SUPPLEMENTAL BUDGET:

Set Vote To Spend Surplus

HICKSVILLE—Qualified voters of school district will cast their votes on Thursday, Jan. 29, between 4 and 10 PM at the high school auditorium on the question of a \$148,475.16 supplemental appropriation. The funds are now available as surplus and will not result in an additional tax upon the district, a spokesman for the school board said this week.

While more than 2,000 persons are duly qualified to vote by previous registration since last April, those not registered may enroll at the high school on Saturday, Jan. 17, between 4 and 9 P.M.

The appropriation will cover the additional \$50,000 needed to provide school bus transportation for the balance of the year, balance of payments upon property for the Woodland Ave school site and other incidental requirements, it was learned. The surplus has resulted from state aid received in excess of anticipation since the annual tax rate was set before the amount of state assistance could be verified. Under a new state law on such aid, the district will be able to determine in advance and with accuracy the amount of aid to be anticipated, the board spokesman stated.

Lordi May Fill Big Jericho Pit

OYSTER BAY — Plans to fill in the Lordi - owned sand pits on Brush Hollow Rd. near Northern State Parkway, Jericho, if the Town Board approves a request to rezone the tract to an industrial zone were outlined at a hearing before the Town Board in Town Hall here Tuesday morning.

Frank Lordi asked the Board to change the zone of a 48.6 acre tract of land including the sand pits from its present residential zone to an industrial zone. His attorney, Edwin R. Lynde of Massapequa, said that 10 acres of the 14-acre sand pit would be filled in immediately and landscaped into an attractive industrial site that will be taxable.

Lynde said Lordi would abide by any covenants made by the Town Board similar to restriction placed on the new Coca Cola plant in the same area.

Chester Blakelock of the L.I. State Park Commission said at the hearing the Commission is not opposed to the zone change but asked for more time to study the restrictions requested by the Town Board.

The Jericho Taxpayers Assoc. voiced approval at the hearing of the zone change if restrictions are made by the Town Board.

Anyone for Tennis?

By FRED J. NORTH

ANYONE is confused at this point about the hassle over Levitt's White Elephant Hall (post office address, Hicksville, N. Y.) . . . he can consider himself quite normal.

The daily press yesterday quoted Hempstead Township supervisor Harold Herman as appealing to Levitt to reopen the "closed" Hall. The quote goes further and says Levitt's spokesman answered: not until the public officials do what r. Levitt dictates.

Mr. Herman brushes aside opinions on the issue by residents of Hicksville on the grounds that he's from Hempstead township and they are from Oyster Bay Township. But, according to the press, he worries about a building in Oyster Bay Township.

Oyster Bay Supervisor Charles E. Ransom makes the not encouraging declaration: He does not favor any form tax imposition on the area unless there is a referendum of the people concerned.

Considering the remarkably few people who are actually fighting this battle of the headlines, it would appear that the Oyster Bay Pools Committee public meeting set for Jan. 20 in Hicksville High offers an ideal opportunity for all concerned to thrash out the issues and to clear the air.

HALHO Board Seeks Resolution In 10 Days

HICKSVILLE — The executive board of the South Hicksville Association of Levitt Home Owners has approved its membership policy to proceed with efforts to reach agreement from the North Levitt Home Owners Assoc. on the subject of the 2300-home area, which shall be done about Levitt's Hall, two swimming pools in a community and a 7-acre tract land planned for development as "park". The properties are now owned by Levitt and Sons, developer of the 2300-home area, who want to discontinue paying the cost of operation and maintenance.

SET TIME LIMIT

The motion adopted at a meeting in the high school auditorium, Tuesday night, set a 10-day time limit on negotiations. The meeting originally was announced by resident Arthur Schwartz for the Old Country Rd. School auditorium.

Schwartz, who at the Nov. 18 HALHO meeting made it plain that he wanted the courts to settle a question of Levitt's advertised "free use" of facilities, and the group on Tuesday night at his executive board had met with NLEHO officers on the question of a public debate of the entire matter tentatively set for Jan. 21. The "conferences", he added, developed into an informal argument on the issue itself.

"In the past few days a number of untrue things have been said" but these conferences and he noted it plainly understood "that nobody is selling SHALHO or the amunity down the river."

With Robert Wathey, vice-president, in the chair, Schwartz said the plan apparently agreed to by the NLEHO leadership would cost the Levitt homeowner \$50 per year on a three-part

basis: The park land would be deeded by Levitt to Hicksville Park and Parking District, the pools would be operated by a pool district superimposed on the Hicksville Park and Parking District, and the Hall be taken over by Oyster Bay Town Board. Levitt's opinion of this plan is not known.

Arthur Isaksen, past president of SHALHO who at the Nov. 18 meeting wanted to settle the Hall question by asking "everyone a chip in a quarter a piece and buy a big padlock and put it on the door of the hall", said on Tuesday night he was afraid that Levitt would sell or rent the hall and it would be turned into a bowling alley or bar and grill.

When Isaksen was asked about the need for a forum if an agreement with NLEHO could be reached, he commented "that can always be cancelled."

At the start of the meeting Florence Vryn was elected SHALHO secretary to serve until annual elections in March.

May I take this occasion to thank you, on behalf of the Hicksville Girl Scout Committee, for your wonderful cooperation in printing Girl Scout news.

Your excellent coverage on our Fund Drive and Cookie Sale was a tremendous help to us in putting these two drives over.

Mrs. Florence Vryn, our Publicity Chairman, has asked me to particularly express her appreciation for your kindness and courtesy to her.

No. 421, American Legion

Back again after a two weeks absence occasioned by many things including abnormal holiday activity, a brief business trip to Waukegan and Chicago, plus a few days of sickness thrown in. But with all that past we expect to be with you every week as before.

We left one piece of unfinished business before Christmas so will pick it up by giving the report on Gifts For The Yanks.

Unable to follow the program through to its conclusion as chairman, our thanks to John Pauk who took over the money responsibilities and to Commander Becker, Bob Beard, Al Barlow and the others who pitched in during our absence to make the venture a success.

Completed figures show total contribution of \$546.32. Three hundred dollars of this of course given by local 1772, Carpenter and Joiners of America and as previously reported this sum was evenly divided between the Christmas Fund and the Home Going Fund of the Gifts For The Yanks. The balance was derived from containers placed at various points throughout Hicksville.

The number one container location naturally was the Legion bar where a total of \$43.95 was contributed. Number two spot, and the leader outside the Post, was the Firestone Store with a return of \$14.74 and following very closely were the patrons of the North End Restaurant and Tavern (next to Herald office) who contributed a total of \$14.51.

From the container fund the committee forwarded \$50.00 to County Headquarters earmarked for the Kings Park Cigarette Fund and expended \$119.39 for gifts taken to the veterans at the Nassau County Sanitarium in Farmingdale on the Saturday preceding Christmas. The \$76.53 balance will be distributed shortly to the worthy veterans cause as yet undetermined.

Until next year then, thanks to all for your contributions.

In addition to missing two colunms we also failed to attend both the Christmas and New Year's parties so we have little to say about them. We hear however that, both affairs were well attended and for the most part, thoroughly enjoyed. . . . Understand though the best holiday party at the Post was held last Friday night by the Auxiliary—with the balloon game sending the girls into hysterics. . . . Both Al Vitale and Steve Schlar, currently in Florida. . . . Three new members—James Hulahan, Anthony Bellarera and Charles Watson—have joined the Post. . . . Also have 10 more renewals—names next week. . . . 'Jay' Jubour on General Committee for Post County Commander Dinner.

And in the spirit of "Wishes for the New Year," for some of the Legionnaires you'll always see at the Clubhouse we wish—

Al Barlow—200 members—all volunteer bartenders.

Artie Bletsch—sufficient change to satisfy everyone.

Walt Schlichting—a revived interest in club football.

Ed Becker—three chairmen for every committee.

Ernie Gundlach—kitchen door locks on meeting nights.

Walter Barnett—a two weeks' bazaar.

Jim Aracine—bowlers.

Rudy House—more and bigger weddings.

Bob Beard—a separate office to handle Christmas accounts.

Walt Coome—a bigger boat for Legion fishermen.

Fred Brangel—three weeks "vacation" in Florida instead of two.

Jim McLaughlin—An attentive audience.

Jim Carter—a leather bound copy of "Roberts".

And to 108 members who have not yet renewed—lets go!

full discussion and understanding of the issues by those directly concerned. "We are just asking for a right" in the courts and such a request does not make the participants liable "in any sense." It was brought out at the session that some rumors were being circulated in the Levitt area that the participants in the "Save Our Pools" movement would be subject to action by Levitt. This was

roundly denounced as an "utter falsehood".

Sill told the group "We were promised the free use of the swimming pools, time and time again. We want a decision from the courts on our rights as the purchasers of these homes. No one can or should be satisfied with a curbstone opinion by amateur attorneys when their rights are at

stake. Our proposal is clear and simple and all we ask is that everyone—whether they agree with us or not—come to the mass meeting, listen, ask questions and satisfy themselves."

A committee was named including Sill, Mrs. Katz, Harry Woodruff, Florence Vryn, Emil J. Szandy to arrange details of the Jan. 20 meeting.

Junior High P-TA Meets Tonight

The first meeting of the new year for the Hicksville Junior High P-TA takes place this Thursday evening (Jan. 8) in the auditorium of the high school at 8:15.

Many interesting items for parents are in the program, according to the program chairman. Further steps in the safety program will be made, especially in regard to a traffic light or police protection at dismissal time. Efforts made at this time will aid later in the term when the bus facilities may not be available when the hazard of darkness is no longer a factor, but the pedestrian traffic will be much greater, the P-TA officers announced. A resolution will also be offered concerning the proposal for adoption of the establishment of the state educational television network and specifically, reservation of an eleventh educational television channel for the Long Island area.

The program speaker for the evening will be Mrs. Catheryn Cole from the Bureau of Information, NBC. A large audience has been promised for this event and all are urged to attend. Refreshments will follow the regular meeting and program.

PLAINVIEW COUNTY HOMES: March of Dimes Needs Workers

By RAE CANTILLI
Now that the excitement of Christmas and New Year's is over a thing of the past (at least for another year) I can settle down to writing my column. This past year, I confess, my neglect of a continuous column every week has been a subject of tribulation to me. A lot of times, I must say it has been because of the lack of "news". The only times I have had a column in has been when a few people were wonderful enough to give me a call. The majority of times the column had been about people living on Island St., simply because I live on it and come into contact with people daily who supply me with material.

Please this year, be kind enough to give me a call if you have any news at all. It doesn't have to be a sensational item. This column is not for that type of material. If you have a birthday, anniversary, a party, guests from out of town, a trip you have taken, etc., it certainly will be received wholeheartedly by yours truly. Please do this for me. Then I can write a column which will be of interest to everyone here in the Plainview Country Homes.

Now for some news! The Davisons of Island St. welcomed Bill Davison's mother, Mrs. Davison from Oklahoma for the Christmas holidays. From all reports it was a wonderful holiday time for the Davison family.

Happy anniversary to Bob and Ruth Gessner of Island St. on their 6th anniversary last week. Also happy anniversary to Flo and Seaney Myrick of Island St. on their 7th anniversary also last week.

Happy birthday to young Ray MacAllister of Island St., who celebrated his birthday on Christmas Day.

Also, I want to sneak in the fact that my youngest, Laurie, is 2 years old today (Jan. 8). We're having all the family over to the house to celebrate tonight.

Related birthday greetings to Val Humberger of Island St. I shall not mention which birthday that he celebrated. It's kind of a secret.

A very nice person called me the other day and brought this to my attention: A certain new store in Plainview, not to mention names, doesn't seem to think much of the people around here. It seems that we are a bunch of "hicks" as far as they are concerned. I wish I could mention names but not having any proof of my own, I can not

say any more, but it seems to me if such a thing is true, they better be careful what they say to people who come into their store. Word gets around fast here, and all these so called "peasants" are the people who put money into their pockets.

No one has to be told what wonderful work the "March of Dimes" does. Our nickles and dimes, quarters and dollars contributed to the March brings a solution to Infantile Paralysis closer and closer. A solution is nearer than most of us think. There isn't one of us at one time or another been in contact with some one who had "Polio" who contributed not only goes to research but for iron lungs, therapy etc., to save the life of a child or an adult who may die or be crippled for life.

Right now the "March of Dimes" drive is going on. It is going by the whole month of January. Mrs. Stauber of Manetto Hill Rd. is Chairman of the drive here in Plainview. Mrs. Marion Kiesel is Co-Chairman. These women are devoting time and effort for a great cause that they believe in as all of us do. The thing is that they can not hope to do this alone. They need workers to help them. Mrs. Stauber would like at least one person on each block of Plainview Homes to do her own particular block. It wouldn't take too much of your time, and you yourself may at some time have to call on the "Polio Assn." for help. This I do not wish on anyone, but I do wish to stress how important this drive is. If you can give a few moments of your time, it would be more than appreciated. Please give Mrs. Stauber a call. Her number is HI 3-1616.

Well, that's all for now. Please let me hear from you, and I hope the year of 1953 brings health wealth and happiness.

About Amvets Teen Party

By TOM PAYNE
ATTENTION ALL TEENERS OF PLAINVIEW . . . this Friday, Jan. 9, is the night you will be given your chance to organize your own "club" and have a good time. Manetto Hill School auditorium is the place . . . activities begin at seven o'clock.

If your parent cannot bring you there and pick you up about ten o'clock, make certain you are at the following bus-stops at the designated time: AT 6:45 P.M. a school bus will start out from Elmwood and Ambly then proceed in order to the following stops . . . Nassau and Elmwood, Sunrise and Universal, Island and Universal, Barnum and Old Country Road the bus will then go directly to the school . . . AT 7:05 P.M. same bus will start out from Wallace and Main Parkway, then to Central Park Drive and Main Parkway, from there the bus will return along Manetto Hill Road to the school. Be at the bus stops on time because the bus will only pass your way once. Mr. Sattig has been generous enough to offer his bus and services to help make this program a success. Please be kind enough to show him every consideration in return.

Through the generosity of another fine gentleman, Mr. Watson, you people will hear some sing and dance music very much to your liking. Come down and find out for yourself! After the activities are over (and there should be plenty), you are assured of a return trip to your door by the committee.

Debut Tonight

BETHPAGE — The newly organized town team, Bethpage All Stars, will make its basketball debut tonight (Thursday) at the Bethpage Broadway School at 8:30 P.M. against the Bakers Boys Club of Locust Valley.

Congressional Medal To Local Woman's Brother

CAPT. MELVIN GARTEN of 1610 Avenue P, Brooklyn, has been recommended for the Congressional Medal of Honor, the nation's highest honor, for action in the battle of Triangle Hill in Korea. He is the brother of Mrs. Shirley Maslow of 7 Boulder Lane, Hicksville.

Capt. Garten of the 7th Infantry led the final push of eight men through body-filled trenches that drove off the enemy even though he had been ordered not to enter the fight.

The outpost, vital because it covered both Allied and Communist lines, was lost 15 miles west of Triangle Hill on Oct. 27. The next 72 hours, the 31st Regiment of the 7th Division fought through wave after wave of men against the Chinese on the tiny plateau. Enemy mortar blasted the young American troops with 80,000 rounds.

Capt. Garten, 32, has been in service for the past 11 years. He holds two Purple Hearts, the Silver Star and Bronze Star Medals. He is a graduate of City College of New York class of 1942.

Traffic Court Now Operating

MINNEOLA—Nassau's first traffic court opened this past Monday in the new building on the County Fairgrounds here. If you get a ticket for a motor vehicle violation anywhere in the county (incorporated villages with their own police judges excluded) the Traffic Court will be your destination. The court has a clerk's office where motorists ticketed for minor violations — some 30 of them — won't have to appear in person. They can send someone else. Time should be saved for everybody.

LAWRENCE McGUNNIGLE, second from right, receives a chest of silver from William E. Koutensky, president of the Long Island National Bank of Hicksville, commemorating 25 years of service with the bank. The four people in this picture have served a total of 95 years with the Long Island National. At left is Joseph Reinhardt, cashier, and at left,

Mrs. Gertrude Proctor, an assistant cashier. McGunnigle, who makes his home on Newbridge Rd., is assistant cashier of the Bank. He is active in community affairs, an officer of the Board of Sponsors of the Hicksville Police Boys Club and member of the Lions Club. (Herald photo by Frank Mallett.)

Mrs. North Hurt
HICKSVILLE — Mrs. Emma North, 78, of 151 Old Country Rd., is in a serious condition at Meadowbrook Hospital suffering from

a broken left hip. She slipped on a rug in the living room of her home on Dec. 23 and was taken to Meadowbrook Hospital in an ambulance.

2nd Concert Features Singer

HICKSVILLE—The second concert of the current series of the Community Concerts will be presented by Kenneth Smith, bass-baritone, on Monday night, Jan. 19, at 8:30 in the Hicksville High School Auditorium.

Mr. Smith was born in Leeds,

England, and brought to America at the age of four. He studied at the Manhattan School of Music and New York College of Music before the war. He served four years in the Air Force, and was a navigator on a B-24 heavy bomber, flying forty missions in

the South Pacific, where his targets included Iwo Jima. His service record is attested by the fact that he wears the Distinguished Flying Cross, the Air Medal and the Oak Leaf Clusters.

When he resumed his musical career, Kenneth studied with Olga Porrai, and soon began to make public appearances. He was engaged five times by the Rhode Island Philharmonic; was soloist with the New York Little Orchestra under Thomas Scherman in Handel's *Acis and Galatea* and four children's concerts; appeared at the Lewisohn Stadium in New York in a Gilbert and Sullivan program under Lehman Engel, and sang the role of Daland in two performances of Wagner's *The Flying Dutchman*, with the Buffalo Philharmonic under William Steinberg.

During this operatic career, he has been a steady member of the casts of the NBC-TV Opera Theater, having appeared in their initial production, *Down in the Valley*, and in recent operas.

Don't do it!

Don't throw in the sponge on unpaid obligations. Good credit is a priceless possession and one of your strongest assets in business. Keep it that way by paying up . . . on time.

May Enjoys Arabian Dishes

By **MAY MALJEAN**
 Hicksville 3-5515
 I just spoke to the McDonalds. They are recuperating from New Years Eve. At one time Jim McDonald was a thespian by trade, appearing on several television shows and has also been on the air. They had some of their theatrical friends over for a New Years Eve party.

"Gene and I met some friends at a cocktail party given at Rose Khoury's home. Rose and her agent, Russ, are all excited over progress musically. Hope she gets that radio program spot.

From there we attended a formal dinner at the K of C, with Bob and Marge Maljean, Andy and Jeanne McGowan, Alice Zimmerman, Justine and Don Cohen, and Jeanne Turner whose husband is in the service. We waited til the last minute hoping that her husband Jack would show up. We have met with these friends to ring in the new for several years now. I hope we will continue to do so for many to come.

The next day was my older brother George's birthday. Mother had the family over for dinner, and I was in ecstasy with all of the Arabian dishes. We had baklava, (Arabian

spinach pies—something like turnpastry of hundreds of layers with pistachio filling), yabrac, (Grape leaves stuffed with lamb and rice), Kousa, (Stuffed squash), and Fatlar, (Individual meat pies, and delicacies. Poor Gene wouldn't eat a thing—I had to make him a hamburger. He is not used to Lebanese food although that is the only kind my family makes.

Present at the party were Stanley and Christine Griswold, Mr. and Mrs. Michael Ludwig, Mr. Ludwig's sister and fiance, visiting here from Texas, Mitchell Awn, Edward Bulous, and fiance, Vivian Vance, Mr. and Mrs. Fred Makhoul, Alfred and Mimi Basileci, Albert and Connie Gorra, George and Frances Gorra, Fred Shalhoub, George Shalhoub, and Jim and Malakee Gorra.

We've just inquired about Charles McNally, the veteran who went berserk a few weeks back, not being admitted into a veterans hospital. Gene knew Charlie very well, as they worked together at Larsen's. He was a highly conscientious worker and had one of the top routes in the company. I got to know him and his wife very well as we had been out with them to see their new home several times before it was ready for occupancy. Every home owner knows that feeling of anticipation. Charlie and his wife had the same hopes and dreams, but what now... As yet he has not recognized his wife or any member of his family. A pathetic sight is to see Mrs. McNally at his bedside while the doctor tries to bring his attention to the family; however he did remember.

Woodbury Gardens Civics' Notes:

The Executive Board will meet at 51 Ketcham Road at 8:00 P.M. on Monday, Jan. 12. The next regular meeting of our Assoc. is scheduled for 8 P.M. on Thursday, Jan. 15. There will be a little social after the business meeting, and for that reason **THIS MONTH'S MEETING WILL BE HELD IN THE AMERICAN LEGION HALL** at 24 Nicholas St opposite the St. Ignatius School. Try to get there and get acquainted with your neighbors.

Incidentally, we have procured motor vehicle registration applications for 1953 for distribution to members. You may obtain yours from your zone representative or at the next regular meeting. Zone representatives may pick them up at 49 Crescent St or 77 Vincent Rd. And, while the subject of automobiles is in mind, permit us to remind you that the winter weather will demand more care for your car than usual. The sudden thawing and freezing temperatures ahead may freeze your hand brake, place undue strain on your battery, require additional anti-freeze, or leave your car, which a few hours earlier was on firm frozen ground, helplessly stuck in the mud. And, of course, we must be extremely cautious while driving during these next few months... and always. We will welcome any information any of you mechanics, insurance men, and safety men can give us pertaining to winter care of cars and safe driving practices. We shall, in turn, pass it along to the membership.

Have you signed the Community petition requesting New York State to provide funds for the elimination of Railroad Grade Crossings in Hicksville? Have you paid your 1953 dues? You should do both. It is important to you.

Philip Lambert, of Hudson, one of New York's many dairy farmers who daily supply fresh milk for millions.

Your breakfast table has fresh milk every day—thanks to the telephone!

"Seems like the telephone is almost as important as the cow in our business," says Philip Lambert, "for distributing fresh milk every morning to doorsteps all over the state takes a lot of phone calls. The milk-shed managers keep in touch with dairy farmers like me—by phone. They check their distributors—route the trucks

that pick up the milk—by phone. We wouldn't be without it."

Yes, telephones help bring you many of the products and services you use every day. They make your daily chores easier, your living more enjoyable. Few things you buy today are as big a bargain. Compared with price increases in everything else, the telephone takes a much smaller part of the average family budget than it did ten years ago.

You get faster, better, more useful service, too. You can reach more people. For example, in the average community today customers can call twice as many telephones as they could in 1940. And we're going right ahead with the costliest construction program in our history—to catch up with the backlog for phones, to meet the continuing demand, and to make service even better than ever.

Measured by service or measured by price, your telephone is one of today's big bargains.

TODAY'S BIG BARGAIN. Your cost of living has jumped 92% since 1940. Yet the price of phone service has risen an average of only 15%—more for some and less for others, of course, depending on the type of service and the use made of it.

Holiday Echoes and Payments

By FLORENCE VRYN
LE 9-6497

Now that the tree you greeted so eagerly is drooping all over the rug, and the crutch of broken ornaments has replaced the music of jingle bells, pull up a cup of coffee and let's see if we can regain ye olde cheerful spirit. Cork that bottle kid, that's not the spirit I mean.

Bill and Betty Stultz celebrated their tenth anniversary Saturday, Jan. 3, and they had a houseful of guests to help them. Mr. and Mrs. Pat Prunty of Rosedale came over and brought the family, Vincent Yallo, Margaret Frantz (Betty's sister by the way) and Walter Petrie, Pete McConville and Mr. and Mrs. Dan Lawlor from East Meadow and their family all came to Thimble Lane and had a wonderful time. Bill is a marvelous host anyway and Betty keeps things perking along so you've really got a head start for a wonderful time when you visit the Stultzes.

We have a friend who's been house shopping and he was looking at the 49's in Levittown. Golly, I had no idea how much of a difference there is in our monthly charges. One of the houses was

selling at \$8200 and after he put in a down payment his carrying charges would be \$73 per month. Just the same as the present owners are paying. This is on a small plot with no improvements. Where are these feather heads who are so eager to join the greater Levittown idea? Phooey.

Speaking of payments, some of the gals tell me they've received statements from the Bowery Bank and a few of them have been raised a dollar or so a month and others have had a dollar and change taken off. I'm going to write Tarrytown Trust and see what those great minds have in store for the rest of us. Let you know what the answer is when it comes through.

Christmas presents have been displayed by the kids and in going around I seem to have barked my shins on more than the usual number of bikes, and tripped on twice as many skates as usual. I have scars to prove it! That's a nice car the John Dicks on Spindle Road have and I like the new convertible I see parked on Scooter Lane, the yellow one with the black top. That is for me kid, if only I was the type. However, I can see it would

lead to complications. I'd have to anchor my young son in the thing. block and tackle fashion. And it would probably ruin me, I'd be gazing in the shop window as I whizzed by, to see the effect. Before long I'd probably wind up in the window. But it is a nice car.

I was talking to Florence Carpinelli the other day, and she told me Dr. Karter is back from Korea, and has resumed his practice. Dr. Karter has an office on Jerusalem Ave. near the East Green, and he was called into service over a year ago. Glad to have him back safely.

The gang on Scooter and Whishing Lanes had a New Year's Eve party that was a real success, and the Friedman's were hosts. Wait till you see the rumpus room Rose and Irving have in their attic. The fellows really felt like pros when they stepped behind that bar. The boys all had a specialty that they devoted great effort to concocting. Tommy Hennessy did a "Jos the Bartender act" a la Jackie Gleason. He really looks the part when he has the props. Phyllis and Tommy Hennessy, Edna and Mickey Drapzak, Bill and Ruth Lloyd, Mary and Frank, Ann and Don Wilson, Frank and Cecil Larkin of Scooter Lane, Helen and Charles Tompkins, Tony and Margie LaConte, Chickie and George Bromm, Kay and Don Kershaw, of course Irving and Rose Friedman, of Whishing Lane were the merry makers and golly I almost forgot Sally and Steve Hoda. Mickey Drapzak plays a mean guitar and I've heard so much about it that no party seems complete without it, and Mickey. Don Kershaw is just back from Korea and he has orders to report to Florida. I guess Kay will follow soon, but we all hope it won't be long before they will come back to the gang. The crowd has so much fun together that its a shame to lose such good neighbors as the Kershaws.

Harry Woodruff's friends will be glad to hear he's up and around again. Saw Harry in town last week and he looks very well. His mother and dad's of the Jr. High lads and lassies are glad the school bus brings them home after dismissal. There are a lot fewer worried frowns this week. I think it's a step in the right direction

The SENTINEL

Time For a Fresh Start

With the start of the new year, it is perhaps time to get a fresh start on the problem of what to do with the two Levitt-built swimming pools and Levittown Hall, all located in Hicksville. A review of the various factors involved should lead to a solution which will be equitable to all concerned. A prompt settling of the question once and for all would remove a source of irritation and give time for action on other important problems of the community.

The Original Pool Promise

When Levitt and Son was building houses on a mass scale, they had to be sold on a mass scale. In the high powered sales campaign many inducements were made to prospective purchasers, and one was the promise of free use of the swimming pools. "Free Use of Swimming Pools" was repeated over and over again in large type in newspaper ads and posters. A person would be very apt to accept that the ads meant free use of the swimming pools. He would be even more likely to think so if he looked up the meaning of "free" in a good dictionary. The Funk and Wagnalls dictionary definition reads, "Without restriction; especially, without charge or cost; open; gratuitous; as, free seats".

The Matter of Levittown Hall

Levitt Hall was not an inducement to purchase a Levitt house. It was built very quietly and without fanfare after practically all the houses were sold. Why? It also is to be noted that it was built very close to the northern extremity of the Levitt operations. Why? There was no obligation on Levitt's part to build the hall, nor is there any obligation on the purchasers of the houses to accept the hall, as a "gift" or otherwise.

If the people decide that the hall is of sufficient general benefit to the community, and if its operations as a meeting place for the groups now using it is a proper function of government, then by all means accept it with thanks and a bow toward Manhasset, or perhaps Pennsylvania.

On the other hand, if the people decide that the hall is of limited value, and that the operation of such a meeting place is not a proper function of government, then they should turn it down. This is especially so if there already are meeting places available in existing facilities in the community, such as in the schools and in the church halls.

Who Closed Levittown Hall?

It must be remembered that Levittown Hall is owned by Levitt and Sons. It is completely under their control just as any privately owned property is controlled by its owner. The responsibility for it lies with Levitt, and only with Levitt.

The steering committee chosen to get Levitt out from under—hand-picked for the job by Levitt—has had a conspicuous lack of success in relieving Levitt of the burden of operating the hall. The only reason for closing the hall was to force the issue and the person most interested in forcing that issue is William J. Levitt. He, and only he, is responsible for closing the hall. The Oyster Bay Town Board had nothing to do with it. Nor did the Hempstead Town Board. Nor did any individual or group outside the Levitt organization have anything to do with it.

Are the Pools and Hall Worth While?

There seems to be a pretty general unanimity of opinion that the pools are very much worth while. They provide recreation and instruction for our young people of all ages, and also for our adults, during the summer months. Without much question, the pools are worth the effort to keep them.

Determining the value of Levittown Hall is not nearly so simple, nor is there the unified opinion of its value. Some few people, including the NLHOA officers and the editor of the Levitt-owned newspaper (he might be a little prejudiced) are very vociferous about its great value. To others, and probably the great majority, the hall has a negative value. They use the hall seldom or not at all, and if it is taken over by the local government, its operating cost will be added to their tax bill with no benefits in return.

Free Ride

Some people are very anxious to have a free ride at government expense. It would seem that those who are pushing for municipal ownership and operation of Levittown Hall fall into this group.

The Equitable Solutions

FOR THE POOLS: It must first be considered that the two pools in question (located in Hicksville in the Town of Oyster Bay) are primarily for the use of people who live in their immediate vicinity in Hicksville. Also, those who live in Hicksville are barred by law from using the Levitt pools in Hempstead. The problem, therefore, is purely a local one that should be settled by Hicksville Levitt house owners and Levitt and Sons.

The most desirable solution is, of course, for Levitt to live up to his sales inducements. But his unwillingness to do this was shown by his closing of the pools on New Years Day. The Save Our Pools Committee under the chairmanship of William Sill of 2 Bank Lane plans to institute action in Court to force Levitt to operate the pools as promised.

Although recent court decisions indicate a marked lack of sympathy with real estate developers who try to renege on sales promises, there exists the possibility that Levitt will be permitted to get away with it. If this comes to pass, then it will be time to decide between municipal and private operation. In either case, the costs must be borne by the residents. It is a well established principle that public facilities such as swimming pools should be self supporting. That is, they should be paid for by the people who use them. What can be fairer?

If there is to be municipal operation, a swimming pool district

County Hearing On Law Jan. 12

MINEOLA — A delegation representing the Tip Top Lane neighborhood of Hicksville is expected to be present and voice approval when the Nassau County Board of Supervisors at its meeting next Monday morning, Jan. 12, considers an ordinance "tightening control over storm water sumps to make them as child-proof as possible." The hearing is scheduled for 11 A.M.

The ordinance, amending the original regulations over realty subdivisions which was adopted in 1946, provides for the maximum penalties permitted by the Nassau County Charter for violations a fine of \$500 limit or six months in jail or both, according to officials. The new regulations incorporate all recommendations of the Nassau County Planning Commission which also include the more rigid specifications of the Dept. of Public Works for steel web fencing anchored into two feet of concrete six inches wide with posts set in concrete.

Permits will be required for sump building, fences to be constructed before digging begins; watchman must be provided when work is in progress and whenever gates are open; gates to be closed and padlocked generally; watchman to be posted at all existing sump work which hasn't been fenced from 7 A.M. to two hours after sundown daily.

HITS FIRE HYDRANT

HICKSVILLE — Glen Kresge, 30, of 85 East Marie St. was not injured when the 1952 Oldsmobile he was driving hit a fire hydrant on Duffy Ave., east of Charlotte Ave., on New Year's eve.

The SENTINEL

should be set up in this area, independent of all other districts.

If there is private operation, each family living in a Levitt house in Hicksville should have the privilege of purchasing a season admission tag for members of the household. Guests of the family should be welcomed but it is only fair that they should pay an admission. There might be season guest tags as well as single day tags. The income from the tags would cover the operating costs, and perhaps also pay for some needed improvements and increased facilities.

FOR THE HALL. Because it is highly questionable that a facility such as Levittown Hall should be operated by a government agency, an organization made up of people should be formed to accept the "gift" and operate it. As in the case of the pools, the hall should be self-supporting.

We don't have to go far to see an example of how the hall should be run. In Glen Cove, and Locust Valley there are several buildings, neighborhood houses, devoted to the same uses as Levittown Hall. The same kinds of groups meet there. They are supported by the organizations that use them, getting out and raising the necessary money by running social affairs, obtaining private donations, and by participation in the Community Chest. There are innumerable examples of similar operation in communities all over the nation. Levittown Hall can, and should be operated in the same manner.

Dobson Retires

GARDEN CITY — After 26 years as managing director of the Long Island Assoc., Meade C. Dobson has retired at the age of 72. His resignation was effective Dec. 31. He is succeeded by Lawson A. Odde, assistant managing director during 1952.

Dobson is remembered as the impartial moderator of the forum held in Hicksville High School on Apr. 14 of last year under auspices of the South Hicksville Assoc. of Levitt Home Owners on the topic of whether Hicksville Park and Parking District should be split. The NLHOA had been invited but failed to appear.

Meade C. Dobson retiring as Managing Director of the L.I. Association after 26 years service.

Backing Save Our Pools Committee

I am backing, personally and financially, the Save Our Pools Committee in its efforts to protect our rights to our swimming pools. Levitt and Sons have announced that they are suspending operation of the facilities under their control in the Town of Oyster Bay, including the two swimming pools, until the people and their officials bow to Mr. Levitt's will and the officials accept the facilities for municipal operation, thus relieving Levitt and Sons of their operation and maintenance.

In Levitt's "free use" of the swimming pools was included in the sale price of the homes. Not only is Levitt proposing to deny the "free use", but he is even attempting to deny "use" of the pools while they continue under his control.

It is essential in the interest of the people of this area that Levitt be prevented from interfering with our use of the pools for which we paid when we bought our houses, and that he be called upon to deliver the "free use" which he promised. The first of these is as important as the second—Levitt cannot interfere with our use of the pools by shutting down the pools if we do not do as he dictates.

It must be stressed that suspension of the use of these facilities is by Levitt and Sons and not the result of any lack of action by the various Town officials, except that certain officials have refused to accept and act upon Levitt's orders to take over the pools, contending, in the words of the Oyster Bay Town Board, "that the pools presently owned by the developer are intended for the free use of the purchasers of the developer's homes and should not be a matter for concern with respect to operation, care and maintenance by the Town."

Legal action by the Save Our Pools Committee is about to get under way. The immediate costs are being underwritten by a number of public spirited citizens. It is a worthwhile fight. We must save our pools. If you wish to join the fight communicate with:

William Hill, Chairman, 2 Bank Lane, Hicksville, Hicksville 3-4388
 Adelaide M. Katz, Secretary and Treasurer, 43 Bobwhite Lane, Hicksville, Hicksville 3-4192, or call me at LE 9-9210.

THE HALL AS NEIGHBORHOOD HOUSE
 The use of Levittown Hall has also been suspended by Levitt and Sons.

The situation with respect to the Hall is somewhat different from the pools. The costs of operation and maintenance of the Hall as a meeting place can never be justified, and would never be paid by those who benefitted, — especially with the schools available to most at no cost.

The best utilization of the structure would be as a neighborhood house. As such it could be renamed

"Levitt House" or, if the developer is becoming a little humble, self-conscious, or self-effacing, — "Matinecock House", "Sterling House", or "Mid-Island House". It could be supported by voluntary donations which would be willingly forthcoming if the structure served the people through the organizations it would house, such as the YMCA, YMHA, Red Cross, Catholic Youth Council, etc. Direction would be by an elected Board of Trustees, like the School Board, and operation by a paid director and staff.

Form Young Democrats

HICKSVILLE — A Young Democratic Club for the Township of Oyster Bay was organized Monday night at the home of Thomas Evans, 39 Bobwhite La., "to restore the Democratic party in the township."

Thomas Evans was elected temporary president. NORTH EAST REPORT Report of Dog Poisonings

By JUDY WILSON
Hicksville 3-1848-W

All one has to do, in a column like this, is to voice a complaint and someone has an answer for it. Last week we viewed with alarm the general shortage of baby-sitters for New Year's Eve. We've now been informed that up until two days before New Year's Eve, we could have had a sitter with no trouble at all. For the same price as we've been paying teenagers, mothers with free evenings will sit for you — AND they'll provide their own transportation. If you yearn for an evening out and would like to know more about this marvelously efficient boon to parents, call us up.

Perhaps you've never thought of Hicksville as a winter resort, which just shows how little you know about it. Nettie and Ben Smith of 8 Franklin St., with Mrs. Smith's mother, Mrs. Stich, have just returned from a month in Florida. After only three really warm days the whole month, and one shivery 23 degree morning in Daytona Beach, the Smiths have all but decided they like Hicksville winters better than Miami winters. They were just about everywhere, since they stayed for awhile in Fort Pierce, then in Miami, and toured the entire central part of Florida. Probably they're even more glad to be back than we are to have them.

Away back before New Year's, the gallivanting Ryans of 35 Libby Ave. drove 85 miles to spend two days with friends on Lake Mohawk in northern New Jersey. For Nancy there was plenty of ice-skating. And on Sunday, Dec. 28, the Paul Spillanes of 5 Regina St. threw a wonderful cocktail party. Other Regina Streeters present were Mim Bentley, Henry and Bob Waters, and Andy and Dotie.

New Year's parties seem all to have been informal this year. Mim and Carl Bentley of Regina St. relaxed with Mr. and Mrs. George Olsen and Clifford Querolo of Bay Shore, and Mr. and Mrs. Henry Newton of Levittown. Mim emphasizes that it was most unplanned — but lots of fun. Det and Joe Ryan of 35 Libby Ave. saw the New Year in with next-door neighbors, Jess and Jim Clark, and with Alice Schmalke of 50 Libby Ave. Their guests trooped up to George and Esther Plasmann's, 43 Libby, to finish up the party.

The gay whirl is over and we're sorry that it is. No more holidays for awhile — just slogging through the snow and slush until April when we'll start seeing those first bright tulips we laboriously planted in November. Now there's something to look forward to!

The mother's auxiliary of Boy Scout Troop #64 is planning their annual card party which will be held at the Masonic Temple on W. Nicholas St. Friday evening, April 24. Mrs. L. Butler is president of the group.

Back to the salt mines now, and you know after thinking it all over, holidays are fun. Tell me, when is Upper Coasian independence day? Could be we could work up some enthusiasm and celebrate it?

A case of apples and candy that was left over from the party was presented to a recognized child welfare organization to be distributed in the hospital.

Bill Benentendi and his staff of officers will be installed on Wednesday, Jan. 21.

The North Bethpage Civic Assoc. wishes to thank the Police Department and public officials who were instrumental in obtaining stop signs at the triangle crossing at Broadway and Cherry Lane.

Ed Ferhenbach and his staff of newly elected officers of the Theodore Roosevelt Republican Club will be installed at a dinner-dance on Jan. 31 at the Stockholm Restaurant.

Winners in the Bethpage Christmas Decoration Contest sponsored by the joint civic associations will be announced at a meeting of the group later this month.

Franza of Bethpage, Mr. and Mrs. E. Em-

maccone and family of Westbury, Ralph Amendola of Bethpage.

Fred Bajer was home for the Christmas holidays from Mayo Clinic where he is receiving treatment.

Mr. and Mrs. Fred Finger entertained at a New Year's eve party in their home. Their guests were: Mr. and Mrs. Tony Kull and children, Richard and Janet; Mr. and Mrs. Edward Charnewse and children, Eddy and Freddy of Peconic; Mr. and Mrs. Otto Freid of West Babylon; Mr. and Mrs. Arthur Doty, Mr. and Mrs. Burtrum Smith and daughter, Mrs. Lillian Preston of Farmingdale, Mr. and Mrs. Frank Finger of Bellmore.

The Archie McCord Legion Post distributed Christmas baskets to several families in Bethpage.

John and Ellen Burkholder of Cambridge Ave. are confined to their home with chicken pox.

Correction: There were about 800 children at the two Christmas parties held during the holidays by the Mothers Club of St. Martin of Tours Church. It was previously reported that there were 400 children.

Bethpage homeowners are now enjoying the service of garbage collections three days a week.

The Bethpage Girl Scouts have 31 cases of cookies left and will sell them during the coming week.

NORTH WEST NOTES:

Opening Day for Burns School

By JAMES CUMMINGS
Your reporter went back to school for a day as our new school opened on Burns Ave. Monday, Jan. 5. Hundreds of children trekked the short distance from their homes in the Spiegel development accompanied by mother in most cases, who appeared very pleased with the convenience offered by the opening of the Burns Avenue School.

Children and teachers hustled about from one class period to another, the youngsters in particular were of happy heart with the prospects of the days ahead in this brand new school.

After completing my tour of the building I made my way to the principal's office, where I found Altea E. Davis, Jr., Principal, busily engaged in supervising the many items that crop up on opening day. Mr. Davis in a HERALD exclusive interview made the following statement: "Burns Ave. School had a successful opening with minor details still to be ironed out. This was accomplished through the cooperation of all concerned. The faculty, principal and entire custodial staff as well as various board members and the Supt., Dr. E. H. Le Barron, devoted most of the Christmas holiday to the task of getting the school ready for the children.

"The Burns Ave. School is in every sense a 'neighborhood' school. We will consider our next

few weeks a 'settling' or 'shake-down' period during which unforeseen items will be clarified. Through the medium of the Mid-Island Herald and this column additional information will be forthcoming."

Kindergarten classes are on quadruple session, two hours each as follows: 8:15-10:15, 10:15-12:15, 12:30-2:30. The first grades will continue on double session. The first grade will attend the morning session from 8:15-12:15. The second, third, fourth, fifth and sixth grades will be on SINGLE SESSION. Hours will be 8:30-12:00 and 1:00-2:20. If it becomes necessary to revise these plans you will be notified.

DECORATION CONTEST WINNERS

The Christmas decoration contest winners are as follows: First Prize, Mr. and Mrs. P. Boland, 63 Myers Ave.; Second Prize, Mr. and Mrs. G. Lowry, 58 Myers Ave.; Third Prize, Mr. and Mrs. A. Andriano, 42 Montana St.

Honorable Mention include: Mr. and Mrs. E. Fitzgerald, 78 Nevada St.; Mr. and Mrs. J. Spinella, 41 Kuhl Ave.; Mr. and Mrs. A. La Vergna, 21 Kuhl Ave.; Mr. and Mrs. W. Staker, 20 Gardner Ave. and Mr. and Mrs. W. Weber, 41 Hawthorne St.

The judges, Miss Ad Byerly and Mrs. H. Wallace had a difficult time in deciding; in fact, a second trip around was necessary. Prizes were awarded at the monthly meeting on Tuesday evening, Jan. 6 at the High School.

BETWEEN ISSUES

The executive board and President Johnson have been busy formulating plans for a change-over of meeting places from the High School to the New Burns Ave. School . . . also preparations are in place on March 7 at the Legion Hall, on East Nicholas St., Hicksville . . . Mr. and Mrs. Stephen Tully of Boonville, N. Y., spent the

Christmas Holiday with their daughter and family Mr. and Mrs. Sevald Knudson and son of 38 Kuhl Ave. Her brother, James Tully, and his family of Hackensack, N.J. were also present. Their neighbors, the Coopermans, of 84 Kuhl Ave. dropped over in the evening to end a perfect Christmas Day . . . Several unconfirmed rumors circulating about Press Wireless planning to leave Hicksville . . . if this is so, it will certainly make a lot of people very happy . . . but the thing to watch locally is for a change of zoning by this firm, also rumored. This could easily lead to further industrialization of a residential area.

Alone Woodbury Rd

(Continued from Page 10)
ber his close friend Steve O'Connor, as he said "Hi, Steve," after they had been together for several hours. Let's hope he comes thru this with the same courage he bore in Okinawa.

Mr. and Mrs. Harrell of Hicksville Downs spent New Year's Eve at the home of Mr. and Mrs. Bill Bonstead. Many parties were discouraged because of the inclement weather. I know of a dozen folks who went to bed at 10:30 on that day.

Aline Charbonnet is now a full fledged citizen. She received her papers last week, indicating she passed her test with flying colors.

Why is it necessary for teen agers to be walking around at 4:30 in the morning? If there is a reason — I guess it is all right, but a neighbor has asked me if I'd inquire as to whether caddies start that early or not. At 4:30 A.M. he was on his way to work and saw some young teen agers who appeared to be prowling. Upon stopping the boys they gave as excuse the fact that they were on their way to the golf course. He was sorry he didn't question them because later he pondered over the fact that it was quite early, and what golf course is within walking distance of Woodbury Gardens?

Don't forget the next P.T.A. meeting at the East St. School to-night (Thursday). The time is 8:15 Hobby night.

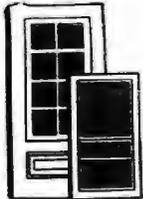

If you stop to be kind, you must swerve often from your path.— Mary Webb

HICKSVILLE GABLES:

Catching Up On Various Events

**By RUTH SCHULZ
HICKSVILLE 3-2648-R**

Well, we are back in print again after a two week's absence, which I don't think any of you missed if you were as busy as we. Not only were there the holidays to contend with, but we had a wedding in the family to add to the confusion. Seems like nothing happens for months on end and then everything comes at once.

Announcement of the engagement of Miss Margie Doody of Newfoundland to Frank Way, son of Mr. and Mrs. William Way of 12 Fifth St., Hicksville, was made at a New Year's eve party at the home of Miss Doody's sister and brother-in-law, Mr. and Mrs. A. Phelan of 89 Gables Road.

Miss Doody makes her home with the Phelans and is employed by the Long Island Lighting Co. in Micoia. Her fiancé is a graduate of Hicksville High School and is employed at the A & P.

Guests at the party were Mr. and Mrs. William Way, Sr., Mr. and Mrs. William Way, Jr., James and Betty Way, Michael Way,

Barbara Temple, Chris Mollinet and Mrs. Terry Forbe.

No date has been set for the wedding.

Would like to mention that everyone is to be complimented on the fine showing of Christmas decorations that were to be seen in our section. They were really lovely and certainly showed the fruits of labor done in a real holiday spirit. A vote of thanks and appreciation surely should go to Mr. and Mrs. Gilbert Russell of 16 Gables Rd. for their fine idea of playing carols for all to hear on Christmas eve.

Must say I started New Year's Day off on the wrong foot, because I really got a good mad on watching the poor kids in the neighborhood struggling to have some fun in the snow. I am fully aware that the roads are primarily for vehicles other than sleighs, but you would think at least the drivers could give the kids a half-way break. The intelligence of most of these so-called drivers is shown in their brilliant display of horn blowing when they get about 20 feet away from some poor child. It certainly would help matters if Gables Rd. could be made into a one way street, as the way it stands now, it's nothing but a speedway for cars and trucks coming from Old Country Rd. to Plainview Rd. and vice versa. The above is not purely my own complaint, others hereabouts voiced the same opinion.

Got some catching up to do, so here goes. Called Mrs. Chernow of 10 Gables Rd. the other day to get some info, and was sorry to learn from her that her husband, Buddy, had met with an accident on Christmas eve and broken his leg just above the knee. He spent two days in the hospital and is now at home with the leg in a cast. Also heard that on Dec. 16 it was little Ellen Kay Chernow's 6th birthday, which was celebrated with a luncheon party given in her honor. The guests were Patty O'Rourke, Rhona Appleman, David Braun, Ellen Bruns and Hinda Chernow.

On this same date it was also Peter Baldwin's 8th birthday. Pete is the son of Mr. and Mrs. Arthur Baldwin of 13 Gables Rd. and had plenty of company with five other brothers in the house.

One more on this day was Robert Caldwell of 295 Plainview Rd. who became a year older. Next, on Dec. 18, Mrs. Chadlee Nicrosini of 35 Park Ave. was the birthday gal, followed by B. Benamins of 12 South Elm St. who had his day on Dec. 21.

Also on Dec. 21, it was little Ellen Jakabek's second birthday. She is the daughter of Mr. and Mrs. William Jakabek of 28 Gables Rd. and you may recall her as being referred to as 'the miracle baby' as when she arrived in this large world two years ago, she tipped the scales at 1 lb. 8 oz. Present poundage is 30 lbs, which in an astounding gain.

Two more adults complete our list. They are Mrs. Antonette Giammarino of 2 Prince St., whose birth date was Dec. 24, and on Dec. 28, Edward Harrigan of 293 Plainview Rd.

Don't forget tonight. (Thursday) is another regular meeting of the East St. P-T.A. You'll be missing an interesting evening if you do not attend, as the father's of children in this school are displaying a variety of hobbies as part of the program being presented. See you there!

PBC and Saints in Big Pull Sunday

Under Steve Ruggiero's direction the PBC Alumni has done everything asked of it over the past two seasons towards gaining the Alliance League championship.

This coming Sunday afternoon at Oyster Bay it will face the big hurdle in winning a third title. St. Dominic's Alumni has come up with a powerful team in the division headed no less by Reggie Giddens from Dick Crawley's Nassau County Championship clubs.

It is feared here that the acid test has come too soon.

The PBC showed a lack of organization in its Locust Valley opener. There is offensive power but absolutely no defense.

We are not afraid that the club has too many scorers. Coach Ruggiero feels that one night one boy will come up with a bushful of points and the next time out someone else will scorch the nets.

He does not believe you can have too many scorers. Not do we.

One big point in Hicksville's favor for the Saints' game is that Ted Schwarting will be able to make the contest. He was the big man in the PBC's plans before a service call last winter but he has week-ends off and has been placed on the roster for the champs two Sunday contests.

We will go along with Hicksville over the Saints only if it can make its pressing defense hold.

Locust Valley shook many a man free from it Monday and that can't happen this time out.

Port Has the 2020 Vision

Port Washington demonstrated 2020 vision in its North Shore Athletic League Bowling League debut at Manhasset, Monday afternoon.

By a count of 2,020 pins to 1,762, the Blue and White took five points from Hicksville.

Even the second highest game of the day by Steve Birchell could not avert a shutout for the patched up Comets. Steve knocked down 201 woods his second game.

Three first string men were absent from the match and coach Lou Millevoite had to use his reserves.

Gordon Hammond had a 342 series for the losers and George Greco 335. George Marks, Stew Baker and Herman Silva also worked hard for the Comets.

Boslyn is on the schedule for next Monday and Millevoite hopes Ronald Holmes, Robert Steerler and Walt Rhind, whom he considers three of the better bowlers in HHS, will toe the mark.

PBC-ing Around

Hicksville Unit of Nassau County Police Boys Clubs

By PAUL GERRECH
Action resumes in full fury, this week, for all teams. However, we will have to wait until next week to post the scores. Here are the leading scorers in their respective divisions. Junior League: Chad Nickels leads with 70 pts followed by Bob Sakarin with 64, Barry Kleiss 62, Korudac 48, Christian 44, McGunnigle 41, and Moskow 40.

Intermediate League: R. Miller leads with 45 pts. R. Cady 34, R. Adams 23, F. Barton 22, while J. Geyer, T. Pettit and P. Sickinger have 21 pts. each.

Senior League: C. Vogel leads with 56 pts. C. Kollar 33, B. Dyckman 32, F. Gajewski 25, and Dwinell 23. Due to the lack of one game, which scores were kept in the wrong score book and not available at present, Vogel's, Kollar's and Dwinell's point scores are incomplete and represent but two games.

Ran across another Youth movement mentioned in Gene Maljean's column, which should be supported. It is called the North Bethpage Junior Deputy Sheriffs, ages 7 to 14, of which Bobby Raby is captain of the sheriffs. It would be good to

hear more of this organization from Gene.

Anyone interested in being a PBC sponsor may get an idea of our activities by dropping in at the following schools and see the members in action. East St. or Lee Ave. Schools on Monday and Tuesday evenings, and Hicksville High School on Tuesday and Thursday evenings. Doors open at 7 P.M. at all schools. If greater interest is aroused, contact one of the sponsors present and he will outline further, our activities.

PBC Alumni Wins Opener 95-78

HICKSVILLE—The PBC Alumni opened the defense of its alliance League championship, here on the home boards, Monday night, as Harold Manaskie Jr. and Dick Kerbs lead the Yellow and Blue to a 95-78 victory over Locust Valley.

Manaskie scored the bulk of his 20 points in the opening period as

Steve Ruggiero's starting five swept to a 29-13 lead. Bob Meyer, Kerbs and Dick Alcock contributed vital points to the early lead.

The second stanza saw a complete new team come in for Hicksville but the crew was slightly off in its scoring and the visitors rapidly closed the gap. With four minutes of the period left the PBC

only had a 32-31 advantage.

Mayer indicated the score with a fluid one hander from the corner, Manaskie followed with a driving hook and Kerbs belted one in from underneath as the PBC pulled away.

At halftime it was 41-26 and the losers never got dangerously close again.

Every Family Should Have Card

By HELEN WHEELER

I want to take this opportunity to thank all the people who sent the "Library" and its staff Christmas greetings and remembrances. Many of the cards we received at Hicksville Public Library were used to help decorate the mantle!

To the people who aren't yet acquainted with the Library, We would like to send another kind of card . . . a Library card. Many new Hicksville residents have already experienced membership in a public library, so we hope that they will stop at the Library when settled in their new homes or when they receive the Library's Welcome Wagon kit.

But how about you others — who have lived in Hicksville for several years? If you haven't received a Library card yet you've passed up the key to something which is as much a part of Hicksville as Broadway or the clock on the high school tower!

Here are samples of two books recently requested by the Library's borrowers . . . "Pigs Have Wings", Felham Grenville Wodehouse's latest story, describes Lord Emworth's Empress of Blandings — a pig! who almost loses her title as the fattest pig in the Shropshire show! Familiar Wodehouse char-

acters appear in the ensuing snarl of rivalry and romance that maintains the Wodehouse tradition for amusing tangles and neat denouement to improbable situations.

Gladys Schmitt's "Confessors of the Name" is also a fiction title, but very different indeed. The fate of the Christians during the short reign of the third-century Roman emperor Decius is dramatically detailed in the story of the scion of a wealthy patrician family. Favorinus, a Herennius, a Stoic, is disdainful of Christians until he falls in love with his cousin Paulina. When Decius institutes wholesale persecution of the Christians, Paulina is among

the first group to die in the arena of lions, and Favorinus also dies a martyr's death when he embraces Christianity by "confessing the name."

Children of all ages can have library cards, which serve as a key to a wonderful new world. Reading can supply a firm foundation in the building of tomorrow's citizens.
