VOTE MAY DOUBLE 1952.

# Republicans Expose Opposition 'Errors'

The election campaign today rolled into its final hours with confident predictions of a Republican victory in the mid-Island area where four years ago Dwight Eisenhower soundly defeated Adlai Stevenson. Democratic campaigning was being concentrated in the newest sections of Plainview and Bethpage. The growth of the area in the past four years was reflected in the increased voter registration with 108,331 enrolled for Oyster Bay Township compared with 48,000 votes cast for the office of President in 1952.

Fourteen thousand voted in 15 Hicksville-Plainview election districts four years ago. Today there are 20,981 enrolled as voters in Hicksville and 7,922 in Plainview for a potential vote of 28,903 or double the 1952 total balloting.

In Oyster Bay Township in 1952 Eisenhower received about 36,000 votes and Stevenson 13,000.

Results in Hicksville were 8,580 for Ike and 3,712 for Stevenson while in Plainview 917 voted for Ike and 409 for Adlai.

Bethpage four years ago cast 3,900 votes for Eisenhower and gave Stevenson 1,576 while Jericho had 942 for the Republicans and 221 for the Democratic standard bearer.

"The registration figures for Nassau are a good omen for another whopping victory for President Eisenhower," County Leader J. Russell Sprague commented in noting the county-wide voter registration gain of six per cent.

Michael J. Sullivan, director of the Town Republican campaign committee, noted that the opposition workers were concentrating upon the newest residents with "their traditional big-whoppers". For example, he noted that in sections of Bethpage, Plainview and Massapequa, Democrats were handing out form letters which sought to blame the town administration (Please turn to Page 6)

Plans for the Elks Get-Out-The-Vote Organization, which will canvass every neighborhood during the closing days of the election campaign, were adopted at a recent meeting of the Lodge. In addition to the door-to-door solicitation to encourage stay-at-home voters to go to the polls, the Elks took steps to set up a transportation pool to take disabled voters, or any other who desires the service, to the polls on Election Day. Exalted Ruler Schulz said the campaign is being conducted in cooperation with the National Heritage Foundation.

"Our goal is to get every eligible voter in this community to the polls on Election Day", Schulz declared.

Heading the Elks vote drive are Thomas Reilly, Robert Dimond, John Fagen, Philip Robinson and Robert Connolly. Their motto is, "Don't complain tomorrow. Make a date with yourself and keep it and inform yourself and vote today."

## Dear Jean:

**ATTENTION STATE HIGHWAY DEPT:** That "pot hole" at the curb at front of the Herald office is now 6 1/2 inches deep. One of these days a foreign import car is gonna park there and never be found again. . . . **HOWARD DARLING** who has been waiting our inquiring Republican column has won, as a prize, a toupee—and just in time with the cold weather on the way. . . . **AL HABER** of Old Bethpage was going to provide us with an Inquiring Democrat column for this week out something must have happened. . . . **ALEXANDER NEWCORN** and **LEONARD H. BENSON** have associated for the general practice of law and now have their joint office in the Sutter bldg. at the RR Station. . . . **FLOYD GAUNT**, 31-year-old uncle of **CLIFFORD PLACE**, who has been making his home with Cliff on Myers Ave. was the grandson of **MARY HARRISON** who was a niece of **WILLIAM HENRY HARRISON**, elected as the first "Republican" president. Actually, he was a Whig candidate, the forerunner of the GOP. . . . **GEORGE RAPAPORT**, local attorney, has obtained settlement of an \$18,500 action in favor of his client. The suit resulted from an accident at Jericho about two years ago. . . . Cheer Leaders of the High School who helped with arrangements for the recent Kiwanis Club Kids Day program will be guests of the Kiwanians at luncheon next Wednesday, Nov. 7, at Milleridge Inn. . . . Bethpage Republican Finance Committee holds its dance at the Legion Hall tomorrow (Fri.) night. **HELEN ROODE** and **LORRAINE CARTER** are co-chairmen.

**FRANCIS B. LOONEY** of Bethpage has been promoted to Assistant Chief Inspector of county police, effective today, and will be in charge of the seven precincts in Nassau. His brothers, **WALTER A.** and **HAROLD E. LOONEY**, were named in the same promotion list as being advanced from lieutenants to captains of police while **Sgt. MICHAEL LOONEY** was advanced to lieutenant. . . . Commuters are a prime target for political candidates these days. Loudspeakers are at the stations every day this week. . . . That widely publicized "atomic lighting" ceremony was held at Mid Island Plaza last week. As we listened to **KEN BANGHARD** on the radio giving the "count down", we looked out the back door of the Herald office and discovered the lights were on already. . . . Don't forget to display your flag next Tuesday, Election Day, and on Sunday, Nov. 11 (formerly Armistice Day, now Veterans' Day). . . . The list of "official" candidates for Hicksville Fire Commissioner in December now includes **FRED MILLER**, **AROLD HAWTHURST** and **ROBERT HAMMOND**. . . . Since both major parties are interested in conservation, a local reader wants to know why the political party workers seek to destroy living trees by nailing posters to them. . . . One Democratic candidate in the area is quoted as saying he's had it. No more running for him after this time.

**GEORGE J. SCHWARTZ** of 5 Mellow Lane, Jericho, was killed recently in New York when he fell from the 12th floor of a Manhattan building. He was a 63-year-old dress manufacturer. . . . **DONALD FRY** of 76 Scooter Lane, Hicksville, is co-pilot of the DC-6B which has been ferrying **RICHARD NIXON** and his party on their country-wide political campaign since Sept. 17. "I've never seen anyone work as hard as Nixon in my life," said **FRY** on a recent stop over at home. He says he "was born a Republican" and his work with Nixon hasn't made him want to change his mind. . . . The new barricade in the Mid-Island Plaza is the 44th retail candy store in the chain which was founded in 1928. . . . Much of the ground lost by Nassau-Suffolk Business Index during July was recovered in August when it bounced back 5.1 points, according to the Hofstra College Bureau of Business. . . . Plans are afoot for a gala sup-and-fish festimental honoring **MABEL FARLEY** at Garden City Hotel later this year, we hear. . . . **DAVIS Construction Corp.** of Hicksville had a low bid of \$2,720,063 on parts of two state highways on Long Island. . . . **VERA VILLEGAS**, teacher in Lee Ave. School of Hicksville will be a speaker on "Spanish Thru Television" when 250 modern language teachers hold a conference at NYU School of Education on Nov. 10.

Orchids to five little girls of Twinlawn Ave., Hicksville, who on Sunday afternoon collected \$27.00 for the Cerebral Palsy Drive. They made their collections on Twinlawn Ave., Hicks Circle and Miller Circle. The girls are **ELIZABETH ANN** and **KILEEN HOOSACK**, **JEAN** and **DIANE KENTON** and **DENICE CORRIGAN**. . . . Our sincere sympathy to the **YATRAS** family of Twinlawn Ave., Hicksville, and to the **McCAULEY** family of Duffy Ave., Hicksville, on the death of their Dad, **CHAS. McCAULEY** of Roslyn Heights. Mrs. Yatras is the former Joan McCauley. . . . Mr. and Mrs. **CHAS. SHARRETT** of Center St., Hicksville, spent the week-end visiting their daughter and her family in Maryland. . . .

The Ladies Auxiliary to the Hicksville Fire Dept. will meet at the F. Magie St. firehouse on Tuesday evening, Nov. 6. Don't forget the Auxiliary's card party to be held at the firehouse on Friday evening, Nov. 9. . . . Mrs. **JOE** at Hicksville Farms added another laurel to her crown this past week-end. On sale was the most delicious lasagna, home-made in her own kitchen. I called up for a second helping, and was told that it looked so good, it disappeared from the showcase within the hour. I personally asked the "Queen of the Kitchen" to please make some more for the coming week-end. . . . East St. P.T.A. organized a good time for all students at East St. School, with their Hallowe'en Parade and parties in the classrooms. Classroom representatives helped with the refreshments. . . .

## Relative Of Resident To Guide Long Flight

MOUNTAIN HOME AIR FORCE BASE, Idaho—(Special) The Air Force brother of a Hicksville resident will navigate one of three B-47 Stratojets this month on an 8,300 mile goodwill flight from Mountain Home here to Australia. The flight, a record-breaking non-stop voyage for jet aircraft, is planned to coincide with the opening of the Olympic Games in Melbourne.

Major Stephan Constant, brother of Mrs. William James, 26 James St., Hicksville, will be the navigator of a Strategic Air Command B-47 flying to Brisbane. The flight will be in conjunction with "Operation Handclasp," a goodwill gesture by the United States Air Force to the Australians and New Zealanders.

The 18-hour flight will not be an endurance record, since SAC aircraft have remained in the air much longer on "shuffle flights." However, it will break the record for distance covered on a point-to-point flight by some 1,500 miles. The previous mark was set in June 1954, when three B-47's flew non-stop from Riverside, Calif., to Yokota, Japan, a distance of 6,800 miles.

Three aerial refuelings will be made by KC-97 "flying filling stations" at rendezvous points during the record breaking journey.

Brig. Gen. William C. Kingsbury, Commander of Mountain Home's 9th Bombardment Wing, will be "task force commander" for the third annual visit of U.S. Air Force aircraft to Australia. The first flight was made in 1954 upon invitation by the Royal Australian Air Force.

The B-47 Stratojets will fly over the following Australian cities: Melbourne, Townsville, Adelaide,

MAJOR STEPHAN CONSTANT

Sydney, Canberra, and Brisbane. New Zealand flyovers will include Wellington, Auckland, Christ Church, Chalks, Tasmania, Hobart and Launceston.

A native of New York City, Major Constant entered the service in 1952. He is married to the former Beatrice Walker of New York, and has two sons.

# Unusual Operation Saves Life

ROSLYN—John Eichler, of 22 Shelly Lane, Bethpage, is alive today because surgeons at St. Francis Hospital and Sanatorium, here, successfully used for the first time in the New York area an unusual technique to repair a heart defect considered inoperable in the past.

Almost as dramatic as the "freezing" technique itself is the story of John Eichler's "miracle".

On Saturday, Aug. 25, Eichler, a conductor on the New York Central R.R., was swimming at Jones Beach when he was suddenly seized with a heart attack. Fortunately, he was with friends who noticed his condition and carried him to the beach. There, life-guards rushed an oxygen tank and mask to his aid.

In short order, an ambulance was speeding him to Meadowbrook Hospital where doctors diagnosed his condition as a narrowing of the valve from the main artery of his heart. This condition, known as sub-aortic stenosis, causes the blood to back up into the lungs, decreases the blood supply, and causes a severe strain on the heart.

Unlike many cases of cardiac surgery, this defect requires the heart to be opened to the surgeon's direct view. Due to the high mortality rate in open heart surgery, this technique is seldom used.

The Meadowbrook doctors advised Eichler that St. Francis Hospital and Sanatorium, here, was one of the few institutions staffed and equipped to perform this type of operation. The surgical team of St. Francis, Eichler was told, would employ a technique called hypothermia to enable them to work on his open heart.

On Sept. 29, Eichler was wheeled into the specially-designed cardiac operating-room at St. Francis. His body was chilled to 80 degrees Fahrenheit to slow his body processes and blood flow. (Normal oral temperature is 98.6.) His heart was then opened. The valve was examined under direct vision and incised. Under chilling, the blood flow can be stopped completely for six to eight minutes. Working on Eichler, the St. Francis surgical team completed their repair of the heart in less than five minutes.

If surgery takes longer than eight minutes, some of the work is done, then clamped arteries are released to allow the heart to go back to work for 10 to 15 minutes. After this intermission, the blood flow is again halted and the second part of the operation is carried out. In Eichler's case, this "intermission" was not necessary.

This technique was reported in 1960 by Dr. Wilfred G. Bigelow of Toronto, Canada and also by Dr. Henry Swan of Denver, Col.

Mr. Eichler's case is the first successful use of hypothermia on an aortic stenosis in the New York area.

### Faculty vs Parent Games on Nov. 17

The Bethpage Parents and Teachers Assoc. Scholarship Committee met on Oct. 22nd, with Mrs. Mary Schreiber, Scholarship Committee President, presiding, to complete plans for the first fundraising event of the year — the Fourth Annual Faculty versus Parents Basketball Games, to be held on Nov. 17, at the Central Blvd. Gym at 8:15 p.m.

This is the time when mothers and fathers, representing the four Bethpage schools, pit their basketball skill against that of the usually more supple and agile teachers, also representing the four schools, in a good-natured, friendly battle for supremacy. Last year the mothers were victors over the female teachers, while the fathers bowed to the male teachers. This year's results are anybody's guess, and the rush for tickets is on!

The social success of the evening is assured but the whole-hearted support of the entire community is requested to make it a financial success. June 1956 was the first time a scholarship was awarded from the Bethpage Parents and Teachers' Scholarship Fund to a deserving graduate of the High School.

Donation is \$1.00 per ticket, with a 50¢ refund at the door for those holding GO or Recreation cards. Refreshments will be available. Tickets may be obtained at the door on the night of the game or from the following: Mrs. Louise DeWitt, Powell Ave. PTA Chairman, WE 5-4025; Mrs. Mary Schreiber, Pine Ave. PTA Chairman, WE 5-2033; Mrs. Rolf G.

mann, Central Blvd. PTA President, WE 5-4350; Mrs. Gaila Rosen, High School PTA Chairman, WE 5-2177; or at the High School Office, WE 1-2900, ext. 9.

### GOP DANCE TOMORROW

A dance for the benefit of the Bethpage Republican Finance Campaign will take place tomorrow (Fri.) night at the American Legion Hall, here, with music by Rae Caletta. Tickets will be available at the door. Co-chairmen are Helen Roode and Lorraine Carter.

### SPONSOR TEEN DANCE

The North Bethpage Civic Assn. will sponsor Teen-Age Dances on Sunday afternoons. It was announced at a recent meeting. These dances will begin shortly. The dances will be held in the NECA Clubhouse at Stewart and Cherry Avenues. Watch this paper for notice of the first Sunday afternoon dance.

Anyone wishing to help supervise these dances is invited to call Michael Kronberg at WE 8-1768.

### FINANCE DRIVE PROGRESS

The Bethpage Republican Finance Drive is meeting with unparalleled success, reports Chairman, Edward Schreiber.

## TV and Education Interests P-TA's

**HICKSVILLE** — The Council of PTA's met at the Dutch Lane School last week to hear address by Dr. John Cadden and Arthur Hungerford on "T.V. and Education."

Dr. Cadden, who is Audio-Visual Director and Coordinator of Levittown School District and Representative for the N.Y. State Closed Circuit TV Program, defined television as "a synthesis of all that man has learned about color, sound, the printed word, etc.". Since May, said Dr. Cadden, Levittown has been busy installing the closed circuit system and organizing their program hoping to enrich and improve teaching via this field of mass communication.

The aims of the program, added Dr. Cadden, are twofold: (1) to examine the possibilities of this medium and to unfold its potential as we use it from day to day; and (2) to delineate our aims in such a flexible and imaginative manner that change or reorganization are possible whenever they become necessary.

At the moment, said Dr. Cadden, they are programming four subject areas at secondary school level: English, Math, Citizenship

Education and Science. Students watch the lecturing teacher from two 24" screens per room and at any time may ask questions via the two way audio hookup. The "studio" at Memorial High, is manned by student technicians.

Asked what educational benefits he hoped to derive from this program, Dr. Cadden answered, "Superiority of instruction via TV is the aim for which we're striving."

Arthur Hungerford, Executive Director of the Metropolitan Educational TV Co., who was accompanied by his Chief Engineer, T. Collins, reported that the statewide aims of school TV programming are to support the school system and to reach into the home for family education, something education has been unable to do before.

Mr. Hungerford listed the possibilities for TV education.

During the business part of the meeting the Council voted unanimously to support the Burns Ave. area in its protest against the opening of York, Prose and Windsor Streets to vehicular traffic to and from the Mid Island Shopping Center.

**FASTER VERSION** of the Navy's supersonic F11F-1 Tiger jet fighter has been developed and flown successfully by Grumman Aircraft Engineering Corp. of Bethpage. Designated the F11F-1F, the new Tiger is equipped with a powerful General Electric J-79 engine and afterburner. Grumman President Leon A. Swirbul, in making the announcement, said, "During its first two weeks of testing at Edwards Air Force Base, Calif., the modified Tiger made ten flights. Her performance is of course classified, but we are extremely gratified with the results which have shown a marked increment in speed. She displays the same inherent stability as the first Tiger, requiring no dependence on a 'black box' for flight stability."

# CURRENT COMMENT

## Re-Elect Ike Next Tuesday

By Fred J. Noeth

WE NORMALLY do not comment upon national issues because we believe our readers are fundamentally interested in community events. However, the election of President of the United States next Tuesday has so captured the attention of all of us that some expression from this quarter appears appropriate.

Now, we do not have the facilities for fingering the pulse of voters from coast-to-coast such as do the many national agencies which specialize in this sort of thing. However, we have been diligently following the progress of the campaign in the major national news magazines and other sources.

For that reason we feel the comments by Raymond Moley in Newsweek of Oct. 29 are of special interest: The article is entitled "The Death of a Party" and points out that "guileless, old-fashioned Democrats who believe that the Democratic party of their fathers is capable of making that faith live once more in the White House should examine the reality behind the facade. Perhaps the name of Stevenson stirs nostalgic memories of the days of Adlai's grandfather, Grover Cleveland, Woodrow Wilson and Alfred E. Smith.

"But they need the sharp prod of truth to realize that, except in some parts of the South, their party is dead, its faith is forsworn, and its candidate is merely an empty urn, a vacant reminder of a vitality that has long since turned to dust and ashes."

We don't have the space to reprint the full article, but Mr. Moley's point is that the campaign for Adlai and Kef is actually the operations of the "massive, disciplined, ruthless machine" of Walter Reuther, The Political Education Committee of AFL-CIO, says Mr. Moley, is providing most of the money and manpower for the campaign.

A second commentary of note is that by David Lawrence in U. S. News & World Report of Oct. 26: "The Man of the Era", a fine stirring editorial which recalls the rousing welcome home given the military hero of World War II by a grateful country. As Chief Executive of the nation, Mr. Lawrence continues, Mr. Eisenhower has demonstrated his ability to "steer the ship of state through the shoals of factional strife at home and through the storms of diplomacy abroad into the quiet waters of national and international serenity."

Mr. Eisenhower is a dedicated man, a man with a cause. His election campaign is proof positive of this. He has not stooped to the low-level tactics of his opponents.

In contrast we have Mr. Stevenson of whom Thomas E. Dewey said in a recent radio address: "The record shows that he (Adlai) worked for a while for Henry Wallace in the Dept. of Agriculture and later held a scattering of other minor positions in the Federal Government. He was elected to office once, as a reform Governor of Illinois and his term was marked by six major scandals.

"Adlai Stevenson is not even in the same league with President Eisenhower. In fact, he said so himself, July 20, 1952, he said: 'I have no fitness—temperamentally, mentally or physically—for the job.'"

That is one of the few times that Mr. Stevenson was exactly correct. He sure to vote, Tuesday. Polls are open 6 A.M. to 9 P.M. And make that vote all along the top Republican line.

## Election

(Continued from Page 1)  
 for delays in voter registration and high school taxes.

"Elections in our County are conducted by a bi-partisan board, as is clearly provided by law," he pointed out. "Every effort was made by our Republican committeemen and many volunteers who were following the lead of President Eisenhower in seeking to get everyone registered to vote."

Commenting on the last-minute campaign of lies, Sullivan said the Democratic leaders were "either (1) stupid and don't know the truth about our Election laws, or (2) are deliberately and mislead the voters."

Local school tax rates, which are set by local Boards of Education on the basis of decisions by school district taxpayers, do not come into the sphere of town administration, Sullivan added, in answer to allegations by Democrats regarding "excessive school tax burdens."

Thousands from the mid-Island area were present for the Republican rally at Levittown last night (Wed.) when Richard M. Nixon and Jacob Javits were the featured speakers.

# Sell 40 Birchwood Homes Week

JERICO—A luxury home development in the medium and high priced bracket, Birchwood Park, here, has sold more than 900 homes for a total of \$30,000,000 within the past year. When the entire project is completed, and titles are being taken at the rate of 40 per week, Birchwood Park will have 2,600 homes. The 760-acre tract of land is adjacent to exit 35 on North State Parkway and will eventually have a complete shopping center and a public school right on the property.

Morris Sosnow and Leonard Schwartz head the Birchwood Park Homes group which have built more than 6,000 homes on Long Island during the past ten years. The Birchwood Park homes here have been designed by Stanley H. Klein, A.I.A.

The project represents an investment of more than \$70,000,000. Twenty acres have been set aside by the developers for a shopping center.

Any man can make a dozen opportunities for success while he is waiting for one to make itself for him.

## Troop 91 Reports

By ELWOOD S. KENT, Sr.  
HICKSVILLE — Troop 91 was honored by the presence of Cub Master Bill Di Bella from Pack 491 on Oct. 18. Bill instructed the Scouts in the art of "Semaphore". The Scouts were apt pupils, and a very good start toward increasing their knowledge of signaling was made. Thanks very much, Bill, for assisting Troop 91 in their program.

In the very near future the troop will again be honored by a celebrity who will instruct them in the art of "Canoeing". Walter Haner of Hicksville who has trained our Olympic Canoeing aspirants will devote some time toward instructing and narrating a film on this subject.

A day's hike was completed recently under the guidance of Scoutmaster Pasullo, and Junior Assistant Scoutmaster John Sholl. The scouts were put through a series of tests to determine their fitness for advancement.

## the Sportlight

By HOWARD FINNEGAN

It was over two and a half years ago that it was reported in this space that the Long Island YMCA was looking favorably on the Hicksville area for the site of its projected new installation.

The Committee in charge of selecting a site reported out some two weeks ago and along with three other sites, our community was named. The matter now rests with the Y. We do not profess to know the mechanics of the considerations but the committee certainly must be exploring the best advantages of selecting one of the four villages already screened.

It is in that regard that we are a bit appalled. The announcement hasn't stirred the community at all. We are mindful that some of our serious and distinguished citizens must be working quietly towards interesting the Y in building here, but the lack of response on the part of the rank and file is astonishing.

Of course, this is not a proposition wherein you hire a brass band, march to the Y's Hempstead location and loudly blast idle reasons for the selection of Hicksville.

Responsible people are never swayed or interested in such approaches. The area that gets the Y with its meeting rooms, swimming pool, athletic field, etc., will be the one that best can qualify as beneficial to the Y as the Y will be beneficial to it.

A united front with intelligent surveys as to possible points of location, a solid plan for fund raising and other factors along those lines could express a high degree of interest on the part of our community in getting what would be a great advantage to the many children of the Hicksville, Levittown, Plainview and Jericho areas.

WHERE IS THE LEADERSHIP?

Hicksville won, 13-7, with a picture play pass—Joe Naso to John Magee covering 41-yards—its encounter with Levittown and moved the Comets 1956 gridiron mark to 2 wins, 1 tie and 3 losses.

The final game of the season at Hicksville should see the Comets even the record this Saturday when hapless Roslyn visits. That would set the stage for a wind up on the winning side of the ledger in the Bethpage Bowl a week later against Farmingdale.

Levittown proved tougher than expected. A bad mix-up on a first period play saw the Panthers recover a loose Orange pass from Center on the Comet ten. Two plays later it was 7-0.

Relying on Dick Stillman almost continually, Hicksville ground out some 83-yards to knot the count 7-7. It was a fighting slant off left tackle by the free-wheeling Stillman for 38-yards that carried to the 2 and he accomplished that on the next play.

Late in the second period John Magee floated out behind the Panther defense and took a splendid pitch from Naso. He ran the last 20 yards all alone.

It was a morale booster both for Magee and Naso. It was only the second successful aerial of the season for the Comets but sparked the winners to a scrappy defensive game in the second half to protect the lead.

Magee and John Roberts were outstanding on defense and supplemented the always rock hard backing up of Vic Schadancy.

We as everyone will be guilty of placing overconfidence in the Comets by selecting them by four TDs this week-end. However, they have been kicked around a bit this year and are aware that the game is not won in the newspapers.

We point out that Howard Bowers may have to bring his second line backs into play because of the fact that a Roslyn capitulation could rob the season of a real good story.

Dick Stillman and John Roberts could well be established as the 1,000 yards twins if the course of the game allows them to see enough action. It would be a most unusual schoolboy attraction and frankly could get some colleges interested in them both. For both are very good.

For Roberts it is his senior year and he has scampered 541 yards in 58 rushes. After his heavy duty early in the season he doesn't get as many tries as before but should crack 650 if all stays the same.

To Bowers' delight he can look forward to Stillman's return for the 1957 campaign. And shouldn't the figures for Dick warm the coach's heart! He has gained 345 yards in 39 attempts.

Both lads are averaging 9.5 yards a try. And that is very commendable since Hicksville stays between the ends and rarely sweeps. The opponents know just about 9 times out of ten which way they are coming but it's 9.5 for the both.

There was a chance that Levittown would take one of the two non-league games instead of Westbury on next year's comet gridiron schedule but Chet Jaworski has decided that the Green Wave is a real traditional foe.

1,002 fans clicked in for the Westbury game. It was the third straight over 1,000 draw for the Comets and that never happened before. Levittown heralded a sharp reduction to 532 cash-on-the-line interested parties.

With 900 students in the school the student body of Hicksville has really proved hep for its team since of the 3,900 home paid this year about 3,100 have been from Hicksville.

East Meadow is the other none-league opponent for '57. The schedule in order reads: Westbury, East Meadow, Glen Cove, Mineola, Great Neck, Farmingdale, Garden City and Port Washington.

## 625 See Saints Entertain Covers

By ELWOOD S. KENT, Sr.  
HICKSVILLE — Glen Cove with an excellent ground attack beat St. Ignatius here, Sunday. Touchdowns, three of Stedman and one for Miller, highlighted for the aggressive Glen Cove team. The final score was 26-0.

The visitors had eleven first downs to two for the Saints and therein laid the story of the victory. St. Ignatius in the second half put on a sustained aerial attack that threatened to drive over the Glen Cove goal line but a fine interception took the spark out of the attack. Glen Cove then settled down to a kicking game and kept the "Saints" deep in their own territory for the remaining play.

Attendance was 625. Officials were Jacklin and Pinzo with Dr. Conolly attending physician.

Next week the Saints travel to Manhasset for their sixth game. The St. Ignatius team has one win, one tie and three losses. The team is young in experience. The coaching staff deserves credit for maintaining a spirited team after having

lost two of their very fine backs, McGinnigle and Condon, together with the loss of Biasi in one other game.

Nov. 10 is Rags and Pickup Paper Day and George Shanley urges one and all to gather materials for the drive. Contact your nearest CYO man for further details.

The St. Ignatius CYO Football Team travelled to Port Washington on Oct. 21 to play the undefeated strong "Port" team. The "Saints" displayed considerable improvement over their previous efforts, and fought the opposition for every point and down. Splendid defensive play by Condon, Bennett, and Lyman, featured the play of the "Saints" Hardick sparked the team in the last quarter with a tearing, fighting run of 15 yds. and it looked as if the "Saints" would score. The "Port"

line held and the one threat was overcome.

Forty autos packed with "Saints" rooters travelled to Port Washington but could not root the team in.

The "Saints" cheerleaders, a comely set of young girls, put on an excellent exhibition of cheer demonstrations, and bring great credit to their mentors.

Coach Harman got basketball off to an auspicious start at Burns

Ave. school, Oct. 22. The Gym was seething with fast cutting, backhands, and set shot artists, as the boys who were trying to impress Coach Harman and his staff. A number of short games were played, and the Coach instructed the boys in the rudiments of passing and teamwork. Practice sessions will continue to develop the teams for schedules to be announced.

Reminder — Big doings "Sports Night", Nov. 11 — school auditorium — Bring the family for a delightful, refreshing evening of sports entertainment.

## Finnegan's Predictions

PREDICTIONS: It was 12 right out of 16 last week so we stand 51 and 29 on the season. The first team named is our selection for this week-end. Baldwin-Lawrence, Bethpage-Island Trees, Great Neck-East Meadow, Uniondale-East Rock, Freeport-Mineola, Glen Cove-Farmingdale, Garden City-Manhasset, Hempstead-Massapequa, South Side-Hewlett, Levittown-Lynbrook, Oceanside-Long Beach, Wantagh-Malverne, White Plains-Oyster Bay, Westbury-Vest Hemp.

JOHN McNULTY of Syosset was winner of the television set awarded recently by the Hicksville International Babe Ruth League in a fund-raising campaign. The winner donated the set back to the League, according to President Vincent D'Angelo because he felt the League could use the money more than he. (Herald photo by Frank Mallett).

## Hall Sees Victory for Ike and Dick

Republican National Chairman Leonard W. Hall of Oyster Bay, who is also chairman of the Oyster Bay Town Republican Committee, predicts an overwhelming victory for the Eisenhower-Nixon-Jawits ticket approaching the 1952 sweep according to the lead article in the November issue of "Straight from the Shoulder", official publication of the Republican National Committee which appears this week.

### Democrats Plan Final Rally

A mammoth rally will be held on Monday, Nov. 5, Election Eve, at the North Bethpage Civic Assn. Hall on Stewart Ave. in Bethpage. The rally sponsored by the Plainview Democratic Club will have as its guest speakers: T. Bronson O'Reilly, Candidate for Congress; Harold Merritt, Candidate for State Senate; and Robert Connolly, Candidate for Assembly.

Other speakers are expected to be present at the rally, one of which will be a special guest from the "Stevenson for President" group. Admission to the public is free, and refreshments will be served. The rally will start at 8:30 a.m., and since there are limited number of seats, the public is requested to arrive early.

Tom Granito, President of the Club, stated that a seat for new members will be given into the Club the same night.

are appearing everywhere", Mr. Hall said. But he coupled his prediction with a warning that the big victory would not be achieved unless every state, county and election district organization did its job on Election Day next Tuesday. Polls are open from 6 a.m. to 9 p.m.

"The voters want Ike but we must get them to the polls", he said. "I call on every American who supports the President to go to the polls on Election Day. And I urge each one to get his family, his neighbors and his friends to do the same. If we do our job on Election Day, I'm sure the American people will give the President a thunderous and overwhelming vote of approval."

"Straight from the Shoulder", which goes to half a million party workers, said: "While evidence of the snowballing Republican drive in the final days appear everywhere, signs of defeat plague the Stevenson camp. The prediction of many gloomy Democrats that they nominated a loser in Chicago is coming true. Demoralization in the Stevenson camp is rampant, based on his poor campaign, his small, disinterested crowds and his low-level attacks on the President. Many prominent Democrats are ready to say, 'I told you so.'"

The choice facing the American voter on Nov. 5th, the Journal said, is "between President Dwight D. Eisenhower, a man of few words and many great deeds—and Adlai E. Stevenson, a man of many words and very few deeds."

Oyster Bay Town Republicans will receive Election night returns as they have traditionally over the years at Rothman's East Norwich Inn where a teletype machine has been installed to receive results from across the nation. Committee

men and workers will also gather to hear the results at victory celebrations in Hicksville, Bethpage and Massapequa.

Maybe you've already found that it's easier to roll out your pie crust on wax paper. To keep the paper from sliding, just wipe your table or counter with a damp cloth. Then the wax paper will remain firm.

There's nothing quite so satisfying as turning out your very own extra-special home baking. It's your individual touch that counts—and wins your family's praise.

And Heckers' certainly makes the difference. Good bakers always start with the basic fundamentals—and there's nothing more basic than Heckers' flour. Heckers' is UNBLEACHED and NATURALLY WHITE—because it is allowed to turn its own snowy white under nature's careful attention. But, despite its careful production, Heckers' costs no more than other flours. That's why economy goes hand-in-hand with fuller flavor, better texture, and finer appearance—when you bake with Heckers'.

How about this Fall "quick-and-easy" to bring the family back for more: Slice generous portions of canned corned beef hash, top each with a tomato slice, and sprinkle freely with grated cheese. Broil until the cheese is melted and the hash is thoroughly warmed.

And here's an old-fashioned Brown and White Marble Cake that probably was one of your grandmother's favorites.
