

ELWOOD S. KENT, SR., is a candidate for election to the Hicksville Board of Education in the special election on Aug. 18, seeking to fill the short-term vacancy caused by the resignation of Edna Kuhne Sutton. Mr. Kent, who resides at 127 Pollok Place, has been a local resident for six years and is a tax consultant with offices in Hicksville. He is also president of a manufacturing concern in Suffolk and prior to entering business for himself, was affiliated with the U. S. Treasury Dept. in Internal Revenue Service. He is active in Hicksville Boy Scout, Cub Scout and CYO activities and a member of the North East Civic Assoc. He is married and has two children, Elwood Jr., age 11; and Sheila Ann, age 8. Friends are now circulating his nominating petitions.

Insurance Centre Here

HICKSVILLE—Plans to establish an Insurance Center here were revealed today by William F. Powers, resident manager of the Allstate Insurance Co. Long Island Regional Office. The new office which will serve approximately 75,000 policyholders in the Mid-Island area will be located in the new Professional Building at 100 East Old Country Rd. Occupancy is scheduled for Aug. 6, when alterations of the space are expected to be completed. The building is completely air conditioned and parking space is provided for about 40 cars. Allstate, a subsidiary of Sears, Roebuck and Co. will occupy 3,600 square feet of office space on the main and first floors.

Resident Traffic Coordinator For 2 National Conventions

JERICHO—Among those members of the American Broadcasting Co. helping to provide the most extensive convention coverage in television history will be Stanley Kiklicka of 220 Halsey Ave., here. Kiklicka will be serving as a traffic coordinator when the Democrats open their national convention in Chicago on Aug. 13. He will also be on hand for the Republican convention in San Francisco on Aug. 20. Born April 3, 1913, in New York City, he attended Stuyvesant High School and the Paine School of Business before breaking into radio as a studio page. He lives with his wife, Sylvia, and four children—three girls, aged 10, 12, and 16 and a 13-year-old boy. His mother, Mrs. Antonina Kiklicka, lives in the Bronx.

Republican Picnic This Saturday

BAYVILLE—The Hicksville Republican Club will hold its annual picnic at Wall's Beach Rest, here, on Saturday, Aug. 4 from 11 AM to 6 PM, rain or shine. Tickets are available from local Republican committeemen or the ticket committee which includes E. Marthen, A. Katz and Beatrice Jenson (WE 1-0402), according to Club President Michael Sullivan.

District Clerk Position Open

HICKSVILLE—Residents interested in the position of Clerk of the School District are invited to write to Dr. Wallace E. Lamb, superintendent of schools, stating their interest and qualifications for the position. Elmer Breschard Jr., who has held the office for several months, is resigning as of Aug. 7 due to a change in his business position. The post of clerk pays \$2,000 a year and applicants should send or deliver their letters to Dr. Lamb at the Administration Bldg., Newbridge Rd., today (Thursday) for consideration by the School Board at its meeting tomorrow (Friday) night.

4,950 Eligible To Vote Aug 18

HICKSVILLE—Nearly 5,000 voters of the school district who registered for the annual meeting in May will be permitted to vote on the referendum on Aug. 18 without the requirement of re-registering. Supreme Court Justice Cortland A. Johnson has agreed with School Attorney Harry Goebel in dismissing a petition brought to test a ruling by State Education Dept. Chief Counsel Charles A. Brind. Justice Johnson noted in his

decision: "This Court respects the ability and learning of such counsel (state education dept) and has usually found itself in agreement with his views; but in the present instance it doubts whether the results necessarily flow from the new legislation * * * this Court finds nothing in the new statute which indicates any purpose to make voting in school district meetings more burdensome or difficult of accomplishment and regards the proposed action of the

Board of Education of School District 12 as substantially and practically complying with a rather clumsy statute, while at the same time enabling those entitled to vote to exercise their right with no unnecessary inconvenience to themselves. Munson S. Dorais, a taxpayer, had brought the action to test the new ruling of the Education Dept. He was represented by Alfred Rubinstein and Allan E. Meyers. (Please turn to Page 2)

YOU ARE INVITED—The Board of Education of Hicksville School District invites the taxpayers to inspect the portable-type semi-permanent classrooms, now located at Fork Lane and Woodland Ave. schools. These classrooms are similar to those upon which the

taxpayers are asked to vote on Aug. 18. The hours of inspection will be from 1 to 6 on Saturday afternoons and from 2 to 6 on Sunday afternoons during the next two week-ends. The rooms will also be open during voting hours on Aug. 13.

SPOKESMAN REPLIES:

LIRR 'Happy' To Discuss 2-Way Track

JAMAICA—The Long Island Rail Road is "happy to explain to any interested individuals or groups" its new plan for double-signalling its main line from here to Hicksville. It was pointed out this week, "If the people of Hicksville should decide they don't want it," a spokesman for the LIRR pointed out, "we could find other uses for the \$750,000 we're trying to scrape together to bring them, and residents of communities further east, this improved service."

James A. Schultz, director of Public Relations for the Long Rail Road, wrote the Herald as follows: "I was surprised and shocked by the story in last week's Herald quoting objections of a Hicksville area civic leader to our plan for double-signaling our main line from Hicksville to Jamaica in a major move to improve train service to and from eastern Nassau and western Suffolk."

"It was good of you to offer to carry a non-technical explanation of just what the project involved and I hope this may serve to allay any apprehension that may have been created by the uniformed statements made in last week's article."

"Right off the bat, I'd like to reassure you that the type of double-signal system we are installing is as safe as any railroad operation in the world today. For all practical purposes, it will be the equivalent of two parallel single tracks. The net effect will be a tremendous increase in the flexibility of our operation and in the train-handling capacity of the two tracks."

"At no time will it be possible, except under special instructions, to run more than one train in any of the blocks against the normal current of traffic. For example, it will not be possible in regular operation to run more than one westbound train on the eastbound track between Hicksville and Mineola. Neither will it be possible in regular operation to have both an eastbound and a westbound train in this block at the same time."

"I use the phrase, in regular operation, because under certain conditions—such as when a train (Please Turn To Page 12)

400 Now Protest Garden Apartment

OYSTER BAY—Proposed construction of a 300-unit garden apartment house on Bethpage Road at Andrews Rd., next to the Hicksville Water Works and north of the LIRR, is being opposed by residents of the area. The public hearing on the proposal was held here last week on Tuesday and concluded. The matter is under consideration by the Board.

"This week opponents to the project announced that more than 400 signatures on petitions in opposition to the proposal were gathered over the weekend."

The petition states in part: "Any project of any size would contaminate the water supply not only of Seymour Lane (adjacent to Andrews Rd.) but the supply of the entire town of Hicksville and any other community serviced by the water district."

"It was pointed out not so long ago by Supervisor Lewis N. Waters that housing was out of the question on this project because the town needed the income from light industry. Housing would be a liability, and not an asset. Mr. Waters was very right in his statement. This new housing project would call for public maintenance, besides adding to the already overburdened school situation and would again mean an increase in taxes."

And Just Who's Kidding Who?

By CHARLES H. DE SHAW
It looks as if the Long Island Rail Road and the Public Service Commission is working hand in hand to disregard the safety of the Long Island commuter, while at the same time causing inconvenience, and monetary hardship,

if reports reaching us are correct. It has been reported that the Public Service Commission, replying to the protest of the Glenbrook Civic Assn. over the proposed plan of the railroad to run express trains around locals, said that it had been assured by

the LIRR that it was a "completely safe plan." (How safe was it for Rockville Center, Richmond Hill, and Forest Hills, to name a few, even when the trains were traveling in opposite directions on the same grade?) It was also reported that the PSC claimed that they checked with Nassau Police regarding delays to vehicular traffic at the Hicksville Crossings during rush hours, and was told by the Police that there is no problem in Hicksville since it is rare for any traffic to be waiting for the gates to lift.

Who's kidding who? The reports also state that the R.R.'s reply to the Assn's. demand that either a sliding platform be erected at the Hicksville Station or an extension be constructed to bring the platform under the steps of the trains was that it was "unnecessary," since they were going to "police" the platform and warn the people to watch their step.

The letter is also supposed to have indicated that the seats on the rush hour trains are not completely filled—I guess the passengers stand because they like to.

The Gym floors in the High school, which were damaged recently through the acts of vandals, are expected to be fixed for school opening in Sept; and the addition to the Junior High on Jerusalem Ave., is expected to be completely enclosed some time in October, according to the representative from Knepp & Johnson, school architects.

The Joint Pool District officials are becoming fussy about the inside of the pools, but not the outside. None may enter the Pools now unless in swim attire.

The Henige on Brittle, La. seem to be having their share of hard luck. First, their dog "Bilko" was hit by a car and had to be put to sleep, and now Sylvia Henig has her leg in a cast, the result of a fall in a Hempstead store. The first doctor she went to six weeks ago, when the accident happened, diagnosed it as a sprain and she treated it as such. When there was no relief from the pain, she went to a local doctor who had X-Rays taken, which revealed that the ankle bone was broken; with the resultant cast to be worn for eight weeks.

Dear Jean:

We were in the Jes Rite when the little fellow asked us: "Which town has the most rocks?" We said: "Hummummm?" The 10-year-old insisted: "You know rocks, hoods?" We still thought he was talking about sandy vs rocky beachfront. We mentioned a north shore rock-bound coast line. He turned to his smaller buddy and said: "Ya see, JOEY, I told you they got more hoods in other towns than Hicksville!"

The State Traffic Commission has ordered installation and operation of a semi-vehicle actuated signal at the intersection of Cedar Swamp Road and Brookville-Whitely Road, Brookville. . . . Better take another look at the calendar. It's later than we think: Hicksville Post Office has received its first letter to Santa Claus for the current year. . . .

European corn borer population is expected to be heavy in August, according to JAMES A. McPAUL, Associate County Agricultural Agent. Flowers, especially dahlias, chrysanthemums, and gladioli, should be sprayed or dusted to protect them against this troublesome, hard to control, pest. . . .

Get well wishes to two very dear friends, Mrs. FRANK CANNIZZARO of Ninth St., who is a patient at Mid Island Hospital, in Bethpage; and Mrs. ELWOOD KENT of Pollok Pl. also Hicksville, who is at St. Peter's Hospital in Brooklyn. From last reports both are doing as well as can be expected. . . . Cub Pack 91 of Hicksville will hold its annual picnic at Bethpage State Park on Saturday, Aug. 18. In case of rain, it will be held the following Saturday, Aug. 25. . . .

School Board

(Continued from Page 1)
Attorneys, Goebel, reporting on the court decision last Friday night, publicly thanked Dorais and his lawyers for "being a public minded citizens" in helping to achieve a court ruling on the registration question.

There were 4,950 voters registered for the annual meeting in May and 4,260 cast their ballots. Additional registration for those not enrolled since prior to the May meeting may sign-up on Saturday, August 11 or Monday, August 13, at the seven schools designated as voting districts. (See legal notice on page 4—Editor).

Voters on Aug. 18 will, in general, report at the school for voting where their elementary school children regularly attend classes with the exception of the parents of Nicholas pupils. Nicholas parents will go to Old Country Road.

When the Board meets this Friday night, Joseph Cawley will be present for the first time since the July 3 meeting, having returned from a motor trip with his family to the west coast. With the new assessment total for the district available, the Board is expected to fix the tax rate for 1957 tomorrow night also.

Last Friday night the Board dis-

missed the 1955-56 Citizens Advisory Committee on Education. At the same session it was reported the State Education Dept. has approved all plans for the 36 semi-portable classrooms being offered for vote on Aug. 18.

Scanlon Wins

John Scanlon, 56 Linden Ave., East, Hicksville, was a winner in a recent sales contest according to William F. Powers, Resident Manager of the Allstate Insurance Co. Long Island Regional Office.

Scanlon received a trophy for his efforts and was feasted at a banquet for the winners at the Copacabana in New York City. He received these awards for attaining the highest percentage over his quota during the period of the sales contest of the sales agents in the Suffolk territory.

Scanlon is a sales agent operating out of the company office at 94 West Main St., Bay Shore.

What Your

INSURANCE AGENT

can mean to YOU

SECOND OF A SERIES

Your Agent Is A Professional

A good agent is a student of a very important but very complicated business. There are hundreds of different kinds of insurance written by hundreds of companies. Policies may vary considerably in the degree of protection they give; in cost; and in the kind of service rendered by the companies.

Being a professional, your insurance agent not only has a very broad basic knowledge of insurance, but he keeps abreast of all new developments in the industry, and can advise you as to which forms are most desirable for you. As your doctor diagnoses a health condition and prescribes for it, so your agent "diagnoses" your insurance needs and prescribes the coverages which contribute most to your security.

Little League Ends Second Half

By MARGE KERN

The Harrells are on vacation in Kentucky. James Noerino celebrated his birthday on July 25. Changes have been made on Stanley St. and Cliff Dr. The Schmidts have removed their fence and it certainly has made an improvement—at least they think so.

Geraldine Figliolo is spending two weeks at Camp Manitowish, Central Valley, N. Y. This camp was formerly an Indian reservation.

Brownie Troop No. 368 had an outing scheduled for July 21, to Bethpage State Park, but due to rain they had to have it in the home of Mrs. Gerstenfeld at 66 Cliff Dr. The girls enjoyed the eats that followed: Frankfurters, Marshmallows, Cookies, Watermelon, and Soda. Those who came were: Pat Barhold, Gail Bruder, Sylvia Collock, Sura Gerstenfeld, Lynn Harris, Diane Knickerbocker, Melisande Ranno, Maureen Mashburn, Marjorie Mosher, Daune O'Neill, Colleen Quinn, and Barbara Rowholt. The girls enjoyed themselves immensely, singing songs, playing games, and they also reviewed the Brownie story.

Mary-Ann Brady celebrated her birthday with a party at her home on July 27. Her guests included: Kathy Kern, Marion Gerstenfeld, Scott Hinks, Tommy Quinn, Francis Pelucci. After the children's party ended, Ann had several mothers in for coffee and cake, including yours truly, Mrs. Ranno, Mrs. Quinn, Mrs. Gerstenfeld, and Mrs. Hinks.

The Hinks just returned from Easton, Pa., where they visited Paula's folks.

Jean Corrieri had a birthday on July 23; Ann Schall had hers on July 28; and John Mc Closkey, Sr. celebrated his on July 25.

Grumman's Annual Picnic held at Calverton this year, was attended by some local residents, among these being: The Bradys, the Schalls, the Quinns, the Costellos, and the Mc Closkeys.

The Little League season's second half has ended. Quite a few spectators attended each game; and the team mothers did a wonderful job supplying refreshments for the members of the team. Also give a hand for the umpires who contributed, even though the spectators didn't agree with their decisions. The boys played very interesting games, and win or lose, they are learning the art of being good sports. Lots of luck to this year's winners.

Mr. and Mrs. John Diers and son Johnny of Cedar St. are spending a week at Roanoke, Virginia. Charlie Nass of 91 Cedar St.

had a birthday on July 10th. Jim Leonick of 89 Cedar St., was 18 years old on July 8. Jack Woodworth, Sr. of 87 Cedar St., was another year older on July 7. His son, Jackie, had his 10th birthday July 12th, his party guests included all boys dressed in dungarees for a real good time. Their attire was appropriate for the party games that were played (ping pong) baseball, Knock Hockey and Croquet. His guests were: John Diers of Cedar St., George Maguire of Terrace Place, James Hood, Plainview Rd., Jerry D'Amura, South Elm St., Billy and Jimmy Van Orstrand, South Elm St., Leigh Manelski, Woodbury Rd., Stephen and Tommy Manelski of East John St., and Bonnie Riley, South Elm St. Mr. and Mrs. J. Woodworth also spent a few days at Southold.

Get well wishes to Herb Gwaltney Sr., who hasn't been feeling too well lately.

The children of the neighborhood have enjoyed the beetles this year they have been kept busy gathering them for their jars.

The Civic Assn. has distributed cards to each house regarding curbing. Please reply as soon as possible. A

special meeting to discuss curbs is scheduled soon.

Our picnic on Sunday, July 22, was very nice but if more had come out to it, I'm sure you would of had a good time. Each child present won a prize.

Thanks and our gratitude go to Hermann's bakery in Bethpage, for their donation of a huge cake for our picnic. The cake was one of the prizes and the winner of it was Mr. DeGroff of Cedar St. Mr. Perry of Cedar St. (DeGroff's next door neighbor) was the winner of the bottle of whiskey given as the prize.

B) That a tax be, and it hereby is voted for said specific objects or purposes in the amount of not exceeding \$695,000., of which \$673,000. is for new construction and \$22,000. is in addition to \$46,500. heretofore approved as and for a tax, the same to be levied and collected in installments in such years and in such amounts as may be determined by the Board of Education.

C) That in anticipation of said tax, bonds of the School District be, and the same hereby are authorized to be issued in the principal amount of not exceeding \$695,000., of which \$673,000. is for new construction and \$22,000. is in addition to \$46,500. heretofore approved also for new construction; and that a tax be and the same is hereby voted to pay the interest on the said bonds as the same shall become due and payable.

PROPOSITION NO. 2

RESOLVED: That the Board of Education, Union Free School District No. 17, of the Town of Oyster Bay, New York, is hereby authorized:

1. To expend an amount of \$60,000. for the construction of an addition to the existing Hicksville Free Public Library, situate within the School District, on a part of the site of said existing public library building, to grade and improve the site and purchase the necessary original furnishings, equipment, machinery or apparatus required, the said amount being in addition to the amount of \$252,000, heretofore authorized to be expended at the Special District Meeting held on November 5, 1955, the estimated maximum cost of said specific object or purpose being \$312,000, including preliminary costs and costs incidental thereto;

2. That a tax is hereby voted for said specific object or purpose in the amount of not exceeding \$60,000., the said amount being in addition to the amount of \$252,000, heretofore voted for said purpose on November 5, 1955, the said tax of \$60,000. to be levied and collected in installments in such years and in such amounts as may be determined by the Board of Education; and

3. That in anticipation of said tax in the amount of \$60,000, bonds of the school district are hereby authorized to be issued in the principal amount of \$60,000., said bonds being in addition to bonds in the amount of \$252,000, heretofore voted on November 5, 1955, and that a tax is hereby voted to pay the interest on said bonds as the same shall become due and payable.

NOTICE IS HEREBY FURTHER GIVEN that the special election of members of the Board of Education, to be held during and in connection with the Special Meeting, and at the same time and places thereof, is to elect two (2) members to the Board of Education as follows:

One (1) member is to be elected for the balance of the two (2) year term created by the May 1955 Annual District Meeting, and which was filled by William L. Youcum until the entry of an order of the Supreme Court of the State of New York and which two (2) year term expires June 30, 1957.

One (1) member is to be elected for the balance of the three (3) year term, and to fill the vacancy caused by the resignation of Edna Kuhne Sutton from said office, and which term of office expires on June 30, 1957.

PLEASE TAKE NOTICE that

CIRCUS KIDDIE DONATION—Presented by pint sized circus performers David Slovin, 6, of 2 Joseph Ave., Bethpage and his sister Beverly, 9, a jar containing \$2.00, in pennies, nickles, dimes and quarters—the proceeds of a neighborhood circus—to Arthur Cope-land, right, director of Burrwood, a faculty for the aging blind and deaf-blind operated by the Industrial Home for the Blind at Cold Spring Harbor. Presentation ceremonies took place at Burrwood July 16. Children got the idea to stage circus for the benefit of the blind after a recent visit to Burrwood with their father, Abe Slovin, left, president of the Farmingdale Lions Club. Success of circus was attributed largely to individual animal act performed by Tippi (being held by Slovin).

Other neighborhood children (not in picture) who took part in "benefit performance" include Jerry Horn, of 28 Joseph St., his brother, Matty; Marc Lemkin, of 20 Joseph St. and Ronnie Will-koff, of 24 Joseph St., all of Bethpage.

Civics Rehearse For Their Revue

Rehearsals for the "Continental Revue" to be presented by the North Bethpage Civic Assoc. on Sept. 8th are now in full swing with much home-grown talent finding its way out of hibernation. Chorus girls and boys are rehearsing energetically and the show promises to be the best ever presented by the NBCA.

Norma Kline, producer and director of the show requests that anyone having the following items contact her at WE 5-2752: a khaki Marine uniform which will fit a 6-foot man, two garrison caps, overseas caps, khaki ties, Maracas and Tambourines. Mrs. Kline also is in need of a pianist who can read music and has had some band experience. If such a pianist would like to join in the fun of being in this show, please contact her.

Tickets are now on sale for the International Revue, and since the space is limited, it is suggested that tickets be purchased in advance. The sale of tickets started off briskly—get yours now from Ticket Chairman Mary Schreiber at WE 5-2038.

Protests Grow

(Continued from Page 1)
A year ago and the P. L. Andrews plant is now on the rear portion of the site.

It was learned this week that the new 300-unit garden apartment would be of split level design with the first story partially below ground level. The project is planned by the same people who built the Fairhaven Garden Apartments in the North West section, off 16th St.

MILLION ASSESSMENT
Fairhaven consists of 187 units which carries a tax valuation, it is reported of over \$700,000. The project proposed for Bethpage Rd., according to petitions, would add about a million dollars to the tax rolls.

John F. Toppetta this week told the Herald that he had sent a telegram to the Town Board, here, asking that the Board delay its decision pending investigation into the possible effect upon the local water supply and school housing situation.

Oscar K. Schlegel of 34 Seymour Lane sent the Herald a copy of a letter to Councilman Henry McInnes which read: "The proposed three-story garden apartments on Andrews and Bethpage Roads represent an inconceivable situation. How a development with a potential population of almost 1,000 can even be considered in such close proximity to Hicksville water district property, regardless of what the law may state or imply, is beyond my comprehension. Because of this obvious potential health hazard, I wish to go on record as being unalterably opposed to this impossible proposition."

CURRENT COMMENT:

School Board Moves Ahead

By Fred J. Noeth

HICKSVILLE SCHOOL BOARD met seven times during the month of July and as might be anticipated with the start of a new fiscal year found itself, early this month, confronted with a number of complex and urgent problems.

The School Board with four working trustees for most of the month, (Mrs. Sutton resigned and Joseph Cawley absent on vacation) has taped recordings of all its meetings, with the exception of the organizational meeting of July 3 when the decision of its recorded sessions was made. Despite the efforts of its detractors it has made remarkable strides.

The urgent matter of the Public Library construction has been acted upon and voters on Aug. 18 will be asked to appropriate another \$60,000 needed to cover the minimum bidding for this project. Construction of 36 urgently needed classroom units at a cost of less than \$700,000—compared with twice rejected permanent structures for almost double that amount of money—can move forward if the voters approve also on Aug. 18. The need for additional class spaces is almost universally agreed upon. Up to now, the issue has apparently been the cost and form construction. Take advantage of the School Board's offer and look at the semi-portable units this weekend or next (see page 1).

The detractors are hard at work, for reasons best known to themselves. Many of those who are kicking up a storm of phoney suspicious rumors and what not are the same people who only a few weeks ago were moaning that "bad publicity" was hampering the education of our children.

Let's give the School Board—all five members now in office—an opportunity to prove their ability or lack of it. They have made a good start and deserve at least the chance to show what they can do.

THE OLE TIMER REMEMBERS:

When Kiwanis Organized

When the Hicksville Kiwanis Club organized in the courthouse building, held its first luncheon meetings in the restaurant at Bway and Herzog Place which later became the Ayrcaft. Dr. Charles Masek, Jay Schwartz, George Loucks, late Dr. Walter F. Stillger, Leon Galloway, were among the charter members. . . . When the Silk Works next to the RR, off Duffy Ave., went up in flames. Henry Gebhardt was then chief of the fire dept. The concrete shell of the building stood, deserted for many years until Keystone Glass came along and rebuilt the building. . . . When a zone change was granted for an apartment house at the corner of Old Country Road and Newbridge. The apartments were never built, but years after the Centre Shops were erected on the corner. . . . When the Hicksville Business Men's Assoc. included among its most active members Curt Unverhau, Charles Beatty, William E. Koutsensky and others. And the time when the BMA issued coupons thru member stores which were redeemable for cash refunds or merchandise prizes. Somewhat like the present day rage for stamps. . . . When the A & P market stood at about the present-day location of Pagano Furniture, formerly Firestone's. And when the Daniel Reeves chain had a grocery store at the corner of Broadway and Nicholas, now the site of Peter and Wendy children's shop. And how about the Professional Building which was planned to house local doctors and dentists but never quite came to that. It stood half empty for many years until just before World War II when the aircraft plants began booming and new owners converted the four story building into smaller apartments. It is still known as the Professional Building. . . . When the Town Topics was published on Herzog Place (where Bowles Log Tavern now stands) with Tom Thatcher as editor and printer. It later moved to E. Barclay St. and then over to W. Cherry St. where Mid Island Body Works now operates.

20,400 Homes Get Town Service

SYOSSET—Another 720 homes in this community are being served with garbage and refuse collection thru the town sanitation dept., according to Chandler Henn, Service for the area bounded by Jackson Ave. on west, I.R.R. on north and Jericho Turnpike on south, began yesterday (Wednesday) bringing to 20,400 the number of homes in the township now being served.

Operation VFW

By HOWARD W. DARLING

The other day I received a very long letter from Phil and Al Wagenheim who are now residing at 49 Courtlands Ave., Hayes, Kent, England. Here are a few lines from the letter: "The day we did move into the house was cold and rainy. It was even colder in the house. We immediately lit a fire in the living room, and had a small electric heater going besides, but it was still cold. I found a hot water bottle and we took turns swishing it through our beds before we got into them. All this on the 11th of June."

"We enrolled the kids in school. They start next Monday. School isn't over here until July 26th."

"The country around here is very pretty, but no prettier than home. Al says hello to all the vets. He's been working two weeks now."

"The children are getting quite angelized too. Suzie calls candy 'sweets'. Al makes sure to pronounce his t's and Marjie spends the day calling Alfred an ass. Yes, we're becoming viddy viddy Bridgish."

So much for the time being. All of you fellows are invited to drop a line and say hello.

The outside grounds of our VFW Clubhouse look 100% im-

proved, thanks to Spike and Bob Obermeyer. The grass would look much better but Bob was cutting away and not clipping much off. It seems the lawnmower purchased was never set and it was cutting about five inches off the ground. Bob spent about an hour thinking he was mowing the lawn, and by the time it was finally set for action — Bob collapsed. He revived very quickly, thanks to the sudden downpour.

Commander Louis Klein wishes to thank all those who attended and assisted at the Annual Picnic. I understand the corn and franks were delicious. Everyone had such a good time that it was proposed at the last meeting, that the Post hold another within a few short weeks.

We had a guest drop in on us last Monday evening. He was none other than the commander of the Westbury Post. He is certainly doing a bang-up job as their commander. He gave Spike and myself quite a few good pointers which will be discussed at the next meeting.

While driving along the Northern Parkway recently, a car pulled next to me and I heard a "Hi there!" It was none other than the Esquire

William M. Gause Jr. Post Veterans of Foreign Wars

Fashion guy of the post, Chester Gwazark and his lovely bride to be. We miss him at meetings lately, but I guess he is busy making the final preparations.

A few of the very faithful members were conspicuously absent last Monday — they are: George Walden, Gene Iatropelli (arrived later), Frank Sutter, Louis Palladino, Louis Rowehl, Walter Ayden and Frank Mallett. Note to Walter: I'm ready for the clams whenever you say the word.

It was good seeing our old friend "Bap" Lawrence Healy at the recent showing of the 1956 World Series through the courtesy of his firm. The Post (male members only) were invited down to their plant in Newark for an inspection tour. Plans are now being made to accept the invitation with a stop over to visit some sick friends residing in Union City, New Jersey. I believe their name is Hudson.

I'm leaving for Ft. Eustis, Va., August 10th, to take up my Army Reserve Summer Field Training for two weeks. However I'll try to get another column printed before I leave.

Thought for the week: "Love your enemies, bless them that curse you. . . and pray for them which despitefully use you."

READER OPINION:

Charges Precipitate Action

By SOL ZIMMERMAN

To The Editor:

In February, 1956, Dr. Lamb, Supt. of Schools, with School Board approval, organized the Citizens' Building Committee to study the school building needs of U.F.S. District No. 17. The Committee was made up of representatives from various community organizations.

At the Board meeting held on July 6, 1956, Trustees Stendy, Elrich, Eaton and Carpenter took precipitate action. They moved to hold a public referendum on the construction of 36 temporary type classrooms at a cost of approximately \$700,000. The Building Committee which had been studying the problem was completely ignored. When several Committee members, who happened to be present, protested this gross insult to the Committee and the community, they were told that the Board was going ahead with its plan. Mr. Stendy made the ridiculous claim that if the Board acted immediately, the classrooms would be ready for occupancy this coming December.

Mr. Stendy should know that the temporaries now under construction were authorized by the taxpayers in March 1955. We are waiting to see if they will be ready in Sept. 1956, a year and a half later. The Lee Ave. temporary addition authorized at the same time, has not even been started. This project now requires additional funds. The cost of construction of temporary rooms has increased considerably. If we add to this the cost of relocation, higher maintenance and insurance costs and rapid rate of depreciation, it becomes apparent that serious thought should be given to making this addition a permanent structure.

At the Board meeting held Friday evening, July 20, the Citizens' Building Committee presented its report and recommendations to the School Board. On the following morning the Board acted on the report. It passed a resolution which stated that, after "long and serious" consideration, it was re-

jecting all the recommendations made in the report. The Board was going ahead with its original plan for the construction of 36 temporary classrooms. A Building Committee member, who was present was denied the opportunity to say a few words about the report. This was indeed a fitting reward for over 5 months of intensive work. There was not a single word of protest from the other three Board members who were recently elected on a platform of principles among which was the following: "Recognition and fair and reasonable opportunity to be heard to be given to all members of the public in attendance at School Board meetings."

The Board's behavior recalls to mind Candidate Carpenter's criticism of the old School Board Majority during the recent campaign. He deplored its "Eastern European" method of presenting referenda to the taxpayers. He referred to the lack of alternatives. Last Saturday, he did not object to the "Eastern European" referendum which the present Board, including himself, was presenting to the voters. The Building Committee report contained a plan, prepared by myself, whereby the District could have a sufficient number of solid, permanent classrooms for the elementary and secondary schools at only slightly more than the wooden temporaries will cost. The plan would enable us to get through all the peaks with no half-measures except in kindergarten. I am quite certain that after the community has had an opportunity to study this plan, that it will reject the temporaries on Aug. 18. 33 Sleepy Lane Hicksville, N. Y. July 25, 1956

Agrees With Us On Farley School

To The Editor:

My name is not for publication, but I just wanted to tell you that I think your suggestion to name the Jerusalem Ave. School after Miss Farley is a good idea.

Many of us will always remember Miss Farley as being associated with the old high school, not the new one. I think it is more fitting then to name that school for her.

Encore Benefit This Weekend

The Encore Theatre Group and their teen-aged dramatic group, The Teen Players, are now in their last week of rehearsal for their production of "The Emperor's New Clothes" which they will present at Levittown Hall on Friday and Saturday, Aug. 3 and 4. Curtain is at 7 p.m.

The play will be presented for the benefit of The Aces, a local team of the International Babe Ruth League, under the sponsorship of the Encore Theatre Group.

Exhibit Talent At Jones Beach

JONES BEACH—James J. Brady, son of Mr. and Mrs. Frank Brady, of 191 W. Marie St., Hicksville and Nancy Alink, daughter of Mr. and Mrs. John Alink of Bellmore, exhibited their talent in dance on skates, here, Sunday, July 29. James 18, and Nancy, 16, are New York State Bronze and United States Silver Medalists of 1956.

It was the first time the intra-dance was skated at this beach. The music was "Tango of the Drums."

Warren Chrzan Takes Bride

Miss Catherine Marie Bruce, daughter of Mr. and Mrs. George H. Bruce of Main St., East Setauket, and Edward Warren Chrzan, son of Mr. and Mrs. Joseph G. Wallis of 17 Fountain St., Hicksville, were married by the Rev. Arthur P. Herold, Saturday July 28th, at 12 noon, Nuptial Mass at St. James R. C. Church Setauket, N. Y.

The bride given in marriage by her father, wore a ballerina length gown of lace over embroidered nylon tulle, with a full skirt and elbow length sleeves and nylon mitts. Her French illusion veil fell from a crown of sequins. She carried a prayerbook with a white orchid.

Her maid of honor, Miss Jane Tumilowicz, a close friend of the bride, wore a gown of mint green lace over taffeta with matching headpiece and mitts. She carried yellow daisies with a yellow ribbon.

Miss Margaretha E. Haag, of East Setauket, was her bridesmaid, she wore a gown of maize tulle over satin, with a full skirt and matching mitts. Her veil was held in place by a small maize hat. She carried a bouquet of yellow daisies with a green ribbon.

Andrew J. Dolan of Brooklyn, was the best man.

The ushers were Robert G. Shepherd, of Ozone Park, a friend of the groom, Joseph W. Gollwits, brother of the groom.

The wedding reception was held at the American Legion Building, Setauket; after which the couple left for a trip to the west. After August 25th, they will reside at 87 Knickerbocker Rd. in Plainview.

The groom is a graduate of Hicksville High School and Virginia Polytechnic Institute, with a B.S. degree in Metallurgical Engineering. He was a 1st Lt. in Army Corps of Engineers, in World War II. He is employed at New York Naval Shipyard, Brooklyn, as a Foundry Metallurgist.

The bride is a graduate of Setauket High School and Suffolk County Business School in Patchogue. She was a secretary for Long Island Lighting Co. in Port Jefferson and has been transferred as a secretary to Long Island Lighting Co. in Hicksville.

The bride is a Red Cross Gray Lady Volunteer worker at the V. A. Hospital in Northport. She received 500 hour award for hospital volunteer work. She is a member of the choir of St. James R. C. Church.

WONDERFUL HOSTESS WAS SHE

Mrs. Margaret Kohn of 50 Pine St., Hicksville, gave a surprise shower party for Mrs. Vivia Walker of 42 Pine St., and a surprise it was. Over 18 Ladies were invited, and a complete supper was served from fruit to nuts. Pictures were taken and many beautiful gifts were received for the baby-to-be. All the Ladies had a wonderful time and a big credit was given to the hostess how it was planned so nicely and so surprisingly.

Miss Lehman Becomes Bride

Sylvia Lehman, daughter of Mrs. Adolph Lehman, of W. Nicholas St., Hicksville, was married Saturday, July 14, to David R. Woodward, son of Mr. and Mrs. Harry James, of Bayview Ave., Amityville. The ceremony took place at 4 P.M. at the Parkway Community Church with Rev. Goesslink officiating.

The bride given in marriage by her brother, John Lehman, wore a gown of white nylon tulle, and carried white roses and stephanotis. Her cousin, Miss Laura Christ was maid of honor. Miss Christ wore a street length gown of blue organza. She carried a bouquet of pink rosebuds.

The groom's brother, James Woodward of Amityville, was best man. John Wandell and George Lehman were ushers. Howard Christ, uncle of the bride sang "Perfect Love" and "The Lord's Prayer". Edward Herfort was at the organ.

The bride's mother wore a Dior blue taffeta princess style dress. The groom's mother wore a cream lace sheath. Both wore corsages of pink rosebuds and baby breath.

A reception for fifty guests was held on the lawn of the home of Mr. and Mrs. Walter Lehman in North Bellmore.

Mrs. Woodward is a graduate of Hofstra College. She is a social worker for the Nassau County Welfare Dept. Mr. Woodward after serving four years with the U. S. Navy is now studying at the L. I. A. & T. Institute at Farmingdale.

Out of town guests included Mr.

Biscuits in a hurry?
Cut them out with the methi divider from an ice cube tray. Separate at dividing line after baking.

Cakes stick to pans?
Try this: Keep on hand in your refrigerator a combination of one part flour and two parts shortening. Use to grease and flour your pans in one operation.

More and more younger homemakers are discovering the fun and satisfaction of creating their own batters and getting their hands in their own homemade dough.

This is partly because of the wonderful new kitchens they have to work in. These, in themselves are an inspiration.

But mostly it's because this younger generation of homemakers is so well informed about nutrition and what it takes to keep a family well fed and happy.

Oddly enough, the scientific facts that these younger homemakers have crammed into their pretty little heads have set them to turning out many of the same creations that their mothers and grandmothers put together before them. Like their mothers and grandmothers, too, they do their baking with unbleached flour. Heckers', naturally, because only Heckers' is unbleached.

Feel like giving on cake this week?
Here's a recipe for one you'll want to bake again and again.

Chocolate Walnut Loaf Cake

Ingredients: 2 squares unbleached chocolate, 1/2 cup shortening, 1 cup granulated sugar, 2 egg yolks, 1 1/4 cups sifted unbleached Heckers' flour, 1 teaspoon salt, 1 teaspoon soda, 1 cup sour milk or buttermilk, 1 teaspoon vanilla extract, 1/2 cup chopped walnuts.

Directions: Melt chocolate over hot water and set aside to cool slightly. Cream shortening and sugar together thoroughly, add unbeaten egg yolks and blend thoroughly. Blend in chocolate. Sift together flour, salt and soda; add to creamed mixture alternately with sour milk or buttermilk. Blend in vanilla and chopped nuts. Turn into greased 8" square pan or bread pan. Bake in 350 degree oven for 35-40 minutes. Cool. Frost with favorite icing.

That brings us down to the point where we just have room for one short recipe. But, depend on it, it's a good one.

Brownies

Ingredients: 2 1-ounce squares chocolate, 1/2 cup shortening, 1 cup sugar, 2 eggs well beaten, 1 tsp. vanilla, 1 1/2 cups sifted unbleached Heckers' flour, 1/2 tsp. salt, 1/2 cup pecans chopped.

Directions: Melt chocolate in top part of double boiler over hot water. Remove from heat. Add shortening, sugar, eggs and vanilla. Mix well. Add flour and salt and mix well. Pour into greased 9 x 9 inch pan. Sprinkle with nuts. Bake at 400 degrees F. for 15 to 18 minutes. Cut in squares. Makes 25 1 1/2 inch squares.

PUBLIC NOTICE
NOTICE IS HEREBY GIVEN that a Public Hearing will be held by the Town Board of the Town of Oyster Bay on Tuesday, August 14, 1956 at 10 o'clock A.M. (EDST) in the Hearing Room, Town Hall, Oyster Bay, N. Y., at which hearing citizens and parties interested will have an opportunity to be heard upon the following proposed amendments to the Building Zone Ordinance of the Town of Oyster Bay:

Amend Article VIII, Section F-1 and Article IX by adding a new subdivision 4a to read as follows: 4a. Motels when approved by the Town Board, as a special exception after a public hearing.

OUTDOOR WATER POOLS

Section 1. Coverage: In any residential district no outdoor water pool shall be constructed, erected or maintained unless in conformity with this Article.

Section 2. Definition: Outdoor Water Pools shall for the purpose of this Ordinance, be construed to mean any swimming pool, tank, depression or excavation in any material, dike or berm constructed, erected, excavated or maintained which will cause the retaining of water to a greater depth than 18 inches and having a larger plane surface area of water greater than 100 square feet, except such as shall hereinafter be excluded. The word Pool shall be construed to mean Outdoor Water Pool.

Section 3. Permits: Permits for the construction, erection, maintenance of such pool shall be issued by the Building Department and shall be subject to all applicable provisions of the Building Code of the Town of Oyster Bay, as amended, and of the Building Zone Ordinance of the Town of Oyster Bay, as amended.

Section 4. Materials of Construction: No pool shall be built, constructed or maintained except of materials having adequate strength to retain the water contained therein. They shall be designed in accordance with sound engineering practice and the applicant shall furnish complete plans, data and specifications to enable the building inspector to evaluate the structure.

Section 5. Water Disposal: Water overflowing from the pool and, when the pool is emptied, the water therefrom, shall be disposed of on the Owner's land and restrained from flowing on the land of any adjoining Property Owner or into any abutting street. The applicant shall show in his application the plan for the disposal of water.

Section 6. Fencing: A fence of adequate strength shall be provided to prevent accidental entry and unauthorized use of the pool. Such fencing may be erected so as to completely enclose the pool itself, or the particular yard in which the pool is situated, or the entire property.

Such fencing shall be constructed of chain link fabric not less than 4 feet high of number 11 gauge wire erected on a frame work of galvanized steel members as listed below, or other approved equal.

Line Posts: 1 5/8" O. D. (outside diameter) round posts or equivalent structural section. End and gate posts - 2" O. D. round posts or equivalent structural section.

LEGAL NOTICE

Top rail - 1 3/8" O. D. Pipe. All posts shall be set in concrete to a depth of 30 inches, 8-eight inches in diameter, spaced not over 10 feet apart. Gates to give entrance to the enclosure shall be locked whenever the pool shall be unattended.

If it is desired to fence the entire property rather than the pool alone or the particular yard, and some other type of fencing than that specified above is preferred, plans and specifications thereof may be submitted for the approval of the building department. In evaluating such request for approval, the Manager of the Building Department shall give due consideration to the adequacy and durability of the proposed fence to insure the safety and welfare of the general public.

Section 7. Exclusions: Excluded from the provisions of this Ordinance shall be outdoor ice skating rinks or surfaces of water used for ice skating, and water storage tanks when such tanks are completely enclosed by the principal material of their construction. Access door to the interior of such tanks shall be securely locked except when personally attended by a regular employee of the owner.

Section 8. Abandonment: Should the owner abandon the pool he shall arrange to remove the depression and return the surface of the ground to its original grade and approximately in the same condition as before the pool was constructed, and he shall further notify the building department of the abandonment so that an inspection of the site may be made and the records of the permit be marked accordingly.

Section 9. Size and Location: All pools shall comply with the requirements of the provisions of this ordinance applicable to accessory buildings, except that the yard area occupied by such pools shall not be included in computing the percentage of lot area permitted to be built upon.

Usual Dogfight In Softie League

HICKSVILLE — The Summer Playground Softball league race is getting to be the usual dogfight of the past eight years as the Perfect Line with a 4 and 1 record face Madden's Auto Body with a 3 and 2 record this Thursday for the league crown on the High School Softball field.

Amperex with three defeats has provided three upset wins with victories over Madden's Auto Body, New Castle Fuel and its latest victory over Perfect Line 10-2. New Castle Fuel assured itself of a play-off berth by coming from behind with a 7-run rally in the last half of the 9th inning to win 12-10 over Hicksville Lumber. Madden's Auto Body eliminated Fairway Farms from title consideration 6-2 and is now pressing Perfect Line. Hicksville Lumber returned to winning ways to defeat Nassau 10-6 and put itself in line for a possible play-off berth.

would not have been able to go except for the club's cooperation. At the left are A. Maas, Ed Jacquemin, H. Rider and Pat Dowling of the Kiwanis while Charles Edginton and Everett Smith check off the passengers at the bus entrance. (Herald photo by Frank Mallett).

CYO Ball Game 2-1 Thriller

HICKSVILLE — The crowds at the new high school diamond, Sunday, enjoyed the thrills and excitement of big league baseball when Sacred Heart of Bay Shore nosed out St. Ignatius 2-1 for the CYO Diocesan Championship of the Bantam League.

The two teams were evenly matched. St. Ignatius, as Nassau Champs for a third consecutive year, put up a good fight but Sacred Heart arose the victors. It was a pitcher's duel and the game went two extra innings but it didn't tire Al Ferrari or Neary.

The highlights of the game, were many, including Frankie Colletta who made a beautiful running dive for a hit that could have been a triple or home run; Chris

Colletta made a double and Vinnio Colletta scored the only St. Ignatius run on a hit by Billy Schiffmacker. Seems like the Colletta's ran the game but Skip Rottkamp managed to get hold of a fast grounder that could have meant the game.

Imbergamo, Sacred Heart short stop, robbed Rottkamp of a hit when he ran to centerfield and threw to first for a double play. O'Connell got the only triple in the game. The crowds enjoyed the afternoon of "big league" exhibition. They were held spellbound and breathless many times by the playing of the Nassau Champs, St. Ignatius, and the new Brooklyn Diocese champs, Sacred Heart. Ray Guckenberger and William

Schiffmacker, managers.

Farm Teams And Minors Play Off Championships

By GREG FRASER
HICKSVILLE — The International Little League winds up another successful season as the play-offs begin this week. The Farm teams Championship game between ALTMANS YANKEES

of the Northern Farms and JOHN-SONS TIGERS of the Southern Farms will be played Aug. 4 at 10 A.M. at Field No. 2, Lee Ave. School.

The Yankees clinched this division two weeks ago while the Tigers clinched theirs last Saturday. This should be a good game. If your boy is on one of these teams get out to this game and root for his team.

Hook-Ladder 6 Remains Unbeaten

HICKSVILLE — Hook and Ladder Co. 6 meets Hose Co. 2 this Sunday, Aug. 5, at Lee Ave. School grounds in the inter-company softball league of the fire dept. A week ago Sunday, Chemical Co. 3 and Emergency Co. 5 tangled to play off an earlier rained-out date when Hose Co. 4 asked for a new date for their scheduled game with Co. 3.

The boys of the Comical (oops, Chemical) Co. 3 had Deren Healey on the mound with Stellar Joseph Pollina behind home plate as they marched to a 23-5 victory over Company 5. Bob Watney was the losing pitcher with Bill Stoffel the losing catcher.

Fred Kluepfel made the catch of the day when he speared a long fly right off the fence in left field. Roger Brown made the base run of the day when he left home after Bill Stoffel put passed him at third to beat him back home.

Company 3, it was noted had some of its ex-members (namely John "Relaxing" Larkin and Guy Smith, now Hauxie's Boys) as base umpires. Whether this had any bearing on the final score is a matter which depends upon whom you discuss it with.

Joe Braun who said he had not played ball in ten years, did a good job on first for the Emergency boys. Walter Ericson did a good job on the scorebook for Co. 3.

The Emergency Co. said the score came out the way it did for two big reasons (1) John McGranahan had to go on a beach outing with his family and the team lost his services, and (2) the other top players of Co. 5 were exhausted from the game the previous weekend and could not make it two Sundays in a row.

Standings of the companies:

	W	L
Co. 6	4	0
Co. 3	3	1
Co. 4	2	1
Co. 5	2	2

LIRR Explains Double Signaling

(Continued from Page 1)

trucks down—it may be necessary to run an engine or another train up to the disabled one to assist it. But this can be done only on written instructions, and nothing could be safer than this sort of operation.

"Double-signal systems have been in use on several LIRR lines, as well as many other major railroads for a decade or more. There has never been any question of safety in the minds of the Interstate Commerce Commission, which approves all such installations.

"As for the safety of motorists and pedestrians, all grade crossings between Hicksville and Floral Park (there are none from Floral Park to Jamaica) are equipped with manual gates, automatic gates or flashing lights. All these gates and lights will operate for all trains traveling in either direction on either track. Thus, a motorist will be in no danger if he obeys the gate and light warnings.

"Pedestrians long have been warned by the railroad, by safety councils and by the police about crossing directly in front of or behind trains, and there is no reason why any pedestrian ever should be inside closed crossing gates or on the tracks while the lights are flashing. If these normal, common-sense precautions were observed, there would be no grade crossing accidents on Long Island or elsewhere.

"There has been no secrecy about the installation of double-signaling. It was talked about 10 or more years ago and has been an objective of the rehabilitation plan for many months. Thomas M. Goodfellow, LIRR president, has discussed it in speeches at dozens of points, including Bethpage, Syosset, Westbury and Hicksville. In the past year, full details were given in every daily and weekly newspaper,

and television stations and every news service and magazine that might be interested.

"There has been—and there is—no intention to conceal what we are quite proud to call a significant forward step in modern, progressive railroad-ing.

"We'll be happy to explain to any interested individuals or groups—at any time—just what the installation involves. We have no intention, however, of trying to sell this project. If the people of Hicksville should decide they don't want it, I feel sure we could find other uses for the \$750,000 we're trying to scaph together to bring them and residents of communities farther east, this improved service.

"Thanks again for this opportunity to clarify a misunderstanding which, if allowed to prevail, could have results I am sure the people of your area would regret," Schultz concluded.

Eichler Flies 325,000 Miles

HICKSVILLE — W. G. Eichler, local practicing architect, of 2 Chestnut St., here, has just completed a business trip to Puerto Rico where he visited several housing projects and inspected some of the most modern innovations being used on that island for the handling of concrete.

His trip included stops at: Ciudad Trujillo in the Dominican Republic, Port Au Prince, Haiti; Kingston and Montego Bay on the Isle of Jamaica; Camaguey and Havana on the Isle of Cuba Nueva; and Gerona on the Isle of Pines.

With 325,000 air miles to his credit, Eichler is probably one of the country's most traveled architects. His local practice includes many small private residences, alterations and commercial buildings.
