Flu Epidemic Hits Adults

HICKSVILLE—The current flu epidemic in Nassau and throughout the nation has had little effect on the children in the local public schools, according to Dr. E. H. LeBarron, superintendent of schools, who reports a normal pupil attendance this month.

Outbreak of adults in the school system, however, has been increasing as teachers, clerks and custodians become ill with the flu, Dr. LeBarron said.

Others installed were Marie Raymondi, vice president; Stephen Devine, second vice president; Stephen Freeman, treasurer and Harold Manskie Sr., financial secretary.

Scout Appeal Ready To Start

HICKSVILLE—The Organization Committee of the Boy Scouts 1953 Campaign Drive met at the Long Island National Bank here on Sunday. Chairman William E. Koutensky said he was overwhelmed with the "wonderful cooperation" given to him, and there is "no doubt but that this year's drive should prove the best." He added that the credit obviously belongs to the members, volunteers and the village itself.

If for some reason no one calls on you, send contributions directly to Chairman Koutensky at the LI National Bank of Hicksville.

Nix Hall, Okay Pools Gains Area Backing

Town officials and civic leaders today looked forward to a special referendum vote set for tomorrow (Friday) at Dutch Lane School, Hempstead Ave. and Levittown Parkway in Hicksville, to bring forth the exact homeowner viewpoint on future operation of "recreational facilities" the nation's biggest home builder wants to unburden.

There will be six voting machines in use and voting hours are 5 to 10 P.M. Both Supervisor Charles E. They ask every property owner who lives in the area to take advantage of this opportunity.

A handbill distributed in the area this week by volunteers, under the auspices of the Town Board, stressed: "It is imperative that the desires of all the people concerned be known, in the event that it is necessary to procure legislation in Albany and to amend present laws relating to special districts. Time is of the essence and, if required, legislation must be introduced very shortly so that it may be acted upon before the Legislature recesses."

Two CPAs Elected

NEW YORK — Two Hicksville certified public accountants have been elected members of the American Institute of Accountants, national professional society of CPA's. They are Howard W. Flesche of Massapequa; and Donald F. Timmons, of West Hempstead.

Dear Jean:

PAT BURPALINO, popular manager of Rogers 5 and 10, sends a picture post card from Fort Lauderdale, Fla., where he is lapping up rest, sunshine and playing golf, with comment "wish you were here". ARNOLD JEANSON, assistant Hicksville Fire Chief, has his foot out of the cast this week. He suffered a fracture recently. Readers with old-time data, pictures, etc on Hicksville Fire Dept. are asked to loan them for the 80th anniversary which will be celebrated in February. Materials may be left at the Herald office.

Exempt Firemen on Monday night saw some movies about the practical use of a flashlight. FEED MASTERS JR., recently elected secretary of Fire Co. no 5, was projectionist. Curious statement in notice from County CD about the test alert last Thursday was fact that persons going to the Bar Assoc. reception for several distinguished citizens were put in same class as emergency vehicles and permitted to travel during period of drill. Notice that CHARLES EGGINTON of 2 Bamboo Lane has been named to succeed FRANK SUTTER as CD director did not reach us until after paper was out last week.

POSTMASTER WILLIAM G. MOLLITOR reports the theft of a polo (March of Dimes) fund container from lobby of the Post office. "Bring it back", he wants the thief to know, "and we'll fill it up again for you". CLIFFORD PLACE sent us a post card from Washington while he was attending the Inauguration of Ike.

CHARLES CARROLL and MICHAEL SULLIVAN, attorneys, announce they will move into their new office building on Newbridge Rd shortly. We hear that HELEN WHEELER, our librarian, has given in her resignation to the Library Board and it has been accepted effective the end of June. As SAM WEISS, president of Hicksville Lions Club, was laid up at home this week he requested the loan of the Ceiling Projector which the Lions had presented to the library for use by bed-ridden. The Lighting Co is preparing to feature Hicksville of yesterday and today in the next issue of its house organ, tying in with the fact that about 1,000 of employees are being assigned to the new electric operating centre here.

Serious Educational Emergency

By JOHN DOWLING

The announcement by the Oyster Bay Board of Education to limit the number of Plainview students attending Oyster Bay High has created an unprecedented educational emergency in the Plainview School District.

The Oyster Bay resolution, which was adopted last week, limits the number of Plainview students in grades 9 through 12 to 100 for the 1953-54 school year and prevents the admittance of any 7th or 8th graders during the same period.

Some quarters have termed the passage of this resolution a serious "body blow" to the Plainview School System. This restrictive move by Oyster Bay school officials was made necessary, it was explained, "in order to make provision for our own children."

Here's how the Plainview educational picture looks as of

DOWLING

now:
At the present time there are 92 students in the 6th grade in the Manetto Hill School. These children will not be accepted by Oyster Bay. In addition, there are 47 7th graders now in attendance at Oyster Bay for which provision must be made.

These figures do not take into account the potential enrollment of the Plainview district which has been modestly estimated to be somewhere in the neighborhood of a thousand students by September of 1953. School officials feel that at least 30 or 40 per cent of this number will be junior and senior high school age.

These estimates are based on the building activity now going on in the community the foremost of which is the Morton Village development which will be approximately 90 per cent occupied by September of 1953.

The first group of more than 100 families is expected to move into this 2000-home development in late March and early April.

Another factor involved, which must be taken into consideration, is the fact that seven or eight other developments in the area where anywhere from 50 to 100 homes are under construction. All of these will be partially or completely occupied before the next school year begins.

Even with the completion of the new 18-room school in the western section of Plainview, the district, although in a much better position, won't begin to be able to provide what is generally considered to be suitable educational facilities.

To help solve this tremendous problem, this writer believes that the new 18-room school when completed must be converted to take care of kindergarten through eighth grade.

In addition, construction of another new school plus the acquisition of additional land preferably in Morton Village is a must in order to provide the children of the district with proper and needed educational facilities.

TALKING OVER old times at the get-together dinner and dance of the Town of Oyster Bay Republican Committee held Monday evening at Bethpage Country Club are, from left to right, standing: Town Attorney Theodore V. Summers, chairman of the affair; Surrogate Leonard W. Hall, former Town GOP Leader, and his successor, Howard Hogan, newly appointed Leader of the Town of Oyster Bay GOP committee.

ABOUT PLAINVIEW AMVETS:
Meet Your Neighbors Friday

By TOM PAYNE

The teenagers had another very successful Friday evening last week. The President of the Plainview Civic Assoc. visited the school that night to offer his congratulations to the newly elected governing body. He stated the program was a very commendable one and wished them every success. During the evening's activities the committee or advisory board conducted a meeting of its own. As a result of this meeting I'm not too familiar with the decisions that were made regarding the initiation fee or dues for you teenagers, but if you are interested please contact one of the members during your travels to the various schools.

Now a word to you parents and residents of Plainview . . . On Jan. 31, which is the last Saturday of this month, you will have the opportunity of meeting all your friends and neighbors at the Plainview Firehouse. The time is set for 8:30 P.M. Let's call it a "get acquainted nite" for the present, because basically, that is our prime concern. You can meet people there, play cards with them, checkers, etc., and if you go for the idea, you can let us know what sort of a program you would expect in the future.

This is your chance to establish one night of the month as a pleasant evening and the Firehouse as the place to go. There will be no admittance fee this night and refreshments will be served. You have everything to gain and nothing to lose.

ing to lose by coming down so how about it? Incidentally an annual award for outstanding services performed during the year 1952 will be given to a member of our community. I believe it is the first award of its kind to be given in the county of Nassau. It may mean nothing at all to most of you but to AMVETS it's a date in history one can be awarded in any one year.

I'll not tell you any more about it this week because to my knowledge, even the person concerned doesn't know of it. Remington, Jan. 31 . . . that's this evening Friday . . . see you there . . .

Bus Stop Manners And Safety

By RAE CANTILLI

Hi Folks:
Another week is gone. Wasn't the Presidential Inauguration wonderful? I couldn't seem to tear myself away from the television set.

It was brought to my attention the other day by a group of women around the Universal and Sunrise school bus stop about the children waiting for the School Bus. According to the ladies, some of children arrive quite early at the stop and amuse themselves by running over people's lawns and stepping on bushes and plants, as well as endangering themselves by running around in the middle of the road. Not only that, but some adults going down Universal "Speedway" do not believe in stopping when a school bus is stopped to pick up or discharge its passengers. I would like to make an appeal to parents not to let their children leave the house until it is almost time for the bus to come. It is actually a safety measure.

Cars go down Universal Blvd like the tax collector was chasing them. I do wish drivers would heed this warning and go slower.

There are so many children in a development like ours, and no one would like to have the blood of a child or anyone on their conscience. Be careful. It is better to be careful than sorry and don't forget, parents, watch those children of yours at the bus stop. After all, you wouldn't like any one ruining your property. It costs money.

I had a little chat with one of the Water Commissioners here in Plainview and he assured me that these ugly rumors going around are unfounded. To sum up what he told me he said that what used to be a deep dark secret concerning the management of the Water District will shortly be brought to light, and people here in Plainview will at last be able to find out the facts which heretofore have been a deep mystery. I feel, after talking to this man, that things will begin to shape up in the Plainview Water District . . . and I want it put on record that I wish them all the luck and success in the coming year.

The Brownie Troop 146 of Plainview held their Investiture Ceremonies Saturday morning, Jan. 24 at the School. Mrs. Dalamain in the absence of the Town Committee Chairman, Mrs. Craib conducted the affair. A vote of thanks from all the Brownies, their Leader and Mrs. Craib was extended to her for her excellent job. The P.T.A. donated to them a Troop Flag. Mrs. Voshries of Barnum Place donated the American Flag and John Craib, made and donated stands. Refreshments followed the ceremony . . . cookies being donated by the mothers.

Mrs. Huggins is Brownie Leader of a group of Brownies that meet Friday afternoon at the school. Mrs. Lichter of Floral Drive, heads a group that meets at her home on Thursday afternoons, and Mrs.

Seeburg, leads a group that meets at 10 A.M., Saturday. I was asked to say that any little girl can join the Brownies, no matter which school she goes to. It is a wonderful experience and many happy moments can result. If you desire any information, just give me a call.

Congratulations to Genny and Tom Payne of Island St. on their 6th anniversary, Sunday. Many happy returns . . . I hear they had a night out in the city. Mrs. George L. Black of 25 Relida St. and Mrs. Leonard Benson of 33 Sunrise St. entertained Wednesday, January 21 at the home of Mrs. Benson with a surprise stork shower for Mrs. Anna Doestal of 35 Sunrise St. Among the guest were Mrs. Walter Lansing, Mrs. Gloria Friday, Mrs. Ted Wicks, Mrs. Thomas Mannion, Mrs. Grace Rawley, Mrs. Lewis Rydell, Mrs. John Frank, Mrs. Charles Ferdaise, Mrs. Eleanor Petre, Mrs. Carl Schwartz all of Plainview, Mrs. John Darow of Massapequa, Mrs. Jermiah Buckley and Mrs. Bernard Sullivan of New York City. From all reports, I heard it was a very lovely and successful affair.

My husband and I were quite excited this week. My husband's sister and her husband, Mr. and Mrs. Pat D'Eri of Brooklyn became parents of a 7 lb 4 oz baby boy, Louis Edward, on Jan. 19 at Columbus Hospital in Manhattan. It is the first grandson, and more important it made us an aunt and uncle for the first time. We were pretty thrilled.

I had a wonderful time at the "Herald" birthday party although I had a few anxious moments with my little offsprings. Everything was lovely and our host and hostess splendid. Many more birthdays as happy as this one.

Between Duffy And Old Country

Hi Folks:

Wonderful weather we've been having. I'm sure most of you mothers are just as tired as I am of having to hang the wash in the cellar, or attic. Wonder what the people do when they have no cellar or attic? Cheer up folks, I hear Spring is just around the corner.

We're all sorry to hear little Linda Cunningham of McAlester Avenue is in the hospital with pneumonia. Hurry and get well Linda.

I was informed by my daughter, that her girl friend, Barbara Jirsa of Benjamin Avenue, just had her tonsils removed. Your Kindergarten Class misses you, Barbara.

The Stork seems to be hovering over Meade Ave lately. I hear he has many deliveries in the Spring.

Belated Birthday Greetings to PATSY CUNNINGHAM of McAlester Avenue.

Legion Jottings• 1004 OLIVERI
Hicksville 3-2778-J

Greetings to all veterans and Legionnaires. This being our first column, we express our thanks to the Mid Island Herald for their interest in veterans' affairs.

Plans are being made for the observance of our 25th anniversary. A charter member dance will be held in March. Heading the committee is Al Garruba as chairman and assisted by Bob Ainsley, Hugh Blades, Carl Bertram and Mike Paules.

Looking back a quarter of a century, the original officers were installed by Edward J. McDonough, now head of the Legion's Nassau County Service Committee. Charter members were Charles Schwarz, Joe Ellinger, Milt Deubel, Al Nelson, Ralph Amendola, George Wardell, Lou Hoebel, Frank Eales, Harry Andis, Dom Ruggiero, Bill Margot, Fred Cox, Fred Laumann,

Jim Dingeman, Bob Walton, Joe Ancoli and John Bacchus.

CLIFF DALEY, past commander, is chairman of the Bethpage Blood Bank sponsored by the Post. All blood donated will be set aside for the exclusive use of all residents of Bethpage. It can be secured by calling Cliff. The Blood Bank has been in constant use during the past year, and is urgently in need of replenishment. You can pledge by calling Cliff at Hicksville 3-3469 or any Legion member.

Legionnaires who participated in the Civil Defense air raid drill Thursday were: Fred Willard, director; Tom Oliveri, administrative deputy; Jim Taverna, chief of supply; and auxiliary policemen, Jack Strong, Bob Purcell, Cliff Daley, Al Garruba and Carl Bertram.

Renewals have been received from Jack Strong, Bill Denner,

Tony Pappone and Mike Kellegher. New members introduced at the last meeting were Al Petersen, Al Siemonds, Charlie Emma and Mike Paules.

JIM TAVERNA is chairman of the Boy Scout Drive. Carl Bertram and Mike Paules will represent the Post for the coming USO campaign. Glad to see Al Kaufman home again. Also nice to hear from Roy Werhane.

Remember The American Legion's greatest single achievement for World War II veterans... Its authorship and successful sponsorship of the GI Bill of Rights. Conceived, drafted and steered through Congress by The American Legion alone, its purpose was to assure and spare World War II veterans of the heartbreaks and neglect of the fighting men of World War I. Won't you join? Drop in any second or fourth Thursday of each month and get acquainted.

Asking Pledges For Blood Bank

By DOROTHY GUELPA

Hicksville 3-1218 W

Pledges to the Bethpage Blood Bank, sponsored by the Archie McCord Legion Post, are being solicited in anticipation that a date in March may be obtained for a mobile blood bank unit to visit Bethpage, it was announced by Cliff Daley, chairman.

About 25 donors are needed before a date is assigned. All blood donated will be for the use of Bethpage residents.

A recent recipient of blood from the Bethpage Blood Bank was August McCasty who was injured when struck by a truck. Anyone who is able to donate blood is urgently requested to contact chairman Daley at Hicksville 3-3469.

'BOMB' EXPLODES

Bethpage Civil Defense responded in the general Nassau County Civil Defense air raid drill held Thursday, Jan. 22. The auxiliary police were out in force stopping traffic.

An imaginary bomb exploded in North Bethpage. Other agencies reported at their assigned posts and everything ran smoother than in previous drills.

Fred Willard, director, assisted by Al Marcus made regular reports

to Mineola as "incidents" occurred. Lydia McNamee has been appointed head of the Welfare Division, it was announced.

CIVICS INSTALL

Installation of the North Bethpage Civic Assoc. was held Wednesday, Jan. 21, at the clubhouse, Buddy Massara, Civil Defense deputy director for the Township of Oyster Bay, installed the officers.

William Benfintendi was seated as president. His officers are: Robert Feuss and Edward Schreiber, vice-president; Mrs. Robert Feuss, secretary; Mrs. Jack Strong, treasurer; Mrs. Thomas Oliveri, financial secretary; Donald Marzano and Mrs. William Manaloris, executive committee; Thoms Oliveri, 3-year trustee.

Fred Willard, Civil Defense director for Bethpage, outlined the preparations made for civilians to defend themselves in case of an emergency. He urged that more residents participate in the program.

GIRL SCOUTS MEET

A meeting of the Bethpage Girl Scout Town Council was held Monday night, Jan. 26, at the home of Miss Catherine Seitz, Woodbury Rd., Bethpage. All Girl Scout troops will spend a week end at Camp Eddy, Bayport, on June 26 and 27 instead of the usual September date.

Miss Catherine Seitz will attend the national convention in Cincinnati, Ohio, on Oct. 18 to 21 with all expenses paid by the council. Mrs. Rose Moulton was appointed in charge of badge work. A mother and daughter dinner will be held on May 14.

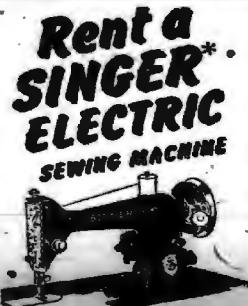

Explorer Post 118 of Bethpage Boy Scouts had an overnight hike at the Campsite, Old Bethpage, on Jan. 17 and 18. Despite cold and rain, the boys had a good time, according to Ed Gaynor, post advisor.

Charter Night for Bethpage Boy Scouts of Troop 118 will be held tomorrow (Friday) Jan. 30 at the Powell Ave. School at 8 P.M. David LeFeber of the Nassau Council will preside. All are invited. Refreshments will be served.

A card party to be held on Mar. 7 was planned at a meeting of the Bethpage Fire Auxiliary last week. Mrs. Marie Ludwig will be chairman of the affair.

The annual Country Life Open House program at the L. I. Agricultural Institute in Farmingdale will be held Thursday, to Saturday, Feb. 19 to 21 from 1 to 9 P.M.

J.W.V. Corner

By BILL OLITSKY

An all out campaign is on in Hicksville to raise funds for a cause essential to our children's very existence, to an existence free from the crippled-polio. Yes, we are on the March, the Ladies Auxiliary of J.W.V. have chosen Mrs. Edna Olitsky as their captain. The volunteer workers include: Ethel Laner, Sr., Ethel Laufer, Jr., Pearl Kaphan and Roberta Eisenlander. This combat team will cover Almed Homes, Harnan Homes and Park Terrace Homes. And to the

City where he visited a theatrical lady who turns in \$50.00 or more, I will personally give free, a landscape layout drawn to scale for their home and this will be one plan I'll do with pleasure.

My thoughts of the column have evaded me due to my little one, Jewel Louise, who is having a birthday party for her 6th birthday. Her guests are: Joan Connaughton, Sharon Connaughton,

Rust proof rain gutters and leaders at about half the price of the only rust proof material used in the past.

There's no need for damp, wet floors and foundations.

Here's what every home owner has been wanting . . . and every one else with a rain drip problem.

Here are gutters so light a man can walk up a ladder with a whole house length . . . 30 feet weight less than 10 pounds. Gutters that require no soldering . . . using simple slip-joint "S" connectors. Gutters that need no painting . . . though you can easily paint them if you prefer.

This rain-carrying equipment is as good looking as it is efficient. Unpainted, the aluminum weathers to a soft grey-white . . . forming a thin film of oxide, that is the metal's own protection. And that oxide is insoluble, non-toxic. It cannot add impurities to water.

Light on the eaves as well as light to handle, there's less risk of sag with aluminum. So, with no painting, you look forward to practically no maintenance.

That's everything you could want of any gutter, so why delay, come in and see this boon to houses.

Ask about our Convenient Payment Plan.

HICKSVILLE GABLES

Earnest Appeal To Dog Owners

By RUTH SCHULZ

Hicksville 3-2669 E

Some like our pets as last week's Herald hit the headlines, the good news reported me concerning a school bus running over a high school girl.

Bus #17 makes a stop at South Elm St. at Plaiaview Rd.

which is certainly convenient for all using this means of transportation to this area.

A most hearty welcome is extended to the newcomer who has recently arrived to live at 3 Gables Dr. He is Alfred John Bruns, son of Mr. and Mrs. Bernhard Bruns, born in Mercy Hospital in Rockville Centre. Alfred weighed in at 41 lbs. and 6 ozs. on Jan. 17 and was welcomed home a few days later by his sister, Ellen. Congratulations to this happy family.

The Hicksville Music Co. here in town, has a wonderful new selection of children's records in stock and some types offered really fills the bill, in my humble estimation. It retails for 35¢ and comes complete in a folder which also contains a story, pictures to color and cutouts. This is a perfect answer for all those birthday gifts that crop up all to often and for your own offsprings delight, when you have promised them "something from the store".

The fifth birthday of Miss Paula Nagley, daughter of SPC and Mrs. Donald Nagley of 35 Gables Drive, was observed on Jan. 18 with a party given in her honor. Real old-fashioned party fare was enjoyed by all in attendance and each received a favor as a memento.

Those present to wish Paula a Happy Birthday included Chris and Doug Arlett, Celia McCaffrey, Butch Cooper, Johnny McKenzie,

Kenny Farke, Edie, Shadrack Middle, Marion, Johnny and Robert Morris, and brother Donald Nagley.

On Jan. 18 it was Gus Carpenter's, of 34 Gables Rd., turn to mark the passing of another year and hope it was a happy one, and the ones to come even better.

Another little gal celebrated her birth date on Jan. 22, in her home at 5 Gables Dr. She is Evelyn Morris, daughter of Mr. and Mrs. Joseph Morris and her second birthday was observed with a family party which included sisters Elaine and Barbara.

May I make an earnest appeal to most dog owners in this vicinity? Have received a number of complaints recently concerning the apparent disregard of dog owners who allow their dogs to roam the neighborhood at will, destroying property as they go. The offenders may not realize that it is against the law in this county to leave their pets unattended. Not only are these animals quite likely to be killed or hurt on our streets, which is negligence in itself, but owners are leaving themselves wide open to law suits arising from the possibility of the dogs biting someone. If you love your pet and wish to stay on friendly terms with the rest of the neighborhood, heed these words of warning. Thank you.

Safety Efforts

Still Lagging

By FRED J. NOETH

A MATTER OF SERIOUS concern for many parents is the safety of their children. This is as it should be. But the shockingly slow coordination of municipal agencies in helping to protect our children—and adults also—is beyond comprehension.

A case in point is the experience of East St. School Parent-Teacher Assoc. of Hicksville. Gordon L. Bowen, chairman of the P-TA safety committee and a safety engineer in his own right, recently reminded the Town Board that three months less than a full year has elapsed since they called attention to certain serious hazards in the vicinity of the school.

The P-TA wrote Apr. 18, 1952, asking for a complete traffic survey in the vicinity of the school. The town board answered six days later that copy of the request went to the county police. Nothing has been heard since.

As Bowen writes: "Recent happenings involving young children both in play accidents and traffic accidents have served to point out the urgent need for accident prevention, rather than correction after an accident. We do not wish an accident or a fatality to occur before the appropriate action is taken either voluntarily or forced by public indignation."

This calls to mind the fact that parents near Lee Ave. School have also been attempting to get pedestrian walks marked out on Lee Ave. at Linden with appropriate stop signs. All they got, in answer to a petition, was a couple of "Children, Go Slow" signs. Robert Eaton, president Lee Ave. P-TA, says his group is urging stop signs.

In some areas there has been better reaction. While only seven children must cross W. John St. daily to reach the new Burns Ave. School, as we understand it, roll out type stop signs have been provided.

There are also roll-out signs for Old Country Rd. near that new school, slowing traffic to 15 mph.

What is definitely lacking is planning and thoughtful consideration of the local traffic and safety programs.

No matter how we start to look at local problems such as these, we come back to the same conclusion. A local municipal government such as an incorporated village would keep abreast of such problems. For proof, all we need offer is the orderly handling of these matters in such places as Glen Cove, Hempstead, Valley Stream and Farmingdale, among others. Hicksville in recent years has outstripped each of these places in population, but still we labor under a government remotely directed from a north shore community about one-quarter our size which probably doesn't even have a traffic problem.

SPEAKING OF VILLAGES reminds us that the new Oyster Bay Township Republican leader is Howard T. Hogan, mayor of Farmingdale. We have been distinctly aware of the fact that many of our public officials and political leaders have come from high office in their home village governments. Assemblyman John J. Burns, for example, was mayor of Sea Cliff at the time of his selection. The late Daniel Wall was mayor of Massapequa Park before his appointment as a town councilman, and the late Frank G. Scholl was mayor of Farmingdale before he became Tax Receiver.

Town Plans Curb Near School

HICKSVILLE—Concrete curbs on the west side of East St. and the south side of Coolidge Ave. along the frontage of East St. School will be constructed, it was learned this week.

The Oyster Bay Town Board will receive bids on the project at a Town Board meeting Tuesday, Feb. 3, in the Town Hall, Oyster Bay, at 10 A.M.

The Legionnaire

We attended the county meeting last Friday night with Ed Becker and Al Vitale and during the course of the evening picked up a few items of interest to be passed along at this time.

Probably the item of greatest interest to our Post came under "Good of the Legion," where Barney Rosen, Past Commander of the Levittown Post, brought to the attention of the County Staff and Post representatives, the neighborhood of our Hicksville Post in providing meeting facilities for the Levittown unit. The unusual hearty response surprised Barney as much as his statement surprised and pleased the Hicksville

According to latest figures on Gifts to the Yanks, our Post has contributed nearly 10 percent of the entire receipts for the State of New York. In this connection thought you'd like to know that over \$7,800 was spent for Christmas in New York for the hospitalized vets.

And under coming events—Boys State to be held at Colgate University, June 21 to June 27. . . . Nassau County Convention will be held in Hempstead June 25, 26, 27. . . . Tax free cigarettes may be on their way back for Kings Park.

Leaving the county news and getting closer to home—Very late, but very warm congratulations to the Jim Arneemann's on their recent blessed event. . . . Congratulations also to Fred and Jean Brengel on a new daughter. . . . Al Vitale tells us there are 301 veterans in the present Congress and 284 are Legionnaires. . . . This Post's contribution to the special fund for child welfare at Christmas time turned out to be the largest single contribution in the entire County. . . . A reminder to the By-laws Committee that there is a meeting tonight.

. . . And while in the reminding mood—don't forget we all have a meeting this Saturday, from 9 AM to ??

for a general clean up of the Clubhouse. It usually turns out to be an all day job so come any time and lend a hand for an hour or two. . . . Date for our 1952 Kings Park visit is Dec. 6. Gonna be awful cold.

Latest committee to be formed is the Initiation Committee who will arrange a program for Friday evening, April 10. Walter Schleiting, John Spinnell, Bert Nessel, Jim Carter and yours truly have agreed to serve. . . . We were crossed up twice in last week's column—first when U.M.T. cards were written at the last meeting and second when we rambled on too long which caused Fred Neeth to clip the last paragraph. Can't scare us though because we intend to repeat last week's closing. . . .

Before we wind it up however we'd like to say a few words to all of you about the American Flag. It would be impossible for us to improve on the remarks of Jimmy Carter at the most recent meeting who, in effect, said that the Communists, who seek to destroy the very flag that protects them, display our country's banner prominently at all their meetings and in all their parades, whereas we, who consider ourselves solid, patriotic citizens, are so lax it is disgraceful. Lincoln's Birthday is the next general holiday that will give all of us an opportunity to present a united display. What's your answer? *

Quoting the Anderson, Indiana, Herald, "The program of the American Legion is one that has an instant appeal to plain-spoken men and women. The wisdom of the Legion offers real encouragement and a concrete road to a safer and saner world." Join now. Come to the regular meeting this Monday evening.

One final reminder for this Sunday at 1:30 P.M. on NBC, radio and television,—"The American Legion "Back to God" program, highlighted by speeches from President Eisenhower, Vice-President Nixon and singing by the West Point Choir.

See you Monday night.

Agrees On LIRR

By DOROTHY RETTERBERG
I agree most heartily with Mr. Szendy's column regarding the conditions outlined in his article seem to prevail on all Hicksville trains. Then the LIRR shows the slogan "99.83 per cent on time" down our throats just to

add insult to injury.

Keep those columns going each week. A number of people are seeing that the LIRR officials see them. 199 W. Marie St., Hicksville.

ALONG WOODBURY ROAD:

Indian Recipe and Cub Scouts

By GENE MALJEAN

Hicksville 3-5515
Here it is deadline time again—and not enough news to stuff a thimble.

I suppose I should have sat in the police station with a feds on the back of my head and a cigarette hanging from the corner of my mouth—waiting for a big news splash like the reporters on TV. And, also, unlike Steve Wilson—I never find a body in the trunk of my car, or a dangerous lunatic in my attic, although that last might have been possible with the bizarre escape, recently, of the maniacs from the asylum in Long Island. Thank goodness they were apprehended. Well—no news, they say, is good news.

I imagine it is possible to create news, and that is precisely what we are about to do in Woodbury Gardens—in a way. We are all getting together in organizing a cub scout pack, later—to bring into being a

FINE RECITAL

and generous personality, and you have the recipe for Kenneth Smith's success here. This reviewer would like to see him here again to sing to our entire membership.

This would not be a fair review if the pianist were not mentioned. In the broad sense there is no such thing as a soloist, for so-called sole singing calls for carefully coordinated team work. This was supplied in full measure Jan Meyerowitz, who supported the singer, with great sensitivity and beauty of tone, especially in passages called for singing melody in the accompaniment. As always in such programs, many accompaniments required great technical proficiency, which is frequently unnoticed by an audience whose principle attention is focused upon the singer. Mr. Meyerowitz, offered in his sole group a number of Schubert waltzes and Debussy's lovely "Sunken Cathedral". Following the legend, one could hear the forgotten cathedral as it rose and sank amid the swirling of water and the tolling of its bells.

Our thanks are due the Community Concert Association for their excellent choice in sending us Kenneth Smith who gave us an outstanding success. We wish Mr. Smith a great future and a return engagement.

Boy Scout troop as soon as the ages of our children warrant the move. I don't have a boy but I'm looking forward to my daughter's joining the brownies in time. There is so much interest for the children in this vast organization and all aimed at moulding better citizens. And, after reading the headlines on the front pages, it is evident that we could use a bit of guidance for our youth. I might add that our local Police Boy's Club is a wonderful outlet for older boys.

If you see Rosalie Leary this week you may wish her a happy birthday. Come to think of it, you probably will see her, as she is collecting for the Mother's March on Polio, along with Gladys Blaser, Helen Branham, Mrs. Henry Frank, and my spouse, May.

Grace and Vin Conway of Briggs St. welcomed a son born on Monday the 19th of Jan. . . . And more proud parents—Mr. and Mrs. Walter Galkowski of Adams Street. It was a baby boy weighing 7 lbs. 3 oz. born on the 21st of Jan. . . . Wasn't it nice of Dave McGrath on Ketcham Ave. to donate blood to a friend last week? . . . Little Mary Ann Lizza of Regent Street has a touch of pneumonia. Here's wishing a speedy recovery. Mary is seven years old.

May mentioned a name in the column last week that rang a bell with one of the readers. Marilyn Mische phoned me to see if the Peggy Blahm we mentioned might be a friend she once knew. However, I haven't been able to contact her up to now. If Mrs. Blahm recognizes the name please phone me and I'll supply the address.

Carol Stine had a birthday party Saturday and — as usual my wife was late with Dolores — so the party was held up for an hour.

Very sorry, Mrs. Stine. The children present were: Kenneth Hogan, Richard Lee, Roy Sopko,

Lewis and Leslie Worly, Patricia Wegan. A delicious birthday cake was baked by Mrs. Worley.

May isn't the only one who can print recipes. A woman from Woodbury Mason phoned me an Indian recipe, this week and it sounds delectable. Next week look forward to a Hungarian pastry recipe from Mrs. Fay, of the Bank of Hicksville. Indian Shrimp Curry: Ingredients: 2 1/2 lbs. cleaned, cooked, fresh shrimp, 6 cups boiled white rice, (1 1/2 cups raw) 1 chicken bouillon cube, 1 cup boiling water. 5 tablespoons butter or

margarine, 1/2 cup minced onion, 6 tablespoons flour, 2 1/2 teaspoons curry powder, 1 1/4 teaspoons salt, 1 1/2 teaspoons granulated sugar, 1/4 teaspoon powdered ginger, 2 cups milk, 1 teaspoon lemon juice.

Cook and clean shrimp: Cook rice; keep hot. Meanwhile, dissolve, bouillon cube in water. Melt butter in double boiler top over direct heat. Add onion; simmer tender. Stir in next five ingredients. Slowly stir in bouillon and milk. Cook, over boiling water, stirring until thickened. Add shrimp and lemon juice. Heat. Serve shrimp on heated platter with hot rice around it. Serve curry accompaniments: Chutney, tomato wedges, sliced avocado, sliced pineapple, curried jelly, chopped hard-cooked eggs, sauteed onion rings. A curried dish is at its best served with one or more of these accompaniments, arranged in separate bowls. I just checked this one off with May to see if I had the correct wording—and she is getting hungrier by the minute just thinking about it.

We spent Sunday at a neighbor's home on Ketcham Road, Mr. and Mrs. Joe Syckl. Joe's mother, his brother and wife, and his uncle and his wife had dropped in from Wooster, Mass. Strange how we met the Syicks—Joe phoned after reading a column by May, thinking she may be of Lebanese extraction. There are very few here and they enjoy meeting one another. Well, it turned out that his folks had come from Zahle on Mt. Lebanon—quite a small town. This is exactly the place from which May's family came. So this Sunday we met them for the first time, and had a grand day of it.

Woodbury Gardens is now receiving calls for its telephones. After the man installed mine, he asked, "Does anyone need dialing instructions?" I was surprised that there are many people who do not teaching on this subject. Come to think of it—with all the misplaced phone calls we get—I suppose there should be a school for dialing, although—only more care would be sufficient.

This Thursday the Ladies Drama Society of the East St. School is convening for rehearsal. My wife is studying hard for her part which consists of two sentences. I'll bet she muffs them both.

GREET NEW MEMBER

Mrs. Mae Hogg of 20 Cernwall La., Hicksville, was welcomed as a new member in the Independent Art Society of Hicksville at a meeting held Thursday night at The Studio, 30 Terrace Pl.

Robert Treichler gave a lecture demonstration on "Textile Designing."

Miss Helen Wheeler, Hicksville Librarian, will give a talk "You the Artist and Your Library" at a meeting on Feb. 19.

Joseph Colloca of Wantagh will exhibit an oil painting of a snow scene at the Hicksville Public Library from Jan. 31 to Feb. 14 under the auspices of the Independent Art Society.

Woodbury Gardens Civics' Notes:

Starting this week you will notice a nationwide publicity campaign to build the Woodbury Gardens Civics' Notes. This is, therefore, no need for us to review their aims and accomplishments. Suffice it to say that it is an organization trained to channel the energies of growing boys into beneficial and educational pursuits. In our community (Woodbury Gardens) we have approximately 300 growing boys and an equal number of growing girls. While more than two-thirds of these children are less than eight years of age, it seems imperative that we start to form scout groups now.

The Woodbury Gardens Civic Assoc. is organizing a Cub Scout Pack for boys between the ages of eight and eleven years. If you have a boy in this age group who is interested in becoming a Cub Scout, kindly contact any member of your Social Activities Committee. Here are a few telephone numbers: HI 3-2074-M; HI 4-6159-R; HI 3-4664; HI 4-5927-W. We would like to have a firm foundation to "BE PREPARED" for those 250 boys who are daily getting one day closer to their eighth birthday. We are not forgetting the girls nor the older boys. The Social Activities Committee is planning hikes, games, contests, etc. But Woodbury Gardens was not built in a day. We do need the interest and enthusiasm of the parents in these programs. We are not organizing baby-sitting groups; these are activities for your children to make them better citizens and to give them constructive areas in which to play.

We know there are many other areas of social activities for us to explore and we shall. We know that you are concerned with the conditions of our roads, and we intend to take whatever action is available to us to correct or improve this condition. We know there is need for park areas, traffic signs, school surveys, gas vs. oil-fired furnace survey. Your Executive Board is aware of these and many other necessary studies. We would also like to make available to you the names of people in our development whose services are offered should you need them. Among these is a gentleman with a dual controlled automobile who vends driving instructions, radio and television repairmen, salesmen of all ilk, etc. But we have no doctors or lawyers. We understand it is difficult to get a doctor in a hurry. We'd like more information on this problem. Do you all have a family doctor in this local area? Or is your family doctor beyond hospital call distance?

Don't fail to vote in the school-district vote today, Thursday, Jan. 29 at the high school.

The Spotlight

By HOWARD FINNEGAN

Since it's more than obvious that time and material are not on his side, it must have been a source of satisfaction to Hicksville High coach Chet Jaworski when Dick Crawley of Oyster Bay personally scouted the Orange and Black at Sea Cliff.

Hicksville was rated low in the earlier estimates of team strength, but the Comets' 1953 recovery which saw wins over Roslyn, Farmingdale, St. Dominic's and Westbury must have aroused the astute North Shore mentor to the point where he felt a personal look was imperative.

To be sure he got a look at Sea Cliff also but his club had already routed the Cliffmen with his tight press and must be expected to do so again.

The key to that was shown in the third period when Hicksville, trailing by 16 points, used the press and in quick fashion whittled the lead to six points.

The Comets went to pieces on other counts but the amused expression on Mr. Crawley's face indicated he knew how to handle Sea Cliff.

So the principal interest of the evening must have been Hicksville.

Crawley left his Baymen—as they went to the well for the 37th win in a row—in charge of lieutenants as they squared off against winless Westbury.

What he saw must have set aside most of the fears he had concerning his forthcoming invasion of the Hicksville gym.

He could have realized that mid-season graduation has cemented his cause in this case. For even well-below-peck effort, the Comets showed some evidence that they could play THE game on a given night.

As it is now Mr. Crawley has nothing to worry about.

Levitt Area Votes Friday

(Continued from Page 1)

district, school district, fire district, garbage district, street lighting district, and park and parking districts.

Each person voting will be required to sign a statement that he is a resident property owner.

ONLY TWO QUESTIONS

Efforts by pro-Levittown minority groups to force the Oyster Bay Town Board to include a third question in the voting have been repeatedly rebuffed by officials. The third question proposes the creation of an all-inclusive special district for balls and pools embracing the Levitt development in Hempstead and Oyster Bay townships.

Today the Save Our Pools Committee, with William Sill of 2 Bank Lane as chairman urged residents to vote "no" on proposition 1 and "yes" on proposition 2. Regarding the two questions, the Committee said:

"...you will take on, forever, the cost of maintaining the Hall out of your hard-earned tax dollars, for the benefit of the small number who use the Hall, in spite of the fact that no similar tax-supported Hall exists on Long Island, and there is ample space in the schools for legitimate civic purposes. We strongly urge you to vote "no".

"No. 2 — The cost in taxes to own, operate and maintain the two swimming pools in our section, as estimated by the town board,

would be about \$3 a year. While the Save Our Pools Committee has advocated legal action to force Levitt and Sons to deliver on their promises of 'free use', it advocates in the interest of peace, the municipal operation proposed if the developer cannot be forced to keep that promise. We recommend that you vote "yes".

WARN VOTERS

Sill's committee also warns all homeowners "don't be misled or deceived by any last minute announcements of a change in location or the questions involved. The vote at Dutch Lane School has been officially advertised for that time and place, only, by the Oyster Bay Town Board."

The South Hicksville Assoc. of Levitt Homeowners, led by Arthur Schwartz of 197 Spindle Rd., recommends that homeowners vote "yes" on proposition 2 and "no" on proposition 1.

The Hicksville Democratic Club with Arthur Isaacs of 51 Arcadia Lane as president, went on record this week urging those in the area concerned to vote "no" on the Hall and "Yes" on the pools.

The Levittown Steering Committee, personally selected by Builder William Levitt to push thru his solution, meanwhile announced that it will hold a private referendum in a vacant store in the Parkway Village Green on the question of a "single district". The Steering Committee, with the exception of two members, consists of residents outside of the area being asked to vote this Friday. Most of its membership and support is focused in the Township of Hempstead where there is no problem, it is felt, regarding taking on the cost of operating the Hall. The Levittown Park District has already assumed the tax burden of operating and maintaining seven swimming pools built by Levitt since 1949.

A town official said this week that the outcome of the "private referendum" would have no bearing upon the Oyster Bay Town Board proposed two-question solution to the controversy.

SEA CLIFF VICTOR:

Baymen May Roll Over Comets

HICKSVILLE—Unarmed and undermanned Hicksville High awaits the salvoes of mighty Oyster Bay slated for the home court, Friday night, stripped even of its proud role of contender to the championship.

Sea Cliff won the nod of heir apparent to the Eastern Division throne last week-end by stopping the Comets 69-52 on the winner's floor.

Resigned that the graduation of Ray DeLay and Mort Rossner would make their championship dreams useless the Comets were an easy target for the veteran Cliffmen who still feel they have a date with destiny February 26th.

FULL HOUSE ASSURED

Oyster Bay sails into Hicksville victorious in 38 straight contests and faces its closest competitor over that streak on the court which has seen it experience the most difficulty.

A Dick Crawley team lost its last contest here two years ago in a hectic 61-59 encounter.

This time the book says Hicksville cannot contest the Baymen's reign but the game still retains its interest and the season's first full house is assured.

NO HANDLE, NO DIP

Sea Cliff did not take the contender position in jest. It was hampered by the illness of six foot, five inch Fred Grotz—but the hosts had ample talent to replace him.

For the Comets it was simply a case of no handle and no dip.

The ball just would not go in although they had enough shots to miss plenty and still score 90 points. They could not hold on to the ball and the inferior passing completed the downfall.

Sea Cliff leads at the end of each period 12-9, 28-19 and 46-32.

Pat Enos lead Hicksville with 17 points, De Lay had 11 and Tom Maxwell contributed 10.

Ron Johnston of the winners drove hard against the Hicksville zone and threw in 33 points.

LIBRARY BOOK CIRCULATION UP

By HELEN WHEELER

Library Director

During the past three months, many mystery and detective stories have been published which have been very popular with American mystery fans. Hicksville Public Library has twelve of these, and this "popular dozen" are part of the Rental Collection. "The Best Detective Stories of the Year 1952" is the annual collection of detective stories which have appeared in magazines during the current year. David C. Cooke has edited the series since 1945, and the Library has other volumes in it. "The Nine Wrong Answers", by John Dickson Carr, is "a novel for the curious" . . . Bill Dawson, a young Englishman down to his last sixteen cents, answers a personal in New York and is sent to England on a strange mission. "The Land on a Strange Mission", by Patricia Wentworth, is another of the popular Miss Silver mysteries. Mild Miss Silver knits her way to the solution of several deaths in a very British village.

ANNUAL REPORTS

January is the month when we all bring our records up to date and take stock of what has been accomplished during the past year . . . and also what needs for the following year are revealed by this inventory! During 1952 almost 80,000 books and other materials were circulated by the Hicksville Public Library among its borrowers. This is 3,000 more books than during 1951, despite the fact that it was not possible to increase the book stock comparably during that time. At the end of 1951 the Library had 17,142 books; during 1952 only 1,451 volumes were added, although the population of the Library's area increased during the same period by several thousand!

During the past year, 1,502 people registered with the Library, bringing the Public Library's total membership to almost 6,000!

Baymen May Roll Over Comets

P.B.C.ing Around

Hicksville Unit of Nassau County Police Boys Clubs

By PAUL GERECH

The Celtics of the senior league cemented their hold on first place by beating their closest contender, the Oyster Bay Vikings 48 to 43.

The ball hawking of the Celtics really paid off in demoralizing the Vikings in an exceptionally well played and officiated game.

Again it was the sharpshooting of Charles Vogel with 19 points, Joe Dwinell with 10 points and Charles Keller with 9 points that aided in the victory. Hail Mele, former collegiate star from St. Francis, did a splendid job of officiating an extremely fast and skillful game.

Our intermediate teams all lost their games. The Hoops lost to the Bethpage Colts 35 to 19 with McKeown netting 8 points. The Flyers lost to the Farmingdale Cubs 58 to 22. DeCosta with 13 points was high for the outmatched Flyers. The Saxons put up quite a scrap before bowing to the Syosset Dragons 65 to 57. Miller with a tremendous 32 points and Barton with 17 points kept the Saxons in contention throughout the game.

The Juniors were confined to practice this past week but will start action this week. This brings me to mind to mention the fact that there are quite a few boys coming to East St. School wanting to play ball, who are underage. There was one 6 years old, several 7 years old and quite a few 8 to 10 year olds. As much as we would like to have them we are hardly able to take care of them that young. The age limits of the Police Boy's Club are from 10 to 13, 13 to 16 and 16 to 18. To have members younger than 10 presents an injury problem. It's true we have 9 year olds who are as big or bigger than some of our 10 year olds, and they are playing on our 2 sub-novice teams. To you parents

whose boys come home with instructions to wait until they are of age, please do not be offended. It is the boys safety from injury that we are considering.

Several sponsors were asked how much they received for their work with the Police Boy's Club. To clarify this question the answer is nothing, but the kick out of teaching and watching the youngsters progress in sports. If there are any persons who have taught a youngster how to play any game in sports and watched the lad improve to a point where he makes the varsity in school, they will understand what we mean. There are several boys on Hicksville High's varsity today who got their start in the Police Boy's Club. Several boys are on their way to further stardom.

One in particular is Bob Hock who has signed with the Cincinnati Reds. Another belief is that all sponsors must be businessmen. In a sense of the word, that may be so, but in our case it is not. Ninety per cent of us work for an employer. We hope this clears up the sponsor problem for those who would like to join our ranks. Those wishing to do so please call Hicksville 3-1414-M or the Herald Office for information. Join now and meet all the sponsors and wives at our Sponsors party Feb. 7.
