PART OF NATIONAL TEST:

READY FOR ACTION is the control centre of Civil Defense for the Town of Oyster Bay which will be busy over the weekend, starting tomorrow (Friday) afternoon, during an intensive nation-wide drill for Civil Defense personnel. Town Supervisor Lewis N. Waters (at left) checks the radio transmitter equipment with Mrs. John Ose of Plainview and Col. Louis M. Merrick, Nassau County CD Director. When sirens sound at about 4:10 Friday afternoon, the public is required to take shelter until the all clear is given. (Jim Healy photo).

Take Shelter When Sirens Blare Friday

MINEOLA—When the fire sirens blow for three minutes at about 4:10 PM tomorrow (Friday), a national Civil Defense alert will be underway. The public is required by law to participate and take cover. For the first time all mail carriers, who by national directive have been placed in CD, will be acting as air raid wardens as the sirens blast. The alert will be over, as far as the public is concerned, when the All Clear sounds at 4:25 PM. All Nassau residents are asked by the State CD to monitor the Conelrad radio frequencies during the test. Tune your radio to 1240 or 640 on the dial.

When the sirens sound, you are required to:

1. Take cover immediately and remain there until the "Alert" signal signifying the "All Clear".
2. If in your car, pull over to the side of the road, halt and shut off your engine. Leave the roadway clear for ambulances, fire apparatus and other emergency vehicles.
3. If suitable shelter is available, remove the key from the ignition of your car and take cover.
4. If no shelter is nearby, remain sitting in your car until the "All Clear".
5. If you are traveling in a bus, the bus will halt, but you remain therein.
6. If you are on a train, it will continue its schedule, but the conductor will announce the practice air raid drill.
7. If you are at the theater or beach, remain where you are and obey the instructions of the beach officials.
8. Tune your radio to 1240 or 640 on your dial the Conelrad frequencies and listen for Civil Defense instructions.
9. Do not stand in unsheltered places to watch. This time it is a drill; the next time it may be for "Keeps".
10. The "Alert" Signal signifying the "All Clear" will conclude at 4:25 PM. Then and only then are you free to proceed.

Teachers Need Housing

HICKSVILLE—There is an urgent need for housing—apartments and rooms—for new members of the public school faculty, according to authorities. All persons who have facilities are invited to call WELLS 5-9000 and make known what they have to offer. Several capable teachers who are planning to start here in September may go elsewhere unless they can find housing in the immediate vicinity.

ENLISTING LOCAL SUPPORT:

Chamber Cites Need For Traffic Projects

HICKSVILLE—The support of civic associations, service organizations and parent-teacher organizations is being sought by the Chamber of Commerce to obtain action by the State Dept. of Public Works upon several urgent highway projects in the community, it was learned today.

Patrick J. Buffalino, Chamber of Commerce president, has written to civic and service organizations asking them to support the Chamber in its effort to obtain:

- (1) Widening of North Broadway, from the LIRR crossing north to Jericho Tpke.
- (2) Widening of South Broadway, from Old Country Rd. south to Grumman's.
- (3) An entrance to Northern State Parkway from John St., near O. E. McIntyre plant.
- (4) The earliest possible action on the elimination of RR grade crossings in the community.

Each of these projects is important to the safe and orderly movement of traffic in the community which is expected to increase in the fall with the opening of the Mid-Island Shopping Plaza on North Broadway, officials declare.

The Parkway entrance on John St., it is felt, would ease the movement of traffic on Old Country Rd. The Chamber is asking all organizations to forward their letters in support of these projects to the State Dept. of Public Works at Babylon, with copies addressed to the Chamber at its office on Broadway.

AN EXACT RECORD of everything said and all action taken at meetings of the Hicksville Board of Education is now being taken with the use of tape recording machines since July 6. Discussing the operation of the recorder, from the left, are Dr. Wallace E. Lamb, superintendent of schools; Arthur L. Eirich, board vice president; and Elmer Breschard, Jr., district clerk. Zimmerman's Hat In School Race

HICKSVILLE—With a special election of the school district set for Saturday, Aug. 18, to fill two short terms on the Board of Education and decisions on library and school construction funds, Sol Zimmerman of 33 Sleepy Lane today announced that he will be a candidate for the office vacated by the resignation of Edna Kuhne Sutton.

Robert Goodrich of Angle Lane will be a candidate in the same election, probably for the William Yocum vacancy.

Zimmerman in announcing his candidacy commented upon Mrs. Sutton's resignation: "Her resignation."

SCHOOL BOARD:

Citizens Group To Study Recreation Proposal

HICKSVILLE—Acting upon recommendations of both the Citizens Advisory Committee and the Youth Coordinating Council, the Board of Education has directed School Superintendent Wallace E. Lamb to designate a committee of about 30 citizens to study the question of school district-financed recreation.

A referendum on recreation will be delayed until the new committee has had an opportunity to study the problem. George Winsor, chairman of a sub-committee on recreation, was named to assist Dr. Lamb

in the selection of the larger group.

The sum of \$20,000 for recreation was appropriated at the annual meeting in May, conditioned upon a referendum of the district.

The Board of Education will meet again tomorrow (Friday) night at 8:30 and is expected to put the finishing touches on questions to be offered the public for vote on Aug. 18. The Citizens' Building Committee was due to meet on Tuesday of this week to make a

Giving Vamps Right Of Way

By CHARLES H. De SHAW
How dispensable is a volunteer fireman?

Hardly a week goes by without one being injured on the way to answer an alarm. The general public call it a shame, and say, "how terrible", when they read it in the paper. Little do they consider the real reason behind these accidents. The vamps know the reason, as do all Fire Commissioners, as well as the families of every Vamp. The flashing blue light on

the Vamp's car cannot be seen by traffic going in the same direction, and the drivers pay no heed to the furious honking of the horn, while some of the drivers, going in the opposite direction, in their ignorance of the light's meaning, ignore the vamp.

The light and the horn are insufficient warning signals to traffic to move out of the way. The Law that prohibits any signal other than the light on the Vamp's car is outdated, and should be replaced by a sensible one which will allow the installation of a red flashing light and/or a siren. This is something that all Fire District Boards should petition the legislature and fight for with all their might to get enacted.

The recent damage to the High school shower rooms and gym by vandals could have been avoided if screening had been installed on all the windows of the first floor. This would have prevented these kids from gaining entrance, and prevented the damage. The School Board should secure bids for the installation of this screening immediately.

LIRR gatemen in general, have a tough job. They have a one-man shanty for protection against the rain and cold, in between trains, and it is anything but a soft touch. However, there is one gateman who could be considered as living in a palace. He has a room the size of a switch tower room, with the state equipment in with him. Never does he ever have to get a finger

wet or cold. You'll find him at the Franklin Ave. crossing in Garden City.

During the latter part of the winter and early spring, residents of the Township complained about the condition of their roads. They were assured that as soon as summer arrived these roads would be repaired. Summer arrived on June 21, and roads here in Hicksville show the same ruts and holes, the same buckling, the same cracking. Wonder what summer the Town was speaking of? The trucks bearing a concoction of pebbles mixed with oil and a little (very little) tar, are still to be found filling (?) in these holes. The workmen put as many shovelfuls as needed in the hole or rut, and then pat it with the back of the shovel. The result, that by the time 40 or 50 cars pass over it, the hole or rut is as before.

It is amusing to ride down south Broadway and see a sign reading "Flood Area"; that is, until the rains come, and then that two block length is truly a flood area. Instead of just having signs, why not repair the road so there would be no flood area?

The Edward Guarinis on Fifth St. are back from a trip to California, Texas, and Las Vegas. It is rumored that they plan to go back to Las Vegas next year to look at their money—huh?

On June 29, the Tom Maloney on Sunnyfield Rd. were hosts at a party given on their patio. Among those who attended and enjoyed themselves were the Joe Maloney from Boulevard Dr., the Harold Silvestris from Sunnyfield Rd., the Wilsons from East Meadow and the Russos from Levittown.

Michael Zimmerman, son of Mr. and Mrs. Sol Zimmerman of 33 Sleepy La. is home from school for the summer vacation.

Mr. and Mrs. Leon Parker of Fairview Court attended a wedding Saturday afternoon at St. Ignatius Loyola RC Church. Their daughter, Judy, was being married then.

July 3rd was the scene of a Patio Party on the Al Rubinstein's patio. It was a "Cooperative Party" made up of residents on Fifth and Sixth Sts. Present were the Brennans, Boxers, Gills, McCormicks, Guarinos, Hills, Shapros, Rennies, Callanos, Wallachs, Mayers, and Capomeros. All had a good time.

Dear Jean:

The name of former Hicksville School Superintendent, Dr. E. H. LeBACON, now associate in Educational Plant Planning for the State Dept. of Education, appeared recently in Suffolk newspapers. He released the results of a survey by the State Aviation Bureau in the matter of an airstrip at Selden adjacent to a School. . . . The annual meeting and election of the Esompt Fireman's Assoc. takes place on July 23. . . . There is a desperate shortage of apartments in the mid-island area to meet the requirements of teachers coming here in the fall. If you have an apartment, or rooms, list them with the local school office. . . . Police are cracking down on those who insist upon dumping rubbish and garbage in vacant areas. Several have been apprehended by police patrolling in private cars. . . . The Daily Vacation Bible School at the Church of Christ in Hicksville is being held each morning until July 20. All children from 4 to 14 are invited to attend. . . . Hicksville School Board completed all its business last Friday night by 11 o'clock.

Our sincerest sympathy to MICHAEL J. SULLIVAN and his sisters, Mrs. MAE CROFTS and Mrs. MARGARET BROWN, all of Hicksville, on the death of their father, JOHN SULLIVAN, last week. . . . Hicksville Farms still adding new conveniences to their popular store on Woodbury Rd. . . . We have now received word from Mr. JOSEPH KATZ, former Miss Eileen Wolf of the Herald staff, that the Katzs have returned from their honeymoon and are now residing in Laurenceville, New Jersey. Mrs. Katz sends regards to all her associates in Hicksville and says she enjoys reading the Herald each week. . . . Who is the lad in the gray flannel Bermuda? We call him "Bermuda Fred". . . .

Hicksville Democratic Club is planning a testimonial dinner honoring WILLIAM A. CIBLES in September. Cibles has been local Democratic leader for a number of years, long active in affairs of the party. He is water commissioner, former secretary of the fire commissioners and ex-captain of Emergency Co. No. 5. . . . ERNEST FRANCKE, Hicksville Republican leader and GOP delegate from the 1st NY Congressional District to the national convention at San Francisco, is leaving for the west coast about Aug. 5. He will drive out leisurely. The convention starts Aug. 30. . . .

JERRY ZETTLER celebrated his birthday Saturday night at Sea Cliff Yacht Club. Jerry is an avid boating enthusiast and has an 18-foot sail boat. He took his old high school classmate, ALLEN CARPENTER, for a sail one evening last week. . . . An addition is being made to the St. Ignatius Confraternity building (old parochial school) on Broadway. . . . GERTZ has opened a temporary employment office in the former Seaman & Elasmann location, 2nd floor at Bway, and Marie St., and is now hiring for its new store due to open here in September. . . . The Nassau-Suffolk Index of general business activity in May topped the record set by April by another 2 1/2 points, according to Hofstra College Bureau of Business and Community Research. . . . Syosset Republican Club will hold its annual field day and outing at the Franklin B. Lord Estate on Sept. 1. CHANDLER HENN is chairman. . . . Don't forget you must take cover when the Air Raid Sirens sound tomorrow (Friday) afternoon. . . . CLIFFORD PLACE who is Republican finance chairman for Hicksville this year has manufactured 1,000 of those miniature elephants which will be sold for the benefit of the drive. . . . Word on the successor to JACK BRANDT as town highway superintendent may break in a week or so. . . . There will be 25 Hicksville election districts before the election of this year. Several new ones are being cut out of larger ones. . . . WALTER LUYSTER, manager of Town Republican Hqs. in Hicksville, is on vacation. . . . We unintentionally made a-lar out of 8AM WEISS here last week. He had told KITY he caught 17 fish on the Co. 5 outing. In fact, he brought 17 fish home with him. . . . Attendance at school board meetings is dropping off. . . .

The boys of Hose Co. No. 4 should be happy. The Board of Fire Commissioners this week decided to order a Mack high-pressure fog fire truck for the company. . . . RICHARD T. HOGREFFE, 20, of Bethpage was seriously injured in a collision with a light pole on Pennsylvania Tn., last week. . . . We hear the GERALD DeLORES will move to Cleveland around Sept. 1. . . . Dr. JULES A. HOLUB, who was principal in Hicksville school district some years ago, has been appointed Junior High Principal in New Hyde Park Memorial High School effective Aug. 1. . . . ALLSTATE Insurance Co. will open an office on Old Country Rd., Hicksville, according to plans. . . . All auto traffic must halt for 15 minutes during the public participation in the CD Alert tomorrow (Friday). . . . Next meeting of Oyster Bay Town Board is Tuesday, July 24. . . . BUDDY MAZZARA of Bethpage, town CD director, will be busy day and night from Friday to Sunday on the national alert. And during this time an old army buddy of his will be visiting his home, leaving Sunday for Iran. . . .

Day In Deputy Sheriff's Life

HICKSVILLE—Louis Kappstatter, Nassau County Deputy Sheriff and resident of Grand Ave., was the guest speaker at the Republican Club meeting at the Masonic Temple, Friday night. He gave an interesting and amusing comment on "A Day in the Life of a Deputy Sheriff".

Ernest Francke presided at the meeting in the absence of Club President Michael Sullivan. A large number of new members were welcomed into club membership at the session. The Club will hold its annual family outing at Wall's Beach, Bayville, on Aug. 4 from 11 AM to 6 PM.

SHOW CAUSE

District Clerk Elmer Breschard was served with papers in an application by Taxpayer Munson S. Dorais for an order to show cause in Nassau Supreme Court on the question of whether or not voter registration prior to the annual meeting will be valid in the Aug. 18 referendum.

Dorais who lives at 8 Fordham Ave. is represented by Attorneys Allan E. Meyers of Syosset and Alfred Rubinstein of Hicksville.

The action was returnable in Nassau County Supreme Court in Mineola yesterday (Wednesday). The court action is expected to determine whether or not all who wish to vote on Aug. 18 must register again in person or not.

School Board President Emil J. Szendy reported that he and Dr. Lamb had been in Albany last week on Wednesday to discuss preliminary plans for the construction of temporary additions to existing district buildings.

Encore Theatre To Assist League

HICKSVILLE — The Encore Theatre Group, in conjunction with their teen-age dramatic group, The Teen Players, will present "The Emperor's New Clothes" on Aug. 3 and 4 at Levittown Hall here. One performance is on behalf of the Little League.

This story has always been one of Hans Christian Andersen's most popular with the children because it is extremely funny and entertaining, the Theatre Group points out. The production will be done in oriental costume with elaborate settings and will be an enjoyable experience for all who see it, both children and adults alike. It is comedy at a fast pace and has all the little intrigues which children love.

The adults and teen agers in this production are all local talent and are working together in a cooperative spirit to bring this play to the community for their enjoyment. Since Levittown Hall is air-conditioned, everyone will be comfortably cool.

For ticket arrangements, individually or in groups, call WE 1-5515 or LEvittown 3-8725. Anyone interested in joining the Encore Theatre Group or The Teen Players may call WE 1-5515.

ATTEND THE GAMES

Members of the North Bethpage Civic Assoc. are urged to support the Little League Team which the Assoc. sponsors and which bears its name. This support can be best shown by a larger attendance at the games.

In the same vein, Morris Chandler, Neighborhood Scouting Commissioner, asks for men who would like to become scout leaders of the NBCA sponsored Pack to contact him at WE 1-8701.

Mrs. Kline requests that musicians who can read music and have had band experience contact her at WE 5-2752, if they are interested in joining the band for this show. She would also like volunteers of women who can help make the costumes.

It is time to get caught up with all the social events that have taken place here recently. Right now though I'm finding it difficult to concentrate because of a new power mower that is having quite a noisy trial run if nothing else.

Eight-year old Michael Esagro of Mineola Ave. had a birthday party on Monday, June 25. Birthday cake was shared by his cousin, Kenneth Esagro, Tommy Lee, Spookie Lee, Corey Lee, Stephen Danhauser and Joseph Tricarico. Michael's birthday was actually on the 16th of the month but because of a bad case of the measles his party was postponed.

Mr. and Mrs. George Bleck of 18 Mineola Ave. celebrated their 17th wedding anniversary on Father's Day, June 17. They enjoyed an anniversary dinner at the Wantagh Hotel.

A sixth wedding anniversary was celebrated by Mr. and Mrs. Arthur

Fuelling of 18 Broadway Pl. on Monday, June 25. The previous Saturday they and another couple, Mr. and Mrs. Harold Stewart of Farmingdale, had dinner at the Moorings in Cold Spring Harbor in honor of the occasion.

Birthday greetings, although belated, go to five year old James Dwyer of Somerset Ave., to Mr. George Bleck of Mineola Ave. and to Cecilia Moll of 5 Tudor Rd. John Chiarillo also of Tudor Rd. celebrated his birthday on Thursday, June 21st.

Mr. and Mrs. Biyona of Mineola Ave., celebrated their 14th wedding anniversary on June 27. The Sidney Levin's of 4 Tudor Road also celebrated their fourteenth the same day.

On Sunday, June 24, Mrs. Edmund Carman and her three children, Beverly, Ronnie and Carol of 5 Somerset Ave. attended a christening party for Baby Thomas Andrew Carman at the home of his parents, Mr. and Mrs. Arnold Carman of 27 Arpad St.

Our sympathy to Mr. and Mrs. Jack Taylor of 27 Albert St. on the loss of their baby.

Back home again after a delightful weekend away are Mr. and Mrs. August Mandala and children, Stephen, Mary Jane and John of 24 Albert St. Their three day holiday was spent at the summer home of Mr. and Mrs. William Mandala of 85 North Shore Road, Indian Lake,

Denville, New Jersey. Other guests included; Mr. and Mrs. J. Lo Piccillo and children; Mr. and Mrs. S. Lo Piccillo and children and Mr. and Mrs. R. Baumann and their two daughters, Marilyn and Valerie. The children had a grand time at a beach which was only two blocks away. One of the biggest thrills of the entire stay for five year old John Mandala was sleeping in a tent for the first time.

On Sunday afternoon, June 24, Mrs. Arthur Fuelling and her parents, Mr. and Mrs. Leyendecker of Farmingdale, attended the graduation of her brother, Jerome Joseph Leyendecker from Champlain High School. In the fall, Jerome intends to further his education by attending Manhattan College.

Mr. and Mrs. Great Sczesniak of New South Road celebrated their 4th wedding anniversary on Thursday, June 23.

Master Mark Caramis of 22 Ferry St. was all of one year old on Friday, June 23. Among those at his birthday party were: Mrs. A. Mandala and her two children, Mary Jane and John.

Mrs. Strauss and her daughter, Barbara, of Somerset Ave. are among those that have been to one of the shows put on at the new "Westbury Music Fair", Long Island's tent theatre in the round. They enjoyed their evening out and are planning on seeing many more shows during the summer season.

MARIAN WINTERS will star with Margaret Bennerman in "The Chalk Garden" at Sea Cliff's Summer Theatre the week of July 23 to 28. In this sparkling comedy, playwright Enid Bagnold rips to pieces the way of life of an upper class English family. The week of July 30, Thomas Ratcliffe presents a new play prior to New York—"First Night".

Girls Entertain Neighborhood

By MYRA ANN GIANSAENTE
HICKSVILLE — The "Calling All Girls" club entertained the neighborhood children Saturday evening, July 7, in the Giansante back yard at 126 Lee Ave. They staged a playlet of the fairytale "Rumpelstiltskin", served refreshments, and made \$7, which they sent to the March of Dimes in Mineola. The girls who participated were Judith Cooper, Myra Ann Giansante, Kathleen Kennedy, Kathleen Reimele and Gail Cluxton.

Senate OKays Two Postmasters

WASHINGTON—The United States Senate has approved the appointments by President Eisenhower of Harry Cotier as Postmaster of Hicksville and Patrick J. Foley as Postmaster of Bethpage office. Both men had been acting postmasters pending confirmation by the Senate.

FALSE FRONT

It's a fact that it costs people a lot more to feed their pride than their faces.

Troop 64 Gets Ready for Camp

HICKSVILLE — Boy Scout Troop 64 held a Parents Night at their regular meeting place in the Seaman & Eisenman building on Broadway, June 18.

Staff advancements were made: Leo Kanawada, Jr., Jr. Ass't Scoutmaster; Francis Sheridan, Senior Patrol Leader. These awards were made by Scoutmaster Robert Hughes, Ass't Scoutmaster Howard Von Gerichten, and Harold Robinson, Explorer Advisor.

Merit Badges were awarded by Phil Helsten to William E. Butler, Pioneering; Joseph Bauman, Metal Work and Noel Dennis, Public Speaking. First Class Scout, Frederick Eichhorn and Robert Birkel, Second Class Scout, Peter Sherbo, Leo Kanawada, Jr. and Francis Sheridan received their Life Scout Awards.

A movie "Green Harvest" on tree farming in color and sound was then shown. Community Singing, and each Scout and Committeeman received a neckerchief the Troop has adopted, their own special kind. The Scouts neckerchiefs show each rank in Scouting from Weblo to the top rank each boy has earned. It will be a complete record for the boy to be proud to own and he has to earn each rank or he doesn't get it.

William Raynos was graduated into the Explorer Post of Troop 64.

Recently Troop 64 assisted in the Investiture Ceremony of Cub Pack 64 at the Methodist Church. Those taking part were William Butler, Leo Kanawada, Paul and John Nelson, Noel Dennis, Lewis Worley, William Hughes, John Neglia, James Walsh, Frederick Eichhorn, Stanley Bruce, Ass't Scoutmaster Howard Von Gerichten and Scoutmaster Robert Hughes.

The Boys of Troop 64 are all getting very excited about the camping season coming up soon. Most of the Troop will spend the last two weeks in July at Camp Wauwepex, Wading River, where they will put to use all they have learned and gather a great deal more knowledge for future use.

CURRENT COMMENT: Miss Farley's Retirement

By Fred J. Noeth

THE RETIREMENT of beloved Miss Mabel R. Farley from the Hicksville Schools comes as something of a sudden shock to her many, many friends in the community. Elsewhere on this page we are publishing a letter signed by four of her former students, now all grown men, which reflects something of the general feeling of those who came under her direction and then read the announcement last week.

As in many instances when disturbing news reaches us, the tendency is to react. In some cases the reaction is upon those who bring the news. The facts are simple: The Board of Education has adopted a policy providing for the retirement of employees of the school system when they have reached the age of 70. This is not unusual in itself. The 70-year retirement age is general in municipal and private business.

The proposal to set such retirement age was advanced at the School Board meetings prior to the seating of new trustees on July 1.

It is not our intention to explain or attempt to apologize for the actions of the School Board. The trustees are well able to support their decisions.

With the retirement of Miss Farley scheduled for Aug. 28, the selection of her successor is no simple matter. In this respect we feel the School Board has come up with a popular and judicious decision in the designation of Leon J. Galloway. Mr. Galloway's association with our schools is almost as well established as his predecessor. Having been associated with Miss Farley and the school system since 1929, he is probably better aware of the position he is scheduled to fill than any other person.

The Hicksville Kiwanis Club has suggested that the Board of Education honor Miss Farley and recognize her unmatched service to the young people of Hicksville by renaming the new high school in her honor.

We approve of the proposal but would like to offer this amendment. There can be only one Hicksville High School and our high school should be identified with the community as a whole.

The former high school on Jerusalem Ave., where Miss Farley labored so long and devotedly, is now being enlarged and renovated. When the work is finished it will practically be a new building, equaling in size the building on Division Ave. We would like to suggest that this be known as the Mabel R. Farley Junior High School to become a lasting tribute to a woman who has given so much to the education of generations of Hicksville boys and girls.

THE OLD TIMER REMEMBERS:

The Trolley on John Street

Not too many of today's residents remember the days of the trolley. When you could ride from Hickville to Flushing for less than a dime. The Hickville to Mineola service began Jan. 24, 1909. An imaginary trolley ride of that time from Westbury, recently written by Vincent E. Seyfried of St. Albans, follows: "We now proceed along Union Ave. and into Prospect Ave. thru the settlement of New Cassel. Continuing east thru empty stretches of farmland, soon we pass the Jones Poor Farm whose inmates occasionally spent their meagre funds to ride to Hickville or Westbury by trolley. At the town line we enter John St. and continue along this road to the very heart of the village of Hickville; a short turn to the right into Broadway and after two short blocks we arrive at the LIRR and Hahn's Hotel, the Hickville terminus." The terminus was then about in front of today's Professional Bldg.

There are many who do remember the gay old days when rivalry between Hickville and Westbury was most intense. Athletic competition between both villages was suspended for a while because of the aftermaths. . . . And it doesn't seem so very long ago when Plainview had a two-room schoolhouse, and Saturday night the stores were open till 11 o'clock because it was THE SHOPPING NIGHT of the week. . . .

NOW UNDER CONSTRUCTION, this is how the former high school, now the Jerusalem Ave. Junior High School, will look when completed with its three-story addition. The Herald suggests that this school be named

"The Mabel R. Farley Junior High School" in honor of Miss Farley who is scheduled to retire next month after long service to the youth of the community.

HERALD READER OPINION

Four Comment On Miss Farley

To the Editor:

It is difficult to resist a sense of cynicism and despair over the events surrounding Miss Farley's forced retirement as principal of Hicksville High School. The callous and almost vindictive tone of the board action is a tempting target for comment, and a fitting monument to the board's lack of a sense of warmth and humanity. But boards of education—both the good and (especially) the bad—accomplish their constructive works (and mischief) and are soon gone and forgotten.

Attention, therefore, should be focused on something far more important: the kindness, warmth, devotion to duty, and sense of fair play that characterizes Miss Farley's whole philosophy and way of life. In time of mass press agency when we may tend to feel that "education" is closely akin to the constant repetition of slogans and catch phrases, it is good to recall that nothing teaches so well as the example of principles actually lived. For real values and a healthy idealism are passed on best not in the glare of a commercial-like atmosphere, but in observing one who believes in and lives and fights for those values and ideals. It is this persistent and forceful example that best characterizes Miss Farley's influence on the many thousands of young people who have come in contact with her. There may have been times when we felt we could not agree with Miss Farley, but always present was the tremendous force of her personality, her devotion to principle and duty, her intense concern for honesty and fair play. Many of us feel we owe an immeasurable debt to her; we are disturbed because it is a debt we can never fully repay.

We realize of course, that retirement for Miss Farley would eventually have to come—we know of no one who has so genuinely earned a time of leisure and relaxation. Profoundly disturbing, however, are the circumstances surrounding that retirement, the almost obscene matter-of-fact and indifferent temper that characterizes the action of the board. It is tempting to wonder how deep is the professed belief in teaching and education, how intense is the respect for those dedicated to young people and enlightenment, when an individual of the calibre and stature of Miss Farley is dealt with so abruptly and summarily. We believe the be-

havior of the board is not representative of the thinking and feeling of the people of Hicksville.

In the final analysis, we suppose, the members of the board will have to be forgiven. For had they gone through Hicksville High School as students, known Miss Farley and learned from her as had thousands of others, then we expect their behavior would have been far more

kindly, far more concerned with human values, more devoted to a sense of fair play. Miss Farley always had that effect on her students.

Sincerely,
Nick Economouly

Exit Mr. Miller

To the Editor:

By SYLVIA FISHMAN

I should like to pay tribute to a fine gentleman in our community who is resigning as Asst. Superintendent of Schools in District 17—Mr. Stanton Miller. I think his leaving will be Hicksville's loss and another community's gain. I envy that community, wherever it may be. It will gain a man of personal and professional integrity, a man who knows the educational principles he believes in and who is dynamic enough to voice his opinions and to reaffirm them consistently. I hope Mr. Miller will indeed bring these qualities to whatever new assignment he may select and that he will not be saddened and disillusioned by his experience in Hicksville, for he never failed Hicksville but we sorely failed him.

Everyone who has been following the School Board happenings, (which should be each of us—and every parent who hasn't up until now owes it to his child to begin immediately), knows that Mr. Miller's appointment was due to expire June 30th and that he had every desire of remaining on in his job because he liked Hicksville and was pleased with what he had been able to accomplish. If the School Board elections had gone differently, he would have indeed been reappointed.

However, Messrs. Szendy, Eirich, Carpenter and Eaton jointly advised after their election that they did not plan to reappoint Mr. Miller. I am sure that the people of Hicksville did not realize that by voting these gentlemen in, they were voting Mr. Miller out.

Why did Mr. Miller have to go? Mr. Miller had disagreed with Mr. Szendy and had voiced this disagreement. Mr. Szendy the architect, favors temporary schools and temporary extensions; the children are figures he juggles to fit into half time and split session classes in the name of economy. Mr. Miller, the educator, favors permanent classroom space in order to provide full time sessions in the child's own neighborhood school. Also, Mr. Miller believes in a teacher salary scale that will encourage seasoned teachers to remain in the system rather than leave for neighboring communities. Mr. Szendy thinks that teachers should be loyal to a system even if they are paid less.

Teachers, apparently, are expected to forfeit their rights as citizens in a competitive society. Mr. Miller said what he thought and a lot of people at the annual budget meeting agreed with him—but Mr. Szendy does not, and Mr. Szendy is in the driver's seat now. To disagree with Mr. Szendy is apparently political heresy—so Mr. Miller must go.

By special arrangement, approved at the organizational meeting of the School Board on Tuesday, July 3rd, Mr. Miller was hired for one additional month ending July 31st in an advisory capacity in order that he may finish up his work, and get two weeks accrued vacation which he had earned. Before he leaves, I think it fitting to say thank you to him for his part in making the Hicksville School program a little better for my children and all the other children.

I want to thank Mr. Miller and Dr. Lamb for the introduction of the special language and science program on the elementary level for the children who were ready for the supplementation of curriculum on their grade level. I can do this very sincerely as the mother of a second grader who benefitted by this program. It made the difference between a child who would have been bored and one who found the program stimulating. I cannot enumerate from personal experience all the other things he has been a part of, but I do know that the Hicksville H. S. has a vocational program that is better because Mr. Miller was active in its development and that the enlarged music program in our schools had his endorsement and encouragement.

Many times during the past year since making our home in Hicksville, I have had reason to wonder whether we made the right choice in selecting to become part of this community because the quality of our children's education is of vital concern to us. When I attended the Spring Conference of the Western L. I. Congress of Parents and Teachers I was able to be proud of what the School District was doing, and it felt good. I do not feel proud now that we will not have with us a man who contributed substantially to this program.

Good luck to you, Mr. Miller.

THE GREEN THUMB:

Iris es You May Not Know

By ALMA W. CRAIB

The bearded iris dominates the flower border during May and June with its rainbow of lovely color, but just as the last blooms are fading, the Japanese iris takes over the garden show. It is quite different from the former in every way. The leaves are much narrower and much darker green, and the root is a mass of fine fibers instead of a rhizome. The blossom is flat, and often as large as a saucer. It has the same delicate loveliness, but not as wide a color range. This iris needs lots of moisture, and thrives beside a pool or bird-bath. Unlike the bearded which likes lime, the Jap iris prefers acid soil. Blooming at about the same time as the Siberian iris, a much small-

er plant, with grass-like leaves and fibrous roots. It multiplies rapidly into a great clump of leaves among which are many dainty blossoms of blue, yellow, or white, similar to the florists' iris. The white ones are especially lovely.

The Dutch iris, which grows from a bulb, is planted in fall along with the crocus and daffodil. It is a beautiful thing in bright, clear shades of blue, yellow, and white. It blooms in early May—sometimes in April—and lasts a long time in the garden or as a cut flower.

I had never grown it until I came to I. I., and was surprised and troubled when the groups of blossoms that had made such a gay picture for two years did very poorly the third year and this year failed to produce any blossoms at all. I learned, however, that the bulbs are very cheap, and so, by replacing them every other year, you can have a brave show in every old corner.

Another bulbous iris that blooms even earlier than the Dutch is the little iris reticulata, a slender, purple blossom with a streak of bright gold down each petal. It blooms in March, along with the snow crocus. We have a group of them at the base of the pine tree that holds our bird-feeders, just outside of the window. Year after year, they pop up in the bitterness of March weather to assure us that spring is coming.

Almost as early is the crested iris group that grows in the rock garden or in front of groups of shrubbery. It comes from a rhizome, and hugs the ground as if it were trying to cuddle down out of the sharp spring winds. The leaves are a miniature copy of the bearded iris, and the blossoms have almost no stem. They, too, copy the form of the bearded in light blue, purple or yellow but lack the brilliancy of their larger relative. In the lush bloom of June, they probably would not seem nearly as attractive as they do on a dreary March day.

Quite a few children in the neighborhood are enrolled in Summer Playgrounds. They have lots of fun, and learn to make something out of nothing.

The accident that occurred Saturday night at Woodbury Road, should be a warning that driving slow will get you there safe and sound, just as well as high speed.

Lands Big One In Southern Waters

MANTEO, North Carolina—Mike Donovan of 10 Spray Lane, Hicksville, proudly displays a 21-pound dolphin to his sister, Lynn. He landed the fish off Nags Head, N.C. The 21-pounder was the largest dolphin of more than 30 of this and other Gulf Stream species, including king mackerel and albacore which the Donovan party landed during one day off shore.

Mike and Lynn and their parents have been vacationing at Nags Head in the famous Sir Walter Raleigh Coastland of North Carolina recently. (Photo by Aycock Brown, Dare County Tourist Bureau).

Zimmerman

(Continued from Page 1)
tion, in my opinion", he wrote, "was a serious blow to the cause of good public education. In the past, I have disagreed with some of the things Mrs. Sutton said or did. However, I have always admired her devotion to duty. I never doubted her sincerity in striving for what she believed to be the best interests of good education. Genuine progress in education can be made only by studying and sifting a variety of ideas. Her point of view will be missed."

The President of the Youth Coordinating Council also wrote: "I have frequently expressed my opinions on school affairs. Although my statements have been made publicly, there has been some distortion and misrepresentation of my views. I hope that the following statement of my beliefs will serve to reduce, and possibly eliminate, some of the past misunderstandings."

"1. A good, well-developed system of education is a vital bulwark of our democracy. The value of a good, sound education for our children is so great that a measure of community sacrifice in trying to achieve it is entirely unwarranted."

"2. As a taxpayer, bedeviled by a host of taxes like everybody else is, I would like to feel that maximum value is being obtained for my tax dollars. I favor economy and efficiency in the administration of school affairs. This must be done with due regard to human values; without exploitation or degradation of the people who are employed by the School District."

"3. The School Board should be responsible and responsive to the citizenry. All the people should have a hand in formulating important educational policies. This necessitates the fostering of public interest in school affairs. The public must be encouraged by the School Board to discuss, study and make recommendations on these issues. This can be done through P.T.A.s, civic associations, and other interested community groups."

"Of necessity, these are broad

basic principles", Zimmerman declared. "Upon request, I shall gladly explain, in detail, my position on specific issues. Invitations to discuss all aspects of our school affairs are hereby solicited."

"If, by the Grace of God, and the help of the voters of the District, I am elected to the School Board, I promise to work energetically for the betterment of our school system."

By HOWARD FINNEGAN

Make no mistake about it—Hicksville High School is committed to name Howard Bowers head football coach of the Orange and Black.

It was just a month ago that we tipped the news here that the civilian athletic director head of Mitchell Air Base's mighty pigskin squad was considering joining the Hicksville faculty.

The news broke officially, Friday. Bowers signed a contract to teach Social Studies in the Jr. High system, and it was indicated he will have "something" to do with the football team.

The timeliness is understandable, but if the usual order of recommendations in matters of this kind are respected Bowers is solid for the post. He has the background to lead the Comets out of the doldrums.

A native of Johnson City, Tenn., his coaching achievements there include two State championships and one All-Southern Scholastic title. And they play football in that area too.

He received his teaching masters at Columbia University in 1947. Previous to putting football on the Air Force Athletic map, he was backfield coach at George Washington University for three years.

We would not want to put a new friend of the community on the spot, but the gridiron fortunes of the Orange and Black could hardly go in any direction but up.

With the many problems attending our rapid expansion, football suffered greatly from split sessions, student disinterest, and the 1955 fiasco of opening the new high school when it wasn't ready.

Hicksville's schedule has steadily retreated to the weakest in Nassau, and last season conditions became too much to cope with. The record was 1 win and 6 losses.

A smashing loss to arch-rival Westbury mashed a lot of gears, but the big blow came at Levittown. The Panthers hadn't won or scored in five outings, but defeated Hicksville 31-0. They did not win or score again.

Loser in six straight, Farmingdale, with its usual burst of pride, won the finale from the Comets 18-6.

In a concerted effort to restore prestige, Hicksville will not play separate Varsity and Junior Varsity units. The entire turnout will be under the direction of one coach, and he will use and develop who he will. Those boys who do not play Saturdays in the Varsity contests will be eligible for the Jay Vee games on Mondays. This policy itself would indicate a turn for the better at Hicksville.

We welcome and wish Mr. Bowers Good Luck.

CYO Schedules Another Paper Drive on Aug. 18

By ELWOOD S. KENT, SR.
HICKSVILLE—An executive meeting of the St. Ignatius CYO was presided over by George Maguire, president, at St. Ignatius Confraternity Building on July 9 and a new drive for papers, magazines and rags is to be launched as "Operation Paper" on Saturday, Aug. 18.

All residents wishing pickups to be made at their home are asked to send their name, address and phone number to the CYO, St. Ignatius Confraternity Building, Broadway.

July 28 and 29 are very important days this month. A film depicting the life of St. Ignatius Loyola will be shown at the school auditorium at 8 o'clock on July 28 and at 2 PM and 8 PM on July 29. All are welcome. The charge is 50 cents.

St. Ignatius Loyola was a man of great action. He was a Spanish Cavalier, a student and finally a Priest. Were he alive today, no doubt he would be a moving force in the ranks of CYO. He died 400 years ago and the church is celebrating the fourth centennial.

Further activities discussed at the July 9 meeting were the big program to be initiated for the Autumn Dance and Sports Night affairs. Both of these very enjoyable events have been well received in the past and this year's program will be planned as to far exceed the excellent features of previous shows.

Your most kind cooperation

in assisting to make each one of these activities a success will be a satisfaction to yourself and a great help in furthering the CYO program.

Frank Argonna, a CYO baseball star, has been appointed to Annapolis; Jerry O'Connell, his baseball manager, is confident his CYO training will be of great help to Frank as he starts on his career to become an Admiral.

HICKSVILLE LITTLE LEAGUE:

International and American All-Stars Meet This Saturday

By GREG FRASER
HICKSVILLE—This community will enter the National "All Stars" World Series playoffs. Frank Menzies, President of the International League, announces on behalf of his league that the opening game with the American League All Star Team will take place next Saturday, July 21, at 3 PM at the Lee Ave. Field No. 2 on Lee Ave., near Broadway.

This is the first All Star game that our American or International League has played in. Town Supervisor Lewis N. Waters will be present to throw out the first ball.

The winners of this game will play Levittown Northern on Monday, July 23 at 6 PM at the Levittown Eastern Field. The ultimate goal of this series of course is a

trip to Williamsport, Pa. to play in the National World Series. Should one of our teams achieve this goal they would have all their expenses paid by the National organization. Hicksville Little League, Inc. for their trip to Williamsport.

Naturally every Little Leaguer dreams of a chance to participate in this series and our two teams are enthusiastically preparing for Saturday's game. Each team will have its banners flying on their side of the field so that you may easily identify your favorite team. These are your All Stars.

Come out Saturday and let them know they have your wholehearted support in this first venture in the World Series playoffs. A collection will be taken on the field to help defray the cost of any local traveling expenses.

The American League All Star Team is comprised of H. Sell, E.

Condron, B. Leduc and R. Dunlap of the Fairway Farms Team; F. Biskupski, H. Stellato, R. Fort and R. Geranone of the Rotary Club Team; W. Bennett, S. Talbot and S. Emergency Boys Swamp Co No 1

HICKSVILLE—Chemical Co. 3 and Hose Co. 4 face each other this Sunday, July 22, at Lee Ave. School in the fire dept. softball league. Emergency Co. 6 slaughtered Hook and Ladder Co. 1 by a score of 29-0 (or was it 39?) last Sunday.

Meanwhile Co. 1 admitted a Memorial Day forfeit to Hook and Ladder Co. 6 to give Hawxle's Boys a straight four victories and no losses.

In last Sunday's game, Bob Wathey went the entire way on the mound for Co. 5 to take a shut-out. Joe Zinzi was behind the plate. Chief Medard Ofenloch was on the mound for the Hook and Ladder with Capt. Bill Pierce catching.

Co. 5 fans said they might have had a better score, but began to fall behind when John Larkin took up a reclining position in the field as base umpire late in the game. John McGranahan was outstanding in left field for both sides.

George Frey was temporarily a Hook and Ladder pitcher in the opening innings.

Larkin quietly and privately informed our sports dept that last week's game report was inaccurate. He said the game was not called on account of darkness. They kept right on playing with flashlights.

Standings of the companies:

Team	Won	Lost
Co. 6	4	0
Co. 4	2	0
Co. 5	2	1
Co. 3	1	1
Co. 2	1	2
Co. 1	0	5

274,000 Family Trading Area

HICKSVILLE — An economic survey just completed by Otto J. Hartwig, promotion director for Mid-Island Plaza, forty million dollar regional shopping center being built by Stackler & Frank here, indicates that 274,000 families with annual buying power in excess of \$2,200,000,000 reside within "what can be conservatively termed the primary trade territory for the center."

Citing population estimates made by the LI Lighting Co., and income figures revealed in the 1956 survey of buying power by Sales Management magazine, together with his own study of buying habits of suburban residents, Hartwig said:

"The fact that Mid-Island Plaza is in dead-center of an estimated population of 931,657, embracing approximately 274,000 families with average annual disposable income after taxes of near \$8,200 per family, is of primary importance to the tenants who have leased space in the 110-acre business center here.

"These 274,000 families are within 15 to 20 minutes driving time of Mid-Island Plaza. Although this is what can be conservatively term-

ed the primary trade territory for the center, there are another 100,000 families in a secondary area who can be expected to do a certain amount of business with Mid-Island merchants.

"The \$8,187 per family buying power of families within the trade area is considerably higher than the \$6,047 average for New York state as a whole, and compares with the national average of \$5,465.

"This is why Mid-Island is regarded by merchandising experts as one of only 20 areas in the entire nation in which it is economically sound and desirable to establish a regional business center with complete one-stop shopping service."

Principal tenant of Mid-Island Plaza is the Gertz Dept. Store, one of the 79 units owned by Allied Stores Corp., world's largest department store operator. The six-floor Gertz building, containing 300,000 square feet of space, is one of ten buildings comprising the initial section of the regional shopping center on the west side of Broadway five blocks north of the railroad station.

The retail and service establish-

ments which have leased 1,000,000 square feet of space in the initial section plan to open for business simultaneously in the early fall, Hartwig said.
