Fire Board Sets Vote On Additional Funds

HICKSVILLE—A special election of the fire district to vote upon authorization of \$30,000 more to pay part of the cost of constructing and equipping two firehouses and \$15,000 for part of the cost of a new fire truck will be held on Thursday evening, July 5. The Briggs St. house is nearly completed. Of this amount \$120,000 was originally approved by the voters in the annual budget.

The new fire truck will cost a total of \$35,000, of which \$20,000 has already been authorized in the district budget.

CIVIC PRESIDENT FINDS:

Commuters Face New Fare Boost

HICKSVILLE—Mixed feelings of frustration and hope were the results of a recent two-hour conference between A. Alan Goldstein, president of Glenbrook Civic Assoc., and Sanders Schwartz, principal transportation engineer of the Public Service Commission, regarding the plight and problems of local rail road commuters. Also present for the conference was Herbert S. Chevalier, superintendent of inspectors.

"We came away from this conference", Goldstein told the Herald, "with a mixed feeling of frustration and hope. The hope comes from the fact that certain definite results we now enjoy—such as new cars which are now standard equipment on our trains—have to be acquired thru the strong efforts of Mr. Schwartz and Mr. Chevalier. We hope they will be able to get us the additional train service between 7 and 7:30 in the morning and additional or more realistic service in the evening between 5 and 5:47.

"Many of our other complaints concerning safety and inconvenience will need further investigation.

"Our frustration is based on the fact that in spite of our increases in fares, and all the promises to the contrary, the Rail Road still cries poverty and their physical ability to handle the increased commuter traffic is almost impossible. If they have plans in the future to overcome this handicap, they are not available to the public.

"One of the chief problems here is the antiquated station. Its present two-track arrangement cannot handle the traffic needed to satisfy our demands as commuters. Only the State Legislature can speed this up. Commuters and anyone who drives a car through our community should contact our state representatives to get action. They need your letters to get action.

"An additional item to worry you", Goldstein continued, "is the fact that the LIRR still is not making money and you can expect to pay more for your ride in the near future."

Move To Dismiss Libel Rejected

RIVERHEAD—A motion by the attorney for the Litmore Publishing Corp., publishers of the Centre Island News, to dismiss the \$100,000 libel suit brought by Hicksville Attorney Harry Goebel against the newspaper and Barbara Solininen was rejected in Supreme Court, here, this week.

Supreme Court Justice David Gusenetsky heard the motion for dismissal of the complaint made "pursuant to rule 107, sub. 6, of Rules of Civil Practice," Monday, June 11. Arthur Froner appeared as attorney for the newspaper while Goebel appeared as counsel for his associate, the attorney of record, Jesse Sobel.

Goebel had served a summons in the action upon Mrs. Solininen on Mar. 31 and upon the publishers of the Centre Island News on April 2. An article by-lined Barbara Solininen had appeared in the paper on Mar. 19 which accused Goebel, "a lawyer, duly admitted to practice law in the State of New York, with being guilty of improper and unethical conduct" including "slandering and ambulance chasing."

The motion for dismissal was based upon the claim that a release had been given based upon publication on Apr. 13 of a retraction and apology to Goebel.

The Justice ruled that the terms of a stipulation, a condition precedent to any settlement of the litigation, had never been performed.

SEVEN POLLING PLACES NOW:

School Voters Must Enroll All Over Again For Special

HICKSVILLE—When the next special election in this school district takes place, probably the end of July or early August, voters of the school districts will have to register all over again in person and will be voting at one of seven schools instead of the four designated in the past.

All registration of school voters prior to the annual meeting and election held in May are now voided and new registrations will be required. A total of 4,931 voters were registered and normally those registered would be carried over for the entire 1956-57 year.

However, a change in the registration requirements this year did not come to the attention of local officials until after the annual meeting had passed. The new law provides that registration books are opened at the annual meeting for the coming year. Bethpage, which also has personal registration, received the notice in time and complied with the new system.

The School Board here recently decided to alter the voting districts for school elections and have cut the district into seven zones. Previously there were only four, using the Burne Ave., East St., Old Country Road and Old High Schools.

Under the new voting zones, voters will register and vote at Burns Ave. (area remains the same), East St., Woodland Ave., Lee Ave., Fork Lane, Dutch Lane and Old Country Road.

The School Board plans to send notices and maps of the new dis-

tricts and voting places to all residents prior to the next election.

Compile Housing List For Teachers

For the third consecutive year the Parent-Teacher Association of Bethpage is compiling a list of housing facilities available in the community for teachers. This is part of the New Teacher Orientation Program planned each year in conjunction with the Administration of School District No. 21 and the Bethpage Teachers Assoc.

It is important to organize the listing early enough to send each new teacher a copy along with a letter of welcome. Residents of Bethpage are urged to send information to the nearest school immediately if they have suitable accommodations available or will have them ready in September. Rooms, apartments, and houses are needed for rental.

All information should be handed in in writing to the schools where the chairmen from the Central Blvd., Pine Ave., Powell Ave., and High School P-TAs will pick them up for use in the printed listing.

The following information must be given for inclusion in the listing: Name, Address, Phone, Description of room, other facilities available, and cost.

PROMISES ROAD WORK

Edward Schreiber, President of the North Bethpage Civic Assoc., is in receipt of a letter from Thomas R. Pynchon, Executive Assistant to Town Supervisor Waters, who was recently a guest speaker of the Association.

Mr. Pynchon states that the various streets involved in complaints that were aired at the meeting are being checked, and the necessary work will be attended to. The resurfacing of various streets is scheduled on the regular highway oiling program, and special attention will be given to complaints regarding surface drainage on Cranberry Lane, Briggs Ave. and Floral Ave.

CONFUSING

President Edward Schreiber, announces that the North Bethpage Civic Assoc. does not wish to be confused with another Civic Organization with a similar name.

This announcement is occasioned by the publicity release of a newly formed local civic association wherein they were quoted as "capturing" the recent school budget meeting. Criticism was leveled at the North Bethpage Civic Assoc., because of the similarity in names.

The North Bethpage Civic is a 27 year old organization whose only purpose is to capture the sustained interest of their members, promote civic betterment in full cooperation with enlightened public officials and fair minded private citizens, Schreiber said.

Social Security

Question: Mr. L. V. inquires: I am 72 years old and have owned and operated a grocery store since 1920. I understand I can keep on with my business and get social security checks each month because of my age. What papers should I take to the social security office?

Answer: You should take your tax returns for 1955 and proof that the tax was paid—cancelled check, money order stub, or other evidence. Bring something to show your age or date of birth. This could be a birth certificate, baptismal certificate, family Bible or other family record, etc.

Divide Chrysanthemums Now

By ALMA W. CRAIB

It is not too late to divide your chrysanthemums, or to buy new ones—or to beg them from your well-supplied friends. One of the joys of gardening is sharing your surplus plants with your friends and neighbors, and in nothing is Mother Nature more generous with increase than with mums. Each tiny rooted spring shoot becomes a huge clump by Sept., and in a few years you just have to give some away or consign them to the compost heap.

These clumps need not be divided every year, but as soon as they spread out and crowd other plants, dig them up and separate them. Replant all the rooted shoots from the outside, and discard the woody center. Being such vigorous growers they require a lot of food. A handful of 5-10-5 and superphosphate or bone-meal with plenty of moisture-holding peat moss should be dug into the soil in which they are transplanted.

For the best growth and bloom, mums need full sun and lots of water, but they will do fairly well with shade part of the day, and will come thru a period of extreme dryness better than most perennials.

The cushion mums need no pinching back, but the tall-growing varieties will be much bushier and give far more bloom if they are pinched back three times, once when they are 6 inches high, and again in late June and mid-July.

This Terrible Age

Because I'm a teenager, I'm a reckless thing.
Yet it's the age, where I'm supposed to have a fling.
I'm supposed to be careless, and full of hell,
He is good for nothing, is all I hear tell.
If I want to go to a playground, I'm told,
Don't hang around here kid, you're a little too old.
If I want to go to a tavern, and have a beer,
I'm told I'm too young, not to hang around here.
If I hang on a corner, I'm told by a cop,
Keep moving young fellow, or I'll make you hop.
If I want to play ball, out in the street,
The neighbors all come out, and tell me to beat.
I'm chased until, there is no place to stay,
What am I to do, where am I to play?
Then when I'm in trouble, you'll hear them all say,
It's because of his age, that makes him that way.
I wish I had never reached the stage
Where, whatever I do, is blamed on my age.
Yet it's not long ago that whatever I did,
Was always forgiven, because I was only a kid.
And when I grow older like Mom and Dad,
I'll know how to do things, so it don't look bad.

Operation VFW

By HOWARD DARLING

Congratulations to Commander Louis Klein and all the members of 2311 who marched on Memorial Day. You made a fine showing indeed, and I'm positive that you left an impression with all the viewers.

The parade was one of the finest our town has seen in years and the committee can well be proud of a job well done. To one and all my heartfelt congratulations.

If you are a World War II veteran and as yet, by some chance, haven't applied for your New York State Bonus, you may still do so by making application to the New York State Veterans Bonus Bureau, 1875 North Broadway, Albany, New York.

Our Representatives in Congress from New York the Hon. Kenneth B. Keating has prepared a bill for the House of Representatives to relieve certain veterans from liability for repayment of amounts erroneously paid to them while members of the Armed Forces. Mr. Keating's bill is specifically aimed at protecting veterans from any obligation to repay if the overpayment is discovered after the veteran has been honorably discharged from the Armed Forces. He cited

cases in which veterans had been asked to repay for errors in service pay that had been discovered as long as four years after the veteran was honorably discharged.

Carnival Time is Gaiety Time so for the thrills and fun of a good old fashioned show, come to the VFW Carnival during this week of June 18 on the Stacker and Frank property off of North Broadway between Bay Ave. and Broadway, Hicksville. Prell Shows is one of the largest of its kind in existence as you are bound to find something to please you and the kiddies. Come one—Come all. VFW members make a special effort to be present to assist our commander. Every able bodied man is needed. Glad to hear that our good friend, Bill Frohnhoefer, is about once again after his unfortunate accident.

I received a card mailed in mid-ocean from the Wangenheims. They tell me all is well and that they are enjoying their ocean voyage immensely.

Have you fellows read the story "Why Uncle Sam's Navy Must Be Second to None" in the June 1956 issue of your VFW Magazine? Make it a must.

William M. Gausso Jr. Post Veterans of Foreign Wars

The Ladies of our VFW Auxiliary made an excellent showing in the Memorial Day Parade. Missed Mrs. Klein, she was on the sick list.

Next week I'm taking a week's vacation and at present am planning to take in a few sights here and there with an old buddy of mine. We have no definite plans made, just going to pack up and go. I promise to get back on the ball when I return.

The benefits under Public Law 16 and for most service-disabled veterans on July 16th of this year. Public Law 16 provides special rehabilitation training for persons disabled in service in WWII. For the bulk of such veterans, all training under this law comes to a complete halt on this date. If you have any questions relative to the above law see our Post Service Officer immediately or contact me for additional information.

THOUGHT FOR THE WEEK: Whatever you may suffer, speak the truth. Be worthy of the entire confidence of your associates. Consider what is right as what must be done. It is not necessary that you should keep your property, or even your life, but it is necessary that you should hold fast your integrity.

Fireman's Prayer

When I am called to duty, God,
Wherever flames may rage
Give me strength to save some life
Whatever be its age.
Help me embrace a little child
Before it is too late
Or save an older person from
The horror of that fate.
Enable me to be alert
And hear the weakest shout
And quickly and efficiently,
To put the fire out.
I want to fill my calling and
To give the best of me;
To guard my every neighbor and
Protect his property.
And if according to Your Will
I have to lose my life,
Please bless with Your protecting hand,
My children and my wife.

June 14 at the VFW hall. The orchestra called the "Tri-tones" was one of the best that I've heard in a long time and I understand that they are available for engagements around here. If anyone is interested, they can contact their leader, Tom Maloney at 8 Sunnyfield Road, Hicksville, by phoning WE 1-9082.

I understand the paper collection was a good one for the Holy Trinity RC Church on June 9. Don't forget to attend the Block Party to be given on July 3 at the Holy Family RC Church, on Fordham Ave. off of Newbridge road.

There certainly was a big crowd of parents and kids waiting to get tickets from the Whelan Drug Store in Hicksville for the Ringling Bros. Barnum and Bailey Circus performance held here last week. The line extended all the way railroad tracks.

We would like to thank Mr. and Mrs. John Mulligan of 37 Twinlawn Ave. who found our Parakeet, Tweetie, and returned him to us. I guess he is just a wanderer because yesterday he took off again. If anyone sees a green and yellow parakeet wandering around please let me know.

THIS BUICK RIVIERA will be the grand award at the summer block party of Holy Family R. C. Church of Hicksville to be held in the church parking field off Fordham Ave. on Tuesday night, July 3. Mrs. William Ward, behind the wheel, and Frank O'Shea are co-chairmen of the party. There will be regular and square dancing to the music of Joe Carroll and his orchestra. Valuable merchandise awards are being offered also.

IT'S OFFICIAL—Hereafter the Oyster Bay township beach on Hempstead Harbor will be known as "Harry Tappen Beach", honoring former Supervisor Tappen. Left to right are Councilman John K. Best, Mr. Tappen, Assemblyman John Burns, Mrs. John MacAdam presenting Mr. Tappen with a leather bound copy of the official documents; Lester Mortimer who has the concession at the Beach, and Sea Cliff Mayor Edmund Denzler.

A brief ceremony of dedication of the beach, formerly known as Sea Cove, took place Saturday, June 20. Assemblyman Burns as principal speaker said it was "both fitting and proper that we honor a great man who is here and living". Burns recalled the many services of Tappen when township supervisor and his efforts in the development of this particular beach. (Boertzel Photo).

Grand Closing For Pack, Troop

HICKSVILLE—Cub Scouts and Boy Scouts of Fork Lane School are looking forward to a grand closing for the season with a joint meeting.

Cub Scout Pack No. 378 and Boy Scout Troop No. 378 will meet in separate rooms tonight (Thursday). Then at the point where three Webelos, namely Brad Maguill, Richard Poresky and Joseph Platania, will be formally graduated into the Scout Troop in a ceremony conducted by Cubmaster Bill Schultz and Webelos Den Leader Bill Stults, the two meetings will combine.

The cubs will then have the opportunity to observe the scout presentation of awards by Scout Master Dan Jacobs and Assistant Scout Master Fred Woodward, after which the scouts will observe the cubs "Pinewood Derby."

The "Pinewood Derby" consists

of races of model cars made by the cubs—with the aid of Dad, of course. The cars are run down a ramp and strict racing regulations are adhered to, including uniform weight of cars, etc.

Refreshments will also be partaken of jointly. Parents of both cubs and scouts are invited and are promised a rewarding evening.

SPARKY SAYS

DON'T GIVE FIRE A PLACE TO START!

Let's Fill The Grandstand

May we have a word with you parents of "Little Leaguers"? Your boy is having the time of his life playing a brand of baseball that for its highly competitive aspects and its serious attitude towards the game, compares favorably to the baseball that is played in the big league parks. Your boy takes this game in dead earnest. Come out to the games some evening and watch them in action. The sight of the teams in their uniforms sitting on the bench waiting for the game to begin will be reward enough. They all look great, and when the Umpires "play ball" lifts them off the bench and onto that field you will be carried away in a few moments to the world of exciting baseball.

The field is the Yankee Stadium, the Polo Grounds or Ebbetts Field. These boys of yours make it so. Your league officials, team managers, coaches and umpires all help to make it so. Is this the world of make believe or is this real baseball? Mom, this is real to your boy. He's a baseball player now and much more than the sand lot variety too. No, not sand lot stuff but real baseball and he is so proud to be part of it all. We are talking about your International League here in Hicksville. There are other leagues: The National League and the American League, each representing a geographic area in your community. Your boys and everyone in Little League activity in Hicksville, Bethpage and Plainview would like to see you at these games. You know how the Dodgers feel when the stands are empty.

Come on out and enjoy being part of this great game of Baseball that means so much to your boy.

Co No 6 Sinks Emergency Boys

HICKSVILLE—Hook and Ladder Co. 6 is out in front in the first dept. inter-company softball league by its resounding defeat of Emergency Co. 5, 32-7, last Sunday. Hook and Ladder Co. 1 and Hose Co. 4 meet this Sunday afternoon at the Lee Ave. School field.

An emergency call last Sunday delayed the start of the game. George Frey "new" member of Co. 5, played first for the losers. Robert Wathey almost made the catch of the season from a prone position. Wathey and Walter Wertheissen were pitchers for the Emergency boys with Edward Olmka behind the mound.

John Larkin was credited with the win, relieving John Specht for Co. 6 with Melvin Voorhies behind the plate. Harold Hawthurst worked off a few ounces in left field for the Hook and Ladder boys.

The standings of the teams:

Company	Won	Lost
Co. 6	2	0
Co. 3	1	0
Co. 4	1	1
Co. 2	1	1
Co. 5	0	1
Co. 1	0	2

Shanley whiffs 19 batters to score 8-0 win and his third shutout of the season. Phenomenal control plus amazing poise makes Shanley a standout. George Baird doubled with the bases loaded and Mike Dolan also weighed in with two timely hits.

St. Ignatius Warriors romp over Lady of Lourdes 6-3. Airtight pitching of Bennett and Pietros for the Warriors featured. Pietros also slammed a double to help the cause. The Warriors are now primed to take the St. Ignatius "B" team apart at their game this week. This should be a honey. Don't miss it.

Senecas trim the Orioles 10-0 as Connelly continues his brilliant pitching. Tiring gunned three hits to all fields while Hardick played his usual snappy heads up game.

Orioles edge Apache's in 5-4 squeaker. Mruz and Hank Konetzne sparked at bat and afield as German ties up the Apaches with his curve ball. Granie and P. Hicksey starred for the losers.

Apaches split doubleheader last week. In the first game they rallied for five runs in the last inning to stave the Orioles 10-9. Barolletti, Brady, and Wilson helped Grande to win this one. The Senecas committed mayhem 14-4 making the Apaches roll over and play dead.

Many thanks to the "Umps" for their sterling work to date—they have been conducting the games smoothly and efficiently.

Boys remember the Paper Drive. Let's go over the top. Make you team the leader.

Complaints About Pool Visitors

By CHARLES DeSHAW

People in the Levitt-nome section are quite disturbed over the Pool situation. Seems that the influx of people from Levittown to both the Parkway and West Green Pools has prevented a considerable number of Hicksville people from using these pools, since when maximum number of occupants is reached, Pool gates are closed.

Complaints to this effect go unheeded by Pool management. Another bone of contention is that Pool Tags have been issued to residents who do not live in Levitt homes and are not paying taxes for Pools.

There are numerous chuckles over the plight of a large group of local teachers who applied to Plainview School District for employment next year because of the "higher salary scale". It is strongly rumored that very few were hired—those who possessed the extra high qualifications Plainview demands, whose particular skills were needed. It seems that Plainview is only interested in the very best, and isn't giving money away.

People here who saw the Circus last week are still talking disgustedly about it, especially those who attended the Tuesday afternoon performance, which began at 4:45 p.m. They suggest that the

Circus slogan be changed from "The Greatest Show On Earth", to "The Biggest Gyp On Earth".

Since the L. I. R. R. has had such bad publicity, the Circus tried to cash in on it by blaming the Railroad for the delay in arriving, when evidence shows that the Circus was at fault. Their attitude was, "We'll only be there two days, and those Hicks will be only too glad to suffer any inconvenience to attend."

They forgot that the name Hicksville was derived from the Hicks family, and in no way applied to the inhabitants. The foreshadowing of what was to come took place on Sunday, June 9, when the tickets first went on sale. People gathered on line from 8 a.m., but the first tickets weren't sold until 10:20, although they were supposed to begin sale at 9:00.

The McCorrides of 117 Brittle La. are leaving Hicksville on Saturday for upper New York State where they have purchased another home. They say they're sorry to be leaving but that they want more grounds and a bigger home, and up state is the only place where they can get this at a reasonable price.

The Hind's of 120 Brittle La. will also be moving shortly. They have bought a larger home out on the Island.

Also moving are the Beverly's of 123 Brittle La. Husband, Ralph, was transferred to a different base by the Navy.

If you're saving for a big event...

Where you save does make a difference

Big events like weddings are worth saving for. And as over 15 million Americans know, saving in an insured Savings and Loan Association offers important advantages.

Excellent returns from your money is one advantage.

Another is modern, efficient, forward-looking service.

And, of course, your money is safe because in insured Associations your savings are protected by sound management and substantial reserves. They are insured up to \$10,000 by the FSLIC—an agency of the U. S. Government.

These are the reasons why Americans are putting more of their savings account dollars into insured Savings and Loan Associations than anywhere else!

Whatever event you're saving for, start right now to enjoy the worthwhile advantages offered by your nearby insured Association.
