

Mr. Edwards is extremely active in the community's civic affairs serving as member of the Board of Education's Building and Planning committee and as co-chairman of the Civic Association's Water Supply committee.

On the basis of his qualifications, practical background and civic spirit, Mr. Edwards deserves the support of Plainview's voters on Dec. 2.

### PUBLIC NOTICE

NOTICE IS HEREBY GIVEN to the qualified electors of the Plainview Water District, Town of Oyster Bay, Nassau County, N. Y. that pursuant to Sections 211, 212, 213 and 215 of Article 13 of the Town Law of the State of New York there will be an Annual Election held within the said Water District in the Plainview Fire House on TUESDAY, DECEMBER 2, 1952 between the hours of 5 P.M. and 10 P.M., for the purpose of electing a Water Commissioner for a term of three (3) years.

Pursuant to Subdivision 20 of Section 215 of Article 13 of the Town Law of the State of New York and pursuant to Resolutions adopted by the Board of Commissioners of the Plainview Water District candidates for the office of Commissioner shall file their names with the Secretary of the Board of Commissioners of the Plainview Water District in petition form subscribed to by twenty-five (25) qualified voters of the District, not later than ten (10) days prior to date of such election.

Every elector of the Town who has been residing in the Plainview Water District for a period of thirty (30) days next preceding

this election and is the owner of property within the District assessed upon the last preceding Town assessment roll shall be entitled to vote at such election.

By order of the Board of Commissioners of the Plainview Water District.

Dated at Plainview, N. Y.

## WOODBURY GARDENS:

# Critic May Takes Oyer For Gene

By MAY MALJEAN  
HI 3-5515

I am writing the column today in the place of my husband; I think he is becoming annoyed with my helpful (?) criticism, therefore I was told very politely to please write the column this week.

After attending the food fair that was held at the East St. School and seeing how diligently the women of the PTA were working, I couldn't help wanting to join right then and there. I have procrastinated in this matter for several months and rationalizing by saying that the housework plus the children and all of the where-withal that goes with our daily existence made it impossible for me to belong. I approached one of the ladies in the cafeteria and, after discussing it at length, gave her my name and address having been told that I would hear from them in a few days.

A few days before the parent-teachers meeting my husband had run into Mrs. Foster and to his surprise found that she was in charge of membership. He has known her for some time now, and has mentioned not a few times the stamina she possesses in her many interests outside her own family life. I knew that I would have the pleasure of meeting her sooner or later and was looking forward to the occasion as I have heard many nice things about her.

That very evening I dropped by Remmie Leary's house, mentioning it to her. She told me that Eve Roth and Helen Branham usually accompany her to PTA meetings and that they would gladly pick me up. This time there was no excuse to put off attending. And believe me I enjoyed every moment of it. After meeting Mrs. Foster and registering, I then introduced myself to Miss Tamler, first grade teacher. We were then to take our children's places at school in the role of pupils. First on the agenda was assembly, followed by our movement to the classrooms. While

listening to a story we were told to draw sketch depicting our interpretation of the tale. The drawings were left at school to be scrutinized the next day by our children. Dolores told me that Miss Tamler had asked the children if they would prefer duplicating their parents efforts in art—to their regular recess period. They unanimously agreed to accept the challenge.

Upon observing the drawings my husband was unable to distinguish mine from Dolores'. He will live on bread and water for one week.

Miss Plantz is a wonderful principal; no wonder the children respect and admire her so, and as for the teachers—Dolores is crazy about Miss Tamler, and I don't blame her, for after meeting her I feel confident that she has the type of guidance needed in the schools. This is true also of the many other teachers there. I know that the children of this neighborhood are in excellent hands.

Being a person of a garrulous nature, I enjoyed the coffee and cake session afterwards. I do want to thank the various ladies that served the refreshments and gave it to her. She told me that Eve Roth and Helen Branham usually accompany her to PTA meetings and that they would gladly pick me up. This time there was no excuse to put off attending. And believe me I enjoyed every moment of it. After meeting Mrs. Foster and registering, I then introduced myself to Miss Tamler, first grade teacher. We were then to take our children's places at school in the role of pupils. First on the agenda was assembly, followed by our movement to the classrooms. While

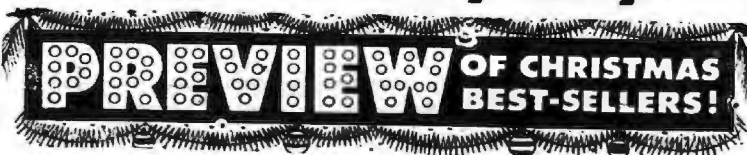

If you can't make it for some reason or other, let the PTA know when you can join in this activity. Out of 34 calls to members of the PTA only 14 were available. This information comes from the discussion at the meeting. It was brought up that, perhaps, the members would prefer not having refreshments at the meetings. However, it was unanimously decided to continue as before.

While we are on the subject of meetings, a most important one is that of the Woodbury Road Civic Assoc. It is important that you note the location and the date. It was mentioned in this column last week, but—lest you forget East St. School is the place and the date is NOV. 20—for you subscribers who receive the Herald by mail—that is THURSDAY—tonight. The club has snowballed into a tremendous organization beyond all of our wildest expectations. The leaders are doing a magnificent job in organizing the community into this association.

The PBC is holding a card party Dec. 12 at the Legion Hall on East Nicholas St. Tickets may be obtained at the Herald office or at McPherson Motors on Jerusalem Ave. However, if you do not have the opportunity, tickets can be purchased at the Hall. This is a worthy cause parallel to the PAF in the city. The Police Boy's Club helps curb juvenile delinquency, and we can help the club by attending the card party. My husband and I have been reading Paul Gerech's column in this paper on the sport page and have found

## OUR INTERESTING NEIGHBORS:

## Counselor On Child Problems

"The job of telling the child about sex belongs to the parent and not the minister, doctor, teacher, or other professional person, and information should be given the child only as he can mentally and emotionally assimilate it," is the professional opinion of one of our interesting neighbors, Mrs. Joseph H. Reid of Lantern Lane, who has a wealth of experience and special training to guide her judgement.

"The time and place may be the privacy of his own room just before bedtime or it may be broad daylight and the place the room or the street. Your own willingness to discuss growth and development, love and marriage with your child will do more to relate sex to life than any well-worded talks of your doctor or minister," contends Mrs. Reid.

Mrs. Reid, a recognized authority on sex education, will have two articles on the subject in PARENTS' MAGAZINE, the first appearing in the April issue. Both articles will deal with the subject in a direct, forthright fashion, and are intended to guide parents in a necessary experience often dreaded and sometimes entirely avoided.

## ZOO TALKS GIVEN

She estimates that, during her tenure as Institutional Director of the Ryther Child Center in Seattle, she addressed P-TAs and similar organizations, and groups of high school counselors, more than 300 times on that subject and on the subject of the emotionally disturbed child. Ensuing discussion with attending parents sometimes would not wait for completion of her talks; seemingly practically every parent believed that he or she had a problem child or, at least, special problems in the upbringing of his or her child.

During her stay at the Ryther Child Center, Mrs. Reid cared for not one but 20 problem children. At first, the children were all sent to the Center by the Courts or

from detention homes; later, they were sometimes brought in by parents and, in one instance she recalls with some amusement, the child came personally to the Center to convince those in charge of his need for care. Oddly enough, he did need care, and was eventually admitted.

The Ryther Center pioneered in living-in treatment of emotionally disturbed children. The age range commonly accepted was from 5 to 16. Both boys and girls lived together under the same roof; about two-thirds were boys and one-third girls. While mixing the sexes posed some problems, it was more than justified by the more nearly normal living conditions that resulted.

The children at the Center all worked together as members of one large family group. Insofar as their emotional and physical condition permitted, they scrubbed floors together, gardened together, washed windows together, with Mrs. Reid directing and sharing the work. Working together provided a sense of responsibility to each other and to society at large which no amount of preachment or conventional institutional care would have inculcated.

## USE OF PHOTOGRAPHY

One of Mrs. Reid's hobbies, photography, grew out of her experience at Ryther. When the children first arrived at the Center their very appearance, more often than not, reflected their internal conflicts and emotional strains. As mental health improved, physical appearance changed to a marked degree. Eventually the idea came to record progress by photographs, and Mrs. Reid became an amateur but highly skilled photographer. The photographs she took are undoubtedly among the most interesting children's photographs ever made, recording far more than mere physical change.

Mrs. Reid acquired one other skill during her stay at Ryther; she learned to cut boys' hair, the unruly hair of unruly boys, a frequently necessary first step in rehabilitation.

MRS. JOSEPH H. REID

Today, Mrs. Reid lives quietly in a Levitt house in Hicksville while her husband carries on the family tradition of child study and care as Assistant Director of the Child Welfare League of America. Mrs. Reid concentrates on care of her own children, Susie, 5½, in kindergarten at the Park Lane School, and Nicholas, 4—and, of course, her writing.

It is a long way for her from the University of Washington where she received her degree of Bachelor of Science in Nursing, from the Oakland Civic Symphony in which she played the violin, and from the Ryther Center and its problem children. But we are happy to have her with us as one of our interesting neighbors in Hicksville.

The A. Amendola family of 40 Georgia St., Hicksville has moved to Elmont.

## The SENTINEL

## Taxes Higher Again in Levittown

The 1952 tax rates have been published, and again the financial advantage of living in Hicksville, not Levittown, is obvious. The annual tax in Levittown is \$75.00 more than in Hicksville, on a typical Levitt house assessed at \$4,000.00. The Hicksville tax is down \$4.16, and the Levittown tax is up \$44.44.

## Integrate At Whose Expense?

Those who are trying to pressure us into integrating with higher-tax area Levittown—the initial step being transfer of control of our pools to the Levittown Park District—must have an unmitigated amount of brass. That anyone should try to steer his neighbors into higher taxes and lesser conveniences to promote a personally held idea of ideology is almost unbelievable,—but that is what seems to be going on, and has been going on for the past two years. Witness the "Levittown" signs, "North-Levittown" propaganda, and the persistent attempts to slice this area from Hicksville.

## Levittowns for North-Levittowners

It has been suggested to the SENTINEL that North-Levittowners should be permitted to have their own personal Levittowns, with all the expense and inconvenience experienced by Levittowners, but without encroaching on the privileges and advantages of those who prefer to live in Hicksville under the established order. There would be some expense in doing this which could be met by assessing North-Levittowners \$75.00 in additional taxes per year, placing them on the same tax level as Levittowners. That amount would, of course, be collected and administered by the North Levittown Home Owners Association.

## Double Sessions for North-Levittowners

From that additional tax money, an effort would be made after the first of the year to provide the children of North-Levittowners with double sessions, similar to those which now exist in Levittown. About the first of the year many Hicksville children will be on single sessions.

## Pool Charges for North-Levittowners

The part of that additional tax money which is applied in Levittown to operate the pools would be utilized in Hicksville to cover legal expenses incurred in making Levitt keep his promise of "free use" of the pools.

## Levittown Signs for North-Levittowners

The "Levittown" signs in the community would be collected and presented to North-Levittowners for use within the confines of their own properties (subject of course, to Town Zoning Regulations). So far as funds would permit, the "Levittown" labelled park benches would also be replaced and the labelled benches given to North-Levittowners for use on their patios. If there were not enough of these benches to go around, lots could be drawn for them. Removal of the signs and benches would eliminate one of the sources of irritation and dissension introduced by the "we-give-our-name-to-communities" developer.

## Repatriation of Levittown Hall

Any money left over would be utilized for repatriation of Levittown Hall—its relocation in Levittown. It would be far more convenient for Levittowners if it were located in Levittown, and the problem of governmental control by the Town of Hempstead could then be more easily solved,—perhaps.

## Nonsense?

It may seem nonsense to propose personal Levittowns on North-Levittowners, but it is far greater nonsense to try to impose Levittown with its tax burden and problems on Hicksville residents.

## Hicksville Schools Available for Civic Activities

At reasonable limits, the Hicksville schools are available for community activities, especially civic activities. As the new schools in Hicksville are opened,—and it is likely that three more schools will be in operation before the first of the year,—The number of available meeting places will increase; there will be three auditoriums available in this area alone, at Park Lane, Dutch Lane, and Old Country Road,—with the new high school to come,—at no additional cost, except, perhaps, in some instances, a small charge for custodial services.

Applications for the use of school facilities should be made in writing to the School Board. In the case of first application by an organization, the Board requires that the constitution and by-laws be submitted for inspection.

Boy Scouts and Girl Scouts are already meeting at the Dutch Lane school. The first civic organization meeting (Shalho) was held there this week.

The scope and number of activities at the other schools would astonish most. Even NLHOA used the high school auditorium when it first organized.

Facilities comparable and superior to the Hall are available in Hicksville. Taxpayers in Hicksville should certainly think twice, even thrice, before they accept the additional tax burden of Levittown Hall.

## Education Association Again

The Education Assoc. of District 17 is again viewing with alarm—the time the prospect of double session two years hence—now that we have partial single sessions in Hicksville. Only recently they were

## Trip To Airport Is School's First

HICKSVILLE — A trip to bustling LaGuardia Airport was the order of the day on Nov. 6, for the two fifths and one sixth grades of Fork Lane School.

About 75 children took the jaunt, including their teachers, Fred Watkins, Mrs. Yolanda Clapp, and Edward McLarney. After a pleasant bus ride, the group disembarked and went to the Administration Building, where they saw how the main business of the passengers is handled; ticket selling and baggage handling.

## Expect Record Dance Turnout

A possible capacity crowd is expected to attend the 11th Anniversary Dance of Holy Family R.C. Parish this Saturday evening. It was reported today by Dance Committee Chairman Robert Uzar.

The dance will be held in the Main Dining Room and Ballroom of the Garden City Hotel, will celebrate the founding of the parish one year ago.

Uzar stated that the sale of tickets will be continued tonight (Thursday) and tomorrow night, Friday, at the Parish Rectory at 2 Crocus Lane from 8 to 9:30 P.M. He said that in the event of a pre-dance sellout, it will not be possible to admit anyone without a table reservation which is priced at \$5 per couple. Two different orchestras will play for dancing scheduled to begin at 9 P.M.

## As Szendy Sees It:

Opinion on Levitt-House Matters  
By a Levitt-House Owner

### Still Be-Clouding Issue

The issue of disposition of the Levitt-built pools and community hall is still being belocuded and confused by seemingly calculated distortions and irrelevant assertions emanating from the NLHOA and the Levittown papers. It sometimes seems that misrepresentation is used even when truth would serve better.

NLHOA now announced that "We who paid for these pools and parks with the purchase of our homes, now stand to lose them" and goes on to argue that "a few selfish and self-seeking people . . . have completely disregarded our interests and have now placed us in the position where we may shortly lose these facilities forever."

How in the name of truth can we lose these facilities if we have already paid for them, as we did? How can "a few selfish and self-seeking people" be responsible for their loss, if it should occur, when those people have no control over them, and Levitt does? Would not Levitt be responsible for their loss, he now holds them in his grasp (even though we paid for them) and refuses to yield them except under terms which he has concocted? Does Levitt have any right to dictate terms? Can Levitt set a time limit for acceptance of his terms? The extent of Levitt's obligation was defined in his advertisement. He promised "free use" of the facilities to us. We made no promises in return. We are not bound to accept his dictation, either in terms or in time limit.

Many objected to his original terms, — split of Hicksville Park and Parking District, and many object to his present terms, — operation by the Levittown Park District. Levitt has no business telling us how we should operate OUR facilities, should he abandon them, nor, for that matter, does the NLHOA.

One Levittown newspaper prints a lurid picture of future civic meetings and dances held in attics, for lack of Levittown Hall. In the same issue of the same newspaper are accounts of meetings and dances held in schools, churches, and other community centers, — not in Levittown Hall, — and not in attics because of lack of Levittown Hall. Is the editor supremely unaware of the locations where these meetings and dances are held, — or what?

The same Levittown paper argues editorially that unless the Hall is placed under the control of the Hempstead Town Board it would revert to the Hicksville Park and Parking District. That is, of course, just another "take" on the

## Fourth Graders On Museum Trip

HICKSVILLE — Two fourth grade classes of Lee Ave. School started out for what proved to be an extremely interesting trip to the Museum of Natural History in New York City on Oct. 31.

The 58 students of Mrs. Grumet and Mrs. Forman, accompanied by Miss M. Barletta, Mrs. McVicker, and Mrs. Manown as well as the teachers, arrived at the museum at 10 o'clock. After checking their clothing and lunches (which were eaten in the special children's cafeteria after exploring the museum), the classes visited the wonderful African and Eskimo exhibits. They left the huge stuffed African animals and Eskimo igloos for the show in the Hayden Planetarium.

Seeing the models of the Sun with planets rotating and revolving in space, the constellations and closeup photographs of the planets proved very fascinating to parents, teachers and children alike. Of course, the boys were especially excited about the displays of rockets and meteors.

Because of the interest, cooperation and valuable educational experience displayed in this excursion, more of such trips are being planned for the children at Lee Avenue School, according to Donald F. Abt, principal.

Now you can boil cabbage, or fry fish, and not have their odors haunt you for hours. An ODOROUT lamp clears odors from your kitchen, the way Nature does outside. For like a summer storm, ODOROUT makes the ozone that destroys odors from the natural oxygen in the air.

ODOROUT operates electrically. You have no chemicals to replace, no artificial scents in the air. And you can leave it on day and night. It costs only a nickel a week to use, and the bulb lasts six months.

Because ODOROUT works on low voltage, it needs a special fixture. You'll find a variety of fixtures on the market, one to suit any room or decorative scheme.

**THE WESTINGHOUSE ODOROUT  
LAMP WORKS THIS WAY . . .**

Ultraviolet rays, generated by the ODOROUT lamp, convert the normal oxygen in the air around the lamp into ozone—nature's own deodorizing agent. Ozone oxidizes odor molecules, leaving no chemical odor or artificial scent. Use ODOROUT ozone lamps to free kitchen, living room, dining room, closets, basement, any place in your home of unpleasant odor-hangover.

## Between Duffy and Old Country: Time To Order Your Turkey

By DORIS WERNER

Hicksville 3-2457-W

Time to order your turkey if you have not already done so. Gosh, the holidays are creeping up on us.

Lots of birthdays on McAlister Ave. this month. Mrs. George Chapman celebrates hers on Nov. 20. Alberta Rabell has one on Nov. 21. Rose Gatterdam celebrates on Nov. 22. Richie Bonhard will be 8 years old on Nov. 23. Happy Birthday to you all.

Richard Marks of Meade Ave. has a birthday on Nov. 25.

Billy Bosch of Nicholas St. celebrates his birthday on Nov. 27. Best wishes children.

The Friendly Circle Club went

to see the play "The Four Poster" Saturday evening. They wine and dined at the Headquarters restaurant. Girls attending were Dot Bonhard, Rosalie Butler, Rose Gatterdam, Ann Hardin, Eunice Haidel, Lois Lodato and Doris Werner. A wonderful time was had by all, except the Daddys, who had to baby sit.

Wonder how that Bachelors Club, that was started in Hicksville last year, is coming along? Do you still have any members?

I'd like to put a plug in the column for a Card Party being held on Dec. 12 at the Legion Hall by the PBC. The money collected is to be used for a Building Fund. Tickets may be purchased at the Herald Office or MacPherson Motor Sales. Also from Lawrence McGunnigle of 92 Newbridge Rd. and Henry Uffmann of East Ave. Come on folks, let's give the boys a helping hand by attending.

Looks like our children will be going to the Old Country Road School very soon. I hear the L.I. Lighting Co. completed the wiring. Speaking of this school, I haven't seen any signs of a signal light being put-up. With the children crossing that street we surely need one.

## HICKSVILLE GABLES:

### East St. PTA Fair Big Success

By RUTH SCHULZ  
Hicksville 3-2548 R

After all of you having to read so much these past few weeks about the East St. School's "Food Fair", I am happy to say advertising really pays off! Yes, folks, the affair was a huge success, being almost a complete sellout. If you weren't there, you really missed something.

Mrs. Muriel Feuerstein of 31 Gables Dr., chairlady of the event, and her assistants, wish to sincerely thank all members and neighbors who were so kind with their various donations. Also a big vote of thanks to the following Hicksville merchants for their generous help: Rogers Stores, Empire Silk, Smith's Drug Store, A. & P., Stop 'n Shop, DeMoss's, Brann's Market, Fairway Farms, Blackman and Klein, Bohack's, Big Ben's, Ted's Supermarket, Giese Florist, and Schwartz Furniture. Also the Bethpage Supermarket and the Nassau Candy Co. of Hempstead.

In closing this subject, just let me say that all of us owe a whopping thank you to Muriel Feuerstein, who worked unceasingly and tirelessly to make this affair the success it was. Know she will be mad when she reads this, but just thought you would like to know who deserves most of the credit.

Little Christopher John Graham, latest son of Mr. and Mrs. Joseph Graham of 19 Gables Rd. was christened on Nov. 2 at St. Ignatius R. C. Church. A buffet supper party was held in his honor and he was the recipient of many lovely gifts. Acting as his godparents were Mrs. Eugenia Miller and Kenneth Edwards. Others present were Mrs. Kenneth Edwards and daughter, Elaine, Mr. M. Miller and daughter, Dianne, sons, Merrill Jr. and Stephen, Mr. and Mrs. John Edwards, Mr. and Mrs. William Marin and daughters, Patricia and Pamela, grandparent's Mr. and Mrs. Samuel Kenney, Mr. and Mrs. John Tils and Mrs. Ethel Reid.

Billy Yanger, son of Mr. and Mrs. William Yanger of 4 Gables Rd., was eight years old on Nov. 5. Mrs. Yanger provided all the fixings for a party which was held in Miss Starn's third grade class of East St. School. The guests included, of course, all of Billy's classmates and teacher, who all enjoyed this welcome break in school routine. Methinks this an excellent idea, as teachers with their infinite patience, would seem to have an easier time of being in charge of a group of this size. Can just picture myself trying to keep

between 80 and 40 children in any semblance of order? Ha!

One more birthday hereabouts, was that of Michael Talbot, son of Mr. and Mrs. E. Talbot of 13 Gables Drive, who was 10 years old Nov. 11.

Mr. and Mrs. John Tils of 20 Gables Road really had a houseful of guests this past week-end. You might wonder when you read that they had nine extra besides their own four, where they put them all. Well, John is quite a carpenter and has finished off their basement beautifully, giving them plenty of extra space. The guests included Mrs. Margaret Tils, Sr., Mr. and Mrs. Joseph Fontaine, Mr. and Mrs. Walter Tils and daughters, Patricia and Eileen, and Mr. and Mrs. William Ziehl.

### To Sing Cantata

A Candlelight Thanksgiving cantata, "Song of Thanksgiving", will be presented by the mixed choir of the Trinity Lutheran Church, Sunday, Nov. 23, at the church on E. Nicholas St., Hicksville at 8:15 P.M. The public is cordially invited to attend.

STUYVESANT WAINWRIGHT, Congressman-elect for the Mid-Island section as well as all of Suffolk County, recently was welcomed as a member of the Archie McCord American Legion Post of Bethpage. Left to right, James Taverna, commander of the Post, welcomes Wainwright. Cliff Daley, past commander of the post, is at right. Naked suspenders were familiar sight to audiences who heard the congressional candidate prior to election day.

## V F W Shorts....

(Contributed By Members of William M. Gorse Jr. VFW Post)

During the recent election campaign, the Republicans and Democrats called names and after the election, the loser offered to co-operate 100 per cent. Only here in the US do such things happen. The same goes for veterans assoc. They do not always see eye to eye with one another, but when it comes to Americanism and community well being, they can and do work together.

This fact was demonstrated a short time ago when the Legion contacted the various veterans organizations and suggested that we purchase and donate American flags to the new schools in Hicksville. The Legion and the VFW jointly sponsored this project and to date, a flag has been presented to the new Lee Ave. School by the Legion. A flag for the next new School will be presented by the VFW.

VETERANS OF HICKSVILLE — you owe it to yourself to join one of the veterans associations in town. If you had overseas service, you are eligible to join the VFW. Come to our meetings on the second and fourth Monday of each month at the clubhouse on Grand Ave. Be a member of a veteran organization.

It would behoove the veterans to investigate carefully but very carefully, the incident at Kings County Hospital when Charles McNally of Babylon was denied admission to the hospital. Before casting judgment on the VA staff at Northport, the following facts should be considered: (1) was McNally denied admission due to lack of beds? (2) what constitutes service—disability (this writer notes that McNally

served 18 months in the Far East; you need not be shot to have a disability) and (3) a VA claims that although they were short of beds they could have authorized outside hospitalization. If true in this case, why did they turn McNally away not once but twice?

**Uniform Inspection Next Tuesday**

Through this column we of the Auxiliary Police, 312, Hicksville Plainview will endeavor to bring news of the activities in this unit of its members. Our unit at present has over 100 patrolmen and officers in uniform equipped to aid any emergency that may arise in addition to the men attending school for 13 weeks under instruction of Sgt. Lehmann of the Nassau County Police Force.

The first annual Barn Dance was a huge success and Chief Thomas Cullen wishes to thank all for their support in this accomplishment. All members played an

important role in yesterday's (Wednesday) alert. Posting of men at vital spots throughout our area was carefully organized and planned by Chief Cullen, his officers and Civil Defense Officials.

Schedules of school nights are as follows: Wed. evening, Nov. 25, and Dec. 10. Additional dates will be supplied to you by card through your Secretary for balance of 1953. **INSPECTION IN COMPLETE UNIFORM WILL BE HELD NEXT TUESDAY EVENING, NOV. 25.** Two interesting films have been planned for your enjoyment. **ALL MEMBERS ARE URGED TO BRING A GUEST OR GUESTS!** For the record—Auxiliary Police are needed from newer sections of our area—as Chief Cullen often says, "We have one of the finest units in Nassau and we intend to keep it that way." Age limit is 21 years or over.

All men who have attended previous school sessions and are now making up nights missed will be sworn in on Tuesday evening, Nov. 25. On the question of flashlights and whistles you can rely on the Chief to get them shortly—please be patient.

Several men are needed to act on our entertainment committee, if you are interested please contact Chief Cullen at 16 Mc Kinley Avenue or phone HI 3-1241. It has been suggested that we have another social event—possibly a St. Patrick's Day dance. Let us know your feelings on the matter. —J.C.

## Home Owners Close Sides

(Continued from Page 1)  
out of Hicksville special districts and being incorporated into Levittown. (See Editorial on Page 4).

The NLHOA decision was to keep plugging for acceptance of the two pools and Hall by Hempstead and Levittown Park District and to move for separation of Hicksville Park District and merger of the area with Levittown. The NLHOA voted to endorse "any and all actions" of the 7-man Levittown steering committee in bringing this about.

Most residents of the area thought the question was settled in August when the Oyster Bay Town Board turned down a pro-

posal to split the Hicksville Park and Parking District. More than 500 had attended a public hearing on the question held in May.

Schwartz told the SHALO audience, Tuesday, that the pro-Levittown forces have not wavered since the Town's decision against splintering off a section of Hicksville and merging it with Levittown. He described the new plan as a move to bring Levittown north into Hicksville, utilizing the Hempstead Town Board.

## FOLLOW LEVITT EDICT

Miller said at his meeting that hopes of having Levitt held to his promise of "free use" of the facilities was "wishful thinking". Suggestions from the audience of a non-profit operating corporation or a new swimming pool district were rejected by Miller and David Sigerson, president of Levittown Civic Council, as being unacceptable to Levitt.

SHALHO had issued the challenge of a debate or forum on the question, with a moderator, last Thursday. NLHOA leaders appeared cool to the proposal when it was voiced at their meeting. It was finally voted at the NLHOA meeting to let its executive committee meet with SHALHO officials and discuss further the forum proposal. Concern was expressed at the SHALHO meeting on the possibility that the present proposal will result in the area being "sucked into tax-deficient Levittown" as a "super-city" is created. NLHOA officials said they oppose incorporation of Levittown of city but made it plain that they want "single operation of all Levittown facilities."

By HOWARD FINNEGAN

Hicksville Field Club will not upset the Glen Cove A.A. this Sunday.

It will merely beat it.

We do not share the awe of so many other persons that Glen Cove and Westbury-Mineola are gridiron titans—far out of the class of the present Black and White.

The facts that both have beaten the local eleven rather handsily have been considered.

Nor does the sight of Hicksville posting 67-points against a comic outfit lead us to rash decisions.

We maintained long before Lindenhurst came to town that the Black and White need only return to the winged formations and it would get its offensive rolling.

The Lindenhurst contest did point up certain important considerations along that line.

It was obvious that given a full opportunity, Ed Coleman can still run and hasn't lost the touch at passing.

Another point is that with Coleman taking a larger part in moving the ball, a big burden is off Ray Halleran and he can operate from the quarterback slot with more effective-ness.

Hicksville is now taking advantage to the last detail of the great play of halfback George Thomas. Thomas has long been great player for the Black and White and even with a four year layoff he has never been better.

Hicksville will not have as many players for this contest as it did the last and the line will have a more distressing time.

However, the home field should help the B&W eliminate the fumbles and other miscues that were damaging in the first contest and coach Dom Sabatella is confident that ends Herman Rigby, Bill Williams, Lou Koji and Al Springsteen; Tackles, Joe Clarizio, Don Vasquez, Jim Spaulding and Burt Wheeler; Guards, Biff Caruso, Pat Hennerty, Don Gagliardo, Bill Sumell and John Hogan and Centers Gus Econopoly and Art Segreto will be fired up enough to contain George Fowler and Company.

It will be close.

Hicksville 19, Glen Cove 17.

## PBC-ing Around

Hicksville Unit of Nassau County Police Boys Clubs

Due to the fact that the Hempstead PBC received permission for the use of their school gym late, there will be a delay in the makeup of basketball schedules. However, this delay helps us considerably for rosters of the teams do not have to be turned in until the first week of December. This means that those members who have not signed as yet, still have time to do so. Junior members may sign at East St. School, Monday and Tuesday evenings, Intermediates at Lee Ave. School, Monday and Tuesday evenings, and Seniors at Hicksville High School, Tuesday and Thursday evenings. Meanwhile, all teams will continue to hold practice games until a schedule is received or until further notice.

Hicksville will be represented by four teams in the Junior League. They are the Buckeyes, to be coached by Art Patterson, Gulls coached by Frank Arpaia, Midgets coached by Henry Uffmann and the Hawks coached by Rudy Bouse. The Saxons, of the intermediate league will be coached by Doug Jones. Referees will be assigned by Headquarters in Mineola for all intermediate and senior league games, while yours truly has been assigned to referee all Junior league games.

Hicksville PBC Alumni team, champions in the B division of the Nassau County Amateur Basketball League, the past two seasons, will travel to New York City to play the New York Boys Club in a non-league game next week. They have also booked a practice game with Framingham Agricultural College on Dec. 1. League competition will start in January and they may be seen in action at Hicksville High for all home games. The team will be comprised of veterans Tom Hartmann, Reggie Jedierowski, Milton Levitt, Harold Manaskie Jr., Doug Jones, Dick Kerbs and Dave Biggs. New players to assist the veterans are Dick Alcock, Stan Kellner, Harry Omack, Bob Meyer and Ted Scofield. Steve Baggerie will again coach the team. A GE Portable Radio is being awarded on Nov. 27, to

help purchase jackets for the team members.

An important message to all sponsors. There will be an election of officers at our next regular meeting, Nov. 26. You are asked to attend this meeting 100%, if at all possible. Don't be a Lamevote! Vote a straight PBC ticket.

Sponsor Henry Uffmann was down with a bad cold and could not speak above a whisper last week. We are glad to see him up and around once again.

If the committee on the trophy case will get together, we can have it installed in the Legion Hall in time for our card party. All that is lacking for completion is the glass.

Tickets for the annual PBC card party, to be held at the Legion Hall, Friday, Dec. 12, are now available at the Herald office, MacPherson Motor Sales or by one of the sponsors who live in or near your neighborhood. Names and addresses of the sponsors are as follows: Harold Manaskie, 13 North Drive; Bob Mangels, 188 Lee Ave.; Lawrence McGunnigle, 92 Newbridge Road; Fred Birk, 12 Elmira St.; Rudy Bouse, 37 Gables Road; Henry Uffmann, 26 East Ave.; Frank Arpaia, 141 Burns Avenue; Pete Hauschneider, 35 Bethpage Road; Dan Grochowski, 13 Railroad Ave.; and Art Patterson, 175 Seventh St. Prizes for the card party will be displayed in the Herald office window before the date of the event.

We the sponsors of the Hicksville PBC, wish to express our heartfelt thanks and appreciation to the Carpenters Union for their generous contribution.

## Puccio, Braun In Top Games

Tony Puccio of St. Ignatius Questions rolled a 223 game and Fritz Braun of St. Ignatius Hicks rolled a 209 game in last week's games of the CYO Bowling League. St. Ignatius Hustlers are in first place with 24 wins and 8 losses. St. Ignatius Hicks are in second with 20 wins and 11 losses.

## LINDIANS DESTROYED

# Field Club Pins Hope Of Victory Sunday On Arm That Tallied 67 Pts.

HICKSVILLE—Defending champion of the Nassau-Suffolk Football Conference, Hicksville Field Club makes the acid stand against the Glen Cove AA on the same field here, Sunday, where last week-end the Black and White romped to a 67-0 victory over Lindenhurst.

Running out of five formations, the Black and White tested most of its offensive plays against the hapless Lindens and found that its principal hope of upending the ambitious Covers is in the passing arm of Ed Coleman.

Hicksville has already lost a 26-0 non-league decision to the AA and a record crowd for the season is expected to turn out to see if the Field Club's return to the double wing can generate some real scoring power.

A win or a tie is a must for the Field Club. Glen Cove and Westbury tied 12-12 and have a league mark of the 4 wins and the mentioned deadlock.

Hicksville has 8 wins against no defeats. The result of the Lindenhurst game was not a token revenge for the 26-13 upset the Suffolk team pulled on the B&W last season, but was the combination of Hicksville's intense desire to sharpen its plays and the miscues of the losers.

Hicksville blocked five punts and covered five fumbles inside the losers 35-yard line.

It started immediately after the kickoff. Coleman rattled around left end for 25 yards and George Thomas, the game's best runner, sliced over right tackle, cutback to the opposite corner and made the last 25-yards, nicely.

Soon after Coleman pitched a 45-yard spiral, in actual flight, to Thomas in the Endzone for the second touchdown.

Later Coleman tossed to Herman high series with 532.

## Reserve Seats For Turkey Games

HICKSVILLE—Due to the initial request of some fifty fans the Field Club has decided to sell reserved seats for its Thanksgiving Day morning contest with the Westbury-Mineola Vamps.

Manager E. Irving Jessor has announced that the special tickets can be obtained at the Hicksville Sweet Shop or Holden's Stationery Store.

The contest which is slated to start at 10:30 A.M. will be a major semi-pro attraction on Long Island and will have in one way or another a direct bearing on the championship of the Nassau-Suffolk Gridiron contest.

In the first non-league meeting between the two clubs, Westbury won a 19-0 victory in a bitterly contested struggle.

Rigby and Ray Halleran. Other scores went to Sid Rigby, ten yards over guard, Jim Springsteen, a 19-yard pass from Thomas, Pete Zeiler, another Coleman aerial, Thomas again on a 23-yard pass and finally a 46-yard return of a pass interception by center Gus Econopoly.

Post Office Bowling Standings in the Hicksville - Levittown Post Office Bowling League are as follows:

	Won	Lost
Ed's Boys	22	10
Old Timers	19	13
Headpins	19	13
Olympics	19	13
Pmuis	18	14

High game was rolled by M. Voorhies with 219 and H. Lang had

Herman Rigby and Springsteen scored extra points by taking passes while Don Vasquez booted five conversions from placement.

## INSULATE FOR COMFORT SAKE

Just how, to get into the comfort zone, that's the question. For those who are yet to insulate their attics, here's the dope from the man upstairs.

There's no question that continuous blanket type insulation in the exterior walls, and ceiling areas of your living quarters, give the best results.

Many times customers ask if they should remove the insulation now existing under the floor. We think it a better idea to leave it there, it makes for good sound insulation.

We have it in the loose wool type which is easy to install between the beams and behind the knee walls. For the rest of the job, the batt type handles easier in the slopes, knee walls and ceilings. Be sure to face the vapor-barrier side to the room, it prevents condensation this way too.

So—You see, after installing the batts between the collar beams of the ceiling, down the slopes, then in the knee walls, and loose wool spread between the floor beams, from the knee walls to the outside wall of the house, you now have complete and continuous insulation, —most important for good results, we've found.

Don't forget louvers—they're important in gable ends above the insulation, that is, corrects condensation — and allows for a continuous flow of air the year around. Get the screened type keeps flies, bugs, and things on the outside.

We have all kinds of booklets on this stuff. Why not call or write your "Uncle Tom" for a copy, he's an ole soak at this kind of business, and his years of experience are years for the asking.

He's the friendly type — like our products, they've been giving friendly service for years and years.

FRIDAY nite—rain or shine we're open till 9.
