Hungarian Relief Gets Support

HICKSVILLE - The Committee for Hungarian Liberation, Inc., of which Emil J. Szendy of 5 Walnut La., here, is local chairman, has reported that the response of Long Islanders to their appeal for contributions has been tremendous. The plight of the Hungarian refugees has touched the hearts of the nation, he said, and the continuous flow of money will insure the successful alleviation of the trials and tribulations these people are going through.

Cash contributions for the relief of the Hungarian people may be mailed to Szendy, or left at the Herald office, 98 North Broadway, next to the Post Office. Checks should be made to The Committee for Hungarian Liberation, Inc.

Many Recall Old Picture

The picture published in the MID-ISLAND HERALD last week, testing the memory of local residents, showed a portion of North Broadway in front of St. John's Rectory which is today the site of Mid Island Plaza. Dozens of replies were received and under the contest rules of FIRST and MOST COMPLETE answers, the winner of the \$5 award was W. Arnold Jeanson. His reply and a present day view of the same site will appear in the HERALD next week. Another old time picture will be published in an early issue.

Name Advisory Zoning Board

Oyster Bay - Three prominent Township residents, well-known for their civic activity, have been appointed by the Town Board as a special Citizens' Advisory Committee on Zoning. It was disclosed today by Supervisor Lewis N. Waters. They are Henry G. Eisenmann of Hicksville, Ernest R. Chamberlin of Oyster Bay, and J. Lewis Ames of Massapequa.

Appointment of the non-salaried committee, representing each area of the township, Waters said, was in line with the township's continuing efforts to keep pace with the tremendous growth in population and land use in the 108-square miles of Oyster Bay Town.

Tragedy Spurs Safety Efforts

HICKSVILLE --- While a solemn Requiem Mass was being sung at St. Ignatius Loyola R. C. Church here this morning (Thurs.) for Julie Santacroce, of 56 Libby Ave., 17-year-old victim of a tragic highway accident last Sunday morning, vigorous efforts were being made to obtain the installation of additional stop signs in the North West section.

The accident occurred at the corner of Myers Ave. and Nevada St. when a car driven by Frank J. Fuller of 10 Myers Ave. and Mrs. Angie Hodgson of 76 Kuhl Ave., collided.

Miss Santacroce, who was riding with Fuller together with her sister, Corance, 15, was thrown from the car as a result of the collision and died almost instantly. In addition to her sister, she is survived by her parents, Mr. and Mrs. Paul Santacroce, and a brother, Robin. She resided at Henry J. Stock Funeral Home until 10 AM this morning. OFF NEWBRIDGE ROAD More Frequent Bus Service To Plaza

by Ruth Conti
WE 1-7512

It seems as though the holiday season creeps up on us before we realize it and here it is past Thanksgiving already. There are quite a few birthdays and new births so I will list those first. "Congratulations to Rose and Vincent Genovese of 20 Plover Lane on the birth of their daughter, Mary Nina Genovese on July 17 at Mid-Island Hospital and weighed in at 7 lbs. 1-2 ounces.

Happy Birthday to Frank Barbieri of 38 Croyden Lane who was one year old on Nov. 16 and celebrated with a small family party at home with his sister Linda Ann and mother and father. Happy Birthday also to Linda Luerkroger who was 6 years old on Nov. 14 and celebrated by going on a trip to Florida with her mother and father of 21 Stanford Lane as well as with her sisters.

Happy Anniversary to Sadie and Tony Toscano of 30 Boulevard Dr. who celebrated their 8th wedding anniversary on Nov. 28 and they also celebrated Mrs. Toscano's birthday on Nov. 25. Happy Birthday to Vincent James Morra of 42 Fordham Ave. who was 1 year old on Nov. 6 and celebrated at home with his sister Jean Marie and Robert and Joseph who are his brothers.

Happy Birthday to Richard Allan Doolittle of 292 Division Ave. who was one year old on Nov. 18. Congratulations also to his father, Warren Doolittle, who was recently appointed Assistant District Attorney of Nassau County. We will be sorry to see the Doolittles move from the Allied Homes but they are just going a little bit away up to Murray Manor which is still in Hicksville.

Birthday greetings also to Roseann Jaroslowski who was one year old on Nov. 20 and also to Douglas Robert Flumara of 18 Croyden Lane who was also one year old on Nov. 17. Roseann lives at 23 Croyden Lane.

Happy Birthday to Ethelyn Victoria Enos who was one year old on Nov. 26 and celebrated at her home at 37 Glenbrook Road.

An interesting meeting was held at the Fork Lane School when Dr. Sidney Rausch of the Reading Clinic at Hofstra College was the

Dear Jean:

We know now what Mac the Plainview Mail Bag has been hiding in the rear of his Plymouth. Not only are there mice, lard, papers but if there is anyone interested in beans, potato salad, ham and rolls contact the old boy, he can take care of you. Who is the red-head who insisted on waking EMALINA up on Saturday night, or shall we say, early Sunday morning? Get well wishes to little "UGENE" BOGART of Chestnut St., Hicksville who is home recuperating after a few days in the hospital. Mr. and Mrs. AUGUST RECK and son, David Chas. of Maryland, spent the holiday week-end with Mrs. Reck's parents, Mr. and Mrs. CHARLES SHARRETT, Center St., Hicksville. The Ladies Auxiliary to the Hicksville Dept. will meet on Tues. evening, Dec. 4, at the E. Marie St. firehouse. We understand that "JERSEY JOYCE" of Summit, N.J., will be back in Hicksville for the week-end.

Former School Superintendent ERE H. LE BARRON presented perfect attendance tabs to the following Hicksville Kiwanis last week: AL RICHMOND, for 8 years; JAMES WALTERS, 7 yrs; Club President SAM PACE, 6 yrs; JOHN SPIZZIO, 6 yrs; GEORGE SPOHRER, 2 yrs; FLEM HARDING, 2 yrs; DICK WARBURTON, 1 yr; TONY PLONSKI, 4 yrs; DAVE HOFFMAN, 4 yrs; and AL HEUER, 8 yrs. FLEM recently had PHIL ROBINSON as his guest at a Kiwanis lunch, paying off an election bet. Newest members of the Kiwanis club are JOHN CARRO and LEE MARCANTONIO. Dr. WALLACE LAMB introduced as speakers at the Hicksville Rotary recently, FLORENCE WEBER and FRANKLIN BERRY of the High School faculty, discussing career guidance. Jericho Principal KENNETH LANT thanked the speakers for the club. LI NATIONAL BANK expects to open its new Mannetto Hill office, Plainview, on Dec. 8. Couple of construction workers on the 2-story building were injured last week when a gas heater in the bank's vault, which had apparently gone out during the night, contributed to an explosion when workmen opened up in the morning. Our sister publication, the PLAINVIEW HERALD, concludes its first complete year of community service, this week. The Community Centre Building at Jerusalem Ave. and Nicholas which was closed as a youth center on Jan. 8 is scheduled to feel the bite of the demolition axe shortly. The structure for a time was the temporary headquarters of LIU before they took over the Davies estate in Brookville.

Jericho Jewish Centre is sponsoring a Youth Group program headed by E. MARCUS as director, with registration for teens this Sunday, Dec. 2, followed by a dance and refreshments. These days everyone (it seems like) is out getting his deer -- oops, deer. Among those who got a deer was JIM MATTENZO which we hear was bought, not shot. Observing the Mid Island Plaza Santa parade, DOLLY L. ASTDROFF says that if you stopped to pick something up during the "parade" you would have missed the whole thing. When the Legion Auxiliary held their cake sale on Nov. 16, the two 15-lb. turkeys were won by MRS. ROBERT HANSEL of 135 Cottage Blvd. and MRS. TECLA MADDEN of 41 First St., both Hicksville. Nassau set a record in the election with 95 per cent of those eligible casting their ballots. MAL GERTZEN who is state AMVETS vice commander leaves Saturday for Schenectady and Albany on vet organization business. Telephone Co. is asking for another rate increase. THOMAS COTTONE of 130 Dean St. and PAUL CATTI of 251 Lee Ave., both Hicksville, were robbed of a \$6,000 payroll in Garden City, Friday morning, as they left the home of Tom's brother ANTHONY, who is a contractor. Duffy Park Civic Assoc. meets tonight (Thurs.) in Old Country Rd. School to plan their Christmas Eve visitations by Santa. Santa was due in Woodbury Gardens area last Saturday morning with a party for the kids of Woodland Ave. School. Don't try to get your new auto plates, starting Monday, unless you have that FS-1 form from your insurance agent.

guest speaker of the evening. There were also nominations made for the office of Vice-President who is to be elected at the December meeting.

An interesting meeting was also held by the Holy Name Society of Holy Family RC church on Nov. 19. James Burke, remedial reading teacher in our local schools, discussed the reasons "Why Johnny Can't Read" and it was a very educational meeting. Have any of you read the book by Rudolf Flesch? It is very interesting and will certainly interest any parents whose children are having trouble reading and spelling.

A good time was also had by all the people who attended the Rotary "Atar Society Military Bridge and Card Party held at the

Holy Family auditorium on Nov. 16 at 8:30.

I guess by now everyone around here has been out to the Mid-Island Shopping Plaza, but isn't it fabulous? Quite a few of the girls around here are also working at one or more of the shops there. The only complaint I have is that the limpsstead to Hicksville bus does not run often enough to take people over there. We waited 40 minutes for the bus going and returning and at that rate I'm sure people won't be bothered going by bus when it takes so long between buses. Also did you know that you have to pay full fare for any children over two years old? I'm sure in the city we did not have to pay for the children until they were five years old.

Law Student Is Boston Scholar

BOSTON, MASS. - George T. Strzetelski, son of Mr. and Mrs. T. Strzetelski of 93 Spindle Rd., Hicksville, a second year student at the Boston University School of Law, has been awarded the Frank E. H. Gary Scholarship at the University.

The Grant, established in memory of a former acting assistant dean at the School of Law, is awarded annually by the Dean to outstanding students at the School. The Boston University School of Law was organized in 1872 with the cooperation and assistance of leading members of the Boston Bar. It is the first Law School in the country to introduce and maintain a scientifically graded three year course of study.

Strzetelski is a graduate of Phillips Andover Academy and received his A.B. Degree from Duke University in 1955. He is married. When he graduates from Boston University, he will receive the J.D. Degree.

TRAGEDY SPURS SAFETY (continued from pg. 1)

at LI National Cemetery, Pineblawn. Current and past officers of the NW Civic Assoc. charged this week that effort to obtain the installation at various street intersections in an effort to slow the movement of traffic have been unsuccessful to date. They said that traffic authorities had declined to recommend installation of more stop signs in the area only a few weeks ago.

Councilman Henry McInnes assured residents of the area that the Town Board stands ready to order installation of such signs and safety devices as the police authorities, following surveys,

would recommend.

The School Board Safety Committee, headed by Trustee Robert Eaton, had recommended on Sept. 10 that stop signs be placed at the fatal corner as well as California and Indiana Sts. where they intersect with Kuhl, Gardner and Myers Aves. as part of the safety program for the Burns Ave. School in connection with the opening of Mid Island Plaza. Eaton's request went to the Town Supervisor and was subsequently referred to the police for study.

North West area residents admitted this week that the opening of Mid Island Plaza has not increased the movement of highway traffic on their neighborhood streets.

Legionnaires' Log

by Artie Rutz

A cheerful Hello to Fred Davis, Commander 1956-57, who has been house bound for quite a spell. Thanks again for all the wonderful work you have done in the past for the Legion and we all look forward to seeing you again in the future.

Don't forget all you Legion gals, we want to see you all of you at our Dec. 3 meeting so that you may enjoy Gene Nye's wonderful oratory with us. Rudy Bouse no doubt will cook up something special for all of us.

A warm Legion welcome to new Legionnaire Creste Dagna. The Color Guard Shuffleboard team (Bob Mangels, Bob Sutton, Bob Hasel and Artie Rutz) hereby challenges anyone for the Post championship.

Jim Arenmann, inquisitive Bartender, was really holding forth at the last meeting; Steve Wladyska was in stitches.

- ALWAYS -- ELEVEN STEPS TO OBLIVION -- ALWAYS**
1. Always have something else to do when a meeting is called.
 2. Always when you attend a meeting, be sure to find fault with the officers and fellow members.
 3. Always decline to hold office, as it is much easier to criticize than to be criticized.
 4. Always get sore when you are put on a committee and fail to serve.
 5. Always consider it too much bother to wear your uniform, shirt, or cap.
 6. Always cheerfully help to deplete the Treasury but never help in building it up.
 7. Always if the Commander asks for opinions, keep silent—but tell others later what should have been done.
 8. Always when a few people roll up their sleeves to get things done, always grumble that a clique is running the organization.

9. Always stick to repeating what you have done in the past, never the future.

10. Always put off paying your dues as long as possible.

11. Always do not trouble yourself about getting new members.

Third Vice Commander Ed Hodkinson is in charge of Santa Claus this year, with Bob Sutton, Bob Hasel, Mike Palladino and Artie Rutz as his helpers for the Kids' Xmas party on Dec. 23 at Legion Hall, bring ALL the kids.

A note of appreciation to Bob Beard for those extra trips he makes to the hall on our behalf on off days when we need help.

A brand new AMERICAN FLAG would make a beautiful Xmas gift for the family, see Jack Ehmann and make everybody happy.

Guy Smith has plenty of American Legion decals for your windshields, ask for them.

"Our good Samaritan drove a telephone truck!"

"There we were - miles from the nearest service station, with a blowout, a flat spare tire and no pump. Things couldn't have been much worse. Then, suddenly, help was right there beside us. A telephone truck! The driver asked if he could help. Then he pumped up our spare with a cylinder of compressed air he carried on his truck. When we tried to thank him, he explained that it was the telephone company's policy to be of service. And, believe me, he sure lived up to that policy."

PLAINVIEW WATER ELECTION. MAGGIO TO OPPOSE SEGALL

Gus Maggio of 690 Blanche St. has announced his candidacy for the position of Water Commissioner in the Dec. 4 election. This puts a second candidate in what was heretofore a clear field for the incumbent and President of the Board of Water Commissioners, Joseph Segall, who announced last month that he would stand for re-election.

Maggio is a past commander of the Plainview Post 1812 of the American Legion and an officer of the Honor Society of the Legion. He is a committeeman for Boy Scout Troop 416, which is sponsored by the Legion, and the Legion's Civil Defense Chairman. Under Maggio's leadership an Americanism award which is given annually to a worthy student was established in the schools. He has also played a major role in annual visits to local orphanages and veterans' hospitals.

Maggio is also a Director of the Chamber of Commerce and has served as vice-chairman of the Boy Scout finance drive for four years and as an area chairman of the 1956 Red Cross drive.

According to his resume of community activities, Maggio added in formulating the teenage program, assisted in planning children's holiday program, spearheaded the drive to promote a bicycle safety program, and was instrumental in children's moving picture program.

Albert Blumvial and Matthew D'Andrea, campaign co-chairmen for Maggio, stressed his "excellent business background and interest in community affairs."

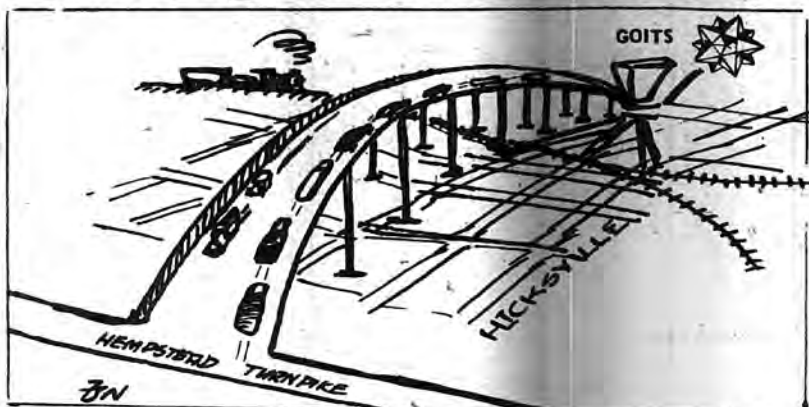

Joseph Segall, President of the Water Commissioners, who is running for another three year term, reviewed his record and that of the Water District in asking for support in the Dec. 4 election.

Pointing out that Plainview is presently in one of the lowest rate areas for water charges, Segall said that when he took office water rates were 55¢ per 1000 gallons and the tax rate was 30¢ per \$100 of assessed valuation. As of Jan. 1 the water rate will be 30¢ and the tax rate, 18¢.

He attributed this to the foresight of the Board of Water Commissioners in planning ahead. Some of the techniques utilized, he said, were purchasing land when prices were low; buying material on competitive bid to get the lowest possible prices; and changing to a high-low pressure system to save money and lengthen the life of the pipes being put in. In addition, Segall said, it has made good business sense to switch from sub-contracting much of the district's work to having our own employees and equipment do it. "This has resulted in savings of thousands of dollars in just a short time, and we will continue to reap this harvest of foresighted planning in the future operations of the district."

On a motion by Segall and through his continuous efforts the L.L. Water Works Assn. is now actively engaged in challenging county and town laws which are discriminatory. "When either the town or county widens any road going through Plainview, although this road will benefit the whole

Solving the Traffic Problem

population," he said, "Plainview taxpayers have to pay the cost of relocating any water mains. Federal and state governments recognize this inequality and will pay relocation costs. We hope to work out a method whereby the town and county will do the same."

"These and many more innovations have made the Plainview Water District one of the most respected on L.I. Our organizational procedures have been copied by many other districts," Segall said. "We have been praised for being able to reduce rates and still have one of the most modern and efficient districts."

Reading Helps Nicholai Topic

The last meeting of the Nicholai St. School P.T.A. of Hicksville heard Miss Barbara Gillis, reading consultant. Her topic was "Reading helps for children, in the school, in the home."

Miss Gillis outlined the ways in which reading was taught, and why parents can not use the same books with the children at home. They are not just "readers", but "teaching" books, in which a gradual introduction into different phases of the structure of the English language are taught. She also told of ways in which to help children who have difficulty in reading. Games such as "Word Bingo" helps familiarize them with certain troublesome words.

Immediately preceding the program the P.T.A. approved the proposed budget, as well as the election of Mrs. Lloyd Lee as recording secretary.

The attendance banner was awarded to Mrs. Schlaff's class, who had 39% of the parents in attendance at the meeting.

Plans by Mrs. William Bosch's ways and means committee for a fashion show are now in progress.

Scouts Attend Leader Confab

by Elwood S. Kent

Hicksville - The following scouts of troop 91 attended a Junior Leader conference held at the High school from 9 a.m. to 4:30 p.m. on Nov. 24 under the guidance of Asst. Scoutmaster Cammarata: Martino, Giamanco, Kent, Gillelte, Fasulle, Emmel, Newel, France, Sternlieb, Little, Brosnan, and McGinnigle.

An excellent program was instituted, aimed toward instruction, cooperation, and morale building. The conference was well received

by the scouts, and once again the Tri-Parkway District scored a bulls-eye as they took a year's material and got it over to the group in one day.

Certificates attesting to the attendance were issued, together with a neckerchief slide and scout pamphlets. Programs, such as these, can only tend to increase the value and knowledge of scouting.

The "Troop" holds their annual Christmas party on Dec. 13, at the St. Ignatius school. Prizes not exceeding 25 cents in value should be brought for the Grab Bag. The masterminding of the operations is being guided by Mrs. Fasulle and her committee. This insures a successful evening for the scouts. Remember - Dec. 13, for the party.

The new Ford Fairlane 500

A new kind of Ford with that Sculptured Look and Thunderbird "Go"

The new Ford Custom 300

From a proved-in-action "Inner Ford" stems a whole car that's built to stay young for years

The moment you see this new kind of Ford, you'll know you're seeing something that's completely new—completely different.

Ford's road-hugging '57 models are as much as four inches lower—up to nine inches longer. And there's a choice of two big-car sizes: the big Custom and Custom 300's—over 16 feet long, and the even bigger Fairlane and Fairlane 500's—over 17 feet long.

The longer, lower lines that give you that "sculptured look," the power of its Thunderbird V-8... these are just the beginnings of the story of the '57 Ford. Underneath there's a built-to-last "Inner Ford" with features that

are a challenge to even the high-priced cars.

RAG PICKERS IN THE END ZONE

By Howard Finnegan

Explosive tempers were evident as loaded Lynbrook invaded Hicksville to inaugurate the 1944 High School football season.

With 21 of 24 lettermen gone from the 1943 machine, Hicksville High wasn't supposed to make much of a stand against the Owls. Lynbrook was smarting to avenge the 26-12 jarring with the Comets recorded ten months before.

The green Hicksville crew seized opportunity as its ally, Ed Coleman, who with tackle Mike Gregg and Center Charlie Lieb, were the only experienced players, intercepted a pass and in three plays plowed over from the ten.

Fred Eisman picked off another aerial and romped 56 yards to make it 12-0 at halftime. After a successful Owl drive for a score Sid Rigby spurred Hicksville with a fancy 28-yard broken field dash. An Eisman to Coleman pass for 16 was the key before the latter rattled the final 16 yards for the clincher.

It was hard bitten but a sturdy 19-13 upset.

The resolute stand provided the industrious Lou Millevolte and his assistant line coach, Dom Sabatella, with a working edge.

The coaches worked hard. Two weeks later, Guard Phil Zukofsky, and tackle Bill Mancelski were varsity in their first year out. George Van Wicker and Arrie Segretto anchored at the ends and Joe Lynch dug in at guard.

Herman Rigby, who Valentine were new but valuable as reserve ends. John Logan filled in at guard or tackle and Gus Econopoulis started his service at center. Ed Rusch, Bob Quinlan, Bill Lenzner, George Luback and John Allen vied for backfield positions.

Millevolte had plenty of time to run his play and learn system as Hicksville rolled over Port Washington 32-0 and Roslyn 45-0.

Again the clash with Westbury loomed as the major test and the Comets vowed they would not lose it. However the day of the game dawned with a driving rain which prevailed throughout the Orange offense.

In a special coverage story the New York Herald Tribune related it this way:

"WESTBURY --- With Ed Coleman, Nassau County's leading scorer, gaining every yard of a sixty yard ground march in the third period, Hicksville's football team continued unbeaten by shading Westbury, 7-0, before 1,500 rain drenched spectators. The individual star was gained 256 yards rushing despite the muddy going! made sure of the extra point with a plunge."

Senior Cagers Open Season

By Elwood S. Kent, Sr.

HICKSVILLE - The senior Division Intra-Park Basketball League initiated the season's opening with two skirmishes with the Warriors defeating the Celtics 35 - 25; and the Knicks defeating the Royals 30 - 6.

Costello and Cassidy were brilliant for the Warriors as they scored 12 points each. Talbot, for the losers, valiantly hit the basket for 12 points also and kept the Celtics in the game right up to the finish.

Bennett of the Knicks was high scorer with 14 points as his team mates time and again sent the ball to him for dropping into the net. Bennett was equal to the task; and

Sandwiched in that drive was a stunning fourth down pass from Eisman to Valentine, who made a desperate catch. The 15 yards recouped ground lost by a holding penalty.

Westbury reached the Hicksville nine with two minutes left but Coleman making three tackles behind the line of scrimmage the issue was resolved when Eisman batted down the fourth pass.

For those who find the soldness of football in crisp, hard blocking the 39-6 victory at Meham was something.

With Orange shirts cutting the Bucs down like a reaper in a Kansas wheat field, Coleman ran 55-52 and 54 yards to tally. And with equal cooperation Lieb and Luback returned interceptions 35 and 51 yards to TD's. Segretto took a 19-yard pass from Eisman to record the other.

Head official, Frank Gunther lauded Hicksville with a locker room observation that "That was the best drilled high school team I have ever seen." Gunther officiated three Army games that season and two weeks later was field judge for the Army-Navy game at Baltimore.

Coleman finished his career at Farmingdale as Hicksville's first undefeated, untied campaign with a 34-0 win. He went over four times to take the County scoring honors with 100 points.

The Millevolte-Hicksville margin reached a high point of 16 wins, 1 loss and 3 ties in three seasons.

ANOTHER SEASON

1945 was beset with many serious problems. Hicksville, despite the fact that it only had two lettermen returning, could not get opponents near its own size. This forced the school to change its policy and schedule clubs with enrollment three times its size. Freeport was the first big power added and Millevolte took on Oceanside. Despite the return of every member of the Salter's 1944 club which hung up a 3-2 mark.

A devastating blow came when the Comets were left without a home field by a cumbersome athletic plant renovation.

In sprawling Freeport stadium,

the first period saw Lou Sinatra pull the center on an attempted punt and Econopoulis roared in to block the kick. It landed in Segretto's arms and in little time he ran the 13-yards needed for the score. Lou Koji plunged for the extra.

The fine kicking of Pat Hennerly and Ed Stetz kept the Red Devils at bay and in the second period Stetz looped a 44-yard forward to Sinatra in the corner for a TD. It ended 14-0.

First class Meham had to rally in the last two minutes to gain a spirited 12-22 tie. Bill Lenzner had carried 17 yards on a reverse and Stetz made it from the two for a 6-0 lead. In the third stanza Ken German threw Stetz a long pass. Pete Haughey and Ed Rusch gained 11 yards and Stetz capped the 77-yard drive with a scoring belt from the 3.

Oceanside provided the rugged test. In a contest of fierce line play the hosts scored first for a 7-0 lead. As they attempted to build on it Stetz intercepted and returned 58 yards to the 2. Andy Heberer and Hy Thomas provided key blocks.

German scored. Rusch reversed for the extra point and a tie. The deadlock was broken in the final period with German again scoring.

Hicksville held to its role as the biggest surprise of the 1945 season with a 6-0 triumph over dogged Farmingdale in the Belpage State Park stadium. George Van Wicker cracked over for the winning tally.

Westbury was held in high esteem by the selection committee for the first North Shore Turkey Day bowl game and loomed as a dark challenge to Mineola's glittering record. The County seat lads had already won their invitation but Hicksville with a streak of 11 games without a loss was also in the running.

Since Hicksville was without a field the game had to be played at Westbury. In a round contest in which just a lone penalty for offside was called all day, Hicksville trailed 20-0 at halftime.

In an exhausting second half rally Hicksville drove hard at the Westbury tackles with steady slashes by Van Wicker and Stetz. The basis for hope seemed gone but a long pass to Lou Koji from Van Wicker got one score and just before the fourth period started Stetz hit Rigby with a 34-yard scoring toss to make the count 20-13.

At that time everyone recalled the brilliant 21 point second half rally of 1942 and with eight minutes left Hicksville pushed inside the Green Wave 20.

(Final article in this series will appear in the next issue of the HERALD).

By HOWARD FINNEGAN

Having laid a healthy, vigorous foundation in his nine year tenure, Chet Jaworski was expected to be very sure of the ability and leadership of the man he would give up his reign as Hicksville High basketball coach to.

He was. Those who know just how much care Jaworski put into making basketball a flourishing sport at Hicksville realize that the best endorsement that Ed Petro can have is that Jaworski was whole heartedly for him.

Our community will shortly come to know just how fortunate it is to have Ed on the faculty and as the director of the high school basketball team.

Hicksville will come upon the 1956-'57 scene as an unknown, untried quantity. However, Petro looks forward to a good season as he tries to mold a comparatively young team into a unit.

"We have good speed and the boys have all around good shooting", is his first observation. As to the style he hopes to play he relates, "We will definitely run. We will run with the ball and more important we are going to be a shooting club. We expect to do a good deal of shooting from the Rhode Island State patterns but will resort to other styles as situations dictate."

"So far we have the makings of a well balanced club. The boys are good off the boards and demonstrate that each can shoot from his own area. Our main concern is that we must come along defensively and the speed is going to aid us there."

That he is striving for a sound unit is underscored when he says, "I am not a coach who likes a team with a single star for one player is easy for most teams to stop. A good team is built on ten or 12 boys who can fill in at any time. You can get in a lot of trouble if you do not have one or two boys to throw in if a couple of others go sour. And you must have a team to be able to do that."

For the present veteran John Magee, Frank Petri, Larry Kneiter, Mickey Moskow and Howard Liptman appear to be competing for the starting squad.

However, Petro cautions, "We will be a two platoon team and John Roberts, Robert Sloan, Dan Van Sise, Frank Estrada and Peter Nygren will have plenty of playing time accorded."

Louis Bernard and Fritz Pawlitschek round out the team. Petro is high on Fritz commenting, "He is just a sophomore but he could be the second best rebounder on the team. John Magee ranks up front in that respect. Fritz possesses a very fine touch and we expect a lot from him."

Everyone up at HHS was more than pleased by the tremendous turnout for the basketball activity. More than 160 boys responded to the call and had an entire week's workout before the coaches cut the squads to working size.

Those kids who did not make the teams were urged to compete in the highly competitive intra-mural program with the assurances that coaches will be on the look out for those who improve. The important factor is that all will be engaged in the activity.

John Mazur is coaching the Jay Vee and has a big squad. Berth winners were Mickey Anglin, Joe Naso, Steve Peschel, Larry Slofkin, Ronald Sealy, Leo Stee, Steve Dunefsky, Phil Lorenzo, Leo Kanowada, Kenny Krieb, Lenay Flerstein, Walter MacCarrom, Gary De Felice and Phil Anselmo.

The 7th and 8th Grade team are coached by Clinton Miller and Larry Garzaio. Carman Gileola and Lou Crandall handle the Junior High Five. William Anderson assists Mr. Petro with the varsity.

Performing all the necessary duties involved for the coaches are student managers Kenny Malm, John Dounalis and Marty Watkins.

Hicksville opens its 1956-'57 season at Port Washington on Dec. 7th and plays home against Garden City Dec. 11. The latter is an afternoon date unfortunately.

As an added encouragement for the boys involved and for the enjoyment of the patrons Ed Petro has announced that between halves of the basketball games a Gymnastic team will hold exhibitions.

The execution on the Trampoline, Swedish Bar, Parallel bar and related apparatus has become an entertaining feature of the bigger college games and should be well received here.

Michael "Cha Cha" Cassemesnia is captain of twenty man Gymnastic team.

The Nassau County Amateur Basketball League has requested those interests in Hicksville basketball to reconsider and floor a team in the semi-pro loop this season. With so long representation in Nassau County ranks the league found it impossible to conceive that Hicksville would abandon the sport.

The move definitely was a stimulant to local pride and the unprecedented application extension may give Hicksville an entry. It will be a big task but it may be successful.
