## Turn Down Garden Apts

OYSTER BAY—The application for permission to erect garden apartments on the former Schwamb farm on Bethpage Rd. at Andrews Rd., presently zoned for industrial use, has been turned down by the Town Board, it was learned today. The decision of the Board took notice of the vigorous opposition registered by people of the community and the possibility of danger to the community water supply. The site is next to three wells of the Hicksville Water District. The Board action took place on Thursday.

## Msgr Wunsch Was Pastor Here

RIDGEWOOD—A solemn mass of requiem for Msgr. Francis X. Wunsch, 77, pastor of St. Matthias Catholic Church, here, was sung Tuesday morning. Msgr. Wunsch, who was a priest for 52 years, is remembered as the pastor of St. Ignatius Loyola R. C. Church in Hicksville from 1923 to 1931. Leaving Hicksville he became pastor of St. Fidelis Church until 1944 when he became pastor of St. Matthias.

Celebrant of the mass was the Rev. Francis X. Bintener, his nephew, who is assistant pastor of St. Margaret's Church, Middle Village. Deacon of the mass was the Rev. Joseph W. Hack, who was Msgr. Wunsch's assistant at St. Ignatius; sub-deacon, the Rev. William J. Osborne and preacher the Rt. Rev. Msgr. Herman J. Pfeifer.

Msgr. Wunsch leaves his two sisters, Anna Wunsch and Mrs. Frances Bintener, both of Hicksville, in addition to his nephew. He was the sixth pastor of St. Ignatius Loyola, succeeding the late Rev. Lawrence Fuchs. When he took up his pastoral duties in Hicksville, the new St. Ignatius School had just been completed and received its first pupils. Eight years later, his last official function as pastor at Hicksville was to award diplomas to those same tots who began their studies in the new school. He was succeeded by the present pastor, Rt. Rev. Msgr. George M. Bittermann, VF.

## Health Dept Orders Chlorine Dose

HICKSVILLE—Current dosage of the water supply with chlorine is being done in accordance with the directions and under the supervision of the Nassau County Health Dept., it was explained last night by a member of the Board of Water Commissioners who added "I don't like the taste any better than you do." Many housewives have complained that the strong odor of the water is discouraging drinking.

## Plainview, Hicks Compete Oct 14

HICKSVILLE—The annual efficiency contest between this community and Plainview will have its third running on Sunday afternoon, Oct. 14, on Andrews Rd. The competition originally began as a drill between Plainview and Emergency Co. 5. This year the contest has been opened to the entire local department. Plainview now has possession of the annual trophy which they have won twice.

## Cisler Given Testimonial Dinner

HICKSVILLE—More than 150 persons attended the testimonial dinner given in honor of William A. Cisler at Guy Lombardo's East Point House, Freeport, Sept. 25. Cisler has been a local resident for 30 years and has long been active in community and political affairs. He is a member of the 25-year club of the Long Island Lighting Co.

The dinner was given by the Democratic Club. President H. Fleming Harding presided with Robert J. Connolly as toastmaster. There were remarks by Lawrence McKeown, county Democratic chairman; John F. Toppeta, local Democratic leader; and Frank J. O'Connor, Queens County district attorney.

Responding to the speeches, Cisler said "for the first time I am at a loss for words."

## Kids To Ride Motor Stairs Here

HICKSVILLE—Long Island children are in for some solid fun and festivities this Saturday, Oct. 6, at an "Ups 'N Downs" preview party sponsored by the newest Gertz store at Mid-Island Shopping Plaza, here.

Gertz, a six-story building, will officially open on Oct. 12. But Gertz officials decided that they would like the younger set to be their guests before the opening.

Children of all ages are being invited to attend the "Ups 'N Downs" party, which will be held continuously from 1 to 4 PM at the new store. Feature of the affair will be a ride up and down the brand new motor stairs, entertainment, music and refreshments.

Prior to making each test run, store officials will explain to groups of children the nine points of safety in riding the motor stairs. After completing the trip up and down, each youngster will receive a membership card in Gertz' Test Pilot's Club, along with Test Pilot wings.

ARRANGE TRIAL TIL NOV 30:

# Plaza Builders And Board Agree On Closing Streets

HICKSVILLE—With the opening of the first stores in the huge Mid-Island Shopping Plaza on the former St. John's Orphanage property off North Broadway scheduled for the coming week, the Board of Education worked out a trial agreement with Stackler & Frank to reduce traffic movement in the vicinity of Burns Ave. School. Meanwhile, the Burns Ave. P-TA executive committee adopted a resolution demanding that Proje, York and Windsor Streets, which connect the north west corner of the Plaza parking field with Burns Ave., be closed.

School Board President Emil J. Szendy disclosed yesterday that Stackler & Frank have agreed to the temporary trial arrangement worked out with the Board, Friday night. Walter Stackler was present at the meeting and took part in a lengthy discussion of the question.

The agreement with Stackler & Frank, scheduled to be effective until Nov. 30, will permit the builders of the shopping plaza to gain access—for an entrance and exit—thru a section of school district property in the rear of Burns Ave. School. Stackler & Frank plans to build a roadway from their parking field, directly to West John St.

In addition, the builders will close Proje, York and Windsor Streets each weekday until 5 PM and until 1 PM on Saturdays.

### PTA ON RECORD

According to Mrs. Edward Kist, president of Burns Ave. P-TA, a strong resolution of protest on the opening of the streets has been adopted and "copies will be sent to the Town of Oyster Bay, the School Board, Stackler & Frank and to all tenants who will occupy the shopping centre."

Sol Zimmerman of 33 Sleepy Lane in a news release to the Herald claimed the taxpayers of Hicksville "may be headed for the short end of a business deal" in present arrangements between the builder and School Board.

"In view of the obvious danger to the school children," he wrote, "it is not clear why the officials of

## Hall to Attend Franke Dinner

GARDEN CITY—Leonard W. Hall, chairman of the Republican National Committee, is expected to be present among the distinguished guests at the Hicksville Lions Club testimonial dinner in honor of County Clerk Ernest F. Franke at the Garden City Hotel this Saturday night, according to Robert E. Coreoran, general chairman in charge of arrangements. In view of Mr. Hall's close schedule, diners are being reminded of the prompt starting hour of the program at 7:30 P.M.

Franke is being honored by the Lions Club for his many years of public-spirited civic activity in his home town of Hicksville. The affair has been sold-out for weeks, according to Ticket and Seating Chairman Lawrence McCaffrey.

Michael J. Sullivan, Oyster Bay Town Attorney, will be master of ceremonies at the dinner. Principal speaker of the evening will be Henry G. Eisenmann, long-time personal friend of the guest of honor. Eisenmann and Franke were boy-hood pals in Hicksville and have been neighbors on Field Ave. for many years.

John A. Petrone is president of the Lions Club.

## Hold Galloway Dinner Oct. 10

HICKSVILLE—The Civic and Community Assoc. will give a dinner in honor of Leon Galloway, high school principal and former officer of the Assoc. at Frank's Alibi Restaurant next Wednesday evening, Oct. 10, according to President William L. Geyer. Those attending are asked to make arrangements not later than tomorrow (Friday).

GERTZ six-story department store in the Mid-Island Shopping Plaza is scheduled to have its official opening on Friday, Oct. 12. About a dozen other stores will open at the same time, including J. J. Newberry. The "grand opening" of the Plaza is scheduled for two weeks later.

NASSAU MALL one of the two intersecting promenades of the Mid-Island Shopping Centre where only pedestrian traffic will move between the stores. Beneath this mall is the truck tunnel which will be used in making deliveries of merchandise. Hicksville volunteer firemen were studying the problems of fire fighting in the big Centre this week. Assistant Chief Medard Ofenlock told members of Co. 5, which is stationed nearest the centre, that the malls are too narrow to permit passage of fire trucks and that in event of emergency the probable location of trouble would be in the truck tunnel.

LEON GALLOWAY (at left), principal of Hicksville High School and Chief Munson S. Dorais of the Navy Recruiting station in Hempstead, join forces in urging Richard J. Metzelaar, son of Mr. and Mrs. John F. Metzelaar of 7 Link Lane, Hicksville, to apply for a Navy Scholarship program. The program offers full tuition scholarships at 52 major colleges and universities throughout the country. Applications for the program must be received at Princeton, N. J., before Nov. 17 and the examination takes place Dec. 8 at Jamaica. Applications are available in the guidance office of Hicksville High and at the Navy Recruiting station in Hempstead. # Echoes of Vacation Travels

By RUTH CONTI

I hope that everyone had a very nice summer and enjoyed themselves. It doesn't seem possible that winter is almost upon us. Now is the time of year though to take trips in the car for the sole purpose of enjoying the fall scenery. I think it is so beautiful to see all the different color leaves on the trees and foliage at this time of the year.

If anyone is interested in taking a little longer trip I would recommend their going upstate. Did you know that there is a shrine to "Our Lady of Lourdes" in West Lebanon, N.Y.? We saw it this summer and it was so beautiful. There are many historic spots of interest all through New York State.

Another interesting sight we saw was the site of the First Free Public Library in Lebanon Springs, N.Y. It was established March 12, 1864 by Dr. Jesse Torres, Father of the Public Library Movement of America. The library that is now there is in a very old building and it is called the Joseph Hooper Free Library.

While up in Lebanon Springs, N.Y. we also saw a drinking fountain right in the middle of town which has an Indian statue with the Indian cupping his hands and the water pouring out between his hands. People come from miles around with jugs, bottles, containers just to get some of this water which has a chemical in it that is supposed to be very good for everyone. The placard on the fountain says "Hereabouts the Indian taught the white man the curative properties of this water. This sign was put there by the Lebanon Valley Garden Club for the benefit of mankind 1940". I thought that some of my readers might be interested in some of the above facts.

Now to get down to all the events that went on while we were away and since we came back.

A wonderful time was had by all the people who attended the Democratic Club dinner for "Bill Ciesler". The music by Tom Maloney's orchestra "The Trinitones" was excellent at usual and the place Guy Lombardo's East Point House in Freeport was very beautiful.

John Toppetta gave a beautiful watch to Bill Ciesler from all of his friends. Larry McKeown, Chairman of the Democratic Committee made a very nice speech as did H. Fleming Harding, President of the Hicksville Democratic Club, Robert J. Connolly, Toast master, and John Toppetta, Leader 4th Zone, 4th A.D.

The speech that I enjoyed the most and so did everyone I believe was that given by the guest speaker, Frank J. O'Connor, District Attorney of Queens County. One of the cases that District Attorney Frank J. O'Connor was prominent in counsel for the defense has become famous and I understand that a movie called "The Wrong Man" has been made from the facts gathered during this case. I won't tell you any more than this because I think you will enjoy the picture more if I don't give away the whole plot.

Our congratulations go to Helen and John Hare of 5 Croyden Lane who became the parents of a son Michael John Hare born July 4th at Nassau Hospital. He weighed in at 6 lbs. 4 ounces and his two brothers Jackie and Jimmie were very happy to welcome him home. We would also like to say how happy we are to welcome Mr. and Mrs. Maltese and their family who moved into 7 Hastings Lane a month ago from New Jersey.

There have been quite a few birthdays so I will try to catch up with them. Pat and Pam, De John of 25 Croyden Lane were three years old on Sept. 23rd. We were happy to see their mother, Rita come home from the hospital as I know all her neighbors and friends missed her. Joan De John celebrated her 14th birthday on Sept. 30th. Happy Birthday Joanie.

Stephen Lack of 13 Amherst Road was 12 years old on Sept. 2nd and celebrated with his friends and relatives with a small party at his home. Barbara Howard of 66 Fordham Avenue was four years old on Sept. 3rd and had a small party at her home. Selma Notov of Amherst Road will celebrate her birthday on Oct. 4th and Mrs. Eleanor Tuckfield of Amherst Road will celebrate her birthday on Oct. 24th. My own daughter Janine will be 3 years old on Oct. 16th and her brother Anthony will be 9 years old on Oct. 28th. We will probably have a Halloween party for the two of them at that time.

Caristine Sumaza of 1 Valley Court will be 7 years old on Oct. 8th. Janet Erickson of 5 Plover Lane was 2 years old on Sept. 13th. John Austin Samuelson of 31 Croyden Lane will be 2 years old on Oct. 19th. Robert Tyman of 18 Fox Lane was one year old on Sept. 13th. Happy Birthday to all of you and may you have many many more of them. Anniversary congratulations go to Mr. and Mrs. Leo Sherman of 18 Edgewood Drive who will celebrate their 17th wedding anniversary on Sept. 10th.

We were also very glad to see William Salvador of 32 Croyden Lane return from the hospital and (Please turn to Page 8)

**HICKSVILLE** — Three new election districts have been established on the north side of the community, effective Oct. 1. A large scale map showing all districts will be on display at the Herald office. The 118th District with John E. Lally of 855 Richard Ave. and Frank Myers of 163 Princess St. as Republican committeemen is being created out of the 44th District. Gruenwald of 32 Violet Ave., and Leslie Whyte of 20 Primrose St. In the 44th district are John Jeanson of 240 No. Bway and Joseph M. McNamara of 70 Meyers Ave. Clifford Place and Leroy Wells are committeemen in the 16th. A new 15th has also been cut out of the 57th District, embracing largely Woodbury Gardens.

### Plaza Builders

(Continued from Page 1)

the town of Oyster Bay will not, officially and permanently close these streets. Even if no satisfactory alternative existed it would still be the duty of the Town Board to do this in order to protect life and limb. The Right of Eminent Domain could and should be used to subordinate private enterprise to the public good.

Town officials have pointed out that the Township has no legal right to "close" the three streets since there are residences and other private property owners on the streets. Only thru abandonment of the streets, which would require the consent of the persons now residing on these short streets, could the roads be closed, and in that case the residents would surrender all rights to street maintenance, snow removal, etc.

#### JOHNSEN PRESENT

Herbert Johnsen, member of the North West Civic Assoc., was present at the Board meeting, Friday, and also took part in a separate conference held by the School Board Safety Committee of Robert Eaton, Arthur L. Elrich, Mabel Farley and Elwood Kent with Stackler on the problem the same evening.

Johnsen said he personally felt the proposed trial period with the "closing" of the streets until 5 each day and until 1 on Saturdays would meet with the general approval of the neighborhood although he was not prepared to speak for the entire North West section.

A formal agreement covering the use of a "freeway" thru the school property and the closing of the three streets as indicated is being prepared by School Attorney Harry Goebel at the direction of the Board.

Stackler informed the Board that the leases signed by his tenants specifies the various entrances and exits of the parking field and for him and his partner to permanently close any street egress or ingress would require the concurrence of all tenants and a change in all leases.

Eventually the section of Burns Ave. school property may be "exchanged" with another portion in the area owned by Stackler & Frank, subject to a referendum of the school district.

Mrs. Wallace Rooney reported on the progress of the Cookbook project and enlisted the aid of volunteers in its compilation; Mrs. Joseph Carvo, Program Chairman, announced the program for Oct. 4th—Dr. Wexner on "Reading"—and stressed the importance of a good attendance to hear this excellent authority speak on this vital and interesting subject.

Mrs. McNamee read a report, prepared by Mrs. Charles Melone, Pres. of the School Board, on "Recreation" as it affects District 21 budget. At this point, Dr. Morton Thompson, new Director of Recreation for Bethpage schools, was introduced and gave a report on the school-sponsored recreation program planned for the year. Mrs. Thomas Foy, President, then installed Miss Mary Quinn, Principal of the Powell Ave. School, as 2nd Vice President of the Powell Ave. PTA.

As the program for the evening, Mrs. Carvo presented Miss Quinn who in turn introduced all the teachers. Refreshments were served in a congenial parent-teacher atmosphere.

## Terms Mounting Taxes 'Octopus'

Mounting school taxes were termed a "financial octopus" recently by Robert J. Connolly, candidate for the State Assembly, in a speech before the Bethpage Democratic Club.

Calling for a bold approach to the question of school taxes in the Townships, Connolly suggested a consolidation of school districts.

The continued overlapping of legal fees, purchasing agents, school buildings, supervisors, architect's fees, engineers' fees, bond issues, etc., can be eliminated, he said, by a consolidation, thereby resulting in a tremendous saving to the taxpayer.

Connolly said that as a practicing attorney he can show that there has been a sharp increase in the number of resales throughout the Town of Oyster Bay, due primarily to the overburdening school tax rate. Although the Democratic government of NYS has increased state aid more than ever before, Connolly said, he feels that local townships must help themselves by showing that they are willing to save on taxes by consolidating their school districts.

Furthermore, by electing more Democrats to local, state, and national office, the people will receive the kind of representation which makes for lower taxes and better government, because the Democratic Party is the "only one" aware of the needs and problems facing people today, he concluded.

## Here Today!

FROM A NEW 'INNER CAR' PROVED IN ACTION

came the magic that made possible so wonderfully different a Ford. In the toughest on-the-road tests ever given to a car, this "Inner Ford" demonstrated that a '57 Ford rides you sweet and low... that it takes the bumps without a bobble, the curves without the pitch... and, that in power, it "takes nothing from nobody!" Nothing on wheels hurries, handles or holds up like a Ford!

# A new kind of FORD with the mark of tomorrow

Lowest family car, on the road.

Only four feet eight inches tall

Everywhere you look it has the "Touch of Tomorrow"

500-V-8 the going is great!

The Fairlane 500, finest Ford series, features five of the 19 longer, lower, better Fords for '57.

It's fun just knowing that others who see you wish they were you. For you're commanding the longest, lowest, heaviest, biggest car ever to sport such a low price tag. There's head room to spare for a new fall bonnet... stretch-out space for a "Daddy Longlegs."

fore in Ford's field has there been a body with so much extra bracing so firmly anchored to its foundation. And you can choose from three big Silver Anniversary V-8's with up to 245 horsepower. There's also a new Mileage Maker Six with 144 horsepower, the most modern Six in the industry.

## CURRENT COMMENT: Prevention Of Fires

**NEXT WEEK**, starting on Sunday, is Fire Prevention Week. Your local volunteer firemen have arranged special programs to focus attention upon the observance of this week of the year.

As we all know so very well, Fire Prevention is a day in and day out job which requires the attention of each and everyone of us. The relatively few serious fires in our communities is a dual tribute to both our residents and the efficiency of the fire fighting organization.

Our fire fighters deserve special mention and this appears an appropriate time for such notice. In the mid-Island communities, fire fighting is a volunteer proposition. None of the men who leap from a warm bed at 3 o'clock in the morning, race to the firehouse and answer a call from some one in distress receive any compensation for their services. If the same number of men were employed on a salaried basis, the cost of firefighting service would be a tremendous burden for the taxpayer.

Take this weekend for example. The fire alarm sounded at 3:30 Monday morning. An emergency was in involved. An elderly lady had difficulty breathing. About 20 men turned out and fire trucks were sent to the scene with oxygen tanks and resuscitators. When the doctor arrived and directed the patient to be taken to the hospital, the fire dept. ambulance rolled out. Among the four men who went along with the patient on the ambulance was Don Jones who was faced with the necessity of going to work at 6 A.M. It was almost 5 A.M. when he got back home.

Around the clock the firemen are alert and ready, trained and equipped to handle any emergency. But you as the householder or business man must do the rest of the job—preventing fires from ever starting.

By the way, on Friday evening, Oct. 12, Hicksville Firemen will have open house at all firehouses. Why not drop in between 7 and 10 PM and look over the fire apparatus, talk to the men and learn more about your fire fighters—the vamps.

## The Inquiring Republican

By Howard Darling  
Readers are invited to submit any questions they might have pertaining to political terms, definitions, or of pertinent importance to you as a Republican voter. For the best question of the week submitted and selected, the reader will receive a GOP miniature elephant. **Quest.** by Louis Klein, Hicksville: How many voted in the 1952 Presidential election?  
**Answer:** 61,551, 978 persons voted. This represented approximately 54% of the people who had the right to vote.  
**Quest.** by Mrs. Bernard J. Jacobbe, Ozone Park, Where can I purchase one of those "IKE" dresses recently worn by Mrs. Ernest Francke?  
**Answer:** "IKE" dresses are for sale by the Citizens for Eisenhower, The Ike Shop, 270 Park Avenue, New York City. The price is about \$10.95 each.

**Quest.** by Bernard G. Jacobbe, Ozone Park: What percentage of monies contributed towards the Republican Campaign Fund in Nassau County are used for (1) National (2) State and (3) local candidates campaigns?  
**Answer:** This question was answered by Sidney Pelley, Supt. of Elections, Town of Oyster Bay. 90% of such monies is used in helping to elect local candidates, 5% to State Candidates and 5% to National Candidates. (This was the winning question of the week)  
**Quest.** by Robert Obermeyer, Hicksville: What Good Will One Vote Do?  
**Answer:** (1) One vote gave Statehood to California, Idaho, Oregon, Texas and Washington, and today all the millions living in those 5 states are Americans by just ONE vote. (2) The Commonwealth of Massachusetts was kept into the Continental Congress by ONE vote. (3) President Johnson was not impeached from his office because he lacked a two thirds majority by ONE vote. (4) The Draft Act of World War II passed the House of Representatives by just ONE

vote. (5) Joan of Arc was burned at the stake because ONE more voted against her rather than for her.

**Quest.** by Arthur Reithberg, Hicksville: In last week's column you did not mention who the Republican Candidate for the U.S. Senate from New York State was—why?  
**Answer:** The four candidates mentioned last week were all from Long Island. I did not forget our great Attorney General of New York State the Honorable Jacob K. Javits, who is our candidate for the U. S. Senate from New York State. He is an "I Like Ike" man and a most capable and able candidate for this high office. I was going to mention his name this week, but you beat me to the draw. Thank you.

**Quest.** by Timothy English, Jackson Heights: If Vice President Richard Nixon should be unable to perform his duties who would succeed him in that office?  
**Answer:** The Speaker of the House, followed by the President pro tempore of the Senate, provided both are constitutionally eligible.

**Quest.** by many, many interested voters: On what dates and times can I register this year?  
**Answer:** I answered this question last week but due to the many inquiries received, I again repeat the information. You may register Oct. 11 or 12th from 10 a.m. to 10 p.m. or Oct. 13th from 7 a.m. to 10 p.m. Your respective Polling Place will be the place for registration.

## HERALD READER OPINION:

### Had a Drink of Water Lately?

By **WOODIE KARRAN**  
To The Editor:

A week ago I wrote about protecting our wells, striving for a purer glass of water.

Now, many sections of Hicksville have been receiving a heavy dose of chlorine, lime, etc. in their water. This is the result of a high bacteria count—a nice word for sewage—human waste.

Approximately 5 years ago when the Schwamb Farm was zoned industrial, the Water Commissioners were warned that they were putting three wells in jeopardy. At this time, Mr. Davidson, Superintendent of the Water District, said it was utter foolishness; that the Board of Health claimed 100 feet isolation was sufficient.

## Business Plea Rejected By Town

**OYSTER BAY**—It was disclosed this past week that the Town Board has denied the appeal of Stella Marcinkowski and Irene Sokoloff, owners of the Hi-Way Tavern, Woodbury Rd., Hicksville, to rezone the said property from Residence "D" to Business "F".

The rezoning was strenuously opposed by residents in the surrounding area. A petition carrying 318 signatures opposing the rezoning was presented to the Town Board at the public hearing, held Aug. 28, by Murray Margolis, of 12 Frances Lane, spokesmen for the residents.

## Pythias Lodge Holds 1st Rank

**HICKSVILLE**—Sagamore Lodge, Knights of Pythias, will hold the first of three ranks—the rank of Page—at its meeting hall, VFW clubhouse on Fourth Ave. and Grand, here, next Wednesday evening, Oct. 10 at 8:30. Twenty-five prospective members will take the rank.

The second rank, that of Esquire, will be held Oct. 24 and the third and final, Knight, takes place on Nov. 14 with a special collation. Chancellor Commander Adolphe Meinwald extends a cordial welcome to all prospective members who wish to join this growing organization.

## Safety Crusade Is Local Effort

**NEW YORK**—Announcement that Hicksville men will play an important part in the Comprehensive Allstate Safety Crusade was made here today by William F. Powers, regional Crusade Director.

Role of Vernon Allinson, John Galligan, Fred Graeber, Frank King, John Mullen and David Grimes will be to enlist support of Allstate Insurance Co. policyholders in a program stressing the individual's responsibility in cutting the nation's frightening toll of traffic accidents, which will claim upwards of 48,000 lives in the United States in 1956 unless curbed drastically.

**WILL YOU REACH VOTING AGE BY ELECTION DAY NOV. 6?** If so, be sure to register so you can vote.

It should be interesting to hear Mr. Davidson explain why the water district is now dosing the three wells at Bathpage Road to the limit with chlorine.

When it was pointed out that Bathpage Water District lost wells contaminated by Grumman, Mr. Davidson said we need not be concerned, that it was an industrial acid; sewage would never bother Hicksville wells. The County Board of Health said 100 feet was enough filtration.

Incidentally, the same Board of Health last week ordered two Levittown wells shut down, each over 200 feet deep. Just how can a more convincing picture be drawn for our commissioners?

The time has come, and it's right now to condemn the property adjacent to our Water District, for any purpose involving a cesspool. Further more, it should be rezoned from industrial back to farmland, to prevent it from being purchased from a realty firm, for five times what they paid for it, 6 years ago. In this way, the town could purchase this property at a reasonable price, for a park, or for the use of the Fire Department, to hold their tournaments, all of which would not involve cesspools. Trust it's late, but not too late to act.

Immediate condemnation of this land adjacent to three of our water wells, would give better than a 300 foot radius of isolation to the District. Call your water commissioners, tell them you've had enough chlorine, and you feel they should PROTECT the district as well as run it.

Here they are, they wanted to

## SOUTH HICKSVILLE CHATTER: Sees 'Operation Crawl' on Way

By **CHARLES H. DE SHAW**  
"Operation Crawl" will be the order of the day when the Mid-Island Shopping Plaza opens later next month.

If you fume and fuss now at the traffic congestion in Hicksville, you ain't seen anything yet. Add to the present traffic situation the cars of the Plaza employees during the rush hours, and of the shoppers during the rest of the day, and ZOWIE!—Hicksville will have an almost insurmountable problem to solve. So if you expect to drive normally through town—forget it—or else do your driving before the morning and after the evening rush hours.

**SUPPORT ORGANIZATIONS**  
Now that the numerous organizations are resuming their activities again after the summer lull, everyone should support physically and financially those of their choice. Continued support of the members will keep these organizations strong, and enable them to continue their good work. Always remember an organization is as strong as its weakest member, and that could be you when you fail to attend the meetings.

**TV COMMERCIALS**  
In general, TV commercials are above reproach, since a little license as to the quality and superiority of their product is to be expected, but some are better than others. The most amusing to me, is the Piel Beer, with the cartoon brothers, Harry and Bert Piel. The cleverest is the L & M cigarette "Like Moderns"; and the most enjoyable is the Camel commercial on the Phil Silvers show, while the most honest is the Du Maurier cigarette, in my opinion.

**NEW GUARD**  
If the absence of a familiar face at the Dutch Lane School crossing is puzzling to some of the children and mothers, remember that Loreta Frank of 44 April Ln., who was the crossing guard there from the beginning up until this year, gave birth to a son last month. Mrs. Veronica Scoble of Brittle Ln. is her successor, and is just as competent and pleasant. The children and their mothers will enjoy talking with her.

The Henlga's on Brittle Ln. are finally getting a hostess. All summer long their home has been filled with visitors from the city.

"I'm back of the counter every day

...yet I never see most of my customers!"

"My meat market is on the main street in Rye. And we do a mighty nice business. Yet 80% of my customers rarely come into my store. Why? Some of them live quite a way out of town. Others are too busy in their homes to spend time shopping. And they don't have to. For, rain or shine, they phone in their orders. What would I do without a telephone? Guess I'd just close up shop!"

Whether the job is big or little, a telephone call can be a help. That's why good telephone service and a good telephone system are so important.

Everyone has a stake in good telephone service... today and tomorrow

# TROOP 91 REPORTS: Regular Meetings Now Thursdays

By ELWOOD S. KENT, JR., HICKSVILLE — Regular meetings are now held every Thursday at the school basement of St. Ignace's. The meetings start at 7:30 usually ending about 9 or 9:15.

The scouts voted upon new patrol leaders recently, together with assistant patrol leaders. The patrols are supposed to initiate their patrol meetings as soon as possible conducting them in accordance with scout regulations. The patrol meetings usually start at 7:30 and should end promptly at 9. Checks will be made periodically to determine if the meetings (patrol) are being held and conducted in the proper manner.

The council advancement committee unanimously decided that the present procedure of Troop Board of Reviews passing on Merit Badges will be continued; therefore scouts start training for your badges.

The Council Advancement Com-

mittee recommends the Committee qualifications consist of the following:

1. Participate in District Advancement Training session.
2. Attend a District conducted Board of Review.
3. Conduct a Troop Board of Review with a member of the District Advancement Committee sitting in.

4. District Advancement Committee qualifies the Troop Committee to conduct Board of Review.

The Troop Board of Review will pass on all advancements except that of "Eagle", the responsibility is great and no troop can let outstanding unless the board functions at top operational procedure. Several committeemen of Troop 91 have already performed the outlined qualifications and it is hoped that all others will soon participate.

Reminder: Dad and Son Camporee Oct. 5th at Wauwepeck.

## Music Studies Increase Here

Hicksville Musical instruction here has greatly increased over the past four years.

At the end of the second week of the current school year, the Nassau School of Music reports that there are just a few openings in the school's various instrumental departments. Among the reasons Mr. Tolomeo and Mr. Berger, the directors, feel are responsible is the increase in the number of students involved in the public school music program, plus the fact that the Nassau School of Music is now accepted as the only approved music school in the area chartered by the New York State Board of Regents.

For further information on instruction at the Nassau School of Music, at Herzog Pl. call the school, WE 1-7111.

## Albert Street

(Continued from Page 3)  
fall program for Trinity Episcopal Church on Jerusalem Ave. 3 was the first day of Sunday School for many young children of the Church.

Mrs. Frances Dejana of 15 Power St. celebrated her birthday Sept. 23rd by attending the wedding of her friends, Mr. and Mrs. John Caparelli of Port Washington.

A monthly meeting of their Korf Klatsch was held at the home of Mrs. Rosemary Farrington of Somerset Avenue on Friday, evening Sept. 21. On hand to make plans for their fall meetings were: Mrs. Dolores Price of Perney Street, Mrs. Lynne Schnurmann, Mrs. Eileen Byrd, both of Somerset Avenue and Mrs. Virginia Haskell of East Islip.

Mr. and Mrs. Henry Antonawich of 23 Albert St. were present on Sunday, Sept. 23rd, when their niece, Marie Chetuck, was christened in St. Bridget's R. C. Church in Westbury.

Saturday, Sept. 22, was a big day in the Wynnman household at 4 Gerald Ave. Baby James Allen, all of 7 lbs. 1 oz. and 20 inches long arrived at 7:46 p.m. at Nassau Hospital. His brother, Billie, and sister, Lynne, are delighted with the new arrival.

Recently Mr. and Mrs. James Strauss of 7 Somerset Ave. had as their houseguest for the weekend, Mrs. Strauss' father, Mr. Herman Stacks, from the Bronx. The whole family is quite delighted with the news that their daughter, Barbara, who is attending Adelphi has been named to the Dean's list. Barbara, a member of the sophomore council, attended school one week earlier this fall to act as a guide during orientation week.

That was quite a turnout last Tuesday evening for the first card party of the fall season held at St. Ignatius Loyola R. C. Church. Many lovely prizes were won, and everyone claims to have had a good time.

**JUST TURNING IT OVER.** . . . There is definitely going to be a contest at Bethpage this Saturday afternoon. Underdog Hicksville is going to make it one. The smirk has gone off the composite face of Bethpage supporters. They knew it too. . . . The young gridiron Comets are a year away from their potential but the 26-0 win over Oyster Bay, not an earthshaking result but a sound win, has helped sustain high interest. . . . We cannot refute it. Having checked our records for 15 years, the 315 yards John Roberts has rolled in on 30 attempts in just two HHS games is the best yardage for a Comet halfback. . . . Vic Sahadachy is a hard plunger. Against Baymen picked up 59 yards in 13 belts at the line. . . . Dick Stillman rattled off 44 in seven attempts. . . . Joe Naso befuddles the opp with his runs on the keep play from the quarter post. He got 47 yards in that manner against Baymen. . . . It is no bed of roses for coach Howard Bowers. The Hicksville schedule calls for Bethpage, again mighty and proud Westbury and Garden City three Saturdays in a row. All powerful clubs returning from last year they hold the first three positions of respect on the North Shore. In what order is not discernable nor important. It's three tough ones. . . . Oyster Bay had a very small band of followers but the box office sales hit over 1,050 Saturday. Shows plenty of interest growing in HHS pigskin circles again. Hicksville's threat to Bethpage ten in a row could haul in 3,000 to the Falcons High School field Saturday. . . . The linemen never get the limelight. A Hicksville win over Bethpage would certainly give it to the Comet forward wall for if they clear the path against the hard hitting Falcons they couldn't go unnoticed. The key is there. . . . Whenever we expect it to be close, we go with the Alma.

HICKSVILLE 19, BETHPAGE 14.

Anxiety lead to early moment timidity for the Hicksville High-Junior High Soccer club, Monday, and Locust Valley boomed four quick goals.

However, Coach John Mazur has almost forty uniformed and spirited boys for Hicksville's first soccer club and despite the 6-0 loss that resulted interest surely wasn't dampened.

Right-half Steve Blust was easily the star in the losing cause. A very determined young man. He was deft at dribbling and had impressive force and height to his kicking. Feelings were actually a little brittle and Steve helped keep the high geared visitors from running away. They were blanked in the last two periods.

Coach Mazur was very pleased with Blust and also singled out Alex McCauley, Robert Hoffee and Peter Johnson as playing commendably. It was promising start for the Orange.

We are quite sure that under Coach Mazur's tutelage the boys are off winging in a new sport. The games start at 4 p.m. and provide color and action for an autumn afternoon. There is no charge for admission.

The high financial expense involved in bringing three out of state teams to Hicksville for a Christmas Invitation Basketball Tourney has forced cancellation of plans for any such venture.

There is a possibility of an Alumni Homecoming contest during the holiday recess. Contacts are presently being made with Stonnington, Conn., and Westerly, Rhode Island, to see if they would be interested in making a Long Island appearance.

Both are the respective State champions of their set having won the titles in last spring's tourneys.

Hicksville has been able to fill two more open spots on its court slate with Roslyn agreeing to a home and home series. With 17 contests mathematics will not have a bearing on the Comets ability to gain a County playoff berth.

Hicksville High Athletic Director, Chet Jaworski, will cast an affirmative vote which will switch his school and Manhasset in the new North Shore Athletic League alignment for 1957.

The decision will come in the monthly meeting of the body called for Hicksville, Oct. 10.

As the fourth biggest school in the county this will mark a step up into more representative competition for the Orange and Black.

Applicable to all sports—League Football and Basketball included—divisional opponents for Hicksville will be Mineola, Great Neck, Glen Cove and Port Washington.

It is the hope that traditional rivals, Westbury and Farmingdale will be retained on a non-league basis. East Meadow and Levittown will also be fitted in on the backyard rival premises. Bethpage, apparently interested in one crack and out, will not be available after 1956.

It was a losing week! With the Redlegs dead at supper time, Saturday, our full support went to Sportmen's Park in St. Louis only to realize the finish just after midnight. Next morning we surveyed our picks for last week only to find a shoddy 10 right 7 wrong forecast. Even our tie pick at Malverne—West Hempstead was edged 14-13. A very bad week.

Confident that next week can't be as bad as this one, we select Westbury 20, Carle Place 13; Tuckahoe 26, East Meadow 6; Seaford JV 12, East Rock 7; Menham 19, Freeport 16; Garden City 14, Oceanside 14; New Rochelle 19, Glen Cove 0; Great Neck 14, Long Beach 7; Uniondale 16, Island Trees 6; Lawrence 13, Valley Stream 7; Wantagh 14, Levittown 7; Lynbrook, 6; West Haver 0; South Side 14, Malverne 7; Manhasset 24, Hewlett 7; Mineola 7; Massena 0; Port Wash. 24, Roslyn 12; Hempstead 12, Sewanhaka 7.

## Bowlers to Skip Night for Ladies

**HICKSVILLE**—More than half the men in the Holy Family CYO bowling league are involved in the Little League as well. When the Little League mothers decided to hold a masquerade ball at Levittown Hall on Friday, Oct. 5, the men gallantly postponed their bowling for that night with the cooperation of George Spohrer, owner of the Market Bowling alleys.

Last week, high team game went to the Pirates at 1072; high series, Bob Beach, Dodgers 594 (164-199-201); Other 500 series were Al Reinheimer, 584; John Zambro, 518; Mike Cusi, 514; Nick Kleiner, 510 according to E. Graham Jacob, secretary-treasurer.

Team standing are:

1. Dodgers	14	2
2. Pirates	10	6

## Jackets Open Season With Scoreless Deadlock

By ELWOOD KENT, Sr.

**HICKSVILLE**—The Yellow Jackets of St. Ignatius CYO opened their Long Island Midget League season last Sunday, Sept. 30, playing Syosset Spartans to a scoreless deadlock. Both teams fielded squads of mostly new faces, having few returning veterans from last year.

The game was played mostly around the middle of the field and the only real scoring threat was made by Syosset when they penetrated to the Yellow Jackets 15 yd. line. The Spartans received an assist from the Jackets in reaching this point when a bad pass from Center was recovered by an alert Spartan, on the St. Ignatius 17.

The outstanding linemen for St. Ignatius were Dooley and Bennett on the offense, and defense by Condren, who is one of the returning vets. Most of the squad were utilized during the game, and gave a good account of themselves. The Coaches were proud of the team play, and look forward to the remaining six games with confidence.

### LEVITTOWN SUNDAY

McGinnigle's sprained left wrist in the first quarter hampered the running attack, and it looks as if he will be lost for the season. This injury will send the Jackets to the Levittown game short a fine back.

However, it will not dampen the true CYO spirit which will be displayed this Sunday as they tackle the Levittown Red Devils at the Levittown field, Jerusalem Ave., at two o'clock.

Starting Line Up for the Teams:	Position	Syonset

### BREAKFAST HELD

The Nassau County CYO Communion Breakfast was held on Sept. 23 at St. Mary's Council K of C, Lynbrook. It was the first Father-and-Son affair for the winners in all of the divisions of the CYO Baseball competition in Nassau County. Dave Caruso, director in Nassau County, was Master of

Ceremonies. The principal speaker was the Rev. Vincent Powell, diocesan director of the CYO program.

Father Powell gave a very interesting talk to the boys and men on the value of good sportsmanship, and presented the Plaques and individual awards to the team manager.

St. Ignatius Bantam "B" was the recipient of two Plaques for the County Championship in their division, and the St. Ignatius Grammar school team won the sectional championship in their division. The individual awards and plaques will be presented to the boys at our Annual Sports Night to be held on Nov. 11, at St. Ignatius Hall.

## Duffy Park Civics Win Signal

HICKSVILLE—The Duffy Park Civic Assoc. today expressed its public thanks and appreciation to the School Board, the Old Country Road P-TA and the Oyster Bay Town Board for their "staunch support" in its campaign for a traffic light on Old Country Rd.

The Board of Education took notice of the Civic Assoc. efforts in this project at its meeting, Friday night, and expressed its official thanks to Duffy Park and the P-TA.

Charles H. Lieder, Civic Assoc. President, said he has received word from County Executive A. Holly Patterson who personally visited the area that singaization was being ordered. The light will be installed at Lee Pl. and Old Country Rd. and will supplement, not replace, the crossing guard. Patterson assured Lieder that the crossing guard will remain on duty in the future during school hours.

The announcement by Patterson concludes a 2 1/2 year campaign by the Civic Assoc. for the traffic signal. Lieder said "this is but one phase of our overall program for achieving complete safety facilities for the school area."

The Town officials and representatives have been made fully aware of smaller but highly important safety hazards in the area. The town, Lieder said, has in the past promised that sidewalks will be installed.

The School Board, upon recommendation of Robert Eaton, safety committee chairman, has approved the moving of the entrance gate in the school fence to the west to bring it opposite the proposed traffic signal location. Eaton also expressed his thanks to Miss Mabel Farley, member of the school board committee; and to the P-TA safety committee as well as Duffy Park Civic Assoc.

## Publish History By Wallace Lamb

HICKSVILLE—"Lamb's Sectional Histories of New York State" authored by Dr. Wallace Lamb, superintendent of schools here, has just been published in a teacher edition. The volume, illustrated with many original sketches by Albert Sway, member of the Society of American Graphic Artists, is published by Frank E. Richardson of Phoenix, N.Y.

The publisher's foreword explains the text of the publication was originally written by Dr. Lamb for "Revised Edition of the Historical Atlas of New York State".

The publisher says "the language is pleasant for adults and understandable for most seventh graders. The present publication, both as a unit and in eleven sections is in response to the current demand by teachers and librarians."

The section on Long Island concludes this way: "Many other famous men and women have been born on or associated with L. I.—too many to be named here. Yet one name stands out among those who have not been referred to, and no review of L. I. would be complete without him—Theodore Roosevelt, one of our nation's most illustrious presidents. His home was at Oyster Bay."
