Edwards Defeats Ocker In Plainview Water Race

John Edwards defeated Edmund Ocker for Plainview Water Commissioner and an anticipated write-in vote failed to materialize in Hicksville Fire District to highlight the special district elections here, Tuesday night.

Edwards of 27 Audrey Ave was elected Plainview Water Commissioner to succeed Henry Froehlich who was not a candidate. The vote was Edwards 349, Ocker 268 and Oswald Kalfur of Floral Drive, 47. There were 748 votes cast of which 84 were declared void.

In Hicksville Fire District, Harry Gleckler received 376 of 380 cast votes for re-election as fire commissioner for five years. There was one write-in for Ofenloch, 2 blank and 1 void. Bernard Schuster was elected treasurer with 266 votes. There were 113 blanks and a write-in for Appicula.

Henry Strauber was re-elected Bethpage Fire Commissioner with 50 votes. Two ballots were voided. Harry Stewart was re-elected Jericho Fire Commissioner without opposition.

Increase Post Office Hours

HICKSVILLE—The stamp and parcel post windows of the post office will be open this Saturday, Dec. 6, until 6 o'clock at night and longer hours for the yuletide rush go into effect next week, according to Postmaster William G. Nollitor. Window hours, effective Monday thru Friday, will be from 7 A.M. to 7 P.M. and on Saturdays from 7 A.M. to 6 P.M. He urges all patrons to mail parcels and cards without delay.

Hit-Run Victim In Plainview

PLAINVIEW—Dennis Byrne, 52, of the Nassau Sanitorium, Farmingdale, was struck by a hit and run driver as he was walking along Manetto Hill Rd., a half mile south of the Northern State Parkway, on Nov. 23. He was taken to Meadowbrook Hospital suffering injuries to his right leg.

Jericho To Vote On School

JERICHO—Voting on a proposed new elementary school here will take place after a discussion meeting conducted by the Jericho School Board Wednesday, Dec. 10, at the Jericho School. The meeting will start at 8 P.M. and voting will be held from 8:30 to 10 P.M. The proposal is for a 7-room school on a 15-acre site on the south side of Jericho Tpk.

Adult Education Invites Public

HICKSVILLE—The Adult Education Program of Hicksville will hold open house on Wednesday night, Dec. 10, at the high school at 8 o'clock, according to Elery H. Bean, program director. Exhibits will include articles from the sewing and tailoring classes as well as arts and crafts. All members and their friends are welcome.

Santa Arrives This Saturday

HICKSVILLE—Santa Claus will arrive here this Saturday morning, Dec. 6, on a hook and ladder fire truck, BMA President Eugene Staller announced today. He will come up Broadway from First St and mount a special platform in front of the Long Island National Bank at 10 o'clock to hand out gifts to all children present. The Police Boys Club will cooperate by providing appropriate music for the occasion.

BY MID - DECEMBER:

900 Workers Here For L I Lighting Co

HICKSVILLE—Nine hundred employees of the LI Lighting Co. will be working here and out of the new electrical operating centre for the entire Island by mid-December, the Herald learned today. The first group of 60 moved here a week ago and personnel from Mineola, Roslyn and other stations are being assigned here daily.

First arrivals included office personnel from the electrical operating general office, line construction and maintenance offices, training division, safety division and a few from the stores department, a spokesman for the LI Lighting Co. said.

The new electrical operating centre covers a 64-acre tract on the south side of Old Country Rd. east of the LIRR. The total installation will represent an investment of four million dollars.

Divisions and departments to be housed in the new buildings will include transportation where major and minor vehicle repairs are made, warehouses for line construction equipment, line locker building and service building with operating and service departments.

Being shifted here are workers who have been operating out of and in Mineola, Roslyn and Bay Shore offices and divisions.

Dial Telephones Here In Spring

Hicksville will get dial telephone service late next spring and, in addition to receiving the benefits of this change, many local customers will be able to dial certain points in Suffolk and others as far away as north New Jersey and West Point.

Direct dialing of station-to-station toll calls by individual and two-party customers will begin simultaneously with the changeover according to John F. Simonds, N. Y. Telephone Co. manager here.

START IN JANUARY

As early as January telephone crews will start changing an estimated 13,000 telephones from manual to dial in the Hicksville 3 and 4 areas as the first phase of the program. The dials will not be used, of course, until the central office is ready in late spring.

Hear 190 Voices In Carol Sing

HICKSVILLE—More than 190 voices will participate, along with the singing audience, at the annual Christmas Carol sing of the Classroom Teachers Assoc. at the high school auditorium on Friday night, Dec. 12, according to Patrick Naso. There will be no admission charge and everyone is invited to take part.

The formal participants will include the choirs from every grade school, including St. Ignatius, Junior and Senior High Schools, Hicksville Choral Society and the Adult Education String Ensemble.

Naso is chairman of the community relations committee of the Classroom Teachers. Miss Harriet Spink will be musical director of the program.

Guest Speaker

HICKSVILLE—The Rev. Richard Meritt, a missionary from Japan will be the guest speaker at a service of Sung Evensong at the Holy Trinity Episcopal Church, Old Country Rd. and Jerusalem Ave., Wednesday, Dec. 17, at 8:15 P.M.

Rev. Meritt has spent many years in Japan building up his parish and plans to return there next month. He is a graduate of Amherst College. Refreshments will be served after the service by the Men's Club committee.

Gas Blast Splits House; 1 Dead, 3 In Hospital

HICKSVILLE—Investigation continued today into the explosion which split open a new home in Hillsdale Terrace off Woodbury Rd., caused the death of an oil burner repairman and put a mother and two young children in the hospital. Tuesday afternoon.

Marshal Weiner, age 37, of 14 Ridge Ln., Levittown, died in Meadowbrook Hospital of third degree burns about six hours after the blast ripped the home of Dr. Albert B. Huffer at 86 Adelphi Rd., corner of Vassar Lane, at 12:25 P.M. Tuesday.

Mrs. Shirley Huffer, 27, was preparing her baby's bottle in the kitchen, at the time. Mrs. Huffer and her children, Charles, 2, and Bruce, 6 months, were taken to Meadowbrook also suffering severe burns. Dr. Huffer is on the staff of the New York University-Bellevue Hospital in Manhattan and was not home at the time of the blast.

A flash fire roared thru the house, blackening walls, particularly in the kitchen where all the white woodwork was singed and blackened. Windows were smashed and walls of the house buckled. A wall in the bedroom was pushed a foot out of line.

Hicksville Fire Dept responded to the call of a neighbor but the fire was out almost immediately after the blast.

Fire Marshal George Clough was quoted as saying illuminating gas had exploded. It was reported that Mrs. Huffer had apparently been using the gas burner and kitchen range and the blast came when the switch was thrown to start the oil burner.

Weiner was a repairman for the Whale Oil Products of Brooklyn and was in the semi-basement of the new dwelling when the explosion took place. His clothes were shredded and ripped from his body by the blast.

The Huffer family had moved into the dwelling last month.

EARLIER INVESTIGATION

The County Fire Marshall is also investigating the second fire in recent months in the old Lebkuecher home on Old Country Rd. Friday, Nov. 28. Firemen were

called to the scene at 2:45 P.M.

A false alarm called out firemen Monday, Dec. 1, from box 51 at W. John St. and Wyckoff St. at 9:21 P.M.

A 1940 Plymouth owned by E. O'Connor caught fire in front of 28 Basalt Ln. on Nov. 27. Faulty wiring was believed the cause of the fire which caused little damage.

An overheated stove at Ben's Luncheonette, 200 Broadway, called out firemen on Nov. 27 at 3:10 P.M. No damage was reported.

Three grass fires on Miller Rd. and the rye field on Duffy Ave. summoned firemen during the week.

Firemen were called to the home of Edwin Hiscox at 26 Glow Lane yesterday (Wednesday) morning when an oil burner caused alarm. There was no fire damage reported.

TO CHRISTMAS VALUES!

in the HERALD Today

The Business Men's Assoc. in cooperation with the HERALD presents for over 10,000 mid-island families reading this edition, a complete guide for Christmas shopping. The 25-page guide starts after page 16. The BMA suggests you keep this guide at hand and refer to it in the 18 days ahead as you do your Christmas shopping. You can shop comfortably with confidence, while saving time and money, at home.

New Dial Service Here In Spring

(Continued from Page 1)
Island and Westchester central offices will be among the pioneer places in the Bell System to enjoy this extension of dial reach.

Individual and two-party customers will be able to dial calls direct to more than 4½ million telephones in downstate New York and sections of northern New Jersey.

The program will start early in

February with customers served by the Baldwin, Freeport and Scarsdale central offices. In March will follow Massapequa and in April, Levittown. The service will be extended to customers in Peekskill as well as Hicksville in late spring, and to Amityville and Wantagh sometime in 1953.

Customer dialing of toll calls will be made possible by the use of a new type of dial central office with associated automatic message accounting (AMA) equipment.

The operator will still play an important part in handling many calls. All station-to-station calls made to places beyond downstate New York and northern New Jersey, as well as all person-to-person

and collect toll calls, will require the usual operator assistance. So will calls from coin telephones and calls from telephones with more than two parties per line to points beyond their local calling area.

While there would be no change in the way Westchester and Long Island customers within the New York metropolitan service area now dial each other, in dialing toll points outside this area a directing code number would be used. For example, when a subscriber in Hicksville calls Cranford (N.J.) 6-9970 he would actually dial 10 digits—201 CR 6-9970. And, if the number happened to be a party line ending, for instance in "J," he would add that letter with the 11th pull of the dial.

The world belongs to the enthusiast who keeps cool.—William McFee.

Dear Jean:

CLIFFORD PLACE and his missus are going to Florida next month and on the way home will take in the presidential inauguration. They already have hotel reservations in Washington... OSWALD KALFUR did not get a special write-up on his candidacy for the Plainview Water Board last week because of a change in plans. When he indicated he was going to withdraw, Monday, his story was killed as per his request. Later in the day, but too late for resetting, of the type, he decided to stay in the race... The B7th YMCA Club has been established in Hicksville and the 60th, for L. I., in Levittown which the YMCA news bulletin describes as "that fantastic community" and adds this curious note: "Lord where can we find enough money to do a real job in Levittown?"... More street lights of firehouse, still in front of Bank of Hicksville, near Jerusalem Ave. next week, when the Lighting Co. is scheduled to announce in newspaper advertisements its shift of electrical operations to the new layout at Hicksville.

DOLORES CUMMINGS, wife of Herald advertising mgr JAMES, won a power lawn mower at the Bank of Hicksville open house last week. This week JIM won a lawn rake at the Civic card party. All he needs now, with the ground covered with snow, is grass... W. W. ALDRICH who was named by President Ike to become ambassador to Great Britain is one of our distinguished neighbors. The banker has a home in Jericho... First family is expected to move into Morton Village, Plainview, within few days. One thousand nine hundred and ninety-nine more will follow in next couple of months... There was no opposition voiced, Tuesday, to zone change application for 300 by 200 tract on First St., Hicksville, which will become new home of Chevrolet when place came before Town Board... Successor to FRANK G. SCHOLL, Town Tax Receiver who died this week, will probably be a Farmingdale resident since GOP choice for that office always goes to that village...

Hicksville Civic and Community Assoc. has found a new location for its community Christmas tree this year. The site used in recent years is now occupied by the addition to the Bank of Hicksville HARRY ERNENWEIN is on the committee picking a new site, probably near the RR station. The tree is scheduled to go up this Saturday... The BMA hopes to have its lighting on Broadway in operation by tomorrow (Friday) night... Construction has started on new Holy Family Chapel and buildings on Newbridge Rd, Hicksville with official groundbreaking to take place soon... Building reports now discuss Mid-Island Shopping Centre as \$18,000,000 project of 72 stores... Foundation is nearly finished for new St. Ignatius convent on E. Cherry St... Work has started also on \$35,000 addition to Plainview firehouse. HAROLD C. KORDES of Vernon St is chairman of the building committee for the vamps... GEORGE MINTOSH placed an adv. for his lost terrier, Monday night, but before we could print it, the dog came home. Such results!... HENRY G. EISEMANN was re-elected director of the L. I. Assoc. at the annual meeting on Nov. 18...

Miss Clayton Is Rotarians' Entry For Big Scholarship

HICKSVILLE—The Rotary Club has selected Patricia Anne Clayton to represent Hicksville in a District Fellowship competition, according to Buddy Mazzava, club chairman. The Fellowship consists of a Year's study in any part of the world and is worth approximately \$2500 to the winning candidate.

Miss Clayton was selected after many months of search and diligent effort by the Fellowship Committee, headed by Mazzava and including Ken Lant and Herman Lauman, in cooperation with Miss Mabel R. Farley, high school principal. It was through the untiring efforts of Miss Farley that the committee was able to have on hand enough background material on the candidates to make an intelligent selection.

Miss Clayton began her education in the Vermont Public Schools and at the age of seven began studying the violin. Four years later became a member of the High School orchestra. In 1944, the fam-

ily moved to Hicksville and Patricia Anne began studying the piano and soon became the accompanist to the High School Chorus.

In high school she worked on the newspaper staff and served as Editor-in-Chief, in her second year. She made the Honor Roll in each of the four years in high school and in her Junior year attained a membership in the National Honor Society and was Valedictorian of her graduate class. In her senior year, she was selected "The most popular girl in her class."

She won a scholarship to New York University and has majored in music, with teaching as her goal. She has directed a Choral group of 35 children in the Hicksville Methodist Church for two years. At present, she directs music in St. Thomas Episcopal Church in Farmingdale and accompanies the Washington Squares Chorus at New York University.

Her exceptional ability has been recognized at NYU where she is taking advanced courses in the Graduate School of Music.

Current Comment:
**Curious Tale
Of 2 Townships**

By FRED J. NOETH

WHILE REPORTS circulated that forthcoming joint action by Hempstead and Oyster Bay Town Boards might be taken to meet the deadline of William Levitt on the future operation of Levittown Hall, Hicksville, some curious contradictions were noted. Supervisor A. Holly Patterson of Hempstead Township announced that he had conferred with Supervisor Charles E. Ransom of Oyster Bay on the question. Ransom, however, when questioned by the **Herald** yesterday said that no meeting had been held by the two townships and none is scheduled that he knows about.

Councilman Frank Chlumsky of Hicksville also told the **Herald** that he knew of no joint meeting being scheduled with Hempstead.

Patterson was quoted in Mineola, however, as saying "probably a solution will be found in legislation which we must consider for the next session of the Legislature. The residents of 'Levittown' in both the Towns of Hempstead and Oyster Bay must realize that their respective town officials are going to do everything possible to see that the Hall is kept open and to settle the question of the swimming pool."

The reference to "legislation" has an ominous note for those who recall the business last winter about the proposed split of Hicksville by chopping off a piece of the park and parking district. Most of us felt, when Oyster Bay Town Board held the public hearing and then rejected the proposal, that the issue was closed.

Now the very same thing is obviously being promoted thru the Town of Hempstead.

Supervisor Ransom assured us yesterday (Wednesday) that if any joint meeting is held with Hempstead there will be full, public information in advance.

Actually, the mere conference of officials of the two townships is of no special moment. They can and should get together on any subject when they so desire. However, the tone of the Hempstead announcement appears calculated to give special comfort to the pro-Levitt forces—to the detriment of our community.

For other developments on this question see the South Hicksville **HERALD** starting on page 18 in this issue.

The Legionnaire

(Editor's Note: This material was omitted from last week's edition because of the early publication in advance of Thanksgiving Day.)

What with Harriet sick in bed and two children to take care of, the morning rush for Sunday School, the Gifts For The Yanks committee at the High School Field, cooking Sunday dinner and the necessity for turning in the column on the same day because of the holiday this week you folks are lucky (?) to have any column at all!

Having made our excuses in advance we're all set.

Membership continues to swell with the addition of Jerry Legge to the rolls as new member 12 and renewals from Lou Wallenkamp, Joe Kavel, Tom Duran, Emil Boerckel, Charlie Voight, Arthur Gerdes, Frank Glinski, Ben Levitt, Ernie Gundlach, Jim Carter, Dick Bunting, Fred Brengel and better late than never—us! The total for 1952 is now a respectable 60 which again makes us confident (we missed by a few in 1951) that this coming year will see 200 Legionnaires in the fold. And this is being accomplished without any membership drive—the feeling being that when the veteran of Hicksville or Plainview is ready he will join the American Legion and when he joins without pressure he will stay with us.

Last Friday night's party was quite a shindig with about 45 members attending. Everything was free and contrary to the usual form at such a gathering there was more than enough entertainment and refreshment (liquid and solid) for everyone. In fact, there was so much delicious shrimp cocktail that at least one member—initials Bob Schieferstein—had thirds (we only took seconds ourselves) and in spite of the best efforts of many there to dispose of everything there was still some food left, although the "late shift" made short work of the pizza.

Many of the Posts' good workers were there but we sure missed John Nees who reported home very

sick that evening and was unable to attend and also Al Vitale, Jim McLaughlin, Jay Jacob and Jimmy Carter who was there for just a short while. To mention a few of the very familiar names that thoroughly enjoyed themselves we saw Guy Smith, Bob Beard, Ed. Becker, Ernie Gundlach, Henry and Fred Brengel, Walt Coone, Artie Blatz, Al Barlow, Jack Ehmann, Jack Rondeau, Walt Schlichting, Reddy House, Walter Barnett, Steve Wladyska and Al Carpenter.

If omission of your name from the foregoing puts you in dutch at home, let us know. Your attendance will be acknowledged in the next column. (For a slight fee, of course!)

The annual Oratorical Contest sponsored by the American Legion for the school children of Hicksville will be conducted on the morning of Dec. 5 at the High School. The speakers in the contest, which is one more phase of the Legion's Americanism Program, have been coached by Miss Viola Wood.

The judges, who will report at 7:45 A.M., are Legionnaires Fred Brengel, John Deacon and Bernie Haggerty with Walter Schlichting as a stand by in the event one of the three regular judges is unable to appear.

Continuing with the general subject of youth in Hicksville, as Secretary of the Hicksville Police Boys Club for the last three years, as well as an active member of the American Legion, whose concern is always "community", we'd like to acknowledge the fine contribution to the Third Annual Card Party of the P.B.C. by the Carpenters and Joiners of America, Local 1772. We will leave further mention to Legionnaire Paul Gerech whose good P.B.C. column you'll find elsewhere.

Now for several closing notes—Post will join the Auxiliary in turkey raffle. . . . Abandoning refreshment stand at Field Club football games temporarily. . . . Walter Barnett has negotiated another partial rental of Bazaar equipment. Looks like he has a full time job. . . . And the next big event at the Hall.

At the time this happened to me a man was standing on said corner and he told me I was the second person to fall at this spot while he was there. I really think those conditions should be taken care of.

Perhaps someone is hurt more seriously than I then only will these conditions be remedied but I hope this will not happen.

ABOUT AMVETS

Vets Arrange Teen-Agers Activity

BY TOM PAYNE

As the only existing post of a veteran's organization in Plainview, we are extending an invitation to any and all veterans of World War II or the Korean Campaign, to join us and help us do what we can for the betterment of ourselves and our community. For those veterans who are lacking the time or interest or if you belong to another organization (we should all belong to one even if it's not AMVETS), we offer our services for informational purposes. If you have any question, we'll obtain the answers.

Teen-agers and grown-ups alike should take keen interest in a program this post is investigating.

For teen-agers: to form a teenage club and provide a place for diversified entertainment. Thus far we've obtained permission from the Board of Directors of the Plainview Fire Dept. to have the use of the firehouse on the second Friday evening of each month. There are wrinkles to be ironed out, but I'm sure with the assistance of an advisory board (to be comprised of one member of several organizations in the community), these will not be difficult. More details will appear here next week. Meanwhile you teen-agers who are interested can assist us by prodding your parents. Help them develop an active interest in our community.

For the grown-ups: the Board of Directors have also granted us

permission to use the Plainview firehouse on the fourth Saturday of each month for a social. The ultimate goal is to have a community hall of our own. The proceeds from these socials would go into a fund for this purpose.

Neighboring reactions so far have been very heartening. More details next week. Meanwhile, you too, can spur this program on by displaying an interest to your organization, whether it be the Fire Dept., P-T A. Civic Assoc. or the AMVETS.

We don't think anyone is entitled to "sit back and wait" to see what the several other organizations are going to do. If you have any specific ideas of what a veterans' organization should be and do, IT IS YOUR DUTY AND RESPONSIBILITY TO YOURSELF AND YOUR NATION TO GET INTO ONE AND MAKE IT THAT KIND OF ORGANIZATION. We believe the men and women who fought the last great war are naturally inclined to draw together, because of common memories and aspirations. We want AMVETS to be that common meeting ground.

Plainview Post will meet in the auditorium of the new Manetto Hill School on the second Wednesday evening of each month. Anyone interested is welcome. Meeting starts at 8:15 P.M.

Hearfelt thanks to Plainview Fire Dept. Board of Directors for their understanding and cooperation.

Only Few More Weeks Until LAC

By RAE CANTILLI

Hi Folks:

Christmas is creeping upon us. Only a few weeks and then LAC... which means lack of

space with it.

I was sorry to hear of the car accident, involving George McCormick of Island St. As I understand it he is hospitalized with a broken jaw, and a broken leg. I hope he will be home soon.

Little Billy Himmerger of Island St. is home from the hospital, and reports from the Himmerger household results is that he is coming along wonderfully.

Little Bobby Gessner of Island St. is still in Meadowbrook Hospital, but I hear from mama that they hope he will be home in another week. We hope so too.

Another little Gessner is in the news. Dickie celebrated his fourth birthday with a party at his Grandma's house. I guess it was a huge success as I got a glimpse of all the wonderful toys that he got.

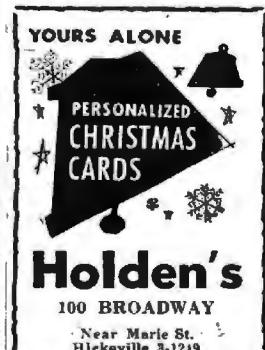

Miss Judy Maggio of Blanche St. celebrated her third birthday on Nov. 24 with a big wonderful party. Among those present were Jackie, Barbara, Joyce and Emily from Blanche St. (Daddy didn't disclose the last names) and her cousin Louis Maggio from New Hyde Park. Happy birthday and many, many happy days.

The Plainview Civic Assn. held their regular meeting recently. As was expected, it was a very enlightened affair. Mrs. Genesta Strong, Assemblywoman from Manhasset, gave a very spirited talk on achievements made in New York State in the last few years. She is a very wonderful person. Also discussed was the progress made by a Water Committee, ap-

pointed by the Plainview Civic Assn., Inc. You notice that I use "Inc." because as of a few weeks ago, the Civic Assn. became incorporated. Please remember that the Plainview Civic Assn., Inc. meets on the third Tuesday of each month. It is an organization to help people with their civic problems, and it is certainly to your advantage to attend and join. We need everyone's help.

Belated Thanksgiving greetings to all and I hope no one felt the after-effects. My husband and I attended the St. Andrew's Night Bell given by the Scotch Club of Hempstead of which my dad is a member. We had the time of our lives, but of those square dances, and highballs just don't mix.

We may give advice, but we cannot inspire the conduct.—Duc De La Rochefoucauld

NEIGHBOR DOWLING VIEWS NEWS:

Need Land For More Schools

By JOHN DOWLING

Acreage in Plainview is being gobbled up fast. With the passing of each week comes the announcement by real estate or builders' agents that large tracts of land have been purchased for the purpose of home construction. From these facts, it is easy to conclude that before long available land in Plainview will consist mostly of plots undesirable for the construction of schools because of location, drainage, transportation etc.

This, of course, has considerable bearing on the future of the district's school system. Particularly, when it is a generally accepted fact throughout the area, in view of the lack of existing educational facilities, that the residents must construct and develop their own educational system. And you can't develop a school system without first acquiring the land on which to erect your schools. Which brings me to this week's topic:

The acquisition of additional land thereby enabling your Board of Education to plan properly and with a minimum of improvisation for the education of Plainview's children. At this time, it is vital to the future growth of Plainview's educational facilities that the residents give serious thought to the purchase of additional land as sites for future schools.

One of the principal reasons why the purchase of additional land merits consideration now is the phenomenal rise in the cost of land in the mid-island area. Prices quoted for acreage are astounding and there doesn't appear to be at this time any economic signs tending to reduce the present costs of land. In fact, real estate interests and their clients have already extended their land-buying efforts over the Nassau line into Suffolk County.

Thus between the original owner of the property and the builder, who is the final owner before actual sale of the land and homes, there are usually anywhere from one to three land speculators buying acreage to sell to a builder and of course jacking up the price in order to make a profit on the deal.

In the light of these facts, there are two proposed courses of action. The first emanates from Plainview people who have adopted a "wait 'n see" attitude. The second from residents who are taking the practical and logical course of "act now before it's too late."

Proponents of the "wait 'n see"

A meeting of the Priscilla Guild of the Plainview Lutheran Chapel will be held tomorrow (Friday) at the chapel at 8 P.M.

idea argue that the land buying boom is sure to decline and when it does the district will be able to get the needed land much cheaper. Of course, they don't have any solution if, following the "wait 'n see" period, there isn't any Plainview land to be had and it's necessary to institute condemnation proceedings to acquire land for schools. In an action of this nature the original cost of the desired acreage is buried in attorneys' fees, land improvement payments which must be borne by the district's residents and many other charges all adding up to an unbelievable figure.

On the other hand, the acquisition of land now, even though it's

higher than it normally would be, will eliminate the possibility of expensive and long drawn out legal battles always prevalent in con-

demnation proceedings, give the district the land necessary for the schools it must build, provide the Board of Education with tools

needed to continue the planning of the school system and most im-

portant give the children of Plainview the educational opportunities they deserve. Fortunately those

residents of Plainview who subscribe to this point of view are far in the majority.

After the last Air Raid alert, Lieut. Clifford J. Goff of the Auxiliary Police phoned me to see if there were residents of our section interested in becoming members of his interesting organization. I replied that I would like to interview him on the subject actually—I wasn't able to see him personally but my wife covered the occasion. She attended the Inspection they held at the Hicksville High School and had a chance to meet the many people connected with the group.

Two films were shown on the subject of destruction wrought by bombers, vividly underscoring the need of organizations of citizens prepared to help follow humans in the event of such disaster. The Auxiliary Police will aid the police department in such cases. They are not called upon for anything other than air raids in which case they are considered members of the police force. Uniforms are supplied free. Sgt. Frank Lehmann of the second precinct, Nassau Police, trains the group very ably and the head of the unit #12 is Chief Thomas Cullen. Please call Mr. Cullen at Hicksville 3-1241 or stop by his home at 16 McKinley Ave. If you believe you would enjoy being attached to the organization.

Our section of Hicksville is in need of auxiliary police and wardens. Nine blasts—a pause—then nine blasts again signifies an air raid alert. On Jan. 22, there will be another alert. If you can help out it will be greatly appreciated.

Lest you think this is an air raid column, we'll get on to the news.

Santa came to Woodbury Gardens—riding thru each and every street in a convertible. I guess it is impossible to drive a sleigh without snow. Crowds thronged to Fulton St. and children lined up to meet the generous man with the white beard. It—more or less—removed us from Thanksgiving and transplanted us into a gay Christmas mood. This was further abetted by the snow flurries the very next day.

Mr. and Mrs. Stine of Vincent Road had quite a mishap with their infant son. He was sitting on the sofa—drinking his bottle, when—unnoticed, he must have started climbing, because when his mother next saw him he was on the floor in a pool of blood. He was rushed to the hospital with a few cuts on his forehead. We hope the child will have a speedy recovery.

Best wishes for a speedy recovery also go to Mildred Greco of Ketcham Ave. Mrs. Greco is convalescing from an operation she had undergone a couple of weeks ago.

Lisa and Roy Sopko have a weekend guest, Jesse Sopko, Roy's brother in the navy. Many of our neighbors are now customers of ours.

the telephone company at long last, Hicksville 4 exchange is finally in. A little excitement locally was prompted by a brush fire in the lots outside Vincent Road. Volunteer firemen rushed to the scene almost as it started.

Pierre Charbonnet, the treasurer for the PTA and for our Civic group, will appear at the next meeting of the Parent Teachers in a champagne hour effect, although it would have been great to see him do an exhibition dance. His business keeps him so occupied that there was too little time for practice. He was formerly in show business.

We had a weekend guest also, Dr. Luis Alzamora of the diplomatic service of Peru. He has been visiting his ranch in Lima for the past year. Mr. Alzamora was the Peruvian representative at the World's Fair where my wife met him. She was working in the Lebanese Building, when he asked her to dress and trim the displays in his Building. Right after this post, he was transferred to Peruvian Information Office, later to be delegate at UNO. His father was the Vice President of Peru. Luis has been in the consular posts for Peru all over the world sometimes serving as ambassador. His sister is Louisa Alzamora, famous authoress.

Woodbury Gardens Civics' Notes:

The day turned up bright and Santa turned up cheery. Lord love a Lorna Doone. Where shall we start to thank all of you who played a part in Saturday's festivities? Let's start with "himself," Jim Surless, and the committee, Marie Ragusa, Andy Damato, Mal Gertzen, Ed. Larken, and Phil McNally. Add also Bob Nankevill, Scotty Williamson, Kathryn McNally, John McNally, Frank Alessio, the girls who packaged the candy, and the neighbors on Smith and Fulton who permitted us to crowd their area. And lest we forget, a special vote of appreciation is in order for the ever enthusiastic children and their patient progenitors whose warm hearts helped to counteract their frigid digits.

The entire affair cost the association exactly nothing. The costume was loaned to us for the occasion; the gifts were donated by members of the association: the money for the candy was contributed by members and the candy was purchased at a good price through the Rogers Store in Hicksville. For these donations we add our thanks to Henry Landau, Tex Worley, Madalaine Doyle, and those who paid for the candy.

So many of you want to know who donated the wonderful toy and the ball point pens that we are tempted to divulge his identity. However, we are constrained by promise to keep this party anonymous. But there is nothing to prevent us from giving a special "thank you" to Mal Gertzen for what we must call a "beyond the line of duty" contribution. No doubt we have failed to mention some contributors. All we can offer is the sincere thanks of the entire community to all those who had anything to do with making Santa's visit a success.

We hate to bring the cold business of the Civic Assoc. up at this time, so we'll keep our official notes to a minimum. Just a reminder to the members of the Rules Committee and the Executive Board to watch next week's edition for the dates of their meetings.

CIVIL AIR PATROL

Local CAP Needs Adult Help

By GERARD BEAUDRY
W/O CAD

Few are acquainted with the Civil Air Patrol and the part it plays in the defense of our nation. In this article I wish to state one of the problems that confront us. In order to do so I must give you a little background of Civil Air Patrol. CAP is an auxiliary of the US Air Force. One of its many jobs is to train our young men and women from 14 to 21 years of age in aviation subjects. The Air Force requires that we have a reserve pool of 100,000 cadets in the U.S. who will have sufficient aviation

training to make them aspirants for the Air Force.

Everything and everyone in Civil Air Patrol is on a voluntary basis from pilots to cadets. I am an instructor at Hicksville High School. I train cadets once a week on Tuesday evening. At present there are 35 male and female cadets and each week I receive more applications from young men and women who wish to join CAP.

The demand for adult instructors in CAP is so great that it is nearly impossible for one man to attempt to teach the many subjects required. For this reason I call upon you adults, no matter what your job is in civilian life, it can be put to good use in CAP. You people who are in our reserve forces can receive credits toward retirement by participating in Civil Air Patrol.

We also need another place to hold meetings. Miss Mabel R. Farley, principal of Hicksville High School, has been most helpful in giving us one of the classrooms to use but one of our important func-

military drilling would be our VFW clubhouse.

The future of our country's defense will rest in our young people of today more than ever. Our young men of 18 who are entering

the armed forces will find that the CAP training will give them a chance to get into the non-commissioned ranks of the services. But this cannot be done without assistance from you.

NORTH WEST NOTES:

Civic Membership Gains By 98

By JAMES CUMMINGS

The recent canvas by North West Civic Assoc., Inc. resulted in 98 new residents becoming members, it was announced Tuesday by President Herbert Johnson. The committee received a vote of thanks for a job well done. Plans were discussed for the Window Decoration Contest and a Christmas Party to be held at Nichols St. School for children of members. Movies have been planned and Santa is expected.

STREET LIGHTING

Correspondence has been directed to LI Lighting Co. and Town Board regarding additional street lights needed on Gardner Ave. between Dakota St. and West John. President Johnson stated "When the street lighting was installed throughout the north west section

last year this area had not been developed by the builder, but now every house built in that section is occupied."

GIVEN PARTY

Carol Ann Rondeau, daughter of Mr. and Mrs. John Rondeau of 106 Nevada St. was the guest of honor at a party held in honor of her fifth birthday on Nov. 22.

The guests were: Patricia Fitzgerald, Katherine Simmons, Barbara Sloane, Richard Arvidson, Gary Rogers, John Rogers, Lynn Rau, Patrice Schnoor, Susan Parfrey, Carolyn Osti, Deborah Smith, Pamela Smith, Mr. and Mrs. Edward Rogers, Mr. and Mrs. Robert J. Neal and Mr. and Mrs. Carroll Rogers.

STAGE MUSICAL

Neighborhood children staged a musical show at the John Ehrenfeld home, 82 Kuhl Ave., Saturday afternoon. They raised \$10 which they will present to the Hicksville Police Fund.

Hope Adams was m.c. and performed a ballet dance; Maurice Delamio played a drums selection assisted by Frank Ehrenfeld who also sang; Mario Russo played the flute; Don Baillie played the accordion; Nancy Johnson led the flag salute; and Helen Mangiameli did a song and dance act. Mrs. Ehrenfeld assisted in a Hawaiian ballet.

She concurred with the Civic Assoc. plan to file a petition with our state assemblyman and senator requesting that school district 18 be given consideration for any special financial emergency aid," President Norman E. Riley told the Herald.

The water commission committee gave its first report on a meeting with the water district staff and board. Highlight of the report was the explanation by the board that leakage as high as 50 per cent in some of the older pipe lines is one of the reasons for the 80 cents per 1,000 gallon rate, here.

The seal of incorporation for the organization was presented by Attorney Leonard Benson to President Riley. The next meeting will be held Dec. 16.

Advisory Group To Make Report

PLAINVIEW — An advisory committee to make a report on an adult education program in Plainview has been appointed and will report to the executive committee of the Manetto Hill P.T.A.

The committee includes: Robert Tuttle, Nicholas Girolamo, Mrs. Fred Baum, James F. Crub, Mrs. Creaswell Delman, Mrs. Marie Gordon, Mrs. Anne Lowig, Mrs. Kay Farley and Gerard White.

Dave Heisler of Lincoln Rd. West of Plainview and his family spent Thanksgiving Day with their family in Ohio.

Girl Scouts Aid Goodwill Round-Up

WESTBURY — Mrs. J. Chester Stevenson, President of the Mid Island Council of Girl Scouts, announced this week that the Scouts of the Council will assist Goodwill Industries of New York in the distribution of Goodwill bags as one of their Girl Scout service projects. Over 1964 bags have been made available by this welfare organization for the handicapped to Girl Scout troops in Wantagh, Seaford, Levittown, Westbury, Bethpage, Farmingdale and Hicksville.

Each scout will take to her own home or to a neighbor's a Goodwill Bag to be filled with discarded clothing, household appliances and toys. These donated articles will then be reconditioned and repaired by the handicapped in Goodwill's workshop and sold in Goodwill low-cost stores. Income derived from the sale of the reconditioned articles goes to pay the wages of approximately 150 handicapped workers.

Town Verdict Cites Free Use Of Pools, Sill Recalls

The Save Our Pools Committee of Levitt homeowners in Oyster Bay Township this week received widespread and active support of residents, according to William Sill of 2 Bank Lane, chairman of the committee.

"We have been in touch with members of the legal profession regarding our efforts to protect the pools for the continued use of the residents to whom they were promised," Sill said yesterday.

"We have also been reviewing the past history of efforts over the months to transfer the operation of the pools to the Township of Hempstead. Study of the decision by Oyster Bay Town Board, made only last August, regarding part of this question is significant," he continued.

TOWN SAID 'FREE USE'
"Oyster Bay Town Board said very plainly the "free use" of the swimming pools was part of the sales promotion employed by the developer. The Board is of the opinion that the pools presently owned by the developer as well as the community hall are intended for the free use of the purchasers of the developer's houses, and should therefore not be a matter of

concern with respect to operation, care and maintenance by the Town."

"That is the opinion of our Town Fathers after a public hearing and long and careful study of this very question. This is not the opinion of one group of homeowners or another."

Sill said that copies of the Oyster Bay Town decision have been prepared and will be provided for all interested who address inquiries to him at 2 Bank Lane.

Membership in the Save Our Pools Committee, created to prevent the close down of facilities by Levitt and Sons who built them, has grown with almost all sections of the 2300 home area represented, he added. Those opposed to the close down urged to write Hempstead and Oyster Bay Township Supervisors without delay since Levitt and Sons has set a deadline of Dec. 31.

HURT BOARDING TRAIN
FARMINGDALE — William E. Kunz, 78, of 66 Notre Dame Ave., Hicksville, was hurt as he boarded the L.I. Railroad train at the Farmingdale depot. He refused medical attention for abrasions of the left cheek, police reported.

MURRAY DUNCAN, principal of the new Old Country Road elementary school in Hicksville, which is scheduled to open before the Christmas holidays. The 10-room school will house about 500 students who have been attending sessions in Nicholai St. School.

Dutch La. P-TA Elects Officers

Mrs. Mary Theiss of 47 Hemp Ln., Hicksville, was elected president of the new Dutch Lane School P-TA at a meeting Tuesday night, Nov. 25, at new Dutch Lane School. Mrs. Leo Saidia, county director western L. I. District of N.Y.S. Congress of Parents and Teachers, installed the officers.

Other officers elected were: William Wood, vice-president; Mrs. Ruth Schaffer, recording secretary; Miss Alice Iverson, corresponding secretary; Mrs. Ruth Holt, treasurer; and Mrs. Jane Bochier, historian.

Meetings for the new P-TA unit will be held on the first Tuesday of each month at the Dutch Lane School.

Praises Hicksville For Help On Seals

MINEOLA—The generous support which the people of Hicksville gave to the 1952 Christmas Seal Sale helped the Nassau County Tuberculosis and Public Health Association reach a total of \$61,917.82 last week, toward their goal of \$175,000.00.

In a special statement issued today, Rev. Ward Glen Gyspon, D.D., President of the Assoc. said: "We deeply appreciate the contributions which so many people of Hicksville have made in support of the work our Association is doing in their community and throughout Nassau County."

The SENTINEL**"Save Our Pools" Committee**

There was need for a "Save Our Pools" Committee because of the ridiculous, almost farcical condition that will exist when the Hempstead Town Board refuses to accept the "gift" of the pools. The people advocating that transfer, as proposed by Levitt and Sons, have, in effect, abrogated their right to any recourse should Levitt close the pools when they are refused by Hempstead—and they should be refused, and it is more than likely that they will be. These people have indicated acceptance of the Levitt terms; they will have no argument if the pools are closed, the alternative threatened by Levitt.

The "Save Our Pools" Committee believes that we have a vested interest in the pools and their use cannot be denied by Levitt. There is, of course, in addition, the supplementary question of Levitt's promise of "free use" given as an inducement to purchase and, in the opinion of lawyers, binding upon Levitt. That also needs resolution and presentation from the average home buyer's angle, the angle of the man who believes that the printed promise, repeated over and over, is a binding contract.

The height of something has been reached when a civic association argues for the developer and against the home owner, and attempts to dissuade home owners from securing that which was promised.

Adding Taxes and Charges

At the NLHOA meeting two weeks ago, David Sigerson, member of the "Steering Committee" selected by Levitt, outlined the manner in which costs of operation and maintenance were to be transferred to the taxpayer. Hempstead Town Board was to accept the "gift" of the pools and community hall. These facilities in Hicksville would then become the property of the Levittown Park District and would be operated with tax money collected in Levittown, in the Town of Hempstead. The residents in this area, in the Town of Oyster Bay, would then be permitted use of the pools only if they paid a charge established by the Levittown Park District.

An effort would then be made to split the Hicksville Park and Parking District and add this area to the Levittown Park District. That would require special legislation. If it were successful, taxes would then be levied on this area, as in Levittown, to support all of the facilities serving all Levitt houses. Those taxes in Levittown in 1953 will be \$7.84 per \$4,000 assessed valuation, AND THE COST OF OPERATION AND MAINTENANCE OF THE HALL HAS NOT YET BEEN ADDED IN. We would be out of the Hicksville Park and Parking District AND WOULD HAVE TO PAY AS OUTSIDERS FOR USE OF THE COMMUTER PARKING AREAS NOW BEING PLANNED IN HICKSVILLE.

The taxpayer will be made to pay for use of the pools and the parking areas if the Levitt-dictated, NLHOA-backed plans go through.

Garbage

Recent editorial use of the word "garbage" by the Levitt-owned, Levitt-controlled Levittown Tribune, to disparagingly describe an item in the **SENTINEL**, reminds us that garbage collection was an important issue in this area not so long ago. Private collection had established which went from bad to worse and grew increasingly expensive until the cost reached \$1.75 per month or \$21.00 per year. NLHOA opposed extension of the Hicksville Garbage District to serve this area, presumably in the belief that any further identification of this area with Hicksville was undesirable, and possibly in the expectation that this area might be included in the Levittown Garbage District when that was established.

NLHOA worked with the private collector, seemingly to maintain private collection at any cost, right up to the last. The **SENTINEL** has a post card dated 4-10-51 and signed by the private collector, Nassau Main Transfer Corp., which reads: "The raise that you enquired about was discussed with your North Levittown Home-owner's Association as long ago as 1950, and we were under the impression that they were to notify you of the increase. This was the reason why some of you may not have known about it."

Collection by the Hicksville Garbage District was eventually secured through the efforts of William Sill, chairman of the present "Save Our Pools" Committee. The cost in Hicksville in 1953 will be \$1.00 per month or \$12.00 per year, as compared with \$21.00 charged by the private collector when it was unincorporated and with \$20.00 to be charged in Levittown. The cost to a Levitt-house owner in Levittown will be more than double the cost in Hicksville.

Culture in Levittown Hall

The **SENTINEL** has stayed out of the present controversy about the Hall as a cultural center. We remember, however, that recently it was "not available" for an important cultural medium—education.

When Hicksville School District asked for its use for kindergarten, the plea was flatly refused. Island Trees District, faced with an emergency condition in September of this year and possible discontinuance of kindergarten, was also refused.

Last summer, when Hicksville School Board asked for part-time use of the hall for the summer program, the reply was discouraging—the Hall might be permitted if the NLHOA were willing to act as intermediary. By the time that stand was reversed, other, more

No, weights haven't changed. But many values have. Seems no matter what you buy, you get less for your money today. Except when you buy telephone service.

Even though the cost of living has

jumped 92%, the average price of telephone service has risen only 15% since 1940.

And your telephone is a bigger bargain than ever because the price of telephone service has not kept up with the rise in telephone costs. Operating efficiencies have narrowed this gap, but they fall short of closing it.

Yet we are moving right ahead with the costliest construction program in our history—to catch up with the backlog of telephone orders, to meet heavy new demands, and make service even better. Today, it is faster, clearer than ever. You can call more telephones, too—twice as many in the average community as in 1940.

Measured by service or measured by price, your telephone is one of today's big bargains.

TODAY'S BIG BARGAIN. Your cost of living has jumped 92% since 1940. Yet the price of phone service has risen an average of only 15%—more for some, less for others, of course, depending on the type of service and the use made of it.

**GOING AROUND THE LANES:****Forecast - Workout Days Ahead**By FLORENCE VRYN
LB 3-3467

Now that you're barely recovered after the Thanksgiving workout, gather your strength for the excursions into the nether regions of the department stores. Oh for the joys of yuletide shopping. Santa's reindeer are visiting Levittown Center and the carols are already in the air. Even the snow arrived to put us in the mood. I'm planning on a lot of activity before Christmas but if I run true to form Dec. 23 will find it still in the planning stage.

The Hicksville Civic Assoc. card party Friday night was great fun. Hope you were there. There were prizes and more prizes and very few went home without winning something. Saw Bob Wathey of Arcadia Lane. He had his hands full of prizes, but, poor fellow, most of them were things he had to hang on to for someone else. Tell us Bob, who owned that polka dot tie you were clutching so grimly? You really weren't going to part with that were you? There was a basket of cheer raffled off and of course I bought tickets by the fistful but the Scotch I brought home was the plaid on

some newspaper I won. Nice newspaper at that, but it would look pretty silly in a glass with ice cubes. Waved a fast hiya to Adele Katz of Bobwhite Lane too. Wish I had half that gal's energy. Before I forget the subject of the Christmas season entirely, I thought I'd remind you there will be a performance of Handel's "Messiah" at the Division Ave. School in Levittown on Dec. 5. Tickets are \$1 and the performance will begin at 8:30. Gabriel Foenster will conduct the Chorus.

My curiosity has been aroused by a car parked on Mallard Road just off Jerusalem Ave. with Alaska license plates. Now how on earth did it get all the way down here? Did the people drive down? What a trip! Could they have shipped the car? I wonder. If I find out I'll let you know. That's almost all I have to say here is a ready as bad as whistling a tune and made audience of one.

Who To Tell Your Objections

Several readers have requested information on whom to write in registering opposition to any new proposal to split the Park and Parking District or merger with Levittown. They are:

Supervisor Charles E. Ransom, Oyster Bay, N. Y.
Supervisor Holly Patterson, Hempstead, N. Y.

Assemblyman John J. Burns, Sea Cliff, N. Y.
State Senator Wm. Hults, Jr., Port Washington, N.Y.

The SENTINEL

(Continued from Page 13)

satisfactory arrangements had been made at the nearby Community Church.

Issues, Not "Personalities"

When Robert E. Baird rose up while the proponents presented their side at the "split" hearing last May 9th to chide the audience to behave like ladies and gentlemen, he sounded as if he might be an impartial observer interested only in seeing reasonableness and fair play. Few knew that he was a past-president of the NLHOA, their defeated candidate for the School Board, and a zealous North-Levittowner. Fortunately, the opponents were not thrown off balance by the odd interruption.

Mr. Baird, and others known to be North-Levittowners, have not been excluded from Hicksville activities because of their affiliations. It is still the opinion of many Hicksville people, including School Board members, that many of those who oppose Hicksville do so because they have been misinformed and misguided and that, in any case, the democratic process demands that honest dissenting voices should not be excluded, but should instead be afforded opportunity for participation and expression.

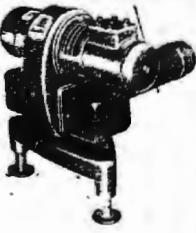

Mr. Baird was invited by a School Board member to serve on the Citizens Advisory Committee on Education of Hicksville School District when it was formed last year. He was again invited to be a member this year by School Board Member Szendy, and attended the first meeting of the group on Nov. 24.

It is surprising therefore to find Mr. Baird, in letters to both the Levittown papers, claiming that "even school news (is) being kept out of needed wider circulation in this despicable action" whereby Szendy, Noeth, and Arthur Schwartz "have forced north Levittowners to look away from Hicksville to other places for their social life, their business and other facts of life while they attempt to force just the opposite," he wrote.

There is, of course, much more—castigation, aspersions, allegations, little argument on the issues, much accusation of persons opposing NLHOA plans, Szendy, Noeth, and Schwartz, in Mr. Baird's published letter.

Personal attacks will not solve problems or eliminate issues. The value of argument should not be impaired by discussion that deteriorates into "personalities". Bad behavior and "personalities" are inextricable, whether at public hearings or in print.

HIT CROSSING STREET
HICKSVILLE — William Feirstein, 68, of 83 North Broadway, was struck down while crossing Broadway near Thorman Ave. by a 1947 Chrysler on Nov. 26. Peter Meyer of 20 Libby Ave. was driving the car, police reported. Feirstein suffered laceration of the face and contusion of the nose.

As Szendy Sees It:

Opinion on Levitt-House Matters
By a Levitt-Home Owner

Interdependence And Cooperation

A recent statement of Raymond Moley that "civilization is a sharing of interests; it is loyalty, cooperation, and interdependence" applies also presumably to segments of this civilized world contained within communities established governmentally to share tax burdens and the facilities supported by them.

People in such communities are interdependent because of the very purpose for which the community was established, for the joint support and maintenance of needed facilities shared in common. Their interdependent citizens manifest poor judgment when they do not cooperate, and lack of loyalty from a fragment of the population is justly resented. Loyalty cannot, of course, be demanded, but it is instinctive with the majority of those participating in a concerted effort, large or small.

Our interdependence in the community of Hicksville exists in our common support and use of our schools, fire protection, water supply, street lighting, garbage removal system, and public parking fields. These are of far greater importance to us, service-wide and financially, than any developer-created interdependence on swimming pools or meeting hall.

Nevertheless a strenuous, almost frantic, effort is being made to establish superior interdependence with Levittown, hanging it all on those three facilities. Some where there is a lack of values, or sense of relative importance, or reality,—or perhaps a calculated wish to delude.

Granted that the pools are a useful recreational facility, and a hall available at no cost convenience, they nevertheless, do not constitute just cause for dividing those bound together by other more important common interests and interdependence,—especially when the recreational facilities can easily be retained without such division.

The basic issue in this area is not disposition of the pools and the community hall, it is the attempt at division, advocated by Levitt, furthered by pro-Levittowners, and opposed by those who recognize it as a threat to our effective and

nothing towards its establishment, buildings, equipment.

Since that time we have been further bound to Hicksville by the construction of new schools, and by extensions to this area of fire alarm, street lighting, and garbage removal systems.

We have also benefitted from taxes lower than those in surrounding expanding communities, — \$75.00 less per year than Levittown, — while oldtime residents have accepted higher taxes to help provide for us.

There are many who recognize the true facts, who are grateful for the helping hand extended when we arrived, for the new schools for which oldtimers and newtimers mortgaged their future, and for moderate taxes, less than last year. To them, the thought of all this

friendly cooperation with those with whom we share important commonly-supported facilities and who were the source of much-needed services when we arrived.

Our children were accommodated in Hicksville schools, paid for by Hicksville, when we arrived. They were not accepted in Levittown schools. There were no schools available for them in the locations marked "school" on the Levitt plans; these we learned were only school sites, then in process of being sold by Levitt to the School District for some \$148,000.00.

Many do not know to this day that the Hicksville schools had been on single sessions when we arrived; that they went on double sessions for the first time in their history to accommodate our children. Double sessions in the elementary schools were inaugurated in September, 1950; in the high school in January, 1951.

Fire protection for our houses was also available when we arrived from an existing Hicksville fire department. We had contributed.

MID-ISLAND HERALD, DECEMBER 4, 1952—PAGE 15

artificially stimulated and unnecessary dissension is abhorrent. There exists interdependence, there should also be cooperation

and, perhaps, even loyalty. There still exists no valid reason why the Hicksville Park and Parking District should be split.

CONTEST

HOW TO WIN: During the contest, one vote can be cast for every penny spent in our store. For example, if your family needs aspirin, ask Mother to buy a bottle of Rexall Aspirin (100's) at our store for 54¢. This purchase will entitle her to cast 54 votes for you—one for each penny of the price. If your relatives, friends, neighbors (and others you may ask to help you) buy their everyday needs at our store, their purchases could easily build up into a staggering total of votes in your favor.

REMEMBER: YOU are eligible if you are 16 years old or under. Why not get started right now? IT'S SO EASY to win one of these wonderful prizes!

**In Addition To The Above Grand Prizes—
14 Additional Prizes Will Be Awarded**

To The Boys and Girls With The Most Votes.

SAY MOM, WHEN YOU BUY AT REXALL TODAY BE SURE
AND VOTE FOR THE BOY AND GIRL OF YOUR CHOICE

CONTEST ENDS DECEMBER 24th AT CLOSING TIME.

PRIZES WILL BE AWARDED ON DECEMBER 25th AT 10:00 A.M.

Chief Schluter Warns Of Danger

HICKSVILLE — Fire Under-
 ward Schluter Jr., warned today
 that combustible Christmas decorations introduce serious fire hazards
 during the current season, and
 asked local citizens to take extra
 precautions to avoid turning holiday cheer into grief and tragedy.

Chief Schluter recalled last
 year's tragic Christmas fire in
 Tijuana, Baja California, when 84
 died and 98 were injured in a fire
 resulting from a blazing Christ-
 mas tree at the annual charity
 party for orphans and poor chil-
 dren. To prevent a similar disaster
 this year, he urged that these
 safety rules suggested by the Na-
 tional Board of Fire Underwriters
 be followed by any persons or
 organizations holding parties at
 home, school or church:

1. Don't locate the Christmas tree near any stairway or elevator shaft which would provide a draft.
2. The tree should not block a door or any exits.

3. An inspection of the tree should be made by someone in authority to determine whether the tree has dried out to the point that it should be removed.

4. Be sure plenty of ashtrays are provided for smokers. Don't allow smoking near the Christmas tree.

5. Be sure that all decorations throughout the room have been flameproofed.

6. Avoid using net or gauze-like fabrics for dresses, costumes or children's clothes. Loosely woven fabrics easily catch fire.

7. If loosely woven costumes have to be worn, they should be flameproofed with the following solution: mix 9 ounces of borax and 4 ounces of boric acid in a gallon of water. Dip the fabric in this solution, wring by hand, then hang to dry. This flameproofing method must be repeated after each laundering of the garment.

HICKSVILLE GIRL SCOUTING: Interesting Photography Trip

By FLORENCE VRYN

Girl Scout Troop 217 held its investiture ceremony recently and the following girls were received into the Brownies; Gladys Carraci, Ruth Cramer, Margo Mesick, Rosemary Recine, Susan Benedict, Karen Baker, Janice Ekbach, Eileen Frawley. Mothers were invited. Mrs. Estelle Wilbur is troop leader and Jane Deets and Olive Foran are co-leaders.

Troop 7 went on a photography field trip and visited the Eastern Camera Exchange on West Marie Street where Mr. Arnold gave the girls a very interesting and instructive talk on cameras and photography. He showed them how to keep their cameras in good working order. On the way home the girls snapped some pictures at the fire house and other points of interest. The girls who participated in the trip were Dianne Williams, Judy Scheriff, Joyce Clements, Marian Dagna, Mary Woods and Judy Teubner. Mrs. Harriet Woods is the troop leader and Mrs. F. Teubner is co-leader.

Troop 19 held its investiture in the Parish house of the Trinity

Lutheran Church. The ceremony was conducted by the president of the troop, Joyce Luther. The new scouts are Elaine Brownell, Dorothy Benson, Barbara Hendry, Nance Neglani, Lorraine Wetterau, and Patricia Young. At the next meeting the girls are going to start on badge work and the seven Small Fries Patrol will be in charge of the Thanksgiving party.

COUNCIL MEETING

Mrs. Richard Hawes presided at the monthly meeting of the Hicksville Town Council of Girl Scouts, held at St. Stephen's Parish house.

Anual reports of the committee chairman were submitted to the council and the information will be submitted to the Mid Island Council of Girl Scouts. The Mid Island Council will include this information in its report to the National Headquarters of Girl Scouts in the United States.

Mrs. Thomas Sullivan attended the Regional Conference of Girl Scouts in New York at the Hotel Statler. The conference was a meeting of all the women interested in scouting and who were working in scouting in the New York area and the group was addressed by Mrs. Gilbraith, mother of the authors of "Cheaper by the Dozen" who is an eminent engineer. She spoke of the benefits of scouting to present day youth.

Other prominent speakers addressed the gathering during the day and Mrs. Sullivan's report included a great deal of material the members of the Council would find useful. Mrs. Robert Goodrich, Organization chairman of the Council reported on the growth of Scouting in Hicksville and informed the members there are at present 16 troops in Hicksville with the seventeenth to be formed at the Fork Lane School in the near future. There are 20 names on the waiting list for scout membership and 45 on the list of girls waiting to be accepted into Brownie troops.

Mrs. Goodrich as organization chairman accepts applications from girls who wish to enter scouting and her telephone number is Hickville 3-5318-M.

The Leaders Assoc. of the Mid Island Council is sponsoring a dance in Farmingdale to which all the members of the town councils

and their escorts are invited to be the guests of the Assoc. on Dec. 6. Members who wished to attend were asked to call Mrs. Sullivan and make definite arrangements.

Miss Lucille Montana gave a report on the Amateur Night which had been sponsored by the program committee. Mrs. Jimmie Wallace is Program Chairman. Mrs. Estelle Wilbur, camp chairman, announced that preparations should be made to reserve dates for camping trips at Camp Eddy, for the coming season. Plans were discussed for the reservations for individual scouts who wished to attend Camp Eddy for part of their summer vacations. Mrs. Louis Cersosim stressed the necessity for having each leader register every scout in her troop and have the information recorded with Mrs. Cersosim who is the registrar for the Hicksville Town Council.

Troop 64 Plans 30th Birthday

HICKSVILLE—Boy Scout Troop 64 will observe its 30th anniversary at a Charter Night ceremony tomorrow night (Friday) at the East St. School at 8 P.M. Ship 18 and Cub Pack 298 will also be present to receive charters from National Headquarters by David LeFeber, District Scout Executive.

All past and present members of Troop 64 will be honored at the anniversary party. All former scouts of the troop are invited to attend.

Indian ceremonial dances, First Aid demonstrations and Tenderfoot Ceremonies will be features of the evening. Scoutmaster Fred Hohfeld is in charge of arrangements.

Junior High Announces Date

HICKSVILLE—The Junior High school will present its annual Christmas program on Friday, Dec. 19. There will be an afternoon performance for the students and an evening program for students, parents and friends. Harold Robbins is in charge of the program with Miss Harriet Spink directing the music.

Names of the cast will be announced next week, Robbins said.

NORTH EAST REPORT

Welcome To New Area Columnist

By LEE CHANIN
Hicksville 3-0853-R

My family and I have had a wonderful vacation in Florida and we've returned with plenty of tan and all the vim, vigor and vitality to take us through the winter.

However, for numerous reasons, I find it necessary to retire as your columnist. In the year and a half that I've represented our area I have made many friends and ac-

complished many things that have given great personal satisfaction.

This column will continue to appear in the Herald through the capable efforts of Judy Wilson of 2 Gladys Pl. Her phone number is Hicksville 3-1848-W. Be sure to call her when you have an item of interest.

So I'll say so long to my friends and readers and to you, Judy, I wish the best of luck as our new North East reporter.

Monday, Nov. 24, league play started officially for the Juniors at East St. School. The Buckeyes, coached by Art Patterson, showed power in trouncing the Gulls 33 to 4. Pat McGinnis with 11 points and Barry Kleis with 10 points starred for the Buckeyes.

Baldwin of the Gulls scored all 4 points for his team. The Midgets, ably coached by Henry Uffman, cruised to 26 to 16 victory over the Hawks. Bob Sakaris was high scorer for the Midgets with 12 points while Kordulac scored 11 points for the Hawks.

Tuesday Nov. 25, Buckeyes and Midgets engaged in a real thriller with the Buckeyes squeaking to victory in overtime 21 to 20. The Midgets had the edge in ball handling and passing, but the marksmanship of the Buckeyes told the story. Chet Nichols was high with 6 points for the winners while Dick Lamberston had 7 points for the losers. In another squeaker the Hawks defeated the Gulls 14 to 13.

The PBC Alumni came through with a victory over the N.Y. Boys Club, 77 to 74. Dick Aleske, displaying the same form that made him an outstanding star with Hicksville High, led the Alumni in scoring with 16 points.

Watch for a date to be announced in the near future about a basketball clinic to be held at Hicksville High. On the evening, December 1, for all PBC members and their parents, Mik Levitt and the Alumni team will demonstrate proper form in ball handling and marksmanship, plus the rules of the game. A scrimmage game by the Alumni will top off the evening. Keep posted for the time and date in this column.

Here are the election results of our last regular meeting. Nov. 26: Fred Birk elected President; Harold Manaskie, Vice-President; Lawrence McGinnis, reelected Treasurer; and yours truly elected Publicity Director. A bouquet to Harold Manaskie for the fine job he has done for the PBC as President. We feel sure that he will work just as hard to establish the Hicksville PBC as a leader in Nassau County. To all card players and buncy fans, don't miss our Annual Bunco and Card Party, Friday, Dec. 12. There will be beautiful prizes that are now on display in the Herald Office. Stop by to see them and we are sure that you will want to attend.

We are sending out an appeal for additional sponsors. Our membership has grown so large, it is necessary to have more sponsors to help the youngsters. Those interested, who have a spare evening, please contact Fred Noth at the Herald office, Fred Birk at MacPhersons Motor Sales, or call Hicksville 3-1414-M or come to the Legion Hall during one of our regular meetings, the fourth Wednesday of each month. We feel sure that you will enjoy helping the youngsters in their activities.

Let's Not Forget Santa Visit

By BUNNY LAUER

The first snow has come and gone, leaving a trail of wet snow shoes and gloves all over the kitchen. What a lovely sight.

The Ivorys of Lee Ave. had a white house from Brooklyn on Thanksgiving Day.

The William Woodleys and Elliott Lauers spent their Thanksgiving Day in the Bronx.

Mr. and Mrs. Wesley Stewart of Cottage Blvd. celebrated their 10th wedding anniversary with a dinner party in their home. Their guests were Mr. and Mrs. Wesley Stewart, Jr., of Queens Village, Mr. and Mrs. Leo Murphy, Mr. and Mrs. Thomas Suster. They spent the later part of the evening at Guy Lombardo's in Freeport.

The PBC card party tickets for

Dec. 12 are selling like hot cakes and no wonder, it's for a very good cause.

We have some lovely neighbors in the Park Terrace Homes. Remember way back when we first moved into the Frank Homes? We were completely surrounded by farms but now it looks like we are living in a metropolis with streets cutting through to Jerusalem Ave. and stores coming up. "If we only had a subway" quote Lila, "every thing would be perfect."

Richard Kerby of Lee Ave. had a grand time celebrating his fourth birthday with a trip to Happy Land, a snack at the hot dog stand. His pals, Joey Beck and Larry Stein, were his guests.

The Webers of Cottage Blvd. are home from a two-week stay in Boston with Jeanette's folks, Mr. and Mrs. James Hughes.

HICKSVILLE GABLES:

Looking For Suggestions, Items

By RUTH SCHULZ
Hicksville 3-2549-R

Hope you all had as wonderful a Thanksgiving as we did, and are sufficiently recovered from that over-stuffed feeling that one seems to acquire directly after this happy holiday. This year it seems more than ever, that we should all be giving thanks that we are living in the wonderful country that we do, and not as thousands of other peoples, in those oppressed lands across the sea. From day to day living, with its daily problems, many of us are apt to lose sight of this fact, but somehow at this time of year we find it more towards the surface of our thinking.

You know, my fondest wish is to see a little more participation in this column from some of you folks. With a little effort on your parts, we could make this not only interesting in a social sense, but a place for helpful information to be recorded. Do any of you have any ideas or suggestions? Will give you an example of what I mean, and please let me know your reactions. Suppose some of you gals let me put into print, some of your favorite recipes, or maybe some of you would be interested in family name histories and their origins, if the information is available with a little library research on my part.

I think either one of these ideas interesting and probably you have even better ones, but please let me know what they are, and then we'll get away from there. As Wilson gal next door would say "Be real Spodees" which is Brooklynese for "being hep," I believe. Corrections invited.

Edwin Feuerstein, Jr., son of Mr. and Mrs. Edwin Feuerstein

of 31 Gables Drive, celebrated his 10th birthday Nov. 22, with a party given in his honor. The guests participated in team games and individual contests to win prizes, and each was presented with a memento of the day. Those present included Tommy Boyukia, John Ackerman, Jerry Miskovsky, Bobby Brockway, Frank Hudak, Greg and Tommy Soinen, Doreen Jakabek, Bonnie Wilbur, Dick DiLeo, Joe Graham, Billy McKee, Tommy Kramer, Madeline Bianco and Susan Sally and Barbara Feuerstein. Edwin was pleased and surprised to receive from his parents an edition of Webster's New World Dictionary, which he had wanted for some time.

Nov. 26 saw the passing of another birthday for Betram Chernow of 10 Gables Rd. Joseph Graham, Jr., son of Mr. and Mrs. J. Graham of 19 Gables Rd. celebrated his 10th birthday Nov. 29 with a trip to New York to see the showing of "Plymouth Adventure" and then on to dinner at the place of his choice, the Automat.

Mr. and Mrs. Leonard Urchel of 15 Gables Drive marked their 9th wedding anniversary on Nov. 24th. They were the dinner guests of Mr. and Mrs. Arnold Dames of 46 Audrey Ave., Plainview, and then of all things, they proceeded home to finish painting the living room of their home! Sounds like the honeymoon must be over! What else .

5 School Boards Discuss Merger

BETHPAGE — Representatives of the Bethpage, Old Bethpage, Island Trees, Plainview and Plainedge School Boards meet at the Broadway School here on Nov. 25 to discuss consolidation or centralization of the five school districts. Dr. Arthur Schmidt of the New York State Education Department said that the Nassau Schools Study group recommends consolidation or centralization of the districts.

If the group centralizes Bethpage will continue to pay its present indebtedness but future indebtedness would be shared by the five districts, the audience was told. If the group consolidates, the group would share present and future indebtedness.

Adoption of centralization or consolidation would pending approval by a vote of residents in each of the five school districts, it was stated.

Plainedge P-T A Sponsors Bazaar

BETHPAGE — The PTA of the Plainedge School, Stewart & Boundary Aves., will sponsor a Christmas Bazaar on Friday, Saturday and Sunday, Dec. 6 to 7 at the school.

Mrs. Robert Schoenfeld, chairman assisted by Beverly Friedman, has arranged for ten booths: Old Curio Shop, Jan Jaret; Jewelry, Janet Byrne; Toys, Terry Whitney; Needwork, Chloe Nehrbas; Food, Louis Shillito; Kiddy Booth, Jeanne Hirsch; Christmas Cards, Helen Palin; Girl Scouts, Dorothy Waldner; Game Booth, and Santa Claus in Toyland.

This year, Mrs. Hoffman hopes to equal the fund raising activities of her last year's group.

MRS. ROBERT GILLESPIE of 728 Stewart Ave., Bethpage, chairman of Save the Children Federation for the Hicksville-Bethpage area, is pictured with some of the articles of food and clothing that were shipped on Oct. 15 to the adopted village of Gannadria in Greece.

400 Attend P-TA Barn Dance

By DOROTHY GUELPA
Hicksville 3-1218-W

Mrs. Charles Blasinger of 2 West Court returned to her home from the hospital after surgery.

The Community Service Station officially opened on Broadway at the corner of Maiden Ln. this week. Very nice people, too.

Mrs. Catherine Leykamm has opened a children's wear shop in the building formerly occupied by M. Robinson Inc. Adorable clothes in the window.

The Boy Scout Mothers' Auxiliary held a successful cake and apron sale last week and they wish to thank all those who helped. The turkeys were awarded to J. A. Aligaler of Brooklyn and H. Mathews of Coronet Crescent South.

A card party will be held Monday, Dec. 8, by the Rosary Society of St. Martin of Tours Church in the parish hall at 8:30 P.M.

The parents of William McDowell of 4 West Court returned home from a year's vacation in Scotland and a big welcome home party was held last week-end.

Mr. and Mrs. Robert Gillespie of 728 Stewart Ave. entertained Thanksgiving Day. Their guests were Mrs. Edward Robinson, Mr. and Mrs. Homer Wilson of Rockaway Beach, Arthur Arras of

Brooklyn, Robert Veige of Dix Hills and Mr. and Mrs. Smeltzer of Bethpage.

Mrs. Alice Crowell of 30 William St., Bethpage, is ill at Meadowbrook Hospital. Her family wishes to thank Dr. Charles Melone and the Bethpage Fire Department ambulance crew for their assistance in taking her to the hospital.

Mrs. Robert Gillespie, chairman of Save the Children Federation, announced that she has received 22 Christmas socks made by the Youth Fellowship of the Bethpage Methodist Church, and a large collection of pencils from Henry Rockhill.

The Christmas socks will be sent to Nassau County sponsored school of Save the Children Federation in Bumbers Cave, Tenn.

An estimated 400 attended the Bethpage P-TA barn dance held on Nov. 23 at the firehouse.

Door prizes were awarded to Mrs. Dolly Corona, Dorothy Wallace, Mrs. Laura Closius and Mr. Harley. Mrs. Leykamp won a turkey.

Mrs. Ann Merin won first prize in the costume contest. Mrs. Ann Clark received prize for selling the most tickets.

Tommy Bertschi of 2 Burkhardt Ave., Bethpage, reports the loss of his 3 month-old Beagle pup. The puppy chewed through his leash and ran away on Sunday. He asks that his neighbors be on the lookout for the pet.

Bethpage parents have requested the School Board to modify the fire drills during the winter months so that the children will not be outdoors for long periods in inclement weather.

ANTHONY B. SIRAGUSA — GENERAL INSURANCE

Hair - Breadth Harry

By HOWARD FINNEGAN

The personnel will be different, but the pattern will be the same.

Hicksville High School will not have the outstanding names that it has had for the past three campaigns on its basketball squad, but its trademark of run and shoot will be the same.

Coach Chet Jaworski is in a good position to moan the blues, but the man who has zoomed Hicksville to just short of the heights in the court game merely expects a respectable season and make no bones about it.

Such scoring wizards as Dick Alcock and Harold Manaskie, Jr., and their talented friends like Stan Kellner, Harry O'Mack and Doug Jones, are no longer on hand, but Jaworski hopes his new Comet edition will show up as well as did his make shift team from February to March did last season.

The new-four-year-rule started this year ripped five first string men from Jaworski in mid-season during the last campaign, but the additions he rushed up from the varsity held firm and lost only to the County champions from Oyster Bay.

It has already been posted on the board that the Baymen are well stocked in their quest for a sixth straight Eastern Division North Shore Athletic League flag.

After failing in two campaigns with identical records of 14 wins and 2 losses to unseat the Baymen, Hicksville naturally is expected to recede this year and leave that thankless chore to others.

Jaworski only talks of having a winning team and leaves pennant talk or the lack of it to others. He will take each game as it comes.

He does not have an easy job. For the same problem he had last year faces him again this season. Graduation will take two starters from in late January and he must not only build to hold present lines but to fill gaps once again.

It is a fair assumption that the Orange and Black followers, delighted but not greedy, having basked in the glory of 42 wins and 8 losses over the past three years would consider ten wins this season more than their rightful share of victories.

One thing is sure. Jaworski will be working hard to produce a better than .500 team.

He does have some material to start off with. Ray Delay is 5-9 and came along nicely for the Comets last season. Pat Fnos 5-11 and Mort Rossner 5-9 were capable replacements last year and will come forward in their own right this campaign.

Six-foot Dick Evaschuk and John Maxwell, a newcomer to school, will round out the probable starting five.

Jayvee grads Dick McCarthy, Ruben Callajas, Joe Pepe and Gary Puccio will lend much needed secondary support.

Basically it will be a young team and more inexperienced than not. It will have to face opponents smarting from recent defeats at the hands of the Orange and Black.

And those opponents are reported to be on the way-up.

Badly tattered as it was, the Hicksville Field Club rejected all thoughts of adding players ala 1951 for its final game with Westbury.

The Vamps were heavy favorites for the contest but insured it by gaining Bill Barritt of Maryland, courtesy of Alabama and Mississippi, and a few others.

Effort would have gone down the drain if George Thomas were not hurt. The trans-continental pass play usually thrown to him caught the Westbury defense flat-footed twice. A runner off Thomas's speed would have scored two TDs.

With the ball on the Westbury one inch line on fourth down the Hicksville huddle was a bedlam. Eight of the players were would be quarterbacking genii.

Play that developed was a result of the loud confusion.

Hicksville had used all its time outs and Ray Halloran could not call for a respite to calm the group.

The star of Jericho is on the ascent.

The Vamps just to the north are once again going to floor a basketball team in the Nassau Amateur League.

It was just two years ago that the Fire Department withdrew its support of the club and it had to disband. The problems that motivated that action have now been settled and set straight so the team has a formal blessing to organize again.

Hicksville High Alumni of pre-war vintage are getting basketball suits out of mothballs and will challenge the Comet court team to a match in two weeks.

The contest will be held for the Washington Trip Fund and has been approved by Miss Mable R. Farley, principal.

Veterans of all campaigns prior to 1940 will pit the old style of play, slightly less polished, against the present fast breaking game.

It is hoped that as many persons as possible from the 38 championship team will be on hand. Already Pat Naso, Dick Finkinger and Bill Brodiuk have been lined up from the only title winning team Hicksville has ever had.

FC Loses Finale 14-7 After Stall

HICKSVILLE — That hard core of Hicksville pride reported to have perished, rallied brilliantly here, Thanksgiving Day morning, and but for one agonizing inch could have astounded the Long Island Semi-Pro football world.

Beaten badly by Glen Cove only four days before the Field Club fought the powerful Westbury-Mineola Vamps tooth and nail in a thriller only to lose a 14-7 verdict after it was stopped on the winners goal line in the final minute of play.

A holiday crowd of close to 1,000 was in a panic as the Black and White made its bid for the TD that would have made pointless a playoff between Glen Cove and the Vamps for the Nassau-Suffolk Gridiron Conference title.

Ed Coleman smacked the forward wall three times and moved the ball from the four to the inch line. On fourth down Quarterback Ray Halloran pitched to Bill McNamara in the left Blank and he was greeted by three defenders.

A desperation pass into the end zone found no takers and two plays later it was over.

ED STETZ SCORES

The Vamps had an exhausting struggle to gain the playoff. A tie would have given the title to Glen Cove. Hicksville was depleted and injury riddled but dug in against the visitors who even "loaded up" for the contest.

Using the winged formations with Pete Zesher and Ed Stetz running, the FC moved 48-yards to the visitors three in the first period. A holding penalty stopped a score, but a poor quick kick gave possession on the 24.

Stetz, a defensive man hitherto but needed to spell Coleman's bad

knee, tore around the left end for eight yards. On a trap play up the middle he twisted for 13 more.

With the ball on the four he had a walk around the right end as he was provided with bone-cracking blocking.

Don Vasquez added the extra point from placement and Hicksville lead 7-0.

The B&W retired at halftime with that advantage on the defensive efforts of Stetz, he recovered a fumble on the FC 16 late in the half, Dick Henry, Gus Econopouly, Pat Hennery, Jack Spaulding, John Hogan, Coleman, Biff Caruso, Tony Rossolini and McNamara.

UPSET AVERTED

With Chip Gannon providing the crucial plays Westbury scored twice in the third period. A 15-yard penalty set up the first score on the two yard line and the second extra point appeared extremely wide of its mark.

The game was not over, however. Westbury appeared to be ready to break it open but fumbled on the Hicksville ten.

Ed Coleman got off two fine passes although rushed and a spread formation with McNamara throwing increased the motion of the drive.

Stetz figured in the rushing of the ball but it was a 20-yard completion to Al Springsteen from McNamara that put the ball on the

four. It is a salient point that Springsteen was off balance when he caught the ball. That happened to two other Hicksville receivers during the game and in each case they had an easy score.

Coleman hit the strong point of the Westbury defense three hard times and the 89-yard 35-yard drive for the big upset was denied.

CHRISTMAS RUSH!

Your mind won't work, your feet are somewhat dazed, your eyes are glazed. Along you go, with thoughts confused and buy some gifts that won't be used. You get your Dad some perfume jars, for Mom you purchase good cigars. That Christmas list you made one day has, somehow, strangely gone astray.

Don't let the confusion of Christmas shopping keep you from attending to the needs of your car. Have your car checked and serviced immediately by a competent mechanic. Your car deserves our winter change-over! Drive in now and let us check your car . . . there is no obligation on your part. You'll drive a safer and more comfortable car if you make regular visits to the Broadway Service Station, Your Friendly Texaco Dealer, Broadway and James Street, next to Post Office.
