## Behavior Code Subject For TV

HICKSVILLE—Television audiences in 100 cities across the nation will soon see a graphic demonstration of the do's and don'ts of the "Code of Social Behavior" composed by the Junior High School P-TA for Junior High students. Motion pictures illustrating correct and improper attire for students were taken by the United Press TV Film Co. at the new high school last week. Mrs. Martin Polsenski, who was chairman of the P-TA code committee, introduced and discussed each student and phases of the code. Students participating as models included John Russo, Mary Ann Wallace, Thomas Murray, Barbara Hummel, Richard Rady, Arthur Rosenberg, Rosalind Blue, Diane Scalcetti, Charlotte Sarzano, Phyllis Russo, Jeannette Arnold, Kathy Millevolte, Tom Sak, Neil Lensky, Dorothy Christ and Gail Trehanne.

## North West Area Protests Added Shopping Center Traffic

HICKSVILLE—With the Mid-Island Shopping Plaza scheduled to open in Sept., the North West Civic Assoc. has become concerned regarding the possible step-up of shopper traffic in their community. Petitions are being circulated requesting that three streets which currently dead end off Burns Ave. at the limits of the Stackler & Frank property—Winsor, York and Prose—are not opened as entrances or exits for the huge shopper parking area. Herbert Johnson, member of the Civic Assoc. and the Citizens' Advisory Committee on Safety, asked the School Board on Saturday morning to use its efforts to ban thru-traffic on Burns Ave. in the vicinity of the school.

Dr. Wallace E. Lamb, school superintendent, was directed to check with town, county and other authorities regarding plans for the movement of shopper traffic in the vicinity.

## Less Than 100 Vote On Fire Funds

HICKSVILLE—Less than 100 persons cast their ballots, Thursday night, upon two propositions for the expenditure of \$45,000 by the Board of Fire Commissioners. On the first proposition, calling for an additional \$30,000 to finish two sub-fire stations, there were 79 yes votes, 10 no and 6 void ballots for a total of 95. On the second motion, authorizing an additional \$15,000 for a new fire truck, the vote was 77 yes, 11 no, 6 void and 1 blank for a total of 95. The Board of Fire Commissioners immediately after the voting arranged to receive bids on the new fire truck, a high-pressure fog unit, tomorrow (Friday) night.

## Post Office Plans 4th Station

HICKSVILLE—Acting Postmaster Harry C. Cotter will receive bids until 12 noon on Monday, July 23, for establishment and operation of a contract station of the Post Office in the vicinity of Broadway and Marie St., here. The Post Office now operates three such stations at West Village Green, Centre Shops and Woodbury Rd. near South Oyster Bay Rd.

## Vandals Damage High School

HICKSVILLE—The High School, here, was broken into over the weekend, and damaged quite severely. Vandals broke into one of the classrooms and proceeded to the shower rooms where they turned on the faucets and allowed the water to flood them and the girls' gym. The floors in all of these spots are so badly buckled that they may have to be replaced.

EDWIN J. FEHRENBACH

## Appoint Fehrenbach Deputy Supervisor

OYSTER BAY—Edwin J. Fehrenbach of 12 Ennis Ave., Bethpage, will assume his duties as Deputy Supervisor of the Town of Oyster Bay on Monday, July 16. His appointment as administrative executive was enacted by the Town Board Tuesday. He will be empowered to preside at meetings of the Town Board and serve in the absence of Supervisor Lewis N. Waters.

Fehrenbach formerly held the position of assistant to the Supervisor for two years. He has also been manager of the Town Hall Annex at 32 Broadway, Hicksville.

He is 37 years of age. He and his wife, Lillian, are the parents of two daughters, Diane, 13, and Regina, 8. The Fehrenbachs have resided in Bethpage the past eight years.

He is a member of the Bethpage Kiwanis Club and Archie McCord Legion Post. He served five years in the Army Field Artillery in World War II.

Born in Brooklyn, he spent most of his life in Richmond Hill before moving to Bethpage. He is a graduate of Hofstra College where he earned his degree by attending night courses for five and a half years.

Relinquishing the position as assistant to the supervisor in February of this year, he entered private business. Upon assuming his new full-time administrative post as Deputy Supervisor he has severed his private business affiliation.

## PRINCIPAL RECALLS WAR YEARS:

# Miss Farley Retires Aug 28

HICKSVILLE—The action of the Board of Education in voting to request the retirement of Miss Mabel R. Farley, principal of senior high school, as of Aug. 28, was undertaken because the members voting in affirmative "felt that the continued growth of the high school demanded a younger and more active principal to carry on the tradition that Miss Farley has so ably established," it was disclosed today by Board President Emil J. Szendy.

Miss Farley in a letter released to the press this week asserted that "I believe a gross injustice has been done." She declined to discuss the matter, stating she wishes to confine her comments to her open letter "to Friends of Youth," the text of which is published below.

Szendy pointed out that "Miss Farley is now well past the cus-

mary mandatory retirement age of 70 years. For the past four years the School Board has each year discussed her replacement. In deference to her wishes and, frankly, on the part of some Board members, in fear of her wrath, action was repeatedly postponed. Finally, last year, a solution seemed to be in prospect. Miss Farley wrote Dr. Lamb, superintendent of schools as follows: 'I hereby wish to tender my resignation as Principal of Hicksville High School effective as of July 1, 1956. I trust that I may have the privilege and opportunity of working in the new Hicksville High School for the ensuing year.'

"I wish to extend my appreciation to the members of the Board of Education and to the Superintendent for the opportunity of working with the boys and girls (Please turn to Page 3)

# Early Vote On Library Funds, Election Of 2 More Trustees

HICKSVILLE—A referendum of the School District has been tentatively set for Aug. 18 at which time voters will decide on two trustees of the district for short terms and additional appropriation of \$60,000 needed to build the enlarged Public Library. The Board of Education will meet again this Friday night, July 13, at 8:30 in the new high school and all interested citizens are invited by the Board to attend.

The School Board, after an interval of more than a month during which no meetings were held, met three times last week. The reorganization meeting was held on Tuesday night, when newly elected Trustees Allen Carpenter and Robert Eaton took their positions with Emil J. Szendy, Arthur L. Eirich and Joseph Cawley.

The Board met again on Friday night, July 6 and, again on Saturday morning, July 7. Saturday's session concluded at 2:10 PM, starting at 10:30 AM.

### AWAIT REPORT

The Board is awaiting the report of the Citizens' Advisory Committee on Building regarding elementary school facility requirements and hopes this report will be ready tomorrow night. The Committee has a meeting with Dr. Lamb, superintendent, tonight (Thursday) to finalize its report.

At the session last Friday night, it was indicated the Board is considering submission of a proposition for the construction of 36 temporary class units at a total cost of \$695,000, to be distributed as follows: Woodland Ave., 6; Burns Ave., 8; Old Country Rd., 8; Dutch Lane, 6; Fork Lane, 4; East St., 4, and Lee Ave., 4.

Emil J. Szendy was elected President of the Board with Eirich, vice president; and Eaton, secretary. Joseph Cawley, who was not present for Friday night and Sat-

urday morning and is reported on vacation, voted either "no" or "abstained" on most Board actions on Tuesday night.

### GOEBEL ATTORNEY

School Attorney Harry Goebel was authorized to proceed with efforts to obtain a judgment on whether an entirely new registration of voters is required before another referendum. Goebel was named attorney for the district at \$7,000 per year. He said he would not charge the district \$100 a day for appearances in court and before the commissioner which had been the practice in the past.

The Board on Saturday authorized the payment of bills, discarded May 28 bids on the summer reading program equipment upon recommendation of Dr. Lamb.

A list of organizations authorized to meet in the schools, presented by Dr. Lamb, was approved.

Elmer Breschard, Jr. was named district clerk, Herbert Purick as district auditor and Aurelio Gelardi as district treasurer. It was voted to tape record all meetings. Dr. Lamb was named as superintendent at \$13,000, Donald Abt as assistant superintendent at \$10,000, M. L. Chittenden as attendance supervisor at \$6,100, Elery Bean as adult education director at \$2,400.

Board meetings will end at midnight and may be continued only by unanimous consent of all trustees present.

## Postponed

The Catholic Daughters night at last Thursday's performance of Show Boat at Jones Beach was rained out, and it has been postponed to next Thursday evening, July 19, according to information from Hicksville Court Queen of Angels, Catholic Daughters of America.

## Teacher Did Not Write Letter

A letter appearing in the Mid Island Herald last week signed "J. McGill, Hicksville" was not authored by Mrs. Jane (Thornton) McGill of Laurel St., Hicksville. Mrs. McGill is a teacher at Old Country Road School. The letter published in the July 5th issue was written by another person.—Editor.

LEON J. GALLOWAY

## Name Galloway Sr HS Principal

HICKSVILLE—Leon J. Galloway, Junior High School principal here since 1948, will be the new principal of the High School—both Junior and Senior—on Division Ave. He is expected to also be named principal of the Summer High School next year.

Galloway has been with the local school system for 27 years. He came here in 1929. He was chairman of the commercial department of the high school until his appointment as Junior High Principal 8 years ago.

Last term he was principal of the Jerusalem Ave. Junior High. Bernard Braun, former assistant principal of Division Ave. Junior High, will become principal of the Jerusalem Ave. Junior High.

At the School Board reorganization meeting last week, Donald Abt, former principal of the Division Ave. Junior High, was named Assistant Superintendent for Education. He succeeds Stanton Miller who has resigned.

Galloway will succeed both Abt as Junior High principal and Mabel R. Farley, Senior High principal at Division Ave. The Board has decided that the single authority at the new high school would be more effective.

The Board of Education has resolved to forward the necessary papers to the State Retirement Board making the retirement of Miss Farley effective Aug. 28. She became principal in 1925, having previously served in the district as teacher and vice principal.

# Had Grand Time At Block Party

By RUTH CONTI  
WE 1-7612

A good time was had by all who attended the Block Party at the Holy Family RC Church, July 8rd. I know because we were there. The only fault I could find with the party was the fact that the pavement was so hard on the feet and I heard many of the women complain that their feet hurt after dancing on the pavement. Otherwise everyone thoroughly enjoyed themselves. J. Bertschinger of 2 Dawn Lane in the Fairview Homes won the 1956 Buick Riviera which was given away as the grand award at the Block party. Congratulations to you.

Our congratulations also go to John F. Toppeta of 15 Stamford Ave. who was elected Hicksville Democratic Zone Leader at a meeting of committeemen held at the Hicksville Inn on June 28. Congratulations, John. They couldn't have elected a more capable or well liked person.

Congratulations also go to Santo J. Flumara of 18 Croyden Lane who was a candidate for Bachelor of Arts degree at the commencement exercise of St. John's University on June 10.

Also Dominic Dellacarpini of 46 Croyden Lane who received an MS in Education from Hofstra College at their 17th annual commencement exercises held on June

10th. I understand that our mailman Jimmy Entenmann won \$25.00 at the St. Ignatius RC Bazaar from their Treasure Chest.

Five girls from the Glenbrook Homes who played Mah Jong each week and put away \$2.00 a week at each game went up to the Neville Country Club in Ellenville, N. Y. with their husbands and used the money they had saved all year to finance this trip. They all had a wonderful time. The group included Mr. and Mrs. Sol Levandov of 12 Glenbrook Road, Mr. and Mrs. David Schiffer of 10 Glenbrook Road, Mr. and Mrs. Jack Landress of 8 Glenbrook Road, Mr. and Mrs. Ben Gordon of 6 Peter Road and Mr. and Mrs. Allan Goldstein of 3 Sunnyfield Road. Fred Ball of 69 Fox Place, Hicksville has been promoted to Sales Development Manager for the LI territory of the Allstate Insurance Co. Congratulations Mr. Ball.

A regular meeting of the Allied Community Civic Assoc. was held on June 18, at the Fork Lane School Auditorium.

Among the topics discussed were the preliminary details of a proposed Halloween Square Dance. Some preliminary reports on investigation of restrictive covenants imposed by the builder of Allied Homes, and also reports on School Building Needs Survey. A forma-

tion of a Tri-Civic Council was also proposed.

I would like to thank Mr. and Mrs. E. Levy of 11 Bond Lane for giving my children their puppy "Texas". They both had the chicken pox at the time and having a dog kept them from missing their outdoor play too much.

Birthday congratulations go to Linda Loper who will be 10 years old on July 11th. She lives at 36 Croyden Lane and her parents will celebrate with a small family party for her. Birthday greetings also go to Jimmy Samuelson of 31 Croyden Lane who will be 5 on July 21 and to his sister Joanne who will be 3 on July 24th.

A good time was had by all who attended the Stanley party held at the home of Rose Carrieri, of 3 Hastings Lane. Among those who attended were Mrs. Kozak, Mrs. Uro, Mrs. Krabbeler, Mrs. Wilkenhoff, Mrs. Samuelson and your correspondent.

Our best wishes go to Dot and Edward Wilkenhoff of 34 Croyden Lane who are the proud parents of a boy named Chris Gary Wilkenhoff who weighed in at 7 lbs. 10 ounces on June 29th at Mid-Island Hospital. His brothers, Mark and Steven were very happy to welcome him home this week.

Wedding congratulations go to Dorothy Oliver of Thrush Lane, Levittown who became the bride of Walter Kozak of 10 Hastings Lane on June 10th at 3:30 p.m. at the Holy Family RC Church. Father Buckley officiated at the ceremonies. Pat O'Neill of Ridgewood was a bridesmaid and Chester Owzarezek of Bayside was best man while Patty Kozak was a junior bridesmaid. A reception was held at the home of Gladys and Gregory Kozak the proud parents of the groom at 10 Hastings Lane. Marty and Mack Oliver the bride's parents were also at the reception. They went away on a honeymoon tour of Rocky Point and the Catskills and are now residing at 10 Hastings Lane. The groom is employed by Vogue - Kitchens of Franklin Square. L. I. Congratulations again and may you have many happy years together.

coming. On May 21, 1956, Miss Farley wrote Dr. Lamb as follows: "I hereby request that the effective date for my resignation and retirement be postponed until a latter date."

"Under the circumstances, for the best interest of the District, and the children who will attend the high school, only one action was possible, a request for Miss Farley's retirement, made on the recommendation of the superintendent. There is no animus or personal feeling behind the action," Szendy insisted.

Miss Farley's letter to the press follows:

"The village of Hicksville has grown so rapidly that it has become a city overnight. We once knew everybody as our neighbor and friend. Our churches, our schools, our service organizations, our patriotic organizations, our fraternal organizations, our fire department was the life of our community in which we had pride."

"Our boys answered the call for service to our country. Many of us kept the home fires burning until they returned; teaching school during the day and working at Mitchell Field and Santini until eleven and twelve o'clock at night and Saturday and Sunday serving milk, fruit juices, cigarettes and cookies to the wounded as they were flown from the battle fields to our Long Island shores. We were not working for praise nor pay. We were constantly hoping that someone else was caring for Hicksville's wounded and homesick boys, while we were trying to give comfort to those that landed in our area. You may say what has this to do with the question at hand? The answer is merely those who know us have not forgotten us, as our new folks never knew us. We were able to work together for the good of all; and we had good schools."

"Our young folks had loyalty for their schools. They cherished the thought of having earned a high school diploma and appreciated its value. We now have many more young folks than formerly. We believe they possess the same fine qualities and potential that most young people always had."

"If I honestly thought that I no longer had a keen interest in the educational welfare, happiness, and progress of our young people, I might understand the recent procedure of our elected officials in my

## Foy Attends Seoul Retreat

SEOUL — PFC Michael Foy, son of Mr. and Mrs. C. A. Foy, 14 Washington St., Hicksville, recently attended a five-day religious retreat at the Chaplain's Retreat Center in Seoul.

Protestant, Catholic and Jewish chaplains alternate in planning the retreat's courses.

Foy, a chaplain's assistant in Headquarters Battery of the 13th Field Artillery Battalion, entered the Army in April 1955 and completed basic training at Fort Dix, N. J. He was stationed at Fort Chaffee, Ark., before arriving in the Far East in October 1955.

He was graduated from Brooklyn Technical High School in 1953.

behalf. My interest in young people in this community prompts me to make this public statement to my many friends."

"Had I given an equal amount of time and energy to some business, I might now have built an establishment. I have been content and happy to live and take a personal interest in other people's children, the young folks of Hicksville."

"I believe and know that teachers are not plentiful. In fact there are not enough qualified ones to fill the classrooms of the schools. It is readily understandable why young people will choose other careers, when they see and know that those of us who have devoted our lives to the cause of young people should be dealt a 'MERCILESS BLOW' for having done our duty."

"I believe a gross injustice has been done. In the present case I am the victim. It could readily happen to any one of my co-workers."

## CONFLICT WITH COUNTY POLICY?

# Chamber Plans to Replace Trees, Halt 'Ravages of Modernization'

The Plainview Chamber of Commerce will initiate a tree replacement program as soon as the widening of Old Country Rd. is completed, it was announced by President Joseph Bayer. The aim of the committee under the chairmanship of Richard Bergmann is "to restore a country atmosphere to places subjected to the ravages of modernization."

However, Lawrence Andrews of the Nassau County Dept. of Public Works recently stated that permission would not be granted for tree planting.

"It has been County policy," he said, "not to plant or allow trees to be planted between the curb and sidewalk because of interference with storm drains and sewer lines. These will come through Plainview eventually, and at that time, all the newly planted trees would have to be torn up."

Charles Voorhies, secretary of the Chamber, said that the committee is planning to use trees which will offer no interference to the future plans of the County Public Works Dept. "We have already looked

into the legal aspects," he said.

Meanwhile, two other groups in the community have expressed their interest in joining a campaign for beautification. They are the Garden Club, represented by Alma Craib, Horticulture and Conservation Chairman, and the Good Government League.

The GGL committee under the chairmanship of Victor Ialeggio did a great deal of research on the problem when the trees on Old Country Rd. were first cut down. After many conferences with town, county, and state officials, Ialeggio said, the conclusion was reached that little could be done until the construction was completed.

Other roads in Plainview, such as Mannetto Hill Rd., are due for the widening process, Ialeggio said, and a general beautification campaign seemed more advisable when the community became more stable. However, he said, the GGL committee would be eager to join any group with a concrete program.

## Dedicate Land For New Temple

The Reform Jewish Temple Beth Elohim dedicated the land on which a temple will be erected with services Sunday morning, July 1. The two acre parcel is located on Round Swamp Rd. in Old Bethpage.

Among the guests were Jerry Jacobs of the North Shore Synagogue, Abraham Goldstein of the Jewish Science Synagogue, Seymour Leffert of the Plainview Jewish Community Center, and Mrs. Franklyn Stern, President of Hadassah, and Milton Davis, past president of the Reform Temple.

Rabbi Louis Stein officiated, and the address was delivered by Harold Meltzer, president of the congregation. The many clergymen who were invited sent regrets and messages of congratulations. They were unable to attend because of the hour's conflicting with their own church services.

## Build Diamond At Park Site

Within the next two weeks a multiple use ball diamond will be constructed in the Lincoln Rd. South - Argyle Rd. park site, Peter Hussey, Director of Parks and Recreation for the Town of Oyster Bay, announces.

The construction of the hard top play area in Knickerbocker - Woodway park area is progressing rapidly and is scheduled for completion in about three weeks, Hussey said.

The Karen-Margaret Dr. park area has been fenced and seeded, and irrigation will start shortly. Hussey said that some exploratory work is being done toward the acquisition of a large site of land to add to the Plainview Park District. If some 20 to 30 acres could be found in the eastern end of Plainview, he said, this could be the possible location of a future pool, winter ice rink, or community center in which a great deal of interest has been expressed in the community.

## HERALD READER OPINION

# Referendum On Recreation

To the Editor:

By IRVING MALLON  
The taxpayers of Hicksville have had their expression of opinion in the matter of the school board and a new board will administer affairs of School District 17 for the coming year.

As a taxpayer I wish the new board every success in its deliberations. I hope that petty partisan and personal likes and dislikes will be overlooked so that decisions will be made on the basis of the general welfare.

One of the matters to be decided

by the new Board is the referendum on recreation. Mr. Eirich repeatedly stated during his campaign that he would let the taxpayers decide on important issues. Now, he and the entire Board, have an opportunity to put this policy into effect.

At the budget meeting, 500 taxpayers thought enough of recreation for the residents of Hicksville to put appropriation of \$20,000 into the budget subject to a referendum.

Whether any individual on the Board is for or against recreation

is immaterial. What is important, is that the taxpayers have a chance to voice their preference through a referendum at the earliest opportunity.

Hicksville has made great strides in the past few years. A planned recreation program benefitting "golden" agers, teenagers and those of us who are in between will make us all even more proud of our community.

## Operation VFW

By HOWARD W. DARLING

Our sincere thanks to Dr. Bernard Paul, DDS, of 2 Willet Ave., who became a member of 3211, about a month ago, for his donation of a Ping Pong table for use at the Clubhouse.

The annual Picnic of the Post will be held at the Bethpage State Park on Sunday, July 15. Members and friends interested in attending are to call Lester Iehle, Chairman of the arrangements.

Two new members were installed at the last regular meeting of 3211. They were: Robert J. Berongi, and August Kelder. Welcome fellows!

Robert (the cap) Obermeyer, Chairman of the recent carnival, wishes to extend his thanks to all the members who assisted on the grounds during that week. My absence was caused by being out of town on vacation, but from the reports heard, just a handful of the regulars did all the work. Some of

the fellows were present six nights of the show. Nice going men. Our sincere thanks also goes to Stackler and Frank for the use of their property.

For planning that ideal summer vacation, remember that the earlier you get your plans all made the longer you'll have to enjoy thinking about them before your wife decides you'll go somewhere else.

You're a real old-timer in town if you can remember when it was possible to park within three blocks of the high school or railroad station.

In almost any small town everybody is too busy to take on any more civic or community work, except the dozen or so busiest men in town.

A word to the wise: VFW Posts that own their own homes should set the pace for community improvement campaigns by keeping their properties clean and attractive. This is an abstract from our

Let's all get behind our Commander-in-Chief and have 3211 send a real big bundle(s). All readers of this paper are cordially invited to participate in this great endeavor. Thank you.

## OF LEGAL INTEREST:

# Burglary, Larceny, Robbery

By ROBERT W. CORCORAN  
Member of the New York State Bar

The essential differences between the crimes of burglary, robbery and larceny are well defined; yet, these differences are elusive to the average reader of American newspapers who may never appreciate the reason why a person convicted of the larcenous taking of ten thousand dollars is subjected to a maximum penalty of ten years imprisonment, while another person, convicted of "robbing" property worth ten dollars, may be imprisoned for as long as thirty years.

Reducing the problem to its simplest terms, it may be said that the gravity of the crime, and thus the severity of its punishment, is measured by the seriousness of its threat to the community, and the danger occasioned thereby to human life.

Burglary is committed when a person, with intent to commit some crime therein, breaks into a building, or into some part of a building. The degree of the burglary charged depends upon the nature of the building, and the manner in which the crime is committed; upon whether or not at the time of commission the building is occupied by a human being; upon whether or not the criminal is armed or aided by a confederate; and, upon whether or not the "breaking into" takes place at night or in the day time. As might be expected, the gravest offense in this category is that in which the burglary occurs at night, into an occupied dwelling, while the criminal is armed with a dangerous weapon, or aided by a confederate.

Robbery, on the other hand, is the unlawful taking of property from the person or in the presence of another, against his will, by means of force or violence, or by inducing fear of immediate or future injury to his person or property, or to the person or property of any relative or member of his family. In robbery, as in burglary, the degree of the crime is measured

by the threat to the peace and safety of the community. Where the robbery is accomplished by the use of dangerous weapons or of an automobile, with the aid of accomplices, or where, in the course of its commission, grievous bodily harm or injury is inflicted upon persons present, the degree of the crime is most serious, and its punishment most severe.

Larceny, heinous though it be, is the least of the three offenses mentioned, concerning itself only with a threat to property, and there being absent physical danger to the members of the community as defined by statute, it is the wrongful taking or withholding of property, with the intent of depriving the true owner or other person entitled thereto of its possession. Thus, larceny may be committed by the thief who takes property which he finds unprotected, by the infamous "con man", who devises elaborate schemes to mulct his victims of their life savings, or by the person who fraudulently issues worthless checks. The essential element in all the forms of larceny, however, is the taking of another's property with intent to deprive him of its use or possession.

## Looking Around Little Theatre

By CHARLES H. DeSHAW  
Has anyone taken a good look at the condition of the High School "Little Theatre"? Its walls are splattered and streaked; the wood paneling beneath is marred, scuffed, and dirty; and the floor looks as if it has never been mopped since the day before the building opened last Fall. The Baby Grand piano on the stage has the top open, allowing dirt and dust to accumulate inside, and the outside is dusty.

Haven't been in the Gym lately, but a few months ago the floor under the bleachers was littered with dirt and trash. All this leaves the impression that the custodial staff isn't doing their job.

WHEE!

Chief complaint of persons attending the School Board meeting on Tuesday, July 3, was the heat in the "Little Theatre", where the meeting was being held. There was no evident air-conditioning, and neither were there any fans to keep the place cool. This, with a building costing well over four million dollars.

Excavation of the ground for the Junior High addition is now in progress — one year and three months after approval by the taxpayers. Doesn't it seem strange that it takes so long to get started on a building in our district, when neighboring Plainville is able to have ground breaking and start construction within months after voter approval? Let's hope our new school board will hurry along those temporary classrooms.

Speaking of the Junior High, some of the younger teenagers have been blasting away at the Code of Social Behavior drawn up by the school's P.T.A. They feel that they should be left free and fancy free to do as they please, and that the P.T.A. is a bunch of "Youth Haters". The older teens know better, but make no attempt to set the younger straight; and even go out of their way to avoid fraternizing with anyone under 16. Come now, you Juniors and Seniors, remember how you felt when you were Freshmen and Sophomores? Don't forget teen-age extends from 13 through 19, and if you give these younger the recognition you wanted at their age, their rebellion and obnoxiousness will practically cease, thereby giving your school and your community a better future.

The Allied Shopped Center on Jerusalem Ave. should either install drainage to their South exit, or else repave that section so that there is no depression in the pavement. With every heavy rainfall, there is a flood that lasts until the sun rays absorb it.

Last week a writer(?) for another paper listed three families in her column as living at my address. For her information, the De Shaw family is the only one living at 118 Brittle Lane.

Bruce Hinds of Brittle Lane, has recovered from a slight case of the mumps. Want to see you up and around again, Bruce.

The Joe Cawleys on Glow Lane departed on their vacation immediately after the School Board meeting, July 3, and expect to be gone for several weeks. This reporter took Joe home from the meeting, but neither of us attempted to convert the other's beliefs and convictions regarding school matters.

The appointment of Donald Apt as Assistant Superintendent in charge of Instruction, was a wise choice on the part of the School Board, for which the district will be grateful for many years to come.

Loretta Frank of 44 April Lane, was guest of honor at a Baby Shower given for her by Mrs. Kay Goodman in her home at 45 Angle Lane, this past Sunday. Over 15 guests were present and Loretta received many lovely gifts. Her baby is expected about the middle of next month.

# Helen Larsen Becomes Bride

By EMILY GALLO  
 Miss Helen Larsen, daughter of Mr. and Mrs. Dagfin Larsen of 5 Kay St., Hicksville, and Florenzio (Flory) Pujazon of Canton, Ohio, were married by the Rev. Karl Kuebler at the Church of The Good Shepherd Lutheran on Central Park Rd. at 4 PM on Saturday, June 30.

The former Miss Larsen taught Sunday School at this church where her husband was accepted as a communicant member just a few weeks ago. The bride and groom met last summer when he came to LI to spend his vacation with a married sister, here. He is a senior at college in Canton, but expects to be called into the service shortly. The couple will reside temporarily with the bride's parents. If not called into service, Mr. Pujazon will continue his education here in N.Y.

The red-haired, blue-eyed bride wore a nylon tulle gown with horizontal lace inserts, a U-neckline and sleeves that just covered her shoulders. The skirt of the gown was floor length and very bouffant. She wore a cut-out crown of seed pearls with a finger-tip veil and wore no jewelry except a pair of single drop pearl earrings. The lovely bride carried a bouquet of white roses with one white orchid in the center.

The maid of honor and bridesmaids wore street length strapless gowns of nylon net with matching stoles, shoes, mitts, and head bands. The maid of honor, Miss Rita Holmes, a childhood friend of the bride, wore yellow and the bridesmaids, Mary Brown, Eva Larsen, cousin of the bride, and Patricia Larsen, another cousin of the bride by marriage, wore aqua-blue outfits. The maid of honor and bridesmaids carried arm bouquets of yellow roses and aqua-blue carnations. The only jewelry worn by the girls were plain yellow gold crosses on gold chains.

Little Miss Kathy Pujazon, niece of the groom, was flower girl. She was dressed in a ballerina-style yellow dress with matching hat and carried a basket of yellow and aqua-blue daisies. Kathy marched to Lohengrin like a trouper in spite of her young years, but couldn't resist waving proudly to her mother.

The best man and ushers wore white jackets, dark navy trousers and navy bow-ties, with royal blue lapel flowers. The groom also wore a white jacket and navy trousers, but he wore a white bow-tie and a white carnation in his lapel. The best man was Albert Artinez and the ushers were: Joseph Pujazon, brother of the groom, Alex Abrizbo, and Frank McBride.

Both mothers were dressed in powder blue street length dresses and wore pink rose corsages. Helen's father, who gave her away, wore a white jacket and navy trousers with navy bow-tie.

After the double-ring ceremony and much picture taking, the wedding party left to join relatives and friends at the reception, which was held at the Charred Oak Manor in New Hyde Park.

Maid of Honor Rita Holmes caught the bouquet and the best man, Albert Artinez, caught the bride's garter.

The new Mr. and Mrs. Pujazon left for a two-week honeymoon in the Pocono Mountains in Pennsylvania.

## TROOP 91 REPORTS:

### Install New Officers For Year

By ELWOOD S. KENT, SR.  
HICKSVILLE — Charter Night was held at St. Ignatius Loyola School on Thursday night, June 28, and the following officers and committeemen were installed for the year ending May 31, 1957:

Scoutmaster, Michael Fasullo; Chairman, Elwood S. Kent, Sr.; Assistant Scoutmasters, H. Steinmann and R. Camaratta; Committeemen, S. Mrus, W. Rompell, J. Montan, F. Evarick, M. Flynn, G. Wright, B. Scholl, J. Scholl, A. Arthofer and T. Bergin. Institutional representative is Russell Gengler.

Assistant District Commissioner S. Kargauer presented the Charter together with awards "Forward on Liberty's Team, National Recognition 1955", "Functioning Manpower" and "Quality Program".

Honored guests were Rt. Rev. Msgr. George M. Bittermann, VF; Rev. Lawrence Ballweg, moderator and George Revis, president of Holy Name Society which sponsors the troop. Msgr. Bittermann spoke about the progress of the Boy Scouts, praised the leaders, scouts and parents for their good work and encouraged them to continue it in the coming years.

Scout membership cards were given out by Scoutmaster Fasullo and Asst. Scoutmaster Steinmann, plus Life and Star awards to W. Moran, C. Reimels and D. Mrus.

Goals and planning for the coming year were enlarged upon by the chairman and formation of a Ladies Auxiliary headed by Mrs. Fasullo was instituted. The parents were thanked for their assistance in the past year and were urged to participate more in the coming year's activities in order to insure more progress by the troop and its scouts.

**SUMMER PROGRAM**  
Asst. Scoutmaster Camaratta, Camping Committeeman Evans and Asst. Jr. Scoutmaster Sholl hauled tents and other scouting equipment out to Lake Ronkonkoma for week-end camping.

Fifteen scouts roamed the woods, catching up on "Nature" and generally conducting themselves quite expertly in selecting campsites,

cooking ability and tent making. Hiking constituted part of the workout together with a dip in the lake. The swimmers were short on bathing suits, so arranged to swap with those not having, and therefore all indulged as they quickly changed from one to another.

**Camping Vacation at Wauwepex**  
starts July 15 and runs until July 28. Transportation to Camp should be arranged by each scout and his family for the trip out to camp and the trip back.

A number of committeemen are expected to spend time at the camp and whatever times they have selected are now set up in a schedule and are binding. Do not under any conditions upset this schedule as it will confuse the entire camping vacation.

Remember, boys, secure your own transportation to camp and return.

### Witnesses Plan For Convention

HICKSVILLE — Members of the local congregation of Jehovah's Witnesses which meets at 16 Howard St., began making preliminary arrangements Sunday, July 8, to attend their district convention at Jersey City's Roosevelt Stadium the weekend of July 19 to 22.

Preparations now being made by local members were described by Truman Merchant, presiding minister of the group. "So important do we consider this assembly that we are contacting all persons in our locality who have shown interest in our work, to invite them to attend as many sessions as they can. Adequate transportation is available to all."

**Does Your Oven Brown Unevenly?**  
Maybe it's because your kitchen range is a bit on the bias. If your kitchen floor isn't level for any reason, the oven can't do an even job of browning. Just beg or borrow a carpenter's spirit level and put your range on an even keel.

Summer's the time for family fun, for picnics and parties. And that means getting things done ahead of time. One woman tells us the doing her baking in the evening after the children are in bed. Another friend doubles her recipes and keeps the dough in the refrigerator ready to bake at a moment's notice. And then there's the woman who had an old-fashioned Dutch oven built outdoors, and does her summer baking on the patio where her family and friends are gathered.

You've been reading a lot about protein—the substance that body cells are made of—as necessary to life as the air we breathe.

So you who like Heckers' flour for its better baking qualities will be glad to know that you can like it for its higher protein content, too. That's because Heckers' is made from slow-maturing choice wheats, where nature is beautiful in storing protein. And to preserve nature's NATURAL white, because only Heckers' is unbrowned.

Summer quick-and-easy. When you feel the urge to do something interesting with your hands and your recipes, but only want your oven on a few minutes, try the recipe below. Easy to turn out and mighty good nibbling.

**CUP CAKES**

Out of the oven in 20 minutes!  
Ingredients: 1/2 cup shortening, 1 cup sugar, 2 eggs, 1 1/2 cups sifted unbrowned Heckers' flour, 1/2 tsp. salt, 2 tsp. baking powder, 3/4 cup milk, 1 tsp. orange extract, 2 tsp. grated orange rind.  
Cream shortening and sugar together. Add eggs. Beat thoroughly. Add sifted dry ingredients, add milk to creamed mixture. Add orange extract and rind. Bake at 375° F. for 20 minutes. Top with Orange Icing. Yield, 1 1/2 dozen.

Orange Icing: 2 cups confectioner's sugar, 3 tbsp. orange juice, 1 tsp. softened butter, dash of salt. Stir sugar. Slowly add orange juice. Mix well. Add fat, salt. Mix thoroughly.

**BUTTERSCOTCH COOKIES**

Only 10 to 12 minutes!

Ingredients: 1/2 cup shortening, 3/4 cup brown sugar, 2 tsp. hot water, 1 egg well beaten, 1 1/2 cups sifted unbrowned Heckers' flour, 1/2 tsp. baking powder, 1/2 tsp. vanilla, 1/2 cup chopped nuts. Cream shortening and sugar together. Add water and eggs. Mix well. Sift together flour and baking powder and stir into first mixture. Add vanilla and nuts. Mix thoroughly and form into roll. Wrap in waxed paper. Place in refrigerator to chill. Slice thin and place on greased baking sheet. Bake at 375° F. for 10 to 12 minutes. Makes 3 1/2 dozen.

## Pack 491 Charter Night Big Event

By RAY SCHROM  
**HICKSVILLE**—Despite the handicap of a delayed start, Charter Night at St. Ignatius proved to be an occasion well worth waiting for; as rewarding to the hearts of the Den Mothers, Moms and Dads in attendance, as to the lapels of the eager Cubs. Starting with the happy announcement that July 22 and Aug. 19 had been set aside as family outing days for the forthcoming beach party and picnic (at Center Island and Bethpage State Park) the meeting got underway.

Quite justifiably, first in line for the award-getting was the pack itself, the recipient of no less than three, for the listed achievements of quality leadership, increased membership, and functional manpower—with Joe Pugarelli assisting in draping these shiny new medals atop our pack flag. After this, the others came thick and fast: Billy McKee receiving a Den Chief award; James Cutropia, honored (in absentia) as a Webelos, for his craftsmanship in making a striking modern lamp (the only other Webelos winner was Robert Wecht); Robert Teer, Gerard Schrom, and Dennis Huff received their Wolf Badges; followed by seven newly made "Bears" including such names as Paul Russell, Peter Biasi, Tom Lodato, Donald Brown, Paul Corcoran, Bruce Bendish, and Steve Sullivan.

In a smaller minority were the proud recipients of the Lion award in the person of Ed McCafferty (who almost was left out entirely, all because Chairman Pop McCafferty was too busy presiding; and the Gold and Silver Arrows, the first named going to Fred Pugarelli, Dennis Gallahue, Donald Brown and Vince Braun; the latter going to no less than a dozen of our members, namely: Paul Russell, Tom DiBella, Michael Bowler, (Please turn to Page 13)

## HICKSVILLE LITTLE LEAGUE:

## Officials Of International

By G. FRASER

**HICKSVILLE**—You folks that come out to the Little League games may wonder how the Little League functions as an organization. You must realize of course that a tremendous amount of work has to be done by your Little League officials long before the season opens. In fact, your officials are quick to admit that most of the hard work is accomplished during the winter and early spring months. Perhaps you would like to know who these men are that are giving their time to this work.

Many of them have been in Little League work for several years as managers and coaches and it was here that they became acquainted with the problems that must be resolved months before the season begins. We want you to know more about their work but before we continue, please let me tell you who they are.

The president of the International Little League is Frank Menzies. He has been associated with the International League since it began two years ago. He served as a coach before becoming president of the league. Ed Farrell is Vice President of the Major

Leagues and he too served his apprenticeship as a coach before becoming vice president. Frank Szymanski is Vice President of the Minor League. He too was a coach for several years. Pete Wallace is Vice President of the Northern Division of the Farm teams and Jim Cooper is Vice President of the Southern Division. Both of these men gained their experience as little league managers.

Harry Sears is Secretary of the League and Mike Cialdella is Treasurer. Both men were coaches before assuming their present duties. Where possible some of these men are able to continue as coaches. This is only possible where there is no conflict of interests as for example an official in the Major Leagues may coach a minor league team without jeopardizing his position as an official in the Major League. There are others in the International Little League who function quietly but whose work is important to our Little League.

Vincent De Angelo, is on the all important Purchasing Committee and Bill Alonge and Howard Hanson serve on the Sponsorship Committee.

The unselfish devotion of these men to a year round job provides the framework of the game long before the first ball leaves the pitchers hands on opening day. The story of the men behind the game is an exciting one and we will endeavor next week to give you an idea of some of the things they must accomplish during the winter months in order to prepare for a season of Little League Baseball.

## CYO Baseball League

By ELWOOD S. KENT, SR.

**HICKSVILLE**—Superb hurling by Wolfe stands the Apaches on their heads as the Orioles play fine ball in the field in the St. Ignatius CYO Baseball League. The Apaches put up a valiant fight but could not overcome the good left arm of Wolfe.

**Orioles** — 303 00—6  
**Apaches** — 000 00—0  
Lemieux had a perfect day at the bat as Germaine bats in three runs and outpitches Connolly of the Yankees. Brady played a sensational game at short and was all over the diamond as Meehan directed the team from behind the bat, like a major league catcher.

**Orioles** — 021 10—4  
**Senecas** — 101 10—3  
The Yanks slaughtered the Braves, 14-6, as they started on a new winning streak.

The Dodgers piled up 28 runs against the Phils.  
**Dodgers** — 1 3 20 4 0—28  
**Phils** — 0 0 3 0 0—3  
Lang homers to start 20-run inning as Mulligan pitches good ball and garners three hits, two for extra bases. McManus got four hits and caught a real heady ball game. The Phils could not overcome such heavy hitting and never did get started.

The CYO wishes to again thank all the donors in the paper drive and the possibility of periodic pick-

ups is in discussion at the present moment. So folks, hold your fire and your papers.

Big surprises are in store for July 28 and 29. No details are available now, but an announcement will be made in the very near future.

## Co 6 Undeclared, First In League

**HICKSVILLE**—Hook and Ladder Co. 6, led by Capt. Hawchurst, now stands in first position in the inter-company softball league of the fire dept. with three victories and no losses. They took the measure of Chemical Co. 3, 17-16, last Sunday. The game, according to witnesses, was called on account of darkness.

This Sunday afternoon at 2 o'clock at Lee Ave. School field, Emergency Co. 5 meets Hook and Ladder Co. 1.

The standings of the companies are:

	Won	Lost
Co. 6	3	0
Co. 4	2	1
Co. 3	1	1
Co. 5	1	1

# Mrs Sutton Resigns As New Board Forms

HICKSVILLE—A half hour before the Board of Education was scheduled to reorganize, last Tuesday evening, July 2, the resignation of Edna Kuhne Sutton, who had been president for the past two years, became effective. Her resignation was accepted without comment at the conclusion of the meeting that evening after it was read by Emil J. Szendy, the new board president.

The Board is planning to fill the vacancy for a term ending June 30 of next year, by a special election, probably in mid-August. At the same time the William Yocum position for a term also expiring next June 30, will also be filled.

Mrs. Sutton's resignation, dated July 2 and a copy delivered by hand to the Herald after last week's edition had gone to press, read: "This notice is my resignation from the Board of Education, Union Free School District No. 17, Town of Oyster Bay, Hicksville, New York, effective Tuesday, July 2, 1956 at 8:00 P.M. EDT."

Attached to the note was this "statement" in connection with resignation:

"It has always been my belief that the fundamental duty of a trustee is to the children and the taxpayers of the district, and that the duty is to provide children with a well-rounded education so they can, with competence, carry on the purposes and ideals of the American way of life.

"It seems to be common knowledge, however, that the Hicksville Board of Education, in many instances instead of carrying out

this objective, serves merely as a forum for character vilification and as a barrier to the fulfillment of educational needs. Much has been said and written about the antics of the Board, and although one member has indicated in the press that Hicksville will not be in the headlines, such will not be the case.

"Rather than be part and parcel of this kind of a situation and of the new board as it will be constituted, I seize this opportunity to disassociate myself from them," Mrs. Sutton wrote.

"I urge every parent and taxpayer to make it a constant duty to assess this district's educational growth. Every Board action should be subjected to the closest scrutiny, and to that end, community-wide programs for systematic attendance at all Board Meetings should be developed at once. There is reason to wonder in the recent weeks since the election who will be the guiding forces for the education of Hicksville's children. Will it be a staff of professional educators supported by an alert public, or will it be a Szendy

EDNA KUHNE SUTTON

and his followers?"

Mrs. Sutton at a meeting of Burns Ave. P-TA on Mar. 15 had asserted that she would not resign from the Board because she felt she had a "moral as well as a legal obligation to my job".

Joseph Cawley, formerly vice president of the Board, who had been a running mate with Mrs. Sutton when they were both elected two years ago, has retained his position on the Board. After attending on July 3, when he either abstained or voted "no" on most Board actions taken for the evening, he informed Dr. Wallace E. Lamb, superintendent of schools, that he is on vacation and would be absent from meetings for a while. He did not attend special meetings held last Friday night, July 6 and Saturday morning, July 7.
