Residents south of Old Country Rd. are permitted to water their lawns on odd-numbered days of the month and those north of Old Country Rd. on even-numbered days (such as today, June 28) before 11 AM and after 7 PM. All residents are urged to shut down on lawn sprinkling whenever the fire alarm is sounded.

Start Paving Huge Parking Area For Mid Island Plaza

HICKSVILLE—Contracts totaling more than \$1,000,000 have been awarded the Radory Construction Corp., of West Hempstead, John Rath, president, for installing curbs and paving some 58 acres of parking area and roadways in Mid-Island Plaza at North Bway., here, it was announced today by Stackler & Frank, builders and owners of the \$40,000,000 regional shopping center. Rath, whose firm has already installed the drainage and sanitary systems in the project, said that paving will begin this week. More than 2,500,000 square feet of asphalt 1½ inches thick will be laid over a 4½-inch crushed stone base.

Meanwhile, the builders said construction of the ten buildings in the initial section of the 110-acre shopping center, including the five-story-and-basement structure to be occupied by Gertz dept. store, has reached a stage where the builders will begin turning the buildings over to the tenants for decoration and installation of fixtures within the next 30 days.

NEW PRESIDENT LIKELY:

Reorganize School Board With Six Members Tuesday

HICKSVILLE—The Board of Education is scheduled to make a new start in the management of the School District when the reorganization meeting takes place next Tuesday night, July 3. For the first time in many months the Board will almost have a full membership—six out of seven trustees. The Board will probably also elect a new president, ending the two-year tenure in that position of Edna Kuhne Sutton.

The four incumbent members—Mrs. Sutton, Emil Szendy, Arthur L. Eirich and Joseph F. Cawley—will be joined by Allen Carpenter and Robert Eaton. The latter two were elected at the May annual election which also saw the reelection of Eirich.

The four-member Board has found it difficult to meet the past month with the presence of all four required to conduct business. The last meeting of the Board was held on May 25.

Since Szendy and Eirich in the past have contested the actions of Mrs. Sutton as president, and with Carpenter and Eaton elected on a platform opposing the policies of Mrs. Sutton and Cawley, the four trustees are expected to nominate and vote for a new president.

It is generally expected that Szendy will be named and elected President with Eirich as vice president and Eaton as Board secretary.

Of major interest at the reorganization meeting next Tuesday night will be the appointment of the attorney for the district. Bertram Crane, attorney for two years, has submitted a resignation effective June 30. Harry Gogbel, who represented taxpayers in appeals which declared the special trustee elections of A. O. Soiminen and William Yocum and the appointment of Milton G. Leavitt "invalid", has been prominently mentioned as the possible choice of the Board as school district attorney.

Dr. Wallace E. Lamb, completing his first year as superintendent of schools, is expected to be re-designated.

Annex Becomes Centre For Info

HICKSVILLE—The annex of Oyster Bay Town Hall at 32 Broadway, here, is "becoming the local focus point for service and information in all matters related to our Town Government" it was noted today by Manager John P. DeMersman. The office operates under the supervision of Oyster Bay Town Clerk Henry M. Curran.

"If the answers to your questions or requests are not readily available, you can be sure that the office staff will extend every means to help you", DeMersman said.

"I became an active part of this office on June 1st and it was surprising to witness the interest and activity of our Town people seeking information or service at the annex. We hope to extend this service where feasible, with the close coordination of the Oyster Bay Town Hall.

"Beach permits can only be issued at the beaches. The fee is \$2.00 for the season and they are issued to residents of the Town.

"Licenses or permits for dogs, shellfish, fishing, hunting, etc., can be obtained at the annex. Hicksville Park and Parking District stickers are issued here. Likewise matters relating to building or alterations are handled at this office."

Other personnel who are presently located at this office are a Councilman Henry J. McInnes, Sidney W. Poley, Superintendent of Beaches; Peter S. Hussey, parks and recreation; Edward J. Marstad, building inspector, and Mrs. Thora Watson, secretary.

FOLLOWING AN ANNIVERSARY MASS in honor of his 25th anniversary of ordination into the Holy Priesthood, Rev. John Wissler, of St. Ignatius Loyola RC Church, Hicksville, was honored with a breakfast by the members of the St. Ignatius Loyola Auxiliary of Christian Mothers, June 9, in the school cafeteria.

Shown with Father Wissler as he is about to cut his Anniversary cake are l. to r., Mrs. Ann Breschard, Vice President of the Auxiliary, who made arrangements for the breakfast; Rt. Rev. Msgr. George Bittermann, Pastor of St. Ignatius; Sister Rose Dominic, Principal of St. Ignatius School, and Mrs. Rita Sullivan, President of the Auxiliary.

Dear Jean:

Belated anniversary greetings to Mr. and Mrs. JAMES McLAUGHLIN of Sunset Ave., Hicksville, who celebrated their 25th wedding anniversary on Sunday, June 24. On hand to help them celebrate were their children, Joyce and Jimmy, also married daughter and her husband, Mr. and Mrs. Thomas Koenig of Chicago, who will spend a few weeks as the guests of the McLaughlins. . . . Had a grand time chaperoning the sophomore class of St. Dominic's High School, Oyster Bay, on their annual outing to Rye Beach last week. Nice group of teenagers, Mrs. JOHN DOWLING of Plainview also was among the older girls going along. . . . Hicksville Farms have started renovating the store on Woodbury Rd., Hicksville. It was nice shopping there before, but with the new additions to the vegetable dept. and added space, we find it much more convenient. Good luck boys. . . . We heard this week, that Dr. and Mrs. ROBERT FERDINAND of Halsey Ave., Hicksville, will celebrate their 25th wedding anniversary at the end of the month. Our sincerest congratulations to a very fine couple. . . . Greetings to GENE GIAMONACCIO who celebrated a birthday on Sunday. . . . Hicksville Rotary Club will not hold its regular Thursday luncheon today at the Milleridge. Instead the club has its installation at 7 this evening at the Vienne's Coach, Syosset. . . . Dr. JOHN CRANFORD ADAMS, president of Hofstra, has left for Scotland where he will continue research for his new book on Elizabethan Drama. . . .

HAPPY BIRTHDAY TO WILLIAM J. BOLES of the Log Tavern, 11 Herzog Place, Hicksville, who is today (June 28th) celebrating his 52nd Birthday. Bill was born in Merrie Ole England in 1904 and came to these shores when he was 16 months old. His Log Tavern is next door to JOE BOSLET'S Hobby Centre and he is one of the charter citizens of what WOODY KAREN used to fondly call the "Barberry Coast". . . .

AUDREY BLYMAN, daughter of George Blyman, of 408 Bay Ave., Hicksville, received a Bachelor of Science in Education degree upon her graduation on June 15, at Adelphi College. . . .

The American Legion carnival was followed by the circus and then the VFW carnival, to provide local youngsters with almost three weeks of activity. The circus brought SCHWARTZ FURNITURE a number of customers when some of the circus people discovered that a certain toy chest available at the furniture store was just the thing for the storage space over their bunks on the circus train. . . . When the Prell Show was here LAMAR JOHNSON, 27 year old strong man, went to the hospital. He was nearly strangled during his act of acting as anchor for eight brawny men. He told police it was his first accident in 12 years with the act. . . .

Mr. and Mrs. JAMES S. REILLY of Plainview are the parents of a son, Robert John, born June 16 at Huntington Hospital. . . . ERNIE FRANCKE is wearing that Harriman button, as he promised FLEM HARNING, but not saying where. . . . Who remembers when that sidewalk clock on E. Marie St., next to Hicksville Theatre, went on the Fritz? We'll print the answer next week. . . . The Fire Dept. Tournament Committee is asking merchants and business concerns to forward donations or prize trophies to Secretary WILLIAM DARGAN not later than Aug. 22. . . .

Mailman BOB HAMMOND is out of the hospital and back on his route with the mails in northwest section. . . .

Saw Show Boat at Jones Beach, Monday evening. It was very good and it's marvelous how the settings are changed in such a short time. . . . The mail will keep getting through now. MAC is back at his post in the Plainview Post Office. Now that his knee and eye are back in shape, he is having a little trouble with his left ear. Must have been listening at too many key-holes. . . .

Overheard outside St. Ignatius Church Thursday after Confirmation, "The reason the Bishop was ten minutes late for the ceremonies, was he was discussing the Yankees with one of the 'big boys'."

The Plainview Fire Dept. Ladies Auxiliary wants it known that they won the trophy for best appearance at the Nassau County Firemen's Assoc. parade in Oyster Bay a week ago. The Hicksville Ladies won a plaque for best appearance awarded by the county auxiliary. . . . Next Tuesday evening the Board of Education in Hicksville and other mid-Island communities will hold reorganization. Successful Show By Garden Club

The Bethpage Garden Club held its third successful annual Spring Flower Show, June 16, at the Methodist Church, Bethpage. Mrs. Wendell Kilmer, Director of the Second District of Federated Garden Clubs of New York, and Mrs. John Fahringer, judged more than 100 entries of horticulture, ten table settings, nine miniatures and eleven arrangements.

The theme of the show was "Essence of Spring" and the winners of Tri-Color ribbons received awards of perfumes from Faberge and Lord & Taylor of Garden City. This was the first time Girl Scout and Brownies competed with arrangements done in ash trays and cream pitchers.

One of the outstanding attractions of the show was a display of landscaping material and sketches of correct landscaping for Cape Cod, ranch and split level houses. The display was created by Mrs. Robert Mellen, Garden Club President, with material loaned to the club by Emil's Garden Nursery. The following members won awards for their entries:

CURRENT COMMENT:

Show Boat Is Big Spectacle

By Fred J. Noeth

WE ATTENDED the new performance of "Show Boat" at the Jones Beach Marine Stadium this week and may be expected to pass some comment. The reviews last Friday in the metropolitan daily press were lavish. In fact, the show's press agent claims that "never before in outdoor spectacle history has such unanimous acclaim been given a production than the editorial huzzahs thrown in the direction of . . . 'Show Boat'."

It is a wonderful spectacle and we may be pardoned for reasons of age in not being able to compare this production with previous offerings. Our Big City contemporaries in their reviews made frequent comparisons with the performance given three decades ago at the Ziegfeld Theatre.

The facilities of the Marine Stadium have been put to good advantage with a full-size Show Boat chugging in and out of the monster stage. The orchestra pit has been moved across the water and closer to the audience. This has been a fine improvement from the audience standpoint with the wonderful, familiar music of "Show Boat."

A great deal of the action on the levee is right in front of the audience also and most of it is worth having up close. Personally, however, we could do without that noisy yelling business in the Second Act entitled "In Dahomey". They must have had some better and more entertaining features at the World's Fair in 1893.

We enjoyed excellent seats and got a special delight out of the fact that Guy Lombardo was wandering around in our section of the audience and Oscar Hammerstein 2nd was seated about three rows in front of us.

The "Show Boat" is an excellent evening's entertainment and you won't be disappointed. Helena Bliss as "Julie" and Gloria Hamilton as "Magnolia" have lovely voices. William Smith as "Joe" is wonderful with "Ol Man River".

We do miss the water ballet, though.

Youth Council Make New Survey

HICKSVILLE.—It was reported at the meeting of the Youth Coordinating Council, Monday evening, that a letter had been forwarded to Dr. Wallace Lamb, School Superintendent, requesting that he issue a call to all organizations for representatives to form a community wide Recreation Committee for "the purpose of making a study and evaluation of the recreational needs of the district for all ages."

The HYCC voted to begin the spadework for such a Committee when formed, by preparing and sending out questionnaires to all organizations to discover programs they are presently conducting. The committee appointed consists of the following: John Gabriel, Sol Zimmerman, Martin Greenfield, and Irving Mallon.

HERALD READER OPINION

Support Board Constructively

By CHARLES E. ROGAN
To the Editor:

Once again Jack Drutman has put his best foot forward and right into his mouth. For the benefit of some newcomers to our district, let me say here and now that the Drutman-Leavitt group has not succeeded in any undertaking they have sponsored. They still to this day claim that anyone who disagrees with wasteful spending and padding the payrolls is denying the children a proper education. If more and more permanent schools are not built then your children are being denied a good education.

Can not a child get a good education in temporary type classrooms and can not a child get a good education in a class of 30 or 35 as long as we have competent teachers?

Now then there are a few points Mr. Drutman made (Herald issue, June 14) that bear answering. First of all, it is certainly strange how Board members change when they graduate from a minority to a majority — strange to the former majority who now cannot swallow the bitter pill prescribed by the voters of this district. Mr. Drutman, whom I presume is a teacher or has some relative in the teaching profession because of his lobbying for smaller classrooms and potential "white elephants" permanent schools, stated that the taxpayers of this district

voted "overwhelmingly" in favor of higher salaries for teachers and principals. I agree that the vote was overwhelmingly in favor of the increases. The Classroom Teachers Assoc. was out in force that night (May 1) as evidenced by their departure en masse as soon as the teachers and principals salaries were voted upon to be increased. They retired from the budget meeting, I presume to rest up for the vote which came about in the early hours of the morning when a large number of taxpayers, disgusted with the well-oiled machinery of this group, had long since retired to their homes and beds.

This small but well knit and dedicated group is still active today as evidenced by Mr. Drutman's letter and will still attempt to hoodwink the taxpayers into paying for feather-bedding.

Mr. Drutman has also stated that the new "majority" has sent out letters to Mr. Walling and Mr. Miller notifying them that their contracts will not be renewed. If so, I applaud this gesture. At least they had the decency to give notice which is something I do not believe Mrs. Sutton would have done. How about Dr. LeBarron, Mr. Drutman? Do you believe a man who served so faithfully for so many years resigned because he himself wanted to, I think you will have to agree that the former majority

brought pressure to bear on Dr. LeBarron and forced him out.

As for the "spoils system", which you condemn, was it not in existence during the former regime. If not then how about Mr. Leavitt's appointment to the Board. How come others were appointed to various positions in appreciation of their loyalty? Why didn't you cry "spoils system" then?

When you mention a possible "watered-down" curriculum, are you referring to classroom teaching or the watering down of wasteful payroll padding and spending?

In closing let me ask you and your constituents to also rise above the atmosphere of petty recrimination and personal vengeance and support constructively the new Board.

The taxpayers of this district have rejected your philosophy at the polls, so why not keep your feet on the ground and out of your mouth.

I might also add that I am one of those "roons" Mr. Walling referred to as having taken over the budget meeting last year. If standing up and speaking your mind on school affairs classifies one as a "roon" then I welcome you and many others to this select group. I am in favor of more "roons" attending our district meetings.

"Regardless of the double session this class had for the first part of their high school course and the incomplete new high school, we entered in September, with the help of the Hicksville High School's excellent faculty, they have made an excellent record.

"Of the class that graduated from high school four years ago, many of them graduated from College this spring. Marilyn Kreider and Barbara Jack were elected to Phi Beta Kappa, which gave four of our alumni having earned this award.

"Doretta Binner, from that same class graduated from Massachusetts Institute of Technology this past spring. She chose M.I.T. to train to be a Mathematician teacher. But industry offered her a much higher salary, hence the teaching profession lost her. We hope some students for this class will increase Hicksville High School's record of Phi Beta Kappa when they graduate from college four years from now.

"Dr. Lamb, the High School Faculty, and I take great pride in presenting this excellent class of 32 girls and 90 boys", Miss Farley concluded.

Vacation Period Well Upon Us

By DOROTHY R. BROWN

Have you noticed the different faces going into 59 Fordham Rd. yet? We hear that this residence belonging to Mr. and Mrs. James Montoux has been rented for approximately a year. Why? Well Mr. Montoux an employee of Grumman's Aircraft plant has been sent out to Murac Air Base near Los Angeles, Calif. on a field job for six months to a year duration.

Mrs. James Montoux and their two sons, Steven and Jimmy have a rented place near Mr. Montoux's work and plan to stay out west for the duration of the project. I am sure they will have pictures and many tales to tell of their adventures on the west coast for the year.

The vacation period is well upon us. Jacob Hellrigel of 12 Mayflower Dr. has had two weeks. He spent his time baby sitting while his wife tended to her many extra activities with Scouts and P-TA and he also put up a nice new fence around the back yard. Also if my eyes do not deceive me the house looks a bit fresher as if it had some new paint on it.

Another one to be on vacation now is James Cooney of the N. Y. Telephone Co. With the two small live wire children they are not planning on any extensive trips but will take only short day trips to various places. Mr. Cooney and family reside at 10 Greenbriar Lane.

When you have a birthday, don't wait for me to call you to see what you did to celebrate it special but give me a call and then you will be sure that special event is listed. We happened to know that Gleen P. Cody received a bright new bicycle for his second birthday, May 19. Also Catherine McNeely was two on the next day, May 20. Speaking of May 20 our minds me that Mr. and Mrs. Harold

Smith of Woodbine Dr. celebrated their sixth anniversary on that date and part of this celebration included Sunday dinner at their neighbors, Mr. and Mrs. James Nictri of 41 Fordham Rd.

While on Anniversaries, May 22 Mr. and Mrs. Anthony Yannotti of the Farm Mutual Insurance Co. were reminded of their anniversary when this reporter called to congratulate them and see what they were doing to celebrate the event. Mrs. Yannotti confessed she thought it was a day later and they both had a good joke over it.

Ronald Simone of Woodbine Dr. was 11 years old on May 21 and Robert McCaffrey of Fordham Rd. was five years old on May 23. May 24 after the nice musical at the Nicholas School in which Kathy appeared as a member of the second grade chorus she had a party at her home with her Grandparents, Mr. and Mrs. John Ryan, and her aunt and Uncle Mr. and Mrs. Frank Pooler and sons, Neil and Jay of Hicksville. A nice time was had by all.

May 27 we find that Karen Em-law of Fordham Rd. reached her fourth year and Deborah DeStafano was three years old. May 28 Robert Boemermann was 6 years old. May 29 Michael Masciello was five years old. Also on this date Mr. Martin Donlon of 81 Woodbine Dr. N., who has gone into the clock and watch repair business on his own, celebrated his natal day.

Maybe you have noticed little Richard Szymanski of 4 Greenbriar Lane who was recently accepted into St. Ignatius School for next fall, sitting in a summer easy chair outside. He recently fell off a ladder doing some climbing which the children had been told not to do just five minutes before as someone was going to get hurt. Too bad an accident of a sprained

foot has to happen to make them realize that what they were told is true.

The International League of Little League had their grand opening on May 30 with the Kiwanis team represented by John Schmidt, Jimmy Szymanski and Vincent Lo-Cirero of our development and managed by Ken McCusker. They won their first game with Gold-man's, score 7-5 but the next night was not theirs. Long Island National Bank team with one home run won the game 7-1. Come on Kiwanis men lets get out and give the team some support. With a little encouragement from you all and the parents of the players and I am sure you will have a winning team this year. They need a lot of encouragement to do it.

Claire Keller Becomes Bride

Claire Angele Keller and Andre Martin Viette were married by Pastor John Hirsch on Sunday, June 17, at the Church of the Good Shepherd-Lutheran. This was the first wedding held at the Church between two members of the congregation.

The bride is the daughter of Mr. and Mrs. Frank Keller of Belmont Ave., and the groom's parents are Mr. and Mrs. Martin Viette of Man-netto Hill Rd. Both fathers are nurserymen and long-time residents of Plainview.

The bride wore a floor-length tiered white lace gown over taffeta. It had long sleeves and a front panel of pleated tulle. The white tulle veil fell from a coronet of lace. She carried a cascade of Amazon lilies and stephanotis.

Mrs. Keller wore blue with a corsage of white roses, while Mr. Viette's mother had a corsage of tallman roses complementing her beige dress.

Mrs. Fred Kochersverger of Levittown, the bride's sister, was matron of honor in a mint green organ-dy gown with matching hat. She carried an old fashioned bouquet of yellow roses with lavender sweet peas and larkspur. The bridesmaids, dressed in yellow organ-dy, included Marylou and Rita Viette, sisters of the groom, Yvonne Viette of Huntington, his cousin, and Joan Sarli of New Hyde Park, the bride's cousin.

The best man was Maurice Viette, Jr., of Huntington, a cousin of the groom. Fred Kochersverger, brother-in-law of the bride, John Brigandi of Hicksville, John Keane of New Jersey, and Carl Zazzarino of Huntington were ushers.

A reception for 125 guests was held at Anselmi's, which was beautifully decorated by some 40 dozen peonies sent by the elder Mr. Viette. During the course of the festivities the bouquet was caught by Rosalie Tringali of Hicksville and the garter snared by Wesley Hefflin, Jr. of Syoset.

Mr. Viette, a graduate of Cornell University, works with his father, Mrs. Viette, who is well remembered as the valedictorian of the 1954 graduating class at Hicksville High School, will continue her employment with the Prudential Insurance Co. They will make their home in Levittown.

GOING TO OREGON

Bernard Z. Luchans, member of the Jerusalem Ave. Junior High faculty will represent the Hicksville Classroom Teachers Association at the 94th annual convention of the National Education Assoc. Sessions will be held in Portland, Oregon, from July 1-6.

Joan Tanner Wed on June 3

Joan Ann Tanner, daughter of Mr. and Mrs. Arthur Tanner, of 101 Bay Ave., Hicksville, was married to Thomas Siciliano, son of Mr. and Mrs. Nicholas Siciliano of Mineola, on Sunday, June 3, at 5 p.m. at St. Ignatius Loyola R. C. Church.

The bride, given in marriage by her father, wore a gown of Chantilly lace and nylon tulle, fashioned with a semi-scoop neckline, long torso, long sleeves and bouffant skirt with a chapel length train. Her veil fell from a cap of matching Chantilly lace and seed pearls. She carried a prayer book with white orchids.

Mrs. Henry Von Fricken, sister of the bride, was the matron-of-honor. She wore a mint green ballerina length gown of nylon chiffon with matching hat and shoes. Her bouquet of mixed flowers was fashioned in a heart arrangement. Miss Arline Tanner, another sister of the bride and Miss Esther Siciliano, sister of the groom, were bridesmaids. They wore maize ballerina length gowns of nylon chiffon and matching hats and shoes and also carried heart-shaped bouquets.

Nicholas Siciliano, Jr., of Wil-liston Park, brother of the groom, was the best man.

John Bamberger, of Mineola, and Thomas Tanner, brother of the bride, were ushers.

After a honeymoon in Florida, the newlyweds will reside temporarily in Mineola until their home in Brentwood has been completed.

TROOP 91 REPORTS:

Scout Charter Program Tonight

By ELWOOD S. KENT, JR.
HICKSVILLE — Assistant Scoutmaster Camaratta directed tent making class as the Scouts pitched, and took down tents. Scoutmaster Pasullo offered some well taken hints from his camping lore stored up after 30 years of scouting.

Scouts then proceeded to move into their new headquarters with a well engineered "Moving Plan" supervised by Committeeman Rompell and Evans. All camping equipment plus other incidentals were moved with a minimum of effort as the Scouts showed their "Be

Prepared" spirit.

Congratulations to Stanley Mruz for his efficient handling of the "Bazaar" duty.

Scouts Burns and McCormack were selected to precede the students in the St. Ignatius Loyola School graduation Well done lads, this assignment is most coveted and reeks with honor.

Troop 91 has decided to extend its program throughout the summer, taking advantage of the good weather for outdoor activity.

Charter night will be held tonight (Thursday) at St. Ignatius in the cafeteria. All parents are expected to attend and refreshments will be served after the ceremonies. The troop officers and committee for the coming year will be installed.

65 Broadway • Hicksville • WE 1-2000

By HOWARD FINNEGAN

We indicated here a month ago that a big name in the Hicksville High athletic dept. was planning to move on.

Although we knew that Comet football coach, Bill McNamara, was going to Bethpage, we promised not to reveal the fact until all contractual matters had been executed.

The decision of the personally very popular McNamara did not come easy, but was inevitable in the light of the advancement afforded by the switch.

According to Bethpage authorities, Bill will assume chairmanship of the Physical Education program of that district.

Speculation is now running wild as to who will assume the reigns of the Comet pigskin squad, and we list here some candidates. It could be Howard Bowers. The name is new to you, alright. As yet he hasn't joined the system, but our spies have informed us that he has had more than one interview with a view towards that end. Bowers is presently civilian coach of the powerful Mitchell Field Air Force Base team, which gained national prominence last season. Bowers may have an inclination to return to the scholastic ranks. For two years he coached the State Scholastic champions in Tennessee before scaling the college ranks at George Washington University.

Chet Jaworski is an extreme outsider since the pressure of his duties as Athletic and Health Director may even force him to relinquish his spot as coach of the Basketball team. That move would not be a happy one, but it is rumored over and over again. There is a chance that the new appointment might get so complicated in the personnel quandary at Hicksville, that Jaworski would step in as so to prevent an interruption of the sport.

It would take a lot to convince, despite his great affection for the game, Lou Millevoite to assume the mantle again. It was under Millevoite that the Orange had its most sustained hours in the gridiron sun. His Clubs of a decade ago won 29, tied 6, and lost 6. After the '47 season, when he lost four one touchdown decisions to powerful clubs, he gave up in the face of a frankly victory-hungry school board. His selection would be happily received by the Old Guard and the many new friends he has made in his work in the elementary system of our district. It's a thankless job, but he likes the game.

Not to be overlooked is Ed Petro. He had great success with the Freshman football team and the Jay Vee court team. He is very well liked by the boys and had experience at Stonington, Conn. and Bates College.

Also in the running is Carmen Girolomo who has personally made our Junior High athletic program prosper with great success.

So far, that's the lineup.

Remember the greatest shot in the history of Madison Square Garden? Well the lad who made it for the Rhode Island Rams in that National Invitation Basketball Tourney—Ernie Calvery—may come to teach at Hicksville next fall.

Know how we get so close to that keyhole?

Why Some Boys Play In Majors

By GREG FRASER

Why isn't my boy playing on a major league team? You parents frequently ask a question like this of someone in the Little League. You are naturally wondering why that youngster of yours isn't playing right up there on top. It is a question your officials can't always answer to your satisfaction although they would be only too happy to be able to say "Don't worry, we can have him ready for a major league team in a few weeks".

They know you want him advanced as rapidly as possible but they must be guided by those principles that govern this great game of baseball. Whatever team your boy may be on, whether it is a farm team or a minor or major league team, your boy wants his team to win. Competition is the life blood of this game and has to determine to a great extent the area of the game that your boy will play in. Acceptance of this principle of competition will make it possible for you to better understand how your Little League managers and coaches function with regard to the selection of their teams.

Some boys start in baseball with a lot of natural ability. Their coordination is good and they seem to have an instinctive capacity to play good baseball. Other boys start slow. They require more time to develop. They can't be pushed along too fast but in time their game improves. The managers and coaches must be patient and they are. When a boy first comes into the Little League he begins his baseball career on the farm teams. If he is eight years of age he has four years of baseball ahead of him. With the growth of the Babe Ruth League his years of baseball will be extended.

If his interest in the game is sustained through these years he will be an accomplished ball player ready to play for his high school team. No one can say for certain what lies ahead for these boys but it is not unreasonable to predict that some of these Little Leaguers will be making baseball history some day. Taking a long range view of this forces us to realize that there is no desperate urgency in this matter of getting your boy to the top in his Little League baseball career. Given time and pa-

tience he will satisfy all your expectations and in the meantime we again urge you to come out and watch him in action.

This Saturday, June 30, is Hicksville Little League Booster Day. All three Little League Divisions (American, International and National) will call house to house for donations.

St Ignatius CYO Baseball

By ELWOOD S. KENT, SR.

Cerone batted and pitched St. Ignatius to a 4-2 win over St. Aloysius. St. Ignatius now has won three and lost one and is tied for first place in the Northern Grammar Division. Dougerty of St. Ignatius stranded a great many St. Ignatius players on bases to lose a close one.

St. Ignatius 000 300 1 - 4
St. Aloysius 002 000 0 - 2

Felder of the Athletics struck out 13 men, yet the Yanks trimmed the A's 13-1. Konen and Roman starred at the bat for the Yanks.

Yanks 100 1011— - 13
Athletics 100 00 0— - 1

Seneca's dropped a doubleheader. McKee and Hickey, Sr. banged

out extra base knocks as Granie ran wild on the bases. Granie also pitched a good game to beat Con-

Senecas 031 00 - 4
Apaches 033 0x - 6

In the second game Smith and Germaine combined to take the leading parts as the Oriole's won: Oriole 065 00 - 11
Senecas 101 30 - 5

The CYO paper drive was very successful but due to the lack of heavy transportation all stops could not be made. This week some more collections will be made on Saturday.

Bishop Reilly Confirms Class

HICKSVILLE — The Most Rev. Edmund Reilly, Auxiliary Bishop of the Catholic Diocese of Brooklyn, on Thursday administered the Sacraments of Confirmation to boys and girls at St. Ignatius Loyola R. C. Church here.

The girls were robed in white nylon gowns, with red collars and red beanie. The boys wore red nylon gowns, and red ties.

After bestowing the Sacraments on the children the Bishop told them that for a happy life they should always remain in the state of Grace, because as he explained a person who is close to God is always a happy person. As prime

example he cited the pastor of St. Ignatius, Monsignor Bittermann. The Bishop explained that the Monsignor was a young priest in the Bishop's parish in College Point, when he first started High School. His recounting of the labors of the young Father Bittermann to teach Latin to him delighted everyone. Always smiling was the way, the Bishop explained the Monsignors approach to life, and he urged the boy's and girl's to follow the same example. Benediction of the Blessed Sacrament closed the ceremony.

Did you know that a useful kitchen stool can be made from an old cast-off high chair? Just remove the arms and tray holder. Then paint to match your kitchen color scheme.

Do you use a glass to flatten dough for drop cookies? Try dipping bottom of glass in granulated sugar first. This prevents glass from sticking to dough and leaves the sugar sparkling on the cookies.

An old farmer of many years ago wrote his son in the city, "The wheat I raise and knead with my own hands and watch ground into flour at our little local mill makes the world's sweetest bread. Or, maybe what I taste is just the personal satisfaction of eating the fruits of my own doing."

There's a lot to be said for that feeling of satisfaction that comes from your own doing. It's an experience known to every home baker who makes her own mix and kneads her own dough. But there's still another reason that the old farmer's bread tasted better. The flour turned out by his little local mill was UNBLEACHED. Except that it was crudely milled, it was similar to the Heckers flour you buy today. It, too, is UNBLEACHED. Heckers is NATURAL-LY white.

And speaking of bread, have you baked any lately? Here's a recipe that hundreds of women praise to the skies. Makes just one loaf. But what a big, beautiful loaf it turns out to be!

Ingredients:
• 3½ cups unbleached Heckers' flour
• 1 packet active dry yeast
• ½ cup warm water
• ½ cup milk, scalded
• 2 teaspoons sugar
• 2 teaspoons salt
• 1½ tablespoons shortening.

Pour yeast and water into mixing bowl. Sift milk in metal mixing cup and add sugar, salt and shortening. Cool by setting in cold water and add yeast. Add unbleached Heckers' flour gradually until fairly stiff. Mix with hands until well kneaded; rub top with shortening, butter or margarine. Let rise in warm place until about double in bulk. Pound down gently with hands or fist, then form into loaf and place in baking pan well greased. Rub again with shortening and let rise until well over top of pan. Bake in oven 400 to 425 degrees F. about 30 to 40 minutes. Loaf will shrink hollow on top when done.

Almost everybody likes winners. And here's a way to make this economical favorite even more appealing. More nutritious, too.

Wiener Wrap-Arounds
For the pastry, use 2 cups sifted unbleached Heckers' flour, 1 tsp. salt, 4 tsp. single (or 3 double) action baking powder, ½ cup shortening, ½ cup milk. For the filling, you need 8 wieners, prepared mustard. Can also use pickle relish, if desired.

Sift flour, salt, baking powder into bowl. Cut in shortening to consistency of coarse meal. Add milk. Stir until just blended. Knead slightly on floured board. Roll dough out to inch or so. Cut in 8 squares. Spread with mustard, pickle relish. Place wiener on each roll up. Pinch dough together. Bake at 425 degrees F. for 15-20 minutes until browned.
