Approximately 20 other stores will open simultaneously with Gertz at the 110-acre regional center. A considerably larger number of additional stores will be completed in time for the official opening of Mid-Island itself, which is scheduled for Oct. 25.

When finished, Mid-Island, with its 1,000,000 square feet of selling space and parking for 8,000 cars at a time, will have a total of 130 stores. Well over 80 per cent have been leased, it is stated by Stackler & Frank, builder-owners.

Fire Threatens Furniture Store

HICKSVILLE—Prompt response by the volunteer firemen prevented extensive damage to Furniture Modes on Broadway at the RR crossing, Monday night at about 8:30. Fire broke out in the rear of the first floor of the furniture show room. At the time of the alarm, two committee meetings were taking place in the firehouse around the corner and as a result the ramps were on the scene with equipment in a matter of seconds. Assistant Chiefs Medard Ofenloch and Walter Werthessen directed the firemen. Damage was confined to a couple of pieces of furniture and a portion of the wooden ceiling.

50 YEARS BETWEEN PICTURES:

HALF CENTURY separates these two pictures of the main intersection in Hicksville, the corner of Broadway and Marie St., looking east on Marie St. The building on the left corner dates back to the days of Huettner's store, was the first location of the Long Island National Bank and later became a drug

store. The building on the right corner was the scene of a disastrous fire. Top picture, from an old post card by Frank Marrs, shows hitching posts for horses and only one vehicle. Today's view shows the influx of the horseless carriage, more poles to carry wires and the addition of a traffic signal.

HICKSVILLE—A poster contest open to children of all grades in the local schools with trophies as prizes was announced today by Fire Chief Lawrence Huttie as a feature of Fire Prevention Week. During the week of Oct. 7 to 14, uniformed firemen will visit the schools, talk to the students and show a timely motion picture film.

Details of the poster contest are being forwarded to all school principals, Huttie said. There will be a trophy awarded to each grade, from 1 thru 12. Schools are asked to select their best entries and forward them to the Fire Dept. not later than Oct. 8 for final judging.

CEDAR CLIFF HAPPENINGS

Watch Out For School Bus

By MARJORIE NASS
Wells 5-1553

I guess we were all happy to see the children go back to school. Once they are on the school bus we sort of can sit back and relax for a few minutes. The corner of Cliff Drive and Stanley St. is the bus stop in our neighborhood and its quite active during the day with the children. A reminder to the motorists to stop when a bus is picking up or discharging passengers. On the first day of school the driver had to call to a motorist who passed the bus.

Peter Penta of 41 Cliff Dr. celebrated his 5th birthday on Sept. 4 with a party for his friends in the back yard. His little guests included: Thomas Cauley, Andrew Gebbia, John and Allyson Byrne, Thomas Duffe, Billy Alonge, Rita Mandracchia and Peter's brother, Robert. After several games were played, ice cream, soda, cake and candy were served.

John McCloskey, Jr. of Sussex St. was 4 years old on Sept. 6. He entertained his playmates at his birthday party.

Happy birthday to Robert Langley who was 15 years old on Sept. 13 and to Marsha Collock who will be 3 years old on Sept. 21st. Congratulations to Mr. and Mrs. Phil Ranno of Beech St. who celebrated their wedding anniversary on Sept. 6th. Mr. and Mrs. Frank Kern who also celebrated their 6th wedding anniversary on Sept. 17th. Congratulations to Mr. and Mrs. Karl Fred of 6 Carroll St. who celebrated their 11th wedding anniversary on Sept. 16. Incidentally, Mrs. Fred is the den mother for the newly-formed Troop 259, Den 2. She took the boys on their first weenie roast at Bethpage State Park on Saturday, Sept. 8 and a good time was had by all. The boys are doing fine in their activities

Dear Jean:

The Hicksville Council of P-Tas was scheduled to hold its first meeting of the school year last night (Wednesday) at Lee Ave. School Library. ELERY BEAN and HAROLD ROBBINS were scheduled as speakers on the Adult Education course. LEONARD BRUMBY is chairman of the beach show committee for the 34th annual dog show at J. S. Phipps Polo Field, Old Westbury, this Sunday, opening at 9 AM with judging at about 6 PM. LOUISE MAYO, 34, of 46 W. Cherry St., Hicksville, a Nassau patrolman, suffered chest, black and leg injuries recently when his patrol car and another vehicle collided at Cedar Swamp and Wheatley Roads, Brookville. School Boards will have representatives at the fourth annual conference series at Hofstra College, starting Oct. 9. Six sessions are scheduled. HAROLD PHILLIPS of 25 Link Lane, Hicksville, is a member of the finance committee for the Waldorf School which is conducted on Adelphi campus. Five Hicksville firemen made their annual trek to Rome, New York, over the weekend. They included Ex-Chief PAPPY MASTERS, FRITZ BRAUN, LARRY REINHARDT, ED LAURITSEN and JOHN W. PODOLSKI. Leaving Friday night they were to return late Sunday. Ten to 15 stores will open in the Mid-Island Plaza on Oct. 12 with the remaining 45 in the first group set for a big splash of advertising and publicity on Oct. 24.

Good luck to the CHAS. MONTANAs who moved into their newly purchased home on the corner of Sunset Ave. and Miller Rd., Hicksville. They formerly lived on Center St., Hicksville. Also good luck to the ROBERT BOGARTs of Chestnut St., Hicksville, who are driving around in a new blue and black Buick. Have you tried the home-made apple strudel and home-made spaghetti on sale at Hicksville Farms? Both items are out of this world and are made by Mrs. JOE. She is some cook. We know because we have tried her home-made dishes before. We understand the McLAUGHLINs are all moved by this reading and are in their new home by Summit, N. J. JOYCE McLAUGHLIN spent the week-end as the guest of Miss LYNDIA NOETH, Twinlawn Ave., Hicksville. The WM. SMITHs and daughter Kathy, of Willoughby Ave., Hicksville, are at home now after a three-week trip to points of interest in Florida. They returned home just in time for Kathy to go back to school at St. Dominic's High.

Old Country Road P-Ta sponsors a food sale at the school next Thursday, Oct. 4, from 1 to 4 PM. Mrs. M. LEMMERMAN, chairman of ways and means, is in charge of the event. October is P-Ta month and all parents are urged to enroll in the unit of the school attended by their child. We see by the prints that a new organization is being headed by the leader of the defunct committee for decency in school elections. No press releases have reached our office. Circle 7 & Cable Cord, which has a plant at Locust Grove, has just received a four hundred thousand dollar order from Con Edison. The Girl Scout horse show for Mid-Island Council takes place this Saturday morning, Sept. 29, at 9 AM at Bethpage Riding and Polo Club. Mrs. GERTRUDE PAUL, horseback riding chairman for Hicksville area, extends a welcome to the public to witness this colorful event. WALTER A. LOONEY of Bethpage with a mark of 92.47 was third on the recent Civil Service exam for captain promotion. Brothers HAROLD E. (90.08) and JAMES G. (84.13) also were on the list. Playoffs for the Fire Dept. softball competition start this Sunday between Co. 6 and Co. 5 at the high school field. Hicksville vamps are making big plans for fire prevention week, Oct. 7 to 14, including poster contests for students.

A pair of bi-focal glasses were found on Miller Rd., near the Parkway Bridge. They may be had at the Herald office.

HARRY GOEBEL, chairman of Brotherhood Week next February, held a meeting of clergy and their representatives at his home on Monday night to plan for the observance. Work has started on the rebuilding of the RR Plaza parking area. Hicksville Fire Dept. ambulance which will be a year in service on Oct. 29 has covered 811 miles in the past 11 months and answered 62 calls of which 29 were heart cases.

School Trustee Pledges Support On Child Safety

By LIBBIE KOZMA

HICKSVILLE — School Board Trustee Arthur Elrich assured an assembly of about 350 people, gathered at Burns Ave. School, Thursday night for the year's first P-TA meeting, that the School Board is negotiating with Walter Stackler of Stackler and Frank for the closing of Prose, York and Windsor Sts.

The Board's primary concern in this problem of traffic flowing to and from the shopping area is for the safety of the children, said Elrich.

"We feel that complete safety can be accomplished only by complete closing off of these three streets," Elrich added, and to this end "the Board is being careful to approach the problem with diplomacy but with firmness." He appealed for a concerted effort to petition Stackler & Frank to close the streets in question.

Allen E. Davis, Jr., principal of Burns Ave. introduced his office staff and the teachers to the parents pointing out that whereas five years ago the faculty consisted of 13 teachers, it now numbers 46.

Mrs. Edward Kist, P-TA president, presented the officers and Executive Committee to the membership as follows: Vice President, Jean, Faichney; Corresponding Secretary, Peggy Daly; Treasurer, Louis Penque.

Committee chairmen for: Audio Visual, Kurt Maler; Hospitality, Olga

Parfrey and Olga Arnold; Membership, Alice Spinnella and Margaret Dierker; Newsletter, Libbie Kozma and Jean Faichney; Posters, Rosemary Betz; Program, Sue Schult and Gertrude Paul; Publicity, Libbie Kozma and Betty Pohl; Recreation, Nick Karamessinis and Tess Yarsinski; Refreshment, Yetta Testagrose and Chris Albers; Safety, Kurt Maler and Nettie Kapsol; School Education, William Vocum and Marie Piesel; School Problems, Kurt Pohl; Ways and Means, Margaret Gregg and Sylvia Gorlin.

Among the recommendations proposed by Mrs. Kist and passed by the membership was one to change the meeting night from the third to the second Thursday of the month for the same evening.

Mrs. Paul introduced Miss Mabel Farley, newly-elected School Trustee, who explained that "The School's Aim for Our Children" is to develop each student's maximum potential. In today's complex world, Miss Farley said, we have increased need not only for the basic skills but also for the social ones of listening, discussing, evaluating, etc.

Ast. Super. of Schools, Donald Abt, in restating the basic philosophy of the educational system stressed that in order to live each individual must have "certain knowledge, skills, habits and attitudes." The teacher is subjective in meeting these needs. The administrator "is more objective in his approach to the child; he must give substance to the teacher's subjectivity."

From Kindergarten through the elementary grades, explained Mr. Abt, the child graduates from constant parental supervision and begins learning his tool subjects.

At Junior High comes the "age of liberation," marked by great activity and appetite, where the child breaks away from his family. Here, said Mr. Abt, the administrative emphasis is on personal guidance.

Woodland P-TA Arranges Activities For New Season

The first regular meeting of the Woodland Ave. School Parent-Teacher Assoc. of Hicksville took place on Tuesday, September 18, in the auditorium of the school.

The President, Alexander Weill, presided and introduced the new officers and committee chairman for the year 1956-1957. He spoke briefly about the three special events which will take place this year.

The first, A Fall Festival, will be a family affair and will take place on Saturday, Oct. 27 from 10 a.m. to 3 p.m. in the school. There will be a Peanut Circus for the children and all sorts of things for the parents and friends to look at and purchase.

There will be booths for foods (home-made cakes, cookies, sauces, and whatever else may be a specialty in the kitchen), plants of all varieties, hand-made aprons etc., books, and of course, a white elephant. To complete the day, all sorts of refreshments will be sold.

The second event will be a Valentine's Dance for the parents. It will be held on Saturday, Feb. 16; further plans to be announced as the arrangements are completed. The third event will be a Children's Movie to be held on Saturday, March 4 in the school. There will be two showings, 10:15 a.m. and 1:15 p.m. The title of the film will be announced at a later date.

Mrs. A. Chameides, Health and Mental Health chairman, asked the co-operation of the parents in returning the children's health slips to the school nurse, Miss J. Fitzpatrick. She stressed the importance of a yearly health check-up of the children.

The program Chairman, Mrs. J. Hoffman, then turned the meeting over to Principal James Walters who gave a summary of the activities which took place at the School District Summer Playground. There were 655 children who partook of the events. He expressed his pride in the teen-agers who came to the school during summer vacation to learn and to

help with the children. He then introduced the 20 new teaching staff members who were presented with corsages by Mrs. H. Dranoff and Mrs. J. Kelley of the Hospitality Committee.

The speaker for the evening was introduced by Mr. Walters, James Earle, Speech Therapist of the School District said that interested parents make his job much easier. He told the parents that he will be at Woodland Ave. School every Wednesday afternoon and he would be pleased to see any parent who may have a child with a speech or hearing problem.

The meeting was attended by approximately 300 parents. The next regular meeting will take place on Oct. 16 at 8:15 p.m. sharp "Learning Together About Our Children" will be the theme for the evening.

What the effect of Mid-Island will be upon the present business centre of Hicksville will only be known after the Plaza is in operation for a time. We believe that in the long-term appraisal, it will be found that Mid-Island is a universal advantage to Hicksville and its citizens.

On Nov. 17, in the Post Clubhouse, 3211 will hold one of its most important social affairs of the year. The arrangements Chairman Lester Iche, promises an evening long to be remembered. Tickets are now available fellows, so get them early. Remember that date.

b. It will be optional with each bidder to provide a combination bid for all six (6) schools in the space provided on the Form of Bid or each combination bid with a breakdown for each school as shown on the Form of Bid.

4—Bidders are cautioned that there is included in the project specifications an allowance which must be included in the lump sum contract price for certain pre-fabricated steel reinforcement.

For all you members who missed the last regular meeting, you really missed a sight for sore eyes. Our good friend and comrade "Spike" Frohnhoefer, is evidently trying to start something new in the Hat Fashion Department because he came to the meeting in a hat that most of us wouldn't wear to a dog show. I don't know yet what one would call it but it has the earmarks of a VFW cap.

The Cash, Certified Check, or Bid Bonds of all except the three lowest formal bidders will be returned within seven (7) days after the opening of bids, while the remaining Cash, Certified Checks or Bid Bonds will be returned when the Board of Education has approved the executed Contract or rejected all bids.

By HOWARD FINNEGAN

Three fumbles inside the East Meadow five yard stripe prevented Hicksville High from making an impressive gridiron debut, Saturday, but the 13-18 deadlock marks a good start for the Orange and Black.

The largest opening day crowd, 1,270 paid, in Orange history watched a strictly running game. True, East Meadow did use a second period 26-yard aerial for a TD but the rest of the match was designed to tear up the turf.

Leading the Hicksville assault was Senior halfback John Roberts who ate off 177 yards of the 287 the Comets picked up on the ground.

Coach Howard Bowers tabbed this boy right in the three short weeks of practice and sprung him nicely for his T-formation elub. On the third play of the contest it was a dart over right tackle and into the secondary where he simply outraced two defenders some 57 yards for a score.

He scored Hicksville's second six-pointer from the five yard mark and swept wide for the crucial extra point.

The visitors chalked up 227 yards rushing and thanks to a time consuming 80-yard advance in the fourth period, after a Comet fumble on their own two, took first down honors 13-12.

Hicksville came out of this contest in fine physical shape except for a pulled muscle by Dick Stillman. That forced his withdrawal and hindered the Comets in the late stages.

Quarterback Joe Naso threw only three passes, none of which were complete. Two were dead on the target, but muffed. He was left almost on his own by Bowers and called a well rounded contest. He assigned the fleet Roberts at just the right points and got Vic Sahadachy away on some long gainers.

For the first test under actual fire this very young club responded favorably. Arch foe Oyster Bay invades the Comet field this week-end bent on repeating last year's verdict.

It will be HICKSVILLE 21, OYSTER BAY 18.

In the uplifting sports picture at Hicksville High, tennis commanded high attention this week following the Comets determined stand against Sea Cliff in the opening round of the North Shore Athletic League Fall Tournament.

Fresh in action for the first time on a varsity level, the Comets fought tenaciously to upset number one ranked Sea Cliff before bowing 3-2.

Alex Althasen pressed Alan Schwartz but the veteran Cliffman survived in the first singles match 6-3, 8-6. Ted Tuchsien went down 6-4, 6-3 to Douglas Hoyt.

Both were good matches but Paul Scalzetti reversed the trend by stopping Robert Clarke 6-4, 6-4. The tension mounted when Dave Sailor and Mike Uss evened the match with a 6-4, 6-3 doubles triumph.

In the deciding fray Pierre Swick and Don Kerbs pressed Douglas Elston and Ted Illston 6-3 and

THIS IS WHERE TOMORROW STARTS

A new "inner car" gives you a NEW KIND of FORD for 1957!

Coming October 3rd.

On Wednesday, October 3rd, Ford Dealers throughout the United States will unveil a new kind of automobile!

Cars are involved in every American's life. News of a new kind of car is the biggest kind of news to millions of Americans.

The Big New Kind of Ford is that kind of news... a car totally new in design from crest to trunk lock.

This completely new automotive package will sell at the traditionally low Ford prices.

This makes possible a new high standard of such honest-to-goodness value that it actually increases the purchasing power of your automobile dollar.

When you see it, other cars will look out of date, because...

This is Where Tomorrow Starts... with a Big New Kind of Ford!

The New Kind of Ford is the fullest, most eloquent expression of Ford's special personality—the youthful grace, the whiplash action—and the reputation for durability known wherever there's a road.

To all this we have added true elegance—a kind of elegance never before seen in the low-price field. To make a car truly elegant, you must start deep-down inside.

The New Inner Ford

The Inner Ford—the car you cannot see—is a very remarkable structure. Its frame is actually a cradle. Side members extend almost the full body width; they serve not only as supporting members but as concealed side bumpers of immense strength.

The New Ford Body

The new Ford body is a triumph of engineering in steel. The doors close with the solid finality of a bank vault. Even the door-lock button has been moved up front—easier for you to reach, but out of the children's reach.

All these features were engineered to give you a solid new kind of comfort.

The New Ford Ride

The New Kind of Ford sits six people as no other low-priced car has ever sat them

—six elbows wide in each seat, with deep space around each one of six knees. And above all that space, there's hat room to spare for all six passengers.

The 1957 Ford rides low, solid, with a firm, deep road-holding feel. Yet it's a light-hearted, slight-hearted ride—this car is responsive, nimble, agile, with a proud easy movement.

The New Ford Choice

Ford offers not only one, but two sizes of cars... each on its own extended wheelbase... each with its own body shell... each with its own styling.

First, the two Fairlane Series on a 118-inch wheelbase. The Fairlane 500's come in 5 body types, a four-door sedan, a two-door sedan, a two- and four-door Victoria with no center pillars, and a convertible coupe. The same body types (except for the convertible) are available in the Fairlane Series.

Second, two Custom Series mounted on the 116-inch wheelbase chassis. In the Custom 300 Series, a four-door and a two-door sedan are distinguished from the Custom models by more luxurious inte-

riors and elaborate trim. The Custom Series also includes a Business Sedan.

Beyond all these, you also have your choice of five Station Wagons—the famous glamour cruisers that are the champions in this field!

The New Ford Look

That low, low cradle-span frame means a low, low car. The Fairlane 500 is only four feet eight inches from road to roof! The Custom is just over four feet nine inches!

The new Ford is not only low—but long. Ford gives you more than 17 feet of elegant length in the Fairlane Series, a shade less in the Custom. It's a nice kind of fun just to look at it. It's high-priced in every way except price.

The New Ford Performance

You can have up to 245 wonderful Thunderbird horsepower in any Ford model. There's a moderate—and really moderate—extra charge for this engine of 312 cubic inches with its 4-barrel carburetor.

For "Six" lovers, we've got the 144-hp Mileage Maker Six. Whether you choose Six or V-8, the going is great!

Here is where your own tomorrow starts

It starts at your Ford Dealer's showroom! The cars will be there on Wednesday, October 3.

These are the best Fords of our lives. They are the first symbols out of Detroit of the new automotive age that is beginning for you.

This is where tomorrow starts—at your Ford Dealer's.

This is when your tomorrow starts—October 3rd.

Come in and see us for the Big New Kind of Ford!

10-8. The Cliffmen's favorite role remained in tact when they broke service in the 17th game and held.

This match stimulated interest and coach Louis Crandell has a big sped. Rounding out the varsity are Louis Troloca, Harvey Oltisky, Alan Schilling and Ted Luchran.

Playing hard in intra-murals are a group of sophomores who are trying to move up for a berth in one of the 13-match varsity schedule. They are William Gobel, Philip Oakley, Philip Lomenzo, Henry Lichtenstein and Arthur Isakson.

Competing in the Junior High division are Steve Backman, Fred Ball, Bill Canhan, Henry Cohen, Joseph Funkel, Frank Mayer and Fred Hamilton. Also Jack Hansen, Robert Heiss, Jerry Heiss, Larry Landow, Philip Leonard, Arthur Sadlo, Otis Turney, Bill Ward, Richard Whalen and Ted Heysa.

Hickville will field its first soccer team in history next week when coach John Mazur sends his kickers against Locust Valley on the home green.

The sport is being introduced on the Junior High level so as to build it up by degrees. Response has been high. Twenty-three players have already been outfitted with a dozen or more just waiting for suits.

The Hicksville High band, marching and playing very smartly, must be short of uniforms also since it performed at the East Meadow contest in open collar white shirts.

This year the band will play at all Comet games and there are hopes that it will enlarge to about 75 members next season.

The taunts of East Meadow supporters about the sorry condition of the new Hicksville High track cut sharply. Two foot high weeds abound all over the place and the grass and weeds intermixed with the shrubbery near the school did cause a little shame!

The picks for the week-end:

Carle Place 14, Roslyn 16; East Meadow 14, Wantagh 7; Island Trees 26, East Rock 0; Freeport 17, Hempstead 7; Westbury 40, Farmingdale 12; Garden City 13, South Side 9; Glen Cove 14, Greenvale 6; Oceanside 34, Levittown 0; Long Beach 20, Hewlett 6; Malverne 0, West Hemp. 0; Lyn-

Jackets Open This Sunday

By ELWOOD S. KENT, SR.

HICKSVILLE—Expertly primed physically and mentally by an able coaching staff, the Yellow Jackets of St. Ignatius open their football season at the Junior High School, Sunday afternoon. Plenty of razzle dazzle is expected to be unveiled by Head Coach Bowler.

Vice President James Hood personally supervised the weighing in of the North Division of the Mid-get League Sunday at St. Ignatius

School basement. St. Ignatius, Levittown, Syoset, Manhasset, Locust Valley, Glen Cove, East Norwich and Westbury tested the scales. About 300 boys were checked for age, weight and general condition.

Basketball players are urged to get out and register this Saturday, 9 to 12, at the Confraternity Bldg. on Bway. Boys 11 and older should make a special effort to insure their place in basketball play.

Internationals Elect Officers

HICKSVILLE — The International League held its annual election of officers on Tuesday evening, Sept. 18. The membership present to vote at the meeting expressed regret that there was not a larger number of members present for the occasion.

It was considered inadvisable to postpone the voting, however, as there was much work ahead for the new officers.

Results of the election were as follows: President, Herbert Backman; Vice Pres., Majors, Howard Hamm; Vice Pres., Minors, Ray Cammarata; Vice Pres., No. Farm Div., Don Giles; Vice Pres. So. Farm Div., Ruppert Meyers; Secretary, Gregory Fraser; and Treasurer, Sol Ferrugia.

Before adjourning the meeting everyone present expressed their appreciation to last year's officers for the excellent job they did on behalf of the International League.

A joint meeting of the officials of last year and the new officials was held Tuesday evening at the home of Herb Backman.
