## Phoney Clothing Drives Plague Homeowners

Bethpage, Hicksville and Levittown residents have been  
plagued recently by requests for old clothes from persons who do  
not have the sponsorship they claim.

According to second precinct police, residents of these areas  
have been asked to donate clothing for the benefit of Hicksville  
High School, St. Martin of Tours R. C. Church and another church  
in the area. The organizations denied sponsoring such a collection,  
however.

Persons receiving such calls could enable the police to check  
up on these collectors by notifying the precinct here when the  
collectors are due to call for the bundles.

## CURRENT COMMENT:

## It's Up to Voters

By FRED J. NOETH

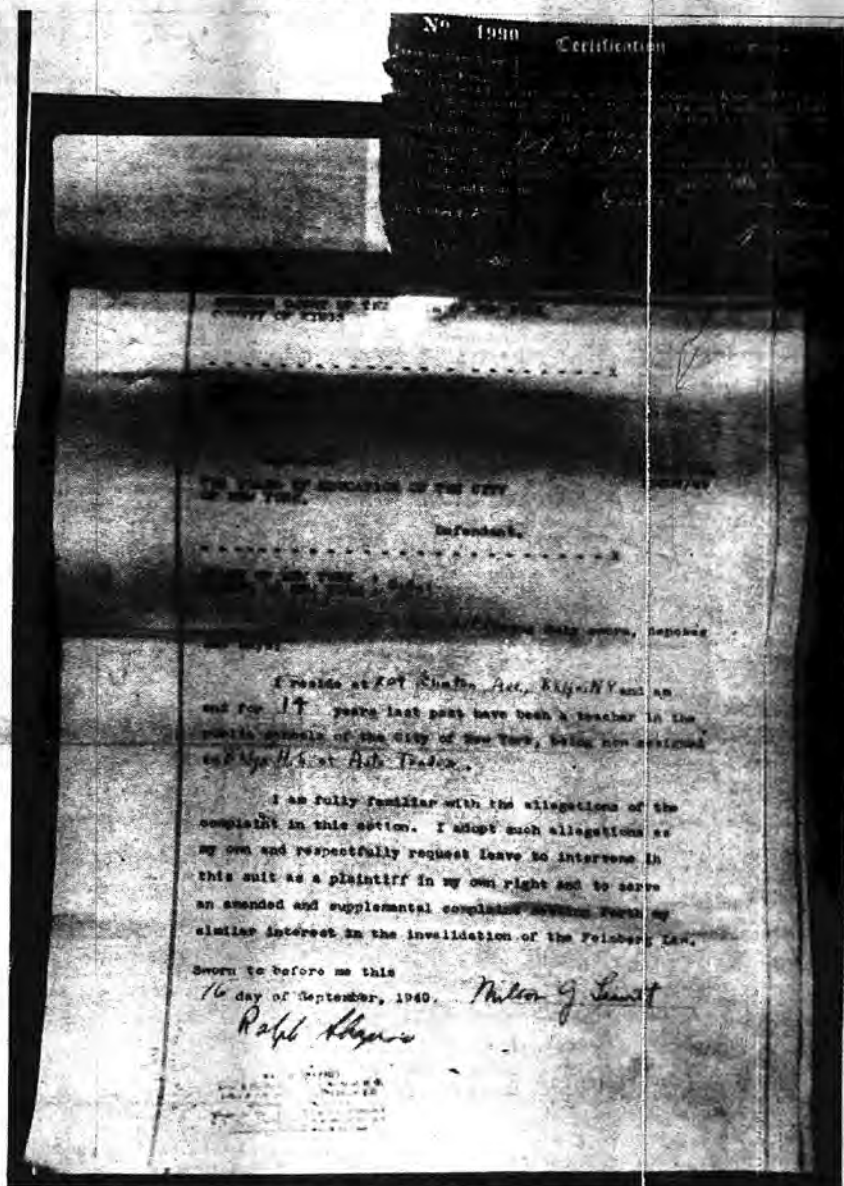

THE DECISION now is up to the people of Hicksville  
School District at the polling places where they registered  
last week. Voting hours are from 4 to 10 PM on  
Wednesday, May 2. Results will be announced at the  
auditorium of the old High School on Jerusalem Ave.  
at Second St. after the polls have closed and the results  
have been compiled by the District Clerk and Board of  
Education.

Results will probably not be available until 10:30  
or 11 or later, based on past experience. Results will be  
posted in the Herald office windows as soon as known.  
You may call the Herald for returns but past experience  
has shown our telephone facilities are inadequate for  
that first, initial surge of inquiry.

There are 4,931 people registered to vote. Last year  
25 per cent of those who registered failed to come out  
and vote. There are three vacancies of three years each,  
terms starting July 1 of this year.

The opposing candidates are Leavitt vs. Eirich,  
Soininen vs. Eaton, Maloney vs. Carpenter.

We have made our position clear. We are con-  
vinced that the School District can only hope to  
return to its legal, efficient, functioning position  
by the election of Eirich, Eaton and Carpenter,  
soundly defeating and rejecting Leavitt and his  
"harmony trio".

CERTIFICATION and photostat of the record  
from the Clerk of the County of Kings and  
Clerk of the Supreme Court of the State of  
New York, showing the affidavit signed

"Milton G. Leavitt" and swearing "similar  
interest in the invalidation of the Feinberg  
Law". The text of the above document is  
stated in the adjacent column on this page.

## Law Ousts Subversive Teachers

HICKSVILLE—Milton G. Leavitt, leader of the "team" of Leavitt, Soininen and Maloney  
seeking election to three-year positions on the Board of Education, was today confronted with  
documentary evidence that Milton G. Leavitt had sought to invalidate the Feinberg Law. Leavitt,  
who has resided at 41 Atlas Lane, here, since the end of 1950, flatly denied at a public forum  
in the new high school last Friday night that he had ever discussed, signed or lent his name  
to any document in a court proceeding contesting the validity of the Feinberg Law.

The Feinberg Law is aimed  
at the removal of Communists  
from the government and from  
positions of trust and responsibility  
in the public schools.

Leavitt, in an affidavit released  
to the press on Monday, swore  
that he never permitted the use of  
his name in opposing the law ousting  
and banning communistic  
teachers and other civil employees.

James Matienzo of 162 Haver-  
ford Rd. had asked Leavitt at the  
Friday night forum if the candi-  
date had been an active participant  
in legal action seeking to set aside  
the Feinberg Law. Leavitt assert-

ed "I never heard of such an ac-  
tion" and categorically denied he  
had been involved in any such legal  
action. He said he was insulted. He  
protested his innocence.

Vigorous charges of a "last min-  
ute red herring" and a "smear"  
were issued to the press by the  
Leavitt, Soininen and Maloney  
team, Monday.

The records of the Supreme  
Court in Kings County were check-  
ed on Monday by Matienzo and At-  
torney Harry Goebel. While they  
were in the records building they

saw Leavitt, Joseph Maloney and  
Attorney Isadora Siegel who, Go-  
ebel said, were examining the files  
in the action on the Feinberg Law.  
The United States Supreme Court  
has sustained the constitutionality  
of the Feinberg Law.

The file, among the origi-  
nal records, includes an affida-  
vit signed by a Milton G. Leavitt,  
a New York City teacher,  
then residing at 209 Clinton  
Ave., Brooklyn.

## Select Girl's State Representative

BETHPAGE — Mrs. Rose Moulton, Empire Girl's State chairman for the Archie McCord American Legion Auxiliary, this week announced the selection of Miss Eileen Sullivan to represent the community at the 1956 session of Empire Girl's State which will be held at Skidmore College. Miss Sullivan, a junior in the High School, is the daughter of Mr. and Mrs. John L. Sullivan of 10 Sussex Lane.

Girl's State is a project of the American Legion Auxiliaries and Eileen will be sponsored by the Archie McCord Unit. It is a practical application of Americanism and good citizenship and offers to the girls attending, an opportunity to learn first hand that citizenship carries with it corresponding duties and responsibilities to their government and to learn for themselves that government becomes what they make it.

During their stay at Girl's state, the girls will have their own government and elect their own officers. They take part in stimulated non-partisan campaigns, party caucuses, elections and then handle

the affairs of office; learning as no other method can provide just how government affects life, liberty and happiness. As a fitting climax, they will visit the state capitol, meet executive officials including the governor and sit in on a legislative session.

Girls from all over New York State will convene at Skidmore during the last week of June, and Miss Sullivan will be one of the 23 students from Nassau County to make the trip.

Selection of a candidate is made by the high school principal and faculty on a basis of scholarship, leadership, character and cooperativeness. The local representative has consistently maintained a 94 average in school work; is president of the Glee Club; vice president of the band and actively participates in all sports especially archery and tumbling.

All expenses for her stay at Girl's State will be undertaken by the American Legion Auxiliary unit No. 86.

## VISITS OLD FRIENDS

The first president of the Archie McCord Unit 86, American Legion, returned last week to visit the old home town. Mrs. Elizabeth Dingevan, a former resident of Bethpage, expressed amazement at the town's growth as she toured the community. Mrs. Dingevan was the guest of Mrs. Jennie Laumann of Wantagh Ave., and spent many enjoyable hours visiting friends and recalling old times.

Mrs. Dingevan was installed as president of the Auxiliary 28 years ago when meetings were held in a little store on Railroad Ave. She has kept up her membership in the unit throughout the years although she is no longer active in Auxiliary work.

## PLAN GARDEN SHOW

In celebration of Arbor Day, April 27, the Garden Club donated flowering Kwanzan Cherry Trees to each Boy Scout troop in Bethpage. The trees are to be planted on community grounds.

On the morning of May 21 there will be a workshop meeting at the home of Mrs. Charles Buxton. When some of the members will make corsages and boutonnières for the teachers of the Powell Ave. School in celebration of Teachers' Recognition Day, same date.

## Scout Campaign Reaches \$7,000

William Doyle, community chairman for the 1956 Boy Scout Expansion Fund Drive, announced today that Bethesda residents and business men had contributed \$7,000 as their share toward expanding present Boy Scout facilities. This amount is the largest ever contributed in any fund drive ever held in the community.

Doyle, on behalf of himself and his committee, expressed his sincere appreciation to all the men who had contributed so freely of their time to visit local residents and business men and interest them in the needs of Nassau troops, and to the local residents who gave so generously.

All pledges and contributions this year make possible the expansion of Camp Wauwexap so that more local scouts may benefit from year round scouting; the expansion of Harkness Pavilion so that more leaders may be trained to take care of the ever increasing number of scouts. The two new camps, one at Livingston Manor and the Explorer Base in the Adirondacks are still in the primitive camping stages with improvements being continually made during the coming months.

In a breakdown of the figures, Doyle said that \$2,018.00 had been received in advanced sales; \$3,601.00 in door to door canvass and \$1,325.00 from industry for a complete total of \$7,144.00.

Working with Doyle on the drive were Henry Rockhill and Morris Chandler, co-chairmen of the door to door canvass; Robert Pinkus, advance gifts chairman; Albert Munzfeld, training chairman and Kay Mazzei, public relations.

## Dutch Lane Concert Rates Rave

By CHARLES DeSHAW  
HICKSVILLE — The show to end all shows took place at Dutch Lane school Friday evening, Apr. 27.

The Spring Concert was more than a concert, it was a Gala Production, and one that would put to shame many of the so called "Broadway Hits". Howard "Ted" Scholefield, principal at Dutch Lane, said it was an entirely new concept in the type of entertainment for presentation by an elementary school, and gave the faculty credit for it.

The idea of this type of entertainment (the first of its kind in any elementary school) was first conceived at a faculty meeting, according to Scholefield, and when suggested, was enthusiastically approved by all. "It is the kind of program expected of High School seniors or college students", he said, and everyone who was fortunate enough to witness this spectacle agreed wholeheartedly.

According to Scholefield, there were about 25 days of rehearsal under the guidance of Mrs. Madeline Underwood, Band Director, and Miss Helen Gravelle, Director of Glee Club and Dance; and the children who participated in the program were very cooperative and worked exceedingly hard.

The art work and the scenery for the Concert was under the direction of Miss Hurlburt, Director of Arts and Crafts, and Mr. Delli-Carpini, Director of the Workshop Club. The scenery background was azure blue with large cream colored notes painted on.

The Dance Band (the only elementary school dance band in Hicksville, according to Mrs.

Underwood) comprising 27 members between the ages of 9 to 12, was only formed last November, but the excellence of its playing gave the appearance of having been together for many years, which pays tribute to the teaching and directing of Mrs. Underwood.

ALL WERE STARS  
To attempt to select any individual student as the star of the show would be an impossibility, for they were all stars. However, special mention should be made of one girl, Susan Douglas, who was the "Story Teller" during the "Grandfather's Clock" number the band played. Her poise, diction, gestures, and facial expressions was what one would expect in a mature seasoned actress.

Although it would be difficult to select any one act that could be called a "Show Stopper", the one coming closer to that description was the "Crew Cuts" number, featuring Jeffrey Daniell, Bobby Rosenfeld, Kenny Streeter, and Arnold Yanoff. Appearing on stage wearing mop head wigs, they pantomimed a record of the famous "Crew Cuts" quartet, including the antics that the Crew Cuts are noted for, and gales of laughter and applause greeted their presentation.

Another act with an unusual twist was the "Waltz" number, when bubbles floated all over the stage while the couples were dancing to the music of "Champagne Waltz."

The precision of the tap dancing "Rockettes", featuring Jody Bornmann, Darleen Moroney, Barbara Miller, Carol Ann Neglia, Denise O'Conner, and Claire Provenzano, was excellent. The famous Music Hall Rockettes had better look to their laurels.

By far the most breathtaking feature of the entire evening was the Glee Club, wearing Powder Blue Robes with White Peter Pan Collars and Powder Blue String Ties, under the direction of Miss Helen Gravelle, and accompanied by Mrs. Kaufmann at the piano. The robes, 60 in all, had been made by a group of 29 mothers under the chairmanship of Mrs. Mary J. Bay, were beautiful.

Two of the 7 numbers sung by the Glee Club were superb. These were "Glow Worm" during which the lights were all turned off and the children flicked on and off pencil flashlights to give the impression of glow worms or fireflies, and the other, which was by far the most beautiful was

GOOD NEIGHBORS FOR 30 YEARS

THIS OLD HOUSE which for generations served as Hicksville's Rail Road passenger-freight station before it was acquired by the late Fred Sutter for his monumental works near the depot over 10 years ago, came tumbling down in the path of progress last month. Top photo shows the building before the wrecking crews went to work. The structure was one of the oldest in the community. Modern stores and offices are to be built on the site at Jerusalem Ave. and Newbridge Rd. (Herald photos by Frank Mallett).

## HERALD READER OPINION: Finds It Impossible To Park

By WALTER S. DAVIDSON  
To the Editor:

The Police Dept. and or the Town of Hicksville seem determined to drive business out of Hicksville. It is practically impossible to find a place to park within ten blocks of 27 West John St. where my office is located.

I moved to Hicksville to establish a business in July of 1955. There are eight people connected with me in this enterprise and it was my intention to build up an organization of considerably larger size. My home is in Port Washington and in order to come to my office every day, it is necessary for me to park my car somewhere in Hicksville. Incidentally, there is no provision for pay parking for a period of longer than one or two hours.

I myself have received three tickets for illegal parking at times when it has been absolutely impossible to find what the Police Dept. would consider a legal parking space. Under the circumstances, there seems to be no alternative but for me to move my organization out of Hicksville. I have discussed this matter with a number of people who feel exactly the same way as I do about it.

I have taken the matter up with the office of the Town of Oyster Bay, but to no avail, and I am addressing this letter to you in the hope that some publicity may be given in this case. I know that there are hundreds of businessmen here in Hicksville who feel the same way as I do about this situation.

# Report To Taxpayers:

By SOL ZIMMERMAN

The election campaign is over. As the din of battle dies away, my sincere hope is that the voters have seen and heard enough to enable them, aided by Divine Guidance, to make a wise choice.

In my opinion, Messrs. Elrich, Eaton and Carpenter conducted a remarkably restrained campaign, with dignity and humility. This group may have lacked the glossiness of their opponents but their sincerity more than offset this disadvantage. Win or lose, I am proud of them and happy to call

them friends.

The 'cigarette' team L.S.M./E.T. conducted a rough, hard-hitting campaign. There were times when their blows were somewhat on the low side. On many occasions, they tried to ridicule and humiliate their opponents. They gave the constant impression of talking down to the electorate. The effectiveness of their tactics remains to be seen.

Whether we agree with the candidates or not, we must remember that they offered

their talents and time, gratis, to the community. We owe them a vote of thanks.

I would like to offer my congratulations to the victors and wish them good luck. To the losers, I would like to say, "Thanks a million for a gallant effort!" The community would still like you to serve it, in one capacity or another. Please, don't let the defeat embitter you and discourage you from your stated intention of serving your friends and neighbors. Let us all continue to strive to make Hicksville a better place to live in.

## THE SCHOOL BOARD SITUATION:

# Szendy Questions Prof. Maloney

At a candidates' forum sponsored by the Fork Lane P.T.A. and held at the Fork Lane School on Thursday evening April 26, the following questions were asked of Prof. Maloney by Emil J. Szendy:

S. Are you still a member of the American Association of University Professors?

Prof. Maloney answered "yes".

S. Do you subscribe to any or all the principles enunciated by the Association this month, that members of the Communist Party shall be permitted to teach in American colleges and universities; that taking the Fifth Amendment in response to questions by Government agencies regarding past or present Communist affiliations should not be grounds for dismissal; and that those colleges and universities that have dismissed professors for taking the Fifth Amendment should be censured?

Prof. Maloney said, among other things,—"I have not had time to study this. You are more familiar with this than I am." I cannot categorically answer this."

referring perhaps I can give you a more clarifying answer.

S. Perhaps, Prof. Maloney.—

M. Specific quotation, sir.

S. You will recall the quotations which I gave last night and which I will now repeat.—

M. Fine.

S. And consequently, as you recall them, you undoubtedly also know what I am talking about. Now, this organization, to which you belong, stated—I am summarizing—

M. Uh! Uh! Direct quote, please.

S. I do not have the complete statement at hand and, my summarization, Mr. Maloney, is quite accurate.

M. Sir, from your discussion of the matter last night I doubt very much if you comprehend the subject you are discussing so I doubt very much the accuracy of your summarization unless it is substantiated by the direct quotations.

S. Now you did not, however, attempt to find the direct quotations between last night and tonight, did you Dr. Maloney.

M. Sir, this morning I had a three hour conference in my office until 12 noon; I taught classes until approximately 3; I came home and reached Hicksville at approximately 4:30; concerned myself with pressing family problems, arranging for example, to mind the children while my wife did her shopping; prepared myself for this meeting tonight, and did not waste time pursuing your particular question which I regarded as out of place in this particular campaign any further.

S. I will ask—

Voice from the audience—Sol, are we having a debate? Heh?

Another voice from the audience. It's perfectly alright, it's like a Board meeting.

Zimmerman, Mr. Szendy will you ask the question and let Dr. Maloney either say he's—yes—no—or he refuses to answer, and then we can all go home. How about it, is that fair enough?

S. I will ask the question in exactly the same words which I asked them last night. Do you subscribe to any or all the principles enunciated by the Association this month,—you know the Association I refer to—

M. Sir, the Bulletin of the American Association of University Professors,—the last issue which I received contains something like, I believe, 70 or 80 pages of censure of 5 or 6 Universities, including a Catholic University. I carefully studied that issue and must admit that I did not have the time to read entirely that Bulletin in the last month or so. I am not familiar with all of the principles enunciated. I know they are controversial in the sense that they have been widely discussed from various points of view, and I have felt that it would be presumptuous on my part to give an off-the-cuff opinion without thoroughly investigating the arguments pro and con. I am sufficient familiar with the field to realize that to give a decision without analyzing the facts and the various expert opinions offered would be asinine.

S. Maloney, I am not asking an analysis and opinion. I am asking whether you subscribe to the principles which have been enunciated by others.

M. Without the opportunity to know what principles you are referring to and what the—precisely now the principles are worded, I, of course, would not answer yes or no.

S. This is the summary which I read to you yesterday—

There ensued considerable shouting and disorder.—Shouts of, "Why don't these gentlemen meet in private session and discuss it." "Good idea."

The three minutes are up.

S. Let me finish the question—

M. I will be only too willing to meet with Mr. Szendy at any time to give him a full background in this deal. (More shouting from the audience)

S. Well, Prof. Maloney proposes to be on the Board of Education. What this Association espouses should not be permitted in this District.

M. Specifically what?

S. Permit member communists,—communists—people who are members of the Communist Party to teach in the colleges and universities of America.

M. Mr. Szendy, in reference to this particular District, the Association is the American Association of University Professors. There is no university or college operated by this particular Board of Education. The laws in respect to communist party affiliation concerning School Districts are the Feinberg Law of the State of New York and other pertinent sections of the New York statutes, including the municipal law.

At this point the tape ran out. However, except for the completion of the sentence being spoken by Mr. Maloney at the time the tape ran out,—it also was the end of the questioning.

## Woodland P-TA To Nominate

The Woodland Ave. P-TA of Hicksville held its regular monthly meeting on Tuesday, April 17, in the school auditorium. The business portion of the meeting dealt with many items. A nominating committee was elected for the purpose of preparing a slate of candidates which will be presented to the membership at the May meeting for election of officers for the ensuing year.

The special project for the year, namely, band uniforms was discussed. R. Talbot gave a progress report on the newly formed Boy Scout Troop that is being sponsored by the P-TA.

Mrs. R. Nankville, membership chairman, reported that there are now 576 members which is a substantial increase over the past year's membership.

Mrs. J. Holder, program chairman, told the membership of the forthcoming puppet show for the children of the school. The Suzari Puppets will perform "Hansel and Gretel" on May 9. There are to be three showings during the day and no admission will be charged.

After the business portion of the meeting, a color film on colds was shown. The film brought out the danger of the common cold and what to do when one gets a cold. After the film, Miss Fitzpatrick, school nurse and C. Huddleston and Louis Milleville, school physical education instructors, led a discussion on Health and Physical Education of the children. A question and answer session followed the discussion. It proved to be both interesting and enlightening.

Refreshments followed. They were provided by the kindergarten class. Along with the refreshments a birthday cake was served which denoted the school's second anniversary. Harry's birthday was sung by the membership. The Woodland Ave. School celebrated its second birthday on Apr. 12.

## Old-Country Observes Arbor Day

By E. DOBBINS  
HICKSVILLE — Another wonderful custom was instituted at the Old Country Rd. School with the first celebration of Arbor Day, Apr. 27. Master of Ceremonies for the event was Thomas Rauter of the Sixth Grade. Three lovely trees were presented to the school.

A sycamore tree, a gift from all the student body, was accepted by Principal Murray Duncan and the kindergarten children; presented by Stephanie Apelton, Mrs. Martin Polsenski, P-TA President, presented a pine oak tree from the Parent-Teacher Assoc. and this was accepted for the school by Thomas Galgano and Suzanne Foy of the First Grade.

The third tree, a Norway maple, a gift of the Kiwanis Club and presented by Frank Chlumsky was

accepted for the school by Mr. Baker, Assistant Principal. The entire ceremony was most impressive and stirring. The student body of the school assembled on the grounds to the strains of the wonderful music of the Old Country Road School Band. This was followed by a Salute to the Flag which was led by all the Scouts in full uniform. After this the first verse of the Star-Spangled Banner was sung by all and led by Mr. Bowden.

Mrs. Edna Sutton who is the sponsor of the Old Country Road School was introduced by Mr. Baker and she gave a short talk directly to the children in which she stressed the true meaning and importance of having beautiful trees in their lives. After a selection by the Band of "Trees", a recitation on the Life of Joyce Kilmer and "Trees" was given by Cheryl Palmer of the Sixth Grade. In addition to Mrs. Sutton and Chlumsky it is estimated that over 250 parents were present to witness this most auspicious occasion.

## Social Security

Question: Mrs. D. R. inquires: My husband was in the Marines from July 1941 to August 1943. He was killed in an automobile accident in 1948. He worked in his own barber shop before his death and never paid in any social security. I have two children under 18. Is it possible to receive social security for them now?

Answer: Yes. Since your husband was in the armed services for more than 18 months and death occurred before September 1950, he would be considered fully insured. You should go to the nearest social security office immediately for information about filing a claim.

## Christian Mothers Nominate

HICKSVILLE — The regular monthly meeting of the St. Ignatius Loyola Auxiliary of Christian Mothers was held on Monday evening April 23, at the St. Ignatius School here.

Mrs. Richard Sullivan presided and Rev. John Wissler, moderator, opened the meeting with the singing of the "Come Holy Ghost" and The Daily Prayer for Christian Mothers.

Sister Rose Dominic asked the mothers to take special interest in the conduct and studies of the children.

Mrs. Gloria Sprydon gave a wonderful book report on the "Life of Christ" by Father Isadore O'Brien.

Mrs. Wm. Schiffmacher announced that Nomination of Officers would be held at this meeting, with the installation to take place at the May meeting. The following members were nominated:

### NOMINATE OFFICERS

Pres: Mrs. Marion Braun, Mrs. Anne Harmon, Mrs. Betty Wright. Vice-Pres: Mrs. Immaculata Douglas, Mrs. Cecilia Larkin, Mrs. Helen Reinhardt. Treas: Mrs. Anne Jablonski, Mrs. Jeanne McEneaney, Mrs. Helen Miller.

Rec. Sec: Mrs. Joan Stenson. Cor. Sec: Mrs. Rita Hannigan, Mrs. Mildred Sauer, Mrs. Esther Walsh.

### INFANT CHRISTENED

An open house for friends was held by the Kaufmans following the ceremony.

## Cubs, Mothers Enjoy Circus

By SAMUEL K. McCAFFERTY

About 50 boys and Den Chiefs and Den Mothers of Cub Pack 491 of St. Ignatius Loyola Church attended the circus in Madison Square Garden in New York on April 17. They all seemed to have enjoyed it immensely, for when the bus brought them back home late at night they were a tired but happy crowd, filled with popcorn, pink lemonade, and wonderful memories of the acrobats, clowns, elephants, and all the thrilling acts that belong in the "Greatest Show on Earth."

It was an evening that will be remembered fondly for a long time. The boys received many ideas for the circus which this Pack will present at the big Scoutarama in Hicksville on May 5th.

The boys and the Den Mothers are all busy working on the costumes, props and perfecting the acts which they will present in our circus. Den 4 celebrated with Birthday Parties for Thomas Lodato, Stephen Brummer and Dennis Galahue, and also toured the Hicksville Post Office. John Hanigan showed them how our Post Office operates, and made the trip very entertaining and informative. Den 7 helped celebrate Robert Calzetta's birthday with cake, candy, ice cream, and games.

The Candy Show was a great success, and we all would like to thank every one who helped make it so by their purchases. Many thanks! Don't forget, our next Pack Night is tomorrow (Friday, at 8 P.M.).

**WALLING THREATENS SUIT**  
W. Donald Walling, assistant superintendent of schools, who has been working openly in behalf of the Leavitt, Soininen, Maloney "team", when confronted with the photostat of the Leavitt affidavit in the Feinberg case commented that a great many "good people" had felt at the time the law was enacted that it was "unconstitutional".

Walling informed the Herald that he had been advised "that I should immediately file suit for damages in the amount of \$250,000 against you" for allegedly libelous statements which he claims were published in the Herald last Sept. 13.

He said he would forget the threat of a libel action if the Herald would in this week's edition publish a banner headline apologizing to him. He also said he was considering \$100,000 suits each against Elrich, Eaton and Carpenter.

He said he was planning to leave Hicksville anyway and admitted that the timing of his demand was intended to coincide with the school trustee election.

Matienzo, who is campaign manager for Elrich, Eaton and Carpenter, said last night "if the Milton G. Leavitt who signed the affidavit is not the Milton G. Leavitt who is a candidate in this school election, I sincerely regret any implications which may arise. The people of this community are entitled to know whether the Milton G. ## Burns' Bill Provides Extra Financial Aid

Assemblyman John Burns today revealed that Gov. Harriman had signed into law his bill, introduced with the full support of the Nassau legislative delegation in Albany, providing substantial extra financial assistance for Plainview School District. John Greenwood, business manager of the school district, estimates that \$150,000 or possibly more may come to Plainview as a direct result of this special legislation.

The bill, approved by the State Education Dept. and drafted by Burns in cooperation with Education Commissioner James Allen, provides extra financial aid for districts showing a growth of 50 per cent in school population in a single year. Plainview enrollment is expected to exceed a 62 per cent increase.

## Civics Approve Incorporation

BETHPAGE—Incorporation for the North Bethpage Civic Association was approved unanimously by the members at a special meeting, April 19.

The members voted in an incorporation amendment to the By-Laws in view of the association's expanded activities and increased membership. Additional special meetings were called for Apr. 30 and May 2. As at the April 19 meeting, Joseph Litterine and Raymond Walker, building committee heads, will supervise work on the clubhouse basement after the business of the meetings.

The next regular meeting of the association is May 16, at the Clubhouse on Stewart and Cherry Aves. Persons who have not yet signed the petitions the association is circulating in opposition to garden apartment construction at South Oyster Bay Rd. and Stewart Ave., may do so then. The civic group objects to the proposed construction by Ritel Realty Corp. because they may change the character of the area, and increase traffic congestion. Also, the members believe, the probable increase in assessed valuation will not be sufficient to increase tax collections enough to carry the increased burden on services such as schools, fire and garbage protection.

School Board candidates for Union Free School District 21 spoke at the April 18 meeting. Howard Grandjean, running unopposed for the post held by

Frederick Kramer, and Joseph Ellinger, Robert Mordhorst, and Frank Kelly answered questions after their talks.

John Keane, of 63 Essex Rd., was appointed Program Chairman, and Ernest Centrella, of 162 Floral Ave., was appointed Chairman of Sanitation Problems. Edward Schreiber, association president, announced.

## TROOP 91 REPORTS:

### Boy Scouts Ready For Exposition

By ELWOOD S. KENT JR.

HICKSVILLE — Twenty-two scouts under the supervision of Scoutmaster Fasullo, Assistant Scoutmasters Steinman and School, motored approximately 40 miles to Wading River for Spring Camp.

The scouts enjoyed excellent weather, hiking, cookouts and caught up on their advancement program. Daniel Beard must have ordered the weather. He couldn't have done better. Thanks to all those nice parents, committeemen and friends for supplying the transportation. Without them it wasn't possible.

Also, 73 eager "beavers" appeared on the scene, hammering, nailing, sawing their way from one end of the camp to the other. The "beavers" were made up of scout officials, committeemen and friends of scouting. From all reports a

most satisfactory job was done. Two electrical geniuses, namely Baldwin and Evans, rate special commendation for keeping the generator puffing so the power saw could operate. The chef came up with roast beef and fixings par excellence at "Hiemps Hall"—it was superb. Camp Wauwex, for an initial observer, couldn't have been envisioned under more ideal conditions. It was most impressive.

The Boys Life Exposition takes place Saturday, at the LI Lighting Co. plant off Old Country Rd. in Hicksville. Don't miss this opportunity to witness "scouting" in all its glory. Considerable time and effort by scout officers, scout cubmasters, den mothers and scout scouts have been expended to show you what the Boy Scouts of America can do—don't disappoint them—get there early—the exposition will run from one o'clock until nine thirty. See you Saturday, May 5.

## Dutch Lane

(Continued from Page 5)

Franz Schubert's "Ave Maria", sung under soft blue lights, with the final chorus having white smoke floating upward to create an appearance of clouds. Everyone present agreed that they had never heard any choral group sing better; and Miss Gravelle deserves many, many, plaudits for the outstanding job she did with this group.

The final selection of the Glee Club was "I Like It Here" (in America), and as they were singing this number, Boy Scouts carrying the National Colors, and troop flags, marched down the aisle from the rear of the Gym, followed by the Boy Scouts, Cub Scouts, Girl Scouts, and Brownies.

At the conclusion of the evening's program, Miss Gravelle had a bouquet of flowers presented to Mrs. Bay; and Mrs. Jotta Murray, President of Dutch Lane P-TA, presented both Miss Gravelle and Mrs. Underwood with a corsage as an expression of appreciation in the name of the P-TA.

Final mention should be made of the excellent lighting during the concert, which was under the supervision of William Fitz, Chief Custodian of Dutch Lane school.

The program which began at 8:15 concluded at 10:20, and those present will be talking about it for months to come.

# Amvets Activities

By TOM HOGAN

We regret that these notes haven't appeared in the Herald for the past few months, but we do not regret the reason for such omission. We shall try to get back in line and get the "Amvets Activities" to you frequently and regularly. So get your glue ready, Jim Surless, and start clipping.

And don't forget the drill team meets and practices every Friday. These drills are most important now since we are preparing for the coming Memorial Day Parade and Services. Our Post, with the capable Bill Olitsky as Chairman, is responsible for organizing this year's parade. Obviously, it will be the best ever. But not if the usual cooperation slackens; be alert.

The softball season is upon us. The league has expanded this year. Competition will be keener; our championship status is in jeopardy. Get out and practice; we're not getting younger.

Some major administrative changes have taken place during the past couple of months. We now have a Board of Trustees composed of Mike Eliaah, Bob Sutphin, Joe Stankowitz, Ray Schuettl and Charles Eich. A good choice of men who will do a thoroughly efficient job. An additional change is the election of Charles Eich to the post of 3rd Vice-commander.

Public commendation must certainly be given to all members who wrought such improvements in the clubroom. The changes were clearly apparent to me since I was not here during alterations. The hall is positively zaroffical. Any bride would be proud to hold her reception here. And let this serve

as free advertising to all who read these notes. We are prepared to handle all requests for rental of the hall for any occasion on a first come basis. The price is right. The place: Amvets Hall, 25 Marie St., Hicksville, directly opposite the Firehouse and adjacent to the public parking field.

## the Sportlight

By HOWARD FINNEGAN

One of the most satisfactory aspects of coaching, our friends point out, is teaching the young budding athletes in their early years.

Coach John Mazur certainly seems to be enjoying his chore of guiding the Division Avenue Junior High Freshman team and the boys are learning fast what with their errors quickly and soundly being pointed out to them.

There was plenty of need for encouragement, Monday, as the young Comets threw the ball away twice trying to cut down a run at third in the sixth inning and lost the ball game 5-3.

Overeagerness was costly but the Comets pluckily renewed their spirits and tried to pull the decision out of the fire.

Leo Kanawada pitched a creditable game and had to take the loss. Peter Nicolini batted three for three while otherwise playing a fine game at second base.

Both Bob Robertson, third, and John Brodowski hit the ball squarely in the sixth frame but into the mitts of the Island Trees lads.

Other members of the squad are Joe Naso, short; George Fallon, left; Charlie Maggio, center; Jim Rady, right and Mickey Anglim, catcher.

Swinging hard in pinch hitting roles were Steve Blust and Dick Flynn.

While the oldsters are interested in the basic elements of the activity and smile slightly at the errors of youth the boys take the game serious which is as it should be.

However the ups and downs are being acknowledged quickly for three days before Henry Risiow pitched the Orange and Black to a very brilliant 2-1 win over Farmingdale.

After 63-41 and 54-50 reverses at the hands of Oyster Bay and Bethpage, Hicksville High cracked into the winner's circle with a 76-28 sweep of Island Trees.

It was the first cinder win for the Orange in three campaigns and was received with glad acclaim by Comet supporters.

A miscalculation in the relay cost the Comets a win over Bethpage. John Roberts skinned the oval with an impressive first leg against the Eagles, but his mates couldn't hold the advantage.

Roberts has become a fine athlete. He has won first in the broad jump twice already this year and leaped 19 feet 6 inches against the Baymen. He did not compete in the Island Trees meet. The Comet baseball team was scheduled at Farmingdale and he elected to stay with the baseball team.

Dick Proffee and Jim Perry scooped up second and third place in both the 100-yard and 220-yard dash for the Comets. Frank Estrada and John Hosford were edged out in the 440. Dick Muller won his 880-yard specialty in 2:09.6.

Ted Greves, Marty Watkins and Ted Tuchsens, all Hicksville, swept the low hurdles with a winning time of 0:21.8. Greves was the winner.

Tuchsens won the broad jump, Louis Trocola the pole vault and John Magee the shot put.

It was a pleasure to see the relay team prove victorious on this happy day for the Comets. Don Kerbs, Joe O'llair, Dick Proffee and Jim Perry accomplished the trick in 1:41.8. After three hand offs the race wasn't close.

Having picked Hicksville to finish no less than second in the Eastern Division Baseball race we were at first happy and then shocked at the recent turn of events.

Bill Anderson's club struggling under a 1 win and 6 lost overall record looked the part when it upset front running Oyster Bay 4-2 on the pitching of Pete Nygren but the loss to Sea Cliff soon after threw a wet blanket on the picture.

However Pat Sarle got the Comets back on the track with a 4-2 win over Farmingdale allowing just three singles. He walked eight but struck out eight to avert an explosion.

Early this week the Comets rocked Island Trees and are moving up the ladder.

The high rate of pupil participation in the Elective Voluntary Intramural program which was reached during the winter at Hicksville High is expected to increase with the spring activities which got underway early this week.

Intramural Handball was slated to get off yesterday with double and single matches for the six handball courts. Reserved for elective play periods after school hours will be the Senior Boys Gymnasium with various areas designated for basketball, gymnastics and volleyball. The newly introduced gymnastics activities became very popular during the cold months with the Trampoline attracting the greatest student interest.

Closing down the winter program the Colts won the Volleyball championship by defeating the Warriors 21-14 and 11-0.

Successful in the winning effort was Captain Richard Stillman, Louis Lombardi, Ronald Sealy, William Christian, Jeffery Kessel, Philip Ancelmo and Harry Abeles. Also Robert Dougherty, Roger Beaudry, Frederick Guillianio and John Holder.

Emerging from the 30 game schedule as the chief challenger to the Colts, the Warriors were led by Captain Rudolph Hardick, Stephen Hughes, Frank Parker, Mike Bosen, Harvey Olfitsky, Fred Garth, Thomas Lodayo, Paul Andriani, William Krabbeler and Stephen Dunefsky.

## Meet Officers Of Nationals

By E. C. ORTON

To begin the season I would like to introduce the officers of Hicksville National Little League: President, Randy Tingdale; Vice President, Walter Blust; Vice President, Jim Clarkson; Secretary, William Schusterman; and Treasurer, Irving Blair.

Auxiliary — President, Lorraine Tuke; Vice President, Ethel Hunt; Treasurer, Mary Blust; Secretary, Betty Cassari; and Recording Secretary, Dorothy Rosenfeld.

For the past few Saturdays we have been holding tryouts for over 400 boys, ages 9 to 12. During this week four major league teams will be selected. The remainder of the boys, according to their ability, will be up for selection by the eight minor league teams. This should be completed by May 5. 180 boys (15 boys to a team) will comprise the 12 teams making up the major and minor leagues.

The eight-year-olds have not been notified for try outs as yet but will receive information by May 13. Every boy who has registered will play ball on a team. After the team rosters have been established there will be practice sessions until opening day, May 30.

Now hear this! All parents are invited, expected and urged to come out and cheer for their boys. Any parent interested in participating should contact any of the league officials. Believe me, we do need help. This is a volunteer organization and depends on parents to carry on the program. Let's make 1956 the best season yet.

## Kern Receives Gas Certificate

HICKSVILLE — John David Kern, of John David Kern Plumbing and Heating, 290 Plainview Rd. here, has completed a three week gas installation course given by the L.I. Lighting Co.

He was given a certificate to that effect at a dinner, recently, with 34 other plumbers from Long Island.

LILCO has conducted the course for nine months and has graduated 243 plumbers so far. The company began the program because of a rapid increase in gas usage and increased demand for plumbers to install gas facilities.

## Pick CYO Senior Teams Saturday

By ELWOOD S. KENT JR.

HICKSVILLE — Mulligan pitched good ball for the Dodgers, holding them to two runs, while McManus homered with Lang and Bellacera bashing out two base hits in St. Ignace CYO Baseball play. Fallon had a perfect day at bat knocking in three runs. Good support by the Dodgers held the Cards at bay in the fourth inning when they rallied to score two runs. The game was played at Hicksville Junior High School, Saturday, Apr. 27.

Managers Peplos and Shanley are measuring their "Warriors" for Red and White uniforms while Coach Tyllinski gets set to roll over the opposition. He expects to open a big lead and keep on going.

Next Saturday at the "old" high school field the managers of the senior inter-parish group will make their final team selections, hoping to out-manuever one another in the

picking.

George Maguire has a new wrinkle—he no longer goes around taking players away from the senior inter-parish group. This emissary "Scout" Barolietti now performs his larceny. The Jesse James boys had nothing on these two.

It is expected that more game results will be publicized next week as the teams really go into action.

Parents are welcome to attend these contests and more assistance can be used from the "Dads." Do not be bashful, you may be a second "Connie Mack" or "John McGraw."

## Eagles To Honor Mothers

HICKSVILLE—Mid-Island Aer- ie of the Fraternal Order of Eagles will sponsor a Mothers' Day dance and program on Saturday, May 12 at 8:30 P.M., at the VFW hall on Grand Avenue, here, it was announced today by E. W. Linscott, Aerie President.

The highlight of the program will be the presentation of the "Eagles' Mother of the Year A-

ward" to a mother chosen on the basis of efforts that have most benefitted the family life of the community. The recipient of the Award will be announced soon.

The Local Aerie is inviting all citizens to listen with their fellow Eagles to a special Mothers' Day broadcast over the ABC network, Thursday May 10, by Ted Malone, noted radio commentator.

Serving as chairman of the Mothers' Day Program is Patrick Foley of 34 Meyers Ave., here. Other committee members include Joseph Bepier, Val Gabriel, and John Stone of Levittown and John Black of Bethpage.

The Eagles' Mothers' Day Program has been held annually ever since the Fraternity pioneered for a national Mother's Day observance. The first plea for a Mothers' Day was made by an Eagle, the late Frank Hering, South Bend, Indiana. Aerics began sponsoring a Mothers' Day, and in 1912, two years before Congress provided for the national observance, the Eagles national organization placed a Mothers' Day on the Eagle calendar.
