Residents of the new development said they were not informed, when they purchased their homes, that the property was owned by the fire district as the site for apparatus building. TOWN OFFICIAL 23 YEARS

Town Road Super Retires

OYSTER BAY—Speculation as to the new Township Highway Superintendent began this week as the Town Board received notice from John R. Brandt of Hicksville that he wishes to retire from the office, effective July 5. Brandt has been a town official for 23 years, nine of which as a Councilman and 14 as the highway superintendent. The position has traditionally been filled by a Hicksville man.

Brandt's retirement due to his health and upon the advice of his physician, according to his letter read at the Town Board meeting on Tuesday, will probably put a town office on the voting machines in the November election. The appointee to succeed Brandt will probably come up for election for the remaining one year of the term.

He was one of the first Town Board members when the councilman system was begun. Prior to that time, Town Board members were Justices of the Peace. When he was nominated for highway superintendent and elected, Frank Chlumsky succeeded him as councilman from Hicksville. Chlumsky retired from the position at the end of last year and the seat is now held by Henry McInnes.

During the interval until a successor to the office is named, the highway department will be under the direction of Deputy Superintendent of Highways, John Martling of Oyster Bay.

Supervisor Lewis N. Waters said the notice of Brandt's intention to leave office was received with sincere regret. He paid tribute to the services performed by Brandt during a period of vast growth in the population of Oyster Bay Township.

JOHN R. BRANDT, at right, who is retiring as Town Highway Superintendent on July 5, with former Councilman Frank Chlumsky, Brandt was a councilman before taking charge of the highway dept. when he was succeeded by Chlumsky.

Receive Bids On Transmitter

HICKSVILLE—Installation of closed circuit television outfit and an FM radio transmitter station in the public schools here is proposed by administrators, it was disclosed this week as opening of bids on audio-visual, summer reading program and other equipment took place. The closed circuit TV would cost \$3,410.50 and the radio transmitter \$3,461.09. No action was taken on the bids which also included eight portable TV sets, tape recorders for \$833.10, another tape recorder for \$595, a periscope for \$1,380.81, library-type phonograph and a variety of other items.

Kent Appeals Library Voting

ALBANY—An appeal to Education Commissioner James Allen to rule on the May 1 library trustee election in Hicksville has been filed here by Elwood S. Kent Sr. who was a candidate in the election. Leon Galloway, whose term does not expire until next year, received 189 votes and Kent 42 ballots.

In Hicksville, it has been anticipated that a special election will be held, possibly early in July, to fill the vacancy on the board which is actually caused by the expiration of the term of Mrs. Joseph J. Ulmer.

BOOSTERS CLUB of Hicksville High School held a highly successful affair last Thursday. Among the featured participants and guests at the affair were, seated from left, Navy Commander James W. Liebertz, Miss Mabel R. Farley, principal of Senior High School; and Gino Frato of \$64,000 Question

fame. Standing, from left are Stan Stutz, NBA basketball referee; Frank Muller, Booster Club President; Rev. Edward Stammel, pastor of Trinity Lutheran Church; and Dr. Wallace E. Lamb, superintendent of Hicksville schools. (Herald photo by Frank Mallett).

Dear Jean:

BOB HAMMOND, popular mail carrier in the North West section and member of Hook and Ladder Co. No. 1, went into the Caledonia Hospital at Parkside Ave., Brooklyn, for two weeks as of Monday. Send him a get-well card. . . . A surprisingly heavy sale of the Brooklyn TABLET, paper of the Catholic Diocese, was noted in Hicksville over the weekend. Could there be some connection with the fact that recent developments in the local school trustee election were outlined in the same issue? . . . Mrs. ROBERT BOTTO had her car stolen from her driveway on Alexander Ave. recently. It was recovered in a heavily wooded section off Duffy Ave. where it was discovered by a couple of kids. Every inch of chrome had been stripped off it and there was extensive other wanton damage. . . . Don't forget FATHER'S DAY is a week from Sunday on June 17. . . . Members of Emergency Fire Co. 5 went fishing last Sunday and it must have been rather dull. The boys said they caught plenty of fish for a change. . . . Marine EUGENE TOTO of Hicksville, who will leave the service in July was recently promoted to the rate of sergeant. . . . We had the opportunity to view the Hometown USA model village at Seaman & Eisenmann, 167 Broadway, Hicksville, and it was well worth seeing. It covers most of the basement area of the new S&T building. . . . JOHN WHITMOR, president of Radio Station WGBB of Freeport, will be the guest of CHARLES BARVELS, asst. cashier of Meadow Brook National Bank in Hicksville, and speaker at the Rotary meeting on June 14 at Milleridge Inn. . . . GEORGE M. PATON of Hicksville won his varsity track letter at Bowdoin College, Brunswick, Maine. . . . JOHN R. BRANDT who has announced his intention of resigning as town highway superintendent as of July 5, is on vacation trip to Maine for a couple of weeks. . . .

JOSE MATIENZO, 70, of 33 Julian St., Hicksville, was rushed to Meadowbrook Hospital on Memorial Day morning by the fire dept. ambulance. His son, JAMES, was marching in the parade with the firemen and was called out of line with news of his father's condition. The ambulance had just returned from its place in the parade line when it was sent on its errand of mercy. . . . Three local fuel oil dealers participated in the exhibit on Oil Industry and Oil Heat in a "Showcase for Better Living" at the Coliseum last month. They included Gentile, Rice Fuel Corp. and Ocean GLE, all of Hicksville. . . . Perkins Trucking Co. at Hicksville reveals the firm has doubled the size of its terminal here, providing for 50 back-ins to an island platform. . . . Mr. and Mrs. FRANK CHLUMSKY are leaving next week for California to attend the Kiwanis International convention. . . .

Painters and decorators will move into the new Gertz Dept. Store in two or three weeks. The five-story structure is said to be almost complete and due to open for business in September. . . . Hicksville Republican Club meets this Friday night, June 8, at Masonic Temple. EDWIN J. FEHRENBACH may be guest speaker. . . . The Hicksville schools have openings, from time to time, for custodians and other employees. If you are interested, leave your application with Dr. WALLACE E. LAMB, superintendent, at the Administration Bldg. on Newbridge Road. . . . SIG HAMERLING of 25 Drury Lane, Hicksville, was in the cab of the LIRR diesel locomotive out of the Hicksville station at 7:36 Wednesday morning. He was the first commuter chosen to have the opportunity to ride up in front. He was selected by lot from among 37 who applied for the chance to be "Engineer-for-a-day" and rode the cab into Long Island City, 24.8 miles. . . .

Mrs. FRED J. NOETH wishes to thank Jeanne, Joe and Dom of Hicksville Farms for the lovely birthday cake and other refreshments they delivered in person on Memorial Day. It was really appreciated because they took the time out on such a busy day to be so kind. . . . Attended both the GIAMONACO and YURA Communion Day parties last week. Little Lauren Giamonaco and Jennifer Yura looked like dolls in their outfits. . . . SHEILA KENT also made her Communion that day and looked very sweet. . . . Our sincere best wishes for a speedy recovery to ANDY CLAUS, of Combes Ave., Hicksville who has returned home from a stay in the hospital. . . .

BILL and JOHN STARYK appeared Monday morning, June 4, on "Garryway's TODAY" program with their famous cow "Joey Bell." . . .

Eisemann Recalls Observance Of Decoration Day For 66 Years

HICKSVILLE—Thousands present for the Memorial Day observance at the Memorial Mall on Jerusalem Ave. heard Henry G. Eisemann, realtor and banker, as principal speaker of the day recall for newer residents how the community has traditionally observed this holiday.

The text of his remarks follow: "Memorial Day, the most beautiful and sacred of our national holidays, originated in 1868. Today, the exercises are much the same except they are in charge of Veterans organizations.

"Today, we are extremely happy as we meet to offer our prayers to those brave men and women who made the supreme sacrifice and our thanks to those who responded to our call to arms who are still with us. It is with the deepest humility that we salute the Gold Star Mothers—they are entitled to and should receive every consideration for heavy hearts they have for the loss of their loved ones.

"I said we should be happy today and I mean just that. No where in the world is anyone shooting at an American boy and for this reason, we should thank God and make this day a joyous one.

"So because of this, I am going to ask that I be permitted to depart from expressing the usual Memorial Day speech and to tell you folks who settled among us in recent years, just what your community has done in the past for the boys and girls who put on a uniform when in time of need.

"Hicksville was always known as a home loving community and was ever ready to come to the fore to pay tribute to those deserving of it. We were ever ready to pitch in and work harmoniously together to accomplish a worthwhile project. As early as the 1890's, we know of Memorial Day, then called Decoration Day, being appropriately observed here in Hicksville. The German Lutheran Church, now known as Trinity Lutheran Church, joined by neighbors of all faiths, sponsored the services which consisted of marching in a body to our cemetery to honor those resting there who had done their bit

10,000 Saw Parades, Rites

HICKSVILLE—William G. Olitsky, chairman of the Memorial Day Committee, here, today said the Veterans' organizations express their gratitude to all individuals, clubs, associations, organizations and groups for their participation in the Memorial Day Parade and Services.

"With regrets, we find that some of our invitations had gone astray, especially the one to our soloist, Marian Honeyman. Had Miss Honeyman received our invitation, her presence would have been assured. We hope she and others will accept our apologies", Olitsky said.

County Police estimated there were over 3,000 in the line of march and 10,000 lined the streets to watch the parade of which County Clerk Ernest Franke was marshal. The Civil Defense Police contingent was led by Chief Karl Zuehlhoff of 7 Marvin Ave. who has succeeded Thomas Cullen. Cullen has resigned the position due to his health.

in times of need.

"When World War I cast a shadow of gloom and worry over our country, Hicksville, too, sent her brave sons to serve under our flag and these men from Hicksville, when they left their homes and their community, took with them assurance that they were not forgotten. A group of home folks formed the Comfort Committee. This Committee collected funds from the community and

mailed a package each month to everyone during their entire period of service.

"There was mailed: 2,859 packages of cigarettes, 403 packages of tobacco and many miscellaneous articles. I was one who helped organize the committee and later when I enlisted in the Marines, learned first hand the warmth of such a gift from home.

"To commemorate and honor the boys and girls who served their country, a group of public minded citizens searched the country side until they located the beautiful Memorial stone that stands before you. It took much sweat and strain to dig this stone from its resting place, put it on a trailer and bring it to Railroad Square where it was placed among 3 oaks that were already planted—one oak for each who gave his life in glory. Hicksville was proud of its sons and daughters and was eager to show it.

"Immediately after that Sunday afternoon, when the Japs opened up on us, the Comfort Committee again swung into action. This time, of course, on a much larger scale.

"We eventually had over 800 of our boys and girls in uniform. The committee made 64 consecutive monthly shipments, a total of 17,687 packages were mailed. Apart from that a subscription to our local newspaper went to each of our sons and daughters in service. In order to accomplish this tremendous task, over \$15,000 was expended. Postage alone amounted to approximately \$2,000. I was the treasurer and at no time were we ever short of funds. Yes, your (Please turn to Page 6)

Civics To Hear LIRR Boss June 20

Thomas Goodfellow, Chairman of the Board of the Long Island Railroad, has accepted an invitation to address North Bethpage Civic Assn. at the next monthly meeting to take place on June 20.

Because of the large audience expected to attend this meeting, arrangements have been made to have the meeting at the Pine Ave. School.

Charles Frank, Chairman of the Commuters Committee, and John Keane, Program Chairman, arranged for Goodfellow to address the Association on the subject of improving commuter conditions.

OPPOSE GAS STATION

At the May 16 meeting of the North Bethpage Civic Assn., the membership supported the executive committee's stand in opposing a zoning change which would have permitted the construction of a gas station on Broadway and Cherry Ave. and the down-zoning of property at Haypath and Plainview Rds.

Because of the urgency of the zoning problems, the executive board took immediate action recently, and it was this action that was unanimously ratified by the members of the Association.

The application for rezoning of the Cherry Ave. property was denied by the Town Board recently. The North Bethpage Civic Assn. opposed this rezoning because, among other reasons, it would constitute a safety hazard.

being near the site of the soon-to-be-built High School.

It was felt that the down-zoning of the Hay Path and Plainview Rds. property from one acre to 1/4 acre would place an additional burden on the already over-taxed school district.

PTA SPRING DANCE HUGE SUCCESS

Everyone who attended the second annual Bethpage PTA Spring Dance will unanimously agree that the affair was perhaps the largest attended dance of the season. The ballroom of the Bethpage County Club was filled to capacity and it is estimated that over 400 persons attended to contribute to the huge success of the dance. Everyone enjoyed dancing to Ray Colletta's Orchestra, which did a wonderful job of providing a wonderful variety of dance music.

As previously and unanimously voted last month at all four of the PTA meetings here, the entire proceeds of this dance, which totaled \$621.85, have been turned over to the Bethpage Parents and Teachers Assn. Scholarship Fund. Already plans are being started for next year's third annual dance which will be called the Scholarship Dance and to which all proceeds will go to same. The committee has already reserved the Country Club for this affair which will be held on May 28, 1957.

The dance chairman who worked so diligently toward making this year's dance so successful were Mrs. Viola Chandler, Mrs. Harriet Doyle, and Mrs. Lee Mordhorst. They in turn would like to extend their sincerest thanks to the people who worked along with them toward their goal.

FLOWER SHOW

Essence of Spring is the theme of the Annual June show of the Bethpage Garden Club. For the exhibits, to be open to the public from 2:30 till 5:30 P.M. on Saturday, June 16, at the Methodist Church in Bethpage, each section and class has been given the name of a famous perfume. In the arrangements and table settings, the title provides the theme for interpretation.

Girl Scouts and Brownies will compete in the Junior Section, with two classes of arrangements. Foundation Planting is the subject of the educational section.

CURRENT COMMENT: Behavior Code Is Fine

By Fred J. Noeth

THE CODE of Social Behavior developed by the Hicksville Junior High School Parent-Teacher Assoc. for the students of Junior High deserves the widest possible circulation. Parents of all students attending both the Division Ave. and Jerusalem Ave. Junior High Schools have received copies of the Code which was composed by parents and teachers at an open meeting of the P-T-A.

The Code covers such topics as Spiritual Guidance, Social Behavior in school and home, Dating, School Dances, Smoking and Drinking (prohibited), School Attire, Home Parties for 12 to 14 year olds, Respect for School and Private Property, and Weapons.

"We, as parents and teachers, realize these important marks of good citizenship cannot be achieved without our relentless efforts and the full cooperation on the part of every individual concerned," the Code states and that, of course, is the key to the entire matter.

Mrs. Martin Polsenki, chairman of the P-T-A Committee on a Code for Social Behavior, and Bernard H. Braun, president of the Junior High School P-T-A, deserve the highest commendation for the efforts which have resulted in this Code.

Much of what is spelled out could be applied with justice to all young people in our community.

As the Code so ably states: "Parents should set a pattern for respect for authority." Setting a good example for our children still remains the basic fundamental.

Memorial Day

(Continued from Page 8)
neighbors were most generous. At the conclusion of our services, we had a sizeable cash balance and it was divided among the VFW, the Legion and the War Memorial Committee.

"And again you see before you the companion memorial erected by your neighbors to commemorate those who brought distinguished honor to your community."

"When you pray to your God today, please remember to pray that never again will it become necessary to erect another memorial. Your fervent prayer should be that peace and harmony will prevail always."

"I recall these things on Memorial Day—firstly, for they are appropriate to the spirit of the occasion, and secondly, and even more important, because they pointedly demonstrate the things accomplished in a community devoted to a common cause."

"My memory takes me back many years to a time when our population numbered 1,000, and by 1930, we had mustered almost 4,000. During that period, Hicksville described itself as 'A home loving community' and I can recall a sign proudly displaying that slogan as you entered Hicksville from the west on John Street. At about 1930, we expanded even more and added the description of 'The Hub,' symbolizing its central location in the town of Oyster Bay and the important position it was beginning to dem-

onstrate in the industrial development of Nassau County. From that point forward, and in no small measure, as a result of World War II, Hicksville has grown not alone in number, but in breadth, scope, and in understanding. Today, we total a population of approximately 40,000 and present a complete cross-section of diversified homes, commercial and industrial activity. This growth has been so rapid as at times to strain existing facilities, especially our school system. But in time and in turn each problem will be solved.

"I have spent my life in Hicksville. I love Hicksville. It is a vibrant community. Its cooperative spirit and neighborliness enjoyed these many years are still with us. Together and in friendliness, no barrier can halt our progress."

"For the privilege of participating with you in these exercises, I am grateful—and to all of you my very, very best wishes."

GUESTS FROM INDIA
Mr. and Mrs. Harold Nelson of 57 Hollis Rd., Hicksville are entertaining guests from India. The visitors are Mrs. Nelson's sister and brother-in-law, Mr. and Mrs. Robert Jackson and their two children, Cathy and Quintin. Mr. Jackson does public relations work for the India office of Firestone Rubber and Tire Co.
After three years in Bombay, the Jacksons are back in the U.S. for a three month "furlough." They have many interesting stories to tell their relatives about strange customs, the children's school, the recurrent monsoons.

HERALD READER OPINION

Maloney Charges Distortions

By JOSEPH F. MALONEY

To The Editor:
During and after the recent school board campaign, your paper carried grossly and deliberately misleading statements. The errors were so viciously compounded that a thorough reply is impossible short of a good-sized book.

Our friends and the fair-minded do not need such a lengthy answer since the distortions were so obvious. Our enemies have shown such a contemptuous disregard for the truth that an elaborate explanation would be for them merely the provocation for more "big lies." For the uninformed who are seeking the basic truth, a simple statement from me should be sufficient as to my own position.

It seems absurd for me as a practicing Catholic, educated completely under the control of Catholic teachers and authorities from parochial school through Catholic high school, college and even Catholic graduate school, employed by a major Catholic University as a teacher—it seems absurd for me to answer accusations levied partially by renegade Catholics noted for their lack of ethics and morality in their public conduct.

However, to set the record straight, I repeat what I publicly stated in the last meeting of the campaign: I know and understand the Feinberg Law; I endorse the Feinberg Law in that under no circumstances would I tolerate a Communist Party member teaching in the Hicksville public schools; if

selected trustee, I would enforce the Feinberg Law.

Further, I believe that anyone who is a Communist is so obviously morally and mentally incompetent as to be totally disqualified to teach at the primary, secondary or college level.

Thanks Herald

By HY VICHINGRAD
To the Editor:

Please accept our sincere gratitude for the fine cooperation you gave us on our recent Tag Day for the Nassau Multiple Sclerosis Chapter.

The success of our campaign in this area was due in great measure to the fact that the Mid-Island Herald printed news of our Tag Day solicitation. The response by the many readers of your paper helped our volunteers under the direction of Jack Becht and Joe Catalano of Hicksville reach their quota.

Our Nassau MS Chapter is now completing plans for the opening of a service center where MS patients will receive therapy, training and counselling. The establishment of this center will require the wholehearted support of our communities. Our great need is for additional volunteers and funds to help in the many activities of our local MS committee.

May we appeal to those in our area who want to help to call Mrs. Vichingrad at WE 6-7080.

Again our thanks to you and the readers of the Mid-Island Herald.

Szendy Urges Public Take Look At Temporaries

By EMIL J. SZENDY

To partially meet the space demands of the peak enrollment in the elementary schools anticipated in 1958, the taxpayers authorized in a referendum last year the construction of temporary classrooms added to parent school buildings at Woodland (6 classrooms), Fork Lane (4 classrooms), and Lee (4 classrooms).

Those at Woodland and Fork Lane are nearing completion and examination of them will afford to any taxpayer confirmation of their utility and acceptability. The classrooms are of standard size, and have asphalt tile floors, acoustical ceilings and fluorescent lighting. The corridors are wide, and provide direct access to facilities in the permanent sections, such as gymnasium, cafeteria, nurse's office, art room, etc. In addition to corridor exits, each classroom has a separate exit, a door leading directly outside.

The buildings are of prefabricated wood construction. Pre-cut material and partially fabricated sections were provided by National Homes. Each classroom is built as a unit, and the structures can be moved in classroom units to other sites. Each structure has an independent forced-warm air heating plant.

The structures were planned with portability in mind, so that, as the peak enrollment moves from the elementary schools to the Junior High and then to the Senior High, the structures can be moved with the enrollment. When the need for them has passed, there will still be some salvage value: the classroom units are the same size as a Levitt house, and with interior partitioning and rearrangement of windows, can be made into acceptable homes.

The "temporaries" at Lee will be attached to the permanent addition now under construction. Construction of them has been deferred until the permanent addition is well under way.

To meet the demands of enrollment next September, additional classrooms are needed. They can quickly be provided by the construction of additional "temporaries."

However, submission of a proposal for additional "temporaries" to the taxpayers in a referendum has been effectively stymied, first by the old "majority" on the school board and more recently by Cawley and Sutton. Although permanent buildings have been voted down twice by the taxpayers, efforts are still being made to bring them up for a third vote. In the meantime, time is awasting and soon the group that has been advocating permanent buildings will be weeping over the prospect of double sessions next year.

Cawley and Sutton are quite willing to go ahead with the four units authorized at Lee Ave. but refuse to permit even consideration of additional units to meet the

need for space which will be upon us shortly. Economy lies, of course, in mass production of standardized units, and material saving will be achieved if all units, including those at Lee Avenue, are fabricated at the same time. Also, figures seem to include that more than four units may be needed at Lee.

Instead of moving to the construction of additional "temporaries" when permanent buildings were defeated in the referendum this year, the School Board, dominated by the "majority" passed the ball to a Committee on Building Needs, well-salted with known proponents of permanent construction. The Committee is yet to report.

At two Board meetings a week ago Cawley tried to bring another agency into the picture, the Division of Buildings and Grounds of the State Education Dept. It was to be asked to make a study and also make recommendations to the Board. It is all too obvious that Cawley and Sutton are determined to find basis to justify another referendum for permanent buildings. What we need is additional space, not additional studies. The "temporaries" provide additional space, effectively and at least cost. They permit multiple utilization to suit the peak enrollment as it passes through the elementary schools and the high schools. Few will contend that they are unsatisfactory for the purpose.

Take a look at them, at Woodland, or Fork Lane.

Remind Mothers Of Big Bazaar

By MRS. JOHN REGAN
The regular meeting of the St. Ignatius Loyola Auxiliary of Christian Mothers of Hicksville was held on Monday evening, May 28, at the St. Ignatius School hall. Mrs. Richard Sullivan presided and asked Rev. John Wissler to open the meeting with the singing of the hymn, Come Holy Ghost.

Rev. Father Wissler spoke briefly about a very good pamphlet on the Code of Social Behavior, presented to the parents of Junior High School students at a recent P.T.A. meeting. This small booklet stresses spiritual guidance among students; their social attire; the respect they should have for private and public property, etc.

It is a very good move forward in trying to teach children that discipline is most important both in the school and at home. Father Wissler reminded the mothers about modesty in dress during the summer season, to remember that modesty is the guardian of purity. He also congratulated the lay teachers and thanked them for the wonderful work they are doing among the children of St. Ignatius School.

Sr. Rose Dominic addressed the members of the auxiliary and announced that the Final Examination would take place on June 11. All uniforms are to be worn until the end of the school year; however, boys may wear short sleeved white shirts during the month of June. St. Ignatius Loyola school will close on Thursday, June 28.

The annual Bazaar for the benefit of the St. Ignatius School will continue this week on Thursday, thru Sunday, June 7 to 10. REMEMBER OUR PHONE NUMBERS

the Sportlight

By HOWARD FINNEGAN

Remember your Tom Sawyer Days when after a long winter in the classroom you could look forward to the spring and gym classes out in the open air?

You were more fortunate than the present day students of Hicksville High School. They must spend these pleasant days inside and have gym classes just as if it were December.

It seems that the grounds of the new high school have not been accepted by the Board of Education as yet so the students must suffer.

And it is apparent that if we cannot get by the "accepting the agenda stage" the same condition may prevail next fall.

As in the past the official school family turns to stone and has nothing to say concerning the grounds.

The rather insistent conversations of the student body concerning the matter focus attention on it.

Presently the high school must have its track meets and baseball games on the already overcrowded former Senior High grounds on Jerusalem Ave.

It was many months ago that we stated that the new but-none-the-less butchered baseball would see any action on it in 1956.

We are fast gaining confidence that the football stands, which have been fully erected and idle for three years, will not have fans watching a gridiron game from them in 1956.

Both Hicksville High Junior High teams have cause to rejoice since they have been successful in their baseball activity this spring.

The Division Ave. school team, which we told you about a month ago, is happy to have concluded a fine 11-1 league record and are champs of their realm.

Coach John Mazur is very pleased with the work of his boys and their desire to improve that marked the progress of the season.

Slightly less successful in the won and lost column but sporting an equally pleased smile is Coach Carmen Giorlomo of the Jerusalem Ave. School.

The big win of the season for his group was a 2-1 thriller with Svosses which brought the record to 3 wins, 2 losses and a tie.

Mainstays of the club are Bill Schrimpe, catcher; Bob Stermer, 1b; Richard DeLo, n; Richard McKenna, cf; and third baseman Francis DeCabia.

John Lindgren patrolled right field while Tommy Westberg played the keystone sack. Shortstop was George Lang.

Filling in where needed were Billy Van Cise and Mike Shernell.

You have to admire such a high degree of interest that a group of young boys from Hicksville are showing in baseball. The Hicksville Cards are in the Queens-Nassau Baseball Alliance and under league rules it is required that a new entry play all road games during the first season.

It involves extensive Sunday travel but the boys are determined to see the schedule to completion and thus gain a home franchise for Hicksville.

They split the opening doubleheader at Havenwood AC in northern Queens last Sunday by 6-4 and 3-8 scores.

Members of the team are Carl Schultz, John Roberts, Larry Knieter, Ron Sealy, Tom Colleta, Sal DiLorenzo, Tommy Reuter, Pete Nygren, Dick Muller, Ray Estrada, Fred Dehle and Billy Watson.

Bethpage Little League Opens

In the opening game of this 1956 Little League Season in the National League, the Cougars beat the Panthers 4-1. Batteries: Panthers—Vincent, pitcher; G. Berg, catcher; Cougars—Schick on the mound, and F. Fuchs behind the plate. Both pitchers did a splendid pitching job. Schick allowed two hits, one from the bat of P. Schauf and one from Wm. Clark. Vincent allowed three hits, one a homer by R. Schick and one apiece from Olsen and Maisie. In the American League, the

Firebugs slaughtered the Hellcats 18-0. Nistad on the mound for the Firebugs gave up only one hit and had 15 strikeouts to his credit. Peluso was behind the plate for the Firebugs. Perri, McGovern, Cody and Coury were on the mound for the Hellcats.

PLAINVIEW — The Hicksville Sportsmen's Club will hold a turkey shoot from 9 AM to 5 PM this Sunday, June 10, on Mannett's Hill Road, a half mile south of North State Parkway.

CYO Baseball Scores

By ELWOOD S. KENT, SR.
St. Dominic's outthit St. Ignatius of Hicksville to win 9-5 in a CYO game last week.

Abbatte distributed ten hits through the St. Ignatius lineup aided by errors and scored an easy victory. Reilly had 2 hits for the victors while DeMonaco had three for the losers.

St. Dominics — 002 501-1-9
St. Ignatius — 200 020-1-5

AMERICAN LEAGUE

In the American League the Yanks beat the Red Sox 8-0 to keep their victory string intact. Koven with two home runs helped pitcher E. Scott to victory. Douglas and Maier starred for the losers.

Yanks — 004 22-8
Red Sox — 000 00-0

The Senators swamped the Athletics 16-3. Heavy hitting by Woodward, Hood, Peplow and Cerone mauled the Athletics pitching. Jameson tripled for the Senators for their only extra base.

Athletics — 100 020-0-3
Senators — 074 131-x-16

The Tigers clawed the Indians 12-1. Kenna, McGarvey and Krywak slammed extra bases to ease McGarvey's pitching. The Indians got four hits in a losing cause.

Indians — 100 00-1
Tigers — 038 1x-12

Jimmy Baldwin pitched the Orioles to victory. Baldwin's two-hitter with Bendish's homer kept the White Sox in the losing column. Reimel's homer saved the White Sox from a shutout.

White Sox — 000 010-0-1
Orioles — 032 000-x-5

Doris of the White Sox mauled the Senators, pitching four for four. Hood batted well for the Senators but couldn't save Peplow.

Senators — 011 030-0-5
White Sox — 330 022-x-10

NATIONAL LEAGUE
The Dodgers trampled the Cubs 10-3. Mulligan pitched a fine game and aided his cause with a double and triple. Fallon also hit a double and triple.

Cards — 000 00-0
Braves — 420 2x-8

INDIAN LEAGUE

The Orioles played heads up ball to win a doubleheader over the Senecas and the Apches. Fine pitching by Germaine and Melhan held the opponents down. Hank Konetani played stellar game in the field with three fine catches.

Connolly pitched well for the Senecas and got two hits. The Apache star, Felton, suffered a hard defeat as the Orioles moved into first place.

DEFEAT ST. AIDAN'S

The St. Ignatius team won 4-0 behind the sparking pitching of Bob Cerone who struck out 14, May 12. St. Aidan's threatened in the seventh, loaded the bases and

then succumbed to the magic arm of Crane. McBride and T. Brown did the heavy hitting for the victors while Glancy and Vanderboog each picked up one hit for the losers.

St. Aidan's — 000 000-0-0
St. Ignatius — 200 002-0-4

The St. Ignatius Warriors lacked pep in losing to St. Joseph of Garden City in the Bantam League.

Outthitting St. Joe's 11-4 was not enough to take the Warriors over the top. Garden City out-hustled, outfielded and took advantage of every break to play heads

up baseball and score an easy win.

Mahoney for the winners pitched smart baseball, getting good support from his teammates.

Warriors — 002 001-1-4
St. Joseph — 602 004-x-12
